Salvation Army Christmas Mail Appeal Drive On

The Salvation Army through its service unit program in this community is now conducting its annual Christmas Mail Appeal campaign. Services rendered in this community include local emergency social service needs, food and lodging for local and stranded persons and other documented special needs. Additionally, the statewide program of services provided by The Salvation Army include statewide disaster services, camping services, services to unwed mothers, alcoholic treatment and rehabilitation services, and operation "Toylift" in which The Salvation Army sees that children of prisoner parents all across the state of Wisconsin receive a gift from their own parent at Christmas time.

County Cancer Group Meets

The Washington County unit of the American Cancer Society held its first meeting for the 1975-76 year on Nov. 12 at the West Bend Mutual Insurance Company.

Lillian Fischer, Betsy Schultz and Jan Smith reported that they represented Washington County at the Wisconsin Division's annual meeting Oct. 17 and 18 in Oconomowoc where the county unit received a certificate for having surpassed its crusade goal. Washington County was also recognized with a special award for holding a successful fund raising event. In other business, President Gary Draeger presented an engraved plaque to Gehl Company for its help with the past crusade, and said plans are being made for next year's event.

According to other committee reports, breast self-examination teach-ins were held recently for the staff of the Cedar Lake Home. A program was held on Oct. 2 for the general public at the West Bend Library. Sixty-two people attended.

Although breast cancer afflicts one of every 13 American women and will cause about 33,600 deaths in 1975, the American Cancer Society emphasizes that with early detection and treatment through self-examination and regular health check-ups, 85% of breast cancer patients can enjoy long term survival and good health.

Anyone desiring further information on a breast self-examination teach-in should contact Mrs. Sherry Zaporski at 338-8491.

Dr. Hoffmann To Be Honored

The citizens of the Campbellsport area are having a day of recognition for Dr. Leo A. Hoffmann on Sunday, Dec. 7. The day will include a luncheon at 1:00 p. m. in the high school cafeteria, followed by a recognition program in the school auditorium at 2:30 p. m. Tickets for the luncheon are available from the First State Bank of Campbellsport and admission to the program is free.

Dr. Hoffmann has served our community for 58 years, and in recognition of this, a Medical Scholarship Fund has been established in his name. Donations to this fund will be accepted at the First State Bank of Campbellsport and at the high school on the day of the event.

RICHFIELD FALL MARKET FAIR DEC. 6-7

The Fall Market Fair annually held in the Richfield Fire Hall the first weekend of December has been planned for Saturday, Dec. 6, and Sunday, Dec. 7, according to Norma Williams, Chairman of the Washington County Arts, Crafts and Crops Association. The event will run from 10:00 a. m. to 5:00 p. m. both days.

Craftsmen from all over Washington County will be showing and selling their wares. They will include such things as ceramics, rugs, food and crafts of all natures.

This is the 16th year that this program has been underway and it has grown each year.

There is plenty of parking space available. Lunch will also be available.

1976 County Fair Plans Beginning To Develop

Plans for the 1976 Washington County Fair are beginning to develop, according to County Agricultural Agent Maurice Hovland.

The most recent was a meeting of the Livestock Sales Committee, chaired by Roy Esser. The purpose of the meeting was to get plans underway for the 1976 sale. The committee was most interested in getting a competent judge, making sure that rules were established and that there was a way to enforce the rules. It was indicated that the public should know about the action of the committee throughout the year.

One of the things the committee discussed in quite detail was the work of Production Credit Association (PCA). During the discussion the question arose, does the public really understand the role of Production Credit Association in the sale event?

According to Esser, Production Credit Association functions only as a clerk for the sale. They do the book-keeping, help handle the sale, and advance \$40,000 worth of checks so the showmen can have their money immediately after the fair. In other words, PCA finances the sale. In addition, they as an organization and individuals, purchase a number of animals, plus buying trophies for the dairy show.

It is support such as PCA gives the organization that can help make it a success or failure. According to Esser, without the PCA's support, operating the sale would be difficult.

The committee indicated that they would again be selling about 40 head of beef. The number of swine and sheep would be determined at a later date.

In addition to PCA's support, it is also absolutely necessary that we have the support of other people that assist, and receive nothing for their efforts except hopefully the thanks of the public. They include the auctioneers, Jackson Equipment Co., area veterinarians, Powder River Equipment Co., and of course all of the buyers which are too numerous to mention.

SENIOR CITIZENS WILL HOLD CHRISTMAS PARTY

The XYZ Club (Senior Citizens) will hold their annual Christmas party at the Legion Clubhouse at noon on Dec. 10. If you have not registered, please do so at club or call 626-2787 or 626-4079. (Members only). Cards will be played after the noon meal and program.

PARISH BAKE SALE

Peace United Church of Christ, Kewaskum, will hold their annual bake sale at 3:00 p. m. Saturday, Dec. 6, in the church fellowship hall. The public is invited.

Weilands Feted On 50th Wedding

Mr. and Mrs. Art Weiland, Mill Street, Campbellsport, celebrated their golden wedding anniversary Sunday with a Mass at 1:30 p. m. at St. Kilian Church, St. Kilian, followed by a reception, dinner and dance for friends and relatives at the Knights of Columbus Hall, Fond du Lac.

The former Rose Eilbes was born July 19, 1907 in Germany. Mr. Weiland was born April 1, 1901, in St. Kilian. They were married Nov. 17, 1925, in LeRoy. The late Rev. Peter Dellas officiated.

Lucy and Ferdinand Weiland, Henry Eilbes, and the late Josephine Wahlen were attendants.

The couple farmed at St. Kilian until retirement and moved to Campbellsport in May.

They have five children: Mrs. Erwin Schaefer, Lomira; Mrs. Daniel McCarty, Campbellsport; Mrs. Bernard Brown, Dundee; Donald, Colgate; and Richard, deceased. They have 28 grandchildren and four great-grandchildren.

Keep Rural Mail Boxes Clear, Local Postmaster Urges

The cooperation of rural postal customers in helping to keep approaches to mail boxes clear during the coming winter months was requested today by Postmaster Harry E. Koch.

"Postal customers are responsible for keeping approaches to their mail boxes clear of snow and other obstructions that would make mail delivery difficult or impossible," Postmaster Koch said. "People should be aware that failure to clear paths to mail boxes promptly after heavy snows may temporarily prevent carriers from making deliveries. Customers will be contacted if they have an obstructed mail box."

There may also be a need to ask postal customers to relocate their boxes on a new line if excessive and extended detours are necessary, the postmaster said.

"Highway officials are responsible for keeping public roads passable and in good repair," Postmaster Koch said.

Rural carriers will make every reasonable effort to serve the greatest number of customers during severe weather, the postmaster said. "But service on foot when roads are impassable is not required. Also, when state highway authorities or local police consider road travel hazardous, postal service may be curtailed until the inclement weather abates," he said.

The postmaster urged anyone with a question on winter weather road conditions and mail service to contact the Kewaskum post office.

Mr. and Mrs. Roland Comins of R. 1, Campbellsport announce the engagement of their daughter Ellen K. to Gary E. Rauch, son of Mr. and Mrs. Eldon Rauch of R. 3, Campbellsport.

Dear Mr. & Mrs. Harbeck:

Enclosed is my check for \$1.31 in payment of my ad.

It is certainly a pleasure to receive your newspaper in our new home. It's a great way to keep up with all the news back home.

We are now comfortably settled in our new home in Danville. Danville is a community of about 1800 and is a quaint conservative area located about 29 miles east

of San Francisco.

Our new business venture is thriving and I am keeping busy here in LaFayette, Calif. playing secretary at Hospital Advocates. I work for my husband in the morning, and occasionally in the afternoon when we are rushed.

Please do mail me a subscription renewal whenever it is due. My best wishes to both of you.

Warmest regards,
Jan O'Keefe

P. S. Please say "hi" to Pat Herriges for me. She is one of the people I didn't get to say goodbye to. Thanks.

Indians Open With Overtime Win Over Strong Plymouth Team, 75-70

In a hard fought non-conference battle at Plymouth Friday night, the Kewaskum Indians opened their 1975-76 basketball season with a come-from-behind overtime victory, 75-70, over the Panthers.

After leading 15-13 at the quarter and trailing 40-36 at the half, the Indians fell behind by 14 points in the third quarter but rallied to out-score Plymouth in the final quarter, 22-13, to finally tie the score at the end of regulation time, 69-69, as they kept chipping away at the Panther lead. Kewaskum scored six points in the 3-minute overtime while holding Plymouth to one to win by a 5-point margin.

It was the first game for the Indians and it took a while for them to settle down while Plymouth already had one game under their belts, a victory over a highly regarded Manitowoc team. They also had the home court advantage.

The Indians were paced by Tom Rohlinger, who besides scoring 27 points, played an aggressive defensive game, and center Jack Kern with 24 points.

It was a battle between two tall teams and the momentum switched early in the fourth quarter when the Panthers ran into foul trouble. When Plymouth's center, 6-5 Russ Doebert fouled out the Indians gained control of the boards. Two other Panthers, Steve Matheys and Bruce Friedrichs, fouled out later in the rough game.

The Indians were ice cold at the start of the third quarter and fell behind 50-36 before Kern hit a jump shot and the tide turned from then on. With Kern and Rohlinger taking control in the fourth period and with Dennis Bremser hitting on two free throws the gap was closed to 65-64, Plymouth. The Panthers again stretched their lead to five but Bremser hit from the floor and Rohlinger made two free throws to narrow it to one. Plymouth went into a stall but Kern was fouled and he made one free throw to tie the game.

In the overtime Kern grabbed a rebound (he had 14) and then scored seconds later, Rohlinger made two free throws, and Kern broke loose for a lay-up to finish the scoring and win the contest.

Sharpshooting soph guard Jim Pieper led Plymouth with 24 points and Matheys had 20.

Paced by Mark Tessar's 25 points, the Kewaskum JV's also bested Plymouth, 63-56. The score was tied at the half, 29-29. Tessar hit on 8 baskets and 9 free throws. Dale Poling added 12 points and Roger Regel 10.

Tuesday night Kewaskum hosted powerful West Bend East of the Little Ten conference in their first home game in the new gym. Next Tuesday they will entertain the Campbellsport Cougars of the Flyway loop in another non-conference affair.

Kewaskum Girls Tip Random Lake In Overtime, 51-48

The Kewaskum girls basketball team opened the season with a non-conference game against Random Lake in the new Kewaskum gym last Tuesday and won in an overtime battle, 51-48.

Senior Diane Strack paced the winners with 27 points. The score was tied 44-44 at the end of regulation time. Then Strack scored three baskets and a free throw and teammate Wanda Akin chipped in a basket to ice the victory.

Pam Scannell had 10 points for Kewaskum. Random Lake was led by Joan Wagner and Paula Hipke, who combined for 30 points.

Kewaskum, co-champs with Slinger last year in the Scenic conference, is expected to be a strong contender again this season, according to Coach Kat'e Koch. The team has experience, quickness, height and depth. Miss Koch is working with 15 players.

Returning letter winners are senior Diane Strack, all-conference first team selection last year; senior Wanda Akin, tall and a good rebounder; junior Julie Stoffel, senior Kathy Stoffel and senior Pam Scannell. Six other players pressing for first string are seniors Yvonne Fellenz, Joy Zarling, Amy Schmidt and Jane Theisen, soph Kathy Mertz and junior Bonnie Schmidt.

Kewaskum hosted New Holstein in a non-conference contest Nov. 20 and opened the Scenic season at Pewaukee Nov. 24.

Secor Gets Soccer Letter at Ripon

Forty Ripon College football players were awarded football varsity letters following the 1975 campaign, in which the Redmen finished with a 6-2 Midwest Conference record and a share of second place. Also awarded letters were six members of the cross country team and 13 members of the soccer team. Freshman Dale Secor, son of Mr. and Mrs. Gerald Secor, R. 1, Kewaskum, was among those receiving soccer letters.

Secor is also a candidate for the Ripon College wrestling team at 126 pounds. He is one of five freshmen on the roster and is rated as an excellent prospect by Coach Bill Connor. Lack of depth poses a potentially severe problem for Connors' team with only 14 candidates on the roster and two of those doubtful because of injuries. The Ripon matmen will make their debut Saturday, Dec. 6, in a dual match with Maranatha College at Watertown.

Indian Matmen Rout Dominican

The Kewaskum High School wrestlers opened their season Thursday with a one-sided 57-6 victory over Dominican of the Milwaukee Metro conference.

In the entire varsity match there were only three decisions. One was a win by John Sekeres at 167 pounds and the other two were the matches lost by the Indians in the 112 and 119 weight classes. All the rest of the bouts were won by the Indians by pins or forfeits, as was the case in three weight classes.

Dan Ruplinger, a junior, defending Scenic Moraine 98 lb. champ, who has moved up to 105, took care of his opponent in 36 seconds. Three other pins were accomplished by Kewaskum wrestlers in the first period: soph Larry Morenzi at 155, senior Dan Braun at 145, and soph Dan Schmidt at 128. It was the first varsity competition for Morenzi and Schmidt.

The Indians have seven lettermen returning and hope to improve on their sixth place finish a year ago. Heading the list is Ruplinger, who also captured several invitational crowns to his record last year and ended up with over 20 victories. Other lettermen include regulars Gary Schmidt, Pat and Dan Braun and Russ Herriges, together with subs Wayne Kleinmann and Bob Marx. Kleinmann was a JV conference champ.

The team will have to go with an inexperienced unlimited competitor as regular Randy Edgar had decided to pass up the sport. All-conference football player Gary Gavin has reported for the first time in unlimited. Sekeres, Randy White and Steve Schneider will also be counted on heavily.

Close to 40 boys have reported for wrestling this year. Coach Fran Charland will handle the varsity, newcomer Terry Kelly the JV's, and Dave Draxler will again serve as freshman coach.

In the match with Dominican, the freshmen and junior varsity also did well, losing just one match.
