## 7 Freight Cars Derail North of Kewaskum

Seven northbound Chicago & North Western Railway freight cars derailed two miles north of Kewaskum in Fond du Lac County near County Trunk V at about 11:55 a. m. last Wednesday.

Two hundred feet of train track was torn up when a truck-form broke off a box

car. The accident forced the re-routing of three trains and required a train wrecker from Appleton and automotive wreckers from Butler to be sent up to clear the debris.

Five of the cars were carrying paper and the other two were empty. A dollar damage

estimate of the loss was not known. One car was said to be demolished while others suffered some damage.

The track was said to be cleared by mid-morning Thursday. The remainder of the train was pulled to Fond du Lac while some of the wrecked box cars were pulled

onto a siding in Kewaskum.

No one was injured. Workers put in new rails to repair the track. The train with a Chicago crew left Fond du Lac about 11:15 a. m. Wednesday destined for Chicago.

## Board Accepts Proposal for New Decorations

By Mark Smucker

Representatives of the Kewaskum Jaycees and Lions Club appeared before the Kewaskum Village Board on Monday to discuss plans for the purchase of new Christmas decorations.

### Adult Classes to Begin at School

Moraine Park adult education program will start classes in chair caning Wednesday, Feb. 11. The refrigeration and air conditioning course will also start Wednesday, Feb. 11. Crocheting will start Monday, Feb. 9, and a class in eggery (making decorative things from eggs) will start Thursday, Feb. 26. There are a few openings for woodworking on Thursday evenings.

Tools of management, a course designed to help businessmen, will start Tuesday, Feb. 17, and a course in introduction to computer programming will be offered at Regal offices.

Herman's Flower Shop will offer a course in flower arranging and the use of flowers in the home as soon as ten people have signed up. A few more people are needed before shorthand, diet delight, and electricity courses can be offered.

For more information as to sign up, call Roy Esser at the Kewaskum High School 626-2166.

mas decorations.

Speaking in behalf of the Lions Club, Homer Schaub discussed whether or not the board would be willing to pay for half of the cost of new Christmas decorations, with the Lions Club and other service organizations providing the remainder of the money. He reported to have spoken to several other community organizations, including the Kiwanis Club, and they seemed to be in favor of the idea.

This proposal was accepted unanimously and was referred to a committee to determine what type of decorations will be needed.

### Seek Donations For History Book

Any local citizen or business wishing to donate money to cover the cost of printing the Kewaskum history book sponsored by the Kewaskum Bicentennial Committee is reminded that the deadline for all donations will be Feb. 29. The book will have about 175 pages and many, many pictures.

Enough money must be raised to cover the entire cost of printing, so all contributions will be greatly appreciated, and the donors' names will be listed in the back of the book. Contributions should be sent to Box 1, Kewaskum, and should be made out to the Kewaskum Bicentennial Committee.

mine what type of decorations will be needed.

Bids on the construction of the new firehouse were scheduled to be opened Wednesday evening, Feb. 4. The building will also house the Rescue Squad operations. Construction of the building on South Fond du Lac Ave. (Hwy. 45) is to begin this spring at an estimated cost of \$200,000.

Permission was granted to Marvin Martin, local civil defense co-ordinator, to attend the Governor's Conference on Civil Defense.

A representative from the Kewaskum Jaycees appeared before the board to ask whether or not a permit will be needed for their proposed circus which will be held on June 6. Since it will be held on school property, no permit will be needed.

A bartender's license was granted to Jack E. Tessar, and a remodeling permit for an office was issued to Richard Bannenberg for an office at 1304 Fond du Lac Ave.

### WORLD WAR I VETS TO MEET AT WEST BEND

The Veterans of World War I will meet at the V. F. W. Club House, Barton Ave., West Bend, on Saturday, Feb. 7 at 2:00 p. m. A short business meeting will be held followed by visitin, cards, refreshments, etc. All World War I vets are cordially invited.

## 28 Educators To Evaluate Kewaskum High

Twenty-eight educators are to make an on-site evaluation of Kewaskum Community High School Feb. 10 through Feb. 11 of next week, Principal Clark Pearson announced today. The North Central Association evaluation team is to be chaired by James Skarda, Principal, Chilton High School.

Principal Pearson said that "the purpose of this external team evaluation is to help the school look at itself objectively. The school has been engaged in a comprehensive self-study, seeking to identify its strengths and determine those areas in which change would seem to be desirable. The North Central Association team will bring an outside professional viewpoint to the evaluation."

Chairman Skarda has indicated, "we are not visiting the school to inspect it. Rather we have come to give assistance to the staff in its pursuit of quality education for its students."

Principal Pearson pointed out that "the members of the North Central Association team are contributing their services to the school. This spirit of professional cooperation is a hallmark of education in this country and is a noted feature of the Association. The goal of a North Central Association evaluation is to stimulate a continuing drive for improvement of the school."

The visiting team is to file a full written report with the school within a few weeks. Also, the chairman of the North Central Association evaluation team will give a report to the staff and members of the public at a time to be announced in the near future.

## Light Agenda to Face School Board

Because of a meeting scheduled earlier with the visiting North Central evaluating team, the regular meeting of the Kewaskum Board of Education will begin at 8:30 p. m. on Monday, Feb. 9, instead of the regular 8 p. m. time.

A light agenda will face the board at its regular session. It is expected bids will be in so that the board can make a decision on repairing the folding wall in the old high school gym. A building report will be given, and will include some final amounts on bills. The board will consider a request for the use of the gym to give private dance lessons, will approve payroll and vouchers payable and will consider other miscellaneous items which arise.

In closed session following the regular meeting, the board will discuss pending teacher negotiations and salaries of non-scheduled personnel for 1976-77.

## Kindergarten Pupils to Be Registered

This year's annual "round-up" for the parents of all prospective kindergarten pupils in the Kewaskum school district will be held during the day on Tuesday, Feb. 10, and Wednesday, Feb. 11, from 9:00 a. m. to 12:00 noon, and 1:00 to 3:00 p. m. in the Beechwood, Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday prior to Dec. 1, 1976. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents of bus pupils will need their section number and fire number as well and also fill out bussing forms.

Parents will register their children for next year's term and get the necessary health forms. If you know of any new families in this district, please pass this information on to them.

It is important to register your child on either of these two days so that plans may be made for them.

## January Kiwanis Students

Kiwanis students of the month for January are Diane Strack and Roy Peterson. Diane is the daughter of Mr. and Mrs. Roger Strack of Kewaskum and Roy is the son of Mr. and Mrs. Leroy Peterson of rural West Bend.

Diane is active in sports, being a cheerleader for two years and participating in volleyball the last three years, basketball for four years, and track for two years. She has served as the treasurer and this year's president of the G.A.A. Diane was a representative to Badger Girls' state last summer. She served as the junior class president. Diane is also an active member of the student government. She does well academically and was elected to the National Honor Society last spring.

Roy is an active member of the FFA, serving as vice president during his junior year and president this year. He is a member of the county junior conservation board and president of that group. Roy was a member of the debate team, the math team, and the North Central com-

mittee. He has participated in band for three years and intramurals the last two years. Roy was elected to the National Honor Society last year and is serving as this

year's treasurer. Outside of school activities, Roy has been active in 4-H since the age of nine and has served as president, secretary and treasurer of his club.

## Heart Fund Drive In Town Auburn

Town of Auburn residents will be asked to "Pass-the-Heart" from neighbor to neighbor during February. This system has worked very well the past two years, according to Mrs. Ralph Strassburg, Heart Fund chairman for Auburn. The envelopes will be given to the "starters" and then it is truly a "Pass-the-Heart" project. The "Pass-the-Heart" envelopes contain educational leaflets on warning signs of heart attack and strokes and receipts for each donor. Contributions should be placed in the individual envelope and returned to the "Pass-the-Heart" kit.

"It is the sincere hope that each resident of Auburn will be most generous when the envelope is passed to him. We must continue the progress that is being made against this number one health problem," the chairman stated.

WISN-TV 12, Milwaukee has generously promoted the "Carnival Against Dystrophy" program since it began in 1962. Howard and Rosemary Gernette, TV 12's personalities were again responsible for engendering enthusiasm that raised the second largest amount in the 14 years.

Joy Polaski, Milwaukee Carnivals Coordinator, announced that 1975 was the sixth consecutive year that over \$40,000 was raised. This year's total of \$61,557 raised the grand total for the past 14 years to \$416,965.

## Snow-Time in Kewaskum

January was a month of snow upon snow upon more snow. Frequent snows kept shovelers busy as well as village and county crews plowing and hauling snow and salting roads and streets. It snowed three or four times the last week in January and it was snowing at this writing Tuesday morning. In between it was bitter cold with no thaw weather. Monday morning it was 14 degrees below zero and Monday night it dropped below zero again to say nothing of last week's cold. If these pictures aren't the best it's because our protographer (me) was hurried because of cold, stiff fingers. Most of the photos were taken Sunday with the temperature at four degrees, a wind chill factor of 30 degrees below zero, gusty 20-30 mile an hour winds and blowing snow.

## Town of Kewaskum Heart Fund Drive Set for February

Kewaskum Township residents will be asked to "Pass-the-Heart" from neighbor to neighbor during February to highlight the 1976 Wisconsin Heart Fund Drive, Mrs. Merv Thompson, Route 2, Heart Fund chairman, announced today.

The chairman explained that in each residential neighborhood, volunteer will ask a neighbor to start the "Pass-the-Heart" envelope by placing a contribution in it and passing the envelope to the next-door neighbor. This "Pass-the-Heart" envelope goes from door to door, neighbor to neighbor, she said. The "Pass-the-Heart" envelopes contain educational leaflets on warning signs of heart attacks and strokes and receipts for each donor. Contributions should be placed in the individual envelopes and returned to the "Pass-the-Heart" kit.

"It is our sincere hope that each resident of Kewaskum Township will be most generous when the envelope is passed to him," the chairman

stated. "These contributions are vital to the support of our Wisconsin Heart Association. We must continue the progress that is being made against this number one health problem."

## HOME INSULATION WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

### Economical, Efficient Home Insulation

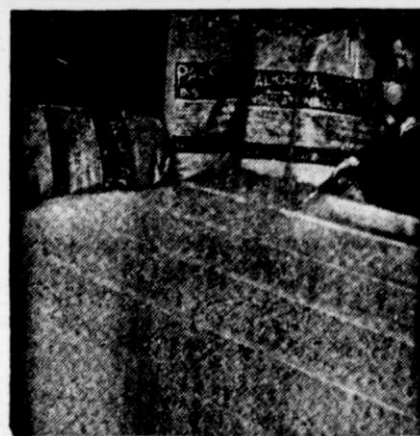

Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applying machine.

### 100% Trouble-Free Insulation

In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job... no voids... and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

### Installed By The Most Efficient Methods —

Year 'round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

-O-PAK Insulation spread between the joists under an attic floor.

### FIRE RESISTANT!

#### PAL-O-PAK PASSES THE BLOW TORCH TEST

Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

# Grafton Hands Indians First Defeat on Jinx Night, 67-57

Things went wrong at Grafton Friday night and resulted in the Kewaskum Indians losing their first conference game, 67-57. They are now 8-1 and the setback decreased their lead to two games over three teams tied for second place.

The Indians ran into free throw trouble, foul trouble and injury trouble. They couldn't buy a free throw in the first half. Kewaskum's tow big boys and scorers and rebounders, Jack Kern and Leon Laatsch, were both in early foul trouble. The 6-4 Kern sat out most of the third quarter with 4 fouls and Leon fouled out with 4:42 left in the fourth quarter. Tom Rohlinger and Scott Tassar also had 4 fouls and their play was limited. And to top it off Jim Bilgo suffered an ankle injury that put him out for the rest of the game. With 6-5 Tom Edwards already out with an injury, Bilgo's injury hurt all the more, thinning the ranks and casting a shadow on the team's future.

Adding to their troubles was the fantastic shooting and 27-point performance by the Blackhawks' Scott Maronde. He scored 14 of his points in the fourth quarter which sewed up the game for Grafton and gave them some breathing room as he hit four straight field goals to make the score 59-50 with 4:10 left. Grafton took advantage of Kewaskum's problems to pull ahead by 11 points at one stage in the fatal fourth period, although the Indians batted back to pull within four points, 59-55, on a 3-point play by Rohlinger with 2:10 left. Then Maronde did his thing again with six more points.

It was a close game until the Indians ran into their troubles and Maronde's big streak. Behind at the quarter, 14-11, Kewaskum moved ahead, paced by Laatsch, 28-26 at halftime. Their biggest lead was 24-19. The Indians still were in the thick of it after three quarters, trailing by just one point, 43-42. Then came that bad fourth quarter in which Grafton outscored them, 25-15.

Rohlinger led Kewaskum with an 18-point showing, followed by Tassar with 12, Kern with 11 (well below his average after sitting out most of a quarter) and Laatsch with 10.

The lead changed hands 12 times in the second half before Laatsch fouled out and Mike Petrowiak's basket put Grafton ahead to stay.

In other games Friday Kettle Moraine knocked Germantown out of a second place tie with a 59-54 victory, Mayville easily beat winless Pewaukee, 63-40, and Slinger gained a tie for second with a 54-50 win over Hartland.

This Friday the Indians entertain Hartland (1-8), to be followed by four straight key games against Slinger, Kettle Moraine, Mayville and Germantown.

## Girls Team Drops Close One to Owls

Poor shooting resulted in the Kewaskum girls losing a close 50-47 game to Slinger last week. The Indians had beaten the Owls in an earlier encounter.

Kewaskum held an 18-15 halftime lead but a bad third quarter, in which they were outscored, 18-7, left them with too large a deficit to overcome.

Indian Diane Strack led all scorers with 22 points on 8 baskets and 6 free throws. Julie Stoffel scored 8. For the Owls, Joyce Wilhoefer had 17 and Diane Kratz 16, ten of them in the last quarter.

The loss left Kewaskum with a 6-4 mark and out of first place. Slinger is 6-5, having won their last 4 games.

## Kewaskum Fifth in JV Mat Tournament

This year's Scenic Moraine junior varsity wrestling tournament was held at Kettle Moraine Saturday. The meet was won by Pewaukee with 119½ points. The Pirates had five individual champions to easily win over second place Germantown with 67. Other teams finished as follows: Grafton 61, Kettle Moraine 60, Kewaskum 38, Slinger 34½, Mayville 27, and Hartland 23.

Kewaskum had one champion, Jim Boylan at 185 lbs. After a bye, Boylan pinned both opponents. Mark Strigenz at 119 finished second. He decisioned top seeded Todd Hogan of Germantown 6-1 in the first round and pinned Kraft of Hartland. The Indians' Dan Murre and Kevin Wanke both took fourths. Murre, who weighs 88 lbs., wrestled in the 98-lb. class.

The varsity conference meet will be held Saturday at Pewaukee.

## Matmen Lose to Kettle Moraine, Shade Hartland

Kewaskum gained two forfeits and still lost to Kettle Moraine last Tuesday, 31-21, as the Lasers won 7 of 10 matches wrestled, three by pins.

Kewaskum winners were soph Rob Secor at 105, soph Dan Schmidt at 132 and John Sekeres at 167. Schmidt won on a last minute reversal 6-5.

A match against Hartland Thursday night was decided when Kewaskum's Gary Schmidt and Arrowhead's Pete Bowers fought in the last bout. Hartland led at the time 24-23, but Schmidt came through with a 9-0 win to give the Indians a 27-24 victory to make his teammates and a parents' night crowd happy.

While Schmidt, the only 4-year wrestler and 1 of 3 seniors on the varsity, was the hero, four sophs also came through with important wins and others fought off pins to save some points. At 145 Steve Schneider scored a pin, the only one of the meet. Dan Schmidt won 5-3 at 132 and Rob Secor at 105 and Cliff Wilson at 112 won.

The win gave the team a 4-3 conference record.

## Lakes Team Gives Falls Battle But Finally Loses Out

The Kewaskum Lakes team gave the powerful Menomonee Falls Badgers a stiff battle here Sunday night before finally losing 136-120. The contest between the A and B Division leaders also featured an individual duel between Bob Wolf of the Badgers and Clark Eichstedt of Kewaskum.

Wolf, former Marquette University star and No. 1 scorer in the league with a 40-point average, poured in 38 against Kewaskum. He scored 14 in the first quarter. Eichstedt, former St. Norbert College ace and captain, who was No. 3 in scoring going into Sunday's game with a 30-point mark, whipped in 30 points, his average. "Ike" hit 24 in the second quarter.

Falls took a slim 34-33 lead at the quarter after Kewaskum had been ahead for a time. It was still only a one-point difference at the half, 68-67. The Badgers began to pull away in the third quarter and led by 10, 99-89 at its end. They also outscored Kewaskum in the final period, 37-31.

Chuck Boegel, who is 14th in the league in scoring, and Ken Loest each meshed 20 points for Kewaskum while John Lallensack and Mike Delaney hit 24 and 23, respectively for Falls.

Better free throw shooting would have made it even closer for determined Kewaskum. They hit only 6 of 15 attempts for 40 per cent. Falls made 26 of 43 for 60.5 per cent. Wolf made 12 of 13 and Delaney 7 of 11.

This Sunday Kewaskum plays at Cedarburg of the A Division.

The INTERTHERM Hot Water Electric Baseboard Heating System is a revolutionary method of electric heating that blankets the home with soft, gentle, economical, healthful, warmth that only hot water heat can provide. With no cold floors. No chilling drafts. It's the modern replacement for expensive-to-install, heat-wasting central heating systems of all types. And costs much less to install and maintain. Each heater contains a copper tube inside of which an electric heating element and a water and anti-freeze solution - which never needs replenishing - are permanently, hermetically sealed. Electricity heats the water and anti-freeze solution - which, in turn, heats the room. Can't cause a fire, burn child or pet.
