Statesman Adds 184 New Subscribers

During the past year (1975), the Statesman has added 184 more new subscribers to its growing list. Our subscription list has now reached the 1400 mark for a record number of homes it is going into each week. Figuring the average of 31/2 readers per subscription, your news and advertising message is now being read by close to 5,000 persons each week. A list of the names and addresses of the new subscribers follows:

Banquet Held: Honor Peterson

The Kewaskum Boy Scout blue - gold banquet was held at the Amerahn Sunday, Feb. 8. This year the Cubs, Webelos and Scouts combined to celebrate 30 years of scouting in Kewaskum.

The banquet was attended by parents and scouts. A good turnout of about 200 people attended the buffet supper. Entertainment was provided by Fred the Magician. Awards for achievements were given to boys who earned them.

The scouts and their fathers went bowling before the banquet with 44 fathers and sons participating.

The scouts wish to thank Schultz's Greenhouse for use of the sound system.

At the Kiwanis Club meeting on Monday evening L. N. "Pete "Peterson was honored for 30 years of active scout leadership and presented with a gift. All scout leaders, district leaders and Kiwanis Club members attended the dinner in his honor put on by the Kiwanis. Other guests were past scout leader. past scout "Mike" Gnacinski and wife, who came down from Antigo to be with the group.

Peterson has given the scouting program the good leadership it needed to turn out the fine scout program which Kewaskum has.

The Kiwanis Club sponsors the scouts in Kewaskum and they thank them for their backing and interest.

Woman's Club Has AFS Student As Guest Speaker

Kewaskum's current AFS student, Miss Sidineia Amadio, from Brazil, was the guest speaker on Feb. 7 when the Kewaskum Woman's Club met at the Peace Church.

Miss Amadio showed slides, talked about her native country, and gave some of her impressions of Kewaskum, the school, and the United States. She was accompanied by her Kewaskum mother, Mrs. Harold Backhaus, R. 2.

A special guest was Miss Mary Lee Enos,, who is a Domestic Program exchange student also through AFS. Mary Lee's home is at San Luis Obispo, Calif., and she is a new member of the Gerald Stoffel family, R. 2, while attending Kewaskum High school.

Bicentennial plates were distributed to those who had ordered them. A committee will be making further plans for the club's observance of the Bicentennial celebration.

Hoetesses for the afternoon were Mrs. Gerald Stoffel, Mrs. Robert Schmidt, and Mrs. C. M. Rose.

The March meeting will be held at 2:00 p. m. on March 6, with the program presented by Mrs. Dan Miller.

Scout Blue-Gold Final Building Payment of \$15,654 Approved by Board of Education

A final building payment to Westra Construction of \$15,-654.23 was approved by the Kewaskum Board of Education at its meeting Monday evening. The bill brought total payments to Westra to just under \$1,597,000. This final figure reflected a balancing of additions and deletions in the program from the original plans, as well as payments on some remodeling work which had to be done as a part of the new con-struction. Payments to Thern Associates of \$67,000 for architectural services completed some time ago.

Besides the original \$1, 600,000 bond issue, \$194,-810.83 in interest has been earned. This money was used for other expenses such as site work, insurance costs, and other items involved with the building program. In general, the original building fund plus interest will have covered building and re-modeling costs. Most equipment has been purchased as a part of the general budget over the past three years. Only partial payments on remodeling and equipment re-main on the building pro-

At the meeting, the board also considered a request for the use of school facilities in which to hold private dance lessons. The board suggested that sites other than the school be checked first. If nothing else is available, they will consider the request again.

A discussion was held relative to a request concerning pregnancy sick leave and a child-care leave. A person has the right to sick leave for a pregnancy, but the board will discuss again the question of the child-care leave.

The board adjourned to executive session to discuss non-scheduled negotiations, professional salaries and a personnel question.

Total of 53 Bids Received for New Kewaskum Fire Station

By Mark Smucker A total of 53 bids were received for the new Kewaskum fire station at a special meeting of the village board held last week.

The low bid for general construction was submitted by Badger Structures of Sheboygan, for \$197,848. A total of nine bids were received in the area of general construction, ten for plumbing, eleven for electrical work, and 23 for heating and ventilation.

The lowest bid for electrical work was from Kirchner Electric of West Bend for while the lowest \$15,631, plumbing bid was submitted by H and H Refrigeration for \$25,800, and Kohlman and Mueller of St. Cloud offered the lowest heating bid, for \$12,750.

The total of all the bids received was \$252,029, which is \$52,029 more than the

Freight Train Rams Local Man's Car

An auto that became stuck in snow early Sunday night near the railroad tracks on Barton Ave. in West Bend was rammed by a freight train, causing extensive damage to the car but no inju-

Police reported that LeRoy D. Dorzok, R. 1, Kewaskum, was pulling a snowmobile trailer behind his car when the back wheels became stuck. An approaching North Western freight train blew its whistle in warning and Dorzok abandoned his car.

The engineer was unable to stop in time and the impact of the collision knocked the car about 95 feet. The 129 car train was going about 32 miles per hour. Dorzok's car was towed away by a wrecker.

architect's original cost estimate of \$200,000. Several alternates were offered along with the bids, however, which may reduce the cost of con-struction somewhat. Tuesday, Feb. 10, was the date set by the board to review the bids with the architects, Tesch and Tesch of Fond du Lac.

When completed, the new fire station will be located at the south village limits on the east side of Hwy. 45. A few concerned citizens have expressed a concern over whether a train blocking the railroad crossings on Main Street could cause problems for fire trucks attempting to extinguish a fire on the east side of the village, especially one of the schools.

Primary Judicial **Election Tuesday**

A Spring Primary Judicial Election will be held in the State of Wisconsin on Tuesday, Feb. 17, for Justice of the Supreme Court

The three candidates are Christ Alexopoulos, Leander J. Foley, Jr. and Roland B. Day. The two candidates with the most votes will face each other on the ballot in the Spring Election, while the other will be eliminated.

Balloting in the Village of Kewaskum will be in the Fire Station at the Municipal Building and the polls will be open from 9 a. m. to 8 p. m. Town of Kewaskum voters will cast their ballots at the Labor Center in Kewaskum, also from 9 a. m. to 8

BANK CLOSED MONDAY

Valley Bank, Kewaskum, will be closed Monday, Feb. 16, in observance of President's Day, a legal holiday

Ivan Kumrow, Soil Conservation Technician for the Soil Conservation Service at Port Washington and West Bend recently received a Special Performance Award for his service to landowners and operators in Ozaukee and Washington counties. Kumrow is well known by area farmers and other landowners for his assistance in providing technical services in the planning and layout of conservation practices. The award was presented in Madison by Jerome Hytry, State Conservationist of the Soil Conservation Service.

KEWASKUM FLORAL TO HOLD BRIDAL SHOW

The Kewaskum Floral Shop is sponsoring a bridal flower show Sunday, Feb. 22, at 2:00 p. m. at the Amerahn, Kewaskum. Free tickets are available at the flower shop on Main St.

Annual Founders Day Banquet Held By Woman's Club

Members of the Kewaskum Woman's Club entertained their husbands at the annual Founder Day banquet held Jan. 24 at the Wigwam. Approximately 45 persons at-

Mrs. Walt Bade and Mrs. Ray Schaefer were in charge of the arrangements for the banquet. Entertainment was provided by the Mayville Legion Auxiliary Chorus, who presented patriotic musical selections, and William Emanuel, Cambria, who represented the Veteran Education Committee of the American Legion. The Mayville chorus travels extensively throughout the state, presenting programs of song. The program was very well received by the group.

A special treat was the surprise birthday cake presented to the Woman's Club by William Edwards of the Wigwam.

Behnke, Peterson on Reagan Committee

Governor Ronald Reagan's bid for the Wisconsin Primary votes is gaining momentum. On Jan. 17 several Washington County Republicans attended a meeting outlining campaign plans and the formulation of local committees.

Washington County coordinator for the Citizens for Reagan organization will be Wanda Roever (644-5728). Other members of the committee include: Gayle Claus (334-2698), Todd Heil, Orv Behnke (626-2441), L. N. "Pete" Peterson, Helmuth Prahl (242-2300) and Robert Rolfs.

At present Reagan supporters are circulating petitions which are pledges of support for his bid for the Republican nomination for president. Volunteers interested in working on the Reagan campaign should contact one of the committee members to get more information and

Young you are not if you remember this Kewaskum village baseball team in the picture taken shortly after the turn of the century.

After much research, inquiring and interviewing with some of the senior citizens of the village, who helped us out, we finally came up with what we think are the correct identities of the players in the photo. Even a lady from Milwaukee, Mrs. Adelaide Schaefer, a resident, was contactfied, Mr. and Mrs. Frank ron Rosenheimer, Herman

Heppe, Mrs. Nicholas Stoffel and Mrs. Frank Felix came to our rescue with the remaining identities.

From the information we reecived, the picture was believed to have been taken about 1904 or 1905.

Without reading the names, look at the picture first and see how many of the players you can identify.

From left to right, they are: Seated-Alvin Backus, batboy or scoremarker; first Carl ed. After we got it down to Urban (catcher), Otto E. Lay; two or three still unidenti- center row-Fred Witzig, By-

Gottsleben, William Bassil, Erwin "Kirby" Koch; back George H. Schmidt, Harbeck Don (manager), Martin Remmel (pitcher)

Note the small, thick fielder's gloves, fancy belts, thickhandled bats and high spiked shoes compared to the present day equipment.

The photo was taken on the steps of the side porch of the property then owned and occupied as a saloon by Mr. and Mrs. John Schaefer, Sr. unit apartment owned by Mr. and Mrs. Elroy Egerer on the south side of Main St.

Scannell - Kocken

Mr. and Mrs. Robert Scannell, Kewaskum, are pleased to announce the January engagement of their daughter, June, to Charles Kocken, son of Mr. and Mrs. Walter Kocken of DePere. Both are recent Oshkosh graduates. An early fall wedding is planned.

Think About This ...

A child may have a disability, but whether or not he grows up to be handicapped depends on how his family, his neighbors, his teachers, and other professionals regard him and treat him. If he is overprotected and undereducated, if he is not allowed to take reasonable risks and become as self-sufficient and independent as possible, he may well become a handicapped adult. Limited expectations can become a self-fulfilling prophecy.

Over One-Million Visit North Unit Of Kettle Moraine

Over one-million recreational visits were made to the Kettle Moraine State Forest-North unit during 1975, an increase of 31 per cent over 1974. The forest also experienced a 10 per cent increase in camping with approximately 142,000 camper days recorded. The increase can be attributed to favorable weather during summer and

fall

Winter use of the forest has been expanding rapidly with cross-country skiing becoming increasingly more popular. The Greenbush Ski Trails, located in the forest's Winter Sports area, are recommended for this activity.

activity.

The Greenbush Ski Hill, also located at the Winter Sports area, is open on weekends from 10 a.m. to 4:30 p.m. This area consists of intermediate and advanced ski hills and a rope tow.

Winter camping facilities are

at the Mauthe Lake Recreation area. In addition, winter backpacking is available on the forest-long Glacial Trail. A camping permit is required.

Fifty-five miles of snowmobile trails are available on the forest. Snowmobilers are cautioned to stay on the designated marked trails.

An optimist is wrong just about as often as a pessimist is, but the big difference is that he has a lot more fun.

Farmers Formed A merica

As we begin the observance of America's 200th Birthday, we want to thank the Editor of the newspaper for carrying our series of stories where we, as FFA members, honor our agricultural heritage. Because America was agriculture there is a very special honor roll of names we wish to call to your attention.

The infant nation needed some very special people, men to match the majesty of the great new land. And the people were there. We needed an author of the revolution, one who could put into timeless lines the idealism and the determination of the founding fathers. It fell to the lot of a scientific farmer, one who terraced his Virginia farm, one who invented an improved moldboard plow and a grain drill — it remained for this farmer, Thomas Jefferson, to be that author. Jefferson, author of the Declaration of Independence, was also our third President and was responsible for the Louisiana Purchase, a major part of the current United

Another Virginia farm boy from Hanover County, Patrick Henry, was the Firebrand of the Revolution. It was natural that, in a rural country, the leadership should come from the farm, and this dynamic and fearless young man put into words that still stir the blood as we hear them ring down through the corridors of time, "I know not what course others may take, but as for me, give me liberty or give me death."

So, the Author and the

Kewaskum, Wis. 626-2161 Firebrand. Yet we could not have emerged a great nation without the firm guiding hand of a statesman to put into the actual operations the dreams of a Jefferson and the fervor of a Patrick Henry. "A farmer, first, last and all the time." This is a description of George Washington, the Father of Our Country. His home at Mount Vernon was a model farmstead and he kept careful farm accounts, studied and practiced crop rotations, introduced new varieties of crops and

new breeds of livestock to

the new world. The pew where he worshiped is still there, in the little church in Alexandria, Virginia. ington believed in God, as farmers always have believed. FFA members come to understand and to appreciate the kind of man that we call the Father of Our Country. A farm boy, close to nature and to his God, he brought to his high calling a basic and fundamental understanding of right and wrong. His faith and his courage went hand in hand and he was never ashamed to bend his knees in prayer.

As we honor our heritage, we ask all FFA members to recall with pride the contributions made by three great American farmers — the Author, the Firebrand and the

Another Reason Why Insured Savings Accounts Make Good Sense!

Today . . . more than ever before Senior Citizens want safety and the best return you can get on your money.

Safety is vital because your savings are for your future security. You can't afford market losses, depreciation of principal or lower earnings. Insured Savings Accounts are the "Common Sense" answer to your investment needs.

Now . . . new government rules on Long Term Insured Savings Certificates make these Savings Accounts and even better investment for you.

Whether you have individual accounts or joint accounts you can invest in the longer term certificates that pay you more interest . . . either monthly or quarterly.

You can do this safely because in case of death of an account holder your estate or the survivor can immediately withdraw all or part of the savings certificate with No Penalty and No Reduction in Interest.

Stocks, Bonds and most other investments do not give you this flexibility. This is just another reason why high rate, Insured Savings Certificates from West Bend Savings make good common sense.

FRIDAY, SATURDAY, AND SUNDAY EVENINGS

The week of Feb. 8-14 has been designated as National Vocational Education Week. The Moraine Park Technical Institute plays a very important part in bringing vocational education to all the residents of the Moraine Park District.

The Moraine Park District encompasses four counties: Fond du Lac, Green Lake, Dodge and Washington, plus the New Holstein School District in Calumet and Sheboygan Counties, and the Berlin School District in Waushara and Winnebago counties. In addition to the major campuses at Fond du Lac, Beaver Dam and West Bend, the District operates 18 adult centers in various locations around the District, in order to make vocational, technical and adult education available and readily accessible to all residents of the District. These centers are located at Berlin, Green Lake, Hartford, Horicon, Hustisford, Juneau, Kewaskum, Lomira, Markesan, Mayville, New Holstein, North Fond du Lac, Oakfield, Princeton, Ripon, Rosendale, Slinger - Allenton, and Waupun.

Each center has an adult center supervisor who is responsible for implementing the adult classes in their respective community.

In the Moraine Park District, adult education is a function of the Community Services Division under the direction of Ron Hall. It is the philosophy of the Community Services Division that "the boundaries of the campus are the boundaries of the District." Hall emphasizes that the District will provide vocational - technical courses or programs anywhere in the District where interest or demand warrants. Contact your local adult center supervisor if you have any suggestions for courses you would like to have MPTI

Since the Moraine Park District was formed in 1967, the Community Services Division has experienced tremendous growth and typically serves in excess of 24,000 students per year. We would like to continue this growth record and encourage the participation of the residents of the District. We will make every effort to satisfy any and all course requests received from individuals, businesses, industries and groups.

Scenic Moraine to Try Friday Night Girls Basketball Next Year

The format for basketball schedules in the Scenic Moraine will be changed for the 1976-77 season on a one-year trial basis.

Instead of playing during the week as they do now, the girls will play conference games Friday evenings. A decision was reached on this last week when conference principals held one of their regular sessions.

Alternatives had been discussed concerning the scheduling of basketball. The way it will be set up for next year follows: girls' varsity teams will play 6 p.m. games in the main gymnasiums (at the same sites the boys are scheduled), and the boys' games will follow

in the same gym at 7:45.

In the auxiliary gyms, the JV boys will lead off with the 6 o'clock game while the girls JVs will play at 7:45. The reason for having the boys and girls at the alternate times is so that JV coaches will be able to attend the varsity games because many of them assist head coaches during the games.

Tentatively, the freshmen boys will play at the alternate

sites (that is if Kewaskum's JVs and varsities were playing Germantown at home, the frosh would play at Germantown).

Kewaskum high Principal Clark Pearson said there has been some discussion on having a freshman schedule for girls.

Until this time the girls have had to play one or two games on school nights and schools had to have personnel on duty for various jobs two and three nights a week. The new schedule will cut down on that.

Friday night games will also give the girls' teams a bit more exposure as far as crowds are concerned.

Kewaskum athletic director Ernie Mitchell feels that proposal is "certainly worth a try," and Pearson felt the same way. Pearson noted that while the new schedule was passed by a majority, not all the schools were in favor of the idea.

Pearson also said that because the girls start and finish their season before the boys, the first three girls' games will be played before going onto the dual Friday schedule

County Bicentennial Committee Announces Tree Planting Program

Washington County Bi-ntennial Committee has centennial Committee has announced plans for a tree-planting program in the county

this year.
In cooperation with the Land Use and Park Department, an arboretum will be developed at Ridge Run Park of the county park system. The arboretum will be selected and planted by Land Use and Park personnel as a part of their program for park develop-ment. It will be appropriately

Another area will be set aside for area residents who would like a tree planted as a memorial. The type of tree must be approved by the Land Use and Park Development, and the planting will be done by them. Requests can be either in the form of a cash donation or the actual tree.

Letters of intent should be sent to Gilbert M. Sauer, 1104 Walnut St., West Bend, 53095. Letters will be referred to the proper authorities and the amount of donation can be worked out according to the cost of the tree to the County or consideration of the donated tree. Trees must be at least one inch in diameter and four feet tall. A certificate of participation in the program will be presented to donors.

Another tree planting program of mixed seedlings is planned for Sandy Knoll Park of the county park system. A 10-acre lot has been set aside for the program. The number of seedlings and type will be determined by their avail-ability from the state.

This program is designed to give the youth of the county an opportunity to help provide a memorial of lasting value and for future enjoyment. Youth groups from the county are encouraged to participate. Under the supervision of the Land Use and Park Department, the young people will plant the seedlings in this area. They will be planted broadcast rather than in a planned and staked out square arrangement. These seedlings will be of mixed variety to give it a more natural

appearance. Interested unit leaders of 4-H clubs, scouting units, or any other youth groups are asked to con-tact Lorraine Schalla 1660 Highway 143 West Bend, Wis. 53095, 675-6622 Newburg who is active in 4-H to work out their participation. The trees will be planted some time around April depending on when they will be available. At least one adult is asked to accompany their unit to assist county and committee members in the supervision. A suitable marker will be erected designating it a memorial to the youth of our county. All units will be presented with a certificate to show their participation.

To stimulate further tree planting the committee urges trees be planted for all babies born in Washington County during 1976. To create personal interest and famiy participation the trees must be donated by a member of the babies family or a friend. These trees are to be planted in Township, Village, or City Hall grounds or parks, or in county parks and building areas. They must be at least 1" thick and 4' tall and of a variety approved for planting in the area by a responsible authority of the level of government involved. Here again the tree may be donated in the form of cash to cover the cost of the tree or the actual tree if it is of a suitable variety. All trees will be planted by the authorities unless otherwise allowed by local rules. A

certificate will be awarded to the babies upon proper application to Gilbert M. Sauer, 1104 Walnut St., West Bend, Wi. 53095 or call 334-5208 for more information.

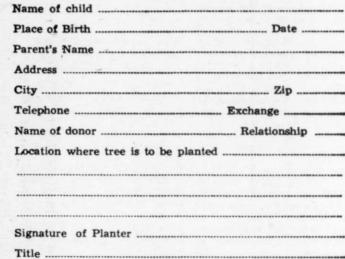

Application forms for this purpose will be printed in the papers from time to time. If a baby is ex-pected during the later part of 1976 possibly after the planting season advance arrangements for such planting can be made but the certificate will not be issued until the baby is born. Any trees not planted because of an out of season birth will be planted in the spring of 1977.

All county Bicentennial

Committees or all other organizations are urged to publicize this program and assist interested parties in becoming involved.

WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

Economical, Efficient Name Insulation
Pal-O-Pak insulation is the answer to years of searching
for a blow-in type of insulation light in weight, efficient
and easy and economical to apply. Because Pal-O-Pak
is feather light, it can be blown into every nook and
cranny with our special blower-type applicating machine

100% Trouble-Free Insulation

In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job . . . no voids . . . and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

Installed By The Most Efficient Methods

Year 'round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temper-ature even in the coldest weather. Drafts and chilly corners are eliminated. In the hat summer weather your home is 10 to 12 degrees cooler.

FIRE RESISTANT! PAL-O-PAK PASSES THE BLOW TORCH TEST

Pal-O-Pak is chemically treated to permo

-O-PAK Insulation spread between the joists under an attic floor.

Progress Report on Village History Book Given at Meeting of Bicentennial Group

A progress report on the Kewaskum village history book was given at the February meeting of the Kewaskum Bicentennial Committee

Roy Swanson reported that most of the text should arrive by about Februray 9 from the printers, at which time it would be inspected for errors and returned. About six to eight weeks after all the necessary pictures and materia! have been submitted, the book should be complete, which should be in mid-March.

At present, only \$175 in contributions have been received, and about \$1,000 is still being sought. Members of the Kiwanis Club will be asked to contact local service organizations to attempt to obtain funds, and articles will be run in the local newspapers to attempt to raise more funds.

Member Janet Koch requested that the committee apply for a grant from the state Bicentennial Committee noting that the committee from Jackson received one recently. The secretary agreed to write the necessary letter to their office in Madison to apply for a grant

A question was raised concerning the trays that the committee purchased to sell as a moneymaking item, since only 300 of the 5,000 that were produced have been sold thus far. Chairman L. N. Peterson had asked that the selling price of \$1 be reduced to 50c, anticipating that a lower price would help them to sell faster. The committee agreed to discuss the matter at the next meeting, but felt that such a price change would be unwise.

The trays, which are available in either silver or gold, are very useful for serving snacks, and may be purchased at several local businesses.

AFS STUDENTS GUESTS AT FAMILY POT-LUCK AT PEACE CHURCH

Sidineia "Sid" Aparecida Amadio, foreign exchange student from Tatui, Sao Paulo State, Brazil, who is staying with the Harold Backhaus family, and Marrilee Enos, domestic program student from California, who is staying with the Gerald Stoffel family, will be special guest speakers for a family pot-luck at Peace United Church of Christ on Sunday, Feb. 15, at 6:30 p. m. The public is invited to attend.

HISTORICAL SOCIETY WILL MEET FEB. 17

The Kewaskum Historical Society will hold their monthly meeting Tuesday, Feb. 17, at 8 p. m. at the Kewaskum Valley Bank meeting room

A film presentation entit-led "Long May It Wave" will be given by the General Telephone Company.

Final consideration will also be given on the proposed by-law amendment.

The public is invited to at-

Miller, Martin Named to Posts On State Group

Two Kewaskum officials, Village President Charles F. Miller and Village Commissioner William S. Martin, have been appointed to positions in the League of Wisconsin Municipalities by league president Donald F. Penza, the mayor of Wisconsin Rapids.

Miller was appointed a district vice-president, and Martin was appointed to the election administration committee.

"The League serves as a clearing house for legislation and information of concern to Wisconsin cities and villages," and in turn it "promotes their interests before the state legislature," according to a news release telling of the appointments.

MINUTES OF VILLAGE BOARD MEETING

Bi-Monthly Meeting January 19, 1976 8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in bimonthly session in the Council Room of the Municipal Building.

President Miller presided and all Board Members were present except Trustee Her-

A correction was noted in

the minutes of January 5, 1976. The motion authorizing the payment of the approved claims was made by Trustee D. Nigh and not Trustee Strack. In all other respects, the minutes of January 5, 1976 were approved as printed. Motion by Trustee Schmidt, seconded by Trustee Strack. Unanimous vote.

The building permit application of David Neumann, 701 Memorial Drive, for improvements in the basement area of his existing home, was approved upon motion by Trustee G. Nigh, seconded by Trustee Schmidt. Unani-

mous vote

Reuben Martin, representing his mother, Emma Mar-Dennis Giese and Paul Blumer appeared before the Board to request that their respective properties presently located in the Town of Kewaskum be annexed to the Village of Kewaskum. They were informed that they would be contacted shortly as to the procedure to follow

Kewaskum Statesman Friday, February 13, 1976

to effect annexation.

The Board discussed the possibility of changing the Village's fleet policy deductible coverage from \$100.00 to \$250.00. Since the reduction in the yearly premium would be only \$108.00, the Board decided not to change the present deductible clause of the policy.

Because of construction work in progress, the Board decided that the 4th quarter 1975 sewage service billing to Kewaskum Frozen Foods shall be an average of the previous high and low quarterly billings during 1975.

Upon motion by Trustee Yoost, seconded by Trustee G. Nigh and duly carried, the Board adjourned to executive session to discuss salary and wage adjustments for 1976.

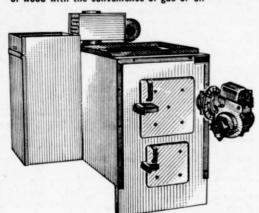

> William S. Martin, Commissioner

Indians Get Battle From Hartland But Win, 83-76; Retain 2-Game Lead

Second last place Hartland, a pretty good 1-9 team, battled Kewaskum all the way here Friday before losing out to the Indians, 83-76. The Indians, now 9-1, retained their 2-game lead over Mayville and Slinger.

The Indians' defensive game wasn't at its best but Arrowhead is a pretty good scoring club, having five players in double figures. Kewaskum had four. But the Indians had their running game back in putting 83 points on the board.

Kewaskum outscored Hartland from the free throw line, 25-12, which made the difference. Guard Tom Rohlinger hit 12 of 17 free throws and led all scorers with 22 points. Big Jack Kern sank 9 of 12 attempts from the floor for the hot-shooting Indians. He hit 18 points and grabbed 13 rebounds. Scott Tessar and Leon Laatsch, both playing well, chipped in 18 and 13 points respectively.

Arrowhead's star, Rick Schramek, tallied 18 points before finally fouling out. Luko added 17, Kiltz 16, Dibb 13 and Gramling 10.

In a close first half Kewaskum led only 20-18 at the quarter and 38-35 at the intermission. Then six straight points at the start of the second half put the Indians up, 44-35. A jumper by Dennis Bremser and an off-balance tip-in by Kern and the Indians led by 12, 53-41. They outscored Arrowhead in the third period, 24-14. Hartland rallied to outpoint Kewaskum in the final stanza, 27-21, but it wasn't near enough.

The Indians shot just under 50 per cent from the floor while Arrowhead was slightly above 50 per cent.

After the loss to Grafton the week before, the Indians dropped to 18th place in the Associated Press poll of the top rated teams in the state among Class B schools.

Slinger just squeezed by Kettle Moraine, 49-48, and Mayville routed Grafton, 66-48, to tie for second place. In the other game Friday Germantown trimmed Pewaukee,

A very crucial game is on tap for the Indians this Friday when they host second place Slinger. This is the contest Owl Coach Doug Potter has been pointing to and building up for for weeks. His strategy for overtaking the Indians almost didn't work out when Kettle Moraine came close to upsetting Potter's applecart last week. A win for the Owls would leave them only one game behind with three to go. Equally important is Kewaskum's game at Kettle Moraine Tuesday. Kettle forced the Indians into double overtime in their 1st meeting on the home floor here before winning. Then next Friday its at Mayville for the third toughie in a row. The race isn't over by far.

Eichstedt Scores 48, Lakes Team 151 Points, Still Loses

The Kewaskum Lakes team scored 151 points and still lost, 170-151, at Cedarburg Sunday night in a game in which a total of 321 points were scored in the racehorse league. All the B Division clubs absorbed defeats at the hands of the A Division squads in weekend action.

West Bend and Slinger, which gave the strong Menomonee Falls Badgers a close tussle (95-85), remain a game behind Kewaskum in the B Division race. The Lithias lost to Sussex, 148-105, as the winners' Jeff Stange had a 62-point field day on 27 baskets and 8 free throws.

Clark Eichstedt poured in 48 points for Kewaskum on 21 baskets and 6 free throws and Ken Loest was next with Todd Fredenberg led Cedarburg with 36 while Ken VerGowe hit 28 and Steve Ostermann 25 points.

Cedarburg hit on 75.7 per cent of their free throws, or 28 of 38. Kewaskum made good only 17 charity tosses. Kewaskum trailed at the half,

Kewaskum goes to Port Washington Saturday night. Port is 2-7 in the B Division.

Girls Win Over **Kettle Moraine**

It wasn't one of their best endeavors but the high school girls' team managed to defeat Kettle Moraine Tuesday, 41-30. The win team and left them still in contention for the Scenic champion-

Coach Katie Koch used all of her varsity players in the first half in an attempt to come up with a scoring combination, but the score was only 12-12 at halftime. The Kewaskum gals finally got going in the second half.

Diane Strack was top scorer for the winners with 12. Freshman Yvonne Schacht scored 8 and Wanda Akin 7.

In the preliminary contest Mary Schoofs' 15 points led the JV's to a 38-33 victory over Kettle.

7th, 8th Graders Complete Season

The 7th and 8th grade basketball teams of the middle school have completed their seasons. The 8th grade team, coached by Dennis Reha, finished with a . 7-5 record, while the 7th graders, coached by Keith Amundsen, had a 2-9 mark.

It appears like Mayville will have a strong freshman team next year as their 8th graders defeated Kewaskum twice badly. The other games were fairly close. Season's results: Germantown 47, Kewaskum 28; Kewaskum 54, Slinger 29; Mayville 72, Kewaskum 30; Kewaskum 46. Holy Trinity 44; Kewaskum 45, Hartford 37; Kewaskum 50, Cedarburg 41; Germantown 37, Kewaskum 35; Kewaskum 46, Slinger 39; Kewaskum 48, Random Lake 41; Mayville 74, Kewaskum 35; Hartford 46, Kewaskum 32; Kewaskum 50, Random Lake 48.

Henry Schilter led the 8th grade team in scoring with 125 points. Other members and points scored were: Scott Brendemihl 59, Rodney Schultz 70, Randy Gust 42, Tom Kern 82, John Brenholt 35, John Czoschke 40, Todd Schultz 21, Bruce Keller 22, Jeff Steinhardt 2, Jim Koepke 3, Mike Ciha 0, Kim Manthei 2, Jeff Petermann 0, Tim Kougl 0, Gene Laatsch 0.

Members of the 7th grade team included Terry Schmidt. Kevin Stautz, Scott Muench, Steve Muench, Brian Dreher, Tony Strigenz, Perry Kempf, Doug Petsch, Mark Justman, Yahr, Dan Kaehler, Scott Leitheiser, Dean Backhaus and Ken Bvocik.

Pewaukee Scenic Wrestling Champ: Indians Blanked

Pewaukee is this year's Scenic Moraine champion. In the meet which they hosted Saturday, the Pirates qualified all 12 of their wrestlers through the quarterfinals, 10 of 12 into the fipals, and scored 139 points, 60 more than second spot Germantown.

Pewaukee wound up with just two champs, Mike Esty at 98 and top seeded Bill Gramann at 185. Gramann nosed out Kewaskum's Gary Schmidt 3-0 in the finals. after shading Clyde Gundrum of Kewaskum 2-0, upset top-seeded Dave Sabel of Germantown with a pin in 5:22

Germantown had three champs, Dan Evans at 112, Gordy Sabel at 132 and Dan Petri at 155.

Slinger, Mayville and Ke-waskum all were blanked in a disappointing meet for the Indians.

News of Our College Students

Tom Degnitz, son of Mr. and Mrs. Willard Degnitz of 9364 Boltonville Road, Kewaskum, has been pledged to the Zeta Chi fraternity at Lakeland College, Sheboygan. The virtures of spirituality, strength, scholarship, service and mercy are nurtured by the fraternity brothers.

Tom is a freshman, majoring in History and Sociology. He is a member of the Lakeland College Chorale Society which presented Handel's "Messiah" at a concert held on the campus Dec. 8.

The recently announced fall quarter deans' list at the University of Wisconsin-River Falls included the names of 565 students

Richard Loof, son of Mr. and Mrs. Roman Loof, R. 1, Kewaskum, and Gregory Ogi, son of Dr. and Mrs. Charles Ogi, R. 2, Kewaskum, were included on the UW-River Falls fall quarter deans' list.

Kristy Ann Honeck, daughter of Mr. and Mrs. Kilian Honeck, R. 2, Kewaskum, was named to the Deans' List at the University of Wisconsin-Madison for the first semester. She is a senior student in agriculture and life sciences majoring in soil service.

Debra C. Carpenter, sophomore majoring in mass communications, of 148 Mill St., Campbellsport, Pamela J. Groeschel, a freshman majoring in physical therapy, of 241 Clinton St., Kewaskum, Sandra J. Schleif, a senior majoring in recreation administration, of R. 3, Campbellsport, and Vickie L. Unferth, a senior majoring in elementary education, of R. 1, Campbellsport, have been named to the dean's list of the University of Wisconsin-La Crosse for the first semester of the 1975-76 academic year.

A total of 29 women and 14 men from 14 communities make up the fall semester Dean's Academic Honor List at the University of Wisconsin Center - Washington County.

Fall honor students from

this area are:

Kewaskum: Patricia Holzmann, 1228 Roseland Dr., highest honors; Mary Schmidt, R. 2, highest honors; Tim Stoffel, R. 1, highest honors; Caroline Fellenz, R. 1, 8646 Hwy. DW, high honors.

Allenton: Suzanne Fritz, R. 1, highest honors; Ann Wolf, R. 1, Hwy. DW, highest honors.

Dawn Boettcher, daughter of Mr. and Mrs. Harold Boettcher, 1640 Riverview Dr., Kewaskum, is among those who have been admitted to University of Wisconsin - Platteville.

At the present time, Ms. Boettcher plans to major in Criminal Justice at the university, where more than 50 degree programs are offered on the undergraduate level. Course of study range from pre-law to physical education for women. The university now offers new majors in radio and TV broadcasting, mechanical engineering and technical communications.

In addition to regular classroom activities, an op-

portunity for study and travel abroad is also available. Transferred credits may be obtained from a year study in Denmark and England, summer study in Mexico and study-tours in Europe or the Soviet Union.

W. Dahm, Doris Ebenreiter Die

William Dahm, 72, a resident of the Samaritan Home West Bend, formerly of R. 2 Kewaskum, passed away Saturday, Feb. 7. He was a

resident of the Samaritan Home for the past 4½ years.

He was born July 18, 1903, in the Town of Wayne, where he grew up. He later was employed as a farm hand and was also employed at Pick Manufacturing, West Bend.

Survivors include a brother, Carl, (Helen) of Milwaukee; nieces, nephews and other relatives and friends.

Funeral services were held Wednesday at 11 a.m. at the Schmidt Funeral Home, West Bend. Rev. Timothy Prasad officiated and burial was in St. John's United Church of Christ Cemetery, Kohlsville. Visitation at the funeral home was after 5 p. m. Tuesday.

DORIS EBENREITER

Doris Ebenreiter, 75, of Chicago, wife of the late August Ebenreiter, a former resident of Kewaskum, died Friday, Feb. 6, at Ravenswood Hospital, Chicago.

Surviving are four stepchildren, Mrs. Lauretta (Ebenreiter) Holm, Chicago; Mrs. Violet (Ebenreiter) Foster, Austin, Ind.; Mrs. Kathryn (Ebenreiter) Meyer, Neenah, and August Ebenreiter, Jr., Chicago.

Funeral services were held Monday evening at 7:30 o'clock at Cooney Funeral Home, Chicago. Interment was in Ignatius Cemetery on Tuesday morning. Kewaskum Statesman Friday, February 13, 1976

Leander J. FOLEY, Jr.

FIRMNESS with FAIRNESS

Paid for by Foley for Supreme Court Committee, J. William Foran, Treas., 611 N. 68 St. Wauwatosa, Wi

FACSIMILE BALLOT NOTICE OF JUDICIAL ELECTION FEBRUARY 17, 1976

OFFICE OF WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY

Notice is hereby given of a Spring Primary Election to be held in the several wards in the County of Washington on the seventeenth day of February, 1976, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column.

INFORMATION TO ELECTORS

Upon entering the polling place an elector shall give his name and address before receiving the ballot from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot. Upon receiving the ballot, the elector shall retire alone to a voting booth and mark his ballot. A ballot clerk may inform the elector of the proper manner for marking a ballot, but he shall not in any manner advise or indicate for whom to vote.

At a non-partisan primary, the elector shall place a cross or other mark in the square at the right of the candidate's name for each office for whom he intends to vote, or insert or write in the name of his choice for a candidate.

If the elector spoils a ballot, he shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to mark the ballot. Unofficial ballots or a memorandum to assist the elector in marking his ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After folding the ballot, the elector shall leave the booth, give his name to the inspector in charge of the ballot box, hand him the ballot to be placed in the ballot box, and leave the polling place promptly.

An elector may be assisted by 2 election officials of different political parties in marking the ballot if he declares to the presiding official that he is unable to read or that due to physical disability he is unable to mark the ballot. If an elector declares that he is visually handicapped, he may have anyone assist him in marking his ballot or operating a voting machine. The presiding official may administer an oath as to a person's disability

The following is a facsimile of the official ballot:

SAMPLE

OFFICIAL PRIMARY BALLOT FOR JUDICIAL ELECTION

To vote for person whose name is printed on the ballot, mark a cross (X) in the square at the RIGHT of the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot write his name in the blank space provided for that purpose.
