Honor Peterson for 30 Years of Scouting Service

The Kewaskum Kiwanis Club recently honored L. N. (Pete) Peterson for 30 years of service to the Boy and Girl Scouts of Kewaskum. Scout leaders from Antigo, Fond du Lac, Neenah and Kewaskum were present. Peterson was awarded a memento for his years of service to scouting. Mike Gna-

cinski, former Scout leader, did a fine job in presenting the award.

Scouters present at the meeting were: Bob Sparks, Roger Olmstead, Ken Britt, Mike Gnacinski, Jeanette Gnacinski, Mike Pettit, Mary Larson, Bonnie Kasseckert, Sherry Draves, Audrey McKenna, Beverly Kaper, Marilyn Haug, Clayton Stautz,

Kurt Erdman, Lloyd Hron, Pete Albers, Bill Geidel, Ken Leitheiser, Ted Miller, Wayne Remmel, Mike Pfeiffer, Tom Koerble and L. N. Peterson. Other guests included Joe and Florence Schwingel of Antigo, neighbors of the Gnacinskis.

Pictured, left to right: Mike Gnacinski of Antigo, Ken Britt of Fond du Lac, Bob Sparks and "Pete" Peterson of Kewaskum and Roger Olmstead of Neenah.

Youth Tutoring Youth Introduced At Local Schools

A new technique in teaching, "Youth Tutoring Youth," was introduced into Kewaskum schools this year.

According to Michael Theiler, guidance counselor at Kewaskum High School, who had previously originated the program at Marshfield, students from the high school go over to the elementary school and give help to the students who need help. The two subjects most frequently taught are reading and math.

The students are taught on a one-to-one basis, which means one high school student works with one elementary student. The student teachers go over to the elementary school two hours a week during their study halls.

The student teachers, nearly forty of them, represent a potpourri of both high and low level achievers.

The students taking part in the program are: Gayla Herriges, Dawn Boettcher, Debbie Schmitt, Julie LaFleur, Jacky Coulter, Jenny Coulter, Bev Ehnert, Steph Matenaer, Joanne LaFleur, Carol Wahnschaffe, Joanne Loof, Joann Mahsem, Lloyd Bunkelman, Jeff Jaeger, Connie Brugman, Gail Paulus, Jill Zarling, Joy Zarling, Dan Hlavaty, Pam Scannell, Carol Manthei, Jack Kern, Judy Arbogash, Roseann Czaja, Dave Menzel, Dennis Bremser, Anne Theusch, Kurt Zarling, Kaye Gruber, Carol Muench, Dawn Mixdorf, Cindy Smolen, Shelly Omodt, and Kim Krueger.

36 Graduate Early From High School

The following students of Kewaskum High School have applied for and been approved for early graduation, with the stipulation that they have met all credit requirements for graduation:

Annette Anders, Dan Braun, Connie Brugman, Sue Czerwonka, Cheryl Dryfka, Steve Ebert, Nancy Faber, Janet Fechter, Ken Hausner, Jeanine Heinecke, Candi Heise, Dwight Helsell, John Huberty, Randy Justman, Sandy Justman, Ken Kaehne, Cindy Klein, Sandy Knepprath, John Krell, John Marino, Carl Marquardt, Rosemary Mueller, Duane Nickel, Bill O'Reilly, Tom Ruplinger, Nancy Ostrander, Jim Schaeffer, Jim Schilter, Joyce Schladweiler, John Schmidt, Sheila Sonnenberg, Patti Voigt, Jack Westerman, Don Wiesner, Terry Volm, Germaine Zimdars.

This is the fifth year Kewaskum High has conducted an early graduation policy. The students must apply for the early release and have their parents' permission to do so. They also are to have some definite plans, that is employment or further education, after they leave school. A faculty committee is set up to review the applicants and to decide whether or not the individual should be granted early graduation.

The students, while they do not have separate graduation exercises, are invited to participate in those conducted in June.

Immunization Clinic March 2

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service.

Clinics are held the first Tuesday of each month alternating between West Bend and Hartford.

A clinic will be held Tuesday, March 2, from 3 p. m. to 6 p. m. at the Community Health Nursing Service, 515 East Washington St., West Bend.

A fee of \$1.50 to \$3.00 per immunization is charged depending on the type of immunization administered.

Children under one year of age need written permission from their family physician to obtain immunizations.

Now is the time to protect your family from a communicable disease!

REPRESENTS SCHOOL IN MATH CONTEST

Bob Nigh, son of Mr. and Mrs. Jerome Nigh, represented Holy Trinity School in the Milwaukee Archdiocesan Math Contest. Eighty-nine students from parishes throughout the diocese took the exam of Our Lady of Sorrows School in Milwaukee. Bob ranked 35th out of the 89 students.

Board Approves Child-Care Leave, Drops Two Teaching Positions

The request for a child-care leave which had been discussed at the previous meeting was approved by the Kewaskum Board of Education this week. The request was for a leave to the end of the school year even though Mrs. Ourada, who made the request, could have been physically able to return to work sooner following the pregnancy. The total absence was within a maximum three-month period which the board wished to maintain. Each request will also be reviewed individually.

Two teaching positions were dropped as the board discussed projected enrollments for next year. With a decrease of 60 kindergarten students next year, one full-time kindergarten position will be eliminated. No decision as to location of classes was made. Also, one grade four class at Kewaskum was dropped. There was some discussion of the possibility of dropping another position at the Kewaskum Elementary School. Because there have been a number of retirements, the cutting of positions will result in changes to staff assignments but will necessitate no layoffs or non-renewals.

The board discussed the high school enrollments by departments. Because of small enrollments, five courses were dropped for next year. The board also asked that information be gathered on teaching interns rather than the 1½ position additions

which were proposed. The high school enrollments is expected to grow by about 50 students next fall.

Resignations, effective at the end of the year, were accepted from Mrs. Hron and Mrs. DeWitt of the Kewaskum Elementary School. They, along with Mrs. Loberger, who had submitted her resignation earlier, are retiring. The board asked that letters of appreciation be sent to all.

Because of a request by Mr. Van Beek, the question of whether the board would consider non-renewal of his contract was moved from closed to open session. The motion made was to consider his non-renewal. The reason for the question was based on whether a Master's Degree was necessary for the position of elementary school librarian. That question had also been raised last November when Mr. Van Beek was hired. The motion was defeated on a 3-2 vote with one abstention. Byron Gessner and Jim Oelhafen voted "yes." Jerry Secor, Allen Tessar and Richard Theusch voted "no," and Tom Gundrum abstained.

In other business, the board voted to change the first March meeting from the 15th to the 8th. They also approved a door installation for just over \$800 for the shop area to help solve a noise problem.

The board then adjourned to closed session to discuss grievances and negotiations.

FUTURE BUSINESS LEADERS OF KHS ATTEND CONVENTION

This year's Future Business Leaders of America Regional Convention was held at Laconia High School in Rosendale. Representing Kewaskum High School were Liz Zimdahl, Sharyn Weaver, Linda Dei, Janice Devine, Rita Schaeffer, Brenda Dehling, Deb Schmitt, Nathalie Nigh, Cindy Oelhafen, and their advisors, Mrs. Weiland and Ms. Wallner.

Those placing in the contests were Liz Zimdahl, who placed fifth in Basic Business, and Deb Schmitt, who placed second in Clerical. They will now be competing at the state convention in Green Lake.

Of Local Interest

From 8 to 12 inches of wet, heavy snow plastered this area Friday night and Saturday as Washington County was in the line of heaviest snowfall. The snow began shortly before the hundreds of Kewaskum fans at the Mayville game began their trip home, making driving difficult. The snow stuck to tree branches and wires forming a beautiful sight but brought limbs and trees down from the weight, some across wires. Highway and utility crews were kept hopping.

Twenty-four accidents were reported in the county and countless drivers were stuck Saturday. High winds Monday caused highways to drift over again. The snow began to disappear with temperatures in the 50's Tuesday and Wednesday.

Elmer W. Mayer of the Town of Jackson died early Wednesday, Feb. 18, at his home at the age of 60. He was the father of Francis (Dolores) Mayer of Kewaskum. The funeral was held Friday at Cedarburg.

Our appreciation to Girl Scout Troop 17 for the cute thank you paper candle stick and holder they made and gave to the Statesman. It was individually signed by the troop members and leaders.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

New Fane Kettle Riders Buy Dragging Equipment

Through the efforts of conscientious members and friends of the New Fane Kettle Riders Snowmobile Club, dragging equipment is on the trail working in the Kettle Moraine area this winter. The tractor is a Bombardier Muskeg, with 28 inch tracks, which was rebuilt by club members after being purchased from a local ski hill. A 318 Chrysler engine with a 4-speed transmission is the power plant in the tractor. A Dodge truck cab encloses the lever controls and seating for two operators. A hand made hood covers the engine. A truck power steering pump makes up the double action hydraulic system to raise and lower the groomer. The Valley Engineering Drag was purchased in December from Work Equipment Company in Milwaukee, being 88 inches wide and 11 feet long. Comments in the stop-off areas indicate the Muskeg-Drag combination is providing more enjoyable trails.

Georgie Girls Hold Awards Night

George Washington's birthday was appropriately chosen by the Georgie Girls of Washington County for their annual awards night held Feb. 16. Ruben Schmahl, Chairman of the Washington County Board, was the guest speaker and handed out award medals to color guard and baton corp members for outstanding performance in 1975.

Corps director, Germaine Christensen, presented Schmahl with a plaque making him an honorary member of the Georgie Girls. It is probably the most unique award he will ever receive.

Appreciation trophies were given to corps manager, Mrs.

Ethan Etta of Kohlsville and equipment managers, Mr. and Mrs. Norbert Dettmann of Boltonville.

Color guard girls receiving medals were: Kay Kleinhans, Sue Lang, Alicia Dornacker, Jenny Dornacker and Denice Reichert.

Baton girls, many from the Kewaskum area, receiving awards were as follows: Jill Etta, Julie Dettmann, Kara Weinreich, Annette Gebhardt, Jill Lechner, Robin Schmidt, Shelly Fritz, Gail Backhaus, Lynn Wickert, Lisa Wickert, Sandy Kirchner, Ann Wolf, Tami Boller and Jennifer Denetz. Also shown in the photo is a new member

Jane Wesolowski.

Banner carriers Jon Etta of Kohlsville (right) and Todd Schmidt of Kewaskum (left) also received Bi-Centennial medals presented by Mrs. Christensen.

Jill Etta of Kohlsville (left) and Julie Dettmann of Boltonville (right) received a special leaders medal. Both girls have been in the corps since it started, consequently, charter members.

Cindy Steinhardt, color guard instructor, and Mary Kleinhans received medals for their outstanding work.

The event at Greentree School, West Bend, concluded with refreshments served to corps members, relatives and friends.

The Georgie-Girls marching corps was formed five years ago by instructor, Germaine Christensen, as a finishing end to baton twirling lessons she was offering in the City of West Bend.

In this comparatively short time the Georgie-Girls have become "known" for their outstanding theme and patriotic appeal. To assure their colonial uniforms and unique title depicting our first president, George Washington, will remain unique as long as the corps continues to perform. Mrs. Christensen has registered the corps idea so as to prevent any other group from using it.

The corps has limited their parade performances to the Washington County area the past five years, but more recently, began traveling by bus to march in Hartland, Milwaukee, West Allis and Menomonee Falls parades. Although few area parades are judged and the Georgie-Girls were always a much younger corps than their competition, the girls brought home three first place awards trophies and two second place.

The corps color guard is fortunate to have Cindy Steinhardt, of Boltonville as their instructor, who after a seven year membership is a national honorary alumni of the Buccaneers of Sheboygan.

The corps recently purchased the "Betsy Ross" flag to complete the Washington Era theme for the guard and for the Bi-Centennial year ahead.

Mrs. Christensen relates, "The corps would never have stepped off each season and annually progressed without the excellent assistance of two corps parents whose daughters are original charter members of the corps." Mrs. Judy Etta of Kohlsville has managed phoning mother committees, produced necessary newsletters, handled corps finances and uniforms, and even wears a uniform

herself as she marches every parade as a "chaperone" to the girls. Mrs. Christensen recalls how when she initiated the corps, she gave only a verbal description of the Georgie-Girl uniform she had in mind and Judy Etta went ahead and produced the original for all to copy.

The other dedicated parents, Mr. and Mrs. Norbert Dettmann, of Boltonville, have handled all corps equipment, storing the banner, color guard flags, and even drums in their home and hauling everything to all parades and back again to rehearsals. Lou Dettmann manages the color-guard membership and uniforms. She also sports a uniform as she chaperones the marching corps in parade performances.

Speaking of dedication, "above and beyond the call of duty," Lou Dettmann and Judy Etta even carried the corps banner in a recent Christmas parade when the cold wind made it impossible for the two little banner carriers to handle it.

The Georgie-Girls will step-off their marching season at the "Loyalty Day Parade" May 2 in Hartland.

"The magic of 'Alice' starts with a looking glass and gives back to each girl who has this opportunity an education and experience about life, land and people all around her; but, most of all, that looking glass will be a bottle filled with a year's memories that I will open and spill out and make use of my whole life through."

Wis. They are already booked for three parades over July 4th weekend.

The corps will have 24 twirlers and 8 color guard members this year. Anyone interested in joining either section of the corps may phone Judy Etta at 629-5181 or Lou Dettmann at 692-9080.

Corps director, Germaine Christensen, is in her 32nd year of teaching baton, having started her career as the first twirling majorette with the Green Bay Packers in 1942-46. She has initiated and directs two other marching corps in Wisconsin - the "All American Holiday Corps" of Menomonee Falls and the "Robinettes of Sussex," baton, drum, and color guard corps, four-time national parade winners.

Mayville Edges Indians by One Point to Stay Alive in Race

The combination of an unnecessary mistake causing a technical foul which turned into a 3-point play, a poor shooting average, foul trouble, an injury and the clutch free throw shooting of Dave Mayers, who made 8 of 9 in the second half, all contributed to Kewaskum losing a tough one at Mayville by one point Friday night, 55-54. A big, noisy crowd, about half of them from Kewaskum, witnessed the thriller.

Although the Indians had already clinched at least a tie for the Scenic championship, Mayville kept its title hopes alive. The Cardinals (10-3) are still one game behind Kewaskum (11-2) with one to go. Their one shot depends on a victory over Kettle Moraine Friday while Kewaskum would have to lose to Germantown. A win for the Indians clinches the undisputed title but the third place Warhawks (8-5) could be tough to handle.

Holding a six-point lead with 3 minutes to go, Mayville went into their stall offense. Kewaskum frustrated the strategy by cutting the margin to one point, 55-54, with their best surge of the night, but the Cardinals held onto the ball in the final seconds. Each team had 19 baskets but Mayville collected one more free throw, 17-16, for the margin of difference.

Mayville played a good defense and shot 45 per cent from the floor. Kewaskum, coming off a lopsided win at Kettle Moraine Tuesday, was flat with a 34 per cent shooting average and was hampered by fouls.

About half way through the third quarter the Indians seemed to be on their way. They burst ahead by five five points, 39-34, on successive baskets by Scott Tessar, Jack Kern and Leon Laatsch. Mayville called a time-out and came right back with four straight points. Up to then it was a see-saw battle. The teams tied four times and the lead changed hands eight times in the second quarter.

The Indians led, 44-43, going into the last period. Kewaskum then began fouling, having 13 all told in the second half. Dave Mayer hit four straight free throws and Mark Gindt added a basket and Mayville went ahead, 50-44. The Indians came from behind again but lost Tessar and Tom Rohlinger on fouls. Laatsch and Jim Bilgo were hampered by four apiece and it was too much to overcome although Kewaskum came within one point again at the end.

Tom Edwards, who scored 18 points in Kewaskum's earlier season win over Mayville (63-52) reinjured his foot while warming up before the game and did not play. At 6-5 his height would have helped without a doubt. Also a mix-up in the number Dave Menzel was wearing resulted in the referee calling a technical foul against the Indians. It resulted in a three point play for the Cardinals and that was more than the margin of victory.

Top scorers for Kewaskum were Tessar with 16, Laatsch with 14, and Kern, who was held to 11. Gindt, 6-5, with 13, Etychison, 6-5, with 12 and D. Mayer, also with 12, paced the Cards. Gindt and Etychison are only juniors. The Indians were rated

16th in the state among Class B schools in this week's Associated Press poll, despite the loss to Mayville.

In other games Friday, Pewaukee finally won its first game, defeating Hartland, 52-36, and Germantown won over Slinger, 68-60. In a game played Tuesday, postponed from Friday, Grafton beat Kettle Moraine, 74-65.

Lakes Team in Overtime Win

Kewaskum's "B" Division Lakes leaders held onto their lead by edging Slinger in a hectic overtime victory there Sunday, 110-109.

A last second basket by Slinger's Ted Sprinkman tied the score at 100-100 in regulation time. Kewaskum had the ball out of bounds with seconds to go but a long full-court pass hit the ceiling and the ball went to Slinger under the basket. A quick pass to Sprinkman and he scored.

With 3 seconds in the overtime and Kewaskum ahead, 110-109, Clark Eichstedt took the ball out of bounds under their basket. He threw a long pass that just missed the ceiling. Ken Loest was open, got a shot and missed as the game ended.

Doug Potter, Slinger High coach, was hot for the losers with 21 baskets and a free throw for 43 points, hitting many long shots. Loest paced Kewaskum with 32 while Dennis Pieper had 22. Eichstedt was held to 17.

Kewaskum led at the half, 49-43.

Sunday at 7:30 p. m. Kewaskum hosts Thiensville-Mequon and a win would give them a tie for first place.

Face Cougars in Edgerton Sectional

KHS Girls Team Edges Slinger, Pewaukee for Regional Title

The Kewaskum girls' basketball team advanced to the WIAA Sectional at Edgerton this weekend by winning the Regional title at Slinger last week in two very close games, one in double overtime. They are one of only 16 remaining teams in Class B in the state and will be making a strong bid to get to their first WIAA state tournament.

Kewaskum faces Campbellsport in their first Sectional game Friday, Feb. 27, at 7 p. m., to be followed by the Clinton vs. Sheboygan Falls game. In game 3 at 6:30 p. m. Saturday, Feb. 28, it will be loser of game 1 vs. loser of game 2 for consolation and winner of game 1 vs. winner of game 2 for the championship. This Sectional winner will be one of 4 winners that play in the State Tournament at Madison on March 4, 5 and 6.

In their Regional opener at Slinger Wednesday the Kewaskum girls squeezed out a 29-28 victory over the host Owls, whose fourth quarter comeback fell short. There seemed to be a lid on the basket for the Owls as they made only one field goal in each of the first and second quarters. Kewaskum led at the quarter, 8-2. In the second period Slinger managed only one of 17 floor shots and Kewaskum didn't do much better with three of 14 but led at the half, 14-6.

In the last quarter the Owls turned on the press and got quick results, bringing the score to 22-20. But three baskets and a free throw gave the Indian girls a 29-20 lead. Slinger fought back to within one, 29-28, in the closing seconds. Wanda Akin had a chance to increase the lead with 9 seconds left but missed the bonus free throw. Kewaskum's defense held Diane Kratz to 10 points and Joyce Wellhoefer to only 2, far below their 20-point games against Columbus in the Regional opener. The winners were led by Julie Stoffel with 10 points and Diane Strack 9.

Thus Kewaskum earned the right to meet Pewaukee for the Regional title Thursday night. The Pirates upset Mayville, Scenic co-champs, 46-37, Wednesday.

This was a double overtime thriller which saw Kewaskum come out a 42-40 winner. During the regulation game the Indians led 8-2, 14-10 and 26-19, and Pam Scannell was the main reason. She hit on six long set shots and also made some key steals. Pewaukee fought back to tie it at 36-36.

The first overtime found

Kewaskum falling behind 38-36 but Scannell tied it up on another long shot. With 8 seconds left in the second overtime Stoffel was fouled and made both free throws to win the game. Kathy Mertz and Scannell combined for 20 points and Stoffel had 12. Schaeffer had 12 and Dettmering 11 for Pewaukee.

Frosh Win Only 2 But Everyone Plays

The freshmen basketball team is having a tough season having only won two games. The coach of the freshmen is John Baitinger.

Baitinger says that the freshmen just learn the fundamentals, and that is one of the reasons they have only won two games. Baitinger says that in every game he tries to play everyone, not worrying about winning so much, but trying to give all of the players experience in playing in the games.

The freshmen play 12 games. They suit up 12 players during road games, and 21 players suit up during home games. Some of the better players on the team are Scott Reif, Jeff Matter, Mike Schaub and Paul Bremser.

Baitinger says that they are a good bunch of kids to work with, and enjoys coaching them. The freshmen play their home games at 6:00 in the old gym. They play at home the same nights as the varsity and junior varsity do.
