# Ice Storm Worst in Memory

A three-day ice storm which started last Monday and Tuesday and reached its peak on Thursday, was reported to be the worst in memory, probably the worst ever. It included rain, freezing rain, sleet, snow, thunder and lightning.

The devastating storm left damage Thursday and Friday like a tornado had struck the area. Electric and telephone poles and wires were downed, an unbelievable number of trees, limbs and branches were felled all over from the terrific weight of the ice coating, many sections were without heat, light and power for days, all events were cancelled, people were warned to stay off the streets because of falling, arcing live wires and trees, some villages and cities were isolated, highways and streets were closed and barricaded, schools and industries closed, police and firemen were on duty around the clock.

The storm left a mess of debris and trees and shrubs which were not broken bent to the ground or were stripped from the weight of the ice coating. Many of them were ruined. People were

### A SPECIAL THANK YOU

A special thank you to our firemen, police department, village employees, auxiliary police and for the cooperation and patience of the residents of the village. You were all great as usual.

frightened by the falling wires flashing and the sound of trees and limbs cracking off could be heard everywhere. Chain saws were heard constantly cleaning up the fallen trees and limbs over the weekend.

Roseland Drive between Midland Ave. and Western Ave. was one of the hardest hit in the village. Fallen trees and limbs blocked the street and six trees had to be cut off completely because of being damaged and crippled so badly. Riverview Dr. from Main St. to the village park was also blockaded because of fallen wires and tree branches.

Local schools were closed for five school days on Wednesday, Thursday and Friday of last week and Monday and Tuesday of this week, reopening Wednesday. When full power did come back, buses were unable to complete their routes because of fallen wires and trees. Regal Ware was shut down from Friday until Tuesday. A number of local business places were closed due to a lack of light and power. Resident who had light and heat took neighbors and friends without into their homes to keep warm,

some housing 12 or 14 people.

Winds gusting up to 50 miles an hour and below freezing temperatures on Friday added to the havoc, breaking more trees but blowing some of the ice off them. There were flash floods in many areas. From 50,000 to 60,000 homes in the surrounding area were without power and light and Washington County was probably the most severely hit.

There was the danger of water pipes freezing. Farmers had problems getting water for cattle. Milking and milk cooling also was difficult. Farmers tried to get access to portable generators. The government sent some emergency generators. Ice in ponds was broken for water, which was also hauled. Dry ice was distributed and shipped in where available to help keep foods from spoiling.

Friday noon Lt. Gov. Martin Schreiber ordered 200 National Guardsmen into Washington County to help officials maintain road blocks, drive trucks, distribute dry ice and portable generators and guard business buildings. When Gov. Lucey returned to Wisconsin from Washington, D. C. he doubled the number of guardsmen.

## Kewaskum to Stage Tea Party

A Kewaskum Tea Party, sponsored by the Kewaskum Historical Society, Inc. will be held at 7:00 p. m. Tuesday, March 16, at the Kewaskum Valley Bank meeting room. All interested are invited to attend. This will precede the regular monthly meeting to be held at 8:00 p. m.

This begins a bicentennial year membership drive. The society announces the opening of a new membership category open to businesses. Dues will be \$10.00. Any voluntary contributions will also be accepted.

A summary of the past year's accomplishments will be given to those in attendance. Recognition will be given to those groups, individuals, and businesses who have already helped the society thus far by donations of materials, artifacts, or monetary contributions. Further contributions are needed for the tentative May 29 opening date to be met. Questions or comments are welcome and will be answered and discussed. Members and those wishing to join can pay their 1976 dues following the meeting.

Concluding the short program, tea, coffee, and cookies will be served.

and Missouri were brought in to help with repair work. They worked 16 hours a day and were still falling behind as ice coated branches ripped down more cables. In Washington County many poles themselves fell across roads. It was estimated that about 500 utility poles were down, some of them steel towers that carry high voltage lines. About 2,000 wires were down. Forty downed poles were counted on U.S. 45 between Kewaskum and West Bend.

Washington County Civil Defense Director Sherman Carr closed the county to all traffic except emergency vehicles. The ban even included U.S. 41, the main artery to the north. State Hwy. 45 south of West Bend was still closed Monday, where utility wires went down across the road. County Hwy. 175 was also closed. On these highways power lines were hanging so low there was danger of limbs breaking them and adding to the peril. Major power lines blocked State Hwy. 33 between West Bend and Newburg. In Sheboygan County there was no way to get either into or out of Random Lake. Eighty per cent and in some areas 90 per cent of the homes were without

## Lions Hold Son, Daughter Banquet; Nominate Officers

The Kewaskum Lions will hold a son and daughter banquet March 23 at the Glacier Inn. A magician will be on hand for entertainment.

Nomination of officers for the 1976-77 year are: President, Howard Zemlicka; 1st Vice-President, Roger Groeschel; 2nd Vice-President, Victor Backhaus; 3rd Vice-President, Pete Albers; Secretary, Earl Buswell; Treasurer, Erwin Bullette; Lion Tamer, John Fellenz; Tail Twister, Lloyd Teeselink.

A donation was given to Renee Endlich. Dave Stradtman explained the needs of the Washington County Big Brothers and Sisters. A monetary donation was given to them.

Howard Zemlicka gave a report on the upcoming events for the Lions Chicken Bar-B-Que and Bicentennial celebration in Kewaskum. Events that will be taking place are the annual Kettle 20 foot race, wrist wrestling, bike racing, possibly the Hartford Municipal Band, possibly a square dance group, a chicken basket social presented by local young ladies, and early farm days display of machinery.

Things are shaping up to be a fine year for Kewaskum and the Kewaskum Lions Club.

## Jerry Buchel New Jaycee President

On Monday evening the Kewaskum Jaycees held their regular membership meeting and election of officers for the 1976-1977 year.

Jerry Buchel was elected President. Jerry was Internal Vice President for the 1975-1976 year. He is employed at Gehl Company in West Bend as a Planning Analyst. Ralph Bier was elected Internal Vice President; Wayne Riekoff External Vice President; Dave Rohlinger Treasurer; Tom Bartelt Secretary; Dick Thieme State Director; and Mark Kral, Ed Weddig and Larry Watry as members of the Board of Directors.

The Jaycees will be sponsoring their Little League baseball program again this year. Sign up for any interested boys or girls will be announced at a later date. Presently the Jaycees are conducting "Operation Identification," a nationwide program to prevent home burglaries. The Jaycees are also bringing a circus to the village on June 6. The circus will be the Dailey Bros. Circus. Also in June the Jaycees will bring "Fonzie and the Happy Days Revue" to the Amerahn. Money from the projects will be used to help defray the costs of the Little League program and other civic projects.

Any young men between the ages of 18-35 are invited to attend the next meeting, which will be held on Monday, April 12, at 8:00 p. m. in the Valley Bank Community Room.

## Musical at Peace Church

Wednesday evening the Tell It Singers of West Bend will present the hour musical "I'M HERE -- GOD'S HERE -- NOW WE CAN START" at Peace United Church of Christ in Kewaskum. The Tell It Singers are an interfaith youth choir of 45 members under the direction of Mrs. Virgil Nulton and is sponsored by Interfaith Ventures Committee.

The musical will begin at 8:00 p. m. and Peace Church is located at 343 First St. The Rev. Dr. Milton Staskal is pastor.

"I'm Here -- God's Here" is an hour worship experience written by Carmichael and Kaiser with a wide range of mood that appeals to all ages. The public is encouraged to attend. A freewill offering for the Tell It Singers will be received.

## GIRL SCOUT STYLE SHOW CANCELLED

The Girl Scout style show which was scheduled for March 15 has been temporarily cancelled. It will be rescheduled at a later date.

## Firemen Answer 5 More Calls, 3 At Same Place

The Kewaskum Fire Department was called out five more times during the early morning hours following last week's devastating ice storm. Three of the calls were to the same home.

Two of the fires occurred early Friday morning. One at 2:02 a. m. was at the Tom Miklas residence on Townline Road (St. Bridget's Road) three miles west of Kewaskum. Timbers in back of a stone fireplace started burning in the house. There was no electrical power in the home and the family was using the fireplace for heat. Firemen removed some of the timbers and put out the blaze.

The second fire at 6:50 a. m. was at the Mrs. Selma (Sally) Backhaus home on North Fond du Lac Ave. (Hwy. 45) near the northwest village limits. Little damage was reported from the chimney blaze.

Early Monday morning the firemen were called to the John Fischer residence on County S west of New Fane. The Fischers' fireplace, which was being used to keep their home warm during the power outage, overheated causing fire to start in the beams behind and under the stone facing. The firemen responded to this call at 1:27 a. m. and fought the blaze until 3:20 a. m.

When the Fischers discovered more fire in the beams they put in a second call at 4:05 a. m. Fire Chief Augie Bilga, Jr. reported that some beams were charred behind the fireplace and had to be removed. The firemen also had to remove some of the stones from the front of the fireplace. They used a small amount of water to extinguish the blaze.

Bilgo received another call from Mrs. Fischer at 8:53 a. m. when she noticed there was still smoke and steam coming from the house. She requested that he send some of the men back to check the home once more. The fire call went out again and a number of men responded to the home for the third time. The Fischers had been without heat or electricity since last Wednesday afternoon.

The firemen answered six calls within a week including the one last week Monday evening when a bolt of lightning hit Mrs. Mary Roeder's home on Forest Ave., causing extensive smoke and fire damage. At the same time lightning also struck a transformer across the road from the Ardell Cardarelle Home on Highland Dr., about 1½ miles northwest of the village. The home was not damaged but the lights and telephone were knocked out. While Chief Bilgo was being notified of the Cardarelle bolt, the call came in to the Roeder home. Details on these fires were published last week.

## Charles W. Diedrich, Renee Endlich Pass On

Charles W. Diedrich, age 83 years, of R. 2, Cambellsport, formerly of Milwaukee, died early Monday morning, March 8, at St. Joseph's Community Hospital, West Bend.

He was born July 28, 1892, in Milwaukee. He married Marie Fischer and she died on Feb. 2, 1958. He was married to Dorothy (nee Theusch) Vorpahl on Oct. 26, 1973.

Mr. Diedrich was a retired Railway Express employe. He was a member of Holy Trinity Church in Kewaskum and the B.F.R.C.

Survivors include his wife Dorothy; three sons, Robert (Marie) of Milwaukee, Donald E. of Tomah, Wis. and Carl (Gloria) of Wauwatosa; three daughters, Mrs. Margaret Doka of Great Lakes, Ill., Mrs. Marian Takaya of Chicago and Mrs. Vernon Fierke of Kewaskum; seven stepchildren, Mrs. Allen Kertscher of Wayne, Mrs. Floyd Budenhagen of West Bend, Mrs. Gerald Brockmann of Milwaukee, Fredrick Vorpahl of Marshall, Wis., Anthony Vorpahl of Mauston, Ronald Vorpahl of West Bend and John Vorpahl, Jr. of St. Michaels; 13 grandchildren; 17 great-grandchildren; one sister, Sr. Mary Luella, B.B.M. of Great Lakes, Ill.; one brother, Joseph Diedrich, of Milwaukee; other relatives and friends. One son, Hugo, preceded him in death.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p. m. Wednesday with rosary vigil at 8:30 p. m. Services were held Thursday at 10 a. m. from the funeral home and at 10:30 a. m. at Holy Trinity Church with Rev. John T. Budde officiating. Burial was in Holy Cross Cemetery, Milwaukee.

### RENEE ENDLICH

Renee Endlich, 14, of Kohlsville, rural West Bend, passed away Thursday, March 4, at St. Joseph's Community Hospital, West Bend, after a long illness.

She was born March 15, 1961, in West Bend. At the time of her death she was a freshman at Kewaskum High School.

Survivors include her parents, Wayne, Sr. of Pewaukee and Maxine of Kohlsville, two brothers, Wayne, Jr. and Timothy, both at home; her grandparents, Leo Kastner, Mr. and Mrs. Arnold Gorecki and Mr. and Mrs. Elroy Groth; great-grandmothers Mrs. John Groth, Mrs. Ernest Kastner and Mrs. Olga Gaunt and other relatives and friends.

A memorial service was held at Trinity Lutheran Church, West Bend, at 11 a. m. on Saturday.

### JOHN C. THOMA

John C. Thoma, a resident of the Samaritan Home, West Bend, formerly of the town of West Bend, passed away at the Samaritan Home Sunday evening, March 7, at the age of 86.

He was born June 18, 1889, in the Town of West Bend, at Thoma's Resort where he grew up. He operated Thoma's Resort for several years after which he purchased a farm in the Town of West Bend. He operated the farm until his retirement in 1968. He then came to the city of West Bend and since July 1, 1968, was a resident of the Samaritan Home.

Mr. Thoma served as town supervisor for many years. He also served one term as town chairman of West Bend.

He married Rose Eder at Holy Angels Church, Sept. 21, 1926. She preceded him in death June 19, 1968.

Survivors include two children: Betty (Ervin) Bonlender of Kewaskum and John E. (Marian) of West

Bend; eight grandchildren; two sisters, Catherine and Esther Thoma, both of West Bend; one sister-in-law and nieces, nephews and other relatives and friends.

Four sisters and one brother preceded him in death.

Funeral services were Tuesday evening at 7:30 p. m. at the Schmidt Funeral Home and at 8 p. m. at St. Frances Cabrini Church. Fr. Leo Lambert officiated and burial was in Holy Angels Cemetery.

Visitation at the funeral home was from 3 p. m. Tuesday until time of services at 7:30 p. m.

## Historical Society Adds New Category For Membership

A new category of membership for the Kewaskum Historical Society was added at its February meeting last week.

In the future, businesses or professional people may make a donation of \$10 or more and will be admitted as members under the title of "Business or Professionals Supporting Historians." The society's constitution had to be amended to allow this change, the only type of membership that is tax deductible.

At present there are four other types of memberships in addition to the new one: family, junior, regular and senior memberships for those 62 or older. All members who pay their 1976 dues will receive a membership card donated by the Kewaskum Statesman. It is black and white with an artist's representation of the old Kewaskum mill in the upper left corner.

A committee to supervise the planning of the second annual "Early Farm Days" antique show was appointed, with Mark Rodenkirch as chairman. It will be held in conjunction with the Lion's Club barbecue Aug. 14 and 15.

Don Meyer, representing General Telephone, spoke on the different types of flags in the United States throughout history, entitled "Long May It Wave." Slides were shown of the pennants used by the Vikings, and traced through the Revolutionary War and Civil War up to the present.

Roger Reese of Campbellsport spoke on ways to research a family tree and how to do general research on local

history. He has attempted work of this nature in the Campbellsport area in the past.

## Recycling Center To Open March 20

The Recycling Center will open up March 20 (first day of spring) from 9 to 12 at the village garage, where it has been. It will stay at the garage until the new fire station is built and then move to the old fire station section in the municipal building.

The Conservation Committee of Jr. Women would like to thank Leroy Keller, Sr. for building a wonderful glass crusher and Regal Ware for their many contributions, also the village board members for their helpfulness in this matter.

Soon the Jr. Women's Club hopes to present "Woody Owl" to Kewaskum school children and area residents. Watch for him. Much work and a true labor of love has produced this unique costume.

In May there are plans for a "Spruce Up Kewaskum" for America's 200th birthday. If you're concerned please get involved by pitching in to help. It's a nice place to live.

**Kitchen Conservation Tip—** Dishwashing liquids such as Lux, Dove, Ivory, Joy and Trend contain no phosphates. If you let your water run when rinsing dishes you waste up to 30 gallons of water each time. Also look for recycled paper products, they are reasonable and serviceable. Ask and maybe ar-

ea merchants will readily respond to your requests. Rosenheimer's has recycled paper napkins.

## BROWNIE GIRL SCOUT TROOP NO. 95

We have been very busy the past weeks working on items for the folk fair and practicing our song.

Registrations came in very slow and the Wau Bun Council has changed the date on registrations. All girls who have registered as of February will be covered until October of 1976. Then you will have to register again and it will run for a whole year. This new date was chosen so that new girls will not have to pay a partial and then a full registration.

We are also putting out a call to any mothers or fathers interested in working with a troop next school year. Attend any of your daughter's meetings and then decide for yourself if you want to become more involved.

Brownie Leader  
Teresa Vorpahl

## Ice Storm

(Continued from page 1)

power and light.

Radio stations WTKM in Hartford, the Port Washington station and WBKV FM of West Bend were out of service for one day. WBKV AM of West Bend was operating on emergency power and stayed on longer hours to give emergency reports.

People were urged to stay in their homes because of the danger of falling branches and hot wires. They were also urged not to use their telephones except in case of emergency.

In West Bend an emergency care center was set up by the Red Cross at Silverbrook Middle School. Then about 2 a. m. Friday that school lost power. It was later restored. In Kewaskum, the Peace Church, Kewaskum High School and K & R Carpeting offered shelter and warmth.

A state of emergency was declared and Hartford and West Bend almost completely closed Friday. Part of Kewaskum was also closed. Some church services were cancelled. Damage was much greater than at first thought and repair crews said it would take months before things would return to normal.

People who were fortunate enough to have light and power had relatives and friends move in while their power was out. Many families resorted back to the ways of their grandparents, putting up wood and oil space heaters and cooking stoves.

There were many fire calls. In West Bend there were 18 fire and rescue calls Thursday night, the most ever. In Kewaskum there were seven fire calls within a week.

Thursday night was a very eerie and frightening one. Besides policemen and firemen, many others kept an all night vigil. Others slept restlessly in chairs or with their clothes on. There was the never ending breaking and cracking of tree branches, wires snapping and arcing, and the expected sounds of police and fire sirens. One resident reported that upon glancing out of her window

about 2 a. m. sparks of fire were arcing in every direction.

The last remembered bad ice storm was in February, 1933. Things were not as completely dependent on electricity for heat and power then so it did not appear as severe.

Affected areas were roughly south of a line from Crawford to Ozaukee counties with Washington County the hardest hit. It was declared a disaster area.

In our area there were an estimated 647 without telephone service. Allenton was completely without phone service. The streets closed in Kewaskum were mainly those where larger trees had been established. Some gas stations on the southwestern part of town were unable to pump gas. Two village food stores had light and power and there was an outage at the other.

About 1½ inches of ice formed on wires, which was too heavy a load for them to take. Millions of dollars in damage and in cost to industry, which could not operate because of the overburden it would put on power lines, resulted. Many businesses and farmers in the locality suffered thousands of dollars worth of damage. At some business places food had to be given away or else thrown away because of spoilage.

Arthur Kurtz, deputy state secretary of agriculture, called the ice storm the most devastating disaster ever inflicted on Wisconsin farmers. Milk had to be dumped and there is danger to the crops if the ice stays too long on the land. Some farmers' cows developed mastitis because they were not milked on time.

Gov. Patrick Lucey arrived at the West Bend airport on Tuesday by helicopter to get a first hand look at damage on a two hour tour in Washington County. He said it reminded him of the destruction done by the tornado in the Oshkosh area. He thinks after the estimate of damage is made there may be a good chance that the county will be declared a disaster area and eligible for federal funds.

crew, volunteer firemen and lots of other volunteers helped remove fallen branches, haul them away in village vehicles, and clear streets. Many brought their own chain saws. The current was off at one of the sewage lift stations causing a backup. Crews worked late into the night cleaning the street sewers and some basements were reported flooded. Supt. of Public Works August Bilgo and his crew also worked all day Saturday.

## Raise \$42.46 for Dystrophy Here

The Kewaskum Fire Department canister campaign for Muscular Dystrophy raised \$42.46 it was announced this week by Fire Chief August Bilgo, Jr., local chairman.

Chief Bilgo thanked all those who helped, the volunteers who distributed the canisters, the merchants who displayed them and the many contributors.

The monies collected will be used for wheelchairs, braces, other orthopedic equipment, physical therapy and summer camp for Muscular Dystrophy patients in Washington county and for world wide research.

Muscular Dystrophy Association, Inc., a non-profit organization, conducts an annual campaign to raise funds for research and services to local patients.

Muscular Dystrophy is a crippling disease which progressively turns healthy muscles into fatty tissue and eventually renders the victim completely helpless. There is no known cause, prevention or cure for M. D.

## Indians Defeat New Holstein's Champs, Lose to Sheboygan Falls' State Champs in Regional Finals

In a battle between two conference champions, Kewaskum, the Scenic Moraine kingpin, ousted New Holstein, the Packerland Conference titlist, 77-72, in the Regional opener at Kiel Saturday night, postponed from Friday because of the ice storm.

Two-time Class B state champion Sheboygan Falls, which won the state titles in 1974 and 1975, flashed its form of old in demolishing Kiel, 74-56, in the second game.

Kewaskum and Sheboygan Falls thus earned the right to meet for the Kiel Regional championship Monday night, in which the Falls Falcons whipped the Indians, 91-73, in their third impressive tournament win. Falls now moves on to the Whitewater Sectional this weekend.

Kewaskum was in a tough tournament bracket with New Holstein's Packerland Conference champions, Kiel's Packerland runner-up, and Sheboygan Falls' defending state champs.

Led by the bruising board play of 6-4 Jack Kern, Kewaskum was ahead of New Holstein most of the way. Kern scored 26 points and grabbed 14 rebounds. With Jack setting the pace, the Indians controlled the boards, 33-24, with Kern's play outstanding.

The Indians had another hot hand in Scott Tessar, who chipped in with 25 points. Guard Tom Rohlinger added 12 points and forward Leon Laatsch had 10. Rohlinger's points came at key times, two of his baskets at the start of the last quarter.

High scorer Ken Depies led the Huskies with 21 points and Neal Bricco scored 19, but New Holstein couldn't match Kewaskum's strong inside game.

Kewaskum made 30 of 68 shots, for 44 per cent, while the Huskies hit 31 of 61 shots for 51 per cent. The Indians outscored the Huskies at the free throw line, 17-10.

Depies, 6-3 junior, is a fine player but Kern was better, driving on him all night. When the drives didn't work offensive rebounding by Kern led to some easy second shots and a few fine tip-ins. Depies was No. 2 scorer in his conference.

Sheboygan Falls spent most of the night at the free throw line as the Falcons downed Kewaskum in the Regional finals Monday, 91-73. The Falcons, who have come on strong after a slow start this season and now are 12-9, made 29 of 38 free throws to keep their hopes alive for a third straight state championship.

Falls will join Regional winners Milton, St. Francis and the winner of the Ripon-Columbus Regional in the Whitewater Sectional. Ripon beat Slinger and Columbus ousted Mayville in overtime.

A big 27-point second quarter propelled Sheboygan Falls to a 15-point halftime lead, 47-32, over Kewaskum. The Indians never did catch up. They did close the gap to 8 points in the fourth quarter but the rally lost its steam when Leon Laatsch, the Indians' leading scorer with 19 points, fouled out.

Slick 6-1 senior guard John Mauer, who was held to 8 points in the first half,

came on after the intermission to lead all scorers with 30 points. Mauer, a starter on Falls' last two state championship teams, was deadly at the free throw line. He made 14 of 17, including 8 of 10 in the final quarter. Kewaskum coach Jim Westphal said Mauer is probably the best player his team has seen all year and possibly one of the better guards in the state.

Westphal was puzzled by his team's heavy fouling. "We never fouled that much before," he said. He also felt that Kewaskum's inability to contain the Falcons' other guard, Terry Gottsacker, hurt in the first half when the game hung in the balance. Gottsacker scored 14 of his 17 points before halftime.

Kern and Tessar followed Laatsch, the only non-senior in Kewaskum's starting lineup, with 18 points apiece. Rohlinger had 11 as Kewaskum closed the book on a 16-5 season. Chuck Mauer had 20 for the Falcons and Debbink 14.

The Indians appeared tight, committing a raft of turnovers in the first quarter. The Falcons threw a box and one on Kern and he only got his hands on the ball once offensively in the quarter. Fouls and mistakes plagued the Indians in the second quarter. Besides Laatsch, Rohlinger and Jim Bilgo (who played with a very sore ankle) also fouled out and that was it. The Indians were 42% from the floor to 46% for the winners.

## Lakes Team Whips Lithias, Clinches 'B' Division Title

Kewaskum jumped off to a 12-0 lead and easily defeated West Bend here Sunday night, 151-128, to sew up the Land o' Lakes "B" Division crown.

Slinger's loss to Cedarburg, 121-109, helped make it undisputed. Kewaskum is two games ahead of Thiensville-Mequon with only one contest left to play against the Menomonee Falls Stingers, co-leaders of the "A" Division, here Sunday night.

Kewaskum led at the half, 79-57, and the closest the Lithias could close the gap was 15 points.

Clark Eichstedt led the Kewaskum champs with 43 points on 16 field goals and 11 free throws in 12 attempts. Ken Loest meshed 30 on 12 baskets and 6 for 6 from the line. Ed Tway paced West Bend with 29 points, 26 of which came in the 2nd and 3rd periods. Mark Schleif netted 26 and Manager Chuck Rondorf 20. Schleif was 10 for 10 from the line and netted 14 in the last quarter.

West Bend hit 81.8 per cent from the line on 36 of 44 but was far behind Kewaskum on field goals, 61-46. Kewaskum hit 29 of 37 free throws for 78.4 per cent.

**News of Our College Students**

Bruce R. Markielewski, son of Mr. and Mrs. Edward Markielewski, 7651 Townline Rd., West Bend, graduate of Kewaskum High School, attained the Dean's Honor Roll during the fall quarter at the Milwaukee School of Engineering. He is enrolled in the mechanical engineering curriculum. A student must maintain a cumulative grade point average of 3.2 out of a possible 4.0.

Six UW-Whitewater freshmen are among varsity baseball candidates this winter as

the team makes preparations for their spring schedule, according to Gene Cardinal, head baseball coach. The freshman candidates include Randy Koepke from Kewaskum High School, who was all-conference as well as his team's most valuable player. The 6'1", 185 shortstop sported a .368 batting average last year.

Mark L. Slegler 2193 Valley View Dr., Kewaskum, son of Mr. and Mrs. Edward J. Slegler, Jr., has been named to the Dean's High Honors List at the University of Wisconsin Center - Fond du Lac for the fall semester of the 1975-76 school year, according to Dr. Willard J. Henken, Dean. High honors are awarded to students who carry a minimum of 12 semester credits and who maintain a 3.75 through 3.99 grade point average for the semester, based on a perfect 4.00 score.

Five West Bend area students attained the Dean's Honor Roll during the fall quarter at the Milwaukee School of Engineering. They included Robert J. Schuppel, son of Mr. and Mrs. John Schuppel, R. 1, Allenton, graduate of Kewaskum Community High School, enrolled in the electronic communications engineering technology curriculum. To be named to the Dean's Honor Roll at the Milwaukee School of Engineering a student must maintain a cumulative grade point average of 3.2 out of a possible 4.0.

Initiated on January 29 to the Delta Mu Chapter of the national fraternity of Phi Beta Lambda at the University of Wisconsin - Eau Claire was Kathy Meyer, whose hometown is Kewaskum.

The purpose of Phi Beta Lambda, chartered at UW-Eau Claire in 1967, is to assist young people enrolled in business programs to develop vocational competencies and a sense of civic responsibility. Events and activities conducted regularly include participation in business education workshops and secretarial seminars, in membership and social activities, and in state and national conventions.

Jane Krueger, a sophomore

### AREA AMPI MEMBERS HONORED AT DINNER

Dairy farmer members of the Mid-States Region of Associated Milk Producers, Inc., who have excelled in voluntary membership work for the co-op were honored at a dinner in Fond du Lac on Feb. 19.

Robert Beck, director of membership, said that 48 participants in Wisconsin, Illinois, Indiana and Iowa were eligible for entry into the "6000 Club," an honorary group. The members of this club enlisted nearly 500 dairy farmers into the co-op, Beck said.

Honored from this area were: Daniel Rodenkirch, R. 1, Kewaskum, and William Schroeder, R. 1, West Bend.

**HOME INSULATION  
WE'LL BLOW COMFORT RIGHT INTO YOUR HOME**

**Economical, Efficient Home Insulation**

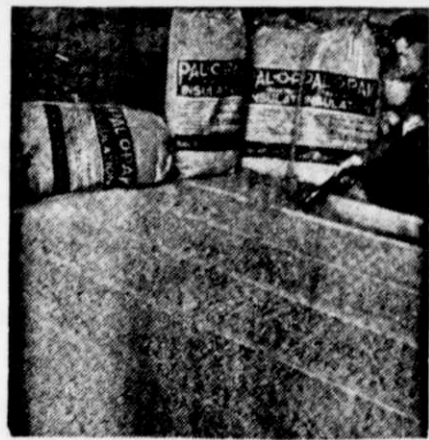

Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applying machine

**100% Trouble-Free Insulation**

In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job . . . no voids . . . and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

**Installed By The Most Efficient Methods —**

Year 'round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

**-O-PAK Insulation spread between the joists under an attic floor.**

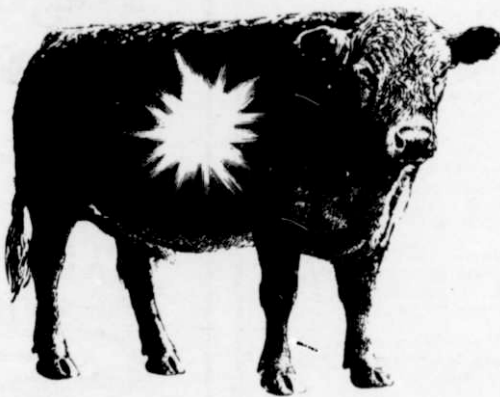

**FIRE RESISTANT!**

**PAL-O-PAK PASSES THE BLOW TORCH TEST**

Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

**CARD OF THANKS**

We wish to thank all our relatives, friends and neighbors for their expression of sympathy in our recent bereavement, the death of my beloved husband and our dear father, George J. Simons. Special thanks to Father Budde, the American Legion Robert G. Romaine Post No. 384 for holding military graveside services, donors of memorial gifts and floral pieces, drivers of cars, pallbearers, Miller's Funeral Home, traffic officers, and all who showed respect and helped in any way.

Mrs. Georgia A. Simons and Family

**THANK YOU**

To all the wonderful people who remembered me with cards, gifts, visits, phone calls, and flowers while I was a patient at St. Joseph's Community Hospital and convalescing at home. These kind deeds are always a comfort to one confined to the hospital.

Mrs. Harold Bonlender

**CUBS EXPRESS THANKS**

We wish to thank the Kewaskum businessmen, residents, our Cubmaster, Mike Pettit, and anyone else who made it possible for us to attend the Shrine Circus. It was appreciated very much and enjoyed by all.
