Zion Passion Play At Peace Church

Zion Passion Play of Zion, Ill. will be presented via 16 mm color - sound projection at 8:00 p. m. on Wednesday, March 31 at the Peace United Church of Christ, 343 First St., Kewaskum. The public is extended a cordial invitation to see this presentation.

Zion Passion Play is strictly a Biblical presentation, much of the text and all the lines spoken by the Christus having been taken directly from the Scriptures. It is nonsectarian in its portrayal of the life of Christ, enjoying the appreciation and approval of Bible students and scholars and is, as well, inspirational for all to see.

From its humble beginning as a special Easter presentation in a church in Zion in 1935 it has come to take its place among the finest productions of its kind. It continues to be presented live-on-stage each summer in that city; now presented in its own lovely amphitheatre.

Presentation at Peace UCC will be under the direction of Dave Matson of Madison. The Rev. Dr. Milton Staskal is pastor of the host church.

Mrs. Carter and her husband Chip have been campaigning full time since last June and they have recently come to Wisconsin to spend the last two weeks before the April 6th Primary telling the voters about Jimmy Carter.

The Carters will spend most of their time in the northern part of the state, crisscrossing the cities and towns of the Third, Sixth, Seventh and Eighth Congressional Districts.

School Board to Meet With CESA Committee

Members of the Agency Committee of CESA No. 16 will meet with the Kewaskum Board of Education at its regular meeting on Monday, March 29, at 8 p. m. The Agency School Committee is assigned responsibility for school reorganization and school district boundary changes. The CESA No. 16 committee is trying to meet with all school boards in the area they serve to get acquainted and to talk over any boundary problems the local school board may wish to discuss.

Agenda items at the meeting will include a report on North Central by Mr. Pearson. The summary report of the North Central evaluation visit was given last week by the chairman of the visiting team.

Making up lost school days will be discussed at the meeting. It is anticipated a state ruling on make-up days will be available at that time.

The board will act on approval of an application for federal funds under Title IV. No local matching funds are necessary in this program. The monies, amounting to some \$2,500, must be shared with private schools in the district. The share going to public schools will be used this year primarily for upgrading reference materials and books in the various schools.

Also on the agenda is a discussion of summer school.

The board will adjourn to closed session to discuss negotiations and salaries of non-scheduled professional personnel.

K & R Opens Carpet Warehouse

Kewaskum Statesman
Friday, March 26, 1976

In addition to quality and service, K & R now boasts a carpet warehouse featuring the largest selection of full carpet rolls in the area.

K & R, located at 214 Main Street, Kewaskum, was started four years ago by partners Ken Leitheiser and Robert Puerling.

The partners explained that even though quality products are featured "our customers are made to feel comfortable in the casual atmosphere of our newly remodeled store." Puerling further noted that the carpet warehouse allows K & R the opportunity of selling first line carpeting at "competitive prices."

In addition to carpeting, K & R also features a fine line of custom made draperies and rods, ceramic, slate, vinyl, tile and wallpaper.

The K & R carpet warehouse grand opening sale is now in progress.

WOODSY OWL was introduced by Conservation Chairwoman Rosemary Kempf at the Junior Women's Club

Junior Women Elect Officers, Plan Events

Considering that the Kewaskum Junior Women's Club meeting was postponed for one week, making it impossible to obtain our regularly scheduled program on the Milwaukee Blood Bank, two of our club members, Ann Enright and Carol Zimmel filled in the speaker spot on Thursday, March 18, with a filmstrip/cassette program, "A Walk in Another Pair of Shoes," which was very well received. The audiovisual set was donated to the Kewaskum School District by the Juniors for use by the school psychologist, and now we found the need to borrow it ourselves. It concerned the (EH-LD) educationally han-

dicapped / learning disabled child and proved to be to our benefit.

Liz Nigh, corresponding secretary, read a number of letters received during the past month. "Thank You's" were received from the Kewaskum Public Library for a book and cash donation, for a cash donation to the March of Dimes campaign, and for a cash donation to the Kewaskum AFS Chapter. A letter was also read from the Kewaskum Historical Society informing KJWC of their membership drive and inviting us to the Kewaskum Tea Party to be held on May 29.

New officers for the 1976-1978 term were elected at the meeting by secret ballot. They are: President - Ann Enright, Vice-President - Mary Gutjahr, Treasurer - Carol Leitheiser, Recording Secretary - Char Keller, and Cor-

responding Secretary - Judy Nycz. Congratulations: Shirley Perkins, Education Chairwoman, informed us that candidates' applications for the Kewaskum Junior Women's Club Scholarship must be submitted no later than April 30.

An appeal for hostesses for the March 30 Voters' Forum was issued and interested members will serve as such, as well as furnish refreshments.

Cindy Knoebel, Home Life, notified members that Bingo was to be played with the residents of the Beechwood Rest Home on March 24. She also reminded us of the First Aid demonstration by members of the Kewaskum Fire Department's Rescue Squad on Thursday, March 25, at 7 p. m. at Valley Bank, which is open to the public. It was mentioned that the demons-

tration would also be very beneficial to all age groups, including middle and high school students.

A special honor was bestowed on fellow member, Karen (Mrs. Ray) Schmidt, who was named the "Home-maker of the Year" award winner.

An appeal was made by Kathie Ramthun, Arts, for "story tellers" during the Story Hour, which will begin on April 15. There will be 2 sessions each Thursday for 6 consecutive weeks - 9:15 to 10:00 a. m. and from 10:30 to 11:15 a. m. The greater majority of us are great story tellers, so there should be an ample turnout of volunteers!

At this point in our program, we were introduced to Woodsy Owl by Conservation Chairwoman Rosemary Kempf. The gargantuan Woodsy took 120-plus hours to piece together and the effort was well worth it. Hopefully, Woodsy will be making guest appearances (for a nominal fee) at various affairs in the future. (Move over, Big Bird). Rosemary and Re-cycling Chairwoman Nancy Malvick were presented with a gift by President Izzy Straub, on behalf of KJWC, for their many endeavors in Conservation in the past and present.

The annual KJWC Dinner-Dance will be held at Hon-E-Kor Country Club on May 15, with cocktails at 6:30 p. m. (Husbands are urged to dust off their dinner jackets).

Donna Danielson, Public Affairs, reminded us of the Easter Bunny Luncheon on April 10, at which time many

of the kiddies' favorite personalities will put in an appearance. Tickets are obtainable for a \$1.00 donation from any KJWC member, or by calling Donna at 626-4732. Reservations can be made for either the 11 a. m. or 12:30 p. m. luncheon.

Nominations for the 3 delegates to the 6th District Convention of the General Federation of Women's Clubs to be held on March 31 at the Pioneer Inn, Oshkosh, decided that President Isabelle Straub, Vice Pres. Ann Enright, and Corey Wuebben will attend the proceedings representing the Kewaskum membership.

Motions were made and seconded to donate cash contributions for a number of worthy causes on behalf of the club. A donation will be made toward the cost of purchasing new Christmas decorations for the village; to the Kewaskum Historical Society to help defray the cost of printing the Society's new book (the proceeds of which will be used for a building in the new park project); and to the same organization for renovating the Historical Society building.

The April 8 meeting of KJWC will find the senior girls of Kewaskum High School as our guests for a program on Sexual Assault (Rape), presented by Sgt. Donald Mertens of the Washington County Sheriff's Department. Meeting time has been moved to 7:30 p. m. at Valley Bank, due to the anticipated length of the program.

THE GREAT ICE STORM OF 1976:

A BIG THANK YOU TO SOME VERY SPECIAL PEOPLE

Stories of "The Great Ice Storm of '76" will, no doubt, be recalled time and again for years to come by area residents who endured the inconvenience and destruction it brought. They will recall the bizarre scenes of a devastated and ice covered landscape punctuated by the sounds of wind, thunder, crashing tree limbs and falling power lines. But from out of the destruction and hardships will come other memories, too. Memories of people helping people.

Wisconsin Electric people will recall working on downed poles and power lines day and night in wind driven sleet and sub-freezing temperatures. It was a difficult job. It could have felt like a thankless job, as well, had it not been for the warm and open display of kindness extended by so many people. Their kind words and cups of hot coffee meant a lot to the crews in the field. Their patience and cooperation meant a lot to all the men and women working on the lines and behind the scenes to restore service as quickly as possible.

In the years ahead, when Wisconsin Electric people tell their families and friends of service restoration work during "The Great Ice Storm of '76," they will surely recall the attitudes and actions of the residents, farmers, businesses, public employes and community service agencies of the region.

To everyone who took the time in the midst of their own hardship to offer help, encouragement and understanding, we thank you.

Charles J. Meyer
President

We Welcome Your Comments

The March ice storm was indeed rare in the magnitude of its effects on electric service. But storms do happen and Wisconsin Electric maintains emergency plans for such events. Those plans helped us to speed service restoration, to protect the safety of the public and our employes and to keep customers and public officials informed.

A special Wisconsin Electric Emergency Review Committee is now evaluating the March service restoration effort to determine what we can learn from our experience and to modify or expand our emergency plan accordingly.

If you have comments or suggestions regarding the Company's emergency repair efforts, please write to us at:

The Fabulous JOHNNY LESTER

On The Line...

One-To-One

By Gene Anderson

As the sportscasters might say, "there's been a break in the action" . . . at least, in my action of speaking with you through a regularly-published General Telephone Company of Wisconsin "One-To-One" report.

There has been *no* break, however, in our Company's efforts to provide customers an ever-improving brand of telephone service. There has been no deemphasis of our desire to learn what effects our service improvement projects have had in keeping you, the customer, fully satisfied with our telephone's operation.

Since I last spoke with you "One-To-One", a number of exchanges in our district have had eight-party lines replaced with one-, two-, or four-party service. As each exchange project was completed, questionnaires were mailed to customers in that exchange on a random basis to learn what they thought of the new service levels. During 1975, 83.6 percent of all respondents told us they were totally satisfied with service levels.

Of course, our Customer Opinion Surveys were and are mailed to persons in other exchanges as well. Where trouble reports run high, we might survey from 20 to 100 percent of all customers in an exchange to find just what problems and solutions are evident.

In the days, weeks, or months ahead, you as a customer may be receiving this easy-to-complete three-question Opinion Survey. If so, don't be bashful in telling us what you think; and by the way, should you experience service or billing difficulties, don't wait for a questionnaire — give our Repair Service or Business Office a call.

Your satisfaction can only be guaranteed when your service is good . . . and good service can only be guaranteed when we learn of problems to correct. We want your opinion of General Telephone Company of Wisconsin to be high, and for that, we need your opinion.

FHA Notes

The Kewaskum Chapter of Future Homemakers of America held a general meeting on March 2.

We discussed our annual spring banquet, which will be held Tuesday, May 11. It will begin at 6:30 p. m. and both mothers and fathers of chapter members are invited.

We decided to have a style show and talent show as in previous years.

The following banquet committees were set up: style show committee, talent show committee—Gayla Heriges, chairman; bulletin board committee — Jeri Feiten, chairman; menu committee — Bonnie Lendved, chairman; a program committee and a place card committee. Other things to be organized by members are a relaxer and the presentation of colors.

The State FHA Convention will be held from Sunday, April 25, to Tuesday, April 27. Carol Proeber, Julie Peterson, Jane Rosplock, Jean Petri and Joan Petri will be the delegates from Kewaskum. The theme of the convention is "Cherish Yesterday, Live for Today, Reach-Out for Tomorrow."

The delegates will work on a banner, a table decoration and a relaxer. Some may even model a homemade clothing article in the style show, participate in a Heritage Highlights program, or participate in the chorus.

HOME INSULATION WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

Economical, Efficient Home Insulation

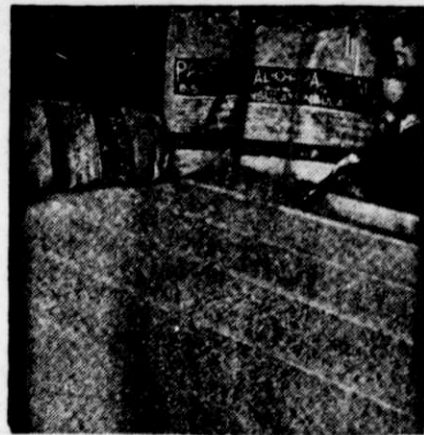

Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applying machine

100% Trouble-Free Insulation

In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job... no voids... and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

Installed By The Most Efficient Methods —

Year 'round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

-O-PAK Insulation spread between the joists under an attic floor.

FIRE RESISTANT!

PAL-O-PAK PASSES THE BLOW TORCH TEST

Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

Notice is hereby given of village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the 6th day of April 1976, at which the officers named below shall be chosen.

INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

(a) Upon entering the polling place, an elector shall give his name and address before receiving the ballot from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot. Upon receiving the ballot, the elector shall retire alone to a voting booth and mark his ballot. A ballot clerk may inform the elector of the proper manner for marking a ballot, but he shall not in any manner advise or indicate for whom to vote.

(b) To vote for a person whose name is printed on the ballot, make a cross (X) or mark in the square after the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot, write the name in the blank space provided for the purpose.

(c) The ballot should not be marked in any other manner. If the elector spoils a ballot, he shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to mark the ballot. Unofficial ballots or a memorandum to assist the elector in marking his ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(d) After the official ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After folding the ballot, the elector shall leave the booth, give his name to the inspector in charge of the ballot box, hand him the ballot to be placed in the ballot box, and leave the polling place promptly.

(e) An elector may be assisted by 2 election officials of different political parties in marking the ballot if he declares to the presiding official that he is unable to read or that due to physical disability he is unable to mark his ballot. If an elector declares that he is visually handicapped, he may have anyone assist him in marking his ballot. The presiding official may administer an oath as to a person's disability.

(f) Any qualified elector who is absent, or expects to be absent from the village in which he is a qualified elector, or who, because of sickness or physical disability cannot appear at the polling place on election day, may vote at such election by means of an absent voter's ballot to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or by personal application, not later than the close of office hours on the day prior to such election.

IN MEMORIAM

In memory of our dear husband, father and grandfather, Gottlieb Walz, who passed a way two years ago, March 15, 1974:

A silent thought, a secret tear,
Keeps his memory ever dear.

But memories turn back every leaf.
