Fireworks in Park Saturday, July 3

Plus Women's Water Fights - Log Rolling - Bucket Brigade

The customary spectacular Fourth of July holiday fireworks display, sponsored annually by the Village of Kewaskum under the supervision of the fire department, will be held in the village park on Saturday night, July 3. The fireworks will be set off at dusk.

As a special bicentennial year feature the firemen have planned three special events this year starting at 6:30 p. m. There will be women's water fights, a men's log rolling exhibition and a bucket brigade exhibition. With the 3rd falling on a Saturday, the food and refreshment

stands will be in operation earlier this year, starting at 5 p. m.

Some new displays have been purchased this year, which are sure to make the fireworks bigger and better than ever. There will be the usual animated fireworks, including thunderous aerial bombs and sprays, and a variety of beautiful and colorful ground displays.

The fireworks will again be touched off on the west side of the river, providing an excellent view for spectators from the park hill on the other side of the river and

other vantage points.

Music and other entertainment will be provided in the park proper before and after the fireworks. A game and refreshment stands will be open starting at 5 p. m. Hamburgers, popcorn, beer and soda will be available.

The firemen invite residents of Kewaskum and surrounding community to add to their holiday enjoyment by attending the fireworks and having a good time. Come early and spend the evening.

In the event of rain, the fireworks will be held Sunday, July 4.

Proposed Budget, Increase in Bus Rate Approved by School Board

Approval was given Monday evening, June 28, at the meeting of the Kewaskum Board of Education to a budget to be proposed to the annual meeting. The board considered a number of possible budget changes at the meeting. The major change was a reduction of \$10,000 from money which had been placed in the budget for blacktopping.

There were a number of other items discussed Mr. Ammel was present to discuss the proposed purchase of band uniforms. While no final decision was made, funds for half the uniforms were left in the budget figures. This figure is \$7,500, about half the total cost. Other possible ways of helping to pay for the uniforms were discussed. Two proposed were fund raising activities sponsored by parents and students and charging rental fees for the uniforms. Objections were raised to both, but further investigation will be made into these possible alternatives.

There was discussion concerning replacement of the

front doors at the high school. The money to replace was left in the budget but the possibility of repairing rather than replacing them will be investigated.

All budget changes recommended and accepted or initiated by the board resulted in an increase of \$1,300 to income through athletic ticket price raises. Increases in expenditures amount to \$5,000, \$2,000 of this being carry-over from last year. Cuts amounted to \$17,698 from the budget. These amounts came primarily in the blacktopping and in capital outlay.

In other business, the board heard a request from Mr. and Mrs. George Eggert to purchase a strip of land south of the high school parking area. While owned by the schools, it abuts the back yard of the Eggert property. The board indicated they would meet at the site at the beginning of their meeting on July 12 to become more familiar with the situation.

A transportation contract with Johnson Bus was approved for 1976-77. The ov-

Interest Growing for Bicentennial Pageant July 8

"Be aware — know about your town." This is the challenge put forth to all Kewaskum citizens and area residents.

Everyone is invited—young and old — to a free pageant on Kewaskum's own history on July 8 at 8:00 p. m. in the new Kewaskum High School gym. This is a community effort sponsored jointly by the Woman's Club and Kewaskum Junior Woman's Club under the direction of Mrs. Charles (Mary) Miller and Mrs. Mark (Gloria) Rodenkirch.

Participants will include the Robert G. Romaine Post 384, members of the KHS Jazz Band, the "spinning lady," Kewaskum firemen and rescue squad members and Charleston dancers to

name but a few.

The Potawatomi Indians with their Chief Kewaskum were very much a part of Kewaskum's history so consequently Indians will be featured. Attending people will also learn that Kewaskum was not always known by that name. Brief glimpses into Kewaskum's history of the 1850's and 1860's will be provided by special visual effects. The old "out house" is an ever present reminder of the past and the Kewaskum firemen will provide an interesting "touch" to this piece of history.

The pageant finalizes a year of planning and investigation into the history of Kewaskum. It becomes very meaningful to all area residents because of the interest-

ing personal experiences of many of our own grandparents and great-grandparents that have been included. Most of the pageant is actual happenings not just imagination. Attending persons will be treated to a mini-history of the Kewaskum area from the early 1850's to the 1970's.

Larry Ammel is in charge of the music for this evening. Earl Buswell has generously donated time and effort to provide special visual effects. Under the excellent narration of Gary Gerhartz the entire pageant will become a reality.

Come one — come all! Remember, Thursday, July 8, at 8:00 p. m. in the new Kewaskum High School gym. No admission will be charged.

What is there to do in Kewaskum?

Annual Firemen's Picnic and Parade Here Sunday, July 11

The annual Kewaskum Firemen and Rescue Squad fund-raising picnic will be held in the village park on Sunday, July 11, and plans are nearing completion to make the event another outstanding one.

An excellent parade at 12:30 p. m. sharp will highlight the picnic and get the festivities underway. The parade will feature the Crusaders - Gladiators Drum and Bugle Corps of New Berlin, Marquis Drum and Bugle Corps of Fond du Lac, West Allis Wranglers Drum and Bugle Corps, West Bend Patriots Drum and Bugle Corps, Saberettes Baton and Drum Corps of Franklin, Mariners of Port Washington Drill Team, Thunderbolt Kadets Drum and Bugle Corps of Cedarburg, Kewaskum High School Band, plus other musical organizations.

Other units will include the Tripoli Motorcycle Corps of Milwaukee, drill teams, beautiful floats, baton twirlers, majorettes, children's specialties, visiting firemen and equipment, Leg'onnaires, comic entries, orchestras, ancient cars, riding horses, clubs, organizations and many more.

The parade will form at the high school and adjacent streets, from where it will proceed to the park. All par-

ticipants should be present to line up no later than noon. Persons wishing to enter the parade should contact Bob Staehler, parade chairman, or Jim Staehler. Theme for this year's parade will be "Spirit of '76." Businessmen and organizations are invited to enter a float. Prizes will be awarded for the best floats and children's specialties.

Immediately following the parade there will be exhibitions by drum and bugle corps in the park. There will be continuous music and entertainment throughout the afternoon and evening. Live music will be furnished on the stage and in the beer garden by the Joe Karman Band and Bob Kuether and his TV Recording Orchestra.

The popular water fights will again be held at 6:30 p. m. with neighboring fire departments competing.

There will be kiddie rides, concessions, games and a variety of refreshments and food.

There will be four big events coming up in Kewaskum during the month of July to mark on your calendar.

School Board

(Continued from page 1)

Overall rate increase will amount to about 5.6%. Primary routes will increase from \$16.00 to \$16.90 per trip, with dovetail routes (second trip by the same bus morning or evening) will go from \$10.40 to \$11.00. Kindergarten routes will increase from \$12.00 to \$12.60, and late busses from \$13.00 to \$13.75.

The agenda for the annual meeting was approved. A request to hold a personal property auction in the high school gymnasium received no final action. The board indicated its preference not to allow this, but would give it further consideration if there were no alternate sites available.

A request by David Vande Vrede to be represented by the KEA was not approved. A letter from the board attorney indicated the board did not have to voluntarily approve a request for this representation.

The board adjourned to executive session to discuss salaries and wages.

Budget, Additional Girls' Sports, New Band Uniforms Occupy School Board

Budgeting for 1976-77 was the topic of discussion at the special meeting held June 21, by the Kewaskum Board of Education. The board reviewed the proposed budget for next year, and settled on an athletic program to be included in the budget.

It was tentatively decided to add a freshman girls' basketball program, to add girls' gymnastics and to add girls' tennis. This will bring the Kewaskum athletic programs for boys and girls to equal status. There will be seven activities in which each may participate. With higher charges of ticket prices for the various events, the net district added cost will be approximately \$1700.

Other items discussed included a request for new band uniforms. The total cost

would be \$15,000, with half budgeted for this year and half next. The possibility of doing only half of some \$17,000 blacktopping was also mentioned. A few other minor items in capital outlay and maintenance were also questioned.

The question of an added kindergarten section at Farmington was raised again when a resolution was presented asking the board to hold two sessions at Farmington rather than the one planned. The question was not acted on since kindergarten enrollments are still somewhat uncertain. The number possible is increasing as parents enroll their children, but it is not known how many children who meet the age requirements will be withheld for another year. If

there is to be an added section, the board did not feel any commitment could be made at this time as to location.

The fire was discovered by a passing motorist who notified the Ettas.

Strawstack Fire At Etta Farm

Kewaskum firemen were called out at 12:10 p. m. Saturday to the Earl Etta farm on County Trunk S about one mile north of the village when a small strawstack behind the barn caught fire.

Etta had been burning rubbish nearby when apparently the wind shifted and ignited the stack. Firemen doused the flames and spread out the straw. The timbers of a pig pen under the strawstack also were charred. Fortunately the firemen were able to prevent the fire from reaching the barn. The Campbellsport Fire Department

American

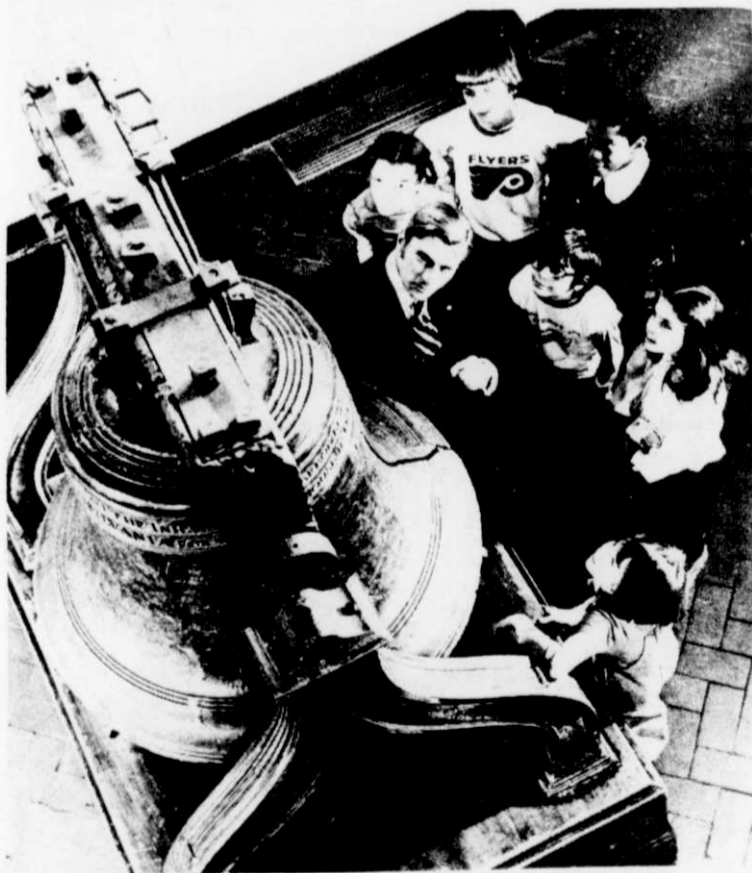

Bicentennial

Weekend

July 4, 1976

The Bicentennial flag is the official flag for the Bicentennial Era. It ranks 2nd only to the Stars and Stripes.

John W. Warner, Administrator, American Revolution Bicentennial Administration, pauses to discuss the history of the Liberty Bell with some young tourists.

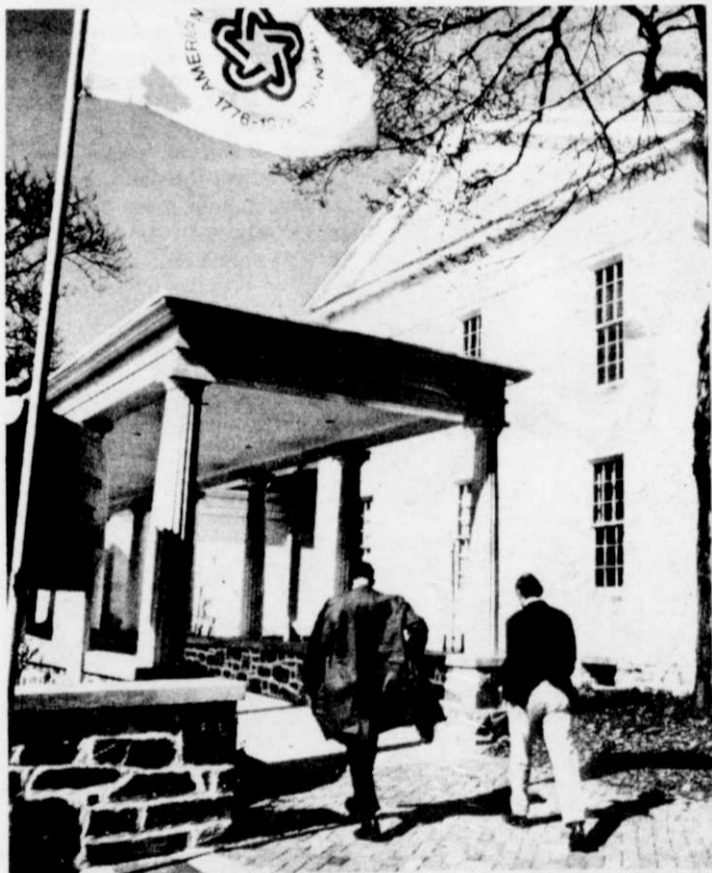

Young and old are becoming participants and joining in Bicentennial activities.

A modern day minute-person celebrates the Bicentennial. In the past, the fife was simply a long pipe with six finger holes. The modern version resembles an oversized piccolo.

The Lincoln Memorial is only one of many national monuments being beautified for the Bicentennial. Washington, D.C. is expecting more than 17 million visitors in 1976.

Bicentennial centers are being created all across the country. For more information about your area, contact your local Bicentennial Commission.

We must therefore . . . hold them (the British) as we hold the rest of mankind, enemies in war, in peace friends.
— Thomas Jefferson, Declaration of Independence

John W. Warner, Administrator, American Revolution Bicentennial Administration.

Many festivals highlight activities that celebrate our diverse ethnic heritage.

Many communities are renovating their historic buildings for the Bicentennial. Unfortunately, many of these landmarks have already been lost to future generations.

The Bicentennial is history in the making, a once in 200 years opportunity.

Some uniformed like this modern day patriot, delegates arrived at Carpenter's Hall on July 4, to approve the Declaration of Independence. It would not be until July 19, that Congress would approve the signing of the Declaration.

Thomas Jefferson, author of the Declaration of Independence, died on July 4, 1826 exactly 50 years after the approval of the Declaration. July 4, 1976, will be the 150th anniversary of his death.

Throughout the United States, native Americans will be sharing a culture which has shaped this country for thousands of years. This uniquely American culture is one of the highlights of the national Bicentennial celebration.

Old Glory and the Bicentennial flag dramatize America's growth into a unified country. Fifty independent stars blended into one star with a red, white, and blue border.

A frontier woman wore a cloth bonnet which was soft during the rough covered wagon rides and also durable enough to protect her from the prairie sun.

Snow plagued the Revolutionary Army. Like the soldiers, drummers were forced to carry their equipment on their backs through the bitter cold.

Many people hope to strengthen their sense of heritage through Bicentennial re-enactments.

America's ethnic roots will be spotlighted throughout the Bicentennial. Both international touring groups and ethnic celebrations will be major events of the Bicentennial.

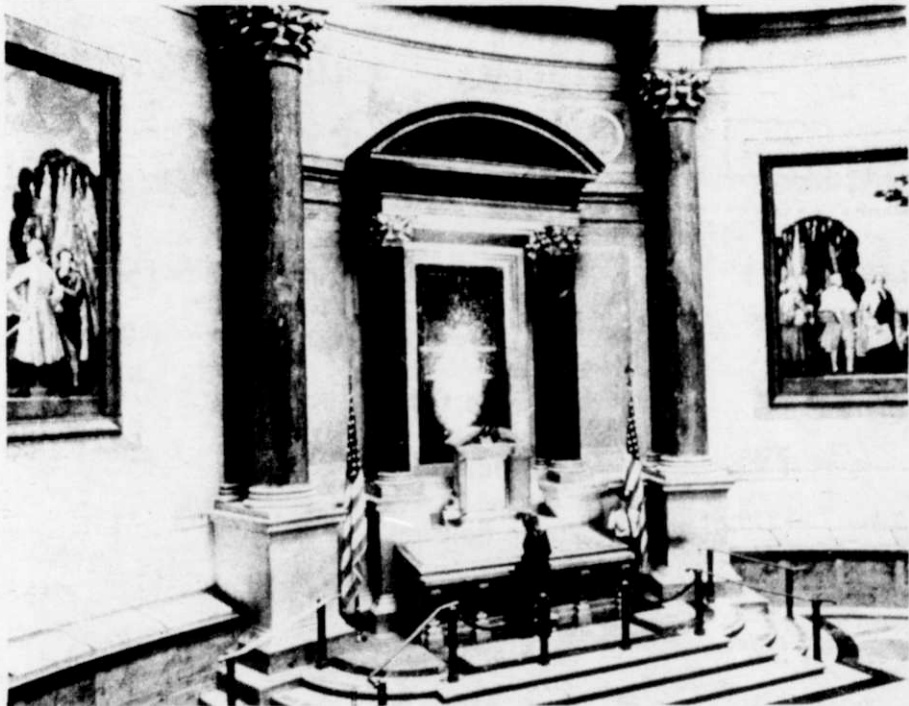

The tri-corner hat was fashionable during the Revolutionary War. It received the nickname "Continental Hat" because of George Washington's preference for it.

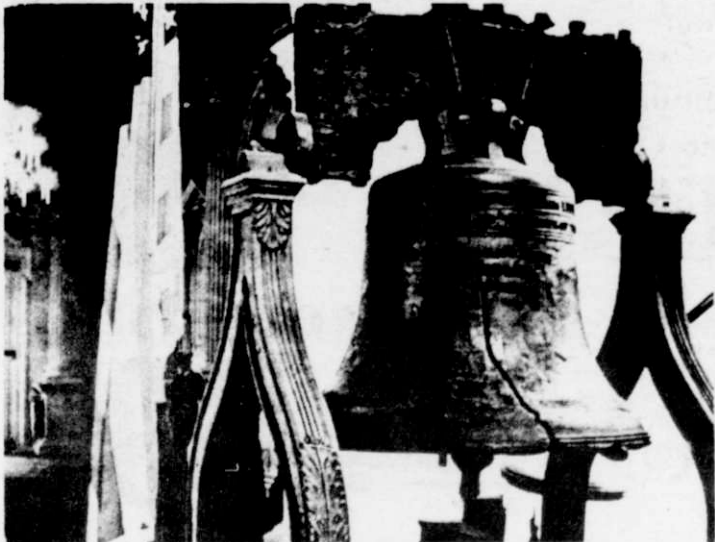

"Minute Man at Lexington," by Henry Hudson Kitson, marks the sight of the first shot of the Revolutionary War in Lexington, Mass.

"The Spirit of '76" by Archibald Willard—originally sketched by the artist as "Yankee Doodle" following the Civil War in 1865—was first exhibited as a painting at Philadelphia's Centennial Exposition in 1876.

Here in the National Archives in Washington, D.C., visitors can view the original Declaration of Independence, Constitution, and Bill of Rights. The documents are preserved in helium-filled, air-tight cases.

On July 8, 1776, the citizens of Philadelphia were called by the ringing of the Liberty Bell to hear the reading of the Declaration of Independence. It was not until Washington's birthday in 1846 that the bell was cracked beyond repair.

At Independence Hall in Philadelphia, the 2nd Continental Congress met; George Washington was made commander in chief; the Declaration of Independence was adopted; the Liberty Bell was rung; the Articles of Confederation were ratified; and the Constitution was framed.

Bell Ringing Day Proclamation

Charles Miller, Village President, proclaims July 4th as Bell Ringing Day in Kewaskum.

The members of Joseph Marest Chapter, Daughters of the American Revolution have established a community project, for the Bi-Centennial years — the Ringing of Bells on Independence Day. In June 1963 the U. S. Senate passed a Resolution proclaiming that bells should ring at 2 p. m. Eastern Daylight Savings Time, 1 p. m. our time, observing the ringing of the Liberty Bell and the signing of the Declaration of Independence, July 4th, 1776.

We are asking that every church and business that has bells, as well as every resident who has a bell, please ring it for two minutes starting at 1 p. m. July 4th. This commemoration of the ringing of the Liberty Bell should come as a reminder of what the Fourth of July stands for, challenging each of us to remember the men and women who have pledged their lives for 200 years to maintain our freedom and a reminder of how hard this freedom was won and how easily it can be lost

IN MEMORY

In memory of our dear husband, father and grandfather, Bernard Schmidt, who passed away three years ago, July 4, 1973:

Like fallen leaves the years slip by
But loving memories never die;
A silent thought, a secret tear
Keeps your memory ever dear.

Lovingly remembered by his wife, children and grandchildren.

THANKS EXPRESSED

We wish to express our thanks to the Kewaskum Fire Department for their hurried response and service in answering our fire call Saturday and to neighbors and friends for their help. Special thanks to Mr. Gross, who in passing reported the fire to us.

Kewaskum Native Alternate Delegate For Jimmy Carter

Mrs. Ernest Wiesen, the former Audray Schaefer of Kewaskum, will be an alternate delegate for Jimmy Carter at the Democratic National Convention in New York City in July. She will represent the Fourth Congressional District of Milwaukee County.

Mrs. Wiesen is the daughter of Mr. and Mrs. Raymond Schaefer of Kewaskum. Her brother, David, is also a local resident.

A graduate of Kewaskum High School and Carroll College in Waukesha, Mrs. Wiesen was employed at Regal

Ware for five summers during her high school and college years.

Her election to the alternate delegate position came after volunteer service during the spring primary in the state headquarters of the Carter campaign in Milwaukee. This was her first concerted effort in the political arena. Mrs. Wiesen chose to support the front-runner for the Democratic candidacy because, she says, "Jimmy Carter, in my estimation, reflects best today the mood and concerns of the American people."

Mrs. Wiesen lives with her husband and two daughters, Rachel and Erica, in Wauwatosa, Wis. She is active in the Association for Children with Learning Disabilities, the Wauwatosa Junior Woman's

Club and is 1st vice-president of the Milwaukee Chi Omega Alumnae.

Indians Split Two Shutouts

Leon Laatsch of Kewaskum and Brad Boettcher of Kettle Moraine hooked up in a pitching duel here Thursday night which was won by the Indians in a 1-0 shutout. There were just 3 hits in the contest — 2 by Kewaskum and 1 by Kettle.

The Indians got 1 of their hits in the 4th inning in which they scored an unearned run and Boettcher had a lapse of poor control. With the bases loaded Laatsch (who had walked) came home on a wild pitch.

Kewaskum's only hit out of the infield was a single by Rick Dreher in the 3rd. Laatsch got into his only trouble in the 1st when he faced 6 batters but got out of it. Leon had 7 strikeouts and had good defensive support, especially by Mark Tassar and Al Jaeger, subbing for injured Tom Rohlinger. It was only Kettle's 2nd loss.

In a game here Monday night, Germantown brought their record to 4-2 by blanking the Indians, 4-0, while Kewaskum slipped to 3-3 in the Scenic Conference.

The Indians got only 2 hits off Endlich, probably the best pitcher they've faced so far. Laatsch pitched well enough to win some games, allowing only 4 hits, but had no hitting behind him.

Kewaskum's 2 hits were singles by Jim Donath and Randy White. Endlich struck out 9 and retired the side in order in 3 innings. He also had a double.

Kewaskum and Barton Split

In a Tri-County Nite League game away Saturday, Kewaskum got by Barton, 4-3, to bring their record to 4-2. The winners outhit their opponents, 10-8, coming from behind to hand Barton their fourth loss in a row. Mike Rinzel knocked in Kewaskum's 1st run in the 3rd, missing a home run by inches when his drive hit the top of the fence. Dan Marx singled him home. Don Geidel pitched all the way for Barton, got 4 straight hits and also knocked in all of his team's runs. Besides Rinzel's 2 hits, Tom Theusch got 3 and Tom Kuehn 2. Steve Sachse started for Kewaskum but Tom Bartelt worked the last 3 and was the winner.

Sunday afternoon the same two teams played a Land o' Lakes game here and this time Barton came out on top, 8-1, giving Kewaskum a 3-5 mark in the league. It was the first win for Barton in the Lakes. Bill Schaefer checked Kewaskum on 5 hits, while Barton got 11 off of Theusch, the loser, and Bartelt. Seven errors cost Kewaskum. Barton iced the win with 4 insurance runs in the 9th, led by Russ Hetebrueg's long triple. Mike Hughes played a fine game in the field for Barton and smashed 3 hits, Roger Liebe-

trau also got 3. Clem Jacak collected 2 hits for the losers.

Saturday, July 3, Kewaskum plays at Johnson Creek at 2:00 (T-C). Sunday, July 4 the team travels to Grafton for a 1:30 encounter (LOL), which will be broadcast on WGLB, Port Washington. Next Thursday, July 8, Mayville comes here for a game at 8:00 (T-C).

DAVE LENNOX SAYS:

the best "gimmick" is quality
