Three Bids Opened for Pond

By Mark Smucker

Three bids in the amounts of \$58,204, \$49,615 and \$39,924 were opened for construction of the pond at the proposed Kewaskum Kiwanis Park on Monday by Jim Arthur, of Arthur and Associates of Fond du Lac, the architects for the project.

The low bid, which was received from Washkodiak Grading of Green Lake, allowed for a starting date of 60 days from the awarding of the contract, with completion of the entire job in 100 days. It was divided into five sub-bids as follows: 10,420 cubic yards of excavation for \$8,500, 5,500 tons of sand for just under \$13,000, 160' of overflow pipe for \$1,920, 168' of drain pipe with a manhole and valve for \$2,520, and a plastic pond liner for the entire bottom in the amount of \$14,125.

The two other bids were submitted by Arthur Duehning and Sons of Slinger and Stoppeworth Excavation of Oakfield.

The park committee is

still considering the possibility of purchasing silica sand from Berlin, which would eliminate the bid for sand. In addition, the silica sand is heavier, which would mean that it would settle to the bottom better and stay there, which would keep the water clearer.

A total of 13 contractors took out specifications from the architect, and only three submitted bids. Mr. Arthur stated that the number of bids that are usually returned "Depends on how much work everybody has. Sometimes you get 0% and sometimes 100%." He presently has the bids at his office in Fond du Lac, where they will be rechecked to make sure that they are in order.

The architects will return with preliminary plans for the rest of the park on Aug. 2, and will have the detailed maps necessary to get state approval for the pond by August 16, the board's second meeting next month. Dan Schmidt, head of the park

Samples Show Water at Beach Is Best Ever

Water samples returned from the Division of Health in Madison show that the water in the Milwaukee river at the present Kewaskum village park has a fecal coli count of 60, the best ever.

There had been a change in the way that the samples were taken, since Madison wanted all samples packed in ice and sent in insulated envelopes. This latest one was the first one that was iced, and it was better than any sample sent in in the past.

Commissioner Bill Martin described the results as showing that "the water isn't too bad," and noted that a count of 200 or more over a period of time would indicate that the water was probably unsafe for swimming, according to state guidelines. "We are running well under 100," he added.

Pizza Place To Open Here

Mr. and Mrs. Joe Barbercheck of West Bend have recently purchased the Ceramics Ltd. building on Main St. where they will open Papa Joe's Pizza on Monday, July 26.

The Ceramics Ltd. was owned and operated by Mrs. Jackie Gruss.

The Barberchecks had previously operated a pizza restaurant in Indiana. While on vacation in this area last summer, they grew to like it so well that they decided to relocate here.

Papa Joe's Pizza will feature different sizes and varieties of take-out pizza as well as sandwiches. The tentative hours will be from 4:00 p. m. until closing, however, Papa Joe's Pizza will be open at 11:00 a. m. on Krazy Daze, July 27. A regular schedule of hours will be announced at a later date.

The Barberchecks will also be opening a Papa Joe's Pizza in West Bend soon.

SPECIAL MEETING OF BOARD OF EDUCATION

The Kewaskum Board of Education will hold a special meeting on Monday, July 26, in the administrative offices. The meeting will begin shortly after the Annual Meeting.

Included on the agenda will be approval of administrator contracts and teacher contracts and setting of August meetings. A closed session will be held following the board meeting to discuss salary of a social worker.

KRAZY DAZE Tuesday

The 14th annual Krazy Daze sidewalk sale and fun event sponsored by the Kewaskum Chamber of Commerce and participating businessmen will be held next Tuesday, July 27, from 9 a. m. to 9 p. m. with the merriment continuing well after that hour. Rain date is Wednesday, July 28.

Krazy is the word for it as merchants, clubs, churches, organizations and individuals will set up and display their wares in booths and stands on the sidewalks and lots on the main streets of the village as well as offer big discounts in their stores. This "day of daze" is the major sales promotion and fun day of the year. Very special and unusual bargains galore will be offered by cooperating merchants.

Among the various wares and displays set up will be just about every type of merchandise available at reduced and ridiculous prices. There will be terrific bargains on everything imaginable such as odd lots, white elephants, closeouts, remnants, factory surplus, regular and stock items, some purchased espec-

ially for this occasion.

Other festivities and food will include crazy costumes, live music, outdoor dancing, brats, hamburgers, hot dogs, hot beef and other sandwiches, pizza, sweet corn, ice cream cones, bake sales, craft items, beer, soda, hot coffee, etc.

Live music will be provided in the evening by three bands at the Wigwam, featuring Vern's Wranglers outside from 7 p. m. to midnight at a street dance on the parking lot, the fabulous Johnny Lester inside from 9 p. m. to 1 a. m. and Dirt Cheap in the Wigwam Hall.

Whatever you needs or desires, whether it be bargains for yourself, your home, a gift for relatives or friends, to fill your tummy and quench your thirst—you'll find them at Kewaskum Krazy Daze Tuesday, July 27. Everyone is invited to take advantage of these special savings. Come early, stay late and join the fun.

Village Board Halts Building Permits in Ideal Subdivision

By Mark Smucker

By a 6-1 vote, the Kewaskum Village Board voted not to approve any future building permits in the Ideal subdivision on the recommendation of their attorney, Roger McKenna. Board President Charles Miller received a letter from the village's engineers, Robinson and Associates, stating that there were seven violations of the village's subdivision ordinance that have not been complied with, including manholes installed improperly, improper street preparation, failure to provide fill for the curbing, and failure to seed or sod the six feet of property next to the curbing.

A building permit would have been issued to David Sarauer of Kewaskum, who has already sold his present home and is living in an apartment until a new one can be built. Trustee Raynor Heriges noted that by denying all future permits, "The only one who is going to be hurt is Dave Sarauer." All of the other trustees except Greg Nigh expressed similar opinions, as he felt that "Since we are paying an attorney \$35 an hour, why go against his recommendations."

A motion to deny this and all future building permits in that area until an agreement can be reached was passed, with Dave Nigh voting against it. The possibility of granting Mr. Sarauer a waiv-

er due to hardship was discussed, and was not ruled out, as an answer to the problem for him.

An ordinance rezoning the land recently annexed into the village that is owned by Dr.'s Cesar and Aurora Sison was unanimously approved, following a public hearing where no opposition was offered to the proposal. It was formerly zoned agricultural and will now be usable for businesses which will allow them to build a clinic and drug store on it. The project had the approval of the plan commission prior to its approval, but no plans for the clinic have been drawn up at present.

Two bids were received for asphalt paving for Werner Drive, the lower one being \$2.59 per square yard from Payne and Dolan. Both bids were referred to committee for examination before a final decision is reached.

A sewer jet rodder bid of \$9,440 from Bark River Culvert and Equipment Co. of Milwaukee was accepted, providing that there are sufficient funds available for it. The bid that was accepted is \$3 higher than the lowest one, but Supt. of Public Works Augie Bilgo felt that it was definitely a better machine.

Tavern licenses for Linda and Cynthia Martin were approved, following a public hearing at which no opposition was offered.

Meilahn Paints Chief Kewaskum

(Statesman photo)

KEWASKUM, July 19 — "I am an unconventional artist in that I am unconventional," commented Dan Meilahn, painter of the portrait of Chief Kewaskum that was recently unveiled for the first time.

"I like to relate art to common people. I try to paint things that would be for public display that are easily understood. You will never find one of my works in an art gallery because I feel that art shouldn't be isolated in them."

He began thinking about the idea of doing a painting of Chief Kewaskum in June of 1975 when his mother, Mrs. Ada Meilahn, mentioned the idea to a member of the Kewaskum Bicentennial Committee.

It was not a simple matter to begin a painting of that type, however. Before the brush could be put to the canvas, there was a great deal

of research to be done. It was necessary to learn as much as possible about his subject, so Dan got several books that mentioned the Chief, and did some checking of his own into the places where he might have lived. Following this, the next step was a trip to the Milwaukee Public Museum to see the actual dress of the Woodland Indians, and to take some pictures for future reference. Finally, after he learned as much as was necessary about the Potawatomi tribe's religion, dress, and beliefs, the actual painting was begun in April 1976.

After making preliminary sketches and discussing them with the Bicentennial Committee, he began painting the portrait, which was just recently completed. The finished acrylic painting is on display at Village Hall though he

Kewaskum Loses to Lebanon, 8-3; Lakes All-Star Game Next

Kewaskum was defeated by Lebanon in a Tri-County Nite League game here Thursday, 8-3. The setback left the team with a 5-4 record and a tie for fifth place with Lebanon and Slinger. It was the season's finale in that circuit but as the first 6 teams play off for the title, Kewaskum will be eligible for the playoffs.

Lebanon outthit Kewaskum, 12 to 8, and 5 errors contributed to their victory. It was a 2-2 ball game going into the 7th inning but Lebanon scored 6 runs in the last 3 frames for the win.

Loser Tom Theusch went the distance, striking out 4 and walking 2. Jim Spangberg worked the first 6 inn-

ings for Lebanon, giving up all 3 runs, fanning 8 and passing 3. Lynn Held finished up the last 3, blanking Kewaskum on no hits, while striking out 5 and walking 2.

Theusch also got 3 hits for the losers and Randy Koenke 2. Dave Pfeiffer collected 3 for Lebanon, with Held, Mike Weihert and Gary Schwefel each getting 2.

On Sunday Kewaskum will play a Land o' Lakes game at Cedarburg at 1:30.

Next Wednesday, July 28, the Lakes All-Star game will be played at Belgium at 8:00. The game will be broadcast over WGLB, Port Washington. Kewaskum will be represented by 3 players on the all-star team: Clem Jacak, Tom Bartelt and Scott Koth. Tickets can be obtained from Manager Bartelt or any of the players.

committee, noted that the plans will be hand-carried to Madison to get their approval, and said jokingly that they would also hand-carry the permit back.

Prior to the meeting, plans for the bath house and revised plans for the rest of the park were studied, and the necessary corrections were made to them. There will be two softball diamonds, 120' apart, so that someday they can be lighted with a minimum number of lights. In the future, there will be a limited amount of parking right next to the diamonds, but exactly how much could not be determined at this time. The horseshoe pits and the tennis courts will both be lighted, while the present plans show the tennis courts constructed out of asphalt, which is relatively inexpensive.

As for the bath house, it will have a brick face, which will be provided by the Kewaskum Bicentennial Committee, and will have cedar boards nailed vertically on the sides and back.

Only the central portion will be roofed, which will house the shower and toilet facilities, along with a first aid room and a multi-purpose room, which will be used as a warming house for ice skaters during the winter. The men and women will have separate basket checkers on each side of the building, which will also be roofed, but the dressing areas will not be covered, since the state discourages this. Enough sanitary facilities will be provided for up to 400 patrons, as established by the state.

The multi-purpose room will measure 12' x 16½' and will have portable benches in it for the ice skaters to use during the winter. The entire central area that is roofed will be heated, but no decision has been reached as to what type of heating system will be installed.

Dan Meilahn

(Continued from Page 1)

would like to see it displayed at some of the business places around town so that as many people as possible could see it.

Approximately 100 hours of painting were necessary to complete the job, not including the countless hours of research. It shows Chief Kewaskum with his hand extended in a gesture of welcome, standing on top of a wooded hill, designed from photographs of a hill located south of the village, that some believe is the site of "Indian Hill." Since Kewaskum was a member of the Bear clan, there is a bear hidden in the foliage in the background, and he is shown wearing a bear's claw necklace. On the opposite side from the bear is an oak tree, which provides balance, and has a symbolism of its own, as the acorn was an important part of the ceremonial bag used by the Bear Clan.

When Dan graduated from Kewaskum High School in the

late '60s, there were no art classes at the high school level. Not discouraged, he went to University of Wisconsin-Milwaukee intending to major in art, but transferred to the University of Wisconsin and finished his studies in 1970. He received his degree in 1973, graduating with honors with a bachelor of science in art. Last fall, he went back to school as a special student to earn enough teaching credits to obtain his certification as an art teacher. He is working for the village summer recreation program as head lifeguard and

is looking for a teaching position for this fall.

Meilahn also did the preliminary work on the grandstand at the elementary school, so that some of the younger artists in the village could paint a baseball scene on it. Dan has judged at the annual high school Fine Arts Festival for the past four years, and when he is not helping the village or a business that needs his services, he still finds time to do an occasional painting for himself or just relax.

Bicentennial Tray Combines Past and Present

A unique mixture of the past and present is offered for sale to the public by the Kewaskum Bicentennial Committee.

It is an aluminum tray with a gold finish, produced locally at Regal Ware, which are rapidly becoming collectors' items, since they show where they were made, and are dated 1776-1976.

In addition, they have many practical uses, as a spoon rest, serving dish, snack tray, candy dish, ashtray, as a dish for hors d'oeuvres, or

would look good displayed on a shelf. They would also make excellent gifts for relatives or friends.

Each one measures 8½" x 5½" and is ¾" deep, and the die that was used to produce them will never be used again, which adds to their value.

The design that was stamped on each tray was done by Berni Trapp, and shows the head of an Indian chief, having been patterned after the die that was used by the Kewaskum Aluminum Company, Regal Ware's predecessor, on their "Kewasko" brand

cookware. This brand was produced from the 1920's until 1942, when wartime restrictions prohibited the use of aluminum and stainless steel in cookware.

All proceeds from the sale of the trays will be used to offset the cost of Bicentennial projects for the benefit of the people of Kewaskum and surrounding area.

The price for the tray is only \$1, and it is available at the following places: Honeck Chevrolet, the Wigwam, Campbell's Restaurant, Minz Supply, the A and W, the Bar-N Annex, the Olde

House, and the Regal Outlet. In addition, the tray, as well as the "Kewaskum Then and Now" book will be available at the Regal outlet on the sidewalk during Crazy Daze, and will be available at the Washington County Fair this weekend.

Mail orders should be sent to "Bicentennial Tray," Box 38, Kewaskum, Wis. 53040, with a price of \$1.35, which includes the cost of the tray and return postage, and the cost for four of them will be \$4.75.

Hon-E-Korner Ladies Golf

Members of the Ladies Association have been using their skills in several class events recently. Adjusted points on blind holes were added up by classes and B. O'Connor, E. Perkins, M. Toft and K. Wierman scored best. High scores on blind holes found the following winners: Class A, A. Bartelt; Class B, L. Hron and C. Fassbinder; Class C, J. Coughlin, and Class D, M. Mehring.

Day events of low putts went to M. Toft, B. O'Connor and I. Thomas. J. Coughlin came close to the pin on a blind hole to win a certificate.

For two weeks in a row Bev O'Connor has taken the net for eighteen holes and also chipped in twice in a row

IN MEMORIAM

In loving memory of our dear husband, father and grandfather, Raymond Klug, who passed away one year ago July 18th.

May you always walk in sunshine,
God's love around you glow,
For the happiness you brought us,
No one will ever know.
It broke our hearts to lose you,
But you did not go alone,
For part of us went with you,
The day God called you home.

Deeply missed by his wife, children and grandchildren.

A NOTE OF THANKS

My sincere thanks to all my relatives and friends who remembered me with cards, gifts, visits and phone calls while I was a patient at the hospital. Also special thanks to the Kewaskum Firemen's Rescue Squad, nurses, doctors and Father Ziegler. These acts of kindness are deeply appreciated.

Francis Loehr

Participates in UW Summer Theatre Workshop

Anne Strancke, Route 2, Kewaskum, is participating in an eight-week summer theatre workshop for high school students currently in progress at the University of Wisconsin - Stevens Point.

Members of the workshop attend daily two hour classes in various aspects of acting and theatre work and also have an opportunity to work with the university's summer repertory theatre company on technical crews or as members of the cast.

The high school students will also appear in a special children's production of their own called "Lions and Tigers and Us" by Lynda Miller.

This show is being performed by the workshop members in about 10 central Wisconsin communities during the last two weeks of July as part of the Library Showagon program.

Director of the workshop Dr. Anthony Schmitt of the UW-SP theatre arts faculty said participants can gain a wide range of theatre experience during their eight weeks on campus. High school juniors can earn college credit for their participation, he noted, and in some

cases scholarships covering the cost of the workshop are given.

Indians End Up Losing to Slinger & Germantown

The Kewaskum Indians lost their last four games, two of them by one run, to wind up the regular summer season with a 4-8 record. Four games on successive nights last week was a little too much.

In a slugfest last Wednesday night here, Slinger outlasted the Indians, 12-9. Five pitchers were used and 19 hits made in the game, 11 by Kewaskum and 8 by Slinger. It was a close game, 2-2 after 1, 5-3 Slinger after 2, 5-5 after 3, 8-6 Kewaskum after 4, 9-8 Kewaskum after 5. But the Owls got 2 runs in the 6th and 7th to win by 3 runs.

Jeff Wolf, Steve Salter and Greg Jonas all got 2 hits for Slinger and Wolf also had 3 RBI's. The Indians were led by Leon Laatsch, with 3 hits and 3 RBI's and Randy White with 3 hits.

Regional Game Here Postponed

Kewaskum of the Scenic Moraine had to wait until Wednesday night to see who it faces in Thursday night's WIAA Regional Tournament final here. The Indians (7-12) received a bye in the first round.

Campbellsport (15-9) and Lomira (about 7-7), both of the Flyway Conference, had been scheduled to play Monday night but the game was postponed by rain. Firemen in Batavia Tournament

(Statesman photo)

Kewaskum firemen had a team in the Firemen's Softball Tournament held in conjunction with the 125th anniversary celebration in Batavia over the weekend. The firemen also participated in the parade Sunday as did the Kewaskum High School band.

Kewaskum firemen won their first two games of the tournament, defeating Campbellsport Saturday afternoon, 9-5, and Silver Creek Sunday afternoon, 5-4, before being eliminated Sunday evening by Newburg, 5-3. Newburg went on to win the tournament, beating Boltonville in the finals Sunday night.

The Kewaskum team was composed of Ron Sarauer, Frank (Charley Horse) Krueger, Larry (bruised knees) Williams, Oscar Knoeck, Rick Boden, Ed Miller, Jonesy (three base) Korth, Augie (the stick) Bilgo, Dave (bobbles) Zehren and Ron (golden glove) Amerling. Reserves included Butch Gengler, Al Rohlinger, Jim Staehler and Roger (the Dodger) Reindl, who was brought up from the farm club. Roger pitched only three innings in Sunday afternoon's game because he said that was all his contract allowed but he

also assisted as warm-up guy. Manager was John Kudek, whose contract was not renewed after the tourney, and coaches were Duck Ehnert, Roger Schmitt and Bill Harbeck. Batboys and liniment suppliers were Joel and Jeff Kudek.

Levi Melius of Batavia, who is 78 years old, pitched the first ball and also took the first turn at bat for the Beechwood team in the Firemen's Tournament at Batavia Sunday. Levi is wearing

his original 1916 Batavia baseball uniform, which he said he was supposed to turn in at the end of that season. It was the first Batavia team uniform.
