Fire Destroys Barn on Lehnerz Farm Thursday

Statesman photo by David Schoofs

(Additional photos page 4)
The barn on the Albion Lehnerz farm located on Mill Road just west of New Fane, northeast of Kewaskum, was destroyed by fire Thursday afternoon. The call for the fire came in at 2:50 p. m. The roof was already caving in and the barn was engulfed in flames when firemen arrived and damage to the barn was nearly a total loss. The fire broke out while the Lehnerz family was putting straw in the barn and had gone out for another load. Lehnerz had been in the barn about half an hour before and found nothing

wrong at that time. Ronald Felten, 16, a neighbor, discovered flames and alerted Mrs. Lehnerz, who put in the call. Felten saved four calves that were in a pen in the lower part of the barn. Kewaskum firemen with the aid of the Boltonville department fought the blaze and a mutual aid call was also placed with the Campbellsport Department, which sent a tanker to haul more water. It was a hot day and heat from the fire was intense. Chief Augie Bilgo estimated that some 80,000 gallons of water were used in battling

the fire. He and Boltonville Chief Joe Enright had about 50 men on the scene. Water was hauled from Kewaskum and a Milwaukee River branch near the Lehnerz farm. Another concern of firemen was electric high voltage wires located only about 20 feet away from the barn. An electrical pole was on fire and the heat was very intense across the road from

Holy Trinity Opens Aug. 30

Classes will be resumed at Holy Trinity Catholic School Monday, August 30.

Bus pupils will arrive at Holy Trinity around 7:45 a. m. Holy Mass will be held daily at 8:00 a. m. on class days. Busses will pick up Holy Trinity pupils about 2:40 p. m.

The same teachers who taught last year will return except for Miss Janet Marx who plans to continue her education. She was to be replaced by Mrs. Constance Miller Navanjo who has a Master's Degree and teaching experience, but due to illness will not be able to teach at the present time.

The teachers at Holy Trinity School this year are:

Mrs. JoAnne Schacht, first grade; Mrs. Irma Reindl, second grade; Sister Marcella Karlin, third grade; Mrs. Janet Laubenstein, fourth grade; Mrs. Grace Theusch, Principal and fifth grade; Sister Mary Ellen Johnston, sixth grade; teacher pending, seventh grade, and Mrs. Virginia Miller, Vice-Principal and eighth grade.

The school hot lunch program will begin the first day of school. The cost of the meals will remain the same as last year, \$2.40 for a week (ticket for five meals) or .65 for a single meal.

Saturday classes will begin on Sept. 11.

Fire Dept.'s New \$74,000 Tele-Squirt Pumper Arrives

(See photos on another page)

The latest addition to the arsenal of equipment belonging to the Kewaskum Volunteer Fire Department is a 1975 Tele-Squirt pumper.

Purchased at a cost of just under \$74,000, it is powered by a 5-speed Ford caterpillar diesel engine, and was purchased from the Snorkel Fire Equipment Co. of St. Joseph, Missouri.

Planning for its purchase began "about three years ago" according to Chief Augie Bilgo, and the truck was ordered about six months later, after its advantages were recognized over the others. It was the "dream truck" of the late chief Armin Oppermann, and as a result, a plaque in tribute to him will be installed in the cab, along with another one for the names of the purchasing committee members.

The new pumper has a 50 foot boom with a snorkel on the end that can be operated at three different places; at the top of the boom, which is attached to a ladder, at the back of the truck, and by a remote control box that can be plugged into the truck, and used several yards away. The chassis was made by Ford Motor Company in Louisville, Kentucky, and uses a 1,000 gallon per minute pump manufactured by Waterous Engine Works of St. Paul, Minnesota.

Other features include a 500 gallon tank for water storage, and a hydraulic operating system for the boom, which can be rotated through 360 degrees in either direc-

Hearing Set on Gas Service for New Fire Station

In November of 1975, contact was made between Wisconsin Gas Company and the Village of Kewaskum regarding the availability of gas service for a new fire station. At that time gas was available to commercial customers up to 50 Mcf per day. The fire station has the potential to use approximately 19 Mcf per day. Further contact between the utility and the Village and the architect for the Village, Tesch, Tesch and Associates of Fond du Lac was made in December 1975, and January 1976. During this period gas was still available for commercial customers up to 50 Mcf per day.

According to Tesch, Tesch and Associates, plans and (Continued on page 2)

tion. There are six different places on the truck to install hoses, so water can be sprayed on seven different places at once, if the snorkel is also used.

The snorkel has the ability to extend 50 feet into the air, and 42 feet horizontally, with a maximum firefighting range of about 250 feet.

The new truck meets all the requirements of the National Board of Fire Underwriters, which according to the dealer's local sales representative, "means that it is easily insured." He also noted that it is the first engine of its type in Southeastern Wisconsin, although a few larger cities have one with the larger 75 foot boom.

These trucks are not built until after orders for them are placed, so that explains the 30 month delay in its arrival. A replacement, according to the representative, would cost you "right around \$100,000 today."

It will be double checked for leaks in the hose and other equipment this week, and will hopefully be ready for use this weekend. Cost of the new vehicle will be shared between the fire department and the village.

FFA Celebrates 25 Years With Bar-B-Q Sunday

On Sunday, August 29, the Kewaskum FFA Chapter will celebrate its 25th anniversary with a chicken bar-b-q in the Kewaskum Village Park. All past members of the chapter who can be reached are being invited together with their wives and children.

A short program including past ag teachers Dan Scheid and Orv Behnke plus a lot of good times are being planned beginning at 12:30 p. m. with dinner and going until —? The FFA Alumni Association would like to invite any past FFA member, adult class student, or friends of the FFA Chapter who have been missed on our mailing list to contact Roy Esser at 626-2166 for reservations.

The cost is \$5.00 per couple (\$1.00 for each child under 12) or \$2.50 per person to cover dinner, drinks and program. We'll see you the 29th!

Included with this issue is Section Two of congratulatory messages from area business people and history of the chapter marking the 25th Anniversary of the FFA.

New St. Lucas School to Begin Classes for First Time Monday

Those desiring a Lutheran education for their children will have an opportunity to do so this fall at the newly established parochial school at St. Lucas Lutheran Church, Kewaskum.

As of last week, 56 students were enrolled in grades K - 8, with the largest class having 11 students, the kindergarten. This is the second parochial school in Kewaskum, the other being run by Holy Trinity Catholic Church.

The Lutheran school will be held at the congregation's Sunday school building, located at 1410 Riverview Dr., and will operate on the schedule used by the Kewaskum High School, so that most of the students living in outlying areas can be bussed into town. Grades 1 - 8 will be in school from 7:45 a. m. to 2:30 p. m., while the kindergarten class will attend class from 9:00 a. m. to 11:30 a. m.

No remodeling was necessary to bring the building up to state standards, except for the addition of two fire extinguishers. The building was dedicated in 1961 and was used for Sunday School and religious instruction. Hot lunches will not be served on a regular basis so students will be allowed to bring cold

lunches or go home at noon if they live nearby. Parish women may occasionally make hot meals for variety.

According to Pastor Hoenecke, the cost of running the school for a year should be in the vicinity of \$25,000 per year, with most of the cost being paid by the congregation, which consists of about 375 families. Only two non-member families will be sending students there this fall, and they will have to pay the \$240 tuition established for those not belonging to the church.

Athletics of some type, for both boys and girls will be started this fall, in a conference with other Lutheran schools in the area. Most of the coaching will probably be done by the principal, Orville Breikreutz.

Grades 6 through 8 will be able to participate in band through the public school.

Breikreutz will be the school's principal and teacher of grades 5 - 8, with Miss Diane Guenther as lower grade teacher, while Mrs. Paul Hoenecke will teach the kindergarten class.

St. Lucas Lutheran Church was founded on August 20, 1877, and began its centennial year last Friday.

Hearing Set

(Continued from Page 1)

heating specifications were sent to Wisconsin Gas Company on December 15, 1975. Wisconsin Gas Company maintains that no such plans and specifications were received by utility personnel. The architect has provided copies of a "speed memo" and plans and specifications dated December 15, 1975 which he alleges were sent to the utility at that time. According to the architect, after this information was sent to the utility no further contact was made and the assumption was that gas service would be provided to the new fire station in Kewaskum.

On June 2, 1976, the Wisconsin Gas Company further limited the availability of new and additional service to customers in its Michigan Wisconsin service territory. This limitation provided that new or additional service was available to only residential customers. Sometime after June 2, 1976, the architect made contact with the utility indicating that gas service was now ready for installation. The utility informed the architect that no application had been received and that gas service was not available for commercial customers. On June 25, the Village President petitioned the Public Service Commission of Wisconsin to direct that Wisconsin Gas Company serve the new fire station at Kewaskum.

The Commission has deter-

mined that a hearing is necessary. At this hearing the Village is directed to present evidence to establish that the plans and specifications had been submitted to the Wisconsin Gas Company.

NOTICE IS HEREBY GIVEN That the Commission will investigate the matter herein and hold a public hearing thereon September 1, 1976 at 10:00 A. M. at the County Courthouse in West Bend, Wisconsin.

NOTICE IS FURTHER GIVEN That the Commission deems it necessary in order to carry out its duties herein to investigate the books, practices and activities of the Wisconsin Gas Company and that the expenses incurred or to be incurred by the Commission which are reasonably attributable to such investigation

will be assessed against and collected from Wisconsin Gas Company in accordance with the provisions of section 196.85 Wis. Stat., and Chapter PSC 185, Wis. Adm. Code.

If there are any question regarding this matter, please contact John L. Koop, Supervisor of Hearings at 608/266-1261.

Dated at Madison, Wisconsin, August 20, 1976
By the Commission,
Lewis T. Mittness,
Executive Secretary.

Fire

(Continued from Page 1)

the barn. The Electric Company was called and they reported that by that time the heat was reduced enough so that there was no great danger of the wires burning.

The barn, about 40 ft. by 80 ft. in size, was almost full of hay, oats and straw. Only the lower portion of the barn and milkhouse were saved. Some machinery and tools were also lost. Nearby sheds were not damaged.

With southwest winds blowing, a chicken coop on the John Felten farm across the road also was smoking. The Felten grandsons doused this fire. The Felten, whose farm is located just across the road from Lehnerz, had their barn destroyed by fire less than a year ago, on Sept. 10, 1975.

Firemen remained at the scene until 12:30 a. m. Friday morning. Excavator Harold Mueller was called in by Bilgo and his crew used a backhoe to push hay out into the field as firemen continued to spray it with water. Bob Marialke also came with a bulldozer to help out.

At 3:10 p. m. Friday Kewaskum firemen were called to the scene again when hay and straw re-ignited. They also made another check at the farm Sunday evening.

It is not sure what caused the fire. No estimate of the damage was given.

Rescue Squad Calls

Friday, Aug. 20, 2:41 p. m. — Richard W. Olbrys, 138 Barton Rd., Campbellsport, removed to St. Joseph's Community Hospital, West Bend, from the Kewaskum Clinic.

Monday, Aug. 23, 9:11 p. m. — Agatha Knoelke, 222 Braatz Dr., Kewaskum, removed to St. Joseph's Community Hospital from her apartment.

Board of Education Votes to Add Kindergarten Aide at Farmington

At its meeting Monday evening, the Kewaskum Board of Education again took up the question of kindergarten classes this fall. The question, which has been discussed repeatedly at recent meetings, was resolved when the board voted to add an aide at Farmington. Present enrollments now show 27 at Wayne, 82 at Kewaskum Elementary (3 sections), 16 at Beechwood and 32 at Farmington with a teacher and aide assigned to that class.

In a related action, the board voted to approve establishment of a class for children of ages 3 through kindergarten age who could benefit from special programming. This class falls into the special education category. Establishment of this class was discussed last spring but denied at that time. With a number of children already diagnosed as needing this special help, the board felt that a local program would be better than trying to place children elsewhere and then transporting them. The vote was 4-1 in favor, with Jim Oelhafen voting against.

Wages of non-certificated staff were discussed but returned to committee for another review. There were a number of persons at the

meeting who took exception to certain aspects of the proposed schedules, and the full board asked that the committee review these comments.

A request was made by St. John's of Newburg to make a change in parochial school attendance boundaries. Since there was no representative from Good Shepherd of West Bend, whose boundaries would also be affected, the board asked that a map be drawn showing the changes. The map is to be approved by both schools involved and then resubmitted to the board.

The board set a meeting to follow the breakfast, Thursday, August 26, to discuss the parochial school boundary changes. They will also consider a recommendation for a teacher contract to replace Mrs. Bremser who resigned at Farmington. This meeting will begin at approximately 9:15 a. m.

Approval was given to a series of policies basically dealing with nursing and first-aid services and with a parental request for review of books used in Kewaskum Schools.

There will not be another board meeting, unless a special meeting is required, until September 13.

Delay in Pond Permit For Village

By Mark Smucker

Due to some minor corrections needed on the pond plans for the Kewaskum Kiwanis Park, representatives of the Village of Kewaskum were not able to secure a permit for its use when they visited the Department of Health in Madison on Monday.

Village President Charles Miller was accompanied to Madison by Trustees Dan Schmidt and Bob Danielsen, along with Jim Arthur of Arthur and Associates, the plan designers.

Only two seemingly insignificant changes were given for the architects to work on. One was a complete diagram of the buoys, showing how they will be anchored to the bottom and labeled to show at what depth the water is below each one. The other was that a complete sketch of the diving platform and details on its construction will be needed.

Other requests raised by the Department of Health included the addition of the

architect's seal, which is no longer standard procedure, and detailing the slope of the bathhouse floor on the plans instead of to the side. Everything else appeared to be in order.

An informal meeting with Mr. Arthur was held on Tuesday and he is to have the new plans ready by the end of this week. This would mean that approval, if all goes well, could not be received until next week. Excavation of the pond will not

begin until after the permit is received or a verbal approval is given by the Department of Health in Madison.

Marriage Licenses

Lee Robert Stoffel, Kewaskum, and Elizabeth Ann Faber, Kewaskum; wedding Aug. 27.

Leroy Ray Peterson III, West Bend, and Joanne Agnes Loof, Kewaskum; wedding Aug. 28.

County Cancer Group Meets, Elects

The Washington County unit of The American Cancer Society met Aug. 10 at the West Bend Public Library. Crusade Chairman, Art Lastofka, reported that to date \$17,065 has been collected, short of the goal set.

In the future, if the goal is to be reached, more people in the community will need to get actively involved. A report also was made on the success of the West Bend Company's oral cancer screening program. Another screening is planned for the future.

Officers elected for the 1976-77 year include: president, Jim Bohn; 1st vice president, Jim Binzak; 2nd vice president, Kathleen Sutton; secretary, Janice Smith and Treasurer, Roger Stephenson.

Board members elected to a three-year term are Carol Bartley, Mary Ann Bingen, Glenn Hinz, Marge Lloyd and Mrs. Derry Wagner.

Building Permit Detained Again For Subdivision

By Mark Smucker

No action by the Kewaskum Village Board could be taken this week on the pending request for a building permit in the Ideal subdivision. The delay was due to a cancellation of the meeting between representatives of Ideal Land, Inc., and Village President Charles Miller.

Ray Schaefer, a West Bend contractor, has asked for a permit to build a model home on one of the lots. His request has been postponed twice, so that the settlement of a dispute between the village and the subdivider, over work not yet completed, can

be negotiated.

President Miller announced that because the meeting did not take place he had nothing to report and added that he appreciated Schaefer's patience and courtesy. He said that an attempt will be made to reschedule the meeting for August 30, so that some action could be taken then.

Following a question from Trustee Greg Nigh, Miller explained that Ideal's reason for calling off the meeting was that some plans for the installation of curbing in the subdivision were not yet available. The board asked for Mr. Schaefer's "indulgence for one more week" so that some type of an agreement can be reached, and were "embarrassed that Mr. Schaefer cannot be given an answer."

BOEGEL — A daughter to David and Nancy Boegel, Cambellsport, Thursday, Aug. 12.

**Meister Will Not
Seek Reelection**

I wish to announce that I have decided that I will not seek reelection to the office of Circuit Judge of the Twenty-Fourth Judicial Circuit comprising Ozaukee and Washington Counties.

My present term of office will expire on the first Monday of January, 1978. I have been seriously considering resigning before that date and had hoped to make such resignation effective sometime this fall. Circumstances have developed so that in all pro-

bability I will not submit my resignation until after January 1, 1977; and there is a strong possibility that I will not resign until after the Judicial Election in April of 1977.

I wish to take this opportunity to thank the many people who have made it possible for me to have the privilege of serving as Circuit Judge.

NEW TELE-SQUIRT PUMPER — Shown in the upper photo with the Kewaskum Fire Department's new Snorkel Tele-Squirt Pumper, which arrived last Wednesday, are, left to right: Capt. Don Ehnert, Chief Augie Bilgo, Bob Buehler, delivery engineer for Snorkel Fire Equipment, St. Joseph, Missouri; Carl Groth, West Bend, district sales representative; Assistant Chief Rick Boden and Capt. Ed Miller. The lower photo shows the intricate pump panel on the truck, with its various gauges and instruments. (Miller Studio photos)

Death of Mrs. Edith Landmann, Arnold J. Hawig

Mrs. Edith Landmann (nee Clark) of Kewaskum passed away at the Clintonville Hospital on Wednesday, Aug. 25. For further information call Miller's Funeral Home.

ARNOLD J. HAWIG

Arnold J. Hawig, age 77 years, a lifetime resident of the Town of Wayne, died early Saturday, August 21, at his home.

He was born July 5, 1899, in the Town of Wayne to the late Simon and Margaret Heisler Hawig. He was engaged in farming all his life. On Oct. 17, 1922 he married Agnes Amerling in St. Kilian.

Survivors include his widow Agnes; two sons, Arnold, Jr. and Sylvester (Beulah) of Chilton, where they are the owners of the Pla-Mor Lanes; two granddaughters; one grandson; one sister, Lucinda Hawig of West Bend; three sisters-in-law; two brothers-in-law; nieces, nephews and many other relatives and friends. One son, Roger, preceded him in death.

Mr. Hawig was a lifetime member and former treasurer of St. Bridget's Congregation, a member of K. of C. West Bend Council No. 1964, the Farm Bureau and Modern Woodmen of America.

Visitation at Miller's Funeral Home, Kewaskum, was after 3 p. m. Monday with rosary vigil at 8 p. m. Monday. Services were held at 10 a. m. from the funeral home

and at 10 30 a. m. at St. Bridget's Church, Town of Wayne, with Rev. John T. Budde officiating. Burial was in the new Holy Trinity Cemetery, Town of Kewaskum.

WILMER SENN

Wilmer C. Senn, 66 of R. 1, Campbellsport, died Friday afternoon, Aug. 20. He was dead on arrival at St. Agnes Hospital of an apparent heart attack.

He was born July 2, 1910, in the Town of Ashford, a son of the late William and Anna Gantenbein Senn. He never married.

Mr. Senn was a farmer in the Town of Ashford and a member of the United Church of Christ at Campbellsport.

Surviving are a brother, Gordon of Route 1, Campbellsport, and two sisters, Mrs. Ben (Erna) Kunaschk and Miss Elda Senn of Campbellsport. A sister preceded him in death.

Funeral services were held at 2 p. m. Monday at United Church of Christ, Campbellsport, with the Rev. Carl Jensen officiating. Burial was in Campbellsport.

Visitation was after 3 p. m. Sunday at Twohig Funeral Home, Campbellsport, and at the church from noon Monday until the time of services.

EDWARD BIZJAK

Edward Bizjak, 49, of Crivitz, Wis. passed away unexpectedly Sunday, Aug. 22.

The funeral was held on Wednesday, Aug. 25. He was the brother of Mrs. Dorothy (Roy) Esser of Kewaskum.

LOUIS KRAFT

Louis C. Kraft, 59, of 293 Holiday Court, Kokomo, Ind., formerly of Fond du Lac, died Thursday, Aug. 19, at Veterans Hospital, Indianapolis, Ind. He is survived by his widow; three sons; and 11 brothers and sisters including Mrs. Harvey (Jean) Ramthun of Kewaskum and Mrs. Frank (June) Heisler of Fond du Lac. The funeral was held at Fond du Lac Saturday.

FREDERICK HABECK

Frederick Carl Habeck, 66, of R. 1, Mt. Calvary, died Tuesday Aug. 10, at St. Agnes Hospital, Fond du Lac. He was a brother of Mrs. Arnold (Marie) Guntly of Kewaskum. The funeral was held Friday in the Town of Forest.

HENRIETTA WIEDMEYER

Henrietta Wiedmeyer, nee

Guntly, of West Bend died Sunday, Aug. 15, at the age of 61. She was a native of Campbellsport. She was the mother of Fritz (Judy) Wiedmeyer of Kewaskum. The funeral was held Tuesday at West Bend.

Championship / Consolation games. The consolation game will be played at 1:30 and the championship game at 3:00. Both games will be played on the Holy Trinity Ball Field, just off Prospect St.

Trustee Raynor Herriges was appointed by Village President Charles Miller to throw out the first ball at both games.

Everyone is invited to attend and watch baseball's future stars in action. It is very interesting to come to the games, and the kids appreciate a good crowd.

Little League to Hold Championships

On Sunday, Aug. 29, starting at 1:30 the Jaycees will conclude their Little League season with the

Early Farm Days Atty. Kluwin Elected to ABA Board Winners Listed

The Kewaskum Historical Society held their monthly meeting on August 17. Early Farm Days 1976 was the main topic of discussion. There were approximately 30 exhibitors displaying a variety of items from gas and kerosene engines, threshing machines, tractors, plus so many unique items. The hand-made patch quilt given away by the society went to Pat Zarling, Keller St., Kewaskum. The three hand-made pillow covers went to Gloria Rodenkirch, Judy Groeschel and Corrine Mlodzik, all of Kewaskum.

The society would like to extend a thank you to all who made the day a large success and especially the Kewaskum Lions Club. The society would like the public to know they are planning a bigger and better Early Farm Days for next year on the third Sunday of August.

The museum hours were also discussed. The museum will be open every Sunday through Sept. 12, from 1:00 p. m. to 4:00 p. m.; thereafter the second Sunday of each month from 1:00 p. m. to 4:00 p. m. From the second Sunday in May the society will have a feature display each month, announcing them in advance.

Sept. 21 at 8:00 p. m. is the next scheduled meeting of the Kewaskum Historical Society at the Kewaskum Valley Bank meeting room. The agenda is going to be a short one followed with a slide pre-

ATLANTA — John A. Kluwin, Kewaskum, was elected to a three-year term on the board of governors of the American Bar Association at the ABA's annual meeting in Atlanta. The 22-member board is the governing unit of the ABA.

Kluwin succeeds S. David Peshkin, of Des Moines, Iowa, as the representative of District 9, covering Iowa, Missouri and Wisconsin.

Since 1965, Kluwin has been Wisconsin's state delegate to the 350-member House of Delegates, the policy-making body for the 210,000-member legal organization. He is a member of the house's committee on Credentials and Admissions.

Active in organized bar activities for many years, Kluwin is a member of the board of directors of the American Judicature Society. He served as president of the State Bar of Wisconsin in 1962-63, as a member of the state bar's board of governors in 1959-61, and as president of the Milwaukee County Bar in 1955-56.

In addition, Kluwin served on the board of regents of the American College of Trial Lawyers from 1964-68; and was a member of the Wisconsin State Judicial Council from 1958-62. In 1956-57 he was president of the International Association of Insurance Counsel often serving as the association's secretary from 1949-55.

Kluwin received his undergraduate degree from Marquette University in 1927 and his law degree from the university's law school in 1930. In 1964-65 he was president of the Marquette University Alumni Association.

Kluwin is a partner in the firm of Kluwin, Dunphy, Hankin and McNulty in Milwaukee.

sentation of the 1976 Firemen's - Legion Parade, 1976 Bicentennial Pageant and the 1976 Early Farm Days. The society is inviting the public to attend. Refreshments of coffee and cookies will be served after the presentation.

Health Screening Tests to Be Given Throughout County

A screening for chronic diseases of the heart, liver and kidneys and diabetes is accomplished through one simple blood test at the State Division of Health Mobile bus. Blood pressure and glaucoma testing are also available at the unit, which will be in the Richfield - Germantown area next week. Annette MacFarlane, coordinator from Washington County Community Health Nursing Service said that the screening is being offered free of charge to adults. Persons wishing to participate are given a special orange flavored drink one hour before the test available at the unit.

This unit was located at Hartford for one week with overwhelming success and is scheduled for various sites throughout the county in the next two months.

Aug. 30, 31 & Sept. 1 — Wolf Shopping Center, Richfield, 12:00 - 2:45, 4:00 - 6:45.

Sept. 2, 7 & 8 — Germantown Village Hall, 12:00 - 2:45, 4:00 - 6:45.

Sept. 16 & 17 — Jackson Fire Hall 12:00 - 2:45, 4:00 - 6:45; 9:00 - 11:45 on the 17th.

Sept. 20 — Village Square Shopping Center, Slinger, 12:00 - 2:45, 4:00 - 6:45.

Sept. 23 — Allenton Fire Hall, 9:00 - 11:45, 1:00 - 3:45.

Oct. 7, 11 & 12 — American Legion Hall, Kewaskum.

PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village Board of the Village of Kewaskum, Wisconsin, is scheduled for Monday evening, Aug. 30, 1976, immediately following the public hearing at 7:30 P. M. in the Council Room of the Municipal Building.

Copies of the agenda will be available at the office of the clerk, 204 First Street, on the day of the meeting.

Dated August 20, 1976.

William S. Martin,
Village Clerk

Snack Tray, History Book Selling Fast

The Kewaskum Bicentennial Committee wishes to notify the public that this may be their last chance to purchase the snack tray and history book that they are selling, as they are being bought at a rapid rate and may soon be gone completely.

The tray is useful as a snack tray or as an item which could be collected or used as a gift for relatives or friends. They are selling well and are being sent all over the country; one even was sold to a couple who announced that theirs was to be sent

to their son as a Christmas gift, even though he lives in Australia!

For those interested in history, genealogy or related subjects. "Kewaskum Then

and Now" is offered for sale. Both items may be purchased at most stores in town, and mail inquiries should be sent to the Kewaskum Municipal Building.

Local Students Attend Workshop

About 200 students from state high schools attended a student leadership workshop last week at the University of Wisconsin - Stevens Point.

The workshop was geared to stimulate students to become involved and effective leaders by providing them with information and skills needed to develop leadership talent. It promoted the concept of school council as a medium for citizenship training. The workshop also sought to encourage student involvement in school and community affairs.

The workshop featured programs in decision making, priorities and goal setting, and listening and communicative skills. There also were picnics, dances and movies.

TOT TIME PROGRAM HAS OPENINGS IN AREA

The Kettle Moraine YMCA Tot Time program has openings for Kewaskum area children ages three to five. Due to increased demand, a new class has been added this year. Three-year-olds will meet on Tuesday and Thursday from 9:30 a. m. to 11:30 a. m. and four and five-year-

olds from 1:00 p. m. to 3:00 p. m. Classes are held at Peace United Church of Christ in Kewaskum.

The program is designed to foster your child's total growth through group activities, art, music, dramatics, and other creative play activities.

Parents may enroll their children by calling the YMCA at 334-3405.

Marriage License

Ronald Paasch, Hubertus, and Tercsa Metz, Kewaskum; wedding Aug. 14.

PUBLIC NOTICE

Public notice is hereby given that the Plan Commission of the Village of Kewaskum, Wisconsin, is scheduled to meet on Tuesday evening at 7:30 P. M. Aug. 31, 1976, in the Council Room of the Municipal Building.

Dated August 20, 1976.

"The happiest families are those in which the children are properly spaced—about ten feet apart."

We're out to solve tomorrow's energy problems the night before.

Those hot, lazy afternoons of summer. They're causing a serious energy problem in Wisconsin. Hot, summer days create an added demand for kilowatts to run air conditioners—at a time of day when electricity use is already at its peak.

If consumers can hold down their electricity use during peak periods, we may be able to postpone building power plants that would otherwise be needed to keep up with the growing daytime demand... a money-saving proposition for all of us.

One solution: an air conditioning system being developed by Wisconsin Electric engineers that will use less electricity during the afternoon by storing "cooling capacity" the night before.

Here's how the system works. An insulated water tank, very similar to your water heater, is chilled during

the night. The next day when your demand for cool air increases, the chilled water is circulated through a coil. A fan then blows air over the coil and through the duct system, thus cooling your home.

The result: a system that cools you, reduces the daytime peak demand... and helps minimize future increases in the cost of electricity.

It's just one of the things we're doing to help solve today's energy problems.

Here are some things you can do to help hold down summer peaks.

1. Try to cut back on your air conditioning by closing drapes on the sunny side of the house to keep out that hot summer sun.

2. When your air conditioner is running, be sure to close all windows and keep them closed to retain the cool air.

3. Ventilate your attic. Otherwise, heat builds up and forces your cooling system to work harder.

4. Laundry, dishwashing, bathing and ironing produce heat. Hold off on these activities until the cooler evening hours.

5. And, of course, the best way to cut down on air conditioning costs is to make sure that your house is insulated properly in the first place.

If we all work together... everything will work better.

ACTION + SATISFACTION

MINUTES OF VILLAGE BOARD MEETINGS

Regular Meeting
August 2, 1976
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular monthly session in the Council Room of the Municipal Building.

President Charles Miller presided and all Village Board Members were present.

One correction was noted in the minutes of the meeting of July 20, 1976. Trustee Roger Strack was not present at that meeting. In all other respects, the minutes of the meeting of July 19 and 20 were approved as printed. Motion by Trustee D. Nigh, seconded by Trustee Schmidt. Unanimous vote.

At the request of President Miller, James Arthur of Arthur and Associates proceeded to open and publicly read the sealed bids for the possible installation of curb and gutter. The proposals were tabulated as follows:

F. P. & T. Construction Corp., Edgerton, Wis. — 3.60 unit price lineal foot.

Lifetime Construction Co., Inc., Sussex, Wis. — 3.79 unit price lineal foot.

Ptaschinski Construction, Inc., Beaver Dam, Wis. — 2.77 unit price lineal foot.

Lakeside Builders, Inc., Lake Mills, Wis. — 5.69 unit price lineal foot.

Boscobel Excavating, Inc., Boscobel, Wis. — 3.24 unit price lineal foot.

A. R. Melichar, Grafton, Wis. — 3.65 unit price lineal foot.

Rennhack Construction Co., Inc., Reeseville, Wis. — 3.22 unit price lineal foot.

Barton Construction Co., West Bend, Wis. — 3.64 unit price lineal foot.

The tabulated proposals were referred to the Engineering Consultant to be checked for errors and for their recommendation. Motion by Trustee Herriges, seconded by Trustee Schmidt. Unanimous vote.

Building Permit applications as follows were approved by the Board:

1. Ray Keno — New one family residence on Lot 11, Block 6, Roseland Hills No. 2. Motion by Trustee Schmidt, seconded by Trustee G. Nigh. Unanimous vote.

2. Richard Kreuser — Storage shed to the rear of the existing home at 376 North Avenue. Motion by Trustee Strack, seconded by Trustee D. Nigh.

Raymond Schaefer, General Contractor, West Bend, questioned the legality of the action taken by the Village Board in refusing to issue any more building permits in Ideal Subdivision. Because negotiations are in progress between the Village and the Subdividers, Mr. Schaefer agreed to delay his building permit application for a period of ten (10) days.

The proposal of Ram Construction, Byron, Wisconsin, for the asphalt paving of approximately 2,000 sq. yds. of Village streets at a cost of \$5,360.00 was accepted by the Board. Motion by Trustee

Herriges, seconded by Trustee G. Nigh.

Roll Call Vote - 7 "aye"
0 "nay"

The Board reviewed the proposal of Albany Construction Corp. for the asphalt coating of approximately 23,819 sq. yds. of Village streets at a cost of \$6,166.74. No action was taken. The proposal was referred to Committee.

RESOLUTION OF CONDOLENCE

BE IT RESOLVED by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that;

WHEREAS, life came to a close for Edward J. Brandt on July 28, 1976, ending a career which had been devoted to the service to his fellow man; and

WHEREAS, he faithfully served the Village of Kewaskum as Assessor and Building Inspector since March 22, 1971, and as an individual was always interested in and anxious to assist with the problems of others.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM:

Section 1. That with the death of Edward J. Brandt, the Village of Kewaskum and its people have lost a valued leader and friend.

Section 2. That the Village Board joins with the family and friends in sorrow over his loss and extends its sympathy and hope for comfort to those who were near him.

Section 3. That the Village Commissioner be and is hereby directed to have a copy of this resolution delivered to the family in token of our sympathy.

Dated: August 2, 1976

S/ Charles F. Miller
Village President
Attest: S/ William S. Martin
Village Clerk

Introduced by Trustee Roger Strack

Motion for adoption by Trustee Gregor Nigh

Motion for adoption seconded by Trustee Robert Danielsen

Roll Call Vote - 7 "aye"
0 "nay"

Chief of Police Hlavaty was granted permission to attend the Wisconsin Chiefs of Police Conference at Green Bay on August 30, 31 and September 1. Motion by Trustee D. Nigh, seconded by Trustee Danielsen. Unanimous vote.

Peter Albers was granted permission to attend the Waste Water Treatment Plant Operators District Meeting at Chilton on August 17, 18 and 19. Motion by Trustee Schmidt, seconded by Trustee Strack. Unanimous vote.

(NOTE — Ordinance No. 76-6 was published in a previous issue).

At the invitation of the Washington County Park Commission, the Village Board voted to join with the County Park Commission in the preparation of a comprehensive County Park plan. Motion by Trustee Danielsen, seconded by Trustee Herriges. Unanimous vote.

Henry Becker was proposed as Building Inspector. The proposal was approved upon

motion by Trustee Danielsen, seconded by Trustee Herriges. Unanimous vote.

The totals of all claims, as approved by the Finance Committee were as follows:
Village Gen. Fund \$97,339.58
Water Dept. Fund 1,382.73
Sewage Dept. Fund 5,425.16

Payment of these claims, as recorded in the official record, was allowed upon motion by Trustee D. Nigh, seconded by Trustee Herriges.

Roll Call Vote - 7 "aye"
0 "nay"

Upon motion by Trustee Danielsen, seconded by Trustee Strack and duly carried, the Board adjourned subject to call by the President.

William S. Martin,
Commissioner

Called Meeting
August 11, 1976
7:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building. The meeting was called at the request of President Charles Miller for the following purpose:

1. The possible recinding of the motion passed at the August 2nd meeting which prohibits the granting of any further building permits in Ideal Subdivision.

2. To discuss what further steps should be taken to resolve the development problems in Ideal Subdivision.

The required statutory notice of the meeting was given by United States Postal Service and by posting a notice of the meeting on the outer door of the Municipal Building.

President Miller presided. Present were Trustees Danielsen, G. Nigh, Schmidt and D. Nigh. Trustee Strack arrived at 7:10 P. M. Trustee Herriges was absent.

Approval of the minutes of the August 2, 1976 meeting was dispensed with.

President Miller reported on the conference between himself, Attorney McKenna, the Commissioner and Supt. of Public Works Bilgo representing the Village and Attorney Henry Schowalter, Albert Tennes, Merlin Schultz and Wm. Ruth representing Ideal Land Corp. with reference to the development problems in Ideal Subdivision.

The Commissioner was instructed to direct a letter to Ideal Land Corp. setting forth the five (5) development items, in Ideal Subdivision, which need to be corrected in the order of their priority; namely, the open drainage ditch near Columbus Drive, inadequate road gravel, adjusting of valves, hydrants and manholes, top soil and seeding, grading and graveling of Columbus Drive. Motion by Trustee Schmidt, seconded by Trustee Danielsen.

Roll call vote - 6 "aye"
0 "nay"

The Board agreed further that at their next meeting they will reconsider their refusal to issue a building permit to Raymond Schaefer in Ideal Subdivision.

Upon motion by Trustee Schmidt, seconded by Trustee G. Nigh and duly carried, the Board adjourned to August

16, 1976 at 8:00 p. m.

William S. Martin,
Commissioner

NOTICE OF PUBLIC HEARING ON SPECIAL ASSESSMENTS FOR CURB AND GUTTER IMPROVEMENT

PLEASE TAKE NOTICE, That the Village Board of the Village of Kewaskum, Wisconsin, has declared its intention to exercise its power under s. 66.60, Wisconsin Statutes, to levy special assessments upon property within the following described area for benefits conferred upon such property by the installation of curb and gutter thereon:

A. All property fronting on Stark Street north of Keller Street.

B. All property fronting on Moraine Court.

C. All property fronting on the north side of Werner Drive.

D. All property fronting on Lin-De Lane west of Bel-Ric Drive.

E. All property fronting on Brooklane Drive from Edgewood to Hillside.

F. All property fronting on Edgewood Road in Roseland Hills Addition No. 2.

The report of the village engineer showing proposed plans and specifications, estimated cost of improvements and proposed assessments is on file in my office and may be inspected there on any business day between the hours of 8:00 A. M. and 5:00 P. M.

You are further notified

that the Village Board will hear all persons interested or their agents or attorneys concerning matters contained in the preliminary resolution authorizing such assessment and the report of the village engineer at 7:30 P. M. on the 30th day of August, 1976, in the Council Room of the Municipal Building, 204 First Street.

All objections will be considered at said hearing and thereafter the amount of the assessments will be finally determined.

Dated August 17, 1976.

William S. Martin
Village Clerk

HONECK
CHEVROLET IN KEWASKUM
1242 FOND DU LAC AVE. - 626-2161
Open Mon., Wed., Fri. 'til 9

Clark Eichstedt, Audrey Bartelt Golf Champions Indians to Open At North Fondy

Chuck McClain, the defending champion, and Clark Eichstedt, the challenger, battled it out for the Hon-E-Kor championship Sunday, with "Ike" emerging the winner.

The two big hitters started out at 11 a. m. and about 8 hours later the match went right up to the 36th hole with Eichstedt winning 1-up. McClain staged a big comeback on the last nine holes.

Medal scores for the first round were Eichstedt 73, McClain 74.

It was Eichstedt's second Hon-E-Kor title, winning the first in 1972. Last year he was beaten in the semi-finals by Jerry Allen, who lost a 40-hole thriller to McClain.

Last Friday Audrey Bartelt won her sixth Hon-E-Kor championship to give Kewaskum golfers both the men's and women's titles. Audrey defeated the defending champion, Irene Schlefke of West Bend, in sudden death on the 19th hole. The two were tied after 18.

During the regular rounds, Bartelt shot 49-47-96 while Schlefke was 50-47-97. Mrs. Schlefke had beaten Bartelt for the title last year.

Some other championships have already been decided while others are getting down to the semi-finals or finals.

Scott Rohlinger notched his first junior title. Scott, who lettered on the high school team last spring, downed Bob Nigh, who will be a freshman at KHS, 5-4, in the finals.

Corey Wuebben, Kewaskum, won the women's Class C flight over Char Chapman of West Bend. B flight was won by LaVerne Hetzel, West Bend, over Joyce Coughlin, also of West Bend.

SLO-PITCH SOFTBALL TOURNAMENT AT WEST BEND

The Knights of Columbus are again running a men's softball tournament at Barton Park in West Bend over Labor Day weekend.

It is hoped to field a total of 32 teams in this single-elimination tournament starting Friday night and running through Monday, Sept. 3-6.

The entry fee is \$40 and cash prizes of \$300 - \$200 - \$125 - \$100, plus trophies will be awarded.

For entry blanks call John Heisdorf days at 334-5571 or Jim Heritsch 334-4838, both in West Bend.

SPOKSMEN'S CLUB TO RELEASE PHEASANTS

The Kettle Moraine Sportsmen's Association of Kewaskum will release the 1,000 pheasants they raised on Sunday morning from 8:00 - 11:00. Any old members who have not renewed their memberships may do so Sunday morning and then can receive their birds.

The Kewaskum Indians will open the 1976 football season at North Fond du Lac Friday night in a non-conference game against the Orioles of the Flyway Conference.

The Indians are defending co-champions of the Scenic Moraine Conference with Grafton. The contest will get underway at 7:30 p. m. and may give some indication of the Indians' possibilities this year. Last year here Kewaskum rolled over North Fondy 40-12.

A spectator bus is planned for the contest. Students can buy a ticket for the bus until 4 p. m. Thursday and until noon on Friday. Cost of the bus ride and ticket will be \$1. The bus will leave the high school at about 6:15 p. m.

TICKET PRICES SET FOR KHS ATHLETIC EVENTS

Ticket prices for athletic events at Kewaskum Community High School for the 1976-77 school year are as follows:

Adults, \$1.25; Students under grade 9, .50; Adult season tickets, \$10.00; High school students, admitted free with their ID card; Senior Citizens, admitted free if they pick up a pass at the high school office.

JAYCEE LITTLE LEAGUE

Wednesday, Aug. 18, game — Miller's Brewers 11, Honeck Expos 3.

Thursday, Aug. 19, games — Miller's Brewers 11, Valley Bank A's 2; Rosenheimer's Cubs 4, Bier's Indians 0.

Monday, Aug. 23, games — Miller's Brewers 8, Rosenheimer's Cubs 1; Valley Bank A's 5, Bier's Indians 0.

| Bier's Indians | ½ | 9½ | |

Championship and consolation games to be played on Sunday, Aug. 29, starting at 1:30 on Holy Trinity field.

Lakes Team Beats Belgium

Kewaskum brought its record to 6-9 in the Land o' Lakes League with a 13-4 victory at Belgium Sunday.

Kewaskum outslugged Belgium, 14-10, and 9 errors by the losers helped them coast to the win. Kewaskum put the game on ice with 6 runs right off the bat in the first inning.

Tom Theusch went the route for the winners, striking out 4 and walking 2. Tom Croat was the loser as he fanned 5 and passed 5.

Randy Koepke had a big day with the bat, leading Kewaskum with 4 hits, including a triple. Clem Jacak and Gary Marx each added 2. Duwell, Krier and Thall each got 2 for Belgium.

Kewaskum will play its final game at 1:30 p. m. Sunday, Aug. 29, against Barton at Regner Park in West Bend.

Flag Football Meeting Monday

There will be an adult flag football organizational meeting Monday, August 30, at 7:00 p. m. at the Kewaskum Municipal Building.

The entry fee will be \$40.00 per team, plus \$3.00 for each player who lives outside the Kewaskum school district.

The four teams that participated last year will have preference, but please attend even though you are not on a team.

Complete rosters are to be presented and entry fees paid at the Kewaskum Municipal Building on Saturday morning, Sept. 4, at 8:00 a. m. sharp.

Teams that do not coincide with the above rules will be disqualified.

WOMEN'S HORSESHOE LEAGUE FINAL STANDINGS

Heisdorf Racers Place 2nd and 3rd

The midget race cars of John Heisdorf put on a good performance last Friday night on Hales Corners one-third mile dirt track, where 55 cars from various states competed.

After turning second and third quick time, finishing third and fourth in the trophy dash, winning a heat and finishing second in the fast heat, Heisdorf's son-in-law, Ken Biertzer of West Bend, and Dave Ray of Davenport, Iowa put the team cars in second and third place spots in the 50-lap main event.

On Saturday, Aug. 28, at the Beaver Dam Fairgrounds the racers will compete on the one-half mile dirt track. The races will be held in conjunction with the Dodge County Fair festivities.

The Heisdorf cars are running fifth and eighth in the owner standings and both drivers will be back with the

Heisdorf team next year. So as the season nears its end, come see the midgets Saturday at the fair. The time trials start at 7:00 p. m. with the first race beginning at 8:00 p. m.

PROCLAMATION FFA Sunday - 1976

Whereas, - Kewaskum FFA Chapter is celebrating it's 25th Anniversary; and

Whereas, - Members of the FFA have played an outstanding role in assuring the future progress and prosperity of our area; and

Whereas, - the FFA strives to improve the agricultural industry and its opportunities in Kewaskum; and

Whereas, - the FFA has performed the valuable service of developing leadership, promoting good citizenship, and inspiring patriotism among its members,

Therefore, I, Charles Miller, do hereby designate Sunday, August 29, 1976 as FFA SUNDAY in the Village of Kewaskum.

RANDOM LAKE CO-OP

THANK YOU, KEWASKUM!

The Kewaskum FFA Alumni Association would like to extend a very big thank you to everyone in the Kewaskum area who has helped in any way to make the FFA a growing organization. We realize what it is like to be a businessman or farmer with a lot of things to get done. We can appreciate even more the sacrifices of time and money that are made for the Kewaskum FFA members. We are businessmen and farmers AND former FFA members who really do remember.

We remember things like our lack of a treasury balance until someone in the community came up with an idea to help us raise money. We remember looking for projects and receiving help from a farmer who had hay to make. We even remember the businessman who had time to

chat about the value of good training in agriculture when he found out an FFA member was on the phone. All of these things have helped to make us what we are.

Today we are members of an organization dedicated to those principles we learned in VoAg. Our major purpose is to help to promote and develop better FFA members and a better FFA Chapter in Kewaskum.

We need your help to accomplish our goal. We ask you to join with us to make a better community through the united efforts of our Alumni Association. If you are a former FFA member or a good friend of the FFA, you are needed. We have built a foundation for the future and with your help we will build a vital organization for our community.

Ken Becker here receives the Kewaskum Jaycees Outstanding Young Farmer Award for 1976. Ken is also the FFA Alumni Association Treasurer.

Remember when the present KES cafeteria and garage area was the Ag Shop? The date is 1953.

Ag Instructor Paul Redig "punches" another calf at the annual weigh-in and branding for the Livestock Sale.

HISTORY OF KEWASKUM CHAPTER

Kewaskum FFA and Agriculture Department started in 1951 under the guidance of Mr. Dan Scheid, the first Ag instructor. The agriculture classroom and shop were in the area that now is the Kewaskum Elementary School kitchen, cafeteria and garage.

The FFA charter was composed of the following members: Carl Koepke, Paul Liermann, Theodore Meilahn, Lawrence Nigh, Elmer Terlinden, Merlin Seefeldt, Donald Schulz, Gerald Schulz, Robert Schultz, James Falk, Delmar Kempf, Daniel Klahn, Robert Hulse, Jerry Backus, James Walters, Henry Dillinger, Herman Boegel, Elmer Belger, Ronald Coulter, William Coulter, Donald Hammes, Ronald Stange, Leroy Metz, Allen Coulter, Thomas Rodenkirch, Roger Zettler, Alvin Wiesner, Arthur Beck, William Haack, John Weigand, Herman Panzer, Jr., William Kober, Eugene Krahn, Kermit Coulter, Ronald Klumb, Robert Flasch, Sylvester Stern, Donald Batzler, and Alvin Reindl. Sylvester Hawig served as the first president with William Sippel as vice-president; the first secretary was Jake Bruessel. George Hanrahan served as the first treasurer with Kenneth Sarauer and Earl Petri completing the slate of officers as reporter and sentinel.

Mr. Scheid also started adult evening classes for farmers in the area at Kewaskum and the Washington school. The young farmer classes consisted of young men out of high school and a group of young married farm couples.

The adult classes continued through the sixties when Moiraine Park established an Ag program and a full time instructor was hired to teach post-high school Ag classes.

The evening classes were an important part of the program for it brought farmers together to discuss current ideas and problems in farming. The classes, especially the Washington school center, were a local social center, for they included a family picnic at the end of the year; cards (Sheepshead) were played after class. Basketball followed the classes; plus trips were taken during Christmas vacation to such places as Oscar Mayer, ABS at Madison, East Central Breeders, and the prison at Waupun, plus other agri-business tours, with the breweries being very popular. The classes also used outside speakers and programs such as University professors or specialists from the agri-business field. Many of the area farmers took advantage of these classes and on a special evening, the membership was as high as 50 or 60 farmers.

Ronald Coulter followed as the second president, then Delmar Kempf and Jerome Nigh, 1954 — 1955; Roger Garbisch, 1956.

Dan Scheid left Kewaskum to take a similar position at Fort Atkinson in January, 1954.

Orv Behnke followed the footsteps of Dan Scheid and brought new growth to the Ag department and the FFA chapter. Land judging became an important part of the curriculum with the varied soils of the Kettle Moraine serving as an outdoor lab. One of the early state land judging contests was held on the site of the present Kewaskum High School track. The first was held at West Bend, with Kewaskum placing third in 1955. The 1956 contest found Kewaskum FFA in first place. These contests have grown to the national level. Soils is still number one in the pre-

sent curriculum.

FFA basketball, softball, and young farmer basketball was part of the recreation program under Mr. Behnke. In February of 1958, Mr. Behnke became the agent for the Equitable Life Assurance Society. He was followed by Bernard Murray, who took over the agriculture facilities in the new Kewaskum High School. His leadership was short for he left in the fall of 1960 to join the Extension Staff of Marinette County. Roy Esser was hired in the fall of 1960 and continued the program till the present. The department grew from 52 members in 1960 to 200 today.

The chapter received the Wisconsin Superior Chapter award for sixteen consecutive years. The state contests were a source of motivation these 25 years with the Kewaskum Chapter receiving top spots through the years. The FFA chapter followed a program of work of community service, leadership activities, scholarship, and recreation.

Paul Redig was hired as the second instructor in January, 1973 and has helped to maintain the Kewaskum FFA Chapter and Ag department as one of the best in the state.

Mr. Redig's resignation in the summer of 1976 brought Larry Becker to take over as advisor of the FFA.

The history of the Kewaskum FFA and Agriculture Dept. is written in the farms and agri-business in the area. It is written in the acres of conservation farming, in the form of strips and terraces and other approved practices. The history is also found in the fine herds of cattle and quality pork produced in the area.

Roy Esser has always done an excellent job with the Kewaskum Carcass Show. As an educational activity it is one of the best.

Carol Proeber and Pat Hanrahan were at Green Lake this summer to receive the Silver Awards in BOAC and the National Chapter Award Program for the Kewaskum Chapter.

The Emblem

The National Emblem of the Future Farmers Of America is significant and meaningful in every detail. Used by members in all recognized units of the organization, it is made up of five symbols: the owl, the plow, and the rising sun, within the cross section of an ear of corn, which is surmounted by the American eagle. Upon the face of the emblem appear also the words, "Vocational Agriculture," and the letters, "FFA." The owl is symbolic of wisdom and knowledge; the plow is the symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agricultural interests since corn is native to America and grown in every State; and the eagle is indicative of the national scope of the organization.

Let us never forget
that the cultivation of
the earth is
the most important
labor of man.

STATE FARMER DEGREE WINNERS

The Wisconsin State Farmer Degree has been presented to many of the Kewaskum FFA members. A member, to be eligible, must have held the degree of Chapter Farmer and been an active member for at least two years. He must have completed two years of VoAg, have in operation an outstanding occupational experience program, and be enrolled in ag class.

Only two percent of the entire state membership in Wisconsin may be awarded the Wisconsin Farmer Degree each year.

Here is a list of Kewaskum members who have won this outstanding achievement:

Former FFA Members Organize A National FFA Alumni Association

The need for public understanding of agriculture's role in our national life and support for education in agriculture becomes greater every day. Those who have been members of the FFA and have entered farming or have gone on to another position in agribusiness, or to another field, comprehend this need.

Former members of the FFA realize more than anyone else what the FFA means to youth, and the opportunity it offers to young people in developing leadership, character and good citizenship—as well as knowledge in agriculture.

The desire of those who have been members of the FFA in the past to become involved and join together in a united effort has led to the establishment of the National FFA Alumni Association.

Its purposes are to help educate others in agriculture, to

help build confidence in today's FFA members and provide inspiration, to keep former members informed about the FFA and to share experiences and ideas with others.

Membership is open to former active, collegiate, or honorary FFA or NFA members and both present and former professional vocational agricultural educators. Membership in the association may either be direct or through state or local affiliates.

The National FFA Alumni Association consists of chartered state and local affiliates organized on a school, county, or other area basis. The national association charters local affiliates within a state until the state affiliate is chartered. Once chartered, the state association shall charter local affiliates within the state.

The Association is directed by an eleven man Alumni Council.

- REMEMBER -
FFA Alumni Reunion
Will be Held in the
Kewaskum Village Park
on August 29 at 12:30 p. m.

The FFA Creed

I believe in the future of farming, with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists; in the promise of better days through better ways even as the better thing we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuit, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to make it so — for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

Russ Breit and David Williams
State Farmers - 1963

PLANNING AHEAD

That's not unusual for members of FFA. They are already preparing for their future career in agriculture. They're enrolled in a vocational agricultural education program.

Why I Want My Son To Be A Country Boy

I want my son to grow up on a farm. Some will say that it would limit his opportunities. They may even feel sorry for him. But how can they know what his life and pleasures will be?

They do not realize that my boy will never be lonely; that nature will be his companion for life.

Through nature he will know that there is a God; that science does not control everything. He will learn to work hard and to be ambitious; but he will also learn to accept things as they come — the hail and drought and the unforeseen.

As a farm boy he will know animals as good friends. In feeding and caring for those friends, my boy will learn the joy of doing for others. Early in life he will know a father's feeling toward those who depend upon him.

To him all living things will be sacred. He will watch life appear and reproduce itself. He will learn the certainty of death. Its quiet presence in the plants and animals about him will assure him that life's end need not be feared.

He may find an Indian arrowhead behind the plow, and his wonder will kindle a love of history. A small animal's skull or a fossilized leaf imprinted on a rock will move his curiosity. His learning will be spontaneous. an adventure.

My boy will learn compassion. He will never forget the killdeer's nest in the pasture, and the fence he built to keep the cows from trampling it.

One of his pleasures will be a shack in the woods, where he will learn to love the stillness of a country night.

He will notice that each year the saplings around his shack grow bigger. Then a day comes when he and his father cut the grown trees into firewood for winter.

He will realize then, that he himself has grown year by year, and that the time is near for him to start his life's work as a young man.

I want my boy to hear country church bells as he finishes his Sunday morning chores. The bells will ring again as he sits in church before the services begin. He will set his watch by the bells — they will help him chart his days, his life.

I want the soil, the trees, the killdeers, the farm animals and crops, the bells of a country church, to be a part of my son's life.

Congratulations
On Your
25th
Anniversary

TOM MIKLAS

Washington
County's

John Deere Dealer

New John Deere 8430 and 8630

"Adaptable" - able to work drawn, hitch-mounted, and PTO equipment. "Muscular" they are, too - 215 hp on the 8430 (175 PTO hp); 275 hp on the 8630 (225 PTO hp). That muscle pays off in higher working speeds and greater lugging ability... channeled through the standard 16 speed Quad-Range™ transmission and virtually-lifetime Perma-Clutch™. "Packaged in Pleasure" they are - because a Sound-Gard® body is regular equipment. It more than satisfies OSHA requirements for roll-over protection and low sound level. And, within the Sound-Gard, you have handy hydraulic control of steering, braking, and equipment. You even control how comfortably you sit... swivel the seat, adjust backrest and arms, regulate it for your weight and height. Everything you wanted - including easier daily servicing - "happens" in the new 8430 and 8630. Stop in for literature and complete specifications.

High-level productivity from balanced components makes the John Deere 6600 a most popular buy

Look what the 6600 offers in total balanced design. Quik-Tatch corn heads up to 6-row size. Quik-Tatch platforms in widths to 22 feet. A 44-inch separator. Grain-tank capacity of 112 bushels or 147 bushels with extensions. Your choice of a gas engine with 110 observed horsepower... or diesel with 104. This popular John Deere may be right for you.

Congratulations to our local FFA members ...

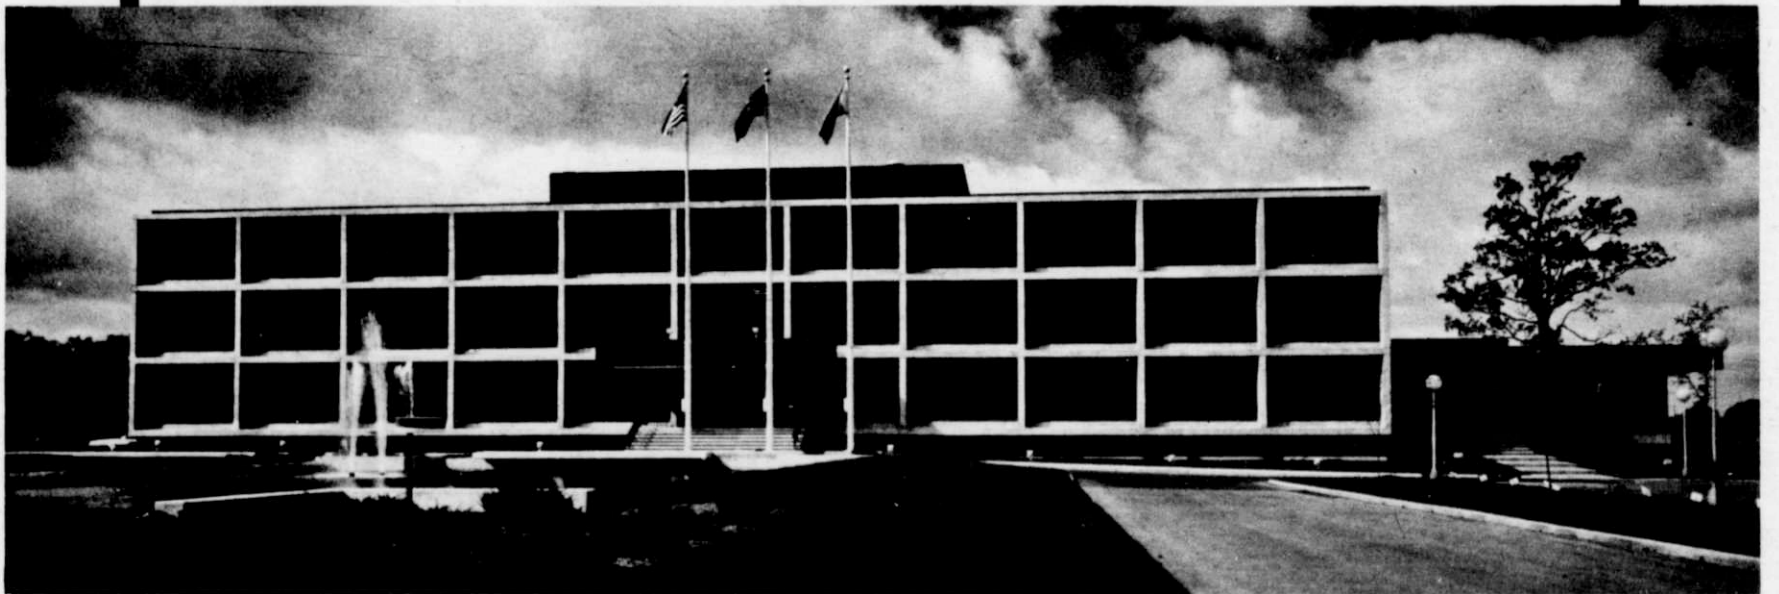

You'll be leaders for tomorrow's agriculture.
