Open House at New Fire Station

The long awaited time arrived this week when the Kewaskum Fire Department is moving their trucks and equipment into their new fire station costing over \$234,000 at 1106 Fond du Lac Ave., from the former over-crowded station in the municipal building.

An open house will be held at the new fire station on two consecutive Sundays, this Sunday, Nov. 28, and the following Sunday, Dec. 5, from 1 to 4 p. m. Invitations have been sent out to area fire departments to attend and the public is cordially invited to come and inspect the spacious, beautiful station. Refreshments will be served and all firemen (or their wives) are requested to bake cookies or bars for the openings.

The fire department's new \$73,000 snorkel, tele-squirt 1,000 gallon pumper with 50-foot aerial ladder and 50-foot water tower will also be on display.

The firemen saved much

added cost on the new station by doing the painting, staining, laying of floor covering and a lot of other volunteer work themselves evenings and weekends. Members have been very busy working there in recent weeks.

Land for the new station was obtained by purchasing the Clarinda Schmidt and Ralph Fellenz properties. Topsoil was removed last November and bids for the building were accepted during the winter. Ground-breaking ceremonies were held April 12, 1976, after which construction was started. Architects for the building were Tesch - Tesch and Associates of Fond du Lac.

The structure contains approximately 13,400 square feet of space with a 94-foot frontage. The one-story building is built of pre-engineered steel with masonry walls of colored and textured concrete block in a shade of light brown. The station is designed for six equipment bays

capable of housing 12 fire fighting units.

Besides the large 70' by 100' equipment area, it contains a 40' by 50' meeting room, training room, fire chief's office, small conference and meeting room, dispatch office, first aid room, kitchen, toilet, wash down and shower rooms, and various equipment storage areas.

The building has no basement. Parking space for approximately 70 cars will be provided. Some of the area could be used for regional fire and first aid meetings.

Augie Bilgo is the fire chief and Rick Boden assistant chief in charge of the department consisting of 45 active men. The department now has two ambulances and six fire trucks.

Christmas Coupon Sale Next Week

The Kewaskum Area Chamber of Commerce is sponsoring its fourth annual "Christmas Coupon Week" promotion sale all next week, Nov. 29 through Dec. 4, in which coupons redeemable at Kewaskum business places are offered.

These valuable coupons offer merchandise at greatly reduced prices during the week and participating merchants invite shoppers to do their shopping in "Friendly Kewaskum" and take advantage of this sale to do their Christmas buying early.

The coupon ads appear on the inside pages of this issue of the Statesman.

Scouts Announce Leadership Changes

At a recent committee meeting, new leaders and changes were announced for the Kewaskum Cub, Webelos and Boy Scouts.

Marilyn Haug continues as "Cubmaster;" Marvin Draves was named Webelos leader with Bob Scannell assisting; Tom Koerble Scoutmaster with Pete Albers, Curt Erdmann, Ken Leitheiser and Ted Miller assisting, Bob Sparks as committee chairman with L. N. Peterson continuing as advisor and Lloyd Hron as treasurer.

A number of dads of current scouts are serving on the committee to help in programming and various activities.

The Kewaskum Kiwanis Club continues as sponsor for the Kewaskum Scouts.

Ken Rademacher continues as institutional representative.

Mitchell Attends State Workshop for Athletic Directors

Ernest Mitchell, Athletic Director for Kewaskum High School, has attended the tenth Annual State Workshop of the Wisconsin Athletic Directors Association at the Holiday Inn, Stevens Point.

The state meeting was the largest ever held for secondary school directors of athletics with approximately 300 athletic directors and girls' sports coordinators enjoying three days of workshops, exhibits, and presentations by state and nationally known personalities.

Matt Otte, Associate Director of the Wisconsin Interscholastic Athletic Association, gave the keynote address on Sunday evening. His topic, X's and O's are people, was an outstanding presentation to kick off the workshop. The Awards Luncheon speaker on Monday was Ron Blomberg of the Milwaukee Bucks. The workshop concluded on Tuesday with a luncheon and an excellent address by Gary Bender, Sports Director of KMOX-TV, St. Louis, Missouri, and National C.B.S. Sportscenter.

Among other speakers were State Senators Dale T. McKenna, 13th District, and Walter J. Chilsen, 29th District; Gene Calhoun, Attorney, Madison; Bruce Bickel, Midwest Director of the Fellowship of Christian Athletics (FCA); John E. Roberts, Executive Director of the WIAA; and John Bliese, President of the Wisconsin Athletic Directors Association. Many directors participated in the individual session programs.

One of the highlights of the workshop, dedicated to Clifford B. Fagan, retiring Executive Secretary of the National Federation of State High School Associations, Elgin, Illinois, was the presentation of a large plaque to Fagan.

Receiving an award for being selected the State Athletic Director of the year, 1975 was Harold Schumert, Osh-

kosh West High School. Schumert was also selected Midwest athletic director of the year and one of the six finalists for National Director of the Year Award.

Distinguished service to high school athletics awards were presented to five non-school persons.

These awards were presented for outstanding contributions those men have made to local high school athletic programs.

PARTICIPATES IN TRAINING PROGRAM

Frank King, R. 1, Kewaskum, recently participated in a two-week training program at General Telephone Company of Wisconsin's Service Department Training School at Portage.

The specialized training was in the installation and maintenance of telephone key systems, related telephone sets, and associated power supplies.

This is another General

Telephone program geared toward providing the best possible telephone service for its customers according to Bill Smythe, Facilities Instructor at the Portage Training School.

Club to Entertain Senior Citizens

The Kewaskum Woman's Club will entertain the Kewaskum Senior Citizens at their Dec. 4 meeting.

The program will feature the Kewaskum High School Chamber Singers who are under the direction of Ms. Chris Stark. This group consists of 20 select singers from the concert choir. They perform literature from all musical periods incorporating choreography with more recent styles. The program will also include Christmas selections and some favorites from the 1920's.

Honor Local Historical Society

The Brown County Historical Society was awarded the Reuben Gold Thwaites trophy as the outstanding local history society of the year at the Council for Local History's annual convention Nov. 13 in Madison.

Seven other local history groups, including Kewaskum's, were awarded certificates of commendation and a number of individuals were honored with awards of merit during a luncheon at the Wisconsin Center.

The prestigious Thwaites trophy is given each year in recognition of exceptional work by a local society affiliated with the State Historical Society of Wisconsin. Thwaites, who headed the State Historical Society from 1887 to 1913, is credited with starting the local history movement in Wisconsin.

Four of the certificates of commendation, including Kewaskum's, have been voted for museum development.

The Burnett County Historical Society received a commendation for construction and development of a county history museum; the Kenosha County Historical Society for the addition of a \$160,000 wing to its museum, the Kewaskum Historical Society for converting the Kewaskum municipal garage into a community history museum, and the Polk County Historical Society for converting the old county courthouse and two one-room schools into historical museums.

For leadership and long and meritorious service, awards of merit were presented to Pearl Dopp of the Wild Rose Historical Society; Lillian Mackesey, history editor of the *Appleton Post Crescent*; Dorothy Straubel Wittig of Brown County Historical Society, and Leliah Zanton of the Rock County Township Historians.

Tom Bast Heads Threshold Board

Thomas Bast, a member of the Threshold Board of Directors for the past six years, was elected president at the recent annual meeting.

Other members reelected for three-year terms were Don Stevens (Hubertus), Al Zimmerman (Slinger), and Norman Colby and Harold Koche, both of West Bend.

The annual meeting was a joint meeting of the Threshold Board and the Washington County Association for Retarded Citizens (WCARC) Board. The WCARC Board is the electoral stockholder of the Threshold, a nonprofit, nonstock, incorporated, sheltered workshop and training center for handicapped children and adults.

The agenda included a treasurer's report by John Rozek, and an annual operations report by Director, Horst D. Wagner.

The Threshold Board reelected the following officers: John Rozek, Treasurer, and Don Stevens, Vice President. Doris Fisher was the newly elected Secretary. She replaces Kathleen Walter who served as Secretary for ten years. Miss Walter remains on the Board.

William Alderson, the immediate past President,

thanked the Board and the WCARC for the support they had given the Threshold during his tenure. Alderson has been a board member for eight years. He served as President the previous three years and has one year remaining in his current term.

Other board members presently serving include: Norman A. Scholter, Ted Dickmann, both of West Bend, and Ken Krescheck from Hartford. All officers and members serve on a voluntary basis.

A BOUNTIFUL HARVEST

The tradition of giving thanks for the season's harvest is one we can all readily participate in this year. It has been a bountiful year for Americans. A sickly economy is recovering. Our heritage of free elections has once more shown its strength.

Thanksgiving 1976, therefore, is an appropriate time for us to give special thought to our democratic system of government, which has brought us so far and enabled us to improve the quality of our lives over the centuries.

Of course problems remain. But the most crucial fact for all of us to remember is that *it will be the way in which we deal with those existing economic problems* that will either strengthen, or destroy, the precious system that has created America's bountiful harvest.

Among other prayers we offer for the coming year, we might also include one for our elected officials, that they will focus on policies which will make it possible for American industry to grow to its full potential and create more and better jobs for all Americans.

We must see to it that bountiful harvests will continue to be the rule for many Thanksgivings to come.

Abraham Lincoln was smart enough to laugh at his homeliness. During one debate he was accused of being two-faced. Lincoln replied simply, "I leave it to my audience. If I had two faces, would I be wearing this one?"

Dear Editor:

In view of National Newspaper Week from October 10-16, I wish to take this opportunity to express my thanks for your support in publicizing benefits affecting veterans and their dependents.

National estimates indicate that approximately 50% of the population of the United States is or will be eligible for some benefit administered by the Veterans Administration. Our ability to serve veterans is increased significantly as the result of accurate and timely announcements contained in publications such as yours.

On behalf of our nation's veterans, we are grateful for your past cooperation and hope we can look forward to continued support.

Sincerely yours,
JOHN D. BUNGER
Director

Robert Jung

Airman Robert M. Jung, whose parents, Mr. and Mrs. Joseph E. Jung, reside on R. 1, Kewaskum, has been selected for technical training at Presidio of Monterey, Calif., in the Air Force language field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Jung is a 1976 graduate of Kewaskum High School.

Daniel Krueger

Airman Daniel L. Krueger, whose parents are Mr. and Mrs. Oliver A. Krueger of R. 1, Theresa, has been assigned to Chanute AFB, Ill., after completing Air Force basic training.

During the six weeks training at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Krueger will now receive specialized training in the aircraft equipment maintenance field.

Navy Operations Specialist Seaman Eugene R. Kopping Jr., son of Mr. and Mrs. Eugene Kopping Sr. of Kewaskum, participated in Exercise "Comptuex 1-77."

He is a crewmember aboard the replenishment oiler USS Kalamazoo, homeported in

Mayport, Fla.

"Comptuex 1-77" was a two-week exercise conducted by the U.S. Second Fleet off the coast of northern Florida. The exercise was designed to provide training in surface, anti-submarine warfare and task group operations. Nine U.S. Navy ships, the Coast Guard cutter Gallatin and a German frigate, FGS Moelders, took part in the exercise. The combined task group was under the tactical command of Rear Admiral Bruce Keener, USN, commander of the Second Fleet's Cruiser - Destroyer Group Two.

A 1974 graduate of Kewaskum High School, he joined the Navy in October 1974.

Presented Wildlife Conservation Awards

Dan Wickert and Glenn Peters (left to right) presented wildlife conservation awards to Mr. and Mrs. Roland Nickel and Mr. and Mrs. Lawrence Maurin.

**By DON KURER
District Conservationist**

Mr. and Mrs. Roland Nickel and Mr. and Mrs. Lawrence Maurin were presented with wildlife conservation awards by the West Bend Kiwanis at a noon dinner meeting at the Masonic temple Tuesday, Nov. 2.

The award is presented each year to a Washington County farmer and non-farmer for doing an outstanding job in the development and preservation of wildlife habitat on their land. Both are district cooperators with the Washington County Soil and Water Conservation District.

The award committee con-

sisted of Dan Wickert and Art Schmidt, Kiwanis conservation committee, Willard Heppe, Soil and Water Conservation District supervisor, Armin Schwenkel, DNR game manager and Donald Kurer, district conservationist of the Soil Conservation Service.

Colored slides of the Nickel and Maurin projects were shown.

The Nickels own a 176-acre dairy farm three miles north of Nenno. In 1974 they developed a shallow wildlife pond jutting into a 29-acre wooded wetland area. On the banks can be seen prints from a variety of wildlife from raccoon to deer. Many ducks find this spot a good

refuge.

In 1975 a one-half acre spring-fed pond was constructed for fish habitat. Also in 1975 and 1976, 1,850' grass waterways and 3,300' of diversion terraces were constructed on the cropland. These practices move water gently down slopes and keep streams, ponds and duck marshes free of sediment. They also produce food for wildlife and their edges are nesting places for pheasants.

Fifty-two acres of strip cropping applied in alternate bands of crops and grass also provide a lot of edges where wildlife food and cover are close together.

The Maurins have 20 acres of wildlife land on the

north edge of West Bend. The entire area is covered with trees, shrubs and water. They have identified 224 different bird species in the last 20 years. A bird club recorded 40 species in one outing and Dale Houdek, the West Bend School District environmental coordinator identified 42 species in two outings with his classes last spring. A bird graveyard is maintained for 31 birds which were found dead from various causes.

The three-acre shallow lake is bordered by cattails, wetland shrubs and open marsh. Here it is not uncommon to see four to six families of ducks make their home - blackducks, woodducks, mallard, scoup, teal and grebes. A green heron was also spotted.

White cedar, Norway pine, white spruce, highbush cranberry and multiflora hedges were planted on hills throughout the property among existing plants since

the Maurins acquired it. Six brush piles, two woodduck boxes, six tree swallow boxes and sixteen wren houses were also placed throughout the area.

It has also been announced that both the Nickel and Maurin wildlife projects are the winners of the area-wide contest of the S.E. Wisconsin Area Assoc. of Soil and Water Conservation Districts.

More Flu Vaccine Clinics Scheduled

Flu vaccine clinics continue to be held in Washington County, offering swine flu vaccine to all residents over 18 years of age and chronically ill children.

To date, 29% (13,728) of the eligible population has been immunized, and provided themselves with protection against swine flu.

Additional clinics are planned, to continue offering protection to the unimmunized population of Washington County.

- Clinics are scheduled for:
- Dec. 1—Jackson, Jackson Elem. School, 3:30-6:30.
 - Dec. 2—Richfield, Richfield Elem. School, 3:30-6:30.
 - Dec. 3—Germantown, County Line School, 3:30-6:30.
 - Dec. 9—Hartford, Lincoln Elem. School, 3:30-6:30.
 - Dec. 10—West Bend, Silverbrook School, 3:30-6:30.

For further information regarding flu vaccine or clinics, call Community Health Nursing Service, 334-3491 or 644-5204, extension 261.

INSULATE YOUR HOME NOW. SAVE!

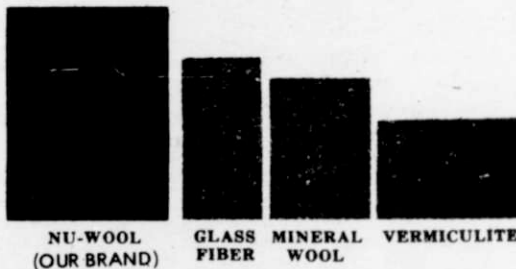

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *
- * No Charge for Use of Blower When You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

PERFORMANCE

NU-WOOL Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.

COOLS IN SUMMER

NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

REDUCES HEAT COST

Correct attic insulation can save you 30% or more on fuel.

HIGH R-VALUE

NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.

HELPS CONTROL ICE BUILDUP

Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.

MANUFACTURING INSULATION SINCE 1949

NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.

PLUS SOUND PROOFING

One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

RESISTANT TO MOISTURE

The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.

WILL NOT DETERIORATE

It is a life-time insulation because it is treated with chemicals that are permanent.

FIRE RESISTANT

Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

VERMIN AND RODENT RESISTANT

Chemically treated to repel insects and rodents from working in materials.

GUARANTEE

Nu-Wool Insulation is guaranteed for the life of the structure (building).

LIGHT WEIGHT WILL NOT SETTLE

Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

Schlaefer again heads Catholic fund appeal

Leo F. Schlaefer was again named as Washington County chairman for the 1977 Archbishop's Fund Appeal.

Serving as chairman for the sixth consecutive year, Schlaefer will coordinate the fund appeal in the 21 parishes and missions of the county.

The appeal will be conducted next Feb. 27-March 6 in the 10 counties of the Archdiocese of Milwaukee and is the major source of revenue for the archdiocese, supporting a variety of agencies, programs and services.

In 1976, the Fund Appeal topped the \$3.5 million mark for the first time in history with subscriptions totalling \$3,529,730 from 116,400 donors.

Washington County achieved 107 per cent of its \$120,000 goal, with subscriptions totalling \$128,340 from 4,847 donors.

Hillman Named to S & L Board

Lawrence W. Hillman has been named to the board of directors of West Bend Savings and Loan Association to fill an existing vacancy according to Richard A. Larson, West Bend Savings chairman and president.

Hillman is vice president, facilities and specialty operation of the West Bend Company. He has been associated with the West Bend Company since 1954 and was named to his present position in 1973.

A 1949 graduate of the University of Minnesota with degrees in both Mechanical Engineering and Business Administration, Hillman received his MBA from the University of Wisconsin. He is a member of the American Management Association and is also a registered professional engineer in Wisconsin.

Larson indicated that Hillman will be a valuable addition to the West Bend Savings board because of his extensive service and experience as a former commissioner of the Southeastern Wis-

consin Regional Planning Commission and as chairman of the joint coordinating committee concerned with urban redevelopment work in the city of West Bend.

Hillman is a member of the West Bend Kiwanis Club and Trinity Lutheran Church. Hillman and his wife, Helen, live at 5047 South Oak Road, West Bend.

WAYNE CRUSADERS 4-H CLUB NEWS

The Wayne Crusaders 4-H Club meeting was called to order by Club President, Julie Stoffel. Initiation of officers was as follows: President, Lori Schmidt; Vice-President, Ann Stoffel; Treasurer, Rick Schlosser; Secretary, Anne Garman; Repor-

ter, Cindy Flasch and Pledge Leaders, Heidi Flasch and Jay Buckingham.

Roll call was to bring enrollment sheets and 25 cents dues. The secretary's and treasurer's reports were read and approved as read.

Next month will be our Christmas party. Everyone is to bring a gift of value no less than 50 cents, but no more than \$1.50. There will be bag lunches for 25c so there will be no refreshment committee.

There being no further business, the meeting was adjourned.

Led by Football Star, Plymouth Thumps Indians in Opener, 64-49

Jim Pieper apparently made the transition from football to basketball without any difficulty, as he led Plymouth of the Packerland Conference to an easy 64-49 victory over Kewaskum in the Indians opener here Friday night.

The Panthers' junior athletic standout, who rushed for 173 yards and scored four touchdowns the Saturday before when Plymouth shelacked Iowa-Grant, 42-14, in the WIAA Class B football championship game, saw his first basketball action of the season Friday.

Pieper, a starting guard, dazzled Kewaskum with his ball handling. He only scored 10 points but they were big ones. He hurt the Indians by handling their press with his quickness under pressure.

Being the first game as well as a non-conference tilt, Coach Jim Westphal substituted continuously or the game might have been closer. He gave most, if not all, the members of his large, inexperienced squad an opportunity to show themselves. On the other hand, Plymouth stayed with their starting five most of the game.

After a slow start, the Indians held their own in the first quarter and trailed by only 2 points, 14-12. But Plymouth took charge in the second period when they outscored Kewaskum, 17-7, to make it 31-19 at halftime. The Indians were hurt by 4 missed bonus free throws in that quarter.

Six-foot-six Bruce Fredericks paced Plymouth with 20 points, while Leon Laatsch, the only starter back from Kewaskum's 1975-76 Scenic Moraine Conference championship team, led the losers with 10 points.

The Panthers showed the same scoring ability in an easy 60-46 win over West Bend East the previous Tuesday. It was the first game for the Indians and it showed as they made a lot of mistakes. They were out-rebounded 42-27, led by the tall Fredericks.

In some other games, Scenic teams all beat Little Ten Conference schools. Grafton shaded West Bend West, 52-51. Slinger won over West Bend East, 57-51, and Germantown edged Hartford in double overtime, 60-58. Hartland's grid champions also downed Mukwonago, 49-40.

On Tuesday night Kewaskum took on West Bend East in the Suns' fieldhouse in another non-conference affair.

Form Indians Booster Club

The members of the Kewaskum Indians Booster Club wish to invite all parents and students to join the club. The purpose of the club is to raise funds to help defray the cost of the annual Awards Night banquet which is held each spring. Additional monies raised will be used for other items which are outside of the normal school budget.

The first social event held was a dance at the Amerahn. The next scheduled event will be travel by chartered bus to the basketball game at Grafton on Dec. 3. Anyone interested in making the trip or in joining the club should contact Lee Kempf, John Coulter or Dick La Fleur.

WEDNESDAY MORNINGETTES
Everglades Supper Club 22-14, Serwe's Tap 22-14, Herriges Tap 22-14, Papa Joe's 17-19, Weis Tavern 16 1/2-19 1/2, King Pin Lanes 15 1/2-20 1/2, Silver Key 15-21, Rick's Pizza 14-22.

KHS Girls Open Basketball Season

With a new coach, Mike Theiler, guidance counselor the Kewaskum girls' basketball team opened a new season against New Holstein on Monday in non-conference play.

Theiler feels he has one of the best girl basketball players in the conference in 5-9 senior Julie Stoffel, who was MVP on last year's team that went to the Class B Sectional finals. She has a fine jump shot and plays solid defense. Julie had 42 points in a scrimmage against Random Lake last week.

Other letter winners are: 5-5 guard Kathy Mertz, 5-11 center Bonnie Schmidt, 5-6 guard Ann Weddig and 5-7 soph Yvonne Schacht. Other top prospects are: Mary Schoofs, who led JV scoring last year, Mary Ryan, 6-0 junior, and Janine Prost, 5-9 senior.

The new coach is assisted by Sue Schmitz (JV's) and Ken Soerns (freshmen).

Indian Wrestlers To Open Season

The Kewaskum Indians varsity wrestling team will open a 14-meet schedule next Tuesday, Nov. 30, when they host Campbellsport in non-conference action.

The Cougars, a perennial powerhouse in wrestling, have already bumped Menomonee Falls North 36-14, and Nicolet, 48-8, who were their 70th and 71st dual victims in a row.

The complete 1976-77 Indians' schedule appears in the Kewaskum High School winter sports schedule in the lower right hand corner of this page.
