600-700 Attend Open House at New Fire Station

Additional photos on page 4

Between 600 and 700 persons attended the open house at the Kewaskum Fire Department's new fire station Sunday afternoon. Tours through the spacious building were given to the public by the firemen and first aid demonstrations were given by

members of the rescue squad. Bars, cookies, coffee and soda were served.

Those who were unable to attend last Sunday's open house will be given the opportunity to view it this coming Sunday, Dec. 5, when open house will again be held from 1 to 4 p. m. First

aid demonstrations will also be given again and refreshments served.

The above photo shows visitors being shown some of the firemen's eight pieces of equipment.

Kathryn O'Reilly In 'Who's Who'

Ten students of Marian College of Fond du Lac have been notified that their names will be published in the next edition of WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES. Junior and senior students are nominated by the faculties in the divisions of the college and by members of campus organizations and selected by a faculty committee. Basis for selection is academic excellence, leadership in college activities and organizations, and contributions to community and professional services especially in the area of their college major.

The recipient in this area is Kathryn O'Reilly of Cascade.

Miss O'Reilly, daughter of Mr. and Mrs. Robert O'Reilly, Route 1, Cascade, is a graduate of Kewaskum High School. Currently she is a senior student at Marian College with a major in Human Relations and concentrations in Social Work, Sociology and Psychology. She has been active in college organizations having served on committees such as Freshman Orientation, Family Week End and Student Life. She has been a Resident Assistant at Naber Hall, a college dormitory. Currently she is the recording secretary for the Student Senate and is a volunteer worker for the area Retarded Citizens of Fond du Lac. She is a member of Tatigut, a Marian College volunteer group to help the elderly and needy, and at present is the secretary of that organization.

The other Marian College

students receiving this recognition are: Anne Bucci, Waukesha; Judy Dettmann, Green Bay; Ann Gendron, Fond du Lac; De Rose Kaloudis, Fond du Lac; Lori Rieth, New Holstein; Jean Roskopf, Mayville; Joan Scharof, Hartford; Gregory Sobolewski, Ironwood, Michigan; Margaret Williams, Bettendorf, Iowa.

Mathilda Mayer, John Volm Die

Mathilda (Tillie) Mayer, 91, a former resident of Kewaskum, died Wednesday morning, Dec. 1, at the Samaritan Home, West Bend. Funeral arrangements are pending. Please call Miller's Funeral Home at 626-2185.

JOHN VOLM

John Volm, formerly of the Town of Kewaskum, died Wednesday afternoon, Dec. 1, at the Samaritan Home, West Bend. Funeral arrangements are pending. Call Miller's Funeral Home at 626-2185.

NOTICE TO VIETNAM, KOREA AND WW2 VETS

On Monday evening, Dec. 6, the Veterans Service Officer of Wisconsin will hold a question and answer session on benefits available to you. If you have any questions as to your eligibility now is the time to have them answered.

Place: American Legion Hall in Kewaskum. Time: 7:30 p. m.

Trash Pickup Approved by School Board

The Kewaskum Board of Education faced a very light agenda at the meeting held Monday evening. In addition to the standard approval of minutes and payroll and vouchers payable, there were only two other actions taken.

In the first, the board voted to approve trash pickup by Lloyd Zahn at the schools located in the village. This would eliminate the necessity of burning at these schools, as has been done in the past. The cost for the remainder of the year will be about \$1200 - \$1300. The cost of repairing the high school incinerator, which would be required if the school was to continue to burn trash, was \$1320.

The board voted not to sell the portable building at Wayne, since it is presently used for all music instruction. The question had been raised by the county sheriff's department. It had been discussed by the Kewaskum board during the recent building program, but had been decided against at that time also.

Superintendent Brenholt announced that a representative of the Department of Public Instruction will be in the district schools on Thursday and Friday, December 2nd and 3rd, to go over the requirements of the 13 standards. These deal with a number of state requirements, including art, music, physical education, guidance programs, etc.

A closed session was held following the meeting to discuss teacher negotiations.

The Summer of '32

An Honorable Mention certificate was awarded to Jim Andre, 9375 Old Fond du Lac Road, Kewaskum, by the Wisconsin Regional Writers Association in Madison. Andre won the award for his entry in the "1976 Yarns of Yesteryear" Contest entitled "The Summer of '32." The contest was sponsored by the University of Wisconsin Extension Programs on Aging and the Wisconsin Regional Writers Association as a bi-centennial event. More than 600 senior citizens, ranging in age from 60 to 96, sent entries reminiscing about their early lives. They told of pioneer farming, "Penny Auctions" and "riding the rods" during the depression, pie socials, family medical remedies like the asafetida bag, etc. Andre's entry won an honorable mention by placing among the top 40 out of the some 600 entries.

By James Andre

In 1932 times were hard, money was scarce, it was impossible to find work. It was a warm sunny day in May when I met my friend "Wabeno Joe" Enders in Kewaskum. He asked me to join him on a trip to Livermore, California to visit his uncle. We agreed to meet at the depot at 6 P. M. in the afternoon. I packed some extra clothes, soap, towel, razor, etc. into a pack sack, also a warm woolen jacket. I had \$2.25 in my pocket, walked down the track to the depot and found Joe waiting for me. About 6:30 P. M. the north bound train stopped and when it left we were riding on the water tank. At Oshkosh we got off to take a Soo line passenger train to Minneapolis. A policeman would not let us get off until we convinced him we would leave town at 10:30. He was at the Soo line station to see us get on and we were on our way.

Stevens Point was a difficult place to get through. The railroad detectives were tough and checked every freight and passenger train for free riders. The friendly engine crew let us ride in the coal car and when we got into Stevens Point the fireman got on the water tank to fill it. "No riders tonight, Red," he said, when the detective came to check the water tank. Early the next morning we got to the Twin Cities. We climbed down off the water tank and walked out of that big depot with the naying passengers. How we got away with this I will never know.

At the Great Northern freight yard we found a

place to wash off the coal dust. After this we rode freight trains and did not get so dirty, we usually looked for a box car with a basswood floor for a "softer bed." At the Great Northern freight yard there were quite a few men waiting to get a ride west. Sometime in the afternoon about fifteen of us got into an empty box car just as the train started to leave the yard. It was an interesting experience riding through the western states. I can still remember the sound of the steam locomotives pulling up the steep grades in the mountain passes. How could one ever forget the steam whistles of the Iron Horse. We traveled together until we got to Washington. Whatever food we could get we shared. Milk was always to be had at dairies. Sometimes we washed dishes for a meal. We ate at the Salvation Army, we also had some hungry days. At Wolf Point, Montana the train was in a siding to let a passenger train go by. While we were waiting in the siding one of our group slipped away and came back to the car with a large hot ham that must have weighed eight or ten to twenty pounds. It was so hot he could hardly carry it. We hid it until the train left town. The ham and some day old bakery goods really made a feast. He never did tell where he got it, someone's loss made a feast for a hungry bunch. We stopped a day at Glacier Park. There were many deer watching the train as we traveled through the forests of Idaho, also many large idle lumber mills in the villages. After we got to Spokane we headed south to San Francisco. At Pasco there was a camp of perhaps five hundred men catching fish in the river and trading them for food. Their shacks along the river were made of old lumber, boxes and tin. They called it "Hooverville."

NOTICE TO POSTAL PATRONS

The Kewaskum Post Office is now on the Area Mail Processing System. With this new system all mail other than local is processed in Milwaukee. It is imperative that all local mail and R. 1 and R. 2, Kewaskum, be dropped in the local slot at the post office. If local mail is dropped in the out-of-town slot your mail will go to Milwaukee first, which could cause a delay. Thank you for your cooperation.

(Continued from Page 1)

through high country, there were many bridges over deep valleys. Further south the railroad ran along the banks of the Feather River for many miles. Many places men were panning gold on the sandbars. I was told very little gold was found. Narrow gauge logging railroads brought large logs to the mills many places along here. At Tracy, California we were in a locomotive graveyard. Several hundred old steamers were parked here, some were very old and had diamond stacks.

We finally got to Livermore, walking the last seven miles. I still had my \$2.25. We met Jack Harter, Joe's uncle, in town. He had brought eggs to the grading station. He was a brother of Gregor Harter of Campbellport. Most of his eleven acres were used for growing grapes and apricots and he also had about one thousand laying hens. During the six weeks we were there we helped harvest the apricots and built a shelter for another eight hundred hens. While there he gave each of us \$5.00 which we spent in San Francisco riding the cable cars and bay ferries. We visited the docks and other points of interest and stayed with people who owned land near Harter.

Harter tried very hard to find work for us in town as he wanted us to stay with him. None was to be found so we decided to leave for home. Jack gave each of us \$5.00 and we were on our way back to Kewaskum. Mojave, Barstow and Las Vegas were next on our tour. Legalized gambling was just a year old in 1932. The Lucky Strike, Golden Nugget and the Apache Club were the only casinos in Vegas. We stayed here about a week. About six hundred men slept in the park in front of the Union Pacific depot. It was a good place to be, free food and drinks were available around the clock in the casinos. A wide open roaring village as workmen who were building the dam spent lots of money. From Vegas we rode to Ogden, Utah and then east to Chicago on the Union Pacific and Northwestern. At Cheyenne Joe and I somehow got separated catching a train. We were on the same train but did not know it as trains were long and several hundred men were on this train. We looked for each other on the trains and in rail yards on our way east. It was common to see four hundred riding one freight train on the Union Pacific. Most of the cars were loaded so we rode on top.

It was on a Saturday afternoon when I got off a freight in the Northwestern yards in Milwaukee. I was hungry and went to the Red Room in the Plankinton Arcade and ate two large hot beef sandwiches, finally busting the \$5.00 bill. At 9 P. M. I got on the water tank of a passenger train at the Northwestern

Depot and was back in Kewaskum at 10 P. M. My friend, Joe, had come back on the 6:30 P. M. train. Joe later moved to Alaska and was found dead in the woods. Someone had shot him.

As I look back now at the Great Depression of the thirties I often think of the men of the road. Perhaps we were a group all of our own, wandering, restless, always on the move, some going east, some going west, some going north and some going south, some not knowing which way they wanted to go. Though we came from all over going in every direction we seemed to develop a common bond for one another. We shared what little we had, talked about where we came from and what the country was like, what we did and where we wanted to go, and we trusted one another.

We often went to sleep at night only to awake to find someone else had gotten on the train during the night and was sleeping beside you when you awoke. Never did I experience or hear of anyone stealing from one another. Perhaps this is a fitting tribute to the character of these men.

I live near the Northwestern and as the trains roll by I often think of this journey. I am sure it would be impossible for anyone to do it now or any time in the future.

Farm Bureau Women Busy

The Washington County Farm Bureau Women's Group has had some busy months since the fair ended in July.

Members went on their annual fall outing, this year to Honey Bear Farm near Lake Geneva. On Sept. 30 the annual meeting was held at the Knights of Columbus Hall at West Bend. At this time the Outstanding Young Man and Girl were named. Honorees were Debbie Emmer, a daughter of Mr. and Mrs. Jerome Emmer, and Tim Groth, son of Mr. and Mrs. Harold Groth. Miss Karen Fechter was named Washington County Farm Bureau Queen and was crowned by outgoing queen Darlene Moser. Mrs. Orlyn Mayer, Past President of the women's group was named the Farm Bureau Woman of the Year and will be honored at the state annual meeting at Stevens Point in December.

The October meeting was held in conjunction with a

sewing, baking and crafts contest. Winners in this contest were: Sewing, Marlene Witte; Crafts, Cindy Hauser; Baking, Pies - Apple, Berneta Hauser and Cherry Pie, Evelyn Brugger; bar category, Donna Kahlscheuer and Cindy Hauser. At this meeting the new officers for the coming year were announced. Mrs. Doris Fechter is President, Mrs. Ruth Stoffel, Vice President; Secretary, Mrs. Karen Schmidt, and Treasurer, Mrs. Evelyn Brugger.

On Oct. 26 several women from the Washington County organization met in Mukwonago for a fall workshop and

on Oct. 29 the annual Fish Fry was held at the Knights of Columbus Hall.

Dec. 4 through Dec 7 will see delegates from Washington County going to the annual meeting at Stevens Point to participate in various activities such as the Queen Contest, Young Farmer's Group, the women's activities and the Farm Bureau Men's activities.

This will bring 1976 to a close and on to a full and rewarding 1977.

**Care for Children
Project Undertaken
By Junior Women**

Another new project being undertaken by the Kewaskum Junior Women's Club this year, called the Care for Children Program, is also an international activity of women's clubs dealing with nutrition and development. It involves a world very different from our own — a world of polluted water and poor food supplies, in which children by the millions suffer and cry for help from someone! (Try picturing your own children without even their cookies or ice cream). The kids we're talking about have never seen an apple.

It is the dream of the Wisconsin Federation of Women's Clubs, of which KJWC is a member, to help. Using our funds, the Care of Children projects in four Latin American countries will establish "nutrition centers" to help people grow their own food, thus leading healthy lives.

An aid to generating some of the needed funds in the Kewaskum area is the special Christmas card plan. To order a Care Kit of 10 cards, matching envelopes, inserts and explanatory information, contact Cindy Knoebel.

chairman - International Affairs Committee of KJWC at 626-4311. The price is nominal, considering you might be helping even one child to a decent meal — something we fortunate ones have come to expect. Please help KJWC to make these children have a full stomach for the first time in their lives.

**Wilmer Wendels
Celebrate 50th**

Mr. and Mrs. Wilmer Wendel of rural Random Lake celebrated their golden wedding anniversary with a reception and dinner for 88 guests at the Amerahn Hall, Kewaskum, on Nov. 21.

Wilmer, son of Mr. and Mrs. Sylvester Wendel, and the former Luella Paulus, daughter of Mr. and Mrs. Peter Paulus, were married Nov. 16, 1926 at the Silver Creek Parsonage by the Rev. K. Kuenne.

The Wendels, who have worked in farming all their lives, are members of St. John's United Church of Christ, Boltonville. He is a member of Modern Woodmen of America Camp 2256 of Boltonville, serving as secretary for 50 years. He is also a member of the Boltonville Fire Department, and the Triangle B American Legion.

Mrs. Wendel is a member of the Triangle B American Legion

Auxiliary. Both in good health, the Wendels enjoy card playing as their hobby.

Among the guests were Mr. Wendel's brother, Art, who was the attendant for the wedding, and the couple's son, W. Allan Wendel of rural Random Lake. They have two grandchildren.

Out-of-county guests included Mr. and Mrs. Ronald Lange, Viola Leidecker and Dr. Frank Marsh of Milwaukee; Mr. and Mrs. Ray Hilgendorf, Germantown; Mr. and Mrs. George Hess, Appleton; Rev. E. Stanford, Mequon; Mr. and Mrs. Ed Timmler, Marshfield; and Mr. and Mrs. Fred Timmler, Loyal.

Mrs. Rose Thull, Others Pass On

Mrs. Rose Thull, age 80 years, of R. 2, Kewaskum, was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, Thursday morning, Nov. 25.

She was born in the Town of Kewaskum March 3, 1896, to the late William and Dorothea Muckerheide. She married Oscar Thull on Nov. 25, 1929 at St. Michael's Church, St. Michaels. The couple farmed near St. Michaels where she lived until the time of her death. Her husband died in May, 1961.

Mrs. Thull was a member of St. Michael's Catholic Church and an honorary member of the Christian Mothers Altar Society of the church.

Surviving are one daughter, Miss Theresa Thull, R. 2, Kewaskum; one son, Robert (Kaye) Thull, R. 2, Kewaskum; one sister, Mrs. Marie Holzmer, Kenosha; many nieces, nephews, other relatives and friends. A son, daughter, eight sisters and five brothers preceded her in death.

Visitation was after 3 p. m. Sunday at Miller's Funeral Home, 215 Forest Ave., Kewaskum, and a prayer vigil was held at 8 p. m. Funeral services were held at 10 a. m. Monday from the funeral home and at 10:30 a. m. at St. Michael's Church. The Rev. William Bonesho officiated and burial was in the church cemetery.

PHILOMINA HEISLER

Funeral services for Miss Philomina Heisler, 87, formerly of Rosalind Apartments, Fond du Lac, were held at 8:30 p. m. Friday at Zacherl Funeral Home, Fond du Lac. She died Wednesday Nov. 24.

She was born March 16, 1889, at St. Kilian, a daughter of the late James and Margaret Stoffel Heisler. She was a member of St. Joseph's Catholic Church, Fond du Lac.

Surviving are two brothers, Leo and Peter Heisler, both of West Bend, and two sisters, Mrs. Margaret Bonlander of St. Kilian and Mrs. Elizabeth Schmerda of California. A sister, Mary Funke,

and brother Louis, J. Heisler, Kewaskum, preceded her in death.

The Rev. George J. Gibbons officiated and burial was in Holy Angels Cemetery, West Bend. Friends called after 4 p. m. Friday at the funeral home.

WILFRED N. SPARTZ of 915 Redwood St., West Bend, passed away Sunday, Nov. 28, at St. Joseph's Community Hospital, at the age of 69.

He was born Sept. 2, 1907, in Holy Cross, and at an early age moved, with his family, onto a farm in Ozaukee Co.

After his marriage to Evelyn Grotelueschen at Newburg on May 8, 1929, they moved to Great Falls, Mont. In 1940 they came to West Bend and later moved onto a farm near St. Michaels. Since 1968 they have lived in the City of West Bend.

He was employed at the Gehl Co. for 25 years prior to his retirement in 1972.

Survivors include his wife; five children, Evelyn (Lewis) Schmidt and Thomas (Janet), both of Kewaskum, John (Joan), Betty (John) Arndt and Robert (Rose), all of West Bend; 16 grandchildren; three sisters, Lucille (John) Gauthier of Kaleva, Mich., Lorraine Ironsides of Great Falls, Mont. and Mildred (LeRoy) Ciriacks of Saukville and other relatives and friends.

One son and two brothers preceded him in death.

He was a member of the National Catholic Order of Foresters.

Funeral services were held Wednesday morning at 9:30 at the Schmidt Funeral Home and at 10 a. m. at St. Frances Cabrini Church. Fr. Robert Braun officiated and burial was in Washington Co. Memorial Park.

Visitation at the funeral home was after 4 p. m. Tuesday with a prayer vigil at 8 p. m. Tuesday.

HELEN BEREND

Helen W. Berend (nee Wolf), clerk of circuit court for Washington County since 1965, died Thanksgiving Day at Montgomery, Ohio. She was 66.

She had been hospitalized at the Bethesda North Hospital there since Oct. 19, after suffering a stroke while on a bus tour in the South.

Mrs. Berend planned to retire next month after 34 years of service in the clerk of court's office, including five consecutive two-year terms.

At a testimonial dinner in October, County Board Chairman Reuben Schmahl had praised her for her "noble dedication and service" in a position that has seen a great increase in work over the years.

Mrs. Berend was born at Richfield, Wis., on Aug. 22, 1910. When she was eight, her family moved to West Bend. She grew up here, grad-

uating from high school in 1929. She married her late husband, Lawrence, on June 13, 1934.

After her husband was elected clerk of court, she was employed in the office. When he entered the U.S. Navy in 1942, she was named acting clerk in his place. After his death on Sept. 21, 1965, she was appointed to the clerk's post and held it continuously from that time until her death.

Following her first election campaign in November, 1966, the West Bend News reported: "Mrs. Helen

Berend, making her first race for office, polled just short of a 2 to 1 victory..." She piled up 9,244 votes to 4,959 for her Democratic opponent.

In that campaign, one of her appeals stated: "There is no substitute for experience."

At the October testimonial, The News reported: "There were also occasional looks of sadness on Berend's (and

At the time of her death, Mrs. Berend resided at 1341 Park Avenue, West Bend.

Funeral services were held on Monday, Nov. 29, at 10 a.m. from the Schmidt Funeral Home, 629 Cedar Street, West Bend, followed by a 10:30 a.m. service at Holy Angels Church, Father Warren J. Schmitt officiating. Interment was in Holy Angels Cemetery.

She is survived by two sisters — Lenore (Alex) Wickert of West Bend, and Hildegard (Lawrence) Bradley of Montello, Wis.; and one brother — Sylvester (Harriet) of West Bend. Four other brothers and one sister preceded her in death.

Further surviving are sisters-in-law, brothers-in-law, nieces, nephews, and other relatives and friends.

Mrs. Berend was a member of the Christian Mothers Confraternity; the Women's National Catholic Society of Foresters; past senior regent and member of the Women of the Moose, West Bend Chapter No. 732 — the Academy of Friendship and the College of Regents; past president of the clerks of circuit court; and the Society of Catholic Retired Association.

Visitation is at the funeral home after 3 p.m., Sunday, with a prayer vigil at 8 p.m.

The Women of the Moose will meet at 7 p.m., Sunday, at the funeral home to pay their respects.

The family suggests that persons interested in sending memorials should direct them to their own favorite charity.

TOWN BOARD MEETING

The Town Board of the Town of Kewaskum will meet Tuesday, Dec. 7, at 7:30 p. m. at the Clerk's office, 9055 Kettle Moraine Dr., Kewaskum. The Board will review the budget and set the town tax levy.

MINUTES OF VILLAGE BOARD MEETING

Bi-Monthly Meeting
November 15, 1976
7:30 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in bi-monthly session in the Council Room of the Municipal Building.

President Charles Miller presided and all Board Members were present.

Dan Schmidt stated a change should be made on the minutes of the November 1, 1976 meeting. The motion to approve the Finance Committee's bills should read "Motion by Raynor Herriges, seconded by David Nigh to approve the bills as presented by the Finance Committee." With this change, the minutes of the November 1st and November 8th meetings were approved unanimously upon a motion by Trustee Schmidt and seconded by Trustee Strack.

President Miller then opened the proposals from the two banks in reference to park financing. The proposals were as follows:

1. Valley Bank - 4.90%
2. First Wisconsin National Bank - 5.24%

President Miller then stated that both banks wished to address the Board and had handouts. President Miller suggested that the banks begin alphabetically.

Mr. Dennis Pordon of the First Wisconsin National Bank of Milwaukee stated that their plan did not allow prepayment; and, that their rate is for tonight only.

Mr. Wayland Tessar of the Valley Bank stated the bank offered the two plans as requested by the Board in their letter. Mr. Tessar stated "the Bank is flexible and would do the loan any way that is legal." Mr. Tessar also stated the loan can be prepaid in full or in part at any time; and, that the rate from Valley Bank is valid for 30 days as requested in the letter from the Village Board.

Trustee G. Nigh said the Finance Committee should study the matter.

President Miller asked Mr. Pordon "What if we decided later this evening and called you tomorrow?" Mr. Pordon said his bid would be good until tomorrow a. m. only.

A motion was made by Trustee Schmidt and seconded by Trustee G. Nigh to table the proposal until later in the evening.

Roll call vote — 6 "aye"
0 "nay"

1 abstained - Trustee Danielsen

President Miller stated that if the Committee wished to study the proposal "now is as good a time as any."

President Miller declared a recess at 7:55 p. m. to tabulate the proposals.

President Miller called the meeting back to order at 8:15 p. m.

Trustee Schmidt stated that the First Wisconsin Proposal had a total interest dollar amount of \$126,271.00 with a \$61.00 rebate for a net interest figure of \$126,210.72 and that the Valley Bank Proposal had a net interest figure of \$124,460.00 for a savings of \$1,750.72.

Mr. Tessar then stated that the Valley Bank plan was for ten years and not nine years at First Wisconsin's and it would show a greater savings if compared equally. Mr. Tessar stated that Valley Bank was flexible and if the Board wished a nine year plan, Valley Bank would be able to do this.

President Miller said "first we should decide which bank, and later we can decide which payment plan."

Motion was made by Trustee D. Nigh, seconded by Trustee Herriges to accept the Valley Bank proposal.

Roll call vote - 6 "aye"
0 "nay"

1 abstained - Trustee Danielsen

Superintendent Bilgo addressed the Board regarding the Fellenz property. He stated that the two tenants have been arguing over the hot water. Motion was made by Trustee Schmidt and seconded by Trustee Herriges authorizing Superintendent Bilgo to contact Frank Krueger and get a water heater and install it. Unanimous vote.

Superintendent Bilgo stated that there is a dog in the apartment and that he advised the tenant that they could not have a dog.

Superintendent Bilgo felt we should reimburse Fellenz for electricity and water used during the construction of the Fire Station. Trustee Danielsen stated that \$25.00 should be enough to provide for both. All Board Members agreed. Trustee Herriges stated that we had better get a renters agreement drawn up.

In a discussion on the Geidel House, it was noted there is a pest problem. The Health and Welfare Committee was requested to look into the matter and report back at the next meeting, December 6, 1976. The Committee Members are to meet on November 20, 1976.

Motion was made by Trustee Schmidt and seconded by Trustee Strack not to purchase the carpeting from Officer Bauer. Unanimous vote.

President Miller brought up the subject of new lights for the Council Room for which he will get an estimate.

President Miller had a request from the Kiwanis Club to get the name correct for the new park. It should be Kewaskum Kiwanis Community Park. President Miller stated that he would have a

resolution ready for the next meeting.

Trustee Herriges stated that Superintendent Bilgo had given him a bid from West Bend Implement for the purchase of a used tractor with front end loader in the amount of \$6,500.00 less trade of \$1,000.00 for a net price of \$5,500.00. It was then mentioned that we have a new tractor at a price of \$14,000.00 already figured in the \$360,000.00 for the park.

Trustee Schmidt reported that the Park Committee and President Miller met with Tom Blotz on funding for the park. The application must be in by December 31st. Mr. Blotz said they try for a 50% funding for the projects and if not enough money in a year they try to defer the project or a portion until the next year. Mr. Blotz was very cooperative.

Trustee Schmidt inquired about the L. Rosenheimer offer. President Miller felt that we should ask for a 30-day extension. Motion was made by Trustee Schmidt and seconded by Trustee Herriges that a letter be sent to Rosenheimer requesting a 30-day extension. Unanimous vote.

The Board then went into

budget deliberations.

Motion was made by Trustee D. Nigh and seconded by Trustee Danielsen to adjourn until November 16, 1976 at 7:00 P. M. to continue budget work. Unanimous vote.

Robert Danielsen,
Acting Clerk

Adjourned Meeting
November 16, 1976
7:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in adjourned session in the Council Room of the Municipal Building.

President Charles Miller presided and all Village Board members were present except Trustee David Nigh. (Note: David Nigh arrived at 9:00 P. M.)

RESOLUTION NO. 76-10
WHEREAS, the Kewaskum Kiwanis Club, in their wisdom, graciously financed the purchase of thirty-five (35) acres of land to be used for park purposes, and

WHEREAS, much of these funds came from the Club's sponsored turkey shoot, and

WHEREAS, these events were supported wholeheartedly by residents of the Kewaskum community,

NOW, THEREFORE, BE

IT RESOLVED, that this park be henceforth called the Kewaskum Kiwanis Community Park.

Introduced by Trustee Roger Strack

Motion by Trustee Daniel Schmidt

Motion seconded by Trustee Raynor Herriges

Roll Call Vote — 6 "aye"

Because the Election Inspectors and Clerks worked until 6:30 A. M. tabulating the results of the recent Presidential Election on November 2nd, the Board decided that these workers should be paid an additional day's fee of \$18.00 each. Motion by Trustee Danielsen, seconded by Trustee Herriges. Unanimous vote.

The major portion of the evening was devoted to the preparation of the 1977 budget.

Upon motion by Trustee Danielsen, seconded by Trustee Herriges, and duly carried, the Board adjourned to 7:00 P. M., November 29, 1976, for an executive session to discuss wage and salary adjustments with the Village employees and Department Heads.

FINANCING AVAILABLE

Remember . . . at Kettle Moraine Electric . . . we service what we sell! And we service all other brands

There are good times and bad times to use electricity.

The difference is like night and day.

Everyone wants electricity at the same time: Daytime. Factories are going full blast. Offices and stores are open for business. And people at home are running appliances.

So Monday through Friday the demand for electricity is extremely high from morning till evening.

This is a problem.

High demand means higher costs.

Most of the electricity you use is generated by Wisconsin Electric's large, primary power plants, which are fueled by coal and nuclear power. But when electricity use reaches a peak on weekdays, special back-up power plants are called upon to help handle the extra load.

These back-up plants are more costly to operate. Many of them use quick-starting turbines that run on gas and oil.

The high cost of gas and oil is one of the things that makes electricity more expensive to produce during peak periods on weekdays.

The demand is growing.

To add to the problem, the daytime demand for electricity is going up. Industry, businesses and homeowners are using more electricity every year. Since 1963 the demand has more than doubled. To keep up, Wisconsin Electric has to keep building more power plants.

All of this makes electricity more expensive for everyone. Fortunately, there are some things we can all do to help solve this problem.

The good times.

The high daytime demand for electricity tapers off in the evening. So the big primary power plants are now working below their capacity.

This makes nighttime and weekends perfect times to do some of the things that are normally done during the day.

Wisconsin Electric is working with business and industry to find ways to reschedule some of their electricity use to off-peak hours. And if you add your help at home, the problem could be solved. Overnight and over weekends.

Every little bit helps.

Try turning on your dishwasher before you turn in for the night, rather than after every meal. Try baking later in the evening or on weekends. And try to avoid doing the wash on weekdays. Especially Monday mornings.

It all adds up.

If we can hold down the demand for electricity on weekdays, it could help hold down the cost of electricity in the future.

So try to turn it on at night or on weekends instead. We'll all be better off during the day.

Costello - Kreif

Cynthia Ellen Costello and Kelvin Kelly Kreif were married Friday, Oct. 29, at Fort Hood, Texas.

Parents of the couple are Mr. and Mrs. William J. Costello of Natick, Mass. and Mr. and Mrs. Jerome Kreif of Kewaskum.

The bride is a graduate of Natick High School and is currently a Specialist Fourth Class in the United States Army. The groom is also serving as a Specialist Fourth Class in the Army. Both are stationed at Fort Hood, Texas.

Stahler, Hubbell Named to Y Board

Two more directors have been added to the board of the Kettle Moraine YMCA. They are Robert Stahler of Kewaskum and Fred Yahr of West Bend. Previously Janet Hubbell, Kewaskum, and Robert Steiner, West Bend, were added to the board.

The board is being beefed up in anticipation of the upcoming fund drive for a YMCA building. The additions bring the board membership to 32 of its authorized 36 members.

Stahler is on the bargaining unit of the union at Weasler Engineering and is a member of the Board of Directors of the Wisconsin Association of Snowmobile Clubs representing Washington County Snowmobile Club Association and is a past president of the Kewaskum Sno-Chiefs.

Hubbell has been acting as chairman of the task force studying expansion of the University of Wisconsin - Washington County facilities. She is a guidance counselor.

NEW INTEREST RATE ON DELINQUENT TAXES

The Wisconsin Legislature approved a new interest rate on all delinquent Real Estate and Personal Property taxes effective January 1, 1977.

Chapter 211, Laws of 1975 was enacted on April 23, 1976. It increased the annual rate to 12% from 9.6%. Existing delinquencies shall be subject to the old rate of eight-tenths of one per cent a month through December 31, 1976 and shall thereafter be subject to the new rate of one per cent per month. All delinquencies commencing after January 1, 1977 shall be subject to the new one per cent per month rate.

R-VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION... PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

PERFORMANCE

NU-WOOL Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all Insulation ratings. NU-WOOL meets or exceeds Federal specifications No. HM-1-515A, and is approved for use in F.H.A. structures.

COOLS IN SUMMER

NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

REDUCES HEAT COST

Correct attic insulation can save you 30% or more on fuel.

HIGH R-VALUE

NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.

HELPS CONTROL ICE BUILDUP

Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.

MANUFACTURING INSULATION SINCE 1949

NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.

PLUS SOUND PROOFING

One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

RESISTANT TO MOISTURE

The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it eliminates the cause for moisture condensation.

WILL NOT DETERIORATE

It is a life-time insulation because it is treated with chemicals that are permanent.

FIRE RESISTANT

Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

VERMIN AND RODENT RESISTANT

Chemically treated to repel insects and rodents from working in materials.

GUARANTEE

NU-Wool Insulation is guaranteed for the life of the structure (building).

LIGHT WEIGHT WILL NOT SETTLE

Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

ACTION + SATISFACTION

Co. Homemakers Hold Annual Fall-Winter Council

By JOYCE ALBRECHT, Ext. Home Economist

The Washington County Extension Homemakers held their annual Fall/Winter Council at the Kettle Moraine Supper Club on Tuesday, Nov. 16. Over 125 women from Washington County, representing approximately 500 Extension homemakers from 42 clubs, were in attendance.

The purpose of the Fall/Winter Council was to conduct the annual business of the county organization, as well as to be updated on current happenings of the organization.

Washington County Extension Homemakers is a part of the Wisconsin Extension Homemakers Council with clubs throughout Wisconsin and the United States. The organization's main purpose includes:

- To work for the preservation and improvement of home and community life.
- To strive for healthier minds and bodies and better living.
- To promote the welfare of our boys and girls, the nation's greatest asset.
- To be true to God and country and of lasting service to our homes and communities.

The officers of the organization as of 1977 will be as follows: President, Shirley Backhaus; Vice President, Kathy Schachtschneider; Secretary, Helen Beuscher and Treasurer, Audrey Yahr.

The center chairmen in-

clude: Germantown Center, Florence Purgett; Kewaskum Center, Dolores Prost; Richfield Center, Marie Menge; Slinger Center, Dolly Tannahill; Trenton Center, Lillie Goeden and West Bend Center, Lucille Gosse and Bev Rohlenger.

The organization, during this past year, has been involved with the Bicentennial Historical Style Show, Operation Identification, June Dairy Month Bake-Off Contest, volunteer help for the adult health screening bus and the swine flu clinic. The 1977 program of work includes:

January: You and Your Weight

February: Emergency Action: Save Lives

March: New Zealand

April: Guide to Herbs for Gardeners and Cooks

May: Don't Cancel Tomorrow

June: College Week

July: Washington County Fair

August: Wisconsin State Fair

September: Salads the Year 'Round

October: Crafts: Candle

November: Credit Ability for Women

December: Happy Holidays

Any person interested in joining an Extension homemakers club or starting a new club in their area, can get further information by contacting the U.W. Extension Office, Court House Annex II, Box 537, West Bend 53095 or phone 334-3491.

TEACHERS PRESENTED WITH APPLES, THANKS

An apple today keeps teacher healthy, wealthy, wise? The Kewaskum Junior Women's Club certainly hopes so, and for this reason, and also to show our appreciation for all their efforts to the children of our Kewaskum School District, each teacher in the district received a shiny red apple, as well as a note of "thanks" during National Education Week this year. The Education Committee of KJWC sponsors this "little" event each year during NEW for this dedicated bunch of teachers. Right on!

West Bend East Scalps Indians, 93-52

It used to be that the Indians did the scalping but it was the other way around at West Bend last Tuesday when the East Suns of the Little Ten bombed Kewaskum of the Scenic Conference by a lopsided 93-52 score.

After shooting only 31 and 29 per cent in their opening losses to Plymouth and Slinger, West Bend hit Kewaskum with a sizzling 60 per cent from the floor as the Indians faced them on the wrong night when they were red hot and could have beaten many teams.

Mitch Knox, who also quarterbacked the Sun's football team, came up with a half dozen steals in the first half alone that led to easy lay-ups as the Indians fumbled and threw the ball away in their hurry to get down the floor. East's press and varied defenses also bothered the Indians considerably.

At one point in the first quarter the Suns ran off 14 points to a single free throw for Kewaskum. The Indians got just two baskets in that period and the quarter ended 23-5. With reserves from both teams shuffling in and out in the second quarter, East increased their lead to 51-20.

While the Suns were hot, the Indians were awfully cold, especially Leon Laatsch, the only starter back. Leon hit on only 2 of 13 and the team was 6 for 33 in the first half. With reserves again playing much of the second half the Indians ended up with 20 of 71 for 28 per cent. Laatsch missed shots he never misses. Kewaskum's poor shooting and lack of team play made much of the difference.

Still Laatsch wound up with 13 points before he fouled out. Mark Tessar tallied 12. East used 14 players, 13 of whom got into the scoring act, and the Indians used all of their players as Coach Jim Westphal appeared to be looking for a starting combination. East was led by Joe Gindt with 14, Knox and Jeff Nonhof with 12.

This Friday the Indians open Scenic action at Grafton, stated to be a top contender in the conference. Then Tuesday Hartland comes here in another toughie.

Girls Lose Opener To New Holstein

Kewaskum's Julie Stoffel came through with 30 points but it was not enough as some balanced scoring gave New Holstein a 60-50 victory in the non-conference basketball opener last Monday night.

Mike Theiler, making his debut as coach, said the Indian girls had opening jitters, too many turnovers, and "stood around" too much.

Stoffel hit on 14 baskets and two free throws. Soph Yvonne Schacht was next with 8.

The Indians opened conference play against Pewaukee Wednesday, Dec. 1.

Lakes Team Wins In Overtime, 88-80

The Kewaskum Land o' Lakes League team won its opening game at Thiensville-Mequon Sunday in overtime, 88-80. The score was tied at the end of regulation time, 74-74.

Kewaskum trailed at the quarter, 21-19, at the half, 45-33, and at the end of the third period, 61-54, but came from behind in the final period with 20 points to knot the score and send the game into overtime. Kewaskum outpointed the Twins in the extra period, 14-6.

Kewaskum's Tom Zoch took high scoring honors with 25 points, and teammate Ken Loest was next with 23. Thiensville-Mequon was nipped by Christ Schroeder with 20 and Steve Zens with 19.

This Sunday Kewaskum hosts West Bend at 7:30 p. m.
