## Dr. Edwards to Retire

'Doc'

Dr. R. G. Edwards will retire from medical practice on January 1, 1977.

Alma and Doc wish to thank their many friends for their very kind expressions of gratitude. They have enjoyed serving this community all these past 45 years and will miss the people very much.

Dr. Edwards, who practiced full time from an office in his home, came to Kewaskum Feb. 6, 1932, after completing his internship at Minneapolis General Hospital. He celebrated his 71st birthday on Sept. 1.

On Sept. 7, 1975, over 600 grateful people of Kewaskum and surrounding area paid special tribute to Dr. Edwards at a Recognition Convocation held in the new local high school gymnasium, honoring him for his many contributions to the community and surrounding area. The program highlighted the many milestones in Dr. Edwards' long medical and civic career.

At that time he had delivered over 3,400 babies, over 1,000 more than the present population of the village. At the ceremonies a special scholarship fund was established to serve as a living testament to the many years of faithful and outstanding service provided by Dr. Edwards. Called the Dr. R. G. Edwards Health Care Scholarship Program, this fund provides scholarships for Kewaskum area high school graduates to pursue any one of the expanding health care careers.

Doc has always been very active in promoting the Kewaskum Kiwanis Club's turkey shoots. This now famous annual fall fund-raising event has made well over \$100,000 for various community projects, including \$77,000 for the purchase of the new Kiwanis Community Park.

A record of 4½ decades of dedicated service, combined with a rare sense of humanitarianism, has made Dr. Edwards a respected institution to the people of Kewaskum and area.

Dr. Edwards was born in Sargeant, Nebr. Sept. 1, 1905, the son of a Congregational minister. After graduating from Cresbard, So. Dak. High School, he attended the University of Minnesota where he graduated from Medical School in May, 1931. He completed his internship at Minneapolis General Hospital in January, 1932, and passed his State of Wisconsin Medical Board Examination the same month. On Feb. 6, 1932, he started his general practice here in Kewaskum as a fully credited Doctor of Medicine, Surgery and Obstetrics.

During Dr. Edwards' long career, his wife Alma has assisted him in his office as a graduate nurse.

Dr. and Mrs. Edwards have six children, Mrs. Annabelle Tessar, Richard (Arlette) and William (Violet), all of Kewaskum; Ruth (Eldon) Ramthun of R. 2, Campbellsport; Gwen (Jules) Dreher of Kenosha, and Patricia (Dr. Joseph) Darin of Brookfield. They also have 26 grandchildren, 13 boys and 13 girls, and one great-grandchild.

## To Receive Master's Degrees at Oshkosh

University of Wisconsin - Oshkosh Graduate School officials have announced the names of the 108 graduate students slated to receive master's degrees at the 12th Annual Midyear Commencement at 7:30 p. m. on Friday, Dec. 17, at the Kolf Sports Center fieldhouse.

Among these students are three from Kewaskum: Master of Science in Curriculum and Supervision - Hollister Gordon DeMotts, 707 Moraine Ct., and Dennis H. Reha, 1140 Roseland Dr., Master of Science in Education Guidance - Neil A. Denniston, 356 North Ave.

## GARBAGE PICKUP FOR HOLIDAYS

Garbage pickup in the village for the Christmas and New Year holidays will be as follows:

Monday and Tuesday morning, Dec. 20 and 21; Thursday and Friday morning, Dec. 23 and 24; Monday and Tuesday morning, Dec. 27 and 28; Thursday and Friday morning, Dec. 30 and 31.

## SANTA is coming to town

Santa Claus will be in Kewaskum on Saturday, Dec. 18, from 1:30 to 3:00 p. m. His Kewaskum headquarters will be at the Middle School.

There will be no program but area children eight and under are invited to say hello to Santa Claus and to receive

a bag of Christmas treats at anytime between the hours listed above.

Kewaskum Kiwanians will be on hand to assist Santa during his visit.

Local stores are bulging with gift suggestions for

Christmas giving which compares favorably to that found in the big cities and you save the cost of transportation. Come to Kewaskum and shop, browse through the stores, and bring the kiddies to greet Santa Dec. 18.

## Over 900,000 Visit Kettle Moraine Forest North Unit

Over 900,000 recreational visits were made to the Kettle Moraine State Forest-North Unit during 1976. This represents a ten per cent decline from the one million plus visits made during the record year 1975. The decrease on the forest can be attributed to citizens traveling further away from home during the bicentennial year, and an improved economy.

With the winter season upon us, the forest area will be enjoyed by winter sports enthusiasts. The Greenbush Ski Hill will operate on weekends from 10:30 a. m. to 4:00 p. m. The forest hiking trails will serve as cross-country ski trails. The Greenbush hiking-ski trails are especially recommended for cross-country skiing. Fifty miles of snowmobile trails are available for snowmobiling. Snowmobilers are cautioned that they must stay on designated marked trails.

Campsites will be available at the Mauthe Lake Recreational Area during the winter season. In addition, winter backpacking is available on the forest-long glacial trail. A camping permit is required at both areas. For further information, visitors may contact the Forest Headquarters.

## Edwards' Attend Medical Meeting

Dr. and Mrs. R. G. Edwards, Kewaskum, attended the 130th annual meeting of the Medical Society of Milwaukee County and the gala Auxiliary A.M.A.E.R.F. Charity Ball on Friday, Dec. 10.

The program included remarks presented by President-Elect Joseph C. Darin, M.D. Dr. Darin is the son-in-law of Dr. and Mrs. Edwards. He is married to their daughter, Patricia.

## Board Acts on KEA Agreement, Increases Credits for Graduation

Action on the 1976-77 agreement with the Kewaskum Education Association was the major item taken up at the two recent meetings of the Kewaskum School Board. At a special meeting last Friday, the board ratified the tentative agreement which the Kewaskum Education Association had earlier approved. At that meeting, the board also approved placement of all personnel on the salary schedule, except for the social worker position, which was only recently added to the bargaining unit.

At the regular meeting on Monday, a motion was made to place the social worker at the beginning step of the "F" column of the schedule. The motion also would have left the salary at \$11,000 for this year, the amount agreed to by contract prior to the inclusion of the position in the bargaining unit, since the placement on the schedule would result in a salary cut. The motion failed when three members voted in favor, three against. No further action was taken, and the salary will be set at the beginning of the schedule. The "F" column of the schedule applies to those persons who have a Master's Degree plus at least 10 graduate credits.

The new contract increased the salary base from \$8,400 per year to \$8,875 for a person with a Bachelor's Degree and no teaching experience.

In other action at the Monday meeting, the board approved a recommendation for increasing credits required for graduation from high school. The present requirement is 18 credits. This will change to 19 for 1978 graduates, 19½ for 1979 and 20 for 1980 and beyond. No other changes in curriculum were recommended or adopted.

Two student requests for graduation at the end of their junior year were dis-

cussed. A request from Dale Butts was approved, and a request from Lana Becker was held over pending further information from her parents.

Dan Filzen of Kewaskum Savings and Loan spoke with the board about the possibility of depositing some school district money with that concern. No action was taken as the board requested further information on how these services and rates compared with the bank.

Action on a contract with the Wisconsin Association of School Boards for special services, including negotiating, was delayed. The second December meeting was cancelled, and the board gave Mr. Brenholt authority to agree to a delay as late as March 15 for beginning 1977-78 teacher negotiations.

A closed session was held following the meeting for a board hearing on a student personnel problem and for the annual board-superintendent evaluation session.

## Bands to Present Christmas Concert

With Christmas only a few days away, the musicians at Kewaskum wish to announce a Christmas Concert on Wednesday, Dec. 22, beginning at 7:30 p. m. in the High School Auditorium.

Featured on the program will be the Jazz Ensemble playing popular and jazz numbers, and the second half of the program will have the Symphonic Band playing traditional and contemporary Christmas music.

As an added treat Santa Claus will be at the concert with candy canes for all children seven years and younger.

The public is cordially invited to attend. Hope to see you there.

### Campbellsport Curriculum Study

The Campbellsport School Board recently appointed a curriculum study committee consisting of three citizens from each of seven areas in the district.

After listening to speakers on curriculum, the committee decided to use a survey method to determine if the school system is meeting the needs of the district, a method used successfully in other areas, according to the Department of Public Instruction.

Co-operation of citizens in the school district is important to the study and sub-committees have been appointed. A number of people will meet with various organizations in the Campbellsport School district to explain the study and survey.

At least one meeting is planned for the general public, who are not contacted through an organization. Another group will conduct a survey of past graduates of the school system. From this information, a written survey will be conducted throughout the district.

Any group from the district not contacted and wishing to arrange for a speaker, can contact: R. J. Blakely, R1, Eden (477-3092 or 922-1040). Mrs. Suzanne Schurrer can also be contacted at Campbellsport, R3 (533-8018).

Results of the study will be presented to the school board for possible implementation into the system.

### Lost Trailer

The policeman waved a driver over to the side of the road and began to cite him for not having a taillight. The motorist went around to look and began to scream. "It's not that big a thing," the officer said. "It's not the taillight I'm worried about," the man cried out, "I wonder where my trailer went."

### Miller - Tassar

Mr. and Mrs. Fred Miller of Kewaskum are pleased to announce the Thanksgiving Day engagement of their daughter, Candi, to Dan Tassar, son of Mr. and Mrs. Wayland Tassar, also of Kewaskum.

Candi is a 1972 graduate of Apple Valley High School, Apple Valley, California, and is employed at Regal Ware, Inc., in the Research and Development Laboratory. Dan, a 1970 graduate of Kewaskum High School, and a 1975 graduate of U. W. - Oshkosh, is a Spanish teacher at Lin-

coln High School in Wisconsin Rapids. Dan and Candi are planning their wedding for Spring, 1977.

## LETTERS TO THE EDITOR

December 10, 1976

Dear Mr. Harbeck:

"Welfare reform was a common campaign theme among nearly all of this year's candidates for the state legislature. No doubt this reflects not only their own concerns but the fact that almost every opinion poll indicates an overwhelming public demand to tighten lax administration, provide future work incentives and end other forms of welfare abuse.

Now that the election is over, the question is whether the candidates' October speeches will be translated into administrative and legislative action when the Senate and Assembly reconvene this January.

While there are some hopeful signs — such as the recent proposal by the State Department of Health and Social Services that welfare recipients not get more in benefits than working families — the history of past reform efforts in this area indicates

that little or nothing will be accomplished without strong and persistent public pressure.

I therefore urge those of your readers who want to support efforts to end welfare abuse to contact their state senators and assemblymen to express themselves. If they would like to work with others to keep up the pressure for reform in this area they

should also write to me. Alone we can do little, but together we can make a great change.

Sincerely,

He is vice president of the National Honor Society and has been a member for two years. Tom has been on the Math Team for three years. Tom has done the lighting for the stage for the musical productions of Brigadoon, Tom Jones, Hello Dolly and Music Man.

### DSS Seeking Donors For Needy Families

The Washington County Department of Social Services (D.S.S.) is again matching donors with needy families in its annual Christmas Remembrance Program. In the Kewaskum area, there are about 5 families and individuals still waiting to be matched, according to Barbara Ekstrand, who is the Volunteer Services Coordinator for D.S.S.

Groups or individuals wishing to donate can get the names of families or persons in need from Ekstrand at 338-0081. D.S.S. is looking

for people who are willing to donate gifts directly to the family or person; or bring the donated goods to D.S.S.; or give money to D.S.S. to purchase the gifts.

The Christmas Remembrance Program gives people in the community an opportunity to donate food, clothing, and toys to needy people. So far, community response in Kewaskum has been nil, according to Ekstrand.

There are other ways in which people can help out D.S.S. throughout the year. Ekstrand cited the need for

Transportation Volunteers as "very acute" in the Kewaskum area. Transportation Volunteers are reimbursed 14c per mile for driving clients to medical appointments, grocery shopping, and to D.S.S. Volunteers receive orientation and training to help them carry out their assignments effectively. For information on this and other Volunteer Programs, contact Ekstrand at the above number.

## Death of Mrs. Leo Rohlinger

Mrs. Leo Rohlinger, nee Johanna Hall, age 71 years, a Kewaskum resident since 1932, died Saturday, Dec. 11, at the Cedar Lake Home, where she had been a patient for nine days.

She was born April 3, 1905, in the Town of Ashford, Fond du Lac County, to the late Michael and Johanna Thelen Hall. On Nov. 27, 1928, she married Leo J. Rohlinger in St. Martin's Catholic Church at Ashford.

Mrs. Rohlinger was a member of Holy Trinity Church and their Ladies' Altar Society, also of the Apostolate of the Suffering.

Survivors include her husband Leo; three daughters, Rita (Robert) Renner of West Bend, Mary (David) Ours of Campbellsport and Shirley (Ronald) Sarauer of Kewaskum; three sons, Gregor (Beverly), Alois (Janet) and Norbert (Darlene) Rohlinger, all of Kewaskum; 21 grandchildren; one sister, Mrs. Martha Pierret of Campbellsport; two brothers, John Hall of Campbellsport and Gregor Hall of West Bend. Her parents, one son, four sisters, one brother and one granddaughter preceded her in death.

Visitation at Miller's Funeral Home, 215 Forest Ave.,

Kewaskum, was after 3 p. m. Monday with rosary vigil at 8:30 p. m. Monday. Funeral services were held at 10 a. m. Tuesday at the funeral home and at Holy Trinity Church at 10:30 a. m. with Rev. John T. Budde officiating. Burial was in the new Holy Trinity Cemetery.

**EDNA F. WALTERS**, nee Richardson, of the Samaritan Home, formerly of the Town of Farmington, passed away at St. Joseph's Community Hospital,

Tuesday, Dec. 7, at the age of 88.

She was born July 18, 1888, in Chicago, where she grew up. She was employed as a registered nurse at Cook County Hospital until her marriage to Joseph Walters on Oct. 16, 1918.

After their marriage they continued living in Chicago until November of 1937 when they moved to the Town of Farmington. She lived there until 1970 when she became a resident of the Samaritan.

Her husband passed away

Jan. 17, 1938.

Survivors include one daughter, Ethel (Oscar J.) Knoeck, Kewaskum; four grandchildren; four great-grandchildren; nieces, nephews and other relatives and friends.

One son, Joseph, was killed in action on Jan. 3, 1943. Two sisters and two brothers also preceded her in death.

She was a member of the Gold Star Mothers, the Christian Women's Confraternity and Apostolate of Suffering.

Page 5  
Kewaskum Statesman  
Friday, December 17, 1976

Funeral services were Saturday at 10 a.m. at the Schmidt Funeral Home, West Bend, and at 10:30 a.m. at Holy Angels Church. Fr. Warren Schmitt officiated and burial was in Holy Angels Cemetery.

Visitation at the funeral home was after 4 p. m. Friday with prayer vigil at 8 p.m. Friday.

# The Perpetual Tax Break™

The Only IRA Plan With  
7½% Guaranteed Until Retirement\*

**What's a tax break got to do with a retirement plan?**

Everything. As of January 1st, 1975, people not covered by employer sponsored pension or retirement programs can set up their own and enjoy substantial tax savings. The program is called the Individual Retirement Account and here's how it works.

Every year you can contribute up to \$1,500 or 15% of your income (whichever is less) to your IRA. That's the maximum. There's no minimum. The money you contribute each year is deductible from your gross income on your federal income tax. That means you pay income tax on less income.

Any gain or interest that your money earns between deposit and withdrawal is also tax deductible. In other words, you avoid taxes on the amount you contribute and on the amount it grows.

**So when do you pay the taxes?** Retirement. When you'll probably be in a lower tax bracket. As you draw the money out, you pay taxes on it just like regular income. But the money that stays in remains tax free and keeps earning tax free interest. You pay only on the amount you withdraw, when you withdraw it.

**So, why not just set up a savings account?** Here's why. The money you put into a savings account is subject to income taxes. Meaning your taxable income isn't reduced and your spendable income is. The interest a savings account earns is

also taxed as it grows. The end result is less money waiting for you at retirement. The chart below will show you some representative examples of an IRA plan versus a savings account. If you're married, and both of you are working, you can double a good thing. Both of you can contribute 15% of your individual salaries up to a maximum of \$3,000 a year. Imagine what the chart would look like then. And imagine the tax savings you'd enjoy.

**We Guarantee 7.5% Until Retirement!**

..... After	With a tax-sheltered plan	Without a tax-sheltered plan	"Extra" money for retirement
5 Years	\$ 9,480	\$ 6,710	\$ 2,770
10 Years	23,340	15,650	7,690
15 Years	43,610	27,580	16,030
20 Years	73,250	43,510	29,740
25 Years	116,610	64,690	51,920
30 Years	180,020	92,980	87,040

Note: Figures based on \$1500.00 annual contribution and 25% income tax bracket.\* Rate of 7½% is guaranteed until you retire or reach age 60, whichever comes first.

**Why should you have an IRA plan with us?** Here's why. Our IRA plan will cost you less than an IRA plan with an insurance company or mutual fund because IRA accounts placed with us are not charged commissions, load charges, annual management fees nor termination charges.

The Perpetual Tax Break™ guarantees 7½% until retirement or age 60 and is available only at Valley Banks...other banks, savings & loans and insurance companies just don't have it. Call us today.

The section 10 FFA clubs had a display booth at the teacher's convention in Milwaukee. The convention was held at MECCA Oct. 28. The topic of our display booth was Food - Anomics. Pamphlets that were available contained several items on Food - Anomics. It also contained items for elementary schools and senior high. The two representatives from Kewaskum were Carol Proeber and Pat Hanrahan. Mr. Becker was the supervisor. The display was also presented to the Milwaukee teachers the following week. David Beck and Randy Schickert represented Kewaskum.

The Kewaskum FFA has the booth on display in the 400 hallway. In it we plan on putting the different things which we will be doing throughout the year.

The Food for America program is well underway and we have completed our first school for the 1976-77 school year. The teachers were very impressed with it and the students also enjoyed it. Randy Schickert, Jerry Berres, Curt Martin, Carol Proeber and Pat Hanrahan were the instructors.

We would like to extend a sincere thank you to Gerald Stoffel for his kindness in letting us use his farm as the site of the field trip.

### Fink Appoints Assistant DA

Frederick A. Fink, Jr., District Attorney - elect for Washington County, today announced the appointment of Kevin J. Kennedy as his assistant.

Kennedy, 24, is graduating from the University of Wisconsin Law School this month. The appointment will be effective January 3, 1977, the day Fink officially takes office.

Fink, in making the appointment, stated that although Kennedy is only now graduating from law school, he does have previous prosecution experience.

This is the first half of our stand at the teacher's convention at MECCA. There was information there for all teachers.

The second half of our booth consisted of some baby day-old ducks.

This is our display booth in school. Carol Proeber is working on it in this photo.

These are the first through third grade students from Wayne Elementary School who were instructed in our Food For America Program.

Kennedy met all of his criterion for an Assistant District Attorney, namely, a desire to be a prosecutor and prior experience as a prosecutor.

### FIREMEN CALLED TO CHIMNEY FIRE

Kewaskum firemen answered a call at 2:45 p. m. Friday to put out a chimney fire in the attic at the Sue Donnell rural home on Old Bridge Road in the Town of Auburn, two miles north of the village. There was much smoke in the attic but no damage resulted.

# INSULATE YOUR HOME NOW. SAVE!

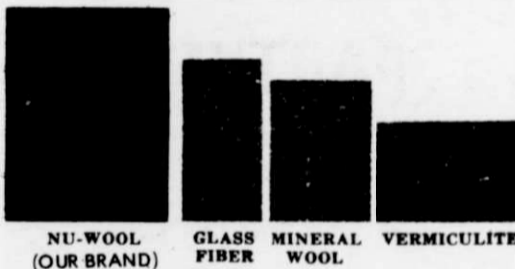

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

## DO IT YOURSELF

\* No Costly Installation Charge \*  
 \* No Charge for Use of Blower When You Purchase Insulation From Us.

## OR WE'LL DO IT FOR YOU

### R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

### EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION... PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

### Why NU-WOOL is your final choice in insulation

**PERFORMANCE**  
 NU-WOOL Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.

**MANUFACTURING INSULATION SINCE 1949**  
 NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.

**FIRE RESISTANT**  
 Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

**COOLS IN SUMMER**  
 NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

**PLUS SOUND PROOFING**  
 One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

**VERMIN AND RODENT RESISTANT**  
 Chemically treated to repel insects and rodents from working in materials.

**REDUCES HEAT COST**  
 Correct attic insulation can save you 30% or more on fuel.

**RESISTANT TO MOISTURE**  
 The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.

**GUARANTEE**  
 Nu-Wool Insulation is guaranteed for the life of the structure (building).

**HIGH R-VALUE**  
 NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.

**WILL NOT DETERIORATE**  
 It is a life-time insulation because it is treated with chemicals that are permanent.

**LIGHT WEIGHT WILL NOT SETTLE**  
 Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

## Firemen to Sponsor Dystrophy Drive

The Kewaskum Fire Department will sponsor their eighth annual canister campaign for the Muscular Dystrophy Association. Fire Chief August Bilgo, Jr. will coordinate the campaign.

Since their first campaign in 1965, the Kewaskum Fire Department has helped raise \$417.59 for the fight against dystrophy.

The funds raised will be used in the seven counties of the Milwaukee Area Chapter

for such free services to local patients as clinic visits, orthopedic appliances, physical and occupational therapy and recreational and camp programs.

M.D.A., Inc. provides free services to persons suffering from 35 types of dystrophy and related neuromuscular diseases. Nationwide research costing \$10.1-million will be spent this year to try to find a cure.

### DEC. 23 IS EMERGENCY LOAN FILING DEADLINE

Willis W. Capps, State Director, Farmers Home Administration, Stevens Point,

reminds farmers in Milwaukee, Ozaukee and Washington counties that they should be aware of the Dec. 23, 1976 deadline for filing FmHA Emergency Loan Applications.

Milwaukee, Ozaukee and Washington counties were declared eligible for Emergency Loans because of severe storms, icing, high winds and flooding which occurred March 1, 1976 through March 12, 1976.

Capps stated that the farmers who are interested should contact their FmHA office for details and applications. The office serving Milwaukee, Ozaukee and Wash-

ington counties is located at 2395 W. Washington St. in West Bend. The mailing address is P.O. Box 456, West Bend, WI 53095.

## Open Door needs volunteers

The Open Door of Washington County, Inc. is now accepting a few applications for volunteer Hotline Operators. The training program will be starting in January.

For those who are accepted, we offer: Drug Education, Personal Growth Workshops, Crisis Intervention Training, the opportunity to socialize with

people concerned about current social issues, the chance to learn about community services, and to meet community resource persons.

If you want the chance to gain from what we have to offer — and you have compassion for others and the ability to listen to others with an open mind and a desire to help — contact Pam Salter at 334-9797, 644-6016 or 933-7300.

### Holiday Safety - Do's and Don'ts

From the People Who Care

From: Your Local Fire Department

The Christmas season usually goes hand in hand with traditions. Many traditions revolve around the decorating of the Christmas tree, and the purchasing of gifts for loved ones and friends. Underwriters Laboratories Inc., a not-for-profit organization testing for public safety, and your local fire department, would like to offer a few tips to help make your holiday safe - not sorry.

#### DO be careful when buying your tree -

- \* When purchasing your Christmas tree this year, buy a firm, fresh tree. Store it in a cool place with the base of the tree in water - until ready to be decorated.
- \* If you are buying an artificial tree - be sure to look for the UL Label which tells you it is classified as flame resistant.

#### DO make a check of the decorations you use -

- \* Remember to check the decorative lighting strings for frayed wires, broken cords, and loose sockets. These conditions pose potential electrical hazards. Use only light strings that bear a UL Label.
- \* When trimming the tree, avoid using candles or other decorations that may ignite easily. Keep the tree away from the fireplace, radiator, and the T.V. set - any source of heat may cause the tree to become dry, thus creating a fire hazard.

#### DON'T overdo it -

- \* Be sure not to overload the electrical circuits in your home. The wires that carry more current than they can handle may overheat and cause a fire. Read manufacturer's instructions on lighting strings carefully and do not use more than the recommended number of lights in one circuit.
- \* Christmas decorations are beautiful - and very pleasant to look at. However, when you leave your home or retire for the night, turn off the light sets, colored spot lights, or other decorations.

#### DON'T settle for the unknown -

- \* When purchasing gifts for the people you care about take time out to check for the UL Label. Gifts of electric food blenders, hair dryers, hot combs, and the like are tested for safety by Underwriters Laboratories. Show that you care - check for the UL Label.

Be safe and happy this Christmas season. When preparing for the holidays take the extra steps to show you care - follow the Do's and Don'ts outlined above. You'll be glad you did.

## Lakes Team Loses To Hartford, 136-120

Kewaskum was beaten by the "B" Division Lakes leaders at Hartford Sunday, 136-120. It was the team's second setback compared to one victory to date.

Kewaskum trailed by only two points at the half, 66-64, but a miserable third quarter, in which they were outpointed 41-18, put them way behind and clinched the win for Hartford. The losers rallied to outscore Hartford in the final period, 38-29, but it wasn't near enough.

Hartford was outgunned from the free throw line, 28-18, but made good on 59 field goals to only 46 for Kewaskum.

Mike Maguire poured in 44 points for Hartford and Don Lechner added 27. Tom Zoch hit 27 for Kewaskum, while Steve Weddig chipped in 24 and Ken Loest 21.

This Saturday Kewaskum travels to Slinger.

# Winless Indians Lose Two More to Hartland, Slinger

Still looking for their first victory, the Kewaskum Indians are now 0-5 (0-3 in conference) after two more games the past week. They gave Hartland a battle here last Tuesday before going down, 67-61, but lost by a one-sided margin to unbeaten Slinger here Friday, 73-52.

The Indians came close to an upset as they came back to tie Hartland with just over two minutes remaining but then fell behind again to lose by 6 points as Arrowhead connected on a layup and 4 free throws.

At one point Kewaskum fell behind 30-18 but Leon Laatsch got hot as the 6-3 forward scored 3 baskets in a row. Jim Donath added another and a layup and a free throw brought the Indians to within one point, 34-33. Laatsch had 18 points in the first half.

In the second half Hartland got into foul trouble but boosted their lead to 10 again. However, their fouls almost cost them the game. During one stretch the Indians made 13 of 14 free throws and 2 baskets.

Laatsch was the game's top scorer with 28 points and had 12 rebounds. Mark Tessar ended up with 17, 9 on free throws out of 10 tries. Quinn Griffing led Hartland with 18.

The varsity girls came up with their first win by upsetting previously undefeated Hartland, 40-39. Led by Lorraine Lorrenzen, who had been averaging 30 points a game, no team had gotten within 20 points of them.

In the early going Kewaskum pulled ahead by as many as 9 points but Hartland regained the lead at half-time. With Yvonne Schacht scoring several layups, Kewaskum again pulled ahead, by as many as 8 in the final quarter. The visitors fought

back to tie up with less than a minute left but Julie Stoffel's layup with 16 seconds left won for Kewaskum.

Both JV teams lost, the girls by 75-15 and the boys 68-53.

Hosting Slinger Friday night, Kewaskum took it on the chin from the unbeaten Owls, 73-52. They are now 5-0 overall.

The redhot Owls shot 60 percent from the floor, hitting on 29 of 48 shots. Kewaskum hit only 23 of 67 for a weak 34 per cent.

On occasion it appeared like Laatsch against the whole Slinger team. He led all scorers with 28 points and 8 rebounds. Robb Schulz paced Slinger with 18.

The Indians just couldn't match the Owls' firepower, especially after their second leading scorer, Tessar, turned an ankle in the second quarter and was out of the game.

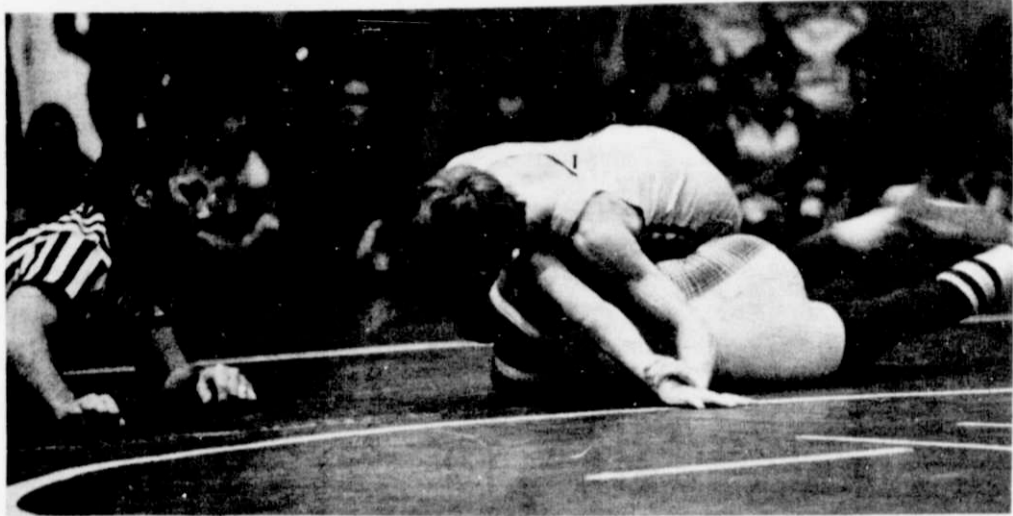

The Indians jumped off to a 4-0 lead but it was short lived as the Owls went ahead at the quarter, 20-12, never to be headed again. At the half it was 36-24 as Slinger outpointed the Indians in every period. The Owls showed good shooting and rebounding.

Slinger made good on 15 free throws and Kewaskum only 6.

In other games Friday Grafton remained in a tie with Slinger by winning over Germantown, 57-52, Hartland surprised Mayville, 58-47, and Kettle Moraine nipped Pewaukee, 52-49.

The girls won their game over Slinger, 44-30, and are now 2-2 in the Scenic. Bonnie Schmidt rebounded well. The JV's and freshmen also won over Slinger but the varsity boys kept it from being a sweep.

This Friday the boys and girls both play at Kettle Moraine in the last tilt before the holidays.

Kewaskum's Dan Ruplinger (on top) won the trophy for the most valuable wrestler and a plaque for a record

in three pins in the shortest time at the DodgeLand Invitational Saturday.

## Matmen Edged by Germantown, 2nd In Invitational

In Thursday night's wrestling match at Germantown, Kewaskum was edged, 26-20, giving the Indians a 1-1 mark in the Scenic.

The match was 23-20, Germantown, going into the 98 lb. bout left, which Kewaskum's Mike Ruplinger lost 4-3. Had he won, and he was closing in on a takedown in the final seconds, the match would have ended in a draw.

However, several individual marks were set or con-

tinued. Steve Schneider, at 135, recorded the fastest pin of the year in 19 seconds. Dan Ruplinger was an easy 12-0 superior decision winner at 105, his sixth against no losses. At 119 Kewaskum's Cliff Wilson won impressively, 7-2.

After winning the Horicon Invitational, Kewaskum's krestlers failed in their bid for a second straight invitational crown Saturday. They finished second in the DodgeLand Invitational to DodgeLand, 123½ - 105½.

Dan Ruplinger (105) won the trophy for most valuable wrestler in the tourney and a plaque for record in three pins in the shortest time. He pinned his first opponent in 1:13, his second in 1:08, and in the finals 3:55.

The Indians took two other titles: Steve Schneider at 155 and Eric Schmidt at 185. Schmidt is 8-0-1. Schneider had the quickest pin of the year against Germantown and also in the finals Saturday in 1:27.

## Kewaskum to Host 3 WIAA Tournaments

Pairings for the 1977 boys and girls high school basketball tournaments have been announced by the Wisconsin Interscholastic Athletic Association, and Kewaskum will host three tournaments, including a girls' Sectional, in its spacious new fieldhouse this year.

In boys competition, where 423 schools are involved, Subregionals will begin March 1 in Class C and March 3 in Classes A and B. Regional games will be played March 5 and 7, followed by Sectionals March 10 - 12. The Sectional winners in all three classes advance to the state finals in Madison March 17 - 19.

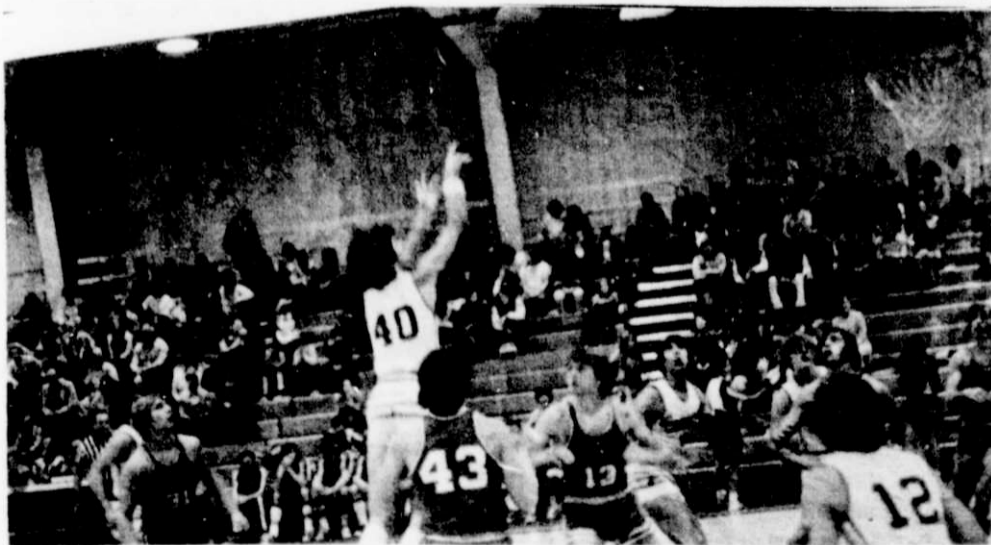

Tournament activity for girls begins with Subregional play Feb. 22 and 24 in Class C and Feb. 24 in Classes A and B. Regional competition is scheduled Feb. 26 and 28, with Sectionals March 4 - 5 leading to the state finals in Madison the following week. The number of schools participating in the girls' tournament has increased to 399, up from 368 last season.

Kewaskum is host to a Class B girls' Sectional March 4 - 5. The Indians also have a girls' Subregional Feb. 24, Campbellsport vs. Kiel and Kewaskum vs. Lomira as part of it, then moving on to Kiel where Sheboygan Falls and Random Lake become foes of the winners, after drawing byes.

Class B boys—Kewaskum starts at home against Random Lake in Subregional as Lomira draws bye, then on to Lomira Regional.

Whitewater Sectional, Class B girls—Slinger girls draw a bye and go to Pewaukee Feb. 26 to meet Jefferson - St. Francis winner in another of the Regionals leading to the Kewaskum Sectional.
