## The Season of Giving

### Regal Donates \$25,000 Park Gift

Village President Charles Miller and the Park Committee met at 5 p. m. on Wednesday of this week, Dec. 22, to meet the donor of a \$25,000 park gift for the new Kewaskum Kiwanis Community Park. The donor is Regal Ware, Inc. and the gift was given in memory of J. O. Reigle, Regal Ware's founding President.

Ronald Reigle, Executive Vice President of Regal Ware, Inc., met with the Village Park Committee and announced that the Board of Directors of Regal voted to donate a sum of \$25,000, the sum to be used for any one of the major park projects (the project to be announced later). The money is being given for the recreation of

the youth of our fine community in memory of J. O. Reigle.

The Park Committee expressed their sincere thanks, along with that of the community. It was also noted generosity such as this happens so seldom words cannot express the community's gratitude.

### Purchase of New Squad Car Approved, Assessor Hired by Board

By Karen Schmidt

The Kewaskum Village Board met Tuesday evening and approved the purchase of a new squad car. Two bids were received out of a total of eighteen sent out. The approved bid was from Stocker Ford, West Bend, for a LTD for a total of \$2,955. Trade-in on the present vehicle was \$3,470. The other bid was submitted by Meyer Ford, Campbellsport, for the same car for \$3,600. Trade in there was \$2,782. The difference in the base price on the two bids was only \$40 but Stocker gave a better trade-in value. No delivery date was given.

James Arthur of Arthur and Arthur Associates appeared with the plans needed for submittal to the state by Dec. 31 for refunding on the park project. The plan to be submitted was for the completed finished park with costs notations on each item. Arthur gave a complete breakdown of every item in the park as noted on the plan. Complete cost of the finished park including engineering fees, purchased equipment, estimated legal and administration fees, contingencies and pool amounted to \$489,000. The complete package will be submitted and Tom Blotz in charge of funding will decide what will be eligible for funding. All items may not be fundable this year but may be eligible in future years so will be eliminated at the present time for future submittal. Other items may also be eliminated depending on amount of funding.

Gene Bohn appeared to go over the village insurance program. He felt a new appraisal on village property was needed since some items have become obsolete and others have not been added to the appraisal. Bohn asked for and received permission from the board to request a representative of Industrial Appraisal to come and give the village an idea on what fee if any there would be on a new appraisal.

The board approved hiring Virgil Samsal of Sheboygan Falls as village assessor. He stated he would take the job if the village went to computerized tax rolls.

Since this was budgeted for 1977 the board gave the go ahead to get started with Southeastern to get on the computer. Samsal will receive \$800 for 1977 and will look into his doing the village re-assessment, thus eliminating having to go to an outside appraisal firm. He is qualified to do the re-assessment.

Charles Miller stated that no applications had been received for the position so the village looked for someone to fill the position.

Two applications have been received for the position of building inspector. The two candidates, Richard Stange, R. 1, Kewaskum, a construction worker, and Richard Weiland, R. 1, Adell, co-owner of Pro-Bilt Homes with offices in Kewaskum, will be interviewed after the first of the year.

The next regular scheduled meeting of the Village Board will be January 3 at 8:00 p. m.

### XYZ Club Holds Christmas Party, Presents Bicentennial Quilt to Museum

The Kewaskum XYZ Club (Senior Citizens) enjoyed their dinner and Christmas party held at the Kewaskum clubhouse on Dec. 14. Ninety-eight people were in attendance. Thank you to Maggie Seideman and Barbara Demge for the Christmas music they played.

We presented our beautiful hand-made quilt to Dan Schmidt, president of the Kewaskum Historical Society, on Dec. 8. This quilt has one block for each state, embroidered in the flower of the state by the women in our club. It will be displayed in the Kewaskum museum as a remembrance from the Senior Citizens of this area.

The club will meet again on Wednesday, Jan. 5. The county nurses will be at the

Legion Clubhouse Jan. 12 to take blood pressure readings from 11:00 a. m. until everyone is taken care of. Anyone, 35 years and older, is welcome.

We would like to thank Mr. and Mrs. William Harbeck of the Kewaskum Statesman, all of the community organizations and everyone else who has helped to make our year a good one.

A special thanks to all our members, our president, Clifford Stautz, our secretary, Mrs. Ada Meilahn, our treasurer, Mrs. Phillip (Rebecca) Erber and Celesta Koerble for all the birthday records she has kept.

May you all have a Happy Holiday and Healthy New Year in 1977.

### Club Honors James Andre

The Kewaskum Woman's Club had the Senior Citizens as guests at their December meeting. Special recognition was given to James Andre, Kewaskum, who won honorable mention in the "Yarns of Yesteryear" contest sponsored by the University of Wisconsin Extension Arts and Regional Writer's Association.

The club is presenting the book "We Were Children Then" to our library in Andre's honor. The book is a compilation of more than 90 stories which are everyday experiences of ordinary people.

On Wednesday, Aug. 31, 1977 at 10:00 a. m., Andre's story will be broadcast in the Wisconsin Educational Radio Network on 930 AM radio dial or between 88.3 and 91.9 FM radio dial. The title of his story is "The Summer of '32."

### Bonnie Manthei Receives Degree

Bonnie Manthei of Kewaskum received her diploma at the Dec. 19 commencement exercises held at the University of Wisconsin - Stevens Point. She received a Bachelor of Science degree in Home Economics Education.

Bonnie is the daughter of Mr. and Mrs. Lyle Manthei, Kewaskum, and the granddaughter of Mr. and Mrs. Arthur Manthei, Kewaskum.

### Receives Degree At UW - Superior

Upon satisfactory completion of academic requirements, 103 students received degrees at commencement exercises held Dec. 18 at the University of Wisconsin - Superior in Rothwell Student Center.

Students receiving degrees included Douglas C. Acker, 139 Forest Ave., Kewaskum, Bachelor of Music.

### Paula Schoofs Is Cosmetology Grad

Paula F. Schoofs, 4481 Highway 28, Route 2, Kewaskum, is a graduate of the Cosmetology program at Moraine Park Technical Institute, Fond du Lac. She completed nine months of theory and clinical applications of cosmetology techniques. She is now qualified to take the State Board Examination to become a licensed cosmetologist.

### Staehler Honored for Fifty Years of Service With Boltonville Fire Dept.

Lawrence Staehler

At the Dec. 4 Christmas party of the Boltonville Fire Department, Lawrence Staehler was honored for fifty years of service.

Staehler served as Fire

Chief from 1947 to 1968. Joe Enright, present Chief, presented Staehler with a lapel pin, an engraved watch, and the old Fire Chief's helmet Staehler wore as Chief. The helmet was inscribed with the years of his service to the Department.

Guest speakers for the ceremony were: Ervin Arndt, Fire Chief of Random Lake, Wilmer Herman, Fire Chief of Kohlsville, and Herman Littenburg, Kiel, a state fire instructor.

One hundred guests including members of Staehler's immediate family were on hand to honor him.

**CANCEL ALL COUNTY SWINE FLU CLINICS**

All Washington County Swine Flu Immunization Clinics are cancelled.

Due to the nationwide halt to the flu immunization program, Washington County has cancelled all clinics that had been scheduled for late December and early January. If the program is resumed, clinics will then be scheduled in Washington County.

**IN MEMORIAM**

In memory of our dear husband, father, father-in-law and grandfather, August Jandre, who passed away fifteen years ago, Dec. 12, 1961:

His memory is our keepsake,

With which we'll never part. God has him in His keeping. We have him in our hearts.

Missed by wife, Alma, children and grandchildren.

 To Sponsor Dance**

Hail! Hail! The gang's all here! Plan to dance to Radio Flyer Country Music on Saturday, Jan. 8, 1977 from 8:30 p. m. to 12:30 a. m. at Amerahn Hall. Sponsored by the Kewaskum Junior Woman's Club, this event smacks of being a real hit in the area. This popular group has been appearing out of state the last few months, and KJWC feels exceptionally fortunate that Radio Flyer plans to make Kewaskum a stop as part of their Wisconsin tour.

You say you haven't danced in years? You're too pooped to participate? You have two left feet? A good night out on the dance floor is all you need, fella, and we have just the night to offer you. Advance tickets, at \$1.00, are available from any Kewaskum Junior Woman's Club member, or by calling Char Rademacher at 626-4494. Tickets may also be purchased at the door for \$1.50.

## The History Of Christmas Stockings

Gift giving was a part of the holiday season even before the first Christmas. The ancient Romans celebrated mid-winter by distributing presents to each other.

According to the Bible, the Three Wise Men brought gifts to the infant Jesus on the 12th day after his birth.

The tradition of Santa Claus filling children's stockings with gifts is not quite so ancient but, according to legend, did start about 16 centuries ago. At that time a Turkish bishop was known for his great charity. According to one story, he took pity on a man too poor to provide a dowry for his daughters and dropped gold pieces into the girls' stockings hung up by the fire to dry.

According to another, gold fell by accident into a poor child's drying stocking when the bishop was on a charitable errand.

It is believed that the custom of hanging stockings for presents originated in Germany and was brought to the New World by the Dutch colonists of New Amsterdam, who also brought America the

**A CHRISTMAS stocking full of delicious surprises is as exciting today as it was 100 or 1,600 years ago.**

concept of Santa Claus.

Many modern American parents are pleased to have Santa fill their children's stockings with enjoyable and nutritious Baby Ruth and Butterfinger snack bars that help give children the quick energy they need in their active lives. Parents and children also appreciate Planters Peanuts in stockings since they are rich in protein.

Many children in Europe don't hang stockings at all. Instead, they set out shoes. In the morning the good children's shoes are found filled with sweets and other gifts, those of the bad children with ashes, sticks or coal.

**ADD CHEER TO THE HOLIDAYS  
WITH A WALLBANGER POUND CAKE**

Making elegantly simple pound cakes is a holiday tradition in many homes. This delectable variation combines the flavors of a Harvey Wallbanger with a pound cake mix that shortens the preparation time considerably, yet produces the moist, fine-grained, delicately-flavored cake that pound cake lovers expect.

Holiday Wallbanger Cake will stay fresh for days, or you can make it ahead and freeze it, to have on hand for unexpected guests, as well as for holiday desserts. And how about making an extra one as a gift?

**HOLIDAY WALLBANGER CAKE**

- 24-3/4 ounce package pound cake supreme mix
- 3 eggs
- 1-1/4 cups orange juice
- 1/4 cup Galliano® liqueur
- 1/4 cup soft margarine or butter

Preheat oven to 325°. Generously grease a 12-cup fluted tube pan. In large bowl, blend cake base and pound mix from package with rest of ingredients until moistened. Beat 2 minutes at medium speed (portable mixer use highest speed). Pour into prepared pan. Bake at 325° for 45 to 55 minutes or until toothpick inserted in center comes out clean. Cool until lukewarm; invert onto serving plate. Sprinkle contents of topping packet over completely cooled cake. Store tightly covered. Makes 10-inch ring cake. **HIGH ALTITUDE** - Above 3500 feet: Bake at 325° for 60 to 65 minutes.

**ORIGINS of SOME CHRISTMAS CUSTOMS**

1. The jolly gent we know as St. Nick is based on the real-life St. Nicholas, Bishop of Myra in Asia Minor in the fourth century. A legend in his own time for his generosity and love of children, he is said to have gone on many a mysterious journey carrying secret gifts to the poor. Once, so the story goes, he dropped a bag of gold down a chimney. It fell by accident into a stocking hung up to dry by the fire -- and prompted generations of hopeful children to hang up their hosiery, too.

2. Giving to the poor remains a vital part of Christmas celebrations. In England, on the day after Christmas, clergymen used to open the church almsboxes and distribute the money to the needy. Later, it became customary to give boxes of money on that day to people who had served you during the year. December 26 is still known as Boxing Day in Britain.

3. According to GiftAmerica, a leading gift-giving authority, giving at this time of year goes back just about

as far as the ancient Roman midwinter celebrations. Even then, December was a time for merriment and opening presents. And, this year, Christmas gift-giving is made even more convenient for millions of Americans who will be using GiftAmerica's nationwide network of telephone service to dial a gift anytime, 24 hours a day, from any place in the 48 contiguous states. It may be the only way for the last-minute shopper to get a gift delivered. GiftAmerica accepts most major credit cards when you dial its toll-free number 800-325-5000 (in Missouri only call 800-342-5777).

4. Some countries enjoy Christmas giving so much that they do it twice: the French exchange gifts on

New Year's Day, but the children are visited by Pere Noel on Christmas Eve. And Icelanders must hurry if they want to unwrap their presents Christmas morning. Almost the entire holiday must be spent in church services--for in Iceland there are only four hours of light on Christmas Day!

Merry Christmas,  
Everyone!

### JUNIOR FIRE MARSHAL RULES FOR HAPPY YULE

Live Christmas trees be-decked with flaming candles are difficult for the younger generation to imagine, but many remember well those holiday hazards of a bygone day. Somehow accepted then, they kept fire departments busy and hospitals full throughout the holiday season.

Now, thankfully, most people would never consider using candles on a Christmas tree, but many tempt fate almost as blatantly as they do their holiday decorating with nary a thought for fire safety. Ignorance and carelessness combine to turn what should be the happiest of times into the saddest for far too many Americans.

Through The Hartford Insurance Group's 26-year-old Junior Fire Marshal program, young children learn the rules of fire prevention. They know, and take seriously, the danger of fire—and adults would do well to follow their lead in taking the following steps to insure a fire-free and truly joyous holiday season.

#### START WITH THE TREE . . .

- Select a Christmas tree carefully, making sure it's fresh enough to last a week or two in a warm house. Shake before you buy: if needles fall off the tree is already drying up, and is sure to be a fire hazard.
- Keep the tree outside, in a bucket of water, until it's

time to decorate. Then, set it up in a spot well away from stairways, doors, radiators, and especially the fireplace. Use a sturdy tree stand, and be sure to anchor it firmly.

#### • WATER THE TREE DAILY! One watering is not enough!

#### THEN COME THE LIGHTS . . .

- Check all lighting equipment before use. Make sure wires are not worn, and plugs and sockets are not loose or damaged.
- Use only Underwriters' Laboratories (UL) approved lights.
- Arrange wiring so that lights can be turned on and off without crawling under the tree.
- Do not overload a socket.
- If you use an aluminum tree, light it with a spot-light rather than with

strings of lights placed directly upon it.

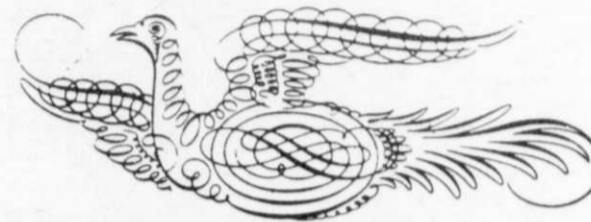

#### . . . AND OTHER DECORATIONS

- Be sure all decorations are flame resistant.
- A sheet used around the base of a tree should first be made flame-resistant by dipping it in a mixture of one gallon of water, nine ounces of crystal borax and four ounces of boric acid.
- Pay particular attention to candle arrangements, making sure they are out of drafts and away from flammable objects, such as draperies. Don't burn candles down to the end of the wick, and, above all, don't place them where they may be easily upset by adults or reached by children!
- Never operate electric toys under the tree.

#### FOCUS ON THE FIREPLACE . . .

- If the fireplace is to be used, be sure it is covered with a tight-fitting screen.
- Don't let mantle decorations hang close to the fire—and watch those stockings! A wayward spark has more than once set stockings, and entire houses, ablaze.

Follow these Junior Fire Marshal rules for a happy yule—and the likelihood that you and your family will be around to enjoy many more will be immeasurably multiplied. A HAPPY CHRISTMAS TO ALL!

Cranberries Featured In Colonial Jersey

Towns called Double Trouble and Misery doze forgotten in the pine country of Southern New Jersey, appearing much the same as they did in colonial times. In contrast to these quiet towns is the bustling, restored town of Smithville.

This historic area in South Jersey is responsible for much of the success of cultivated cranberries. Wild cranberries, popular with the Indians of New Jersey long before the colonists arrived, were soon cultivated by the early pioneers. The low, marshy places, called bogs, where cranberries are grown are still a common sight in New Jersey today.

Since the colonists' first introduction to cranberries, relishes, stuffings, breads and tarts have featured plump, tangy cranberries. This recipe for Rock Cornish Hens with Cranberry Stuffing is reminiscent of New Jersey colonial cooking. The cornbread-cranberry stuffing is delicately spiced with thyme, dill weed and onion. Versatile Blue Bonnet Margarine, the modern spread, gives the stuffing that good buttery flavor. The stuffed Cornish hens are also basted during baking to keep the delicate meat moist and to add to buttery taste.

### ROCK CORNISH HENS WITH CRANBERRY DRESSING

5 tablespoons Blue Bonnet Margarine  
2 cups cornbread crumbs  
3/4 cup fresh cranberries

2 tablespoons sugar  
1/2 teaspoon salt  
1/4 teaspoon onion powder  
Generous dash pepper  
Generous dash thyme leaves  
Generous dash dill weed  
4 (1-pound each) Rock Cornish hens, thawed and rinsed  
Salt  
2 teaspoons Dijon-style mustard  
Melt Blue Bonnet Mar-

garine in a saucepan. Set 2 tablespoons aside. Stir cornbread crumbs, cranberries, sugar, salt, onion powder, pepper, thyme and dill weed into margarine in saucepan.

Sprinkle cavities of hens with salt. Stuff with cranberry mixture. Truss birds. Blend mustard into reserved margarine; brush mixture over hens.

Roast at 400°F., basting occasionally, about 1 hour, or until done. If desired, serve with gravy. Makes 4 servings.

Wishing you a holiday packed with good wishes and our thanks.

## HELPFUL TIPS ON ENTERTAINING

"Many people shy away from entertaining for fear of failing," says Hollace Ann Dahler, a fabricare home economist for Pittsburgh-based PPG Industries. "But by following a few simple guidelines, you can ensure a successful party for your guests, and you'll even have a good time yourself."

"Remember, a good party doesn't necessarily mean a large party," Miss Dahler said. "A well planned evening with a few close friends will usually add up to a good time for everyone."

"Don't allow those little imminent disasters—a punch spill on your new jumpsuit or a cocktail stain on the sofa slipcover—to cast a gloom on your party. Tell yourself beforehand that accidents will happen in a party atmosphere, and plan to visit your dry cleaner the next afternoon."

"Always try to complete any necessary housecleaning at least one full day in advance of the party. This includes polishing silver, wiping out glasses and serving bowls, and rearranging furniture if necessary."

"Arrange furniture for the best traffic flow. If it's a large party—more than 12 guests—move furniture away from the center of rooms and out of doorways to allow space to mingle and move about," Miss Dahler said. "Keep chairs in groups of three, or at least two. Don't leave one chair off in a corner where a guest is likely to be isolated."

"Make sure all chairs allow easy access to a table—even the simple fold-up kind—so guests can put their drinks down or reach an ashtray."

"Show off your finest items," she said. "Party time is the time to bring the best napkins, table cloths and linens out of the bottom drawer and use them. So what if they get soiled. A quick trip to your local dry-cleaner will restore your linens to like-new condition for the next party."

Providing ample food and drink is essential to a

successful party according to the PPG home economist. "It isn't necessary to serve alcoholic beverages. Soft drinks or a large holiday punch bowl are sufficient," she said. "But if alcohol is served, figure 20 drinks to the fifth, and allow three to four drinks per person."

Hors d'oeuvres need not be fancy, but they should be plentiful, especially if alcoholic beverages are served. A cheese ball and crackers, potato chips and dip, pizza, cookies, cake and other finger foods are among the easiest snacks to serve.

"Music is a nice addition to any gathering," Miss Dahler continued. "Whether you choose to play your stereo, tapes or the radio, keep the music soft enough so it doesn't interfere with conversation but loud enough to provide background sounds throughout the party area."

"It's very important to allow enough time to get yourself ready," she said. "Three hours should be enough time, and this should leave at least one hour for you to sit and unwind before the first guests arrive."

Whether or not a party is successful depends primarily on the hostess or host, says Miss Dahler. "Be festive. Dress the part. Holiday entertaining provides the best excuse of all to pull your most glamorous clothes out of storage."

"And once the party begins, relax and have a good time, she said. "Remember, your local dry cleaner can restore all your party finery—from linens to that favorite gown—to like-new condition. Just smile and have a happy holiday."

## HOLIDAY WARNING: 'TIS THE SEASON FOR KITCHEN FIRES

The holiday season brings America's season of warmth — not of temperature, but of spirit, friendship, and hospitality. Now most of us turn from the casual, outdoor attitude of summer to the coziness of the fireside, and the kitchen once again becomes the focal point of family living and entertainment.

Now, when busy women are likely to slip up on otherwise second-nature safety precautions, the kitchen fire poses a great danger. A few simple safeguards now will dramatically reduce the likelihood of such a tragedy.

Kitchen fires are generally attributable to one of four sources: electricity; gas; grease; or open flames. The

Hartford Insurance Group, sponsor of the 27-year-old Junior Fire Marshal program of fire safety education for children, warns that heating and cooking are the greatest causes of fire, and offers parents tips on avoiding these fires, as well as advice on what to do if fire should start.

### ELECTRICAL FIRES

- Use only electrical appliances bearing the UL (Underwriters' Laboratories) label.
- Appliances which give off heat, such as a toaster, iron, heater, roaster and waffle iron, use a great deal of power. Try not to use more than one at a time, and be sure to unplug after each use. Do not overload outlets.
- Never yank an electric cord from an outlet; instead, grasp the plug and pull out firmly.
- Have appliances repaired at the first sign of trouble; never use one having a frayed cord.
- Use no more than 15 amp fuses unless you are sure heavy duty wiring has been provided.
- Use an insulated pad under a toaster, electric grill or other table appliances.

### GAS FIRES

- All gas appliances should bear the American Gas Association Seal of Approval or the UL label.
- Don't let a pan boil over on a gas stove; it could extinguish the flame.
- Never use a match to look for a gas leak.
- If you smell gas:
  - 1) open windows and doors for ventilation;
  - 2) Check to see if the burner valves are open or if the pilot flame is extinguished;
  - 3) If you can't find the

### GREASE FIRES

- Clean up grease spills on the stove or in the oven immediately.
- Clean grease from the exhaust fan hood often.
- Don't store grease on the stove.

### OPEN FLAMES

- Don't wear loose or flammable clothing when cooking. Be especially careful of long, full sleeves.
- Be sure blowing curtains

- can't reach the stove.
- Don't hang paper towels or other flammable materials near the stove.
- Never use a dish towel in place of a pot holder.

### GENERAL REMINDERS

- Be sure handles on pots and pans don't extend over the stove edge.
- Don't use the oven for storage.
- Don't empty ash trays into the waste basket.

### IN CASE OF FIRE

If, in spite of all precautions, a fire does start, get everyone out of the house

Then, if it is in very early stages, an adult may be able to bring it under control. A critical point: Don't use water on a fat, grease, oil, gas or electrical fire. Instead:

- 1) Turn off the stove or appliance.
- 2) Cover pan or close oven, if fire is located there.
- 3) Use a dry chemical extinguisher on base of flames.
- 4) In the absence of an extinguisher, pour plenty of baking soda on the flames.

Fire insurance experts at The Hartford stress the importance of having a dry chemical extinguisher in the kitchen at all times. Baking soda is good, but does not replace an extinguisher.

Additional information on fire prevention and safety is available free from The Hartford. Requests for material should be addressed to: Junior Fire Marshal Headquarters, The Hartford Insurance Group, Hartford Plaza, Hartford, Conn. 06115.

**DEC. 31 IS DEADLINE FOR FILING MEDICARE INSURANCE CLAIMS**

Dec. 31, 1976 is the deadline for filing Part B Medicare insurance claims for services received between Oct. 1, 1974 and Sept. 30, 1975, according to David Becker, manager of the West Bend Social Security Office. Failure to file a timely claim can mean loss of Medicare benefits.

Medicare participants should remember that if they have covered medical expenses in the last three months of a year that can be counted toward the deductible for that year, they can also be counted toward the \$60 deductible the following year. This is true even if the total expenses for a year are less than \$60. Therefore, failure to file a claim for medical services received in the last three months of year, even if the total bills for the year are under \$60, could result in a loss of Medicare benefits the following year.

Any questions about filing Medicare claims should be directed to the West Bend Social Security Office located at 420 Meadowbrook Drive. The telephone number is 338-6181.

## Greenhouse Owners Present Program To Junior Women

Mr. and Mrs. Bob Schultz of Schultz Greenhouse must have practically cleaned out their entire store stock when they arrived to present a program on "How to Care for House Plants" to the Kewaskum Junior Woman's Club and their mothers and/or mothers-in-law on Dec. 9. Plants and accessories were literally hanging from the rafters. After the very informative program (which the Schultzes admitted was a first for them) all items went on sale, at a substantial discount, and the Schultzes also were very generous in holding a drawing for various greenhouse items. Winners of the drawing were Mrs. A. Enright, Arlene Gutjahr, Audrey McKenna, Sandy Schlieter, Millie Weiss and Corey Wuebben. Hope the Schultzes enjoyed themselves — we certainly did!

Nancy Malvick (Conservation) then showed slides of her sojourn at the Trees for Tomorrow Seminar which was held at Eagle River in late September, while the hostess brigade brought on the food.

The annual Christmas Gift Exchange among members and their guests followed, and again, as in years past, a bountiful array of homemade and homebaked presents was in evidence. ("Santa" Enright did the honors - funnee-e-e-e!).

A short business meeting was called to order by President Ann Enright at 10:30 p. m.

Kathi Ramthun (Ways & Means) distributed tickets to all members to be sold for the KJWC - sponsored Radio Flyer Dance at Amerahn Hall on Jan. 8, from 8:30 p. m. - 12:30 a. m. (Watch this newspaper for further information).

Sherry Miller (Social) announced that our 10th Anniversary Birthday Party will begin with a Potluck Supper at Peace Church on Jan. 13, with all former KJWC officers and members not presently within club ranks being our special guests. All current members are asked to be present at 7:00 p. m. and the general meeting will begin at 7:30 p. m. Also on the agenda for that evening will be Mrs. Gene (Judy) Harrison, the Wisconsin Federation of Women's Clubs' State President, who will speak to us on "caring."

At this point, Pres. Enright presented Karen Keller (Membership) with a special gift on behalf of KJWC for a job well done this year and in the past. Congratulations, Karen.

Pat Redig (Education) announced that books had been donated to the Kewaskum Community Library in celebration of Children's Book Week (11-8-76 — 11-11-76), and also in the names of 2 new Kewaskum citizens, the babies of Ken and Char Rademacher and Karl and Ann Fee.

Cindy Knoebel (International Affairs) reported that

our exchange student will again be presented with a telephone call home on behalf of KJWC.

Ros Kiefer (Cookbook Project) announced that the KJWC cookbook will be titled "Kewaskum Kettles," and will be available sometime during the spring of 1977. She has called a meeting of her committee members on Jan. 6, at 8:00 p. m. at her home. This cookbook promises to have something for everyone, so watch for its debut.

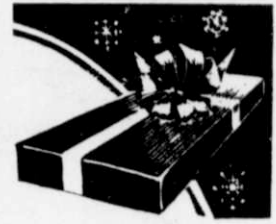

Nancy Malvick (Re-cycling and Conservation) announced that Minz Supply has donated a dolly to KJWC for our use at the Recycling Center. What a nice gesture, and we certainly thank you, Minz Supply! As another project continues, so a new one begins. Nancy also asked for everyone's help, KJWC members and the citizens of Kewaskum alike, to PLEASE drop off their "used" Christmas trees at Schultz Greenhouse anytime after January

1, for the purpose of making bark chips which will be used in the new Kiwanis Village Park's pathways. The trees will be recycled through the kindness of Schultz Greenhouse, and we certainly hope we get every tree in town. This will be KJWC's donation to the park project. It was also voted to donate \$25.00 to the Riveredge Nature Center on behalf of KJWC, from the Shell Oil Award monies we received.

Carol Zimmel (Tour of Homes) asked all members to bring scraps of material to the next meetings for the quilt to be given away during the spring Tour of Homes.

Following the meeting, many members "convened" at the Glacier Inn, to present Marge and Willard Lynn with a gift for our appreciation of their many contributions to Kewaskum Junior Woman's Club in the past. We wish them luck and much happiness in their endeavors in the future

### Stoltz Will Not Seek Reelection

Robert J. Stoltz, judge of Branch II of Washington County Court, announces that he will not be a candidate at the coming spring election for another term as County Judge. His current term ends the first Monday in January, 1978, and he hopes to serve until then.

Stoltz, 64, has served as a county judge since 1960, when the second branch of the county court was activated.

He made the announcement last week in a letter to Attorney Thomas Kissel of Hartford, chairman of the Washington County Bar Association, and copies of the letter were made available to news media.

Stoltz wants to thank the electors of Washington County for the distinct privilege of electing him to serve as their County Judge for over 17 years. It has been an honor and the number of challenges were limited only by time.

He wishes to particularly thank the active members of the Washington County Bar Association with whom he has worked so closely in the administration of justice. Stoltz said he has found the work to be very challenging, interesting and enjoyable.

## Walter Schmidt Called in Death

Walter J. Schmidt, 72 years, died Thursday, Dec. 16, at the Beechwood Rest Home, where he had resided since February, 1974.

He was born June 8, 1904, at Forest Lake, Auburn township, the son of Christian and Louisa Schmidt.

A resident of the Town of Kewaskum since retiring in 1968, he farmed in the Town of Scott, Sheboygan County, until 1954, after which he was employed at Regal Ware, Inc., Kewaskum, for several years. In 1957 he joined his brother Rudolph, farming in Mitchell Township, Cascade.

Survivors are a sister, Nettie of West Bend; two nieces, five nephews, other relatives and friends. His parents, three sisters and a brother preceded him in death.

Funeral services were held at 2 p. m. Monday at St. John's United Church of Christ, Beechwood, with Rev. Elmer Becker officiating. Visitation was from 3 to 9 p. m. Sunday at Miller's Funeral Home, 215 Forest Ave., Kewaskum, and from 12 noon until the time of services at the church Monday. Burial was in Union Cemetery, Beechwood.

Memorials to the United Church of Christ Building Fund in Beechwood would be appreciated.

**JOB SERVICE OFFICE  
OPEN DURING HOLIDAYS**

The West Bend Job Service in West Bend will provide normal service during most of the Christmas and New Year's holiday period, the agency said.

The West Bend office will remain open until noon on Dec. 24 and Dec. 31, both Fridays, with enough staff available to provide at least a minimum level of regular services, according to Mr. Langer, manager.

Because some employees have vacations scheduled for part of the holiday season to be with their families, Langer said job applicants, unemployment compensation claimants, and employers seeking service are encouraged to visit the offices Monday through Thursday of the week preceding Christmas Day, and Tuesday through Thursday of the following week, if possible.

The office is located at 410 Hawthorn Drive, West Bend. Offices are open from 7:45 a. m. to 4:30 p. m., except holidays.

**INSULATE YOUR HOME NOW. SAVE!**

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

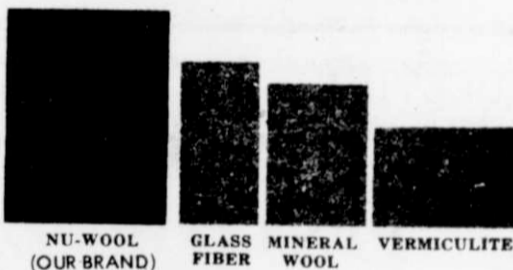

**DO IT YOURSELF**

\* No Costly Installation Charge \*

\* No Charge for Use of Blower When You Purchase Insulation From Us.

**OR WE'LL DO IT FOR YOU**

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

**EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!**

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

**Why NU-WOOL is your final choice in insulation**

**PERFORMANCE**  
NU-WOOL insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.

**MANUFACTURING INSULATION SINCE 1949**  
NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.

**FIRE RESISTANT**  
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

**COOLS IN SUMMER**  
NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

**PLUS SOUND PROOFING**  
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

**VERMIN AND RODENT RESISTANT**  
Chemically treated to repel insects and rodents from working in materials.

**REDUCES HEAT COST**  
Correct attic insulation can save you 30% or more on fuel.

**RESISTANT TO MOISTURE**  
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.

**GUARANTEE**  
Nu-Wool insulation is guaranteed for the life of the structure (building).

**HIGH R-VALUE**  
NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.

**WILL NOT DETERIORATE**  
It is a life-time insulation because it is treated with chemicals that are permanent.

**LIGHT WEIGHT WILL NOT SETTLE**  
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

**HELPS CONTROL ICE BUILDUP**  
Damaging ice and kicks on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.

### County Medical Society Elects

The election of officers was the main business at a meeting of the Washington County Medical Society held Nov. 18 at the Linden Inn. Paul R. Rice, M.D., was re-elected president for the upcoming year. Dr. Rice is an ophthalmologist practicing in West Bend.

Other officers elected at this meeting included William J. Listwan, M.D., President Elect; James F. Baumgartner, M.D., Secretary-Treasurer; Charles S. Geiger, M.D., Delegate to the state convention; and Michael J. Mally, M.D., Censor.

Guest speaker at the meeting was James R. Lewis, State Representative from the 53rd district. He spoke about the workings of the political system in Madison and answered questions from the physicians and their wives.

The New Fane Kettle Riders, one of the first area clubs to conduct Youth Snowmobile Safety programs, completed their 5th course run by instructors Glen and Gerry Mueller. Looking forward to next year's class, the Muellers have instructed over 100 youths in Snowmobile Safety. Mrs. Maggie Seideman presented a talk on first aid and what to do in an emergency situation.

Since the Kettle Riders started their classes, many area clubs have joined them in teaching area children that safety and snowmobiling go hand in hand.

The Kettle Riders would like to invite all snowmobilers to join their local club and send their children to a Safety Course.

Almost all serious or fatal accidents have happened to

## Indians Lose Sixth Straight At Kettle, 62-52

The Indians went down to their sixth straight defeat without a win, four of them in conference, at Kettle Moraine Friday night where they were beaten, 62-52.

Kewaskum went into the game hoping for their first victory but serious foul trouble took care of that. They had four regulars, two guards and two forwards, foul out of the game. They were Jim Donath, Mark Tessar, Kevin Darmody and Leon Laatsch. Laatsch is the leading scorer in the conference with 90 points in four games and losing him hurt.

Kettle took advantage of the Indians' foul problem by hitting 20 of 40 free throws, while Kewaskum made good on only eight of 22 chances. Although the Lasers led 32-28 at halftime the contest was close most of the way until Kettle spurred ahead by 14 points in the third quarter. The Indians rallied to cut the margin to six points in the final period but then free throws allowed the Lasers to sew up the victory.

Laatsch again led Kewaskum with 20 points, three less than his average of 23.3 going into the game. Because of a foul problem he played only about three quarters of the game. Tessar and Roger Razel also hit in double figures with 13 and 11 points respectively. Bob Jackson was Kettle's big noise with 24 points.

In other Friday contests, unbeaten Grafton and Slinger retained their tie for first place with wins. Grafton trounced Pewaukee, 74-55, and Slinger downed Mayville, 76-66. In the remaining game Hartland edged Germantown, 69-65.

The Indians will now be idle until Jan. 4 when they take on Campbellsport's undefeated Flyway Conference leaders in a non-loop game. The Cougars are 6-0 while Kewaskum is just the opposite with 0-6.

## Local Judo Students Winners in Classic

Judo, Inc. of Milwaukee sponsored the third annual Mid-West Judo Classic on Nov. 28 at Menomonee Falls East High School. Some 27 West Bend Judo Club members instructed by Jon and Joe Sanfilippo joined 200 other Judoka from four states.

Locally Julie Larson took first and Doreen Sese second in their division, while Victor Sese, Norman Sison, Brian Sparks and Greg Woolman earned certificates.

## Indian Wrestlers Beat St. Mary's Springs, Grafton

In non-conference action last Tuesday night, the Kewaskum matmen won over St. Mary's Springs, 36-27.

Coach Fran Charland was pleased as the middle and upper weights started to show some strength.

Dan Ruplinger gained his 10th straight win, pinning Jim Yockey in 56 seconds. At 185 lbs. Eric Schmidt also pinned early and kept his fine record at 9-0-1.

One of the best matches was at 155 where Steve Schneider pinned Joe O'Hearn. The last minute pin was preceded by four near falls.

Although it is a "building year" for the Indians, they are now 2-1 in conference as the result of nipping Grafton there Thursday night, 24-21.

Kewaskum's forfeit problems has been improved with Jay Jansen, a freshman, at 167 lbs. and Clyde Gundrum, a regular last year, reporting at 112. But the Indians still do not have a wrestler in the unlimited class.

Jansen, who has been winning, lost to one of the Blackhawks' best but he fought off a pin.

Dan Ruplinger again was a bright spot for the winners. He won at 105 for his 11th straight, mostly pins. Eric Schmidt also won on a pin and is now 10-0-1.

Rob Secor won by pin at 119; Rich Schneider was pinned at 132; Merl Tackes lost 8-2 at 145.

## Kewaskum Girls Win 3rd in Row

After losing their first two Scenic Conference games, the Kewaskum girls have won three straight. Their latest win was an easy one at Kettle Moraine Friday, 48-33.

The winners jumped off at a 32-16 halftime advantage and after that reserves played much of the time.

Kathy Mertz led Kewaskum with 10 points, followed by Julie Stoffel with 8, and Bonnie Schmidt 7. Schmidt also played a good all-around game. Daniele Bellart paced the Lasers with 15 points.

## Slinger Beats Lakes '5' on Free Throws

The Kewaskum Lakes team was defeated at Slinger Saturday night, 111-101, leaving them with a 1-3 record. The Merchants are now 3-1 and tied for the lead in the "B" Division.

Accurate free throw shooting played a big part as Slinger hit on 27 of 36 from the line. Kewaskum got only 11 free throw chances, sinking 7 of them. The losers outshot the Merchants from the field, 47 to 42.

Kewaskum picked up a whopping 34 fouls, six each by Tom Zoch and Mike Hughes, who fouled out. Zoch left the game after pouring in 28 points, the game's high.

and this hurt. Hughes scored 18 points, Chuck Wallace 20 and Glenn Eichstedt 17. Three technical fouls also marred the game.

Kewaskum was without the services of Ken Loest, one of their top scorers.

For the winners, Doug Potter tallied 25 points, Larry Gundrum 18, Russ Nehm 16 and Ron Held 15.

Kewaskum was ahead at the half, 52-44, and 81-73 at the end of the third quarter but faltered badly in the final period when they were outnotted 38-20 after getting into foul trouble.
