AFS Seeks Home for Foreign Student for Coming Year

KEWASKUM CHAPTER

Kewaskum has been fortunate to have had foreign students since 1961-1962 living in our community and attending our high school. Kewaskum's A. F. S. students are pictured above. We have had two International Fellowship Students who are not shown. They are Ana Rita Reyes, Chile, and Hector Vargas, Columbia.

Students, totalling 85,000 have lived with almost as many families throughout the world, all of whom were special people; however, the families make no special distinction as they accept students from other areas in the world. The A. F. S. program insists on this. The program develops relationships, shares educational institutions, families, cultures and makes a commitment for better understanding in the future.

In the U. S., the A. F. S. program has grown from 50 students to 5,500 this year, and 60 countries participate. Caring people are vital to A.F.S. Important features of this program are sharing, growing and learning.

Christoph Obst is the A. F. S. student this year and he lives with the Warren Schmidt family, Auburn Lake. Christoph is from Regensburg, Bavaria, Germany. He has a younger brother and sister. His mother is a housewife and his father is a professor of geography at the Regensburg University. Christoph has many interests but enjoys art the most. Those

who have become acquainted with him are gaining some understanding of his nation, Germany, and its people.

Recently, Christoph was the guest speaker for the Senior Woman's Club and showed slides of his country, home and school. A question and answer period followed his talk.

Christoph and his host brother, Eric Schmidt, domestic student last year at New Jersey, were guests at a family pot luck supper at the Peace Church, February 13. Eric was the first student in this area to be selected for the domestic program.

Although the results of the A. F. S. program may not be immediately realized, it does promote lasting world understanding in places throughout the world. The following quotation from a letter written by one of our former A. F. S. students illustrates this point:

"Some of my friends thought I would come back a little Americanized as far as political ideas are concerned, but it's not true, because I've simply changed my concept of the American people from the wrong one to the right one. And in order to accomplish all the goals as an A.F.S.'r, I should tell the people back home what I've learned in a first-hand experience and try to breakup the misunderstandings and misconcepts that might exist among them. I've told people that Americans themselves are just won-

derful and I sincerely believe they are the nicest people I will ever be in touch with."

Perhaps this quoted statement best indicates whether it is really a worthwhile venture to open your home to an A. F. S. student for a year. If you are interested in opening your home to a foreign student, contact either of the people listed below for full particulars. The host family is not paid for accepting a student but may deduct up to \$50 monthly for income tax purposes.

Mrs. Ray Schaefer, Home Chairwoman. Phone: 626-2948, or Lester Benzschawel, Chapter President, Phone: 626-4052.

Ballot Positions For School Board

Drawing for placement on the Kewaskum School Board ballot took place last Wednesday evening following canvassing of the election results.

John Tassar, who received the most votes in Tuesday's primary, will also have his name in the first position on the April 5 ballot. Following him, in order, will be: Maryanne Merwin, James Walters, Richard S. Theusch, Thomas W. Gundrum, and Jean E. Goeden.

The Town of Mitchell's election results came in Wednesday. There was just one voter, casting just one vote for Richard Theusch. His new total was 574.

Ballot Order for Election Drawn by Village Board

By Karen Schmidt
The Kewaskum Village Board met Monday with President pro-tem, Gregor Nigh, presiding.

Names of candidates for the April 5 election were drawn for order of appearance on the ballot. Charles Miller, running unopposed for Village President, heads the ballot. Trustee candidates in order are: Daniel Schmidt, Mark Kral, Oscar Knoeck, Roger Schmitt and David Nigh.

Names of election workers nominated for a two year term starting in February, 1977, were presented to the board for approval. For the Democratic Party, Inspectors of Election, Jean Gilboy, Corrine Mlodzik, Minerva Martin and Dorothy Martin; Clerk of Election, Bernadette Key, and Ballot Clerk, Marion Mitchell.

The Republican Party: Inspectors of Election, Audrey Bartelt and Beulah Koch; Clerks of Election, Mary Miller and Mitzi Bartelt, and for Ballot Clerks, Ruth Behnke, LaVerne Hron and Gladys Garbisch.

All names were approved by the board, when Robert Danielsen asked for a discussion concerning the fact that one of the election workers was a wife of a candidate and he wanted to know the position

of the board on that matter. He felt that anyone related to a candidate should not work at the polls. It was brought to his attention that there is no rule that a relative cannot work, only the candidates themselves are not allowed at the polls during the election. He made a motion to the effect that no relative be allowed to work an election, but there was no second to the motion and the motion died.

Richard Kuehl appeared to find out the rules and regulations concerning his installing an electric welder in his home for his personal use. He stated he was informed when

Concert of Marches At School March 1

The Kewaskum High School Music Department will present a Concert of Marches on Tuesday, March 1. This concert will begin at 7:30 p. m. in the high school auditorium.

The concert band and symphonic band, both directed by Larry Ammel, will play the following marches from all styles and periods of music:

"Flourish for Wind Band," "Suite of Early Marches," "The Gillette Look-Sharp March," "Grand March," "March of the Ill-Assorted Guard," "War March and Battle Hymn of the Vikings," "Spirit of Our Land," "March from Mahler 2nd Symphony," "Folk Song Suite - March Seventeen Come Sunday," "Cheerio March," "Souvenir de Porto Rico," "Hands Across the Sea," "March of '76."

The final number will be the "George Washington Bicentennial March" performed by both bands together.

Ronald Bonlender Studying in France

Ronald R. Bonlender, son of Mr. and Mrs. Ervin Bonlender, 1276 Roseland Drive, Kewaskum, is one of 13 students and two University of Wisconsin professors who will be in France until May 21 as part of the French Study Abroad program of UW-Oshkosh.

The students spent two weeks on the UW-Oshkosh campus for an intensive French study to prepare for the program. They were in Paris until Feb. 13 when they left for Reims, the capital of the Champagne region, where they will take their courses. Bonlender will be doing his semester work at the Music Conservatory in Reims.

Butz Ranks High In Math Contest

Gerald Butz, a senior at Kewaskum High School, has achieved 109 points of a possible 120 points in a statewide preliminary mathematics contest sponsored by the Wisconsin Section of the Mathematical Association of America.

The contest involves algebra, geometry and ingenuity. It is for students who have studied at least one year of algebra and one semester of geometry. The contest is intended to identify and reward the very good and to stimulate and encourage all students in mathematics.

Kevin Neese and Scott Wulff, two other seniors, finished second and third respectively. For the juniors, Robert Secor placed first. Following him are Kathy Grandin, Cliff Wilson and Brian Markielewski. The highest ranking for the sophomores were Julie Yearling, Robin Neitzel and Ken Kumrow.

These individuals will have a strong possibility of advancing to the finals on March 26 at Sheboygan.

Ballot Order

he hired an electrician to hook up the wiring that there might be a zoning violation so he was present to inquire as to what he had to do to do it "legally." The board granted permission for the installation as long as it was only for his personal use, and there were no complaints from his neighbors. It was suggested that he inform his neighbors of his intent.

Ron Lochen, tenant in the Geidel house had requested that the electric power be turned on for the upstairs apartment. He had rented the entire house to be used as a one family. He had informed Gregor Nigh that Charles Miller had told him that the village would pay the cost of the electrical hookup. Nigh stated that he was not informed of this from Miller so the board granted permission to Lochen to have an electrician install a meter or hook up into the downstairs meter, at his own expense, or wait until Miller returns from his vacation.

Building permits were granted to Richard Knoebel for a one family residence and Daniel Schmidt for a one family residence upon payment of building fee.

Permission was granted for Chief of Police Hlavaty to attend the Governor's Conference on Disaster in Madison on March 10 and 11.

Dan Schmidt read a letter from the Library Staff and Library Board to the Bicentennial Committee thanking them for the portrait of Chief Kewaskum, painted by Dan Meilahn, that now hangs in the library. The letter stated that there have been many comments and questions concerning the painting and it is

an asset to the library.

Gregor Nigh stated that he spoke to Tom Larsen concerning a discussion the finance committee had concerning the energy used at the high school gym for the adult basketball program. The program will end on March 3 unless there is a playoff and it was mentioned that the gym is heated at the same temperature all the time whether in use or not.

Several of the board members will be going to Madison with Village Clerk William Martin on March 2 for the hearing concerning the proposed water rate increase.

Board adjourned to executive session to discuss a compensation claim of an employee and to discuss the possible adjustment of wages for election workers.

TAX NOTICE

Taxpayers of the Village of Kewaskum are reminded that the last day for the payment of real estate and personal property taxes is February 28, 1977.

Owners of dogs and cats are reminded that licenses for these animals must be purchased by that date.

William S. Martin, Clerk

NOTICE OF HEARING

The Kewaskum, Wisconsin, Municipal Water Utility has made application to the Wisconsin Public Service Commission for authority to increase its water rates. This is the first request for an increase in rates since 1947.

Marchant - Lendved

St. John's Lutheran Church, R. 1, Kewaskum, was the setting for the marriage ceremony Saturday, Feb. 12, uniting Nadine Marchant and Larry Lendved. The Rev. Arthur Haupt officiated.

Music for the occasion was furnished by Mrs. Haupt.

Parents of the couple are Mr. and Mrs. Joseph Marchant, R. 2, Campbellsport, and Mr. and Mrs. George

Lendved, R. 1, Kewaskum. Colleen Marchant, R. 2, Campbellsport, and Lee Schultz, Kewaskum, were the honor attendants.

Ushering duties were shared by Darryl Zanow, R. 1, Kewaskum, and John Reigle, Kewaskum.

The bride was a January graduate of Campbellsport High School and was previ-

ously employed at the A & W in Kewaskum. The groom, a 1973 graduate of Kewaskum High School, is a specialist fourth class in the U. S. Army and is currently stationed at Ft. Hood, Texas.

The newlyweds, who greeted guests at the bride's home, are residing at 103-B Halstead Ave., Copperas Cove, Texas.

Kleinke - Swed

Mr. and Mrs. Wilbur Kleinke, R. 2, Campbellsport, announce the engagement of their daughter, Welda Mae, to Steven Wayne Swed, son of Mr. and Mrs. Morris Swed, 313 N. Howard St., Princeton. Welda is a 1971 graduate

of Kewaskum High School and a 1975 graduate of the University of Wisconsin - Madison. She is presently employed as a teacher of Public Address in the Stoughton Middle School.

Steven is a 1971 graduate

of the University of Wisconsin - Madison and is presently employed as a Loan Officer at Anchor Savings and Loan on the square in Madison.

A June 11, 1977, wedding is planned.

Archbishop William E. Cousins discussed plans for the 1977 Archbishop's Fund Appeal at a recent meeting of Washington County pastors and parish leaders in Hartford. From left: Atty. Leo M. Schlaefel, West Bend, Washington County chairman; Mrs. Schlaefel; Rev. Merin Heiting, associate pastor of St. Kilian Parish, Hartford; Archbishop Cousins; and Robert W. Ninneman, Fund Appeal general chairman.

Archbishop's Fund Appeal Begins Sunday

The 1977 Archbishop's Fund Appeal, which commemorates Archbishop William E. Cousins' 50 years of priesthood and his 18 years of ministry in the Archdiocese of Milwaukee, begins Sunday, Feb. 27, in the 21 parishes and missions of Washington County.

Spurred by this year's campaign theme "My help is from the Lord," scores of leaders and workers will seek the county's \$131,000 goal from Catholics and other donors through personal calls at

homes, appeals in churches, and solicitations by mail.

The Washington County goal represents a 3.6% share of the total Archdiocesan goal of \$3,565,000. The overall goal is 4.2 per cent higher than the 1976 goal, but only \$35,720 more than the amount subscribed in last year's Fund Appeal.

Forty-six parish leaders were named to head the Fund Appeal in Washington County. County parish chairmen, vice-chairmen, auditors and youth chairmen include the

following in this area:

Allenton, Sacred Heart: Chairman Terry Theusch. Kewaskum, Holy Trinity: Chairman, Gerald Stoffel; youth, Paul Petri. Wayne, St. Bridget: Chairman, Robert Struebing. St. Michaels, St. Michael: Chairman, Richard Herriges; vice, Michael Thull; auditor and youth, Miss Linda C. Theisen. Farmington, St. John of God: Chairman, Eugene Laatsch, Sr.; vice, Daniel Rodenkirch; auditor, John Sutton; youth, Miss Christine Plum.

Cadet Michael J. Koenke, son of Mr. and Mrs. Edward Koepke of R. 1, Kewaskum, has been named to the Commandant's List for outstanding military performance at the U. S. Air Force Academy, Colo.

Cadet Koepke, a member

of the class of 1980, will wear a silver wreath insignia in recognition of his achievement.

Upon graduation from the academy, the cadet will be commissioned a second lieutenant and awarded a B. S. degree.

Cadet Koenke is a 1975 graduate of Kewaskum High School.

Girl Scouts Express Thanks

Feb. 22 was thinking and thanking day for all Girl Scouts. This was the day to thank everyone who has been so kind to help us. We appreciate everything that has been done for us, from the smallest kindness to the biggest.

We would like to thank the West Bend Savings and Loan of Kewaskum and the American Legion for our meeting places. We wish to thank all of the business people who have helped us and the many village people who have also helped us. Thank you to the great firemen, policemen, mailmen, bankers, bus drivers, teachers and our churches. Thank you.

Our committee parents have helped in many ways and we wish it to be known that without them we could not have a troop. Our committee parents are Mrs. Jim Paul, Mrs. Wilma Cherry, Mike Pettit and Mrs. Clare Lehmann.

A very special thank you goes to our Kewaskum Statesman for always doing a terrific job in printing our articles.

Thank you all very much for doing so much and for

making our past year a very successful one.

Jaycees Beginners Ski Program in Progress

Page 6
Kewaskum Statesman
Friday, February 25, 1977

Out of the possible 250 applications distributed within the Kewaskum School District, there are 165 students preparing to tackle the slopes of the Sunburst Ski Area.

The size of the total enrollment created some minor problems, such as obtaining extra dates and the available ski boot supply, but with fine cooperation from the Sunburst staff, and many telephone calls by project chairman, Wayne Riekkoff, all were resolved.

The changed format is as follows:

February 15 & 22
February 16 & 23
March 1 & 8
March 2 & 9

All parents have been contacted, as to which date their children will or have participated.

The Jaycees would like to thank the parents for their patience while the new dates were being set up. Also, a big thank you to the Sunburst management and staff of excellent instructors.

With such skiing enthusiasm, the Jaycees look forward to next year's ski program.

Agenda for School Board Meeting

The Kewaskum Board of Education will hold a regular meeting on Monday, Feb. 28. The meeting will begin at 8 p. m. and will be held in the district administrative offices at 1450 School St.

Old business on the agenda will include further discussion and action on the music testing program and a proposal to contract with CESA for computer services in the area of the budgeting, payroll and accounting.

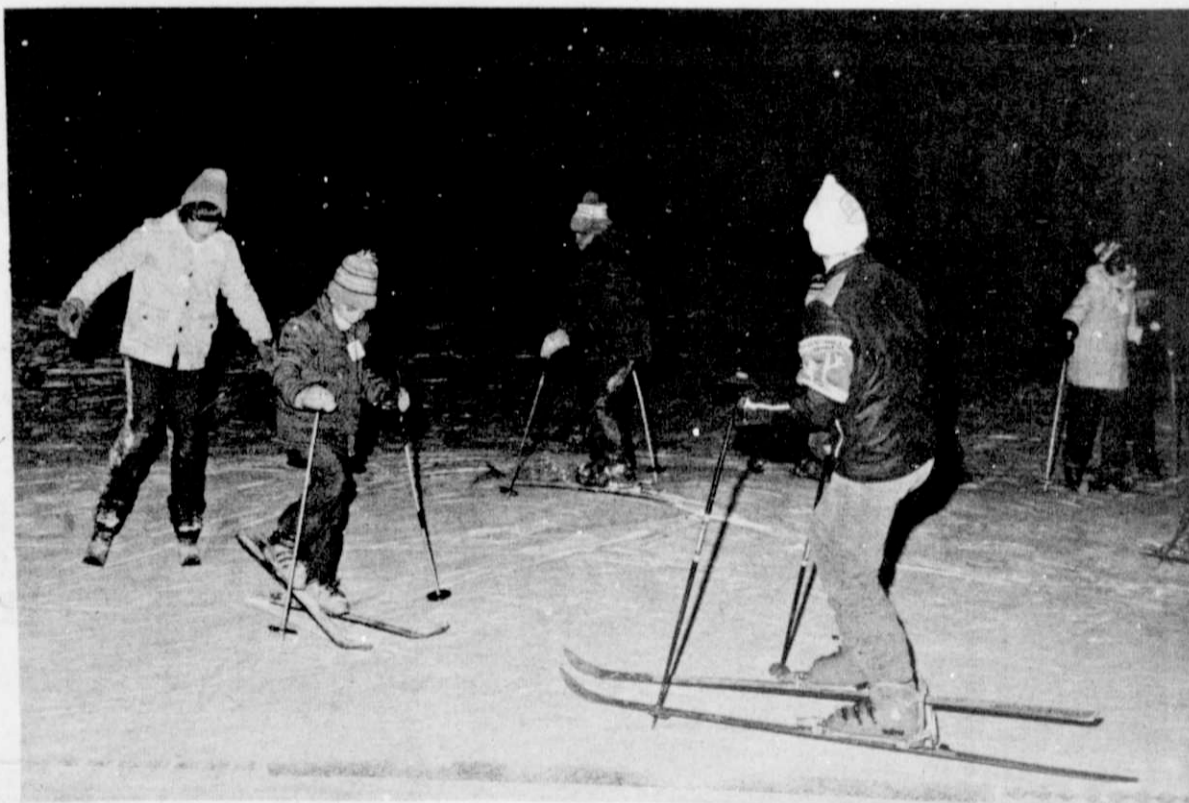

Proposals for changes in the 1977-78 programs will be presented and discussed. Also on the agenda is a request for sick leave allowance, a Title II special project, approval of payroll and vouchers payable and a discussion of pending legislation.

Following the regular meeting, the board will meet in closed session for a discussion of teacher negotiations for 1977-78 and a discussion of employee contract compensation.

SECRETARIES SEMINAR—

The fifth annual educational seminar for office personnel, sponsored by the Kettle Moraine Chapter of the National Secretaries Association, will be held March 5 at the Holiday Inn, West Bend.

"You — You're the One" deals with the fact that no company or organization is any stronger than the individual people, and it stresses and discusses the basic question of what each of us must do to be successful. It is being presented by Dr. Tom Haggai, Dr. Haggai of High Point, North Carolina is a minister who can communicate with both teenage rebels and conservative business people.

The prestigious General Motors Speakers' Bureau presently has Dr. Haggai under contract, and he also makes

30 appearances annually for Mayflower World-Wide Movers.

The United States Air Force regularly calls upon his speaking abilities. In addition to his heavy nationwide schedule of speaking engagements, Dr. Haggai is heard daily from coast to coast on the syndicated radio program, "Values for Living."

The seminar is scheduled to start at 8:30 a. m. with registration, coffee and rolls and conclude at approximately 2:00 p. m. The registration fee, which includes coffee break and luncheon, is \$11.00 per person. Registration deadline is Feb. 26. All office personnel, men and women, are invited to attend by contacting June Acker at 626-2121 or by writing to Box 50, Kewaskum, WI 53040.

Hon-E-Kor Ladies Plan for Season

Think Spring! This is the desire of all the officers and committee members of the Hon-E-Kor Ladies Golf Association, better known as the Hon-E-Bees.

Plans are being made and exciting events are planned for the coming golf year. The most recent meeting was held at the home of Corey Wueben, Golf Chairman, where the May 4 Opening Dinner was discussed.

Officers for the year are Jeanne Kuehn, President; Liz Nigh, Vice-President; Kathy Wierman, Treasurer, and Irene Thomas, Secretary.

The Hon-E-Bees invite all area women who are members of Hon-E-Kor Country Club to join the Ladies Association for a summer of golfing fun. The ladies golf every Wednesday morning — rain or shine. Please feel free to call President Kuehn at 338-8075 for any information or questions. We look forward to seeing you.

KING AND QUEEN CANDIDATES—Lou Ann Gibson, daughter of Mr. and Mrs. Edward Gibson, 2554 N. Harding Blvd., Wauwatosa, and Glen Ebersold, son of Mr. and Mrs. Merlin Ebersold, R. 2, Campbellsport, were candidates for the title of winter carnival king and queen at the University of Wisconsin - Stevens Point. They represent Schmeckle Hall and were voted upon in an all-campus election last week. Lou Ann is a junior at UW-Stevens Point majoring in fashion merchandising while Glen is a senior English major. Also vying for the title were Sue Vaughan, Wauwatosa, and John Garvin, Cuba City, who represent Thomson Hall.

KEWASKUM TANKER CALLED TO HOME FIRE

Fire destroyed a house under construction at 3620 Town Hall Road in the Town of Barton early Thursday morning. The house, owned by Andrew Gehring, was estimated to be worth about \$25,000, and was not occupied. The fire appeared to have started in the basement area, where a fuel oil heater was being used for temporary heating. The blaze was reported at 4:13 a. m. The Kewaskum Fire Department assisted with a tanker to supply water.

BIRTH

HORNER—A son to Ralph and Mary Ann Horner, Kewaskum, Tuesday, Feb. 22.

Give some of your appliances the day off.

Every weekday, people are busy at home running appliances such as washing machines, dryers, dishwashers, electric ovens, televisions, vacuum cleaners, and dozens of other electrical gadgets.

At the same time all of this is going on, business and industry is also using a lot of electricity.

So the demand for electricity is extremely high Monday through Friday, from morning till evening.

The use of electricity is so high on weekdays that back-up power plants have to help handle the extra load. Since they run on more expensive fuels, it costs more to produce electricity during these peak weekday hours.

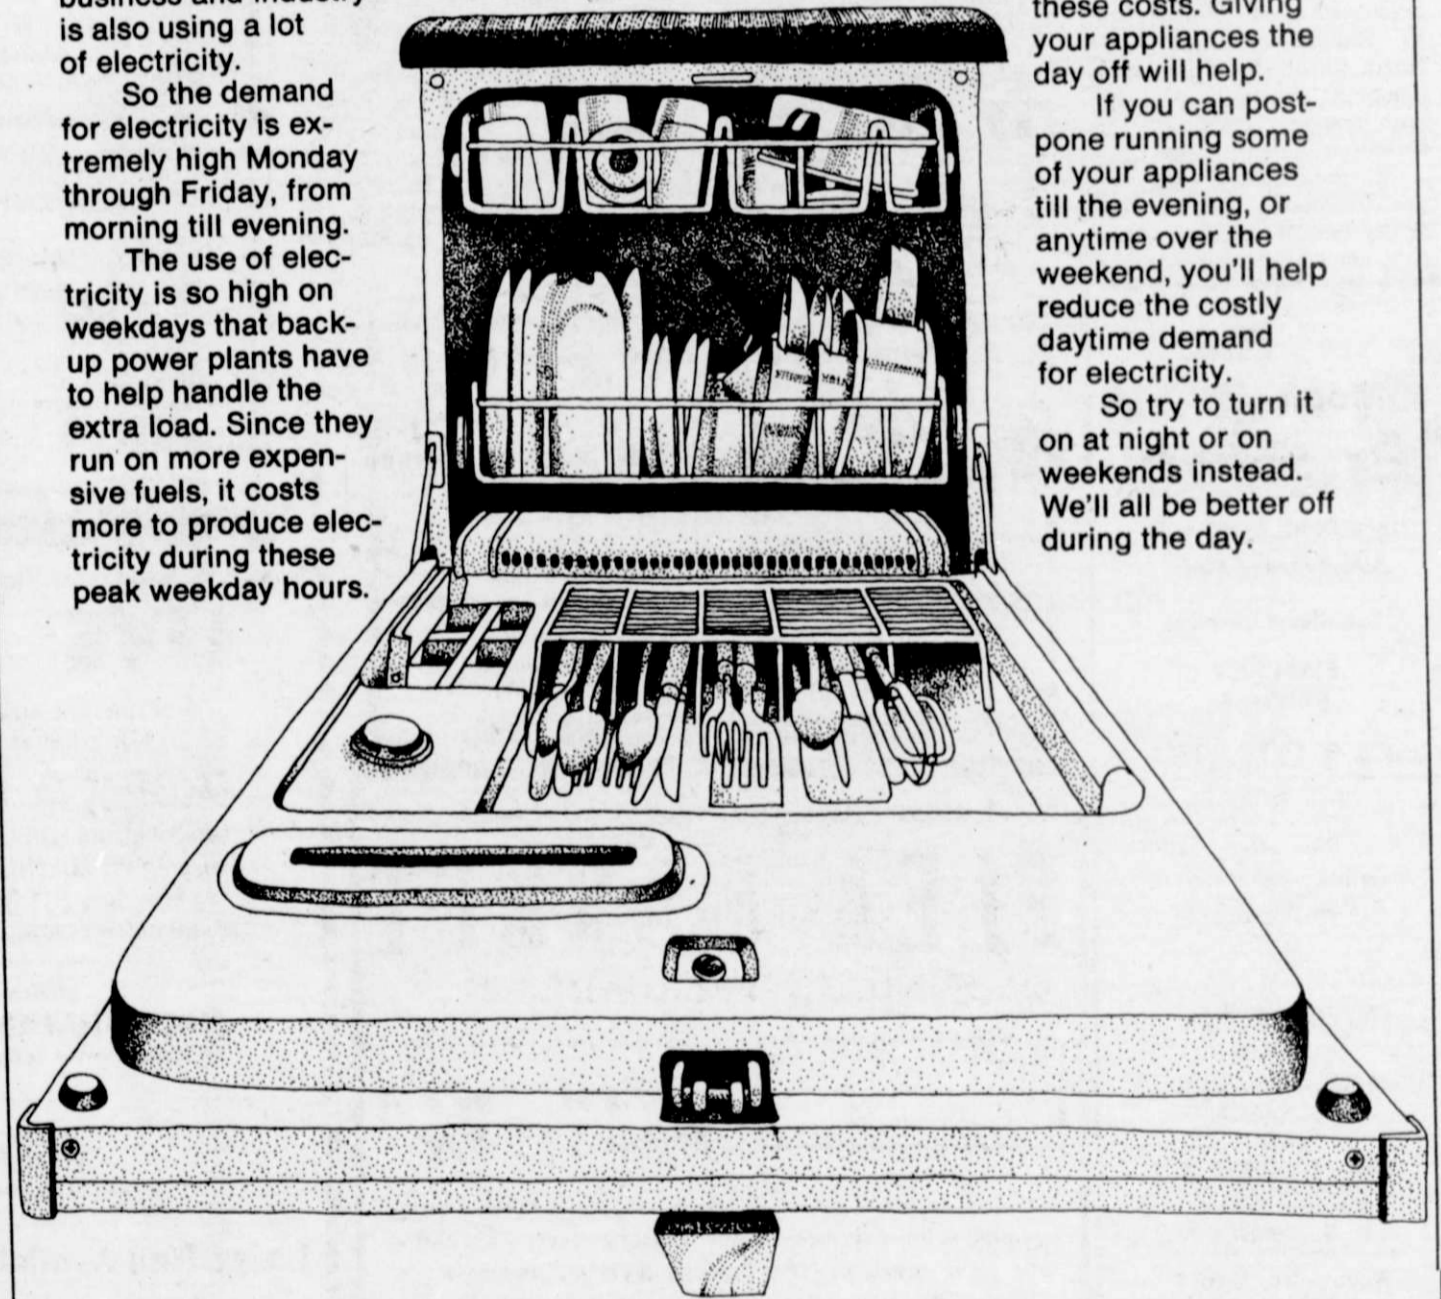

To add to the problem, the daytime demand for electricity has been steadily increasing. Which means even more power plants will have to be built.

It's all very costly for everyone. At Wisconsin Electric, we're working

hard to hold down these costs. Giving your appliances the day off will help.

If you can postpone running some of your appliances till the evening, or anytime over the weekend, you'll help reduce the costly daytime demand for electricity.

So try to turn it on at night or on weekends instead. We'll all be better off during the day.

SWCD BANQUET — On Monday night, Feb. 28, the second "Washington County Soil and Water Conservation District (SWCD) Cooperators Banquet" will be held at the Knights of Columbus Hall West Bend. This event, sponsored by the Washington County Junior Board, is held in recognition to the conservation work the district cooperators have performed.

Junior Board members—Jerry Ahlers, Gerald Berres, Terry Garbisch, Tom Groth, Tim Groth, Dennis Hoefert, Jim Peterson, DeWayne Schulz, and Bryan Moser have anxiously been preparing for this year's banquet. The program will include a talk and slide show by Ralph Kramer, who is a vocational agricultural teacher at New Holstein and a SWCD district cooperator. Also on the agenda for the evening will be the speeches from the District

Speaking Contest and an update on the Washington County Project.

All district cooperators and area landowners are invited to attend. The banquet will start at 7:45 p. m. The cost of the dinner is \$3 per person. Further details may be obtained by calling Dan Wilson, County Resource Agent, at 334-3494 or the SWCD office at 334-3706.

Junior Board officers shown, left to right: Terry Garbisch,

Bryan Moser, Dennis Hoefert, Tim Groth.

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

PERFORMANCE
NU-WOOL Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all Insulation ratings. NU-WOOL meets or exceeds Federal specifications No. 19-1-515A, and is approved for use in F.H.A. structures.

COOLS IN SUMMER
NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

REDUCES HEAT COST
Correct attic insulation can save you 30% or more on fuel.

HIGH R-VALUE
NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.

HELPS CONTROL ICE BUILDUP
Damaging ice and sicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.

MANUFACTURING INSULATION SINCE 1949
NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.

PLUS SOUND PROOFING
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

RESISTANT TO MOISTURE
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.

WILL NOT DETERIORATE
It is a life-time insulation because it is treated with chemicals that are permanent.

FIRE RESISTANT
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

VERMIN AND RODENT RESISTANT
Chemically treated to repel insects and rodents from working in materials.

GUARANTEE
Nu-Wool Insulation is guaranteed for the life of the structure (building).

LIGHT WEIGHT WILL NOT SETTLE
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

Indians Edged at Germantown, Defeated at Hartland Arrowhead

Third place Germantown led all the way but had to withstand a Kewaskum comeback to nip the Indians, 62-60 in a heartbreaker at Germantown Friday. Ironically the Indians lost by the exact same score in their first contest here in January.

Kewaskum jumped off to a 17-11 lead in the first quarter and was ahead 23-15 in the second period when Leon Laatsch got into foul trouble, forcing the Indians into a zone defense. This opened the door for the Warhawks and they crept to within three points, 23-20. Just before the half, with Doug Wagen leading the way, Germantown took the lead, 28-26, at the intermission.

The Warhawks led throughout the second half, never by more than eight points. Late in the final quarter Germantown led 57-49. A three-point play by Laatsch and bucket by Dale Poling made it 57-54. Another basket by Laatsch put the Indians within one. The teams exchanged two baskets apiece and a free throw on an intentional foul gave the Warhawks their final two point win. With one second left, Laatsch let fly with a 40-footer which missed sending the game into overtime.

Wagen led all scorers with 17 points. Laatsch and Mark Tessar each had 16 for Kewaskum. Laatsch's early foul trouble hampered him and left him short of his 25-point average. Reserve Dale Poling's 12 points and his play in the third quarter kept the Indians in the game.

The freshmen (9-2) rallied to beat Germantown, 63-57, and the Jayvees lost, 57-42.

In other games Friday Slinger clinched at least a tie for the title by drubbing winless Pewaukee, 91-70. Hartland beat Grafton, 58-49, and the Mayville Cards topped Kettle Moraine, 49-47.

In a makeup game at Hartland Tuesday, the Indians were defeated by second place Arrowhead, 84-74, but gave it a good try.

Kewaskum fell far behind in the opening minutes, 11-0, and was behind by 19 early in the second quarter. They rallied in the second half to outscore Hartland in both quarters and even go ahead once before running out of steam.

Rick Schramek had 12 points in the opening quarter, two more than Kewaskum, as his team went ahead, 27-10. After Hartland pulled away to a 19-point lead in the second period, their coach went to his bench. This might have been a mistake as Kewaskum closed the gap. At one point the Indians scored seven points in a row and at

halftime it was 41-33. Laatsch scored 12 points and Tessar 6 in the quarter.

The Indians had a good third quarter as they battled to within two at times. Then Hartland broke away by nine. Then Kewaskum scored six straight to make it come within three, 57-54, at the quarter.

To start the last stanza, a basket and two free throws gave the Indians the lead, 58-57. Then Hartland put on a barrage of 12 points in a row. Kewaskum got within five again but two more baskets put the game out of reach. The last few minutes consisted of mainly free throws.

There were 70 free throws tried and 56 made in the contest. Tessar sank 12 of 12 Schramek topped all scorers with 32. Laatsch and Tessar had 27 and 26 respectively. His 27 put Laatsch, the conference's top scorer, over the 400 mark with 425 for the season.

In another makeup tilt Tuesday, Germantown beat Pewaukee, 75-55.

The Indians play their final game Friday, hosting winless Pewaukee. A win could give them a tie for sixth place, should Kettle lose to Hartland, with a 4-10 record.

The local girls won their sixth in a row at Germantown Friday, 49-36, to avenge an earlier defeat. They held a 30-12 halftime lead. They won even though Stoffel and Kathy Mertz went out on fouls and two others were on the bench with four fouls. Stoffel led the Indians with 16 points and Schacht had 10. Debbie Hart and Kris Kuells paced Germantown with 11 each.

Tuesday night at Hartland the girls ran into the conference champs and were thrashed, 75-37. The girls were tired after playing four games in just eight days. Hartland's star, Lorraine Lorenzen, scored 26 points. Stoffel had 11 points and Schacht 10 for the losers. The outcome left Kewaskum with a 10-6 overall record, going into tournament play at Kewaskum Thursday.

Loest Score 51 As Lakes '5' Tips Sussex

Kewaskum moved into third place in the Lakes "B" Division by winning at Sussex Sunday night, 145-142, in overtime. They are now 4-6.

Kewaskum's top scorer, Ken Loest, singled the nets for 51 points, followed closely by another high producer, Tom Zoch, with 43. They are 4th and 5th in Lakes scoring, including both divisions. Jeff Stang with 42 and Marty Thompson with 30 paced Sussex.

Kewaskum trailed at the half, 75-63, but came from behind to tie the score at the game's end. They outscored Sussex in the overtime period 15-12.

The winners made good on 29 free throws to Sussex's 10. This Sunday, Feb. 27, Kewaskum hosts Thiensville-Mequon at 7:30.

WHITE ELIMINATED IN KIEL SECTIONAL

Kewaskum's only wrestler to reach the Sectional at Kiel Friday and Saturday, Randy White, at 145 lbs., was eliminated Friday as he was pinned by Pat Gasser of Port Washington. Gasser was an eventual third place finisher. Random Lake qualified three wrestlers and Campbellsport one (Rick Gruber) for the State Wrestling Tournament.

The oldest golfing club in the world is the Honorable Company of Edinburgh Golfers, which came into being March, 1744.

Tackes Ace College Wrestler

"My competition didn't graduate last year," says UW-Stevens Point wrestler Cal Tackes of Kewaskum. That competition still keeps Cal from being assured a berth in national competition.

Cal has a point. And Point is a member of what most consider to be the toughest NAlA conference in the nation.

Coach John Munson said Cal's weight class, 134 pounds, is the toughest in the conference.

Cal is an excellent case study of how a good wrestler is made through dedication and practice. He took wrestling seriously in high school and by his senior year he was a Scenic Moraine champ.

Cal's freshman year was spent learning new moves from Coach Reg Wicks and adjusting to college competition. His sophomore year brought disappointment, as Wicks left and the team found itself coachless. Cal had a 5-29 record after two seasons.

Under Munson the last two years, Cal has developed into one of the top wrestlers on the UW-Point team. He has won 35 bouts during that time. His team made a dramatic comeback too.

Ever since he began team wrestling in high school, Cal has practiced against Jeff Ketter. He credits Jeff's steady, tough competition as a major factor in his own

In order to fulfill his goal of making it to the nationals, Cal had to finish first, second or third at the conference meet at LaCrosse Feb. 18.

This is his last year of college wrestling. He will graduate this spring with a history major. "The team is improving so much, I wish I could be a part of it next year," he said.

Cal is the son of Mr. and Mrs. Marvin Tackes, R2, Kewaskum.
