Eight AFS Students Spend Week in Kewaskum

The week of March 27 through April 2 was AFS week in Kewaskum. Eight Milwaukee area foreign exchange students and Americans abroad students spent a week in Kewaskum, living with area families and attending school at our high school.

The visiting AFS and American Abroad students are

shown in the front row, with a Kewaskum student of the families with whom they stayed in the rear and to the right of them.

Left to right: Kewaskum AFS student, Christoph Obst of Germany, with Eric Schmidt (rear); Juan Ponz of Spain, with Gay Olson; Alumnus Hasugulfil of Micronesia, with Lori Koepke; John

Moses (Americans Abroad), with Nicky Stoffel; Leroy Kolacinski (Americans Abroad), with Mike Schaub; Eduarda Berrizbeitia of Venezuela, with Chris Nigh; Jean Johnson (Americans Abroad), with Kathy Grandin; Mike Adair of England, with Barb Thill; Lynn Mazza (Americans Abroad), with Therese Stoffel.

\$73,300 in Funding Earmarked For Kewaskum Park Project

By Karen Schmidt

Pending litigation with Ideal Land Corp. and an Employee compensation claim were discussed in a closed session preceding the Kewaskum Village Board meeting Monday evening.

Dan Schmidt, Park Chairman, reported that Tom Blotz, Recreational Aids Specialist with the DNR for the State of Wisconsin, stated that \$73,300 in funding has been earmarked for the Kewaskum park project.

The Park Committee reviewed the entire project and brought the figure down to \$153,787. This is \$7,187 over the \$146,600 suggested by Blotz. This over-run is allowable because estimates in this revision may be high and thus the figure would come close to the \$146,600 amount.

The \$153,787 figure would only cover the base construction work such as excavating, grading, electrical work and seeding. It does not include asphalt or lighting for the tennis courts and horseshoe pits or miscellaneous equipment, which is not needed until the park is completed.

The bathhouse, with multi-purpose room, will be completed at a cost of \$47,244.00. There is a slight possibility that a percentage of this could be refunded.

Construction of the two ball diamonds will be started

this summer and hopefully completed, according to a member of the committee.

President Charles Miller stated that it is still up to the Dep. of Administration and Funding in Madison for the final okay for the funding. Schmidt did say that Blotz told him that the money is set aside for the project and an answer on the revised application should be received in approximately two months. In the meantime, engineers will be contacted on the proper procedure for letting out bids. Contracts cannot be awarded until state approval is received.

Schmidt stated that there will not be any swimming at the new park this summer due to DNR regulations on water and equipment and

(Continued on Page 2)

Easter Egg Hunt Saturday

The Kewaskum Legion Post 384 will hold its annual Easter Egg Hunt at 2 p. m. on Saturday, April 9. All children from the Kewaskum area are invited to participate in the hunt.

Kids in the age group from 6 to 9 years will hunt eggs in that area of the village park located on the east side of the river. Age group 5 and under meet in the park on the west side of the river.

Tessar, Theusch, Goeden Elected to School Board

Re-elected to the school board for three year terms were John Tessar with 1,335 votes and Richard Theusch with 1,163. Elected for her first term in office for a one year term, completing the term of the late Allen Tessar, is Jeanne Goeden with 827 votes.

Other candidates in order of total votes received were James Walters, 768; incumbent Thomas Gundrum, 773; Maryanne Merwin, 367.

Village—Merwin 94, Walters 197, Tessar 355, Gundrum 217, Theusch 280, Goeden 189.

T. Kewaskum—Merwin 76, Walters 135, Tessar 232, Gundrum 124, Theusch 195, Goeden 173.

Farmington—Merwin 104, Walters 121, Tessar 273, Gundrum 146, Theusch 211, Goeden 212.

Wayne—Merwin 66, Walters 241, Tessar 309, Gundrum 188, Theusch 330, Goeden 130.

Auburn—Merwin 9, Walters 34, Tessar 70, Gundrum 22, Theusch 66, Goeden 74.

Barton—Merwin 10, Walters 11, Tessar 29, Gundrum 20, Theusch 23, Goeden 20.

Scott—Merwin 8, Walters 27, Tessar 66, Gundrum 46, Theusch 56, Goeden 38.

Mitchell—No votes cast.
Ashford—Merwin 0, Walters 0, Tessar 1, Gundrum 0, Theusch 2, Goeden 1.

Schmidt, Nigh and Kral Elected Village Trustees

In the Village of Kewaskum race, with a total of 469 votes cast, Charles Miller, running unopposed for President, received 324 votes.

In the trustee race, Daniel Schmidt was re-elected for his third term in office, receiving 334 votes. David Nigh, seeking his second term, was re-elected with a total of 293 and first term office seeker, Mark Kral, was successful with a total of 303.

Oscar Knoeck was unsuccessful in his second try for public office with a total of 225 votes and Roger Schmitt, also in his second bid for office, had a total of 147.

It was just not Knoeck's week. Last Tuesday he suffered a broken leg while attending a Milwaukee Bucks game. Friday, in an election issue in the Milwaukee Journal, he was listed as divorced. Oscar and his wife Jean are still very happily married

and plan to stay that way. They have two children. Then Tuesday he lost the election on top of it all.

In the vote for Justice of the Supreme Court Callow received 279 to Landry's 167. Callow was elected to the office.

For State Superintendent of Schools Benson received 228 to Thompson's 211 here but Barbara Thompson was re-elected to the office.

J. Tom Merriam, unopposed for Circuit Judge of the 24th Judicial Circuit, received 394 votes in the village.

Richard T. Becker, unopposed for County Judge, Branch 2, received 371 votes locally.

Results on the referendum ballot were: No. 1 — 290 yes, 144 no; No. 2 — 249 yes, 143 no; No. 3 — 214 yes, 160 no; No. 4 — 295 yes, 99 no; No. 5 — 282 yes, 136 no.

TOWN OF KEWASKUM

With a total of 327 voters casting ballots in the Town of Kewaskum, George Allman, with 205 votes, scored an upset victory over incumbent Mervin Thompson, who polled 120 votes.

In the race for the two supervisory posts, newcomer Daniel Stoffel received 219 votes with incumbent Jerome Herriges receiving 198. Victor Backhaus came in 3rd on his first try at public office, with 170 votes.

For the office of treasurer, Delores Prost was victorious with 152 votes over Allen Koepke with 125. Write-in candidate Marilyn Haug received 47 votes.

Incumbent clerk Barbara Hinz, running unopposed, received 286 votes.

Town of Wayne voters endorsed Carl Hohlweck at almost a 2-1 margin, with 307 votes, over incumbent John Oelhafen, Sr. with 175 for town chairman. Oelhafen had been chairman for 20 years and served on the County Board of Supervisors.

In the supervisory race, newcomer Mark Strobel outpolled all other candidates with 334 votes. Incumbent Merlin Ernisse received 245. Running third was Walter Theusch with 201 and Ronald Panzer had 63.

Incumbent clerk Orville Kern, running unopposed, received 417 votes. Incumbent treasurer Raymond Kudek, unopposed, received 437 and incumbent assessor Alvin Weisner received 406.

(Continued on Page 2)

Band-O-Rama Concert to Feature Four School Bands

The Kewaskum Music Department wishes to announce a BANDO-RAMA Concert on Wednesday, April 13. This concert will feature all four of the district's bands.

The Sixth Grade Band will be presenting its first public performance beginning at 7:30 p. m. in the High School Gymnasium. They will be playing MARCH FIRST, FEELINGS, THE MASTERPIECE and GET UP AND BOOGIE. Playing second on the program will be the Middle School Band, performing these numbers: MARCH FOR KIM, SALVATION IS CREDITED and AWAKE AND PAGEANTRY OVERTURE.

After a brief intermission the High School Concert Band will be playing the following: FLOURISH FOR WIND BAND, LITTLE SUITE FOR BAND AND HANDEL SUITE. Concluding the program will be the High School Band performing MARCH FROM MAHLER 2ND SYMPHONY, PRAYER AND DREAM PANTOMIME from Hansel and Gretel, and CONCERTANTE.

Directors are Robert Getter, Sixth Grade and Middle School Bands, and Larry Ammel, Concert and Symphonic Bands.

Village Board

(Continued from Page 1)

due to construction work being done on the park.

Robert Schmidt questioned the village recreation department policy on the girls traveling softball team. He stated last summer there were four teams, two teams in ages 9 to 15 and two in ages 15 to 18. They played 13 games and were in a tournament half way through the season. There was a \$40 league entry fee and a \$40 entry fee for the tournament. Schmidt felt that \$182 was needed for umpires. Last year he depended on parents for umpiring and since there was not much parent support, there were times when the team could not supply umpires. Also he projected \$14.50 for rule-books and scorebooks. Schmidt stated that he felt this was a village recreational program and they needed some help.

Gregor Nigh stated that possibly the girls' teams could be operated like the Jaycees Little League and if they wanted to travel, find a sponsor. Nigh said the opinion of the board and Recreation Director Tom Larsen was not to go with the traveling league.

Robert Danielson stated that with the equal rights amendment, the village could not sponsor a girls league without also sponsoring a boys league. Miller said he was sure something could be worked out.

Schmidt was also concerned about removal of tree stumps on village property between the sidewalk and

curb at the front of his house. He stated he felt the stumps were part of the trees and since the village crew cut the trees, they should also remove the stumps, so he could plant new trees.

Dan Schmidt stated that the village ordinance states that the village would remove trees, not stumps. Other people have inquired about this and they have been told it is their responsibility to remove the stumps. Gregor Nigh questioned whether the board should consider amending the ordinance to exclude removing stumps. This was referred to committee to amend the ordinance to read removal of trees, but not stumps.

(Further news on board meeting next week)

Elected

(Continued from Page 1)

TOWN OF FARMINGTON

Challengers in two contests failed to unseat incumbents as Clerk Elmer Plaum retained his seat, beating Ralph Horner, Jr., 242-143. Supervisors Carl Hauch, with 240 votes, and Isadore Stahl, with 246, held their seats against Eugene Laatsch, Sr., who failed with 213 votes. Electors gave John Theusch 331 votes, making him their new town chairman, while John Hames got 68 write-in votes for constable and incumbent treasurer Kenneth Ramthun was returned with 358 votes.

TOWN OF AUBURN

The Town of Auburn had 221 votes cast. Incumbent

chairman Roger Schleif, unopposed, received 170 votes. For the two supervisor posts incumbent Donald Stoffel received 138, Ervin Seifert, who will succeed Hilary Hoepner, received 113, Norman Heberer 103 and Richard Giersch 44. Unopposed incumbents re-elected are Clerk Camilla Butzke 196, Treasurer Elmer Krueger 197, and Constable Donald Hammes 147.

Auburn Charities Totals Completed

Cashier's checks from First State Bank, Campbellsport, were sent to:

Wisconsin Heart Fund, Mrs. Ralph Strassburg, Chairman, \$159.50.

American Red Cross, Mrs.

Page 2
Kewaskum Statesman
Friday, April 8, 1977

Wm. Marchant, Chairman, \$103.00
American Cancer Society, Mrs. Elmer Krueger, Chairman, \$153.00.

Wisconsin Arthritis Foundation, Mrs. Orv. Mathieu, Chairman, \$123.00.

Total contributions to Town of Auburn Charities amounted to \$559.10. Cost of envelopes, rubber stamp, \$20.60; balance \$538.50.

A thank you to all who gave so generously at tax time, and a sincere wish that, in order not to pass envelopes, more Town of Auburn residents will contribute next year. It is money well spent.

ATTEND OUR

Holy Week

AND EASTER SERVICES

St. Lucas Lutheran Church
Pastor Paul Hoenecke

The following services are scheduled at St. Lucas Lutheran Church for Holy Week and Easter Sunday:

On Maundy Thursday, April 7, Communion Services will be held at 1:30, 6:00 and 7:30 p. m.

On Good Friday, April 8, Worship Services will begin at 1:00 p. m.

Easter Sunday, April 10, Festival Services will be held at 6:00, 8:00 and 10:15 a. m.

The public is cordially invited to attend any of these services.

Holy Trinity
Catholic Church
Rev John Budde, Pastor

Remaining confessions will be heard Thursday, 3:30 - 5:00 p. m. and during Holy Hours 9:30 - 10:30 p. m.;

Friday 3:30 - 5:00 p. m. and 7:30 p. m. to the end of the line; Saturday 3:30 - 5:00 p. m. and after evening Mass.

The morning Mass on Holy Thursday was for the grade school pupils, mothers, the elderly and others who found the evening Mass difficult. Mass of the Institution of the Holy Eucharist begins at 8:00 p. m. The Holy Hours schedule for Holy Thursday is: 9 - 10 p. m., last names that begin with the letters G - R; 10 - 11 p. m., S - Z; 11 - 12 p. m. A - F. Holy Hours close at midnight.

Good Friday Liturgical Services begin at 1:00 p. m. All are encouraged to receive Holy Communion.

Holy Saturday Easter Vigil and Mass at 6:30 p. m. Those who attend fulfill their Sunday obligation.

Regular schedule of Masses Easter Sunday at 8:00, 9:30 and 11:00 a. m.

Peace United Church
of Christ
Rev. Darrell Joiner, Pastor

The Maundy Thursday service on April 7 will begin at 8:00 p. m. with the service of Tenebre and the sacrament of Holy Communion at the pew.

Good Friday services on April 8 will begin at 1:30 p. m.

Easter Sunday, April 10, sunrise services will begin at 7:00 a. m. and breakfast will be held at 8:00 a. m. Worship with Holy Communion will

be held at 10:15 a. m.

All interested persons in the community are invited to attend Holy Week observances.

Editor, Kewaskum Statesman

This letter is in reply to one from Maryanne Merwin which was carried in your paper on Wednesday, March 30.

Mrs. Merwin is misinformed about so many things I am wondering where she is getting her information—surely not from school as she has never been to see me to find out how our lunch program is run.

So her article did anything but clarify the school lunch program issue and controversy—in fact she has confused it more.

No. 1 — We try to set up our budget each year so that tax money will not have to be used to subsidize the lunch program. Because of price changes, changes in commodity allotments, etc., we don't hit this goal exactly every year, but our program is basically self-supporting. We will come within 2% or 3% of this goal. The state report listed our average lunch cost at 75¢. We charge 53¢ and 58¢ per meal for 5-meal tickets. This, plus 13.25¢ government reimbursement and the commodities we receive brings us to the 75¢ price.

Mrs. Merwin tries to explain lunch program finances, but the item she did not check out was how much district tax money is used to "balance" the lunch program accounts.

No. 2 — I don't think any district our size has a dietician but we are required to take short courses in management, menu planning, buying, nutrition, and sanitation. I attended all of these and have gone to all the workshops except for the last two years—but did attend one in March of this year as most of my cooks did too.

No. 3 — Menus are all the same as I plan them and they are standardized—I alone do all the buying and have done so for the last 20 years, so it is centralized buying—at no time did the outlying schools purchase foods. They only order bakery items and milk as needed. The foods are all delivered to the high school and put in our stock room, freezer or walk in cooler. The menus I plan are sent to the schools two weeks in advance. The cooks at outlying schools place their order by phone for the following week and our head custodian delivers it the Saturday before it is needed and puts it in their freezer, refrigerator or storage room as designated by the women who get their orders ready.

No. 4 — Uniforms and hair nets are worn by all the women—uniforms

reflect the mode of dress worn by other people working in restaurants and cafeterias.

No. 5 — I compare prices with reputable salesmen and buy where I get the best price without sacrificing quality.

Last spring when the apple blossoms and cherry blossoms froze I knew prices would go up and I bought enough canned apple slices and cherries to last us through this school year—when I bought them they were \$12.04 and \$14.95 a case respectively and now they are both over \$20, so I saved there.

When sugar started going up a few years ago I bought sugar from the West Bend Elevator at \$21.00 for 100# in summer, enough for the next school year. Before the year was out sugar was selling for \$76 for 100 #, so I think I am a careful buyer.

About the prune controversy, it is beginning to sound like a broken record. I'm sure there isn't a family that doesn't use left-overs like we did—putting them out in addition to our regular meal.

I am glad we did not lose our Farmington cooks over all this controversy as it would have been a great loss—I wish people would make constructive suggestions instead of running everything down.

Following is an excerpt from a report made by the state inspector that visited the Kewaskum School kitchens recently:

The cooks did an excellent job of portion serving to meet the needs and desires of the students. Their rapport with the students was good. The amount of food waste was minimal. The cooks also adjusted the amount of food prepared so that over production was not a serious problem. Food preparation, storage and service areas were clean and well maintained. The food was well prepared and attractively served. The productivity of the food service employees was better than many schools I've visited. At the high school approximately 17 meals per hour were produced and at the junior high, with less equipment, 15.5 meals per hour. The food supervisor should take a close look at the labor hours in the two

service only schools. Many times these are areas where labor hours can be reduced to provide greater productivity.

Sincerely,
Ruth Gruhle
School Lunch Manager

Eagle River, Wisconsin

Mr. and Mrs. Wm. Harbeck
Kewaskum, Wis. 53040

Dear Editors:

Just can't imagine why there is so much fuss about the hot lunch program at the Kewaskum Community Schools.

I ate lunches there almost daily for twenty years and found them attractive, nourishing and tasty. The chicken, pizza, barbecues, Wieners and kraut, home made rolls and apple crisp were some of my favorites. There was always a tray of raw celery, carrots and radishes. Bread, butter and milk was always available. Then on Special Days, such things as valentine cake, or pumpkin pie was served. On the days that prunes were served there was always another choice, such as a pineapple slice or dish of peaches. One day I was in one of

Page 4
Kewaskum Statesman
Friday, April 8, 1977

your local beauty salons and heard some mothers complaining about the scrambled eggs served that day at school. I asked, "What is wrong with scrambled eggs served for lunch?" I had eaten them and knew they were perfectly fine. That ended a possible rumor from spreading.

Perhaps some of the parents who are complaining do not know that their children have joined the potato chip and coke group that run the streets at noon.

Most parents must remember their school days, as I do, walking two miles in the cold and arriving with frozen sandwiches.

The hot lunch program has come a long way.

I would like to publicly compliment Ruth Gruhle and her staff for doing an excellent job every day since the lunch program began.

Esther Hanselman

A Lot of Toothpicks

Members of Keith Amundson's Kewaskum High School architectural drawing class were assigned an out-of-class project in toothpick construction this winter. Only materials used were round hardwood toothpicks and white glue. The only other requirements were that they be a minimum of four inches in height and be able to support a weight of 160 lbs.

The winning space frame, built by putting triangles together, was that of Kevin Wulff, son of Mr. and Mrs. Eldon Wulff of the Town of Wayne. His construction held the incredible weight of 2,000 lbs. for a new record, breaking the old mark of 474 lbs. set by Steve Edgar in 1976. Wulff used together a total of 2,506 toothpicks in his winning space frame, shown above supporting weights.

Tom Ryan loaded 770 lbs. on his construction. It would have held more but Tom wanted to save his piece of handiwork from destruction.

A box of splintered toothpicks showed that not all construction passed the test.

Designate April As Library Month

With the month of April having been designated as National Library Month, the Kewaskum Junior Woman's Club in conjunction with the Kewaskum Community Library (located in the Municipal Building on First Street) would like to urge each and every citizen in the area to visit their library and get acquainted with what is offered on its shelves. The library is open to the public on Mondays, Wednesdays and Fridays from 2:00 to 8:00 p. m. throughout the year, so do try to set aside a little time for yourself to browse through the volumes, if you

please.

Three of the library's offerings which we'd like to highlight this week include "Weaving, Spinning and Dyeing," by Virginia O. Hower, a "casual" type book which will teach you each of these steps through the use of clear line drawings and photographs; "What to Make with Nuts and Grains," by Claude Nassiet, a little book packed with instructions and pictures and patterns to show you how to make toys, gifts, masks and dolls from practically nothing; and "Bake Your Own Bread," by Floss and Stan Dworkin, designed to teach anyone to bake breads easily and simply.

The library is also the

Page 5
Kewaskum Statesman
Friday, April 8, 1977

"home" of Story Hour, and contains many books for the little members of society to choose from.

Take a break today, support your library by visiting it occasionally — we'll see you there!

WAYNE CRUSADERS TO HOLD BAKE SALE

The Wayne Crusaders 4-H Club is sponsoring a bake sale on Saturday, April 16, from 2:00 to 4:00 p. m. at the Wayne School. Everyone is welcome and encouraged to attend.

Announce Winners At Woman's Club Spring Luncheon

Saturday, April 2, was dark and gloomy outside, but warm and cheery inside at the Woman's Club Spring Luncheon. Bright Easter bonnets attractively displayed and other Easter decorations carried out an Easter motif for the afternoon. Table decorations and prizes were colorful crocheted Easter baskets.

The luncheon committee included: Mrs. Mary Miller, Chairman; Mrs. Alma Edwards, Mrs. Ruth Held, Mrs. Phyllis Bade, Mrs. Elaine Buswell and Mrs. Virginia Miller.

The winners in bridge were: Mrs. Gretchen Smith, first; Mrs. Agnes Schaefer, second; Mrs. Lenore Lang, third; Mrs. Ruth Behnke, fourth; Mrs. Marge Rosenthal, fifth; Mrs. Rita Schmidt, sixth, and Mrs. Betsy Schultz, seventh.

The Kewaskum Woman's Club announced the winners of the Helen Mears Art Contest. They are Robin Neumann of the Kewaskum Middle School and Jane Russell of Holy Trinity. They both received monetary awards and their entries will be sent on to the District Contest. This yearly event is open to all eighth grade students. Any media may be used but the work must be entirely origi-

nal. The County Bicentennial Committee presented an award in special recognition to the Junior Woman's Club and the Kewaskum Woman's Club for the Bicentennial Pageant presented on July 8, 1976.

The next meeting will be held on May 7 with the members of the Campbellsport and Kewaskum Junior Woman's Club as guests. John Kluwin, attorney, will speak on "The Modern Woman and Law."

Other dates to remember are April 19 and May 17. On Tuesday, April 19, the book discussion group will review and discuss "Go Tell it on the Mountain," by James Baldwin. Mrs. Mary Miller will lead this discussion. Mrs. Margaret McFadden will review "Aaron Burr" by Gore Vidal on May 17. These discussions begin at 9:30 a. m. at the Kewaskum Public Library. The Woman's Club invites you to participate in this "American Novels Revisited" project.

Prevent fires. Take the chip off your shoulder.

Two KHS Girls Qualify for State Forensics

Kewaskum High School will be represented by two girls in this year's state forensics meet.

Senior Gay Olson will be making her third trip to state. She received an A last year in Significant Speech. This year her category is extemporaneous speaking.

Freshman Donna Ehnert has also qualified for the meet in her first year of competition. She competes in the story telling category.

These two girls earned the right to be in the state competition as a result of receiving A's in the district meet held this past Saturday at Cardinal Stritch College.

Five other individuals competed Saturday but obtained B's and did not qualify. They are: Robin Gust - prose reading, Vickie Key - prose reading, Dave Slegler - poetry, Dave Schoofs - demonstration, and Ann Strancke - declamation.

The Play Acting team of Gerry Butz, Sue Nigh, Renee

Slegler, and Kevin Neese also received a B while Steve Edgar was given a C in declamation.

One other KHS student, Tom Rosenberger had qualified for Saturday's meet but was ill and could not attend.

The coaches for the teams were Mrs. Barbara York and Mrs. Nancy Caldwell.

This year's state meet will take place at the University of Wisconsin-Madison on Saturday, April 23.

Ronald Rohlinger Drowns in Mishap

A 21-year-old R. 1, Campbellsport man, Ronald E. Rohlinger, drowned Sunday night after his car left Hwy. 67 and plunged into the Milwaukee River at Campbellsport, according to authorities.

He was born at Campbellsport Oct. 10, 1955, and at the

time of his death was engaged in farming and livestock hauling. He was a 1973 graduate of Campbellsport High School.

Survivors include his parents, Eugene and Helen (Dieringer) Rohlinger; one sister, Linda, at home; his paternal grandmother, Mrs. Cecil Rohlinger of Campbellsport; his maternal grandfather, Irving Dieringer of Campbellsport and other relatives.

Funeral services were at 11:15 a. m. Wednesday at St. Matthew's Church, Campbellsport. Rev. Victor Kemmer officiated and burial was in the church cemetery. Visitation at the Twohig Funeral Home was after 4:30 p. m. on Tuesday.

Buswell Delegate To Driver, Traffic Safety Conference

Earl Buswell, of the driver education department at Kewaskum High School, was one of more than 400 delegates attending the 1977 spring conference of the Wisconsin Driver and Traffic Safety Education Association at Holiday Inn, Stevens Point, March 25 - 26.

This was the 15th annual conference of WDTSEA, which boasts the largest membership of any state driver education association in the U. S., according to the group's president, Michael McGinley, Oshkosh.

Out-of-state speakers addressing the conference included Ben Kelley, Washington D. C., senior vice-president of the Insurance Institute for Highway Safety; Ronn W. Maryott, Albany, N. Y., president, American Driver and Traffic Safety Education Association; and James Bloomquist, Motorcycle Safety Foundation, Linthicum, Maryland.

Wisconsin speakers included Dave Coady, Stevens area representative of the Governor's Office of Highway Safety Coordination; Mary Jane Nelson, Holmen, president of the Wisconsin Association of Women Highway Safety Leaders, Inc.; Dr. Jerry Witherill, University of Wisconsin - Whitewater; William Richardson, Waupun driver educator; and Robert Wing, Madison, association secretary.

Exhibitors displayed their

Page 8
Kewaskum Statesman
Friday, April 8, 1977

latest offerings of materials for inspection by delegates looking for new ways to enhance their local courses in driver education.

Death of Marie Katzenberger

MARIE KATZENBERGER, nee Volm, of Rt. 1, Middleton, passed away Saturday, April 2, at the Middleton Nursing Home, at the age of 90.

She was born Oct. 22, 1886, in Town of Wayne where she grew up. After her marriage to Frank Katzenberger at Holy Trinity Church, Kewaskum, on Nov. 29, 1923, they settled on a farm in the Town of Barton. In 1946 she moved to the City of West Bend until moving to Middleton in 1973.

Her husband passed away Feb. 10, 1975.

Survivors include one son, Clarence (Irene) of Middleton; five grandchildren; two great-grandchildren; one sister, Barbara Peter of Campbellsport; one brother, William Volm of Kewaskum and other relatives and friends.

Funeral services were held Monday at 9:30 a.m. at the Schmidt Funeral Home, West Bend, and at 10 a.m. at Holy Angels Church, Fr. Warren J. Schmidt officiated and burial was in St. Mary's Cemetery, West Bend.

Visitation was from 4 p.m. Sunday with a prayer vigil at 8 p.m. Sunday.

Kiwanis Students of the Month

Lori Koepke

Lori Koepke, daughter of Mr. and Mrs. Edward Koepke of rural Kewaskum, and Jim Binder, son of Mrs. Joyce Mayer of rural West Bend, have been chosen as Kiwanis students for the month of March.

Lori has been a member of the Student Council for the past four years. She served as secretary last year and this year is vice-president. She is vice-president of the AFS Club this year and has been a member of AFS for three years. Lori was inducted into the National Honor Society last year. She was a member of the Spanish Club for two years. For the past four years, she has been a band member. Lori has also been in the Honors Band for two years and a member of the Pit Band. She participated in Brigadoon, Hello Dolly and Music Man. Her sports

Jim Binder

activities include GAA and volleyball, three years.

Jim Binder has also been inducted into the National Honor Society. He has been a member of the German Club for four years. This year he is a member of the AFS Club. He was a member of Health Careers Club in his junior year. He participated in Forensics two years. For the

past four years, Jim has been a band member, including Jazz Band for two years and Honors Band this year. He has worked on the school newspaper, Smoke Signals, for two years and this year is their head photographer. He has worked on the yearbook, Chieftain, for the last four years. He was a participant in Brigadoon.

Rumsey Attends Texas Seminar

Dr. H. L. Rumsey of Kewaskum returned recently from Dallas, Texas, where he attended a four day advanced research seminar conducted by the Parker Chiropractic Research Foundation.

Dr. Rumsey attended specialized training classes in X-Ray analysis, muscle testing, and drugless pain relief techniques. He also participated in refresher work in physical, orthopedic, and neurological examination methods.

Headed by Dr. James W. Parker, the Foundation has pioneered developments in chiropractic care and improved doctor - patient relations. Bimonthly seminars attract doctors and chiropractic assistants from all over the world for concentrated studies under prominent leaders in the field. More than 2,200 participated in the March seminar.

Club Members to Attend Convention

For the first time, the Brillion Woman's Club will host the Wisconsin Federation of Women's Clubs Sixth District Annual Convention. It will be held at Michiel's Brillion Inn on April 21. This will be the district's 61st convention.

The Brillion Club is planning on over 200 women attending from Ripon, Mequon, Thiensville, Sheboygan, Oshkosh, West Bend, Kewaskum, and other places.

The main speaker for the day will be Dr. Robert Witte of Madison. He is assistant professor of management of the Department of Business and Management at the University of Wisconsin - Extension in Madison. Dr. Witte's topic is "Understanding and Living with Daily Stress and Tension."

He was a perfect pessimist; a real no-it-all.

Attends AWSC Directors Meeting

The Association of Wisconsin Snowmobile Clubs (AWSC) Board of Directors met Sunday, March 27 at the Valley Inn, Neenah. District Director George Lendved, R. 1, Kewaskum, attended this meeting representing Sheboygan County. The meeting was held in Neenah to acquaint the Board of Directors with the home office, its business equipment, and operating procedures.

Don Smith of Janesville, Executive Secretary, gave a breakdown of pending legislation which concerns the sport of snowmobiling. Smith also reported on the Governor's Recreational Council meeting held recently in Wausau.

The direct response to President Carter's proposed ban on ORV's on all public lands has resulted in the AWSC's membership overwhelming effort to oppose what is felt to be detrimental to snowmobiles and the related economic loss in Wisconsin.

Interested snowmobilers or snowmobile clubs that wish to know more about the AWSC are asked to contact George Lendved for more information.

Scenic Math Meet Won by Kewaskum

MAYVILLE — The fifth annual Scenic Moraine conference math meet was held here on Monday with the team from Kewaskum High taking home top honors.

The Kewaskum varsity team totaled 237 points, ten higher than second place Germantown. Then came Grafton 220, Mayville 216, Hartland 215, Kettle Moraine 197, Slinger 194, and Pewaukee 146.

Each team had eight students participating for the team title, and included in the eight, there could be no more than four seniors.

The test had four parts — algebra, geometry, advanced math and probability — with a perfect score being 40 points.

Doug Schroeder of Grafton had the top individual score with 35 points. Karen Krygsman of Hartland was next with 33.

Rounding out the top five and ties were: Kewaskum's Gerry Butz in third place

with 32 points, and Rick Kneusel of Hartland, Dale Hyde of Kettle Moraine, and Bob Trapp of Slinger all tied with 30 points.

Slinger's Dave Wiedenfeld of Slinger finished tied for seventh with 27. Also with 27 was Kathy Grandin of Kewaskum on the varsity II team.

Along with Butz' 32, Kewaskum had Tom Ryan, Larry Westerman, Brian Markielewski, and Scott Wulff with 24's, and Mike Perkins with 22.

Other members of the victorious team included: Rob Secor and Steve Schneider.

Included in the final team score was a team event. Kewaskum scored a perfect 60 points on this part of the test and was the only school in the meet to gain a perfect team mark.

The JV results showed Arrowhead winning with 215

points, using the same test. Slinger was next with 162, followed by Grafton 142, Germantown 133, Kewaskum 128, Kettle Moraine 121, and Mayville 91. Pewaukee did not compete in this division.

Terry Reindl and Ken Kumrow topped the Kewaskum JVs with 22 and 20 respectively. The rest of the team included Jenny Coulter, Carrie Swanson, Tim Perkins, Julie Yearling, Robin Neitzel, and Dave Dean.

The second varsity team had Grandin, Eric Schmidt (20), Randy Hirsig, Carrie Petsch, Cliff Wilson, Dave Schoofs, and Scott Domasky.

Team coaches were Joe Harlow, math department head at the school, and Ed Sleger.

This was the second time Kewaskum has won the varsity math title in the four years they have attended. One year they were unable to

attend because of a scheduling conflict.

Pinewood Derby Winners Named

Close to 40 boys participated in this year's Pinewood Derby in Cub Scout Pack 3744 in Kewaskum.

Mike Kirst, son of Mr. and Mrs. Robert Kirst, emerged the champion in the double elimination competition. In second place was Otto Ramthun, son of Mr. and Mrs. Ot to Ramthun, and in third was John Martin, son of Mr. and Mrs. John Martin.

All three boys received trophies for their efforts.

This year there will be no district pinewood competition at the Scout-O-Rama. Instead, a Rocket Derby will be held for all cub scouts and Webelos.

Births

SEGERSTROM — A daughter to Dennis and Jane Segerstrom, Kewaskum, Thursday, March 31.

GIESE — A daughter to Ronald and Grace Giese, Campbellsport, Thursday, March 31.

MILLS — A son to Earland Joyce Mills, Kewaskum, Thursday, April 5.

SAVINGS OFFICE TO OBSERVE GOOD FRIDAY

How much longer can this go on?

The demand for electricity is going up again. Business wants more. Industry wants more. You want more.

The trouble is, everyone wants more electricity at the same time: Monday through Friday from morning till evening.

Electricity costs more to make during these peak weekday hours because back-up power plants, which use more expensive fuels, have to help handle the extra load.

And the rising demand for electricity means even more power plants have to be built.

It all adds up to higher electricity costs for everyone.

At Wisconsin Electric, we're working hard to hold down these costs. And you can help.

If you can wait till the evening or anytime on the weekend to run major appliances like your washing machine, dryer and dishwasher, you'll help reduce the daytime demand for electricity.

Every little bit helps. So try to turn it on at night or on weekends instead. We'll all be better off during the day.

KHS Gals Second in New Holstein Meet

In an indoor track meet at New Holstein last Wednesday the Huskies, who were in the top four in Class B in state last year, won 11 of 13 first places to amass 85½ points. Kewaskum's girls had two firsts and several other places for second place with 28 points. Sheboygan Falls was third with 16½.

Coach Connie Kreuser did not run all of her varsity runners and some in just one or two events because of the Washington County meet being run the next day.

Carrie Kempf won the 100 in 11.9, pretty good considering the races were run in the hallway, New Holstein High (not Kewaskum's fieldhouse). She also anchored the 440 relay which was nipped by .2 of a second. The coach did not run Carrie, a state winner last year, in the 220 and there was no long jump—two of her specialties.

Karen Wegner got the other KHS first in the shot out with a new school record. She tossed the ball 36-8, bettering a 36 - 0 effort previously.

KEWASKUM

A Shocking Experience

Last Saturday proved to be a SHOCKING day for one young farmer living west of Kewaskum. It was the morning following the party held in his honor for his upcoming wedding. Did he build up static electricity as he slowly shuffled to the barn? What ever it was - it sure was a jolt! Once inside he saw that hunch was wrong. Things went smoothly until it

was time to do his favorite daily chore. Did that dense fog swallow up his tractor and manure spreader? After stumbling about the yard looking for his truck, he decided there was only one thing left to do - get out his trusty Merc, but lo and behold that was gone, too. Anyone knowing the whereabouts of any of these items, please call Mike at 626-2205.

a LENNOX® heat pump cools and heats your home electrically

A heat pump utilizes nature to give you maximum efficiency. It takes warmth from outdoor air and uses it to heat the indoors. In summer, it takes heat from indoors and leaves you cool and comfortable.

Connects to indoor blower-coil.

Agenda for School Board Meeting

The first regular April meeting of the Kewaskum Board of Education will be held on Monday, April 11, at 8 p. m. The meeting will be held in the Kewaskum High School library instead of the administration offices.

The agenda will include a report on the visit of reporters to the Farmington School on Thursday, March 10. Consideration will also be given to proposals for remodeling the library and 100 area of the high school and moving the central offices to the high school. As time permits, the board will also consider the proposal for an additional position of assistant administrator.

Recommendations on new teachers to fill open positions will be considered, as will minutes and payroll and vouchers payable and miscellaneous items which may arise. The board will meet in closed session following the open meeting for discussion of administrative salaries and evaluation of administrative staff.

KJWC to Present Woodsy Owl Awards

Awards to the Woodsy Owl Poster Contest winners will be the first order of business when the Kewaskum Junior Woman's Club holds their meeting on April 14 at Valley Bank. Members and guests are reminded that the meeting will begin at 7:30 p. m.

Following the awards presentation, the Home Life Committee of KJWC will present a speaker and film on P. S. A. — Project Self-Awareness / Child Exchange.

Members of the Kewaskum Woman's Club are cordially invited to be guests at this meeting, which will see Cheri Ramthun, Pat Redig, Sandy Rimmel, Gloria Rodenkirch and Corey Wuebben as hostesses.

EASTER DANCE

An Easter Dance sponsored by the Ashford Sportsmen's Club will be held at Amerahn Hall, Sunday, April 10, from 8:30 p. m. to 12:30 a. m.

Music will be provided by the Bill Thull Orchestra. Tickets may be purchased at the door for \$1.50 and prizes will be awarded.

Auxiliary Formed At Samaritan Home

An auxiliary is being formed at the Samaritan Home, West Bend. The third meeting will be held on Tuesday, April 12, at 1:00 p. m. in the Samaritan Home Chapel.

Though recently formed, the auxiliary is already assisting the Samaritan by sewing bibs, lap robes and repairing clothing. Future projects include fund raising, sale of craft items, etc. Any ideas you may have to incorporate your expertise for the residents' betterment will be appreciated. The Samaritan Auxiliary could be a fulfilling outlet for your time and

talents.

Please try to attend the next meeting. The auxiliary will be looking forward to seeing you.

Library Story Hour to Begin

The Spring Session of Pre-School Library Story Hour will be held at the Kewaskum Public Library for six Thursdays beginning April 14 through May 19. Two 45-minute periods will be held from 9:15 to 10 a. m. and 10:30 to 11:15 a. m.

Parents may register children three to five years of age by calling Phyllis Schmidt at 626-4050 or Isabelle Straub, 626-4232.

"A DEALER YOU CAN TRUST"

Health food for the middle-aged lawn.

You've seen how cheap fertilizers perform. They green up your lawn in a flash, and then quit working. If you have an established lawn, more than a couple of

years old, it definitely doesn't need that kind of feeding. It needs a long-lasting lawn food that will strengthen the root system and promote new growth or tillering.

Northrup King Lawn Food is formulated for steady, long term feeding, so you don't have to mow or fertilize as often. It feeds your lawn with Nature's Ratio®, the ratio recommended by turf authorities for most grasses. It's on sale now, during the Green Grass Sale at your Northrup King Dealer's.

INSULATE YOUR HOME NOW. SAVE!

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

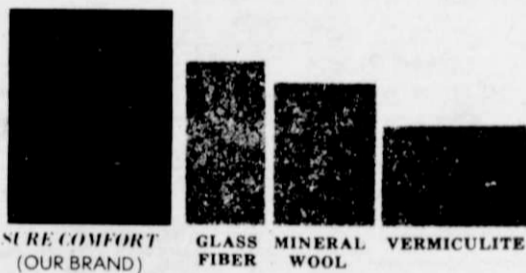

DO IT YOURSELF

* No Costly Installation Charge *

* No Charge for Use of Blower When You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

SURE COMFORT is pneumatically blown between & over ceiling joists, filling & sealing every crack & crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why Sure Comfort is your final choice in insulation

PERFORMANCE

SURE COMFORT Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all Insulation ratings. SURE COMFORT meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.

MANUFACTURING INSULATION OF THIS TYPE SINCE 1949

SURE COMFORT has been supplying the building industry for over 28 years, proof of our reputation.

FIRE RESISTANT

Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.

COOLS IN SUMMER

SURE COMFORT insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

PLUS SOUND PROOFING

One of the best insulations for sound proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

VERMIN AND RODENT RESISTANT

Chemically treated to repel insects and rodents from working in materials.

REDUCES HEAT COST

Correct attic insulation can save you 30% or more on fuel.

RESISTANT TO MOISTURE

The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.

GUARANTEE

SURE COMFORT insulation is guaranteed for the life of the structure (building).

HIGH R-VALUE

SURE COMFORT cellulose fiber exceeds most insulation (By laboratory test) in resistance to heat or cold.

LIGHT WEIGHT WILL NOT SETTLE

Cellulose Fiber insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

HELPS CONTROL ICE BUILDUP

Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.

WILL NOT DETERIORATE

It is a life-time insulation because it is treated with chemicals that are permanent.

IN MEMORIAM

In memory of our beloved husband and father, Elmer Ramthun, who passed away three years ago, April 9, 1974:

In peaceful sleep the one we loved,
Lies free from earthly care.
No longer need he labor here,
God's blessings he shall share,

He labored hard and well on earth,
But now his labor's done.
But he shall spend eternally,
Beside the Father's Son.

Lovingly remembered by his wife, Bernice, children and grandchildren.

A bachelor is a man who intends to remain foot-loose and fiancee-free.

Hon-E-Bees Announce Plans

Clean up your golf clubs ladies — believe it or not, spring is on the way and can summer be far behind? The Hon-E-Kor Ladies Golf Association has many fine events planned for this summer.

The Golf Committee headed by Corey Wuebben urges all ladies to make plans to join the Ladder Play which runs from June 1 to August 31 and also June Medal Play and July Match Play. Ringer is fun for all and you can only improve. This is the best way to get to know your fellow Hon-E-Bees.

At a recent meeting President Jeanne Kuehn announced that tentative plans are being made to entertain the ladies of Hartford Country Club and Rolling Meadows, Fond du Lac, Ladies Golf League here at Hon-E-Kor on Guest Day, July 22. Set this date aside now — and plan to attend to help acquaint these ladies with our beautiful 18 hole course and newly remodeled club house. August 11 is also an important date to remember because the Hon-E-Bees will be guests that day at the Town and Country Club in Sheboygan.

The most important date to remember is of course the opening dinner, Wednesday, May 4, at Hon-E-Kor. Cocktails will begin at 6:00 with dinner at 7:00. Plan to attend and bring a guest. Details will

be printed in the Hon-E-Bees newsletter soon to be mailed out. Watch for it.

K. C. SCHAFSKOPF WINNERS LISTED

Winners at the 5-handed schafskopf tournament held at the K.C. Hall Sunday, March 13, were:

Ella Smith, 67-9-58; Esther Dekkes, 69-6-58; Arlene Schneider, 55-2-53; Robert Gruber, 61-9-52; Lunarda Heilmann, 58-10-48; Hilda Becker, 48-5-43; Luella Windel, 50-7-43.

The next 5-handed tournament will be the second Sunday in November. No tournament in April because of Easter.

Three-handed winners on Tuesday, March 15, were:

Carl Bohn, 42-2-40; Jim Propson, 40-4-36; Charlotte Schneider, 36-6-30; Francis Loehr, 30-4-26.

A special tournament Sunday, April 24, at 10 a. m. at the K. C. Hall, Hwys. 45 and D. Four sessions. Entry fee \$52.00. Call 626-4247 for more information.

**Fast and Fine lawn seed:
Think of it as
hair restorer for lawns.**

If your lawn is more than a couple of years old, and you've never added new seed, chances are it looks a little bald in spots. Northrup King has developed a new grass seed just to solve the problem. It's called Fast & Fine — a blend of grasses that includes Pennfine®, a revolutionary new fine-leaved ryegrass that comes in 70% faster than bluegrass, penetrates even compacted soil. Just the thing to fix those bald or thinning spots in your middle-aged lawn. Get to work on the problem early, and you'll save during our Green Grass Sale.

\$3.95 for the 2 lb. box
Reg. \$4.15

**Health food
for the middle-aged
lawn.**

You've seen how cheap fertilizers perform. They green up your lawn in a flash, and then quit working. If you have an established lawn, more than a couple of

years old, it definitely doesn't need that kind of feeding. It needs a long-lasting lawn food that will strengthen the root system and promote new growth or tillering.

Northrup King Lawn Food is formulated for steady, long term feeding, so you don't have to mow or fertilize as often. It feeds your lawn with Nature's Ratio®, the ratio recommended by turf authorities for most grasses. It's on sale now, during the Green Grass Sale at your Northrup King Dealer's.
