Mrs. Wahlen on Trip to Orient

The Statesman received a postcard from Mrs. Marie Wahlen of West Bend, while on a trip to the Orient. She is the mother of Mrs. Donald (Corrine) Mlodzik of Kewaskum. The card, dated May 19, reads as follows:

"Greetings from Orient.

Called Major Paul Schaub in Okinawa. They are fine. Most different trip of the many I've taken. Biggest surprise was flying over Alaska, seeing ice and snow below. Transfers at Minneapolis and Seattle plus flight to Tokyo took 25 hours. No sleep and full sunshine all that time. Gain day we lost on way home. Kert so busy, couldn't write sooner. People so friendly, so honest and polite. Hundreds of uniformed school children on trips we meet smile, shake our hands and say Halo as we meet as if they were meeting

their emporor. Some of them from rural areas never saw a foreigner. Walter Koehn's granddaughter, who teaches and studies Japanese here, visited me overnight and joined our group of 12 in a Japanese (Las Vegas) type show. We loved it. Had a ball."

MEMORIAL DAY SERVICES

The traditional Memorial Day parade and services were again held in Kewaskum on Monday, sponsored by Robert G. Romaine Post 384 of The American Legion. The parade, starting at 9 a. m., was followed immediately by the program at the Legion club house grounds.

The top photo shows a partial view of the crowd attending the services, while the stage is seen in the lower photo, with Gay Olson, Kewaskum High School senior, reciting The Gettysburg Address. The main speaker was Atty Gerald Kiefer of McKenna & Kiefer Law Office.

An undertaker married a snake charmer and had their towels marked 'His and Hers.'

INSULATE YOUR HOME NOW. SAVE!

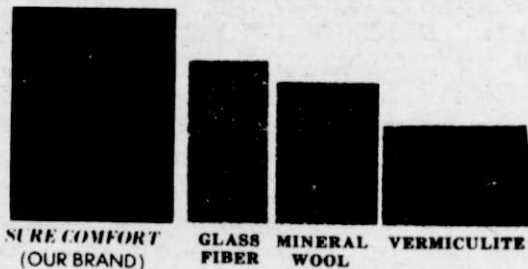

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *
- * No Charge for Use of Blower When
You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

SURE COMFORT is pneumatically blown between & over ceiling joists, filling & sealing every crack & crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why Sure Comfort is your final choice in Insulation

PERFORMANCE

SURE COMFORT Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. **SURE COMFORT** meets or exceeds Federal specifications No. MH-1-513A, and is approved for use in F.H.A. structures.

MANUFACTURING INSULATION OF THIS TYPE SINCE 1949
SURE COMFORT has been supplying the building industry for over 28 years, proof of our reputation.

FIRE RESISTANT

Case history has proved that our insulation will definitely confine that which might have become **TOTAL LOSS**. Our fire retardant chemicals will last indefinitely.

COOLS IN SUMMER

SURE COMFORT insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.

PLUS SOUND PROOFING

One of the best insulations for sound proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.

VERMIN AND RODENT RESISTANT

Chemically treated to repel insects and rodents from working in materials.

REDUCES HEAT COST

Correct attic insulation can save you 30% or more on fuel.

RESISTANT TO MOISTURE

The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it eliminates the cause for moisture condensation.

GUARANTEE

SURE COMFORT insulation is guaranteed for the life of the structure (building)

HIGH R-VALUE

SURE COMFORT cellulosic fiber exceeds most insulation (By laboratory test) in resistance to heat or cold.

WILL NOT DETERIORATE

It is a life-time insulation because it is treated with chemicals that are permanent.

LIGHT WEIGHT WILL NOT SETTLE

Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

Luncheon for Farmers Wives

Mrs. Pat O'Brien

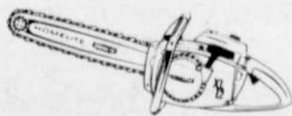

About four hundred farmers wives from southeastern Wisconsin attended a luncheon at the Pyramid Club, Beaver Dam, Thursday, May 19. The ladies, guests of Dairyland Harvestore, Slinger, were entertained with a fashion show by the Rear Door of Beaver Dam.

The program included a panel discussion and essays by wives on how the Harvestore system has helped in their farming enterprise. "Not only does the Harvestore system pay for itself, it made it possible for us to get where we are today. We doubled our acreage, doubled our cattle and tripled our income," stated essayist Rose Mary Adelmeyer, Theresa.

"The work load is light with the help of Harvestores" stated Mrs. Pat O'Brien of R. 1, Eden. Pat milks 155 cows and raises some beef with very little help.

The program, billed as a "Spring Break" for busy farm wives, is the first of its kind for this area. "We hope to make it an annual event. I can't think of anyone not deserving of a day off in May than the fair ladies on the farm" said Lou Neuville, owner of Dairyland Harvestore.

Carrie Kempf Wins 4th Trip to State; Girls Relay Team Also Goes

It's on to Madison for several Kewaskum High School track girls. One of them, Carrie Kempf, will be making her fourth trip to the WIAA State Track meet this weekend.

Slinger and Kewaskum fought it out for 2nd and 3rd places in the Sectional meet, behind Whitewater, at Whitewater last Friday.

Kewaskum's qualifiers for the State "B" meet are: Carrie Kempf, 1st in 220 in 25.5 to tie the existing state record; 2nd in long jump, 16-8, anchored 880 relay team, 1:48.5, won by Kewas-

kum. Laurie Wilson, sister Pam Kempf and Jenny Schaub ran prior to Carrie in the relay. This is a freshman, sophomore, junior and senior combination.

Carrie is defending 100 yard champion at state but chose not to defend it, but rather run in the relay and 220.

For the Kewaskum boys, nobody qualified for state but Paul Brenholt was 5th in the 880, in 2:06. The mile relay team won third place, just missing, and soph Mike Schaub was third in the 330 lows.

Indians Edged By Greendale in Baseball Opener

The Kewaskum Indians opened their summer baseball season with a non-conference game at Greendale Friday and were edged out in 8 innings, 5-4.

Greendale scored the winning run in the bottom of the 8th on a double, a sacrifice, and when Mark Tessar threw to the plate on a ground ball and hit the runner, the run scored.

Losing pitcher was Leon Laatsch and the winner was Weithurat.

Most of Kewaskum's scoring came in the 2nd inning when they sent 8 batters to the plate.

The Indians were out-hit, 12-4, but many of Greendale's hits were of the bloop type.

Coach Westphal gave 15 players a chance to show themselves in the contest.

Westphal has 9 lettermen back this year, including three pitchers, headed by 6-3 senior Laatsch. The No. 2 and 3 pitchers are juniors Mark Tessar and Al Jaeger. Other lettermen include Mike Perkins, Randy White, Randy Schmidt, Jim Donath, Dennis Westerman and Rick Dreher.

The Indians second non-conference game against West Bend East at home was postponed because of wet grounds.

Kewaskum Bombed By Lithias Twice, Loses to Grafton

In a Tri-County Nite League game at West Bend Wednesday, Kewaskum was bombed by the Lithias, 11-1.

The Lithias had base runners in every inning, some timely hitting and were helped considerably by 10 Kewaskum errors and 5 passed balls.

Winning pitcher John Jazak and reliever Steve Sachse combined for a 5-hitter. West Bend jumped on Scott Koth early and he was relieved by Tom Bartelt in the 4th.

Pfeiffer and Radloff got 2 hits for the winners and Suenbanged out a homer.

On Sunday the same teams tangled again, only this time it was in a Land o' Lakes game on the Kewaskum diamond, and the Lithias won big again, 15-3.

Steve Leverenz lashed 4 hits and Tom Kuehn and Geoff Ranloff 3 apiece for the winners, who had 20 hits. Tom Theusch led Kewaskum with 3 of his team's 12.

Jazak hurled the first 6 innings and earned the victory, while Sachse finished up. Theusch and Bartelt worked for Kewaskum with the former the loser.

On Memorial Day Kewaskum lost again at Grafton in a Lakes tilt, 5-1.

Kewaskum was held to a single hit by Maronde, while Grafton pounded out 11. Koth started and was the loser. He was relieved by Bartelt in the 5th.

Goecke paced Grafton with 3 hits, including a double.

Kewaskum has 3 more games this coming week: Thursday, June 2, Slinger here at 8:00 (TC). Sunday, June 5, Port Washington here at 1:30 (LOL). Wednesday, June 8, at Mayville at 8:00 (TC).

Four to Attend Judo Nationals

The West Bend Judo Club brought home more awards than any other state club from the Junior Olympic Region 7 Judo Tournament last weekend.

A total of five first, two second, and one third place provided medals for all eight West Bend players.

The West Bend judoka traveled to the tournament held in Waterloo, Iowa, with judo coach Jon Sanfilippo, for the club's best showing in out-of-state competition.

In the juniors boys' division, Tom Fulop won a decisive first place in the 85-96 lb. class. Tom got one of the few Ippon (full-point) throws of the tournament when he threw an Iowa boy with morote seionage (two-arm shoulder throw).

Dan Spors took a first place in the intermediate 146-160 lb. class.

The 154 lb. senior division saw Ben Turenske win third.

Doreen Sese, participating in the junior girls' division, captured second place. Her final competition was against a Wisconsin girl, who beat Doreen with only a referee's decision.

Intermediate girls' division activity saw Julie Larson win an undisputed first place by the use of yokashihogatami (side four-corner mat hold) in her championship match.

Marianne Fulop and Jayne Tischer participated in the senior girls' competition.

Marianne won first place in the 97-110 lb. class, and Jane captured second place in the 155 lb. class.

Commenting on the accomplishments of the West Bend Club, Coach Sanfilippo said, "This has been our best year yet in judo competition. Our club has hit a peak of over 45 active members, and all of them are having accomplishments in judo. This year's regional showing was like adding icing to the cake."

The National Junior Olympics will be held this year in Lincoln, Neb., on Aug. 12-14.

This means four West Bend judoka, Dan Spors, Julie Larson, Marianne Fulop, and Lynn Roethke, will be participating in National Junior Olympic competition.

It will be Lynn's second year in this event. With memories of her 1976 gold medal accomplishment, all four club members are already motivated for this national event.
