## Groundbreaking Ceremony at New Park

(Statesman photo by Dale Matthies)

By MARYANNE MERWIN  
Statesman Staff Writer

About a dozen youngsters and about twice that number of interested parents and grandparents attended the ground-breaking ceremony at the Kewaskum Kiwanis Community Park in Monday night's intermittent drizzle.

Amid piles of gravel and clumps of goldenrod excavation for sewer and water has already begun. It was in this framework of muddy ruts that spectators were welcomed by Trustee Daniel Schmidt to "see the natural beauty of the park." This comment brought chuckles from the crowd.

Schmidt said that the village hoped to be able to allow ice skating in the park as early as this winter, with swimming and baseball to follow in 1978. Three-fourths of the contracts having already been awarded for construction work, the Village Board would be opening contracts submitted for the two remaining jobs that night. These would take care of the park shelter and its plumbing.

The Kewaskum Kiwanis Club was then thanked for their initial donation of \$78,000, and Regal Ware was acknowledged for contributing funds for two baseball diamonds.

While private contributions are appreciated and indi-

dual donations encouraged, Schmidt stressed the need for support from the community as a whole. Manual labor offered by local service clubs was cited as exemplary.

The actual shovel-wielding was done by Village President Charles Miller (right), Kiwanis Club President Roy Swanson (left) and Chester Schumacher from the engi-

neering firm of Arthur and Associates, Inc.

The ceremony ended in a round of applause as Swanson inflated his "park-walking shoes" with some of the surrounding mud. About 10 hearty souls then hiked across the rough terrain to tour some of the 34 acres of prospective parkland.

## Lions Chicken Bar-B-Q, Early Farm Days in Park on Sunday

The annual chicken bar-b-que sponsored by the Kewaskum Lions Club will be held in the village park on Sunday, Aug. 21. Serving time will be from 11 a. m. until 3 p. m. in the tent. Carry out will also be available.

Beer and soda will be served and games will be played.

Added attractions will include the running of the "Kettle 20" foot race through the Kettle Moraine area, starting at 10:15 a. m. in the park. Beginning at 12:15 there will be bicycle races with classes for several age groups. Another feature beginning at 1:45 will be the midwest wrist wrestling championship tournament with all wrist wrestlers being classed for competition according to weights.

In conjunction with the

event, the Kewaskum Historical Society will again have its 3rd annual early American Antique Farm Display, starting at 11 a. m. Many items will be on display for the first time anywhere. Admission is \$1.00 and will include a Historical Society collectors' button. Children under 12 free.

You will see a rare 80 h.p. "Superior" Diesel engine in operating condition from the old Barton Roller Mill, gas and steam engines in operation, steam traction, oil pull, old tractors, old cars, lots of old time farm equipment and antiques, threshing and old farm operations.

There will also be square dancing at 1:30 p. m. by the Washington County Senior Citizens group.

## St. Lucas to Celebrate Centennial

St. Lucas Lutheran Church (of Kewaskum) will celebrate the 100th Anniversary of its organization on Saturday and Sunday, August 20 and 21. Three special services of Thanksgiving have been arranged, a German Service on Saturday, Aug. 20, at 4:00 p. m. and two English Services on Sunday, August 21, at 8:00 and 10:00 a. m.

The guest speaker at the German Service will be the Rev. Gerald Hoenecke of Mequon, Wis. He is a professor of New Testament Greek at Wisconsin Lutheran Seminary in Mequon. A former pastor of St. Lucas, the Rev. Donald Bitter, pastor of St.

Paul's Lutheran Church of Fort Atkinson, Wis., will deliver the sermons in the Sunday Services.

From the original four families who organized the parish on August 20, 1877, St. Lucas has grown to over 1,200 members today. Six pastors have served the Congregation: Pastor F. Hilbert, 1877 - 1884; Pastor Fredrick Greve, 1885 - 1923; Pastor Henry H. Heidel, 1923 - 1928; Pastor Gerhard Knies, 1928 - 1965; Pastor Donald Bitter, 1959 - 1965, and Pastor Paul Hoenecke, 1966 to the present.

A Centennial Dinner and Program for the Congregation (Continued on Page 2)

# St. Lucas

(Continued from Page 1)

tion will be held at the Kewaskum High School Gymnasium on Saturday evening at 6:30 p. m. The featured speaker at the program will be the Rev. Wayne Bartelt of Lake Mills, Wis., a former Vacancy Pastor of St. Lucas. Brief addresses will also be given by former Pastor Gerhard Kanies, Mrs. Ray Schaefer, Roger Groeschel, Chairman of the Congregation, Orville Breikreutz, Principal of St. Lucas Lutheran School, Mayor Charles Miller, and by Pastor Donald Bitter. The Rev. Paul Hoenecke will serve as Master of Ceremonies. Two historic skits, prepared by Mrs. Ronald Schmitz and Mrs. Leroy Bier, will also be presented. The St. Lucas Senior Choir will sing several fitting selections.

St. Lucas Congregation began its Centennial Celebration by opening a Christian Day School and installing its teaching staff on the 99th Anniversary last August. Two other Centennial observances were celebrated during the past year, one in October and one in March.

St. Lucas has had two churches in its 100 year history. Both were located on the site of the present church, 1417 Parkview Drive. The present church was erected in 1914 and has been remodeled extensively twice, most recently in 1974.

The Congregation extends an invitation to the public to attend any of the three Centennial Services.

# Two More Teaching Contracts Are Approved by School Board

Two teaching contracts were approved at the Kewaskum School Board meeting held August 15. David Rhode will teach social studies at the high school and Margaret Smith will teach at the middle school.

A graduate of Oshkosh, Rhode has one year of teaching experience at D. C. Everest Junior High. He replaces Terrance Kelly on the high school staff. Margaret Smith has six years of teaching at Kiel and is a graduate of Silver Lake College. She replaces Hollister DeMotts on the middle school staff.

Two requests from parents not yet residing in the district to have their children allowed to enroll in the Kewaskum District at the start of school were approved.

Both families expect to move into the district before the end of the first nine weeks. No tuition will be charged if the families have moved in by that time.

A contract for transportation for 1977-78 was approved with Johnson Bus Company. While daily rates per route will decrease, the school district will purchase the gasoline this year so the federal gas taxes will not have to be paid. The overall increase is expected to be 11% - 11.5% over 1976 - 77.

Approval was given to share a secondary teacher of E. D. students with Campbellsport. This will replace the full-time program run last year by the district, if such arrangements can be made.

# WOODMEN TO HOLD PICNIC

Modern Woodmen of America Camp 2233 is having a picnic at 6 p. m. Thursday, Aug. 25, in the village park. The camp will furnish hamburgers, rolls and beverages. Bring a covered dish and table service for your family. Door prizes given and games will be played for all age groups.

Tax Savings Account

With West Bend Savings TRANSMATIC® System, your monthly mortgage payment is made automatically from your present checking account. This monthly payment keeps your mortgage current and puts your prepaid tax money to work in a "tax savings" account that pays you interest . . . from the day of deposit!

Most savings and loans require that home loan customers save 1/12 of their real estate taxes every month. They put this money into a non-interest escrow account and get the use of your money the rest of the year.

West Bend Savings does it differently. We pay you interest. West Bend is one of the few savings and loans in the country that does this . . . and another extra reason people prefer West Bend Savings.

In fairness to our competitors a good argument can be made that because of the convenience, extra record keeping, etc., no interest should be paid . . . BUT . . . West Bend Savings does all that too and still pays you interest. On the average Washington County tax bill this means you save approximately \$20 to \$25 per year . . . \$300 to \$500 over the average life of your loan.

Remember . . . West Bend Savings says "We Can" when others say "We don't!" We'd like you to be our customer.

## Vandenburs Visit Mother, Brothers

Submitted by Dolores Kleinke

Mrs. Amanda Kleinke Baker, who formerly owned Mandy's Home Palace of Auburn Lake, was surprised by her daughter Gladys and husband Ralph Vandenburg

from Key Biscayne, Florida. (Mrs. Baker is presently residing at the Samaritan Home at West Bend).

Gladys and Ralph continued their surprise visit by going on to see her brothers Alpheus, Wilbur, Marvin and Frederick and their families. The brothers were formerly known as Mandy's boys as a

male quartet, accompanied by Gladys, who played the piano accordion (1929 - 1939). She is now playing with a band in Key Biscayne.

After visiting for several days, before journeying homeward, they made a stop at Plains, Georgia to visit their son Todd who is in the Air Force in the communications department.

## Two Remaining Park Contracts For Shelter, Plumbing Awarded

By MARYANNE MERWIN  
Statesman Staff Writer

Following the recommendations of engineer Chester Schumacher, the Kewaskum Village Board voted unanimously to accept two bids that would complete proposed construction in the Kewaskum Kiwanis Community Park project.

The Westra Construction Company of Waupun was given the green light to begin construction of the park's shelter on Oct. 1, 1977, after bidding \$57,000 on that project. This was \$3,000 lower than their original bid in June. Completing that building's plumbing will be the Milwaukee firm of Joseph Wittig for the sum of \$29,718. Both contracts were awarded to the lowest bidders.

The lateness of the starting date was acceptable because, as Village President Charles Miller explained, it would take that long for legalities preceding construction to be completed. Westra has done sewer work for the village and is familiar with the local terrain.

Board members did express hope that building would be complete before the projected 180-day time period, however.

Two representatives from the Washington County Dept. of Social Services presented a lengthy explanation of their proposal to "establish a county system of general relief administration" which would "give to the Social Service Board the authority to evaluate and, if advisable, implement a county work relief program in cooperation with other units of county government."

Arthur Degnitz, chairman of the Social Services Board, said that the present system of charging local municipalities for "relief issued to persons having legal settlement in their municipality" was based on vague contracts. In Degnitz' opinion, "The whole thing is illegal."

John Riley, also from the Dept. of Social Services, explained "legal settlement"

as being the place where the person last lived for 1 year as a self-supporting member of that community. Riley claimed that there are often difficulties in determining where that might be, and he pointed out that young people who have never worked have their legal settlement determined by their parents' residence.

Riley pointed out that medical assistance was already managed on a county-wide basis, and more federal money could be used to implement a similarly based work relief program.

President Miller elaborated on the difference between "relief" and "welfare" calling relief a last resort. Riley quipped, "we're all on welfare," noting the far-reaching effects of state and federal funds.

Some other board members expressed concern with delegating authority over work assignments. Riley assured them that though individual municipalities may not derive direct benefits from specific projects there could be tax savings involved if costs would be apportioned on the basis of equalized evaluations.

Miller thought that Kewaskum had done a "good job" in the past of "putting guys to work." In retaining control of local cases Trustee Raynor Herriges thought the number might be kept small. As he put it, "this way we care." And the board agreed that having only 1 case of relief active at the present time

is having a pretty good record.

Trustee Daniel Schmidt called the presentation "informational and enlightening."

The Public Works Committee reported through its chairman, Raynor Herriges, that members were satisfied with the present system of treating the water supply. The board voted unanimously to accept the findings of Supt. Peter Albers and "do without" the Aquadene alternative.

Further changes in the chlorination system of Kewaskum's wastewater will be considered after seeking outside consultation. Members did not feel qualified to judge the situation at this time.

Earl Miller, who resides on Memorial Drive, was present to complain about the condition of two vacant lots adjacent to and behind his property. Miller claimed refuse and rocks were a hazard to neighborhood children. A letter will be sent to the owner of this property.

A consensus of opinion was reached to discontinue village sponsorship of the football league. This came after a letter sent by Thomas Larsen was read. Larsen maintained that few village residents were actually involved, and the league had been mostly "outsiders" lately.

The Board adjourned until September.

**IN MEMORIAM**

In loving memory of our dear wife, mother and grandmother, Adeline Volm, who passed away two years ago, August 18, 1975:

There once was a time when we heard your laugh,  
It was a laugh that made us laugh.

A time when we would gaze into your gentle, smiling eyes,  
And we would smile, too.

A time when we would think of you and of your happiness,  
And we would be happy, too.

Mom, you are with God now, and we will always remember you.  
We will remember you with our hearts.

Sadly missed by her family

## Indians' Football Practice Begins

Kewaskum High School sophomore, junior and senior football candidates "kicked off" practice for the 1977 season on Monday evening. After a 7 p. m. meeting a full workout followed.

At the meeting, practice schedules were discussed and times were set up for picking up equipment.

Those who have not turned in physical cards and parent consent slips can still obtain them at the high school office.

As specified by WIAA regulations, the first three days of practice are without pads. Then there will be a week and a half of practices before the team's scrimmage with Lomira.

The Indians open their non-conference season when they host Campbellsport on Friday, Sept. 2.

Head Coach Joe Harlow is beginning his 13th year at the school.
