Having seen photos of Farrah Fawcett in so many papers, magazines and on TV, we have come to the conclusion that she has quite a few teeth.

Garage, Auto Damaged in Fires

(Statesman photo by David Schoofs)

Kewaskum firemen were called to the Dick Kreuser residence at 376 North Ave. about 11:45 a. m. Saturday to put out a blaze probably caused by a short in an electric garage door opener.

The Kreuser family was at a softball tournament at the time. Kreuser said he remembered closing the garage door, but a malfunction must have caused it to lift slightly, causing the door opener to continue running until shorting out.

Neighbors, who saw smoke coming from the garage, called the fire department. A Kewaskum policeman also answered the call and pulled out Kreuser's boat and trailer. He and a neighbor were also able to push a late model Dodge Colt automobile out of the garage.

The garage rafters, some

roof boards and stored lumber were charred. Stored items in cartons were damaged and removed. The car and boat were slightly damaged by falling embers.

No estimate of damage was made.

In another fire at 9:15 a. m. Monday, the interior of a 1975 Thunderbird two-door sedan owned by Donald E. Rademan of 2947 Maple Terrace Dr., Germantown, was gutted by flames.

The car caught fire on Hwy. 45 about one mile south of Kewaskum and apparently started in wiring to the motor. Rademan reportedly was heading for Kewaskum when the car suddenly burst into flames.

Kewaskum firemen are

shown in the photo completing the job of extinguishing the blaze.

Kettle 20 Race Has Record 166 Entries

Lions Bar-B-Que Most Successful Ever; Between 1300-1400 Served

The Kewaskum Lions Club annual chicken bar-b-que in the village park Sunday was by far the most successful held so far, in spite of intermittent rain. Close to 900 persons ate in the park tent, while there were between 400 and 500 carry-outs.

Attractions included the now famous "Kettle 20" foot race, bicycle races, wrist wrestling championship tournament, early American Antique Farm Display by the Kewaskum Historical Society, square dancing by the Washington County Senior Citizens group, live music by two bands, and refreshments. Large crowds attended throughout the afternoon.

The "Kettle 20" 12-mile foot race through the Kettle Moraine area drew a record 166 runners this year, compared to 105 last year. This popular event, which is growing by leaps and bounds, attracted runners from neighboring states as well as from all over Wisconsin. Most of them are professional, college high school or club affiliated runners. All 166 of them, starting out in a group was a sight to see in their lightweight running outfits with identifying lettering. Some who raced there before wore their "Kettle 20" shirts, some had cut-off shorts, tank tops and some were bare-chested.

Sixty-five minutes later, Green Bay's Jim Drews again was first to cross the finish line. Drews holds the "Kettle 20" course record of 65 minutes flat. He set that mark last year and just missed it by 50 seconds Sunday. Jim averaged just five minutes per mile throughout. He was first runner past the water point at the 7.9 mile mark at 41 minutes.

Muskego's Dave Elger was second overall, one minute behind Drews, and veteran distance runner Tom Hoffmann of Wauwatosa was third.

There were five different classes of runners this year, with trophies and medals going to the first three in each class. The results:

Women's Open — 1. Elizabeth Shack, Racine, 1:26.30; 2. Kathy Quinn, 1:37.50; 3. Dianna McIntosh, Winnetka, Ill., 1:39.33.

Young Men - 17 and under — 1. Ron DeLong, Richfield, 1:14.09; 2. Steve Stocker, West Bend, 1:14.18; 3. Art Kurz, Milwaukee, 1:16.27.

Men's Open - 18 - 29 — 1. Jim Drews, Green Bay, 1:50.50; 2. Dave Elger, Muskego, 1:10.50; 3. Tom Hoffmann, Wauwatosa, 1:7.28.

Senior Men - 30 - 39 — 1.

Terry Krall, Oconomowoc, 1:14.49; 2. Rick Burdick, Milwaukee, 1:17.06; 3. Bill Grelten, Racine, 1:21.40.

Men's Master - 40 and over — 1. Cedric Michaleik, Oconomowoc, 1:14.30; 2. John Kolsubka, Whitefish Bay, 1:22.34; 3. Ron Bohn, Racine, 1:24.06.

Of the above winners, area runners include DeLong, ace runner of Germantown High, and Stocker, West Bend East distance man. Several of the first-time entrants, from Milwaukee Madison High School and their coach, who also ran, enjoyed the course and its challenge. Dale Squier was race chairman with Howard Zemlicka as starter.

Smucker Honored by Historical Society

For his compilation of the history of the Village of Kewaskum for the 1976 bicentennial year, Mark Smucker, 712 Pleasantwood Drive, Kewaskum, was the recipient of a certificate of award and a lifetime membership to the Kewaskum Historical Society.

Smucker, a former staff writer for the Statesman, now is a student at Lakeland College, Sheboygan.

The presentation was made as part of the Early Farm Days display held by the Historical Society Sunday. President Marshal Reysen did the presenting.

Smucker, who will be a sophomore at Lakeland this fall, compiled the information and wrote a book on "Kewaskum, Then and Now," while he was a senior at Kewaskum High School.

The book aided the village in qualifying to be a bicentennial community and also benefitted the society financially.

School Board Approves New Wage Rates for Classified Personnel

A contract was issued to Jan Nesladek at the Monday meeting of the Kewaskum Board of Education. Ms. Nesladek will teach at the Beechwood Elementary School and will handle the intramural program. A graduate of UW - Milwaukee, she practice taught at Cabrini Learning Center in Chicago, Shorewood and Bayside. This will be her first full-time teaching assignment.

The resignation of Sue Bohman as high school librarian was accepted, pending the district being able to hire a suitable replacement.

New wage rates for classified personnel were approved. The wage scales represent basic 6% increases. The exception is in the custodial area where a range was set for the first time. Each experience step will allow increases in the range of 5% to 7%. The total package, including experience increments, will be approximately 7.5% to

7.8%.

Discussion was held on the issues coming before the WASB Delegate Assembly. The board expressed opposition to changing employee state retirement laws but felt local boards should have the option of setting up local early retirement plans. The board felt previous WASB positions on other issues were acceptable.

The present enrollment in the Wayne kindergarten is at 31 students. The board authorized an aide for the room if the enrollment remained over 30 when classes had actually begun. Also, rather than beginning full-time, Mr. Brenholt indicated a half-time secretary would be hired for the special education department.

A closed session was held following the open meeting to discuss a pending lawsuit and to discuss wages of classified personnel.

battled it out with the younger of the two, Dan, just winning over Glenn by two seconds. Winning time was 34 minutes, 47 seconds. Both are sons of UWWC professor Bud Asch. They competed in the men's open division, one of five divisions.

The winners, all from the Kewaskum area unless otherwise mentioned, were:

Women's Open—1. Kim Hlava, Racine, 42:08; 2. Connie Sleger, 44:54.

11-12 Year Olds—1. Toby Mueller, 50:49; 2. Jeff Squier, 56:12.

13-14 Year Olds—1. Sheri Squier, 54:23; 2. Jackie Mueller, 62:53.

15-17 Year Olds—1. David Luthl, Hartford, 38:28; 2. Sean Donahue, Hartford, 40:02.

Men's Open—1. Dan Asch, 34:47; 2. Glenn Asch, 34:49.
Over 35—Gerald Crass, 36:24.

Karl Fee was in charge of the bicycle races.

Wrist wrestling tournament winners were:

130 lbs. under—Tom Ruppinger.

131-150 lbs.—Myron Strobel.

151-170 lbs.—Ken Kaehne.

171-190 lbs.—No entrants.

191-over lbs.—Mike Kirmse.

The Kewaskum Woman's Club will start their season with a joint meeting held with the Kewaskum Junior Woman's Club on Thursday, Sept. 8, at 7:30 p. m. in the Peace Church lounge.

Guests are encouraged to attend, as it will be a mini-course night to acquaint them with the programs of the clubs. Coffee time will begin at 7:30 p. m. and at 7:50 there will be a brief program welcoming members and introducing guests. A sheet will be handed out giving a capsule history of the Woman's Club.

Four mini-courses will run from 8:00 to 9:00 p. m. with the business meeting to

follow.

The Woman's Club is varying their programs somewhat this year. They will be having two evening meetings during the 1977-78 season. One is the aforementioned Sept. 8 meeting and the other will be held on Wednesday, May 3. This program will be entitled, "Who Am I?"

The banquet will again be held on a Saturday evening in January. On Saturday, Oct. 1, a tour of Country Craft on Highway 67 in Greenbush has been planned.

One of the luncheons will be a mother-daughter potluck luncheon on April 1 and the other luncheon will be held on Nov. 5. The three remaining programs will be held at 2:00 p. m. on the Saturday afternoons of Dec. 3, Feb. 4, and March 4.

The Literary Discussion Group will reconvene on

Sept. 20 at the Kewaskum Library at 9:30 a. m. Anyone interested is invited to attend. The books being discussed this year are posted at the library. These include: "All the President's Men" by Bernstein and Woodward. "Eleanor and Franklin" by Joseph P. Lash. "Hersog" by Saul Bellow and others.

The first discussion will be on "Death Comes to the

Summary of the Scout Jamboree

By Gary Miodzik

At midnight Sunday, July 31, 120 scouts and leaders from Bay Lakes Council departed from Manitowoc by way of ferry across Lake Michigan. Their destination - the 1977 National Scout Jamboree at Moraine State Park, Pennsylvania. After docking in Ludington, Mich. early Monday morning we resumed travel via three Wisconsin-Michigan Coach line buses to Greenfield Village and the Henry Ford Museum. That night we slept on the gym floor at Oakland University at Oakland, Mich.

Tuesday afternoon we arrived at our home for a week. The large number of scouts and the excellence of organization immediately caused total excitement. Camp was set up quickly which included erecting tents and constructing picnic tables.

On August 3, the opening night show entertained the over 28,000 scouts in uniform with their red jackets and red berets making a very impressive sight. The show included music and a historical pageant depicting life through the years in the U.S.

The next six days were both interesting and educational for everyone. There were many things to do during the course of the day including swimming, canoeing, boating, archery, marksmanship, obstacle courses, conservation

trails and many more.

Enthusiasm temporarily dwindled Saturday afternoon when a heavy thunder shower hit the area and caused extremely muddy conditions. Over 5 inches of rain accumulated throughout the weekend. A scout from Utah was hit by lightning and died the following day. All flags were flown at half mast that day.

The Jamboree officially ended with a closing show in the outdoor arena on August 9. Musical entertainment included the U. S. Navy Band. Burl Ives was a special guest, singing and playing the guitar. Slides of Jamboree activities were shown on five screens at one time. The show ended with a spectacular display of fireworks lighting up the sky for 20 minutes so everyone in the arena could be seen as tho it was daylight.

The boys from Bay Lakes Council in Wisconsin packed up and left the Jamboree site on the morning of Aug. 11.

Our last night was spent at Walsh College in Canton, Ohio. That evening we visited the Pro-football Hall of

Fame.

At 6:30 Friday morning our buses left Canton, heading for Wisconsin. We all ate a sack lunch on the bus enroute home, arriving ahead of schedule at Oshkosh. We all said goodbye to our new friends and thanked our leaders and bus drivers for a wonderful trip.

Kewaskum scouts attending the Jamboree were Michael Pettit, Ken Bartz, Michael Paul and Gary Miodzik.

Children from families whose income is within the levels shown are eligible for free meals and milk or reduced price meals. In addition, families not meeting this criteria but with special hardship conditions such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter or notice to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted anytime during the school year.

In certain cases, foster children are also eligible for free meals and milk or reduced price meals. If a family has such children living with

them and wishes to receive such benefits the foster parents should apply on behalf of the child or contract the school officials about their eligibility.

Under the provisions of the school's policy, applications will be reviewed to determine eligibility by the following determining officials:

Victoria Marone, Beechwood Elementary School, Rt. 1, Adell, WI 53001 - phone: 626-2913.

Thomas Larsen, Farmington Elementary School, Rt. 1, Kewaskum, WI 53040 - phone: 692-9032.

Timothy Leader, Wayne Elementary School, Rt. 3, Campbellsport, WI 53010 - phone: 626-4003.

Richard E. Zarling, Kewaskum Elementary School, 1550 Reigle Dr., Kewaskum, WI 53040 - phone: 626-2740.

Kenneth Erickson, Kewaskum Middle School, 1676 Reigle Dr., Kewaskum, WI 53040 - phone: 626-2178.

Clark Pearson, Kewaskum Community High School, 1510 Bilgo Lane, Kewaskum,

WI 53040 - phone: 626-2166.

IF YOU HAVE CHILDREN IN MORE THAN ONE BUILDING, YOU NEED TO SEND THE APPLICATION TO ONLY ONE PRINCIPAL, BUT YOU MUST BE SURE TO LIST ALL OF THE CHILDREN, THE GRADE, AND THE SCHOOL EACH ATTENDS.

If a parent is dissatisfied with the ruling of the official, he may wish to discuss the decision with the determining official on an informal basis. If he wishes to make a formal appeal, he may make a request either orally or in writing to: Floyd A. Brenholt, Superintendent, 1450 School Street, Kewaskum, WI 53040; phone: 626-2160 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for

reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels shown above.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and criminal statutes.

In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color or national origin.

Each school and the agency office has a copy of the complete policy which may be reviewed by any interested party.

Tax Monies Turned Over By County

Leo P. Scholtz, Washington County Treasurer, announced that \$4,889,090.14 is being turned over to the various towns, cities and villages in the county for the final 1976 tax settlement due districts August 20. Most of the money was collected in the past four weeks in postponed taxes.

Scholtz reports the following comparison in postponed and delinquent taxes that were being collected at this time:

Postponed - 1975, \$4,229,945.92; Delinquent \$681,527.97.

Postponed - 1976, \$4,961,849.71; Delinquent \$697,171.72.

The above listed postponed taxes were due July 31, 1977. It appears that approximately 85% of the current 1976 taxes have been collected.

Taxpayers, who are still delinquent will receive bills shortly showing the amount

of tax plus interest retro-active to January 1, 1977 at the rate of 12% as required by State Statute.

Can we learn from rabbits? Yes, says Prof. Robert F. Borgman. He observed that diets high in fats of almost any kind have produced gallstones in rabbits, and the stones disappeared when the animals ate less fat. The fact that rabbits on a low-fat diet didn't develop gallstones seems to point a lesson to human beings.

Swine judging at the Wisconsin State Fair took place on Aug. 17. Two young people represented Washington County.

Ricky Schlosser, R. 1, Allenton, received a blue award in stiff competition with his fine Duroc hog in the Junior Division Fair. Rick has done well at the Washington County Fair with his hogs receiving Reserve Champion in 1976. He is a member of the Kewaskum FFA and the son of Mr. and Mrs. Harold Schlosser.

Jill Etta, 5599 Beechnut Drive, West Bend, took the top blue award in the Spotted Poland China Division of the Junior Fair and went into competition for the Grand Champion of the Junior Fair. Jill then came back in the Open Class Quality Pork Contest, placing second to the Grand Champion of the fair, Kathy Gunderson of Clinton, in the crossbred division.

Jill too has done well at the Washington County Fair having this year's Grand Champion, a Duroc, named Arnold. Her brother Jon had the 1976 Grand Champion hog. Jill is a member of the Wayne Crusaders 4-H Club and the daughter of Mr. and Mrs. Ethan Etta.

Jill and Ricky's pigs are now both entered in the Wisconsin State Fair Quality Pork Carcass Contest held at Fort Atkinson, Wis.

Jaycees Little Leaguers Attend Brewers Game

On Saturday, Aug. 6, 145 Jaycee Little Leaguers, plus 35 adults, boarded three buses to watch the Milwaukee

Brewers play the Toronto Bluejays.

Fun was had by all as the Little Leaguers cheered, pur-

chased numerous souvenirs and the chaperoning adults tested their "nerves of steel." The Jaycees would like to

thank the Lions Club for donating the money to pay for the three buses. The Brewers lost, 5 to 2!

Dan Spors, Lynn Roethke, Marianne Fulop and Julie Larson were among 1,600 competitors, representing a multitude of Olympic sports.

West Bend Judo students comprised four of the five judo representatives from Wisconsin. To qualify for this three-day event, the judo members had to win first place in the Wisconsin and Midwest Region 7 Junior Olympics.

Lynn Roethke, 1976 gold medalist, participated in the 130-145 lb. girls' intermediate class. She was undefeated until the final match, where she was winning two kokos (knock-downs) to nothing. Then in the last 2 seconds of the match, Teresa Vondrasek of Michigan knocked Lynn for a ucko (knock-downs with more skill) and won the match. This gave Lynn second place and a silver medal.

In the 85 to 100 lb. intermediate girls' class, Julie Larson won third place. Her final match was with Jo Luring of Colorado, who she lost to by a ucko. Marianne Fulop competed in the 95-110 lb. senior girls' class. She ended the tournament with third in her division.

The boys' division of the 146-160 lb. intermediate class was the one in which Dan Spors competed. Dan weighed only 144 lbs. but because he qualified in the 146-160 lb. class at the Region 7 meet, he had to fight in that class. He made it to the semi-finals before being eliminated.

The fifth Wisconsin judo competitor who traveled with the West Bend Club was Leona Herod of Judo Inc., Milwaukee. She placed second in the 140-155 senior girls' class.

The longest cave in the world is in Kentucky. It is the Flint-Mammoth cave system, 144 miles long.

**LETTERS
TO THE
EDITOR**

To the Editor and the citizens of the Kewaskum area:

A new swimming facility for Kewaskum seems imminent. However advantageous and practical this may be, the necessary abandonment of the present facility on the Milwaukee River saddens me. I had the duty and privilege to guard there for 9 summers out of my life. They were all significant in that I was compelled to meet and relate to some of the nicest kids in the world, all within a beautiful natural setting. Thanks for allowing me to deal with your children.

Final month - Canis Major is obscured by stratus, blackening, slackening, the racing days of flashing sun.

Flat as death,
I remain . . .
Full Fathom One.

Final week - Green Plant Shrapnel,
blasted by the last hailstones and the thickening, sickening weeds invert the glittering fish.

Dense as death,
I remain . . .
Full Fathom One.

Final day - A Solitary Child, chastised by the anarchy of summer
is resorting to distorting reflections as his only companion.

Alone as death,
I remain . . .
Full Fathom One.

Final minute - Stolid Liquid is wrenched by a grave force, depressing, suppressing, its captive soul onward into darkness.

Consuming as death,
I remain . . .
Full Fathom One.

Final time - River of Water? or Sliver of Eternity?
I watched all your faces, stirred by human depth -
Your waves of anger, sadness, and inundating fear,
But mostly your placid eyes and your bobbing smiles from ear to shore.

I'll never let you down.
Ill never put you down.

I am full of life (for now).
I stand,
And you remain . . .
Full Fathom One.

Sincerely yours,
Daniel C. Meilahn

Dear Sir:

Earlier this year I sent in to your paper a press release saying I was in the Wisconsin Miss United Teenager Pageant held August 12, 13, and 14, in Madison at the Holiday Inn No. 2.

Here are the results. I was

one of the 17 finalists out of 24 girls for the actual pageant. Julie Treiber of Campbellsport was also one of these.

Everyone recited a 100-word essay on the subject "My Country," on stage Friday night, Saturday night 13 finalists were chosen to do their essay again. I was one of those also. The winner of the essay portion was Robin Hahn, 17, of Beloit. She received an attractive plaque and a \$50 savings bond.

The winner of the pageant was Lauren Pierron, 18, of Wauwatosa.

All girls 14 through 18 years old are encouraged to enter next year's pageant.

You will have a lot of fun and make lasting friends. Applications will be sent out in October. However, if you do not receive one, write:

She: "Don't go any further."

Hot Heisdorf Midgets Burn Hales Track

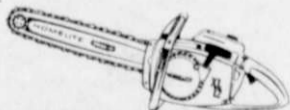

Dave Ray of Davenport, Ia., driving the John Heisdorf No. 2B Midget Race Car, won the 50 lap feature race Friday night at Hales Corners. He also won his heat race to garner 113 points out of a possible 128. This pads his current 128. This pads his standing by 50 points.

In the other No. 2 Heisdorf car, Blietzer won the trophy dash (sixth fastest qualifier) and placed 3rd in the feature, missing out on 2nd by a fraction of a car length. The two Heisdorf cars had run 1 - 2 for much of the race, before Ken ran out of fuel on the last lap because of the many caution flags. Ken was 3rd fastest qualifier and is 6th in the Badger Midget point standings out of a field of 50 cars.

There are only three races left, one at the Beaver Dam Fairgrounds on Saturday night, Aug. 27, and at Sun Prairie Aug. 28, and Sept. 4.

At Hales Corners on Friday night the feature winner, Dave Ray, was presented with a 4 x 8 bi-centennial wall hanging. The car owner, John Heisdorf, will also receive a 4' x 8' wall hanging with a replica of the 2B car on it. These were presented by Carpets of Hales Crners.

Kewaskum Team Beats Saukville, Loses to Grafton

Although the hits were even at 8 apiece, Kewaskum out-scored Saukville for a 5-3 victory there Saturday afternoon.

Trailing 3-0, Kewaskum roared back with a 5-run 8th inning to gain the win.

Tom Bartelt went the route for the winners, striking out 4. Curt Lahti worked the first 7 innings for Saukville, fanning 6, and was the loser. Tom Schumacher finished up.

Jim Klahn and Jeff Ketter paced Kewaskum with 2 hits apiece.

From Saukville, the Kewaskum team rushed to Grafton for a makeup contest the same afternoon. In this one they were defeated, 9-6, although equalling the winners in the hit department with 12 apiece. But Kewaskum committed 6 errors in the second game.

Topped by a 5-run 3rd inning, Grafton built up a 9-2 lead in the first 5 innings. Kewaskum scored 3 in the 6th and added 1 more in the 7th.

Tom Theusch and Dave Gilray shared honors for the losers, each pitching half a game, with Theusch the loser. Scott Enders went the distance for Grafton.

Randy Koepke starred for Kewaskum with 5 hits, including 2 doubles. Bill Tschanz paced Grafton with 4 singles and Enders got 3.

Sunday's game at Cedarburg was rained out and will be made up this Saturday.

Kewaskum's 3 remaining games are: Thursday, Aug. 25, Saukville here at 7:30. Saturday, Aug. 27, Cedarburg there at 1:30, and Sunday, Aug. 28, Thiensville - Mequon here at 1:30.
