Senior Citizens Celebrate Tenth Anniversary

(Additional photos on page 4)

The XYZ Senior Citizens Club of Kewaskum celebrated their tenth anniversary Oct. 11 at Amerahn with a delicious dinner served at 7 p. m. to more than 200 members and guests. A program followed, giving recognition to Kewaskum organizations who gave of their time and money during the ten years since the

club was organized.

Many beautiful prizes donated by Kewaskum business people were won by guests and members. Prizes were also awarded by the club to the longest married couples: Mr. and Mrs. Paul Lierman and Mr. and Mrs. John Schuppel, both of whom have been married 59 years, and the oldest man and lady in attendance, Arno Butzke and Carrie

Landvatter.

Ray Ackmann and Adolph Koenig accompanied the group singing, and the Mad Hatters, a comedy barbershop quartet from Sheboygan, entertained with songs and stories.

The director of the club is Pearl Thompson. Officers are: President, Clifford Stautz; Treasurer, Rebecca Erber; and Secretary, Ada Meilahn.

(Statesman photo by David Schoofs)

KEA Grievance Prompts Large Attendance Of Teachers at Meeting of School Board

A large group of teachers, members of the Kewaskum Education Association, attended the Monday meeting of the Kewaskum School Board. The turnout was prompted by a KEA grievance, on which the board was to take action, and by a KEA request to appear on the agenda to make a statement to the board concerning negotiations.

Deduction of dues under the fair share portion of the 1976-77 agreement between the district and the teachers was the subject of the grievance. The district has not been deducting dues contending that because the fair share clause is still a topic of negotiations for the 1977-78 agreement, it is not an item which continues from year to year. The KEA believes it is, and also say the board is continuing other benefits from the old contract which are still being negotiated. In denying the KEA grievance, the board said it felt that dues deductions were a different matter in that the district had no way, under its control, of undoing the deductions and payments to the association if fair share was eventually eliminated from the agreement. After the board's decision to deny the grievance, the KEA

submitted a request to take the matter to arbitration, the next step of the grievance procedure, and proposed arbitration procedures. The board took no action on that item.

A request by the KEA, submitted last Wednesday, to appear on the Monday board agenda was the other item which brought the members to the meeting. The KEA had been informed on Friday that they would not be placed on the agenda for the Monday meeting, pending a review of the legality of hearing from the group at a full board meeting on the topic of negotiations. It was also stated that if it was felt to be acceptable, the item could be scheduled for the next board meeting. At the meeting, the KEA argued that they should have the right to make their statement then, but it was not allowed.

In other business, the board approved a revised budget for 1977-78. The general and debt service portion of the budget shows an increase in receipts and expenditures of approximately \$10,000. Because of increased state aids from enrollments larger than anticipated, total dollar tax levy remains about the same. This is \$20,000 less

than that approved by the annual meeting, since the board did not approve adding a business manager or assistant superintendent to the district staff.

There was a reading of suggested added bus policies which deal with pickups and dropoffs. Two parent transportation contracts were approved, as was a contract with Lloyd's Cartage for trash pickup. Approval was given to place Mr. Peterson on the "c" column of the teacher salary schedule and to purchase musical instruments requested. Reports were made on the Beechwood roof situation, the fact that problems listed by the fire departments had been corrected and on the possibility of having a private driving school handle some behind-the-wheel training. On the last item, Mr. Brenholt reported that no aids would be received if that was done and that while this approximate charge per student would be \$90 by a private company, the district cost was only some \$53 last year.

The board went to a closed session following the meeting to discuss a personnel question and teacher negotiation.

Girl Scouts to Host Halloween Party for 900 Area Girls, Leaders

The Farmington and Kewaskum Girl Scouts are hosting a Halloween party for the Kettle Moraine Association of Girl Scouts to be held on Wednesday, Oct. 26, at 6:00 p. m.

The party will consist of games, refreshments, a tour of the Haunted House and prizes for the best costumes.

Advance tickets are being sold for 60 cents. Please contact Mrs. Bonnie Nowak for these tickets (626-4697).

The following organizations and businesses have made this

event possible: Kiwanis is providing refreshments; Lions, decorations; Jaycees, tour through Haunted House; American Legion, its building, and Bill Edwards for providing the Wigwam halls and facilities. Johnson Bus is providing busses for the shuttle between the Wigwam and American Legion Hall.

Approximately 900 Girl Scouts and leaders will be attending this party. All Girl Scouts and leaders must wear costumes. Let's all come and have a good time.

Village Board Handles Much Business Without Making Many Final Decisions

By MARYANNE MERWIN
Statesman Staff Writer

Monday night's Village Board meeting handled a lot of information without making too many final decisions for the month of October.

A sidewalk restoration - installation proposal was outlined by Daniel Schmidt and David Nigh organizing a seven-year program with built-in flexibility. The second year of the program foresees sidewalks in the high school area and along Highway 45 south to County Highway H. At that time the school would be asked to install sidewalks also. Since some of those along Hy. 45 would also be needing curb and gutter, "these property owners would have six years on the deferred payment plan" in which to pay, rather than the four years usually allotted.

Robert Danielsen asked if there was an ordinance demanding sidewalks in the village. Schmidt replied that although there was none at this time, the Plan Commission was "contemplating" the initiation of an ordinance in the near future. Danielsen said that "a little more thought" should be given the program before implementation took place, saying that in some areas no one would use sidewalks. He was prompted, he said, by "four or five calls" from people who felt sidewalks were not needed. Raynor Herriges countered that the village has "got to start someplace," and David

Nigh pointed out that not everyone in the village could be "pleased" with every board decision.

The water tower will probably wait until next year for renovation now that the weather has become disagreeable. On the recommendation of the Village Clerk in Lomira, the Lane Tank & Repair Co. of Menomonee will send a representative to Kewaskum in about two weeks to assess the tower's needs. Until Monday evening, the Water Tower Paint & Repair Co. of Clearlake, Iowa, had placed the only bid via their representative in Sheboygan.

The village has the opportunity to get "up in the air" with a used cherry picker this year. The equipment, to be used for putting up decorations, signs and other aerial work, would be much safer

(Continued on Page 3)

Trick or Treat Night Here Sunday, Oct. 30

Trick or Treat Night in the Village of Kewaskum will be held on Sunday, Oct. 30. The hours are from 5:00 p. m. to 7:00 p. m.

Parents are urged to check their children for some light colored clothing and proper vision before they let them out of the house. We also suggest that no parents follow their children in autos because of the danger of an excited youngster running into the path of an auto whose driver is more intent on watching his child than the road.

The Auxiliary Police will be on patrol all over the village. If anyone has any problems with suspicious treats they should contact one of these people immediately. They will also be available to help with dangerous crossings. With your help we should be able to furnish our children with a night of SAFE fun. Thank you, Chief Hlavaty.

Notice to Village Residents

Village residents are asked to be careful not to place hot ashes or coals at the curb with their other refuse for pick up by the village employees.

Failure to heed this request could cause a serious fire in the refuse vehicle.

Village Board

(Continued from Page 1)

than the present system of using the village front-end loader, according to Augie Bilgo. The purchase price of \$2500 from Kohn Bros. Farm Service, Inc., does not include a power device. Bilgo does believe, however, that the village already owns a truck suitable for such a use.

The Park Committee learned from James Arthur that much of the expected work has been delayed due to the unusually wet weather in the past month. In order to dodge a price increase in the spring, the committee decided it would be best to store the material over the winter and wait for drier weather or spring for the actual installation.

Due to differences in DNR breakdowns of contracting estimates of the various park jobs, James Arthur has asked for a little extra time in preparing the final projected figures. The village may submit their final requisitions to the DNR for this year's reimbursements by Dec. 31. The extension of time to fin-

alize those estimates was granted to Arthur, and another meeting in November will give the committee time to review his work.

Although the sewer, water and much of the grading has been completed for the park, there may not be ice skating in the new area this winter because the shelter building will probably not be completed by December. The rain slowed construction schedules by as much as six weeks to two months. Priority has been given to the completion of the baseball diamond for spring, and David Nigh expressed the hope that a few weeks of dry weather this fall "could really turn it around."

Now that cold weather is here, it seems that some hot ashes have found their way into garbage cans placed at curbside for pick-up. Crew members have burned their hands checking these containers, and citizens are asked to refrain from the practice because of the obvious hazards involved.

Bob Danielsen called for a review of the stop signs placed at North Avenue. The yield signs on Western Avenue at that intersection handle the

heavier flow of traffic, he feels.

The Junior Woman's Club will be allowed to place a curbside sign in front of their new recycling center on Fond du Lac Avenue. This will aid those area residents seeking their services.

Ray Beal of Kewaskum was granted a bartender's license by the board.

A building permit was given to Merle Miller for remodeling to be done in his home and a new garage to be built.

The village-owned property on Fond du Lac Avenue will continue to be rented until Nov. 3. The occupants requested an extension of their moving date from Oct. 15 to that time.

A meeting in West Bend at the courthouse on Nov. 3, at 1:30 p. m. and again at 7:30 p. m., will discuss allocations of state money for roads and streets. Basic expenditures and a refined system of bookkeeping will probably directly interest Kewaskum.

"Many a sad husband has learned when the little woman refers to 'pocket change' she means out of his pocket and into hers."

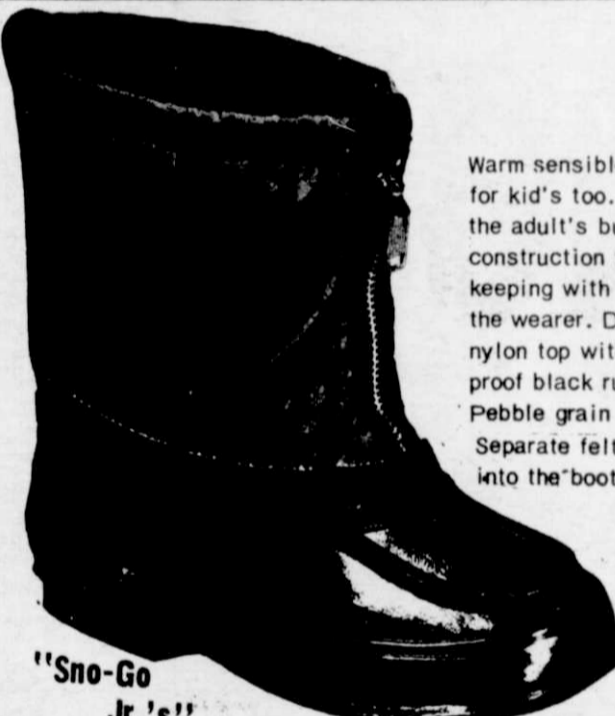

The heaviest domestic cat known was named Gigi and weighed 42 pounds.

Ostrander - Howell

The marriage vows of Nancy Ann Ostrander and Gregory Paul Howell were blessed during a 2:30 p. m. double ring ceremony at St. Lucas Lutheran Church, Kewaskum, by Pastor Paul Hoenecke, on Saturday, August 27. Mrs. Paul Hoenecke was the organist and Mrs. Orval Behnke was the soloist.

Parents of the couple are Mr. and Mrs. Leslie Ostrander, R. 1, Kewaskum, and Mr. and Mrs. Anthony Howell, R. 1, Random Lake.

Susan Ostrander, Kewaskum, was chosen as her sister's maid of honor, while Karen Ostrander, Kewaskum, served as her sister's bridesmaid. Shelly Gitter, Rockford, Ill., cousin of the bridegroom, was the miniature bride.

Kenneth Bloom, Platteville, Wis., uncle of the bridegroom was the best man. The groomsman was Gerald Howell, Silver Creek, brother of the bridegroom. Joseph Russell, Kewaskum, nephew of the bridegroom, served as ringbearer.

Ushering duties were shared by Gary Seefeldt, Kewaskum, a cousin of the bride, and Charles Howell, Silver Creek, a brother of the bridegroom.

Ostrander - Buckingham

Mr. and Mrs. Leslie Ostrander, R. 1, Kewaskum, are pleased to announce the engagement of their daughter, Susan, to Pfc. Bruce Buckingham, son of Mr. and Mrs. Thomas Buckingham, R. 1, Allenton.

Susan is a 1977 graduate of Kewaskum High School and is presently employed at Amity Leather Products, West Bend.

Bruce is a 1975 graduate of

Kewaskum High School and is presently an M. P. in the U. S. Army stationed in Germany.

A 1979 wedding is being planned.

Salter - Dreher

Colleen Mary Salter and William Lee Dreher are engaged. Parents of the couple are Mr. and Mrs. John R. Salter, R. 1, Eden, and Mr. and Mrs. Earl Dreher, Sr., 1541 Fond du Lac Ave., Kewaskum.

The bride-elect is a 1975 graduate of Campbellsport High School and is employed in the distribution office at California Cannons and Growers. Dreher, a 1975 graduate of Kewaskum High School, is employed by Ram Construction.

The couple plans a June 10, 1978 wedding.

Junior Women Hear Speaker On Child Abuse

"Child Abuse is not something that just happened; it has been since the beginning of time. It's a community problem by which we all lose. These children are our future leaders and parents of tomorrow," were the words directed to the Kewaskum Junior Woman's Club by Karen Bonnet. Karen is from the Washington County Dept. of Social Services and told of her experiences with Child Abuse. She said parents often have unrealistic expectations for their children. They demand perfection and we the concerned neighbor or relative feel we should not get "involved." It's a growing problem.

Also addressing the Juniors was Pam Salter from the Open Door. The Open Door located in West Bend operates a hot line for Washington

and Ozaukee counties. It's open seven days a week, round the clock. On the average, they have about 350 calls a month. The calls vary with such problems as drug overdose, child abuse, battered wife, suicidal calls, and general information. The Open Door is one of the best hot lines in the state.

Conservation Chairman, Rosemary Kempf, reported on her trip to "Trees for Tomorrow" held at Eagle River. In observance of "Fire Prevention Week," Oct. 9 - 15, Smokey the Bear paid an "in person" visit to the schools in the Kewaskum District. Two books have been purchased and will be placed in the Kewaskum Public Library in the name of Al Rohlinger who did such a good job as Smokey. A conservation meeting will be held on Nov. 1 at 7:30 at the home of Nancy Malvick.

The Arts Department is sponsoring a craft night to be held on Oct. 26. Corn husk dolls will be made. A handi-

craft auction will be held at the November meeting.

The Home Life Department is planning to visit the Beechwood Rest Home. Bingo will be played with the residents. Members are asked to bring donations of canned foods for the Thanksgiving basket at the November meeting.

After a discussion of whether or not to continue with a monthly newsletter, members voted in favor of the newsletter.

Christmas Craft And Bake Sale

The annual Christmas Craft and Bake Sale, sponsored by the Ladies Altar and Christian Mothers Society of Holy Trinity Catholic Church, Kewaskum, will be held on Saturday, Nov. 12, from 2:00 to 4:00 p. m. The ladies will again serve homemade desserts and refreshments, starting at 1:30 p. m., before and during the sale.

Crafts for the sale include

quilts, Christmas ornaments, wall hangings, stuffed animals, candle holders, a wide variety of crocheted and knitted items and other goodies.

The bake sale will feature a variety of yeast dough bakery, cookies and homemade candy. Cookies and cakes will be decorated by Arnie Stommel while you watch and will also be on sale.

Some Spuds

Everett Strehmel of Wayne brought in five potatoes from his garden to the Statesman office last Friday which weighed 8½ lbs. The five potatoes were under four hills. The small patch yielded 25 bushels and averaged about three-quarters of a pound per potato.

Several years ago we ran a picture of Strehmel holding some giant carrots he grew in his garden that summer. Evidently he has a "green thumb" for raising huge vegetables.

Page 7

TICKETS FOR 'SOUND OF MUSIC' ON SALE

Tickets are now on sale for Kewaskum High School's production of the "Sound of Music." The musical will be presented Friday, Nov. 4, and Saturday, Nov. 5, with the curtain at 8:00 p. m. on both evenings. Tickets may be obtained from any cast member or from various Kewaskum businesses. Also, tickets are available from the high school office. Prices for tickets are \$2.50 for adults and \$1.25 for students. It is suggested that tickets be purchased prior to the performance for there are only 400 seats available each night. However, any available tickets will be sold at the door.

Time taken to think is never wasted.

MPTI Expansion Before Public in Referendum Oct. 25

In 1970, Moraine Park District developed its Master Plan for growth of the District's three campuses. Because of changing population trends and public opinion, phased construction was considered the best method of implementation. Phase I met only the 1976 needs. Continued expansion of needed programs and the resulting increased enrollments were placed in Phase II: expansion of Fond du Lac and West Bend Campuses, remodeling of the Beaver Dam Campus and energy-saving projects at each of the campuses. Phase II is presently before the public in the referendum of October 25.

The number of full-time students at MPTI is expected to increase at an annual rate of 5% for the next 10 years, which will require the expansion of facilities by approximately 150,000 square feet. Capacity at Fond du Lac is 1,425; present enrollment is 1,438, for a shortage of 13 student stations. By 1980, it is estimated that Fond du Lac will have 1,615 students. West Bend, which has an acute space problem, has a capacity of 202 students, with 301 presently enrolled, for a shortage of 88 student stations. By 1980, with the continued phenomenal population growth of Washington County (26.9%), West Bend will be serving 334 students. MPTI currently rents 6 sites in Fond du Lac; 19 in West Bend. As of August, 782 students are on waiting lists. 330 students have left the District for programs offered in other vocational districts.

Building expansion at Fond du Lac will accommodate planned new programs in the Trade & Technical and Health Occupations areas and will allow the return of the Safety Division, providing lab and classroom facilities. Space will also be expanded for Medical Records and Ward Clerk, which have extensive waiting lists. General Education classrooms and an Appliance Servicing Lab will also relieve student station problems.

Expansion at West Bend will move to alleviate present overcrowded conditions and bring back to the campus, credit courses now housed at 19 outside locations. There is a need to expand the Machine Repair Lab, library, classrooms and accounting lab. New programs for West Bend include: 1978 - Real Estate Technician and Management Technician; 1980 - Mold Die Technician and Legal Assistant. Plans call for expansion of the West Bend Campus on its present site. However, if the District Board determines there is long-term, economic advantage to the taxpayer of building jointly with the UW-Center, this could change the plans.

Energy-saving devices and systems will be installed wherever feasible. Applications for federal and state funds are presently being considered and will be submitted to the appropriate agency when the final specifications are prepared. Presently MPTI will receive a quarter of a million dollars toward the construction through the Federal Vocational Education Act, if the referendum passes. Proposed projects include solar heat, heat pump, thermo glass throughout the buildings, extra insulation, and architectural

structuring of entrances to minimize the escape of heat. Buildings' design and materials will match existing facilities. Final construction plans will be developed, depending on the outcome of the referendum.

Regardless of the outcome of the referendum, plans for the Beaver Dam Campus will definitely be implemented. Interviews will begin soon for a campus administrator. 38 applications have been received. The new Construction Electrician Trainee Program began on Campus September 19. Two additional sections of Nursing Assistant will begin at the end of October, with classroom instruction being brought back to the campus from clinical sites in Beaver Dam; Child Care Assistant and Combination Welding will begin in January. To be implemented in the fall of 1978, will be AVT Multi-Clerical Lab, Management Technician, Correctional Science Technician and Supervisory Management. Court and Conference Reporting, Practical Nursing, and Graphics-Printing and Publishing are projected by 1980, with a possible enrollment of over 200 students.

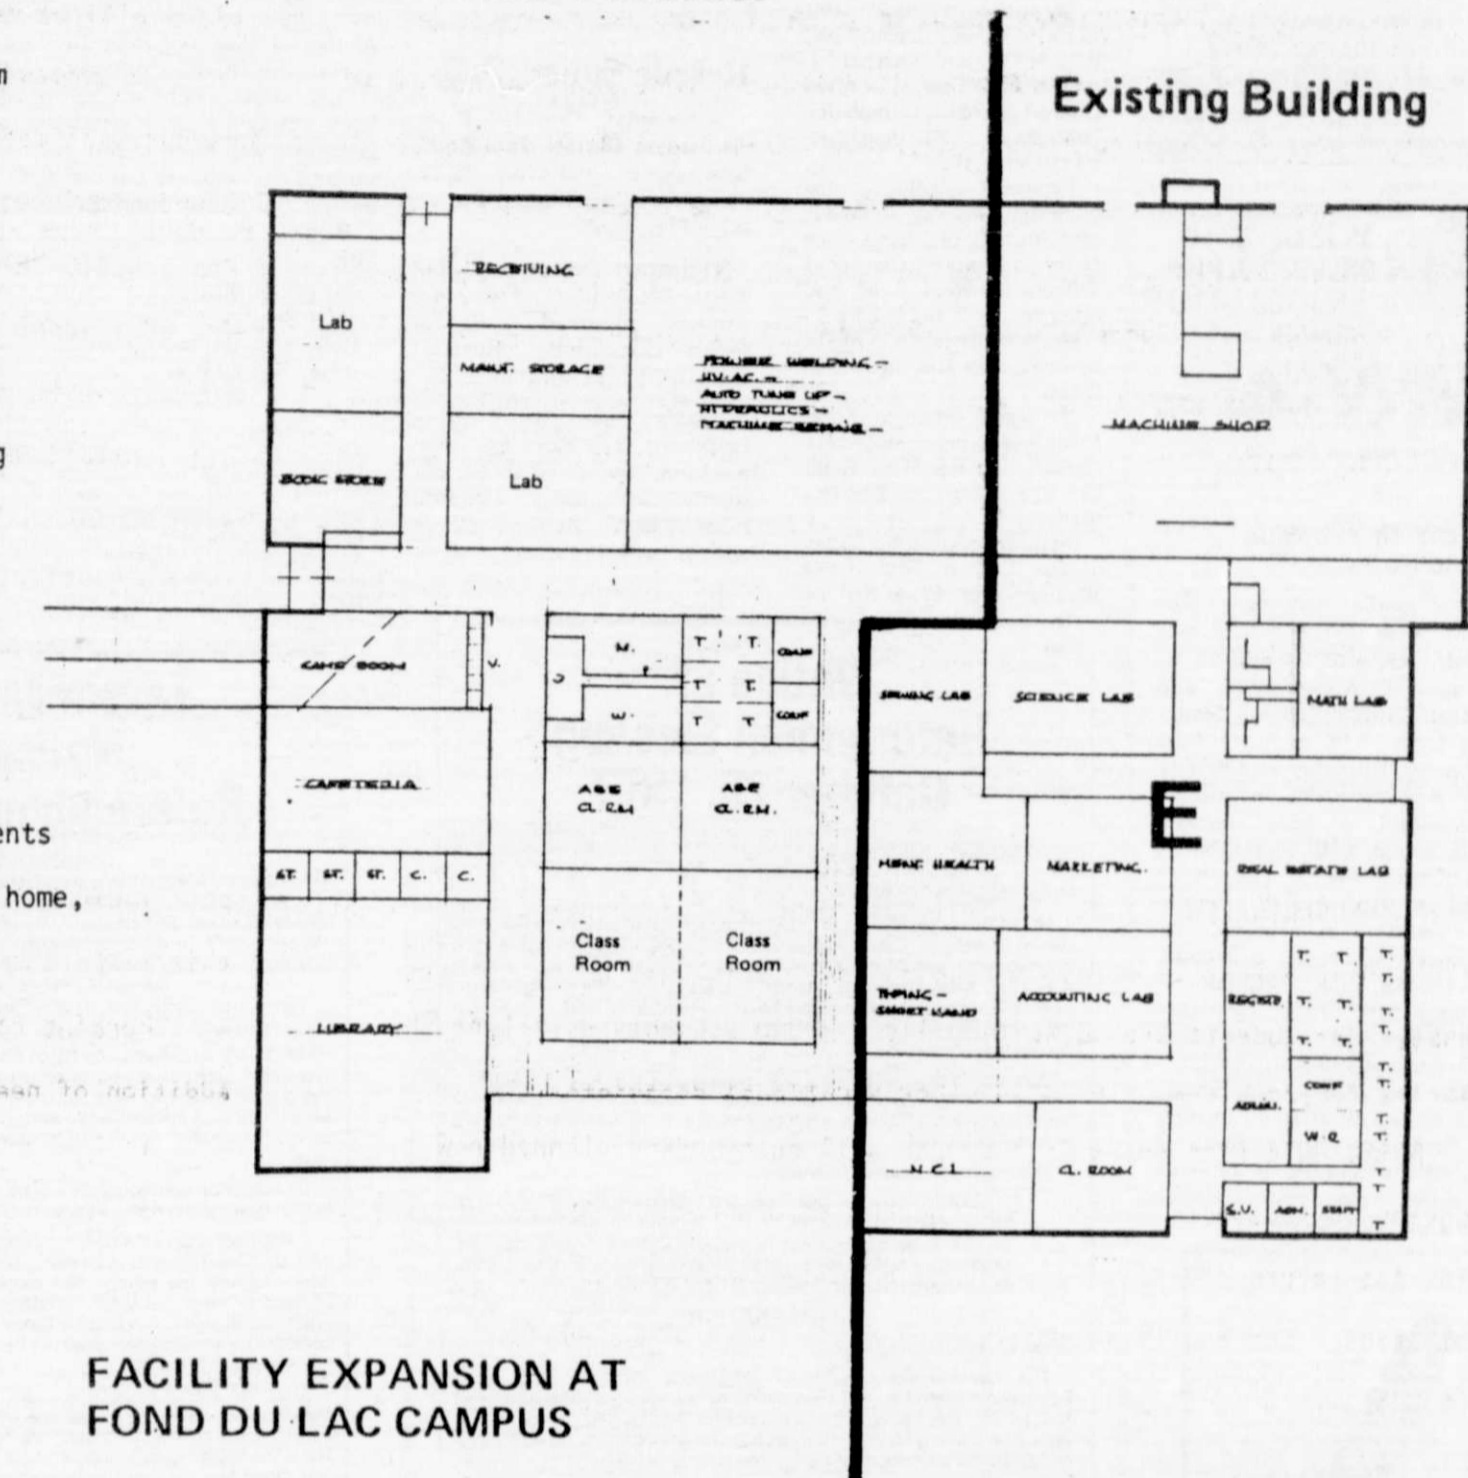

Cost of the expansion, based on \$4.5 million borrowing, will be 11 cents per \$1,000 full valuation, declining annually for 18 years. On a \$30,000 home, this would amount to \$3.30 for the first year, and declining thereafter.

Moraine Park's present building capacities do not allow for the addition of needed new programs to meet identified employment needs.

**Mrs. Aurilla
Schnurr Dies**

AURILLA SCHNURR, nee Dickmann, 79, of 624 Fair St., West Bend, died Friday, Oct. 14, at St. Joseph's Community Hospital, West Bend.

She was born May 17, 1898, in the Town of Auburn, Fond du Lac Co., and married Elmer Schnurr in the United Church of Christ, Campbellsport, May 22, 1922. He passed away Oct. 7, 1977.

Survivors include one daughter, Bernice Schnurr, of Cedar Lake Home; one sister, Leona (Clarence) Wilkens of West Bend and other relatives and friends.

She was preceded in death by one sister and three brothers.

She was a member of the Fifth Ave. United Methodist Church and the West Bend Ch. 73, Order of Eastern Star.

Funeral services by Order of the Eastern Star were Monday, Oct. 17, at 8 p. m.

at the Tectman-Myrhum Funeral Home, West Bend. At 8:30 p. m. Rev. Raymond Gurney officiated at services and burial was in Union Cemetery, West Bend.

Visitation at the funeral home was after 4 p. m. Monday.

Rescue Squad Calls

Wednesday, Oct. 12—Francis Loehr, Glacier Inn Hotel, Kewaskum, removed to St. Joseph's Community Hospital, West Bend.

Thursday, Oct. 13—Lillian Tisch, 63, 3217 N. 77th, Milwaukee, removed to St. Joseph's Community Hospital from Hwys. 41 and 28.

Friday, Oct. 14—Virginia Backhaus, 319 First St., Kewaskum, removed to St. Joseph's Community Hospital from Sison Medical Clinic with a back problem.

Notice

The Robert G. Romaine Post 384, American Legion, Dept. of Wisconsin, recently removed the flags from the graves of veterans resting in cemeteries in this area for the winter months. New ones will again be put up on the graves in spring before Memorial Day and kept there during the summer months.

Any relative who wants to keep a flag up on a particular grave will have to put one up and be responsible for it during the winter months.

Respect the United States flag.

Divorce Lawyer — to woman client: "I have succeeded in making a settlement with your husband that is eminently fair to both of you."
Woman Client: "Fair to both? Huh! I could have done that myself! What do you think I hired a lawyer for?"

**MEETING OF COUNTY
TOWNS ASSOCIATION**

The Washington County Unit of the Wisconsin Towns Association will hold a meeting on Monday, Oct. 24, at 8:00 p. m., in the County Board Room, Washington County Courthouse, 432 E. Washington St., West Bend.

Guest speaker will be Darrell Franke, Department of Revenue - Madison, who will speak about provisions of the 1977-79 State Budget Law pertaining to changes that will require towns to budget and operate on a calendar fiscal year.

County W.T.A. members are invited to attend, along with municipal clerks from neighboring counties. Also invited to the meeting are W.T.A. Directors, State Legislators and State Senators representing Washington County.

**Notice of
Referendum Election
October 25, 1977**

STATE OF WISCONSIN)

WASHINGTON COUNTY)

NOTICE IS HEREBY GIVEN, that an election to be held in that portion of the towns, wards, villages and election districts lying within the boundaries of the Moraine Park Board of Vocational, Technical and Adult Education District 10, within Washington County on the fourth Tuesday of October, being the twenty-fifth day of said month, the following referendum question will be submitted to a vote of the people pursuant to law:

Pursuant to Section 67.12 (12) Wisconsin Statutes as amended, the District Board of Moraine Park Board of Vocational, Technical and Adult Education adopted a resolution requiring a referendum to be held on October 25, 1977.

The resolution reads as follows:

"RESOLVED by the District Board that a special referendum is hereby called for October 25, 1977 for vote by qualified electors on the question whether or not the District shall borrow by promissory note a sum not to exceed the sum of four million, five hundred thousand dollars (\$4,500,000.00)";

EXPLANATION

Effect of ratification.

The Moraine Park Board of Vocational, Technical and Adult Education adopted an initial resolution to borrow a sum not to exceed four million, five hundred thousand dollars (\$4,500,000.00) for the purpose of providing facilities to meet the present demands for vocational and technical education by issuing promissory notes.

A referendum has been called for on the question of borrowing.

A "yes" vote would permit such borrowing.

GIVEN under my hand and official seal, at the Courthouse, in the City of West Bend, this 7th day of October, A. D., 1977.

George F. Nehrbass, County Clerk

**Facsimile Ballot
Notice of
Referendum Election**

OFFICE OF WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY

Notice is hereby given of a Referendum Election to be held in the several wards in the County of Washington, on the twenty-fifth day of October, 1977, at which the question which has been certified to this office is to be submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Voting instructions shall be given substantially as follows:

Upon entering the polling place, and elector shall give his name and address before receiving the ballot from the ballot clerk. The initials of two ballot clerks must appear on the ballot. Upon receiving the ballot, the elector shall retire alone to a voting booth and mark his ballot. A ballot clerk may inform the elector of the proper manner for marking a ballot, but he shall not in any manner advise or indicate for whom to vote.

On referenda questions, the elector shall make a cross or other mark in the square at the right of the answer which he intends to give.

If the elector spoils a ballot, he shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to mark the ballot. Unofficial ballots or a memorandum to assist the elector in marking his ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After the official ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After folding the ballot, the elector shall leave the booth, give his name to the inspector in charge of the ballot box, hand him the ballot to be placed in the ballot box, and leave the polling place promptly.

An elector may be assisted by 2 election officials of different political parties in marking the ballot if he declares to the presiding official that he is unable to read, that he has difficulty reading, writing or understanding English or that due to physical disability he is unable to mark his ballot. Alternatively, an elector making such declaration may have another elector of the county assist him in marking his ballot or operating a voting machine. The presiding official may administer an oath to a person making such a declaration.

The following is a facsimile of the official ballot.

**SAMPLE
Official School Referendum Ballot**

If you desire to vote for any question, make a cross (X) or other mark in the square after the word "yes", underneath such question; if you desire to vote against any question, make a cross (X) or other mark in the square after the word "no", underneath such question.

"Shall the Moraine Park Board of Vocational, Technical and Adult Education borrow a sum not to exceed \$4,500,000.00 for the purpose of providing facilities to meet the present demands for vocational and technical education, by issuing promissory notes pursuant to section 67.12 (12) of the Statutes of the State of Wisconsin."

LETTERS TO THE EDITOR

To the Kewaskum Community:

On behalf of the senior class of 1978, we wish to thank the community for the time and effort put forth in making Kewaskum's 1977 Homecoming a success. The cooperation and understanding of everyone — parents, businesses, school personnel, and the student body was deeply appreciated by all who worked in the preparation of the annual event. The community's involvement stimulated a sense of unification and interest. It is hoped that this support will continue for future events at the school.

Due to the rain, the band and cheerleader programs have been postponed until October 26, Kewaskum's last home football game. We hope to see you there, and again, many thanks.

Sincerely,
The Senior Class of 1978

Citizens for Decency Challenge Injunction Attempt

The West Bend Citizens for Decency Through Law, Inc. will challenge an attempt to stifle their efforts to fight pornography in West Bend.

A temporary injunction imposed as part of the complaint filed against the group will be coming up for review. The group's president, Charles Weier, is confident of victory. Weier observed that the injunction and complaint arose after his organization was critical of District Attorney Fred Fink's handling of the pornography problem in West Bend. Fink thereafter requested that a Milwaukee lawyer be appointed Special Prosecutor to charge the Citizens for Decency with election law violations arising out of activities of the group in March and April. "We are challenging the injunction against us because it is being used as a weapon to keep us from speaking out on the critical issue of pornography in our community," Weier stated. "This injunction misrepresents our cause and our methods and is an attempt to discredit our efforts."

The injunction attempted to preclude the Citizens for

Decency from any fund raising for election purposes. This they have never done. John McLario, attorney for the group, observed that injunctions are to be only granted if there is shown to be a likelihood that the group will engage in such activity. "The only evidence that the Special Prosecutor has shown was a letter mailed by the group to raise funds in support of its national convention in Cincinnati. This letter had nothing to do with any local election activity whatsoever."

Citizens for Decency Treasurer, Joe Weiss, expressed concern that if the Special Prosecutor was willing to say that fund raising for a Cin-

cinnati convention violated the election laws, he would certainly view the group's local concern with pornography as being in violation as well.

"Our group is essentially moral, and not political in character, and we have no intention of getting involved in truly political affairs," Weiss said.

Seminar for Secretaries and Office Personnel

Ellyn L. Wiens, B. S., M. S., will conduct the third annual secretarial seminar sponsored by the Metro Chapter of the National Secretaries Associa-

tion (International) to be held at the Westmoor Country Club on Saturday, Nov. 12. The seminar topic is "Up the Career Ladder" and will include a brief look at the historical perspective of women in business and the problems participants face as they move forward in their career. The focus will center on what women who want to move "up the ladder" can do to achieve their hoped-for career positions.

Ms. Wiens is a part-time faculty member at Waukesha County Technical Institute, where she has primary responsibility for creating new offerings in supervisory management and affirmative ac-

Page 12

News of Our College Students

Certificates of recognition were mailed to students who excelled academically during the spring semester at the University of Wisconsin - Stevens Point.

Dr. John B. Ellery, vice chancellor for academic affairs, announced that highest honor designation went to persons whose grade point ranged from 3.75 (B plus) to 4.0 (straight A); high honors for grade points from 3.5 to 3.74; and honors for grade points from 3.2 to 3.49.

Area students receiving honors included:

Kewaskum — Susan Bohn, 316 Third St., high honors; Calvin Tackes, R. 2, high honors. Campbellsport — Laura Collier, 406 Ladwig St., honors; Karen Glass, R. 2, high honors; Heidi Heldt, 127 Helena St., honors; Margaret LaFleur, 121 Poplar St., honors; John Lang, 206 N. Fond du Lac Ave., high honors; Judith Meyer, Box 803, honors; Kerry Zieliecke, 221 Forest St., honors.

Julie Nigh, a junior majoring in early childhood education, and the daughter of Mr. and Mrs. Nathan Nigh, R. 2,

Kewaskum, has been named to receive the Chancellor's Award for academic excellence during the second semester at UW-Stout.

The award replaces what has been traditionally known as the Dean's List and is presented to students who have a semester grade point average of 3.5 or above.

University of Wisconsin - Oshkosh officials have announced the names of the 1,767 students named to the Honor Roll for the spring semester.

To qualify for the Honor Roll, a student must be taking not less than 12 credits and must have a grade point average of 3.3 and above based upon 4.0 being a perfect score or straight "A" average.

Those students whose grade point averages were 3.75 and above were named to the Dean's List of the college which they were attending, such as the College of Education, College of Letters and Science, College of Nursing or College of Business Administration.

Among those named to the Dean's List and the Honor Roll are:

Kewaskum — Jane E. Egert, R. 1; Jeanne M. Marx, 1434 Roseland Dr.; Kristine L. Meilahn, R. 1; Daniel E. Ryan, R. 1; Jon M. Sieger, 2193 Valley View Rd.; Douglas L. Strack, 1243 Meadow Lane; Debra A. Strigenz, 9409 Moraine Dr. (Dean's List); Jeanine A. Volm, 9081 Highland Dr. (Dean's List).

Campbellsport — Christine M. Anders, R. 1; Jacqueline S. Beck, R. 3 (Dean's List); Jill S. Knickel, 322 N. Fond du Lac Ave.; Terri E. Nonhaf, 127 Poplar St.; David A. Seibel, R. 3; Kathleen T. Wilke, R. 1.

In the Service

Army Specialist Four Dale R. Giese, son of Mr. and Mrs. Donald Giese, 325 N. Railroad St., Campbellsport, is participating with other American and allied troops in Exercise Reforger '77.

Some 12,000 U. S. based soldiers and more than 37,000 tons of equipment arrived in Europe in late August as the massive exercise got under way. After arrival, Reforger troops drew equipment from ships and from prepositioned

stocks, then joined with U. S. Army Europe troops to begin the exercise.

Reforger, conducted by NATO's Allied Command, Europe, emphasizes the orderly disposition of forces and stresses deployment procedures and techniques.

Spec. Giese, a mechanic with the 15th Infantry in Wildflecken, Germany, entered the Army in October 1975.

Navy Engineman Second Class Daniel J. O'Connor, son of Mr. and Mrs. Steve O'Connor, is currently on an extended deployment in the Western Pacific.

He is serving as a crew member aboard the fleet oiler USS Ponchatoula, homeported in Pearl Harbor, Hawaii. His ship is operating as a unit of the U. S. Seventh Fleet.

During the cruise, his ship is scheduled to participate in training exercises with other Seventh Fleet units and with ships of allied nations. Additionally, port visits are scheduled in Guam, Hong Kong, Australia and the Republic of the Philippines.

His ship is 656 feet long and carries a crew of 360 officers and enlisted men. She is designed to provide underway replenishment of aviation fuel, petroleum, and ammunition, plus dry and refrigerated stores for ships of the fleet.

A 1974 graduate of Campbellsport High School, he

Page 13

Friday, October 21, 1977

joined the Navy in October, 1974.

Sergeant Richard L. Butz, son of Mr. and Mrs. Vernon W. Butz of 1325 Park View Dr., Kewaskum, has arrived for duty at Holloman AFB, N.M.

Sergeant Butz, an air traffic control operator with a unit of the Air Force Communications Service, previously served at Mildenhall RAF Station, England.

The sergeant is a 1973 graduate of Kewaskum High School.

Notice of Public Hearing

Notice is hereby given that the Washington County Park and Planning Commission will hold a public hearing on Thursday, October 27, 1977 at 8:00 P. M. in the auditorium of the Washington County Courthouse at 432 E. Washington St., West Bend, Wisconsin concerning the following proposed amendments to existing County Ordinances:

- 1) Zoning Ordinance
- 2) Shoreland Floodplain Zoning Ordinance
- 3) Sanitary Code
- 4) Building Code
- 5) Land Division Ordinance

Copies of the proposed changes can be obtained at the Land Use and Park Department at 515 E. Washington St., West Bend, WI.

Dated this 4th day of October, 1977, at West Bend, Wisconsin.

Fred H. Chlupp,
Administrator
Land Use and Park Department

10-14-2

A NOTE OF THANKS

I wish to express my thanks and appreciation to my relatives, friends and neighbors, who remembered me with cards, gifts and phone calls while I was a patient at St. Joseph's Hospital and recuperating at home. Your acts of kindness will long be remembered.

MINUTES OF VILLAGE BOARD MEETINGS

Regular Meeting
October 3, 1977
8:00 P. M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Charles Miller presided. All trustee members were present.

The minutes of the meeting of August 15 were approved as printed. Motion by Trustee Herriges, seconded by Trustee Kral. Unanimous vote.

The applications of Ervin M. Schmitt and Robert E. Schneider for bartender's licenses were approved and the Commissioner was authorized to issue the proper permit upon payment of the required fee. Motion by Trustee Herriges, seconded by Trustee Schmidt. Unanimous vote.

Building permit applications as follows were approved and the Commissioner was

authorized to issue the proper permits upon payment of the required fees:

1. Jaeger Construction, one family residence at 429 Knights Avenue.

2. Leroy Zipperer, one family residence at 509 Lin-De Lane.

Motion by Trustee D. Nigh, seconded by Trustee Danielson. Unanimous vote.

A status report, prepared by Attorney Kiefer, of the progress being made on the collection of delinquent personal property taxes was presented to the Board.

A letter from the Police Department recommended that the fee for a dance permit be increased from \$18.00 to \$25.00. Trustee Schmidt, Chairman of the Administrative Committee, commented that possibly all permits fees under the village's ordinance should be reviewed and adjusted. The Administrative Committee was asked to make such a review and make a recommendation at a future meeting.

Fire Chief August Bilgo and Captain Don Ehnert were authorized to attend the Fire Chiefs and Fire Inspectors conference at Wausau on October 24 through 27.

No contract was let for the painting of the water tower and stand pipe. The Committee felt they should have another conference with the contractor they are consider-

ing.

Commissioner Martin was authorized to attend the League of Wisconsin Municipalities Conference at Milwaukee on October 19, 20 and 21. Motion by Trustee Danielsen, seconded by Trustee Herriges. Unanimous vote.

The Job Classification Study Report was tabled at the request of the Administrative Committee. The committee felt more time was needed to obtain additional input to the report and that possibly some additions or deletions should be made. Motion to this effect was made by Trustee Schmidt, seconded by Trustee Kral. Unanimous vote.

Trustees Schmidt and D. Nigh reported that they had measured all of the areas within the village which do not have sidewalks and found that their measurements came to 51,000 feet or a little less than five miles.

The totals of all claims, as recommended for approval by the Finance Committee, were as follows:

Vil. Gen. Fund \$35,638.68
Water Dept. Fund 1,021.72
Sewage Dept. Fund 2,765.03

Indians Rip Slinger Owls, 28-8, For First Victory of Season

After six straight setbacks, the Indians won their first game at Slinger Friday afternoon, beating the Owls, 28-8. The two were tied for last place and the win moves Kewaskum into a tie for sixth place with Hartland.

The Indians did the job quite decisively, building up a 28-0 lead before allowing the Owls to score in the final quarter. It was a big Slinger team with 7 or 8 players going well over 200 pounds and one weighing in at 320. The game was broadcast live by WBKV-AM, West Bend, with Larry Tainter handling the play-by-play in the 4 p. m. contest.

Statistics show that the Indians had it all over the Owls in total yards, 343 to 117, 264 of them on the ground. Kewaskum completed 7 of 19 passes to Slinger's 2 out of 11.

Although outweighed, the Indians came up with a hard-hitting offense and some fine plays. On the third play of the game with less than a minute gone on the clock, Kewaskum scored on a 61 yard run by Mike Schaub. The conversion failed and it was 6-0 before everyone was settled in their seats.

Playing almost flawless football in the first half, and still in the first quarter, the Indians recovered a Slinger fumble at the Owl's five yard line. Mike Pettit made the recovery. Two plays later Kewaskum scored again with Schaub going in once more from the four yard line. A two point conversion pass from Al Jaeger to Dan Schmidt made it 14-0.

Slinger drove to the Kewaskum 35 but on a fourth down and one yard to go they had to give up the ball when Tom Brugger was hit by defensive end Greg Eichstaedt for a three yard loss. Then the Indians scored again in the second quarter when Jaeger rolled to his left and made a perfect pitch to Wayne Endlich, who went on to score on a 59 yard run. Another two point conversion attempt was good, leaving Slinger far behind, 22-0 at halftime.

After a scoreless third period, the Indians put on a 55 yard drive and scored again in the fourth quarter with Jaeger going across from the 5. Following two penalties on extra point attempts which were both good, Pettit's kick was partially blocked and no good. This gave Kewaskum a commanding 28-0 lead.

Slinger's TD came in the final quarter when Steve Schultels scored on a four

yard run. The two point conversion on a run by Ken Schoenecker was good.

After offensive problems earlier, Coach Joe Harlow said that the use of the I formation has been a real plus for the team. He was pleased with the performance by quarterback Jaeger, Endlich for a good defensive job and Eichstaedt, who dropped Owl runners for losses 7 times.

In other games undefeated Grafton (ranked second in the state in Class A) shut out Kettle Moraine, 30-0, as ace Dave Brewster scored 26 points and rushed for 239 yards; Mayville just defeated Hartland, 22-19, and Germantown buried Pewaukee, 41-6.

This Friday the Indians travel to Hartland, with whom they are tied in the standings with 1-4. Next Wednesday, Oct. 26, in the final game, Kewaskum hosts Pewaukee in a 7:30 p. m. game.

Indian Runners 5th in Cougar Invitational

Campbellsport won both ends of the meet in the Cougar Invitational Thursday with 52 points to edge Mayville by six.

Sheboygan Falls was third with 104, then Berlin 137, Kewaskum 139, Slinger 152, Plymouth 164, Winneconne 179 and St. Mary's Springs 224.

Two runners from the Scenic Moraine, Mayville's Dave Schraufnagel and Slinger's Scott Branta fought it out for best individual runner with Schraufnagel coming in first in 15:15.

Kewaskum's Dick Kleinmann finished 6th. Other Indian placers were: Rob Secor 21st, Scott Klein 32nd, Todd Rodenkirch 39th and Dan Murre 41st.

After defeating Slinger in three meets this season, the Kewaskum girls failed in a dual at Germantown last Tuesday. The Owls beat the Indians 23-35.

Slinger's Cathy Branta won the race in 12:45 and was a minute ahead of KHS' first runner, Barb Wilson, who took second. The Indians' Robin Acker was third but the Owls bunched up at 4th, 5th, 6th, 7th and 8th.

The other Kewaskum girls coming in were: Laurie Wilson 9th, Julann Zemlicka 10th and Laura Asch 11th. The loss dropped the Indians' record to 5-2.

Germantown did not have enough for a team so they forfeited to both schools.

The Kewaskum boys beat Slinger for their first win, 25-23. Germantown beat the Indians 20-44 and Slinger 24-40. Winner was Slinger's Scott Branta, making it a double win for the Branta family. His time was 17:08.

Kewaskum's Kleinmann finished 4th. Secor came in 8th.

"Behind every successful man stands a woman who couldn't be more surprised."

INDIAN SPIKERS BOW TO HARTLAND

Kewaskum had their best performance of the year, using all three hits much of the time and getting some good spiking last Tuesday but lost the volleyball match to Hartland.

The KHS girls, behind in the opener, came back to tie it up and then go ahead only to lose 16-14. The Indians were hurt by two bad calls Diane Bremser came up with some good play.

The Indians are now 4-2 in the conference.

HOT WATER HEAT AND
AIR CONDITIONING
WITHOUT PLUMBING

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST— Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST— Place your filmest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL— You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.
