Week's Wit

Did you hear about the deer hunters playing the guitar, singing, dancing and celebrating in the woods? They thought they'd use their party permit before starting shooting.

Woman Injured in Local Car - Train Crash

Additional photos on page 4

(Statesman photo by David Schoofs)

A car driven by Mrs. Sandra H. Hollister, 21, who resides at the Johnson Trailer Court, R. 3, Kewaskum, was struck by southbound Chicago & North Western Train No. 592 at 3:22 p. m. Tuesday at the Main St. crossing in Kewaskum.

Mrs. Hollister, who was traveling west on Main St. (Hwy. 28), sustained a fractured arm, various lacerations and a bruised knee. She was taken to St. Joseph's Community Hospital, West Bend.

by the Kewaskum Rescue Squad (shown in photo).

The car, which was demolished, was hit by the train on the passenger side. Debris from the car was scattered about one-quarter of a mile south of the crossing. Mrs. Hollister was alone in her car at the time of the accident.

Engineer Lloyd J. Spielbauer estimated the train to

be traveling at a rate of 40 miles per hour.

Take Part in UWWC Play

The University of Wisconsin - Washington County 1977 Theatre Department production of "1984" will premiere in the UWWC Union Theatre on Friday and Saturday, Dec. 2 and 3.

A supporting character in the play is Constance Slegler-Smith of Kewaskum. Three Kewaskum students will also help with production work. They are Sharon Schoofs, directing publicity; Mary McNamara, handling stage set-up, and Sheryl Collins, working with costumes.

Tickets for "1984" will be available in the main office of the UWWC campus. Adult tickets are \$3.00, students \$1.00 and UWWC students are free.

Snow! Snow! Snow!

At the beginning of last week there was no snow on the ground at all and the weather was mild. This is normal for November. Now there is about 10 inches of early snow on the ground after three snowfalls in five days.

Around two inches fell last Wednesday, the storm Thanksgiving night and most of Friday added about seven and another snow Sunday brought 4.6 inches more.

Cold temperatures accompanied the snow and the low Monday morning was a chilly 8 degrees. This is abnormal for this area. The average snowfall in November is 2.13 inches.

Forecasters say more snow may be on the way.

Junior Women To Meet Dec. 8

The Kewaskum Junior Women's Club will hold its regular monthly meeting at the Valley Bank on Thursday, Dec. 8, at 8:00 p. m.

Ann Griffin, a representative of West Bend Travels, will speak on "Literary Togetherness."

Hostesses for the evening will be Mrs. Karen Keller, Mrs. Clare Lehmann, Mrs. Beth Janisse and Mrs. Norma Lyman.

Members are reminded to bring their homemade gifts for the Christmas exchange.

Guests and prospective members are invited to attend.

Woman's Club To Hear Speaker

Rev. Paul J. Van Loon will present a program entitled "There Came a Dream to Me" to the Kewaskum Woman's Club on Saturday, Dec. 3, following the club's business meeting at 2:00 p. m. The meeting will be held in the Peace Church lounge. Senior Citizens will be the special guests at this meeting.

There will be no Literary Group discussion in December. The next session is scheduled for Jan. 17.

Elect Plaum VTAE Vice-President

Carl Plaum, West Bend, Moraine Park Technical Institute District Board member, has been elected Vice-President of the Wisconsin VTAE Boards' Association. The association meets quarterly, and its purpose is to show common situations and programs among the 16 vocational district boards and to improve service to the local districts. Arthur Medtke, Menominee, and member-at-large of the District One (Eau Claire) Board is the newly elected president.

Plaum has served the Moraine Park District Board as an employee member from Washington County since 1969 and he holds the office of Vice-Chairman on the Board. He is employed at Regal Ware Inc., Kewaskum, as a pattern maker.

Plaum has been and continues to also be active in community activities. He has been a delegate to the Washington County Labor Council for 17 years, is a member of the Volunteer Fire Department and Sportsman Club. He is also a member and officer of M. W. A. Lodge.

School Board Accepts KEA Contract; Sanctions Student Trip to Germany

By MARYANNE MERWIN
Statesman Staff Writer

The Board of Education voted unanimously to accept the tentative contract agreed upon by KEA and board negotiators Nov. 21. Basically the rates of increase along the pay scale remained the same as last year but the base pay for both Bachelor and Master's Degrees increased. A teacher's base salary without a Master's Degree increased \$475 from last year's base of \$8,875. Master's starting pay will be \$10,173 this year.

Other minor changes from last year's contract included an increase of two cents (from 12 to 14) for authorized mileage reimbursements and a slight increase of \$2 and \$3 respectively for chaperones at "home" and "away" events. The addition of a \$100 penalty for early release from a contract (to be paid by the teacher seeking release after July 1) is new to this year's contract.

Although the Masters plus 30 credits pay level was not entered into this year's version of the agreement, a fully paid health insurance plan and deduction of union dues (fair share) were retained along with a detailed set of steps for grievance procedure.

The final step in legalizing the contract is expected to come with ratification by the teachers on Thursday according to Dennis Eiesenberg.

Bids for building up the Beechwood roof by adding insulating materials will be accepted beginning Wednesday, Jan. 11. Advertisements will be published.

The board voted to retain their present method of covering unemployment compensation benefit payments. "Reimbursement Financing" was retained as a less expensive means of covering any benefits paid out by the district. The alternative offered for Jan. 1, 1978 according to a letter from Job Service could have cost the district an annual fee of "as much as \$300 tax per employee."

In compliance with Section 504 of the Rehabilitation Act of 1973, receipt of federal grants, loans and contract money could depend upon fair treatment of persons handicapped in any way. The Board voted to reaffirm the district's policy of non-discrimination in hiring practices. Floyd Brenholt said that the law could also have impact in the area of student transportation if a handicapped child would complain of poor or inadequate busing facilities for example.

A trip to Germany this spring was approved for an

unspecified number of students interested enough in the German language to be studying it this year. Although it may involve some time away from the job the teacher will receive her salary while chaperoning the trip. Byron Gessner said that there was "quite a bit of work involved" in planning the trip and seeing it through, making the teacher well deserving of her paycheck. The sanction of the board was given early due to the amount of time needed for advance, overseas reservations. Richard Theusch asked that more exact details be brought to the board when they became available.

Joins Regal 25 Year Club

John Milewski

John Milewski, 1133 Fond du Lac Avenue, Kewaskum, is the newest member of Regal Ware, Inc.'s 25 Year Club.

Milewski began work on Nov. 17, 1952 as an Equipment Tender in the Shell Plant when Regal manufactured shell casings under a government contract. Since that time, he has worked as a Welder, Auto Buff Operator, and his current position of Shipper and Packer.

Milewski's wife, Marcia, is employed in West Bend. The couple has four children: David, serving in the U. S. Navy; John, employed in West Bend; Beth (Lauters), a housewife and mother; and Jean, a sophomore at Kewaskum High School.

The Milewski family enjoys vegetable gardening, snowmobiling with the Kewaskum Sno-Chiefs, and fishing on local and northern Wisconsin lakes.

Company President, James D. Reigle, presented Milewski with a specially engraved wristwatch in honor of his years of service to Regal Ware, Inc.

Author Visits School

By MARYANNE MERWIN

The children of Farmington Elementary School were treated to a visit by a real, live author last Wednesday afternoon.

Marion Fuller Archer, author of four historically sound children's books told of her life and interest in children and particularly the history of the people of Oshkosh. Explaining her beginnings at the age of four as a writer (her mother told Mrs. Archer to be sure to include "a beginning, a middle and an end" to her stories and her early recognition by having a story published in a magazine when she was only seven years old, Mrs. Archer gave the first through sixth graders some insight into the life and habits of an author.

Classified as "historical fiction," Archer's books deal with people and pets. "Sarah Jane," based on a character patterned after her grandmother, won first prize in a creative writing contest sponsored by the Wisconsin Regional Writers Association. A book about a cat very much like one she loved as a girl, "Nine Lives or Moses on the Oregon Trail," also won first prize in a similar con-

test sponsored by that guild.

Mrs. Archer lives with her family and two cats "Thomas" and "Katherine" in Oshkosh. Although she no

longer is a librarian at the University of Wisconsin in Oshkosh, she still enjoys teaching creative writing and taught writing for juveniles for four years at the Rhineland School of Art.

When asked by the children which of her books (including "There Is a Happy Land" and "Keys for Signs," which is no longer being published) she favored, Mrs. Archer likened the task of choosing to that of selecting a "favorite child." Unwrapping a new book fresh from the publisher, she said is like unwrapping a "new baby home from the hospital."

Some of her young listeners are bound to get "hooked on writing" just from having met her.

Christmas Concert By Music Center

WEEKLY Health TIP

JOHN BORAY, R. Ph.

The U.S. Dept. of Agric. says: "One of the best methods of cooking vegetables to conserve maximum food values is to cook them only until tender in just enough water to prevent scorching. Covering the pan with a tight-fitting lid prevents the escape of steam so that vegetables can be cooked quickly in minimum water. This prevents loss of water-soluble nutrients such as vitamin C, the B vitamins, and minerals." The wise and economical cook will also use the cooking water with its valuable nutrients as gravy or soup stock for the family's good health.

CHRISTMAS BAKE SALE AT PEACE CHURCH

A Christmas Bake Sale will be held at Peace United Church of Christ, Kewaskum, on Saturday, Dec. 3, at 3:00 p. m. Everyone is welcome to attend.

Attend FFA Convention

The FFA's Golden Anniversary Convention was held on Nov. 8-11 in Kansas City, Mo. Despite the cold temperatures, this year marked the largest FFA convention ever, with more than 22,000 FFA members, advisors, parents and guests present.

Addresses were heard by well known speakers that included Ohio State Head Football Coach W. W. "Woody" Hayes, North Carolina Governor James Hunt, Jr. and humorist Grady Nutt.

The three representatives who attended the convention from Kewaskum were Pat Hanrahan, Joel Moths and Dennis Backhaus. These three members attended many meetings and sessions in which presenting of awards was done and also installation of the 1977-78 national officers. All in all, it was a great convention to mark the FFA's 50th anniversary.

The FFA entered a float in the Homecoming Parade held on Oct. 7. The float took first place. Congratulations Kewas-

kum FFA for a fine job.

On Oct. 8, a group of approximately 25 FFA members attended the World Dairy Expo in Madison. Included in this group were two judging teams — one for dairy cattle judging and the other for milk products judging. A cold, but fun day was enjoyed by all who participated.

October marked the close of some of our money-raising activities. These included Rat Control Pellets, Farm Journals and Fruit Sales. Gary Szabo, a freshman, received a calculator for being the top salesman of the Rat Control Pellets. Andy Ruppinger, also a freshman, received an FFA jacket and a calculator for selling the most Farm Journal subscriptions.

Our Fruit Sale totaled about 750 cases that are on order now. The fruit will be arriving in Kewaskum between Nov. 28 and Dec. 7. The three top salesmen were: first, Al Kneppner, who received a \$25 dollar savings

bond; second, Steve Tackes, who received \$10 cash; and Andy Ruppinger, who received \$3.50. Congratulations to all for a fine turnout.

James Belongia

One of the two new agricultural instructors at Kewaskum High School is James Belongia, a graduate of West Bend High School and the University of Wisconsin - Platteville.

While attending college, he earned both a bachelor's and master's degree in agricultural science. In addition to teaching agriculture at KCHS, Mr. Belongia will also be teaching second semester power mechanics and welding.

Before coming to Kewaskum, Belongia taught at Spring Green High School for five years and later at the Big North Vocational School. He currently lives in West Bend. He is single and his hobby is hunting.

— By Lee Voge

David Rhode

Another area graduate has joined the teaching staff in history and psychology. He is David Rhode of Big Cedar Lake who previously taught

at D. C. Everest in Schofield.

Mr. Rhode's hometown is Slinger and he graduated from the Slinger High School. He received his bachelor's degree from the University of Wisconsin - Oshkosh.

Rhode's philosophy of teaching is to deal with the maximum potential and uniqueness of each individual. In addition to his teaching responsibilities, Mr. Rhode also served as a varsity football coach. He is a member of the Kewaskum Education Association, Wisconsin Education Association and a past active member of the Slinger Rotary Club. He is unmarried and enjoys traveling extensively.

Frederick Lautz

Mr. Frederick Lautz is another new face around KCHS this fall. He teaches two sections each of general math and general science and one section of business math.

Mr. Lautz is originally from LaCrosse and is presently living in West Bend. He attended Luther High School and the University of Wisconsin - LaCrosse, where he earned his bachelor's degree. Mr. Lautz feels that mutual respect is important in the teacher - student relationship.

Mr. Lautz is also single and has coached football this fall. He is also serving as freshman wrestling coach. His hobbies include hunting and fishing.

In the Service

Navy Seaman Apprentice Richard R. Weiss, son of Mr. and Mrs. Edgar L. Weiss of 2959 Highway H, Route 2, Kewaskum, is serving as a crewmember aboard the Navy's newest aircraft carrier.

The USS Dwight D. Eisenhower was commissioned Oct. 18 at the Naval Station, Norfolk, Va.

The Honorable Harold Brown, Secretary of Defense, was the guest speaker and Mrs. Mamie Eisenhower, widow of the late general and president, was the honored guest at the ceremony.

Weiss is one of more than 3,300 officers and enlisted men assigned to the Eisenhower. She has an overall length of 1,092 feet and a flight deck area covering four and one-half acres. Displacing more than 94,000 tons, she can travel at speeds in excess of 30 knots. In addition to her regular crew, the Eisenhower can accommodate 100 tactical aircraft and approximately 2,800 personnel assigned to an attack aircraft wing. Her high-speed steaming endurance is provided by two nuclear reactors which are expected to provide more than 13 years of normal ship operation without refueling. His ship is one of the least vulnerable carriers constructed, due to extensive armor shielding and an improved anti-torpedo hull design.

The Eisenhower is the second ship in the "Nimitz" class of aircraft carriers. She is named for the late President Dwight D. Eisenhower and, along with the Nimitz, shares the distinction of being the largest naval vessels ever built.

The Eisenhower will be homeported in Norfolk, Va. Weiss joined the Navy in December 1976.

Oct. 28—Navy Electronics Technician Class Orion S. Acker, son of Mr. and Mrs. Carl R. Acker of 139 Forest Ave., Kewaskum, was graduated from Kewaskum Technician School.

The course was conducted at the Naval Service Command, Great Lakes, Ill. Students received introductory instruction on electronic cir-

cuit concepts, radar principles and basics of radio transmitters and receivers. In addition, they studied the procedures for repairing amplifiers, transmitters, receivers and power supply lines.

A 1976 graduate of Kewaskum Community High School, he joined the Navy in October 1976.

Rescue Squad Calls

Wednesday, Nov. 23 — A West Allis man, 45, and a St. Francis man, 53, were removed to St. Joseph's Hospital, West Bend, with injuries suffered when their Brink's truck rolled over on US 41, one mile north of Hwy. 28, spilling its load of money near the Dodge-Washington county line.

Saturday, Nov. 26—Joseph Garman, 20, R. 2, Kewaskum, removed to St. Joseph's Community Hospital with injuries suffered in an auto accident on Hwy. 45 near County H south of Kewaskum.

Tuesday, Nov. 29—Sandra H. Hollister, 21, Johnson Trailer Court, R. 3, Kewaskum, removed to St. Joseph's Community Hospital with injuries suffered in a car-train crash at Kewaskum's Main St. crossing.

Paulus - Mlodzik

Mr. and Mrs. Herman Paulus, 7360 Hwy. 144 North, West Bend, are happy to announce the engagement of their daughter, Gail, to Jim Mlodzik, son of Mr. and Mrs. Donald Mlodzik, 990 Fond du Lac Avenue, Kewaskum.

Gail is a 1977 graduate of Kewaskum High School and is employed at Serigraph Sales.

Jim is a 1976 graduate of Kewaskum High School and is employed at Mallard Coach.

An April wedding is being planned by the couple.

DEER STOLEN; THIEF MAY HAVE DOG BITE

Unknown persons stole a tagged deer, an adult doe, that was hanging in a tree next to the Walter Beck residence on Townline Road, R. 2, Kewaskum, a week ago Saturday night or early Sunday. Beck told authorities he had no idea who might have taken the deer, but he said he thought the thief may have been bitten by his watchdog.

Amelia Butzlaff, 98, Passes Away

Amelia Butzlaff, 98, a resident of the Kewaskum area most of her life, passed away at the Cedar Lake Home, West Bend, on Sunday, Nov. 27, where she had been a resident for the past five years.

She was born Apr. 15, 1879 in the Town of Kewaskum to the late Christian and Louisa Schmidt Schaefer. On Feb. 8, 1902 she married William Butzlaff. He passed away in 1930.

Survivors include one son, Ervin (Louise) Butzlaff of R. 2, Kewaskum; two daughters, Mrs. Malinda Landvatter of West Bend, and Esther (Harold) Eggert of New Fane; 10 grandchildren; 17 great-grandchildren; other relatives and friends.

Her husband, one daughter, one son-in-law, three brothers and two sisters preceded her in death.

She was a member of Peace United Church of Christ and also their Ladies' Guild.

Visitation at Miller's Funeral Home was Tuesday, from 3 to 9 p. m. and at Peace United Church of Christ on Wednesday from 12 noon to 2 p. m., when services were conducted by Rev. Darrell Joiner. Burial was in the Peace cemetery.

WALTER A. KONRATH

Walter A. Konrath, 70, of St. Michaels, R. 2, Kewaskum, passed away at the Milwaukee Lutheran Hospital where he had been a patient for five days.

He was born Jan. 20, 1907

to the late Joseph and Kathryn Boedder Konrath in the Town of Rubicon, Dodge County. On June 17, 1944 he married Margaret Roden in Holy Angels Church in West Bend.

He was engaged in farming all of his life.

Survivors include his wife, Margaret; one daughter, Diane (Gary) Klemme of R. 2, Kewaskum; one son, Donald, at home; one brother, Anton of Allenton; other relatives and friends. His parents, two brothers and three sisters preceded him in death.

Visitation at Miller's Funeral Home was after 4 p. m. Tuesday with rosary vigil at 8:30 p. m. Tuesday. Services were held Wednesday at 10:30 a. m. at the funeral home and at 11 a. m. at St. Michael's Catholic Church in St. Michaels, with Rev. Wm. Bonesho officiating. Burial was in the church cemetery.

LEROY J. SCHAEFER

Longtime county veteran's service officer, Leroy J. Schaefer, of Clermont, Fla., and formerly of Big Cedar Lake, died Tuesday, Nov. 22, at County General Hospital in Milwaukee. He was 66.

He was born June 2, 1911, in Milwaukee, and his family came to West Bend. They then moved to a farm in the Town of Kewaskum and in 1926 returned to West Bend.

He was employed as a barber from 1929 until 1943 when he entered the US Army. After his discharge in 1945, he returned to West Bend where he operated the Dugout Tavern until 1958 when he became the veteran's service officer of Washington County. He retired in 1974.

He married Violet A. Wagner in Woodstock, Ill. on Aug. 27, 1934. She died Oct. 15, 1977.

Survivors include two brothers, Ellsworth (Lorraine) and Earl (Harriet), both of West Bend; and other relatives and friends.

He was a member of the County Veteran's Service Officer Association of Wisconsin, the Wisconsin State Association of County Veteran's Services Commission, the VFW, Fred A. Schaefer Post 1393, the American Legion, Lt. Ray Dickon Post 36; the Loyal Order of Moose, Lodge No. 1398; the B. P. O. Elks, Clermont-Groveland,

News of Our College Students

Gregory Stefanovic, son of Mr. and Mrs. Richard Stefanovic, Kewaskum, is a member of the Ward Beetham student chapter of the American Institute of Mining and Metallurgical Engineering (AIME) at the University of Wisconsin - Platteville. Students in the organization gain professional awareness and new information about mining through lectures, field trips and symposiums. Stefanovic is a senior student at the university.

Seven Kewaskum area residents are enrolled this fall at UW-Stout, Menomonie, WI. They are: Peggy Darmody and Christine Staehler, both majoring in vocational rehabilitation; Anne Etta, majoring in art; Jennifer Johann, majoring in child development and family living; Julian Nigh, majoring in early childhood education; Kerry Staehler, majoring in industrial education; and Barbara Thill, majoring in psycholo-

gy.

Linda Secor, a Ripon College senior from Kewaskum, has been elected to membership in the Ripon College chapter of Phi Beta Kappa, the nation's most prestigious honorary fraternity.

The oldest Greek letter society in America, Phi Beta Kappa recognizes outstanding liberal arts scholars. Only eight percent of the colleges and universities in the United States have chapters of Phi Beta Kappa; the chartering of such a chapter is the highest formal academic recognition a liberal arts college can receive. Ripon's chapter, Epsilon of Wisconsin, was established in 1952.

A biology and chemistry double major, Linda plans to attend veterinarian school at the University of Minnesota next fall. She has been on the Dean's List for the past six semesters, as well as a member of Beta Beta Beta, the national biology honor society; president of Eka Francian, the local chemistry honor society; and a member of Laurel, the senior honor society. Her awards at Ripon

College include the Larry Barker Prize, the J. T. Lewis Prize, the Clifford Crump - Phi Beta Kappa Award, and the Samuel N. Pickard Award. In addition, Linda has been active in women's intercollegiate varsity volleyball, basketball and track.

Linda, a 1974 graduate of Kewaskum High School, is

the daughter of Mr. and Mrs. Gerald Secor, Rural Route 1, Kewaskum.

Volunteers Needed For Child Find

By JUDITH F. BRINGE,
Coordinator

CHILD FIND is looking for volunteers to distribute CHILD FIND materials in the West Bend, Kewaskum, Jackson, Newburg, Neosho, Richfield, Allenton, Herman and Boltonville areas.

The materials consist of posters and counter cards with informational brochures in the pockets. Any public spirited individual or organization willing to donate a little of their time to get this information out in their community is asked to call CHILD FIND.

In the last few years we have seen a great deal of attention focused on special education, particularly the right of all children to a free, appropriate public education, no matter the type or severity of their handicap.

Public Law 94-142, the Education of All Handicapped Children's Act, established the priority that all "unserved" handicapped children must be located, identified and provided a free, appropriate public education. This program is called CHILD FIND, which essentially is an attempt both nationally and by your local school districts to locate any child ages birth to 21, who might have a special educational need. Handicaps may include: hearing, vision or speech impairments, developmental delays, mental retardation, emotional disturbances, learning disabilities, orthopedic problems or other health impairments that might require special services.

Finding the child may not be as easy as it sounds. A child's problem may not be obvious, and in the early years, the parents may be the only one who knows if a child has a special problem. This may also be true for school age children whose problems have kept them out

of school.

This is where you or your organization can help. By disseminating CHILD FIND information in the places the public frequents such as stores, banks, service stations, offices, public meeting rooms, churches and other like places, we can reach those people who would not otherwise know that there is help through CHILD FIND.

Early detection and intervention, through special educational programs specifically designed to meet the child's needs, is the key to helping the individual reach his or her full potential. Anyone working at full capacity is of benefit to himself and the community

in which he or she resides.

If you or your organization would like to volunteer to help or if you would like more information please call 338-3418 or write: CHILD FIND, Washington County

Area Schools, Cooperative Educational Service Agency
16, P.O. Box 974, West Bend, Wis. 53095.

Holiday Safety - Do's and Don'ts

From the People Who Care

From: Your Local Fire Department

The Christmas season usually goes hand in hand with traditions. Many traditions revolve around the decorating of the Christmas tree, and the purchasing of gifts for loved ones and friends. Underwriters Laboratories Inc., a not-for-profit organization testing for public safety, and your local fire department, would like to offer a few tips to help make your holiday safe - not sorry.

DO be careful when buying your tree -

- * When purchasing your Christmas tree this year, buy a firm, fresh tree. Store it in a cool place with the base of the tree in water - until ready to be decorated.
- * If you are buying an artificial tree - be sure to look for the UL Label which tells you it is classified as flame resistant.

DO make a check of the decorations you use -

- * Remember to check the decorative lighting strings for frayed wires, broken cords, and loose sockets. These conditions pose potential electrical hazards. Use only light strings that bear a UL Label.
- * When trimming the tree, avoid using candles or other decorations that may ignite easily. Keep the tree away from the fireplace, radiator, and the T.V. set - any source of heat may cause the tree to become dry, thus creating a fire hazard.

DON'T overdo it -

- * Be sure not to overload the electrical circuits in your home. The wires that carry more current than they can handle may overheat and cause a fire. Read manufacturer's instructions on lighting strings carefully and do not use more than the recommended number of lights in one circuit.
- * Christmas decorations are beautiful - and very pleasant to look at. However, when you leave your home or retire for the night, turn off the light sets, colored spot lights, or other decorations.

DON'T settle for the unknown -

- * When purchasing gifts for the people you care about take time out to check for the UL Label. Gifts of electric food blenders, hair dryers, hot combs, and the like are tested for safety by Underwriters Laboratories. Show that you care - check for the UL Label.

Be safe and happy this Christmas season. When preparing for the holidays take the extra steps to show you care - follow the Do's and Don'ts outlined above. You'll be glad you did.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in midmonthly session in the Council Room of the Municipal Building.

President Charles Miller presided. Trustee Mark Kral was absent. All other Trustee members were present.

The minutes of the meeting of Nov. 7 were approved as printed. Motion by Trustee G. Nigh, seconded by Trustee D. Nigh. Unanimous vote.

The application of Pro-Bilt, Inc. for a building permit to construct a one family residence at 489 Knights Avenue was approved and the Commissioner was authorized to issue the proper permits upon payment of the required fees. Motion by Trustee Danielsen, seconded by Trustee D. Nigh. Unanimous vote.

Another set of petitions, opposing the installation of sidewalks as proposed by the Sidewalk Committee, were presented to the Board. No discussion followed the submission of the petitions.

Supt. Bilgo reported that only one proposal for a sand

and salt spreader had been received to date. Mr. Bilgo requested that the matter be tabled until more proposals are received.

The proposal of Lane Tank Company, Menomonie, Wisconsin, for the painting of the interior and exterior of the water tank and tower at cost of eighteen thousand six hundred dollars (\$18,600.00) was approved by the Board. The work is to be done in the summer of 1978. Motion by Trustee Herriges, seconded by Trustee Schmidt.

Roll call vote - 8 "aye"
0 "nay"

Trustee Danielsen reported that the Village Store, 334 Main Street, had requested permission to erect an ornamental hitching post in front of their place of business. The matter was referred to the Zoning Administrator.

Trustee Herriges reported that he had received a request that the leaves in the park be raked. The request

was referred to the Sup. of Public Works.

Motion was made by Trustee Schmidt and seconded by Trustee Danielsen that the Job Study Classification Report and the Salary and Wage Adjustment Report be approved and accepted. The Salary and Wage Adjustment Schedule is to become effective as of the first pay period in December. Roll call vote unanimous.

President Miller reported that he had recently had an opportunity to have an interview with a representative of Foth and Van Dyke and Associates, Inc. of Green Bay, Wisconsin, with reference to general engineering services offered by that firm. President Miller also reported that Dr. Raymond Kipp had been successful in obtaining an amendment to the village's waste water discharge permit from the Wisconsin Department of Natural Resources.

Trustee Schmidt, Chairman of the Park Development Committee, reported that the application for funding for the second phase of the development of the Kewaskum Kiwanis Community Park had been submitted to the Wisconsin Department of Natural Resources.

Motion was made by Trustee G. Nigh, seconded by Trustee Herriges that the Board adjourn to closed session to discuss salary and wage adjustments contained in the Department Heads budget requests and that the next meeting be scheduled for 8:00 P. M. December 5, 1977. Unanimous vote.

Holiday Cheer With German White Wine Cheese Fondue

CHEESE FONDUE served with cool white German wine makes the spirits soar.

When it comes to entertaining guests this holiday season, one dish that's easy to serve and fun to eat is a cheese fondue made and served with a generous helping of flavorful German white wine.

The Wine Cheese Fondue shown here is made with old English process Cheddar cheese melted in Rhine wine (you can tell these wines by their distinctive brown bottles), with a little flour to thicken. Then dip pieces of crisp French bread or bite-size pieces of apple or pear and wait for the compliments.

What to drink with the fondue? Why, more white wine, of course. The German whites are well-known for their fruity quality and variety of taste, whether you like your wine richly piquant, full-bodied or mild. Just serve it chilled . . . and enjoy.

WINE CHEESE FONDUE

- 1 cup Rhine Wine
- 1 package (8-ounce) old English process Cheddar cheese slices, cut up
- 1 tablespoon flour mixed with 2 tablespoons water
- Hard crust bread or rolls, cut in bite-size pieces or fruit, cut in pieces

Pour wine into fondue pot. Add pieces of cheese. Place over medium-high heat and stir until cheese is melted and mixture is smooth. Add flour mixture and cook and stir until thickened. Reduce heat so mixture continues to bubble gently. Spear bread or fruit pieces on fondue fork and dip into hot mixture. Makes about six servings.

NOTE: Recipe may be doubled or tripled depending upon size of fondue pot and number of people being served.

CARE FOOD CRUSADE

Children Die of Hunger

The boy's spindly body sank slowly to the dusty gravel road. He lowered his head to the pebbles, resting his sunken cheek on his hand. His dry cracked lips did not close. He tried to cover his bare feet, but the torn dirt encrusted rags he wore were not long enough. He placed an empty tin can, his only possession, near his stomach. And then he started to cry.

Fifty feet away, near a mud building, another small boy lay motionless in the sun. In a ditch 20 yards away was another tiny rag covered body and beside it another boy, perhaps 6 years old, who sat on his haunches and stared blankly at the road.

Indians Defeat West Bend East With Second Half Splurge, 87-78

Kewaskum came from behind in the second half to defeat West Bend East of the Little Ten Conference here last Tuesday night, 87-78.

In a surprise upset this Tuesday, West Bend East won 51-49 over Plymouth, which beat Kewaskum soundly in their opener, in which the Indians had a cold night.

Two of the smallest players on the court stood out in the Indians' win over East, namely Kewaskum's Dale Poling and the Suns' Bob Liebetrau, both 5-8 guards. Liebetrau who scored 27 points, sparked a first quarter spurt that had East out in front, 19-8, at one time. Poling, who tallied 22 for the Indians, led a third quarter rally that turned the tide in favor of Kewaskum. Only Mark Tessar topped Poling in scoring as he tied Liebetrau with 27, while Roger Kewaskum chipped in 21.

Free throws decided the game. Kewaskum hit on 27 of 33 for 81 per cent, while the Suns made only 16 of 34 for 47 per cent.

The Indians closed the gap to 40-38 at halftime. In the third quarter, with the score 48-45, Poling scored 6 straight to give his team a 54-45 advantage. This time East narrowed the gap to 60-57 at the end of the third period.

Tessar was saved for the last quarter and the strategy worked as he came in to score 11 late points. At one point the Indians ran off nine unanswered points, as Kewaskum outscored the Suns, 27-21, in the last period.

Coach Westphal was pleased with the all-around play of Poling, Tessar and Rezel and the fact that all three scored over 20 points.

The Sun JV's defeated Kewaskum, 47-36. Bob Nigh and Henry Schilber paced Kewaskum with 12 and 10 points.

This Friday the Indians host Kettle Moraine in their first Kettle Moraine Conference game.

Girls Open Play, Shoot for Trip To State Again

The Kewaskum girls' basketball team was scheduled to open their season Wednesday night in a non-conference game against New Holstein at home.

Coach Mike Theiler has 9 or 10 girls who could be in his starting lineup, a pleasant dilemma, and nothing would make him happier than to repeat the trip to the state tournament he and his team earned last March.

The girls looked good in a recent scrimmage against Random Lake.

Three of six returning letter winners — center Mary Ryan and forwards Karen Wagner and Janine Prost — all are topnotch players, who can control the boards. Returning Tami Edgar can also play forward and Yvonne Schacht and Kaye Weinreich are back at guard.

While none of these six were regular starters, Schacht, Prost and Ryan all saw considerable action. Schacht is the best shooter while Ryan is strong underneath.

Other top prospects are sophs Bobbi Schmidt, Janet Matenaar and Diane Bremser, all pushing for starting berths. Jenny Schaub, Jenny Coulter and Sharon Wagner will help give the team depth.

The team has two all-conference players to replace: Julie Stoffel, forward, who led the team in scoring and rebounding, and Kathy Mertz, an honorable mention guard and excellent defensive player.

Goeden Receives Racing Awards

In November the 10th Annual Awards Party of the Stock Car Racing Assn. of the Midwest, (S.C.R.A.M.) was held at the Country Maid Inn at Cudahy, Wis. Over 200 late model and sportsmen drivers received recognition for their participation in the sport of racing at the Cedarburg and Hales Corners Speedways.

The top 30 drivers from each division received money totaling \$6,500.00 and trophies. Those recognized from this area, were: Tony Strupp of Slinger (Slinger Speedway 1976 Champion) who finished 16th in the point standings and Tony also received the "Most Improved Driver on Dirt Award," John Reiser of

Allenton, finished 11th overall, driving the Mueller Bros. 1976 Firebird Special from Random Lake; Mike Melius of Batavia, driving his own 1976 Camaro this year, finished a strong 7th, which is very good for this young driver.

The other driver from this area was the 1976 S.C.R.A.M. Champion Driver, Willie Goeden of Kewaskum, (St Michaels), who finished 2nd in the standings this year, losing to Al Schill of Franklin. But the Goeden gang was not all that depressed — because the gang was surprised when Willie's name was mentioned as the receiver of the Most Popular Driver and Best An-

peating Car Awards. For this he received a complete C.B. unit and a beautiful trophy.

These awards were voted on by the fans at the tracks where there were ballots in the Midwest Racing Booklet. When Willie was interviewed on stage, he said he wanted to thank the fans and sponsors who voted for him, his sponsors, family and his pit crew. Jerry Zingsheim (right) of West Bend, Crew Chief; Bob Backhaus (left) of Kewaskum, Chief Mechanic; Dennis Leist (second from right) and Bernie Mueller (second from left) of Cedarburg.

As of now all these drivers plan on returning to the tracks in this area next year.

3 Wrestlers Hurt, Indians Lose to St. Mary's Springs

With three wrestlers injured, the Kewaskum Indians lost their opener to St. Mary's Springs here Tuesday, 35-26.

First letterman Rob Secor injured his knee. Monday Wayne Endlich broke his thumb. Then Larry Westerman suffered a possible dislocated shoulder in the first period of his match Tuesday and had to default.

The Indians had four winners, two of them by pins by Dan Schmidt at 145 and Bruce Rodenkirch, a freshman, at 98 lbs. At 155 Steve Schneider won 9-2. Jan Jansen took the 167 lb. bout, 12-7.

Kewaskum has six lettermen back — Mike Ruplinger, Cliff Wilson, Mark Strigenz, Dan Schmidt, Steve Schneider and Rob Secor. The Indians have no heavyweight candidate, so will have to forfeit there.

COUNTY DEER KILL 353: HAMPERED BY WEATHER

The deer hunting season closed Sunday with an unofficial county deer harvest of 353 county deer.

Despite warm, wet conditions the opening weekend and the cold weather and snow this past weekend, the county total was still higher than last year's 316. Washington County in years past used to record 400 deer and Game Manager Armin Schwengel said the county could easily have reached 400 this year except for the weather.

Schwengel said there is a pretty constant herd right now and the county's deer population is estimated at about 1,500. "You can't get any higher than that without running into problems with highway accidents and crop damage — they'd never run out of food."

The largest deer was a 210-pounder bagged in the Town of Erin. The county had no gunshot accidents.
