### 4 Trustee Candidates

#### Danielsen, Herriges Will Seek Re-election; Gregor Nigh Out

By MARYANNE MERWIN  
Statesman Staff Writer

When the deadline was reached at 5 p. m. on Tuesday the Village of Kewaskum had four candidates lined up in hopes of claiming the three trustee positions expiring this April.

Robert Danielsen and Raynor Herriges will seek re-election to their trusteeships. Donald Mlodzik, presently on the Plan Commission, and Merle Miller also seek those seats. Gregor (Pat) Nigh chose not to run for re-election this year.

### Village Board Amends Town of Kewaskum Fire Service Contract

By MARYANNE MERWIN  
Statesman Staff Writer

The Town of Kewaskum will be able to consider an amended fire service contract agreed upon by village officials Monday night.

Instead of 15 calls for \$19,900, the town will be allowed 18 calls for that figure. Additional fire calls will cost \$600 each plus an hourly wage of \$3.50 per man. In the past, the pieces of equipment to be used were spelled out; this year's contract broadens the terms to "all equipment that the department deems necessary to suppress the fire."

Robert Danielsen cast the only dissenting vote, explaining that he felt the Town of Kewaskum should be allowed the same number of calls but the Town of Auburn should be cut back in the number initially allowed. The village's contract with Auburn is to

be discussed in July.

Adjustment of the present ordinance relating to license and permit fees could come soon for village residents.

According to Commissioner William Martin the old ordinance is repealed if another is to take its place. A public hearing is scheduled for Feb. 6, at 8:00 p. m. in conjunction with the next regularly scheduled Village Board meeting. This date was projected in anticipation of having enough time to publish the changes which will be drawn up by Village Attorney Gerald Kiefer.

Charles Miller asked that the problem of grease at the waste water treatment plant be investigated by Dr. Kipp before any discussion takes place.

The program is free and begins at 7:15 p. m. Dick Hackett, Public Relations Director for the Milwaukee Brewers, and Cecil Cooper, star Brewer first baseman, will be on hand to present a film and discuss the Brewer baseball club. Cooper will autograph pictures for the youngsters after the program.

Everyone is encouraged to attend Kewaskum's Baseball Night.

### Curriculum Committee of School District Begins Work

By MARYANNE MERWIN  
Statesman Staff Writer

The District Curriculum Committee has begun its work by laying ground rules and defining areas of study according to a report made by Dennis Reha, chairman of the committee, on Monday night.

Reha told the School Board that sub-committees in defined areas of academic and altruistic study would be formed by Feb. 15. Volunteers from the community would meet with supervisors to coordinate their ideas before actual curricula would be formulated sometime this summer. Reha said that although some areas would not be touched, those in most need of attention would receive the scrutiny of a fair "cross-section" of interests in the Kewaskum community — including private schools and businesses. Everyone in the district is invited to contact the Curriculum Committee with suggestions in the area that may interest them most.

The areas of study and their coordinators are: Mathematics, Dennis Reha; Social Studies, James Reigle; Reading, Marlene Erickson; Competency-based Education, Kathy Spencer and Floyd Brenholt; Health Education and Physical Education, Marlys Ryan and Allen Koepke; Career Education, Mark Rodenkirch; and Values Educa-

tion, Jean Goeden. Information will also be included in the next newsletter from the district.

When Richard Theusch represents the Kewaskum School Board in Madison this week, his vote at the Wisconsin Association of School Boards' Delegate Assembly should reflect any information discussed as each resolution comes to the floor. Policies are "usually passed or turned down as written," according to Theusch, and the board chose not to send any specific instructions or suggestions for changes with him. Included on the agenda are resolutions to increase the flexibility of state and lo-

### 164 Rescue Squad, 20 Fire Calls in '77

In his yearly fire report, Chief Augie Bilgo reports that the Kewaskum Fire Department responded to 164 rescue squad calls and 20 fire calls during 1977.

Of the 20 fires, six were in the Village of Kewaskum, six in the Town of Kewaskum, three in the Town of Auburn, and five were mutual aid calls.

The rescue squad calls were up by six over the previous year, 1976, when there were 158 calls. The fire calls were down by 12 from 1976, in which 32 calls were answered.

## First State Bank of Campbellsport Plans New Building

The First State Bank of Campbellsport has announced plans for the expansion of their Campbellsport facility into an all-new 7500 square-foot banking center, located about one-half block from

their present site at the corner of Fond du Lac Avenue and Main Street.

The new bank building will offer a full line of banking services, and quick, efficient service through eight

teller stations, three drive-up windows, and one walk-up window. The bank's modern design and layout is the creation of the architectural firm of Lambert, Peterman, Nairn and Nunnemacher, Inc.

Construction on the new First State Bank of Campbellsport savings center is projected for completion by mid-year, with the opening date set for sometime in July or August.

In the meantime, the bank will continue to provide full banking services at their current location at 101 North Main Street in Campbellsport.

contract for this year was settled with a 7½% pay increase retroactive to the "last pay period in 1977."

Village officials settled on the purchase of a used street sweeper "price not to exceed \$8,250." The Hein Equipment Co. of Milwaukee had offered it to the village for \$9,000 in the early December, but had since reduced its price to the new figure. A six-month guarantee, commencing at the time use begins, accompanies the deal.

Selection of an auditing firm was tabled until next month. Several firms had been contacted but negotiations have not been completed.

Dave Nigh asked that the board consider an "open house" for the village residents when weather becomes more clement for the purpose of displaying the various pieces of equipment recently purchased. Miller said that he doubted many residents had actually had a chance to become aware of the changes at the "disposal plant" either. Although no definite date was set for the event, Dan Schmidt "promised" cooperation from the Historical Society in providing coffee to make the event more sociable.

Young men in a hurry seem to be prime candidates for heart attacks, as reported from a study of 3524 men aged 39 to 59. The man who is hard-driving, aggressive, competitive, highly ambitious, living under constant deadline pressures appears more likely to have a coronary attack than the placid, relaxed man. There must be a happy medium in this fast paced life.

cal compliance with federal guidelines in determining funding eligibility, early teacher retirement benefits, a "basic skills" testing program and a supportive resolution to "encourage — member boards to develop programs for the gifted and talented."

Although no action was necessary, the board informally voted a negative response to an inquiry made by the Wisconsin Interscholastic Athletic Association concerning football playoffs. John Tesar "questioned if the board should even act on this," leaving the evaluation of the matter to those most involved — the school principals and athletic directors. Clark

Pearson, who was present to answer questions, said that a vote could be necessary "eventually." He said that most football coaches favored the playoffs, while his own feelings were mixed. Only "wins and losses" are recorded without point-spread notation. Playoffs had been "conducted as an experiment for WIAA schools during the 1976 and 1977 seasons."

On a temporary basis, construction of three families will be picked up closer to home during adverse weather conditions. A study of route problems was promised by Erv Gorecki of the Johnson Bus Co. Theusch opposed the move citing possible effects on the whole district.

Construction of the Beechwood roof was given to the Nieman Central Wis. Roofing Co., Inc. of Lyndon Station,

for the price of \$16,860. Theirs was the lowest bid, with the high of \$19,470 coming from Kaltenbrun Bros. Roofing Co., Inc. of Sheboygan.

All those candidates who filed official declarations with James Oelhafen this month were verified by board action. They will appear on the ballot in this order on April 4: Charles J. Ogi, James D. Oelhafen, Jean Goeden, Geraldine Flynn, Gerald F. Stoltenwerk and Maryanne Merwin.

Oelhafen and Ogi volunteered to work on the Budget Committee if they return to the board after the April election.

**Rep. Susan Engeleiter Speaks to Lions;  
Club Donates Money to Organizations**

State Representative Susan Shannon Engleleiter (R-Brookfield) was the guest speaker at the Kewaskum Lions Club meeting held Tuesday, Jan. 10, at the Glacier Inn.

She spoke on some of the issues that are pending in Madison, including a product liability measure she authored which would alleviate the current insurance and lawsuit problems facing Wisconsin manufacturing.

Because the Lions are a service organization, Engeleiter also mentioned that driver's license cards will have instructions printed on the back side about donating organs, such as eyes, kidneys or the heart in the event of accidental death. An interesting question and answer session followed her speech.

Susan Shannon Engeleiter represents the 99th Assembly District which covers mainly Waukesha County. She has been in the Assembly four years and worked in the Capitol prior to her election. She is from Brookfield and is married to Jerry Engeleiter, a former resident of Kohlsville. Jerry was a Kewaskum High School graduate.

Richard Gust, a member of the Kewaskum Chamber of Commerce, also attended the meeting to give the Lions information regarding Kewaskum's Baseball Night which will be held Monday, Feb. 13, at the Amerahn. Dinner at a cost of \$3.25 per person, will be at 6:30 p.m. Dick Hackett, Public Relations Director for the Milwaukee Brewers, and Cecil Cooper, star Milwaukee Brewer, and Cecil Cooper, will be there to present the program.

Many organizations received money from the Kewaskum Lions including \$100.00 to the Kewaskum AFS Chapter, \$25.00 donation to the Land o' Lakes basketball team, \$125.00 to the International Lions Foundation for a CARE project to set up a nutritional center in Guatemala and the money made on the Bingo stand last year was sent to the Wisconsin Lions Foundation which operates Camp Rosholt in Rosholt, Wis.

The Lions Club members will hold their post Christmas party on Saturday, Feb. 4.

**Mrs. Reha Named  
Local Chairman  
For Heart Fund**

Mrs. Melodee A. Reha has been appointed Village chairman for the 1978 Heart Fund campaign in Kewaskum. She will have total responsibility for coordinating Heart Fund activities in her community. The Heart Fund is the annual campaign conducted here and throughout the country in February which has been declared "Heart Month" by an Act of Congress.

The campaign raises funds to enable the American Heart Association/Wisconsin Affiliate to continue its three-fold work of community service, education and research.

Mrs. Reha has served as a block worker in a previous Heart Fund drive. She called for community-wide support of the 1978 drive. "The Heart

Fund offers everyone the opportunity to take part in the battle against heart and blood vessel diseases," the village chairman said.

Mrs. Reha is a Special Education Secretary in the Kewaskum School System. She and her husband, Dennis, a teacher, have a daughter Julianne, age 8, and a son, Erik, age 5. They reside at 1140 Roseland Drive, Kewaskum.

### Curriculum Committee Needs Volunteers

The Kewaskum Community Schools Curriculum Steering Committee which began meeting last fall to lay the foundation for developing a written curriculum in various subject areas now needs volunteers to help complete the next step in accomplishing its goal.

The subjects have been decided upon and now interested people in the district are needed to help set the goals and general directions each subject is to take. It does not involve the actual writing of the curriculum, which will be done by the teachers when these sub-com-

mittees finish their work. All curricular work will be done on a K-12 basis. If there would happen to be too many who do volunteer, people will be selected from those signing up.

The deadline date is February 15, 1978. If you are interested, please leave your name and the committee on which you would like to serve with Floyd Brenholt by calling 626-2160.

The sub-committees and their chairpersons are listed below. If you have questions, please call Brenholt or the chairperson of the committee on which you wish to serve. Community input is needed. Please help.

Competency Based Education and/or Testing — Kathryn Spencer and Floyd Brenholt

Miller's of Kewaskum was well represented at the Home Furnishings Markets in Chicago and Dallas to see and buy new home furnishing items which will be on display at their large store for the coming season.

Oriental styling was quite evident and much of the upholstered furniture continues to have a plush look. Colonial and traditional styling is always good.

As of January 9, 1978, The First State Bank of Campbellsport became an official member of the First National Corporation of Appleton.

The annual stockholders meeting was held on Monday, January 9th at The First State Bank and was attended by Harold Adams, Frank Buhl, and Bill Wolter representing the stock held by First National Corporation along with the local stockholders of record.

Frank P. Thiel retired as of January 9, 1978 and because of his many years of devotion and loyal service to the bank and community and because of his extensive banking knowledge, he was elected "Director Emeritus".

The seven directors elected for the ensuing year are: Arthur G. Brandt, Dr. John Pesch, John W. Reilly, Corney P. Schill, Wm. J. Stoffel, Orville N. Strachota, and Donald W. Uelmen.

The Annual Meeting was adjourned to the Organizational meeting and the new slate of officers was elected by the Board of Directors. Arthur G. Brandt will serve as Chairman of The Board and Legal Counsel for the bank. Wm. J. Stoffel was elected President and Chief Executive Officer with Dr. John Pesch and John Collier as Vice Presidents. David C. Nims was promoted to Cashier with Rosena Rosenbaum

and Marilyn Farrell as Assistant Cashiers.

The Eden Office will be managed by Michael D. Morgan as Assistant Cashier and Branch Manager.

A tribute was made to Mr. Thiel and a resolution adopted in the minutes of the meeting acknowledging his 47 years as a strong directive force in determining the bank's future.

It was further resolved that the Directors of The First State Bank of Campbellsport convey to Mr. and Mrs. Thiel every wish for an abundance of health and enjoyment of their retirement activities.

**More things are sold through the Yellow Pages

If you think the Yellow Pages is just a listing, think again.

It contains all sorts of information that can be extremely helpful no matter what you're shopping for.

Like, does the place take credit cards?

What are their hours? Etc. Etc. Etc.

Maybe that's why more people read the Yellow Pages last year than just about any book published.

Curl up with it the next time you're shopping for something.

## Psychiatrist Addresses Jr. Woman's Club

"Every experience is ours, and we can do with it what we want. We all have ownership of feelings. Our feelings are ours. We generate the feeling in our own body. Nobody makes you feel bad, you do it yourself." These were the words of Dr. Thomas Kroner, psychiatrist, as addressed at the January meeting of the Kewaskum Junior Woman's Club.

Dr. Kroner, an under-graduate of Notre Dame, graduated from St. Louis University of Medicine. He has worked in psychiatric training at Milwaukee County General. Dr. Kroner gave us a two sentence recipe about running our lives. "Don't be concerned about hurting other people's feelings. Be concerned about not discounting them." He explained that discount happens when you minimize or ignore some important aspect of a person.

Special guests of the evening were husbands of the members. They were treated to a delicious pot-luck supper, as well as an evening with their busy wife. President Ann Enright welcomed the husbands and read a poem about the life of a Junior Woman's Club husband.

The Arts Department reported that two records were donated to Holy Trinity and St. Lucas. A committee is planning a book review discussion to begin in February.

The Home Life Department is going to hold an Inter-Faith Bible Discussion to be held during Lent. There will be six sessions beginning Feb. 7 thru March 21. The committee is also planning a visit to the Beechwood Rest Home.

The Recycling Center will be open Jan. 21 from 9:00 to 12:00. The glass crusher has

been repaired by Leroy and Char Keller. Many thanks to the Kellers for their time and energy.

Next month's program will be a film on "Walkin' Too Slow," presented by the Youth Service Bureau of Washington County. Guests will be the senior girls.

## Girl Scout News

November and December were busy months for the Kewaskum Girl Scouts. During the month of November preparations for Thanksgiving were made: The girls made crafts and learned the real meaning of Thanksgiving. As in past years, Troop 17 gave a basket of food to a needy family.

The Cadette Scouts wish to thank Miller's Furniture Store and Mrs. William Lehmann for conducting a tour of the store so the girls could complete some of the requirements for their interior decorating badge. They learned about different periods of furniture and how to coordinate accessories.

In the month of December, the Cadette Scouts had a progressive dinner. The girls made stops at the following homes: to the Lehmann's for appetizers; up and over the hills to the White's for soup; came back into town to the Schickert's home for salad; next, off to Pettit's for the main dish; then off again, over the tracks to the Jandre's for dessert and finally the last stop was the Straub home, where gifts were opened and cocoa, cookies and candy was enjoyed. The girls all ate too much but had a great time during this new experience. Thanks to all the parents who let the troop in to their homes. A special thank you to Mrs. Pettit for helping with the driving.

The two Junior Troops hosted a Christmas Party for all of the Brownies. The girls made Christmas cookies and served hot chocolate. They all enjoyed playing games and singing songs. The best part was having Santa there to hand out the gifts. The troops wish to thank the Valley Bank for the use of their community room for this oc-

cession. Thanks, also, to the leaders and parents who were there to keep them all entertained.

The Kewaskum Girl Scouts hope that all had a lovely holiday season.

The Junior Woman's Club will be taking recycling materials at their new quarters on North Fond du Lac Ave. (the former Geidel property). Take driveway to the shed in back. The recycling center is open every third Saturday of the month from 9 to 12 for cans, glass and aluminum.

(Explanation) It's Because They Don't Have the Soft, Gentle, Down-to-Floor Warmth of...

**Intertherm™**  
**HOT WATER ELECTRIC BASEBOARD HEAT**  
That Provides  
**HOT WATER HEAT WITHOUT PLUMBING**

Why do people have to suffer the discomfort of cold, drafty rooms — when INTERTHERM HOT WATER ELECTRIC BASEBOARD HEATING gives them warmth where it's needed — not up at the ceiling where so much of it is wasted? For unlike central heating systems which heat the ceilings at the expense of the floors — the INTERTHERM provides uniform, floor-to-ceiling heat. Soft, gentle, comfortable, healthful, clean, safe, economical heat. Yet requires no furnace, boiler, pipes, ducts, flues, radiators, chimney or fuel tank.

The Patented Inner Works of the INTERTHERM — Shown in the Diagram Below — Makes this Possible. It consists of a copper tube inside of which an electric heating element and a water and anti-freeze solution — which never needs replenishing — are permanently, hermetically sealed. Electricity heats the water. And the water heats the rooms. Complete, permanently-installed systems for entire homes. Portable, plug-in models for single, hard-to-heat rooms.

## Rep. Engeleiter Kiwanis Speaker

State Representative Susan Shannon Engeleiter (R-Brookfield) told the Kewaskum Kiwanis, which recently celebrated its 30th anniversary, that Assembly Republicans have introduced a plan to cut state income taxes through an increase in the Wisconsin standard deduction.

Speaking before the group at the Wigwam, Representative Engeleiter said that "the tremendous surplus in our state treasury is the result of overtaxation—and permanent tax cuts are the answer."

Representative Engeleiter is a co-sponsor of the Republican measure, which would increase the state standard deduction to federal levels. For taxable year 1978 and thereafter, the Wisconsin standard deduction would be the larger of the low-income allowance or \$2,200 for an individual or \$3,200 for a husband and wife.

The current ceiling on the percentage standard deduction for state income taxes is \$2,000 for single persons and married couples.

"We want to provide substantial tax reductions for the

average working family in Wisconsin," Representative Engeleiter emphasized. "Wisconsin has the third highest taxes in the nation and it is the middle income wage-earner who bears the brunt of this tax burden."

Representative Engeleiter noted that, under the Republican proposal, 92% of the total tax decrease would be provided to taxpayers with incomes under \$20,000 a year.

She cited the example of a married couple with one child and an adjusted gross income of \$15,000 a year. "Currently, that family would pay \$809 in state income taxes," Rep. Engeleiter explained. "Under our proposal, their taxes would drop to \$684, for a tax cut of \$125 a year."

It is estimated that the higher standard deduction would decrease state individual income tax collections by about \$123 million each biennium.

"Republicans want to stop the political charade of overtaxing to build up surpluses and then giving taxpayers a token amount of their own money back as 'tax relief,'" Rep. Engeleiter said. "With a projected surplus of \$378 million, there is simply no

excuse for delaying permanent tax cuts which will keep such excess funds in the taxpayers' pockets."

Representative Engeleiter said Republicans are also working on additional proposals which will adjust state taxes "to offset the effects which a tremendous growth in state spending and inflation have had on the average family's tax bills."

## Indians Eke Out First Scenic Win; Rapped by Hot Appleton Lutheran

Kewaskum won its first game in six tries and dealt Pewaukee its sixth straight conference loss, 75-74, at Pewaukee Friday. The two teams had been tied for last and the victory moved the Indians out of the basement and into a tie for sixth place.

Mark Tessar, who had missed the last five games because of illness, was back and paced his team with 17 points. His two free throws with 20 seconds left gave Kewaskum the lead for good (73-72). These were followed by two by Dale Poling. At the buzzer Pewaukee made one final shot, leaving the Indians victorious by one point.

After trailing by 12 points at the quarter, Kewaskum didn't take the lead until the last 21 seconds.

Balanced scoring won it for the Indians. Behind Tessar's 17, Poling scored 16. Al Jaeger 15 and Roger Rezel 14.

Kewaskum got a big lift from making 23 out of 36 free throws while the Pirates hit on only 12 of 21.

Pewaukee's Mike Lawrence was the top scorer with 30 points.

Kewaskum's JVs and freshmen also won for a clean sweep. The JVs won a one-sided victory, 78-39, paced by Henry Schilter's 19 points. Jim Rohlinger's 23 points paced the frosh.

In other Scenic games Friday Hartland manhandled Kettle Moraine in surprising fashion, 58-40, to break up a first place tie and take sole possession of first place. Grafton slipped by Germantown, 56-55, and Mayville nipped Slinger, 63-61.

Saturday night the Indians stepped out of the conference for an exhibition game at Appleton Lutheran and were rapped by a fantastic shooting opponent, 94-54.

Lutheran had 44 baskets and scored 20 points or better in every quarter. Besides their hot shooting, back to back games on Friday and Saturday took its toll on the tired Indians. The regulars didn't play too well and as a result subs got in a good deal of playing time.

The Indians didn't shoot well from the floor against the Appleton zone, missing 20 of 40 chances. Thirteen players scored for Lutheran, led by Rick Kressin with 20, all in the second half, and Craig Sternhagen with 17. Kewaskum (now 2-9) had just two players in double figures, Poling with 14 and Rezel with 13.

This was the first meeting

ever between these two schools and Appleton looked very impressive.

This Friday the Indians host Germantown, which also has a 1-5 record.

## Girls Hurt by Fouls In Loss to Pewaukee

In a game at Pewaukee Thursday night, the Kewaskum girls' team was plagued by fouls and lost, 44-39. Coach Mike Theller had nobody left on the bench in the last quarter.

The score was 33-32 after three quarters but when Kewaskum lost Janine Prost, Karen Wagner and Janet Matenaer on fouls, they couldn't score points. And Mary Ryan did not play because of a cold.

Prost paced the Indians with 10 points. Sue Schmidt of Pewaukee led both teams with 21.

Kewaskum is now 2-4 in the Scenic Conference.

## Kettle Riders 'Humming' Along

January has been a "super snow" month for the New Fane Kettle Riders Snowmobile Club. The club began its activities on Jan. 6 with a "Fish Fry Trail Ride" to Silver Creek with over 25 machines participating.

Keeping the momentum going, on Jan. 7, the Kettle Riders held their "Sixth Annual Big Brothers Fun Day" for the Little Brothers of Fond du Lac County.

On Jan. 14, a local club member's pub sponsored a "Chili Night." Aggie Kittel's free chili brought out over 20 machines for another night of "humming" through the Kettle Moraine.

The annual meeting and pot luck supper was held on Jan. 15. President Martin Haack, Secretary Arlene Fischer, Treasurer Marilyn Bohn and Director Glen Mueller were all re-elected to their offices. When the team works, don't break up the team. Jane Haack was made the club's Sunshine Lady and Eleanor Haack will be the club photographer.

Club members are heading for Warrens, Wis. for a snowmobile exchange weekend Jan. 20, 21 and 22.

The Kettle Riders Snowmobile Club is going and growing.

### ANNUAL MEETING AND ELECTION AT HON-E-KOR

The annual meeting will be held at Hon-E-Kor Country Club on Sunday, Jan. 22, at 4:00 p. m. The election of officers for the current year will be held and all business matters attended too. All members are invited.

Immediately following the annual meeting the league meeting will be held. The team captains are urged to attend or have someone there to represent each team.
