### Liquor Licenses, Permit Fees Increased by Village Board

By MARYANNE MERWIN Statesman Staff Writer

An increase of \$50 or a decrease of \$50? How you view the raise in Kewaskum liquor license prices depends upon whether or not you operate a tavern in the village.

Six innkeepers on hand for Monday night's vote to establish new permit and license fees were told that liquor licenses were their "price for being in the tavern business." One woman protested the entire licensing process as "discrimination" against that type of business.

The board agreed that a \$100 jump in combined Class B license prices would be "a little steep" but certainly not sudden because, according to Commissioner William Martin, fees have remained stationary in that category since 1947.

Also increased were Class A Intoxicating Liquor licenses and both Class A and B operators licenses. The latter fees amounted to \$2 increases each. Dance Permits went up from \$18 to \$25, and a Park Use permit will now cost \$25 with \$10 of that being refundable if premises are left in a clean condition.

Computerized billings for water and sewage were discussed, but more information is needed concerning set-up fees before any decision will be made. Presently clerical staff spends three weeks hand-preparing and recording the bills. Although recording would still have to be done by personnel, 16c per card would buy automatic processing and filing for the 725 to 750 accounts.

With an increase in the appraised value of almost everything these days, village officials will be considering burglary insurance to cover the possible loss of tools and equipment stored in village owned buildings. Presently covered for "damage," miscellaneous articles not even inventoried could be protected from loss due to theft for an additional \$156 per year according to insurance agent Eugene Bohn. The \$7500 worth of coverage would include the "expensive scales stored in the lower control building" at the wastewater treatment plant.

Kewaskum officially put in its bid for "federal personal property available for distribution to public agencies for public use." This would allow Kewaskum to purchase "equipment of all types," according to Bill Martin, as it becomes available on government terms, of course.

Village Assessor Virgil

Samsal was retained for this year's salary of \$1200 plus \$125 for attendance at the Assessor's Institute. Kewaskum, acording to Daniel Schmidt, is Samsal's only municipal client.

On a five to one vote Kewaskum accepted a "gift" of two sign posts designed for holding banner-type signs over Fond du Lac Avenue near the Wigwam. Paid for by the Lions, Kiwanis Club and the Chamber of Commerce, the village accepted the posts only if those organizations utilizing them would be responsible for effective maintenance and installation of any banners hung across the road. The only dissenter, Mark Kral, said that the village could not be certain of protection from liability because signs of that type "are against the law."

## Cub Scouts Hold Awards Banquet

The Kewaskum Cub Scout Pack 3744 held their Blue and Gold Banquet on Sunday. Feb. 12, at the St. Michael's Hall. Den 2 carried the flags.

Rev. William Bonesho gave the dinner prayer and a potluck supper was served.

Marilyn Haug welcomed everyone and then presented the following awards: one year pin to Wade Van Alsine; Bear gold arrows to Tim Bingen, Steve Herriges, Otto Ramthun and Brian Spartz; Wolf to Bill Nigh.

Webelo leader John Kasseckert presented the following pins: Shawn McKenna-Citizen, Engineer, Forester, Geologist, Scholar, Scientist, and Showman; Dan Bingen Scholar, Aquanaut, Traveler, Outdoorsman and Naturalist: Dan Ramthun-Scholar, Scientist, Traveler, Citizen, Naturalist, Outdoorsman and Aquanaut; Paul Poznanski-Scholar, Traveler, Outdoorsman, Forester, Showman and Scientist; Brad Kasseckert-Traveler, Scholar, Aquanaut, Citizen, Forester, Scientist and Engineer.

Mark Anderson and the Circusphere provided entertainment for the evening.

Rev. Darrell Joiner gave the closing prayer and Den 2 the closing flag ceremony.

The Cub Scouts would like to thank the guests, parents. leaders, committee members and scouts for helping to make the Blue and Gold Anniversary a happy occasion.

The scouts would also like to thank the cubs who participated in the church services on Feb. 12 in their various

### Woman Dies Of Injuries In Area Crash

An elderly woman who died of injuries suffered in a nearby traffic accident late Tuesday morning was counted as Washington County's second traffic fatality of the year, according to County Coroner Robert Boltz.

Pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, was Alice M. Stange, 72, of R. 1, Elkhart Lake. Boltz reported that internal injuries caused her death.

Reportedly Mrs. Stange talked to Kewaskum rescue squad personnel after the accident but grew progressive. ly weaker enroute to the hospital and died.

It was said she ran a stop sign on Westcott Road (County HH) at State Hwy. 28, about one mile east of St. Michaels and four miles east of Kewaskum in the Town of Farmington. The accident occurred around 11:22 a. m. Tuesday. Her car was struck broadside by another car driven by John D. Conway. 58, of 6360 N. Lake Drive, Milwaukee.

Conway reportedly suffered a head bump, while Clarence Stange, 74, R. 1, Elkhart Lake, sustained possible internal injuries, according to the Sheriff's Department report, and was in satisfactory condition Wednesday morning at St. Joseph's.

#### **Board of Education** Meeting on Monday

A regular meeting of the Kewaskum Board of Education will be held Monday, Feb. 27. The meeting will be held in the district administrative offices and will begin at 8:00 p. m.

Agenda items will include a discussion on repairing the air conditioner at the Middle School, bus transportation, requests for leaves of absence, a resignation, and approval of teacher contracts for 1978-79. Payroll and vouchers payable and miscellaneous items which may arise will also be among items taken up by the board, as will appointment of committees on salaries and wages.

A closed meeting will follow the open session. Teacher negotiations and compensation and evaluation questions of personnel not on negotiated schedules will also be discus-

#### MICROWAVE CLASS

The MPTI course in the use of the microwave oven is scheduled to begin on Tuesday, March 7, at 7:00 p. m. Call Kewaskum High School at 626-2166 to register or for more information.

### Blood Bank Here Tuesday

On Tuesday, Feb. 28. the Milwaukee Blood Mobile unit will be in the 700 area of the high school between the hours of 1:30 and 6:30 p.m. All past donors will receive postcards prior to the day, but new donors are encouraged to walk in. The no-appointment procedure was tried last September with little or no waiting for the donors. Therefore, it will be done that way again.

If you have a cold or the flu, have had major surgery. are under 110 pounds, pregnant, or traveled out of the U. S. within the past 6 months, you cannot donate blood at this time. If you ever had hepatitis, jaundice, cancer, heart disease or diabetes, you are unable to be a blood donor.

It doesn't take much time. Recording your confidential medical history, taking your blood pressure and testing a single drop of blood from your earlobe takes about 15 minutes. The actual drawing of the blood only takes 4 to 10 minutes.

If you are 17 years, you will need a Blood Center consent form signed by your parent or guardian. If you are 18 you can make your own decision to be a donor. You may donate every 10 weeks, but not more than 5 times 12 consecutive in months.

If anyone would like more information on this, please call Gloria Rodenkirch at 626-4021 or Sandy Remmel at 626-2210. Four hundred pints of blood are needed every day to supply the 37 hospitals served by the Milwaukee Blood Center. Someone will be needing yours!

#### Make 275 Mile, 22 Hour Trip From Milwaukee to Crivitz Via Snowmobile

from Kewaskum, journeyed from Milwaukee to Crivitz on snowmobiles last weekend. It was a 275 mile trip by snowmobile and took 22 hours of actual riding time.

Those who participated on the long ride were Gary Esser, Kewaskum, Tom Buzjak, Bruce Wankowski, Dennis Wankowski, all of Milwaukee, and Ron Houghten, Germantown. They are cousins of Gary Esser.

The group began their trip from the northern part of Milwaukee on their snowmobiles on Thursday with numerous tools, mechanical supplies, maps, extra gasoline. refreshments and a CB radio. They stayed at the home of Mr. and Mrs. Roy Esesr of Kewaskum on Thursday night.

They set out from Kewaskum at 9:00 a. m. Friday morning and arrived at the

#### 49 Votes Cast in Village, 22 in Town

In Tuesday's Judicial Primary Election, only 49 votes were cast in the Village of Kewaskum to nominate candidates for Court of Appeals Judge, District II to a fouryear term.

Results were: John G. Buchen, 32; John K. Brendel, 11; Richard S. Brown, 5; one blank.

Buchen, a Sheboygan County judge, and Brown, an Oshkosh attorney, were nominated for a four-year term on the new state appeals court in the district.

In the Town of Kewaskum a mere 22 ballots were cast with the following results: Buchen 14, Brendel 7, Brown 0, ore blank.

Five men, including one Howard Johnson Motel in Green Bay at 7:00 p. m. Friday night.

The group left Green Bay at 9:00 a. m. Saturday and reached their destination of Crivitz at 7:00 p. m. While in Crivitz they stayed with an uncle, Robert Bizjak.

#### Girl Scouts Are Thankful

Representatives from Amity Leather Products Co., Regal Ware, Inc., and The West Bend Co. have agreed to participate in a panel discussion titled, "A Range of Possibilities," as part of a dinner/ seminar sponsored by MPTI's Women's Center Thursday. March 9, from 5:00 to 10:00 p. m. at the Holiday Inn in West Bend.

Rick Jelmeland, Manager of Industrial Relations at Amity, Jim Moran, Director of Industrial Relations at Regal Ware, and Dave Oppermann, Manager of Employment and Salary Administration at the West Bend Co. will discuss tob opportunities for women in both traditional and nontraditional areas. They will offer tips for landing jobs and promotions. Plenty of time will be available for questions.

The panel is one of six workshops scheduled after the keynote address and dinner. Each workshop runs twice in order that participants may attend two of the six during the evening. Workshops include: "Professional People Changing Jobs," "Concerns of Office and Sales Workers," Concerns of Women in Business. Management and Supervisory Positions," "Bridging the Gap: Reentering the Job Market." "Vocational Testing: Looking Ahead," and the panel discussion. The large number of choices have been offered in the hopes that attendance in each will be small enough for a productive discussion.

#### Area Landowners Develop Plans For Conservation

The Washington County Soil and Water Conservation District of Wisconsin, and the Secretary of Agriculture. United States Department of Agriculture, have entered into a Memorandum of Understanding, which was signed by the District on Jan. 15. 1944. Under the terms of this agreement and of the United States Soil Conservation Act of 1935, Soil Conservation Service is authorized to cooperate with and to furnish assistance to government agencies such as the Washington County District (SWCD) for erosion control and soil and water conservation work.

The Soil Conservation Service (SCS) gives technical assistance to individuals, groups of landowners, organizations. developers, cities and towns and county and state government in reducing the costly waste of land and water resources and in putting to good use these national assets. The objective is to use and treat the land in harmony with its capability and needs. In urban and rural areas alike, SCS works to halt soil eroston and sedimentation, to control floods and water pollutants in effect, to improve the environment.

In Washington there are approximately 700 landowners who are cooperators with the District. Recent new cooperators are: Tom Walsh, Hartford twp.: Joe Anderson, Wayne twp.; Joe Altschafel, Farmington twp.; Wm. Hayes, Addison twp.: Gary Schladweiler, Farmington twp. These landowners are interested in conserving the soil on sloping cropland, in planting of trees for woodland, in preservation and increase of wildlife. In 1965 Washington County completed the soil survey. These soil maps served as a base for conservation plans, as a guide in selecting land for houses, factories, schools, airports, highways and shopping cen-

Once again the Food For America Program is going strong with Pat Hanrahan in charge. We have taken the students to Widmer's Cheese Factory in Theresa for a field trip to close out the program. We would like to thank the schools for their cooperation and Widmer's Cheese Factory for the excellent tours they

Early founders of the Future Farmers of America in 1928 brought forth a new idea that was sure to strengthen vocational agricultural education. It was an organization where students could apply what they learned in the classroom to their own farming experiences and to their own lives. The Learning By Doing principle

That sound principle has been the foundation for a 50-year success story. Millions of young men and women have studied vocational agriculture and participated in FFA since the beginning. Their agricareers were ignited by the program.

The principle of Learning By Doing is still working. The founding ideals and basic concepts of FFA and vo-ag have never really changed. But there have been new faces, new colors, new ideas, new people, new techniques and a new agriculture.

This national organization of students, over 500,000 now as compared to under 30,000 in 1928, is made up of high school students who have an objective to be a part of American agriculture. They recognize how far agriculture has come in 50 years. And they appreciate what it was like in the past. They can look back . . . "achievements won by the present and past generations

They recognize, too, how far they can go and how great the future is. Yet they appreciate what they've got to do to prepare for

It is in preparing young people for the variety of roles in the future of America's agriculture that vocational agriculture and FFA excels. Key to the preparation process is the local vo-ag instructor-chapter advisor.

A vo-ag instructor who took the class out to a turf farm for a look-see into a new career field. An ag teacher who cares and equips his classroom with the very latest teaching tools. A goodsport who served as umpire in the ballgame at leadership camp. A friend who encouraged dad and son to form a partnership.

The chapter advisor who led the hort team through a practice session in the orchard. The patient advisor who helped the Greenhands learn how to carry out their park beautification project. The helpful advisor who "let" the members set up a corn

Then, too, the proud advisor sitting unrecognized in the crowd as a member gives a speech, serves as chairman or gets an

Thus, the tried and proven Learning By Doing principle, effectively put into practice by instructors in 8,000 high schools, moves FFA and vo-ag ahead. Just new faces, new ideas, new techniques, new people.

And the National Organization of FFA will thrive another 50

FFA at 50, A Golden Past-A Brighter Future. This theme was used by many Future Farmers of America Chapters across the nation this year. They joined together in celebrating the 50th Anniversary of the FFA.

The FFA was organized in November 1928 for the purpose of forming an organization in which students of vocational agriculture could receive practical training in agriculture, leadership, cooperation, and citizenship.

Our local FFA chapter participated in various activities throughout the year. Some of these included: workshops, conferences, radio programs, newspaper articles, special meetings, and the National and State FFA Conventions.

Two of the year's highlights were FFA Week, Feb ruary 18 - 25, and the annual Parent - Member Banquet. At this banquet members were recognized for achievements they had made. They also received awards for their outstanding efforts.

For the first time ever the Kewaskum Chapter of Future Farmers of America took part in the nation-wide fruit sale. We sold about 750 cases of oranges and grapefruit. Here the chapter Vice-President, Bryant Borland is seen displaying a case of oranges.

#### In the Service

Navy Engineman Second Class Daniel O'Connor, son of Steve O'Connor of R. 2. Campbellsport, recently returned from an extended deployment in the Western Pacific.

He is serving as a crewmember aboard the fleet oiler USS Ponchatoula, homeported in Fearl Harbor, Hawaii. While deployed, his ship operated as a unit of the U.S. Seventh Fleet.

During the six-month cruise, his ship participated in several training exercises with other Seventh Fleet units, in addition to a two-month cruise in the Indian Ocean with units from Britain, Iran and Pakistan. During the deployment he and his shipmates also had the opportunity to visit Guam, Hong Kong, Australia, Bahrain and Kuwait.

His ship is 656 feet long and carries a crew of 360 officers and enlisted men. She is designed to provide underway replenishment of aviation fuel, petroleum and ammunition, plus dry and refrigerated stores for ships of the Fleet.

A 1974 graduate of Campbellsport High School, he joined the Navy in October

#### THANKS EXPRESSED

We would like to thank the Class of 1966 for the very nice painting they donated to Kewaskum Community High School in memory of Cliff. We would also like to thank them for the money contributed to the Sgt. Clifford J. Bales Scholarship Fund. It will be a part of the scholarship awarded

It was a thoughtful gesture in his memory and an investment, on your part, in some student's future.

Thank you very much. The family of

### Annual Kewaskum Kidney Drive

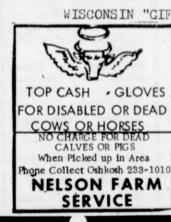

BARBARA MASTERS, PRESIDENT OF THE MILWAUKEE CHAPTER OF THE WISCONSIN KIDNEY FOUNDATION, ANNOUNCED TODAY THAT UNIFORM DONOR CARDS ARE TO BE DISTRIBUTED IN THE KEWASKUM AREA DURING THE MONTHS OF FEBRUARY AND MARCH. THE CARDS WILL BE DISTRIBUTED FROM NEIGHBOR TO NEIGHBOR IN THE KIDNEY FOUNDA-TION OF WISCONSIN NEIGHBORHOOD PASS KITS. EACH KIT CONTAINS ORGAN DONOR CARDS AND DRIVER'S LICENSE DONOR DOTS, INDICATING THAT A PERSON WISHES TO BE A POTENTIAL ORGAN DONOR.

BARBARA SAID, "THERE ARE NOT ENOUGH KIDNEYS FOR THE MANY PERSONS WHO NEED THEM." THERE ARE NEARLY 500 PERSONS IN WISCONSIN DEPENDENT ON THE ARTIFICIAL KIDNEY MACHINE TO SUSTAIN LIFE. MOST OF THEM COULD LEAD A RELATIVELY NORMAL AND PRODUCTIVE LIFE IF ENOUGH KIDNEYS WERE AVAILABLE FOR TRANSPLANTATION.

SHE ALSO POINTED OUT THAT KIDNEY DIALYSIS COSTS \$20,000 TO \$30,000 PER YEAR PER PATIENT. MEDICAL SCIENCE CONTINUES TO IMPROVE THE PROCEDURES FOR ORGAN TRANSPLANTS AND IN DEVELOPING TECHNIQUES FOR TRANSPLANTING THE LIVER AND PANCREAS, AS WELL AS THE KIDNEYS, EYES AND HEART. SHE SAID, "DURING 1977, APPROXIMATELY 4,450 KIDNEY TRANSPLANTS WERE PERFORMED IN THE UNITED STATES. IF THIS TREND CONTINUES, MORE THAN 5,200 TRANSPLANTS CAN BE EXPECTED BY 1984."

IT IS HOPED THAT PERSONS RECEIVING THE PASS KIT IN THE KEWASKUM AREA WILL TAKE A UNIFORM DONOR CARD FROM THE KIT. THE KIT ALSO CONTAINS INDIVIDUAL ENVELOPES, ENABLING A THOUGHTFUL INDIVIDUAL TO ENCLOSE A CONTRIBUTION TO THE FOUNDATION. THE KIT IS THEN PASSED ON TO THEIR NEIGHBOR ACCORDING TO THE INSTRUCTIONS. THE LAST PERSON ON THE LIST RETURNS THE KIT IN A PROVIDED SELF-ADDRESSED RETURN MAILER.

"THE PASS KIT METHOD SAVES TIME AND MONEY, SO MORE OF THE CONTRIBUTOR'S DOLLARS GO TOWARD LIFE SAVING KIDNEY FOUNDATION PROGRAMS," BARBARA MASTERS STATED. MONIES RAISED WILL BE USED TO HELP THOSE PERSONS AFFLICTED WITH KIDNEY DISEASE IN THE KEWASKUM AREA THROUGH THE KIDNEY FOUNDATION OF WISCONSIN "GIFT OF LIFE" PROGRAM.

For the fifth consecutive year, the Wisconsin Department of Transportation is conducting a winter maintenance program on the state trunk highway system designed to provide priority service for highways based on traffic volume, a release

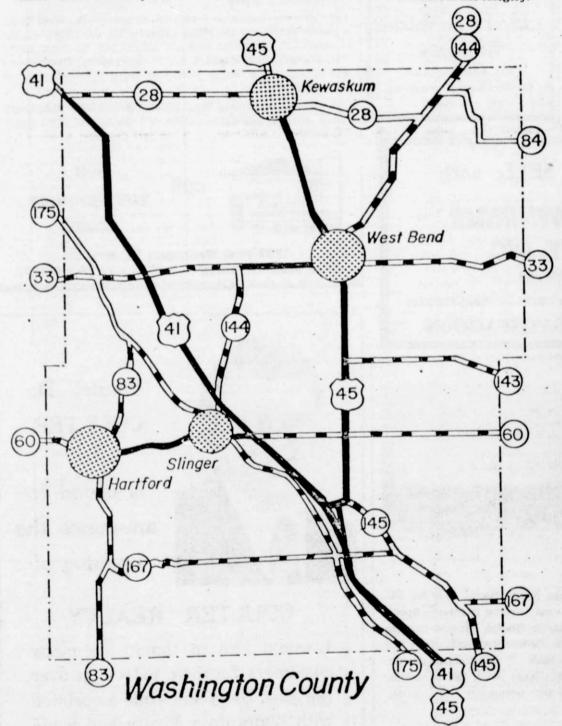

John White, chief maintenance engineer of district 2 in Waukesha, said that guidelines are based on traffic counts to reduce inflated costs and improve energy conservation. Guidelines are:

CLASS 1 - 5,000 or more vehicles daily, 1,630 miles in state: around-the clock service; bare pavement as soon as possible. All Interstate

routes are in this category. CLASS 2 - 1,000 to 5,000 vehicles daily, 6,190 miles in state: reduced service between 8 p.m. and 4 a.m. on weekdays and all day Sunday; bare pavements as soon as possible after storm.

CLASS 3 - Fewer than

1,000 vehicles daily, 3,570 miles in state: no service between 8 p.m. and 4 a.m. on weekdays and all day Sunday, except to keep them passable in all types of storms; bare pavement near center of highway of sufficient width for traction in both directions as soon as possible after storms, with full width bare surface on hills, curves and at intersections. All the rest of the state roads not shown in Class 1 or Class 2 are in this category.

#### Minutes of Village **Board Meeting**

Regular Meeting February 6, 1978 8:00 P. M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin. met in regular monthly session in the Council Room of the Municipal Building.

President Charles Miller presided. Trustees Robert Danielsen, Daniel Schmidt and Mark Kral were present. Trustee Raynor Herriges had called to say that he would be late. Trustees Gregor Nigh and David Nigh had asked to be excused and were absent.

The Commissioner noted that there were two errors in the printing of the minutes of the meeting of January 16. In paragraph five, it was Trustee Schmidt that had volunteered to check on the sign posts and not Trustee Danielsen. In the second last paragraph of the minutes, it was the intention of Trustee Dave Nigh that an open house be held only at the waste water treatment plant and the village garage and not at any of the other village facilities unless the Board Members so wished. In all other respects, the minutes of the meeting of January 16 were approved as printed. Motion by Trustee Kral, seconded by Trustee Schmidt. Unanimous approv-

A public hearing was held on a proposed ordinance relating to the adjustment of the village's license and permit fees. Local business people appearing in opposition to the license and permit fee increases were Lloyd Keller. William Kulas, Rose Kuehl. Robert Flynn, William Edwards and Roger Schmitt. All citizens present were given opportunity to voice opinion on the proposed ordinance. The public hearing was declared closed at 8:35

Sealed proposals for the purchase of a new police car were opened by President Miller, were publicly read and were tabulated as fol-

Chief of Police Hlavaty reported that Dr. Sison's request for right hand passing lanes along U S Highway 45 near his new clinic building had been referred to the Washington County Safety Committee and to the Wisconsin County Safety Committee and to the Wisconsin State Highway Commission on August 23, 1977. The State Highway Commission will consider the request when the upcoming budget for this type of construction is formulated.

The 1978 salary request of Assessor Virgil Samsal for \$1,200.00 plus \$125.00 for attending the yearly Assessor's Institute was tabled until the Februray 20th meeting upon motion by Trustee Kral, seconded by Trustee Danielsen. Motion carried.

The proposal of the Lane Tank Company, Menomonie, Wis., for the installation of a six inch overflow pipe down to ground level from the top of the water tower at a cost of \$1,465.00 was accepted and approved and the President and Commissioner were authorized to execute the contract forms. Motion by Trustee Danielsen, seconded by Trustee Kral.

Roll call vote - 4 "Aye" 0 "Nay"

The Commissioner was instructed to contact the village's insurance carrier, Eugene Bohn, and invite him to the February 20th Board meeting to discuss the possibility of additional burglary insurance. Motion by Trustee Schmidt, seconded by Trustee Kral. Unanmous vote.

Peter Albers was granted permission to remove the cabinets in the village owned house at 1603 Fond du Lac Avenue to be used in the lab area at the waste water treatment plant. Motion by Trustee Danielsen, seconded by Trustee Schmidt. Unanimous vote.

It was the decision of the Viilage Board that the village owned house at 1603 Fond du Lac Avenue should be auctioned off for demolition. Motion by Trustee Schmidt. seconded by Trustee Danielsen. Unanimous vote.

New chlorination equipment for the waste water treatment plant in the amount of \$2,100.00 was approved by the Board. Motion by by Trustee Kral.

Roll call vote . 4 "Aye"

0 "Nay" The Police Department was authorized to purchase rain suits for the use of their personnel. Motion by Trustee Schmidt, seconded by Trustee Danielsen. Unanimous vote.

Discussion was held with reference to planning for future additions to the waste water treatment plant as required by the EPA and which must be in operation by 1981. It was agreed that interested engineering consultants would be interviewed on March 14 and 15.

President Miller was grant-

ed permission to draft a resolution for making application to the State of Wisconsin for surplus federal commodities. Motion by Trustee Schmidt, seconded by Trustee Kral. Unanimous vote.

The Recreation Committee was charged with the task of formulating an update to the existing recreation plans.

Disaster Director. Marvin Martin, was authorized to attend the Governor's Disaster Conference at Madison. Motion by Trustee Schmidt, seconded by Trustee Kral. Unanimous vote.

Upon the recommendation of the Chief of Police, the Board approved the purchase of a new police car from Meyer Ford of Campbellsport for the apparent low bid of \$3,660.00. Motion by Trustee Danielsen, seconded by Trustee Schmidt.

Roll call vote 4 "Aye" 0 "Nay"

Discussion was held on the type of accounting system which will be needed in order to obtain future State aid for roads and streets.

RESOLUTION NO. 78-1 BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the firm of Kannenberg, Kieckhafer and Company, Certified Public Accountants of West Bend, Wisconsin, be retained and are hereby authorized to audit the records of all departments of the Village of Kewaskum for the fiscal year ending December 31, 1977.

Introduced by Trustee Daniel Schmidt.

Motion for adoption by Trustee Mark Kral. Motion for adoption second-

ed by Trustee Robert Danielsen.

Roll call vote - 4 "Aye" 0 "Nav"

Proposed Ordinance Number 78-1 relating to the adjustment of license and permit fees was tabled until the February 20th meeting upon motion by Trustee Schmidt, seconded by Trustee Kral. Unanimous vote.

President Miller reported the following: Since its inception in May of 1974, the Kewaskum Junior Woman's Club Recycling Center has collected approximately 25 .-000 pounds of glass, 5,000 pounds of tin and several hundred pounds of aluminum. Since June of 1975, the Kewaskum Lions Club has collected for recycling approximately 265,000 pounds of newspaper.

Trustee Herriges arrived at this point

The Commissioner was in structed to prepare a special mailing reminding all residents of the village that all grease and oil must be excluded from the sanitary sewage system.

Trustee Schmidt, Chairman of the Administrative Committee, reported that his committee had determined that employees normal work day shall be eight (8) hours and the normal work week shall be forty (40) hours. The committee also recommended that a correction should be made in the December 1977 wages of four employees and that a correction should be made in

the December 1976 wages of two employees. The adjustments totaled \$55.00. Motion was made by Trustee Herriges, seconded by Trustee Kral that the recommendations be approved. Unanimous vote.

Motion was made by Trustee Herriges, seconded by Trustee Schmidt that the Village use the re-imbursement plan for the payment of unemployment compensation. Unanimous vote.

A letter from Tom Blotz of the DNR seems to indicate that funding for the Park Development Project would be available in 1978. A progress report on the Park Development was also received from Arthur and Associates, the engineering consultants.

The Village Attorney will be asked to draft an ordinance to amend the village's Subdivision and Platting Ordinance to include the construction of sidewalks by the subdivider in new subdivis-

### Indians Edge Pewaukee for 2nd Time, Tie for 6th Place

In another close game, Kewaskum defeated last place Pewaukee for the second time this season here Friday, 65-60, earning the Indians a tie for sixth place with Germantown

Trailing 42-39, a 26-point fourth quarter iced the game for the Indians. In an earlier meeting in January, Kewaskum also pulled out a last minute victory, 75-74, over the Pirates.

A lack of depth on the bench again hurt Pewaukee in the last period. But in the first half the Indians were badly rebounded, 24-14, had numerous turnovers and couldn't get their offense moving. After trailing 12-4, four baskets by Dale Poling and a pass to Mark Tessar enabled Kewaskum to take their first lead just before the quarter.

The Pirates' Mike Law-rence, one of the top scorers in the conference, and Pete O. ple scored well in the second quarter and Pewaukee led again at halftime, 32-29. Each team scored 10 points in the third quarter.

The Indians took the lead through the last midway quarter on a three-point play by Roger Rezel and held it the resat of the way. Tessar hit on 2 field goals and eight for eight free throws in the hot fourth quarter.

Tessar tied with Lawrence of Pewaukee for scoring honors at 23 points each. Rezel had 17 and Poling 16.

In other Friday contests Grafton defeated German. town, 49-41, Mayville squeezed out a 65-64 victory over Slinger, and Hartland surprised Kettle Moraine, 56-47. In a makeup game Tuesday Hartland routed Grafton, 66. 47, leaving a three-way tie for first place. The tie will be broken Friday when Mayville plays at Hartland and Graf. ton hosts Kettle in final games.

Kewaskum made a sweep of it as both the JVs and freshmen also won over Pewaukee. The JVs were victorious 64-30. Henry Schilter led with 19 points. The frosh won, 81-75 in a high scoring duel. Jim Rohlinger was high

#### Girls Lose Last Two Games to Kiel, Pewaukee

In their last two games before the tournaments, the Kewaskum girls' teem was defeated at Kiel in a nonconference contest Tuesday, 61-49, and also lost to Pewaukee here Thursday night, 48-

Kiel was paced by a 28point performance by Heidi Freis. Again Kewaskum had a bad first half and trailed at halftime by 12 points. From then on they played their Packerland Conference opponents on even terms.

Although Kewaskum made a pretty good offensive showing, Coach Mike Theiler was not pleased with his team's defense. He singled out Sharon Wagner for good play. She had 8 points and Yvonne Schacht led the Indians with 21 points.

Before a Parents' Night crowd here Thursday, tall Pewaukee had enough scoring power from two players to get by Kewaskum, 48-32.

The Indians had problems before the game even started. Karen Wagner was in the hospital with a concussion suffered in the Kiel game. Then center Mary Ryan and forward Sharon Wagner both sprained ankles in the second half and had to retire.

Pirates Sue Schmidt and Lisa Hansen made the difference with 19 and 18 points. Schmidt also had 24 rebounds, most likely a school record. Schacht had 8 sophs Janet Matenaer and and Tracy Schleif 7 and 6 respectively. Schleif was moved up from the JV's to replace Wagner. She and Kaye Weinreich were cited for good efforts.

Kewaskum finished 5.9 in the Scenic.

The JVs were 25.15 winners. Ann Stoffel and Joan Hanrahan led with 6 points each. The frosh lost 30-19.

#### Lakes Team Beats West Bend, Upsets **Division Leaders**

In weekend games, Kewaskum's Lakes team won two big victories. Saturday night at home they defeated West Bend handily, 117-94, and Sunday night at Thiensville-Mequon they upset the "B" Division leaders in double overtime, 109-105.

The return of 6-6 center Chuck Wallace to the team helped Kewaskum in both games. Kewaskum outscored West Bend in every quarter and led at halftime, 57-49. The winners hit on 18 free throws while the Lithias made only 3. However, West Bend hit 64.3% from the floor to Kewaskum's 50%

Kewaskum's starters all hit in double figures, with Tom Zoch and Ken Loest leading the way with 33 and 24 points respectively. West Bend was paced by Tim Zet. tel with 28 and Lee Young with 24.

In the double overtime win over the Twins Sunday, the score was knotted at 86-86 after regulation time and 94-94 after the first overtime. It was a hard-fought defensive battle and one of Kewaskum's finest games of the

Thiesville - Mequon blitzed to a 25-9 lead in the first quarter but Kewaskum fought back to pull within 2 points. 39-37, at halftime. From that point it was a close game to the finish. Big baskets at the start of the second overtime and clutch free throws won it for Kewaskum. It was a team victory with everybody contributing. This was the third year in a row that Kewas. kum and the Twins have gone into overtime at Thiensville - Mequon and Kewaskum won all of them.

Zoch again led the scorers with 34 points. Bill Cramer paced the Twins with 32.

This Sunday Kewaskum plays at Hartford at 7:30.
