Week's Wit

The female crocodile lays 3000 eggs a year, then the male eats up 2999. If it was not for the male we'd be up to our knees in crocodiles.

New Sison Medical Clinic Opens Tuesday

Drs. Cesar and Aurora Sison (left) and Dr. Florizel Castro.

Additional photos
on pages 10 & 11

By MARYANNE MERWIN
Statesman Staff Writer

Tuesday marked the opening day of the Sison Professional Building at 1040 Fond du Lac Ave.

The finished upper level of the Sison Building will be shared by Drs. Cesar Sison and Florizel Castro serving Kewaskum in the area of family practice. Working from a total of eight examining rooms, a nurses' room, business office, and waiting/reception room, the team expects to be able to meet most of the immediate needs of patients on a single level. The inclusion of a room for x-rays and a pharmacy in the upper level will facilitate patient care, as well.

The lower level of the building, to be completed very soon, has office space for Dr. Dennis J. Connor, a dentist, presently sharing rooms with Dr. F. E. Nolting, and Drs. Renato and A. Estrella, a husband and wife team. Dr. Renato Estrella is a specialist in obstetrics and gynecology, while his wife is a family practitioner. Dr. Connor had a hand in designing his own office space to suit his needs, while Dr. Estrella will control an area encompassing four examining rooms, a nurses' room, waiting room and receptionist area, and office. There will be a staff lounge

in the building for professional personnel, too.

Dr. Cesar Sison hopes to devote more time to his specialty - surgery - with the addition of more staff to fill the needs of the Kewaskum area residents who have come to depend upon his service in the past 6½ years since his arrival. The need for expansion and an increase in professional care became evident to him almost immediately after his arrival to the area in 1971.

Sison and his wife Aurora, also a general practitioner, actually came to Kewaskum

Preview

In a special interview and picture-taking session Sunday the publishers of the Statesman were given a guided tour of the new professional building by Drs. Sison and Castro, and were very impressed with the beautiful, modern new facility.

as visitors to the area. They first opened offices in Kewaskum on July 6, 1971 and also maintained offices in Campbellsport for a time. According to Sison, they "gave up Campbellsport about three years ago" when the retirement of Dr. R. G. Edwards became imminent.

Dr. Aurora Sison, presently aiding her husband by utilizing her skills in anesthesiology,

expects to devote more time to the area of medicine when their three sons, ages eleven, seven and four are a little older. Having planned and built a home in the Village of Kewaskum, the Sisons are content that Kewaskum is a good place to raise a family. After spending eight years in Chicago, during which time both doctors learned their specialties, and having lived one year in Milwaukee, the Sisons have sampled enough of both city and rural living to make an educated decision.

Their new professional home promises to give them enough room to practice medicine and enough space for patient comfort, including a fifty-space parking lot on the premises.

Access to and egress from the lot, however, have been a matter of concern to the Sisons. Although the posted speed limit for that area of Fond du Lac Avenue is 45 m. p. h., many motorists have been found still traveling closer to the 55 m. p. h. posted further south on Hy. 45. As reported by police chief Donald Hlavaty at a recent meeting of the Village Board, letters detailing the immediate need for a 30 or 35 m.p.h. limit near the clinic have gone unheeded by state officials. Hlavaty explained that long-range plans include a request for the addition of a strip of blacktop to permit drivers traveling past the area to smoothly and safely circumvent those turning in-

Drs. Renato and A. Estrella.

to the parking lot. No money could become available, according to Hlavaty, until July 1, if the state O. K.'s the project.

Dr. Sison said that he personally contacted Commissioner Randall Flemming about lowering the speed limit, but nothing has been done yet. "I'm worried about having a lot of heavy traffic,"

Sison confided. "I would like to avoid accidents." A natural reaction to a preventable problem by a man devoted to the health and well-being of a community.

Plans are being made for an open house of the Sison Professional Building after completion of downstairs offices is final.

School Board Reaffirms Busing Policies on Walking Distances

After recent concern over walking distances and transportation policies for the School District of Kewaskum, some confusion developed as to what the board meant by a "return to original policies." In a motion "to reaffirm the policies on walking distances" approved Monday night by a full board, students who had been walking to pick-up points within the maximum half-mile limit would again be doing so with board sanction. Bus drivers ignoring this policy by extending "special favors" would be investigated according to promises made by John Tessar of the board's transportation committee.

For the Roger Reif family, a return to "original route" plans would mean pick-up at their home after the cessation of a temporary rerouting which meant a walk "just over two-tenths of a mile" for the past "six or seven school days." Their situation will have been reviewed by the committee Wednesday morning, along with requests made by several of the other

half-dozen parents in attendance at Monday night's board meeting.

Committee member John Tessar said he didn't "blame people one bit for complaining" about practices only recently brought to his attention concerning individual drivers making exceptions to board policy. James Oelhafen indicated that buses are routed "to run them as economically as possible." Supt. Floyd Brenholt commented that decisions on individual cases were, he felt, made "on the basis of the safety of the children."

Social worker David Schroeder, employed by the Kewaskum schools for more than a year, was released from his contract effective Feb. 28. Accompanied by a letter from his attorney and a specific release from renewal of his contract, Schroeder requested a release "for personal reasons." Although his name remained on the list of contracts approved for reissuance, Schroeder plainly in-

(Continued on Page 2)

School Board

(Continued from Page 1)

icated his waiver of any further "rights to renewal."

By a vote of four to two Kenneth Soerns was granted a three-day leave of absence just preceding October's teacher convention. This is to coincide with his wedding to James Oelhafen and Jean Goeden, whose motion to allow Keith Amundson's leave for a ski trip failed for lack of a second, voted "no." Gail Filzen and Donna Johanson, who have requested leaves recently, will be asked to appear personally at the next board meeting before decisions will be made.

The lack of a door on the outside of the girls' lavatory at the high school was called "rather embarrassing" by John Tessar and "totally objectionable when we have guests in the building" by Floyd Brenholt. Discussion of alternatives prompted the board to refer the matter to Jean Goeden's Values Committee for evaluation of the "problems" involved.

Easter Bunny Luncheon Mar. 18

Who says there is no Easter Bunny? Not the Kewaskum Junior Woman's Club, which has been very busy making arrangements for a rare appearance of the Easter Bunny. The event has been set for Saturday, March 18, at the Kewaskum High School Cafeteria. There will be two settings, one at 11:00, the other at 12:30. Also booked for the Easter Bunny Luncheon are: Big Bird, Cookie Monster, Grover, and Woody the Owl.

The price of tickets is \$1.25 and they are available at Miller's Furniture, Kennelly Pharmacy, from any member, or by calling 626-2811. This is one event you won't want to miss!

from Michael Wolfgram, R.P.H.

Dr. Robt. E. Shank of Washington U. School of Medicine wrote: "There is probably no other single factor so important to the achievement and maintenance of health as is nutrition." Anyone interested in his good health should surely follow the nutrition advice in books and pamphlets by trained nutritionists, available in medical and U.S. Govt. publications. The body obviously must have the essential nutrients in sufficient quantity if it is to maintain and repair itself properly.

Kennelly Pharmacy

Woman's Club to Hear AFS Students

Kewaskum's current AFS student, Kumiko Onuma, from Japan will speak to the Kewaskum Woman's Club Saturday, March 4, at 2:00 p. m. at the Peace Church. Andreana Tarriago from Bogota, Colombia, and Julie Jotka of Kewaskum, who lived in New York on the AFS domestic program, will also talk to the club.

The books to be discussed this month are "Hersog" by Saul Bellow and "Friday the Rabbi Slept Late" by Harry Kemelman. The literary group meets on Tuesday, March 21, at 9:30 a. m. at the library. A cordial welcome is extended to anyone in the community who would enjoy this type of discussion. Mrs. Minerva Martin and Mrs.

John Kluwin will lead this discussion.

Births

BLESKACEK—A son, Joshua Matthew, to Jean and Paul B. Bleskacek, 614 Superior Ave., Oconto, WI, on Tuesday, Feb. 21, at Bellin Hospital, Green Bay. Paternal grandparents are Mr. and Mrs. Sylvan J. Bleskacek of Bloomer. Maternal grandparents are Mr. and Mrs. Donald N. Koerble of Kewaskum. Paternal great-grandmothers are Mrs. Mary Springer and Mrs. Mary Bleskacek of Bloomer. Maternal great-grandfather, is Joseph Miller of Kewaskum.

SUTTER — A daughter to Timothy and Kay Sutter, Kewaskum, Wednesday, Feb. 22.

"The Army's the only place where a commission is better than a straight salary."

Death Claims John P. Fell, Mary Reysen

John P. Fell, 77, of Route 2, Kewaskum, who farmed until 1967 and then moved to Kewaskum, died Sunday afternoon, Feb. 26, 1978, of an apparent heart attack. He was dead on arrival at St. Joseph's Community Hospital, West Bend.

He was born Aug. 23, 1900, in the Town of Ashford, a son of the late Peter and Angela Haas Fell. He married Christina Schraufnagel at St. Andrew's Catholic Church, LeRoy, on Oct. 4, 1927.

Mr. Fell was a member of St. Martin's Catholic Church at Ashford and the Holy Name Society.

Survivors include his wife; three sons, Joseph of Kewaskum, Frank of Campbellsport and Jake of West Bend; two daughters, Mrs. Richard (Angeline) Westerman of West Bend and Mrs. James (Christine) Ruplinger of Campbellsport; and 14 grandchildren. He was preceded in death by two brothers, a sister and grandchild.

Funeral services were held at 10 a.m. Wednesday at Twohig Funeral Home, Campbellsport, and at 10:30 a.m. at St. Martin's Church, Ashford. The Rev. George Etzel officiated and burial was in the parish cemetery.

Visitation for Mr. Fell was after 4 p.m. Tuesday at the funeral home.

Mrs. Mary Reysen

Mrs. Mary L. Reysen, 91, a resident of Cedar Lake Home for the Aged, West Bend, died there Sunday, Feb. 26, 1978. She resided at the nursing home for the past 5½ years.

She was born May 12, 1886, in the Town of Auburn, a daughter of the late Andrew and Wilhelmina Leitzke Braun. She was married to J. Henry Reysen at St. John's Church, New Fane, on Nov. 22, 1910, and he died on Jan. 25, 1951.

The couple lived on Route 1, Beechwood, for many years.

Survivors include six children: Roy (Edna) of Adell, Ray (Gertrude), Lloyd (Leona), Orlin (Laura), Orville (Vivian), all of Beechwood (Town of Scott) and Edna (Harold) Schult of Milwaukee. She is also survived by 13 grandchildren and 16 great-grandchildren. Four sisters and two brothers preceded her in death.

Funeral services were held at 2 p.m. Wednesday at St. John's United Church of Christ, Beechwood. The Rev. William

Kesting officiated and burial was in Beechwood Union Cemetery.

Friends of Mrs. Reysen called after 4 p.m. Tuesday at Miller's Funeral Home, Kewaskum, and at the church from noon Wednesday until the time of services.

Alice Bier

Valley Bank, of Kewaskum and Allenton, had another year of record growth with year-end assets in excess of \$39,000,000. Wayland D. Tessar, President, reported at the annual stockholders meeting that deposits increased over \$7,000,000 in 1977. This represents an increase of over \$30,000,000 since 1967.

The election of Alice Bier

as Assistant Cashier and Donald Jonas to the Board of Directors was announced. Mrs. Bier has been with the bank since 1971. She has attended various banking courses, most recently being real estate finance, in which she was the honor student. She is the wife of Ralph Bier and the mother of a daughter, Bridget, age 2. Don Jonas,

Donald Jonas

his wife Kay, and seven children reside in Allenton. He is president of Don's Elevator in Allenton, Hartford Elevator in Hartford, and is Vice President of the Slinger Elevator in Slinger. He is a director of St. Joseph's Community Hospital and active in numerous other civic and church affairs in the area. He was formerly a director of

the Allenton State Bank prior to its merger with the Bank of Kewaskum under the name of Valley Bank.

In addition to Jonas, the following directors were re-elected: Judge Milton L. Meister, Suzanne R. Nelthorpe, James D. Reigle, Gladys R. Reis, Wayland D. Tessar, Ray R. Umbs, Gerald H. Zimmel, and Charles J. Ogi, DVM.

February 25, 1978
Dear Mr. and Mrs. Harbeck:

There seems to be some confusion expressed by Kewaskum residents and patients of mine regarding the activity of my dental practice.

First, I must say that I have every intention of remaining in Kewaskum as your dentist as this appears to be of primary concern.

Second, the hours available to me to provide service for the area is directly related to the needs placed on me by the area residents. These needs, at present, are being met by having Friday office hours each week as my previous announcement in the Statesman indicated. When the needs of the community require more service I will extend my office hours to suit them.

I hope this has provided a clearer explanation of my situation. Thank you for your continued support.

Sincerely,
Dr. Filete

First Robin

Mrs. Glenn Ludwig, 1139 Midland Ave., was the first one to report a nice big fat robin amongst the snowflakes in front of their home Tuesday morning, Feb. 28. She mentioned that since last August they have counted 27 different species of birds eating at their feeders. This past week a Goshawk was spotted. The Goshawk is from the Alaska region and migrates further south when food is scarce.

Baumhardt-Mueller

Patti Baumhardt and Nick Mueller are engaged. Parents of the couple are Mr. and Mrs. Maurice Baumhardt, Box 14, Eden, and Mr. and Mrs. Harold Mueller, Route 2, Campbellsport. The bride-elect is a 1975 graduate of Campbellsport High School and is a student at St. Agnes Hospital School of Radiologic Technology. Mueller, a 1975 graduate of Campbellsport High School, is employed by Kindt Lumber Co., Lomira. The couple plans an Oct. 14 wedding.

Laue Retires From Badger Packaging

Edmund C. Laue, one of two founders of Badger Packaging Corp., Kewaskum, is retiring after 14 years with the corrugated box firm.

Badger Packaging, now a highly automated production facility, has 40 employees and its own fleet of trucks servicing customers within a 150 mile radius.

Laue, with an extensive background in the fiberboard industry, started the company in 1965 in association with Thurman C. Anderson.

Although he will leave Badger Packaging and his positions of vice president and chairman of the board, Laue plans to remain active in the business community and maintain his residence in West Bend.

Help Available In County for Fuel, Utility Bills

A small amount of money is available to residents of Washington County, age 60 and over, who may need help in meeting the costs of high fuel, or utility bills. The Energy Coldline Program is available through the utilization of Title III Older American's Act Funds and the sponsorship of the Area Agency on Aging. Persons wishing such assistance should contact Paula Callies at 338-0081 or 644-5282 if calling from Hartford or Hubertus. This is an equal opportunity program.

Also, there are Title III Residential Repair funds available through the utilization of Title III Older American's Act Funds and the sponsorship of the Area Agency on Aging. Persons wishing such assistance should contact Paula Callies at 338-0081 or 644-5282 if calling from Hartford or Hubertus. This is an equal opportunity program.

Also, there are Title III Residential Repair funds available through the utilization of Title III Older American's Act Funds and the sponsorship of the Area Agency on Aging. Persons wishing such assistance should contact Paula Callies at 338-0081 or 644-5282 if calling from Hartford or Hubertus. This is an equal opportunity program.

able to Washington County residents over the age of 60. This money can be used for materials for repairs, insulation, storm windows and doors, roofing, etc. It can also be used for railings, ramps and other installations to make a home more convenient for a handicapped older adult. Emergency furnace repairs can also be covered by this fund. For more information, contact Harriet Snyder at 334-7888. Outside the West Bend area, ask the operator for Enterprise 7888.

**JUNIOR WOMEN TO
MEET MARCH 9**

The Kewaskum Junior Women's Club will hold its regular monthly meeting at the Valley Bank on Thursday, March 9, at 8:00 p. m.

"Who Cares if Kids Learn to Read," a slide presentation, will be presented by Mrs. Bernice Hron, Barton Elementary Reading Specialist in the West Bend School District.

Hostesses for the evening will be Corey Wuebben, Sandy Remmel, Sandy Schlieter and Jackie Trzecinski.

Guests for the evening will be the Kewaskum School District teachers.

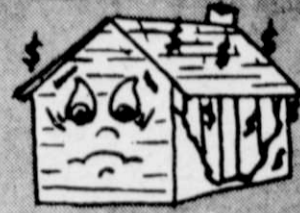

**Pro-Life Lecturer
To Address WCCL**

Dr. Monte Harris Liebman, pro-life lecturer and author of the book "Elements for Contemporary Counseling and Development," will speak at the Wednesday, March 8 meeting of Wisconsin Citizens Concerned for Life to be held at the Allenton Town Hall, Allenton, at 8:00 p. m. Dr. Liebman will speak on the topic "Psychological Effects on the Staff Workers in Abortion Clinics."

Dr. Liebman, a former Milwaukee psychiatrist, currently resides in Hartland, Wis., where he has devoted the past three years to researching data on abortion, sterilization, euthanasia, and other aspects of pro-life. He is also an assistant clinical professor at the Medical College of Wisconsin.

Pro-lifers, as well as anyone involved in counseling or other social service fields, are cordially invited to attend.

"We're most fortunate in that we never find our lost temper."

AFS Holly Hobbie Quilt Winner

Page 8
Kewaskum Statesman
Friday, March 3, 1978

Mrs. L. N. Peterson (left) of Kewaskum is shown presenting the Holly Hobbie quilt to Mrs. Elmer Wilkens of Newark Dr., West Bend. Mrs. Wilkens was the lucky

ticket holder at the drawing for the quilt on Feb. 6. Heidi Edgar, 13, of Boltonville, R. 1, Kewaskum, won the afghan.

The Wilkens family spon-

sored an AFS student from Austria during the 1974 - 75 school year and their daughter, Cheryl, spent the summer of 1974 in Denmark under the AFS program.

Staehler Elected AWSC President

Robert Staehler, 535 Keller St., Kewaskum, was recently elected President of the Association of Wisconsin Snowmobile Clubs. The AWSC election was held in conjunction with a convention in Green Bay, Feb. 18 and 19. Last year, the association consisted of 575 snowmobile clubs throughout the State of Wisconsin, totaling over 22,800 families. 23 clubs within Washington County are affiliated with AWSC, which is the largest organization of its kind in the United States, employing a fulltime executive secretary and maintaining a centrally located office in Neenah.

Staehler is a charter member, DNR certified safety instructor and past president of the Kewaskum Sno-Chiefs. He served as Vice-President of the AWSC last year, and has been a member of the Board of Directors for the past three years. Bob was instrumental in the development of the Washington County snowmobile trail system. His representation in the association has and will continue to benefit the sport of

snowmobiling within Washington County and the State of Wisconsin.

T.C. Esser buys Heil paint firm

Ray Heil, owner of the Heil Paint and Decorating Company of West Bend, has sold the company to the T.C. Esser Company of Milwaukee. Heil Paint and Decorating has been an Esser dealer for the last 36 years and during this time, the company has sold Esser products to industrial, municipal and commercial customers in the West Bend and Fox River Valley areas.

Bill Hemauer, former assistant manager and new-

ly appointed manager, said that the Esser Company will continue to operate the store with the same service that the Heil family has provided for many years.

Hemauer also noted that Esser already has plans to enlarge the number of paint products at the store.

The T.C. Esser Company, founded in 1893, operates over 20 branch organizations throughout the state of Wisconsin, Iowa, Michigan and Illinois, and has been serving the needs of painters, paint dealers, glass and general contractors through wholly owned subsidiaries. The company also has a dealer network of independently owned stores who stock and distribute Esser Paint and sundry products.

Heil Paint & Decorating Company dates back to 1918

when Nick Heil began a paint contracting business. In 1941, Ray Heil and his wife, Fern, opened a retail paint and wallpaper store at the Main Street location.

SCOUTS ENJOY HOLIDAY ON ICE AND CIRCUS

Junior Troop 17 and Cadette Troop 72 enjoyed the Holiday on Ice. The girls expected to go in January but the blizzard changed their minds. They would like to thank "Whitey" for driving the bus.

Feb. 25, the four Brownie troops and the Cub Scouts from Kewaskum had a fun day at the circus. The scouts ate their lunch at McDonald's and on the way home stopped at the West Bend Gallery of Fine Arts. The scouts would like to thank their leaders and parents for making it possible.

Local Residents Earn Acapulco Trip

Page 13
Kewaskum Statesman
Friday, March 3, 1978

Mr. & Mrs. Lester Kohn, representing Kohn Brothers, Kewaskum, are pictured at the Hyatt Regency Hotel, Acapulco, Mexico: with Mr. Orville Kocher (left) a District Sales Manager for the Gehl Company. Over 600 of Gehl's dealer family from all parts of the U.S. and the Province of Ontario, Canada earned five-day trips to Acapulco for their sales performance during the 1977 Show-up-in-Acapulco promotion.

The winners were given an advance preview of new products, new product features, service training and marketing activities.

The Gehl Company has its headquarters and main plant in West Bend, Wisconsin. Another plant is located in Madison, South Dakota. The company was founded in 1859, and today, is one of the world's leading manufacturers of forage harvesting and hay making equipment.

Vocational Education Found in Many Areas at Kewaskum High School

Page 14
Kewaskum Statesman
Friday, March 3, 1978

Vocational education at Kewaskum High School is found in many areas of the school with basic industrial arts and home economics a part of the Junior High curriculum. This is followed by sequence courses in all areas. There are 215 students in Graphic Arts I, II and III, where students start with black and white photography and the fundamentals of printing. This is followed by the use of the offset and letterpress printing. Graphics has been a very popular course and has led to a career for many students.

The Home Economics de-

partment has courses in Beginning Foods, Advanced Foods, Beginning Clothing to Advanced Clothing - Synthetics and Wool, Consumer Management is an important area for all students to be prepared in. Housing and Home Furnishings, Child Development, Human Relations and Single Living, complete the list of courses in this area and serves 518 students.

The Business Education department starts with Basic Business and Personal Typing. Many students take advantage of the Bookkeeping course, Typing I and Typing

II. The newest course in the department is Clerical Office Practice - a two hour course designed to prepare young people for working in a business office. This is one area in which students are prepared to go directly to a job. There are 297 students in Business Education. We have had more demands for graduates in this area than we have been able to fill.

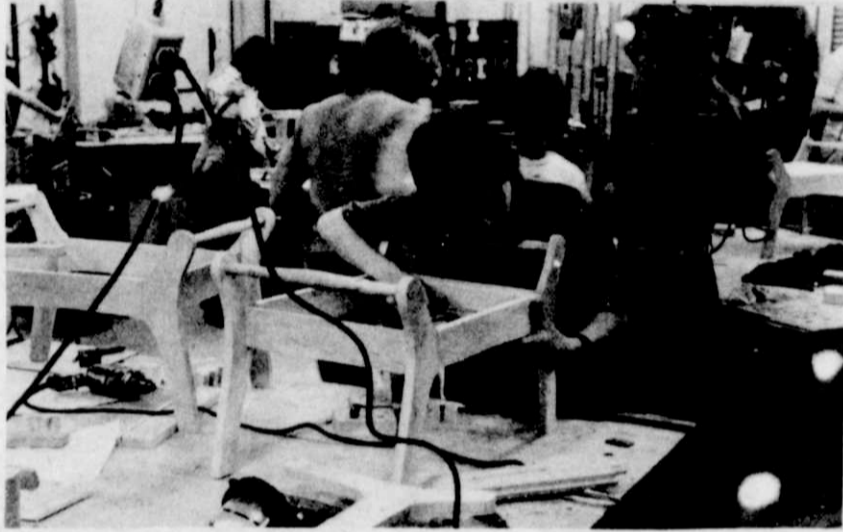

Agriculture is available to students for all four years with preparation in soils, plants, and animal husbandry plus farm shop skills with farm management as a cap-

stone course. Farming or agri-business is the career goal for 124 students.

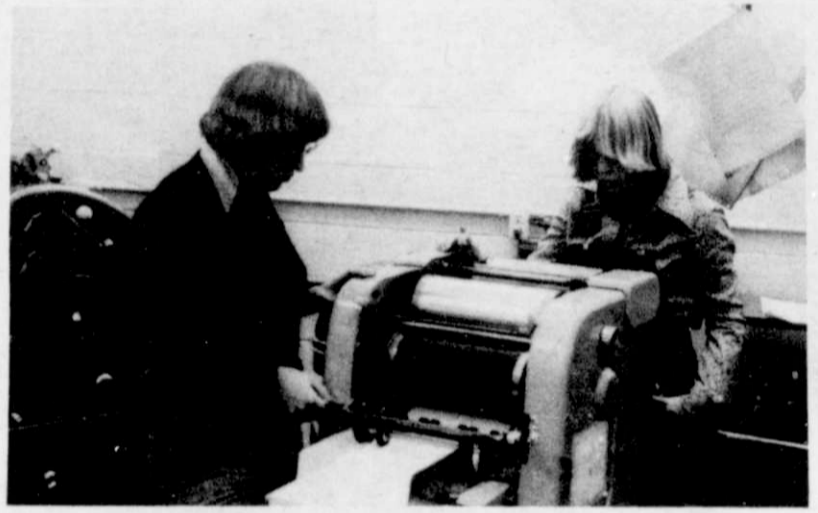

The Industrial Arts department is the largest area in the vocational wing. Students take courses in Drafting I II, Woods I and II, Metals I, II and III, Architectural Drawing, Industrial Synthetics, Power Mechanics, Electricity I and II, Welding and Auto Mechanics, which also has given the student hands on experience in body work. Building Trades is the newest addition to the curriculum and is designed to give the student a background in

frame construction and building trades. There are 682 students taking advantage of the Industrial Arts courses.

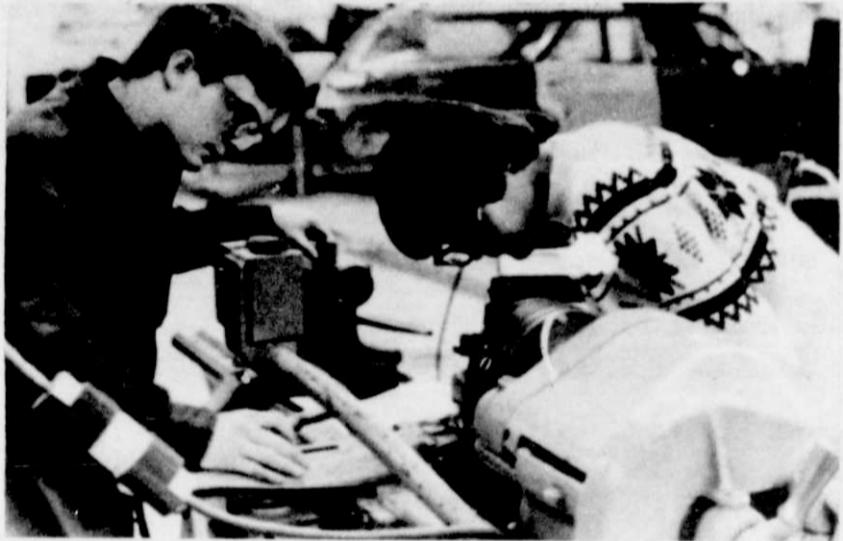

Vocational education continues for those out of high school through courses offered at Kewaskum schools through Moraine Park Technical Institute. The popular courses are Cake Decorating, Diet Delight, Crocheting, Upholstery, Ceramics, Chair Caning, Shorthand, Beverage Host, Woodworking, Welding, Small Engines, Basic Life Support, First Aid and others. MPTI will make any course available if there is a sign up of 10 or more persons.

A number of students are enrolled in Woods I. Finishing his required foot stool project is Kevin Plazak.

Two senior students, Julie Holmes and Brenda Michaels, operate an offset press in their Advanced Graphic Arts' Class. Students work on a variety of projects involving all aspects of printing.

Working on a lathe set-up operation in Metals II are Jeff Steinhardt (right) and Mike Pettit (left).

Auto body repair has interested a number of upper classmen this year. Here Donald Stern does some finishing touches on an auto that is being readied for painting.

The proper use of gas and arc welding is being taught these upper classmen in welding arts. A number of the students readily find jobs in industry following completion of their education here.

Forging a cold chisel is one of the required assignments in Metals I. Jim Haack (right) and Scott Klein (left) are developing their skills in this industrial arts area.

Lutheran Church. Mrs. Milton Straube of West Bend will be the speaker at the 7:30 p.m. service.

As already related in the press, the World Day of Prayer will be observed at St. Adrians Episcopal Church with five participating churches of many denominations. Father Kenneth Yates will be the speaker. Women from the Kewaskum area plan to attend the West Bend services this year.

In the Service

Isabella Gavin, daughter of Mr. and Mrs. George Gavin, 223 Braatz Drive, Kewaskum, recently was promoted to army private first class while serving as a cook with the 691st Military Police Company at Ft. Bliss, Tex.

Pfc. Gavin received the army in March 1977.

The private is a 1974 graduate of Kewaskum High School.

Navy Chief Counselor Wayne A. Coulter, son of Mr. and Mrs. Ervin J. Coulter of Route 1, Allenton, has been promoted to his present rank while serving aboard the dock landing ship USS Anchorage, homeported in San Diego. He joined the Navy in June 1959.

Church Women United set World Day of Prayer

The Church Women United of Washington County have planned their area observances of the World Day of Prayer for Friday, March 3. Millions of women on every continent will take as their theme that day "Community Spirit in Modern Living." The CWU is an ecumenical group devoted to the study of problems of Christian concern, locally and world-wide. The public is always invited to attend.

In West Bend there will be four observances.

The Fifth Avenue United Methodist Church will host participants from Trinity

Lutheran and St. Frances Cabrini Catholic churches at 2 p.m.

A service will be held at the Samaritan Home at 1 p.m. Participating will be Our Savior's Lutheran and St. Mary's Immaculate Conception Catholic Church.

There will be a service at the Cedar Lake Home at 2 p.m. Taking part will be the First Church of Christ Scientist, Holy Angel's Catholic Church and St. John's United Church of Christ from Kohlsville.

The World Day of Prayer will be observed at Meadowbrook Manor at 2

p.m. Participating churches will be Immanuel, United Church of Christ, St. James Episcopal, and Calvary Assembly of God.

In the Jackson-Slinger area services will be held at 2 p.m. at Peace United Church at Jackson. Participating will be Friedens UCC, St. Peter's UCC and Faith UCC (United Church of Christ), Christ Lutheran and St. John's UCC of Slinger.

In the Richfield-Germantown-Colgate area services will be held at St. Jacobi's Congregational Church Richfield. Participating churches will be

St. Paul's UCC of Erin, First Presbyterian Church, Zion United Methodist of Colgate, Our Savior's UCC, Germantown, Emmanuel United Methodist, Richfield, St. John's UCC, Germantown, and Shepherd of the Hills

ded: Jack Garman, son of Mr. and Mrs. Joseph Garman, R. 2, Kewaskum, a senior majoring in music.

Debra C. Carpenter, a senior majoring in Mass Communications, of 148 Mill St., Campbellsport, Faye R. Ebersold, a senior majoring in Physical Therapy, of R. 2, Campbellsport, and Pamela J. Groeschel, a junior majoring in Physical Therapy, of 241 Clinton St., Kewaskum, have been named to the Dean's List of the University of Wisconsin-La Crosse, for the first semester of the 1977-78 academic year.

Qualification for the Dean's List honor is based on outstanding academic achievement.

Two area students are among those named by Dean W. Robert Marshall of the University of Wisconsin-Madison College of Engineering to the Dean's List of top scholars for the past semester.

The honor goes to fulltime students who earn at least a 3.25 grade point average on a 4.0 scale.

The students are: Ralph Alan Butz, 1325 Park View Dr., Kewaskum, Chemical Engineering, and Reed Alan Rodenkirch, R. 2, Kewaskum, Civil and Environmental Engineering.

News of Our College Students

The University of Wisconsin-Stevens Point brass choir, directed by Dr. Robert Van Nuys, began a three-day tour Wednesday, Jan. 25, in southern Wisconsin.

The 15-member group played its first concert at Westfield High School at 10 a. m. Wednesday. It also performed

at Montello High School at 1 p. m. on the same day.

The choir traveled to Watertown and Waunakee Thursday with appearances at Watertown Junior High School and Watertown Senior High School at 8:20 and 11 a. m. respectively and at Waunakee Elementary School at 2 p. m. The final concert was at 2 p. m. on Friday at the Plainfield Tri-County High School.

The instrumentalists inclu-

MR. AND MRS. JOHN BABLER

John Bablers celebrate 60 years of marriage

Mr. and Mrs. John Babler, 122 Lolie Court, Plymouth, celebrated their 60th wedding anniversary Jan. 29 with a dinner party at Arndt's, Plymouth.

The former Elizabeth Knoeck and Babler were married Jan. 28, 1918, at St. Mary's Church, Barton.

They are former residents of Ashford where they owned and

operated a cheese factory for many years before moving to Plymouth.

The Bablers have four children: Mrs. Mike (Dolores) Fleischman, Ashford; Mrs. Earl (Celeste) Schmidt, Plymouth; Mrs. Herman (Geraldine) Wondra, Campbellsport; and Jack, Waupun. They have 15 grandchildren and 18 great-grandchildren.

Enright-Schairer

Kathleen A. Enright, 9331 Bolton Dr., Kewaskum, and Sgt. John J. Schairer of Fort Hood, Tex. were married in a nuptial guitar Mass Feb. 4 at St. John of God Catholic Church in the Town of Farmington.

Parents of the couple are Mr. and Mrs. Merlin Enright, 2040 Hwy. D, Random Lake, and Mrs. John P. Schairer, R-2, Deer Rd., Hartford.

The bride chose her sister, Ann Enright, as maid of honor. The bridesmaids were Mary Enright, Ruth Ann Enright and Julia Zimdars.

Francis Ritger, a friend of the groom, was best man. Other groomsmen were Jake Schairer and Don Gavin. The ushers were William Enright and Ivan Schairer.

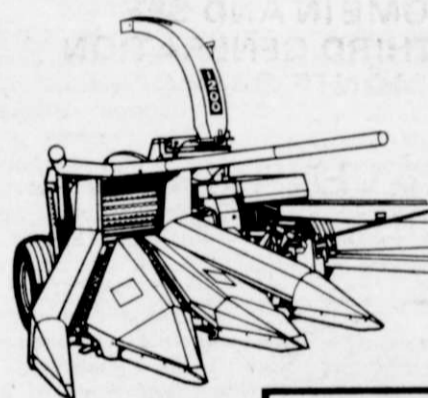

A reception was held at the Turner Hall, Fillmore.

The new Mrs. Schairer, a 1969 graduate of Random Lake High School, was employed as a computer operator at Simplicity Mfg. Co. of Port Washington.

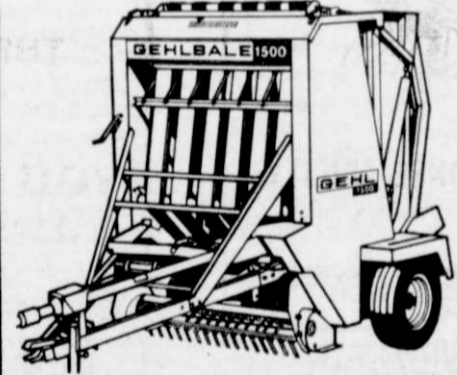

The groom attended Slinger High School and is serving in the U.S. Army at Fort Hood, Tex., which will be the couple's home.

Although an ostrich cannot fly, it can run faster than a swift Arabian horse—up to 50 miles an hour.

Approve Full Time Medical Director For Samaritan Home

At the recent County Board Session the position of full time Medical Director was approved for the Samaritan Home, West Bend. This decision ends a long struggle the Samaritan Home has experienced in recent years to provide its 251 residents with uninterrupted medical coverage.

Dr. F. I. Bush, a general practitioner, surgeon, and long time concerned citizen in the West Bend community for the past thirty years accepted the full time Medical Director position to the home. In addition to resident care responsibility, Dr. Bush will serve as advisor to the Board of Trustees and Samaritan Home Administration as well as the Utilization Review Committee.

He will also serve on the infection control committee, professional group policy, pharmacy and therapeutics and resident safety commit-

tees. Dr. Bush will also be available to meet with residents and families to discuss their therapeutic regimen.

Dr. Bush is past Chief of Staff at St. Joseph's Community Hospital of West Bend and is a member of the American Medical Association and Washington County Medical Society. As Medical Director for the home Dr. Bush will maintain a liaison relation-

ship with the hospitals and medical staff of Washington County.

Dr. Bush succeeds Dr. James W. Pick of Milwaukee who has served as the In-house Physician on a part time basis for the past 2½ years. Samaritan Home Administration is grateful to Dr. Pick for providing the coverage during that time and wishes him the best of luck in future

endeavors and welcomes the addition of Dr. Bush to their staff.

With the increase to a full time position filled by Dr. Bush, Samaritan Administration looks forward to his input to enhance the already present excellence in skilled care services offered to the residents of the Samaritan Home.

MOM, WHY THAT HEAT AT THE CEILING? WE NEED IT HERE.

(Explanation) It's Because They Don't Have the Soft, Gentle, Down-to-Floor Warmth of...

Intertherm™

HOT WATER ELECTRIC BASEBOARD HEAT
That Provides
HOT WATER HEAT WITHOUT PLUMBING

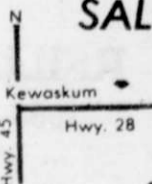

Why do people have to suffer the discomfort of cold, drafty rooms — when INTERTHERM HOT WATER ELECTRIC BASEBOARD HEATING gives them warmth where it's needed — not up at the ceiling where so much of it is wasted? For unlike central heating systems which heat the ceilings at the expense of the floors — the INTERTHERM provides uniform, floor-to-ceiling heat. Soft, gentle, comfortable, healthful, clean, safe, economical heat. Yet requires no furnace, boiler, pipes, ducts, flues, radiators, chimney or fuel tank.

The Patented Inner Works of the INTERTHERM — Shown in the Diagram Below — Makes this Possible. It consists of a copper tube inside of which an electric heating element and a water and anti-freeze solution — which never needs replenishing — are permanently, hermetically sealed. Electricity heats the water. And the water heats the rooms. Complete, permanently-installed systems for entire homes. Portable, plug-in models for single, hard-to-heat rooms.

CARD OF THANKS

We wish to thank everyone for the cards, telephone calls and visits to VILAS ROEHL while he was a patient at St. Agnes Hospital. Special thanks to Dr. Horn and Dr. Elliot and to all the nurses and floor staff of Fifth Floor West, St. Agnes Hospital, Fond du Lac.

Also, our sincere thanks to relatives, neighbors and friends for their cards, phone calls and expressions of sympathy during the recent death of our husband, father and grandfather, VILAS ROEHL. Special thanks to Pastor William Stuebs, Twohig Funeral Home, pallbearers Clifford Schmidt, John Bechler, Richard Bechler, Carmen Kempf, Donald Backhaus and Eugene Backhaus, drivers, Ladies Aid and helpers. We are grateful to everyone who comforted us in our time of sorrow.

Mrs. Vilas Roehl and family

CARD OF THANKS

We wish to thank all our relatives, friends and neighbors for their kind expression of sympathy during the recent death of my dear wife and our beloved mother, BURNETTE SCHMITT. Our sincere gratitude to Dr. Pick and the 4th floor staff of the Samaritan Home for their unyielding consideration. Special thanks to Fr. Kulinski, St. Mary's Sodality members, donors of spiritual and memorial tributes, food, floral pieces, Miller's and to all who showed their love and respect in any way.

SPORTS

Four Schools to Open Play in WIAA Regional Here Thursday

Kewaskum, which hosted a girls' WIAA Regional Tournament, last weekend, will also play host to a boys' regional this Thursday and Saturday, March 2 and 4.

Four schools will compete in the tournament, namely Sheboygan Falls, Kiel, Campbellsport and Kewaskum.

Sheboygan Falls advanced to the Kewaskum regional by drubbing North Fond du Lac in sub-regional action Tuesday night, 79-59, at the Falls, where Campbellsport also eliminated Lomira, last place team in the Flyway Conference, 72-67. In the Kiel sub-regional, the host team defeated Random Lake, 64-50, to gain a Kewaskum regional berth. Kewaskum drew a bye

in the sub-regional.

The opening game Thursday will find Sheboygan Falls facing Kiel at 6:15 p. m., while the second contest will pit the Kewaskum Indians of the Scenic Moraine Conference against the neighboring Campbellsport Cougars of the Flyway.

Tickets are on sale at the school office. Prices for adults are \$3 season, \$2 for Thursday's doubleheader and \$1.75 for Saturday's final. Students — \$2 for season, \$1.50 for Thursday and \$1.25 for Saturday.

Winner of the Kewaskum regional in the championship game Saturday will advance to the sectional at UW-White-water.

Indian Girls Ousted in Regional Opener Here; Lomira Champions

The Kewaskum girls' team, which made it all the way to the state tournament at Madison last year, was eliminated in the opening game of the WIAA Regional tournament last weekend.

The Indians were defeated by a good Lomira team in the second game of the semi-finals Thursday night, 47-42, in a fairly close contest, after Sheboygan Falls downed Random Lake, 50-32, in the opener. In the championship game Saturday night, Lomira beat Sheboygan Falls handily, 48-35, to advance to the sectional. Lomira only in its second year of girls' basketball, lost only to Oakfield this year (twice) and had a 19-2 record.

In Thursday's opener, Falls got past Random Lake behind Sue Matzek and Jane Millis, who had 13 and 10 points. For the Rams, Linda Sielaff took honors with 14. Poor shooting plagued Random.

In the second game Kewaskum battled Lomira to the final horn, although the Lions led all but 10 seconds when Kewaskum was ahead momentarily, 7-6. In the closing minute or two, with Kewaskum still having a slight mathematical chance to win, Coach Theiler pulled his regulars.

After trailing at the half, 25-20, the Indians pulled to within one at the end of the third quarter, 32-31. It remained close until midway in the last quarter when a 3-point play put the Lions on top, 41-35. A little later Mary Ryan fouled out for the Indians and her points (9 for the game) and rebounding were missed.

Ann Hall and Bev Kuen each had 18 for 36 of their team's points and a good share of the rebounds. Janet Matenaer and Yvonne Schacht led Kewaskum with 13 and 12, and Ryan played an exceptional game.

The Indians finished with a 6-12 record.

Lomira coach Rick Blohn said his girls played their best of the year in beating Falls in Saturday's regional final. Kuen hit 16 points, Lisa Lavarda 12 and Hall 10 as the Lions led all the way. For the Falls Tammy Dassow had 13 points.

Hartland Wins Title Indians Lose Final Game at Germantown, Settle for 7th

Germantown avenged an earlier loss here to Kewaskum on the Warhawks' floor Friday by beating the Indians in the season's finale, 79-60.

The two had been tied for sixth place and the setback left Kewaskum in seventh all alone. The Indians finished with only 3 wins compared to 11 defeats.

The Warhawks combined balanced scoring and a full court press as four players scored in double figures in one of their best offensive displays. Bill Lutz led all scorers with 18 points, followed by Doug Wagen with 14, Andy Hakes 14 and Jeff Noltner 11.

The Indians also had three players in double figures as Mark Tassar scored 16 and Dale Poling and Roger Rezel 12 each.

Kewaskum led late in the first quarter, 11-10, but eight straight points gave Germantown a 18-13 lead. In the first two minutes of the second period the Indians failed to score while the Warhawks tallied seven in a row to up their lead to 12.

The Indians closed the gap to eight at halftime but in the third quarter Germantown outscored Kewaskum, 19-10, and took a comfortable 54-37 advantage into the final stanza. The two teams combined for 48 points in the last quarter but Germantown's lead was never threatened.

Hartland, Grafton and Mayville were all tied for first going into final games. Hartland grabbed the undisputed crown by edging Mayville, 53-50, while Grafton was being upset by Kettle Moraine in triple overtime, 67-64. In the remaining game Slinger routed Pewaukee, 80-62. Last year Hartland and Slinger tied for the title.

Carrie Kempf First In La Crosse Sprint

Carrie Kempf, former Kewaskum High School ace, placed first in the 60 yd. dash with a time of 7.42 in the University of Wisconsin-La Crosse's victory over UW-Stevens Point, 64-36, Saturday. It was the first meet for the UW-La Crosse Ronnies.

Kempf, a freshman, is majoring in physical education and health with a concentration in coaching. She is the daughter of Mr. and Mrs. Lee Kempf, R. 1, Kewaskum.

Kettle Riders Purchase New Trail Dragging Equipment

In an effort to make trail dragging even better and more efficient, the New Fane Kettle Riders Snowmobile Club has purchased a Tucker Sno-Cat. The four-track machine with power steering has been in use approximately one week and has proven to be a giant step forward for the Kettle Riders' trail main-

tenance program. The ease of handling and maneuverability has already improved on the time needed to drag trails as well as improve the trails themselves. The Sno-Cat should provide a great contribution to the enjoyment of snowmobiling in the Kettle Riders trail system.

Hartford Edges Lakes Team for Share of First

In a real close contest at Hartford Sunday night, Kewaskum was edged by the Morainers, 110-109, giving Hartford a tie for the "B" Division lead, while Kewaskum dropped two games behind the leaders.

In a tight first half, Kewaskum now (6-6) held a slim 61-60 edge at the intermission. In the third quarter the Morainers began to run and they jumped to an 11-point lead behind the hot shooting of Don Lechner, who paced Hartford scorers with 30 points, 18 of which he made in the first half.

Kewaskum did not fold, however, and by the end of the third period cut Hartford's lead to five points, 90-85, thanks to some hot shooting by Clark Eichstedt, who led all scorers with 32 points. Tom Zoch also did his share, popping in 27.

The see-saw game could have gone either way and was a tough one for Kewaskum to lose. Kewaskum led by six with about three minutes left but a 3-point play got the Morainers back in it. Jim Gaedtker missed two free throws with four seconds left which gave Kewaskum a last chance to win it. However, Zoch's shot from the top of the key at the buzzer rolled off the rim and that was it.

The next game is at Slinger Saturday, March 4, at 7:30 p. m.
