1500 Students Coming

Kewaskum to Host Scenic Moraine Solo, Ensemble Festival Saturday

Over 1500 students will converge on Kewaskum High School this Saturday, for the Scenic Moraine Solo and Ensemble Festival. A total of sixteen schools will send choir and band members to the festival in hopes of receiving a star first, thus enabling the student to be eligible for participation in the State Solo and Ensemble Contest at the University of Wisconsin, Milwaukee.

Schools competing at Kewaskum will be Arrowhead High School, Grafton Middle School and High School, Kettle Moraine Middle School and High School, Slinger Middle School and High School,

Germantown Middle School and High School, Wayland Academy, Pewaukee Middle School and High School, and Kewaskum Middle School and High School.

Pianos used during the festival are being made available from Dave's Music Center in the Northpoint Shopping Center. On Sunday, April 16, the day following the festival, the pianos will be available for sale at considerable savings.

Some Changes in New Park Layout May Be Necessary

By MARYANNE MERWIN
Statesman Staff Writer

Some changes seem to be in store for the layout of the new park this spring.

Originally intended for construction on the near, southeast side of the wading pond, the bath-house and dressing rooms will probably have to be built somewhere else due to ground conditions created by fill and ever-popping springs. At Saturday's on-site inspection by the full Village Board and James Arthur, the architect in charge of the project, it was agreed that the building would have to be able to "float" in order to retain present plans. A number of suggestions were bantied about, but costs of sewer/water line extension and additional cyclone fencing were prime concerns in the selection of an alternative construction site.

Although drainage of surface water seems to be improved with the laying of culverts, the dimensions of those culverts have been prohibitive as far as gravel contractors are concerned. "I wouldn't even want to drive my car over one of them," Dan Schmidt said of the 16-inch conduits. Arthur agreed that if heavy trucks could not safely cross the ditches to distribute loads of crushed stone and gravel needed on the north side of the park something would have to be done.

Arthur was given until the April 24 meeting of the board to outline alternatives to the problems faced and anticipated during this wet season.

Firemen Attend Badger Banquet

Chief Augie Bilgo and two delegates of the Kewaskum Fire Department attended the annual spring meeting of the Badger Firemen's Association at Port Washington Sunday afternoon. Eleven other local firemen joined them for the evening banquet at the Smith Bros. Fish Shanty.

Trophies and prize money won in the association's annual bowling tournament held at Cedarburg this winter were awarded at the banquet.

The Kewaskum firemen's annual stag party was held at the new fire station on Saturday night, Jan. 7, and the annual Banquet for firemen, wives and retired firemen took place on Saturday evening, Feb. 25.

Two firemen who retired during the past year (1977) were awarded plaques for their years of service in the department. They are George Koerble, a member of the department since 1942, who served as secretary most of this time, and Donald Koerble, a member since 1962.

Firemen are now making plans for their annual picnic to be held on Saturday evening and Sunday, July 8 and 9.

Two Kewaskum students received "A's" at the meet. Donna Ehnert performed "The Land of Lost Things" in the Storytelling category and Anne Strancke gave her selection, "Little Girl With a Big Problem" as a Declamation. The two girls are now

Terry Reese Killed in Auto Crash

A Kewaskum man died late Saturday afternoon when thrown out of his car in a one-car crash on County Trunk H, 1½ miles west of Kewaskum.

He was Terry W. Reese, 40, of 711 Memorial Drive.

Reese was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, with head and internal injuries, according to Coroner Robert Boltz.

According to the Washington County Sheriff's Department report, Reese, traveling east, had just crested a hill about 1,200 feet west of County Trunk B when for some unknown reason he lost control of the car.

The car went into a four-wheel slide, entering the ditch on the right side of the highway, and hitting a stone fence, and then went airborne. Reese was thrown out of the car, which rolled over several times and came to rest on its roof.

The accident occurred at 5:04 p. m.

It was the third traffic death in Washington County this year, compared to nine by that date last year. The others were Alice M. Stange, 72, of R. 1, Elkhart Lake, who lost her life in a crash on Hwy. 28, one mile east of St. Michaels on Feb. 21, and Mrs. Gerald Backhaus, R. 3, Kewaskum, who lost her life in a crash on State 33, one-half mile east of the Washington - Ozaukee county line on Sunday, March 5.

Mass to Celebrate 55th Anniversary

A Mass, celebrating the 55th Wedding Anniversary of Mr. and Mrs. Nic Stoffel, Kewaskum, will be read on Sunday, April 16, at 12:15 p. m., at Holy Trinity Catholic Church in Kewaskum.

Anyone wishing to attend this Mass is cordially welcome.

eligible to compete in the State Forensic Meet to be held in Madison April 29.

Students receiving "B's" in the District meet were Tami Edgar, whose poetry selection was "Snow White and the Seven Dwarfs," and Julie Jeske, who read a selection of poems centered around the losses an individual may suffer in life.

Congratulations to all four girls and good luck to the two Madison-bound speakers.

Remodeling, Staffing Questions Tackled by School Board Monday

By MARYANNE MERWIN
Statesman Staff Writer

The School Board tackled a few remodeling and staffing questions Monday night, prior to drawing up next year's budget.

A bid of \$1587.71 from Johann Plumbing and Heating, Inc. was unanimously accepted for the revitalizing of the ventilation system in the chemistry room at the high school. Although Principal Clark Pearson had indicated at a previous meeting that estimates could be had from several sources, the board decided to act on the figure presented by Jean Goeden to the need for adequate ventilation in the lab. Charles Ogi said there was "no ruling we have to get estimates."

Other remodeling of the art room, library and study hall areas could be a matter of a different arrangement of room dividers. It is anticipated that once any major electrical or plumbing work is done by a contractor, much of the work could be finished by staff maintenance people. Pearson agreed that the class studying building trades, which did work in the band room last year, could handle part of the carpentry task.

Pearson said that he'd already conducted one interview for the position of part-time business education instructor. He indicated that he will probably "run an ad in the local newspaper" to draw out potential candidates for the job.

A full-time reading specialist will be hired for the school year 1978-79, a position which will be required by the state in 1979. "They haven't diagnosed the reason (for poor readers) and don't know the reason, but they're going to treat it," commented Ogi on the state mandate. Supt. Floyd Brenholt answered that it was precisely for that reason that specialists were hired in that area of curriculum: "The legislature doesn't know the problem. The people seem to feel we are having some problems... let's find out why." Brenholt emphasized that the specialist will be working with teachers, basically, to set reading guidelines and garner problems. Supervision of individual programs would not necessarily be part of the specialist's duties; the allotment of time would depend upon the number of duties inherent in the job. Ogi, James Oelhafen and Richard Theusch opposed the measure, which is 70% fundable.

The decision whether or not to add to administrative

staff at Kewaskum will be set aside for awhile. Gerald Secor asked the board to wait before voting on adding a position to aid Brenholt in his duties. Assistant superintendent and business manager positions were voted down last year. Brenholt asked that the board not "get hung up" on the title in granting him the assistance he "firmly, absolutely, positively" believes necessary in handling the business and educational duties centered in his office. Theusch said that he would like to see some of the things presently handled by Brenholt taken elsewhere. He said he would favor the hiring of a business manager because someone in that position could handle "maintenance problems." Theusch disagreed with Oelhafen that decisions concerning bussing did not belong with the superintendent.

Brenholt said that he favored handling "the business end" of administrative duties himself and would favor filling the broader position of assistant superintendent. "The sharing of duties, if the position is approved, could be based on the strengths and weaknesses (of both parties)," Brenholt emphasized.

Goeden said she had received "a few calls" concerning the ventilation in the old gym. Pearson explained that the duct system is controlled by regulators located in the individual outlets. Brenholt said that cost estimates could be had for improving the situation, which Pearson suggested be alleviated by using "floor fans," and the project "could go into this year's budget."

Last year's discussion of resurfacing the track at the high school will be continued in this year's budget talks. A new surface of blacktop, as opposed to the present mixture of clay and cinders, would be measured in the metric system of meters since all tracks will be converting by the spring of 1980. A cost of \$20 thousand to \$25 thousand was anticipated by Brenholt.

JUST ADD LOVE!
by ANN CROWLEY
THE CREPE CRAZE

An entirely new culture has developed with the popularity of the crepe. It has become an ideal product to use on the menu when entertaining. It fits the menu for breakfast, lunch, or dinner. A crepe is really a thin pancake wrapped around a filling. The fillings are as varied as one could imagine. A restaurant in San Francisco has 41 different crepe fillings on its menu. This makes for a complete nutritious meal.

The basic recipe for crepe calls for:
2 eggs beaten 1 cup milk
3 tablespoons oil 1/2 teaspoon salt
Beat eggs, add milk and oil. Add flour and salt. Mix until smooth. Heat the crepe pan. Either drop the pan in the batter, if that is the type you have, or add 2 tablespoons to the inside of the crepe skillet. Fill pan with a thin layer, cover the pan. Cook for approximately one minute. Remove and continue cooking until the number desired is prepared. Fill the crepe with a hot filling. Some suggestions are:
Eggplant Parisian
Chicken ala King
Sautéed Newburg
Wrap the crepe around the filling and serve immediately.

Kewaskum Youths Are Judo Winners

The West Bend Judo Club traveled to Milwaukee for the Wisconsin AAU Junior Olympic Judo tournament the past weekend.

Jason Schlieter of Kewaskum competed in the Bantam 46 to 55 lb. class. As a white belt (step one) Jason fought three yellow belts (step two) for his first place medal. He won all his matches in less than the normal three minutes time limit and did it with ippons (full point wins). David Schlieter participated in the junior 66 to 75 lb. class. He lost his bid for a medal in his first match.

The intermediate 146 to 160 lb. class saw Dan Spors win third place. Dan is a 1977 regional Jr. Olympic champion and national competitor. In his final match of this year's state tournament Dan scored 3 Kokas (knock downs), 5 yokos (near half points) and 2 wazaris (half

points) which gave him the win.

Julie Larson of Kewaskum competed in the girls intermediate division and was a-

warded first place. She is a 1977 regional champ and won a bronze medal at last year's national event.

All place winners in the

junior, intermediate and senior classes will move to regional competition which will be held in St. Francis, Wis. during late spring.

For Wonderful Springtime Comfort, The Year Around

NOW- INTERTHERM Electric HOT WATER HEAT AND AIR CONDITIONING WITHOUT PLUMBING

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST—Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST—Place your flimsiest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL—You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.

Meet the TAKE-IT-EASY LAWN

The Fertilizer 22-5-9

Northrup King Lawn Food is "Nature's Ratio."® The first number tells you the proportion of nitrogen you get. Most fertilizers have plenty of it. The second and third numbers are phosphorus and potash—root builders. Most fertilizers don't have enough, including the best seller. And you need strong roots...for a lasting lawn...for a TAKE-IT-EASY Lawn.

The Seed FAST & FINE

Put beauty back in your lawn with the one and only Fast & Fine. This blend contains 3 kinds of grasses including Pennfine, a revolutionary fine-leaved perennial ryegrass that comes up nearly 70% faster than bluegrass. Fast & Fine fixes up bare spots and thin spots quick and easy...and rich and thick...while blending beautifully with your existing grass.

THE RESULT: A BEAUTIFUL TAKE-IT-EASY LAWN

Kelly Tires

The Kellys. They're good and tough.

Here's how to squeeze gasoline out of a tire.

The Gas-Pincher.

Make a radial that weighs less so it rolls easier. Make it steel-belted so it's tough. Computer-designed tread makes it efficient and economical. Then give the tire a label that means fuel economy.

And you've got the Gas-Pincher. When you put these tires to the test, you'll agree they are aptly named - The Gas-Pincher, squeezing more miles out of a tankful.

Kewaskum Girls Scenic Moraine Indoor Champs; Boys Finish Last

The Kewaskum High girls team piled up enough first and second places to run away from the rest of the field in the Scenic Moraine Indoor Meet held at the UW-Milwaukee fieldhouse Saturday.

Kewaskum took five first places and three seconds on their way to 93 points. Kettle Moraine was second with 74, Slinger third with 50, then Grafton 48, Germantown 47, Hartland 46, Mayantown 44, and Pewaukee 1.

The Indian girls swept the relay events, taking the 440, 880 and mile with Lisa Kempf, Barb Wilson, Diane Bremser and Julann Zemlicka each being a part of two of them. Zemlicka tripled as she won the open 440 with a 64.7. The other first was won by Laurie Wilson in the long jump of 15-11 $\frac{1}{2}$. Laurie was also a member of the winning mile relay team, and was right behind Zemlicka in the 440 by a second.

Julie Flynn took a second in the 60 yard dash and her qualifying time was the fastest of the day. Another second was picked up by Janine Prost in the shot. Distance runners Robin Acker and freshman Barb Wilson both cut times off their season bests. County indoor 2-mile champ Acker took 45 seconds off her previous low. Another freshman, Lisa Kempf, also had a good day.

The boys meet, also at the UW-M fieldhouse, was won easily by Hartland with 137 points, followed by Grafton 88, Kettle Moraine 82 $\frac{1}{2}$, Germantown 76 $\frac{1}{2}$, Pewaukee 21 $\frac{1}{2}$, Slinger 15, and Kewaskum 13 $\frac{1}{2}$. Hartland is defending champion.

Kewaskum's best was a second place by soph Mike Pettit in the 60-yard dash. Paul Bremser also scored points in the 440 with a fifth place, while Dick Kleinmann was sixth in the mile.

The Indians had trouble with a disqualification. In the 880 relay they would have placed third but committed a line violation.

After Date Mixup, Girls Team Loses

The Kewaskum girls track team was three-quarters through their practice workout last Tuesday when, lo and behold, the New Holstein team showed up for a meet, which the Indians thought was on Wednesday.

They went through with the meet anyway and New Holstein, always strong in Class A, won 69-31.

The Indians had just two wins from Laurie Kempf in the long jump and Robin Acker in the two mile but the team was at a big disadvantage because the girls were all tired out by the time the meet started.

Lakes 'A' Stars, Meno. Falls Badgers Win in Close All-Star Games Here

KEWASKUM - The underdog 'B' division All-Stars gave the 'A' level stars all they could handle, for three quarters, before finally falling Wednesday night, 97-88.

In the nightcap, too, the 'B' division champions, of Thiensville-Mequon, came close to upsetting the Menomonee Falls Badgers, perennial 'A' division champs. It was an 81-80 cliff-hanger and the Twins would have pulled off the surprise, had it not been for three or four late turnovers.

The 'B' division stars played a fine first half, using a running game to build up a lead of 50-40. Down at one point by 44-25, in the second quarter, the bigger 'A' stars also started to hustle more and made a fine comeback.

In the second half, the 'A' squad, managed by Chip Elbe, of Cedarburg, dominated the boards. They tied it at 70-70 after three, then had a 27-18 advantage in the final stretch. They hit only 53.6 percent on free throws, to 80 for Manager Bill Backhaus squad.

Steve Johnson of Sussex and Gary Luck, of Falls' Stingers, led the 'A' team with 18 and 16 points, respectively.

Ken Loest, of Kewaskum,

with 16 points, and Ted Ruliseh and Mitch Knox, of Hartford and West Bend, respectively, each meshed 12. "A nice crowd turned out for the event," said Backhaus.

Bob Wolf, Falls' Badgers ace and manager, had an off-performance in the first half, with only 11 points, but then popped in 13 in the third quarter and eight in the final stretch to spark the winners.
