### Two Children Killed in Area Fire

Two children died in an early morning fire Sunday at their home near Campbellsport. Their parents and a sister were also burned, one seriously, in the blaze.

Donna Ann Erickson, 13, and her brother, Lee, 8, were found in a bedroom of the one-story home, built less than a year ago, located at the corner of Maple Drive and Fond du Lac County Trunk Y, about a mile southeast of Campbellsport (about five miles north of Kewaskum).

About 30 members of the Campbellsport Fire Department responded to the call about 1:35 a.m.

The girl was dead at the scene while the boy died en route to St. Agnes Hospital, Fond du Lac.

The father, Marlyn Erickson, 37, was taken to St. Mary's Burn Center in Milwaukee, in serious condition with second and third degree burns to 48 per cent of his body. Delores Erickson, 39, the mother, suffered first and second degree burns and was taken to St. Agnes Hospital. Colleen Erickson, 10, was treated at St. Agnes Hospital and was released Sunday afternoon.

Mrs. Erickson, her husband and daughter, Colleen, escaped through the kitchen and out the attached garage.

Mrs. Erickson ran to the neighbors, the Robert Gellings, and awakened them screaming that her house was on fire. Mrs. Gellings called the Fire Department while her husband ran next door to attempt to rescue the children but the intense heat and heavy smoke stopped him from entering the house.

According to Campbellsport Fire Chief Joseph Thelen, the blaze was brought under control in about 15 minutes. The outside walls are still standing but the interior was destroyed.

Neighbors said the family had been cooking outdoors Saturday evening using a charcoal grill that was found in the garage. Mrs. Erickson said she had doused the coals with water after they were finished cooking. Exact cause of the fire has not been determined.

The family formerly resided in Wayne, Washington County. Erickson works for the West Bend Co. at West Bend and his wife is employed at Regal Ware, Inc., Kewaskum.

Funeral services for Donna A. Erickson and Leland L. "Lee"

Erickson will be Friday at 1:30 p.m. at Trinity Lutheran Church, West Bend. Rev. Victor Hackbarth and Rev. Timothy K. Prasad, pastor of Salem United Church of Christ, Wayne, will co-officiate. Burial will be in Washington County Memorial Park.

Visitation at the Schmidt Funeral Home, West Bend, will be from 4 p.m. Thursday until 10:30 a.m. on Friday and at the church from noon on Friday until the time of services.

Donna was born in El Paso, Texas, on April 26, 1965. Shortly after her birth the family moved to West Bend. In 1966 the family moved to the Town of Wayne and since July of 1977 they have lived in their present home.

She was an eighth grade student at Campbellsport Elementary School.

Lee was born in West Bend on Nov. 23, 1969, and lived in the Town of Wayne until moving to their present home.

He was a second grade student at Campbellsport Elementary School.

Survivors include their parents, Delores (Menke) and Marlyn, at home; one sister, Colleen, Erickson; paternal grandparents, Mr. and Mrs. Raymond Erickson of Shawano, and other relatives and friends.

### Regal Ware Traffic Congestion Problems Discussed by Board

By TAMI EDGAR  
Statesman Staff Writer

Problems of traffic congestion at the Regal Ware plant highlighted discussion at Monday's Village Board meeting.

Board members reviewed the problem which seems to peak when first shift workers leave in the afternoon.

The board suggested utilizing a traffic director similar to what is done at West Bend Co. when peak traffic there causes problems on Hwy. 33.

Police Chief Donald Hlavaty opposed using a traffic director because he felt traffic subsides in 5-10 minutes.

Thus, because of the time factor it wouldn't be worth having a man direct traffic.

Hlavaty reviewed changes that had been tried in the area eliminating parking on Second Street and creating a double lane of traffic flow from the east. While this solution alleviated some of the traffic backup, problems still exist.

After further discussion the board decided to review the matter at a future meeting.

A problem of parking semi-trailers drew some concern. Board members have received some complaints from village residents.

A remedy to the problem will

be worked out at a future date.

In another action, Trustee Robert Danielsen expressed his disappointment on the cancellation of a meeting with subdividers on a new west side development.

Village President Miller pointed out that the subdividers failed to attend the meeting which led to its cancellation.

The Village Board and contractors building the new bathhouse will meet next Wednesday to review any unfinished work.

Proposed dedication date for the new building is set for September.

The board held over for a future meeting a request from Police Chief Hlavaty that part-time clerical help be provided for his department. The chief stated that the problem of paperwork has been piling up. At the present time he has insufficient manpower to do the job adequately.

The problem of minibikes in the park was also discussed and the board agreed to install "No Motorbikes Allowed" signs as soon as they are made available.

The board also paid recognition to the Kewaskum FFA Chapter for its construction of

### Jennifer Nolting to Complete Master's Degree in England

Jennifer Nolting, a fourth level teacher in the Greendale Public Schools, will be spending six weeks this June and July working a counterpart in a school in England.

This experience is part of a graduate course being offered by the University of Wisconsin-Whitewater which combines the theoretical and practical aspects of teaching. With the course, Jennifer will complete her requirements for a Master Degree in Education.

Before leaving for overseas on June 13, Jennifer will have completed 15 hours of course work on world educational systems. While in the overseas schools, the American teachers stay with their counterparts for the entire day helping out in any way they can. Jennifer will be

stationed in the Meadowdale School in Bedlington, Northumberland, England.

No more than two American teachers have been placed in any overseas school in the program to help insure the maximum amount of cultural submersion for the American teacher. The course is seen as a broadening experience that may help participants to more clearly identify universal problems in education and to get a better perspective on their own teaching.

Jennifer Nolting is the younger daughter of Dr. F. E. Nolting of Kewaskum. She graduated from the Kewaskum Schools in 1966 and from the University of Wisconsin-Madison in 1970.

### School Business Manager OK'd

The position of school business manager for the Kewaskum School District was approved by a 4-3 vote at Monday's school board meeting.

The motion to create a position of assistant superintendent for the district was turned down. Richard Theusch then moved to approve creation of a position of Business Manager. After discussion, Theusch changed the title to School Business Manager. The motion was passed with Jean Goeden, Gerald Secor, John Tessar and Richard Theusch voting yes and James Oelhafen, Byron Gessner and Dr. Ogi voting no.

Teacher contracts were approved for JoAnne Vogt in business education, David Rizzardi in agriculture and industrial arts, Kathryn TeWinkle in TMR, Karen Rademacher in speech therapy, Janet Sanders in learning disabilities, Barbara Hickcox in speech therapy and

Loretta Freriks in learning disabilities. The motion also included a contract for Gordon Darmody in agriculture. Darmody has decided to remain in the position he held this year. Rizzardi will have an additional 40 days on his contract and Darmody will have 30 days.

John Tessar moved to reject all bids on a new mower and to request proposals again. It was passed by a 6-1 vote.

Purchase of seven emergency warning devices as proposed through the Washington County Sheriff's Department was approved unanimously. One would be placed in each school building and one in the district office.

The board expressed its congratulations and commendation to Mrs. Kreuser and the girls' track team.

Proposed budgets were presented for board consideration beginning with the June 12 meeting.

## \$167 Collected in Town of Kewaskum Heart Fund Drive

The American Heart Association fund drive for the Town of Kewaskum for 1978 has ended. The total amount collected was \$167. Included in this total was an amount of \$10 for a memorial to Clarence Stern.

We wish to thank everyone for their support.

The struggle against heart disease continues. Even though heart disease will take the lives of 24,000 Wisconsinites this year, national figures show that deaths attributed to heart disease have declined over the past ten years. The American Heart Association of Wisconsin is dedicated to ending premature death and disability due to

cardiovascular disease.

A three-fold program of community service, education and research is carried out in communities throughout the state. Community service programs, such as hypertension screenings, are finding hidden cases of high blood pressure. Education is alerting people to warning signs and risk factors and is encouraging the public to seek early diagnosis and treatment.

All this is able to be carried out by your generous contributions. Thank you sincerely.

Your Town of Kewaskum Heart Association Chairman, Mrs. Alvin Panzer.

## Explain Purpose Of Saddle Club

A fund raising drive was recently conducted in this area by the Washington County Saddle Club. During the soliciting, many people who contributed were interested in knowing more about the organization.

Most people are familiar with 4-H clubs and their functions in the county and exhibits at the Slinger Fair. There are many 4-H projects for youth to participate in, and the pony and horse project is one of them. The Washington County Saddle Club was organized several years ago to better correlate the ever growing horse project activities. The Saddle Club is entirely self-supporting and each year the members rely on support from various businesses and individuals. The money they raise is used to produce three horse shows yearly. The shows are entirely planned and presented by club members and their parents and leaders. The donations are used for expenses such as judges fees, deputy fees, insurance for the county grounds, trophies and ribbons and equipment. Competition includes showing the horse, riding classes and speed events.

In addition to the horse shows the Saddle Club also holds several yearly meetings and again money is needed for extra educational resources. A major field trip is also planned for 1978. The club also contributes to other charitable organizations using money when earned

from the horse shows.

One of the main goals of some of the youth is to represent Washington County at the State 4-H Horse Show in Madison each fall. Blue ribbon winners from the County Fair are eligible. Although each contestant must pay their own registration and barn rental fees, the Saddle Club sends additional support on behalf of Washington County 4-H horse project to help defray expenses at this enormous show.

The main purpose of the Washington County 4-H Saddle Club is to develop and bring into our county, better educational programs for our horse and pony project members.

The first show of the season was held on Sunday, May 28, at the Slinger Fairgrounds.

## Plan Children's Horsemanship Class

For the first time in seven years the not for profit Faith-Haven Corporation is planning a children's nine-session Beginners course in English Horsemanship. The classes which will be conducted from 7-9 p.m. each Thursday evening from June 29 thru August 24 will be held at Havenwood Stables, one-half mile east of Kohlsville.

Children ages six thru fourteen are eligible if they have a real interest in horses and horsemanship. Students accepted must plan to attend each session. Thursdays evening, June 29, will be the orientation night for students and their

families at the stables.

The Registrar for the course can be reached by telephoning 338-8865 or by writing to: Faith-Haven Corporation, 5519 Hwy. D, West Bend, WI 53095. Outstanding progressors will be invited to join a once a month September-June advanced 1978 1979 class. Since the Beginners class is limited in number interview appointments may be requested.

## 4-H Club News

### KEWASKUM 4-H'ERS

The Pledge of Allegiance was led by Marcie Smolinski and the club pledge by Sherry Simon.

Our club will not be playing softball but we may play volleyball.

The contestants for the Anything Goes contest at the fair will be Mike Smolinski, Marcie Smolinski, Debbie Allman, Marjean Backhaus, Mitzi Nigh, Lisa Fusek, and substitutes Mike Fusek and Sharon Dei.

We planted flowers in the flower boxes on the river bridges on May 25. The wayside date was changed to June 3, from 1:00 to 3:00 p.m.

The theme for our club float will be "Changing Seasons."

We are thinking of having a rummage and bake sale to raise money for club purposes. If we do, it will be held on Crazy Daze.

## Indians Lose to Random Lake, Tip Campbellsport

Random Lake avenged an earlier defeat here by beating Kewaskum there last Thursday evening, 7-1, as Indian coach Mike Theiler used two "rookie" pitchers. In another non-conference game here Monday evening, Kewaskum defeated Campbellsport, 5-4.

Random Lake scored all 7 runs, 5 of them unearned, in the first four innings. Leading Indian pitcher Jeff Lambert walked 7 batters in 2 1/2 innings. Left hander Scott Reif finished up without giving up a run.

Both teams had 4 hits. Freshman Steve Muench had 2 singles in 3 trips and Mike Pettit got the other 2, including a double. Muench also played well at third base.

The Indians scored their run in the second. They had runners on second and third with no outs in the seventh but couldn't score as the Rams' second pitcher got all 3 batters to strike out.

Kewaskum had only 4 hits against Campbellsport here Monday but one of them was a bases loaded triple by pitcher Mark Tessar which made the difference in the Indians' 5-4 win. KHS scored 4 runs in the second to take a 4-1 lead. The Cougars came back with 1 in the third and 2 in the fourth to tie it up.

The last and winning run was scored in the bottom of the fourth for Kewaskum. Ross Krautkramer walked, stole second and moved to third on a sacrifice. He scored on a bad throw to first on a ground ball.

The rest of the game was a pitcher's duel as both Tessar and the Cougars' Pat Pelischek went the route. Tessar struck out 10 and put down Campbellsport in order in the last three innings. Pelischek fanned 7 and gave up only 4 hits to Tessar's 8. Tim Perkins had 2 of the Indians' 4 hits.

Kewaskum will host Kohler in a doubleheader Saturday at 6 p.m. before opening conference play with Hartland here Tuesday.

## Nigh Indians' MVP in Golf

Bob Nigh, only a sophomore, has been named as this year's most valuable player on the Kewaskum High School golf team.

He won by a two stroke margin over Scott Rohlinger. Nigh had 689 strokes for 16 nine hole rounds, for a 43.09 average. He also was runner-up in the regional at Port Washington, which advanced him to the sectional.

Rohlinger led most of the year, but he slipped in the Scenic conference meet and in the regional. His average was 43.2.

Both were awarded letters, together with Tim Perkins and freshman Jim Rohlinger. Bruce

Halfmann and Mike Ciha shared duties for the No. 5 spot. The team had a 9-5 dual record.

## Bartelt-Pearson Regal Cup Winners

The team of Tom Bartelt and Clark Pearson, both of Kewaskum, won the Regal Cup competition at Hon-E-Kor, an annual event for two man teams using full handicaps.

Bartelt and Pearson combined for a low net 132, three strokes better than Jack Holfeltz, West Bend, and Cy Wietor, Kewaskum. Bartelt had a 79 minus his handicap of 15 for a net of 64. Pearson was 8 over par with a 78, and his handicap gave him 68 net.

Mike O'Connor, Jr., West Bend, turned in the best round of the day. He went the first nine in even par 35 and came back with 34. (O'Connor birdied the long 18th hole to break 70.)

Other good scores included four over par 74's by Holfeltz and Chuck McClain.

### Fred Fink to Seek Re-election As DA

Washington County District Attorney Fred A. Fink, Jr., announced this week that he would seek re-election as the county's chief prosecutor. According to Fink, the importance of maintaining experience and continuity in the prosecution of offenders and in the protection of the public was the basis for his decision to run again.

Fink said, "In seeking re-election as District Attorney for Washington County, it is my pledge to continue the aggressive and professional prosecution of offenders that my office has done in the past. In addition, I will strive to continue the close working relationship already developed between the Office of the District Attorney, the law enforcement agencies of the county, and the Courts. In the interests of an efficient criminal justice system, the public deserves nothing less."

Fink brings a great deal of prosecution experience to the Office of District Attorney. Prior to his election to that office in 1976, Fink served as Assistant District Attorney for Wash-

ington County and in the Dane County District Attorney's Office. In his years as a prosecutor, Fink has prosecuted all major types of criminal cases.

Since being elected District Attorney, Fink has advocated the need for a strong statewide prosecutors' association in order to provide the public with more efficient and professional prosecutorial services. Fink has therefore been active in the revitalization of the Wisconsin District Attorneys Association, currently serving as a Vice-President of the group. In addition, Fink acts as Chairman of the Legislative Liaison Committee of the Wisconsin District Attorneys Association, and has stressed the need for prosecutors to make their voices be heard by legislators in the consideration of issues crucial to the criminal justice system.

Fink is a graduate of Carroll College in Waukesha and the University of Wisconsin Law School. Fink, his wife Deborah and their son, Benjamin, make their home in the Town of Barton.

An announcement of the members of Fink's re-election campaign committee is expected within the month.

## Area Racing News

By Ken Knoll

Tuesday night was opening night at Leo's Speedway in Oshkosh and Willie Goeden of St. Michaels was the only Kewaskum area driver on hand. He turned in seventh fastest time and then dropped a drive shaft in his heat while running second finishing him for the evening.

Saturday night at the Hales Corners Speedway was the Wally Jors Classic 50 lap feature. It is held in memory of the Fond du Lac driver who died two years ago of a heart attack at the track after competing in the races. Mike Melius of Random Lake turned in the best performance of area drivers with a fourth in time, second in his heat and fourth in the 50 lap grind. Scott Weiss of Kewaskum was fourth in his heat and then lead all 15 laps of the semi-feature to place first, just ahead of second place finisher Willie Goeden who was debuting a new 1978 Bemco Camarro. Goeden had earlier won his heat.

Sunday night at Slinger Super Speedway an area driver finally made the feature win column. Willie Goeden brought his new Camaro home first in the 30 lap feature after taking the lead on the 27th lap. Earlier he had posted second quick time, won the fast dash, and placed third in his heat. Tony Strupp of Slinger made his first appearance at the track driving promoter Wayne Erickson's Camaro. Tony was sixth in time, first in his heat and then came on to finish third in the feature. Mike Melius was third in his heat and followed that up with a seventh place feature finish. Scott Weiss recovered from a 19th lap tangle to finish 10th in the feature. He had earlier placed fourth in his heat. Bob Schaefer of Slinger won his heat and then finished third in the feature for the hobby division.

### Heisdorf Cars Win Two More Features

The John Heisdorf owned midget race cars of Kewaskum were really hot this weekend when they added two more feature wins to their credit.

On Saturday night at Beaver Dam, Ken Bierter of West Bend, driving the number two car, won the six lap trophy dash for the six fastest cars, got third in his heat and won the 25 lap feature.

On Sunday night at Sun Prairie, Dave Ray of Davenport, Iowa, driving the number one car placed third in the trophy dash, won his heat and won the 50 lap feature.

Ken is now in second place in point standings and Dave is fourth.

Races are every Saturday night at Beaver Dam and Sunday night at Sun Prairie.

# Kewaskum's Young Track Girls 4th in State; Freshman Barb Wilson, Mile Relay Team State Champs

Kewaskum's exceptionally young track girls did themselves proud in the WIAA girls' state meet at Madison over the weekend, placing fourth out of 42 finalist teams in Class B and missing second place by just two points.

Kewaskum had two state champions. Freshman Barb Wilson placed first in the mile Friday with a time of 5:22.8, a new KHS school record. The KHS mile relay team also took a first on Saturday with a time of 4:08.5. Members of the team include two freshmen and two sophomores, namely Laurie Wilson, soph; Barb Wilson, frosh; Diane Bremser, soph, and Julann Zemlicka, frosh. Katie Lightner, another freshman, also went to state. She competes in the 100 yard dash and 880 relay unit.

Friday afternoon Barb Wilson in her tour of the four laps in the time of 5:22.8 in her winning mile finished almost two seconds ahead of Mo Garrity of Prairie du Chien.

Kewaskum's second first place in the mile relay Saturday took some doing. On Friday the Indians did not have too good a time and placed fifth best among the eight qualifiers but it was a different story on Saturday when they hit the tape in first place.

Barb Wilson's second leg of the event was the "key." She took the baton from her sister Laurie and moved to the inside lane for good position. With the Chilton runner ahead by about five yards, Barb passed her and continued to increase the lead for the rest of the race. Therefore Diane Bremser had a good eight yard cushion when it was her turn to carry the baton and she held the lead for the entire lap, then left it up to Zemlicka as Prairie du Chien had moved up to second and had their ace runner Mary Mulrooney anchoring. Mulrooney gained on Zemlicka but she did not let her opponent overtake her.

The 880 relay team had bad luck. Running in about fourth place going into the last runners, Jenny Schaub could not reach Zemlicka for the exchange. She made a lunge for her and fell sprawling to the track. Zemlicka had to come back to Schaub for the baton and the Indians thus finished eighth. A fifth place finish would have put Kewaskum in second in the team standings and earned them a large trophy.

Other Kewaskum places were a third by Barb Wilson in the 880, again in record time, and a sixth by Robin Acker in the two mile as she tied her best effort.
