## Damage at \$750,000

### Fire Destroys Camelot Country Club

The popular Camelot Country Club, located on Highway 67, one mile east of Lomira and U.S. Highway 41, was destroyed by fire early last Thursday morning, February 1.

An estimated 75 fire fighters from five departments — Lomira, Brownsville, Campbellsport, Theresa and Knowles — responded to the call that came in at approximately 3:15 a.m. Thursday.

### Mrs. Ida Klein Celebrates Ninety-ninth Birthday

Because of severe snowstorms the ninety-ninth birthday of Mrs. Ida Klein had to be postponed three times. However, many relatives, friends and neighbors came to the home of Mr. and Mrs. Reuben Schultz, with whom Mrs. Klein is staying, to wish her well on one or the other of these occasions. The actual date of her birth is January 18, 1880.

Those attending included her family, Mr. and Mrs. Reuben Schultz, Mr. and Mrs. Lloyd Keller, Mr. and Mrs. Richard Schultz, Timothy and Tricia, Mr. and Mrs. Fred Klein, Mr. and Mrs. Jerome Klein, Dinita and Jamie, and Mr. and Mrs. Richard Kuehl.

The following nieces and nephews were in attendance: Mrs. Loella Albers, Mr. and Mrs. Paul Seefeldt, Mr. and Mrs. Alfred Seefeldt, Mrs. Frances Rose, Mr. and Mrs. Ed Seefeldt, Mr. and Mrs. Reuben Burbach, Mr. and Mrs. Walter Schacht, Mr. and Mrs. Albert Stange, Mr. and Mrs. Walter Schmidt, Mr. and Mrs. Byron Klein, and Mr. and Mrs. Arnold Schacht.

Other cousins and close relatives included Frederic Seefeldt, Louis Seefeldt, Mrs. Hilda Seefeldt, Miss Amalia Seefeldt, Mrs. Alma Klug, Miss

bar, locker rooms and pro shop was a total loss. No one was in the building when the fire broke out and no one was injured in the blaze.

One of the owners of the country club, Dale Michels of Brownsville, said damage to the building could run as high as \$750,000. A club bar, the Liar's Den, located directly north of the main building was not affected by the fire, but everything else appeared to be a total loss.

Audrey Klumb, Arthur Hintz, Mr. and Mrs. Glen Helwer, Kim and Becky, Mr. and Mrs. David Stange, David Jr., Scott and Jeff, Daniel Schacht, Mr. and Mrs. John Schuppel, Mrs. Melvin Furlong and Mrs. Harry Justman.

Neighbors and close friends included Mr. and Mrs. Richard Brown of New Berlin, Mr. and Mrs. Earl Etta, Mr. and Mrs. Karl Schultz, Mr. and Mrs. Harold Eggert, Mrs. Jim Gerlach and Mrs. Florence Burke. The honoree was the recipient of a beautiful corsage, cut flowers, birthday cakes, gifts of money and many other useful gifts, as well as many beautiful cards and letters from relatives and friends who were unable to attend. All these remembrances were very much appreciated.

A cafeteria style dinner was served to the guests who spent the day reminiscing, looking over many old photo albums, and later on playing either cards or birthday bunco. The birthday prayer Rev. Hoenecke had for Mrs. Klein in church one Sunday was again read and very much appreciated by the relatives and friends who were unable to attend Church that day. Many pictures were again taken in remembrance of the occasion.

Michels said his records were safe at his home office.

Chief of the Lomira Fire Department, Richard Zitlow, said the fire apparently started in the dining room area on the structure's extreme west side. He said the state fire marshal had been called to investigate.

Michels presumed that the blaze began because of possible electrical shorts or a furnace malfunction.

The last person in the building was Ike Froemming of Omira, a manager of the country club. He said he left at approximately 5:20 p.m. Wednesday after taking inventory. Froemming said only a microwave oven was used during the day and everything was normal when he left.

Camelot was only open weekends during the winter months.

Michels said he is insured but it was too early to say what his immediate plans are for the country club, which has an 18-hole golf course. The business employed approximately 50 full-time and part-time persons at the peak of the season. The dining room could seat 400 patrons.

Firemen were hampered by the extremely cold weather and a shortage of water. Hoses had to be shut off for periods of time while waiting for more water to be brought in to continue fighting the blaze. One of the Lomira Fire Department's hoses froze.

Chief Zitlow said it was the biggest fire he ever fought and stated that the entire dining room area was gutted by the time the Lomira Department arrived at the scene. Firemen still were standing by the smoldering building at mid-morning.

Zitlow said the fire was discovered by a passing motorist who called the Campbellsport Fire Department.

### Linda Borchert, Librarian Over 30 Years, Honored at Retirement Party

Mrs. Linda Borchert

On Sunday, January 28, the Library Board, Village Board, and the Village Employees honored Mrs. Milton (Linda) Borchert with a surprise retirement party.

The party was held at the Glacier Inn, with approximately 40 people joining in on the festivities. Maurene Heberer, daughter of Mr. and Mrs. Borchert, and her husband Norman, pulled off the surprise by delivering them unexpectedly to the Glacier Inn.

Mrs. Borchert retired as the village's head Librarian after better than 30 years of dedicated service to the community.

There was a short program moderated by Daniel Schmidt, Village Trustee. Donald Mlodzik, Library Board Member, read a letter from Mrs. Connors congratulating and praising Linda for a job well done. Evangeline Teeselink, the new Head Librarian, spoke and presented Linda with a book. William Martin, Village Commissioner, working with Linda for the better part of the last 30 years, spoke and presented Linda with a gift from all of the department heads and village secretary. Mary Miller, the senior member of the Library Board, said a few words on the development of the Library. She also read a letter from Mrs. Schaefer, and then presented Linda with an engraved silver plate. Charles Miller, Village

President, expressed his and the village's congratulations by reading and then giving Linda a framed copy of the resolution the Village Board passed in her honor. The resolution is as follows:

#### TESTIMONIAL RESOLUTION TO

LINDA L. BORCHERT

On the occasion of your retirement from the employee of the Kewaskum Public Library after many years of faithful service, it is meet and right that the Village Board of the Village of Kewaskum, Wisconsin, should record an expression of its grateful appreciation of the sterling qualities of heart and mind, which are manifest in your devotion and loyalty to the Village.

The Village of Kewaskum is proud indeed of the record of service of its employees who have contributed, in no small measure, to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards have realized fully, that progress in municipal government is predicated, for the most part, upon the loyalty and efficiency of the civic employees, and on their ability to carry out faithfully and effectually the acts of Village government.

We, therefore, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this testimonial, in grateful appreciation of your long and honourable record of service with this village.

### Bulleite Head of Sheriff Association

Horicon Police Chief Erwin Bullette, formerly of Kewaskum, assumed the role of president of the Dodge County Chiefs and Sheriff Association recently at a meeting in Neosho. Bullette is a former state patrolman.

Mayville Police Chief Gene Zangl is the outgoing leader of the organization. Other officers elected at the January meeting include Chief Doug Randall of Beaver Dam, vice-president, and Chief Steve Fitzgerald of Hustisford, secretary-treasurer.

### Violet Schmidt Assistant VP of Louisiana Bank

Following the recent annual stockholders meeting of the Clinton Bank and Trust Company of Clinton, Louisiana, officers of the bank were elected.

Violet Schmidt, wife of Howard Schmidt, former residents of Kewaskum, was elected Assistant Vice President of the bank. She is the daughter of Mrs. Ella Eberle of Kewaskum and Clinton.

## Blood Bank Here Feb. 20

The Milwaukee Blood Mobile Unit will be at the Kewaskum High School (old gym) on Tuesday, February 20 from 1:30 to 6:30 p.m. All past donors will be sent post card reminders and new donors are encouraged to walk in anytime at their convenience. In past years, the walk in system has worked with little or no waiting time for donors.

The Blood Center is frequently asked how many people must donate to provide blood for a particular patient. The answer is always the same — patients in any of the hospitals served by the Milwaukee Blood Center (including West Bend) are eligible to receive as much blood as needed. There is no fee for the gift of blood itself. Only a processing fee is charged to

cover the costs of drawing the blood, testing it to ensure the patient's safety, and distributing blood and blood components to the hospitals. The processing fee is usually covered by health insurance.

There are no rules or restrictions on who can receive blood. As long as enough people donate, patients will receive all the blood they need. Every year more people are needed in our community to share their gift of life.

If you are in good physical condition and between the ages of 18 and 66 years, you can donate every 10 weeks but not more than five times in 12 consecutive months. If you are 17 you are also eligible to donate but you must have the consent of a parent or guardian. Consent forms will be available at the gym that day.

If anyone has a question regarding the drive, call Sandy Remmel at 626-2210 or Gloria Rodenkirch at 626-4021.

## Feb. 10 Is Last Day

### To Buy Tickets for

### KHS German Festival

Saturday, February 10, is the last day the German club will be selling tickets to their German Festival on Sunday, February 18.

Plans for "Fasching," one of the names for the pre-Lenten festivities, include skits, polka music, ethnic items for sale, a dance demonstration, and door prizes. Some of the items on the menu include sauerbraten, goulasch, spaetzle, red cabbage, glazed carrots, fruit torte, and apfelkuchen. The dinner is again being prepared by Mrs. Robert Medley and her crew of student helpers.

At 4:30 on the day of the festival, a special reception has been arranged for German-speaking Americans.

The doors will be open at 4:30 for guests to enjoy the decorations and sale items. Dinner will be served at 5:00.

If you wish to purchase tickets, please call the high school, 626-2166, or Mrs. Ronald Schmitz, 626-4808, in the evening and on Saturday.

Tickets are \$3.50 for adults and \$2.00 for children 12 and under.

## Orville Petermann, Edward Martin Called in Death

Oliver A. Petermann, 56, of Hilltop Drive, Germantown, passed away Tuesday, February 6, at the Menomonee Falls Hospital where he had been a patient for one week.

Mr. Petermann was born March 9, 1922 in the Town of Auburn, Fond du Lac County, to Arthur and Lorina Schaefer Petermann.

On April 3, 1948 he married Mary Ann Schwichtenberg in South Bend, Indiana. He was a member of the West Bend VFW Post and served in the Army during World War II. He was the owner and operator of the Queens Way Laundromat and a mobile park manager in the Menomonee Falls area.

Survivors include his wife Mary Ann; his mother, Lorina, of rural Campbellsport; his parents-in-law, Mr. and Mrs. Otto Schwichtenberg of West Bend; two sisters, Marion Erdmann of Kewaskum and Mrs. Rachel (Melvin) Kluever of West Bend; two brothers, Orville of rural Campbellsport and Ronald of rural Kewaskum; other relatives and friends. His father, Arthur, preceded him in death.

Visitation at Miller's Funeral Home, Kewaskum, will be after 4 p.m. Thursday, with services at 8:30 p.m. Thursday at the funeral home with Rev. Darrell Joiner officiating. Burial will be in the Peace United Church of Christ cemetery, Kewaskum, Friday at 10:30 a.m.

The VFW Post of West Bend will participate at the graveside services. Memorials to the Peace United Church of Christ, Kewaskum, or the Cancer Fund would be appreciated.

### EDWARD MARTIN

Edward J. Martin, 87, of Route 2, Kewaskum, died on Saturday, February 3, at St. Joseph's Community Hospital, West Bend.

He was born May 4, 1891, in Milwaukee, and married Eleanor Griepentrog January 20, 1923. She passed away October 24, 1928. He then married Martha Jung in Waukegan, Illinois, August 26, 1931. He lived in the Town of Wayne most of his life.

Survivors include his wife; seven children, Wallace (Marilyn) of West Bend, Norman of Kewaskum, Lois

(Elroy) Kutz of Kewaskum, Marion (Robert) Dieringer of West Bend, LeRoy of Kewaskum, Ethel Martin, at home, Winston (Geraldine) of Kewaskum; six grandchildren; two sisters, Mrs. Alma Benedum of Kewaskum and Hulda (Herman) Lau of Hartford; two brothers, William (Louise) of Mount Calvary and Albert (Clara) of West Bend, and other relatives and friends.

He was preceded in death by a son, Lyle, and sisters and brothers.

He was a veteran of World War I and belonged to the Robert Romaine Legion Post in Kewaskum.

Funeral services were held Tuesday at 2 p.m. at Zion Ev. Lutheran Church, Town of Wayne. Rev. Erwin Schewe officiated and burial was in the church cemetery.

Visitation at the Techtman-Myrhum Funeral Home, West Bend, was after 4 p.m. Monday and Tuesday at the church from noon until the time of services.

### MRS. 'BUD' VENSKI

Mrs. Lois Venski, 53, of Dundee, who with her husband operated Bud's General Store at Dundee, died Saturday evening, February

3, at St. Joseph's Hospital, Milwaukee.

She was born April 4, 1925, at Staples, Minn., the daughter of the late Lew and Edna Scott Dailey. She was married to Gerald "Bud" Venski at St. Michael's Church, Milwaukee, on September 29, 1946.

Mrs. Venski and her husband formerly operated a general store at New Prospect from August of 1967 to 1970. She was a member of St. Mathias Catholic Church at rural Campbellsport, Ladies Sodality and American Legion Auxiliary of Lomira.

Surviving are her husband; four sons, Dennis of Dallas, Texas, Tom and John, both at home, and Mike of Marquette, Michigan; two daughters, Mrs. Russell (Judie) Kraemer of Milwaukee and Mrs. Rod (Carol) Van Alstine of Tomahawk; and four grandchildren.

Also surviving are a brother, Clarence Dailey of Brainard, Minnesota; and a sister, Mrs. Dale Madden of Fisherman's Cove, Florida. A brother preceded her in death.

Funeral services were held at 9:30 a.m. Tuesday at Twohig Funeral Home, Campbellsport, and at 10 a.m. at St. Mathias Church, rural Campbellsport. The Rev. Walter Morgan officiated and burial was in the church cemetery.

## Village Board Approves Installment Of 2 Boilers for Municipal Building

By TAMI EDGAR  
Statesman Staff Writer

The board approved a motion for the installment of two boilers for the Municipal Building at Monday night's Village Board meeting.

The bid was from Frank Krueger for \$6,665, which includes installation. The boilers are to be installed for operation in the fall.

The board also discussed the fencing contract for the Kiwanis Park. The contract for the fencing has not been signed and therefore contractors are unable to continue the project. The board has the option to forget the contract completely or they can obtain rebids. If the board doesn't go through with the contract at the present time, the price will increase.

The fencing that the board

wished to have installed was for one ball diamond and the tennis courts. They wanted to exclude the fencing of one ball diamond but the contracts ask for the installment of all fencing of ball diamonds and tennis courts. Trustee Danielsen expressed his desire to find out estimate prices on the desired fences and will report his findings at the next board meeting.

The application of William Edwards for yard variances for the Wigwam Hall property at 100 Clinton Street was granted on the recommendations stated by the Board of Appeals with the following stipulations that downspouts be placed properly and the property cannot have more than six units for families. The property has been changed from a B-2 retailing business to an R-4 family residence.

## Boltonville-Farmington Area 4-H Club Receives State Community Builders Award

The Happy-Go-Lucky 4-H Club of the Boltonville-Farmington area of Washington County received third place in the state community builders program. The program is sponsored by University of Wisconsin-Extension. Awards are provided by the Wisconsin Bankers Association.

The Community Builders Program is intended to encourage 4-H club members to improve their communities. The criteria used to select the top clubs in the state include creativity in identifying needs and problems in the community, the planning and the carrying out of the activity and work that needs to be done to meet the needs that were identified. The amount of member involvement with the community is also an important consideration.

The Happy-Go-Lucky 4-H Club carried out several activities. They cooperated with the Modern Woodmen to conduct fund raising card party and bunco parties. This money was used to buy shrubbery and other supplies to beautify the entrance to Boltonville which the club had planned. The club

also planted trees and shrubs for wildlife conservation in cooperation with the Wildlife, Inc.

The club worked with the firemen to clean up the community park. They planted flowers around the firehall. The group conducted two paper drives for the community. They adopted a grandmother at the Samaritan Rest Home and visited her several times during the year. They also brought happiness to other residents of the Beechwood Rest Home and the Samaritan with their Christmas caroling. They also adopted grandparents in their local community which they visited several times during the year. The group also conducted a dance for their community.

The organizational leader of the Happy-Go-Lucky 4-H Club is Mrs. Karen Belger. The co-leader in charge of the community activities is Mrs. Norbert Dettmann. The club is already planning more community activities for the coming year.

## Cub Scout Blue and Gold Banquet Held

The annual Blue and Gold Banquet of Cub Scout Pack 3744 was held at Peace United Church of Christ on February 4. Chairmen for the event were Ralph Struebing and Jim Boegel and they did an excellent job.

Special guest was Father Pesch from Mount Calvary who gave the opening and closing prayer.

The Webelos had the flag ceremony and presented the history of the flag.

An excellent dinner was enjoyed by the Cubs, Webelos, parents and special guests.

Awards were presented to the following Cub Scouts: Robert Swanson, Wolf and Gold Arrow; Lonnie Bath, Wolf and Gold Arrow; Edward Christie, Wolf and Gold Arrow, and Steve Ramthun, Wolf, Gold Arrow and three Silver Arrows.

Entertainment was presented by each den and Jim Phillips played his accordion.

Thank you guests, parents, leaders, committee members and scouts for helping to make our Blue and Gold Anniversary a happy occasion. A "special" thank you to Ralph Struebing and Jim Boegel, chairmen for the event.

## 25 Years Ago

February 12, 1954

Over 420 years of happy association in business was the occasion for a celebration held recently in honor of Al G. Hron of Regal Ware, Inc. Members of the newly organized "400 Club," composed of 17 men who had worked under Mr. Hron's supervision for an aggregate of more than 421 years, presented him with a gold wrist watch inscribed with a tribute to their "boss" of so many years. A daughter was born to Mr. and Mrs. Edward Volm, Route 2, Kewaskum, Sunday, February 7. Sons were born to Mr. and Mrs. Norman Straub, Campbellsport, February 1 and Mr. and Mrs. Reuben Ramel, Route 1, Kewaskum, February 7.

Mr. and Mrs. William Guth of Kewaskum observed their golden wedding anniversary on Saturday, February 6. The occasion was celebrated with a dinner for about 50 guests, served by the couple's daughters, Mrs. Loran Backhaus and Mrs. Elmer Yoost at the home of Mr. and Mrs. Yoost.

Sophomores on the Kewaskum High School honor roll for the first semester include Eugene Bartelt, Don Bradke and Carol Rohlinger.

## 50 Years Ago

February 9, 1929

Harry Schaefer, youngest son of Mr. and Mrs. Charles C. Schaefer and junior member of the Schaefer Brothers Garage of Kewaskum, and Miss Laura Fischer, daughter of Mr. and Mrs. Bernard Fischer of the Town of Barton, were quietly married on January 31.

Johnny Schlosser, son of Mr. and Mrs. Jacob Schlosser, had the misfortune to fall at his

home in Kewaskum and fracture his right arm above the wrist.

On February 5, Miss Josephine Weitzer, daughter of Mrs. Mary Weitzer of the Town of Auburn and Cary Fahney, son of Mr. and Mrs. Carl Fahney of Newburg, were united in marriage.

## 75 Years Ago

February 13, 1904

Baby girls were born to Mr. and Mrs. Edward Miller of Kewaskum on February 12, and Mr. and Mrs. Charles Bleck on February 10.

Baby boys were born to Mr.

and Mrs. Jake Staehler of St. Michaels and Mr. and Mrs. Joe Herriges, also of St. Michaels, on February 6. A baby boy was also born to Mr. and Mrs. Henry Backhaus of New Fane.

Fire broke out Thursday morning, February 11, at the home of Mrs. P. Woog, and the dwelling part, saloon and store went up in flames. The cause of the fire is unknown, but it is supposed to have started behind the counter in the barroom.

Mr. Reinke of Beechwood passed on to his final reward on February 9, having attained the age of 73.

"Men do make passes at girls with glasses — it depends on their frames."

## County G.O.P. Lincoln Day Dinner Sunday

The Washington County Republican Party announced that their annual Lincoln Day Dinner will be held February 11 at the Richfield Fire Hall. Cocktails will begin at 6:30 p.m. and dinner will be at 7:30 p.m.

Entertainment will include door prizes, a polka band, a visit from Mr. Lincoln (!?) and guest speaker Rep. Cloyd A. Porter. Mr. Porter, from Burlington, Wisconsin, has been a state representative for six years. He has

received several awards including the VFW Outstanding Citizen Award, the Jaycees Outstanding State Vice-President Award and in 1970 was named one of the Five Outstanding Young Men in Wisconsin. This year Rep. Porter will serve on the Joint Audit Committee, the Committee on Energy and the Committee on Tourism, Recreation and Economic Development.

Tickets for the dinner are \$8.00 per person and may be purchased from any Washington County GOP member, at the door or by calling Hazel Nehrbass at 677-2303.

### State Residents May Be Eligible For Property Tax/Rent Credit

There is a tax cut in store for Wisconsin residents when they file their 1978 return. Most taxpayers will be eligible for the Special 1978 Property Tax/Rent Credit. Low income taxpayers, of course, are eligible for the Homestead Credit program.

Under the Special Property Tax/Rent Credit, renters will receive \$40 credit and homeowners a credit ranging from \$40 to \$100. To be eligible for this credit, an individual must have been a legal resident of Wisconsin for all of 1978, must have been a homeowner or paid rent for 1978, and must not be claimed as a dependent on anyone else's federal income tax return. The dependency requirement does not apply to persons who were 62 years of age or over in 1978. For married couples, only one spouse may claim this credit and only one occupant of a dwelling unit is eligible.

Eligible homeowners and renters may claim the Property Tax/Rent Credit whether or not they pay state income taxes, but they must apply for the credit to receive it. Taxpayers who file Wisconsin income tax returns Form 1 or Form 1A may claim the Property Tax/Rent Credit on the special lines provided on the Homestead Credit Claim. The income tax and Homestead Credit booklets sent to Wisconsin taxpayers in early January contain instructions explaining how to claim this credit. Individuals who do not file Wisconsin income tax returns or the Homestead Credit claims may apply for the Property Tax/Rent Credit on Schedule PC which is available at any Department of Revenue Office.

If a person has already filed a Wisconsin income tax return or Homestead Credit Claim and forgot to claim the Property Tax/Rent Credit, it is still possible to get the benefit of this credit. Such persons should either call the Department of Revenue at (608) 266-2454 in Madison or file an amended Wisconsin income tax return or Homestead Credit Claim.

The second way to cut 1978 Wisconsin taxes is the Homestead Credit program. Last year Homestead Credit provided over 250,000 Wisconsin homeowners and renters in excess of 66 million dollars of tax credit. More are eligible this year. To be eligible for Homestead Credit, an individual must have been 18 years of age or over on December 31, 1978, was not claimed as a dependent on anyone else's 1978 federal in-

come tax return (except for claimants 62 years of age or over during 1978), had income of less than \$9,300 in 1978 (or income of less than \$9,900 if the person, spouse or dependent was 65 or over in 1978), was a legal resident of Wisconsin all of 1978, and meets certain other requirements. Persons required to file a Wisconsin income tax return who also claim Homestead Credit should attach Schedule H to their income tax return. Persons not required to file a Wisconsin income tax return should just file Schedule H.

Claims for Homestead Credit and the 1978 Property Tax/Rent Credit should be filed as soon as possible but no later than December 31, 1979.

For more information write: Tax Credits, Box 8900, Madison WI 53708. You may also obtain information, forms, and assistance at the following Wisconsin Department of Revenue Offices: Appleton, Baraboo, Barron, Beaver Dam, Beloit, Eau Claire, Elkhorn, Fond du Lac, Grafton, Green Bay, Green Lake, Hayward, Hudson, Janesville, Kenosha, La Crosse, Lancaster, Madison, Manitowoc, Marinette, Marshfield, Milwaukee, Monroe, Oshkosh, Park Falls, Racine, Rhinelander, Shawano, Sheboygan, Superior, Tomah, Watertown, Waukesha, Waupaca, Wausau, West Bend, and Wisconsin Rapids.

### Campus Notes

District One Technical Institute - Eau Claire recently released the Director's Honor Roll for fall semester. There were 448 full-time students who achieved academic excellence, having a grade point of B plus or better.

A Kewaskum student recognized for maintaining this record was Karen J. Bade, Medical Laboratory Technician.

Robert B. Secor, son of Mr. and Mrs. Gerald Secor, 1856 Scenic Drive, Kewaskum, has been named to the dean's list for the first semester at the University of Wisconsin-Platteville.

To be named to the dean's list a student must attain a grade point average of 3.25 or better, based on a 4.0 system.

An area student is among College of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison. Only full-time students with "B" or better grade average with no failures or incompletes are eligible for recognition on the "Dean's List."

George Sledge, Associate Dean of Academic Student Affairs says that last semester some 2,400 undergraduates were enrolled in the college's 22 departments. They selected from five curricular options which stress either business and industry, natural resources,

natural science, production and technology, or social science.

The student is: Scott Michael Wulff, 5930 Butternut Drive, Kewaskum, Agricultural Economics.

### WANTED!

# SENATOR PETRI CAPITOL REPORTS

## Wisconsin, America's Dairyland

More than two-thirds of the second senatorial district is farmland.

Wisconsin is referred to as "America's Dairyland" with good reason. But this is a reputation and a way of life, which we must work to protect.

In 1970, there were 64,000 dairy farms in Wisconsin, according to the Wisconsin Agricultural Reporting Service. By 1977, that number had dwindled to 49,000, and there were only 368 cheese plants, a drop of 110 over the same period.

Clearly this decline is the result of complex forces, not all harmful to our social fabric. However, the trend must be slowed if not reversed, and some of the power to do so lives with state government.

### LEGISLATIVE ACTION

The Legislature is considering several issues which have direct impact on agricultural interests. Most immediately there will be a hearing on bills creating property tax exemptions for tools, supplies, harvested crops and stock feed. This legislation (SB 25 and AB 6) would remedy inadvertent shortcomings of a new law, which has changed the assessment date from May 1 to January 1. Some commodities proposed for exemption would not have been found on farms at the old assessment date of May 1.

Another legislative proposal (SJR 6) would create a low-interest loan program for farmers to buy farmland and buildings. This is in the form of a senate joint resolution because a constitutional amendment will be required to expand the state's bonding authority. If created, the loan program will be similar to the Veterans Home Loan Program. SJR 6 was passed last session and it must be passed again this session to reach the final step in the ratifi-

cation process, a statewide referendum.

The use of the words "imitation or substitute cheese" on non-dairy products is another agricultural concern to be addressed through government action. The U.S. Food and Drug Administration has granted an extension on the deadline for consideration of this issue until March 19.

Wisconsin's agricultural heritage is a fine one which we must preserve and strengthen. This is a high legislative priority here in "America's Dairyland." I welcome your comments, opinions, and suggestions at 314—South, State Capitol, Madison, WI 53702.

## The Sensenbrenner Weekly Report

Kewaskum Statesman, Friday, Feb. 9, 1979, Page 9

Over the past few weeks several southeastern Wisconsin counties have been denied federal disaster assistance for snow removal. I called in officials from the Federal Disaster Assistance Agency to find out why that aid was denied and what criteria they use in granting assistance. Their answers were interesting, but hardly satisfactory.

Mr. William Wilcox, head of the agency, explained that aid was granted if the public health and safety were endangered by the conditions. He admitted, however, that measures of those conditions — i.e. snowfall, windspeed, etc. — were not specified in FDAA rules for

determining community need. Many local federal and municipal officials are contracted in the affected area to verify the severity of the situation. On the surface, this would seem to be a reasonable method of determining just who needs the help.

But under intensive questioning, Mr. Wilcox admitted that his agency really based its decisions more on the financial condition of the applicants than on the conditions caused by the snow. In the recent cases of the City and County of Milwaukee both asking for aid, the FDAA decided that the City was in worse financial shape so it got the aid, but the County did not — even though the snow conditions were the same in both!

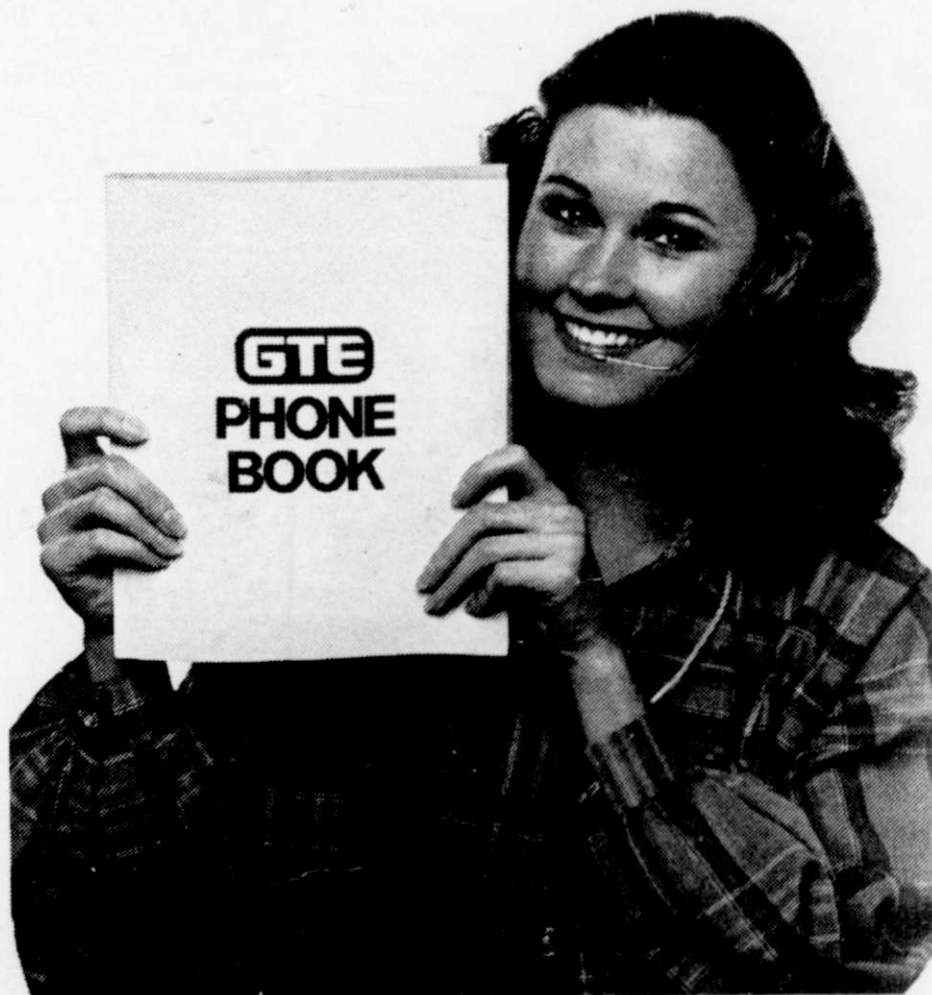

Frankly, that kind of reasoning is discriminatory, as it results in help only for those

governments which are inadequately prepared to meet a snow crisis. Those which have done a responsible job get nothing, even though the hazards created by the snow — and the need for removing them — are just as great as they are in the fiscally tight communities.

In effect the federal government is saying, "Don't do anything yourselves because we'll do it all for you." That attitude helps account for our \$532 billion federal budget.

### SNOWMOBILE THEFT

A snowmobile valued at \$2,400 was taken from a barn in the Town of Kewaskum, according to a Highland Drive resident. The vehicle was taken between January 30 and February 3, according to the Washington County Sheriff's report.

## Boy Scouts Conducting \$2.8 Million Campaign For Camp Development

A \$2.8 million capital fund raising campaign to improve the facilities operated by the Bay-Lakes Council, Boy Scouts of America, began this week and will run through April 30.

Nearly 37,000 youths in 22 state counties and a half of a county in the Upper Peninsula of Michigan are involved in Scouting programs. The headquarters are in Menasha, but there are service centers in Sheboygan, Fond du Lac, Oshkosh, Green Bay and Manitowoc.

A share of the campaign dollar will be used to improve the centers as well as the five

camping facilities.

The camps are: Camp Bear Paw, Mountain; Camp Rokilio, Kiel; Camp Wilderness, Hancock; Camp Gardner Dam/Boulder Lake, Langlade; and Camp Twin Lakes, Wild Rose.

The public phase of the campaign will run through April 30. An Advisory Board has been named and is headed by Gus Zuehlke, an Appleton banker. John B. Torinus, editor of The Post-Crescent, is general campaign chairman and is in the process of recruiting a team of 3,000 community leaders for the fund drive.

### Crime Resistance Courtesy

"Courtesy" is a term that we sometimes might be tempted to define as "a forgotten form of behavior." To do so would be to exaggerate, of course, but we'd almost all agree that phrases like "excuse me," "thank you," and "let me hold the door for you" are heard less frequently in daily conversation than we'd like to hear them.

A little courtesy can go a long way. If it became more commonplace, our communities would undoubtedly be nicer places in which to live. Adding a crime resistance dimension to courtesy would help to make our communities safer places in which to live, as well. And this time of the year, when we have made our New Year's resolutions, might be an especially good time to resolve to make Crime Resistance Courtesy a part of our daily routine.

What is Crime Resistance Courtesy? It's offering to pick up newspapers and other items that accumulate in front of neighbors' doors while they're away so that their residences don't become targets for burglars. It's alerting neighbors to the fact that bicycles, often attractive to thieves, have been

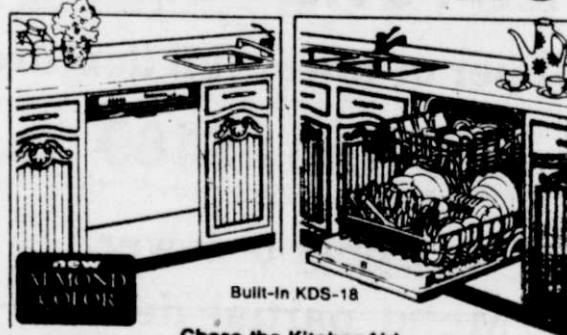

left unsecured in front of their residences. When we're out in public, it's politely asking persons if they're aware that they've left their car doors unlocked. And if we live in neighborhoods where older persons are sometimes victimized on the street, it's offering to escort elderly relatives or acquaintances to and from the store or bank.

Very simply, Crime Resistance Courtesy is helping others, in a tactful and friendly way, to become less vulnerable to practice Crime Resistance Courtesy, too. If they did — if Crime Resistance Courtesy became contagious — we'd eliminate many opportunities for crime and make our neighborhoods and communities much more pleasant places to live this year and in the years to come.

### Women Voters to Explore Issue of 'Urban Crises'

Though the United States does not have a national urban crisis, we face a situation in which some cities, large and small, are experiencing what can be called "urban crisis conditions."

Different aspects of the contemporary urban crisis have been explored and debated for nearly two decades. Unfortunately, the number of urban problems have continued to increase in multiple ways. These include both the complexity and variety of issues involved and the number of communities affected.

There are many questions and difficult choices.

The League of Women Voters-Washington County will be exploring the issue "urban crisis" Tuesday, February 13, as it participates in a nationwide league study of what may well constitute the domestic problem of this country.

The meeting to be held in the West Bend Community Library meeting room at 7:30 p.m. will begin with the viewing of the film "Quiet Changes: Small Towns in Crisis." Produced for the League of Women Voters of Wisconsin, the film focuses on the problems of small cities.

Following the film, will be the appearance of guest speaker, Dr. Richard Bingham, Chairman of the Urban Affairs Department at the University of Wisconsin, Milwaukee. Bingham, whose special emphasis within the political science field is inter-governmental relationships, is also the author of a book, "The Politics of Raising

State and Local Revenue."

The meeting is open to the public. For more information call 338-1958.

### 21 UWWC Students Initiated Into Phi Theta Kappa

Twenty-one students at the University of Wisconsin Center-Washington County were initiated into Phi Theta Kappa, a national honorary fraternity, Sunday, January 28.

They include:

Becky Schille, Tom Mertes, Sharon Kordosky, Mary Molter, Carol Sanders, Randy Klumb, Cyndi Harding, Carrie Petsch, Sheila Moore, Laurie Beine, Lynn Klumb and Mark German, all of West Bend; Jan Schowalter, Wendy Weinand and Dave Hauser of Jackson; Denise DeChant, Irene Beine and Carol Ripp of Hartford; Jackie Roehr and Jerry Bayer of Slinger; and Kathy Anderson of Kewaskum.

Eligibility for the honor society is determined by the Dean's List or if a student has taken 12 credits or more and earned a cumulative grade point average of 3.3. Dr. Michael Cahill, advisor for the group, introduced the guest speaker for the evening ceremony. This year the theme of the programs deals with the future of man. Cultural Geographer, Richard Cleek, spoke to the group in the Student Union Lounge.

In the past, members have coordinated a trip to Chicago's Museum of Science and Industry and the Planetarium, sponsored the Spring Honors Convocation, raised money for scholarships, and awarded scholarships.

### Offer Home Landscaping Short Course

A Home Landscaping Short Course designed to help people interested in beautifying their home grounds is being held during February and March.

This short course, sponsored by the Washington County University Extension office, will involve a series of classes aimed at aiding both those persons starting with a bare yard, and people who have already developed some home grounds improvement. Emphasis will be centered on home landscape design, plant selection, home lawn care and plant maintenance. Short course sessions will be held on Tuesdays, February 13, 20, 27 and March 6 from 7:00 to 9:00 p.m. at University of Wisconsin Center-Washington County, Room 201.

The first session on "Home Landscape Design" will detail methods of developing a site plan, on-site analysis and various design concepts. The February 20 program discusses physical characteristics of tree and shrub selection and will be assisted by slides of a variety of plants. The "Home Lawn Care" program will discuss establishing a new lawn, seed varieties and mixtures and lawn maintenance. The final session emphasizes purchasing plants, planting and pruning.

There is a \$3.50 charge for the Home Landscaping Short Course and pre-registration is required. For further information, contact Dan A. Wilson, Resource Agent, UW-Extension, P.O. Box 537, West Bend, WI 53095. Phone: 334-3491 (West Bend), 644-5204 (Hartford) or 342-2929 (Milwaukee).

**Minutes of Village Board Meeting**

Mid-monthly Meeting  
Jan. 15, 1979  
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President Charles F. Miller presided. Trustee Herriges arrived at 8:15 p.m. All other Trustee Members responded to roll call.

The minutes of the meeting of January 2 were approved as printed. Motion by Trustee Danielsen, seconded by Trustee Schmidt. Voice vote was unanimous.

**TESTIMONIAL RESOLUTION TO**

LINDA L. BORCHERT

On the occasion of your retirement from the employee of the Kewaskum Public Library after many years of faithful service, it is meet and right that the Village Board of the Village of Kewaskum, Wisconsin, should record an expression of its grateful appreciation of the sterling qualities of heart and mind, which are manifest in your devotion and loyalty to this Village.

The Village of Kewaskum is proud indeed of the record of service of its employees who have contributed, in no small measure, to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards have realized fully, that progress in municipal government is predicated, for the most part, upon the loyalty and efficiency of the civic employees,

and on their ability to carry out faithfully and effectually the acts of village government.

We, therefore, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this testimonial, in grateful appreciation of your long and honourable record of service with this village.

Introduced by Trustee Robert Danielsen

Motion for adoption by Trustee Daniel Schmidt

Motion for adoption seconded by Trustee Donald Mlodzik

Roll call vote - 7 "Aye"  
0 "Nay"

Trustee Schmidt, Chairman of the Parks and Recreation Committee, moved that the Outdoor Park and Recreation Plan, as amended, be approved and adopted. The motion was seconded by Trustee D. Nigh. Voice vote was unanimous.

The Protection and Public Safety Committee reported that an attempt was being made to obtain part time office help for the Police Dept.

Trustee Mlodzik presented a proposal from the Johnson Control Company for the installa-

tion of a monitoring system for the well water pumps and the sewage lift stations. No action was taken.

In a letter to the Board, the Village Attorney, McKenna and Kiefer, advised that a judgement had been rendered against the village in the total amount of \$2,596.02 on the claim of William E. Paske, Jr. for real estate taxes illegally assessed. Motion was made by Trustee Herriges that the full amount of the judgement be approved and paid. The motion was seconded by Trustee Danielsen. Voice vote was unani-

mous.

Motion was made by Trustee Danielsen that the Commissioner be authorized to consult with the Village Attorney in an effort to recover the state, county and school taxes included in the forgoing judgment. The motion was seconded by Trustee Schmidt. Voice vote was unanimous.

Upon motion by Trustee Schmidt, seconded by Trustee Danielsen and unanimously carried, the Board adjourned to 8:00 p.m. February 5, 1979.

William S. Martin  
Commissioner

**32 Counties Seek Solid Waste Planning Grants**

MADISON, WI — How will Wisconsin handle 13.5 million tons of industrial wastes, old cans, tires, glass, plastics, and trash generated here each year? Statewide, 32 counties are seeking grants from the Department of Natural Resources (DNR) to make long-term plans for solid waste disposal.

Under the Wisconsin Fund, \$500,000 is available in 1979 to help finance countywide solid waste planning. The state will provide 50% grants (up to \$50,000 maximum for each re-

quest), so the \$500,000 should stimulate \$1 million of planning activities. The 32 counties estimated their projects costs at \$1.2 million.

The state assistance program also offers 25% grants to investigate the environmental soundness of specific landfill sites. But all approved planning grants must be funded before any landfill siting grants are considered.

DNR will evaluate all applications and award grants by early April. Counties accepting

grants must prepare a countywide solid waste plan by April, 1980.

What kinds of answers should a comprehensive plan provide?

\*How is garbage handled currently?

\*Where is this refuse generated?

\*How much waste, of what kind, is produced?

\*How are wastes collected and transported?

\*Are discarded materials processed? (shredded for volume

reduction, separated, or recycled?)

\*Are existing sites big enough to handle future needs?

\*Where should sites be located in the county (or counties)?

\*Will present and proposed sites protect people and the environment from potential hazards like leaching chemicals, air-blown particles and odors?

One condition of the grant requires the county to encourage public comments on proposed plans so that the final plan reflects community needs and interests.

# Frostbite Is Hazard Of Winter Months

An ever present winter hazard in North America is frostbite.

Frostbite is, naturally, more of a problem in the northern states, but even in much of the South there are occasional nights cold enough to nip unprotected noses and cheeks.

Frostbite can be very painful, resulting in amputations, and can leave the victim hypersensitive to cold for the rest of his or her life.

In some ways the damage of frostbite is similar to a burn. First degree frostbite, like sunburn, is an injury to the surface skin. It is likely to attack ears, toes, fingers, cheeks or nose. Second degree frostbite produced blisters, as in second degree burns. In third degree frostbite the damage is deep and much of the frozen part may be lost.

The American Medical Association points out that prevention is the best protection against frostbite.

Prevention means being properly dressed in warm clothing, waterproof shoes, and heavy, dry socks, with good covering for head and ears. Keep clothing dry from both outside moisture and from perspiration, and avoid tight clothing or garters that may restrict circulation.

Motorists traveling across country in subfreezing weather are advised to have heavy clothing and shoes in the car, in the event of a breakdown and a necessary hike for help.

First signs of frostbite are a "pins and needles" prickly feeling, and then numbness. The affected part will turn white or grey and later red.

First aid possibilities are limited. Thawing of the tissue as soon as possible is the first consideration. This can best be accomplished by getting indoors into a warm room. Use warm water, not too hot. Treat the frozen part gently and do not rub or massage it. The old technique of rubbing snow or ice water on the frozen spot does more harm than good, by delaying thawing.

## Cut the Stall Tactics and Get on With Veterinary School, Hephner Urges

(MADISON)—"I don't see what the problem is," said State Representative Gervase Hephner (D-Chilton). "We've already rejected the contract approach and authorized a veterinary school, so let's cut the stall tactics and get on with it."

Hephner, a longtime supporter of a Wisconsin school to train veterinarians, was responding to reports that the state had recently renewed negotiations to purchase space for Wisconsin students in out-of-state veterinary schools.

According to Hephner, similar contract negotiations in the past have been uniformly unsuccessful, and last year the Legislature authorized the construction of Wisconsin's own school. Hephner said the contract prices were so high that we could build our own facility for the same cost in Madison.

"Now Senator Kleczka (D-Milwaukee) is trying to start things up with Minnesota again, and the Governor's office is testing the water in Michigan," said Hephner. "Can't they read the law? It says we're building a school here."

Hephner said that a recent letter from the Michigan State University Veterinary School

Dean on the subject of contracts serves to point out the weaknesses in the contract option.

"The Dean makes it clear that Michigan will demand 'full cost reimbursement' for the contracted spaces. He says that 'an inflationary factor must be included' in the price, and that 'agreements should not preclude negotiations for possible capital outlay monies in the future,'" Hephner reported.

"What the Dean does not mention," said Hephner, "is the fact that Michigan is planning an expansion of their veterinary clinic to the tune of \$12 million. It is clear that the full cost reimbursement for Wisconsin students will include a healthy share of that \$12 million. The Dean informed my office that the contract price would be a minimum of \$15,000 per student per year --- over and above tuition."

"At that price, Wisconsin would easily be spending more on the contract option than it would cost to operate our own school here, since Michigan wants us to build and maintain a

fourth year residency program and clinic in Wisconsin as part of the deal," said Hephner.

"And for all the money we'd lose to another state, no contract in the world is going to give us the secure, long-term veterinary space we would have in our own school."

"The Michigan Dean himself admits that the contracts 'will not result in a substantial savings of monies' for Wisconsin, and says that 'Another very obvious approach would be for the State of Wisconsin to make the commitment already made by several other states to build and staff its own facility,'" Hephner noted.

"I agree. Now let's get on with it."

Then there's the marriage that was terminated because of a religion difference: she worshipped money and he didn't have any.

## Shorthanded Lakes Team Loses

With two of their top scorers, Tom Zoch and Ken Loest, missing, the Kewaskum Land O' Lakes League team was defeated at Oconomowoc Sunday night, by their "A" Division team, 122-113. Loest is out with an injury and it was reported Zoch is at a baseball camp.

Despite the loss, Kewaskum still holds first place in the "B" Division with a 6-2 record, 1 1/2 games ahead of Hartford (4-3).

Kewaskum led at the quarter, 30-28, but was outscored in the second period, 37-26, to drop behind at the intermission, 65-56. Oconomowoc increased its lead in the third quarter but Kewaskum rallied in the final stanza to narrow the gap to nine points at the end.

Top scorer in the game was Kewaskum's Leon Laatsch with 34 points. Jeff Limberg contributed 24. Norm Roth led Cooney with 27.

Kewaskum's next game is at Thiensville-Mequon Sunday, February 11, at 7:30 p.m.

Results of other games last weekend: Menomonee Falls Stingers 131, Port Washington 111; Cedarburg 142, West Bend 96; Menomonee Falls Badgers 117, Slinger 93; Thiensville-Mequon at Hartford (postponed).

Schedule this Sunday: Port Washington at Cedarburg, West Bend at Menomonee Falls Badgers, Slinger at Oconomowoc, Kewaskum at Thiensville-Mequon, Hartford at Menomonee Falls Stingers.

## St. John's Military Academy Chess Team Routed by Kewaskum

St. John's Military Academy of Delafield brought its 3-0 chess team to Kewaskum Wednesday and left on the short end of a 49-6 rout at the hand of the Indians.

The Cadets aided the Indians by forfeiting the bottom four boards when they failed to bring the agreed upon ten players.

The highlight of the match was Kewaskum's Dusti Howell's 2 1/2 hour victory over Ted Zilenski, last year's scoring champion of the South Central Chess League.

The Indians are now 5-0 with three matches left.

Competing for the Indians besides Howell were Sheldon Langhoff, Chuck Strancke, Kim Manthei, Dale Remmel, Jeff Steger, Tom Rosenberger, Robin Neitzel, Rob Slegger and Rick Howell.

The showdown for the league championship will be held on February 13 when the Indians host co-leader Hartford.

MADISON, WI — Deep snow and slush on many lakes throughout Wisconsin have made travel and ice fishing extremely difficult, and in most areas snowmobilers and cross country skiers are required to stay on developed trails because of the deep snow conditions.

In the northwestern counties, excellent cross country skiing and snowmobiling conditions are reported in the Brule area, and lake trout bobbing is good in the Madeline-Cornucopia areas. Good walleye, northern and panfish action is rewarding anglers in many Cumberland area lakes and snowmobiling and cross country skiing conditions are also excellent there. A heavy slush buildup on lakes in the Park Falls area is making travel difficult and is causing problems for ice anglers.

Farther south in west central Wisconsin, heavy snow has slowed anglers and fishing is slow in most waters in the Black River Falls area. Cross country skiing is very popular in the Black River State Forest, and snowmobiling conditions are good. Snowmobile trails are in excellent condition in the Eau Claire area. Anglers in the area are advised to take action to prevent their ice shanties from freezing in the slush on the lakes. Lake Wissota State Park cross country ski trails are in excellent shape. Deep snow has limited fishing in the La Crosse area.

In the north central counties, slush on the lakes is a problem in the Woodruff area, and snowmobilers are advised to avoid making new trails on the ice because of the danger of getting stuck. There are excellent cross country skiing and snowmobiling conditions in the Antigo area, and coyote hunters are doing well with dogs. Travel on lakes in the Wisconsin Rapids area is difficult because of slush conditions and in some cases deteriorating ice conditions make travel hazardous. Fishing is generally good on lakes in the Wisconsin Rapids area.

Snowmobiling and cross country skiing conditions are generally good throughout the northeastern counties, although deep snow has resulted in some problems for cross country skiers. Ice conditions in the district are poor. Walleyes are being taken about 1 1/2 miles from shore on Lake Winnebago.

In the southeast district, fishing pressure continues very light throughout the district because of the heavy snow and slush conditions on the ice. Northern pike are biting well on the Sheboygan Marsh in Sheboygan County, Big Cedar Lake in Washington County, and Okauchee and Keesau Lakes in Waukesha County.

Panfish fishing is generally good in all district waters with perch and bluegills providing most of the action.

Cross country skiing and snowshoeing conditions remain excellent throughout the district.

Snowmobiling conditions are quite variable with some trails in poor condition because of too much snow. Deep snow is also making access to some trails difficult and snowmobilers are advised to stay on the trails. They are also reminded that in operating along U.S., state and county highways, the snowmobile must not be operated closer than 10 feet to the travelled portion of the road. In most cases along these roads, snowbanks left as a result of plowing prevent the legal operation of snowmobiles.

Reports from the southern and southwestern counties indicate that the squirrel, cottontail rabbit and fox hunting seasons ended on a low note on December 31st because of the heavy snow conditions. In general, snowmobiling and skiing conditions are good on established trails. Madison area lakes are producing some good walleye and panfish action with ciscos being taken from Lake Mendota. Some trout streams are opening in the Dodgeville area. Slush on lakes is causing problems for anglers. Snowmobiling

conditions are only fair in Columbia County, but are very good along with cross country skiing in Dodge County.

# Indians Nudge Grafton, 57-56, For Second Victory of Season

After losing a couple of close games this season, Kewaskum won one here Friday night when they edged Grafton, 57-56, in a thriller. It was only the second victory of the season for the Indians, who are now 2-6 in the conference and 2-10 overall.

It took until the final second to decide the outcome. Kewaskum held a four-point lead and had the ball with two minutes left, then watched it almost slip away as Grafton missed two field goal attempts in the last four seconds.

Ray Dominguez and Bob Nigh paced the Indians to a comeback early in the final

## INDIANS LOSE TO KETTLE MORAINE

Making up a game snowed out earlier, Kewaskum gave Kettle Moraine a run of it here Tuesday night but lost, 70-65. Krempek and Carpenter paced Kettle with 20 points apiece. Schilter with 20 and Dominguez with 15 led the Indians.

quarter but a couple of missed shots almost cost them the game as their lead slipped away.

With a two point advantage, Kewaskum got the tip on a jump ball and ate up the clock until there were just 14 seconds left. Dominguez was fouled and made the first free throw to give the Indians a 57-54 lead. Grafton got the ball with six seconds left, scored a two pointer with four seconds still left and called a time out.

Kewaskum couldn't get the ball successfully inbounds and Nigh called a time out. The second time he threw the ball the length of the court and out of bounds. Kewaskum's time-keeper let the clock run out but because the ball had not hit a player on the court, there were still four seconds remaining.

After one more time out, Grafton had the ball and got two more shots at the basket but missed both and the victory was finally in the bag for the Indians.

Dominguez came up with 9 of his 12 points in the last quarter. The Indians had been behind by as much as five points early in the last period. Nigh and Jim Kern led the Indians with 13 points each. The Blackhawks' Tom Gundrum took game honors with 18 points.

This Friday Kewaskum travels to Hartland to take on second place Arrowhead and Tuesday the Indians play again at Pewaukee against the tail-enders.

## Girls Lose to 15-0 Hartland, Beat Pewaukee

The awesome Hartland Arrowhead girls team, which is scoring around 90 points consistently this season and running away from most opponents, did it again here last Tuesday when they routed Kewaskum, 90-54.

Known for their tough full court press and fast breaking, the Warhawks soared to a 22-8 lead at the end of the quarter. They shot over 50% for the game on 35 of 59 shots, led by Linda Aumann with 25 points, Lisa Moon with 22 and Julie Kiltz with 20.

Although Hartland had far the best of it in the early going, the Indian girls played one of their best games of the year and were one of the few teams to score 54 points against the Warhawks. Kewaskum hit 24 of 62 shots but outrebounded the taller Warhawks.

The Indians were paced by Yvonne Schacht with 14 points and right behind her was Sue Russell with 13. Sharon Wagner hit 10 for the losers.

Undefeated Hartland is now 15-0 for the season while the loss left Kewaskum with 5-6 in the Scenic and 5-9 overall.

Hosting Pewaukee Thursday night, things were turned around as the Indian girls were victorious, 59-50, to climb to the .500 mark in the conference at 6-6.

Guards Yvonne Schacht and Janet Matenaer teamed up for 33 points by scoring 17 and 16 respectively. Coach Mike Theiler praised Matenaer for a super game and Bobbi Schmidt for some great assists.

Both Diane Bremser and Sue Russell fouled out early in the fourth quarter and had trouble scoring. Sharon Wagner scored eight points but there wasn't much more from the front line taller players.

By the time the fouls started hurting Kewaskum already had a 17 point lead. A one-sided third quarter put the Indians well ahead when they outpointed the Pirates, 14-7.

## SCENIC MEETING ON REALIGNMENT

At a Scenic Moraine Conference meeting in Germantown last Tuesday night, all of the conference schools reportedly approved the WIAA realignment plan except Slinger. The vote was 7 to 1. Kewaskum apparently went along with being assigned to the Eastern Wisconsin Conference.

## Wrestlers Tie Mayville, Last In Scenic Meet

Wednesday night's wrestling match here between Mayville and Kewaskum ended in a 29-29 tie after going right down to the wire.

The Cardinals' Gary Kahlhamer decided Kerry Klein 9-2 in the final bout to gain the tie. Kahlhamer almost pinned Klein in the closing seconds and this would have given Mayville the win.

After the score was tied at 21-21, neither team could gain much of a lead on the other. The Cards' Sam Kempf scored a win over Vance Reif but the Indians' Scott Klein came back with a big decision, 13-1, over Bill Mader to tie it up again at 26.

Kewaskum got the lead again on Jeff Bastian's 8-2 win, but Kahlhamer then defeated Klein to tie it up.

The Scenic Moraine Conference meet was held at Hartland Saturday and was won by Pewaukee.

The Pirates trailed Hartland going into the meet (on dual meets). They also had only five wrestlers in the finals, compared with seven for the Warhawks but won the meet for their fourth straight Scenic championship. Some heroics by Pewaukee plus some help from other schools gave them the victory.

There wasn't much success for the Washington County teams, except Germantown, which had two champions. Slinger finished in seventh place and Kewaskum in eighth.

It was a bad day for the Indians, who had only three make it through the first round. Scott Hayes and Jeff Bastian got fourths at unlimited and 145. Only Scott Klein got to the finals at 98 and it appeared he might be the champ. After the first period he was ahead 2-0 and was in control most of the second. But in the last period, going for the winning takedown he was pinned.

Scott is now 17-3-1 for the season and will have an opportunity to improve that mark in the sub-regional at Random Lake Thursday.
