Week's Wit

A friend of ours just returned from a vacation in Florida. He said he enjoyed the sights — especially those in bikinis.

Tom Hooper Attends Kewaskum Junior Woman's Club Meeting

Tom Hooper

Tom Hooper of TV-6 presented the February program to the Kewaskum Junior Woman's Club and their husbands on February 8. Tom is very familiar with the area as his family has golfed and camped in the Kettle Moraine. His recent cross country ski mishap on the Glacial Trail was the reason for Hooper being accompanied by a pair of crutches this Thursday evening. He began as a radio disc jockey in the 1950's and graduated from Northwestern with his master's degree in broadcasting. He has been with Channel 6 for 14 years.

Spontaneous jokes and insights about several of the TV-6 personalities was followed by Hooper relating to those present the workings of Contact 6. Contact 6 was started in 1972 and has been growing constantly. Approximately 400 letters and 200 calls are received weekly. All requests are acknowledged by a card. The next step involves following through on the complaint or request. Problems that are televised on the evening news spot have to meet three criteria: they must be visually interesting, they must be something not recently on the program, and there should be a fair chance of solving them.

A very funny ten minute film was shown on items that never quite make the evening news. "Bloopers," background interference, microphone cords getting caught in doorways and other things can result in 3 or 4 takes before the film can be used. Even the best newscaster mispronounces words or calls the person being interviewed by the wrong name. Then it must all be repeated. Four letter words occasionally slip out and they must be edited.

The short business meeting that followed resulted in the

Juniors donating \$35 to the Samaritan for their bus fund. The Education Committee also will give \$25 to the RIF program in Kewaskum. The GIP Project for this two year administration is helping the village convert approximately a two acre area of the new Kiwanis Park into a nature area. It will include a nature walkway of wood chips and floral and fauna descriptions to be an educational area for the young as well as the young at heart.

County's Oldest Resident, Gertrude Staehler, Feted on 103rd Birthday

Washington County's oldest resident, Gertrude Staehler, celebrated her 103rd birthday on February 13 at the home of her daughter, Marcella Coghlan, in the Town of Polk. Her children and her youngest sister, Mrs. Mayme Schladweiler of West Bend gathered for a birthday dinner in her honor.

Gertrude Berres was born February 13, 1876 to Casper and Mary Berres, the oldest of five daughters. She grew up on the family homestead located 1 1/2 miles north of St. Michaels. When she was 19 Mrs. Staehler accompanied a relative to Chicago, where she found work.

Before her marriage to Jacob Staehler in 1903, she had been employed in Milwaukee. She was married at 27 and her husband was 34. They settled on the Staehler family farm in the Town of Scott, Sheboygan County, where they engaged in farming until 1949. At that time they retired to a home in the Town of Scott. Her husband died in 1950 at the age of 81.

The couple had six children,

Historical Society Elects

The Kewaskum Historical Society held their monthly meeting on Tuesday, February 20, at the Valley Bank.

The agenda included the election of the following officers: President - Delores Kleinke, to succeed Clifford Stautz; Vice-President - Lloyd Westerman, to succeed Bob Schultz; Secretary - Phyllis Schmidt, to succeed Gloria Rodenkirch; and Treasurer - Kathy Paul was re-elected. New member elected to the Board of Directors is Clifford Stautz, to succeed Hattie Weddig. The two Board of Directors remaining are Daniel Schmidt and Marshal Reysen. Evangeline Teeselink remains the museum curator for 1979.

The old business included a discussion on insurance. New business covered the selection of two Early Farm Days committees, and some discussion on the Early Farm Days Show to be held in conjunction with the Lions Club Chicken Bar-B-Q, August 18 and 19.

Membership was discussed and April was set as membership drive month. The society encourages new and interested people to become members, for the cost is very reasonable and rewards and fun are great. Annual membership dues are as follows: \$2.00 Single Historian, \$1.00 single Junior Historian (17 and under), \$1.00 single Senior Historian (62 and older), \$5.00 Family of Historians. Business membership is a free will donation with a \$10.00 minimum. Dues may be paid or sent to Mrs. Kathy Paul, 320 First Street, Kewaskum, WI 53040.

Lawrence of Boltonville, Marvin and Veronica Klein of Milwaukee, Jerry of Oshkosh, Marcella Coghlan and Mary Staehler of the Town of Polk. Mrs. Staehler has 20 grandchildren, 46 great-grandchildren and four great-great-grandchildren.

Mrs. Staehler is still active, walks, helps with the work and attends church services. She enjoys baseball, listens to the Milwaukee Brewers games and is looking forward to attending a Brewers game this summer.

Country Craft Corner Opens

Kougl's Cheese Mongere, Kewaskum, has opened a Country Craft Corner in the adjoining room of their store at 411 E. Main Street.

It is housed in the large room formerly occupied by Rivers Edge Boutique in the Kirst Realty building, formerly the Ours Dry Cleaners building.

110 PINTS COLLECTED

Blood Bank Successful

The Blood Bank held at the Kewaskum High School on February 20 was a success with 117 people coming in and only 7 being deferred.

The pin list includes Betty Clark and Roger Schmitt with credits of 24 pints; Vincent Groh and Marvin Kleinke reached the 16 pint mark, and 8 pint credits were earned by Andrew Pesch, Janice Campbell, Bernice Ramthun, Linda Theisen, William Crooker, Michael Pfeiffer, Roy Peterson and Gary Gerhartz.

Other donors were: Jeff Neuman, Cheri Ramthun, Barb Kober, Robert Bonlender, Jerry Marx, Gene Pufahl, Larry Faber, Gerald Kiefer, Dan Filzen, Mike Schaub, Sharron Miller, Allen Amerling, Judy Harlow, Val Strobel, Alice Bier, Robert Schreffler, Dr. Chas. Etta Co-Chairman Of Beef Show

Perry Etta

Perry Etta, son of Mr. and Mrs. Earl Etta, Route 1, Kewaskum, will serve as beef co-chairman of the 1979 Wisconsin Little International Livestock and Horse Show. The University of Wisconsin Stock Pavilion at Madison will be the site of this annual event held this year on March 2-4.

Etta, a 1977 graduate of Kewaskum High School, is a second-year student at the University Agricultural Short Course in Madison. As beef co-chairman, he will oversee the beef showmanship contest of the Show.

The Little International, now in its 60th year, started in 1920 as a simple livestock parade. Sponsored by the Saddle and Siroin Club, it has become the largest winter horse show in the midwest. Proceeds from the Little International provide scholarships and help sponsor the intercollegiate judging teams.

ton, Dennis Bingen, Gregor Nigh, Leo Bonlander and Carol Ramthun.

Sandy Ramthun and Gloria Rodenkirch, co-chairmen for the drive, would like to extend a special thank you to the following for their assistance: the Ladies Guild of St. Lucas Lutheran Church for the tasty lunch served to donors, Roy Esser and his students and Joe Butschlick at the high school, the Kewaskum Statesman, and Robert Danielsen, Jerry Buchel and Tom Bartelt for dismantling the equipment. Last, but certainly not least, the DONORS. Thank you for sharing a pint!

Catholic Stewardship Appeal Opens March 4; County Goal \$156,000

The 1979 Catholic Stewardship Appeal goal for Washington County has been set for \$156,000.

Leo F. Schlaefter of West Bend, leader of the Washington County effort, said the goal represents an eight percent increase of \$11,576 over the 1978 total. Last year Washington County achieved 104% of its goal with subscriptions totalling \$144,707 from 5,130 donors. The campaign for funds, formerly known as the Archbishop's Fund Appeal, will be conducted from March 4 to

April 15 in the 286 parishes and missions of the archdiocese of Milwaukee. It is the major source of revenue for the archdiocese, enabling it to meet its financial obligations, amortize its debt, and support agencies, programs, and services throughout the ten-county area.

The goal for the 1979 Catholic Stewardship Appeal is \$4,000,000. This is a seven percent increase over last year's achievement of \$3,752,132.

Individual 1979 Appeal goals for all counties and districts of the archdiocese, with percen-

tages of the increase over last year's total in parentheses, are:

- Milwaukee County
- Northeast District — \$425,000 (5%)
- Northwest District — \$604,000 (6%)
- Southeast District — \$356,000 (5%)
- Southwest District — \$601,000 (7%)
- Dodge — \$97,000 (8%)
- Fond du Lac — \$180,000 (6%)
- Kenosha — \$167,000 (7%)
- Ozaukee — \$155,000 (6%)
- Racine — \$257,000 (7%)
- Sheboygan — \$155,000 (7%)
- Walworth — \$77,000 (5%)

Waukesha — \$532,000 (8%)
Headquarters — \$238,000 (8%)

The campaign headquarters goal represents gifts from individuals, foundations, and organizations which cannot properly be credited to individual parishes, counties, or districts.

In the 1978 Appeal gifts from 113,393 donors reached a total of \$3,752,132, topping the goal of \$3,750,000.

The Catholic Stewardship Appeal theme is biblical: "Love as He loves. Give as He gives."

"Television has opened many a door, most of them on refrigerators."

SERIES 223

NO PURCHASE NECESSARY

OFFICIAL RULES AND INSTRUCTIONS

1. NO PURCHASE NECESSARY. Get FREE INSTANT CASH JACKPOT (c) game ticket on request at any participating store. One ticket per adult (18 years or older) per store visit. On your first visit obtain FREE Rules and Instruction Form.

2. TO PLAY: Gently scratch off pots on ticket to reveal prize amounts. INSTANT GAME: If 3 same dollar amounts in pots exactly match, you win that \$ prize. COLLECTION GAME: Collect all letters to exactly spell: JACKPOT - win \$1000; RAINBOW - win \$100; LUCKY - win \$20; MONEY - win \$10; CASH - win \$5 with letters in pot on bottom of ticket.

3. TO CLAIM PRIZE: Submit game tickets for verification to Store Manager who will arrange for verification and awarding of your prize. ALL game pieces submitted must be signed on back as indicated in presence of AUTHORIZED store personnel. Prizes of \$1-\$20 will be paid in cash at store upon verification. Prizes of \$100 and \$1000 will be paid by check after verification by Headquarters. Claimant redemption forms are to be signed. Winners of \$100 or more retain receipt for payment by check. All materials submitted for verification become property of Sponsor. All tax liability on prizes is sole responsibility of prize winner.

4. ALL TICKETS are subject to verification and are void and may be rejected if not obtained through legitimate channels, or if illegible, altered, mutilated, forged, tampered with or irregular in any way, or contain printing or other errors. Liability for irregular tickets or those not verified is limited to replacement of ticket. Person(s) using any device, scheme, information or method other than fair chance to play and win is disqualified. Chain or stores reserves right to limit prize to one per household. Game void where restricted by law. Valid winning tickets must be presented within seven (7) days after announced termination of this game, or prizes are forfeited. We reserve right to reject and void any game material illegible, altered or tampered with or

containing printing or other errors that may appear in any material used in this program.

5. GAME ENDS on distribution of all tickets. Notwithstanding anything herein to the contrary, at such times as verified claims for prizes in any category equals the number of prizes posted in participating stores and advertised for that category, then game, as it relates to that specific prize category, shall immediately terminate without notice and any unverified tickets at or after that time shall be automatically rejected.

6. All the game material must have same series number and are valid only in that series number game.

7. Employees of sponsoring chain of stores, if subsidiaries, manufacturers of game, their advertising agencies and families of the foregoing, are not eligible to play.

8. TICKETS are void if they do not contain designated series number on back and security safety patterns under all game play areas; clearly visible game value number and number spelled out in instant game and designated letters in 3 (three) positions to correctly spell prize words in collecting game.

9. Odds to win and number of prizes unclaimed will be updated each week after thirty (30) days, for prize categories, and will be posted in participating stores and newspaper ads.

10. Game tickets and Rules and Instruction Form may also be obtained by mail. To request same, send stamped, self-addressed envelope to: "JACKPOT", S.C. Shannon Company, 1726 N. Ballard Rd., Appleton, Wis. 54911.

11. This program is available in 26 participating affiliated S.C. Shannon Co. stores in Wisconsin, including 22 in central and east central Wis. 3 in Marinette County and 1 in Rhinelander, Wis. Game terminates May 31, 1979 or when all tickets are distributed. Promotion may be repeated when this program ends.

Totals	22,282	21,958	304	\$63,000	1 in 85	1 in 6.5	1 in 3.2

*These odds are in effect until one month after start. Updated odds will be posted in all participating stores and in newspaper ads.

**When the total number of approved winners in any of the above cash games (\$1000, \$100, \$20, \$10, \$5, \$2, \$1) is achieved, then that specific cash game will be terminated without notice, and any tickets submitted for that specific cash game will be rejected.

School Board Reduces Teaching Positions at Monday's Meeting

By TAMI EDGAR
Statesman Staff Writer

The Kewaskum School Board reduced teaching positions in the Kewaskum schools at Monday night's meeting.

The reduction of staffing would be a kindergarten and a grade 1-6 teaching position at the elementary level. In the high school, there will be a reduction of a half time foreign language teacher and an art intern position. There will be a full time addition to the math and health positions. There will also be a half time business education position added.

Student reduction in foreign language and art classes results from the freshman requirements in math and history which is limited because of class time and credit requirements.

The board voted to go ahead with the Title IV Project which includes audio visual equipment for the Elementary and Middle School, and the computer for the high school. The computer for high school student use would be run on a yearly basis. If decided, the school could drop this program if it wanted to. The WCIS-Wisconsin Career Information System from Madison provides students with class information and career information. It also provides addresses to which students can write to acquire further information.

Fifty schools statewide have use of this computer and the closest include Pewaukee, Kettle Moraine and Hartland. These three schools have expressed that this system is worth the expense and will stay with this program. The cost of this program will be about \$3,000 a year. If the school would decide to drop this program the money would be used for various audio visual equipment for the high school.

The board also adopted the policy on discrimination. The policy states that there shall be no discrimination due to race, color, national origin, creed, sex, marital status, age, or handicap in employment, assignment or transfer of employees. The district may inquire into an applicant's ability to perform job related functions.

The snow day that the ele-

mentary schools had, not including the high school, will not be made up.

A request for the use of the old gym for a dance was disapproved by the board. The dance would be sponsored by the Ski Club and would not be a school function. The problem is that the dance would be open to anyone and this could cause problems.

The board then adjourned to a closed session.

A short meeting was held on February 21 at 4:45 p.m. to discuss the proper procedures for the request by John Baitinger for pay for participation in the Fine Arts Festival.

Baitinger is the Kewaskum High School's art teacher. The Fine Arts Festival consists of high school bands, choirs and art students projects. The band and choir present their concert by instrumental or vocal participation. The art students display their art projects and demonstrate on various techniques.

The program involves many people and hours spent in preparation for this event. Several other teachers are very active and they too spend many hours preparing parts of the program.

This meeting was held to discuss the proper procedure in which Baitinger should proceed with his request. Board members Jean Goeden, Richard Theusch and School Superintendent Floyd Brenholt were present to discuss the proper grievance procedures. On Monday, February 26, the board decided to go through the proper grievance procedures.

Rescue Squad Calls

Wednesday, February 21 — Audrey C. Zoller, 34, 706 Memorial Drive, Kewaskum, transported to St. Joseph's Community Hospital, West Bend, from County Trunk W and Butternut, Town of Wayne, with an injury when her van went out of control on a stretch of slippery pavement, rolled over and struck a utility pole.

Saturday, February 24 — Mary K. Wilhelm, 14, 702 Memorial Drive, Kewaskum, removed to St. Joseph's Community Hospital following a fall on ice.

Saturday, February 24 — Jamie E. Schneider, 13, daughter of Jan E. Schneider, 18225 Whipple Tree, Brookfield, removed to St. Joseph's Community Hospital from Sunburst Ski Area with a ski accident injury.

Saturday, February 24 — Ann E. Schwartz, 13, 1140 Woodland Avenue, Elm Grove, removed to St. Joseph's Community Hospital from Sunburst Ski Area with an injury suffered in a fall.

Saturday, February 24 — Ruth A. Hampton, 17, daughter of William Hampton, 17325 Ely Court, Brookfield, removed to the hospital from Sunburst Ski Area with a ski accident injury.

Saturday, February 24 — David L. Slama, 25, 6202 W. College Avenue, Greendale, removed to the hospital from M & E Restaurant, Hwys. 41 and 28, with a snowmobile accident injury.

Monday, February 26 — Maryann Boettcher, 45, 1640 Riverview Drive, Kewaskum, re-

moved to the hospital from her residence when she became ill.

4-H Music and Drama Festival March 4 and 11

"All About Mother" a one act play presented by the Happy-Go-Lucky 4-H Club will kick off the 1979 4-H Music and Drama Festival. It will start at 1:30 p.m. on Sunday, March 4 and 11, at the U.W.W.C. Theater in West Bend. The festival includes one act plays and musical ensembles performed by Washington County 4-H Clubs. Other plays on March 4 includes: "Feudin' Fun" by Kirchhahn Trotters; "The Gong Show" by the Hilltoppers; and "Jack, Beanstalk and Friends" by the Kewaskum 4-H'ers. Musicals to be presented include "American Salute" by Riverside 4-H; a variety of dances by Happy-Go-Lucky; and a presentation by "The Angels" of the Good Luck 4-H Club.

The March 11 festival features the plays "Runaway" by St. Lawrence Eager Beavers; "Trouble in Outer Space" by Sr. Hi-Lite Happy Workers; "Gooseberry Mandarin" by Hillside Hustlers; and "Unearthly Tricks and Earthly Treats" by Badger Boosters. Musicals include the "Disco Beavers" of St. Lawrence and "Moonshine Makers" by Badger Boosters.

The public is invited. Tickets are available from 4-H members or at the door.

Tellerphone

Your direct line to our teller for
savings-to-checking transfers.

Keep your money working

You've got nothing to show for your money in a checking account except a monthly statement. Put that idle money to work in a West Bend Savings Chek-Sav account — where it earns interest. A simple phone call transfers money from your savings account to your bank checking account. Or from checking to savings. Your money is transferred the same day to any major Washington County bank. And speedy service is available for virtually any bank in the country.

Make money work even harder.

Money in West Bend's Chek-Sav account earns the highest possible interest — a full 5% compounded daily — more than automatic transfer accounts at banks.

Most bank automatic transfer plans require a substantial minimum savings balance — or soon will. Only \$100 will keep your Chek-Sav account working free of charge.

Control every transaction.

You'll be given a personal identification number. Use it when you call to transfer funds — to or from your Chek-Sav account. You can also transfer money at our automatic teller.

Available at all seven offices.

Stop in or call about "tellerphone" service on West Bend's Chek-Sav accounts at any of our seven Washington County locations: Village Square, Slinger; Main St., Kewaskum; Main St., Jackson; Mequon and Division Rds., Germantown; and three convenient West Bend offices.

February Kiwanis Students of the Month

Sharon Amerling

Sharon Amerling, daughter of Mr. and Mrs. John Amerling or rural Allenton, and Joe Swanson, son of Mr. and Mrs. Leroy Swanson of rural Kewaskum, have been chosen as Kiwanis students for the month of February.

During her high school years, Sharon has been active in various sports, including tennis, track, basketball, gymnastics, volleyball and ski club. She also belonged to the GAA and the

Joe Swanson

Spanish Club. This year, Sharon is a student government representative. She has been a member of the chorus for four years, and this year is in the Swing Chorus. Last year, Sharon took a state first for Solo Ensemble. She also sings in the St. Bridget Church chorus. This year she also belongs to the FTA Club.

Joe has been active in the FFA for the past three years,

having served as reporter and treasurer. He was inducted into National Honor Society in his junior year. He has played on the boys' basketball team for three years. Joe was a member of the Spanish Club for two years and served as vice president in his sophomore year. Last year he was a member of the varsity Math team. Joe was a cast member of the "Hello Dolly" production.

Sanitary Code Seminar Planned

An informational/training seminar for septic system installers, CST's, builders, developers and septic tank pumpers has been set for Wednesday, March 14.

During the session, discussion will center on the proposed Washington County Sanitary Ordinance, required continuing education for CST's, guidelines for fill systems, an update on H62.20 regulations and the status of the mound septic system.

The seminar is co-sponsored by the Washington County Land Use and Park Department and UW-Extension. Instructors for this workshop include Fred Chlupp and Herb Wolf of the Land Use and Park Department, as well as Dave Fredrickson, Tom Nelson, Ken Steimke, Bob Meisenheimer and Terry Siveind of the Plumbing Division, State Department of Health and Social Services.

The half day program begins at 9:00 a.m. in the Washington County Courthouse Auditorium, 432 E. Washington Street, West Bend. A \$1.00 registration fee is being charged to cover registration and handout material costs.

Pre-registration is required by March 2. For registration forms or further information

contact Herb Wolf, Land Use and Park Department or Dan Wilson, UW-Extension Resource Agent at 515 E. Washington Avenue, West Bend, or call 334-3491.

WEEKLY Health TIP from Tom Leitzke, R.P.H.

Planning a vacation trip? Before you leave, remember to have any prescriptions filled that you will need on the trip. If you are caught short, you can phone us long distance and, if the prescription is refillable, we can airmail it to you. However, it is much less trouble and expense to secure all your drug needs in advance of the trip. You may wish to carry motion sickness pills. A kit of first aid supplies should definitely be carried--we can advise you on the essential items it should contain.

Dairy Program Rescheduled

The third session of the Dairy Management Highlights program has been rescheduled for Thursday, March 8, at 8:00 p.m. The program will be held at the Addison Town Hall in Allenton. The program had been originally scheduled for January 23, and had to be cancelled due to weather conditions.

Topics to be discussed include "Let DHIA Help You Make More Profit" with Dr. Clarence Olson, University of Wisconsin-Extension Dairy Scientist, and "How to Select Sires With a High Profit Potential" with Dr. Tony Sendelbach, also with the University of Wisconsin-Extension Dairy Science Department.

This session is open to all interested persons. No advanced registration or registration cost is required for the program.

Persons having additional questions can contact Jack Trzebiatowski, Washington County Agricultural Agent.

His American parents are Mr. and Mrs. Richard Schilter, Midland Drive, Allenton.

Hephner Delighted With Gov. Dreyfus Recommendation for Veterinary School

(MADISON)--"I'm delighted that Dreyfus has recommended the construction of a veterinary school," said longtime vet school supporter State Representative Gervase Hephner (D-Chilton) last week.

Hephner said that the Governor instructed the University of Wisconsin Board of Regents to amend their 1979-81 budget request to include construction funds for a school of veterinary medicine in Madison and a satellite clinical facility in River Falls.

For Hephner, this means the end of his campaign to convince the Governor that Wisconsin needs the services a veterinary school would provide. In addition to graduating 80 students per year when operations are in full swing, the school would allow practicing veterinarians to continue their education. Both the school and clinical facility in River Falls would also include facilities for research and animal health care.

Although the veterinary school had been authorized by the Legislature last session, only planning funds had been appropriated. The University did not provide for the construction of the school in their 1979-81 budget because of the lack of construction funding.

Meanwhile, the Governor's office had begun negotiating with Michigan State University to purchase spaces for Wisconsin students at Michigan's veterinary school. For the last several months, the Governor had indicated preference for the contract approach, and Hephner had been lobbying Dreyfus on the merits of the Wisconsin school.

"Dreyfus announced that the contracts did not work out and that he was now convinced that the school was the way to go. Naturally, I am very pleased to see that the school has just made a giant step forward — it's not brick and mortar yet,

but it's as close to reality as it's ever been," said Hephner.

If the construction of the school is allowed to progress as scheduled, groundbreaking would begin in the Spring of 1981 and the first class would enter the school in the Fall of 1983.

If you lose interest in life, you're dying.

Christian Women's Retreat Planned

The fifth annual Unique Woman of God retreat is being planned for Saturday, April 7, at the West Bend High School Auditorium, Decorah Road, West Bend.

Keynote speaker for this Christian women's retreat will be Joyce Jager of Prairie View, Kansas. Mrs. Jager, a pastor's wife, has led retreats and workshops on spiritual growth for many years. She will speak on the theme "The Christian Walk."

Music will be provided by The Potter's Clay, a group of Christian young people from the Milwaukee area.

The day-long retreat will begin with registration, coffee, and book browsing from 8:15 a.m. to 9:00 a.m. and will conclude at 3:00 p.m. Cost of the retreat will be \$3.00 per person, with lunch an optional \$2.00. Advance pre-paid registrations may be made through

March 31. Registrations after that date cannot include lunch. All women are welcome to attend.

Send registrations to Mrs. DeDe Wagner, 918 Sunset Dr., West Bend, Wis. 53095. Direct inquiries to Mrs. Muriel Wondergem, 912 Hillcrest St. West Bend, or phone her at 338-8649.

Dairy Imports Threaten State Farmers

"Wisconsin dairy farmers will be sold down the river if the results of current trade negotiations with the European Economic Community (EEC) result in the expected 65 to 70 million pounds of new cheese imports," states Charles Farr, director of the Dairy Division with the Wisconsin Federation of Cooperatives, Madison. Farr, a noted dairy economist, explains that this represents some 650 to 700 million pounds of milk annually.

Dairy farmers in the European Economic Community produce 37 billion pounds of milk more than they can use each year--this represents 16% of their total production. Combine that with Australia and New Zealand's excess production, another 12 billion pounds, and you've got a problem explains Farr. The 49 billion pounds that just these two areas produce each year totals more than two years Wisconsin production!

The foreign farmers are seeking new markets in the United States. They desperately want to sell their 49 billion pounds of excess milk. And, they're pressuring the U.S. for trade concessions.

But, according to Farr, "increasing imports would hold milk prices to U.S. farmers down near support levels. This unfavorable situation would upset the U.S. balance of supply and demand and market prices would no longer respond."

Trade regulations require proof of injury before they will limit imports. But, Farr points out that forcing farmers out of business is a high price to pay before protecting dairy farmers.

The Wisconsin Federation of Cooperatives is a trade asso-

ciation representing 349 Wisconsin cooperatives and their 350,000 members before the state legislature, and in the state's administrative agencies. In addition, the Federation conducts over 20 different cooperative education programs each year and provides technical assistance to member cooperatives.

State Nursery Stocks Of Trees and Shrubs Almost Exhausted

Wisconsin state nursery stocks of trees and shrubs for planting this spring are almost exhausted, according to Department of Natural Resources' forestry personnel.

Al Kubiske, Nurseries and Wild Rivers Specialist in the DNR Bureau of Forestry, said all that is left for distribution this year are ample stocks of black walnut seedlings and the following wildlife shrubs: autumn olive, silky dogwood and wild plum. There are also a few white ash seedlings available.

"All other species are sold out," Kubiske noted. "The shortages result from a rise in demand for tree seedlings and shrubs because of increased interest in reforestation and wildlife habitat which is occurring throughout the lake state and central state regions," he continued.

He said that professional

conservationists view this renewed interest as encouraging and noted that it has resulted in shortages of available stock in public nurseries throughout the area.

Because nurseries must anticipate demand at least four years ahead of time, temporary shortages may continue to occur and Kubiske urged those in Wisconsin who anticipate planting trees in the spring of 1980 to "mark their calendars to get tree order blanks from the DNR in November and send them in early."

Trees and shrubs purchased from state nurseries can be used only for conservation purposes, and are not to be used for landscaping or commercial Christmas tree production.

Elderly Urged To Apply for Special Tax Credit

Wisconsin residents who owned or rented a house or apartment in 1978 may be eligible for a special tax credit or refund.

Through a change in the income tax rules, homeowners and renters can file for a \$40 - \$100 property tax/rent credit, even if they do not have to pay any state income tax.

Douglas Nelson, director of the Bureau of Aging, State Division of Community Services, cautioned that "many elderly persons who do not file a state income tax return are not

aware they can claim this refund."

Under this special credit homeowners may receive a refund of up to \$100. Renters can receive \$40. "But persons must file a claim to receive the credit," Nelson said.

There are three ways to apply for the refund:

•Taxpayers who file Wisconsin Income Tax Form 1 or Form 1A can claim the credit directly on their return.

•The Homestead Tax Credit form has a space to claim the special refund in addition to the regular Homestead credit.

•Persons who file neither Wisconsin Income Tax nor a Homestead Credit claim may apply for this tax credit by obtaining Schedule PC, available at any Wisconsin Department of Revenue office.

The special tax/rent credit can be claimed anytime throughout 1979.

OPEN POOL TOURNAMENT

Last Week's Top Winner JEFF FABER

The marriage vows of Dawn Marie Gavin and Raymond Roger Butzke were exchanged during a 3:00 p.m. double ring ceremony at St. John's Lutheran Church, New Fane, on Friday, February 16. The Rev. Arthur Haupt officiated.

Parents of the couple are Mr. and Mrs. Dale Gavin, 861 Hwy. G, Kewaskum, and Mr. and Mrs. Raymond Butzke Sr., 305 Forest Avenue, Campbellsport.

Shelby Kempf, Kewaskum, served as maid of honor. The bridesmaids were Doreen Tonn, Campbellsport, cousin of the groom, Wendy Heberer, Kewaskum, friend of the bride, Sherry Gavin, Kewaskum, sister of the bride, and Tammy Trapp, California, niece of the groom.

The groom chose his cousin, John Kuehl, Campbellsport, to

be his best man. The groomsmen were Fran Ruplinger, West Bend, friend of the groom, Tracy Gavin, Kewaskum, brother of the bride, John Tonn, Fond du Lac, cousin of the groom, and Mark Flitter, Campbellsport, cousin of the groom.

Ushering duties were shared by Joe Klotz Jr., Campbellsport, brother-in-law of the groom, and James Gavin, Kewaskum, brother of the bride.

The bride is a graduate of Kewaskum High School and is employed as a nurses aide at the Cedar Lake Home, West Bend. Her husband, a graduate of Campbellsport High School is employed at Gehl's, West Bend.

The newlyweds are making their home at 8856 Hwy. 45, Lot 2, Route 2, Kewaskum.

Reigle-Klein

Miss Lynne Reigle, daughter of Mr. and Mrs. Ronald O. Reigle of Kewaskum, and George Klein, son of Mr. and Mrs. Matthew Klein of West Bend, would like to share their engagement with their family and friends.

Lynne is presently attending school in Waukesha, and George is Circulation Assistant/Carrier Supervisor for the West Bend News.

Melzer-Herriges

Mr. and Mrs. Robert Melzer of St. Kilian, Route 3, Campbellsport, are proud to announce the engagement of their daughter, Joan, to Russell Herriges, son of Mr. and Mrs. Richard Herriges of St. Michaels, Route 3, Kewaskum.

Joan is a 1978 graduate of Kewaskum High School and is

presently employed in the office at the West Bend Company.

Russ (Class of 1977) is an employee of Super Excavators Construction, Menomonee Falls, but is presently working with his father at Electric Motor Service in West Bend.

A September 15, 1979 wedding is planned.

Ehnert-Hansen

Mr. and Mrs. Donald Ehnert of 1323 Roseland Drive, Kewaskum, are pleased to announce the engagement of their daughter, Beverly J., to Jeffrey A. Hansen, son of Mr. and Mrs. Gene Hansen of 4936 S. 18th Avenue, West Bend.

Bev is a 1976 graduate of Kewaskum High School and is employed at Mallard Coach in West Bend.

Jeff is a 1973 graduate of West Bend West and is presently employed at Badger Lab. in Jackson.

No immediate wedding plans have been made by the couple.

VETERANS HALLOWEEN PARTY AT WOOD — Left to right - Veteran staff members; Kathy Gumm, president of West Bend Chapter, American Red Cross; Marilyn Haug, volunteer; holding Kevin Hinz, veteran staff member; Leona Laufer, chair-

Kathy Gumm, president of West Bend Chapter American Red Cross, serving a veteran.

West Bend Red Cross Chapter Entertains Wood Veterans

Volunteers of the West Bend Chapter, American Red Cross, do a great deal of volunteer work at Wood Veterans Hospital.

Two events are the annual Halloween and Valentines Day parties held at Wood. Pictured are volunteers who assisted at the Halloween party from the Kewaskum, West Bend, Jackson and Newburg areas. Also pictured are members of the Accor-de-Ann Band from the Town of Kewaskum, who supplied the musical entertainment. Red Cross members from the West Bend Chapter donated about 35 cakes which were served with apple cider. Mrs. Leona Laufer, West Bend, is chairman of the Wood Veterans Volunteer Committee. The group makes bibs, slippers, sewing purse kits, wrist restraints and in addition they knit and crochet afghans and hats.

The Accor-de-Ann Band, who entertained for the Halloween Party.

Staff members, volunteers and Accor-de-Ann Band.

In The Service

Michael Schumacher

Technical Sergeant Michael H. Schumacher, son of Mrs. Johanna M. Schumacher of 837 E. Decorah Road, West Bend, has been named Outstanding Noncommissioned Officer of the Year in his unit at Whiteman AFB, Mo.

A material facilities specialist, Sergeant Schumacher was selected for leadership, professional skill and duty performance. The sergeant is assigned to the 351st Supply Squadron, a part of the Strategic Air Command.

The sergeant, a 1967 graduate of Fargo (N.D.) Central High School, attended Park College extension at Whiteman. His wife, Debra, is the daughter of Mrs. Barbara Bradford of 310 Stewart Holmes, Helena, Mont. His father, Herbert A. Schumacher, resides in Jamestown, N.D.

Thomas Albrecht

Airman Thomas L. Albrecht, son of Mr. and Mrs. William J. Albrecht of 555 Highland View Drive, West Bend, has graduated at Lackland AFB, Texas, from Air Force basic training.

The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Albrecht graduated from high school in 1978 in West Bend.

Airman First Class Robert J. Simon, son of Mr. and Mrs. Benno P. Simon of 1009 Main

Street, Lomira, has arrived for duty at Seymour Johnson AFB, N.C.

The airman, a special purpose vehicle mechanic with a unit of the Tactical Air Command, previously served at Senbach AB, Germany.

Airman Simon is a 1976 graduate of Lomira High School.

Pvt. Suzette M. Van Assche, daughter of Mrs. Patricia A. Van Assche, 5624 Sunset Drive, Kewaskum, recently was assigned as an intelligence analyst with Headquarters Company, 1st Brigade at Fort Ord, California.

Van Assche's father, David F. Van Assche, lives in West Bend.

2nd Occupational Therapy Student at Cedar Lake Home

The Cedar Lake Home Campus has recently accepted its second Occupational Therapy student in conjunction with the Campus' growing educational program.

Patricia L. Waters, West Bend, is a recent graduate from Mount Mary College, Milwaukee. Mrs. Waters began her three month field work experience in January.

Under the guidance of Cedar Lake Home's Occupational Therapists, Mrs. Waters will develop needed skills and techniques through observation and practical experience in the Home's total care geriatric program.

Occupational Therapy is a health and rehabilitation profession. Its therapists, under a physician's prescription, provide services to individuals of all ages who require assistance in learning skills to accomplish necessary developmental, physical, social and emotional functions.

The Cedar Lake Home Campus offers a myriad of educational experiences for students in health care and adult education through the Learning Center.

4-H Club News

KEWASKUM 4-HERS

Last month's meeting of the Kewaskum 4-Hers was held February 8 at the Savings and Loan at 7:30 p.m. The meeting was called to order by President Julie Lauters. The secretaries report was read by Sue Schuette and approved. The 4-H pledge was read by Paula Soik and the pledge of allegiance by Steve Markus.

It was decided to have a second sledding party on Saturday, February 17. It was to be at 1:30 p.m. at the Kewaskum Park. Those attending the first sledding party on January 26 had a real good time as reported by Steve Markus.

A number of members were interested in going to the Pabst Theater to see the play "Tom Sawyer." All members and their families who wish to go on Sunday, March 25, at 4:00 p.m. should bring \$1.00 for each seat to be reserved to the March 8 club meeting. All members also need to bring a permission slip signed by a parent.

Activity sheets for the record books were handed out. All first year members received their green record book covers and were shown how to assemble the record book.

Six club members, directed by Mrs. Dennis Seideman, will put on the play "Jack, Beanstalk and Friends" for the 4-H Music and Drama Festival on March 4 at 1:30 p.m. at the UW Campus, West Bend. Advance tickets are 50c and can be gotten from any of the cast members: Debbie Seideman, Annette Borgman, Toni Wiesinger, Marjean Backhaus, Kim Brodzeller, and Amber Charland. All ticket money stays in the club treasury. Mrs. Karen Butzke is the scenery director with Mark Brodzeller, Amy Goslinowski and Marcie Smolinski doing the drawing.

Brenda Schultz gave a demonstration on how to plant seeds, Mark Brodzeller gave a talk on fire safety and Marcie Smolinski gave a talk on the care of a rabbit.

Refreshments were served by Debbie Seideman and Brenda Schultz.

"The trouble with being punctual is that people think you don't have anything to do."

Health and Safety Tip

Upsets Can Alter Driving Fitness

Are you fit to drive? Before you automatically reply "Of course," take stock of your mental attitude and physical condition. You may be unsafe behind the wheel, both to yourself and to others on the road.

You may think you are in good health. You may have an excellent safety record. Yet, under certain circumstances, it can be dangerous for you to be in the driver's seat.

The American Medical Association reminds that the emotional stability of the driver is as important as any single factor in maintaining traffic safety. That's why you owe it to others — and to yourself — not to drive when you have serious problems on your mind. If you're thinking about that argument you had before you left home or office; if you're in a depressed or angry "I don't care what happens" mood; if you're very worried about a personal problem, you're better off not driving.

The sleepy driver causes

many accidents. In fact, a sleepy driver is as much of a hazard as a drinking one. Dozing at the wheel can occur in broad daylight as well as at night. When making long trips, rest every two hours and drink coffee or cola to stay alert.

Many medicines, not just a few, can affect the way in which you handle the wheel. Certain commonly used drugs such as antihistamines, cold tablets and mild sedatives may dull your reflexes or impair your coordination. Stimulants can make you nervous. Tranquilizing drugs can cloud your judgment and interfere with driving skills. Consult your doctor about the side effects of any drugs you take.

Driving calls for clear, healthy eyesight, good side vision, judgment of distance and the ability to see well at night. Have your eyes tested regularly. If you have glasses for distance vision, don't forget to wear them.

If you have a nervous disorder or a heart condition, ask your doctor whether you are a safe driver. This also applies as you get older. Past 65, reflexes and coordination tend to be somewhat slower.

The Sportsmen's Club would like to thank everyone who helped sell tickets, those people who purchased them and a big thanks to the business places that donated prizes for the fisheree.

The profit will go towards purchasing pheasants and improving our club house.

For Wonderful Springtime Comfort, The Year Around

NOW-INTERTHERM Electric HOT WATER HEAT AND AIR CONDITIONING WITHOUT PLUMBING

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST— Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST— Place your flimsiest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL— You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.

Census Bureau Launches Campaign to Make Certain Farmers and Ranchers Are Counted in 1978 Farm Census

25 Years Ago

March 5, 1954

The Kettle Moraine Sportsmen's Association was organized at a meeting which was held March 11.

Mrs. Lawrence Ketter, 49, nee Eleanor Fellenz, of Kewaskum, passed away on Thursday, March 4, at her home.

Math H. Schuh, 73, popular proprietor of Long Lake resort many years, died Thursday, February 25.

At a recent dinner party Mr. and Mrs. Edward Prost, Route 2, Kewaskum, announced the engagement of their daughter, Beulah, to Sylvester Hawig, son of Mr. and Mrs. Arnold Hawig, Sr., Route 3, Campbellsport.

Albert Stange, 42, of Route 2, Kewaskum, was injured in a traffic accident which occurred Thursday, February 25.

The Campbellsport Bells, unbeaten champions of the Tri-County conference, defeated the Kewaskum Indians by a 62-54 margin to repeat as winners of the sub-district tournament at Campbellsport Thursday, February 25. Kewaskum gave the Bells a closer game than expected and the cheerleaders from Kewaskum, Jeanette and Shirley Staehler and Carole Harbeck, kept the fans yelling.

A son was born to Mr. and Mrs. Oliver Eichstedt, Route 2, Kewaskum, on Saturday, February 27.

50 Years Ago

March 5, 1904

A boy was born to Mr. and Mrs. William Dobke on Sunday, February 28.

The first thunder storm and the first hail storm of the season visited this section last Wednesday, March 2, around 5:00 p.m. It lasted for about 20 minutes.

The Kewaskum Engine Company of our fire department met in regular monthly session last Wednesday evening and the Hook & Ladder Company on Thursday evening. Both companies met in the new village hall for the first time.

The House Committee of the post offices and post roads at Washington agreed to the reports of raising the salaries of rural free delivery carriers to a minimum of \$720 per annum instead of \$600.

Mr. and Mrs. Charles Miller of Beechwood are rejoicing over the advent of an heir who came to gladden their home on February 20.

75 Years Ago

March 2, 1929

An order quarantining six Wisconsin counties, including Washington County, against rabies was issued Monday, February 25, by the state livestock sanitary board, acting under advisement of the state board of health. The quarantine will remain in force for 90 days. Any dog not muzzled or confined or any dog that strays from its owner's property will be classed

as a "stray" and such dogs may be shot and killed by any person.

William Volm, prominent farmer residing one and one-half miles south west of Kewaskum, had the misfortune of fracturing his arm above the wrist on Saturday, February 23, when he fell, while at work in his barn.

At a meeting held by the Wisconsin Beagle Club, it was decided to hold the 1929 annual field trials of the club at Kewaskum.

Margaret Miller was awarded a silver pin by the Remington Typewriter Company as an award on their high school February Award Test. Margaret's speed was 48.7 net words per minute.

The high school is entering the Milwaukee Journal Spelling contest. The following team of ten members was selected by an elimination contest: Sylvester Terlinden, Reuben Ramel, Robert Rosenheimer, Marguerite Haefner, Anita Backhaus, Elizabeth Keller, Arnita Hafeman, Gladys Schleif, Linda Rosenheimer and Marcella Schleif.

Girl Scout News

On February 17, Senior Troop 13 and Cadette Troop 72 from Kewaskum joined other Girl Scouts from the Wau Bun Council for an overnight at the Forest Mall in Fond du Lac.

The girls each signed up for three one-hour sessions. Six subjects were offered: Disco Dancing, Hair Care and Make-up, Face Painting, Yoga, Karate, and Cake Decorating.

After the sessions, the girls were entertained by Johnny's Traveling Disco. Here the girls were able to try out a few new disco steps.

Several stores opened at 11:00 for the girls' convenience. Aladdin's Castle stayed open until the wee hours of the morning.

Dreary eyed and very sleepy the girls and their leaders left the mall and made their way to the IHOP for breakfast. After several pots of coffee the leaders and girls headed for Kewaskum for rest and relaxation.

The Cadette Scouts attending were Kim Brodzeller, Amy Grahl, Sherry Simon, Mary Paul, Mary Straub, Lisa Gatzke, and Barbara Jandre. The senior Scouts were Cathy Bartz and Stephanie Pettit. The lucky leaders were Mrs. Lois Bartz and Dottie Pettit.

On February 22 Junior Troop 17 went ice skating at the Mayfair Ice Chalet. The girls ate supper at McDonalds and had a real good time. The girls and their leaders would like to thank Mrs. Morgan, Mrs. Harmon and Mrs. Kober for driving. Thank you to Mrs. Jim Paul for making the arrangements.

On February 28, Senior Troop No. 13 and Cadette Troop 72 went ice skating at Mayfair Ice Chalet. The girls had a great time.

All Kewaskum and Farmington Girl Scouts are busy preparing for Girl Scout Week March 11-17.

SAVE!!! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30. Monday and Friday to 9:00 p.m. Free dependable delivery.

Farm or ranch operators who have not been counted yet in the 1978 Census of Agriculture still have an opportunity to be included, according to the Bureau of the Census, U.S. Department of Commerce.

Uncounted operators are urged to write for a farm census report form to (WYC), Bureau of the Census, 1201 East 10th Street, Jeffersonville, Ind. 47132. The census has been

underway since January 1, 1979.

Bureau officials remind farmers and ranchers that the census will include producers of many commodities not often thought of as agricultural. Among these are rabbits, goats, honey and honey bees, fish in captivity, worms, and ducks, pheasants, quail, and pigeons or squab. Greenhouse and such nursery products as sod, mush-

rooms, greenhouse vegetables, cut flowers, and bulbs are also on the list as farm and ranch products. Any commercial producer of these commodities should fill out a census report form. Bureau officials also remind farm operators that the quicker report forms are returned to the Bureau the less it will cost in follow-up work to complete collection of census data.

ARE YOU IN AGRICULTURE?

The Census of Agriculture has been underway since January 1st and the Bureau of the Census is asking agricultural operators: "WILL YOU BE COUNTED?"

If you engaged in agriculture operations in 1978, then you should have already received a 1978 Census of Agriculture report form. Agriculture Census report forms have been mailed to all known agriculture operations, yet some will be missed.

It is important to you that the 1978 Census of Agriculture be complete and accurate. Farm organizations; local, State, and Federal policymakers; farm suppliers; and many others use this information to make decisions. Complete and accurate data lead to better decisionmaking that affects you and your neighbors.

If you can answer "Yes" to any one of the following questions, you should have received a Census of Agriculture report form. If you did not, please complete the coupon below and a census form will be mailed to you.

- Did you have day-to-day control in 1978 of an individual agricultural operation from which agricultural products were sold?
- Did you have any crops or livestock for other than home use?
- Did you own or rent land and operate this land yourself for agricultural purposes?

NOTE: If all of your land is rented to others, or you have only a garden, it is not necessary to file an Agricultural Census form.

Mail this coupon to

LETTERS TO THE EDITOR

February 27, 1979

Dear Mr. Harbeck:

Conference realignment is a complicated and emotional issue. Everyone has his or her idea as to what factors are most important to consider. Size! Travel! Traditional rivalries! Programs! Community similarities! Big-city newspaper publicity! Ideally, of course, you would have all of these, but an alignment which we would consider good in Kewaskum often isn't seen that way by other schools involved.

It must be understood how the conference realignment is proceeding. When the WIAA came out with its latest plan, involving at least some realignment for eight conferences, a task force was formed. If this task force, with three voting representatives from each conference, can agree on a realignment different than the WIAA proposal, that will be adopted. If this is not accomplished by April 13, the WIAA plan goes into effect. This means that eight conferences and some 70 schools are jockeying for position and looking for the alignment which seems best for their school.

We have not been inactive. We've talked with schools from Berlin and Ripon to Columbus to the Flyway Conference to the Braveland Conference and to most schools between over the last two years. Since the task force has been formed, we have proposed the following:

Division A

Milwaukee Juneau
Kettle Moraine
Whitnall
St. Francis
Franklin
Pewaukee
West Milwaukee

Division B

Whitefish Bay
Kewaskum
Slinger
Grafton
Brown Deer
Shorewood
Milwaukee Riverside

This proposal took some of the smaller schools and divided them into 2 sections, basically going from Milwaukee to the south in one and from Milwaukee to the north in the other. Travel was reasonable and the enrollments were about as equal as is possible. This proposal was not even acceptable to the rest of the schools in the Scenic Moraine. Other factors became more important. One of the problems is that most of the other schools involved have many options where

travel is not a factor. Because Kewaskum is on the northern fringe, we do not have that luxury.

At this time, the task force has come up with 4 plans which are still being considered. Minor variations to these plans will be looked at, but it was agreed that no totally new plans will be considered. One plan seems to have the most support. In that plan, if Kewaskum has gone south, the alignment we would have fit into would include Milwaukee Juneau, Milwaukee Riverside, West Milwaukee, St. Francis, Slinger, Pewaukee, Whitnall and Kettle Moraine. The average trip would be about 42 miles in this alignment. The average trip in the Eastern Wisconsin will be about 43 or 44 miles. Based on the average, then, there is not that much difference. Also, changes are already being proposed to that alignment. Slinger may end up in a different alignment, for example, which will include a couple of schools of 1500 and 1600 enrollment.

All of this illustrates what we see as a big problem. If we commit to going south, we have no way of knowing with which schools we will finally be aligned. Our assignment will be at the mercy of a majority vote of the conferences involved in the task force. As a result, we have tried to keep our options as open as possible, but in all plans proposed by others so far, we are assigned to the Eastern Wisconsin and, at least to now, this is the direction our board has also chosen to go. Even if we wanted to go south, there is no assurance that this wish would be honored.

Let's take a look at some of those factors involved in conference realignment considerations. We have felt that one of the most important is school size. To the extent possible, we want to play schools our size. We don't want to be playing primarily schools much smaller or much larger. Perhaps, some day, a county conference, as some have suggested, will be a reality. If that came to pass, though, we would be playing the two West Bend schools at 1300 and 1400, Hartford at over 1800, Germantown which is now over 1200 and expects to be 1600 in five years, and Slinger which is about our size. There is no way we could compete in a conference like that. It is our position that we want to join a conference where we compete on a relatively even basis—we don't wish to dominate, but we

also don't want to be dominated. To do either is unfair to students, coaches and fans. Going north, we have a reasonable enrollment alignment. Going south, we might have that, but there is no way of being sure.

Travel is a big issue, and it is true that while the average trip in the one proposal going south is about the same as going north, there would be one longer trip if we go to the Eastern Wisconsin. Two Rivers would be longer than any other school involved. I'm sure no one particularly likes that, but this must be weighed with other factors. By considering this when schedules are made out, we can minimize the problems.

In terms of fan interest, we believe most would be at least as interested in rivalries with Plymouth, Sheboygan Falls, Chilton, Kiel, and New Holstein as with Juneau, Riverside, Whitnall, Franklin and St. Francis. It is true, however, that we lose some present rivalries on a conference basis.

Programs, especially in the area of girls' athletics, would be better going south. At least this is true at the present time. If we do end up in the Eastern Wisconsin, we will have to do what we can to encourage other schools to increase their opportunities in girls' athletics. Programs in other areas are pretty comparable to those we would see going south.

Not everyone will be happy, no matter where we end up. We understand that there are various opinions, and that logical arguments can be made for many of them. We would simply like people to understand that we have not closed our eyes to other possibilities, and that we have been active in looking for alternatives good for Kewaskum. Also, while we can and have expressed our preferences, in the end we cannot make the decision locally. Whatever our assignment may be, we hope everyone will do everything possible to make it

Kewaskum Statesman, Friday, March 2, 1979, Page 15

successful and a good learning experience for our students, which is all that's really important.

Floyd Brenholt,
Superintendent
Clark Pearson,
High School Principal

February 13, 1979

Dear Sir:

Thank you very much! I have seen the announcement in the paper. Friends have sent some along to me.

I wish now for you to change the address on my subscription to: Mr. and Mrs. Sid Webb, 153 Crossway, Plympton, Plymouth PL7 4JA, England.

Mr. and Mrs. Webb, my fiancée's parents, wish to make steady reading of "The Statesman." They have noticed the cheaper prices, coverage of local administration and governments, the sports news (particularly the basketball of course) — all of it interesting and helpful in understanding Kewaskum and its people. The Wisconsin Folklore is great. Thanks again,

Clark A. Eichstedt

GREENHOUSE TO GIVE JR. WOMEN'S PROGRAM

The March 8 program of the Kewaskum Junior Woman's Club will feature a program given by Schultz's Greenhouse; a garden workshop.

Mothers of members will be special guests with all other guests and prospective members welcome. The time is 8:00 p.m. Thursday, March 8, at the Valley Bank in Kewaskum. Plan to join the Juniors for an interesting and informative evening.

GOP Caucus Monday Night

The Washington County Republican Organization is holding its annual caucus, Monday, March 5, at the West Bend Knights of Columbus Hall.

Call to order will be made by Chairman John Roeber at 7:30 p.m. General business will proceed and will include reports by the Standing Committees. Election of officers and election of delegates and alternates to the Ninth District and State Conventions will be held.

At the conclusion of business, refreshments will be served.

Wayne Crusaders 4-H Club News

The February meeting of the Wayne Crusaders 4-H Club was called to order at 8:11 p.m. on February 6, by president Darwin Schulz. Pledges were led by Jon Etta and Troy Kuphal. Roll call was taken, this month you were to bring ideas on how to make the meetings more interesting. The secretary's and treasurer's reports were approved as read.

Next month the AFS students attending Kewaskum High School will be visiting our club to tell about their native homelands.

Anyone interested in participating in the Washington County 4-H Poster and Speaking Contest should contact Mrs. Schmidt by next month.

Jon Etta did a demonstration on health. We agreed to donate 10c per member to the Wisconsin 4-H Foundation.

Roll call for next month is to make a poster or slogan, or write a speech on safety.

Refreshments for next month are the Amerling, Anderson, and Bartelt families.

Reporter, Nancy Schulz

"Serving West Bend Area for over 25 Years."

District 5 officers have been elected at the January 29 ADA of Wisconsin District Annual Meeting in Lomira. From left to right are: Mel Wilkinson, Waupun (State Board Nominee); Gordon Berg, Brownsville (Secretary); Ed Qualmann, Iron Ridge (Vice-Chairman and Resolutions Committeeman); Paul Jaeger, Brownsville (Chairman and State Board Nominee).

3,500 Advance Campsite Reservations Already Made in January for 1979 Season

Four state recreation areas accounted for almost two-thirds of the 3,500 advance campsite reservations made in January for the 1979 camping season, according to Department of Natural Resources' park officials.

Most popular thus far for reservations among the 29 state parks and forests which offer either family or backpacking campsite reservations, or both, were: Peninsula State Park with 938 confirmed campsite reservations made in January; the Northern Unit of the Kettle Moraine State Forest, 497; Northern Highland-American Legion State Forest, 450; and Governor Dodge State Park, 376.

The campsite reservation period on state properties extends this year from May 1 through September 30.

Loren Thorson, Chief of the Recreation Programs Section in the Bureau of Parks, reported that all state parks and forests which offer reserved campsites still have openings for all periods during the summer with the exception of Governor Dodge State Park. All reserved sites there have been booked for the Memorial Day weekend.

Thorson also reported that advance campsite reservation requests came predominantly from state residents with 86 per cent of the confirmed reservations so far going to Wisconsin citizens.

"The large number of campsite reservations already made for this year plus the excellent snow conditions we have had so

far for snowmobiling and cross country skiing indicate that 1979 should be another banner year for park attendance," Thorson noted.

Attendance at Wisconsin state parks and forests in 1978 was up about 3 per cent over 1977 making it the second highest year of use exceeded only by the record attendance year of 1976. Attendance in 1978 totaled 10,732,048.

Camping in state parks and southern forests was down about one per cent compared with 1977. Thorson attributed part of the camping decrease to the heavy rainstorms and flooding that hit southern and western Wisconsin during the latter part of June.

General Telephone Acknowledges Toll Fraud Conviction

General Telephone Company of Wisconsin has acknowledged the successful prosecution of a

Sheboygan Falls man, Richard D. Steuerwald, who on February 9 was convicted of placing long distance calls and charging them to other customers' telephones.

Subsequent to his conviction, Steuerwald, 25, was placed on one year's probation and ordered to pay \$346.21, the amount of long distance charges owed for calls fraudulently placed to California. He supposedly placed the calls during a four-month span in early 1978, referring charges to phone numbers in General Telephone's Oostburg exchange.

Robert E. Craig, General Telephone-Wisconsin Security Director, Sun Prairie, noted that the conviction followed extensive investigation by the firm's Security personnel. Promising that company security policy pertaining to fraudulent placement of calls, including possible prosecution, would be implemented, he added that the firm was currently conducting 35 independent fraud-related investigations.

Wisconsin law provides for maximum penalties of not more than \$10,000 or two-years' imprisonment, or both, for those convicted of toll-call fraud.

A Dealer You Can Trust

New Telephone Service to Benefit State's People

All you ever wanted to know about state government will soon be at your fingertips. By mid-March a statewide toll-free telephone information service will be available to all Wisconsin residents.

This will be another means of bringing the people of Wisconsin closer to our government. Just about any question you may have concerning the legislative process will be answered by full-time operators. The service will be non-partisan, administered jointly by the Assembly and the Senate. The phone number will be toll-free and accessible from any part of the state.

Several states have been operating this toll-free information service for some time with high levels of citizen participation. Oregon has had a telephone information service for two years. During their three-month legislative session, there were almost 10,000 calls.

Some of the subject areas that the telephone service will cover are:

- 1. The status of a bill.
- 2. The time and place of a hearing.
- 3. The names of the members of a committee.
- 4. The sponsors of a bill and amendments.
- 5. The time the Legislature is in session.
- 6. The bills which are on the calendar of the Senate of the Assembly for a given day, and
- 7. Any other legislative matter.

The telephone service will also be available for people to leave a message for myself or your Assembly member to return your call. This will be an excellent way for people who feel that they cannot afford long distance charges to keep in touch with their elected representatives.

Government is an entity which relies on citizen participation to work as a truly representative structure. I am here not only to help formulate a budget and to legislate, but also to make sure that your government responds to your needs and opinions.

The telephone toll-free information service should be a helpful mechanism in giving

you the government you have a right to expect. I look forward to the start of this service within a month and I will do all I can to make sure you are informed of the telephone numbers of the WATS.

Church Women of County to Observe World Day of Prayer

World Day of Prayer observances have been planned for all areas for Friday, March 2, by the Church Women United of Washington County. Joining women all over the world the church women will gather that day in their local communities using the theme "Spiritual Growth." The service was prepared by students in the Pan-African Leadership Course for Women at Mindolo Ecumenical Foundation, Kitwe, Zambia.

Services in the West Bend area will be held at Trinity Lutheran Church, with Bible study at 9:30 a.m., worship service at 11 a.m. and a "sack lunch" at noon. Dessert and coffee will be provided by ladies of the host church. Participating churches with Trinity Lutheran will be Peace United Church of Christ, Kewaskum; Salem United Church of Christ, Wayne; St. Frances Cabrini Catholic Church, West Bend, and St. Martin's United Church of Christ, Fillmore. Pastors from Trinity and St. Frances Cabrini will lead the Bible studies. Participants should bring their Bibles. Rev. Victor Hackbarth will deliver the meditation at the worship service. People of all faiths are invited to attend both parts of the celebration. However, those who cannot attend the Bible study are urged to attend the worship service. Babysitting will be available.

On that same day at 2 p.m. services will be conducted at three other West Bend area locations. At Cedar Lake Home participating churches will be Calvary Assembly of God, Fifth Avenue United Methodist and St. Mary's Immaculate Conception. At Meadowbrook Manor, services will be led by women from Holy Angels Catholic

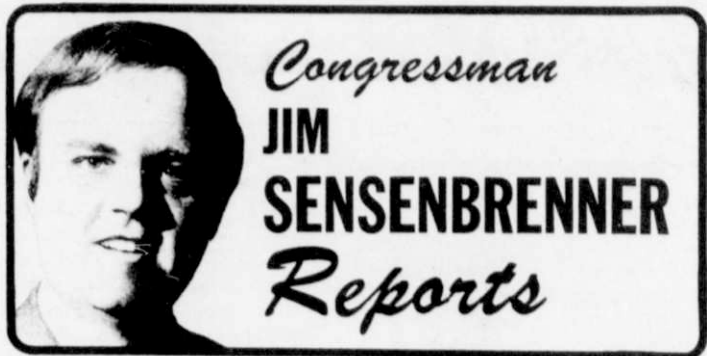

Church and Our Savior's Lutheran Church. At the Samaritan, participating churches will be Christian Science, Immanuel United Church of Christ and St. James Episcopal.

In the Richfield, Colgate, Germantown area the world Day of Prayer will feature a 7:30 p.m. service to be held at Our Saviour's United Church of Christ at Germantown. The address is W172N12533 N. Division Road. Participating with Our Savior's will be Zion United Methodist, Colgate; First Presbyterian, Richfield; St. Jacobi's Congregational; St. Paul's, Erin; St. John's, Germantown, both of the United Church of Christ. People of all faiths are welcome.

The Slinger-Jackson World Day of Prayer services will be held at St. John's United Church of Christ at 1:30 p.m. Participating will be Christ Lutheran Church of Jackson, Friends UCC, Peace UCC, St. Peter's UCC, all of the Jackson area. Rev. Donald Priestaf, pastor of St. John's will be the speaker.

The Hartford observance of the World Day of Prayer will begin at 9 a.m. at the Congregational Church, corner of Church and Branch Streets, with Bible study and coffee hour. The meditation will be delivered by Rev. Frank A. Bauman, pastor of Redeemer Lutheran Church. A children's service will be held at 3:30 p.m. Participating will be St. Kilian's Catholic Church, Congregational Church, Redeemer Lutheran Church, St. John's United Church of Christ, United Methodist Church and St. Aidan's Episcopal Church.

The Church Women United of Washington County welcome all to the annual observance of the World Day of Prayer.

Much public attention has been focused lately on the popular proposal to amend the U.S. Constitution to require a balanced federal budget. The passage of Proposition 13 in California began a groundswell of public support that has resulted in a more fiscal restraint-minded Congress that is looking more favorably at the budget mandate these days. But recently more attention has been given to how to enact such an amendment, rather than to its merits or substance.

There are only two methods of amending the Constitution: two-thirds of the states may petition for a constitutional convention to propose amendments or Congress may do so itself. Twenty-six amendments have been adopted and two more are now pending before the state -- the Equal Rights Amendment and the D.C. voting rights amendment.

However, no amendment has ever been proposed or ratified via the convention process. There are no guidelines or rules for such a procedure -- in the Constitution, the law, or legal precedent. By last count twenty-seven states have called for a convention to propose the balanced budget mandate.

But fearmongers in Congress are claiming that without any rules to go by, such a convention might take a meat-ax to the whole constitution, not just the budget amendment. Because of that fear Congress is likely to propose the amendment, or some other spending limitation, before the seven more states necessary call for

the convention. Opponents of the balanced budget mandate are unfortunately hiding that fact behind this smokescreen of fear surrounding the method of enacting it. By confusing the real issue of fiscal restraint, they are trying to divide those in Congress who believe that the mandate is needed to strengthen the economy. Meanwhile the deficit spending continues.

There is certainly a need for clear procedures for a constitutional convention. To provide them I have co-sponsored legislation first proposed by former Senator Sam Ervin of North Carolina, which would put to rest all the questions raised by those fearing a convention -- how delegates would be selected, what powers it would have, etc. Passage of such legislation will refocus the discussion on the merits of the balanced budget amendment, where it belongs.

I hope that until that time all responsible Congressmen will make their positions on the balanced budget mandate clear to everyone.

"The best mirror is a friend's eye." Gaelic proverb

WANTED!

Young men between the ages of 18 and 35 who wish to meet new friends and help the community. Come then, Monday, March 12 at 8:00 p.m. to the Valley Bank, Kewaskum, where we hold our meetings in the basement. If you have any questions please call 626-4734.

CARD OF THANKS

It is very difficult to put into words our sincere appreciation for the many kindnesses displayed by the many friends of the family during the loss of our wife and mother, Lois.

We especially want to thank Fathers Fischer and Morgan, Twohig Funeral Home, the Pallbearers, Eldon Spradau and the many who contributed so much in so many ways. Thanks to the Hintz for use of the dining room and the people who helped serve.

To Ruth Ann Muckerheide, Ardith Koester and Carol Van Alstine who stayed with Mrs. Venski at the hospital.

Also to daughter, Carol, who was such a strength to all of us.

MADISON, WI--Snow remaining on the ground at midweek around the state still provided good to excellent conditions for the outdoor activities of snowmobiling and cross country skiing. Ice anglers are reminded that they have until March 5 to remove ice shanties from surface waters south of Highway 64.

In the northwestern portion of the state, fair to good lake trout bobbing is reported around Madeline Island. Good to excellent conditions for snowmobiling and cross country skiing are reported in the Brule, Cumberland and Park Falls areas. Slush on lakes throughout the northwest makes for difficult travel and has slowed fishing activity.

Trails in the west central counties still provide excellent conditions for cross country skiing and snowmobiling. Milder temperatures have improved panfish action on some Eau Claire and Chippewa County waters. Fishing is generally slow around La Crosse with limited walleye and sauger action reported below the locks and dams near that city. Ice conditions on the Mississippi in that area are hazardous. Fishing is slow in the Black River Falls area and the cross country ski trails in the Black River State Forest continue to receive heavy weekend use.

Another six inches of snow received recently in the Woodruff area is having its effect on wildlife, and people who have been feeding birds and deer this year are asked to continue to do so as long as the heavy snow cover lasts. Conditions for both snowmobiling and cross country skiing are excellent in the Antigo area. Deep pockets of slush dot Wisconsin Rapids area lakes.

Cross country skiing and snowmobiling conditions are excellent throughout the northeastern counties. Fishing is generally slow in the Oshkosh area. The sturgeon spearing season has been going quite well despite the poor travel conditions on Lake Winnebago. Many lakes in the Marinette area have slush conditions. Ten-

pound northerns are being caught in some Shawano County waters. Snowmobile travel on Green Bay is hazardous and is not recommended.

Cross country skiing, snowmobiling and snowshoeing conditions are excellent throughout the southeast district.

Ice fishing has been good with panfish providing most of the action. Perch are biting on the Sheboygan Marsh in Sheboygan County, Pike Lake in Washington County, Keesus and Nagawicka Lakes in Waukesha County, Wind Lake in Racine County and Lake Geneva in Walworth County. Large bluegills are biting in the Williams Bay area of Lake Geneva. Northern pike are hitting minnows on the Sheboygan Marsh, Big Cedar Lake in Washington County, Pewaukee and Okauchee Lakes in Waukesha County and Como Lake in Walworth County.

Because of the unusual snow and slush conditions on inland lakes, ice anglers with shanties would be wise to remove them prior to the legal deadline of March 5 in southern Wisconsin. Even though removal may be difficult now, it will be much more difficult if the shanty should break through the ice and have to be removed from the water. Owners of shanties will be responsible for their removal under any unusual

weather conditions.

Reports of dogs running deer are becoming more frequent in the district, and dog owners are urged to keep their pets under control at this critical time.

Generally good conditions for both snowmobiling and cross country skiing are present in the southern and southwestern counties of Wisconsin. A number of species are being taken in the Madison area lakes with good walleye action remaining off the east shore of Lake Monona and very good small perch action reported in Lake Mendota. Richland County streams have been providing good trout action for anglers willing to tramp through the deep snow. There is good panfish action at Yellowstone and perch and lake trout are being taken on Big Green Lake.

AUCTION ATTENTION FARMERS

The first annual spring farm machinery consignment auction will be held on March 24, 1979 starting at 11:00 a.m. in the parking lot of the new Paul Auction Co. facilities located 1½ miles north of Kewaskum on County Hwy. "S."

The organizer of this sale is a young farmer from the St. Michaels area, GARY THULL. Gary is a recent graduate of Reppert School of Auctioneering and already has a good assortment of items consigned for this sale.

If you have machinery or farm related items no longer of use in your operation turn those idle pieces into cash on Saturday, March 24th.

Loading and holding facilities will be on the premises.

Please contact Gary Thull at 334-3902 by March 12th so your consignments will receive proper advertising coverage.

ELECTION NOTICE

VOTING BY ABSENTEE BALLOT

County of Washington) ss.
State of Wisconsin)

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the day before the election if applying in person, or 5:00 p.m. on the Friday before the election if applying by mail.

Absentee ballots can be marked at home anytime after they arrive in the mail. They can also be marked right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass
County Clerk
Washington County

Indian Girls Lose to Sheboygan Falls in Regional Final Here

In the WIAA Regional tournament hosted by Kewaskum last weekend, the Kewaskum girls' basketball team reached the tourney finals before being defeated by Sheboygan Falls Saturday night, 69-48. The loss ousted the Indian girls, while Falls will now advance to Sectional Class B action this weekend.

The past two years the Kewaskum tournament winner advanced all the way to the state meet at Madison. Last year Lomira went on the win the state Class B championship and the year before Kewaskum went to state.

Kewaskum reached the regional final here by downing Kiel easily, 55-35, in the Sheboygan Falls sub-regional last Tuesday and then drubbing Campbellsport, 80-41, in the regional here Thursday night.

Sheboygan Falls got to the finals by defeating Random Lake in their own sub-regional and then ousting last year's champion, Lomira, in the regional opener here Tuesday, 42-35.

In the regional opener here Thursday, Sheboygan Falls, with far the best record in the tournament (18-4) got past Lomira, 42-35. Falls took a nine point lead into the fourth quarter but saw it dwindle to three before they regained control. Cathy Beehner had 11 points for the Falcons and two teammates added 10 and 9. Lomira ended its season with a 14-6 mark. Lisa LaVarda hit 12 points and Kay Widmer 11 for the Lions.

Kewaskum's game against winless Campbellsport (0-18) in the nightcap was no contest right from the start. The Indians took a big 20-7 lead at the quarter as the Cougars had trouble getting the ball across midcourt against the Kewaskum press. The Indians didn't let up on the Cougars the rest of the game, which ended 80-41.

Center Sharon Wagner scored a career high 22 points, 12 of them in the second quarter as she missed only a few shots. Wagner and the rest of the Indian regulars retired to the bench in the second half. Guards Yvonne Schacht and Janet Matenaer scored 10 and 12 respectively.

Kewaskum 80, Campbellsport 41
Kewaskum (29-22-24-16-89): Yearling 4-1-1, Schacht 5-0-3, Matenaer 6-0-3, Stoffel 1-0-0, Brenner 2-4-4, Schmidt 1-0-2, Scheidt 3-1-3, Weinreich 0-0-3, Wagner 11-0-3, Schlice 1-4-1, McKee 1-0-2. Totals: 35-10-27. FTM: 18.

Campbellsport (7-6-11-17-41): Bebow 0-2-2, Thompson 1-0-1, Serwe 1-3-4, Durand 1-0-1, J. Ryan 1-0-0, Walsh 0-2-4, Sippel 2-2-2, Welsh 1-7-3, Shea 2-0-4, Newberry 2-0-2, C. Ryan 1-1-0. Totals: 12-17-22. FTM: 13.

In the championship game Saturday night, in which the Indians were eliminated by Sheboygan Falls, 69-48, Falcon center Sue Matzek made the difference. The hot-hitting Matzek scored 20 points, helped break the Kewaskum press and played an aggressive defense. On the other hand the Indians had numerous turnovers and did not play well.

Several times in the second half the Indians cut the lead to 18 points and once 16 but couldn't pull any closer against a fine Falls team. Schacht led KHS with 17 points, 10 of them in the last quarter. Beehner scored 13 for Falls and three others scored 8. It was the first time impatient Kewaskum was

bothered by a press.

The Falcons beat the Indians handily earlier in the season but as Kewaskum was much improved the second half of the season, it was expected to be closer this time.

The Kewaskum girls finished the season with a 10-0 record. Schacht finished fourth in Scenic Moraine scoring.

Indians Scare Mayville, Kettle Moraine But Lose Out in End

After leading at the half, the well went dry for Kewaskum in the second half and they lost a makeup game to co-champion Mayville here last Tuesday, 72-59. Then the Indians closed the season at Kettle Moraine Friday night and were ahead for three quarters before suffering a bad final period to be nosed out, 79-77.

The upset-minded Indians relied on some sharp outside shooting from its guards, Henry Schilter and Ray Dominguez, to make a sizzling 56 per cent of their shots in the first half to lead by three points, 37-34. But then the deep freeze set in as Kewaskum hit only 3 of 16 shots in the third quarter when the Indians were outscored, 18-6.

Six-foot-five senior forward Terry Mueller led Mayville's second half comeback with 12 of his 21 points. Guard Lucky Wurtz paced the Cardinals with 24 points. Schilter and Dominguez had 14 points each for KHS. Mayville's 6-10 Dave Green was held to 8 points.

The Cardinals showed why they tied for the title with Hartland (both 12-2) with a solid defense and the ability to come back after being behind. The Indians played some of their best basketball of the season the first half.

The score was tied nine times in the first quarter which ended 18-18. The Indians were moving the ball well against the much taller Cards.

FT Missed — Kewaskum 3, Mayville 4.

The Indians missed the front end of the bonus situation four times in the last three minutes as they lost a heartbreaker to third place Kettle Moraine there Friday, 79-77.

Kewaskum played an excellent game for three and one-half quarters but lost out in the last half of the fourth quarter. Leading 63-54 after three periods, they were outscored 25-14 in the final stanza. However, the Indians did much better than expected against the 10-4 Lasers, as they also did with

Schilter-Led Indians Oust Kiel in Local Sub-Regional

Besides hosting a girls' regional tournament, Kewaskum was also the site of a boys' sub-regional Tuesday night, in which the Indians ousted Kiel, 66-64.

The Indians outscored and led Kiel in every one of the first three quarters and were ahead by a comfortable 8-point margin going into the final period but almost blew it again as they have done frequently during the season. It seems they relax when they are ahead.

Kewaskum led at the half by seven points, 34-27, but it seemed every time they would build up a lead the Raiders would rally back again. Finally in the last quarter they outscored the Indians, 19-13, to almost close the gap and tie up the game.

At one point in the second quarter the Indians were up by as many as 11 points but Kiel came back with seven to cut the lead to four again. Kewaskum had another 11-point lead in the final period and again the Raiders rallied back.

Kiel came within three points, 63-60, with about a minute and a half remaining. Henry Schilter's two free throws boosted the KHS lead to five. Dhein's basket reduced it to three again. With a half minute left Scott Reif's free throw made it 66-62. Vogel's two free throws made it 66-64. Al Dominguez missed two free throws with 17 seconds left. Wriedt then missed a shot at the buzzer that would have tied the game.

Schilter stood out for Kewaskum with 24 points, 14 of them in the first half, Bob Nigh had 13 and Tom Kern 11. Top scorer

was Kiel's Steve Vogel with 25. The Indians now advance to regional play Thursday night at Kiel, where they will face Campbellsport, which had a bye in the sub-regional. The Cougars defeated Kewaskum in an earlier game.

Chess Team Wins 40-0

The Kewaskum chess team returned to its winning ways with a 40-0 shutout over Watertown. The Indians are now 6-1 with one game remaining against Oconomowoc.

The victorious Indians were Dusti Howell, Sheldon Langhoff, Chuck Strancke, Kim Manthei and Tom Rosenberger. The five men have a combined season record of 26 wins, 5 losses and 2 draws. The chess team is advised by Roy Peterson.

Lakes Team Tips Port Washington

A 43 point performance by Tom Zoch helped Kewaskum beat Port Washington here Sunday night, 133-129. The victory kept Kewaskum 1½ games ahead of Hartford in the "B" Division of the Lakes League.

Bill Nehls and Bob Mertz scored 22 and 20 points respectively as six Kewaskum players scored in double figures. Dennis Pieper had 18, Leon Laatsch 17 and Scott Tessar 13. Jim Jahnke paced Port with 34 and Rollie Kitt had 31.

Port jumped off to a big 36-23 lead at the quarter but Kewaskum narrowed the gap to one point, 56-55, at halftime, and then won the game in the third quarter.

The Menomonee Falls Stingers were upset by Cedarburg, 120-103. It was only their second loss of the season and left them one game behind the Falls Badgers, who breezed by Thiensville-Mequon, 129-104. In the only other game Hartford slipped by Oconomowoc, 139-133.

Kewaskum's next game is at Slinger Sunday, March 4, at 7:30 p.m. The contest was changed from Saturday to Sunday because of a high school tournament.

St. Lucas Boys Win Tournament

Coach Orv Breikreutz's "76er" boys basketball team won all three of their games in the Kettle Moraine Lutheran Grade School Tournament this past weekend at David's Star Lutheran School in Kirchhayn.

After winning the small school division with victories over St. John's, Newburg, 32-24, and Our Savior, Grafton, 40-21, the "76ers" took on the large school champion, a tall Good Shepherd team of West Bend, and defeated them 50-42.

Highlights of the game were the rebounding of Mitch Zimmel, Tim Roesel and Terry Koth and the playmaking of Todd Backus and Andy Hoenecke. Hoenecke led the team in scoring with 18. Mitch Zimmel also hit double figures with 11.

In the girls' division of the tournament, the St. Lucas girls' team won the small school division championship with 22-4 and 31-8 wins over St. John's, Newburg, and Our Savior, Grafton. In the playoff between the large school champion, the St. Lucas girls were defeated by David's Star, 24-18.

For the season, the girls' team finished with a 9-5 won-lost record while the boys finished with a 12-2 won-lost record. Players from St. Lucas named on the all-conference team were Sandra Koepke on the girls' team and Andy Hoenecke on the boys' team.

MAYVILLE COMES FROM BEHIND TO BEAT JVs

The Kewaskum JVs lost to Mayville last Tuesday, 59-52. Kewaskum had a 38-31 lead after three quarters but the Cardinals came through with a 28 point last quarter to win.

Jim Rohlinger was high scorer with 22 points, making 7 of 8 free throws in the last quarter. Kevin Stautz and Brian Dreher each had 10 as the Indians again played without Brian Larsen.

Mayville converted on 21 of 29 free throws and Kewaskum made 18 of 29.
