Number 12

Week's Wit

When paving the streets how about mixing Crest in with the tar and cement and maybe our streets will have fewer cavities.

Area United Way Funds Allocated

The Board of Directors of the Kewaskum Area United Way recently announced the recipients of funds allocated from the '78 drive. Participating organizations included:

A.F.S. - Kewaskum Chapter
Association for Retarded Citizens
Bay Lakes Boy Scout Council

Big Brothers and Sisters of Washington County
Children's Service Society of Wisconsin

Citizens Advocacy Program - Washington County
Developmental Disabilities Service, Inc.

Friends for Battered Women of Washington County

Kewaskum Blood Bank
Kewaskum Historical Society
Open Door - Washington County

Red Cross (West Bend Chapter)

Salvation Army
Threshold

Waubun Girl Scout Council
Youth Service Bureau of Washington County

The Board also expressed pleasure at being able to contribute toward the programs of so many worthwhile community projects because of the generosity of area residents. According to Jerry Stollenwerk, outgoing President of the group, "Community response to the first annual fund drive tells it all. Once again we saw concerned citizens working together."

At a recent meeting of the Board, the following officers were elected for the 1979 campaign:

President, Arnold Stommel
Vice President, Clark Pearson
Secretary, Ruth Behnke
Treasurer, Ralph Rimmel
Major committee appointments include:

Fund Drive Co-Chairmen - Ron Johann, Robert Zarling
Budget Director - Wayland Tessar

Zarling and Pearson are new to the Board and terms were renewed for Wayland Tessar, Jerry Kiefer, Cliff Stautz and Dr. R.G. Edwards.

The newly elected board is formulating plans for the second annual campaign scheduled for fall.

Teacher Contracts Approved At School Board Meeting

By TAMI EDGAR
Statesman Staff Writer

Teacher contracts were approved for the 1979-80 school year at Monday night's School Board meeting.

These class assignments may be changed by administrators as conditions or requirements change. Members also approved Title I teachers, Mary Secor, Karen Larsen, Kathleen West and Barbara Harju, with Gerald Secor abstaining. Three of the four have been substituting in the area. The board also accepted the resignation of Fred Lautz, a high school math and science teacher.

The board approved a reading class for the Middle School. This program would emphasize more in the language arts and vocabulary areas. The classes are now 52 minutes but next year classes will be reduced to 42 minute periods allowing for more classes.

The reading classes will be divided into four different groupings: 1. Students who fall more than one year below their present grade level will be placed into classes of 10 with the junior high reading specialist. 2. Students working at present grade level will continue development in English skills. 3. Students working above their grade level, but not more than three years above, will be placed in an accelerated reading program geared to improve their reading skill. 4. Students scoring three years above their grade level will be placed in a talented class. This will concentrate on an interpretive reading and discussion program.

The Middle School classes have stayed approximately the same. The anticipated enrollment is 305 compared to this year's 333 students.

The board approved the purchasing of new track uniforms for the Middle School. The funding would come from the student magazine sales. The uniforms will cost approximately \$580-\$600. There is currently \$1900 for use in purchasing of

the uniforms.

The conference realignment reports show that if Kewaskum goes to the Eastern Wisconsin Conference, Valders would probably go back into the Olympia Conference. It was also speculated that by the time the conference change comes about, some schools hope to offer girls' cross country, tennis and possibly softball. If the Task Force and conferences are unable to come up with a satisfying realignment plan by April 13, the WIAA will set up the conferences.

The board then adjourned into a closed session.

Connie Sleger to Be Featured in Rock Musical 'Godspell'

Connie Sleger

The rock musical "Godspell" will be performed on the Union Theatre stage at the University of Wisconsin-Washington County April 4-8. Under the direction of Carl Barnhart, Assistant Professor of Communication Arts, the eleven member cast is currently in rehearsal. Vocal music direction is being arranged by Associate Professor of Music, Peter Ayer, and the band will be directed by Associate Professor of Music Bud Asch. Assisting Barnhart is UWWC student Maureen Weidensee. Jack Gates has designed and built the sets and Scott Bussey, Cedarburg, is the lighting designer and technician.

The part of Jesus will be played by Greg Starr. Appearing in last season's production of "The Thurber Carnival," Starr has also acted in many local theatre group productions. Don Potter will portray John the Baptist. Other members of the Ensemble include Steve Ackley, Lee Bohlmann, Beth Bruni, Andy Dietenberger (Hartford), Coral Fauster, Sheila Moore, Kelly Rock, Connie Sleger (Kewaskum), and Dean Wick.

Based on the biblical translation of the gospel of St.

Matthew, "Godspell" features music, pantomime and dance. Some of the popular music from the 1972 Broadway production includes "Day by Day," "We Beseech Thee" and "Bless the Lord, My Soul."

Tickets will be on sale after March 15 for the seven performances. A special performance will be by invitation on Wednesday, April 4. All evening performances begin at 8:15 p.m. in the Student Union Theatre. Sunday afternoon, a matinee performance will begin at 2 p.m. Ticket prices are \$3 for adults, \$1 for students and Senior Citizens, and \$7 for a family ticket for two adults and any number of children. UWWC students are free.

Tickets may be purchased from cast members or in the main office on the UWWC campus. Tickets may also be ordered through the mail. Send a stamped self-addressed envelope with your check for the amount of the tickets and the date you wish to attend. Mail to UWWC-Godspell Tickets, 400 University Drive, West Bend, WI 53095. Mail orders for tickets will not be accepted after April 1.

Woman's Club Has AFS Day, Plans Events

On Saturday, March 10, the Kewaskum Woman's Club held AFS Day. Edgardo Carranza and Jorge Cazal gave most interesting talks about their countries, El Salvador and Paraguay.

During the business meeting plans were made for the Sixth District Convention in Kiel on April 26. Three officers, plus any interested members, will attend. Please contact Phyllis Bade before April 10 if you wish to go.

Mary Miller was cited for her years of service on the Library Board. She will be replaced by Ruth Behnke.

Plans for the Spring Luncheon were discussed. It will be held on April 21 at Noreta Klwin's home. We will meet in the Peace Church parking lot at 12:30 p.m. Those who are not attending or who are bringing a guest are asked to contact Elaine Buswell at 338-3772 before April 15.

The Book Discussion Group will meet on March 20 to hear a review of James Herriot's "All Creatures Great and Small" given by Margaret McFadden.

Gau Runnerup In FFA Contest

James Vogt, West Bend, won the first FFA Extemporaneous speaking contest ever held in District 31 of section 10 of the Wisconsin Association of Future Farmers of America. James is a member of the Slinger FFA Chapter. The contest was held at Mayville February 27.

Danny Ritger of the Slinger FFA was runner-up in the public speaking contest. Randy Gau of the Kewaskum FFA was runner-up in the creed speaking contest. The winning public speaker was Paul Ehrhardt of Mayville.

Select Laura Asch for State Honors Choir

State Honors Band and Choir members have been selected and one Kewaskum girl has been chosen for the choir and two others as alternates.

Laura Asch has received the honor of participating in the State Honors Choir. She is the daughter of Mr. and Mrs. Albert Asch, Route 3, West Bend.

Donna Ehnert received an alternate position for the State Honors Band and Patti Sleger received an alternate position for the choir. Donna is the daughter of Mr. and Mrs. Donald Ehnert, 1323 Roseland Dr., Kewaskum. Patti is the daughter of Mr. and Mrs. Edward Sleger, Route 1, Kewaskum.

These girls auditioned and competed against the best band and choir members in the entire state. Patti is a sophomore and Laura and Donna are juniors at Kewaskum High School.

If one of the students is unable to attend Donna or Patti may be chosen to fill the open position.

Laura Asch's choir director will be Weston Noble from Luther College of Decorah, Iowa. Complete details of the activity will be sent to Laura by June 1. Being a member of the State Honors Choir, Laura is obligated to attend the Summer Camp at Lawrence University, Appleton. The dates for the camp are June 17 through June 20, 1979 and the Grand Concert Weekend in Madison will be October 25 and 26, 1979.

The Wisconsin School Music Association annually underwrites a portion of the cost of the Honors Project. The Planning Committee has obtained funds from outside agencies to help lessen the cost. Therefore, the portion of the expenses for board, room, instructions, music, and recreation is only \$50.

Bridal Shower Held For Debbie Bastian

Miss Debbie Bastian, daughter of Mr. and Mrs. Donald Bastian, Richfield, was the guest of honor at a surprise bridal shower held on Tuesday evening, March 6, at the Glacier Inn, Kewaskum.

The shower was given by Mrs. Carole Timblin, Tami Timblin, and Mrs. Lana Kuehl, all of Kewaskum.

Miss Bastian will become the bride of Tom Timblin on Saturday, March 24.

Guests included: Mrs. Nancy Bastian, Richfield; Mrs. Veronica Timblin, Mrs. Maryanne Timblin, Mrs. Mary Crofts, Mrs. Jeanne Smith, Mrs. Diane Gantner, and Janet Timblin of Eden; Mrs. Marcie Harbeck, Mrs. Helen Felix, Mrs. Joyce Halfmann, Mrs. Cheryl Kuehl, Mrs. Novella Krause, Mrs. Elsie Flynn and daughter, Debbie of Kewaskum; Sue and Carol Biersack of West Bend; Mrs. Sheri Baldikowski and daughter, Staci, and Mrs. Sue Gantner of Milwaukee, and Mrs. June Heisler of Fond du Lac.

A delicious luncheon was served after which Debbie opened many useful and beautiful gifts.

The future bride was previously honored at two other showers.

Just too bad, isn't it that money has no conscience.

Cub Scout Pack 3744

Our Pinewood Derby was held March 10 at Kewaskum Middle School.

Weigh-in of each car was from 1:00 p.m. until 2:00 p.m. This was handled by Curtis Erdmann and we thank him for his patience and hard work.

The race started at 2:00 p.m. with the assistance of Curtis Erdmann, Dan Bingen, Dan Ramthun and Mike Paul. Winners were as follows: 1st place, Steve Streubing; 2nd place, Steve Herriges, and 3rd place, Tim Bingen.

Cub Scout banners were given to the following boys for the most original car: Joel Fleury, Scott Brenner, Steve Herriges, Mark Kirst, Steve Streubing, Bob Swanson, Mike Kirst, Mike Truog, Jim Phillips and Roger Vandenesque.

All the boys are to be congratulated for good sportsmanship and a lot of hard work.

A "big thank you" to the leaders, Cub Master, Boy Scouts, parents and Ed Frohmann (janitor) for all their time and efforts to make this event a big success.

FIREMEN CALLED

Kewaskum firemen were called at 10:25 p.m. last Wednesday to the Fred Fehlhaber home at 1502 Stark Street, Kewaskum, when a furnace backfired. There was no damage.

Select KHS Cheerleaders

The cheerleading workshop and tryouts at Kewaskum High School were held recently.

Eight girls were selected to make up the varsity squad for football games next fall. They include seniors Charlene Herriges, Debbie Bargman and Wendi Goeden, and juniors Darcie Schmidt, Sue Harlow, Theresa Nigh, Carrie Dreher and Donna Gilford.

JV cheerleaders will be Bev Otto, Sandy Kirchner, Amy Nigh, Karen Kudek, Jane Laatsch and Sharon Jalas.

A panel of high school faculty members and the graduating cheerleading captains made up the judging committee. The girls were judged on voice, appearance, various cheerleading skills and jumps. Each girl had to present an original cheer, group cheer and sideline cheer.

Railroad Club Open House, Swap Meet

The Kettle Moraine Ballast Scorchers Model Railroad Club of West Bend will hold an Open House and Swap Meet on Saturday, March 24, from 10:00 a.m. to 3:00 p.m. at the West Bend Recreation Center, 724 Elm Street, West Bend.

The public is cordially invited to inspect the club's progress on its layout, displays of model railroad equipment and railroad memorabilia, buy or sell railroad items or swap railroad items. Admission is 50c for adults and 25c for children 12 or under. For advance reservations for display or selling space, contact Richard Smucker, 712 Pleasantwood Drive, Kewaskum, telephone (414) 626-4335.

Don't wash cranberries until you use them. They'll spot.

Nearly 1,300 Instances of Arson Reported In State in 1978; Losses Exceed \$10.6 Million

Attorney General Bronson C. La Follette today said that nearly 1,300 instances of arson were reported to Wisconsin law enforcement agencies in 1978 with total estimated losses exceeding \$10.6 million.

Statistics gathered by the Justice Department Crime Information Bureau, in cooperation with local law enforcement and fire departments and the Justice Department Arson Bureau, indicated that 1,272 arsons were reported for the year. The overall dollar value of losses and damage was estimated at \$10,627,976, an average loss of \$8,355 per incident.

The Attorney General also reported that the Department of Justice Arson Bureau initiated 525 arson investigations during 1978. Of these, 53 percent were found to be incendiary (an increase of 6 percent over 1977). Of the 229 full scale investigations completed in 1978, 179 were determined to be arson and a suspect was apprehended in 48 percent of the arsons. A total of 73 adult charges were issued and 18 juveniles were referred to the juvenile court system.

La Follette noted that 54

Arson Bureau cases were finally adjudicated in 1978 resulting in a 78 percent rate of convictions or commitments to mental institutions. Thirty-seven percent of those convicted received prison sentences with an average sentence of four years. Sixty-three percent received probation with the average probationary period being about 3.5 years.

"Despite the fact that our Arson Bureau has only a minimal staff," La Follette said, "it has been able to do a superlative job. Our arrest and conviction rates are extremely impressive compared to other states. For example, the National Institute of Law Enforcement and Criminal Justice recently reported that the national arrest rate for arson is just 9 percent with convictions resulting in less than 2 percent of the arson cases."

"Nevertheless, our Arson Bureau currently has a staff of only nine deputy fire marshals and one Bureau Director to cover the entire state. More can and must be done to combat this fastest rising crime, which is the reason we have requested three additional arson investigators for the State," La Follette said.

Nic Schommer, A. Thompson Called in Death

Nicholas Schommer, formerly of Route 1, Iron Ridge, died Thursday, March 8, at Hartford Memorial Hospital, at the age of 88.

He was born August 2, 1890, in Wisconsin, and married Catherine Rubin January 15, 1915, in Canada. She passed away July 1, 1956.

He farmed most of his life.

Survivors include three sons, Louis (Shirley) of Fond du Lac, Marvin (Marilyn) of West Bend and James (Delores) of Berlin; four daughters, Lucille (Harold) Nischke of Kewaskum, Marcella (Ervin) Kleineider of Estes Park, Colo., Frances (Alex) Beck of Iron Ridge and Eileen (Harold) Perkins of Kewaskum; 38 grandchildren; 68 great-grandchildren; three great-great-grandchildren; four brothers, Frank and Eugene of Prescott, Edward of Hastings, Minn. and Louis of Green Bay; three sisters, Lucille (Leo) Murphy of River Falls, Magdaline Baker of Alton, Ill. and Mary Schommer of River Falls, and other relatives and friends.

Mass of Christian Burial was held Monday at 11:30 a.m. at St. Mary's Church, Woodland. Rev. Martin Gloudeman officiated and burial was in St. John's Cemetery, Rubicon.

The Matenaer Funeral Home, Hartford, was in charge of arrangements.

ALVIN THOMPSON

Funeral services for Alvin John Thompson, 60, of Route 2, Campbellsport, who died on Tuesday, March 6, were held at 2 p.m. Saturday at Trinity Lutheran Church in Dundee with the Rev. William Stuebs officiating. Burial was in the parish cemetery.

Mr. Thompson was born on March 16, 1918, in Fond du Lac, the son of Ben and Gladys Bacon Thompson. He married Elsie Voigt on July 15, 1939, in Trinity Lutheran Church, Dundee.

He farmed in the Town of Osceola for 35 years and was a milk hauler for 20 years. He served for two years as an elder on the Trinity Lutheran Church board. A member of the Foster Parents Association, he provided a home for nine foster children.

Survivors include his wife; his mother; one daughter, Mrs. Gerald (Sandra) Beisbier of Ashford; three sons, Gerald of Kewaskum, Thomas of Route 2, Campbellsport, and David, at home; one brother, Raymond of Fond du Lac; and nine grandchildren.

He was preceded in death by his father, two brothers and a granddaughter.

Visitation was held at the Twohig Funeral Home in Campbellsport after 2:30 p.m. Friday, and from noon until the time of service Saturday at Trinity Lutheran Church in Dundee.

The happiest life is to be found in the home where a family lives at peace with itself, its fellowmen, and God.

Tax escrow earns interest at West Bend

Before you decide on a home lender find out what's going to happen to your payments. If your tax escrow money is just going to lay idle for a year, you're losing interest money.

West Bend Savings is one of the few financial institutions in the country to pay interest on tax escrow. Our Transmatic service automatically transfers your monthly payment from your checking account — and puts your pre-paid tax money to work. The interest you earn over the life of your loan will be substantial.

Look beyond interest rates

Don't get us wrong. Interest rates are very important when you're looking for a loan — and West Bend offers some of the most attractive rates in the area. But there's more to a mortgage than rates. West Bend offers a variety of plans — including variable interest and short term renewable loans.

We're also one of the few home lenders in this area to offer a number of consumer-oriented packages with mortgage loans.

Prove it to yourself

Finding the right lender can be confusing. We'd like to help. Stop in for your free copy of "How to Shop for a Mortgage" — a handy checklist to help evaluate any home lender.

Pick up a copy at any of our seven Washington County offices — Village Square Shopping Center, Slinger, Mequon and Division Rds., Germantown; Main St., Jackson; Main St., Kewaskum; and three convenient West Bend locations.

Red Cross to Conduct Courses

The West Bend Red Cross Chapter will be conducting three courses in Water Safety Instruction, Babysitting and CPR (Cardiopulmonary Resuscitation) beginning next week.

WATER SAFETY INSTRUCTORS COURSE

To be eligible for the Water Safety Instructors (WSI) Course, you must be able to perform swimming skills and hold a Current Advanced Life Saving Certificate and must be at least 17 years old. The first two sessions of the course will be testing your skills.

The WSI course requires 30 hours of training.

The class will be held at the YMCA pool Wednesday and Friday afternoons, 2:45 to 4:45 p.m. The class will begin March 21 and continue on March 23, 27, 30, April 4, 6, 11, 18, 20, 25, 28, May 2, 4, 9, and complete on May 11.

Students can receive one (1) University credit for taking the course, and Instructor Trainer Tom Brigham will explain this on the first evening.

There is no charge for the course, with the exception of supplies, which are Red Cross WSI books.

To enroll, call the YMCA at 334-3405, or the Red Cross 334-5687 or 692-2806.

BABYSITTING COURSE

Babysitters will be taught the responsibilities they have to the child's parents, babysitter's parents, and the child they are caring for.

Instructors will teach the growth and development from newborn to the five year old, how to diaper babies, feeding the children, how to amuse the children and how to handle a misbehaving child. The babysitter will be taught what to do if the baby won't stop crying, if the child keeps popping out of bed, temper tantrums, fighting, and many other things.

Personal safeties will be covered — what should be done in case of strange sounds, attempted entry, fire, tornado, and other emergencies.

Mouth to mouth resuscitation for a baby or child will be taught.

The course is open to boys and girls and is limited to 15. Classes will be held on Tuesdays starting March 20 and completing on April 20, from 6 to 8 p.m., at the Red Cross Office, 107 N. Main St., West Bend. To enroll, call Mrs.

Drumm at 338-2946 (or 334-5687; 692-2806). There is no charge.

CPR CLASSES

CPR, or Cardiopulmonary Resuscitation provides artificial circulation and breathing to a person whose heart and lungs have stopped functioning because of a heart attack, shock, drowning or other cause.

The first four minutes after a heart attack are the most crucial. Be prepared to recognize the possible warning signs and know the emergency measures.

Three classes are scheduled as follows:

Mondays - March 19, 26, April 2 and completing on the 9, 10 a.m. to 1 p.m., at the West Bend Marine Bank. Ken Howe, instructor.

Tuesdays - March 20, 27, April 3 and completing on the 10, 6:30 to 9:30 p.m., Kewaskum High School, room 354. Ken Richmond, instructor.

Thursdays - March 29, April 5, 12 and completing on the 19, 6-9 p.m., West Bend High School, Room 116. Instructors Nevin Farley and John Wiesman.

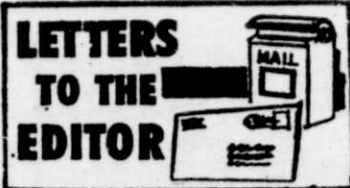

To enroll, call West Bend Red Cross Office, 334-5687. Classes are limited to 12.

Nursing Assistant Program Has Openings

Moraine Park Technical Institute-West Bend campus reports that openings are still available in the nursing Assistant Program scheduled to begin May 14. The program provides 180 hours of specialized training in classroom and laboratory practice over a period of 6-8 weeks. Classes and clinical are generally held between 7:30 a.m. and 4:30 p.m., Monday through Friday.

Supervised practice is given in hospitals and nursing homes. Most health facilities within Moraine Park District require the training before employment.

Information on current tuition and fees may be obtained from Don Zerfas, Vocational Counselor, MPTI 2151 North Main, West Bend, 53095, (414) 334-3413. An interview will be scheduled for the applicant with an instructor and counselor. Those interested are urged to apply as soon as possible as enrollment will fill fast.

To the Editor:

Since election is coming up we wish to remind those interested in and disappointed with the proposed conference realignment, to put aside their apathy and practice their right to vote. The members of the school board and how they voted on realignment was published in the February 16, 1979 issue of the Kewaskum Statesman. One of the School Board members, John Tessar, shows great interest by attending many sports events. As we recall, we can't remember ever seeing some of the School Board members at any sports events or taking any interest whatsoever.

The realignment as proposed by Floyd Brenholt, Superintendent, and Clark Pearson, High School Principal, as follows, sounds good:

Division A — Milwaukee

Juneau, Kettle Moraine, Whittall, St. Francis, Franklin, Pewaukee, West Milwaukee.

Division B — Whitefish Bay, Kewaskum, Slinger, Grafton, Brown Deer, Shorewood, Milwaukee Riverside.

Another thing that was not specifically mentioned was TV. We think the majority of people in this area watch and listen to the 10:00 p.m. news on one of the Milwaukee TV stations. During the sports broadcast at approximately 10:15 p.m., the results of games played in the metropolitan Milwaukee area are often given. At times, when we do not have the opportunity to attend the game in person, we listen eagerly in hopes the results will be mentioned, as they often are. We have never heard the results of games mentioned outside of the metropolitan area, except at tournament time.

Even though Kewaskum is on the northern fringe, we still do belong to the county in the Milwaukee metropolitan area.

Several Sports Fans

Young Men, Women Urged to Apply For Youth Camps

Young Wisconsin men and women between the ages of 15 and 19 years who are interested in attending one of the six salaried Youth Conservation Camps this summer are urged to apply immediately.

The camps, operated by the Department of Natural Resources, offer separate five-week and six-week sessions through June, July and August. Work activity offered at the camps includes projects related to forestry, fish management, wildlife, recreational use areas and ranger stations.

Youths interested in participating in one of the summer camps are urged to contact their high school guidance director or principal for details. Application forms are available in all Wisconsin high schools. Or, write DNR Youth Conservation Camp Section, Box 7921, Madison, Wisconsin 53707.

Campus Notes

Susan Bohn of Kewaskum was selected to represent the Tau Kappa Epsilon organization in the University of Wisconsin-Stevens Point's "Gangstar and His Moll" contest, part of the winter carnival. Mike Bartol of Wauwatosa was her running mate.

A total of 12 couples represented UW-SP organizations in the contest which was determined by student voting.

In other years the title would have been king and queen, but the present celebration which opened Sunday and continued through the week had the theme "It Happened in '29" and students mimicked lifestyles of a half century ago.

Miss Bohn, a senior majoring in English and Spanish, is the daughter of Mr. and Mrs. Eugene J. Bohn, 316 Third Street. She is a 1976 graduate of Kewaskum High School.

Kerry Staehler, a junior majoring in industrial education, and the son of Mr. and Mrs. Robert Staehler, 535 Keller St., Kewaskum, has been named to receive the Chancellor's Award for academic excellence during the first semester at UW-Stout, Menomonie, Wis.

The award replaces what has been traditionally known as the Dean's List and is presented to students who have a semester grade point average of 3.5 or above.

Certificates of commendation are being mailed to 965 students at the University of Wisconsin-Stevens Point who excelled academically during the fall semester.

The awards are given to full time students who earned grade points of between 3.75 and 4.0 (straight A) and became eligible for highest honor designations and students who scored between 3.50 and 3.74 are named as high honor recipients.

For the semester, approximately 10 per cent of the academic recognition from Acting Chancellor John B. Ellery from whose office the awards are being sent.

Highest and high honor students from this area are: Susan Bohn, 316 Third St., Kewaskum, high honors; Heidi Heldt, 127 Helena St., Campbellsport, highest honors; Michael Krueger, Route 2, Campbellsport, highest honors.

University of Wisconsin-Oshkosh officials have announced the names of the 1,659 undergraduate students who were named to the Dean's List and Honor Roll for the fall semester which ended January 20, 1979.

To qualify for the Honor Roll a student must be taking at least 12 credits and have a grade point average of 3.3 or better, based upon a 4.0 being a

perfect score or straight "A" average.

Those named to the Dean's List are students with grade point averages of 3.75 and above.

A student from Kewaskum on the list includes: Jon M. Sleger, 2193 Valley View Road (Dean's List).

Three area students are among those named by Dean W. Robert Marshall of the University of Wisconsin-Madison College of Engineering to the Dean's List of top scholars for the past semester.

The honor goes to fulltime students who earn at least a 3.25 grade point average on a 4.0 scale. Approximately 2,800 undergraduate students are enrolled in the nine fields of engineering studies offered by the college.

The students are: Ralph Alan Butz, 1325 Parkview Dr., Kewaskum, Chemical Engineering; Steven Brian Edgar, Route 1, Kewaskum, Chemical Engineering; Reed Alan Rodenkirch, Route 2, Kewaskum, Civil and Environmental Engineering.

The University of Wisconsin-Eau Claire Chamber Orchestra will present its Spring Concert Sunday, March 11, at 4 p.m., in Gantner Concert Hall of the Fine Arts Center.

Conducted by UW-EC music faculty member Paul R. Kosower, the 29-member Chamber Orchestra will perform four works by noted composers. The concert is free and open to the public.

Area students performing with the orchestra include Carol Asch, West Bend and Gay Olson, Kewaskum.

Five Wisconsin students, all College of Engineering sophomores, were named (March 2) as winners of General Motors Scholarships at the University of Wisconsin-Madison.

They join 13 other holders of GM Scholarships in the college, including Ralph A. Butz, a chemical engineering senior and the son of Mr. and Mrs. Vernon W. Butz, 1325 Park View Drive, Kewaskum.

The five 1979 winners, announced by John D. Debbink, head of GM's Delco Moraine Division, are Dale R. Hershfield, Two rivers; Robert A. Ertl, Cedarburg; Wade R. Valesano, Green Bay; Kelly A. Duchon, Verona; and Thomas

C. Platner, Hartland.

Recipients receive tuition for their junior and senior years, a \$100 per semester book allowance and summer internships working for GM Corp.

The 1979 scholarships were announced during a ceremony in which GM Corp. and GM Foundation presented the first installment of a \$514,400, five-year grant to the College of Engineering through the UW Foundation's "Forward with Wisconsin" capital gifts campaign. The three-year UW drive aims at raising \$15 million.

Brian Markielewski, son of Mr. and Mrs. Edward Markielewski, 7651 Townline Road, West Bend, qualified for the Dean's Honor Roll during the 1978 fall quarter at Milwaukee School of Engineering.

To be named to the Dean's Honor Roll, he has had to maintain a cumulative grade point average of 3.2 or higher out of a possible 4.0.

Free Drug Series

Films Available

To County Schools

Sheriff Clarence Schwartz announced the purchase of a five part film strip/cassette drug series.

The series is designed primarily for the upper elementary/mid-school and/or junior high students of Washington County.

The drug series is available on a free loan basis to schools requesting them.

The five subjects covered are:

- "Narcotics"
- "Stimulants"
- "Sedatives"
- "Psychedelics"
- "High on Life"

Each program, available for a seven day loan period, has a discussion manual included to assist a moderator lead the group. The only equipment needed to present the programs is a film strip projector and a cassette player.

Sheriff Schwartz's keen concern of illicit drugs and drug usage prompted him to seek out these programs for public use. Sheriff Schwartz states, "awareness and understanding, through education, is one method of informing our citizens, young and old alike, of the

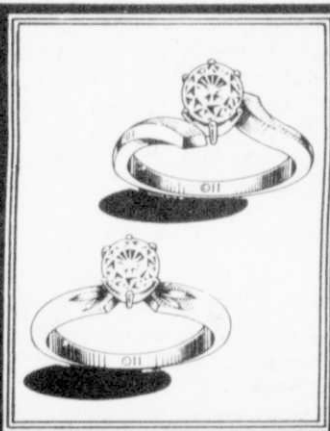

risks involved in illegal drug experimentation and usage." He continued, "I purchased this series because I sincerely believe in this philosophy."

Sheriff Schwartz advises that reservations for this film strip/cassette drug program, several free loan films and any one of their available programs can be easily arranged for by calling the Training Office at 338-2121/644-5204 or 342-3537 during normal office hours.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will be holding their monthly recycling day on Saturday, March 17, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Need Foster Homes for Two County Boys

Bill is a talkative, active, 15 year old boy. He enjoys football, camping, woodworking, and playing pool. Bill has some minor school problems. Bill is waiting for a foster home.

Washington County presently has no foster home resources for two teenage boys in need of homes. There is always a need for foster homes willing to accept teenagers; however, right now the need is more desperate. The teens we place do not have serious emotional or behavioral problems, as these children would need a more structured setting. Most foster teens are placed as the result of relationship problems with their parents and generally do very well in foster care.

If your family could provide a home for one of these two teenage boys, please call the Washington County Department of Social Services, 338-0081 or 644-5282.

Births

BUDE — A daughter to Gerald and Diane Bude, Kewaskum, Thursday, March 8.

NIGH — A daughter to Perry and Gloria Nigh, 1317 Kilbourn Avenue, West Bend, Sunday, March 11.

Dreyfus Proclaims Agriculture Week

Kewaskum Statesman, Friday, March 16, 1979, Page 9

Madison, Wisconsin, March 5, 10:00 A.M. — Governor Lee Dreyfus signed a proclamation today, declaring March 18-24 as Wisconsin Agriculture Week. During the ceremony, Governor Dreyfus and Lt. Governor Russ Olson commended Wisconsin farmers, "...who by their aggressive and productive efforts, have helped keep the cost of food in the United States of America lower than anywhere in the world."

The state officials noted the scope of this state's total agricultural picture by pointing out that Wisconsin's agri-business community directly employs over 180,000 people and supports an additional 430,000 non-farm workers. This comprises about 30 percent of Wisconsin's work force.

Wisconsin Agriculture Week is an annual recognition of the importance and diversity of Wisconsin agriculture.

Now in its fourth year, Wisconsin Ag Week is sponsored by the Badger Chapter of the National Agri-Marketing Association (NAMA), a nonprofit organization for marketing people involved in agriculture. The event began as American Ag Day, which will be observed throughout the nation on March 19. In Wisconsin, where agriculture directly affects so many people, the observance was extended to a full week.

"Activities for this year's celebration will focus on the interdependence between Wisconsin farmers and consumers," noted Ag Week Chairman, Karl F. Ohm, president of The Brady Company, Milwaukee.

"Wisconsin Ag Week also recognizes the challenges agriculture faces in continuing to meet the world's requirements for food and fiber," explained Ohm. "With less than 4% of Wisconsin's population involved in farming today, this small group must produce more than ever before."

Ohm pointed out that as our nation's biggest industry and largest employer, agriculture includes every phase of food and fiber, from growing it, to transporting and selling it.

Through the media and other channels, Wisconsin Ag Week promotions will offer a chance for people of all occupations to become more aware of the many ways agriculture touches their lives.

AGRICULTURE WEEK — Holding a proclamation declaring March 18 to 24 as Wisconsin Agriculture Week are Governor Lee Dreyfus and Lt. Governor Russ Olson. Wisconsin Agricultural products and agri-business leaders completed the picture. Left to right, front row: Governor Dreyfus and Lt. Governor Olson; seated, center: Russel Weisensel, Executive Director of the Wisconsin Agri-Business Council; rear, left to right: Gary E. Rohde, Secretary of the Department of Agriculture, Trade and Consumer Protection; Bob Bray, Associate Dean of the University of Wisconsin College of Agriculture and Life Sciences; Bill Maynard, President of the Badger Chapter of National Agri-Marketing Association [NAMA]; Karl F. Ohm, Chairman of Wisconsin Ag Week, and Glen Callin, a board member of the Wisconsin Federation of Cooperatives and the Wisconsin Agri-Business Council.

partment of Agriculture, Trade and Consumer Protection; Bob Bray, Associate Dean of the University of Wisconsin College of Agriculture and Life Sciences; Bill Maynard, President of the Badger Chapter of National Agri-Marketing Association [NAMA]; Karl F. Ohm, Chairman of Wisconsin Ag Week, and Glen Callin, a board member of the Wisconsin Federation of Cooperatives and the Wisconsin Agri-Business Council.

Pork Producers to Sponsor Scholarship

The Sheboygan, Ozaukee, Washington County Pork Producers Association is again sponsoring a scholarship program for 1979. The organization is sponsoring three \$250.00 scholarships to students entering as freshmen enrolled in any phase of agriculture at any University of Wisconsin Campus or Farm and Industry Short Course. Applicants for the program must be residents of Sheboygan, Ozaukee or Washington counties.

In order to apply, individuals need to obtain an application form, fill it out and return it by May 7, 1979. Three letters of recommendation must be submitted along with the application form.

The Tri-County Pork Producers Association Scholarship Committee will select the qualified recipients. Recipients will receive 1/2 of the scholarship at the beginning of each semester with proof of enrollment, or 1/3 at the beginning of each of the three, five week terms of the Farm and Industry Short Course.

Scholarship winners will be notified in early May, and announcement of the winners will be made at the Annual Pig Roast sponsored by the Tri-County Pork Producers Association.

Scholarship application blanks are available from High School Guidance Counselors, Vocational-Agriculture Instructors, or from the UW-Extension Office in either Sheboygan, Ozaukee or Washington County.

'THE GULLINGS FAMILY' AT ASSEMBLY OF GOD CHURCH

"The Gullings Family" will be at the Calvary Assembly of God Church, 1110 E. Decorah Rd., West Bend, on Saturday evening, March 17, at 7:00 p.m.

The Gullings come from Buffalo, Minnesota, and minister in Gospel Music and God's Word.

Everyone is invited and welcome to attend! (Call 338-3281 if you have any questions).

In some countries, people don't complain about high food prices.

We get bombarded with those "shopping cart" reports that show eggs a little cheaper one month, while butter slides up 3¢ a pound the next. Or hamburger down a nickel, while grapes are up 10¢. Since most of us go grocery shopping on a weekly basis, these surveys make a handy vehicle by which to monitor inflation.

Of course, if we monitored inflation by the cost of going to a movie, or getting a haircut, we'd all stay home and let our hair grow. But the fact is that in the United States, food is still a bargain.

The reason is simple. America's agriculture is the most scientifically advanced, efficient, plentiful agriculture in the world.

In some countries, people don't complain about high food prices, because there isn't any food at any price. What agriculture does exist is primitive.

And there is no distribution or marketing system to move farm products to consumers. There also are no shopping carts.

Since most Americans are compassionate as well as generous, get to us. We privately give money through relief organizations to help a little. But there's a lot more we can do if we'd let our farmers produce their full capacity and supply the world's food needs on a free-enterprise basis. Meanwhile, over-regulation and marketing restrictions prevent us from achieving these vital objectives.

Thank You Area Farmers

We join the rest of the nation in recognizing the farmer's contribution to filling our every day needs and showing the way in production to the world . . .

Wisconsin Agriculture Week March 18-24

Maybe the best way to keep the peace is to have the most tractors.

We read a lot these days about "keeping America Strong." And nobody disagrees with that. Unfortunately, however, we often limit our thinking to military hardware. Faster aircraft, better subs, bigger payloads. But when you think about it, America's agricultural prowess may be her ultimate weapon. To appreciate its significance, one has to consider our agricultural capacity. No country on earth has been blessed with the soil and climate that we enjoy. Combined with our advanced technology, it yields

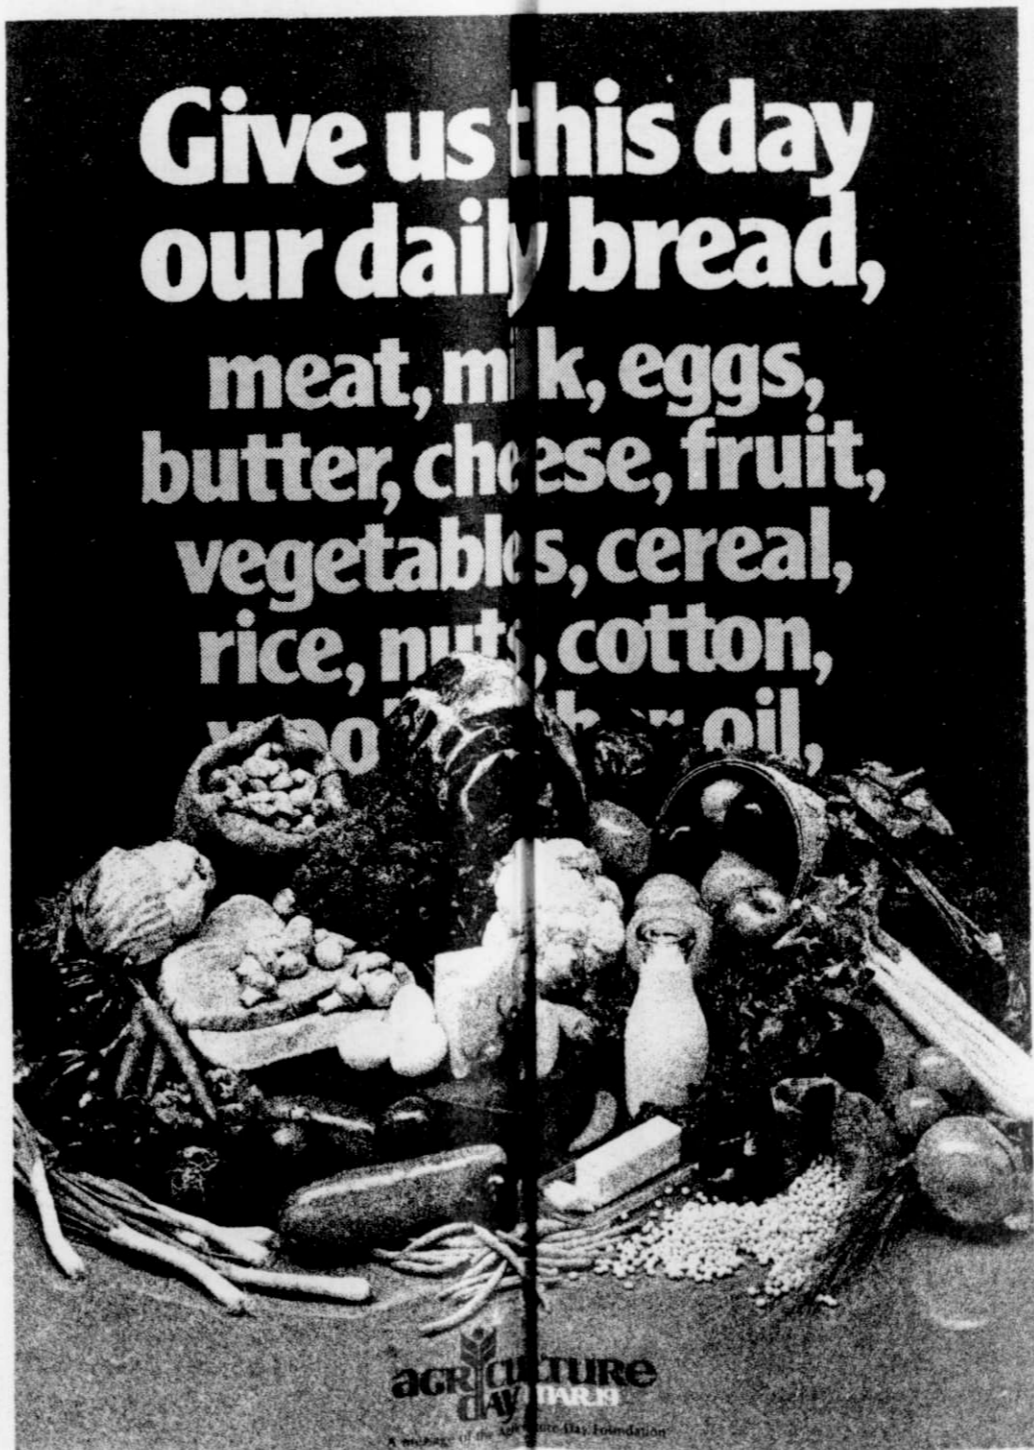

crofts of protein and energy found nowhere in the world. Today one American farmer produces enough food to feed 56 others. And we've just scratched the surface.

As the world's population explodes, most countries are unable to meet their food demands. Those who have land, don't have technology. Those who have technology, don't have land. Many have neither. We have both.

What's most interesting is that if the food-poor countries can buy our military hardware, they can buy our food. What we need is foreign policy that puts our agricultural capacity to work in a way that will save

millions from starvation, win the U.S. stronger friendships, and help American agriculture find additional profits abroad to finance better food values at home.

Yes. Maybe the best way to keep the peace is to have the most tractors.

Give us this day
our daily bread,
meat, milk, eggs,
butter, cheese, fruit,
vegetables, cereal,
rice, nuts, cotton,
and oil.

Coulter, Enright Join Coulter Realty

William Coulter

COULTER REALTY of 205 S. 7th Avenue, West Bend, is proud to announce the association of William Coulter and Mrs. Ann Enright as sales associates.

Bill and his wife Ila Mae have three children and live in the

Port Washington area. He is a graduate of Kewaskum High School and Bible College of Omaha, Nebraska. In preparation for the real estate field Bill attended the Wisconsin School of Real Estate.

Ann Enright

Ann, her husband Joe and four children reside in the Kewaskum-Boltonville area. She is a graduate of Kewaskum High School, attended MPTI, and is presently involved in many social and civic organizations.

Retarded Citizens Association Plans Meeting, Inservice

YOU can make a difference in the lives of adults who are retarded. HOW? - By learning what services can and should be available; by knowing something about how to assess the needs of people who are important to you; and, by knowing whether the services people are receiving meet their needs. The Association for Retarded Citizens-West Bend Area will be holding a meeting and inservice, March 20, 7:30 p.m. at the Threshold, 600 Rolfs Rd., West Bend.

You will learn about services our laws say should be available, and about who should be responsible for providing them for those who need them. There will be resource speakers, including Mary Murphy from the Wisconsin ARC, talking about how the right services can be obtained and how to know what the right services are.

You will have practice in analyzing fictitious cases, but real in meaning for someone you may know. These discussions sharpen your skills in making changes which will make a difference in the quality of the lives of persons who are retarded.

Participants will have an opportunity to use and purchase the handbook, QUALITY OF LIFE, and testify to an evening well spent. The handbook will prove an invaluable reference for your use and to share with others. More information may be obtained from Alice Laubenstein at 338-8067.

SCHOOL MENUS

KEWASKUM COMMUNITY SCHOOLS

Menus for week of March 19-23:

Monday - Hot dog on a bun, raw onions, pickle relish, pork and beans, pears and peanut butter brownie.

FS — THE WAY TO GROW — FS

25 Years Ago

March 19, 1954

A Mercury car owned by Sylvester Serwe, Kewaskum tavernkeeper, was almost completely damaged by fire early Thursday, March 18, on the parking lot at the rear of his tavern.

The Republican Hotel in Kewaskum changed hands again this week. The hotel and tavern, which was operated for the past eight and one-half months by Mrs. Mary Jilbert of Milwaukee, has been taken over by William E. Meredith of Milwaukee.

Sons were born on Sunday, March 14, to Mr. and Mrs. Robert Krueger, Route 1, Kewaskum, and Mr. and Mrs. Theodore E. Schmidt, Town of Wayne.

A daughter was born to Mr. and Mrs. Leander Weiland, St. Kilian, on Sunday, March 14.

Bernard J. Seil, Kewaskum, this month is observing his 30th anniversary with the L. Rosenheimer firm and is beginning his 31st. year as an employee.

Jim Weiss, 17, Barton, sustained severe head injuries in a serious traffic accident here March 12. Weiss was driving north on Highway 45 (Fond du Lac Avenue) and had just entered the village limits when he lost control of his car, crossed the highway, tore down a fence and hit a light pole and sign in front of Billy's Car Hop, and then careened into the front porch of the Ernie Leonardelli home.

50 Years Ago

March 16, 1929

Due to mild weather and rain the snow is rapidly melting away, with the result that rivers and creeks are overflowing their banks, covering acres of ground with several feet of water. In many places highways are under water making traffic difficult.

Henry Fellenz, 54, former merchant at Theresa, but now secretary and manager of the Theresa Canning Company, was instantly killed at about 9:00 a.m. on Friday, March 6, when his Chevrolet coupe was struck by a southbound Soo Line

meat train at the Theresa Station crossing.

Frederick Backhaus, a well known and pioneer citizen of Beechwood, died at his home on March 12.

The Kewaskum Troop 14, Boy Scouts, have entered the first annual Boy Scout basketball tournament which will be held at the Y.M.C.A. gymnasium at Fond du Lac on Saturday, March 23. The team is composed of John Louis Schaefer, Henry Lay, August Koch, Elroy and Lloyd Hron and Harold Marx, William Schaefer, William Harbeck and Lehman Rosenheimer, Jr. Other teams entered are: Fond du Lac, Hartford, West Bend and Juneau.

75 Years Ago

March 19, 1904

Ed Miller, Kewaskum, was over to Ashford this week to put a new spire on the top of the steeple on the Catholic Church there which was knocked off by lightning.

A son was born to Mr. and Mrs. Henry Schaub of Wayne on March 10.

Talk about bad roads and tipping of sleighs, why Math. Schladweiler of St. Michaels broke the record last week. While moving some hay he tipped ten times with six loads.

A baby girl was born to Mr. and Mrs. George Ruplinger of St. Kilian on Wednesday, March 16.

Joseph Grittner, who rented Mrs. Wunderle's butcher shop, took possession of the business on March 14.

One of the heaviest snow storms of the season struck this vicinity last Sunday night and Monday. Trains were not much delayed however but the country roads were badly drifted.

4 Men Wanted

This is The International Year of the Child. Big Brothers & Sisters of Washington County is looking for 4 men who have a sincere interest in their community and children.

Kewaskum has 4 boys from parent-absent homes, who miss the attention and love of a man. They are waiting for someone in their town to care enough to give them a couple of hours a week. We know these boys. You probably know them, too. Call 334-7896 for more information.

Carroll College Set as Site for Teenage Pageant

Young ladies between 13 and 18 years of age are invited to participate in the 8th Annual Miss Wisconsin National Teenager Pageant to be held at Carroll College, Waukesha, on June 1, 2, and 3.

The 8th Annual Wisconsin Pageant is the official state preliminary to the Miss National Teenager Pageant to be held in Atlanta, Georgia, in August 1979. The Wisconsin winner will receive among other prizes, a cash scholarship and an all expense paid trip to compete in the National Pageant in Atlanta. In the National Pageant all 50 states and the District of Columbia are represented by a winner selected in state-wide competition.

The 1979 National Pageant will award among other prizes \$10,000 in cash scholarships for use at the college of the winner's choice; \$2,000 personal appearance contract; a 1979 Mazda; trips; and a full tuition Fashion Merchandising Course Scholarship from Barbizon International.

Contestants are judged on scholastic achievement-leadership; poise-personality and appearance. There is no talent or swimsuit competition.

For further information, please write to Mrs. Char Zarling, 1221 Hillside Drive, Kewaskum, Wisconsin 53040 or phone 414-626-2264. Deadline for receiving applications will be April 1, 1979.

Thull-Skinner

Rita Thull and David Skinner have chosen September 14 as their wedding date.

Rita is the daughter of Mr. and Mrs. Edmund Thull of 8741 Wescott Road, Kewaskum. David is the son of Mr. and Mrs. Floyd Skinner of 1433 Eder Lane, West Bend.

Rita, a 1978 graduate of Fox Valley Technical Institute, is presently employed at Post Printing. David is a student at Moraine Park Technical institute studying Tool and Die.

Health and Safety Tip

Immunizations Halt Many Diseases

There has been much talking and writing of late about preventive medicine. Do something before you get sick to keep you from getting sick.

And yet millions of Americans continue to neglect the easiest, cheapest and simplest portion of preventive medicine — immunizations against infectious disease.

Immunization is a priceless asset to health, the American Medical Association reminds. Vaccines to prevent smallpox, diphtheria, tetanus and typhoid fever have been available for many years. Whooping cough, polio and influenza vaccines later were added to the list. And now there are vaccines to protect against measles, German measles and mumps.

All children should receive proper immunization against early childhood diseases. And all adults should maintain their immunization levels by boosters.

Vaccines may cause adverse reactions in some individuals. Most frequently, these include pain at the site of the injection, low-grade fever or rash. Rarely, there is a more serious reaction, but the risk of reaction is much lower than the risk of serious problems from the disease itself.

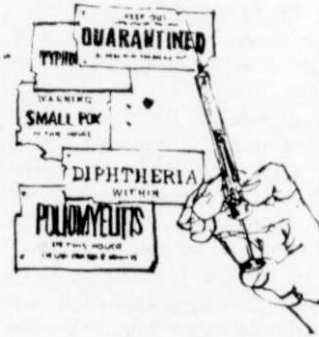

The oldest of the vaccines — smallpox — has done its job so well that it is no longer needed. Through a long-term program of vaccinating susceptible populations all over the world, smallpox has been wiped out. No longer do health authorities require smallpox shots for travel abroad. This great killer disease throughout history is no more.

Disease prevention through immunization is a personal health responsibility. Your doctor can give you the shots only if you go and ask for them. Every family is responsible for protection of its own members.

The AMA urges each family to keep records of immunizations of all family members. Your family doctor may have your family's records already. Ask him about shots for infants and children and boosters for adults.

Great Guitars Concert at West Bend

The talents of guitarists Herb Ellis, Barney Kessel and Charlie Byrd will be featured in a concert at the West Bend High School auditorium on Thursday, March 29. Beginning at 8:15 p.m., the "Great Guitars" concert is sponsored jointly by Regal Ware of Kewaskum and the University of Wisconsin Center-Washington County. Tickets will be available at the door for \$4.00. Advance tickets are for sale at area music shops and the UWWC campus for \$3.50. There are no reserved seats.

Three of the best jazz guitarists around, Kessel, Ellis and Byrd, have been appearing across the country in concerts of this type.

Kessel is the eternal swinger. Starting with bands in the '40s, in six years he had played with absolutely everyone of note in jazz. In the '50s he had a two-year stint with Oscar Peterson (Ellis replaced him when he left the trio) and in the mid-'50s he became a studio musician.

Ellis played with the big Casa Loma and Jimmy Dorsey bands in the '40s, and in the '50s was featured with the Oscar Peterson Trio, Jazz at the Phil, and the quartet who backed Ella Fitzgerald.

Charlie Byrd plays electric

and acoustic guitar in a finger-style manner similar to a classical guitarist. Byrd combines low-key presentation with high voltage intensity.

In a recent poll of popular music magazine, Herb Ellis was rated 12th best guitarist in the world, Charlie Byrd 14th, and Barney Kessel 17th. All three are legends in their own right, and what they do on a guitar within the normal human framework just has to be seen and heard to be believed.

The guitar renaissance of recent years, stirred by the electric instrument's essential role in rock music, has brought to the fore a number of artists that had earlier been known only among jazz enthusiasts. Ellis, Kessel and Byrd have played to sell-out audiences and packed auditoriums. This is Washington County's chance to see the very best in enter-

tainment for a reasonable price.

If you wish to have your tickets through the mail, send a stamped, self-addressed envelope along with a check for the price of the tickets to UWWC Great Guitars, 400 University Drive, West Bend, WI 53095. Mail orders will not be accepted after March 26.

TIP** from
Tom
Leitzke,
R.P.H.

In America, there are more than 4,000,000 home accidents each year—30,000 are fatal; 225,000 accidents involve washing machines, stoves, power mowers and heating devices; 30,000 accidents involve extension cords. The message is plain—great caution must be used in heating and electrical equipment and machinery with moving parts. Parents should stop and analyze the dangers involved in each household appliance and then carefully explain the risks to children, and instruct them in safe operation.

Maintain Proper Driver and Vehicle Licenses March 'Law of the Month'

Increasingly sophisticated police communications and centralized computer files have made it increasingly hazardous to drive without a valid driver license and properly registered vehicle, the State Department of Transportation said today.

In its "Law of the Month" for March, the Department pointed out that law enforcement officers "query" the driver and vehicle computer files on an average of once every six seconds around the clock and throughout the year.

Norbert K. Anderson, Administrator of the Division of Motor Vehicles, said the central computers ran more than 3.5 million registration checks and 1.9 million driver license checks in 1978 — a daily average of 14,800.

Captain Jack W. Jorgensen, Commanding District 2, of the Wisconsin State Patrol, said that of the more than 500,000 convictions entered on driver records in 1978, registration and driver license violations

together ranked number two, second only to speeding violations. Most of the more than 50,000 convictions and registration convictions resulted from routine radio checks made by law enforcement officers in the course of arresting drivers for other offenses.

Jorgensen noted, however, computer checks of license plate numbers may be made without the driver being aware of it, for instance when traffic officers may be looking for a stolen car or a crime in the commission of a one.

A Department spokesman said the importance of maintaining proper registration and current driver licenses cannot be over-emphasized, particularly in the computer-age.

"With every squad car of every policy issued the state equipped with radio communications equipment to field-check license information, the odds are substantially against a driver escaping a citation for very long," Jorgensen added.

Sensenbrenner to Hold Town Hall Meeting in West Bend

Congressman Jim Sensenbrenner (R-Shorewood) this week announced that he will hold a "town hall" meeting for residents of West Bend and the surrounding area on Sunday, March 18, from 2:00 to 4:00 p.m. The meeting will be held in the Council Chambers of the West Bend City Hall, 100 N. 6th Avenue. All residents of West Bend, Kewaskum, Slinger, Alton, and the adjoining areas are welcome to attend.

DNR to Sponsor Workshops for High School Students

High school students interested in the outdoors, natural resources, conservation, ecology, environmental education or related fields have an opportunity to explore career possibilities at two, week-long workshops sponsored by the Department of Natural Resources this summer.

"Hands-on" activities in forestry, fire control, fish and game management, and environmental protection are planned for the "Natural Resources Workshop for High School Students" (formerly known as Girls'/Boys' Conservation Camp). Additional areas of learning include law enforcement, environmental education and parks and recreation.

Last year, enthusiastic students attending the workshops battled a grass fire, thinned and pruned a pine plantation, hiked trails at Devil's Lake State Park, conducted bird surveys and nest searches at the Horicon Wildlife Refuge, and did stream improvement studies, while meeting students from all over Wisconsin with similar interests.

The workshops will be held at the MacKenzie Environmental Center, near Poynette, about 25 miles north of Madison. Session I (for young men) will be held June 10-16, 1979 and Session II (for young women) will be held June 17-23, 1979.

Students from Wisconsin, currently enrolled in grades 9-12 are eligible to attend. The cost is \$90. Some scholarships are available through the courtesy of local conservation clubs, and other organizations concerned for the environment.

For more information on the workshop, applications, and scholarship requests, please write to the Natural Resources Workshop for High School Students, MacKenzie Environmental Center, Department of Natural Resources, Poynette, Wisconsin 53955 or phone the Center at 608/635-7311 or 608/635-4498. Apply before May 15.

"This 'town hall' meeting is part of my program to keep in touch with the needs and concerns of the people of the Ninth District. I am holding such forums all over the district so everyone can meet me face-to-face to talk about the issues and what's bothering them. That will enable me to serve them better and reflect their views more accurately as I cast their vote in Washington," Sensenbrenner said.

Sensenbrenner will respond to questions and comments on national issues for the first part of the meeting. The second part of the meeting will be open for persons having problems with federal agencies to meet with Sensenbrenner and his district office staff to seek solutions for them.

Sensenbrenner has invited all area state legislators to participate in the forum by responding to questions and problems related to state government.

Sensenbrenner urged all interested persons to attend the West Bend meeting.

Realtors Attend Graduate Institute

Fran Wajer, a graduate student, and Ray Konstanz, a third year student, both of Schulz Realty Corp., 338-6106, recently returned from the Wisconsin Realtors Institute conducted by the Wisconsin Realtors Association. The Institute was held February 18-24 at the Marc Plaza in Milwaukee, with an attendance of 835 Realtors and real estate brokers from across the state.

The professional training program which is sponsored twice a year by the Wisconsin Realtors Association consists of 30 hours of classroom instruction taught by experienced Realtors and university professors.

Those successfully completing 90 hours of instruction by attending three institutes, and completing 9 hours of examination, earn the nationally recognized designation, Graduate, Realtors Institute (G.R.I.).

Certify Wheat At Signup

The Agricultural Stabilization and Conservation Service (ASCS) is currently conducting signup for the 1979 feed grain and wheat programs. The signup period was lengthened recently from April 16 to April 30.

"This year, farmers should report their wheat at signup and not have to make a separate visit to the county office," Chairman Ira A. Oelhafen said.

The set-aside program offers farmers deficiency and disaster payments for barley, corn and wheat on the participating farm; voluntary diversion payments for corn and price support loans for all eligible crops grown on the farm.

"Farmers considering the program should be aware that the grain reserve has reached its goal and they will need the price protection offered through the set-aside program," the ASCS official said. Producers may also wish to consider using a pre-measurement service before planting to guarantee their acreage.

For more information on pre-measurement and the set-aside program, call or visit the local ASCS office at 2395 W. Washington St., West Bend, 334-4765.

Use Care When Buying Nursery Items by Mail

By Dan A. Wilson
Resource Agent, UW-Extension
West Bend, WI

Most gardeners are completely satisfied with nursery stock they buy by mail. But some are disappointed. Common complaints are that plants are damaged in transit, are smaller than expected and are not Wisconsin-hardy.

Most mail-order nurseries guarantee their stock and will replace purchases that don't satisfy you or refund the money you paid for them.

However, a few mail-order operations are not so concerned about customer satisfaction. Some make misleading claims about their merchandise. Less experienced gardeners, in particular, may have difficulty distinguishing reputable from not-so-reputable advertisers.

One way to avoid mail-order problems altogether is to buy plants from a local nursery. You get to see the plants before you pay for them and you can be sure they'll grow in Wisconsin. Chances are, locally purchased plants will be larger than those you could get by mail because high shipping costs encourage

shippers to send mail stock.

If you're not satisfied with the performance of purchased plants, it's easy to let the seller know if he's nearby. It will be relatively simple to get a replacement or refund.

You should be able to find most standard nursery items locally, but you may want to order rare or new plants by mail. Your local nurseryman can probably recommend a dependable source of items he doesn't stock. You can also ask other gardeners which companies they've had satisfactory dealings with.

In spite of possible problems with mail-order purchases, you shouldn't feel overly apprehensive if you have to buy nursery stock by mail because there's no nursery near you. By carefully reading nursery catalogs and advertisements, you can sometimes find better buys by mail than you could locally. And you can be confident of receiving Wisconsin-hardy plants by or-

dering from nurseries in the northern Midwest.

You can probably judge the reliability of advertisements from where they appear. Ads in "serious" gardening magazines are usually reliable. Those in the comics section or syndicated Sunday supplements of the newspaper may not be.

In general, be skeptical of extravagant claims. Don't expect to find new miracle plants — or plant foods — on the market.

Wherever you buy nursery stock, make sure it is guaranteed and that you understand the conditions of the guarantee.

If you buy nursery stock in response to an ad that turns out to have been misleading, you'll be doing other gardeners a favor by sending a complaint to the Plant Industry Division of the Wisconsin Department of Agriculture, Trade and Consumer Protection, 801 W. Badger Rd., Madison, WI 53713.

Lions Club Paper Drive

SATURDAY, MARCH 17

All paper or cardboard must be on the curb by 9:00 a.m. tied in bundles, packed in boxes or bags. No waxed paper or boxes, please. This drive is conducted every third Saturday of the month.

Money used for local projects.

SENATOR PETRI CAPITOL REPORTS

April Ballot Poses Constitutional Question

Four constitutional questions concerning the office of Governor and Lieutenant Governor will be on the ballot when you go to vote on April 3rd.

These are the issues. Should the Lieutenant Governor assume the Office of the Governor rather than "Acting Governor" when there is a permanent vacancy? Should the Governor have the power to "appoint" a Lieutenant Governor to fill a permanent vacancy? Should the Lieutenant Governor be removed as presiding officer of the State Senate and the members select a presiding officer from among its membership? Should minor language changes be made in that section of the State Constitution regarding length of tenure of certain elected officials?

SUCCESSION

When a permanent vacancy exists in the Governor's office, should the Lieutenant Governor become Governor rather than the "Acting Governor"? You may recall when Governor Patrick Lucey left office to accept the position of Ambassador to Mexico, Lieutenant Governor Martin Schreiber became "Acting Governor." Although Mr. Schreiber performed all the duties of the Governor, he never actually assumed that title under the Constitution. Under the proposed change, when a permanent vacancy exists, the Lieutenant Governor will become the Governor. Should that vacancy be temporary, the Lieutenant Governor would still be the "Acting Governor."

LT. GOVERNOR VACANCY

In recent years, the Lieutenant Governor's office has remained vacant in the event of

death, resignation, or removal from office. Back in 1937, Governor Philip La Follette appointed a Lieutenant Governor, an appointment which was upheld by the State Supreme Court. In our previous administration, Acting Governor Schreiber left the Lieutenant Governor's post unfilled.

The Wisconsin Constitution does not specify how vacancies in the Lieutenant Governor's office should be filled. The ballot questions asks if the Governor should be empowered to appoint a Lieutenant Governor when a permanent vacancy exists. The appointment would be subject to confirmation by both the Senate and the Assembly.

PRESIDING OFFICER

This question has raised considerable discussion in Madison. In 29 of the 50 states, Wisconsin included, the Lieutenant Governor serves as presiding officer of the State Senate. Since the first of this year, Lieutenant Governor Russ Olson has performed this duty. He may vote when there is a tie in the Senate.

MINOR REVISION

The final question would clarify the language of four year terms for state constitutional officers. This is a corrective amendment.

These are the issues that you will find on the April ballot. Each of us will contribute to deciding the outcome.

MPTI Course Is Postponed

Moraine Park Technical Institute has postponed its four week course on "Human Sexuality." The new beginning date is March 21. Classes will meet at 7:00 p.m. at West Bend High School, room E108.

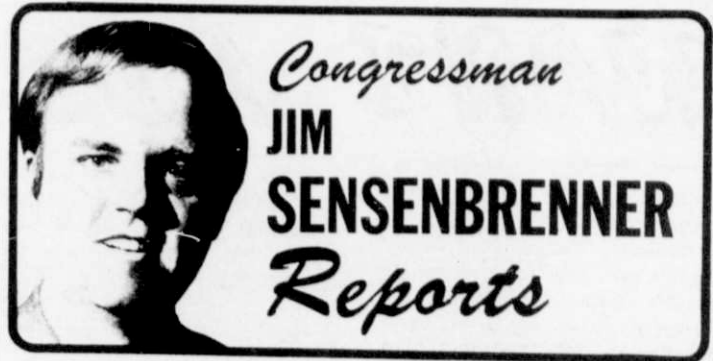

According to instructor Lynn Kagan, participants will focus on the human relationships of sex and on defining their values. They will become more in tune with their inner selves regarding their own sexuality and learn to regard sex as one area of human communications. Students will also find ample opportunity to pursue whatever discussion topics are of particular interest.

Ms. Kagan is currently a community educator for Planned Parenthood in West Bend. Her background includes experience as a caseworker in the Washington County Department of Social Services and the State Department of Health and Social Services. She received a degree in Social Welfare from the University of Wisconsin.

Interested students should register in person at MPTI, 2151 N. Main Street, West Bend. Tuition is \$3.80, payable in advance. All registrations are accepted on a first-come, first-served basis.

Notice:

Forms are available at The Statesman for wedding announcements. There is no charge for wedding or engagement announcements or pictures. Black and white photographs will reproduce better than color photos.

For a combination of reasons we are beginning to have shortages of gasoline, a problem which will worsen considerably in the next few months. Our foreign oil supply has been reduced, mostly because of the troubles in Iran that led to a complete halt in that country's oil production, and our reserves are dwindling. But the only Carter Administration response to the problem has been to propose a system of gas rationing. I oppose that plan for several reasons.

The President's gas rationing plan is very discriminatory, as it would allocate gas on a per licensed driver basis regardless of need or circumstance. For example, residents of the Ninth District who commute daily to work in Milwaukee would get the same minimal amount as those who do not. So all commuters would be unfairly punished because they happen to live in one place and work in another.

This situation would be doubly intolerable because many persons in the Ninth District have little or no access to mass transit alternatives to cars, such as buses or trains.

The plan does make some allowances for the permanently handicapped, but not for those

needing automobile transportation to obtain regular, and often critical medical treatments. Unfortunately it also discriminates against the poor, who are often limited to older, less gas efficient cars.

Gas rationing is only a Band-Aid approach to a cancerous problem. A shortage of gas is only a symptom of the whole complex energy supply problem, which should be addressed with a balanced approach — eliminating dependence on foreign supplies by expanding domestic production, conserving available supplies, curbing rates of consumption, and developing alternative sources of usable energy.

Rationing does not meet any of these goals — it merely shifts available supplies of one form of energy around in ways which often unfairly create severe hardships. On top of this, rationing would require a new federal bureaucracy to run itself. Setting up a permanent agency to deal with short-term symptoms is not good government.

I hope the President reconsiders his short-sighted plan and proposes instead a balanced program designed to solve the whole energy problem.

A NOTE OF THANKS

I wish to thank all my relatives, neighbors and friends for remembering me in their prayers, their visits, gifts, phone calls, before and after surgery. Thanks also to Doctors C. and A. Sison and F. Castro, to the distributors of Holy Communion, the nurses and aides on the third floor of St. Joseph's Hospital, to my niece, Mary Kraus, a nurse on the second floor, for her visits and gift. A word of appreciation to my roommate, Debbie Flynn, for her assistance, and to all who assisted in any way in my well being. Many thanks and God Bless you.

Helen Felix

THANK YOU

I am deeply grateful to all my relatives and friends for the cards, gifts, flowers, visits and phone calls I received while I was a patient at St. Joseph's Hospital and convalescing at home. These many acts of kindness are sincerely appreciated and will always be treasured. Again "thank you" to all.

Debbie Flynn

**Senator Nelson Announces \$11.1 Million
Grant for Summer Jobs for Youths**

Sen. Gaylord Nelson (D-Wis.) announced on March 2, that Wisconsin will receive \$11.1 million for the 1979 Summer Youth Employment Program (SYEP).

The SYEP provides job opportunities for both in-school and out-of-school youth from poor families.

In making the announcement, Nelson said:

"The Summer Youth Employment Program is vital if we are to solve the problem of rampant unemployment among our youth. Not only will the program provide opportunities for needy young people in Wisconsin, it should enhance the prospects for future employment in the private sector and the career goals of the youth who participate."

"Unemployment among 16- to 21-year-olds in Wisconsin is estimated to be 2 and ½ times that of the adult population, and is particularly heavy among poor families. It is imperative that these young people have opportunities to work and contribute to American society."

SYEP is authorized under title IV of the Comprehensive Employment and Training Act (CETA). Jobs under the program are usually part-time with governmental units, school systems, and non-profit community-based organizations. Past summer programs have included job opportunities in neighborhood clean-up projects, services to the elderly, and a variety of activities in hospitals. Typical positions include day care assistants, laborers, clerical aides, and recreational su-

pervisors.

The \$11.1 million summer allocation for Wisconsin will be administered by area as follows:

Outagamie County, \$240,166; Rock County, \$367,181; Milwaukee County, \$2,780,264; Madison/Dane County \$596,868; WOW Consortium (Waukesha, Ozaukee, Washington) \$612,088; Winnebago-Fond du Lac Counties, \$365,853; Trico Cetac (Racine, Kenosha, Walworth Counties), \$838,121; Wisconsin Northwest CEP \$643,099; Marathon County \$267,588; Balance of Wisconsin, \$4,411,376.

Nelson is chairman of the Senate Human Resources Subcommittee on Employment, Poverty, and Migratory Labor, which has authorizing jurisdiction over the CETA program.

The first umbrella in the U.S. is believed to have been used in Windsor Conn. in 1740. It produced a riot of merriment and derision.

**AUCTION
ATTENTION
FARMERS**

The first annual spring farm machinery consignment auction will be held on March 24, 1979 starting at 11:00 a.m. in the parking lot of the new Paul Auction Co. facilities located 1½ miles north of Kewaskum on County Hwy. "S."

The organizer of this sale is a young farmer from the St. Michaels area, GARY THULL. Gary is a recent graduate of Reppert School of Auctioneering and already has a good assortment of items consigned for this sale.

If you have machinery or farm related items no longer of use in your operation turn those idle pieces into cash on Saturday, March 24th.

Loading and holding facilities will be on the premises.

Please contact Gary Thull at 334-3902 by March 12th so your consignments will receive proper advertising coverage.

**Sensenbrenner
Meets With
County Board**

BROOKFIELD — Congressman Jim Sensenbrenner met with members of the Washington County Board of Supervisors on Friday, March 2. Sensenbrenner and the supervisors participated in a dutch-treat luncheon at 11:45 a.m. at Block's Golden Knight Restaurant, west of West Bend on Highway 33.

"When I was elected to the U.S. House of Representatives I made a commitment to keep in touch with the interests and

concerns of my constituents. As part of that commitment I am using this informal gathering as an opportunity to get acquainted and exchange ideas on Washington County's needs with the board members." Sensenbrenner commented.

George Nehrbass, Washington County Clerk, co-ordinated the West Bend luncheon.

SPORTS

Yvonne Schacht Selected to Scenic All-Conference Team

The Hartland Arrowhead girls basketball team, which breezed to the Scenic Moraine title with a perfect 14-0 record, also did well in the all-conference balloting at Slinger last week.

Hartland had two girls (both of them only juniors) named to the first team and one to the second unit. The top five scorers in the conference all were named to the first team.

First team selections included Hartland's Linda Aumann, who was tops in scoring with 218 points, a 15.6 average; Lisa Hansen, Pewaukee, 215 points, and 15.4 average; Lisa Moon, 207 points, and 14.8 average, who was the only unanimous selection; Yvonne Schacht, Kewaskum, 193 points, and 14.8 average, although she missed one game; and Kris Kuells,

Germantown, 168 points, and 12.0 average.

Moon was a repeater from last year. The Hartland girls, coached by Pete Von Allmen, have 50 straight wins in three seasons.

Kewaskum's Schacht, who moved up from last year's second team, had been on the varsity three seasons. As a sophomore, she played with the team that made it to Madison for the Class B state tournament. Coach Mike Theiler calls her the best shooter he's seen since he's been here. Schacht hit on 46% from the floor and on free throw attempts she was tops, hitting 62%.

Kewaskum's senior center, Karen Wagner, received honorable mention. Theiler said she was the most improved girl in his program, who shot 45%.

Boys and Girls Basketball Camp At West Bend

A boys' and girls' basketball camp will be held at the West Bend High School Fieldhouse from June 25 thru June 29. Two sessions are scheduled. The morning session will be from 9:00 a.m. to noon for boys and girls grades seven to nine. The afternoon sessions will be from 2:00 to 5:00 p.m. for boys and girls grades ten thru twelve.

Dave Buss, who is the very successful coach at University of Wisconsin, Green Bay, will conduct the Basketball Camp. A \$50 fee will be charged. Each session is limited to 100 students.

Anyone interested in attending the county-wide camp can receive an application blank from Jim Westphal at Kewaskum High School.

Late Mailing of Renewal Notices for Boat Registrations

Renewal notices for expired boat registrations will be mailed out late this year because of problems relating to the paper shortage, according to Department of Natural Resources' licensing officials.

Richard Royston, Supervisor of Boating and Snowmobile Registrations, said that the renewal notices for 64,000 boat registrations, which expire on March 31, will be mailed out the last week in March.

He said the department was sorry for any inconvenience the late mailing might cause and he asked the cooperation of boat owners in returning their registration promptly after receiving their renewal notice. The fee for a three-year period is \$4.50.

Kettle Riders Instructors Receive Service Awards

New Fane Kettle Riders Instructors Glen and Gerry Mueller received pins honoring their continued service in the Wisconsin Snowmobile Safety program. The service pins are awarded by the Department of Natural Resources to instructors who have certified 100 or more students in the safety program.

Members of the club attended the District 1 meeting of the Association of Wisconsin Snowmobile Clubs, which was held in Horicon, Saturday, March 10. The club was represented by Martin and Eleanor Haack, Glen and Gerry Mueller, George and Judy Lendved and Dennis and Maggie Seideman. George was re-elected AWSC Director for Sheboygan County.

Lakes Team Defeats Hartford To Cop 'B' Division Title

Kewaskum's Land o' Lakes League team clinched the championship in the "B" Division by defeating Hartford in the final game here Saturday night, 93-85. Menomonee Falls Badgers took the "A" Division title with a 148-123 win over last place Oconomowoc.

Second place Hartford still has two makeup games but even if the contests were played and won they could not catch Kewaskum. Kewaskum ended up with an 8-5 record and Hartford is 5-6 to date.

Kewaskum claimed the title for the third time in the last four seasons. Their 8-5 mark was the best finish for a Kewaskum team in close to 20 years.

Kewaskum beat Hartford with three top scorers, Ken Loest, Tom Zoch and Bill Nehls, still missing from the lineup but added a couple of newcomers to take their places.

Leon Laatsch led Kewaskum with 28 points, while Tom Edwards chipped in with 18 coming off the bench, Jack Kern 16 and Dennis Pieper 14. Henry Klink paced the losers

with 24 points. Kewaskum trailed at the half, 56-49.

In other Lakes finales, Port Washington won its second game of the season over Slinger, 124-109, Cedarburg slipped by Thiensville-Mequon, 112-107, and West Bend forfeited their game with the Menomonee Falls Stingers. Therefore the Stingers finished second in the "A" Division with an 11-2 mark.

Temptation bothers some folks most when they can't find any.

Tessar Receives Mention on WCC All-Conference Team

The University of Wisconsin, Washington County basketball team added some individual awards to a successful team season that brought the school its first ever Wisconsin Collegiate division championship. The Wildcats tied for the Eastern Division crown with UW-Fond du Lac and UW-Sheboygan, all with 8-2 conference marks. The Wildcats were 11-8 overall.

John Kluever, 6-6 sophomore center from West Bend East, who had the team leading statistics, was voted to the Wisconsin Junior College Athletic Association second team and the Wisconsin Collegiate Conference first team. Dave Hauser, 5-11 soph guard from West Bend East, was named to the WCC second team. Steve Ackley, 6-4 soph forward from West Bend West, and Mark Tessar, 6-0 freshman forward from Kewaskum, were honorable mention choices to the all-conference team. Tessar averaged 12.6 points per game.

UWWC coach Jerry Meulemans was selected WCC Eastern Division coach of the year for the second straight year, sharing the award with Jack Snyder of UW-Sheboygan.

All UWWC athletes will be recognized at the athletic banquet this spring.

If the safety pin had been invented this year, instead of years ago, it would have six moving parts, two transistors and require a service man twice a week.

For Wonderful Springtime Comfort, The Year Around

NOW - INTERTHERM Electric HOT WATER HEAT AND AIR CONDITIONING WITHOUT PLUMBING

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST— Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST— Place your flimsiest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL— You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.
