Cougar Visits Tot Time

Tot Time at Peace United Church of Christ had a unique visitor on Tuesday afternoon, May 8. A real, live cougar, from Cougar's Unlimited, an educational company of Arlington, Texas, presented a program on

the cougar's life styles and environment.

Joe Carini of Lincoln-Mercury, Waukesha, has sponsored the program in the Milwaukee area for the last two years.

Needless to say, the tots were

spellbound with the live cougar.

Any other interested group who would like to have the program presented to their club or school can make arrangements by calling 547-0031.

The usual cause of swollen ankles is excess body fluid which seeps out into the loose spaces beneath the skin. It can also occur to the hands and face. Your body can hold onto water only by retaining salt. Reduce the use of salt in cooking or flavoring, and you will likely reduce water retention and the swelling it causes. Obesity can be caused by water retention due to excessive salt consumption.

Goodbye, Idle Money.

Hello, **MOBILE MONEY™**

Now there's a way you can earn 5% interest on all your money and get free checking, too. It's our new Mobile Money™ plan, a savings/checking program that makes your dollars work harder for you.

Here's how. You make all deposits into a statement savings account where your money begins earning 5% Instant Interest right away. You keep a zero balance in any Valley checking account, and continue to write checks as usual. As your checks clear, we automatically transfer that exact amount from savings to checking.

There's no charge for checks you write each month — provided you maintain a \$2,000 balance in savings. If your Mobile Money™ savings balance drops below \$2,000, there is a monthly fee of \$4.00.

You get our exclusive Scoresheet Statement® showing all savings deposits, interest earned, checks cleared, and ending balances as well as all other deposit and loan activity you have with Valley Bank.

To earn 5% Instant Interest on the money you'd usually keep in checking, and get free travelers checks too, move your money to Valley Bank. Call us at 626-2171 for more information on the Mobile Money™ program. Valley

The Panama Canal — in the News Again

One of the thorniest issues of the last session of Congress was the Senate's ratification of the treaties negotiated by the U.S. with Panama. Those provided for the phased withdrawal of American personnel in and authority over the Panama Canal, a vital world trade link between the Atlantic and Pacific Oceans.

Soon the House of Representatives will debate the legislation needed to fully implement those treaties. However, it appears that even though the treaties themselves cannot be rescinded now that they have been ratified, the implementing measure may face an uphill fight with an uncertain outcome. The first test on the bill was the vote to schedule it for debate, which barely passed on a 200-198 vote.

The basic controversy focuses on the issue of compensation of the U.S. to Panama from now until 1999, when Panama takes complete control of the canal. The measure we will consider provides an estimated \$50-75 million per year to Panama, from tolls collected from ships using the canal. It also commits the U.S. to spend an estimated \$4 billion in the next twenty years to compensate for lost property and other transitional costs.

Frankly, I believe giving the Panama Canal away was a serious mistake for U.S. foreign policy and national defense in the future. Those treaties cannot be undone, but I don't believe we should compound the error by committing the U.S. to shelling out \$4 billion in taxpayer dollars on top of it. Nor

is there any sense in handing over \$50 million or more a year in canal revenues just to perpetuate the military dictatorship in Panama. I think the pending treaty-implementing legislation should be killed, and a new approach that doesn't punish the American taxpayer should be sought instead.

Seven File For Petri's Senate Seat

Seven candidates, four Republicans and three Democrats, filed nomination papers by last Tuesday's deadline for the special election in the 2nd State Senate District.

The post is vacant because of the election of former Sen. Tom Petri to Congress April 3. A primary election will be held June 12, and the special election will be July 10.

The Democratic candidates are Rep. Gervase Hephner of Chilton, a member of the Assembly since 1966, Brown County Register of Deeds Gary De Byl and De Pere Alderman Richard Switzer.

The Republican candidates are Joseph Rice of Allouez, Michael Lotto of Greenleaf, Donald Hanaway, a former mayor of De Pere, and Don Steege, Route 4, Chilton.

Two Wayne School Monopoly Winners Advance to Regional

Thirty-two Wayne School students competed in a six-hour battle on Saturday, May 19, to determine the top two "real estate tycoons." It was an official Monopoly Tournament, and winners were fourth grader Philip Ciha and sixth grader

Richie Lloyd.

Principal Dennis Reha presented the Championship Monopoly Certificate to Philip, nine-year-old son of Al and Claire Ciha, Route 1, Mullen Drive, Allenton, and the Runner-Up Certificate to Richie, twelve-year-old son of Mr. and Mrs. Thomas Lloyd, Highway W, Campbellsport.

These awards entitle the boys to compete in the U.S. Regional Monopoly Tournament in Chi-

cago on Saturday, September 8. Each winner also received eight dollars to meet expenses of that trip.

The Veterans Administration will spend 3.8 percent of the total federal government budget in fiscal year 1980 for veterans benefits and programs.

NEW SIGN — Another visual in Area Moraine Realty's graphic campaign to harmonize with our area's scenic surroundings is this new home office sign. According to Judi Mittelstadt, president of the Campbellspoint firm, they wanted to erase the crass commercialism of the typical roadside office sign that tends to offend the ecology

minded. This 4 x 6 foot redwood creation was designed after State, Federal and County Park signs. Each letter is hand routed in intaglio fashion and painted for pleasing optical reflection. Area Moraine stated that they have received many complimentary calls and hope that everyone will be as pleased when they pass by.

Indians Qualify Girls For State in 4 Events

The Kewaskum girls track team had a number of qualifiers in the Class "B" Regional at Chilton last Tuesday who advanced to the Sectional at Lake Mills Friday. Qualifiers in the Sectional advance to the State Meet at Madison this weekend, June 1 and 2.

In the Lake Mills Sectional, Kewaskum's sophomore Barb Wilson qualified for state in two individual events, the mile run and 880 yard run. Freshman Jill Yearling qualified in the high jump, as did the mile relay team of Diane Bremser, Barb Wilson, Carrie Dreher and Julann Zemlicka.

In the Regional, Sheboygan Falls swept both the boys and girls sections. The Kewaskum girls tied for second with Chilton, both with 88 points. The Indian boys placed 5th with 44.

The Indian girls had a fine day at Chilton, qualifying individuals in seven events and two relays.

Wilson was a double winner in the 880 and mile with two of her top times of the year. Her 880 time was 2:22.5, a Chilton track record. Wilson also turned in a strong leg in the mile relay, in which her quartet took a first.

Katie Lightner got two seconds in the 110 hurdles and 100 yard dash. Lightner, also a soph, was barely beaten in both events. Lightner also qualified in the 880 relay, which took second. Lisa and Pam Kempf and Julann Zemlicka made up the relay with Zemlicka turning in the best split.

Zemlicka came back with a second in the 440, qualifying her for the Sectional. She added a third event as the anchor runner on the mile relay unit, with Bremser, Wilson and Dreher, with their best time of the year, a 4:12.6.

Lisa Kempf got a second in the open 220 and Yearling got a second in the high jump.

For the boys, Mike Pettit had qualified for the finals of the 100 but was automatically disqualified for shooting out of the blocks too soon. Joel Herriges went 19-5 1/2 for a second in the long jump and automatic advancement. Mike Schaub just missed in the 330 lows.

In the Lake Mills Sectional, the next step to the state, Kewaskum ace Wilson had another outstanding day, winning the 880 in 2:22.2. Defending champ in the Class B mile, she took fourth in that event but her time of 5:22.9 also beat the cutoff and she qualified for state in this event also.

Wilson also played an exciting role in the close mile relay race. Kewaskum, the defending state champs, won in a near photo finish over Slinger. The runners had to wait several minutes before finding out their placings. Kewaskum's 4:05.4 is unofficially a new school record and their best time this year of seven seconds. Besides Wilson, the team was made up of Bremser, Dreher and Zemlicka.

Kewaskum's other qualifier for state was Yearling in the high jump with a 5-1.

As a team, Kewaskum placed third in the Sectional with 42 points.

None of the area boys qualified for state.

Indians Win Opener

West Bend East and West Join Scenic Conference in Baseball

The Scenic Moraine will have two new teams in its summer baseball conference this year. West Bend East and West of the Little Ten have joined the league for baseball. Conference openers will be played next week.

Kewaskum coach Mike Theiler is looking forward to have the East Suns and West Spartans in the league. The travel distance is short and the competition tough from both teams, who normally have much pitching depth.

Coach Theiler says how far the Indians go depends on their pitching, which will be a question mark. Last year's three pitchers, Mark Tessar, Al Jaeger and reserve Jeff Limberg have all graduated, leaving senior Scott Reif and soph Steve Muench to take over.

Theiler has two veteran infielders in Henry Schilter and Mike Pettit and Muench plays third base when he isn't pitching. He also has an experienced catcher back in John Bemis,

who hit .302 and was honorable mention all-conference. Other returnees include Dean (utility), Gene Pufahl (outfield), Joel Herriges (first base) and Russ Krautkramer (designated hitter and outfield).

Other prospects are Steve Yahr, first base; Scott Muench, catcher; Scott Brendemihl, outfield; Brian Dreher, outfield; Bob Cotter, third base, and Randy Heberer, infield.

The Indians opened their season with a non-conference win over Random Lake here last Wednesday, 8-7.

Kewaskum had to come from a four-run deficit to win the loosely played contest, in which six errors were committed by each team. With star pitcher Wayne Rassel working the first three innings for the Rams, all the Indians got was goose eggs. Rassel struck out eight before leaving with a 4-0 lead.

The Indians came back with two runs in the 4th and 5th innings to tie it up. Freshman Dave Donath tripled home Heberer for one of the runs.

Kewaskum came from behind again in the last of the seventh with two runs to tie the score once more at 7-7. Reif, who relieved Muench, got the Rams out in the eighth without a run. Then Pufahl walked, moved to second on a sacrifice bunt, took third on an error and scored on a wild pitch for the Indian victory.

Reif picked up the win, while Palmer, who relieved Rassel, was the loser. Donath and Bemis each got two RBI's.

Kewaskum played Random Lake again Tuesday night on the Rams' field. Details next week.

Lakes Team Loses to Cedarburg, West Bend

Kewaskum's Land o' Lakes League baseball team lost two games over the Memorial Day weekend, to Cedarburg, 10-1, and West Bend, 7-2.

Cedarburg scored in five of the nine innings, while Kewaskum was held scoreless until the bottom of the ninth when they scored their lone run. Maronde was the winning pitcher while Koth was the loser.

In their loss to West Bend, Jazak allowed Kewaskum eight hits, struck out four and gave up only one walk.

A triple by Bill Gonwa in the top of the first, a single by Jeff Nonhof and triple by Jeff Pfeifer produced three runs in the first for West Bend. Steve Sachse drove in Gonwa (who had singled and stole 2nd) for another run in the second. In the third, a double by Pfeifer, a walk and single by Dave Fellenz enhanced West Bend's lead to 6-2. Pfeifer led off the 7th with a triple and scored on a Tom Kuehn single to bring the Lithias' total to 7.

Kewaskum scored one in the 2nd on a single by Clem Jazak, an error and two ground balls. Their other run came in the 3rd on singles by Mike Koepke and Tom Bartelt.

Kewaskum also has lost two games in the Tri-County Nite League.

Area Racing News

By Ken Knoll

Thursday night the drivers were back at Wisconsin International Raceway in Kaukauna. Tony Strupp of West Bend seems to have gotten rid of some of the problems he had earlier in the year as he was 4th in time, won the fast dash and then placed 2nd in the 20 lap feature. Willie Goeden of St. Michaels was 6th in time, 5th in the fast dash and then placed 3rd in the feature.

Sunday afternoon Goeden raced in the Artgo Doubleheader at Capital Speedway in Oregon, Wisconsin. He made the feature by finishing 2nd in one of the 15 lap qualifying races. He then placed 21st in the 1st 50 lap feature dropping out on lap 26. Willie was 14th in the 2nd 50 lap feature.

Sunday night the racing shifted back to Wayne Erickson's Slinger Super Speedway. Before one of the largest crowds ever seen at the racetrack, Tony Strupp put together another good job of driving. He was the fast qualifier, placed 3rd in the fast dash, and then, after taking the lead on lap 24 he went on to win the special 50 lap feature. Willie Goeden also had a good night by turning 6th time, winning his heat, and placing 4th in the feature.
