New Position Created

Village Administrator To Be Hired by Board

By DAN MEILAHN
Statesman Staff Writer

In a very efficient and speedy special meeting on Friday, June 22, the Kewaskum Village Board approved five agenda items including authorization to advertise for the position of Village Administrator and the transfer of up to \$7,800 from the Village Contingency Fund to the General Fund.

Village President, Bob Daniels, had proposed through a written statement that a Village Administrator position be created. This person would provide a necessary information through written reports about certain projects to help the board make more intelligent and informed decisions. More specifically, his duties may include assisting with paperwork to apply for the funding on the new park and researching the need for, the feasibility of, and funding through Grants-in-Aid of possible future village projects. Some of these may be another water tower, a Comprehensive Community Services Study to determine adequacy of various village departments and

services, an industrial park, an elderly housing project, and a municipal court.

Another function of the administrator would be editing a bi-monthly Village Newsletter to inform citizens of various village services. For example, this publication might explain the procedures for getting a building permit, dates of garbage pickup, and explanations of current proposals before the board, etc. The Village Administrator would also provide, review, and compile village water and sewer maps to assist the Plan Commission, Supt. of Public Works, and Supt. of Wastewater Treatment. He or she may also do some elementary engineering field work as setting grades and "measuring unmapped areas." This individual could act as a springboard to the rest of the community's service organizations for service type projects as home-to-home mail delivery.

Most of the board cast an "aye" roll call vote to authorize advertising for the position, except for Dan Schmidt who voted "present" and neither

Swimming Pond and Beach In New Park to Open Saturday

By DAN MEILAHN
Statesman Staff Writer

The new swimming pond and beach in the new park at Kewaskum is scheduled to open at 10 a.m. Saturday, June 30. At that time, lifeguards and bath house attendants will be present to guide swimmers through the new system. All swimmers must enter the beach area through the bath house and have a patch indicating a season pass or pay at the daily rate. Swimmers' clothes and personal items will be checked by attendants and a tag will be necessary to retrieve the checked items. Showers are a must prior to, and after swimming.

At the park opening ceremony, Senior Guard, Andrea Wagner, introduced the lifeguard staff and invited the public to enjoy the new facility while assuring them that their safety would be a prime consideration. Besides Miss Wagner, age 19, a Marketing major at UW-La Crosse, three other head guards will be working at the beach. These include Cathy Johnson, age 22, a Physical Education and Health major at UW-La Crosse, Carol Phillips, age 19, a previous model, dance instructor, and bank employee, and Dan Meilahn, age 7, and a

guard for many years at the former facility. Other local guards which have just completed a lifesaving course will be Jeff Decker, Troy Ellis, Randy Gust, Sue Harlow, and Deb Schlice. All guards are qualified and will also have a first aid course. Several guards are also certified in Basic Life Support (CPR).

Andrea Wagner and Cathy Johnson are certified Water Safety Instructors and will be conducting lessons as of Monday, July 2. Registration for this is being held through Friday, June 29, from 10 a.m. to 3 p.m. at the Municipal Building. If parents or children are absolutely unable to register at that time, they may do so on the first day of lessons. Final placement of children will be based on parents suggestions and possibly some testing in the water.

Classes offered will include: Novice - for those non-swimmers who need to overcome fear of the water and hold their breath. Water games will be featured.

Beginners - for those who can hold their breath and are not overly afraid of the water. This group may be further subdivided.

Advanced Beginners - for further instruction in strokes as

Fireworks In Village Park July 3

The customary Fourth of July fireworks display of color and light will be held in the village park Tuesday evening, July 3. This yearly event is sponsored by the Village of Kewaskum under the supervision of the fire department.

The dazzling fireworks will be set off at dusk from the west side of the river.

Spectators on the park hill will have the best view of the electrifying fireworks ground displays and the thunderous aerial bursts and sprays.

The park will be open at 6:00 p.m. and game and refreshment stands will be in operation. Hamburgers, hot dogs, popcorn, beer and soda will be sold. Live music featuring The Mountaineers will be held on the park bandstand beginning at 7:30 p.m.

All residents of Kewaskum and the surrounding communities are invited to add a little "spark" to their holiday celebration by attending this year's fireworks spectacular. Come early and enjoy the whole evening.

In the event of rain, the fireworks will be held on Wednesday, July 4.

ANNOUNCE HOURS FOR HISTORICAL MUSEUM

The Kewaskum Historical Museum will be open for tours this Sunday, July 1, from 1:00 to 4:00. Other times to visit the museum this month will be Sunday, July 8, Sunday, July 22 and Sunday, July 29.

BICYCLE LICENSES CAN BE PICKED UP

Anyone who has registered and paid for a bike license can pick up their license at the Municipal Building between the hours of 5:00 and 9:00 p.m. Monday thru Friday.

School Board Approves \$4.2 Million Budget

By DAN MEILAHN
Statesman Staff Writer

On Monday, June 25, the Kewaskum School Board approved the proposed \$4.2 million 1979-80 budget for presentation to the annual meeting with some cuts of \$21,000, as well as with some hesitation as to the levy increase of over \$200,000. The board also approved direct bussing from Farmington School to Beechwood School for some kindergartners. Provisions for next year's oil supply were made and three teacher transfers were accepted along with one resignation.

Discussion of the budget was confusing as Superintendent Brenholt once again tried to explain the levy increase which may be about 10.7% - 11%. As before, this is primarily due to two factors: 1) About \$26,000 was used from the 1977-78 budget to pay 1978-79 bills, making it appear as if the last school year was financially bet-

ter than the upcoming year. 2) The increase in general state aids may be only \$130,000 as compared to \$182,000 in 1978-79. A possible additional \$38,000 may increase state aid to \$168,398 next year, making the picture somewhat brighter.

Brenholt attempted to explain how a certain amount of cash and back taxes is usually carried over from year to year even though expenditures roughly equal revenue. This amount fluctuates due to state aids and the general situation from year to year. In the end, one "good" year may have to be balanced by a "bad" year which the board seemed to feel the 1979-80 budget represented.

Brenholt commented that no one can adequately explain the budget unless they deal with it on a day to day basis. He will be further explaining the budget in more detail in the Kewaskum Schools' Newsletter which will be received in the mail early next week. You are

9 Bands, Drum Corps in Parade

Firemen-Legion Picnic July 7-8

The annual Kewaskum Firemen-Legion fund-raising picnic will be held in the village park on Saturday evening and Sunday, July 7 and 8.

Saturday night there will be women's water fights at 6:30 p.m. In the beer garden (a new permanent shelter) Rock and Roll music will be supplied by Danny and the Sunliners from 7 to 11 p.m. All of the rides, refreshment and food stands will be in operation.

A highlight of the picnic will be another excellent parade at 12:00 noon sharp which will start off the festivities on Sunday. The parade again will be

Other units will include beautiful floats, baton twirlers, majorettes, children's specialties, visiting firemen and equipment, Legionnaires, comic entries, orchestras, ancient cars, riding horses, clubs, organizations and more.

The parade will form on the high school campus and adjacent streets, from where it will proceed to the park. All participants should be present to line up no later than 11:30 a.m. Persons wishing to enter the parade should contact Bob Staehler, parade chairman. Theme for this year's parade will be "To Each His Own." Businessmen, industries and organizations are urged to enter a float. Prizes will be awarded for the best floats and kiddies' specialties (groups).

Immediately following the parade there will be exhibitions by drum and bugle corps in the park. There will be continuous music throughout the afternoon and evening. In the beer garden, music will be by Syl Groeschel's Orchestra from 2 to 6 p.m. and Wisconsin's Kings of Country Rock, featuring Ida Red, from 7:30 to 11:30 p.m.

Men's water fights will again be held at 6:30 p.m. Sunday with neighboring fire departments competing.

Advance tickets are on sale for \$800 in cash prizes and 97 valuable merchandise prizes. Tickets may be purchased for \$1.00 from firemen and Legion members as well as at some area establishments.

See Kewaskum on July 8 and 9.

Picnic Notice

Due to the high cost of our annual parade, we are looking for businesses, clubs or individuals to sponsor or co-sponsor bands or marching units in the parade. Anyone wishing to do so may call 626-4696 for more information.

led by the Milwaukee Civic Riders Motorcycle Club and will feature nine or more bands, and drum and bugle corps as well as drill teams. These include the Kewaskum High School Band, Old Mapleton Circus Band, Hartford Civic Band, Wisconsin Riflemen Marching Unit, Madison Jr. Scouts Drum and Bugle Corps, Marquis Drum and Bugle Corps, West Bend Patriots Drum and Bugle Corps, Janesville Fife and Drum Corps, and Wisconsin Lutheran Cadet Band.

School Budget

(Continued from Page 1)

directed to that article. It was also stated by Brenholt that the 10.7% increase does not mean an individual's taxes increase 10.7% but rather the amount of the total levy increases at that rate. New homes in the area help offset any increase of any property owner's taxes.

\$11,400 for a fence around the new track was cut from the budget. Also eliminated was \$5,600 for a station wagon and \$4,000 for a storage shed. The \$16,250 for lockers at the middle school presently remains in the budget. With the above cuts, the budget was approved for presentation to the annual meeting on July 23, and for publication in the newspapers.

Board member Charles Ogi "volunteered" to go over the budget again and come up with suggestions for more cuts. He did this provided a committee be created to check into personnel for next year. Ogi was concerned that any excess of personnel should be examined before any programs be cut.

The budget is still subject to change prior to the annual meeting and may be further cut at that meeting. After that, the budget does not have to be finalized until October.

In other action, the board approved a direct route on Forest View Drive for those 10-12 kindergarten students who will be bussed from the Farmington area to the Beechwood School. Brenholt said "we'd be doing them a bigger service," in this manner rather than running a separate shuttle bus from Farmington to Beechwood. The children would not remain on the bus as long and only one trip would be required.

Lester Strobel, representing the Strobel Oil Company, was present to clarify the gas and oil situation to help the board determine if bids would be required. Strobel explained it would be difficult for any oil company to make accurate bids, because the gas supply and allocations are uncertain. Bob Borch explained that the state does not require a district to take bids on gas or oil. Brenholt added that in previous years no firm prices have been given as bids, but rather a posted price for that particular company plus a certain amount above that was

given. The board did agree to not take bids and go with Strobel for 1979-80, because he already had the allocation.

The transfers of several Title I language and reading teachers to regular teaching positions were approved. Mrs. Kathleen West, who had been a reading teacher at Farmington will be teaching English at the Middle School. Mrs. Karen Larson, who was teaching reading at Kewaskum Elementary will be teaching 4th grade at Farmington. A motion was passed to allow Barbara Harju to transfer from a half-time Title I position at Wayne to the full-time Title I position at Kewaskum Elementary, replacing Mrs. Larson. Board member Charles Ogi wanted to know if the Title I positions would be self-eliminating, but Brenholt said there would always be those students who need remedial reading although the number of students would be reduced. A resignation from Neil Denniston, a Phy Ed teacher at the high school, was unanimously accepted by the board without any discussion.

An issue of disposing of financial records, primarily vouchers, over seven years old was tabled by the board. Borch explained that the state requires records to be kept for seven years, but there was a state recommendation that purchase orders and invoices be kept only three years. Financial records and student records may all eventually be microfilmed to save space. An alternative to microfilming would be tossing out one year's records as they become eight years old. However, Borch remarked that it would be cheaper to microfilm than to refile everything by year. Board members Byron Gessner and Jerry Secor were also concerned about getting a cost estimate on microfilming before the records are "chucked." Borch said he would check into this, but did specify that film would cost around \$400 and the necessary microfilm printer-reader would cost \$3600.

The policy on special education as a curriculum extension was approved. This requires that the Kewaskum District shall be in compliance with federal and state laws mandating free, public education to handicapped children in the least restrictive environment.

June Berg was in the audi-

ence to express an interest in having more open executive sessions. She realized that most problems discussed in closed sessions are personnel concerns or personal matters, but felt some sessions as teacher negotiations could be opened up. The board responded that only personnel questions that could possibly "embarrass" people, if presented publicly, were taken up in closed sessions. Jim Oelhafen said that he didn't know of anything discussed in executive session that was appropriate for open sessions. It was also noted by the board that when negotiations were made open at one time, it seemed to interfere, and that very few people attended anyway.

Vouchers and payroll was approved in the amount of \$120,380.52. The board approved the purchase of a weed-eater for \$299.95 from H. Laubenstein and Son, Inc., a 72 inch rotary lawn motor for thick weeds for \$1,242 from Kohn Bros. Farm Service, Inc., and 30 desks for the health classroom, requiring bids up to a maximum of \$1,260.

Village Board

(Continued from Page 1)

accepted, rejected, nor abstained from the motion. As to the need for the position, Village Commissioner Bill Martin did comment after the meeting that he and his secretary, Geraldine Burckhardt, had all the work they could handle just dealing with major village business. Smaller items and details which should be dealt with may get overlooked due to the heavy workload. Martin noted how the village population had increased from 1100 in 1951 when he began as clerk to the present 2500, and this has been responsible for increased duties. A Village Administrator would greatly assist the Commissioner's Office.

On another roll call vote, the board unanimously authorized the transfer of up to \$7,800 from the \$51,000 presently in the Contingency Fund to the General Fund for the purpose of meeting salaries for the Commissioner's Office.

The board officially acknow-

ledged and accepted an escrow agreement between Hon-E-Kor Estates Developers, Hon-E-Kor Estates Property Owners, and the Village of Kewaskum whereby \$19,600 is presently in an account at the West Bend Marine Bank for the purpose of blacktopping 2 cul-de-sacs in Hon-E-Kor Estates. Payne and Dolan will be doing this when the village has its blacktopping done in July or August.

Along with this, a building permit application by Ron Weis for the construction of a single family home in Hon-E-Kor Estates was approved. Zoning Administrator Richard Zarling and Building Inspector Hank Becker had seen the maps and given preliminary approval.

The board authorized the purchase of a transit and tripod for use by the Sewage and Public Works Departments. This instrument will be purchased from Minz Supply at a cost of \$259 with the village paying half and the Sewage Utility paying half.

This unusual meeting lasted only four minutes and 40 seconds. It was so brief and to the point that not even the reporter for the Guinness Book of World Records could make it on time. Even President Danielsen was prompted to remark, "that's got to be a record!" to which Commissioner Martin responded, "I think we should put that in the minutes!"

Acker Receives Degree at MSU

EAST LANSING, Mich.—Michigan State University lists 4,984 degrees awarded at spring term commencement exercises June 9, in Spartan Stadium.

The degree candidates include 3,845 bachelor's, 806 master's, 94 doctoral, 18 educational specialists, 86 doctor of osteopathy, 49 doctors of medicine and 86 doctors of veterinary medicine.

John A. Hannah, MSU president emeritus, who is currently active on campus and national chairman of MSU's \$17-million Enrichment Program, was the speaker at the undergraduate ceremonies.

Degree candidates included Dana C. Acker, 139 Forest Avenue, Kewaskum, Master of Music in Applied Music.

Koth Graduate of Carroll College

Scott Koth, son of Mr. and Mrs. Ralph Koth, Kewaskum, was a recent graduate of Carroll College, Waukesha. He received a Bachelor of Science degree, majoring in accounting.

"It is not lack of love but lack of friendship that makes unhappy marriages."
Friedrich Nietzsche

Pond Opening

(Continued from Page 1)

the elementary back, and perfection of the crawl stroke. Intermediates.

Swimmers - These last two classes are for further refinement of strokes, endurance, and additional swimming skills.

There will be two sessions of three weeks each. Lifesaving classes are also scheduled. Andy (Miss Wagner) has repeatedly commented that there are many strong swimmers in Kewaskum, but there is a need for them to learn and refine accepted swimming strokes. Therefore, a class will be scheduled later for older youth who have dreams of becoming another Mark Spitz or Johnny Weismuller. An adult class will be held on Thursday evenings and the pond will be open only to those adults at that time.

Assuming that the necessary equipment arrives and the beach is ready to open on Saturday, the guards must assure the safety of all swimmers by strictly enforcing the rules. Once again, the village board recently adopted the following:

Major Beach Rules

1. Beach hours are 10 a.m. to 8 p.m. Lifeguards are on duty only during these hours, weather permitting. No swimming is allowed before or after these hours. The beach area will be closed 12 noon to 1 p.m.
2. All children under six must be accompanied in the beach area by an adult at all times.
3. No visiting with the life-

guards; they have a job to do.

4. Stay off the ropes and buoys.

5. Make sure the area is clear before jumping, sliding or diving.

6. All swimmers must swim in open sections only.

7. Swimming aids or other floating objects are permitted only in the area designated as "Children's Pond."

8. Do not run in the beach area.

9. Do not throw sand, stones, or rocks.

10. Lifeguards are authorized to maintain these and any other regulations necessary for safe operation of this area. (Offenders will be asked to leave).

Minor Beach Rules

1. No one shall call for help unless he or she is in trouble.

2. No dunking or pushing.

3. No pushing on the diving boards, piers, or rafts.

4. Use the ladder when boarding the raft or pier. Do not

no

4. Use the ladder when boarding the raft or pier. Do not climb up the sides.

5. Go straight off the diving boards and piers.

6. Only one spring is allowed on the diving board.

7. No one shall hang from the diving boards.

8. No more than one person on the board at a time. The waiting persons shall stay completely off the board.

9. No swimming under the piers, rafts, or in the diving area.

10. Swimmers must be attired

in swim suits or gym shorts. Note: This includes NO swimming with shoes, long pants, or dirty clothes.

11. No one except the lifeguards and beach personnel are to use the row boat and other water safety equipment.

12. No towel snapping or water throwing or water spitting.

13. No "horseplay" or other acrobatics.

14. No pets are permitted in the beach area.

15. No food or beverages are allowed in the beach area.

16. No swimming during electrical storms.

17. Report all injuries to guards.

If the date of opening is changed or cancellation of daily lessons occurs, please listen to WBKV radio for such notice. If there are any questions concerning lessons or the swimming program, you may contact Andrea Wagner at 334-2994.

Beach Update

At a Kewaskum Park Committee meeting on June 25 for the park and summer recreation staff, additional tidbits of information about beach procedures were given.

For swimmers, a green patch to be applied to the swim suit, will be required for admittance. A red patch is to be worn and shown by those swimmers who wish to get in at the daily resident rate. Anyone without a patch will pay non-resident rates.

Attendants in both the boys' and girls' dressing areas will store the swimmers' articles in numbered baskets. A pin-tag will be taken off the basket and

must be pinned to the swimmer's suit or towel so that an individual's items can be returned later. Another possibility mentioned was to mark all swimmers' hands with an indelible date stamp to allow them to leave for a portion of a day and return without extra charge.

Soap will be provided in the shower area. Tom Larsen remarked that the "safest" brand would be "Lifebuoy."

At present, some equipment may be lacking and guards may have to initially sit on chairs on picnic tables. The old lifeguard stand will also be used. Provisions for a pier will be made. Some local residents may possibly construct an appropriate pier about 50 feet long extending from the east side of the pond between the 3-foot deep area and the 4-5 foot deep area. The raft which was used in the river will be used in the pond for a while. It will be about 70 feet off the north shore at the 12-13 feet deep area.

Hours for the beach are 10 a.m. - 8 p.m. daily (this includes Sundays). The beach will be closed from 12 - 1 p.m. daily to allow for lunch and to clean the area for a safety check after swim lessons. Thursday nights are for adults only; children must leave at 6 p.m. The beach may remain open until 9 p.m. on Thursday.

For lessons, parents will be allowed in the fenced area to accompany their children without charge, unless they plan on swimming.

In regard to rules, the attendants and guards will watch for infractions of both the beach rules and general park rules. Vandals will be immediately reported to the police. Atten-

dants will also be alert to anyone attempting to enter the area without going through proper procedure.

Once again, you may contact Andrea Wagner at 334-2994 or the Kewaskum Municipal Building at 626-4060 with any additional questions.

Koths to Spend Year in Germany

Jeff Koth and his wife Donna left June 25 for Berlin, Germany, where they will spend eight weeks at the Goethe Institute learning the German language and culture as a result of scholarships provided by German members of the Lutheran World Federation.

After that time Jeff will be assigned to a Lutheran congregation in Nuremberg as a vicar. He will fill a temporary need for a student assistant pastor in the Bavaria church from September until the end of July, 1980.

His duties will include preaching, visiting the sick, leading children's worship, assisting in administrative tasks, and attending pastoral conferences, all of which he will be doing in the German language.

After his vicarage (internship) Jeff and Donna will return to St. Louis, Missouri, where Jeff will complete his last year of studies at the seminary.

Jeff is the son of Mr. and Mrs. Ralph Koth, Kewaskum, and a graduate of Kewaskum High School.

Jade plants won't grow very well unless they have about six hours of sunlight a day.

Rescue Squad Members Attend Seminar On Agricultural Hazards and Rescue

Farming is a hazardous occupation. In the daily work routine, the agricultural worker is exposed to a variety of hazards, including livestock, chemicals, slips, falls, dangerous gases, electrical shock and a wide variety of machinery hazards.

On May 19, eight members of the Kewaskum Fire Department Rescue Squad attended an all day seminar on Agricultural Hazards and Rescue held at Moraine Park Technical Institute in Fond du Lac.

Topics covered were: accidents involving agricultural chemicals such as pesticide poisoning, fertilizers on fire, Anhydrous Ammonia and Methane gas; silo rescue; electrical shock; tractor rollover and the extrication from various types of farm machinery such as balers, combines, augers and elevators, power take off shafts and forage harvesters.

In the afternoon session, simulated rescues were performed on various types of farm machinery.

Rummage Sale Winners Listed

Names of the winners in the raffle held at Holy Trinity Parish at their rummage and bake sale June 22 were:

Quilt - Mrs. Willard Prost; 3-tier shelf - Laurie Etta; cast aluminum set - Jeaneen Kudek; AM-FM table radio - Pauline Hirsig; silverware set - Mrs. Alvin Wiesner; table tennis set - John Ruplinger; \$10 gift certificate - Amelia Reindl; 2 chicken dinners - Clare Lehman; 2 chicken dinners - Judy Harlow; 1 chicken and 1 shrimp dinner - Mike Van Blarcom; summer sausage - Corrine Mlodzik; 5 qts. motor oil - Henrietta Greminger; centerpiece - Joyce Gruber; shampoo and hair set - Cy Wietor; summer sausage - John Kudek; shampoo and set - Syl Serwe; Presto burger - Eunice Schaeffer; popcorn popper - Mrs. George Bruendl.

Bottle of wine - Joan Staehler; \$5.00 cash - Mrs. Lloyd Laatsch; \$5.00 certificate - Phyllis Dionne; golf lessons - Mary Behring; \$5.00 certificate - Alan Stoffel; bottle of wine - Rose Weddig; small outdoor grill - Eugene Zehren; body splash and slumber cap - Kris Korth; one set placemats - Nancy Kulas; Mountain Gold wine - Alvin Wiesner; bottle of wine - Julia Pezdir; birthday cake certificate - Midge Swanson; box of candy - Mrs. Ervin Seifert; bottle of wine - Adeline Junk; \$5.00 trade certificate - Mrs. Leo Bingen; set of placemats - Mrs. Lloyd Laatsch; bottle of liquor - Loretta Bales.

Many asthma sprays and other preparations will give moderate relief to persons with a mild asthma. However, asthma is a progressive condition which is bound to become worse unless suitably managed by a physician who understands the problem and has an opportunity to evaluate his patient. Under his supervision, truly effective drugs can be used. Furthermore, since most asthma is the result of an allergy, it would seem more desirable to try to eliminate the cause rather than to spend a lifetime treating symptoms that are bound to recur.

New Books at Public Library

Library cards for out of town residents are available at the Kewaskum Public Library for the year, July 1, 1979, to July 1, 1980, at a cost of \$5.00 per family.

There are many new books available including cookbooks, crafts, dance steps, decorating, home repairs, mystery and a lot of fiction for pleasure reading.

The following is a partial listing:

Creative Crepe Cooking; Pressure Cooking; Sourdough Cooking; Mixer and Blender Cooking; The Whole Family Low Cholesterol Cookbook; The Arthritic's Cookbook; All Color Diet Cookbook; Finding and Fixing the Older Home by Joseph Schram; Successful Shelves and Built-Ins by Jay Hedden; Wisconsin by Jill W. Dean; A Sand County Almanac by Aldo Leopold; Container Plants You Can Grow by Better Homes and Gardens; My Mother/Myself by Nancy Friday; Good As

Gold by Joseph Heller; Dolly by Alanna Nash; Mommie Dearest by Christina Crawford; Thursday The Rabbi Walked Out by Harry Kemelman; Disco Dance Steps by Villari; Government Nurse by Felicia Bryce; Sphinx by Robin Cook; Overload by Arthur Hailey; Lauren Bacall By Myself.

Children's books include: Superman by Bridwell; 100 Amazing Magic Tricks; The Right Way to Ride a Horse by W. H. Walter; Fox Farm by Dunlop; Grasshopper to the Rescue by Bonnie Carey; Goats, Rabbits and Chickens by Hollis Lee; Cattle, Sheep and Hogs by Hollis Lee; The Great Airport Mystery by F. W. Dixon; The Secret of the Caves by F. W. Dixon; How To Be A Juggler by Charles R. Meyer; How To Be An Acrobat by Charles R. Meyer and many more interesting and exciting books.

See you at the library!

Beechwood Rest Home Qualifies for State Award

It was announced at Madison this week that the Beechwood Rest Home, Route 1, Kewaskum, has been certified for meeting the standards of the Peer Review Program of the Wisconsin Association of Nursing Homes (WANH).

The nursing home qualified for the award after passing an on-site inspection of the facility by a team of licensed Wisconsin Nursing Home Administrators.

The WANH Peer Review Program, the first of its kind in the Wisconsin long-term health care field, is a new and rapidly

growing program for quality care assurance.

It calls for on-site surveys by a team of trained peers who evaluate the administration and programs of each facility in accordance with statewide standards for quality care.

The new standards and care review program is involving 270 nursing homes in Wisconsin, now providing over 27,000 patient beds, who are members of the Wisconsin Association of Nursing Homes, according to George F. MacKenzie.

He said all categories of WANH membership are involved, including proprietary, municipal, church-affiliated and hospital-affiliated nursing homes in the state.

He said the new Peer Review Program is "proving to be an extremely practical way to involve the long-term care field in self-regulation, and to work with state agencies, consumers, and other health care professionals interested in nursing homes."

Campus Notes

Joseph Nigh, son of Mr. and Mrs. Nathan Nigh, of Highway B, Kewaskum, was one of 59 Lakeland College students whose names appear on the Dean's List for the past semester. Each student was enrolled in four courses during the period, and earned the equivalent of two A's and two B's.

Lakeland College is located near Sheboygan, and offers bachelor of arts degrees. It occupies a 150-acre rural campus which includes a lake, woods, and hiking trails.

....

More than 40 young people interested in musical theater including Denise Perkins, Route 2, Kewaskum, are participating in a special camp this week (June 17-23) at the University of Wisconsin-Green Bay. The program is sponsored by UW-Extension Arts Development and UWGB.

Participants, who come from 21 Wisconsin communities and New Mexico, are studying with David Peterson, Cathy Pfeiler and Karen Cowan. Peterson, an associate professor of theater arts with UW-Extension, is creator and director of the Heritage Ensemble, which performs throughout Wisconsin in schools and state parks. Pfeiler is director of choral music at Sturgeon Bay High School, where she has developed a program known around the state for its excellence in choral singing, production musicals and swing choir activities. Cowan is a dancer and choreographer who is an associate professor with UW-Extension.

Camp activities are providing students an opportunity to learn about and participate in all aspects of the production of musicals, including music, acting, dance and movement. Sessions are also set on the history of American musical theater and on such specialized areas as dialects, technical theater and make-up.

....

Pamela J. Groeschel, a senior majoring in Physical Therapy, of 241 Clinton Street, Kewaskum, has been named to the Dean's List of the University of Wisconsin-La Crosse for the second semester of the 1978-79 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

In the Service

David J. Hensen, Jr.

Marine Private David J. Hensen, Jr., son of Phyllis E. and David J. Hensen Sr., of 533 Sheboygan Street, Campbell-sport, has completed the infantry combat training course at the Marine Corps Base, Camp Pendleton, Calif.

During the six-week course, he received classroom instruction and participated in field exercises involving infantry tactics; the construction and camouflage of fighting positions; and the use of mines, demo-

litions, and intra-company communications equipment. His specialized training centered on the duties of a rifleman, with emphasis on squad tactics and the techniques of fire of the squad's weapons.

He joined the Marine Corps in November 1978.

.....

Seaman Randall L. Standish, son of Mr. and Mrs. Francis Standish, Kewaskum, has completed recruit training at the Naval Training Center, San Diego.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's basic occupational fields.

A 1979 graduate of Kewaskum High School, he joined the Navy in February of 1979.

Airman First Class Keith C. Dietrich, son of Mr. and Mrs. Norbert W. Dietrich of Route 1, Cascade, has arrived for duty at Upper Heyford RAF station, Oxford, England.

The airman, an integrated avionics systems specialist with a unit of the U.S. Air Forces in Europe, previously served at Cannon AFB, N.M.

Airman Dietrich is a 1976

graduate of Plymouth High School.

Free State Travel Aides Available

People who will travel in southeast Wisconsin this summer can have a new and extremely useful informational packet of recreational opportunities.

The Southern Gateway Association has published a handy Vacation Information Packet that provides a complete listing of campgrounds, golf courses, historic sites, special attractions, ski areas, antique shops, large resorts, boat launchings, small motels and cottages.

The information covers a ten-county region of Southeast Wisconsin, including the counties of Dane, Dodge, Jefferson, Kenosha, Ozaukee, Racine, Rock, Walworth, Washington, and Waukesha.

For a packet of this free material, write the Southern Gateway Association, 159 W. Garland, Jefferson, WI 53549, or call 414/674-3231. Ask for the Vacation Information Packet or any other information that will help in vacation planning.

The Southern Gateway Association is the Regional Tourism Promotion Association for Southeast Wisconsin.

One punch and you'll never dial again.

The very first time you push those buttons it hits you. How much faster they are than dialing. How much more efficient. How much more fun.

After that, there's only one thing to do: Look over our considerable assortment of styles and colors. Pick the phone (or phones) you like. And order it (or them) from our business office.

Oelhafens to Celebrate 40th Wedding

On July 1, John A. and Therese Oelhafen, Town of Wayne, will celebrate their 40th wedding anniversary.

They were married July 1, 1939, at Holy Angels Parish in West Bend.

The Oelhafens are the par-

ents of John, Jr., James and Cindy (Mrs. John Shaske). They have six grandchildren, Brian, Mary, Brenda, Pamela, Timothy and Brad Paul.

They reside at 5918 Butternut Drive, Kewaskum.

Dillinger-Sanville

Mrs. Agnes Dillinger, 731 Main Street, Kewaskum, would like to announce the engagement of her daughter, Sandra, to Lynn Sanville, son of the late Mr. and Mrs. William Sanville of Sheboygan.

Sandra graduated from Kewaskum High School in 1976 and also is a 1977 graduate of Fond du Lac MPTI. She is presently employed as a Licensed Practical Nurse at Sheboygan Memorial Hospital.

Lynn graduated from South High School, Sheboygan, in 1967 and is presently employed at Buteyn Excavating Company. He also is an owner of "The Body Shop Fitness Center" in Sheboygan.

A May 1980 wedding is being planned by the couple.

Nylac cleans kitchen carpeting beautifully in 15 minutes. Dry in one hour. No machine. Ask Miller's of Kewaskum.

Ramels Observe 40th Anniversary

Mr. and Mrs. Herbert W. Ramel, Route 2, Kewaskum, observed their 40th wedding anniversary on Sunday, June 24, with a brunch at Timmer's Bayside Inn and celebrated later at their home.

Guests included their daughter and son-in-law, Diann and Donald Thomas, and their grandchildren, Tracy, Tammy, Todd and Terry.

Herbert and Gladys were married June 21, 1939.

MARRIAGE LICENSES

Walter Lee Pretsch, West Bend, and Tammara Lynn Corcoran, Kewaskum; wedding July 14.

Richard Edward Zarling, Jr., Kewaskum, and Rashelle Lynn Backhaus, West Bend; wedding June 23.

1979 County Junior Fair Premium Book Dedicated

The Washington County Junior Fair wishes to announce that the 1979 Premium Book is dedicated to Hugo "Pat" Schwulst of the township of Erin.

Pat has served as a member of the Agriculture and Extension Education Committee for 20 years as well as the Fair Committee for several years. In this capacity, he has contributed leadership to the Washington County Fair. When making decisions regarding fair operation, he has been concerned with having the fair be an educational experience for youth and adults of the county.

Through the years, Pat has shown a genuine interest in agriculture advancement as well as providing for the urban needs of the county.

Fair goers will recognize Pat with his ever faithful pipe and quiet mannerisms.

Each year the Fair Office and UW Extension Office select to dedicate the book to someone who has been outstanding in support of the fair in some manner.

The first book dedicated was in 1956 to the former Agri-

culture Agent and Fair Secretary, Earl Skaliskey. The following people also received this honor:

- 1957 Harvey Dettmann
- 1958 Mrs. Belle Albright
- 1959 Hedwig Schmidt
- 1960 Mrs. William Kuhn/ Paul Cypher
- 1961 Anna Lhotka
- 1962 Mr. and Mrs. Walter Schneiss
- 1963 Mrs. George Arnold/ John Kohl
- 1964 Guido Schroeder/ Neal Nicholson
- 1965 Emil Gauger/Mrs. Erwin Habeck
- 1966 Mr. and Mrs. Christ Mayer
- 1967 Mr. and Mrs. Art Bast
- 1968 Martha Foerster
- 1969 Elwyn Romaine
- 1970 Mrs. Marvin Timm
- 1971 Fred Schroeder
- 1972 Fred Landvatter
- 1973 John P. Horlamus
- 1974 Bob Stodola
- 1975 Maurice Hovland
- 1976 The Flag
- 1977 Roy Esser
- 1978 J. Conrad Christel

County Fair Entries Due

County Fair entries need to be made within the next couple of weeks. The deadline date is June 29.

County Fair premium books have been given to all 4-H clubs and FFA chapters. There should be a book for every family. If you haven't gotten one ask your leader or call the County Fair office. Members of other Youth organizations or people interested in exhibiting open class can also get books by calling the fair office.

County fair is one of the many opportunities to learn thru 4-H during the year. Members learn how to make or grow things, they learn this at project meetings on tours or at home. They try to do the best jobs that they can. The fair is a chance to see what many others have done. It's a chance to compare the things that they have grown or made to things grown or made by others.

When you get to the county fair take time to see what others have done. Try to understand what you have done well, try to learn where you can improve, and do even better. That's what a fair is all about, learning to make your best even better.

FIRE CALL

Kewaskum firemen received a call during an electrical storm at 3 p.m. last Wednesday to the Sison Medical Clinic, where a fire alarm went off. There was no damage.

I.D. A MUST... BRING SOMETHING

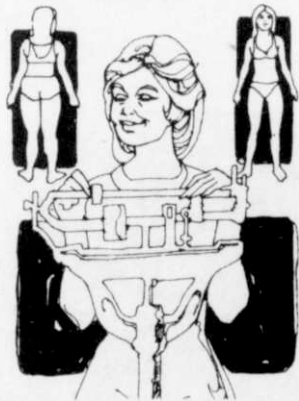

It Takes Time To Take Off Pounds

For most overweight persons, there is no medical justification for rapid weight loss or a nutritionally imbalanced diet.

A good weight-reduction program is one that is reduced in calories and adequate in nutrients. Regular meals and the Four Food Groups form the basis of a good diet that is suitable (or adaptable) for people with different health problems.

The individual who needs a diet low in saturated fat and cholesterol, for example, should continue to use milk products in the recommended amounts because of their high nutritive value, but should always choose nonfat products from this group.

There aren't any "reducing foods," a new American Medical Association pamphlet says. When you lose weight, it's because of taking in fewer calories than you are burning. Total calories, not the foods they come from, make

Mini 4-H Gives Ideas for Family Fun

Try to remember back into your life as far as you can. What are some of the happiest and most enjoyable times that you had as a child? Chances are, they were doing some simple things with your parents. Maybe it was singing some make up songs with your mother while helping to make lunch or nailing together some old boards to make a birdhouse with your dad.

Family time can be fun time. The only thing that's needed is for the parents to have some ideas of things to do. Sometimes parents run out of ideas of things for their children to do. They can't think of anything but telling the youngster to go and play.

Wouldn't it be wonderful if you had a secret door that you could look into and come out with some new things to do? Well there is such a door, with a whole bunch of fun ideas. There are ideas that can use simple items that you would throw away, like bleach bottles or cardboard boxes. There are ideas for fun dough recipes, ideas for making simple toys, ideas to help the child pretend, ideas for masks and costumes, ideas for stick and paper puppets.

That door to a lot of ideas is called Mini 4-H. It's for families with children eight years or younger. There are no meetings to go to, just a lot of ideas of things to do at home. You can get information by writing or calling the University Extension Office, Box 537, West Bend, 53095. Phone: 334-3491, 644-5204 or 342-2929.

the difference. Bear in mind, though, that fats are the most concentrated source of calories. One gram of fat contains nine calories, compared with four calories per gram of either protein or carbohydrate and seven calories per gram of alcohol.

If you are more than eight or ten pounds overweight, it's unrealistic to think you will solve the problem in two or three weeks. Weight lost through crash diets almost always is regained when normal eating patterns are resumed.

Reducing salons and health clubs are fine, if you can afford them. Group workouts may give moral support, but you can exercise just as well at home. Exercise machines that pretend to shake it off without effort on your part are a waste of time and money.

As to protein supplements, save your money. Most people get all the protein they need from ordinary foods. There are a number of drugs that have been misused in weight-reducing programs. Use of drugs in weight control is rarely or never justifiable, says the AMA pamphlet.

Diet clubs, such as Weight Watchers and TOPS, can help many individuals gain control of their eating habits.

Scholarships for Adult 4-H Leaders To Attend Forum

Eighty-six adult 4-H leaders from Wisconsin will be visiting Washington, DC., this fall. They will be taking part in one of the National 4-H leader Forums at the National 4-H Center in Washington, D.C. In addition to attending workshops and discussions with leaders from other states, they will visit their Senators and Congressmen. They will also visit historical monuments and other points of interest.

Wisconsin is chartering a bus

for 43 leaders to attend the forum September 22-30, and another group October 20-28.

The Washington County 4-H Leaders Association voted to provide \$150.00 scholarships to two leaders from the county. Any adult leaders may make applications for these scholarships. The deadline is July 1.

There also will be a North Central Regional Leader Forum. It will be held in Zion, Illinois, November 15-18. The Regional Forum is similar to the National Leaders Forum except

that it includes leaders from only the north central states. The Washington County 4-H Leaders Association is providing scholarships for four leaders to attend the Regional Forum. Applications are due August 10.

Leaders who have attended the forums from past years come back with high praise for the experience. They rate the opportunity to speak with leaders from other states as a highlight of the event. More information on the forums can be gotten at the 4-H office.

Joseph Miller, Mrs. Gorin Die

Joseph Miller of 1231 Lakeview Road, West Bend, formerly of 1040 Summer Street, West Bend, passed away Saturday, June 23, at the Samaritan Home, at the age of 82.

He was born May 16, 1897, in the Town of Herman, Dodge County, where he lived until entering the US Army serving during WWI.

Shortly after his discharge, he moved to Theresa where he owned and operated a Buick and Pontiac dealership until 1929 when he moved to West Bend.

He was then employed at the former Barton Corp. until 1939 when he started working as a tool and die maker at The West Bend Company until his retirement in 1962.

He married Majorie Gorman in West Bend on September 15, 1925. She passed away March 21, 1974.

Survivors include four children, Edith (Donald) Koerble of rural Campbellsport, Ethel (Carl) Groth, Pearl (Darwin) Juech and Joseph W., Jr. (Lillian), all of West Bend; 12 grandchildren; five great-grandchildren; one sister, Anna (Charles) Hoffman of Milwaukee; one brother, Matt (Adela) of Mayville, and other relatives and friends.

One sister and seven brothers preceded him in death.

He was a member of the WWI Veterans Barracks 2617 and the Apostolate of Suffering.

Funeral services were Monday at 7:30 p.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 8 p.m. at Holy Angels Church. Fr. Thomas Weber officiated and burial was in Holy Angels Cemetery.

Visitation at the funeral home was Monday from 2 p.m. until the time of services.

MRS. JOHN L. GORIN

Mrs. John L. Gorin, nee Isabelle Muckerheide, 78, of 808 Florence Drive, Park Ridge, Illinois, passed away, Thursday, June 21. She was the beloved wife of John L. Gorin and dear mother of Lois (Leonard) Cuttone. She is also survived by four grandchildren and other relatives and friends in the Kewaskum area.

Services were held Saturday, June 23, at St. Mary's Catholic Church, Park Ridge, with burial in Holy Family cemetery, Des Plaines, Illinois.

Mrs. Gorin, a native of Kewaskum, was the daughter of the late Jake and Caroline Kohn Muckerheide and sister of the late Miles Muckerheide and Cora Muckerheide. She attended schools in Kewaskum.

Some area relatives and friends attended the funeral.

MALINDA LANDVATTER nee Butzlaff, 63, of 5874 County G, West Bend, died late Tuesday evening, June 26, at St. Joseph's Community Hospital, West Bend.

She was born Jan. 14, 1916, in Kewaskum and married Earl Landvatter at Peace Church, Kewaskum, Aug. 27, 1938. She was a West Bend area resident all her life. Her husband died Oct. 22, 1975.

Survivors include three daughters, Maryann (Raymond) Boehm, Cedarburg, Bernice (Henry) Lemke, Saukville, and Bernette (Ronald) Wolf, West Bend; four grandchildren; one sister, Esther (Harold) Eggert, New Fane; one brother, Ervin (Louise) Butzlaff, Kewaskum; two sisters-in-law, Florence (Edward) Hackbarth, West Bend, and Virginia (Paul) Kempf, West Bend; other relatives and friends.

She was a member of St. John's Lutheran Church, West Bend.

Funeral will be Friday, 8:30 p.m., at the Techtman-Myrhum Funeral Home, 1315 W. Washington St., West Bend. Interment will be in Washington County Memorial Park.

Visitation at the funeral home will be Friday after 4 p.m. until services.

HERBERT CASH

Herbert A. Cash of 2971 Ridge Road, West Bend, died Saturday, June 23, at St. Joseph's Community Hospital, West Bend, at the age of 75. He was the father of Frieda (Harold) Backhaus of St. Michaels. The funeral was held at West Bend on Tuesday.

Frank Gotch, whom many consider the greatest wrestler in modern times, held the record for the quickest fall—pinning an opponent in 6 1/4 seconds.

Youths Seeking Summer Jobs Must Emphasize Their Reliability

Mitch Mackey, University of Wisconsin Extension Youth Development Specialist says that getting a summer job involves selling yourself. That's not easy if you're too modest or don't understand the value of the work you have already done.

If you are in demand as a babysitter or you've had the same lawn mowing job for several years, that's an indication people consider your work reliable.

Don't worry about your lack of experience. Employers are more concerned about hiring a student who is dependable, responsive and will assume some leadership, they are interested in leaders in school and other organizations, such as 4-H.

When you decide where to look for your first job, what you do on the job is not as important getting the job. Once you have experience, the next job will be easier to get.

Don't forget transportation when thinking about where to work. Will your father and mother take turns crawling out of bed at midnight to pick you up at closing time?

If you don't know where to start looking, begin with friends. One may be quitting a job or know of an opening. Be sure to let all members of your family know you are interested.

Look under "Help Wanted" in your local newspaper's classified ads and check to see if your school lists available jobs. Call managers of local businesses

and ask about jobs and possible future openings.

Your appearance to the employer is how he thinks you'll look to his customers; you represent him, "Whether we like it or not, we are judged by how we look and behave."

Show interest by asking questions about the job.

Level with the employer now about your family's summer vacation plans; don't work for a week and then ask for the next two weeks off.

Some employers won't consider you for the job if you don't have a social security number. You can get an application for a number from a local bank or the post office.

If the employer wants the names and addresses of references, notify the people you name before the employer contacts them.

Call a prospective employer a few days after applying if he

hasn't called you and you still want the job.

Let him know you're interested, but don't hound him. If you insist on knowing whether or not you got the job, you might be rejected because you made a pest of yourself and not because you weren't right for the job.

Once you are offered a job and accept, it's up to you to prove your employer made the right choice.

VANDALISM REPORTED

Washington County Sheriff's deputies received a report Tuesday of a bicycle rack and playground equipment torn from their fixtures at the Town of Farmington Elementary School. No damage estimate was given.

Commend KHS Students With Excellent Attendance for Year

According to the records the following Kewaskum High School students have had an excellent attendance record during the 1978-79 school year. This is a commendable accomplishment for developing the correct attitude about being in school as being very important. There is a direct relationship between good attendance and grades as well as an interest in school. This also carries over into the world of work.

Industry is concerned about unusual absenteeism and when employers call the school their first question concerns attendance records.

There may be situations when a student is needed at home or if a student is sick he/she should not be in school. The attitude of parents towards attendance in school and in later life on the job is reflected in their children.

Truancy tends to be a warning that the student is a potential drop-out and in many cases headed for other problems.

As we prepare for the 1979-80 school year we again ask for parents' cooperation in encouraging their students to be in school.

Congratulations to the following students:

good swimming. You will live in cabins with a counselor.

The camp for 9-12 year old members will be August 12-15, and for 12-14 year old members the camp will be August 15-18.

At camp you will be making new friends, having fun and getting to understand and appreciate nature. Jim Pease, the Camp Naturalist, will take you out on many exciting adventures. Some of them might be looking for animals in the pond or maybe looking for night animals. In August the weather is usually warm so there is lots of time for you to swim. Swimming is supervised by qualified Red Cross lifeguards. The camp is directed by the County 4-H Extension Staff and Adult and Youth leaders from Ozaukee and Washington counties.

There is a limit of how many can attend each camp. If you plan to attend, send in your registrations early. Information and registration blanks were in the May 4-H Newsletter. Additional registration blanks may be gotten at the County 4-H office.

An orange is about 87 percent water.

County 4-H Camp Being Planned

Pack up your camping gear and join the rest of the 4-H members who are coming to County 4-H camp. A Planning Committee of Adult leaders and Youth leaders and Camp counselors are now making plans. The joint Washington and Ozaukee County 4-H Camp will be held at Camp Upham Woods near Wisconsin Dells.

Upham Woods has many hills and trees on the Wisconsin River and it provides lots of

Watch for Ozone Alerts, DNR Advises

Wisconsin's summer air pollution season has begun and Department of Natural Resources' air management experts are reminding citizens that watch for ozone alerts that might recommend reduced outdoor activity to protect health.

Ozone, the major air pollutant found in smog, develops when hydrocarbons emitted from automobile exhaust and some industrial processes react with sunlight.

"Hot, humid, hazy days with temperatures above 70 degrees are ideal for ozone formation," says Brad Stachowiak, a meteorologist in DNR's bureau of air management. "Usually on these days a high pressure system is located to the east-southeast of the state with southerly winds."

Stachowiak adds that hazardous ground-level ozone should not be confused with the beneficial ozone layer found much higher in the atmosphere that shields the earth from damaging ultraviolet rays.

Ozone irritates mucous membranes in the lungs, causing breathing difficulties in people who have respiratory diseases. However, even healthy people can become short of breath after exercising if they've inhaled certain levels of the pollutant. Ozone also damages crops like soybeans, alfalfa, tobacco and white pine.

"Though ozone has been recorded at high levels even in rural Wisconsin, it's usually highest near urban centers where hydrocarbons from thousands of motor vehicles concentrate," Stachowiak said. "Ozone also crosses the Wisconsin border from neighboring states principally to the south."

Stachowiak says southeast Wisconsin usually averages from 10 to 25 ozone alerts each summer, depending on weather conditions. The highest ozone level ever measured in Wisconsin reached nearly 0.30 parts per million.

Ozone levels are recorded

daily at five DNR monitoring sites in Milwaukee, and one each in Kenosha, Racine, Grafton, Waukesha, Madison, Green Bay and La Crosse. DNR also uses its mobile monitoring vans to measure ozone elsewhere in the state.

Whenever alert levels are reached, DNR notifies major news wire services and the National Weather Service so citizens will be alerted rapidly through various news media. Physicians often rely on these reports so they can notify their patients with respiratory problems to take appropriate health precautions during ozone alerts.

All states use the Pollutant Standards Index (PSI) to uniformly report ozone levels in terms easily understood by the public. The index ranges from zero for good air quality to 500 for hazardous air quality, although hazardous levels have never been reached in Wisconsin. The following PSI descriptions will be used in Wisconsin to report ozone levels in parts per million (ppm):

0-50 GOOD. Up to 0.06 ppm.
50-100 MODERATE. 0.06 to 0.12 ppm.

100-200 UNHEALTHFUL. 0.12 to 0.20 ppm. People with heart or respiratory ailments should reduce physical exertion and outdoor activity.

200-300 VERY UNHEALTHFUL. 0.20 to 0.40 ppm. Elderly and persons with existing heart or lung diseases should stay indoors and reduce physical activity.

300-400 HAZARDOUS. 0.40 to 0.50 ppm. Elderly and persons with existing diseases should stay indoors and avoid physical exertion. General population should avoid outdoor activity.

400-500 HAZARDOUS. 0.50 to 0.60 ppm. All persons should remain indoors, keeping windows and doors closed. All persons should minimize physi-

cal exertion and avoid traffic.

The PSI chart has been amended to reflect the U.S. Environmental Protection Agency's 50 percent relaxation of the national health standard for ozone, changed from 0.08 ppm to 0.12 ppm in January. DNR will still issue ozone alerts based on the old standard—which is still the state standard—unless Wisconsin's standard is changed as a result of the rule-making process, including public hearings.

Get the Most From Cooling Equipment

By Dan A. Wilson
Research Agent, UW-Extension
West Bend, Wisconsin

Keeping your home cool in the summer can use up large amounts of energy. Today's higher fuel costs and growing environmental concerns make energy conservation in the home just as important during the "cooling season" as in the winter.

A number of factors affect home cooling costs. These include climate, insulation, length of the cooling season, type of building and type of air conditioning system if there is one. There are a number of ways to keep your home cool beyond the selection, operation and maintenance of the cooling system itself.

One way to save energy in your home is to prevent heated outdoor air from entering. Air conditioning a poorly sealed home can cost up to 24 cents more a day. To reduce incoming air, keep windows and doors shut, close the fireplace damper tightly and use exhaust fans only when necessary. Seal all wall cracks, window and door frames and open spaces below the attic. Weatherstrip windows and doors at movable joints.

Keeping out the sun will also lighten your air conditioner's load. Blinds and draperies on windows can reduce heat gain up to 50 percent. External window shades such as awnings, overhangs, louvered sun screens and even trees are more effective than inside shades.

Special reflecting glass in windows also reduces entering solar heat.

Your air conditioning system will consume less energy if the walls, ceilings and cooling ducts are adequately insulated. Use six inches or more of insulation above your ceiling to reduce the heat entering from your attic. Four inches is considered adequate for exterior wall insulation. Cover any cooling ducts in non-cooled areas with at least 1 1/2 inches of insulation.

If attic insulation is not sufficient or is too difficult to install, an attic fan is a good substitute in reducing heat gain from the roof. Attic ventilation from a fan—bringing cool air in and taking warm air out—will help keep your home cool.

Electrical lighting and appliances can generate unnecessary heat within your home. Limit their uses whenever possible. See that your refrigerator and freezer doors are sealed properly. Use washers, dryers, stoves and showers during non-peak hours and cooler evening temperatures.

Painting your house a light color will help reflect some of the sun's rays. A white, smooth surface absorbs the smallest amount of solar radiation. A light roof color will also help keep your home cooler.

Many of these ideas also apply to a home without a cooling system. In addition, if you don't have air conditioning, use the daily outdoor temperature variations to keep your home cool. Keep hot daytime air out by closing up your house in the morning. When temperatures drop in the evening, open it up again to bring in the cooler air.

If you're building a new house you have an excellent opportunity to plan for maximum summer cooling. You can locate your rooms according to the sun's position—for example, your kitchen would be best in the east where late afternoon sun will not be a problem. Landscape plantings will also be effective for shading.

Carefully planning for summer cooling can reduce your energy consumption and make the hot summer months more comfortable.

WOW TRI-COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Kewaskum

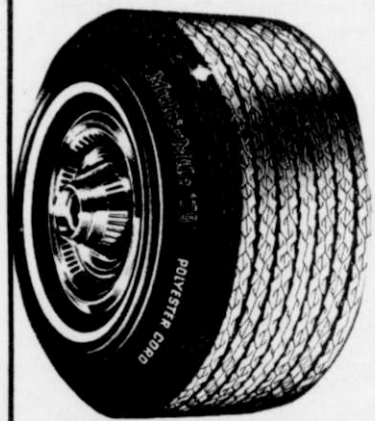

Tuesday, July 3 — Baked pork chops, oven browned potatoes, cream style corn, rye bread, chilled watermelon slice, milk or coffee.

Thursday, July 5 — French onion soup and crackers, baked salmon loaf, creamed choco, whole wheat bread, chocolate pudding with whipped topping, milk or coffee.

Wisconsin Outdoors and Conservation News

SOUTHEAST SHEBOYGAN COUNTY WASHINGTON COUNTY OZAUKEE COUNTY WAUKESHA COUNTY MILWAUKEE COUNTY WALWORTH COUNTY RACINE COUNTY KENOSHA COUNTY HORICON AREA DODGE COUNTY COLUMBIA COUNTY MARQUETTE COUNTY GREEN LAKE COUNTY FOND DU LAC COUNTY

Recent heavy rains across the northern tier of counties in the state slowed fishing activity somewhat because of high water levels. Lake Michigan fishing was slow off the northeast counties, but good action was noted off some southeastern counties.

Southeast District

Panfish fishing is only fair on most of the lakes in Racine, Walworth and Kenosha Counties. Bluegills have been biting well on Gerber and Crooked Lakes in Sheboygan County and most waters in Waukesha and Washington Counties. Perch are biting in the Sheboygan Marsh in Sheboygan County. Lake Michigan fishing is very good 1 1/2 to 5 miles off Racine County and is particularly good off Kenosha County. A number of Chinook and coho have been taken. Chinooks ranging in the 20 pound class have been reported. Rainbow trout are also being taken and lake trout are showing up in the catch also.

Smallmouth bass fishing has been exceptional on Lake Geneva in Walworth County. Fish in the 3 to 5 pound class are being taken and a considerable number of limits were caught. Worms seem to be the best bait. Rock bass are biting exceptionally well on Lake Geneva in Walworth County.

Northern pike fishing is good on Browns, Wind and Tichigan Lakes in Racine County, Naga-wicka and Okauchee Lakes in Waukesha County and Big Cedar Lake in Washington County.

Fond du Lac County - Bluegills are biting on Mauthe Lake.

Crappies and bluegills are being taken on Crooked and Long Lakes. Largemouth bass are biting on the Kettle Moraine Lakes. Bluegills are also being taken.

Dodge County - Northern pike and bullhead fishing is excellent on the Horicon Marsh. Perch, crappies, small northern and bullheads are biting on Beaver Dam Lake.

Winnebago County - Wall-eye fishing is good on Lake Winnebago with many limits being taken. Set lining on the Fox River is slow and only a few catfish are being caught.

amount. Orders should be sent to Sensenbrenner at 315 Cannon Building, Washington, D.C. 20515.

Sensenbrenner pointed out that the above prices are actual cost and that this is a public service, which earns no profit whatsoever for his office or the House of Representatives.

SALT II - A Question of Security

President Carter's signing of the Strategic Arms Limitation Treaty (SALT II) with the Soviet Union last week set the stage for an intense public review of our national defense and what it ought to be. The United States Senate will soon debate ratification of the treaty, and in the process will focus our attention on both our foreign policy and our military programs.

The President came out fighting in defense of the treaty, which sets limits on the types and numbers of military weapons the U.S. and the Soviet Union may deploy. However, I believe his remarks raised some serious issues that must be examined.

First, we must be sure that the SALT II treaty enables us to fully verify Soviet compliance with its terms. Anything less would make the treaty a worthless piece of paper.

Second, the treaty still allows considerable growth in present and future weapons systems. I

am concerned that allowing that is more an attempt at managing the arms race, rather than actually curbing it. If this is true, it is a deception to the whole world to call it an "arms limitation" agreement.

Third, there is no assurance by the Soviet Union that it will halt its infiltration and aggression around the world. If a lasting peace is to be achieved by enacting this treaty, that assurance must be linked to it.

Fourth, the treaty seems to abdicate our position of military superiority for one of equality with the Soviets at best. I believe we must be very careful to maintain the highest quality defense.

We all want peace and an end to the arms race. At the same time, Congress is obligated constitutionally and morally to give first priority to our defense. Therefore, I will enter into the SALT II debate seeking every assurance that responsibility will be met.

Dogs in Parks - OK, But...

"A dog is man's best friend and should be treated accordingly" is the advice of state park officials.

Dogs and pets are allowed in state parks and forests, but owners of pets should be aware in advance of park regulations relating to pets.

Loren Thorson, chief of Recreation Programs, advised that each year a number of incidents occur which could result in cruelty to animals.

"Our most common situation relates to dogs" Thorson stated. "Dogs are permitted in campgrounds, but are not allowed in picnic, beach and playground areas."

"Picnickers bring their dogs along to a picnic and subsequently learn that the pet cannot be in the picnic area. The dog then is sometimes placed inside the family car. On hot days, the internal heat within a car is such that many dogs fall victim to heat prostration" Thorson continued.

Also many unfortunate incidents occur to dogs in camp-

grounds often resulting in serious injury or even death to the dog according to Thorson.

"Dogs in campgrounds must be kept on a leash not longer than 8 feet," Thorson said. "A common situation occurs when the campers decide to leave their campsite for a period of time, but leave the dog behind on a leash," he continued. "Sometimes this triggers an emotional experience for the animal," Thorson said, "resulting in very erratic behavior on the part of the dog with the potential of serious injury."

Several recommendations are offered to dog owners planning to use state parks:

* If you're going on a picnic and the day is warm, it may be advisable to leave the dog at home or make other arrangements for the dog's comfort.

* Campers bringing a dog to a state park might consider leaving the dog alone at a campsite but keeping the dog under observation from a distance to determine its behavior is under these circumstances.

"Serving West Bend Area for over 25 Years."

25 Years Ago

July 2, 1954

Dr. Charles Ogi of Apple Creek, Ohio, near Columbus, has taken over the veterinarian practice in Kewaskum recently vacated by Dr. Richard Haxby, with offices located on Fond du Lac Avenue. Dr. Ogi is 29, married and the father of two children. He is a graduate of Ohio State University and holds a B. S. degree along with a D.V.M. degree.

Miss Janice Jandre, daughter of Mr. and Mrs. Walter Jandre, Kewaskum, became the bride of William H. Barrett of West Bend on Saturday, June 26.

James St. Mary, son of Mr. and Mrs. Ray St. Mary, Kewaskum, has enlisted in the U.S. Air Force. He left on Thursday, June 24, to report for duty at San Antonio, Texas. Norman Boegel, son of the Oscar Boegels, Town of Wayne, enlisted in the U.S. Marine Corps recently and now is stationed at San Diego, California.

On Saturday, June 26, Miss Ione Schladweiler, Route 1, Kewaskum, daughter of Mrs. Elizabeth Schladweiler and the late Jacob Schladweiler, became the bride of Harold W. Kohlman of Barton.

A daughter was born to Mr. and Mrs. Harold Schmidt, Route 2, Kewaskum, on Wednesday, June 23. A son was born to Mr. and Mrs. Clarence Bath, Kewaskum, on Sunday, June 27. A son was also born to Mr. and Mrs. Harold Kalb, Route 2, Kewaskum, on Thursday, June 24.

A large number of friends were entertained at the home of Mr. and Mrs. Otto Weddig in the Town of Auburn on Saturday night, June 26, in honor of their tenth wedding anniversary.

50 Years Ago

June 29, 1929

Representatives of the Wisconsin Gas and Electric Company were in Kewaskum on Tuesday, June 25, to lay out plans and make arrangements necessary for the installation of electric light standards.

Beginning Tuesday, July 2, the Chicago and North Western Railway has substituted a gasoline electric motor car for locomotive power on passenger train No. 205, northbound, due here at 3:43 p.m.

The long looked for work of improving Main Street in Kewaskum is now left up to the county highway commission. It is reported they will start work

4-H Club News

KEWASKUM 4-Hers

The June meeting came to order at 8:42 p.m. on June 14.

The 4-H pledge was led by Paula Soik and the Pledge of Allegiance by Mark Soik.

Old business involved the flower boxes that were planted last month and the 4-Hers who worked on it, planted the flowers in the boxes on the two bridges in town. Parents of the 4-Hers are reminded to shop at Super Valu store at Westfair Mall, West Bend, and put their receipts in a box marked Kewaskum 4-Hers. We get 1% of the receipts. Annette Borgmann reported on the play that some of the 4-Hers put on at Peace United Church of Christ for the mother-daughter banquet. They received \$10.00 for putting it on.

New business involved the flower boxes being repaired before the 4th of July. If you are planning to go to camp, get your registrations in. There has been a canoe trip that has been planned. If we can get 21 people for 7 boats, we will be charged \$5.00 instead of the usual \$7.00.

Dress revue is June 28 at the Westfair Mall. Cooking revue was June 21 at the Westfair Mall. Washington County Fair blanks were handed out with the county fair books. They are due June 29. All 4-H members have to exhibit one thing for each project that they have taken. People were picked for the Anything Goes at the Washington County Fair. They are Marjean Backhaus, Debbie Allmann, Tony Weisinger and Kim Brodzeller. The first alternate is Jed Lauters.

For the Washington County Fair the Kewaskum 4-Hers have a refreshment stand that will be set up from 12:00 - 4:00 p.m. People that volunteered were Amber Charland, Tony Weisinger, RoseAnn Peterson, Tina Moody, and Kim Brodzeller.

An educational booth will need to be set up at the county fair. Set up July 25, 26. It will be judged with the other clubs and prizes awarded.

The booth at Rosenheimer's will be set up the week after the

county fair. It will be about projects that were at the county fair.

The parade for July, Kewaskum will have a float from the Kewaskum 4-Hers in it. 4-Hers who will be working on it are Julie Lauters, Amber Charland, Kim Brodzeller, Mark Brodzeller, Debbie Seidemann, Annette Borgmann, Tina Moody and Rose Ann Peterson. The bake sale for Crazy Daze is going to have a lot of variation of bakery. Don't miss it. Chairmen are Debbie Allmann and Julie Lauters. Bring your bakery in between 8:00 and 9:00

a.m. The meeting was adjourned at 8:25 p.m. and refreshments were served.

Refreshment committee for next month are Amber Charland and Kim Brodzeller.

There will be no July meeting.

Reporter,
Debbie Allmann

You can often encourage a small child to drink all of his milk by giving him a colored straw.

FACSIMILE BALLOT NOTICE OF SPECIAL ELECTION SECOND SENATORIAL DISTRICT July 10, 1979

OFFICE OF WASHINGTON COUNTY CLERK

TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a special election to be held in the several wards in the County of Washington on the 10th day of July, 1979, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, and under the appropriate party, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. The initials of 2 ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot. An election official may inform the elector of the proper manner for casting a ballot, but the official shall not in any manner advise or indicate for whom to vote.

If an elector wishes to vote for all candidates nominated by any party, the elector shall make a cross or other mark in the circle under the party designation printed at the top of the ballot. Unless a name has been erased or crossed out, another name written in, a mark placed to the right of a candidate for the same office in another column or a sticker applied, a mark in the circle at the top of the column is a vote for all the party's candidates listed in the column. If an elector does not wish to vote for all the candidates nominated by one party, the elector shall make a cross or mark in the square at the right of each candidate's name for whom he or she intends to vote, or shall insert or write in the name of a candidate.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than 2 ballots shall be issued to any one elector. If the ballot has not been initialed by 2 ballot clerks or is defective in any other way the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than 5 minutes time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the booth, give his or her name to the inspector in charge of the ballot box, and shall leave the polling place promptly.

An elector may be assisted by 2 election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in marking the ballot. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot:

GEORGE F. NEHRBASS, COUNTY CLERK
WASHINGTON COUNTY

SAMPLE OFFICIAL BALLOT

NOTICE TO ELECTORS: This ballot is invalid unless initialed by two (2) election officials serving as ballot clerks. If cast as an absentee ballot, the ballot must bear the initials of the municipal clerk.

If you desire to vote for an entire party ticket for legislative offices make a cross (X) or other mark in the circle (O) under the party designation at the head of the ballot. If you desire to vote for particular persons without regard to party, mark in the square at the right of the name of the candidate for whom you desire to vote, if it be there, or write any name that you wish to vote for in the proper place.

IN MEMORY

In loving memory of our dear father, father-in-law and grandfather, Leo Rohlinger, who passed away one year ago, June 30, 1978:

A beautiful memory of one so dear,
We cherish still with love sincere,
He left us quietly, his thoughts unknown,
But left us with a memory we are proud to own.
So treasure him Lord in your garden of rest.
For when on earth, he was one of the best.

Sadly missed by the family.

IN MEMORY

In memory of our husband, father and grandfather, Bernard Schmidt, who passed away six years ago, July 4, 1973:

God took him home,
It was His will,
But in our heart we love him still.
His memory is as dear today,
As in the hour he passed away.

Lovingly remembered by the family.

CARD OF THANKS

The family of HORTENSE KRAUTKRAMER wishes to express our sincere thanks to our relatives, friends and neighbors who sent flowers, cards and memorials. Special thanks to Pastor Daniel Lienau, Miller's Funeral Home and to all who showed their respect in any way at the time of death of our dear mother, grandmother and great-grandmother.

Jane Herriges

A NOTE OF THANKS

I want to thank all my relatives, friends and neighbors for their concern for me during my stay as a patient in the hospitals in Ft. Myers, Florida, and West Bend, Wisconsin, and during my recovery at home. Your prayers, cards, gifts, visits and phone calls are very much appreciated. Thank you so much.

Virginia M. Miller

VILLAGE ADMINISTRATOR WANTED

The Village of Kewaskum is seeking qualified applicants for the position of Village Administrator. Duties for this position would include: assisting the Village Clerk in compiling reports and some record keeping. In addition, the position will involve increasingly responsible work to be assigned by the Village Board in the areas of grant applications, research, and the writing of extensive reports on various projects.

Applicants must also be able to do some elementary engineering field work. Public administration or municipal supervisory employment experience highly desirable, but other extraordinary work experience may qualify. Salary commensurate with experience and qualifications.

Applications are available at the Kewaskum Municipal Building from 8:00 a.m. until 9:00 p.m. - Monday thru Friday. Applications should be submitted to:

Village President
C/O Kewaskum Municipal Building
Kewaskum, WI 53040

Application deadline is: Friday, July 6th.

6-29-2t

County Holstein Twilight Meeting

The Washington County Holstein Association Twilight Meeting will be held on Thursday, July 5, beginning at 7:30 p.m. The Howard Proeber family of West Bend will host this year's event. The Proeber farm is located on County Highway D about 1 1/2 miles east of Kohlsville, or about 1 1/2 miles west of County Highway B.

The Proebers have an excellent herd of dairy cattle, with a present rolling herd average of 18,692 pounds of milk, and 676 pounds of butterfat. During the past two years they have been making some additions to their dairy and young stock housing facilities on the farm. The farm has also been a site for the Washington County Project to evaluate nonpoint pollution and runoff from agricultural lands.

The evening's program will include judging of two classes of dairy cattle; an introduction of the Proeber family; a discussion of "Animal Waste Management and Water Quality" with Reuben Schmahl, Chairman of the Washington County Board of Supervisors and Chairman of the Washington County Soil and Water Conservation District, and Fred Madison, Specialist, Wisconsin Geological Survey and Soils Department, University of Wisconsin-Extension, Madison; a presentation by William Langel, Program Director with the Wisconsin Holstein Association; door prizes and lunch.

The event is open to all members of the Washington County Holstein Association and to the general public.

Persons interested in additional information can contact the Washington County UW-Extension Office.

Bohlmann Is New Public Information Manager for MPTI

Lee Bohlmann has been appointed the Public Information Manager for the Moraine Park Technical Institute. Action by the District Board confirmed her appointment as of June 1, 1979. Bohlmann will coordinate promotional materials, publications, news releases, and radio and TV programs for the district.

Formerly with the UW-Center in West Bend, Bohlmann is an alumna of the UW-Milwaukee, with a background in publication and editing, radio and TV production, and journalism.

A resident of rural West Bend for the past seven years, Bohl-

mann, her husband, Ken, and children, Jenny, 12, and Chris, 11, reside on a horse farm northeast of the city.

About two-thirds of the weight of a man's body is water.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. Thursday, July 5.

Water covers about three-fourths of the earth's surface.

Minutes of Village Board Meeting

Regular Meeting
June 4, 1979
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Robert Danielsen presided and all Village Trustee Members were present.

A public hearing was conducted on the application of Henry and Carole Timblin for the rezoning of 3.257 acres of land owned by them and located just north of the Bonnie Bell Motel from R-1 Residential to B-2 General Retail Business and Service District. There were no objections to the proposed zoning change. The hearing was declared closed upon motion by Trustee Hergiges, seconded by Trustee Mlodzik. Voice vote was unanimous.

A public hearing was conducted on the applications for tavern license renewals and on the applications for liquor store license renewals. There were no objections from the floor to any of the applications as publicly read by the President. The hearing was declared closed upon motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was unanimous.

Sealed proposals for the asphalt paving of certain designated streets within the village were opened by President Danielsen, were publicly read and were tabulated as follows:

Ram Construction, Byron — Asphalt Surface Course per ton, \$25.00; Tack Coat per gal., \$1.00; Total Bid, \$33,000.00.

Reliance Construction, Sheboygan — Asphalt Surface Course per ton, \$19.90; Tack Coat per gal., \$1.00; Total Bid, \$27,446.00.

Payne and Dolan, Waukesha — Asphalt Surface Course per ton, \$15.18; Tack Coat per gal., .75; Total Bid, \$20,881.50.

All proposals were referred to committee for their recommendation. Motion by Trustee Schmidt, seconded by Trustee Hergiges. Voice vote was unanimous.

Mrs. Dianne Buchel, on behalf of a group of residents from the southwest area of the village, read a prepared statement to the Board protesting the operation of recreational vehicles and mini-bikes in the area where they live. Motion was made by Trustee Schmidt, seconded by Trustee Blumer that the village attorney be instructed to draft an ordinance prohibiting the operation of such vehicles on private or public property. It was further stipulated that such an ordinance should contain a stipulation that parents shall be responsible for the acts of their underage children. Voice vote was unanimous.

Based upon the favorable recommendation of the Plan Commission, the application of Henry Timblin for the rezoning of 3.257 acres of land north of the Bonne Belle Motel was approved. Motion by Trustee Stollenwerk, seconded by Trustee Mlodzik. Voice vote was unanimous.

John Schultz, on behalf of the residents of Bilgo Lane, Third Street and the west side of Parkview Drive, requested that the alley to the rear of the

Lutheran Church be made off-limits to school students between the hours of 11:00 a.m. and 1:15 p.m. during school days during the school year. Mr. Schultz further stated that he was prepared to present a petition to the Board to that effect. The request was referred to committee.

Kenneth Erickson discussed with the Board the charges made for the extension of sewer and water service on Werner Drive. The matter was referred to committee upon motion made by Trustee Schmidt, seconded by Trustee Mlodzik. Voice vote was unanimous.

The following ordinance was introduced by Trustee Raynor Hergiges:

ORDINANCE NUMBER 79-2 RESCUE SQUAD

The Village Board of the Village of Kewaskum, Wisconsin, does ordain as follows:

Section 1. That Section 5.01 of the Village Code of the Village of Kewaskum, Wisconsin, be, and hereby is, repealed and recreated as follows:

5.01. FIRE DEPARTMENT RECOGNIZED.

The Kewaskum Volunteer Fire Department is hereby officially recognized as the Fire Department of the Village of Kewaskum and the duty of the fire fighting, prevention of fires, and responding to calls for emergency treatment, in the Village, or designated areas delegated to such department, is delegated to such department. The Fire Department shall also have the duty of organizing, operating, and maintaining a Rescue Squad, which shall be part of the Fire Department. Its organization and internal regulation shall be governed by the provisions of this Chapter and by such bylaws adopted by the Department as are approved by the Village Board, except as is otherwise provided by law and ordinance.

Section 2. That Section 5.06 (11) of the Village Code of the Village of Kewaskum, Wisconsin, be, and hereby is, created as follows:

5.06 (11) RESCUE SQUAD RECORD BOOK.

He shall keep a record book of every incident to which the Rescue Squad was called, and shall enter in such book the location of the incident, time the request was received, cause of delay (if any) in responding, names of men responding, names of any person treated or transported, place to which any person was transported, and general remarks.

Section 3. That Section 5.07 (2) of the Village Code of the Village of Kewaskum, Wisconsin, be, and hereby is, repealed and recreated as follows:

5.07 CONTROL AND CARE OF APPARATUS.

(2) No apparatus shall be used for any purpose except for fire fighting or for responding to rescue calls within the Village limits or designated areas, or in training therefor, except pursuant to an agreement approved by the Village Board after the Chief has given his recommendations on such use. With the approval of the Chief such apparatus may be used for emergency purposes within the Village or designated area. A written report of all such uses shall be made quarterly to the Village Board.

Section 4. That this ordinance

shall take effect and be in force on June 5, 1979.

Motion for adoption by Trustee Gerald Stollenwerk.

Motion for adoption seconded by Trustee David Nigh.

Roll call vote - 7 "Aye"
0 "Nay"

Upon motion by Trustee Schmidt, seconded by Trustee Hergiges and carried upon a unanimous voice vote, the following applications for a Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License for the period of July 1, 1979, to June 30, 1980, were approved and the Commissioner was authorized to issue the proper license upon payment of the required fee:

Michael Conrad Coulter, 355 Main Street.
Sylvester Walter Keller, 1208 Fond du Lac Avenue.

The following persons were granted permission to attend various conferences:

1. Fire Chief Bilgo and Ass't. Chief Ehert to attend the Wisconsin Fire Chiefs Convention at Madison June 15, 16, 17.

2. President Danielsen to attend the 8th annual workshop for new municipal officials at Madison on June 15.

3. Commissioner Martin to attend the workshop on Tax Incremental Financing at Fond du Lac on June 13 and to attend the Wisconsin Clerks and Finance Officers Institute at Delavan on June 26, 27, 28, 29.

Motion by Trustee D. Nigh, seconded by Trustee Schmidt. Voice vote was unanimous.

Motion was made by Trustee D. Nigh and seconded by Trustee Schmidt that the application of Ralph E. Scott for a tavern license renewal be tabled until the June 18 Village Board meeting and the Commissioner was requested to notify Mr. Scott to appear before the Village Board on that date for an interview. Voice vote was unanimous.

Upon motion by Trustee Hergiges, seconded by Trustee Blumer and carried by a unanimous voice vote, the following applications for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the period of July 1, 1979, to June 30, 1980, were approved and the Commissioner was authorized to issue the proper license upon payment of the required fee:

Kenneth Bonlender and Thomas Piwoni, Partnership, 137 Main Street.
William A. Edwards, 1139 Fond du Lac Avenue and the adjoining premises at 100 Clinton Street.
Robert D. Flynn, 204 Main Street.
Lloyd R. Keller, 1257 Fond du Lac Avenue.
Rose E. Kuehl, 215 Main Street.
William J. Kulas, 109 Main Street.

Roger Schmitt, 1271-1273 Fond du Lac Avenue.
Gloria J. Serwe, 102 First Street.

Robert G. Romaine Post 384, American Legion, 1538 Fond du Lac Avenue, Ervin P. Bonlender, Agent.

The application of Randolph Scott for a bartender's license was rejected upon motion by Trustee Hergiges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The application of Brenda Wagner for a bartender's license was approved and the Commissioner was authorized to issue the proper license upon payment of the required fee. Motion by Trustee Stollenwerk, seconded by Trustee Hergiges. Voice vote was unanimous.

Three plans for the placement of traffic control signs on streets leading to the new park area were submitted by the Police Department to the Village Board for their consideration. Plan No. 2 was adopted by the Board upon motion by Trustee Blumer, seconded by Trustee Stollenwerk. Voice vote was unanimous.

Three-way stop signs for the intersection of Forest Avenue and Edgewood Road were ordered to be installed upon motion by Trustee Schmidt, seconded by Trustee Hergiges. Voice vote was unanimous.

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh, were as follows:

Village Gen. Fund \$39,779.95
Water Dept. Fund 1,157.26
Sewage Dept. Fund 4,507.92

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Hergiges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The installation of a 250 watt mercury vapor street light was authorized for the intersection of North Avenue and Edgewood Road. Motion by Trustee Mlodzik, seconded by Trustee Blumer. Trustee Stollenwerk abstained from voting on the motion. The vote of the motion was 6 "Aye" and 0 "Nay."

It was the recommendation of the Public Works Committee and the Superintendent of Public Works that the proposal of Payne and Dolan for the asphalt paving of streets seemed the most advantages to the village and should be accepted. Motion to that effect was made by Trustee Mlodzik, seconded by Trustee Hergiges. Roll call vote was 7 "Aye" and 0 "Nay" for the acceptance of the proposal.

Motion was made by Trustee Schmidt and seconded by Trustee Stollenwerk that the Board reconsider the seal coating of the tennis courts in the new park area. Voice vote was

unanimous. After due consideration, motion was made by Trustee Hergiges, seconded by Trustee Mlodzik, that the Board disallow the seal coating of the tennis courts in the new park. Voice vote was unanimous.

The Park Committee announced that the arts and crafts portion of the summer recreation program would run from June 18 to August 10. Parks and Recreation Committee Chairman Trustee Schmidt also announced that a meeting of his committee had been scheduled for 7:00 p.m. on June 13.

Upon motion by Trustee Hergiges, seconded by Trustee Mlodzik and unanimously carried, the Board adjourned until 8:00 p.m. June 18, 1979.

William S. Martin,
Commissioner

Pearson-Dunn Are Hron Cup Winners

Clark Pearson of Kewaskum and Jack Dunn of West Bend are the winners in this year's Hron Cup tournament held at Hon-E-Kor Country Club. Postponed the first date, it was held Sunday, June 17, with 35 participants.

Pearson shot net 64 to beat other competitors in the 'A' Division. He shot 74 on a 36-38. Par is 70. Mike O'Connor Sr. was second with net 66.

Dunn won the 'B' Division with 64 on an 82 minus handicap of 18. Tied for second were Harry Nischke and Kelly Bauer with 66s. Mike O'Connor Jr. shot 36-37--73. Clark Eichstedt had 75.

Revitalized Indians Win 3 Out of 4

After losing their first 4 games in the Scenic Moraine Conference, the Kewaskum Indians turned the tables by winning 3 out of 4 games the past week.

Last Tuesday night the Indians hosted Kettle Moraine and broke loose for 13 runs on 12 hits in beating the Lasers, 13-6.

The 13 runs and 12 hits were high for Kewaskum this season. Freshman shortstop Dave Donath, although he did not have a good day in the field, sparked at the plate with 3 runs scored and 2 hits, including a home run over the centerfield fence with a runner aboard and a double to drive in another run.

Table with 2 columns: Kewaskum and Kettle Moraine. Rows include player names, at bats, runs, hits, and RBIs.

In a slugfest at Pewaukee Thursday evening, in which 33 hits were banded out, Kewaskum bested the last place Pirates by 'one touchdown,' 21-13.

On a hitters' field day, Pewaukee had the most hits (18) to Kewaskum's 15 but the Indians wound up with the most runs. After trailing 12-10 after 3 innings, the Indians staged an 8-run rally in the 4th to clinch the victory.

Table with 2 columns: Kewaskum and Pewaukee. Rows include player names, at bats, runs, hits, and RBIs.

The surprising Indians ran their winning streak to 3 straight at Grafton Friday evening, winning in 9 innings, 4-3, with a run in their half of that frame.

Coach Mike Theiler had a problem when the game started. Muench couldn't pitch because he hurled Thursday and the other two pitchers, Reif and Mike Pettit were late in getting there. Winning pitcher Reif won his own game in the 9th when he singled in Heberer from second base.

this year. Grafton got only 4 hits.

Table with 2 columns: Kewaskum and Grafton. Rows include player names, at bats, runs, hits, and RBIs.

Kewaskum's streak was ended at Germantown Monday night. After winning 3 in succession, the Indians were bombed by the heavy hitting Warhawks, 14-3.

After knocking in a run with a single in the first inning Bemis pulled a groin muscle and had to leave the game. Kewaskum got just 1 more hit after this off Mike Weber, a run scoring single by Donath in the 6th. The Warhawks collected 10 hits off of loser Reif, with the star being Dan Delaura, who scored 4 runs and had 4 hits.

The Indians are now 3-5 and 4-8 overall.

Table with 2 columns: Kewaskum and Germantown. Rows include player names, at bats, runs, hits, and RBIs.

SCENIC MORAINE STANDINGS

Table with 2 columns: W and L. Rows list various teams and their win-loss records.

Heisdorf Cars 2nd And 5th in 50 Lap Memorial Feature

After being rained out the last two weekends, the John Heisdorf owned midget race cars got back to action on Sunday night at the Sun Prairie track before a capacity crowd.

The No. 1 car powered by a VW engine driven by Ken Bierterz of West Bend placed 2nd and the No. 2 car powered by a SESCO engine driven by Dave Ray of Davenport, Iowa, placed 5th in the 50 lap Horst-meyer Memorial Race.

Dave was involved in a 2nd lap accident which affected the handling of the car but was still able to place 5th.

Ken started in the 6th row, 12th starting position and Dave in the 2nd row, 8th starting position.

The cars will be in action again this weekend at Sun Prairie.

Area Racing News

By Ken Knoll

Thursday night the drivers were back at Wisconsin International Raceway in Kaukauna. Tony Strupp of West Bend was 3rd in time, 5th in the fast dash, and then he came on to win the 20 lap feature after taking the lead on lap 7.

Sunday afternoon the drivers were back up at Kaukauna for the running of the Artgo Hi-Rev 100, featuring NASCAR star Bobby Allison of Hueytown, Alabama. Goeden had himself set up just right for the race, as he was 10th in time, 5th in his heat and then came on to finish 8th in the 100 lap feature.

Sunday night at Slinger Super speedway, Tony showed what happens when he is driving his own car. He just about cleaned house as he was 1st in time, 1st in the fast dash, 2nd in his heat and 1st in the 30 lap feature after taking the lead on lap 22.
