## Charlie (and Mary) Have Their Day

Charles and Mary Miller were honored Sunday afternoon, September 30, at "Charlie Miller Day" ceremonies in the Kewaskum High School gym. Earlier there was a luncheon at the Legion House for present village officials, past members of the village board, relatives and close friends.

There was much reminiscing about experiences with Charlie during the more than 22 years he has been active not only in the village government, but also in county affairs as a supervisor. County Board Chairman, Reuben Schmah, spoke at length of Charlie's conscientious service in that position.

One of the surprises was the appearance of Charlie's former teacher in the Kewaskum Elementary School, Edna Altenhofen Gottsleben, who told interesting tales of way back when.

Orv Behnke was master of ceremonies and told of the early years of Charles and Mary. They both have bachelor degrees in Math, Science and Chemistry from Lawrence University, Appleton. Mrs. Miller taught in the high school at Virgo before she was married and Charlie once worked at the Kewaskum Aluminum Company (now Regal Ware) for 17c an hour and after that went into business with "Pat" Miller. However, when his father died, he took over the family photography business and later sold appliances. They have one daughter, Carol, and two grandchildren, who came from Illinois to help celebrate the occasion. Due to earlier commitments, their son-in-law was unable to attend the celebration.

Plaques and praises were offered Charlie for his fairness, his devotion and his loyalty in serving in so many good projects furthering the advancement of the Village of Kewaskum.

James Reigle, a past president of the village, also represented the Kiwanis Club of which Charlie is a charter member and presented a Distinguished Service Award. He spoke of projects completed during Charlie's administration

such as the No. 2 well, Municipal Building and Sewage Disposal Plant.

Cy Wietor, also a past president, spoke of his pleasant relations with Charlie.

Dan Schmidt, Village Administrator, relived his experience with Charlie when they visited the Department of Natural Resources in Madison on business concerning the new park. He also presented Mary Miller with a silver plate reading "Dedicated Service 1949-1979" for her thirty years on the library board.

Phyllis Bade made the presentation of a plaque and gift from the Woman's Club for his many years of dedicated service.

Mrs. Clarence Weber came from Sheboygan representing the American Field Service to tell of the Miller's "other daughter" in Norway and the many other foreign students they helped while in Kewaskum. She presented a picture and list of the AFS students.

Phyllis Schmidt, representing the Junior Woman's Club, presented a gift certificate and plaque lauding Charlie for his public service.

Walter Schmidt, also presented a gift certificate from the Sportsmen's Club of which Charlie was one of the founders.

Raynor Herriges; Augie Bilgo, Supt. of Public Works and Fire Chief; Peter Albers, Supt. of Waste Water Treatment; Clayton Stautz, Commander of the American Legion Post, and Richard Zarling, Zoning Administrator, all made presentations of gifts and offered their organization's and department's praise and well wishes.

Letters were read from those who could not be present including Wayland Tessar, past village president; Carl Freehauf, also past president; Bob Danielson, president at this time; Paul Behring, president Chamber of Commerce; Don Nowak, president of the Jaycees; George Martin, former employee, and St. Lucas Ev. Lutheran Church.

Ruth Behnke, president of the Library Board, then presented Mrs. Miller with a gift for her thirty years of service to

the Library.

Delores Kleinke, president of the Kewaskum Historical Society, presented a Certificate of Commendation and lifetime memberships to both Charles and Mary.

Bill Martin, Village Commissioner, made the final presentation which was the gavel never used by Charlie because he had a good strong fist.

The State of Wisconsin did its part, too. A plaque was received from Madison and given to Charlie by Orv Behnke. It was signed in red ink by Governor Lee Dreyfus himself causing Charlie to remark: "the fellow even signs his name in red."

## PLAN FOR PROJECTIONS IN POPULATION, HOUSING

### Board Accepts Dewatering Equipment Bid From Permutit

By DAN MEILAHN  
Statesman Staff Writer

The Kewaskum Village Board met on Monday, October 1, mainly to accept a bid for dewatering equipment from Permutit Company of Morton Grove, Illinois. Miscellaneous items as improving the Second Street intersection, approving a zoning variance for Regal Ware, approving the Town of Kewaskum's fire contract, and bartenders' licenses were also considered.

A bid of \$25,089.00 was accepted for the model 200 of Permutit's sludge conditioning device. This price was \$12,000 less than the next highest bidder, Smith and Loveless of Milwaukee. Some contacts made by Supt. of Wastewater Treatment Pete Albers indicated that the Permutit device may not get the 10% solids that were required in the original specifications drawn up by the village engineers, Foth and Van Dyke of Green Bay, and that there were some maintenance problems. These were reportedly corrected now. Albers also preferred to have the Smith and Loveless machine installed, but assured the board he would work with whatever equipment the board chose to purchase. Trustee Raynor Herriges was originally

opposed to Permutit, but now didn't see why it shouldn't be given a chance. Trustee Don Mlodzik couldn't see why such a relatively simple machine would not work.

Board members Jerry Stollenwerk and Dave Nigh wished to secure some guarantee in writing that the Permutit machine would definitely work according to specifications during a trial period. The board eventually decided unanimously that the machine would be tried and that an addition to the contract be written. The device must consistently get 10% solids over a 90 day period. No money would be exchanged during this time. If the village is not satisfied, the device is to be removed at Permutit's expense.

If the 10% figure is achieved for the consistency of the sludge it is feasible that it could be hauled in dump trucks and deposited on farmers' manure piles. Several board members still felt this transportation method improbable, but Albers insisted that everyone he consulted said it was possible.

At the last meeting, the Chamber of Commerce had suggested rounding off the southeast corner of the Second Street and "45" intersection, as it is particularly hazardous

## KHS Homecoming Next Week

HOMEcoming COURT—Standing, left to right, top: Bob Nigh and Mirjam Sibbel; Joel Herriges and Janet Matenaer; Tom Kern and Laurie Wilson; Bruce Keller and Diane Bremser; Rod Schultz and Sherry Bilgo; Jess Averill and Bassma Marji. Sitting, left to right: Perry Kempf and Jeweleen Beyer; Randy Heberer and Carrie Dreher; Steve Muench and Laura Stange.

Several activities will be part of the 1979 Kewaskum High School Homecoming preparations. Each class will be participating in the traditional spirit competition and "Pep Week." The events of Pep Week will include: Monday as Indian Day; Tuesday, Toga Day; Wednesday, Alien Day; Thursday, T-Shirt, Hats and

Button Day; and Friday, Green, Gold and White Day.

The Pewaukee Pirates will challenge the Indians in Friday night's game October 12. Preceding the game will be the traditional Homecoming parade starting at 6:00 p.m. The parade route will begin at the high school and follow south on Park View Drive to Main Street, and

west on Main Street through the downtown section. The parade will then return to the high school.

Saturday, October 13, Ukiah will provide the entertainment for the Homecoming dance which will be held in the high school gymnasium. The dance will be held from 8 to 12 p.m.

A JUICE FOR JOY

Apple Juice has a long and interesting American heritage. The American colonists developed a method of producing a potent apple brandy from fermented apple juice which they called Applejack. History records that some of our forefathers believed that strong spirits like applejack were helpful to maintain health. This belief led to the practice of the head of the household often starting his day with a blast of applejack for breakfast. Whatever health effects this practice had, I question its value nutritionally.

But pure unsweetened apple juice does provide a delicious nutritious drink. A one cup serving contains about 100 calories, the minerals, calcium, Phosphorus, potassium and iron. This glass of apple juice will contain slight amounts of the B vitamins and vitamin C.

A Cider Drink

1 quart sweet apple cider 6 sticks cinnamon  
10 whole cloves 1 whole allspice  
3/4 cup sugar 1/8 teaspoon salt

Combine ingredients in the order listed, bring to the boiling point and simmer 15 minutes. Allow to stand 12 hours. Strain and serve hot. Serves 5.

## Village Board

(Continued from Page 1)

when making a right turn off of "45" or when semi-trailers or busses are trying to negotiate the turn during the Regal Ware and Kewaskum Schools rush hour. Fairmont Foods is presently willing to deed about 250-300 square feet of the corner to the village. Supt. of Public Works Augie Bilgo reported that a catch basin would have to be moved 12-15 feet and that there is a gas valve west of the sidewalk. In the future, probably next year, some digging would be done and curb and gutter installed. The board approved acquiring the land and \$150 for the survey and miscellaneous work at present.

Police Chief Don Hlavaty then made a suggestion that parking be restricted on each side of the intersection as a somewhat temporary solution. The board approved this also, so signs will be posted and the curb painted yellow from the Fairmont driveway on the south to the corner and from the corner north to a point directly across from North Street.

A building permit was approved for Regal Ware which wishes to erect a storage shed along Reigle Drive. They had requested a 6 foot setback, and the most the zoning ordinance would allow was 25 feet. Regal wished to have only 6 feet to prevent the accumulation of any "junk." The board of appeals also recommended approval of the variance.

One bartender's license was denied to an individual who had recently turned 18.

Another bartender's license was approved for Beverly Rohlinger. There were no objections. (Crickets can now have grasshoppers!)

According to Village Administrator Dan Schmidt, the fire contract with the Town of Kewaskum will be sent out in time for their next meeting. In conjunction with this was an explanation of the fire department's budget as nearly as it can be determined. The town wished to know how its payment was spent. The information sheet shows \$25,700.79 as cash in the bank. Revenue from fire contracts is \$15,000 and from fire insurance is \$3,500. Expenditures, as additional wages of \$3.50 per hour or for instruction, are \$8,500. Hydrant rental is \$10,000 and fire department outlay is \$3,500. Notes on the fire department property and building total \$28,400. Gasoline for fire vehicles totaled \$341.99 so far this year.

There was some disagreement as to the village selling its 1973 station wagon. Danielsen reported that he had authorized its sale and advertising in the paper for bids. Only one bid of \$127 was received, however, Trustee Raynor Herriges strongly protested the sale of the vehicle. He said it could be used by the summer recreation department instead of a certain

dangerous truck or even when the police car is being maintained. Don Mlodzik felt that advertising in only one paper was not sufficient, and Dave Nigh didn't think it was right that the entire board didn't authorize the sale. On a divided vote, the sale was not approved.

The board authorized Carl Spoeth and Augie Bilgo to attend an auction at Bob Schultz's greenhouse and nursery if necessary to purchase 12 trees. They are also to look into the practicality and potential expense of using a tree spade to transplant some larger trees from the woods to other areas in the new park. Up to \$400.00 was allotted for a variety of trees procured in the most reasonable manner.

The crossing guard situation was examined through a survey of the number of children crossing at various intersections. It was determined that as many cross Main Street as cross intersections on "45." An additional guard would cost \$2,035, and the board members tabled the issue. The schools wish to have this matter dealt with by the village and police department. The state sets no guidelines as to the number of students required for an additional crossing guard.

The alley and adjacent area between Bilgo Lane and Park-

view Drive is presently patrolled by a police officer over noon hours and it has been reported by residents that there is much less loitering by students. Raynor Herriges expressed concern as to the need for an extra officer for this patrol and especially for retaining that officer beyond the school noon hours of 11:00 to 12:45. Herriges said he was concerned about the "almighty tax dollar" and requested the chief of police to look further into the situation. Chief Hlavaty said if he didn't think he needed the extra man, he wouldn't have him there.

Don Mlodzik reported that five applicants would be interviewed on October 9 for the position of assistant librarian.

Jerry Stollenwerk reported that the Plan Commission is definitely "planning" and referred to some projections concerning the population and housing situation. Although not mentioned at the board meeting, the "Stollenwerk Projection" shows that there is an average population growth of 3.56% annually within the village. SEWRPC projections show that in 1985 there may be 3.48 persons per housing unit. So, through 1985, if the population growth is an increase of 546 persons, up to 3,106, the additional number of housing

units would be 162. The "Stollenwerk Projection" further asserts that the land available for additional housing would be 132 units (and most likely more). The report concludes that there will be "sufficient land for additional housing requirements through 1984."

The Plan Commission also discussed the possibility of extending Reigle Drive to the north around the tanks at Regal Ware and then most likely intersecting Old Fond du Lac Road. The relative plausibility of an underpass when confronted by the railroad was discussed. Some discussion of another bridge over the river to the north occurred along with the mention of a footbridge from the east side of town to a point near Third Street.

(Reporters note - It should be remembered that these are not definite or concrete plans and are only suggestions or recommendations by some members of the Plan Commission in order to allow the community to develop more systematically. The Plan Commission anticipates problems and envisions improvements which may or may not develop into reality. I consider these items not as actual "news" until they come

before the regular village board in a well defined and urgent manner.)

At the board meeting, there was public recognition of Orv Behnke, Paul Blumer, Homer Schaub, and Cy Wietor for their role in the planning and coordination of the successful "Charlie Miller Day" on September 30.

Needless to say, Raynor Herriges moved to adjourn.

## Klugs Plan to Rebuild Barn Ruined by Fire

Plans are now in progress by Floyd and Laura Klug of Route 1, Kewaskum, for rebuilding their dairy barn destroyed by fire early Monday morning, September 24.

The Klug family discovered the fire shortly before midnight Sunday night when their daughter, Doreen heard crackling noises. By the time they were able to call the fire department, the barn was almost engulfed in flames.

Upon arriving a little past midnight, the Beechwood Fire Department immediately summoned aid from the Batavia, Boltonville, Silver Creek and Kewaskum fire departments. There were about 70 firemen at the scene with the Beechwood Department remaining there until Monday afternoon.

Destroyed was the 38x78 foot main barn. Firemen saved the floor of a new 38x40 foot barn wing and a 38x40 foot calf barn. Also lost were 2,500 bushels of oats, around 6,000 bales of hay, 1,500 bales of straw and 30 chopper loads of straw. Three silos were also damaged. According to Klug, one of the silos was expected to be repaired this fall.

None of the 51-cow milking herd were killed in the fire as they were in the pasture. The cattle were hauled to the Carl and Bonnie Meyer farm, where they are being milked until the barn can be rebuilt. There were about 31 calves and young stock in the barn, but Klug was able to release them before the floor caved in.

The 225-acre farm, located three miles east of New Fane and eight miles east of Kewaskum, has been in the family for many years. The origin of the fire was unknown but was being investigated. Damage estimates are around \$150,000. The Klugs expression of thanks is on another page of this issue.

## AFS Chili Supper, Carnival Planned

The A.F.S. Club of Kewaskum High School will hold its annual Chili Supper on Wednesday, October 17, from 4:30 - 7:30 p.m. in the high school cafeteria. Advance tickets are available from any A.F.S. club member, or can be reserved by calling the high school at 626-2166.

They can be picked up at your convenience. The price of advance tickets is \$2.25 for adults and \$1.25 for children. Tickets at the door will be \$2.50 and \$1.50.

The two A.F.S. students, Mirjam Sibbel and Baasma Marji will have displays from their native countries.

In addition, the adult chapter is having a Carnival from 4:00 - 7:30 p.m. in the old gym of the high school. There will be twelve games to participate in. Tickets for the carnival are 5 for \$1.00. Winners will receive assorted prizes.

So for a good meal and lots of fun, see you at the A.F.S. Chili Supper.

Vitamin B3 (Niacin) taken daily could reduce the emotional problem of schizophrenia, says Canadian psychiatrist, Dr. Abram Hoffer. "I think schizophrenia is a disease where there is a relative deficiency of vitamin B3. If we were to add to our diet at least one gram a day, we could see a significant decrease in the extent of this disease." Dr. Hoffer says he gave 2000 patients massive doses of niacin, with complete recovery for 90% of them, and improvement for the rest.

## 'Two Hits & a Miss' Celebrate 30 Years in Music Business

Jiggs and Marlene back in 1952

Jiggs and Marlene today

During the month of September, Marlene Marks and Wayne "Jiggs" Mannigel celebrated their 30th anniversary in the music business. Brother and sister, they are owners of the group, "Two Hits & a Miss."

In 1949, living in Waupun, and playing mostly in that area, they were transported by their parents to their dance jobs. "Jiggs" was only seven and Marlene a few years older.

In the past 30 years, they have played for many occasions, including clubs, dances, parties, weddings and anniversaries, picnics, political campaigns, and a national show for Mercury Marine in Arizona.

The year 1979 brought a slowdown of the group, but all systems are "go" again.

Marlene and "Jiggs" would like to thank everyone for a joyful past 30 years and are looking forward to the next 30.

### Junior Jargon

The Kewaskum Junior Woman's Club will be holding the October meeting on Thursday, October 11, at 8:00 p.m. at the Valley Bank.

The program will be of special interest to all women. It is a debate on the pros and cons of ERA. Mary Dietreich, vice-president of Eagle Forum, will present views against ERA. Elaine Shanebrook, an attorney from West Bend, will present the pros of ERA.

All ladies in the village are welcome to attend this program. The Kewaskum Juniors welcome guests at all meetings. This meeting will also center around the upcoming tour of homes, "Autumn Pathways" to be held October 27.

**Homer Declares  
October As  
UNICEF Month**

October 31 is National UNICEF Day and the entire month of October has been declared locally by Homer, the West Bend Savers, as UNICEF Month. UNICEF Month is a time for everyone, especially Homer's Club members, to support the work of the United Nations Children's Fund. In over 100 countries of Asia, Africa and Latin America, UNICEF works with governments to provide children with the basic necessities of life and growth - adequate food, health care, clean water, and education. A local UNICEF unit sponsored by West Bend Savers' junior savers club will provide an opportunity for club members and concerned citizens to join this special effort to help children.

West Bend Savers has set a goal of \$500 - the minimum amount the association hopes to ultimately donate to UNICEF after the month long campaign. According to Richard A. Larson, association president, this special campaign has been developed to provide Homer's Club members (young savers under the age of thirteen) with an opportunity to help support the children of the world. This unique approach does not seek direct contributions from young savers, rather, all contributions will be made by West Bend Savers (and others who wish to make direct contributions) based on the number of Homer's Club savings deposits made during the month of October. The objective of the Homer the Lion Savers Club, to encourage young savers to save regularly, is thus still maintained.

Love is not enough to keep children alive and healthy, but it is a strong incentive to everyone who cares about the well-being of the world's children. West Bend Savers encourages everyone to help. And during this year, the International Year of the Child, our help means even more.

**Retirement Program  
Sessions Planned**

The Business-Industry Education Advisory Council of Washington County has announced their Pre-Retirement Planning Program sessions. A news release said today that the five weekly sessions will begin Tuesday, October 16.

The sessions will be taking place at the Cedar Lake Home Campus - Learning Center on Highway "Z" in West Bend. The cost for all five sessions is \$10.00 per registrant, which includes your spouse.

The sessions will deal with many phases of pre-retirement planning. For instance, one session will talk about housing and its choices and locations along with short and long term health care facilities and what to

do with your leisure time. Another session will deal with estate planning and your financial needs. The aging process and your attitude towards retirement will also be topics for discussion.

This program is for anyone who is interested in expanding their ideas about retirement.

To register, make your check payable to PREPP and send along with your name(s) and address(es) to PREPP, P.O. Box 118, West Bend, Wisconsin 53095. Participation is limited. Please mail before October 5.

### Campus Notes

Kathleen Kay Grandin of Kewaskum was one of 508 freshmen who recently began classes at Mount Holyoke College in South Hadley, Massachusetts. A private, liberal arts college which has been a leader in women's education since its founding in 1837, Mount Holyoke appeared as one of the top twenty-five most selective institutions in the country in a current study conducted by the Higher Education Research Institute for "Change" magazine. Known for its distinguished academic offerings in a variety of fields—from chemistry and biopsychology to dance and creative writing—the College offers its 1850 students a flexible, innovative curriculum with opportunities to serve summer or winter term internships in major corporations, non-profit institutions and governmental agencies both in the United States and abroad.

Ms. Grandin graduated from Kewaskum High School in 1978 and studied last year at El Colegio La Candelaria in Bogota, Columbia. During her years at Kewaskum High School, Ms. Grandin was a member of the National Honor Society, the Math Team, and the Ski Club. She was also in the Spanish Club and served as president in her senior year. In addition she served as the secretary-treasurer of the AFS Club during her senior year. Ms. Grandin is the daughter of Mr. and Mrs. Ervin Grandin of Kewaskum.

## Homer, The West Bend Savings Lion Proclaims October, 1979 UNICEF Month

I, HOMER THE WEST BEND SAVINGS LION, do hereby proclaim the month of October, 1979 UNICEF MONTH in Washington County, and call upon all Homer's Club members to join with me in honoring the UNITED NATIONS CHILDREN'S FUND for the exceptional contributions it has made to the children of the world.

Homer's Club members who deposit any amount to their Homer's Club savings account during October will receive a FREE UNICEF bookmark, UNICEF balloon and a delicious piece of Homer-bite candy. Best of all, Homer's Club members will be helping the needy children of the world because West Bend Savings will make a special donation to UNICEF for every deposit made to a Homer's Club savings account during October.

I encourage everyone to help, especially during this year . . . The International Year of the Child.

## Justman-O'Daniel

Sandra Justman, Mobile, Alabama, the daughter of Mr. and Mrs. Harold F. Justman, 8856 Hwy. 45, Kewaskum, became the bride of William O'Daniel, Mobile, Alabama, on Saturday, August 11, in a garden ceremony at the home of the bride's parents.

The bridegroom is the son of Mr. and Mrs. Roger Coleman, Mobile, Alabama. Music for the 1:15 p.m. ceremony was provided by the father of the bride.

Honor attendants for the couple were Cheryl and Gerald Wagner, West Bend, sister and brother-in-law of the bride. Valerie and Vicki Wagner, nieces of the bride attended as junior bridesmaids. Wanda and Chad Wagner, niece and nephew of the bride served as flower girl and ring bearer.

A reception, dinner and dance for the immediate families and friends was held at the American Legion Post, Kewaskum.

The bride is a 1976 graduate of Kewaskum High School and is employed by Acco, Inc. as a computer operator.

The bridegroom is a 1972 graduate of Horicon High School and is attending Southwest State Technical Institute pursuing a degree in electronics technology.

The couple resides at 3907 Michael Blvd., 252, Mobile, Alabama.

## WE'VE UNCOVERED A SMALL, BUT SIGNIFICANT, SOLUTION TO THE ENERGY PROBLEM.

---

**W**e found a new source of energy: Milwaukee's trash. In the first full-scale test program in the country, Wisconsin Electric and Americology, a division of American Can Company, have been using Milwaukee's burnable waste for power plant fuel since 1977.

In terms of solving the energy problem, it's still just a small step. Testing so far shows a year's worth of Milwaukee trash would account for less than 1% of Wisconsin Electric's annual fuel needs.

But it's a significant step.

It represents an attitude we have at Wisconsin Electric. That no solution to the energy problem, no matter how

small, should be overlooked. A percent here. A percent there. It all adds up. Just as your efforts to save energy can add up, too.

Conserving a single kilowatt-hour of electricity may not seem significant by itself. But when you multiply it by the 2.3 million people Wisconsin Electric serves, it adds up to a significant savings in energy and money for everyone.

## 25 Years Ago

October 8, 1954

A "twister" and severe rain storm hit Kewaskum on Sunday noon, October 4. Many buildings were extensively damaged, cellars and streets were flooded, numerous trees were uprooted and power lines knocked down. Some observers who watched the storm approach claimed that they saw a tornado funnel pass low over the village from the northwest. Many people were frightened and were heading for basements as the storm hit with devastating force and suction. The fierce part of the "twister" lasted only minutes but the accompanying deluge of rain continued longer. The damage was estimated to be many thousands of dollars. Three large display windows at Miller's Furniture store were shattered by the wind gusts. A chimney on Rosenheimer's store was toppled, crashing through the roof. Almost half of the roof on a garage-shed building on the property owned by Mrs. Selma Ruppig at the rear of Keller's Tavern was lifted off and thrown about 100 feet onto the Schaefer Bros. used car lot. In front of the Republican Hotel a large neon sign was ripped off. Along the path of the storm a garage at the Homer Schaub home on Park Street was shifted on its foundation. At the William Bunkelman home a doghouse with the dog inside blew down the street. At Gib Buechel's tavern an unbelievable oddity occurred. The suction from the wind pushed a display window out, bending the glass so far that there was openings at the sills. Tissue paper decorations in the window passed through the openings and when the window snapped back into place the paper was hanging on the outside, being wedged in the glass. Kewaskum gained publicity in the Milwaukee papers as a result of the storm.

Miss Carol Mae Schmidt, daughter of Mr. and Mrs. Otto Schmidt, Route 1, Adell, and Kenneth Koth, son of Mr. and Mrs. Alfred Koth, Route 1, Kewaskum, were married September 25.

A/IC Daniel Staehler, son of Mr. and Mrs. A. M. Staehler of Kewaskum, who is stationed at Mitchel Air Force Base, New York, with the 2500th Motor Vehicle Squadron, has been presented with a "safe drivers award" by Major William A. Banks, Commander, USAF.

A daughter was born to Mr. and Mrs. Robert Dreher, Kewaskum, on October 3.

## 50 Years Ago

October 5, 1929

Margaret and Marie Mueller, daughters of Mr. and Mrs. Edward Mueller and Albert Bertram, son of Mr. and Mrs. Alfred Bertram of Milwaukee, who were wounded when hit by stray shots on Sunday, September 15, while picking apples in an apple orchard on the Mueller farm west of Elmore, are recovering from their injuries. Margaret, who was hit on the lower jaw, splintering the jaw bone, is however, still in a precarious condition. The shot lodged in her jaw has not been removed, and it is hard to state just when it can be done. The three hunters, who fired the shots, have as yet not been identified by authorities.

Andrew Kuehl, a prominent and well known Town of Wayne farmer, met with painful injuries while at work at his home on September 26. Mr. Kuehl it is reported met with the accident when he jumped from a hayrack on which he had been working and injured himself quite badly.

Clarence Mertes purchased the W. S. Olwin residence on First Street.

## 75 Years Ago

October 8, 1904

The Bank of Kewaskum elected officers last week and will open for business on Friday, October 14, 1904. The Board of Directors consists of Moritz Rosenheimer, Adolph Rosenheimer, Joseph Schmidt, G. A. Kuechenmeister, and D. M. Rosenheimer.

William Stern of Kewaskum

and Miss Barbara Kurtz of the Town of Farmington, were married in West Bend, on Saturday, October 1.

The barn on Theodore Kohn's farm was struck by lightning on September 26 and totally destroyed by fire, together with all its contents. Henry Roehrdanz's barn, southeast of Kewaskum, and the barn on the Van Vechten farm, were also struck but slightly damaged.

The marriage of Nic Strachota, son of Mr. and Mrs. Joseph Strachota of Kewaskum, and Miss Annie Kauber, of Lomira, will be solemnized on October 11.

Philip McLaughlin bought the butcher shop property on Main Street from Mrs. C. Fleischmann last week for \$3,200.

A huge wild cat was seen October 2 by Frank Diener, August Reinke and several other Beechwood residents.

The 25th Anniversary of Salem's Congregation in Wayne will be held on October 9.

## Laura Ann Ramthun Baptized Sunday

The infant daughter of Mr. and Mrs. Jonathan Ramthun, West Bend, was baptized Sunday morning, September 30 at St. Lucas Lutheran Church, Kewaskum by Rev. Paul Hoencke. She received the name Laura Ann and her sponsors were Mrs. Tim Ramthun of Germantown and Larry Geidel of Newburg.

The paternal grandparents, Mr. and Mrs. Ellie Ramthun of Route 2, Campbellsport, maternal grandparents Mr. and Mrs. Norman Geidel of Newburg, great grandparents Dr. and Mrs. R. G. Edwards of Kewaskum, Mrs. Alma Geidel of West Bend, Walter Degnitz, Random Lake and the sponsors families were all present at the church for the baptism.

Mr. and Mrs. Jonathan Ramthun entertained their guests at the home of her parents.

## Legion to Hold Lamb Barbecue

For those interested in finding out what quality lamb tastes like, the Robert G. Romaine American Legion Post 384 is sponsoring a Lamb Barbecue, Sunday, October 7.

Kewaskum's American Legion purchased the lamb at last July's Washington County Fair-Junior Livestock Sales. This lamb was raised by Lisa Mate-naer of Kewaskum. It is choice grade and also won a ribbon at the carcass show held at Kewaskum Frozen Foods.

Commander Clayton Stautz stated that lamb sandwiches would be available for a \$1.25 charge at the Kewaskum Legion Hall, starting at 3:30 p.m. on October 7. For those who prefer, there will also be beef roast sandwiches for \$1.25. Elmer and Celia Yoost will be chief chefs for this event.

After washing traverse or curtain rods, wax them. They'll move better.

## John Czoschke Named Commended Student

Kewaskum High School principal, Clark Pearson, announced this week that one senior at Kewaskum has been named a Commended Student in the 25th annual National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC) was presented to John Czoschke in recognition of outstanding performance on the PSAT/NMSQT, the qualifying test for the Merit Program that was administered nationwide to high school juniors in October 1978.

Of the more than one million students entering the competition, about 35,000 throughout the United States are being commended for test performance that placed them among the top five percent of participants. Although Commended students rank below the level required for Merit Program Semi-finalists - the only participants who will continue in the 1980 competition for Merit Scholarships - each has shown exceptional academic promise. A spokesman for NMSC, which conducts the Merit Program, stated that "the high performance that is required to be designated a Commended Student in the Merit Program is an attainment deserving of public recognition. The nation as well as each of these students will be benefited by the continued educational and personal development of their talents."

In an effort to increase opportunities for college admission and financial aid, NMSC offered the high-performing Commended Students a service in which they could be identified and referred to two higher education institutions of their choice. It is hoped that recognition of these

students by the Merit Program will serve as an encouragement to able youth throughout the nation, and that attention they receive from colleges will help them to obtain whatever information and assistance they may need to pursue their educational plans.

## Woman's Club to Hold Harvest Luncheon

## GLAD YOU ASKED THAT

Occasionally volunteers for the Kewaskum Area United Way are asked questions they can't answer for one reason or another. To make sure you get the information you seek, we will attempt to answer here some of those questions.

WHY DOESN'T THE KEWASKUM CUB SCOUT PACK RECEIVE UNITED WAY FUNDS? The local Cub Scout Pack and Boy Scout troop are affiliated with the Bay Lakes Boy Scout Council which does receive United Way assistance. However, individual dens, packs or troops do not receive funds directly because one of the primary goals of Scouting is to help young people grow up to be responsible citizens who can help themselves. The boys are encouraged to help with various money making projects to support the programs and activities planned on a local level. The Bay Lakes Council does not disperse funds directly, but they help each pack or troop by furnishing programming and programming materials. The Council also has responsibility for camp sites and supportive programs for the boys of the entire region.

CROSS' POSITION DURING WORLD WAR II WHEN IT MADE OUR SOLDIERS PAY FOR DONUTS AND COFFEE THAT IT DISPENSED? From all we can gather our overseas servicemen were asked to pay for off-base food and lodging provided by the Red Cross because of a policy that all men in uniform be treated alike regardless of countryland. Although the American Red Cross is funded by voluntary contributions, there was no support from allied countries. Thus it appeared to many World War II servicemen that the Red Cross was making money off them when in actuality it was quite a financial burden. It is unfair that this poor decision by the Army so many years ago can still diminish the value of such a

great volunteer organization. Consider, if you will, the good done by them during area disasters such as tornadoes which hit the area several years ago; or, the ice storm; or, the assistance given area families in time of such personal misfortune as fire. Did you also know that the Red Cross provides services that help most of us at one time or another during our lifetime through such programs as first aid and water safety instructions, volunteer nursing instruction, the bloodmobiles, babysitting clinics, etc.

Touch someone. Give the United Way.

Payment of the claim was authorized upon motion by Trustee Mlodzik, seconded by Trustee Herriges. Voice vote was unanimous.

The following testimonial resolution was introduced by Trustee Donald Mlodzik:

**Testimonial Resolution To MARY MILLER**

On the occasion of your retirement from the Library Board of the Kewaskum Public Library after thirty (30) years of faithful service, it is meet and right the Village Board of the Village of Kewaskum, Wisconsin, should record an expression of its grateful appreciation of sterling qualities of heart and mind, which are manifest in your devotion and loyalty to this Village.

The Village of Kewaskum is proud of the record of its Employees and appointed officials who have contributed, in no small measure, to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards have realized fully, that progress in municipal government is predicated, for the most part, upon the loyalty and efficiency of the civic employees and appointed officials, and their ability to carry out faithfully and effectively the acts of Village government.

We therefore, on behalf of the Village Board of the Village of Kewaskum, Wisconsin issue this testimonial, in grateful appreciation of your long and honorable record of service for this Village.

Motion for adoption by Trustee Carl Spoeth, Jr.

Motion for adoption seconded by Trustee David Nigh.

**Influenza Vaccine Available Without Charge to County Residents 60 and Over**

Influenza vaccine will be available without charge to Washington County residents, 60 years of age and older or those with chronic disease, at clinics offered by the Washington County Community Health Nursing Service.

**WHAT IS INFLUENZA ("FLU")?** It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 60 years of age.

**WHO SHOULD GET INFLUENZA VACCINE?** 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 60 years and over. Because influenza is usually mild and most people recover fully, immunization of healthy children and adults is not recommended and will not be offered at the clinics. Individuals age 13 years through 25 years of age will require two immunizations, one month apart, to insure adequate protection. Individuals 26 years of age and over, including the elderly, will require only one immunization for adequate protection.

Influenza vaccine will not be given to:

-Healthy children and adults (under 60).

-Those who have a fever or feel ill with something more serious than a cold on the day of clinic.

-Those who have received another type of vaccine in the past 14 days.

-Those with allergies to eggs.  
-Those with multiple sclerosis

or other recurring or persistent neurological illnesses.

-Those who are pregnant.

-Children under 13 years of age.

Influenza vaccine will be available at the following scheduled clinics:

Monday, October 8, 12:30-2:00 p.m. — West Bend Senior Citizens Center, 401 East Washington, West Bend.

Thursday, October 11, 12:30-2:00 p.m. — Kewaskum Senior Citizens American Legion Hall, 1538 Fond du Lac Ave., Kewaskum.

Tuesday, October 16, 12:30-2:00 p.m. — Hartford Recreation Dept., 525 North Main Street, Hartford.

Monday, November 5, 12:30-2:00 p.m. — West Bend Senior Citizens Center, 401 East Washington St., West Bend.

Those attending clinic will be required to complete a consent form prior to immunization. Registered nurses will be available to answer questions regarding the immunization.

If you have any questions about influenza or the clinic schedule, please call Community Health Nursing Service, 338-4462 or 644-5204 or 342-2929, Ext. 4462.

## Arthur Schultz, Others Pass On

Arthur T. Schultz, 81, of Kewaskum, a retired construction contractor, died early Tuesday morning, October 2, at St. Joseph's Community Hospital, West Bend, where he was a patient for five days.

He was born August 11, 1898, near Plymouth in Sheboygan County to the late Carl and Wilhelmina Berth Schultz. He married Marie Schultz on May 28, 1928, at Beechwood. She died April 2, 1970.

Before moving to Kewaskum in 1955 the couple farmed in the Beechwood area. Up to a few years ago he remained engaged in carpentry with his son, Charles. He was a member of Peace United Church of Christ in Kewaskum and the Senior Citizens of Kewaskum.

Mr. Schultz is survived by his son Charles; daughter-in-law Beverly; one grandson, David, all of Kewaskum; one granddaughter, Debra (Mrs. Michael) Nigh of Campbellsport; one sister-in-law, Mrs. Ella Jandre of the Cedar Lake Home; other nieces, nephews, relatives and friends. One son, one daughter, two brothers and two sisters preceded him in death.

Visitation at Miller's Funeral Home, 215 Forest Avenue in Kewaskum, was Wednesday after 4:00 p.m.

Services at the funeral home were at 8:00 p.m. Wednesday. Reverend Darrell Joiner officiated. Burial was in Union Cemetery at Beechwood.

### MICHELE NEUMAN

Michele Neuman, 14, beloved daughter of Gerald and Patricia Neuwirth of Neuman, of Route 1, Allenton, died Saturday, September 29, at Children's Hospital in Milwaukee.

Michele was born March 12, 1965, in Milwaukee. She came to her present home with her parents and the family in 1969. She was a student at Kewaskum High School.

Besides her parents she is survived by two sisters, Lorinda (Clint) Gerlach of Kewaskum and Lisa at home; one brother, Jeffery, of Kewaskum; her maternal grandmother, Mrs. Alyce Kober of Milwaukee; paternal

grandmother, Mrs. Lucy Neuman of Green Bay; two nieces, Jessica and Jamie Gerlach, and one foster brother, Jeff Blank of Kewaskum.

Visitation at Miller's Funeral Home, 215 Forest Avenue, Kewaskum, was from 4:00 to 9:00 p.m. Monday, and at Zion Lutheran Church, one mile west of Kohlsville, Tuesday morning from 9:00 a.m. to the time of services at 10:00 a.m. Pastor Erwin Schewe officiated. Burial was in the church cemetery.

### LYLE W. BARTELT

Lyle W. Bartelt, one of the early developers in the Holiday area of West Pasco, Florida, died Tuesday, September 18, at the age of 67.

Bartelt, 1813 Bluebell Drive, Dodge City, went to Florida in 1956 from his native Wisconsin. He and his brother David C. and their families established Bartelt Brothers enterprises and developed several West Pasco subdivisions including Buena Vista and Dodge City.

Lyle Bartelt graduated from Kewaskum High School and was a 1939 graduate of the University of Wisconsin Law School. After several years of law practice, he served as juvenile judge in Kewaskum for 16 years.

Survivors include his brother, David, who lives in Tarpon Springs, Florida; two sons, William L., Minneapolis, and Donald, St. Germain, Wisconsin; two daughters, Barbara McBride, Connecticut, and Lisa Bartelt, St. Germain, and a sister, Iris (Howard) Weinberger, Holiday, Florida.

Services were held Wednesday, September 19, at 7:30 p.m. with Rev. R. Langley Collins, St. Timothy's Lutheran Church, Tarpon Springs, officiating. A private graveside service was held at Meadowlawn Memorial Gardens.

Thomas B. Dobies Funeral

Home, East Bartelt Road, Holiday, was in charge.

### FRIEDA A. GARBISCH

Miss Frieda A. Garbisch, 72, of 714A Monroe Street, West Bend died Wednesday, September 26, at St. Joseph's Community Hospital, West Bend.

She was born March 18, 1907, in the Town of Scott, Sheboygan County. She lived in the Town of Scott until 1946 when she came to West Bend.

She was a retired leather worker at Amity Leather Products and was also a member of the 25-Year Club at Amity.

Green Lake County — Wall-eyes and northerns are hitting on Big Green Lake. Perch are beginning to become active. Bow hunters are starting to have success. Trees are starting to turn to fall colors.

Fond du Lac County — Several hundred geese are using the Eldorado Marsh. A large number of ducks can be seen throughout the county. Walleye fishing is spotty on Lake Winnebago.

Dodge County — Walleye fishing is excellent on Beaver Dam Lake. Minnows, small spoons and spinners are the best baits. Canada geese continue to move into the area. Approximately 10,000 Canada geese are now in the vicinity of Horicon Marsh. An estimated population of 50,000-plus ducks are using the Horicon Marsh and adjoining lands. Spectacular mallard feeding flights can be viewed during the early morning and evening hours. Waterfowl can be viewed from Highway 49 near Waupun and private lands that adjoin the refuge.

### Southeast District

Water conditions were favorable for the opening of the waterfowl season at noon October 1. Most potholes and marshes in the district had high water levels despite the recent dry weather conditions. Some bluewing teal and woodducks were moving into the district. Sumac is turning red, the maples are turning, but their color is not near its peak yet.

Inland water fishing is generally good for both panfish and game fish, although fishing pressure is light. Excellent catches of perch are coming from the Sheboygan Marsh in Sheboygan County.

In Lake Michigan fishing for trout and salmon, shore anglers enjoyed a dramatic increase in success off Kenosha County with many rainbows and browns taken on spawn sacks at 68th Street. A few large kings were caught in the harbor at Kenosha, and in Pike Creek although the creek is landlocked. Lake Michigan fishing was slow off Racine County, and action was very slow at all Milwaukee County ramp sites. A few 6 to 11 pound rainbows were taken off the McKinley pier, but no activity was reported at either the Lakeside power plant or Oak Creek. Shore anglers reported excellent fishing off the Port Washington power plant with mixed bags of lake trout, brown trout and rainbows taken on spawn sacks. One party of anglers caught five chinooks weighing between 15 and 20 pounds. Pier fishing at Port Washington was slow. Both pier and boat fishing in the lake remained slow to spotty off Sheboygan County.

## Area Racing News

# Indians Win Over Slinger, 21-7

The Kewaskum Indians won their first conference game in three outings on Friday afternoon at Slinger where they defeated the host Owls, 21-7. The victory elevated them out of a tie for the cellar with Slinger.

The Indians wasted no time as they scored on two of their first three possessions. Defensive end Tom Kern recovered a Robb Rueckl fumble to set up the first score. They took over on the Owl 28 but a loss and penalty put them back on the 44. On a 44-yard pass play, quarterback Joel Herriges found Scott Brendemuhl open at about the 15 and he ran it in after a nifty catch.

On the Indians' next series, which began at their own 30, Rod Schultz ran for 15 and a few short gainers gave Kewaskum a fourth and one at the Owl 45. Mike Pettit rolled around left end and turned it on for not only a first down but went 45 yards for a touchdown.

After their first attempt for

the extra point was blocked after the first TD, the Indians decided to go for a two point conversion. Herriges successfully passed to Schultz in the end zone to make it 14-0 at halftime.

Slinger was able to move the ball in the first half but could not score. They picked up 116 yards on the ground. The Owls made one good effort before the half but a tackle by Mike Ciha stopped the drive at the 13.

Kewaskum scored again in the third period. Starting on their own 20, Schultz ran for 15 and a 27-yard screen pass to Pettit gave them good position. Schultz then skirted for 25 yards into the end zone. Pettit's kick made it 21-0.

Slinger's lone touchdown came in the last quarter after some fine effort by Robb Rueckl. Starting at midfield he caught a pass for 22 yards and a first down. Next Rueckl broke off tackle for a 24-yard run to the 10. The third quarter ended and two plays into the final stanza Rueckl burst into the end zone for the score. Brugger's kick was good for the conver-

sion.

Ball control helped the Indians use up a lot of time in the last quarter. They moved the ball again to the Owl 10 but an interception on a pass ended the threat. This time out the Indians were helped by being able to convert on third downs, which they lacked the week before against Kettle Moraine.

Coach Mike Fifrick was delighted with the running of his backs. Pettit gained 134 yards in 18 attempts and Schultz had 75 yards in 16 attempts.

This Friday night the Indians travel to Hartland, which is 2-1 and blasted Mayville last week, 20-0. Kewaskum will have to be at its best for this 7:30 p.m. contest.

## Girls Second in Conference Golf

Three strokes prevented Kewaskum from winning its third straight golf championship in the Scenic Moraine meet at Hartford Friday. Kettle Moraine copped the team title with 445 strokes, three less than the Indians.

Kewaskum had an 18-stroke lead after the first four players from each team reported their scores. But then their fifth player, Jenny Maney, came along with a 109, good enough for fifth medal and she swung the victory for Kettle.

Bobbi Schmidt of the Indians was not able to win her third straight first medal title. She had been medalist in her sophomore and junior years. She was nip and tuck with Kettle's Anne Bobeck and Mayville's Terry Tighe going into the last hole. A two putter would have given Schmidt the top spot. She three-putted, however, forcing a playoff which was won by Bobeck. Tighe earned second medal and Schmidt settled for third.

Joan Hanrahan had 115, Cheryl Jaeger 115 and Pam Perkins 119 for the Indians.

Last Tuesday Kewaskum beat Mayville at Hon-E-Kor, 232-248 to gain revenge in a rematch.

Playing on the tough back nine, the Indians won but yielded medalist honors to the Cards' Terry Tighe. Tighe had a 46, four strokes ahead of teammate Lori Schwartzmiller and Kewaskum's Bobbi Schmidt.

The Indians had a 56 from Joan Hanrahan, 62 from Pam Perkins and 64 from freshman Cheryl Jaeger.

The Indians wound up their season with a 4-7 record.

## Hartland Shades Girls in Volleyball

In Scenic Moraine volleyball last Tuesday afternoon here, Hartland edged Kewaskum.

The teams split the first two games, with Kewaskum taking the first 15-10 and Arrowhead coming back to win the second 16-14. In the deciding game, Hartland won by two points, 15-13.

The teams were well matched and had to battle for their points but Kewaskum made too many mistakes in the final game.

Kewaskum AFS student Mirjam Sibbel had 10 kills (a spike no opponent is able to touch) and played well. Janet Mateaer was high scorer for the losers, now 1-2 in the conference.

The JVs also lost two of three games and the undefeated freshmen continued their string by taking all three games.

## Girl Runners First, Boys Last in Meet

In a double dual cross country meet at Mayville last Tuesday, the Kewaskum girls won two, 15-49 over Grafton and 21-41 over Mayville, and are now 4-0. The boys lost to Grafton 15-45 and to Mayville 17-41, and are still winless, 0-4.

Barb Wilson won the 21-girl varsity race in 12:31, well ahead of Mayville's Linda Villwock. The Indians also got the next two places from Linda Larsen and Julann Zemlicka. Laurie Wilson was close behind in fifth. Linda Asch took eighth.

Among the boys Grafton was 1-2 with Jim Hansen first and Mike Meyer second. Bob Wagler of Mayville was third. The best Kewaskum could do was an 11th from Rick Stefanovic.

## JVs Win, Frosh Lose to Slinger

On Thursday evening, the Kewaskum JVs beat Slinger, 25-6, while the freshmen were bombed, 34-0, in the afternoon.

In the JV game, Randy Westerman and Dave Donath scored all the points for Kewaskum as each had two touchdowns. The game was 12-6 until the final quarter when the Indians put on a 50 yard scoring drive and Donath intercepted an Owl pass and ran 25 yards for a TD. Pete Wiedmeyer played well defensively.

The Slinger frosh dominated in their contest. Halfback Joel Dornacker scored three touchdowns and Rick Koehnke and Jim Bednar one each. Kewaskum didn't have a first down in the first half.

## LAKES BASKETBALL LEAGUE TO ORGANIZE

The Land O' Lakes Basketball League will hold its first 1979-1980 organizational meeting at Delbert Frank's Tavern & Restaurant in Jackson on Monday, October 15, at 7:30 p.m.

If you plan on entering a team in the league and cannot attend the meeting please contact Commissioner, Jake Oelhafen, Cedarburg, Wisconsin 53012.

His telephone number is 677-3369.

TASTE OF FREEDOM — On September 11, Cindy Maedke snapped the above photo of a deer which was seen in the backyard of the home of her neighbor, Mike Doherty, at 1333 Midland Avenue in Kewaskum.

The animal had escaped from the deer farm of "Jonesy" Korth and had been missing for almost a week. Numerous resi-

dents reported seeing the deer strolling around.

Korth has a permit from the DNR to raise deer and presently has seven animals on his deer farm on the Hon-E-Kor land.

The deer returned to the Hon-E-Kor area and was caught by "Jonesy" and his buddies, who found the animal very elusive in being recaptured.

## Indians Girls 7th In Tennis Tourney; Split in 2 Others

The Kewaskum girls finished 7th and last in the Scenic Moraine Conference tennis meet at Grafton Saturday.

Hartland again won the meet with 33 points. The Indians had just 3 points on Brenda Manthei's 4th in No. 3 singles and Sue Russell's win in the consolation division of No. 1 singles players.

Russell beat Cindy Tews of Slinger 9-8 and Wills of Germantown 9-7 for her consolation win. Manthei lost in the second round to the eventual champ, Maggie Goodard of Grafton.
