## Jaycees Honor Outstanding Young People

The Kewaskum Jaycees annually give three young people in the area awards for being outstanding in their occupations. In 1979 the three young

outstanding people selected include Dennis Terlinden as the Outstanding Young Farmer, Denise Leong as the Outstanding Young Teacher, and Paul

Behring as the Outstanding Young Businessman. The awards were presented by Ronald Schmitz, Jaycee secretary.

Dennis Terlinden (left) operates a 430 acre farm with his father, of which he owns 180 acres himself. A 1968 graduate of Kewaskum High School, Dennis specializes in raising feeders and farrows from the 40 sows which he owns.

He also owns 60 beef cattle with his father and raises more than enough corn and hay to feed his animals. Dennis is active as a member of the board of directors of the Tri County Pork Producers.

Denise Leong (left) is an eighth grade English teacher at Kewaskum Middle School. She and her husband built a new home last year near Horicon, so she has to drive a little to get to work. However,

she enjoys teaching her students and seeing them develop into better people. Denise enjoys the outdoors and her house in the country, but also takes time to read a good book occasionally.

Paul Behring (left) is the owner and operator of Behring's Meat Market, located right in the heart of Kewaskum on Fond du Lac Avenue. Paul and his wife have operated the market since 1971, and have been steadily increasing their business since. Paul has been active in various community groups,

including the Fire Department, Chamber of Commerce (currently president), Kiwanis, and other church groups and organizations. A native of Boltonville, Paul encourages other young men and women to become active in their community, too.

## Trailer Guttled by Fire

Fire of undetermined origin gutted a 12x60 foot house trailer owned by Mr. and Mrs. Steve Volm at 4618 Hwy. H, two miles west of Kewaskum in the Town of Kewaskum early Sunday evening.

The trailer was a total loss. Kewaskum firemen succeeded in saving the structure but the entire contents were destroyed. A valuable Irish Setter was also lost in the blaze.

There was no one in the

trailer at the time. Mr. and Mrs. Volm were in the barn and the fire was discovered by Volm's brother, coming to visit his parents who reside nearby. The blaze was discovered shortly after 6 p.m.

Damage has not yet been determined but the loss was covered by insurance.

Twenty-seven firemen answered the call to fight the blaze and remained at the scene almost two hours.

## ATHLETIC SUSPENSIONS EXPLAINED

### Board Approves Easement for Hwy. H Improvements at Wayne School

By DAN MEILAHN  
Statesman Staff Writer

As the season's second snow sifted softly to the soil, the Kewaskum School Board met on Monday, November 12, to approve an easement for improvements of Highway H in front of the Wayne school and to establish official policies on curriculum development and program evaluation.

School Board President, John Tessar, began the meeting by commenting on the recent high school musical production of "Fiddler on the Roof." He said, "I would like to personally commend Mr. Getter and his entire crew and cast. I think it was one of the best plays I have ever seen the high school put on!"

The board approved an easement for the usage of a portion of the Wayne Elementary School property by the county when widening County Highway H. Business Manager Bob Borch explained that the easement is not for the road itself, but rather to allow for passage of heavy equipment. The land will be torn up some but will later be graded and reseeded. All driveways and culverts will be replaced. Borch also stated that the school's attorney, Jerry Kiefer, felt the board should accept the appraised value of the involved property at \$395 prior to any acceptance of the easement. This was done.

Later in the meeting, Chairman of the County Highway Commission, Frank B. Scharer, explained that a 3-year period was stipulated to allow

for the acquisition of funds for the project after all engineering is done and right-of-way acquired. He felt construction could begin during next year's construction season.

Superintendent of Schools Floyd Brenholt encouraged the adoption of two policies involving curriculum and evaluation. The first states, "It is the responsibility of the district administrator to formulate and review courses of study and to submit proposed new or revised curriculum guides for board approval." Each curricular area should be reviewed at least once every seven years. The second policy states, "The board expects its faculty and administration regularly to evaluate the educational program. Such

## Alverno Nurse Wins Honor

Vivien DeBack, daughter of Mr. and Mrs. Roland Pledl, Kewaskum, chairperson of the nursing division of Alverno College, Milwaukee has received the Wisconsin Nurses' Association 1979 service award.

She was responsible for developing the bachelor of science program in nursing at Alverno, where she was also instrumental in formulating the Weekend College program.

She has served on the board of the Villa Clement Nursing Home and was a consultant to the Columbia Hospital School of Nursing faculty.

## CHRISTMAS PROMOTION

### Statesman to Print Earlier Next Week

Because of the Thanksgiving Holiday Thursday, the Statesman will be printing a day earlier next week, on Wednesday, November 21.

The Kewaskum Area Chamber of Commerce is also sponsoring their seventh annual "Kewaskum Christmas Sale" promotion beginning next Friday, November 23, and continuing through Saturday, December 1. Ads for this issue will be

solicited this Friday and should be in our office no later than Saturday (office will be open this Saturday). We will also appreciate your news items earlier next week.

Our circulation will be more than doubled for this issue so that the entire area is covered for the promotion. The Statesman will go into more than 4,000 homes next week.

## School Meeting

(Continued from Page 1)

evaluation may be expected to lead to recommendations for modifications of practice, changes in content of courses, and new courses."

Brenholt explained that Kewaskum had decided to participate in the Wisconsin Consortium for evaluation as well as the North Central Accreditation Association. The policies are necessary to get the ball rolling for evaluation of programs on a K-12 basis. The evaluation process will be such that each year a portion of the total curriculum will be evaluated according to both North Central's criteria and the Consortium's criteria. Brenholt felt a continuous evaluation process would be more advantageous and convenient. In 1981-82, the vocational areas will be evaluated.

High School Principal Clark Pearson helped clarify the request for a transfer of funds to purchase volleyball standards. This portion of the budget had been cut back to \$500, and new AMF standards, floor plates, antennas, etc. would cost well over \$1,000. It was determined that monies left over from the classes of '76-'79 would be transferred. According to Pearson, Beaver Dam has the new type of standards which fit into the floor and really likes them.

Board member Charles Ogi wished to have the specifics of athletic suspensions explained. Pearson replied that for the first infraction of the athletic code or training rules, a suspension from athletic competition lasts two weeks or involves two events, whichever period is longer. Ogi felt this was a bit severe and wryly commented, "They don't give you that...for burglary!" Pearson continued that he believed for the second offense, the suspension was for nine weeks, "...and the third one, I think, is a year." He added that an athletic committee is considering changing some of these restrictions at the end of the year and will submit them for approval for the next school year. Presently suspensions are according to rules generated by a committee two years ago.

The board approved the use of the Farmington School for a baton-twirling class taught by Julie Dettmann. Brenholt repor-

ted that the involved parties were forming a non-profit organization which would charge students and reimburse instructors accordingly. If the sponsoring organization is "non-profit," it is "acceptable to the school. The "twirlers" organization would provide chaperones, and it will be done during times when a custodian or some school personnel are present.

A provision for parent transportation of a kindergartner at St. John's Lutheran School in Newburg was approved. The parents will be picking up the child at noon, although she will ride the bus to school in the morning. Kewaskum Schools are responsible for transportation of children to that school if they reside in the district, but at present, there are not enough kindergartners there to warrant a noon bus. Bob Borch said the contract involves an amount of money 1/2 of the cost of transporting any child on a yearly basis. Brenholt said this was approximately \$100.

The board unanimously approved the CETA program for 1980. It is the same as in 1979, and presently concerns the employment of two custodial trainees and one secretarial aide within the Kewaskum Schools. Borch declared that the program was working out satisfactorily.

Borch also reported that the asbestos problem at the Kewaskum Elementary School will be corrected shortly. A product found acceptable by the EPA will be applied by roller over Thanksgiving vacation when the heating system can be shut down. The cost will be about \$100. Board member Jim Oelhafen reminded those present that this concerned only one

isolated area in one school and the asbestos never came in contact with anyone.

Vouchers payable in the amount of \$323,624.04 were approved by the board. Board member Richard Theusch questioned the nature of one item - the purchase of a 1971 Chevy for \$250. Borch explained that this was a mechanically sound car with a damaged rear end which could be repaired in certain "shop" classes at the high school. He continued that it would be "one of our better used cars for the staff to use."

The board agreed to cancel the second November meeting. Teacher negotiations were taken up in closed session after the regular meeting.

### MARRIAGE LICENSES

Daniel A. Lecher, Kewaskum, and Sharon Rose Hetzel, Kewaskum; wedding, November 10.

Peter J. Schmidt, Route 1, Eden, and Donna M. Lackas, Campbellsport.

### Junior Jargon

The Kewaskum Junior Woman's Club held a candlelight installation ceremony for the following new members at the November 8 meeting: Jeanne Goeden, Debbie Herman, Mary Pat Thompson, Lori Schoofs, Connie Thull, Jo Anne Butzlaff, Trudy Peterson, Mary Lou Chambers and Carol Connors. Welcome girls --- to the Kewaskum Junior Woman's Club.

In addition to assisting with the installation of new members, special guest Pattie Robichaud of Kiel gave an interesting talk on club work. Pattie will be the new Director of Junior Clubs for the State of Wisconsin in Spring. She reminded us to keep evaluating our club to keep it alive; members change as do priorities and interests.

The Juniors were thanked for donating the hand painted Jack-O-Lanterns to St. Joseph's Pe-

diatric Ward. Members brought bulbs to be planted in the new park and clothes for refugee families in West Bend. Final tally was given on the Tour of Homes and a big thanks was given to all who assisted so generously.

### SURPRISED ON 75TH BIRTHDAY SUNDAY

A surprise birthday party in honor of the 75th birthday of Mrs. Dorothy K. Diedrich of Kewaskum was given by her children at the Labor Center on Sunday afternoon, November 11. All her children, grandchildren and great-grandchildren were present as well as some close friends.

The afternoon was spent in playing cards and socializing. A delicious lunch was served. The honoree was the recipient of many lovely gifts and cards.

All had a good time.

### Schultz-Nigh

Debra L. Schultz, daughter of Mr. and Mrs. Charles H. Schultz, Kewaskum, and Michael W. Nigh, son of Mr. and Mrs. Nathan J. Nigh, Kewaskum, were united in marriage during a 3:00 p.m. double ring ceremony on September 21. St. Lucas Lutheran Church in Kewaskum was the setting with Rev. Paul Hoenecke as the officiant.

Deborah Hoenecke was the organist with Debra Radder, soloist, and Richard Schwartz, soloist-guitarist.

Sharon Weninger, a friend of the bride, was the matron of honor, and Perry Nigh served as best man for his brother.

Teresa Nigh, sister of the groom, Linda Holzmann, Janine Prost and Sherry Strack, all friends of the bride, were chosen as bridesmaids.

David Schultz, brother of the

bride, Dick Postuma, friend of the groom, and Steve Lentz, friend of the groom, were the groomsmen.

Nicole Postuma and Aaron Reigle served as the miniature couple.

Greg Ogi, brother-in-law of the groom, and Jeff Nigh, brother of the groom, shared

ushering duties.

A reception, dinner and dance followed the ceremony at The Amerahn.

After a honeymoon trip to Niagara Falls, the couple is now residing at 1253 Roseland Drive, Kewaskum.

### Day for Senior Citizens Sunday

Sunday, November 18, there will be a Senior Citizens Day held at the Kewaskum High School old gym presented by the Key Club.

The time will be from 1:00 to 5:00 with various activities throughout the afternoon. Prizes will be awarded for these activities which include: bingo, checkers, chess, bake off, (please bring your baked goods to be judged; cakes, pies, cookies, or bars (one or all will be accepted) and the main event will be the talent contest (you will supply the talent)!

Refreshments will be served. Any Senior Citizen in the area is welcome to come, so come on and have a fun afternoon!

## OBITUARIES

### WALTER WAGNER

Walter C. Wagner, 67, of 283 E. First Street, Fond du Lac, died at 2:40 p.m. Tuesday, November 6, at St. Agnes Hospital, Fond du Lac.

He was born June 9, 1912, in the Town of Osceola, a son of the late William and Bertha Kutz Wagner. He married Elvira E. Klabuhn on March 7, 1942, in Fond du Lac.

Mr. Wagner was employed by Western Lime and Cement as a fireman for 13 years. He was a member of St. Peter's Lutheran Church. He served with the Army during World War II and was a member of the Disabled American Veterans.

Surviving are his wife; two sons, Carl and Roy, both of Fond du Lac; two daughters, Mrs. Patrick (Loretta) Heenan of Fond du Lac and Miss Elaine Wagner of Rhinelander; two grandchildren; three brothers, Wilbert of Campbellsport, Herman of Milwaukee and Albert of Kewaskum.

Also surviving are three sis-

ters. Mrs. Arnold (Mary) Voigt of Clayton, Wisconsin, Mrs. Anna Ebert of Kewaskum and Mrs. Vilas (Roselia) Ebert of Campbellsport. A daughter, son and two brothers preceded him in death.

Funeral services were held at 2 p.m. Friday at St. Peter's Lutheran Church, Fond du Lac. Pastor Karl A. Gurgel officiated and burial was in Union Cemetery, Campbellsport.

Friends of Mr. Wagner called from 3 to 9 p.m. Thursday at Uecker-Witt Funeral Home and at the church from 1 p.m. Friday until the time of services.

### ELSIE H. DUNST

Elsie H. Dunst, nee Schreier, of 5341 Hwy. D, West Bend, died at her residence on Monday, November 12, at the age of 88.

She was born in the Town of Herman, Dodge County, on October 23, 1891, and married Herman Dunst in the Town of Wayne on March 11, 1950.

After her marriage they lived in the Town of Wayne up to the

time of her death.

Survivors include her husband; one stepson, Gladon (Mary) Dunst of Milwaukee; three step-grandchildren; two sisters, Eleanor Kuehl of Theresa and Lydia Smith of Beaver Dam, and other relatives and friends.

She was preceded in death by a brother.

She was a member of the Salem UCC in the Town of Wayne.

Funeral services were held Wednesday at 8:30 p.m. at the Schmidt Funeral Home, West Bend. Rev. James Hill officiated and burial was in Salem UCC Cemetery, Town of Wayne, Thursday morning.

Visitation at the funeral home was from 4 p.m. Wednesday until the time of services.

### In the Service

Navy Seaman Recruit Michael G. Hupfer, son of Matt J. and Betty E. Hupfer of 2292 Newark Drive, West Bend, has completed recruit training at the Naval Training Center,

Kewaskum Statesman, Friday, Nov. 16, 1979, Page 5

Great Lakes, Illinois.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1979 graduate of Kewaskum High School, he joined the Navy in December 1978.

♦♦♦♦

Marine Pvt. Craig C. Metz, son of Clinton C. Metz Jr. of 1703 Sunset Ridge Drive, West Bend, recently participated in exercise "Kernel Potlatch II."

He is a member of the 11th Marine Amphibious Unit, based at Camp Pendleton, Calif.

The two-week exercise, conducted on Vancouver Island,

British Columbia, was designed to test and evaluate continental maritime defense procedures. It involved more than 45 ships, 150 aircraft and 40,000 personnel of the U.S. and Canadian naval, land and air forces.

The operation included an amphibious landing on Vancouver Island, while the naval forces practiced sea control. This was the first Pacific Fleet exercise in which Canadian army units have been embarked aboard U.S. amphibious ships. The exercise concluded with visits to Pacific Northwest ports.

Metz joined the Marine Corps in December 1978.

According to the AMA, beer can make hair easier to set if used in the final rinse.

**New Publications  
Now Available on  
Home Weatherization**

If you're getting your home bundled up for the coming winter, you may want to check out several new publications on home weatherization available from the University of Wisconsin-Extension.

Resource Agent Jim Fritz at the Washington County Extension Office suggests "In the Bank...Or Up the Chimney," (price 60c) for any home-owner or renter considering do-it-yourself caulking, weatherstripping, insulation or storm-window construction. Text and drawings show how to decide what to do first, whether you need a contractor, and how to tackle the job safely yourself.

"Putting on plastic storm windows," says Fritz "costs about \$10, but can save \$30 to \$70 a year in fuel. And this booklet will show you how."

A second publication, "Gadgets and Gizmos," describes the pros and cons of furnace modification equipment like electronic ignition, automatic flue dampers, heat reclaimers and clock thermostats. It's designed to help you decide if a device or modification is really worth the money, price is 15 cents.

And if you're wondering how to pay for energy-saving home improvements, says Fritz, you should get a copy of "Financing Home Weatherization." It describes loans, grants, tax credits and other assistance for eligible consumers.

For copies of these new fact sheets and more than a dozen others on subjects ranging from kitchen energy use, wood heating and farm fuel use, contact the Washington County Extension Office, Box 537, West Bend, Wisconsin 53095, phone 414/338-4480. There's a small charge for some of the publications.

**GEORGIE GIRLS** — These smiling faces belong to no other than the members of the Georgie Girls baton corps and color guard. The girls pictured without hats are the newest members and appropriately called the Georgettes. It was the corps' last outdoors performance for this year, when they posed for this picture. Be sure to look for the corps marching in next year's parades.

**HOSPITAL NEWS**

Jane Herriges, 1324 Western Avenue, Kewaskum is a patient at Columbia Hospital, Milwaukee, after submitting to surgery on November 10.

from Tom Leitzke, R.P.H.

While considered one of the safest drugs, aspirin sometimes causes gastro-intestinal bleeding. Studies indicate the bleeding results from a local effect produced by aspirin particles.

To minimize or avoid the effect, Dr. Martin I. Blake of the University of Illinois advises aspirin tablets should not be swallowed whole. Patients are advised to thoroughly chew and swallow the tablets with an adequate amount of water, or to crush them to a fine powder and mix with orange juice.

**Health Care Intern at Cedar Lake**

The Cedar Lake Home Campus has accepted its first health care administration intern from the University of Minnesota.

Timothy Gauger, Germantown, began his four month practicum October 8.

The program is designed to give students the opportunity to observe and participate in the total daily operations of a long term care facility and develop administration techniques in relationship to the total team philosophy.

**MPTI Offers Class In Stained Glass Holiday Ornaments**

If you're looking for something to while away a winter Sunday afternoon, Moraine Park Technical Institute may have the answer. MPTI is offering "Stained Glass Christmas Ornaments" on Sunday, December 2, at 12:30 p.m. at the Decorah Annex in the Decorah Shopping Center. Instructor Ellen Gehrke requests that participants have some basic knowledge of stained glass procedures. The afternoon's work will result in the production of sun catchers in Christmas patterns for either your tree or your windows depending on the materials used.

You may register for this course in advance at MPTI, 2151 N. Main Street, West Bend. Enrollment is limited to twelve and all registrations are accepted on a first-come, first-served basis. Tuition for the class is \$3.50, payable in advance. Upon registration, students will receive printed instructions on materials to bring to class.

**Tips on Roasting  
A Holiday Turkey**

By Joyce Albrecht  
Washington County  
Extension Home Economist

Roasting a turkey can be as simple as one, two, three, with a little planning before hand.

When buying turkeys for your families, the amount you will need depends on the size bird you select. If buying a turkey 12 pounds and under, allow 3/4 to 1 pound per serving. For a turkey 12 to 24 pounds, allow 1/2 to 3/4 pound per serving.

Turkeys in the fryer-roaster, young hen, or tom turkey classes, have tender meat and are suitable for roasting. Turkeys often are cut into halves or quarters for roasting or for small families, turkey parts or roasts can be purchased.

To thaw a turkey, leave the turkey in the original bag and use one of the following three methods.

1. No hurry — place on tray in refrigerator for 3-4 days.
2. Faster — place on tray at room temperature in a closed grocery bag. The bag prevents skin of turkey from becoming too warm. Allow 1 hour per pound of turkey.
3. Fastest — cover with cold water, changing water occasionally. Allow 1/2 hour per pound of turkey. Refrigerate or cook as soon as thawed. If you plan to stuff turkey, do so just before roasting.

To thaw a turkey in a microwave oven for a faster defrosting, you can micro-thaw a whole turkey up to ten pounds. Leave turkey in its original wrap, remove any metal ring from the wrapper. Place bird, breast up, in a shallow non-metal baking dish. At medium-low setting, micro-thaw 30 minutes; let stand 5 minutes. Give the bird a quarter of a turn. Repeat as often as required (10 minutes

per pound). Cover parts that begin to brown. Let stand 30 minutes, then roast at once.

Roast the bird soon after thawing. If the bird is not fully thawed, it should never, under any circumstances, be stuffed. The reason is the bacteria on the inside cavity or already in the dressing, can incubate during the cooking period, and the outer flesh of the bird can be fully cooked before the dressing reaches a safe temperature of at least 165 degrees.

It is not necessary to stuff turkeys. In this day of conservation of fuel, you might note that an unstuffed bird cooks more rapidly than one that's stuffed. Unstuffed birds require about 1/2 hour less roasting time.

However, if you do choose to stuff your bird, do it safely. Stuffing should be done just before the bird goes into the oven and with preheated dressing. Then a meat thermometer should be used to check the internal temperature of the center of the stuffing to be sure that it reaches 165-170 degrees.

To roast the turkey, place breast-up on rack in a shallow roasting pan. If a roast-meat thermometer is used, insert into the thick part of the thigh. Bulb must not touch bone. Roast in preheated 325 degree oven. Time chart below is your guide to length of roasting time. When the thermometer registers 180-185 degrees, the turkey is done, if you have inserted the thermometer correctly. To check, move thermometer slightly toward the center of the bird. If it then registers less

than 180 degrees, more cooking is required. A "tent" of foil placed loosely over the turkey will delay browning until the last half hour when the tent can be removed to allow a final browning. Turkey may be basted regularly, if desired, with melted butter.

**Time Chart for Roasting  
Turkey in 325 Degree Oven**

Weight	Cooking Time
6 lbs.	2 1/2 hours
8 lbs.	3 hours
12 lbs.	4 hours
16 lbs.	5 hours
20 lbs.	6 hours

Because turkeys vary from one to another due to conformation, variety, etc., cooking time can be only approximate. Because of this it would be well to allow an extra half hour of roasting time in case the turkey needs that extra cooking. Check for doneness during the last hour of roasting.

- Turkey is done when:
1. Roast-meat thermometer inserted in thigh registers 180-185 degrees.
  2. Thick part of drumstick feels soft when pressed with thumb and forefinger.
  3. Drumstick and thigh move easily.

The name of Sing Sing prison in New York was derived from Indian words meaning "stony place."

philosophy. Gauger is a 1979 graduate of Mankato State University and plans to become a licensed Nursing Home Administrator upon completion of his long term care administration studies.

**Rescue Squad Calls**

Wednesday afternoon, November 7 — Christopher M. Schoofs, 7, son of Mr. and Mrs. Mark H. Schoofs, 9395 Highland Drive, Route 2, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, with injuries when he was struck by a pickup truck at 366 Main Street, across from Coulter's Liquor Mart.

speeded up the flow of cases.

On a state level, Judge Scott has served six years on the committee formed by the Wisconsin Supreme Court to develop and conduct continuing education for all judges. He also served on committees responsible for recent changes making more effective use of judicial manpower and developing statewide court statistics.

Judge Scott, a lifelong Wisconsin resident, was born in Grant County. He graduated from the University of Wisconsin in 1960 and from the UW Law School in 1963. His three years of military service included 26 months with the Army Security Agency in Europe.

Scott is married to the former Evelyn Magnuson of Superior, Wisconsin, has two children (Kiffie, 19, and David, 15) and resides in the Town of Somers (Kenosha County).

He is a member of the Wisconsin and Kenosha County Bar Associations, the Wisconsin Association of Trial Judges and the American Legion. He also serves as a director of Waybridge House, a residential treatment center for alcoholics and drug users. His hobbies include fishing on Lake Michigan, camping and hiking.

Circuit Court Judge Burton A. Scott of Kenosha County announced Thursday that he will be a candidate for the Wisconsin Court of Appeals.

Judge Scott will run for a seat in the Second District, which covers 12 counties in eastern Wisconsin.

The non-partisan election will be held April 1, 1980, at the same time as the presidential primary and many local elections.

Judge Scott is the first announced candidate for the seat being vacated by retiring Judge Harold M. Bode, also of Kenosha County.

Scott, 44, has served as a trial judge for the past seven years. He was appointed in 1972, elected the following year and re-elected without opposition last spring.

The Court of Appeals was created in 1977 to ease the growing burden on the Wisconsin Supreme Court. It is divided into four districts — each with three judges elected from the district. Their primary duty is to rule on appeals from Circuit Courts within the district.

Judge Scott emphasized the importance of electing an experienced trial judge to the Court of Appeals.

The Second District embraces these 12 counties: Calumet, Fond du Lac, Green Lake, Kenosha, Manitowoc, Ozaukee, Racine, Sheboygan, Walworth, Washington, Waukesha and Winnebago. Court sessions are held in Waukesha, Fond du Lac

and Racine.

Judge Scott assumed his present position after being elected Kenosha County district attorney in 1970. Earlier, he was in private practice and served as Kenosha city attorney and county corporation counsel (legal advisor).

Since becoming a judge, Scott has played an active role in efforts to upgrade the performance of the courts. In his own courtroom, he introduced innovative practices that greatly

**Minutes of Village Board Meeting**

Regular Meeting  
November 5, 1979  
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Robert Danielsen presided. All Village Trustee members were present.

Village Commissioner, William Martin asked to be excused and Village Administrator, Daniel S. Schmidt, will take the minutes.

Park Committee Chairman, Carl Spoeth, presented the awards for the Kewaskum Closed Tennis Tournament to the winners.

Discussion and review of a winter parking ordinance was held. Two major revisions were requested. I. To have vehicles towed when the village crew is undertaking the snow removal process. II. To increase the winter parking fine to \$15.

The Village Attorney is to be advised of these corrections so the winter parking ordinance may be brought back to the Village Board at the mid-monthly meeting November 19, 1979. Motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

Discussion was held on possible charges for snow removal for off street areas. The Commissioner was instructed to place a notice in the Kewaskum Statesman plus send appropriate letters out informing the public to provide for private contractors to remove snow from off street parking areas and drives. Also to remind the public not to place, pile or push snow onto the streets. Motion by Trustee Mlodzik, seconded by Trustee Spoeth. Voice vote was unanimous.

The appointment of a deputy under the Commissioner's report was tabled.

The Administrator reported on: I. The Solid Waste Management Tour thru the Washington-Waukesha County Joint Committee on October 22, 1979. II. The progress of the street corner project of Second Street

and Fond du Lac Ave. III. The request of Tom Gauger from the U.S.A.F. to place a sign in the area of the tourist information sign. Permission is granted on a temporary basis. IV. The decals for the waste water treatment pick-up are to be painted at a cost of \$25. Motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

The Supt. of Waste Water Treatment Plant reported on: I. The progress of the dewatering equipment. II. The progress of the alarm monitoring system.

The totals of all claims, as recommended for payment by Finance Committee Chairman David Nigh were as follows:

Village Gen. Fund \$73,310.21  
Water Dept. Fund 1,460.74  
Sewage Dept. Fund 8,922.94

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote

was unanimous. The Park Committee Chairman reported that there will be a Park Committee budget meeting on Monday evening, November 12, 1979, at 7:00 p.m. in the Council room of the Municipal Building.

Gerald Stollenwerk from the Plan Commission reported on the Commission's recommendation to the Village Board that a feasibility study of a railroad underpass and access street to Fond du Lac Ave. be looked into. The Administrator was instructed to investigate the matter of an underpass and access street in reference to the project's feasibility. Motion by Trustee Spoeth, seconded by Trustee Mlodzik. Voice vote was unanimous.

The application of Schmidt Dev. Corp. for a building permit for the erection of a residence in the Hon-E-Kor Subdivision was approved and the Commissioner was authorized to issue the

proper permits upon payment of the required fee. Motion by Trustee Herriges, seconded by Trustee Stollenwerk. Voice vote was unanimous.

Discussion was held in reference to a school crossing guard at the intersection of Park View Drive and Main Street. The Police Chief was requested to have another two days traffic study made on students K thru 6. The matter was tabled until the study has been completed. Motion by Trustee Nigh, seconded by Trustee Spoeth. Voice vote was unanimous.

Discussion was held in reference to the supervisors per-

formance evaluation worksheet. Suggestions for additions and corrections were made and a revised form will be printed.

Motion was made by Trustee Herriges, seconded by Trustee Mlodzik and unanimously carried that the Board adjourn to closed session under Chapter 19.85 (c) of the Statutes to discuss scheduling and hours.

## 25 Years Ago

November 19, 1954

A shiny object in the sky late Tuesday afternoon, November 9, attracted the attention of local residents many of whom paused to gaze at the strange object. It is believed that the bright thing was a balloon of some kind, probably a "weather balloon." It appeared silvery, then changed to a deep red in the setting sun. The object looked like a close, very bright star.

Mr. and Mrs. Christ Kober Jr., Kewaskum, have announced the engagement of their daughter, Louise, to Byron Eichstedt, Kewaskum.

Pfc. Allen Stutzman, who was stationed in Korea for the past year and four months, arrived at Milwaukee to spend a 30-day furlough with his wife, the former Mary Joyce Gruber, and daughter and his parents.

Mr. and Mrs. Harry Odekirk, Route 2, Campbellsport, wish to announce the engagement of their daughter, Eleanor, to Martin Haack, son of Mr. and Mrs. Raymond Haack, Route 1, Kewaskum.

The Kewaskum Opera House was the setting for a reception and buffet supper given on Sunday, November 14, in honor of the 40th wedding anniversary of Mr. and Mrs. Albert Wesenberg, Sr., of Kewaskum.

Baby girls were born to Mr. and Mrs. Cyrus Campbell, Route 2, Kewaskum, on November 11, and to Mr. and Mrs. Marvin Wiesner, Route 1, Kewaskum, on November 14.

## 50 Years Ago

November 16, 1929

Edward E. Miller, junior member of the Miller Furniture Store and undertaking parlors, has moved his household goods into the A. G. Koch residence on East Main Street. Part of this large dwelling will be used for

residential purposes, while the other part will be renovated and changed into a modernly equipped funeral home, to be operated in connection with the Miller Furniture Store. This addition to the Miller Funeral Service is in keeping with the present day progress in that particular business, and is done with the understanding that in case a death occurs in a family, if the relatives of the deceased desire to have the remains lie in state at the funeral home, instead of the family residence and have the funeral from the funeral home, they may do so.

Herbert Ramthun, 31, son of Mrs. August Ramthun, residing about three miles east of Kewaskum, came near losing his life on November 10, when a shell in a 12 gauge automatic shot gun he was unloading, discharged and the shot passed through his left hand and arm.

A very pretty wedding was solemnized at St. Michaels November 5, when Miss Veronica Schladweiler, daughter of Mrs. Mary Schladweiler, and Alex Peters, son of Mr. and Mrs. M. J. Peters, were united in the holy bonds of matrimony.

## 75 Years Ago

November 19, 1904

A fatal accident befell Laura, the five-year-old daughter of Mr. and Mrs. William Thurk of Beechwood on Saturday, November 12, while playing around a fire which the neighbors' children had set to a pile of brush, her clothes caught fire and before assistance could arrive her clothes were completely consumed and her body so badly burned that she died in great agony three hours later.

Joseph Eberle bought the Greulich property on Main

Street where he is now conducting a saloon. Mr. Eberle intends to improve the building considerably now.

The village board of trustees will hold all property owners responsible for damages done to sidewalks by tractor engines or by driving over them with teams.

The Reinke brothers, Herman Giese, August Lierman, Charles Worden, Arthur Gibbons, all of the Beechwood area, were camped at Long Lake for a week during which time they shot 20 raccoons, 26 muskrats, 4 mink, 2 foxes and numerous smaller game.

On Wednesday, November 16, at the home of the bride's parents in Scott, occurred the ceremony which made Miss Lottie Firme and Charles Weingartner man and wife.

### WOW TRI-COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Kewaskum

Tuesday, November 20 — Tued roast beef with gravy, whipped potato, buttered peas, rye bread, chilled pineapple chunks.

Thursday, November 22 — Thanksgiving.

The site is located at the Legion Post 384 clubhouse at 1538 Fond du Lac Avenue. Meals will be served at noon on Tuesdays and Thursdays.

Reservations must be made one day in advance. To make a reservation, call 338-4493 by 2 p.m.

The term "leathernecks" was not originally applied to the U.S. Marines but to light infantrymen of Revolutionary times who wore leather helmets.

## Accepting Nominations for National Conservation Teacher of Year Award

Nominations are being accepted for the seventh national "Conservation Teacher of the Year" awards program according to Reuben Schmahl, Chairman of the Washington County Soil and Water Conservation District. The competition is open to all full time teachers working at the kindergarten through high school level who have developed an outstanding program of environmental education.

The National Conservation Teacher of the Year will receive \$1,000 in cash and an expense paid trip to San Francisco, California, for the 1981 annual convention of the National Association of Conservation Districts. The National second place winner receives a \$500 cash award and the first place regional winner will be given \$200. Co-sponsored by NACD and the Allis Chalmers Corporation, the purpose of the awards

program is to encourage the development of creative learning experiences in conservation for young people. Any teacher in a public or private school in the Washington County Soil and Water Conservation District who puts emphasis on environmental conservation as a regular part of the instructional program is eligible for nomination.

Interested teachers can obtain additional information and nomination forms from the Washington County SWCD office, 2395 West Washington Street, West Bend. Phone 334-3706.

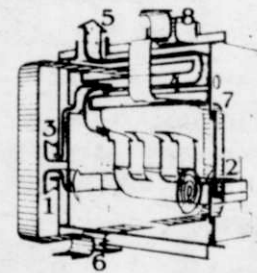

## Seeing IS Believing

On the front of every Volcano is an inspection port with a swing away cover, through which the observer sees a sheet of bright orange & blue flame sweeping over and around wide, flat steel surfaces of hollow crossflow baffles. He sees the heart of the Volcano, and the significant difference that makes it the most sophisticated wood burner in the world.

This sheet of flame (gases burning in the secondary combustion chamber) superheats room-heating, fan-forced air ducted around the firebox and through the hollow baffles.

- 1 A precisely controlled volume of combustion air is pre-heated and
- 2 ducted evenly through the primary firebox.
- 3 A hot fire is produced in the secondary firebox to
- 4 rapidly escape gases in a super hot flame.
- 5 pre-heating air, fuel loss out the firebox.
- 6 Cool air near the fire is fan forced.
- 7 through hot air jacket & hollow baffles and
- 8 exhausted into room or into hot air system.

This intense secondary burn, observable and fascinating to watch on every Volcano, demonstrates Volcano's lead in woodfiring technology.

When hooked to forced air or hot water systems (hydronic models available), the Volcano literally provides all the heat a homeowner needs with measurably less wood consumption than even the most modern of competitor stoves. Inside, the Volcano is as new as tomorrow, with the outward appearance of the Quaker Box Stove of yesteryear.

## NOW IS THE TIME TO GET READY FOR SNOWMOBILING

Fall is the perfect time to get out your snowmobile. Not to go riding, but to get it ready for when the snow season soon arrives. A little preventive medicine now can keep a carefree outing from turning into an unexpected repair session on the trail.

Here, then, are ten easy tips from one of the experts — Randy Adamson, technical information coordinator for Arctic Cat snowmobiles.

1. Check all the hardware: tighten nuts and bolts; replace fasteners that appear damaged; replace loose rivets.
2. Examine control wires and cables for wear and replace any damaged parts.
3. Examine the drive belt for cracks or tears and replace if necessary.
4. Check the track and skid frame for loose or damaged parts.
5. Inspect chain case components and change the lubricant.
6. Check brake adjustment.

7. Check ski alignment and examine the ski wear bars.

8. Remove any covers over the intake hose or exhaust outlet and clean all cooling vents. On liquid-cooled models, check the coolant level.

9. Check all the switches, headlight, taillight and brakelight.

10. Put in fresh gas and oil and examine the in-line fuel filter to make sure it's clean. Start the engine.

You will likely be able to handle those tasks yourself. For other servicing — including carburetor and choke adjustment, ignition timing and clutch alignment — you should probably take your snowmobile to your dealer. Finishing preventive medicine might include a wash and wax of the machine's exterior and inspection of your tool kit. These 10 tune-up tips, according to Adamson, will ensure you're ready for the first ride of the winter.

## Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will be holding their monthly recycling day on Saturday, Nov. 17, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

## Tips on Energy Saving Available

Congressman Jim Sensenbrenner (R-Shorewood) has announced that his Washington office has a supply of free booklets outlining many ways for consumers to save energy in the home, while traveling, and in the marketplace. The Department of Energy booklet, en-

titled "Tips for Energy Savers," is available to the public on request.

"With the great uncertainty we see over our present and future energy supplies, we all should make a voluntary effort to conserve those supplies by curbing our energy consumption as much as possible. By saving energy, too, the consumer can save money, which is vital to fighting inflation these days. The booklet I am making

available to the people of the Ninth District can help consumers make those savings," Sensenbrenner explained.

Sensenbrenner encourages all persons interested in the 30-page free publication to request it by writing him at 315 Cannon House Office Building, Washington, D.C. 20515.

Supplies are limited, so requests will be filled on a first-come, first-served basis. There is a limit of one copy per family.

## TOWN OF FARMINGTON

### Budget Hearing

A public hearing on the 1980 General Budget and the Adoption of the Budget, along with the Budget Hearing and the Adoption of the Budget of the Federal Revenue Sharing Funds for Period 11, for the Town of Farmington will be held on November 20, 1979 at 8:00 P.M. at the Town Hall, 9422 Hwy. 144.

After the Budget Hearings a matter of land transfer between the Town of Farmington and Katherine Yearling will be heard.

CAROL RAMTHUN, TOWN CLERK

## NOTICE

Notice is hereby given that applications for the position of JAILER-DISPATCHER for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

Application blanks may be obtained from the Washington County Personnel Office. WOMEN AND MINORITIES ARE ENCOURAGED TO APPLY.

The position of JAILER-DISPATCHER has a minimum base pay of \$970.67 per month and a current maximum base pay of \$1220.27 per month.

Unless otherwise notified, applicants will be required to take a written examination to be held at 6:30 p.m. on December 12, 1979 in the Washington County Courthouse.

All applications for the position of JAILER-DISPATCHER must be on file not later than 4:45 p.m. on November 30, 1979.

The general qualifications for the position of JAILER-DISPATCHER shall be as follows:

All applicants shall be citizens of the United States and a Wisconsin resident for one year prior to the date of the examination; all applicants shall be not less than 21 years of age nor more than 36 years of age unless a veteran; all applicants shall have a high school diploma or the equivalent thereof; applicants shall not have been convicted of a criminal offense equivalent to a felony or a serious misdemeanor under Wisconsin law; applicants shall be in good physical condition with weight proportioned to height.

The Washington County Personnel Department will furnish each applicant for the position of JAILER-DISPATCHER with a detailed job description when the applications are procured.

All applicants for the position of JAILER-DISPATCHER who successfully complete the written examination shall be graded on the basis of 50% of their total score being applied to the written examination and 50% of the total score being applied to the oral examination. Successful applicants must pass a physical examination prior to appointment.

Dated this 7th day of November, 1979.

WASHINGTON COUNTY CIVIL SERVICE COMMISSION

Gilbert Arnold, Chairman

Robert Russell, Secretary

## TOWN OF WAYNE

A budget hearing will be held in Bernard Strobel's Hall at 8:00 P.M., Tuesday, November 27, 1979. The proposed budget for the Town of Wayne, Washington County, Wisconsin, for the fiscal year of 1980 is as follows:

### RECEIPTS

## State Bowling Champions

### Defending Tournament Champs

### Strong Kewaskum High School Chess Team to Open Season

The Kewaskum chess team is preparing for another successful season. The team is looking to improve on its 7-1 mark last season when it was the South Central Chess Association runner-up in conference play and the champion in the conference tournament.

The team should be very strong as it has five returning seniors including the number one player in the league last year, Dusti Howell. Other seniors returning are Kim Manthei, who finished 7th in the league last year; Chuck Strancke, who played third board last year; Tom Rosenberger, who went undefeated last year, and

Jeff Steger who lost only one match last year. The three top juniors are Rick Howell, Steve Yahr and Dale Rimmel, while the sophomores are led by Rob Sleger.

Kewaskum is one of the favorites in the league along with Germantown, Kettle Moraine and Hartford.

The chess team opened its season Tuesday against Random Lake and the conference season starts the last week in November when the Indians host Hamilton Sussex.

According to the team's advisor Roy Peterson, the strength of the chess team lies in its depth. The top 12 players are all very competitive.

Other participating students not previously mentioned are seniors Glen Prescott, Tim Krahn and Scott Hayes; sophomores Jim Simon, DuWayne Schacht, Andy Rosenberger, Ken Bauer, John Rimmel and Tracy Coulter.

### 1979 Gun Deer Season Outlook

The outlook for the 1979 gun deer season in Wisconsin is good, although the harvest is expected to be several thousand less than last year because of the severe winter in 1978-79, according to Frank Haberland, Big Game Management Specialist in the DNR Bureau of Wildlife Management.

"I expect from 120,000 to 130,000 deer to be taken during the nine-day gun season this year," Haberland said. "The severe winter in 78-79 did take its toll on the herd," he continued, "and although we don't have enough information to give a percentage figure on losses, we are sure they will affect the total harvest."

The total for the nine-day gun season last year was 150,845 compared with a total harvest of 131,910 in 1977.

Deer hunters are reminded that the law will require the wearing of hunter orange for the gun deer season in 1980, and although not required this year, wearing of hunter orange is recommended. "Be Seen - Be Safe" is the word from John Plenke, Supervisor of Hunter Safety for DNR.

Also the season in Grant, LaFayette and Green Counties which had not been determined at the time the 1979 hunting regulations pamphlet went to the printers, runs from November 17 through the 19.

Muzzle loaders may be used during the nine-day gun deer season in any area where it is legal to hunt deer with a gun. If smooth bore, muzzle loaders must be at least .45 caliber and if rifled, they must be at least .40 caliber to be legal.

### KEWASKUM LAKES BASKETBALL TEAM TO PRACTICE SUNDAY

The Kewaskum Land o' Lakes basketball team will practice on Sunday, November 18, at 7:00 p.m. at the Kewaskum High School gym. Anyone interested in playing on the team is invited to attend.

If interested but unable to attend this practice, you may call Manager Bill Backhaus at 626-2569.

The Baumann Bus Team, which bowls at King Pin Lanes, Campbellsport, won the state championship in the state bowling tournament held at Ledgeview Lanes, Fond du Lac, last spring. The team took first

place in Class B in the team event.

Members of the team who bowled in the tournament are shown in the photo, left to right: Linda Theisen of St. Michaels, Joyce Schultz of Kewaskum,

Karen Grahl of Kewaskum, Lu Brandt of Kewaskum and Judy Rose of Campbellsport.

Lu also received the "Grand Duchess Award" for 70 years or over in the state tourney.

and some hunter success at Theresa Marsh in Dodge and Washington Counties. Duck hunting has been generally poor throughout the district, however, some bluebills, red-heads and other diving ducks have been moving through the district. Some migrant mallard flocks have also been observed. Squirrel hunting continues to improve as fall foliage falls. Pheasant hunting is spotty, at best, throughout the district. Inland fishing for bluegills is good throughout the district.

Northern pike are being taken from Lake Geneva in Walworth County. Walleye and perch are biting on Pike Lake in Washington County.

Dodge County — Panfishing continues to be good on Fox and Beaver Dam Lakes.

Fond du Lac County — Lake ducks are really on area waters. Hunting is excellent on Lake Winnebago. Cold weather will move the birds out. Anglers are picking up walleyes on the south end of Lake Winnebago. Pheasant hunting is poor.
