Full-Time Secretary for Police Dept. Approved; New Police Car Purchased

By DAN MEILAHN
Statesman Staff Writer

On Monday night, January 7, the Kewaskum Village Board, on a divided vote, approved a full-time secretary for the police department on a 90-day trial basis. A bid involving \$5400 for a new police car from Meyer Ford of Campbellsport was accepted.

A lengthy debate and discussion was held on the need for a full-time police secretary. Presently, a part-time secretary does some paperwork and filing in the evenings. Police Chief Don Hlavaty had sent a letter to the board requesting the full-time position, because more paperwork and reports concerning data about law enforcement incidents had to be sent to the State of Wisconsin now that Kewaskum is over 2500 in population. The present secretary also wished to go full-time and had considered resigning if it could not be arranged. Hlavaty noted that the police work would definitely be there for her.

Village Board member Dave Nigh objected to the request, because it wasn't stated that the secretary could not handle the present load. He felt that five full-time police personnel were not needed and that the "full-time possible resignation" idea was not a valid reason for extending her hours.

Trustee Jerry Stollenwerk also felt that the work should be

there to warrant her hours and suggested that Village Administrator Dan Schmidt and Village Clerk Bill Martin might have other work for her to do. Martin noted that there was an "abundance of work" and Schmidt suggested that she might catalog 15 years worth of village minutes and records.

Trustee Paul Blumer suggested that village secretarial work might be done in the afternoon and police work in the evening. He also observed that the secretary had allowed the department to function better.

Board member Don Mlodzik found it hard to believe that the police department could get by without any help for years and then suddenly require a change from a part-time person to a full-time one.

Trustee Carl Spoeth had no objection so long as "we can substantiate her existence." Later Spoeth suggested that the full-time secretarial position be tried out and re-evaluated at a later date.

Chief Hlavaty mentioned that she could do some of his paperwork as he wished to spend more time "on the street" anyway. He also felt she was experienced and that if other people were hired, the confidentiality of certain matters might be threatened.

Eventually the board approved the position with the understanding that if "meaningful" work was accomplished, it would remain as a full-time

position. Village President Bob Danielsen said, "I think Carl had a good suggestion. As long as we have the money... budgeted, and it appears we have the work, why don't we give it a trial period for...90 days and see how it goes."

Most board members were not in favor of creating a new type of position, but as Stollenwerk observed, if she could be kept busy for eight hours, there would be no problems with the 90-day trial period. Nigh, however, felt that the true evaluation of the position would be in two years and 90 days.

On a divided roll call vote of 4-2, the position was approved.

Only two bids were received on new police cars. The board unanimously approved purchasing a vehicle with a 302 cu. in. engine from Meyer Ford.

The first bid was from Augie Wilks Ford and Mercury of West Bend for a 1980 LTD 'S' with a 351 cu. in. engine. The list price was \$8,139 with a \$2,352 allowance on the old

Amerahn Changes Hands

By DAN MEILAHN
Statesman Staff Writer

As of January 2, 1980, Amerahn is being operated by Earl and Marie Kleinke and Donald Ebert. The Kewaskum tavern and dance hall was previously owned and operated by Steve and Mary Rahn and Allen and Jean Amerling. The Kleinkes and Ebert are leasing the business and building with an option to buy.

The establishment will be run essentially the same as before. The new managers will offer a bar, noon lunches, and facilities for wedding and other dances, banquets, meetings, and private parties. Amerahn will now be open seven days a week, from 11 a.m. to 1 a.m.

Donald Ebert will also function as a part-time chef. He has attended school in Milwaukee to enhance his culinary talents. Items as cheeseburgers, pizza, and French fried mushrooms will be available.

Originally, Steve and Mary Rahn operated a minor bar and

garage at the intersection of Highways 28 and 45 just north of Kewaskum. When 45 was improved and widened in 1958, the business relocated to the present site just north of the overhead. Jean and Allen Amerling bought the business on July 1, 1967, and ran it as "Steve and Mary's" until 1969 when the name was changed to Amerahn - a combination of the names Amerling and Rahn. The dance hall addition was built in 1973. On January 1, 1974, Steve and Mary rejoined their daughter and son-in-law to form a corporation known as Amerahn, Inc.

Steve, Mary, Allen and Jean would like to thank the people of the Kewaskum area for their patronage over the last 24 years.

As for future plans, Steve and Mary hope to travel south for a while (lucky!), and Allen will work under the new management. Jean is presently an assistant librarian at the Kewaskum Public Library.

School, Village Board Positions On Ballot Named

By DAN MEILAHN
Statesman Staff Writer

On Thursday evening, January 3, a drawing of candidates' names determined the position on the ballot for the April 1 election for the Kewaskum School Board. The order will be: 1) Richard Theusch, 2) John R. Tessar, 3) Margaret A. McFadden.

The three candidates are vying for two positions on the school board. Richard Theusch, Route 3, Campbellsport, is seeking his 4th full 3-year term after serving 12 years. John R. Tessar of Kewaskum is seeking his second full term after four years. He was originally appointed to replace Allen Tessar on the board. Margaret McFadden of Kewaskum sought the position last year and will be running for the second time. All candidates filed a declaration of candidacy by 5:00 p.m. January 2.

The three candidates for the village board are all incumbents and unopposed for the three positions. Ballot placement will be according to alphabetical order: 1) Raynor Herriges, 2) Donald Mlodzik, 3) Carl Spoeth. These candidates all filed independent and nonpartisan nomination papers, which included at least 20 signatures of citizens, by 5:00 p.m. January 2.

There will be no primary elections for either the village or school board positions as the number of candidates is already limited.

KHS to Host Final Scenic Moraine Honors Concert

Talented musicians from Kewaskum and other conference schools get together for the last time on February 2, for a 7:00 p.m. band and choral concert.

Nine years ago, plans were set in motion which started the first all-conference Honors Program. At that time it was one of the first events of its kind in Wisconsin and has grown throughout the state. The basic format was decided upon by the conference band and choral director who selected the music, the top senior musicians of the

conference and hired a guest clinician-conductor. The guest conductors have prominent college professors from as far away as Eau Claire to as close as Lawrence University.

The Kewaskum Music Department is pleased to announce that this program will be held here at Kewaskum this year. January 26, 1980 will be the first rehearsal date, from 1:00 - 4:30. Then on February 2, the two hundred plus musicians will be here all day rehearsing for the big concert that evening which begins at 7:00 p.m.

The selected musicians from Kewaskum are: choral - Jeff Kreuser, Richard Rauch, Tom Rosenberger, Mike Ciha, Ken Fellenz, Patti Sleger, Laura Asch, Shelley Hamernik, Darcie Schmidt, Sue Kleinke and Lisa Taylor. Band students involved are: Donna Ehnert, Debby Bargman, John Czoschke, Sherry Foerster, Kelley Coulter, Henry Schilter, Bobbi Schmidt, Vance Reif, Debbie Schlice, Ken Scott and John Brenholt. Guest conductors are Mr. Albert Asch, UWWC-band and Dr. Anthony Barresi from UW-Madison.

First Snow Cover

Here it is almost the middle of January and this area received its first snow cover on the ground Sunday, when a couple of inches fell. The snow was accompanied by high winds and followed by very cold weather.

This was the first winter in a long time that we had a green (or brown) Christmas with no snow on the ground. Just the opposite from last year when the snows started around Thanksgiving time and never quit, with some good snowstorms in between.

Preceding Sunday's snow, temperatures in the 30's, 40's and even 50's were enjoyed by everyone except snowmobilers, skiers and other winter sports enthusiasts. The snowmobile trails are still closed for lack of snow. It has been rough on ski hills, which usually have their biggest business during the holidays.

West Bend Savings Names Filzen Vice President

West Bend Savings and Loan Association announced the appointment of Daniel V. Filzen as Vice President-Mortgage Loans. Filzen assumed his new duties on December 19 and is now responsible for all of the association's mortgage lending activity including branch loan activity.

According to association

president, Richard A. Larson, Filzen has joined the association's senior management committee and will continue to serve as vice president of Citizens Credit Corporation - a wholly owned association subsidiary.

Filzen, a native of La Crosse, joined West Bend Savings in July, 1975 as a loan officer and was later named assistant secretary and manager of the association's Kewaskum office. In a subsequent promotion Filzen served as assistant manager of the association's mortgage loan department and vice president of Citizens Credit Corporation - a wholly owned subsidiary of West Bend Savings established in 1978 to provide personal loan service to the association's mortgage customers.

Filzen received his Business Administration degree in 1972 from the University of Wisconsin-La Crosse. Prior to joining West Bend Savings he served as a senior loan officer with a large credit union in La Crosse.

Filzen resides at 2227 Salisbury Road, West Bend, with his wife Gail and son Benjamin.

Charity Time In Auburn

As in the past few years, the Town of Auburn will conduct the combined Charity Drive. Each taxpayer will receive along with their tax papers, an envelope for the four charities. Each donor can designate the charity or charities which is to receive the money. All checks should be made out to "Auburn Charities."

Mrs. Orville Mathieu will again head the Arthritis Foundation. This worth while organization is working hard to fight this crippling disease.

Mrs. William Marchant is Red Cross Chairman. Everyone knows when disaster strikes in the form of violent weather or fire, the Red Cross is there to help.

Mrs. Elmer Krueger as in the past will take good care of the Cancer Foundation. This foundation has made great progress in the past and is looking for a big breakthrough in the future.

Mrs. Ralph Strassburg is chairman for the Heart Association. High blood pressure is the leading contributor to heart attack. This can be controlled with proper care. February is Heart month. The improved methods for treating and controlling heart attack, high blood pressure, artificial heart valve and synthetic artery grafts are all due to your donations.

Every charity is worth while and every dollar counts. The cooperation of all in the past few years has been greatly appreciated.

American Dairy Association Sets District Meetings

The ADA of Wisconsin recently released the dates of its Annual District meetings. The meetings, held in the 13 ADA Districts, will feature a presentation of ADA programs, budget, election of officers and a noon meal.

The program starting at 11:45 for District 5 consisting of Dodge, Fond du Lac, Sheboygan, Ozaukee and Washington counties, will be held Tuesday, February 12, at the K-C Club, Fond du Lac.

KHS German Club Sets 1980 Fasching

The KHS German Club has set its 1980 Fasching celebration for Sunday, February 10. This is the third year the club has planned this traditional German festival.

Mrs. Robert Medley will again prepare the dinner with the aid of her German Club assistants. The doors to the high school will open at 4:30, but dinner will not be served until 5:00. This year there will be two serving lines.

German music and skits and door prizes are also on the

agenda for the evening.

Tickets can be obtained from German Club members or by sending your order and check to the German Club, Kewaskum High School, Kewaskum, WI. 53040. Be sure to indicate the number of adult and children's tickets you would like. Ticket prices are \$3.75 for adults and \$2.00 for children under 12. Since space is limited, so is the number of tickets available. Please obtain yours as soon as possible! Donna Ehnert is the German Club president this year, and Mrs. Susan Schmitz is the advisor.

The secret of happiness is curiosity.

police car. The net cost would be \$5,787. Wilks also had an alternate bid for an identical car with a 302 cu. in. engine. This listed for \$7,989 and had an allowance of \$2,325. The net difference was \$5,664.

Meyer Ford also had a bid for an LTD 'S' with a 351 cu. in. engine that listed at \$8,167.50. There was a trade-in value of \$2,567.50 and the net difference was \$5,600. The alternate bid for a car with a 302 cu. in.

engine was \$8,017.50 with a trade-in value of \$2,617.50 to yield a net difference of \$5,400. Meyer also included EPA ratings of 17 miles per gallon for the 351 and 16 miles per gallon for the 302.

Police Chief Hlavaty reviewed the bids according to his specifications and said he'd be willing to go with the 302 model due to its availability. Danielsen noted that it also was \$200 cheaper and would save at least 246 gallons of gas per year. The village had budgeted \$6,000 for a new police car and the Meyer bid was \$600 less than anticipated.

BIG TURNOUT FOR SANTA — Santa Claus made his annual visit to Kewaskum on Saturday, December 15, at the Middle School between 10 a.m. and 12 noon and it was a very successful one. Approximately 400 children turned out for their bags of Christmas goodies. Some waited in line for almost an hour.

Shown on Santa's lap at the left is Lynn Johann, while part of the waiting line is shown above.

Wisconsin Residents 60 and Over Invited To Enter 'Yarns of Yesteryear' Contest

Wisconsin residents who remember the hard work, happy times, and challenging experiences of the "good old days" are invited to enter their reminiscences in the seventh annual YARNS OF YESTERYEAR Contest.

Sponsored by the University of Wisconsin-Extension Arts Development Unit and the Wisconsin Regional Writers Association, the contest is open to all Wisconsin residents, age 60 and over. Entries may tell of family, friends, or activities of bygone days. They may be historical stories with a personal slant, or essays entitled: "Whatever Happened to Old Time Values?"

Entries must be postmarked no later than March 1, 1980. Only one manuscript, original and unpublished, may be submitted. It may be typed or neatly handwritten; the word limits are 500 to 1500 words. Since manuscripts will not be returned, contestants are advised to make and keep a personal copy.

Entrants are also asked to prepare a separate cover page with the title of their manuscript, their name, address (including county), telephone number, age (optional), the name and address of their local newspaper, and the number of words in their entry.

Prizes ranging from \$25 to \$5 will be awarded the top ten winners at the Wisconsin Regional Writers Association

Spring conference in Janesville on May 3, 1980. Ten memberships in the association and twenty honorable mention certificates will also be awarded. Additional cash awards will be given to the best entries in the "Winners' Circle," a special competition for those who have previously won contest prizes.

Judges for the contest will be: Mark Lefebvre, Editor-in-Chief, Stanton and Lee, Inc.; Clarice

Dunn, free-lance writer and former YARNS OF YESTERYEAR Contest Director; Frank Custer, local history buff and feature writer for several Madison publications; Elizabeth Durbin, Managing Editor of the Wisconsin Academy Review; and Howard Kanetzke, School

Publications Editor, Wisconsin State Historical Society.

Entries, or requests for further information about the contest, may be sent to: Gen Lewis, Director, YARNS OF YESTERYEAR Contest, 610 Langdon, Room 720, Madison, WI 53706. For ideas and suggestions as

to the types of stories to write, contestants may wish to read selections in WE WERE CHILDREN THEN, the anthology of YARNS OF YESTERYEAR Contest entries, published by Stanton and Lee Publishers, Inc. Sauk City, WI 53583 (\$7.23).

Mary Panzer Wins Big in Primary

Mary Panzer

Mary Panzer, 28, of Brownsville, rolled over three other candidates in last Thursday's primary election and now will face Democrat Robert Deters of West Bend in a special election January 31 to fill the vacant 53rd District State Assembly seat.

Miss Panzer easily outpolled her three rivals: Washington County Clerk of Courts Jon W. Sanfilippo, 30, of West Bend; Diane Bliss, 28, executive secretary of the West Bend Chamber of Commerce; and Mayville photographer Edgar G. Mueller, 66. Her vote total was more than that of the other three candidates combined.

The 53rd District comprises parts of Washington, Dodge and Fond du Lac counties, including the Towns of Wayne, Barton and Ashford, but not Kewaskum. Unofficial results were: Panzer 2,771; Sanfilippo 678; Bliss 615; and Mueller 257. Deters, a former Washington County District Attorney, now employed in the state public defender's office at Waukesha, was unopposed for the Democratic nomination. He polled 111 votes in the primary.

Deters and Miss Panzer will meet in a special election January 31 to choose a successor to Republican James R. Lewis of West Bend, who is serving a six-month sentence in a federal penitentiary at Leavenworth, Kansas. He was convicted of lying to a grand jury in connection with the sale of a laser weapon in Guatemala.

Miss Panzer, a lifelong resident of Dodge County, is a graduate of Mayville High School and the University of Wisconsin-Madison, where she received a political science degree. She is a daughter of the late Frank Panzer, president pro tem of the State Senate for more than 20 years. Miss Panzer was an administrative assistant to former Republican State Senator Walter Hollander of Rosendale, a bank credit analyst, and an assistant to Attorney General Bob Warren.

Many Wisconsin Businesses Affected By Changes in Two State Laws and Rules

Madison.--Many Wisconsin businesses will be affected by changes in two state laws and rules scheduled to take effect Jan. 1, a state agency announced.

The State Department of Industry, Labor and Human Relations (DILHR) said the changes are in the state's unemployment compensation and minimum wage regulation.

Effective midnight Monday, January 1, those who take over a business may choose, in most cases, whether they will assume the unemployment compensation account of the previous owner.

Under existing law, new owners are required to assume liability for the previous owner's unemployment account and any delinquent taxes unless the business is dissolved. The new law gives new owners of businesses the option, in most cases, of either continuing the previous owner's account or opening a new one.

Other provisions for the first time impose a personal liability for delinquent unemployment taxes on corporate officers and employees with at least 20 percent of the ownership interest, and permit the agency to waive a late-filing fee for employer tax reports if the tardiness is beyond the employer's control.

Various state minimum wage rates also changed at midnight Monday, January 1.

For employers in non-agricultural businesses, the minimum pay rate for adults will rise from its present \$2.80 an hour to \$3.00 an hour.

The rate for workers under 18 years old will go from the current \$2.45 an hour to 2.65 an hour.

Agricultural employers will be required to pay adult workers \$2.80 an hour--up from the current rate of \$2.60. Minors employed in agriculture must receive \$2.45 an hour on Jan. 1--up from the current rate of \$2.25 an hour.

Restaurants and other businesses where employees work for tips will be required to pay adult workers a minimum of \$1.90 an hour and minors \$1.60 an hour--up from the present minimum rates of \$1.85 and \$1.55 an hour, respectively.

State minimum wage rules also allow employers to deduct charges for meals and lodging supplied by the employer.

Maximum allowances for these charges for non-agricultural employers will rise to

\$1.70 a meal and \$3.45 a day for lodging for adults, and for minors, to \$1.50 a meal and \$3.05 a day for lodging. Current rates are \$1.60 a meal and \$3.20 a day for lodging for adults, and \$1.40 a meal and \$2.80 a day for lodging for minors.

Board and lodging rates for agricultural employers rise to \$1.60 a meal and \$3.20 a day for lodging for adults--up from \$1.50 and \$2.95, respectively, and for minors, to \$1.40 a meal and \$2.80 a day for lodging--up from \$1.30 and \$2.55, respectively.

State minimum wage rates apply to all state employers. However, the federal minimum wage also covers many businesses. In cases where a business is covered by both state and federal minimum wage laws, the higher of the two rates applies.

The federal minimum wage rate also increased Jan. 1 from its present level of \$2.90 an hour to \$3.10 an hour.

The young fellow eyed the good looking girl and exclaimed "Hi, beautiful!" Getting a cold shoulder, he added: "Pardon me. I thought you were my mother." "Impossible," the girl retorted, "I'm married."

Miss Panzer lost the Republican nomination to Lewis by only 84 votes in 1974 and this special election provides her with another excellent chance at the 53rd District State Assembly seat.

In the photogravure section of last Sunday's Milwaukee Journal appeared two pictures, one was taken at the intersection of Fond du Lac Avenue and Main Streets, Kewaskum, in which are shown the front parts of Ramthun Bros. hardware store and Louis Heisler's lunch room, also a number of teams hitched to sleighs and tied to hitching posts on the west side of the Republican House. The other gives a view of part of the farm house of Art Stark, located south of the city limits. The pictures were taken on Saturday, January 19, 1929, the morning of which a fast express train was wrecked here when it ran off the track after the night of a heavy snow fall.

The infant daughter of Mr. and Mrs. Loran Keller was baptized at the St. John's Lutheran Church in New Fane on December 29. She received the name of Patricia.

Eddie Ferber of the Town of Auburn, left last week for Madison where he is taking a three month course in agriculture at the University of Wisconsin.

Goodwill Asks For Donations

Goodwill Industries, Milwaukee Area, Inc. is making a special plea for support during the winter months ahead. Clothing and other useable items are needed, particularly during January, when donations traditionally fall off. Donors are urged to bring their contributions to their nearest deposit station.

Donations, which are tax deductible, are sold at the two Milwaukee Goodwill stores, and proceeds help support the rehabilitation agency. Over 700 handicapped adults come to the agency each day for vocational training, to enable them to become independent, productive, tax-paying citizens. Goodwill is the largest rehabilitation agency in the state, and the largest of more than 200 Goodwills throughout the world. It is located at 6055 North 91st Street.

Contributors are requested to put articles inside the drop box whenever possible. Articles left outside may be damaged by the inclement weather, and become a total loss to the agency.

Frostbite Season Is Here

The cold weather season is here once again and accompanying it comes the danger of frostbite.

Frostbite occurs when tissue cells freeze; crystals of ice form between the cells. Nerves, muscles and blood vessel tissues are the most susceptible to frostbite.

The real danger with frostbite is the way it can sneak up on an individual - often, a person doesn't even feel it. But while freezing skin tissue may not be painful initially, it gradually becomes numb, hard to the touch, and very painful. Frostbite can result in amputations and leave the victim hypersensitive to cold for the rest of his or her life.

In some ways the damage of frostbite is similar to a burn. The symptoms of first-degree frostbite are a bright, pink skin that changes to greenish-yellow or white as freezing sets in. It is most likely to attack the nose, ears, feet and hands. Second degree frostbite produces blisters as in second degree burns. In third degree frostbite the damage is deep and much of the frozen part may be lost.

Prevention is the best protection. This means being properly dressed in warm clothing, waterproof shoes, and heavy, dry socks, with good covering for head and ears. Keep clothing dry from both outside moisture and perspiration; avoid tight clothing that may restrict circulation.

The basic first-aid treatment for frostbite should be aimed at getting the frozen parts of the body thawed out, thereby allowing circulation to re-establish itself normally. Either immerse the affected area in lukewarm water, or apply warm, wet towels. If lukewarm water is not available or is impractical to use, gently wrap the affected parts in blankets.

When the skin shows a pinkish color, the warm water treatment may be discontinued. The pinkish skin tone is an indication that normal blood circulation is taking place through the affected area. Encourage the victim to exercise the part of the body that has been affected and to drink a warm, non-alcoholic beverage.

The list of things not to do

when treating frostbite include:

-Don't rub the frostbitten area.

-Don't use hot water, hot water bottles or heat lamps over the frostbitten area.

-Don't use the affected part at all initially; wait until the pinkish color returns.

-Don't smoke, since smoking further narrows the blood vessels and allows even less blood to flow through the affected area.

-Don't apply any dressings too tightly. Cover it with a light, dry dressing only.

Medical treatment should be sought promptly in any frostbite case. Control of severe pain is required, and antibiotics and antitetanus injections may be needed if the skin is broken.

West Bend Savings Will Offer New Savings Certificate

The Federal Home Loan Bank Board, in an effort to provide additional returns to savers, has authorized savings institutions to, effective January 1, 1980, issue a new fixed rate, variable ceiling account with a minimum term of 30 months.

Interest rates paid on the new certificate will be indexed to the 2 1/2-year United States Treasury Security rate as determined by the U.S. Department of the Treasury. Rates will change monthly, however, accounts opened during the month will be guaranteed that rate for the full 30 month term and all interest earned will be compounded daily.

The new certificate replaces the 4-year ceiling certificate that was authorized July 1, 1979.

Nancie Paine, West Bend Savings vice president said the new certificate will offer substantial benefit to small savers by providing the flexibility of a shorter-term investment along with a rate of return that more closely reflects market rates. According to Paine, the new certificate is available at West Bend Savings with a minimum deposit of \$100, and during

January will pay 10.40% interest compounding to 11.12% in 30 months.

The Federal Home Loan Bank Board also increased the maximum authorized rate of return on notice accounts and accounts with a term or qualifying period of 90 days or more from 5.75 percent to 6.00 percent. This change is consistent with the increased rate of return on passbook accounts that was authorized July 1, 1979.

County Environmental Council to Present Program on Sewage Disposal

The Washington County Environmental Council has invited the Milwaukee Metropolitan Sewerage District to present its proposed plans for sewage disposal. The program will be held at 7:45 p.m. on Tuesday, January 15, in the Courthouse auditorium in West Bend.

The district is looking at sites in southeastern Wisconsin for agricultural application, landfill and composting of sewage solids. They have completed a general site phase eliminating

environmental corridors, wetlands, 100 year floodplains, urban areas, recreational areas, and areas recommended by SEWRPC for use by non-MMSD sewage treatment facilities. The site specific analysis has just begun.

Everyone who has an interest in farming, environmental concerns, local government or just keeping in touch with what is going on in the county is urged to come.

Board of Education Meeting on Monday

The regular meeting of the Board of Education of the Kewaskum Schools will be held on Monday, January 14, 1980. Beginning at 8:00 p.m., the meeting will be held in the district administrative offices.

Agenda items will include a second reading and action on a number of policies. These policies deal with use of school buildings, board bylaws and internal operations of the board.

Preliminary discussions will be held on possible changes in student fees, as well as continuing discussion on whether the board wishes to bid district property and liability insurance. New business will include approval of Title IV projects, a request for four days of unpaid leave, and approval of payroll and vouchers payable. Miscellaneous items which may arise will also be considered.

A closed session will be held following the regular meeting to discuss teacher negotiations as allowed under Wis. Stats. 19.82(1).

Timothy Ramthun Daughter Baptized

Tiffany Marie Ramthun was baptized at St. Lucas Lutheran Church by Rev. Paul Hoenecke on Sunday, December 2. Her sponsors were Robin Humpel and David Ramthun. Her parents, Timothy and Carol Ann Ramthun of Germantown served dinner at the home of Tiffany's grandparents, Ellie and Dolly Ramthun of Route 2, Campbellsport for the following guests:

Rev. and Mrs. Paul Hoenecke, Kewaskum; grandfather Roger Dieringer and wife Jill of Eau Claire; great-grandfather Andy Melk and friend Alice of Germantown; great-grandparents Dr. and Mrs. R. G. Edwards of Kewaskum; great-grandmother Adeline Tomasek and husband Frank of Random Lake; great aunts, Lazeda Perschbacher and Elsie Hook of Kewaskum and uncle Jonathan and aunt Karen Ramthun and Laura of West Bend.

Winter Brings Own Special Health Ills

Winter presents some special hazards to health and physical comfort that aren't around the rest of the year.

First, there is the cold. Even in the Deep South there are some sharply cold winter days. And in the north there are many of them. The trick to surviving extreme cold is to be properly dressed. Layers of clothing are better than one very heavy garment. Proper socks and footwear are vital.

Frostbite is a constant threat for those who are outdoors very much in subfreezing cold. Frostbite creeps up on you before you know it. Ask a friend or relative to watch your cheeks and nose and ears for greyish, whitish spots. If one appears, get indoors fast. Don't rub the affected part. Let it thaw gradually. Ignore the old advice of rubbing it with snow. That only makes things worse, the American Medical Association points out.

There are more colds and more flu in the winter. Actually these are virus infections that do not depend on the

weather. We sometimes get a cold in the summer, too. But there are a lot more in the winter.

A cold can't be cured once it starts. There are medicines that relieve the discomfort while the virus is running its course. Bed rest usually helps the sufferer to feel better. Just remember the guy who tells you he can cure your cold is talking through his hat.

If the sore throat, headache, fever and general discomfort that goes with colds or flu become unbearable, you may wish to see your doctor. He may prescribe additional medicines to alleviate the symptoms.

If the colds and flu persist, or recur frequently, there may be a basic health problem. Your doctor may order a full physical examination, complete with blood and urine laboratory tests, to try to get at the cause.

Cold air dries out when warmed to comfortable temperature. You may need to add to the indoor humidity in your home or office. If your skin becomes dry and itchy, use creams or lotions.

For most of us, there is no health hazard in keeping indoor temperature in the 60s, as urged by the government to conserve fuel. For some older persons, the 60s might be unhealthy. If you have doubts, ask your doctor.

Seeing IS Believing

On the front of every Volcano is an inspection port with a swing away cover, through which the observer sees a sheet of bright orange & blue flame sweeping over and around wide, flat steel surfaces of hollow crossflow baffles. He sees the heart of the Volcano, and the significant difference that makes it the most sophisticated wood burner in the world.

This sheet of flame (gases burning in the secondary combustion chamber) superheats room-heating, fan-forced air ducted around the firebox and through the hollow baffles.

This intense secondary burn, observable and fascinating to watch on every Volcano, demonstrates Volcano's lead in woodfiring technology.

When hooked to forced air or hot water systems (hydronic models available), the Volcano literally provides all the heat a homeowner needs with measurably less wood consumption than even the most modern of competitor stoves. Inside, the Volcano is as new as tomorrow, with the outward appearance of the Quaker Box Stove of yesteryear.

Twenty-seven candidates from around Wisconsin will be assembling at the Holiday Inn in West Bend on Friday, January 11, for the 1980 Wisconsin Outstanding Young Farmer competition.

According to program Co-Chairmen Dennis Heinecke and Dennis Kruepke, the judging will be done by Bert Hutchison, Cathy Machon and Les Huber, and will begin at noon.

R. E. "Bert" Hutchison is vice president, account group supervisor at The Brady Company in Milwaukee. The Brady Company is an advertising agency servicing a number of agricultural and industrial clients. An Ohio native, Bert is a graduate of Ohio State University and attended graduate school at the University of Wisconsin-Madison and was an International Farm Youth Exchange Student to Australia. He has been Information Director

for the Wisconsin State Department of Agriculture and Information Specialist with the U.S.D.A. in Washington, D.C. As a radio farm broadcaster for KDKA in Pittsburgh, Bert was M.C. at the 2nd National Outstanding Young Farmer award program in 1956. He also has been in product management at the Hess & Clark Co., and joined The Brady Company in 1968.

Cathy Machon, the Dairy Editor for the "Farm Journal," was born and raised on a dairy farm near Kenosha, Wisconsin. She earned her B.S. degree in Agri-Journalism from University of Wisconsin-Madison. Her previous positions include Assistant Public Relations Director for the National Milk Producers Federation in Washington, D.C. She is also active in a variety of professional organizations and has served as president and a national board member of the Badger Chapter of the National Agri-Marketing Association and is on the Advisory Committee

for the Dairy Science Department, University of Wisconsin-Madison.

Les Huber, a professor in Community Programs, is the Farm Management Agent for the University of Wisconsin Extensions in Jefferson and Dodge Counties. He previously served in this capacity in Green and Marathon Counties for a total of 25 years experience in the field. His professional activities include the Wisconsin and National County Agents Association, and the American and Wisconsin Societies of Farm Managers and Rural Appraisers. Born and raised on a dairy farm near Medford, Wisconsin, he holds his master's degree in Agricultural Economics from University of Wisconsin-Madison.

The evening Farmer Highlights Banquet will feature a slide presentation of the candidates' farming operations and presentations will be made to the major sponsors. For this year's program, these sponsors are

Gehl Company, J. I. Case Company, Production Credit Association, Deere and Company, A. O. Smith Harvestore, FS Services, Pioneer Seed Company, Allis-Chalmers, Dairyland Seed Company, Tri-State Breeders, West Agro-Chemical, Inc. and Kasten Mfg. Corp.

Prizes provided by these sponsors will include one season's use of a 90 series tractor from J. I. Case for the first place winner. The second place candidate will be awarded the use of a Gehl 1090 Mower-Conditioner, according to Joseph Zadra, Gehl Company Board Chairman. Kasten Manufacturing will present the third place winner with the use of a Model 21 Forage Box with tandem wagon gear and tires.

Following the Saturday morning breakfast at 8:00 a.m. at Holy Angels, the Gehl Company will conduct a tour of its facilities.

The noon luncheon will in-

clude speaker Leo Walsh, Dean of the College of Agriculture, University of Wisconsin-Madison, and the presentation of participation awards to the candidates.

A farm forum, running from 2:00 to 4:00 p.m. will be monitored by Celia Laustad, a recognized speaker on marital property reform laws.

The 1980 Wisconsin Outstanding Young Farmers will be announced at the Saturday Evening Awards Banquet. Emcee for the evening will be Warren Jorgensen, news man for WBEV Radio, with Gary Rohde, Secretary of the Wisconsin Department of Agriculture, Trade & Consumer Protection, as the featured speaker.

A dance will close the weekend activities.

Farmers Must File for Wool Incentive Payments

Wool and lamb producers must submit their sales slips from 1979 wool and unshorn lamb marketings and file an application before they can receive their incentive payments, Ira A Oelhafen, Chairperson of the Washington County Agricultural Stabilization and Conservation (ASC) committee, said. They have until January 31 to file and avoid late payments.

The support price for 1979 shorn wool marketing is \$1.15 per pound. Oelhafen said pulled wool will continue to be supported at a level comparable to the support price for shorn wool through payments on unshorn lambs.

Shorn wool payments are based on a percentage of each producer's returns from sales. The percentage is the amount required to raise the national average price received by all producers for shorn wool in 1979 up to the support price of \$1.15 a pound. Shorn wool prices averaged between 80 and 85 cents per pound in 1979.

The price support for 1980 wool has been increased to \$1.23 per pound.

Congressman
JIM SENSENBRENNER
Reports

A Report Card on Congress

Now that the first session of the 96th Congress is half over, it is time to stop and rate its performance thus far -- what it did and didn't do and how it conducted itself, as well. So, here goes.

Fiscal Responsibility. Congressmen deserve a solid "F" for passing a Federal Budget deep in red ink (\$30 billion worth) and continuing too many pet programs intended solely to help their re-election.

Voting in the Interest of Constituents. A "D" in this category is warranted because Congress too often increased the already onerous power of the federal government and increased inflationary federal spending even more.

Voting in the Self-Interest of Congress. A \$3,162 pay raise, more staff, and more tax dollars to run their offices clearly prove that Congressmen should get an "A" in this expensive category.

Helping Constituents with Problems. Here a "B" is deserved because Congress men do a pretty good job of interceding with federal bureaucrats in behalf of their constituents. However, this grade will not improve until Congress gives itself the power to veto the bureaucratic regulations that cause those constituents prob-

lems.
Policing Itself. Congress deserves a "C" for going after some of its errant colleagues, but letting others -- notably Rep. Charles C. Diggs, Jr. of Michigan -- off the hook, even though they may have violated the law and House rules.

Ability to Perceive Its Own Faults. Congress rates an "F" here for failing to reform its committee system so effective, responsive action can be taken quickly on serious problems like energy.

Majority Tyranny. Congress gets an "A+" for too often silencing its own minority -- sometimes Republican, sometimes Democrat -- on important issues, thereby denying the American taxpayers a full discussion of the things they end up paying for.

Overall Accomplishments. For its overall performance in addressing our nation's problems, Congress deserves a "D," because of the many unresolved issues still pending -- like energy, tax reductions, etc.

So, thus far the record of Congress in meeting its responsibilities to the taxpayers has not been very good. Let's hope 1980 will be better on that score.

Toll-Free Number Installed for the Aging and Disabled

A statewide toll-free number, 1-800-242-1060, has been installed by the Governor's Ombudsman Program for the Aging and the Disabled.

The Program's caseworkers are available to deal with complaints or provide information regarding a variety of services including: nursing home care, social security, SSI, Medicaid, Food Stamps, Social Services, Medical services, and housing.

The purpose of the Program, created by Governor Lee Sherman Dreyfus in an Executive Order on September 24, 1979, is to insure that government services relating to the aging and disabled are provided effective-

ly and efficiently. The caseworkers may investigate and mediate problems or disputes, as well as assist service providers in complying with appropriate laws, regulations and policies affecting their activities with the aging and disabled.

The Governor's Ombudsman Program is headquartered in the Wisconsin State Office Building, 819 N. 6th Street, Milwaukee. There are two regional offices: at the Tenney Bldg., 110 East Main Street, Madison (608-266-8944) and City Hall, 1004 East First Street, Merrill (715-536-7518).

Lakes Team Nips Slinger, 108-106

The Kewaskum Land o' Lakes team resumed play at Slinger Saturday night and won another close one, 108-106. Kewaskum now holds second place in the "B" Division with a 3-1 mark, while Slinger dropped to 1-3.

Kewaskum trailed Slinger at the half, 55-51, but came back with a big third quarter to pull out a victory by two points.

Clark Eichstedt led the winners with 29 points, while Ken Loest added 27 and Bob Mertz 21. Dale Scherr and Greg Jonas popped in 25 and 24 points respectively for the losers.

In their next game Kewaskum will host Port Washington Saturday at 7:30 p.m. Port is 0-3.

Gun Deer Count Tops 125,000 Mark

Latest figures available indicate a deer harvest during the nine-day gun season in Wisconsin of 125,391.

The totals were down from last year in all six DNR districts, with the smallest percent of change recorded in the north-west counties where the de-

crease was only 4 percent. The highest percent was recorded in the North Central District counties with the decrease there being 28 percent compared to a year ago.

Hunters harvested 40,754 deer on the 62,203 deer party permits issued showing a success ratio of about 65 percent.

The decreased harvest was predicted by DNT officials because of the severe winter a year ago which took its toll on the Wisconsin herd. Also, the weather was warm opening weekend of the season this year, not particularly good deer hunting weather and very few areas of the state had any tracking snow during the nine-day season this year.

Donkey Basketball At High School Jan. 16

The Kewaskum High School Student Government will sponsor a donkey basketball game on Wednesday, January 16, at the high school's old gym.

The show consists of four games, with junior and senior students and faculty participating. Advance tickets, which are being sold during lunch hours at the high school, are priced at \$2 for adults and \$1.50 for students. Tickets are \$2.50 for adults and \$2 for students at the door.

Kettle Riders Give Christmas Gifts

In keeping with the spirit of the season, the New Fane Kettle Riders presented Christmas Gift Boxes to local senior citizens. The Club also presented a Holiday Fruit Basket to an area nursing home.

These gifts and basket have become an annual event, with club members providing the items to fill the Gift Boxes. In this way the members are sharing their homes and Christmas with their friends and neighbors.

Official Village Snowmobile Route Map

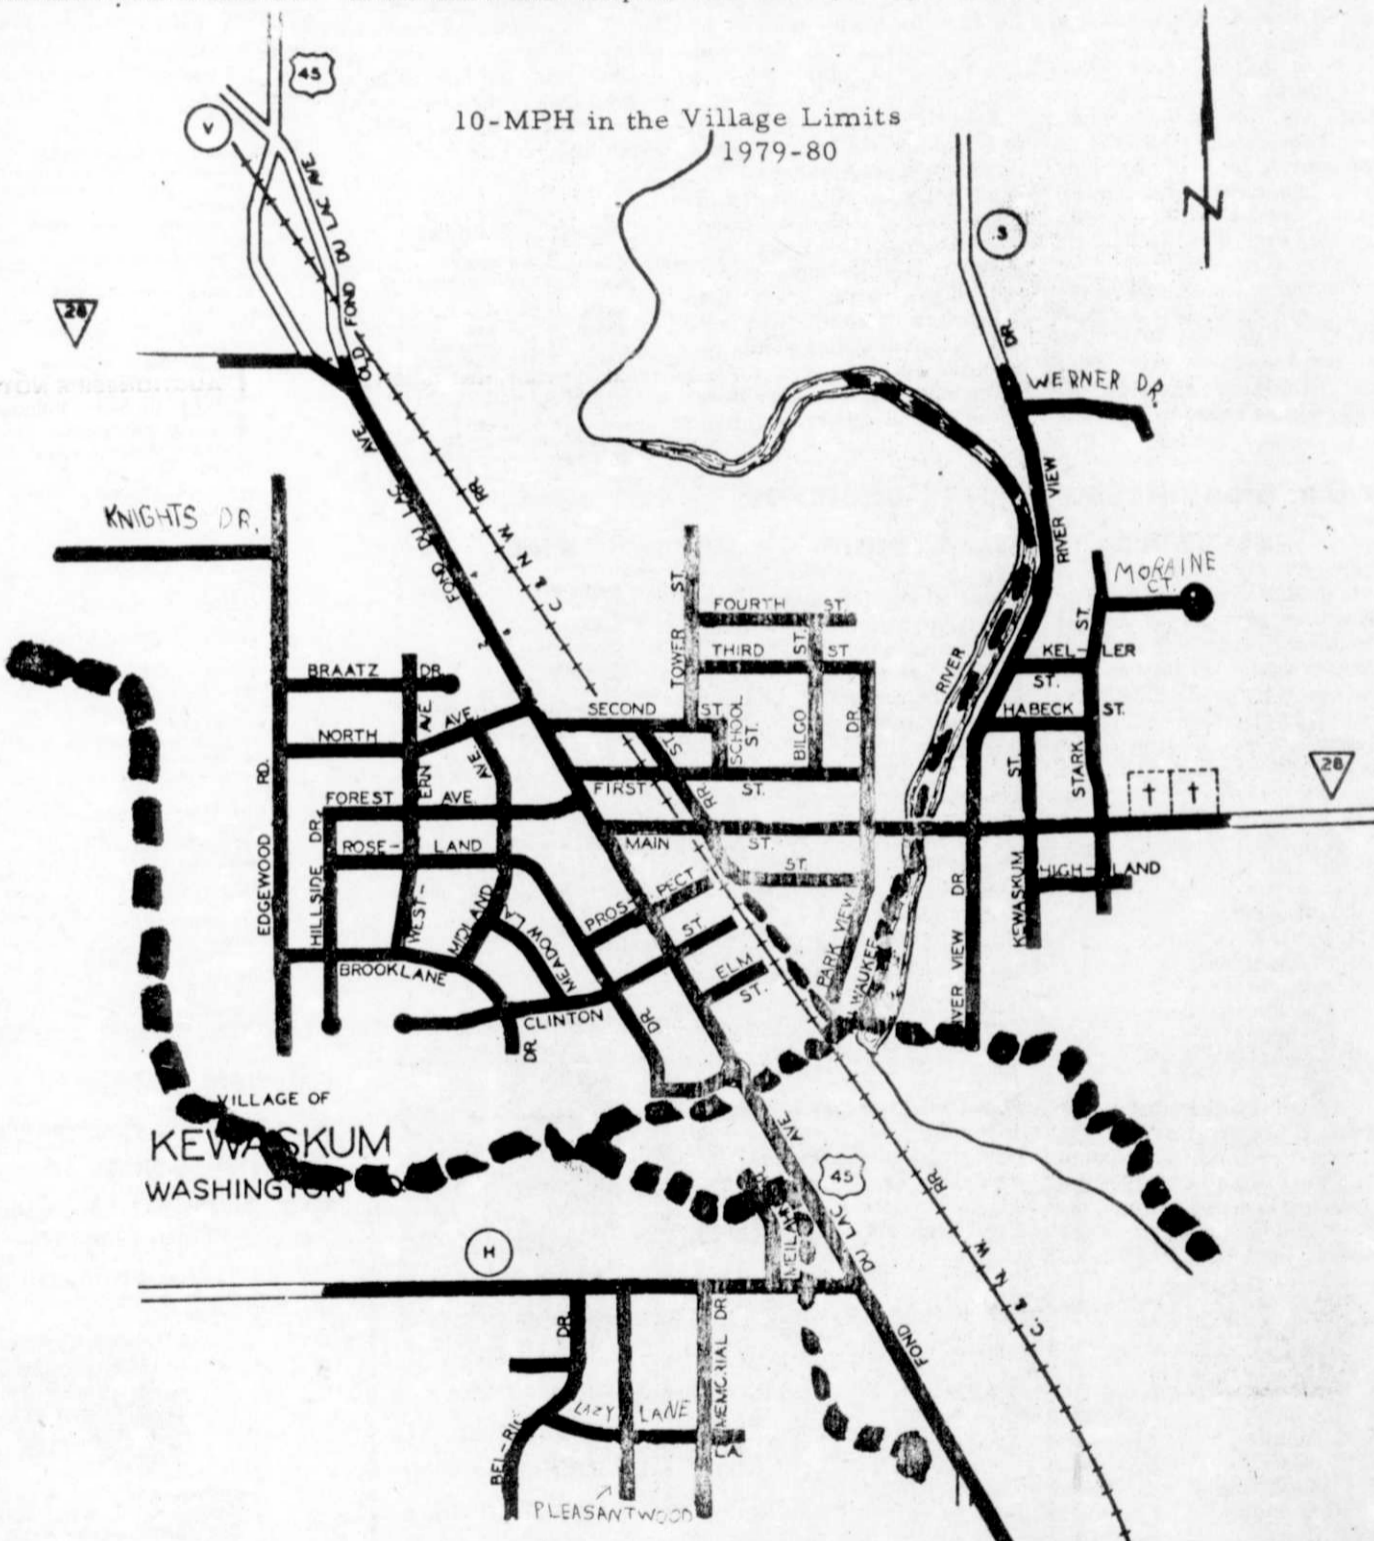

The map accompanying this article is the snowmobile trail designated in the village limits. It runs west to east from one end of the village to the other. On the east side riders can travel around Hon-E-Kor Country Club and connect with the state trails, or they may take the Milwaukee River to other area

trails. This route has been agreed on by the village board and the Kewaskum Sno-Chiefs. Please stay on the trails and obey the rules of the village ordinance on snowmobiling. There is a 10 mph speed limit in the village limits and also no snowmobiling on sidewalks or malls except to

get to an authorized trail. People are not to use the new park as a drop off and pickup area. Sno-Chiefs President Bill Lehmann says snowmobilers coming into Kewaskum are to park cars and unload at the gravel pit a mile east of the village on Hwy. 28. He said the club would post signs in the

area saying no snowmobiling would be allowed in the park, where there may possibly be an ice skating rink on a portion of the lot. It is a privilege to snowmobile in the village — don't abuse it.

Thank you,
Kewaskum Sno-Chiefs

COMPLIMENTS OF THE KEWASKUM AUXILIARY POLICE DEPARTMENT

Indians Drubbed by Leading Hartland, Beat Campbellsport

The Kewaskum Indians split two games the past week, taking a 85-67 trouncing from undefeated conference leader Hartland here Friday and coming back to beat Campbellsport of the Flyway loop Tuesday, 64-59.

Hartland's Tim Fredman and big gun John Kaiser combined for 55 points against the Indians. Fredman, a 5-foot 10-inch guard, scored 30 points, while Kaiser, a 6-4 center, added 25 and 13 rebounds to help Arrowhead improve its conference record to 5-0. (Hartland, 9-0 for the season, defeated West Bend West Tuesday night).

Hartland, a hot shooting team Friday, led 20-16 at the quarter and 39-33 at halftime with their torrid shooting. The Warhawks outscored the Indians in the third quarter, 26-15, to break the game open. Jim Herrmann scored 10 of his 12 points in that period.

During the first half Kewaskum stayed with Hartland, largely as a result of some strong offensive rebounding. The Indians were hurt when center Tom Kern was charged with three personal fouls as early as the first quarter and this affected his play. Even with Kern out, the Indians rallied late in the second quarter to tie the score at 26-26. Henry Schilter's free throw gave Kewaskum a short-lived 27-26 lead, the only time they were ahead in the game.

The Indians were still in the game until the start of the third stanza when the Warhawks outshot Kewaskum 10-3. After that Arrowhead stretched its lead and was ahead by 20 at the

end of the quarter. Kewaskum once more drew within 10 points in the final period but Hartland's four corner offense increased the margin again.

The Indians' fine guard, Schilter, again led his team with 21 points, while Scott Brendemihl and Brian Larsen were next with 12.

The loss left the Indians' record at 2-3 in conference and 5-3 overall.

The JV's and freshmen also lost. The JV score was 67-51 and the frosh went down 67-50.

Campbellsport came here Tuesday with a record similar to the Indians (3-2 in conference) and played a pretty even game although Kewaskum led all of the way except for a couple of ties. The Indians outscored the Cougars by slight margins in every quarter, 2 in the first, and 1 in the second, third and fourth stanzas.

Reserve Randy Gust's two free throws in the closing minutes gave the Indians a 10-point, 61-51 lead but instead of going into a stall that could have clinched the victory, Kewaskum tried for more points and almost blew it as the Cougars outpointed them 8-3 and came within five points as time ran out.

The Indians had their chances in the second quarter to jump

well out in front but Campbellsport kept coming back. Just before halftime Kewaskum had a 9-point advantage but by the intermission the Cougars cut it to three, 28-25. The Indians missed a lot of shots, including a number of easy bunnies under the basket.

In the third period the Indians again jumped to an 8-point lead but Bill Hatch's basket tied the count at 36-36. Then Kewaskum spurted ahead again 42-36 although missing some key free throws.

In the last quarter Jim Rohlinger and Bob Nigh started to hit and the Indians could breathe easier. Rohlinger shared scoring honors with the Cougars' Scott Benike, each with 14. The winners' Henry Schilter added 13 and Tom Kern and Nigh 12 apiece. Schilter again was the playmaker and had eight assists. Hatch and Joe Hundertmark had 13 and 12 for Campbellsport.

The victory gave Kewaskum a perfect 4-0 record in non-conference play this year. The other wins came over West Bend East, Plymouth and St. Mary's Springs. In conference the Indians are 2-3 for an overall 6-3 mark.

The Kewaskum JV's bombed the Cougar sophs by about 30 points.

This Friday the Indians hope to even their conference record when they host Kettle Moraine, which has a 1-4 mark.

Undefeated Kewaskum Dominates Statistics in Chess League

Individual and team statistics have been released for the first month of action in the South Central Chess Association. Kewaskum is dominating both statistics. In the team standings Kewaskum is the lone unde-

feated team. Kewaskum's record is more impressive when considering they already own victories over Kettle Moraine and Germantown, the 2nd and 3rd place teams.

Team Standings

Team	W	L	Points Scored	Points Scored Opponents
1. Kewaskum	3	0	148	7

Wrestlers Win First Match in Cedar Grove Meet

After seven straight losses this season, including two matches in Saturday's triple dual meet at Cedar Grove, the Kewaskum wrestlers finally won a match.

The Indians lost a close one to Cedar Grove, 27-26, and trailed Plymouth by 10 points before defeating North Fond du Lac, 42-20. The Indians came away with eight winners and one draw.

Scott Klein had three wins at 98 pounds, including two pins. His record now stands at 9-1 for the year. One of the junior's pins was in 1:01.

Seniors Andy Strigenz (185), Mike Pettit (167) and Vance Reif (155) also had three wins. Strigenz pinned all three of his opponents and Pettit, who has now eight wins in a row, had two pins and a decision. He is 8-3 for the season. Reif won three decisions.

Thursday the Indians have a home match against Grafton. Regular 145 lb. Steve Beck, who has been out with a shoulder separation, may be ready for this one.

Indian Girls Hartland's 45th Straight Victim

The Kewaskum girls' basketball team traveled to Hartland Friday and gave a good effort to end the Warhawks' win streak but were not successful. Hartland came out on top, 61-40, for its 45th straight conference win.

Melissa Osterman, only a freshman, was hot for Hartland and poured in 29 points on 14 baskets and one free throw. The Indians were led by Jill Yearling, also a freshman, and Diane Bremser, each with 13. Linda Larsen played well on defense.

The Indians were behind 30-13 at the intermission but outscored Hartland in the third quarter 13-9 to come within nine in the final period. Then the Warhawks went ahead by 13 and in the final minutes went to town to win by 21 points.

Lisa Moon, a two-time all-conference selection, was held to eight points.

Kewaskum, 3-2 in Scenic and 7-2 overall, was scheduled to travel to Mayville Tuesday and Kettle Moraine Thursday.
