Chamber of Commerce Sponsors Annual Seminar on Criminal Justice and Law Enforcement

By DAN MEILAHN
Statesman Staff Writer

The Kewaskum Chamber of Commerce's second annual seminar concerned criminal justice and law enforcement. The chamber had asked Washington County Sheriff Clarence Schwartz to put together a panel to explain each phase of the legal system from police investigation to final judgement and sentencing.

About 40 people gathered at Valley Bank Thursday evening to hear the panel comprised of Kewaskum Police Chief Don Hlavaty, Captain Randy Fleming of the Sheriff's Dept., Sheriff Schwartz, District At-

Confirmation At Peace Church On Palm Sunday

Peace United Church of Christ in Kewaskum will be confirming 12 young people on Palm Sunday, March 30, at the 10:15 a.m. service. The Confirmands will be served their First Communion with their parents at this same service following the Rite of Confirmation. All of those to be confirmed have completed a two-year course of instruction that is taught by the Reverend D. R. Joiner which included a study of the Bible, the basic doctrine of the Christian faith and the Christian church.

Pastor Joiner will present the Confirmation Class of 1980 to the congregation on Wednesday evening at 7:30 p.m., March 26. At this time these young people will individually share some of the things they have learned; such as, their own statement of faith; what confirmation personally means to them, and the significance of what church membership will mean for them.

The Pastor, Reverend Joiner, will perform the Rite of Confirmation for these Confirmands who are: Kim Brodzeller, daughter of Mr. and Mrs. Harvey Brodzeller; Geri Coulter, daughter of Mr. and Mrs. Michael Coulter; Shelly Fritz, daughter of Mr. and Mrs. DeWayne Fritz; Michael Fusek, son of Mrs. Ruth Fusek; Steve Hubbell, son of Mr. and Mrs. John Hubbell; Robert Kirsch, son of Mr. and Mrs. Edward Kirsch of Campbellsport; James Pohl, son of Mr. and Mrs. Greg Pohl of West Bend; Sue Schmitt, daughter of Mr. and Mrs. John Schmitt of West Bend; Brian Seideman, son of Mr. and Mrs. Dennis Seideman; David Sparks, son of Mr. and Mrs. Robert Sparks; Scott and Todd Stern, sons of Mr. and Mrs. Gerald Stern.

torney Fred Fink Jr., Kewaskum Attorney Jerry Kiefer, and Circuit Judge Richard T. Becker.

Schwartz introduced the topic by stating law enforcement was to "protect life, liberty, and property, in that order." He mentioned the legislative, bureaucratic, and judicial sources of laws and the "elements of crime" which define a crime as actually happening.

Chief Hlavaty explained his role in the investigation of a crime. A complaint is received from a victim, witness, or an officer on patrol. The officer must hand write a report on relevant data. Depending on various officers' training or schedule, the crime is investigated to detect clues that identify the perpetrator.

Hlavaty claimed that police work was not as dramatic as portrayed on TV. He said that young officers have trouble understanding why some cases are dismissed or judgements or sentences are less severe than expected.

Hlavaty himself wondered why some convicted criminals were still out on the streets due to parole or technicalities. He cited one case in which a juvenile and the parent keep moving before they can be tried in the county of their residence.

Hlavaty pointed out the shift from a glut of police support in the late 60's to the apathy of the post-Vietnam 70's. He said now citizen involvement is increasing again.

Captain Fleming elaborated on the investigative aspect of law enforcement by saying that life and property were protected mostly by highly visible patrols during the most frequent times of crime. There is further investigation of citizen complaints and it is up to the officer to determine if it is criminal in nature. If it is not, the person might be referred to an appropriate social service agency.

Easter Egg Hunt April 5

The Kewaskum American Legion Post 384 will hold its annual Easter Egg Hunt in the village park at 1:00 p.m. on Saturday, April 5. All children from the Kewaskum area are invited to participate in the hunt. This year an "Easter Bunny" will be on the west side of the river for the younger children.

Kids in the age group from six to nine years will hunt eggs in that area of the park located on the east side of the river. The age group of five and under will meet in the park on the west side of the river.

Tuesday Is Election Day

Tuesday, April 1, is Spring Election Day in Wisconsin.

Five ballots will be issued to village voters at the polling place. They will vote for village trustees, school board members, county supervisor, justice of the supreme court, court of appeals judge, District II, and presidential preference.

Information to electors, including facsimile ballots, times and places of voting appear on other pages of this issue; except for school board members, which appeared in last week's issue.

The three village board members are unopposed for re-election. They are Raynor Herriges, Donald Mlodzik and Carl Spoeth, Jr., Spoeth was appointed to complete the term of Dan Schmidt, who resigned to be appointed village administrator.

There are three candidates for the two school board positions to be elected. They are incumbents Richard Theusch and John R. Tessar and Margaret A. McFadden, and unsuccessful candidate last year.

Charles F. Miller is unopposed for re-election as county board supervisor.

There are two candidates for justice of the supreme court. They include Louis C. Ceci and Donald W. Steinmetz. There are also two candidates for court of appeals judge, District II, namely Burton A. Scott and James Rector.

Presidential preference candidates are: Republican Party—George Bush, Philip M. Crane, Benjamin Fernandez, John B. Anderson, Ronald Reagan, John B. Connally, Harold E. Stassen, Howard H. Baker, Jr. Democratic Party—Charles C. Finch, Lyndon LaRouche, Edward Kennedy, Edmund G. Brown, Jr., Jimmy Carter.

Tornado Alert

The fire siren will be sounded on Thursday, April 3, at 10:30 a.m. to acquaint residents with the tornado or other disaster signal. It will be sounded at a steady pitch for three minutes.

In the event of a tornado or other impending disaster take precautionary measures.

The alerts will be held throughout the year on the first Thursday of each month.

Census Notice

The Census Bureau has announced to Frank Beesten, Kewaskum postmaster, that the 1980 census papers will not be delivered through the post office as originally announced, but will be taken by census workers in the Kewaskum delivery area at a later date.

School Board Candidates Give Viewpoints at Voter's Forum

By DAN MEILAHN
Statesman Staff Writer

On Tuesday, March 25, the Washington County League of Women Voters sponsored a Kewaskum School Board candidate forum to acquaint the public with the candidates and their qualifications, viewpoints, and issues.

Three candidates are running for two positions on the board: Richard Theusch, John R. Tessar, and Margaret McFadden.

Each candidate was allowed five minutes to present his or her qualifications and reasons for seeking office.

Richard Theusch, who resides in the Town of Wayne, has four children. He has been employed at the Gehl Co. in West Bend for 24 years and is presently a purchasing agent

there. He has served on the board for three full three-year terms and is seeking his 4th term. He said he enjoyed serving on the board and weathering "some very exciting meetings." Theusch said, "I feel qualified to serve another three year term with the past history I've had."

John Tessar had planned on being at the forum but was snowbound in Chicago. A statement from Tessar was read by the moderator, Judy Rudnitzke. Tessar was born and raised in Kewaskum and graduated from its school system. He presently resides in Kewaskum and has two sons. He has been employed at Regal Ware, Inc. for 27 years and is presently an administrative manager.

Tessar stated he wished to see educational programs con-

Kewaskum Girl Finalist in Presidential Scholars Program

The U.S. Office of Education and the Commission on Presidential Scholars has announced the names of the 1980 finalists in the Presidential Scholars Program, which annually identifies the most distinguished and accomplished graduating high school seniors in the nation.

Carol Marquardt, daughter of Mrs. Luella Marquardt, who lives at 1190 Riverview Drive, Kewaskum, is one of the 1,000 outstanding young American students to become a finalist in this program from among more than three million seniors to graduate this year. She has been awarded a certificate by the President's Commission on Presidential Scholars. Carol is a graduating senior at Kewaskum Community High School. The selection of those finalists who will become Presidential Scholars will be made in April by the

members of the President's Commission on Presidential Scholars.

Finalists who become Presidential Scholars will be invited to Washington, D.C., where they will be honored by their elected representatives, by educators, and by others in public life. Selection is based on numerous factors in addition to academic excellence; for example, achievement in the visual and performing arts and creative writing; demonstrated leadership activity; contribution of energy and creativity to school and community; and achievement in the sciences and other fields of interest.

The independent judgement of the members of the Commission on Presidential Scholars, with the concurrence of the President of the United States, determines final selection.

Kiwanis to Sponsor Benefit Dance For Leukemia Patient Ray Reindl

Ray Reindl's illness is leukemia, and he is receiving specialized treatment in a Seattle, Washington hospital — the only place in America able to perform this special care. He is 19 years old and a June 1978 graduate of our Kewaskum High School. His father and mother are living in a motel in Seattle at the present time in order to be near Ray, who is recuperating slowly.

Because of the very great expense incurred by this very intensive care, the Kewaskum Kiwanis Club wishes to extend a helping hand to this very needy cause. Therefore, the

club will sponsor a benefit dance for Ray Reindl.

Please purchase tickets for this Benefit Dance to be held at the Homestead Hall, 1139 Fond du Lac Ave., Kewaskum, on Saturday, April 12, from 8:30 to 12:30. Music will be provided by Normie Dogs and his Melody Boys orchestra. Advance sale tickets are \$1.50 and \$2.00 at the door. Tickets may be purchased at most restaurants, bowling alleys and taverns. To order by mail, please send check to Kewaskum Kiwanis Foundation, P.O. Box 7, Kewaskum, WI 53040. All donations are tax deductible if you send a check.

An old street scene taken on Main Street in Kewaskum. The man on the picture was not identified. Note the unpaved street but Kewaskum already had cement sidewalks. The vacant lot to the left is the former A. G. Koch, Inc. lot, now occupied by the Merlin Dreher home. The building in the center is the former Ed C. Miller studio and store, now the Village Sport Shop, [note the wooden steps leading into the building]. On the right is the former August A. Bilgo residence now owned and operated as an apartment building by the Elroy Egerers.

SEMINAR

(Continued from Page 1)

Briefly, the police role is to collect physical evidence, interview witnesses, and identify perpetrators for a report which is filed with the prosecuting district attorney.

Fleming said another role was to educate and inform the public of preventive techniques. Examples are the narcotics awareness program, driver improvement schools, and news releases.

In 1979, the Washington County Sheriff's Dept. investigated 10,000 calls of which 1900 were accidents and 1300 were major crimes. The crime clearance rate was 21%. Fleming complimented the Washington County population for their support.

Sheriff Schwartz explained that the Sheriff's Dept. meets with each municipal police dept. once a week to exchange information. He also said that a satellite crime laboratory in New Berlin gives assistance in determining drugs, analyzing hair or other evidence, and provides a lie detector service.

The reports from the Sheriff's Dept. then go to the prosecuting district attorney. Fred Fink commented that "There is an immense amount of discretion in the office of the prosecutor." He determines whether to charge at all; what charges to issue; and what to do with the case - grant immunity or have it come to trial, etc.

Fink said he also makes bail recommendations based on the gravity of the crime, the previous record of the defendant, and the overall validity of the case.

A criminal complaint is written up which lists the statutes which may have been violated and the possible penalties. The investigative factual basis for prosecution, including witness statements and evidence, is also given.

The state begins its prosecution at a preliminary hearing in which it is determined that a crime was definitely committed and there is just cause to believe that the defendant may be guilty. The case is then "bound over" or transferred to another court.

Next, there is an arraignment in which pleas of guilty or not guilty may be entered. There may be possible requests for evidence to be suppressed and other technical motions.

Fink also added that if the defendant is found guilty, a pre-sentence investigation occurs to scrutinize the person's background, education, or mental condition. The state's attorney and the defense attorney may make recommendations to the judge as to the severity of the sentence.

Schwartz introduced Jerry Kiefer, a defense attorney, as the person who has the obligation to protect the rights afforded the individual by the Constitution. Schwartz didn't care to return to the days of the old west when guilt was not questioned as much.

Kiefer said the defendant initially appears before him with only the criminal complaint. This complaint may be challenged and dismissed, however, a corrected complaint is

usually forthcoming from the district attorney.

During the preliminary hearing, the defense attorney finds out more about the case through witnesses and may determine how certain witnesses will stand up in court under cross-examination. The attorney also determines how to plead the client, usually not guilty, or occasionally not guilty by reason of mental defect, or least likely, guilty.

At the arraignment, the attorney may question if the defendant was adequately informed of his rights, or he may try to have evidence suppressed or a search nullified.

Kiefer said that there may be "plea bargaining" if the case is not too strong in order to arrive at a reasonable settlement without going to trial.

Finally, a defendant may be brought to trial before a jury of his peers and subsequently found guilty or not guilty. The defense attorney may wish to challenge a guilty verdict through an appeal.

Judge Richard T. Becker is one of three judges in the Washington County Circuit Court. Judge Merriam in Branch 1 deals with mostly civil cases; Judge Schwalbach in Branch 2 hears probate and juvenile cases; Judge Becker in

Branch 3 hears criminal and some traffic cases.

Becker explained that at a defendant's initial appearance, he must read the criminal complaint and inform the person of any possible penalties. The judge must advise the defendant of the right to a trial, to remain silent, and to seek an attorney or have one appointed. The setting of bail also occurs here.

The ultimate decision for sentencing is that of the judge. There may be a fine, a prison sentence, a combination of both, or some provision for restitution or correcting damages.

Becker said the Dept. of Health and Social Service makes a pre-sentence investigation. There is also a probation and parole office in West Bend that examines the defendant's background, prior criminal record, education, and any mental problems. They scrutinize the nature of the crime and may interview witnesses or family members. Emotional problems which may manifest themselves as an alcoholism, drug abuse, and their associated crimes may be a mitigating factor in sentencing.

Becker said clergymen, school officials, or employers may put in a good word for the defendant. The district attorney and the defense attorney also will make recommendations for sentencing.

Possible options for sentencing are a fine, probation, county jail (possibly on a work release program), or state prison. Men under 25 are sent to the Green Bay Reformatory. Over 25, they are sent to Waupun. All women are sent to Taycheedah.

Although Judge Becker and the others were not thrilled by the social work concept of law enforcement, he did say that cooperating agencies such as the Exodus House in Kewaskum could be practical approaches.

Prison sentences are usually indeterminate; they may not extend beyond so many years. For example, a person sentenced for 10 years may be eligible for release after only six years. A prison sentence for a felony has a minimum of two years, but parole may be possible after

six months.

Although there were numerous questions from the audience only two examples are presented here.

Mrs. Orval Behnke and Roger McKenna wished to know the status of the public defender's office.

Fink said funding for this may be cut off in Washington County in June, but it was still being discussed in the legislature.

Judge Becker commented that he preferred the old system of court appointed counsel for those that were indigent. However, he added that "in a county like this, we need the public defender's office." He said this was because the workload was too much for private attorneys who may also be sued themselves for malpractice unless they know all the motions for adequate defense. Becker said that there were more felony cases now in two weeks than he used to have in one year. With this number of cases, he felt the public defender's office was the answer.

Wayne Rimmel wished to know what rights a citizen had to physically defend one's life or property in the home. The panel responded that unless one's life is directly threatened, any act of defense, such as assault or shooting, etc., is as much a crime as the burglary or other crime attempted by the trespassing criminal. Randy Fleming said that, "Courts somewhat frown on protecting property with deadly force."

Sheriff Schwartz addressed the issue of community cooperation by telling the audience, "You are the biggest agency we have to depend on. So many times we hear people tell us 'I don't want to get involved.' I'm sorry, people, but you're going to have to get involved." He continued, "you people are the county; we are only your servants. We can only do what you help us to do."

FORUM

(Continued from Page 1)

tinued that would benefit all children within the district. He warned that with present financial conditions, "we have a difficult task to keep the increase in our budget at a minimum." Tessar wished to see a drug and alcohol abuse program started in the grade schools to acquaint students with dangers. He advocated a revised athletic code.

Tessar stated that a school board member should be open-minded while defending board philosophy and taking criticism. He said a board member should act without any conflict of interests and concentrate on improving public relations through communication between the board, teachers, administrators, and parents.

Mrs. Margaret McFadden introduced herself as a photographer's wife, mother of three children, a little league coach, a piano teacher, church organist, and concerned Kewaskum citizen. She said, "apathy has never been my style," and wanted the schools to be the best possible. She added, "I believe in exciting education," and that any graduating class might contain the people to solve the world's problems.

McFadden advocated competency-based education in the "3 R's" and believed a child who told her "if I can read, I can do anything." She approved of the proposed fees for music, shop, and home ec. courses but felt that charging fees for credit courses and not extra-curricular activities was wrong. She also wished to see some provision for equal sports activities for girls who presently have no competition in the new conference for cross country, golf, or gymnastics.

The candidates then responded to written questions from the audience.

Q: Would you favor a new auditorium for plays, assemblies, etc.?

Theusch said that when the district was out of debt in three years, "we could probably go to do something like this, but right now, I don't think we could."

McFadden agreed that now was not the time to address the issue. Later she commented that presently another auditorium was "out of the question."

Q: How can the board cope with the present financial crunch?

Theusch said a good hard look should be taken at extra-curricular activities and that the state and federal governments were going to have to lift some of their demands.

McFadden agreed that extra-curricular activities were an area that could be cut down. She felt fees would certainly not stem inflation. Policies of bussing students to sports events or even daily transportation had to be scrutinized.

Q: What's going to be done about a discipline problem at the grade school?

McFadden felt grade school was the place to start stricter and effective discipline. She did notice a lack of respect for the building among elementary students. The problem may also be parent-oriented, she said.

Theusch agreed that parental involvement was more the key to improving discipline.

Q: How does your education qualify you for the school board?

Theusch said that education

did not hurt anyone and was necessary to have people manage their life and finances.

McFadden felt her formal education certainly did not deter her but was not really a criterion for board membership. She said that "being a parent is an education in itself."

Q: What provisions should be made for conserving energy in the schools through reduced bussing or even closing schools during a portion of the year?

Theusch said the school was required by law to bus anyone beyond two miles from school and to provide safe access to school. Students might be expected to walk to certain pick-up points to eliminate additional buses. He felt closing schools during the coldest time of the year "probably is not a bad

idea," but he said no one could determine exactly when this might be.

McFadden felt that providing safe access via sidewalks would cost less than bussing. She suggested that intra mural programs might satisfy the need for competition and eliminate some bussing. As for seasonal closing of the schools, she said, it "probably will have to come to that in years to come" and was a "sensible solution."

Seek Couples to Volunteer for Big Brothers/Sisters

Big Brothers/Sisters of Washington County announces the implementation of the COUPLES PROGRAM as a pilot project. The Board of Directors took action at a recent meeting to include "two-to-one" matching to augment the "one-to-one" aspect of their program.

Program Director David Bilgo commented, "there are potential volunteers in the county that would be more comfortable befriending a boy or girl, knowing they would be sharing the responsibility and time as a couple."

The children referred to this program are from homes where a parent is absent. "Studies have shown that the two most stressful situations are the death of a family member and the divorce/separation process. It helps children adjust by having a caring volunteer to lean on."

Adults interested in the COUPLES PROGRAM or in becoming a Big Brother/Big Sister volunteer, are asked to contact 334-7896 for more details. An informational meeting will be held March 27, at 141 N. Main Street, West Bend, at 7:30 p.m.

BB/BS 'Super Bowl' Winners Are Named

The recent Big Brothers/Sisters County-wide bowl-a-thon was conducted between Feb. 22-March 2. On March 19, the following persons were awarded prizes for their participation:

Joyce Newville of Hartford, who bowls, at Dave's Lanes, won an exciting trip for 2 to Las Vegas. (bowler prize)

Virginia Habersetzer of Hartford, who bowls at Kettle Moraine Bowl in Slinger, won the Playboy Holiday for 2. (bowler prize)

The league secretary prize, an Atari Video Home Game, was won by Chris Boldt of Hartford. Chris bowls at the

Kettle Moraine Bowl.

The \$50 cash prize was awarded to Klem Brushaber of Germantown, who sponsored his wife Carol. Carol bowls at Reuter's Bowl in Germantown.

We wish to thank all the people who helped support the bowl-a-thon through sponsorship and bowling participation. We also thank the proprietors of the bowling centers in which we conducted our bowl-a-thon.

Mrs. Clara Kohler Dies

Mrs. Clara B. Kohler, nee Kern, 92, a resident of Kewaskum for 47 years, passed away at St. Joseph's Community Hospital, West Bend, on Thursday, March 20.

Mrs. Kohler was born in St. Kilian on July 29, 1887, to the late Joseph and Katherine Smasol Kern. On November 23, 1909, she married Joseph Kohler at St. Kilian. He passed away on March 30, 1947.

She had been a former employee of Enger Kress Mfg. Co., West Bend, and a member of Holy Trinity Church in Kewaskum.

Survivors include three children, Earl of Santa Fe., New Mexico, Pirmin (Antonia) of Ojai, Calif. and Bernadette (William) Key of Kewaskum. 10 grandchildren and eight great-grandchildren; five sisters, Bertha Strobel of Plymouth, Olive Schmidtbauer and Mary Reuter, both of Milwaukee, Eleanor Kern of Kewaskum and Alice Schuckart of Orlando, Florida; one brother, Joseph of Allenton; other relatives and friends. Two brothers and two sisters preceded her in death.

Visitation at Miller's Funeral Home, Kewaskum was after 3 p.m. Sunday with a rosary vigil at 8:30 p.m. Sunday. Services were held Monday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Church, with the Revs. John T. Budde and Wm. Key officiating. Burial was in the church cemetery.

Bush for President Rally at Cedarburg

A George Bush for President Rally will be held at Cedarburg High School Gymnasium, W68 N611 Evergreen Boulevard, on Friday evening, March 28, at 7:30 p.m.

The event is open to the public and is part of a six day campaign swing throughout Wisconsin that George Bush is making before the April primary. There is no charge for attendance at the rally.

Gail Miller Wray and Mark Block are in charge of arrangements. For more information call George Bush for President State Headquarters at 271-1358 in Milwaukee.

Prior to the rally, Bush will visit and deliver a speech at the Ozaukee County Chamber of Commerce dinner in the Cedarburg gymnasium, starting at 6:30 p.m.

GOODWILL NEEDS CONTRIBUTIONS

Goodwill Industries, Milwaukee Area, Inc., has issued an urgent plea for donations. Contributions, traditionally low at this time of the year, have been less than anticipated.

Especially needed are small appliances, television sets, dishes, cookware, bedding, drapes and linens.

Contributions are tax-deductible and are sold in the agency's two retail stores. Proceeds support Goodwill's vocational training programs for the area's handicapped persons.

WEEKLY HEALTH TIP

from Tom Leitzke, R.P.H.

To guard against painful insect stings:

Sweet smells attract bees, so avoid strong perfumes and scented hair sprays or lotions. Bright colors and flowered prints seem to anger insects.

Uncovered food attracts bees and insects, so keep all food covered.

Eduardo P. Pons, MD of St. Vincent's Hospital, N.Y.C., says that "B vitamins give an odor to the skin that repels insects" and suggests one vitamin tablet to provide 12-hour protection. Consult your doctor or pharmacist for proper dosage.

Leitheiser Returns From Hugh O'Brian Youth Foundation Leadership Seminar

Sophomore Richard Leitheiser returned recently from participating in the Wisconsin Leadership Seminar in conjunction with the Hugh O'Brian Youth Foundation, held March 21-23 at Milwaukee. Eighty-nine students attended, to explore and understand America's Incentive System.

Each year since 1958, the Hugh O'Brian Youth Foundation has sponsored a series of International Youth Leadership Seminars, selecting two high school sophomores — one boy and one girl from each state — with emerging leadership abilities to participate. The local competition was open to all high school sophomores. The criteria for selection consisted of evidence of emerging leadership ability, cooperation with fellow human beings and sensitivity to the needs of others, ability to relate to new pursuits and acquaintances and the desire to learn and share knowledge and experience with others.

One of the most exciting aspects of the seminar sessions that Rich attended is the question and answer time with plenty of give and take from the students and the speakers. The seminars provide a means for the nation's young people to

return home and make a positive contribution towards motivating themselves and their classmates to become contributing members to the community. The seminars also provide the opportunity to take note of the exciting good news about the nation's positive-thinking youth — tomorrow's leaders.

ST. MATTHEW'S CYO TO PRESENT COMEDY

St. Matthew's CYO of Campbellsport is presenting the musical comedy "No, No, Nanette." The show takes place in 1925 and features the delightful music of Vincent Youmans, which includes the songs "I Want To Be Happy" and "Tea For Two." Additionally, seven dance numbers including the "Charleston" are combined with a light comedy plot and the colorful costumes of the roaring twenties to create an evening of wonderful entertainment.

The show will be put on in the Campbellsport High School Auditorium on April 11 and 12 at 8:00 p.m. and April 13 at 2:00 p.m. Tickets are \$2.00 for adults and \$1.00 for students and will be available at the door.

FACSIMILE BALLOT NOTICE OF SPRING ELECTION APRIL 1, 1980

OFFICE OF WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a Spring election to be held in the several wards in the County of Washington, on the 1st day of April, 1980, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where paper ballots are used, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a ballot, but the official shall not in any manner advise or indicate for whom to vote.

When casting a presidential preference vote, the elector shall select the party ballot of his or her choice and make a cross or other mark in the space at the right of or depress the button or lever next to the candidate's name for whom he or she intends to vote or shall, in the alternative, make such a cross or mark in the space at the right of or depress the button or lever next to the word "no" when only one candidate is shown on the ballot or "none of the names shown" when several candidates are shown on the ballot, or shall write in the name of his or her choice for a candidate.

At a nonpartisan election, the elector shall place a cross or other mark in the square at the right of or depress the button or lever next to the candidate's name for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate.

On referenda questions, the elector shall make a cross or other mark in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballots clerk's initials on the outside do show. After casting his or her ballot, the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, deposit any unused ballots in the blank ballot box, and shall leave the polling place promptly.

An elector may be assisted by two election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is

unable to read, has difficulty reading, writing or understanding English or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot:

Campus Day '80 Scheduled for April 1 at UWWC

Campus Day for 1980 is scheduled for April 1 at the UWWC Campus in West Bend. Campus Day is an annual event sponsored by Washington and Ozaukee County University of Wisconsin Extension. Participants in Campus Day have an opportunity of attending a wide variety of different courses, either in the morning or afternoon.

This year, the keynote speaker at the opening session, 8:30 a.m. to 9:30 a.m., will be Eleanor Vogt, Associate Professor of Health Sciences, UW-Extension. She will speak on the topic of "Women and Wellness."

The courses being offered this year include the following:

ALL DAY SEMINARS— 9:30 a.m. to 12:00 noon; 1:00 to 3:30 p.m.

Quilting Workshop— Instructions will be given in cutting, sewing and finishing a quilt or pillow using the cathedral window pattern. Also included will be instructions for fast easily made string quilts. \$2.50 additional fee for supplies.

Chair Caning— A workshop to do that chair you have been wanting to cane. Instructor will contact you ahead of time about materials to bring. Limit 20.

Beyond Weaving— Come design a woven plant cradle, 19" in diameter. Included are tabby, rya loops, soumac and Egyptian knots. Demonstration on Sprang. Bring leftover yarns of assorted thicknesses and colors (at least 14 oz.), a tapestry needle and scissors. Three hoops required in this unique weaving supplied at approximately \$4.00, to be paid at class. Limit 20.

MORNING SEMINARS — 9:30 a.m. to 12:00 noon

Looking Good For The 80's — Learn the correct application of make-up, flattering hair styles, and successful ways to dress for the middle-aged woman. This session will be an open lab that will include a make-over. Plenty of time for questions.

Traveling in Wisconsin History — Wisconsin's rich history and wealth of folklore is at your doorstep. Enrich your coming summer trips with the stories and information Prof. Gard will share.

Alternatives in Gardening — Where to, how to, when to — garden. Plant varieties best for Wisconsin. Organic gardening. Equipment and fertilizers. Pest Control.

Paris—A Different Perspective

— Paris, as you have never seen it before. Slides from above, way above and below. New slants, new perspectives on the most beautiful city in the world.

Introduction to Assertiveness Training — A method of learning new skills which enable one to speak up for one's own rights without infringing on the rights of others. Limit 20.

Families After Divorce — Learn how to deal positively with divorce. Its effects upon children, mother, father and grandparents. Discussion of latest divorce studies. Limit 30.

The Fascination of Our Feather Friends — Learning about the different types of birds, their habits and habitat opens a whole new awareness to the outdoors. Identification, bird-watching techniques, behaviors, and how to attract birds will be discussed in this short course in ornithology.

AFTERNOON SEMINARS — 1:00 to 3:30 p.m.

Alcohol—The Family Illness — A look at how drugs affect the unborn child, adolescent and adult and the family as a whole. What we can do to prevent and/or help the problem.

Starting a Small Business — Five reasons why small businesses fail. The role and functions of the manager. Resources for exploring the promise of new business ventures.

A God Within — Slides of the most magnificent art and architecture created by mankind as they reveal the creative spirit adapting to the environment. How does art reflect man's association with the land?

Developing Personalized Stress Management Strategies — How does stress affect your life? How you can learn to develop skills to deal with stress. What are the signs of stress and underlying causes.

Fascination of Our Feathered Friends [field study] — The majority of time will be spent on field observation and identification of migrating birds. This will include some hiking and the possibility of carpooling to another birding hotspot. Appropriate clothing is necessary with, binoculars and field guides being extremely helpful.

Legal Issues Facing Women — Up to date information on current legal issues concerning women—Marital Property Reform, women and credit, estate planning, etc.

SEMINARS TO BE OFFERED BOTH MORNING AND/OR AFTERNOON

Saving Time and Energy in Meal Preparation — The Oster kitchen center will be demonstrated. Yeast dough, glaze

fruit, meat spread, carrot salad, slaw, mayonnaise, pizza, layered salad and beverage will be prepared using the grinder, blender, mixer, processor and dough hook incorporated in the center.

Additive Addition—Risk vs. Safety — How safe is our food supply? What are additives; how are they tested; why are they added to foods?

Middle Essence — Coping with changes in mid-life. Changing relationships, physiological changes, new direc-

tions.

Registration fee is \$2.50 per seminar and a catered lunch is available for \$3.75. Registration form and further information can be obtained from Joyce Albrecht, U.W. Extension Home Economist, P.O. Box 537, West Bend, or phone 338-4479; 644-5204 or 342-2929.

Facsimile Ballot Notice of Village Election Village of Kewaskum, Wisconsin

Notice is hereby given of village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the first day of April, 1980, at which the officers named below shall be chosen.

INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

(a) Upon entering the polling place, an elector shall give his name and address before receiving the ballot from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot. Upon receiving the ballot, the elector shall retire alone to a voting booth and mark his ballot. A ballot clerk may inform the elector of the proper manner for marking a ballot, but he shall not in any manner advise or indicate for whom to vote.

(b) To vote for a person whose name is printed on the ballot, make a cross (X) or mark in the square after the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot, write the name in the blank space provided for the purpose.

(c) The ballot should not be marked in any other manner. If the elector spoils a ballot, he shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to mark the ballot. Unofficial ballots or a memorandum to assist the elector in marking his ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(d) After the official ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After folding the ballot, the elector shall leave the booth, give his name to the inspector in charge of the ballot box, hand him the ballot to be placed in the ballot box, and leave the polling place promptly.

(e) An elector may be assisted by 2 election officials of different political parties in marking the ballot if he declares to the presiding official that he is unable to read or that due to physical disability he is unable to mark his ballot. If an elector declares that he is visually handicapped, he may have anyone assist him in marking his ballot. The presiding official may administer an oath as to a person's disability.

(f) Any qualified elector who is absent, or expects to be absent from the village in which he is a qualified elector, or who, because of sickness or physical disability cannot appear at the polling place on election day, may vote at such election by means of an absent voter's ballot to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or by personal application, not later than the close of office hours on the day prior to such election.

(g) The following is a sample of the official ballot:

SAMPLE Official Village Ballot

NOTICE TO ELECTORS: This ballot is invalid unless initialed by 2 election officials serving as ballot clerks. If cast as an absentee ballot, the ballot must bear the initials of the municipal clerk.

To vote for a person whose name is printed on the ballot, make a cross (x) in the square after the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot, write his name in the blank space provided for that purpose.

LETTERS TO THE EDITOR

Editor, The Statesman

April 1 is a very important day for all residents of Wisconsin. The League of Women Voters of Washington County has undertaken a campaign throughout the county to alert the public of the importance of this day. In addition to the obvious need for all those eligible to exercise their right to vote on April 1, this day will also mark the Twentieth Decennial Census of the United States.

The census is the only federal program which is required by the Constitution, and either directly or indirectly, it touches every person's life. Although the primary purpose of the census remains as it was at the time of the first enumeration in 1790, the apportionment of seats in the House of Representatives, the census counts are now also used in implementing the "one-person-one vote"

principle for redistricting state legislatures, county supervisory boards, city councils, etc. In addition to reapportionment/redistricting data from the census is also the basis for determining how the federal government distributes billions of dollars to state and local areas through a variety of programs. Some state governments use the census data extensively in their own revenue sharing programs and for other fund distributions. The census statistics are also increasingly important to local governments for planning and administering community programs.

Therefore, we in Washington County, have a definite stake in the 1980 census. For a copy of a fact sheet on the 1980 census, please contact a League member in your area.

Thank you in advance for your cooperation.

Sincerely,
Joan Rudnitzki, President
League of Women Voters-
Washington County

"We can solve absolutely any problem we want to, if we emphasize the fundamentals. If we stop wringing our hands about the failures of the past and look to the 80's with an idealism that the youth of this country represent to me, with the strength that the older people represent...if we approach the decade of the 80's with a new vision, and a concept that we can do things, the United States can solve anything! And I want to be President because I want to be part of the answer."

Social Security — A System in Trouble

The financial solvency of the Social Security system continues to be a major concern in Congress, as well as for the millions of Americans dependent upon the program for their livelihood.

With fewer workers contributing to the program and more older persons collecting its benefits, the costs of the Social Security system are increasing faster than its revenues, despite a series of tax increases enacted in 1977.

In fact, the program is expected to run short of funds within the next three years, despite those new revenues. As a result, the National Commission on Social Security is looking at ways the financial crisis may be resolved, and will make its recommendations to Congress and the President soon. Let's look at some of the suggestions being made for rescuing the ailing system.

Some propose to take non-wage related programs out of the Social Security "umbrella," an idea I support. The original concept of Social Security was to provide for the retirement of workers from funds they put into the system while they work. But, over the years other programs — Medicare, disability, etc. — have been folded in, diverting funds intended for retirees. This is a good time to explore other funding sources for those programs, such as general tax revenues.

Another idea is to tax one-half of the Social Security benefits received, which I would strongly oppose. That would represent double taxation, and would punish those least able to afford

it — the poor, the elderly, and the disabled. Fortunately, there seems to be almost no support in Congress for this bad idea.

A third plan is to levy a 50 cents per gallon tax on gasoline to make up Social Security shortages. I would oppose that on several counts. First, I do not see the need to tax gasoline to that extent. Second, if we do tax gasoline more, I believe the proceeds should be used strictly for energy-related purposes. That source of revenue would have no relation whatsoever to the purpose of the Social Security system.

Rescuing the Social Security system will be a sticky issue, but it is a necessary responsibility that Congress will have to live up to. I hope Congress can do that without further distorting the system or playing fiscal shell games with the American public of the kind it used when it funded non-Social Security programs with Social Security funds.

Law Enforcement Agencies Asked To Honor Expired Truck Plates

Law enforcement agencies in Wisconsin and surrounding states have been asked to honor expired license plates on small trucks and farm trucks until the end of March, the state department of transportation said today.

Production and processing problems have delayed mailing of plates to owners of trucks in the 4,500, 6,000 and 8,000 pound categories, and may also delay mailing of plates for farm vehicles.

Norbert K. Anderson, administrator of the division of motor vehicles, said the only other registration categories where delays are currently being experienced is in processing of personalized license plates. However, the delays are due to the built-in three to four weeks processing time needed to order and manufacture the

individual plates, he said.

If the backlogs continue, it could also mean delays of motorcycle and moped registrations, which come due in April. Anderson urged cycle owners to return their applications as soon as registration notices are received to insure that they will arrive in time. Notices will be mailed early in March for April expiration, Anderson said.

County Farmers Should Consider Protection for Crop Investments

Dollars invested in planting and producing crops have always been called the "riskiest dollars in farming." But with production costs going up from one week to the next and interest rates at the highest level in history, the risk is greater than ever, according to Robert Sugden, Washington County Agent for the USDA's Federal Crop Insurance Corporation.

"This isn't to say that the likelihood of losing a crop is any greater than in past years, but the financial impact of a loss is certainly far greater," Sugden says. He points out that most farmers will have more money invested in each acre this spring than they have ever had before, and if they should lose this money and have to replace it with borrowed dollars they will pay interest rates that have gone up almost twice as fast as the rate of inflation.

"What's more," the insurance expert adds, "any additional debt that is used to replace a lost crop investment represents a claim against the farmer's future profits. Very few farmers today can afford to earmark next year's profits to repay last year's losses."

Sugden recommends that Washington County farmers consider an all-risk crop insurance policy that in most cases can be bought at a fraction of what it would cost just to pay one year's additional interest on a lost crop investment. Since the cost of replacing feed and the investment of raising crops is a double

expense in one year, crop insurance can minimize the risk of capital expenditures for crop production.

Peas is the only major vegetable crop coverage is available for in 1980 in Washington County with an application deadline of April 15.

The deadline to apply for insurance coverage on oats is April 15 and for corn is April 25 in Washington County. Information about the protection available and what it would cost can be obtained without obligation by writing, contacting in person, or calling the Washington County ASCS office, 414-334-4765.

Reception Set for Area MSOE Alumni

The Milwaukee School of Engineering Alumni Association will hold a cocktail reception for West Bend area alumni at 7 p.m. Tuesday, April 8. The reception will be held at the Knights of Columbus Hall, Lighthouse Lanes (just north of West Bend on Highway 45).

Alumni Association president Bill Wessing, Alumni Director Bob Betts and MSOE Corporation Vice-President Jack Seeger will discuss MSOE today which will include a short video presentation about the college. Plans for formation of an alumni chapter for the area will be discussed.

There will be a cash bar and hors d'oeuvres. Interested alumni should contact Bob Betts at (414) 272-8720 ext. 333.

Taxpayers May Be Eligible for Homestead Credit

Homestead Property Tax/Rent credits are being sent out almost twice as fast as last year. But State Revenue Secretary Mark Musolf said he is still concerned that some people may not be filing for Homestead, even though they qualify.

Homestead credits are designed to help Wisconsin residents facing high property tax or rent payments. "Major changes were made in the Homestead program during 1979," Musolf said, "and many people who have never received Homestead before may not realize that they could now be eligible."

The Revenue Department has estimated that 335,000 families could qualify for Homestead this year — 100,000 of them for the first time. Musolf said a main reason for the increased eligibility is the new income ceiling of \$14,000.

Figures released show that Homestead refunds are generally larger this year, currently averaging almost \$293. This is due to an increase in the maximum refund from \$640 to \$800, and other changes.

Taxpayers may be eligible for

Homestead credit if they: (1) had a household income less than \$14,000 in 1972; (2) were at least 18 years old by December 31, 1980; (3) were a Wisconsin resident for all of 1979; and (4) owned or rented their home during 1979. Homestead claims can be filed along with income tax returns by April 15, 1980, or filed separately by the Homestead deadline of December 31,

1980. But the earlier a claim is filed, the sooner a Homestead refund can be received. Homestead forms are available at Department of Revenue offices, or by writing: Homestead, Box 8900, Madison, Wisconsin 53708.

Kewaskum Chess Teams Capture First in SCCA Tournament

VARSITY TEAM — Left to right: Chuck Strancke, Dusti Howell, Kim Manthei, Tom Rosenberger and Rick Howell.

JUNIOR VARSITY — Left to right: Ken Bauer, Andy Rosenberger, Rob Sleger, Jim Simon, Steve Yahr.

NOVICE TEAM — Left to right: Romie Hall, DuWayne Schacht, Kim Krahn, Glenn Prescott, John Rimmel. Not pictured - Tracy Coulter.

On Wednesday, March 12, the South Central Chess Association held its annual conference tournament. Six of the seven schools participated with Hamilton Sussex withdrawing from the tournament. The tournament consisted of a 5 man varsity section, a 5 man junior varsity section and an individual novice section. Eighty-three players participated in the contest held at St. John's Military Academy in Delafield.

The Kewaskum varsity team compiled 96 points out of a possible 120 to capture the first place trophy. Kettle Moraine, co-champions with Kewaskum during the season, finished with 76.5 points and West Bend West came in a surprising third with 60 points. The varsity team with the records for the day consisted of Dusti Howell, 2-0-1, 25 points; Chuck Strancke, 2-1, 18 points; Kim Manthei, 3-0, 24 points; Tom Rosenberger, 2-1, 14 points, and Rick Howell, 2-0-1, 15 points.

Varsity Section

Kewaskum	96
Kettle Moraine	76.5
West Bend West	60
Hartford	54.5
St. John's	39.5
Germantown	33.5

Four schools — Kewaskum, Kettle Moraine, Hartford and Germantown — had teams entered in the junior varsity section. Kewaskum's team consisted of Steve Yahr, 3-0, 30 points; Rob Sleger, 3-0, 27 points; Jim Simon, 3-0, 24 points; Andy Rosenberger, 2-1, 14 points, and Ken Bauer, 2-1, 12 points.

Kewaskum and Kettle Moraine were paired in the first round which turned out to be the championship match. Sleger and Simon won against Kettle Moraine and Rosenberger and Bauer lost, making the score Kewaskum 17, Kettle 13, with the top board of Yahr and Scott Wilke to decide the match. Wilke had defeated Yahr earlier this year for Yahr's only loss of the year. The match was the marathon of the tournament, taking nearly 3½ hours before Yahr pulled off the victory. The team went on to defeat Germantown and Hartford by identical 40-0 scores to win the junior varsity team championship.

Tournament Junior Varsity Section

Team	W	L	Pts.
Kewaskum	3	0	107
Kettle Moraine	2	1	70
Germantown	1	2	45.5
Hartford	0	3	17.5

Kewaskum had seven members entered in the individual novice section. The contestants

were paired in a 5 round Swiss style tournament. In the end four chess players all had 4 points out of a possible 5. The order of finish was then decided by tie breaker points which involved using the points earned of the people they had played. DuWayne Schacht of Kewaskum was awarded first, Rob Laplank of Kettle 2nd, Brian Pamperin of Kewaskum 3rd and Jim Bohn of West Bend 4th. Other Kewaskum players competing were Tim Krahn, 3 points; John Rimmel, 2½ points; Romie Hall, 2½ points; Glenn Prescott, 2 points, and Tracy Coulter, 1 point.

The team would like to thank Mrs. Wesley Krahn, who donated a day of her time to help drive the team to Delafield.

Trophy winners for the day: Conference season team - Co-champions, Kewaskum and Kettle Moraine.

Conference scoring individual - Dusti Howell of Kewaskum, first place; Chuck Strancke of Kewaskum, 2nd place.

Conference varsity tournament team - Kewaskum.

Conference tournament varsity scoring individual - Dusti Howell of Kewaskum and Mel Peterson of Kettle Moraine, each with 25 points.

Conference tournament junior varsity team - Kewaskum.

Conference tournament JV scoring individual - Steve Yahr of Kewaskum.

Carrie Kempf Helps La Crosse Win Title

The University of Wisconsin-La Crosse women's track team successfully defended its WWIAC indoor championship at UW-Oshkosh Saturday. Several Washington County athletes again helped the Ronnies to the title.

The meet was close after Friday's preliminaries but on Saturday it was all La Crosse with 106 points to 56½ for UW-Whitewater and 47½ for UW-Stevens Point.

Carrie Kempf, who did her high school running for Kewaskum, was a double winner as she took the 60 yard dash in 7.5 seconds and led off the winning 880 relay team. The 60 yard dash was very close and Carrie gained the win right before the tape.

A junior at UW-La Crosse this year, Carrie is majoring in physical education and health.

Edwards Letter Winner at Ripon

Terry Cramer, guard from Homestead High School, has been named captain of the 1980-81 Ripon College basketball champions. He was selected by his teammates in balloting announced by retiring coach K. G. "Doc" Weiske.

Chris Ogle (Oakfield), senior guard was the choice as Most Valuable Player. Sophomore Brian Rindfleisch (Mayville) was picked as Most Valuable Player.

Cramer, along with senior center Tim Barnes (New Berlin) was named Midwest Conference first team in all-star balloting. Cramer had 596 points and 119 assists to lead Ripon in both categories. He became the first Ripon player to hit 1000 points while still a junior.

Weiske also named the letter winners, which include Barnes, Cramer, Rindfleisch, Ogle, senior Tom Edwards (Kewaskum graduate), sophomore Ashley Cooper (Oconomowoc), freshmen Dan Husnick (Antigo) and Steve Hopp (West Bend).

KHS Girls Place High in Meet of Champions at Wisconsin Rapids

Saturday's Meet of Champions at Wisconsin Rapids had some of the best track performers in the state participating. West Bend East and Kewaskum had several girls placing among the "best of the best."

Kewaskum junior Barb Wilson took a fourth in the 800 meter run with a 2:34.2, in this annual Wisconsin Rapids showcase of statewide track talent. Her time was just .9 out of second place.

Kathie Lightner, also a junior, qualified for the finals in both the 50 meter dash and 50 meter hurdles. In the finals she took fifth in the dash with a 7.2 and was sixth in the hurdle event, being timed in 8.6.

The Kewaskum 1600 meter relay unit showed they are

going to be strong this season as they placed fifth in the event with a 4:7.9. They finished behind Milwaukee North, Waukesha North, Neeah and Oshkosh North, missing third by just a couple tenths of a second. Combining for this race were Barb Wilson, Laurie Wilson, Julann Zemlicka and Diana Bremser.

Barb Wilson also ran the 1500 but failed to place with a 5:42.9. Jill Yearling went 4-10 in the high jump which was not good enough for a place, and Laurie Wilson's 9.1 in the hurdles failed to make the finals.

Coach Mike Fifrlick was happy with his girl's results, considering the stiff competition.

KHS Boys, Girls Beat Hartford In Track Meet

The Kewaskum High boys and girls opened their indoor track season with a double win over Hartford here last Wednesday.

The varsity girls won six individual events and the two relays in beating the Orioles varsity, 63-37. For the boys, which was somewhat like a JV contest, KHS won, 65-53.

Hartford had their boys in two other meets last week so kept the juniors and seniors home. The new Indian head coach, Dave Drexler, had some of the basketball players for only a couple days of practice and had just a couple juniors and seniors running.

The Kewaskum freshmen did well and Craig Larsen and Rick Stefanovic were 1-2 in the two mile. Larsen won the event with an 11:30, a good time.

The boys' track team has 12 lettermen back on its squad of about 35. The returning letter winners are: seniors Mike Pettit, sprints, shot put and long jump; Joel Herriges, sprints, relays, long jump; Tom Kern,

hurdles; Randy Gust, high jump; John Czoschke, hurdles; Scott Brendemihl, relays and dashes; juniors Scott Klein, distances; Perry Kempf, sprints and relays; Jim Geldreich, high jump; Gordon Meley, weights; and Jeff Decker, relays and 400 meters.

Several basketball players have just joined the squad and promising non-letter winners include Rick Stefanovic, mile and two-mile; Fred Batzler, distances; Mike Paul, sprints; Doug Neiskes, sprints, and Stuart Stautz, sprints.

In the girls' end of the Hartford meet Julann Zemlicka was a double winner for the Indians taking the 200 in 29.0 and the long jump with a 14-11. She also helped the eight-lap relay team to a fine effort.

State Class B 880 champion Barb Wilson won the 800 meter run in 2:40.0. She also ran a leg on the victorious 16-lap relay. Carrie Dreher and Sherry Gavin in the mile and Carol Schmidt and Vickie Reif in the two mile did very well. Schmidt, a freshman, won with a 13:23.7. The KHS shot putters also did well.

Indians' Schilter Gets Mention on Milwaukee Sentinel's All-Area Team

The Milwaukee Sentinel's 1980 All-Area basketball team was announced last Wednesday. The best high school players in the Greater Milwaukee Area have an eastern flavor as three of the top five players hail from New York.

The Milwaukee All-Area first team consists of Nigel Wallace, 6-4, Thomas More; Mark Moore, 6-0, Whitefish Bay Dominican; Ronnie Williams 6-8, Delafield St. John's; Dwayne Johnson, 6-5, Delafield St. John's, and Dave Gnacinski, 6-4½, Cudahy. Johnson and Wallace are only juniors.

Scenic Moraine champion Hartland Arrowhead's John Kaiser, 6-4, was picked on the second team, together with Matt Smith, 6-2, Marquette; Ray Fearen, 6-7, Marshall; Mark Sievers, 6-5, Menomonee Falls North, and J. C. McMullen, 6-0, Brookfield East.

Third team: Jeff Smith, 6-5, Racine Prairie; Tim Opps, 6-6, Watertown; Tom Schnepf, 6-5½, Wauwatosa East; Dannie Jones, 6-2, Whitefish Bay Dominican; Tim Lazarcik, 6-5, Oak Creek.

Tim Fredman, Hartland Arrowhead, and Lucky Wurtz, Mayville, received special mention.

Henry Schilter, Kewaskum; Scott Carpenter, Kettle Moraine; Mike Francolucci, Germantown, and Jerry Vance, Germantown, received honorable mention.

The Indians' Schilter was a unanimous Scenic Moraine all-conference selection. He was fifth in conference scoring with 263 points for an 18.8 average. He also had 7.5 assists per game and shot 49% from the floor and 82% on free throws.

The Marquette Hilltoppers'

Paul Noack was named the Milwaukee Sentinel Area Coach of the Year. Marquette finished with a 21-4 record.

Attention

Basketballteers:

The high school and middle school gyms will be closed for basketball on Thursday evenings and Saturday afternoons until summer. Thanks for the active participation from the students and adults throughout the area.

I would like to thank Mr. Erickson and Mr. Pearson for their cooperation with the village in making this program successful.

I would like to add Don Gruber's name to the Thursday night all-star list. Don is a fine basketball player and a real competitor. Congratulations Donald.

Lakes Team Loses In Tournament

With almost an all new lineup, the Kewaskum Land o' Lakes team drew Gaffney's Red Carpet team of Kimberly, the defending champion, in its opening round of the 12th annual Holy Cross Open Basketball Tournament on Friday night.

Gaffney's outscored Kewaskum 27-9 in the first quarter and coasted to a 96-71 victory in the single elimination tourney.

Gaffney's Tim Valentyne led all scorers with 26 points, while Kim Vandenboogart — added 18. Rob Cohen was high man for Kewaskum with 18.

Kewaskum will participate in another tournament at Howards Grove this weekend, playing Dale's Bar of Sheboygan Falls Saturday afternoon. Should Kewaskum win they will play a second game Monday night. If they lose they will enter the consolation bracket and play Wednesday. There are 24 teams in the tourney.

Kewaskum also is scheduled to play Lakes League games Saturday night here with Slinger and at Menomonee Falls Stingers Sunday. Both are make-up games.

In weekend Lakes contests Menomonee Falls Badgers were upset by Cedarburg, 105-94, for their first loss; Slinger beat Mayville, 105-94; Oconomowoc bested Hartford, 113-100, and Menomonee Falls Stingers defeated Thiensville Mequon, 152-121.

Intramural Basketball Champions

The Rim Wreckers, led by Captain Brian Dreher, captured first place in the recently completed intramural basketball season at Kewaskum High School.

Dreher, along with teammates Scott Leitheiser, Steve Muench, Scott Muench, Dale Rimmel, Jeff Lehnerz, Ken Schuette, and Randy Heberer,

posted a perfect 7-0 regular season record. They went on to win all three games in the post-season tournament, for a 10-0 overall record.

Sixty high school boys participated in the intramural basketball program. The program consisted of seven weeks of league games and a single elimination tournament. Eight

teams were involved in the program.

The league teams included the Alcoholics Anonymous, Renegades, The Dreaded Devious Defensive Destroyers, Rim Wreckers, Flying Stones, The T.P.F.ers, Short People, and the Fabulous Five.

Games were played at seven and eight o'clock Monday

nights, during January, February and March.

Members of the champion Rim Wreckers squad are:

Front row, left to right — Brian Dreher, Randy Heberer, Scott Muench, Scott Leitheiser. Back row — Steve Muench, Dale Rimmel, Ken Schuette, Jeff Lehnerz.
