20 High Honor Grads Named at High School

Twenty seniors at Kewaskum High School have been named high honor graduates for the 1979-80 school year, having achieved a grade point average of 3.5 and above on a 4.0 scale.

The students were selected in lieu of a salutatorian and a valedictorian.

The high honor students include:

Jacqueline Yearling, daughter of Mr. and Mrs. Gerald Yearling; Carol Marquardt, daughter of Mrs. Luella Marquardt; Laurel Wilson, daughter of Mr. and Mrs. Lawrence Wilson; John Czoschke, son of Mr. and Mrs. Chester Czoschke; Donna Ehnert, daughter of Mr. and Mrs. Donald Ehnert; Sherry Foerster, daughter of Mrs. Martha Foerster; Diane Bremser, daughter of Mrs. Althea Bremser; Robert Nigh,

son of Mr. and Mrs. Jerome Nigh; Janet Matenaer, daughter of Mr. and Mrs. Ralph Matenaer; Andrew Strigenz, son of Dr. and Mrs. Anthony Strigenz.

Joel Herriges, son of Mr. and Mrs. Raynor Herriges; Barbara Schmidt, daughter of Mr. and Mrs. Richard Schmidt; Todd Schultz, son of Mr. and Mrs. Ronald Schultz; Richard Stefanovic, son of Mr. and Mrs. Richard Stefanovic; Joan Amerling, daughter of Mr. and Mrs. John Amerling; Kathryn Batzler, daughter of Mr. and Mrs. Donald Batzler; Henry Schilter, son of Mr. and Mrs. Richard Schilter; Jeffrey Kreuser, son of Mr. and Mrs. Reuben Kreuser; Bassma Marji (AFS student), host parents Mr. and Mrs. Marvin Kleinke; Lee Roehrdanz, son of Mrs. Virginia Sonnenberg.

Former AFS Student Returns Here to Attend University

Edgardo Carranza

Edgardo Carranza of San Vicente, El Salvador, who was a 1978-79 AFS student and graduated from Kewaskum High School, has received his visa from his country to attend the University of Wisconsin at West Bend this fall.

He will be staying with the Norbert Dettmann family at Boltonville, Route 1, Kewaskum. The Dettmanns were his American parents when he attended Kewaskum High School as an AFS student.

Ed arrived here on March 18 on his exchanged visitors visa which is good until July of this year. He has now been granted a student visa for four years.

Ed had been accepted by the University of Jose Simeon Canas at San Salvador but because of the political situation in El Salvador he was afraid that he would be looked upon as a member of the revolutionary leftist groups if he would have

attended college there.

Before arriving in the United States he had been working as an international Telephone operator at San Salvador.

His mother, Mrs. Juana Carranza, runs a neighborhood grocery store. He has two sisters, Elsa Chicas, 23, who is married and has two children, a boy and a girl, and Griselda, 15, who is in eighth grade. His father has passed away.

Ed plans on majoring in Electronic Engineering or Computer Science at the university in fall for two years and will finish his college education at some other university. He also hopes to get a part-time job.

Carranza is very grateful to the people of Kewaskum and especially his American family, Mr. and Mrs. Norbert Dettmann and family, who were instrumental in helping him obtain his visa.

Graduates With Honors at MSOE

Brian E. Markielewski, son of Mr. and Mrs. Edward Markielewski, 7651 Townline Road, West Bend, graduate of Kewaskum High School, will be a candidate for the Associate in Applied Science degree in Computer Engineering Technology at the spring commencement of the Milwaukee School of Engineering May 10, graduating with honors.

Dr. Robert R. Spitzer, MSOE President, will confer degrees on 294 candidates at the spring commencement in Uhlein Hall, Performing Arts Center, Saturday, May 10, at 9:30 a.m.

Charles W. Parker Jr., Corporate Vice-president, Allis Chalmers, will give the commencement address.

Firemen Answer 3 More Calls

At 1:15 p.m. Sunday, April 27, Kewaskum firemen were called to the Dave Tiemann rural home on Kaschner Road in the Town of Auburn, Route 2, Campbellsport. About 15 round bales of hay caught fire from sparks from a rubbish fire.

While the regular monthly meeting of the fire department was in progress Thursday night, the firemen were called out to extinguish a chimney fire at 7:50 p.m. at the Wesley Haug rural home on Hwy. 28, one mile east of Kewaskum.

At 2:45 p.m. Monday there was a grass fire on County Trunk V just north of the Washington-Fond du Lac county line in the Town of Auburn. A large area of grass along a ditch, across a field and alongside the railroad tracks burned. Twenty-two firemen were at the scene about a half hour.

To Receive Degrees At UW-Platteville

Spring commencement at the University of Wisconsin-Platteville will be held Sunday, May 11. Wisconsin Supreme Court Justice Shirley Abrahamson will deliver the commencement address to the 488 candidates for the bachelor's or master's degrees.

The senior valedictory will be presented by C. Michel Charon, a graduating student in the College of Arts and Sciences.

Two students from Kewaskum are degree candidates. Dawn P. Boettcher, daughter of Mr. and Mrs. Harold Boettcher, 1640 Riverview Drive, majoring in business administration and minoring in psychology, is a candidate for a Bachelor of Science Degree and Lynn M. Theusch, 9060 Highway 144, majoring in criminal justice and minoring in Spanish, is a candidate for a Bachelor of Arts Degree.

COMMITTEES NAMED

Certified Building Inspector Appointed by Village Board

By DAN MEILAHN
Statesman Staff Writer

At its meeting Monday night, the Kewaskum Village Board appointed Marvis Lemke as its Certified Inspector in accordance with the provisions of the recently adopted Uniform Dwelling Code ordinance.

Lemke will inspect new one and two family dwellings built after June 1, 1980 to see that state standards are met. Lemke also does inspecting for the Town of Auburn, Town of Ashford, and the Village of Campbellsport. He is also a full-time contractor who had built about 45 houses around Campbellsport and northward.

Builders or contractors must notify the Certified Inspector after completion of construction work. The inspector has 48 hours to respond before any foundation may be covered up. If there are violations of the code, a description of the violation will be sent to Madison as well as the violator.

Lemke explained that he will be available on Friday nights for conferences or examination of building plans. Also each morning from 6:30 to 7:00, people

may call him for inspection appointments. Another inspector from Theresa will "cover" for Lemke in his absence.

In addition to the Certified Inspector, President Jerry Stollenwerk noted several changes in appointments of officials and members to board committees. Trustee Jeff Rohrer replaces Paul Blumer on the Parks and Recreation Committee. Rohrer also will be serving on the Plan Commission. Orval Behnke was also reappointed to this commission for another four year term.

Other changes were the appointment of Dan Schmidt to the Board of Review for an indefinite period. Jeanne Moe was reappointed to the Library Board for a three year term.

Eugene LaMarche and Howard Zemlicka were reappointed to the Board of Appeals for another three year term. Vincent Groh replaces Jeff Rohrer as an alternate on this committee.

The Cable TV Advisory Committee was made a permanent committee with each member having a three year term. Joe Harlow, Paul Behring, Floyd

(Continued on Page 4)

Work Begins on Reconstruction of Hwy. 45 North of Kewaskum

Road construction was scheduled to start the week of May 5 on the reconstruction of State Highway 45 from County Trunk "V" (just north of Kewaskum) to Eden in Fond du Lac County. The work will consist of removing the existing bituminous pavement, recycling it, and reusing that material to repave this section of road. Some passing lanes and intersection upgrading will also be performed.

The work will be performed under a contract let to Streets & Roads Construction Co. of Waukesha at an estimated cost of \$721,856.00. Financing will be shared on approximately a 75-25 percentage by the Federal government and the State of Wisconsin, respectively, from funds provided primarily by gas taxes. Walter Parsons of Fond

du Lac will be the project engineer for the Wisconsin Department of Transportation.

Highway 45 between County Trunk "V" and Eden will be closed to through traffic during construction operations, with access only to local property owners. It is anticipated that Highway 45 will be closed during the week of May 5 and will be reopened in late summer. Traffic is urged to use caution in the construction zone. A suitable detour will be marked on County Trunk "V".

Every possible effort will be made to provide continuous and safe ingress and egress to all business and residential properties during this reconstruction, but motorists are urged to use caution in the construction zone.

Kewaskum Receives Three 'A' Ratings in State Forensics

Six members of the Kewaskum High School Forensics squad participated in the state forensics meet held at Madison this past weekend.

Those receiving "A" ratings from Kewaskum were Tom Rosenberger in Declarations, "But Soft, Real Soft;" Tim indermuehle in Prose, "August Heat;" and Donna Ehnert in

Story-telling, "I'm Not Oscar's Friend Anymore."

"B" ratings went to Lisa Neuman in Prose, Margie McClain in Poetry and Julie Larson in Demonstrations.

Coaches for the Kewaskum Squad, Ms. Barbara York and Ms. Mary McCormick, felt the squad did an outstanding job.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Kewaskum Statesman, Friday, May 9, 1980, Page 3

The above photo is appropriate for the fishing season which opened last Saturday. It was taken around 1910-1915 and shows a local group camping on the west side of Mauthe Lake, where the headquarters building is located at the present time. At that time it was called Moon Lake. They enjoyed fishing and catching bullfrogs. Shown, left to right, are John Andre, Charles Meinecke, Charles Groeschel, Barney Demarest, Bill Eberle and a Mr. Meinecke, unidentified.

Woman's Club To Honor Art Contest Winners

The Kewaskum Woman's Club will honor the Helen Mears Art Contest winners at the meeting this Saturday, May 10 at 2:00 p.m. at the Peace Church. "A Walk into the Gallery" will be the topic of Edward Kocker, Director of The West Bend Gallery of Fine Arts. Hostesses for the afternoon are Mmes. Pat Peterson, Agnes Schaefer and Maude Rose.

On April 23, seven members from the woman's club attended the 6th District convention at the Chalet on the Lake at Mequon. The business of the district was transacted at this meeting and many awards were made to members and clubs. Mmes. Kitty Hlavaty and Sue Decker were awarded first and

second respectively, for their Crafts from Heritage. Kitty displayed beautiful finely knitted doilies and Sue entered quilted pillow covers and a wall hanging. The importance of the volunteer club woman was highlighted and the new district officers were installed. The keynote speaker was S.M. Camille Kliebhan, President of Cardinal Stritch College. She spoke on "Women Today."

The Literary Discussion Group will have their final meeting this year on May 20, 9:30 a.m. at the library. They will be discussing "Fishbait,"

an interesting book written by Fishbait, the doorkeeper for Congress for many years. Anyone who would like to join in the discussion is welcome.

"Yorkshire" by James Herriot has been donated to the Kewaskum Library in memory of Bernadette Falk, a past president of the Kewaskum Woman's Club. The book is a guided tour with the beloved veterinarian who wrote "All Creatures Great and Small" and many other books about his practice.

"Games lubricate the body and the mind."

from Tom Leitzke, R.P.H.

Doctors in San Francisco who kept health records on workers for 22 years found that those who did strenuous physical work had only half as many heart attacks as those who did medium or light work. The human heart and circulatory system evidently thrives on hard physical work. It may be that saturated fats and cholesterol are burned up as energy in the process. Perhaps, therefrom comes the adage, "hard work never killed anyone."

Recipient of John Wornardt Scholarship

Donna Ehnert

Kewaskum senior Donna Ehnert, daughter of Mr. and Mrs. Donald Ehnert of Kewaskum, has been selected as this year's recipient of the John Wornardt scholarship.

In 1970, a group of dance band leaders got together to form an organization called the "United Orchestra Leaders, Inc."

The goal of this organization is to promote good fellowship among all band leaders and side men, regardless of this affiliation and to promote quality music, especially in the polka and old time field, although the bands play many different types of music. "Little Johnny" Wornardt from Grafton was the first chairman of the board and was mainly responsible for starting the organization. Johnny died in 1978 and it was decided to

honor him by giving a scholarship in his name to dedicated students who are planning to further their education in fine music.

In 1979, the first scholarship was awarded to a graduate from Grafton. It was decided so as not to slight the schools in our other members' districts, each member would contact their school to see if there were any students going on to study music.

After examining the qualifications of the students from Kewaskum Community High School going on in music, it was decided the scholarship this year be awarded to Donna Ehnert.

Donna has been in band for the past four years and a very outstanding member of the music department. She plans on attending UW-Oshkosh where she will further her musical studies.

Sherry Foerster

DAR Good Citizen

The Joseph Marest Chapter of the Daughters of the American Revolution recognized six area high school students as good citizens recently. The decision was based on the qualities of leadership, dependability, service and patriotism.

Students recognized include Faye Horsens of Washington High School, Germantown; Nancy Merten of Slinger High School, Maureen Benka of Hartford Union High School, Sherry Foerster of Kewaskum High School, John Klinger of West Bend West High School, and Ann Schwichtenberg of West Bend East High School.

Twenty-three studies in eight countries have shown that lung cancer patients are predominantly cigarette smokers.

**what a difference
a Bilco Door makes!**

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all-steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

**AMERICA'S FINEST
BASEMENT DOOR**

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a contractor to install it for you.

128 Main, Kewaskum
626-2164

Village Board

(Continued from Page 1)

Brenholt, Diane Buchel, and Paul Blumer comprise this committee.

The law firm of McKenna and Kiefer was reappointed as Village Attorney. Dr. R. G. Edwards remains as the Health Officer and Marvin Martin is the Civil Defense Director for another year term. Dan Schmidt was appointed as Risk Manager for an indefinite period. All other appointments remain the same until the expiration of their specific terms.

Trustee Rohrer said a lot of people were commenting on the rough railroad track crossings and wished to know when signal lights were being installed or the repairs would begin. Administrator Schmidt said no date had been set for repairs by the C & NW Railroad but it hopefully should be done by the end of September.

President Stollenwerk read a letter from the State Transportation Commission which directed the C & NW to install and maintain an automatic flashing light signal with a cantilever unit at the Main Street (State Highway 28) crossing. This must be done no later than April 30, 1981.

At the Highway 28 crossing, there have been seven accidents since 1950 — two in that year and one each in the years 1956, 1959, 1965, 1977 and 1978.

Schmidt reported that in 1979 the water department was \$11,000 "in the hole" and the sanitation department was \$14,000 "in the hole." The water department has been in the red at least the last three years even after a rate increase in 1977. The sanitation department has been in the green until this year. Any deficits have been made up by monies from the general fund. Both Super-

intendent of Wastewater Treatment Pete Albers and Superintendent of Public Works Augie Bilgo said that increased costs of electrical power and maintenance were a factor.

The board approved a recommendation from Schmidt to have Dr. Raymond Kipp, a wastewater consultant from Marquette University, review the rates and request the Public Service Commission for an appropriate rate increase or come up with some other viable solution.

The board approved the purchase of a "bubbler type" flow meter for sampling industrial wastewater. This would cost around \$2,000. Lamont Albers was hired for part-time maintenance help at the sewage plant for the summer. Two other applications were received, but the board felt it should maintain its policy of hiring summer help from within the village.

Schmidt reported that a map of the sanitary sewer system will be delivered to Foth and Van Dyke of Green Bay, the village engineers. Schmidt compiled the map which shows the location, size and depth of sewerage as well as the distance between sewers.

Trustee Carl Spoeth, Chairman of the Parks Committee, reported that there will be a meeting of summer recreation employees at 9:00 a.m. on Saturday, May 17. There will also be a Park Committee meeting at 7:00 p.m. on Monday, May 19, to discuss the summer recreation program in general and the opening of the beach.

Spoeth said that with the lack of funding, a combination concession stand and garage cannot be built at this time.

The board authorized Augie Bilgo to advertise for bids on blacktopping several streets in the village. Bids will be opened on June 2. Areas to be resurfaced include stretches of North

Ave., Western Ave., Midland Ave., Forest Ave., and Roseland Drive.

Bilgo was also authorized to check into blacktopping of Prospect Drive from Highway 45 to the south line of Laubenstein Lawn and Garden. This is primarily a Town of Kewaskum road and most likely their low bidder would also be available to do the village's portion of the road.

President Stollenwerk also read a proclamation that May 10 to 16 be designated as Municipal Clerk's Week. The proclamation described and praised the clerk as an individual who provides continuity to the functioning of a municipality and assists in the initiation and planning of community programs. The clerk is responsible for recording, compiling and implementing the proceedings of the municipality. Stollenwerk added that our own village clerk, Bill Martin, "does a pretty good job" and exemplified the positive characteristics mentioned in the proclamation.

Observe 15th Anniversary

Mr. and Mrs. Leander Oppermann, Auburn-Ashford Dr., Route 2, Campbellsport, celebrated their fifteenth wedding anniversary at Hon-E-Kor, Kewaskum, on Sunday, May 4.

A dinner for forty guests included their parents, Mr. and Mrs. Henry Oppermann, and Mr. and Mrs. Clayton Kohn, their wedding attendants, ushers and drivers.

MARRIAGE BANNES

Marriage bannes have been announced in the Holy Trinity Church bulletin for Lynn Sandville and Sandra Dillinger.

Schrauth-Herriges

Mr. and Mrs. Elroy Schrauth of Route 3, Campbellsport, and Mr. and Mrs. Richard Herriges of Route 3, Kewaskum, are proud to announce the engagement of their children, Joann and Dennis. Joann will be a 1980 graduate

of Campbellsport High School. Dennis is a 1975 graduate of Kewaskum High School and is employed at Electric Motor Service in West Bend.

A June 6, 1980 wedding is being planned.

Schrauth-McCarty

Mr. and Mrs. Raymond Schrauth of Route 3, Campbellsport, together with Mr. and Mrs. Daniel McCarty of Route 1, Campbellsport, would like to announce the engagement of their children, Bonnie Jean and Joseph Arthur. Bonnie is a 1979

graduate of Campbellsport High School, and is employed at Regal Ware in Kewaskum. Joe is a 1976 graduate of Campbellsport High School, and employed by the Gehl Company of West Bend.

Fenske-Pautz

Mr. and Mrs. Eugene Fenske, Route 1, Horicon, announced the engagement of their daughter, Fern, to Donald Pautz, Route 2, Juneau, and the late Harvey Pautz. A graduate of Kewaskum

High School, the bride-to-be is employed at Amity Leather Products Co. in West Bend. Pautz is a graduate of Horicon High School and is engaged in farming.

State Commission Orders Automatic Flashing-Light Signals at Local Crossing

On August 15, 1979, the Department of Transportation, Division of Highways, filed a request for a Commission determination under section 195.28, Wis. Stats., as to whether existing protective devices are adequate at the grade crossing of S.T.H. 28 (Main Street) (178 977X/125.0) and the Chicago and North Western Transportation Company in the Village of Kewaskum Washington County.

On August 29, 1979, Notice of investigation and Assessment of Costs was issued. No hearing was held.

THE COMMISSION FINDS:
The Chicago and North Western Transportation Company's mainline tracks between Milwaukee and Fond du Lac extend generally north and south through the Village of Kewaskum, Washington County, crossing at grade with S.T.H. 28 (Main Street) in about the middle of the community. The track and street form an angle of about 55 degrees in the northwest quadrant of the crossing.

Existing protective devices at the crossing consist of automatic wigwag signals with a bell. These wigwags were installed in 1930. Since 1950 there have been 7 accidents, 1950, 1956, 1956, 1959, 1965, 1977, and 1978 at the crossing resulting in 4 personal injuries. Main Street is constructed of bituminous pavement 50 feet in width face to face of curbs. There are sidewalks on each side of the street. Main Street intersects with Railroad Street generally parallels the tracks. A motor-

ist's view of approaching trains is obstructed by buildings in all 4 quadrants of the crossing.

Train operations over the crossing consist of 2 freight trains per day in each direction 6 days a week and in addition, a way freight operates in each direction over the crossing on Tuesdays, Thursdays, and Saturdays. The maximum speed for trains is 40 m.p.h. as provided by the railroad company's operating rules. The Wisconsin Department of Transportation has determined the average daily traffic on Main Street to be 5,500 vehicles based on traffic counts taken in 1976. The designated speed limit for vehicular traffic on the street in the vicinity of the crossing is 25 m.p.h.

The crossing of S.T.H. 28 with tracks of the Chicago and North Western Transportation Company at grade in the Village of Kewaskum, Washington County, requires the installation of automatic signals as hereinafter ordered to protect and promote the public safety.

Because of the time required for the Railroad Company to prepare plans, obtain materials, and schedule crews for the installation of such signals, and because of possible delays due to inclement weather, it is reasonable that the signals shall be required to be installed not later than 1 year from the date of this order. Pending completion of the signal installation, maintenance of the existing wigwag signals will promote the public safety.

THE COMMISSION CONCLUDES:

That the Commission has authority under section 195.28, Wis. Stats., to enter an order consistent with the foregoing Findings of Fact; and that such an order should be entered.

THE COMMISSION THEREFORE ORDERS:

1. That the Chicago and North Western Transportation Company shall install and maintain automatic flashing-light signals with cantilever units and appropriate appurtenances in accordance with such plans as are approved by and placed on file with this Commission at the crossing of its tracks with S.T.H. 28 at grade in the Village of Kewaskum, Washington County (RR No. 178 977X/125. ONWD).

2. That the signals herein ordered shall be installed not later than 1 year from the date of this order.

3. That the Chicago and North Western Transportation Company shall submit to this Commission and the Wisconsin Department of Transportation a crossing circuit plan with a cost estimate of its proposed installation and, upon completion of the signal project, a detailed statement of the actual cost.

4. That if the petitioner, railroad, or any interested party objects to this order and requests a hearing within 20 days after the date of this order, the Commission will hold a public hearing.

5. That jurisdiction be retained.

This order was dated at Madison, Wisconsin, April 30, 1980 by the Commission.

Eager Beaver Homemaker's Club

The March meeting of the Eager Beavers Homemaker's club was held at the home of Debra Lettow with a pot luck supper and a tour of Regal Ware. The meeting followed.

The banner for National Homemaker's Week was planned and discussed. Janet Meyer won the door prize.

The April meeting was held at the home of Peggy Volm. Prior to the meeting, Elaine Schoenbrook, an attorney, spoke to the club about Women's Rights. The door prize went to Judy Steiner.

Pictures were taken of the group for National Homemakers Week May 4 thru May 10. Members shown in the photo are Ann Neuman, Diane Carron, Carol Butzlaff, Joanne Heisdorf, Janet Meyer, Judy

Steiner, Debra Lettow, Nancy Schuster, Karen Kapp, Peggy Volm, Georgiane Holtz and Karen Ellefson.

Janet Meyer, Reporter

May is Bicycle Registration Month

Bicycles in the Village of Kewaskum will be registered on all Saturday mornings during the month of May. The hours of registration will be between 9:00 a.m. and 11:30 a.m. at the Kewaskum Municipal Building.

During the time of registration the cost of the license is 50c. After June 1, the cost will be \$1.00.

LICENSES WILL BE SOLD ONLY AT THE TIMES INDICATED IN MAY.

Lawrence N. Theusch Dies

Lawrence N. Theusch, 67, of the St. Michaels area, (rural Kewaskum), was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, on Tuesday evening, May 6.

Mr. Theusch was born March 17, 1913, in the Town of Scott, Sheboygan County, to the late Jacob and Gertrude Marx Theusch. On October 10, 1939, he married Bernadine A. Hug. He retired from the West Bend Company in 1975 as a supervisor, having been employed there for 42 years.

Survivors include his wife, Bernadine; five children, Kenneth (Karen) of rural Kewaskum, Terry (Mary Anne) of Allenton, Alan of Kenosha, Mrs. Phyllis (James) Schwartz of rural Kewaskum, and Mrs. Jane (Michael) Strobel of Kewaskum; nine grandchildren; three sisters, Mrs. Leo Lubiejewski of Milwaukee, Mrs. Frank Herricks of Kewaskum, and Mrs. Joe Marx of rural West Bend; one brother, Leonard of rural Kewaskum; other relatives and friends. One son, three brothers and one sister preceded him in death.

He was a member of the Knights of Columbus, Holy Name Society and the Apostolate of Suffering of St. Michael's Catholic Church, St. Michael's, West Bend Senior Citizens, honorary member of the Boltonville Fire Department, and a member of the West Bend Company's 25 Year Club.

Visitation at Miller's Funeral Home, Kewaskum, will be after 3 p.m. Thursday, with a rosary vigil at 8:30 p.m. Services will be held Friday, at 10 a.m. at the funeral home and at 10:30 at St. Michael's Catholic Church with Father William Bonesho officiating. Burial will be in the church cemetery.

Memorials to the Heart Fund appreciated.

FRANK GASNER

Frank Gasner, 55, of 761 Madison Ave., West Bend, died Saturday, May 3, at St. Joseph's Community Hospital, West Bend.

He was born Aug. 22, 1924, in Milwaukee, and married Dorothy Donath in Fillmore on April 26, 1947.

After their marriage they lived in Caledonia and the Fillmore area for about six years and for the last 25 years lived in West Bend.

At the time of his death he was employed by the Gehl Co.

Survivors include his wife; four children, Linda (Elmer) Miller of West Bend, William (Judy) of West Bend, Joan Gasner (Howard) Brecker of Milwaukee and Frank (Connie) Jr. of Kewaskum; five grandchildren; one sister, Theresa Bauer of Milwaukee; two brothers, Joe (Jeanette) Ross-

man and Steve (Ann) Rossman, both of West Bend; three brothers-in-law, Orin (Mildred) Donath of West Bend, John (Mildred) Lang of West Bend and Robert (Beaty) Nogel of West Bend; his father-in-law, Clarence Donath, and other relatives and friends.

He was a member of Gehl's Hexelbank Club and a veteran of WWII.

Three sisters predeceased him.

Funeral services were Tuesday at 8:30 p.m. at the Techtman-Myrhum Funeral Home, West Bend. Rev. Marwood Rettig officiated and burial was in Union Cemetery, Fillmore.

Visitation at the funeral home was Tuesday after 4 p.m. until time of services.

WYMAN KUEHL

Wyman S. Kuehl, 56, of 1543 N. Cass St., Milwaukee, passed away Thursday, May 1, in Milwaukee.

Mr. Kuehl was born in the Town of Wayne on February 27,

1924, to the late William and Mary Jazak Kuehl. He was employed by the Super Express Movers in Milwaukee.

Survivors include a brother Harvey (Bernadine); one niece, Mrs. Karen (Daniel) Poppy; one nephew, Charles Kuehl; one grand-niece, Jessica, all of Milwaukee; other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum, was after 3 p.m. Sunday. Burial services were on Monday at St. Anthony cemetery in St. Anthony at 10 a.m. with Father John Peifer officiating.

ALBERT LEU

Albert W. "Epps" Leu, 81, of 235 Mill Street, Campbellsport, died at 12:30 p.m. Monday, May 5, at St. Agnes Hospital, Fond du Lac.

He was born in Fond du Lac on January 17, 1899, a son of the late Franz and Marie Goldapske Leu. He was formerly employed by Sadoff Iron & Metal Company and Fred Rue-

ping Leather Company.

Surviving are two sons, Russell of Campbellsport and Lyle of Kenosha; a daughter, Mrs. Donald (Viola "Bunny") Lavrenz of Campbellsport; four grandchildren; two sisters, Marie and Florence, both of Campbellsport; and four brothers, Walter, Otto, Robert and Raymond, all of Fond du Lac. Three sisters and five brothers preceded him in death.

Funeral services were held at 11 a.m. Wednesday at Uecker-Witt Funeral Home, Fond du Lac. The Rev. Martin Koehler officiated and burial was in Auburn Cemetery, Campbellsport.

Visitation for Mr. Leu was from 3 to 9 p.m. Tuesday at the funeral home.

Soiled areas of your carpet can be cleaned without soaking. Ask Miller's of Kewaskum about Nylac. Use your carpet an hour after cleaning with Nylac.

Farmington PTO Carnival Success

The Farmington PTO Carnival was held at Farmington School on Wednesday, April 23.

It was a great success and there was provided some of the needed funds for playground equipment for the Farmington School.

The door prizes were won by: Paul Anders, Ron Dorzok, Chris Cross, Carol Kochler, Tammy Michaels, Annette Maechtle, Wanda Cribb, Jim Pizak, Joann O'Nesky, Nancy Ermer, Lanielle Dieringer, Chris Jung, Debbie Swenarski, Sheryl Suycott, Matthew McDonald, Karen Theusch, Elaine Krause, Brian Jackson and Paul Anderson.

We would like to thank the PTO Carnival Committee for all their hard work and also all the local businesses and people who contributed door prizes.

Get to know us better at West Bend Savings

Kewaskum Staff: From left, Charleen J. Barutha, Branch Manager; Kristine L. Heroux, Savings Teller; Norma I. Muench, Savings Teller.

Whether you're a newcomer to Washington County, or a long-time resident, it's time you got to know us better at West Bend Savings and Loan.

Convenience and friendly service are just two important reasons more and more people are turning to West Bend Savings for all their saving and borrowing needs.

And talk about convenience, there are seven offices serving Washington County: Germantown, Jackson,

Slinger, Kewaskum, plus three locations in West Bend. All local offices, yet all united to draw on the association's strengths.

Chances are you're only minutes away from a West Bend Savings office and the security of knowing your money is insured up to \$100,000 by the Federal Savings and Loan Insurance Corporation.

But there's more to us than just savings accounts. There's telephone transfer

that puts you as close to your account as the nearest phone; direct deposit systems for fast, easy, monthly transactions; money orders and travelers check services; numerical counseling plans; and much, much more.

Stop by any of our seven county wide offices and get to know us better. See for yourself why we say—you really do get more money for living from West Bend Savings and Loan Association.

High School to Present Spring Play

Some of you may be asking yourselves, "What can we do on May 15 and 16?" Well, here is your answer.

May 15 will be the free showing to the Senior Citizens of "Do You Remember?"

"Do You Remember" is the name of the spring play presented by the high school this year. It is definitely an original and may not be seen anywhere else or at any other time. This musical has been put together by Robert Getter, director. It consists of portions of the last five musicals that he has directed since he has been in Kewaskum. "The Music Man," "The Sound of Music," "Godspell," "My Fair Lady" and "Fiddler on the Roof" will be the shows represented to help you "remember" the original showings by the Kewaskum High Schoolers. There will also be slides to accompany them.

May 16 will be the public performance at 8:00 p.m. Tickets will be available at the Valley Bank of Kewaskum, the high school office or from any cast member. Remember to get your tickets as soon as possible, before they are all sold out.

Senior Citizens! Don't forget about your free performance on May 15 starting at 7:30 p.m.

Students Study at Cedar Lake Home

The Cedar Lake Home Campus, West Bend, provides educational experience for students in the health care field. Three students were recently accepted to participate in the Campus' educational program:

Dawn Berthold (left), Kaukauna, a student from Fox Valley Technical Institute, Appleton, will graduate in May as a Certified Occupational Therapy Aide (COTA) after completing her 7 week field experience on the campus. She is studying under the direction of the Campus' Occupational Therapists.

Tim Regan (right), Sheboygan, will graduate from the University of Wisconsin Milwaukee in May with a Bachelor of Science degree in Occupa-

tional Therapy. Regan's field experience will be for 12 weeks as he studies under S. Aicher, Occupational Therapist and the guidance of the Campus' Occupational Therapy department.

Diane E. Book (center), New Castlet, Pennsylvania, is a Castlet, Pennsylvania student from Slippery Rock State College, PA. Under the guidance of the Music Therapy department of the Cedar Lake Home Campus, Miss Book will study the geriatric program for six months before graduating with a Bachelor of Science degree in Music Therapy.

The Cedar Lake Home offers a wide range of educational programs for students in the health care field.

Todd Timblin

Navy Seaman Todd W. Timblin, son of Henry T. and Carole M. Timblin of 1336 Kewaskum Street, Kewaskum, has completed recruit training at the Naval Training Center, Great Lakes, Illinois. Seaman Timblin was selected as a recruit petty officer to lead his group at the graduation exercises.

William Harbeck, Tom, Tami and Trev Timblin attended the graduation exercises at the Great Lakes Naval Training Center on Friday, March 21.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who completed this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

He joined the Navy in January, 1980.

Following a two-week leave at home, Seaman Timblin left last Thursday for Philadelphia, where he took a flight to Rota, Spain, for assignment to his ship, the aircraft carrier USS Dale, as a signal man or air traffic control in a tour of sea duty.

Susan Engeleiter Wins Senate Seat

Susan Shannon Engeleiter defeated Democrat Richard Congdon in the April 29 special election race for the 33rd Senate District seat.

Mrs. Engeleiter, a UW-Madison graduate, was a state representative from 1974 to 1978. Since then, she has worked as a Legislative Assistant to Governor Lee Sherman Dreyfus.

The 33rd District covers the northeastern section of Waukesha County and includes the city of Waukesha. The Senate seat there was vacated when Senator Roger Murphy was appointed to a circuit court judgeship by Governor Dreyfus.

Mrs. Engeleiter's victory raises the number of Republican Senate seats in Wisconsin to 12 out of 33. Republicans now hold 39 out of 99 Assembly seats.

Joins Regal Ware Engineering Dept.

Kenneth P. Bardel

Kenneth P. Bardel has joined Regal Ware, Inc. as a Product Engineer in the Corporate Engineering Department. The Kewaskum office is the corporate headquarters for the manufacturer of cookware and portable kitchen electrics.

Bardel came to Regal with more than 20 years successful engineering experience, encompassing many facets of engineering including product design. He attended Freeport (Illinois) Community College and Racine (Wisconsin) Technical Institute and most recently was Project Manager for a consumer products manufacturer in Minnesota which included directing a development team for new products.

Bardel, his wife and two children will be moving to the Kewaskum area.

Campus Notes

Joan Groh, 1254 Roseland Dr. and Robin Neitzel, 2023 White-wood Dr., were among visitors who attended an April 25 On-Campus Day at the University of Wisconsin-Whitewater.

On-Campus Days give prospective students and their parents an opportunity to learn more about UW-Whitewater. They can visit with students, administrators, and faculty, receive academic counseling and general orientation, and take tours of the campus, including residence halls and classroom buildings. Each academic department has faculty and students available to discuss courses of study.

Joan, a senior at Kewaskum High School, has been accepted for admission at UW-Whitewater and plans to study accounting, is a possible transfer student.

....

Sharon Amerling, daughter of Mr. and Mrs. John Amerling, Route 1, Allenton, was included on the dean's list for the spring quarter in fashion merchandising at Patricia Steven's Career College, Milwaukee.

Need Some Money?

How would you like to have \$311.64 more than you have now for each month in the future?

"Oh no, here goes another sales pitch" is probably the typical response by almost everyone who reads the first line. The next question is, "what's the catch?"

The catch is that you must be driving 80 miles a day round-trip for work, school, or visiting your sweetheart. Where does the \$311.64 come from? This is the amount that you could have left over at the end of each month if you are not carpooling or vanpooling at the present time, and would change over to that system of transportation.

Carpooling is already a widely recognized form of ridesharing. It is well known and accepted that it saves money, and the amount saved is increasing as fast as the price of gasoline. There are all kinds of excuses for not carpooling. Some are valid while many are not. However, there are many reasons why ridesharing should be done. First and most important to you is the savings. Some people still haven't been hurt by the gas increase yet. But even if you haven't felt the pinch it would be nice to have a little extra savings. There is also the concern of dependency on foreign oil. This has been a

factor in the high inflation rate which shadows over us. Then there are pleasant reasons for ridesharing, the socializing with friends and co-workers, the relief from the stress of driving, the reduced competition of finding a parking spot, and for those who work in Milwaukee to lower the congestion on Highway 45.

Another rapidly increasing form of ridesharing is vanpooling. Vanpooling can work for any company, industry, or big business that has a large number of employees. The Office of Statewide Transportation Programs with the UW-Extension is enthusiastic about helping these companies to establish a ridesharing program for its employees. The companies

must request help, so if your company doesn't have this program and you and your co-workers would be interested talk to them about it. Inform them of the assistance available and have them contact Peter Weingarten (963-6474) at the Office of Statewide Transportation Programs, UW-Extension, Box 413, Milwaukee, WI 53201. For more information on Vanpooling contact the Washington County UW-Extension at 338-4480, 644-6204, or 342-2929.

Offer Workshop For Teachers May 17

There will be a workshop on May 17, from 8:30-12:00 noon in Oshkosh at the Holiday Inn which will provide 200 creative ideas for making learning centers.

Learning centers can be used by elementary teachers (K-6), pre-school or day care teachers, substitute teachers or anyone working with elementary age

children.

All the materials needed to make the learning centers will be provided. Coffee will be served.

The workshop is being put on by Judy Beaulieu and Marlys Carls, experienced elementary teachers in the Osseo District #279. Their company is called The Appleseed. For more information contact The Appleseed, 6124 - 72nd Lane North, Brooklyn Park, MN 55429, phone (612) 553-1575.

EDITORIAL

Observe Clean Air Week

It's up to you. Clean air, that is. Every person can do his or her part.

Celebrate Clean Air Week, May 4-10, by doing your share.

We're put on notice by the American Lung Association, the Christmas Seal organization, which is sponsoring Clean Air Week.

Although we can all fight for regulations to help our industries and factories observe anti-air pollution measures, automobile owners and drivers can do most for clean air.

Your car may be your pride and joy but it can also be a hazard to blue skies and life and breath. Have your tailpipe emissions checked. Noxious fumes and gases, carbon monoxide, hydrocarbons and nitrogen oxides could be pouring

from your tailpipe, injuring the very air you—and others—breathe, hurting your lungs.

There's a simple remedy. It's called I/M for Inspection/Maintenance. Your car's emissions can be easily inspected, and simple tuning can maintain the emission system so it doesn't spew pollutants into the air.

Keep your car at home as much as possible. Seek other means of travel. Support—and use—public transit.

Carpool. One person per car is an extravagance we can no longer afford.

Bike. Walk. It helps keep the air clean and is good, healthy exercise.

Keep it personal. You can observe Clean Air Week. All year round.

Proclamation

Whereas: the success of any unit of government is measured by its ability to meet the needs of its people; and

WHEREAS: the Municipal Clerk is important to the community as a whole -- the keystone of efficient and responsive local government; and

WHEREAS: the Municipal Clerk provides continuity, knowing what went on in the past and how it will affect what is done today, thus more ably assisting in the initiating and planning of community programs; and

WHEREAS: the Municipal Clerk records the proceedings and decisions of the legislative body, implements its directives, compiles its reports, and preserves the city's records for posterity; and

WHEREAS: the Municipal Clerk accomplishes these and a host of other tasks with which he or she is charged in the catch-all phrase of the job description that reads, "...and other duties as the Council may require of the Clerk"; and

WHEREAS: it is most appropriate that we recognize and recall that this historic municipal office grew out of the traditions of our democratic heritage, and still remains most viable in today's structured government;

Therefore: I, Gerald Stollenwerk, Kewaskum Village President do hereby proclaim the week of May 10 through May 16, 1980, as MUNICIPAL CLERK'S WEEK in recognition of their outstanding dedication and contribution to the communities they serve.

Dated this 5th day of May, 1980.

Gerald F. Stollenwerk

Attest:

Daniel S. Schmidt

Friday, May 16 -- Macaroni & cheese, corn, devilled eggs, baking powder biscuits, butter, fruit & cookies, milk, coffee.

Dirty Air Is Costly

The health costs of air pollution are more than 10 billion dollars a year, says the American Lung Association, the Christmas Seal people.

The wettest spot in the world is Mt. Waialeale, Hawaii, where the annual average rainfall is 460 inches.

Disaster Payment Program Extended

Ira A. Oelhafen, Chairperson of the Washington County Agricultural Stabilization and Conservation (ASC) committee, said the new Agricultural Adjustment Act signed recently by President Carter extended the disaster payments program through the 1980 crop year.

The ASCS disaster payments program provides crop protection against seven weather conditions and includes provisions for prevented planting and low crop yields. "If farmers except low yields on their small grain crops because of severe winter weather they should contact our office," Oelhafen said. Applications for disaster credit must generally be filed within 15 days after harvest, while evidence of the crop is present.

The program authorizes payments to wheat and feed grain producers whose crop yield is less than 60 percent of the established yield times the acreage planted for harvest. "This payment is based only on the deficiency in production below 60 percent," Oelhafen said.

The disaster payments programs covers drought, flood, hail, windstorm, insect infestation, plant disease or any other type of disaster which occurs through no fault of the farmer.

"All farmers are eligible for disaster payments," Oelhafen said. However, those who plant within their normal crop acreage (NCA) will receive payments based on a higher price support level than those who exceed their NCA.

Grade A Milk Hearings Set

A series of public hearings will be held throughout the state next month to consider changes in administrative rules which relate to grade A milk and grade A milk products.

N. E. Kirschbaum, food division administrator with the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, reports that the proposed changes will set forth minimum sanitary standards and requirements for the production and processing of grade A milk and milk products on dairy farms and in dairy plants. "The changes reflect the revisions made in the 1978 edition of the U. S. Public Health Services Grade A Pasteurized Milk Ordinance," Kirschbaum says.

The department's rule-making authority regulating milk and milk products mandates that rules adopted must be in reasonable accord with the Pasteurized Milk Ordinance.

Hearings will be held as follows: May 12, DATCP Board Room, 801 West Badger Road, Madison; May 14, UW-Richland Center (Copper Top Theater in the afternoon and Room 105, Science Bldg. in the evening), Richland Center;

May 15, Room A-102, Moraine Park Technical Institute, Fond du Lac; May 20, DATCP Regional Office Conference Room, 1181A Western Ave., Green Bay; May 21, Conference Room, Marathon County Court House, Wausau; and May 22, DATCP Regional Office Conference Room, 1727 Loring St., Altoona.

Afternoon sessions will be held from 1:00 p.m. until 4:30 p.m. while evening sessions will take place from 7:00 p.m. until 9:00 p.m.

Copies of the rules to be considered may be obtained from the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, 801 West Badger Rd., PO Box 8911, Madison, WI 53708, or by calling (608) 266-2227.

EM Loans Available To County Residents

Farmers Home Administration State Director, Larry E. Dahl, announced today that FmHA EM loans are available to residents of Washington and Dodge Counties who suffered losses caused by high winds and excessive rain on April 7, 1980.

Loan applications will not be received after January 27, 1981, for physical or production losses. Loans for physical losses (buildings) will be at 5% interest and may not exceed \$250,000. Other EM loans will be at the current interest rate of 14%.

Applicants must be unable to borrow the funds they need from conventional credit lenders in order to qualify.

Dahl encourages residents of Washington and Dodge Counties to contact the FmHA office serving the area for further information.

Dangerous Pollutants

The three most dangerous pollutants emitted by your car are carbon monoxide, hydrocarbons and nitrogen oxide, says the American Lung Association, the Christmas Seal organization.

School Board To Meet Later, Elect Officers

A somewhat later starting time is scheduled for the meeting of the Kewaskum Board of Education this month. The regular meeting will begin at approximately 8:30 p.m. in the district administrative offices on Monday, May 12.

The board will meet in closed session at 8:00 p.m. to discuss some personnel matters under Wis. Stats 19.85 (1) (c). The regular meeting agenda will be taken up following this closed session.

Election of board officers for

the new year will be a major item of business for the meeting. Standing board committees will also be appointed.

In other business, the board will act on some teacher resignations effective at the end of the school year. Approval of teacher contracts for new teachers for next year will also be considered. There will be action on a request by a teacher for child-care leave for next year.

Discussion will be held on the summer trip to Mexico, and action taken on a request for granting of a diploma. Miscellaneous items which may arise will also be considered by the board.

Rescue Squad Calls

Sunday, May 4 — Brian E. Stange, 21, 153 Vermont Street, Beaver Dam, removed to St. Joseph's Community Hospital, West Bend, from 1/2 mile south of Hwy. H on Midland, Town of Wayne, with injuries in a motor-

cycle accident.

Sunday, May 4 — Gerald Higgins, 37, Route 1, Glacier Hills, Cascade, removed to St. Agnes Hospital, Fond du Lac, from Crooked Lake Road, 1/2 mile west of Mapletree, Town of Scott, with injuries in an auto accident.

GAS TO COST 10c MORE A GALLON

About May 15th, the cost of gasoline you buy at the pump will go up by 10 cents a gallon. That will be the result of a new \$4.62 per barrel tax on imported oil being levied by President Carter.

Unfortunately, the President already has the power to do this without a yes or no from Congress. This action will cost the average car-owning family an estimated \$92 a year, and more in areas like Ninth District where cars are used more for day-to-day needs. Nationwide, this new tax, one of the largest tax increases ever levied, will raise \$11 billion.

I am strongly opposed to this new charge and the way it is being put into effect. It is merely a device to balance the 1981 Federal Budget, but which will only burden those dependent on their cars and having no access to public transportation alternatives — like many people in the Ninth District!

President Carter has said this

CAMP AMERICAN LEGION SERVES VETERANS FREE

Something worthwhile free for Wisconsin veterans? You bet there is. For vets recovering from an illness or disability such as war wounds, nervous condition, heart condition, strokes, amputees, diabetics, post operative conditions and many other medical conditions, Robert G. Romaine Post 384, Kewaskum, reminds veterans there is Camp American Legion to serve as a "Halfway House" in rehabilitation.

If you are a veteran, or know a veteran who could use friendly expert care, good food, fresh air and peaceful rest in a quiet land where people from all over the land come for rest and relaxation, then write Camp American Legion, Lake Tomahawk, Wis., 54539 for a free brochure and application blank with all the details.

Camp is open from late May to mid-September free to all veterans of Wisconsin who could benefit from it. Operated and funded by the State American Legion since 1925, the camp is in the heart of our famed north country and can serve 60 patients at a time with over 300 attending each year.

new tax will lower gas consumption and fight inflation, but I fail to see how that will happen. Gas consumption in the U. S. has fallen by 10 percent in the last year, thanks to conservation measures, not new taxes. Further, raising gas prices only adds to inflation, and is no substitute for a strong national energy or economic policy.

Evidence from Japan strongly suggests that oil imports are not in and of themselves the cause of inflation, though they are a contributing factor to it. Japan imports 90 percent of its oil, but has an inflation rate of 5.8 percent. The U. S. imports 25 percent of its oil, but has an inflation rate of 18 percent. Since Japan has suffered the same OPEC oil prices hikes we have, it is obvious our inflation problem has its roots elsewhere than in our oil imports.

This dime-a-gallon tax on gasoline is not solution to our energy and economic problems. That is why I have cosponsored a House measure opposing this tax, which will hopefully be the first step toward killing this ill-advised move.

The way to fight inflation is to rob the bureaucrats, not the taxpayers!

Dodge County and Adjacent Counties Declared a Disaster

The Small Business Administration, SBA announced today that persons who had property damaged by tornado in Dodge County and adjacent counties may be eligible for disaster loans.

The loans are not restricted to business. Anyone who suffered losses caused by tornado is eligible to apply. This includes homeowner, renters, farmers, as well as business persons. The loans are not limited to any special income group; anyone having suffered losses is eligible to apply.

SBA Disaster loans are long-term, low interest loans to help restore lost or damaged property to pre-disaster conditions. The interest rates are three, five and eight and one-fourth percent. Farmers may apply to SBA although they are asked to contact a Farmers Home Administration Representative first.

To apply for SBA Disaster assistance, persons should visit the SBA representative at the temporary SBA Disaster Office on Wednesday, April 30, 1980 at Municipal Building, Beaver Dam, Wisconsin or call the Madison SBA Disaster Office at (608)264-5461. The application deadline is June 23, 1980 physical damage loans and January 22, 1981 for economic injury loans.

BIRTH

RAMMER — A son to Lee and Janet Rammer, Campbellsport, Friday, May 2.

HISTORY OF MOTHER'S DAY

Celebrating Mother's Day is an ancient and endearing tradition. Many people celebrate it by giving Mom a modern and practical machine.

Although Mother's Day as we know it was officially declared by President Wilson some 65 years ago, mothers have had their own special days for several thousand years.

According to historians, the early pagans of the Near East and Mediterranean regions worshipped an "Earth Mother" at an annual woodland festival.

In Asia Minor, a day was set aside for honoring Cybele, "Mother of the Gods."

Every day was "Mother's Day" for moms of ancient German tribesmen who considered all women divine — and sometimes regarded mothers as living goddesses.

Many modern American mothers may feel like goddesses on Mother's Day, especially if they're given some of the great gifts today's technology has created. One such is a food processor that can save her time and trouble and let her be more creative in the kitchen than ever. This La Machine™ from Moulinex can chop half a pound of round steak in three and a half seconds for hamburgers, grind a half cup of coffee beans in eight seconds and make peanut butter in less than ten seconds. It can slice, shred or grate vegetables, so it's great for tossed salads, luncheon salads, oriental dishes, fresh spices, stews, soups and the like. It's safe around children because the blades are solidly locked in place; releasing pressure from the on switch automatically stops the motor. In addition, it is easy to clean, has a blender attachment available, and can make every day of the year more like Mother's Day, because it helps Mom have more time to spend with her family.

A form of Mother's Day has long been popular in England, too. For some 500 years, the British have been paying special visits to their mothers on the fourth Sunday in Lent, "Mothering Sunday," and bringing her little cakes, baked for the occasion.

25 Years Ago

May 13, 1955

Keller's Sinclair Service on the corner of Fond du Lac Avenue and Clinton Street was burglarized sometime between 9 p.m. Sunday and 7 a.m. Monday. The station is operated by Lloyd and LeRoy Keller. The burglars gained entrance to the station through an unlocked washroom window. Lloyd Keller, who closed the station Sunday night, reported that \$16.00 was removed from the cash register.

The Kewaskum Community High School band and mixed chorus both received first place ratings at the District Music Festival at Fond du Lac on Saturday, May 7.

Miss Mary Jane Mayer, Kewaskum, daughter of the late Mr. and Mrs. Joseph Mayer, and Alan J. Hermans, son of Mr. and Mrs. Joseph Hermans, Milwaukee, were joined in marriage on May 7.

Corp. Frank H. Kutz, son of Mrs. Lorena Dettman, Kewaskum, received his discharge from the army at Fort Sheridan, Illinois, on April 29. He received the Korean Service Ribbon, the United Nations Service medal, the National Defense Service medal, the Good Conduct medal and the Republic of Korea Presidential Unit citation.

A daughter was born to Mr. and Mrs. John Wahnschaffe, Kewaskum, on May 4. A daughter was also born to Mr. and Mrs. Robert Gross, Route 3, Campbellsport, on May 8. A son was born to Mr. and Mrs. Donald Quass, Route 2, Kewaskum, on May 10.

The regular meeting of the Ladies' Altar Society of Holy Trinity parish was held Tuesday evening in the church hall. Society officers re-elected were Florence Hron, president, Isabelle Muckerheide, vice-president, Florence Ruth, secretary, and Frances Rohlinger, treasurer.

50 Years Ago

May 9, 1930

According to figures given out by John Reinders, census enumerator for the village and

town of Kewaskum, who finished his work Monday, the population of the village of Kewaskum is 799 as compared to 707 in 1920, an increase of 92 people. This increase proves that Kewaskum is steadily growing. The population of the Town of Kewaskum is 730 as compared to about 800 in 1920, a decrease of 70.

During the severe electrical storm Tuesday evening, lightning struck the barn on the Theo. Fick farm, located on the west side of Lake Fifteen, and completely destroyed it by fire.

On Saturday, May 3, at Silver Creek, occurred the wedding of Miss Edna Wilke, daughter of Emil Wilke of the Town of Scott, to Edwin Koepke.

Sunday, May 11, will be a happy day for a class of 13 little children of St. Michaels congregation who will receive their first Holy Communion from Pastor Beyer. The class consists of the following boys and girls: Edward Chechvala, Werner Hoerig, Arnold Schladweiler, Urban Schladweiler, Edmund Thull, Lester Uelmen, Adeline Fellenz, Mirtle Fellenz, Otilia Schladweiler, Alice Schneider, Cresence Schneider, Lucile Theisen and Gertrude Theusch.

A deal was closed last Saturday whereby Lester Dreher purchased the mill property from Henry Backus. Mr. Dreher was given possession immediately, and this week was busily engaged in razing the old mill, which for some time was one of the landmarks of Kewaskum. Mr. Dreher for the present intends to erect a modern filling station and garage upon the newly acquired property, with a possibility in the future to erect a new dwelling upon the same.

75 Years Ago

May 13, 1905

The marriage of Miss Hilda Duit, daughter of Mr. and Mrs. H. Duit, of Elmore, and John Schleif, son of Mr. and Mrs. George Schleif Sr., was solemnized at Elmore on May 10.

John Miller, son of Mr. and Mrs. Joseph Miller of Kewaskum, graduated from the Northwestern University Dental College at Chicago last week.

The town board of Kewaskum ordered three iron bridges from the Wisconsin Bridge and Iron

Works of Milwaukee last Thursday.

Oscar Groeschel, son of Mr. and Mrs. John Groeschel of Kewaskum, and Miss Alma Lemke of Milwaukee, were married on May 6.

Nic Marx had a steel ceiling put in his barroom this week.

Work on the foundation for the new school house at New Fane was commenced last week.

A bouncing baby girl arrived at the home of Mr. and Mrs. Jacob Wiesler of New Fane.

Top 4-H Speakers In County Named

Keith Braun of the Badger Boosters 4-H club of West Bend and Caroline Doll of the Addison Achievers 4-H of Allenton were named the top boy and girl in the county 4-H speaking program. Speakers from 4-H clubs throughout Washington County participated in the event. The theme of the program was "Conservation of Resources and the Environment." Ideas expressed by the speakers ranged from the energy crises to soil conservation. Mary Jo Hupfer of the B-Mer-E 4-H club received a red rating and Rachel Fick of the Kirchhain Trotters received the white award in the senior division for 15-18 year old speakers.

In the intermediate division for 12-14 year old members Karen Doll of the Badger Booster 4-H club of West Bend was given the best speaker award. Others in that division receiving blue ratings were Katy Christy of the Good Luck 4-H club, Kira Zaporski of the Good Luck 4-H club, Jenny Ratke of Myraneers and Chris Shield of the Badger Boosters. Members receiving red ratings were Todd Wessing, Good Luck; Mark Peaslee, Trentonaires; Glen Hupfer, B-Mer-E, and Kelly Kreis, Badger Boosters. Randy Marquardt and Sandy Secor of Happy-Go-Lucky 4-H club received white ratings.

In the junior division for 9-11 year olds the top speaker was Cindy Rauh of the Badger

Boosters 4-H club of West Bend. Also receiving blue awards were Sarah Cross, Badger Boosters; Sarah Hildebrand, Good Luck. Red awards went to Mary Doede, Badger Boosters; Tammy Habeck, Good Luck; Shelly Petsch, Happy-Go-Lucky; Renee Kapp, Kewaskum 4-H'ers, and Denise Hohner, Addison Achievers. White awards went to Wendy Haack, B-Mer-E; Collen Curry, Good Luck, and Chris Holtz, Kewaskum 4-H'ers.

In addition to the speeches the county program included a poster display. Members receiving blue ratings in the senior division included: Caroline Doll, Joanna Arndt, Jill Etta and Debbie Klug. Blue winners in the intermediate division were Mike Doll, Jodi Dogs, Randy Marquardt, Jon Etta, Scott Schoeni, Bob Klug and Jenny Green. Members in the junior division for 9-11 year olds receiving blue ratings were: Ben Goebel, Judy Rodell, Trevor Alsborg, Leah Kuphal, Ellen Kuphal, Deanna Hahn, Jeanne Awre and Andrea Green.

A special thanks is extended to members of the West Bend Toastmasters who evaluated and critiqued the talks. The Toastmasters that evaluated the talks were Edwin Bigelow, Dan Klein, Jerry Schwebke, Evelyn Cook, Bill Carlstrom and Dick Schmidt. Mrs. Sharon Zaporski evaluated the posters.

The speaking and poster program is conducted by the 4-H leaders committee which includes Mrs. Norbert Dettmann, chairman; Paul Cypher and Mrs. Robert Guelig. Awards for the speakers were presented by the Belle Albright Memorial committee. Jackie Erickson and Rita Hildebrand of the Good Luck 4-H club and Heidi Belger, Debbie Kertscher and Julie Dettmann of the Happy-Go-Lucky 4-H club served as MCs for the speaking program. Kim Belger and Kevin Belger were in charge of the poster exhibits.

'Alice' Finalists Are Selected

Twelve Wisconsin women have been named finalists for the state's "Alice in Dairyland" position, after being selected in interview sessions from a field of 177 applicants.

Wisconsin's 33rd Alice in Dairyland will be crowned by Miss Rebecca Powell, of Baraboo, the current Alice, Saturday evening, June 14, during a coronation program to be held at the Al Ringling Theatre in Baraboo. The finals will be held in Sauk County June 11, 12, 13 and 14.

One of the finalists from this area is Marcy Lynn Schultz, 22, of Theresa, an executive secretary/accounting assistant with Physical Therapy Service, Inc. and Pharmaceutical Service of Madison.

Census Bureau Reports \$40.1 Million in 1978 Farm Products Sales for Washington County

The 1978 market value of agricultural products sold by the 1,185 farms in Washington County amounted to \$40.1 million or an average of \$33,878 each, up from \$29.1 million in 1974 with an accompanying increase in production costs, according to a preliminary report of the 1978 Census of Agriculture released by the Bureau of the Census, U.S. Department of Commerce.

A breakdown of the county's total agricultural sales of 1978 followed by that for 1974, is as follows: Crops \$8.4 million as compared with \$6.9 million; livestock and livestock products, \$31.1 million and \$21.4 million; poultry and poultry products \$619,000 and \$784,000.

While the value of gross sales rose, the farmers' costs also climbed since 1974. Expenditures for feed for livestock and poultry for 1978 were \$4.6 million compared to \$3.9 million; costs of gasoline, diesel and other petroleum products were \$1.9 million compared to \$1.2 million. Farm energy costs of all types totaled \$2.6 million for 1978. The estimated market value of machinery and equipment per farm increased from

\$26,147 to \$41,031.

Of the total farms in the county, 377 had gross sales of \$40,000 or more and 494 had sales of under \$10,000. Farms operated by individuals or families represented 89 percent of the total; farms operated by corporations accounted for 2 percent. Some 90 percent of the operators owned all or part of the land they operated.

In 1978, the average age of farm operator was 49.9 years. Since 1974, the proportion of operators listing farming as their principal occupation changed from 67 percent to 60 percent.

Other results of the census show that the number of farms decreased from 1,229 to 1,185, while the average size changed from 139 to 141 acres. All land in farms totaled 167,395 acres in 1978 compared to 171,300 acres in 1974. Land from which crops were harvested decreased from 119,136 acres to 117,715 acres.

The inventory of cattle and calves changed from 45,338 in 1974 to 42,150 in 1978; in comparison, the number of hogs and pigs changed from 9,214 to 12,140. Hens and pullets of laying age increased from 48,688 to 65,278.

Sales of dairy products were reported by 504 farms and totaled \$24.2. The number of milk cows reported was 21,152 in 1978 vs. 21,570 in 1974.

Acres of crops harvested

for 1978 and 1974 were as follows: corn for grain, 30,529 acres vs. 26,070 acres; wheat, 1,727 acres vs. 4,262 acres; hay, 54,827 acres vs. 47,774 acres. Vegetables accounted for 5,990 acres harvested and oats accounted for 16,853 acres.

Production of corn was 2.8 million bushels compared to 1.9 million bushels.

The figures are for farms qualifying under the definition: Any place from which \$1,000 or more of agricultural products were sold, or normally would have been sold, during the census year.

Data in the reports for acreage and inventories for 1978 and 1974 are directly compar-

able; however, dollar values have not been adjusted for changes in price levels.

Park Your Car

Leave your car at home to observe Clean Air Week, May 4-10, sponsored by the American Lung Association, the Christmas Seal organization.

BEFORE YOU DIG, KNOW THE GROUND RULES.

Beneath your lawn there may be more than just tree roots and rocks. There could be underground power lines, gas lines or telephone cables.

The consequences of digging tree or post holes, foundations or other excavations without knowing where utility lines are buried could be costly.

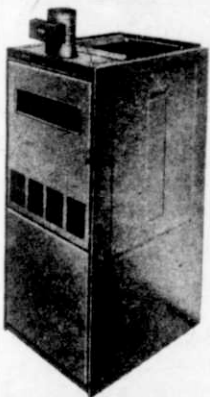

It could even be fatal. Fortunately, you can avoid these consequences by following a simple ground rule: CALL BEFORE YOU DIG.

In Milwaukee, Kenosha, Ozaukee, Racine, Washington and Waukesha counties call DIGGER'S HOTLINE 344-5111 (in Milwaukee). In all other areas call your local Electric, Gas or Telephone company office. Call at least 3 working days before digging.

More Gas Heat Per Dollar!

Enjoy heating comfort plus maximum efficiency with a LENNOX CONSERVATOR T.M. gas furnace.

Electronic ignition, heat-saver flue damper and DURACURVE® heat exchanger give you more furnace, more heat for your money.

TOWN OF WAYNE Monthly Town Meeting

The agenda for the monthly meeting at 8:30 p.m., Thursday, May 15, 1980, is as follows:
Monthly bills to be audited and paid.
Other matters to be brought before the board.

Orville Kern, Clerk

There are nearly 600 million credit cards being carried in this country today.

THANKS EXPRESSED

I wish to thank the Kewaskum Kiwanis, and the people of this community and the surrounding area for the generous support given to the Club in their effort to raise money to help me pay some of the bills not covered by insurance and to the Lions Club, whose generous contribution helped pay the plane fare for my parents to visit me during my nearly four month stay at the hospital in Seattle, Washington. Again, thanks for the cards, phone calls and especially your prayers.

Ray Reindl

THANKS EXPRESSED

My sincere thanks to Pastor Wilcken, my family, relatives and friends for their prayers, cards, gifts and phone calls while I was a patient at St. Joseph's Community Hospital, West Bend, and at home. Also, a special thank you to Drs. Reineck and Schneider, the nursing staff at St. Joseph's and to Clara Stange for her care while I was convalescing at my home. These acts of kindness will always be treasured.

Leta Klug

THANK YOU

My sincere thanks to all who remembered me with cards, gifts, visits, flowers and phone calls while I was a patient at the hospital and convalescing at home. Special thanks to Rev. Wilcken. These kindnesses will always be remembered.

Mrs. Fred Meyer

\$3,780 Grant Awarded to Open Door of County

The Open Door of Washington County, Inc. has received notification from the Southeastern Wisconsin Area Agency on Aging that it has been awarded a \$3,780 grant for the purpose of developing and promoting its "Senior Watch" telephone reassurance program in Washington and Ozaukee Counties.

"Senior Watch," a daily telephone check-in service, provides to the elderly, invalid, infirm, and those living alone, a program whereby they are checked-upon on a daily basis should they fail to report at their assigned time. This program provides to its participants the ability to remain in their own homes, and still be assured that aid is close by if needed.

"Senior Watch" will be conducted as an off-shot of the Washington & Ozaukee County Hotlines, programs of the Open Door of Washington County, Inc.

The Open Door is a private non-profit agency which has provided drug abuse prevention and intervention programs to Washington County since 1972, and a 24 hour "Hotline" crisis counseling service since July of 1977.

New Law Would Require Anchoring of Mobile Homes for Protection From Tornadoes

Enactment of a Wisconsin mobile home "Tiedown Law" to protect lives and property from tornadoes and wind storms has the support of the Federal Emergency Management Agency (FEMA), according to James Wahner, Director, FEMA Region Five.

Wahner said FEMA encourages and endorses enactment of such legislation, viewed by the agency as a hazard mitigation effort, by state and local governments. He also urges residents to securely anchor their mobile homes voluntarily.

"Proper anchoring of mobile homes," Wahner continued, "provides optimum protection against property loss and personal injury in the event of a devastating tornado like the one that touched down April 27 in Dodge County, Wisconsin."

According to Wahner, even in the event of a direct hit by a tornado, chances of survival are enhanced by anchoring. "Under tornado conditions, however," he said, "mobile home dwellers should be encouraged to seek shelter in more substantial structures."

Wahner warned that anchoring must be done correctly or it is not worth doing at all. Soil compaction requirements must be considered as well as the use of appropriate anchoring equipment.

Wahner pointed out that for more than twenty (20) years the standard pull test for an anchor, set by the American National Standards Institute, has been 4725 pounds per anchor. Anything less than an anchoring system that meets this criteria will result in a "false sense of security for mobile home resi-

dents," he said. Technical information on approved methods for anchoring mobile homes is available from the Federal Emergency Management Agency, Office of Public Affairs, Room 540, One North Dearborn, Chicago, Illinois, 60602.

State Offers Aid For Home Repairs

Many senior citizens may be eligible for 0 to 8% home improvement loans through the Wisconsin Housing and Neighborhood Conservation Program. The funds may be used to repair and renovate older homes with one to four dwelling units which are owned and occupied on a permanent basis.

Two kinds of home improvement loans are available. Twenty-six local governments, housing authorities and nonprofit agencies make no-interest "deferred payment" loans in many localities in the state. Loans are repaid when the repaired property changes hands.

Some regular commercial lending institutions also participate in the program by making low-interest (4%, 6% and 8%) loans available, with repayment made on a currently average about \$60 monthly.

Income eligibility requirements for borrowers vary by county and by family size. The Conservation Program is administered jointly by the Wisconsin Department of Local Affairs and Development (DLAD) and the Wisconsin Housing Finance Authority

Spring cleanup! Install smoke detectors.

(WIHFA). The money may be used for structural repairs, new roofs, additions, new plumbing and wiring, interior remodeling or improving furnaces of storm windows and doors. Information about the program can be obtained by calling (toll free) 1-800-362-3020.

Girls 1st, Boys 3rd in Triangular; Both Finish 5th in Scenic Relays

In a Scenic Moraine triangular last Tuesday held at Kewaskum and Germantown, the Indian girls took first over Germantown and Grafton and the boys placed on the opposite end in third place.

The Indian girls surprised in the weight events and had their usual good performances in the running events to top host Germantown 72-56. Grafton was third with 28.

Kewaskum was 2-3-4 in the discus and Brenda Fuller, had her best effort of 31-11 in the shot to pick up points.

Barb Wilson won the 880 in 2:27.6, her best of the year. Jill Yearling took the high jump at 5-0, which event Kewaskum slammed with Sue Bade and Barb Matenaer. Mary Brenholt got two high places in the hurdle events to help make up for the injured Katie Lightner.

One of the features was in the 220 where Julann Zemlicka beat Carrie Rheinhardt of Germantown. Julann had a 27.0 to lower her season best by .5. Rheinhardt was Scenic indoor sprint champ.

Germantown, behind four individual first places by ace Jerry Vance, easily won the boys meet with 69 points. Grafton was second with 51 and Kewaskum third with 39.

Kewaskum had just one first place by Mike Pettit in the shot. Craig Larsen took fourth in the two mile in 10:39.9, just two seconds behind third place. Steve Beck had a good 880 but was edged by Dave Doering of Germantown. The two also fought it out in the mile relay.

GIRLS

KEWASKUM 72, GERMANTOWN 56, GRAFTON 28.

100 hurdles — 1. D. Orlando, Ger. 17.4; 2. Brenholt, K 18.0; 3. Mueller, K 18.2; 4. Tillman, Graf.

100 meters — 1. Rheinhardt, Ger. 11.9; 2. Pfannerstill, Graf.; 3. Larsen, K 12.9; 4. Kempf, K 12.9.

Mile — 1. Sommers, Ger. 5:29.0; 2. B. Wilson, K 5:42.5; 3. Neumueller, Graf.; 4. Ficken, Graf.

800 meter relay — 1. Grafton 1:38.2; 2. Kewaskum; 3. Germantown

400 meters — 1. Gortmacker, Ger. 52.6; 2. Brendemuhl, K; 3. Augustine, Graf.; 4. Decker, Ger.

300 meter lows — 1. Vance, Ger. 39.7; 2. Kern, K; 3. Janzen, Ger.; 4. Czoschke, Ger.

200 meter — 1. Vance, Ger. 23.5; 2. Gortmacker, Ger.; 3. Herriges, K; 4. Heller, Graf.

3200 meters — 1. Hanson, Graf. 10:18.2; 2. Dekeyser, Ger.; 3. Kelley, Graf.; 4. Larsen, K.

1600 meter relay — 1. Germantown 3:36.5; 2. Kewaskum; 3. Grafton.

JV RESULTS

GERMANTOWN 78 1/2, GRAFTON 58 1/2, KEWASKUM 29

For Kewaskum Jeff Pamperin won the high jump at 5-4 while Perry Kempf won the 110 meter high hurdles in 17.4.

In Friday's Scenic Moraine Relay Event at Germantown two schools from the southern end of the conference (both in Waukesha County) won out. The Kettle Moraine girls and the Hartland boys took home titles. The Kewaskum girls and boys both finished fifth in their division.

In the high jump, Slinger's trio went a total of 14-5, breaking the old mark by two inches but barely edging the Kewaskum trio of Jill Yearling, Sue Bade and Barb Matenaer by a single inch.

Kewaskum's injury problem continued to hurt the team. Sprinter and hurdler Katie Lightner was out and Barb Wilson had a sore leg and ran in only one event, the mile relay. As a result the Indians finished far back in fifth place with 44 points and not a single first place. Even in one of their best events, the mile relay, the best they could do was a third.

The Kewaskum boys finished fifth with 27 points. Their best efforts came in the hurdles. Tom Kern, John Czoschke and Perry Kempf combined for a 52.3 for second place in the highs. In the 990 intermediates Kern, Czoschke and Jeff Decker were third.

SCENIC MORAINES CONFERENCE RELAYS

BOYS	RELAY GIRLS
1. Hartland 92	1. Kettle Moraine 88 pts
2. Germantown 90	2. Slinger 68 pts
3. Kettle Moraine 88	3. Germantown 61 pts
4. Grafton 45	4. Hartland 60 pts
5. Kewaskum 27	5. Kewaskum 44 pts
6. Slinger 23	6. Mayville 31 pts
7. Mayville 23	7. Grafton 19 pts
8. Pewaukee 15	8. Pewaukee 0 pts

SCENIC MORAINES CONFERENCE RELAYS BOYS

360 High Hurdle Shuttle — 1. Hartland (VandenHeuvel, Ueberson, P. Vanden Heuvel) 49.7.

Distance Medley — 1. Hartland (Lutzke, Young, Henkel, Beringer) 24:42.6.

440 Relay — 1. Germantown (Thompson, Schuppe, Gortmacker, Vance) 44.8.

Two Mile Relay — 1. Hartland (Petzka, Rehn, Sarranoch, Beringer) 8:19.1.

Mile relay — 1. Kettle Moraine (Carlson, Logan, Allen, McCool) 4:07.9.

Shot put — 1. Kettle Moraine (Gygax, Kasidowski, Sindig) 94-4/16.

Discus — 1. Kettle Moraine (Kos, Sindig, Holland) 253-1/2.

High jump — 1. Slinger (Boehme, Krotz, Beck) 14-5.

Busy Indian Golfers in Four Meets

Playing in a drizzle last Monday, the Kewaskum golfers made a good showing in defeating Slinger here by 22 strokes, 166-188.

Bob Nigh took medalist honors again with a five over par 40. Freshman Dan Dean hit his second straight 41, the same as Jim Rohlinger. Nigh could have been in the 30's except for three-putts on Holes No. 8 and 9.

The Owls had three players in the 40's, led by Dave Nowicki with a 46.

The Indians JV's also won with Mike Heisdorf tops with a 43.

Coach Joe Harlow has three regulars returning, a fourth who lettered his sophomore year and a freshman who has earned a spot at No. 3. Returners are senior Bob Nigh, conference medalist last year, who is working on his fourth letter; junior Jim Rohlinger, starting his third year on the squad; Al Dominiquez, a junior, letterman Mike Ciha and freshman Dan Dean, who shoots in the low 40's.

Wednesday the Indians lost at Mayville, 161-174. The Cardinal's Stu Strook, Scenic Moraine medalist two years ago, was medalist. He went 3 over par with 38.

Kewaskum's Nigh and Mayville's Steve Tighe each had 39's. Nigh is averaging 38.5 for the team's first three matches. The Indian's Rohlinger had a 40, but the other three KHS players had their problems with a 47 and two 48's.

Mayville 161, Kewaskum 174.

Mayville — Tighe 39, Spars 42, Strook 39, Gloede 42.

Kewaskum — Nigh 39, Rohlinger 40, Dean 47, Dominiquez and Ciha 48.

Match played at Mayville CC. JV — Mayville 176, Omer 42, Strasser 42, B. Bachhuber 43, Lenard 49.

Kewaskum 203, Leitheiser 48, Zarling 49, Rosenthal 53, Heisdorf 53.

On Thursday Kewaskum hosted the first of two annual Scenic quad meets and lost a tough one.

The Indians led by three strokes until Mayville's last golfer, Kevin Spars came in with a 41 and saved the day for his team. His 41 knocked out Stu Strook's 45 and the Cards eked out a 162-163 win. Grafton came in third with 167 and Slinger was fourth with 184.

Kewaskum's Rohlinger was medalist with a one over par 36 on Hon-E-Kor's more demanding back nine. Steve Tighe had a 37 for Mayville and Dave Olds a 38 for Grafton. Tighe chipped in for a par on the long, par 5 No. 18.

The Indians missed a chance to win but Dean had putting troubles with 22 for the nine holes. Still he shot a 43. Nigh also had 43 and was hurt by an eight on the last hole. Ciha had his best round with a 41.

In Friday's 10 team Elkhart Lake invitational, the Kewaskum golfers finished third, behind two tough teams. Luxemburg-Casco and Plymouth, two state qualifiers last year finished 1-2 in the 18-hole competition. A single stroke separated the two top teams, 324 to 325. The Indians and Kiel, last year's champion, both had 343's.

Nigh was low for KHS with 83 on a 42-41. Rohlinger was next with 84 but took a trophy for winning the longest drive competition. Medalist was Kiel's Mike Bone with a 77 on 40-37. Plymouth's Gary Schmidt was one stroke behind with a 78 on 39-39.

ELKHART LAKE INVITATIONAL

1. Luxemburg-Casco	324
2. Plymouth	325
3. Kewaskum	343
4. Kiel	343
5. Chilton	352
6. North Fond du Lac	369
7. Haricon	374
8. Sheboygan Falls	387
9. Random Lake	391
10. New Holstein	402

Luxemburg-Casco — Shaller 80, Siedl 81, Aude 82, Hermans 81.

Plymouth — Schmidt 78, Flood 81, Seich 80, Ames 86.

Kewaskum — Nigh 83, Rohlinger 84, Chia 88, Dominiquez 88, Dean 89 (tossed out).

SAFETY FIRST

On Your NEW BIKE

1. Obey all traffic regulations, lights, stop signs, one-way streets.
2. Keep right. Ride single file. Don't weave in and out, swerve, race or stunt in traffic. Never hitch a ride on a truck or other vehicle.
3. For night riding be sure to have reflectorized pedals, a white light and white reflector in front and a red light or state-approved reflector in the rear. Have a clear sounding horn or bell to warn others of your approach.
4. Slow down at all intersections, look both ways, then proceed with caution.
5. Always give pedestrians the right of way.
6. Watch out for cars pulling into traffic or for doors opening.
7. Don't carry passengers or packages that interfere with your vision or control.
8. Always use proper hand signals for stopping and turning.
