Kewaskum Girls State Champions In 1600 Meter Relay Track Event

Kewaskum and Washington County athletes made impressive showings in the WIAA State Track Tournament held Friday and Saturday in Madison.

Kewaskum, West Bend East, West Bend West, Slinger and Germantown all qualified athletes Friday for Saturdays finals.

Representing the Scenic Reunite Conference, Kewaskum's girls 1600 meter relay team brought home another state championship. Germantown's Jerry Vance successfully defended his title in the 300 meter low hurdles (Class A), and Slinger's Cathy Branta, for the second year in a row, was a double winner in the 1600 meter run 3200 meter run.

Kewaskum's winning runners in the 1600 meter relay event were Laurie and Barb Wilson, Diane Bremser and Julann Zemlicka, the same foursome that took a first in the mile relay in 1978. Last year, Laurie Wilson injured her knee, and with Carrie Dreher filling in,

they placed sixth.

The Indian girls had only the third best time in Friday's trials and had their work cut out for them in order to win the event Saturday. Their championship time Saturday was 4:04.03, slightly higher than Friday's 4:03.18, but the wind may have been a factor in the higher time.

The Kewaskum boys 880 relay unit, coming up with a new school record, took a third in the 800 meter relay event with a time of 1:32.90, and just got nipped in the last 10 yards for second. McFarland won the event with 1:31.01. The Indian foursome included Joel Herziges, Jeff Decker, Perry Kempf and Mike Pettit. All three passes were sharp by the Kewaskum runners.

The Indians' Mike Pettit placed fourth in the long jump in Class B with a leap of 20 feet, 10 inches on his last jump. Al Erickson of Cadott won the event with a jump of 21 feet, 8 1/2 inches.

The Kewaskum girls' 800 meter relay team comprised of

Zemlicka, Laurie Wilson, Bremser and Katie Lightner also brought home a sixth with a 1:48.22, possibly their season best.

The Indian boys and girls had won both ends of the Regional Tournament hosted by Kewaskum and then took first in the above events in the Sectional at Kiel to qualify for the state meet.

The Brewers are playing Kansas City in an afternoon game.

Dennis' Shoe Store Here Going Out of Business

After almost five years in business in Kewaskum, Dennis' Family Shoe Store, 1269 Fond du Lac Avenue, is going out of business. They will be conducting a big sale on Friday, Saturday and Sunday, June 13, 14 and 15. (See ad on another page).

The decision to close the store was made due to the economy and an overwhelming amount of shoe repair work at their Dennis' Shoe Repair at 154 North Main Street in West Bend, necessitating larger quarters. Their new location is at 146 North Main, West Bend. The store has been expanded and is called Dennis' Shoes and Re-

pair.

An increased children's shoe department and a complete line of orthopedic shoes will be sold. Also men's western boots and casuals will be carried as they have been in the past at their West Bend store. Ladies shoes will not be sold.

Any shoe repair work can be brought to their West Bend store.

Dennis and Beth wish to thank the people of the area for their loyal patronage and have expressed their enjoyment working with the people of Kewaskum. They invite the public to visit them at their West Bend store.

School Board Struggles With \$4.5 Million Budget

By DAN MEILAHN
Statesman Staff Writer

The Kewaskum Board of Education wrestled with a bleak \$4.5 million budget situation for the coming year at its June 9 meeting. No substantial cutbacks could be approved by the budget committee, and the rest of the board was admonished to look over computer printouts and come up with any possible suggestions for the next meeting on June 23.

Prior to the main business of the meeting, the Outstanding Young Educator Award was presented to John Stephani, a 4th grade teacher at Kewaskum Elementary School, by John Meilahn, President of the Kewaskum Jaycees. Mr. Stephani said he was surprised and very honored to receive the award. He accepted it in behalf of the students, parents, and fine staff he has worked with at KES.

Budget Committee Chairman John Tessar reported that "The committee could not come up with a recommendation they could make was to cut \$7,000 by discontinuing a late bus which

would affect about 65 students in extracurricular activities. The only other cut was an anticipated \$3,000 savings on language arts texts. Tessar said that each classroom, each extracurricular area, and each sporting event had been scrutinized. Some \$300,000 had already been cut by staff and administrators before the budget went to committee.

With these minor changes, the 1980-81 budget will be increased by \$480,789 or 11.84% to \$4,540,707. The General State Aids will increase \$103,257 or 6.41% to \$1,714,053. This means that the remaining 5.43% of the total increase will most likely come from the local tax levy of some \$2,539,504. This is up \$341,296 and the increase in the levy appears to be 15.52%.

The reasons for the tight budget are inflation, a smaller increase in state aid than usual, and a past history of the district to spend considerably less per student than the state average.

"Inflation has finally hit the Kewaskum School District."

Five KHS Students Attend Badger Girls, Boys State

Each year the Kewaskum American Legion Post sponsors three junior girls from Kewaskum High School at Badger Girls State. High School faculty members select the girls on a basis of scholarship (they must be in the upper third of their class), leadership, character and Americanism. Extra Curricular activities and participation in all around school activities are important in the selection process.

The girls selected from this year's class are Patricia Slegler, daughter of Mr. and Mrs. Edward Slegler, Julann Zemlicka, daughter of Mr. and Mrs. Howard Zemlicka, and Debbie Schlice, daughter of Mr. and Mrs. Richard Schlice. They are at Badger Girls State this week. Alternates selected were Joan Hanrahan, daughter of Mr. and Mrs. George Hanrahan, Mary Brenholt, daughter of Mr. and Mrs. Floyd Brenholt, and Barb Wilson, daughter of Mr. and Mrs. Lawrence Wilson.

Girls attending Badger Girls State receive a wonderful education in government and how it functions at every level. They all return after a unique opportunity in living together as self-governing citizens, and sharing experiences that demonstrate the duties, privileges and responsibility of a good citizen.

Badger Boys State will be conducted at Ripon College next week. American Legion Post

No. 384 of Kewaskum and the Kewaskum Kiwanis Club are co-sponsoring two boys. The boys were selected by the Kewaskum High School faculty on the basis of scholarship (they must be in the top half of their class), participation in extracurricular activities in school and the adaptability to the Boys State program on the basis of leadership and character.

The boys chosen this year were Ken Scott, son of Mr. and Mrs. Dennis Scott, and Mark Hupfer, son of Mr. and Mrs. Matthew Hupfer. Scott Klein, son of Mr. and Mrs. Donald Klein, and Mike Geidel, son of Mr. and Mrs. William Geidel, are alternates. Ken Scott was unable to accept because of his AFS summer trip to England so Mike Geidel, the alternate is attending in Ken's place. The other alternate, Scott Klein, also has another commitment as he will be traveling to Mexico with a Spanish Club group during that time.

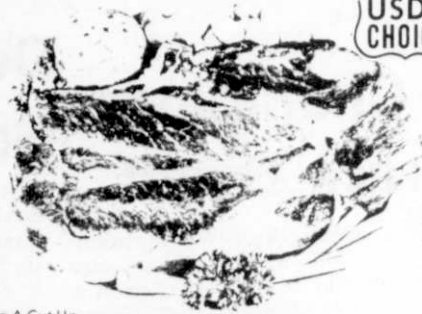

Badger Boys State is an effort to bring boys of Wisconsin to a knowledge of the fundamental principles of our American Government through actual practice in the duties of city, county and state offices while they are at Boys State. The American Legion Post and Kiwanis Club are to be commended for offering Kewaskum High School students this opportunity.

Romaine Legion Post ask anyone wishing to sponsor or co-sponsor a marching band or parade group for the up-coming July 13 parade, may do so by contacting Dan Schmidt at 626-4060. It is asked that the minimum required to sponsor a group is \$100.00 and to co-sponsor a group \$50.00.

The sponsors or co-sponsors are responsible for their own banners or recognition tool. There are ten groups to choose from on a first come, first serve basis (the Hartford Municipal Band, Old Mapleton Circus

Band, Georgie Girls, Royal Knights Drum and Bugle Corps, West Bend Patriots, Wisconsin Lutheran Adult Band, Wisconsin Lutheran Cadet Band, Royal Vanguard Color Guard, Milwaukee Civic Riders and the Random Lake High School Band). Also if anyone is interested in sponsoring Ida Red for live music in the park they may do so by calling.

Just a reminder there are picnic tickets available from all firemen and Legionnaires. We have over 100 great prizes to be given away. The theme for the parade for those that may have missed it is "LOOKING TOWARDS THE 80's."

exclaimed Tessar. The prime example of this is gasoline prices. In 1979-80, \$87,000 had been budgeted with \$98,000 being the anticipated actual expenditure. For 1980-81, \$160,000 has been budgeted. Cost increases run across the board. For example, the newly approved bussing contract with Johnson Bus will increase 11.24%, utility costs will increase over 20%, and a 10% increase in support personnel salaries has been approved. Most of the budget involves fixed costs over which the district has no real control. Supt. of Schools Floyd Brenholt said that those items that the district has control over as additional workbooks or audio-visual equipment have already been cut.

State Aids are based upon enrollment which is presently increasing slightly, although a declining enrollment is expected in about 4 years. Although the aids will increase by 6%, Tessar noticed that "State Aid is not keeping up with inflation," which he estimated at 18%. Brenholt commented, "If the state is allowing a 10% increase in spending, then why aren't they increasing their state aids 10 1/2%? The state isn't maintaining its share."

He blamed some of the budget problems on the fluctuating nature of state aids. He said that local tax levies had varied between being up 20.5% in 1973-74, because, "Every year the state changes the share it pays."

Brenholt also commented that the Kewaskum District has consistently spent considerably less per student than the state average - about 1/2 million dollars less each year when totalled. He said those districts which were near or above the state average can now make further cuts whereas Kewaskum can not.

Brenholt said that Kewaskum had been within the 9 1/2 limit increase per student set by the state, but because of increasing enrollment, the increase per student may be over 11.8%. He said that the district is allowed to increase its expenditures the same amount that the state average increases. Like many other districts, Kewaskum will be appealing its increase in

expenditure on gasoline.

At a recent budget committee meeting, school building principals attended to comment on equipment replacement, staff and extracurricular travel, and field trips. Equipment includes only a few new items - e.g. an automatic tire changer for high school use, about 100 new desks which either must be replaced or refinished at additional cost, and athletic uniform replacement for \$4,450. Many uniforms get double duty and are worn for different sports as girls volleyball and basketball.

The principals and committee agreed that at least 1 field trip per class per year should be maintained at a total cost of \$7,167. Travel between schools by specialists - art and music teachers and special educators - is necessary at a cost of \$8,061.

One major necessary repair item is a leaky roof in the old high school gym. Estimates on this range from \$8,000 for an aluminum emulsion and fiberglass sheeting installation to \$13,200 for a plastic type coating.

Board member Richard Theusch mentioned that some 1/4 million dollars in back taxes coming in this August might be used to offset the tax levy for next year. Brenholt said this was a possibility but that there would then be about a \$100,000 increase in the following year's budget. Theusch also added that this might mean payroll could not be met sometime in the fall without taking out a loan at a certainly high interest rate. Brenholt noted that this amount should really be used in about 2

years to assist with debt service.

About 10 citizens concerned about the budget were in the audience. Joe Miller was concerned about the use of 6 vehicles throughout the district and wondered if they were an expense in the summer. Business Manager Bob Borch assured him that during the summer, insurance was cancelled and the keys were locked up so that they were no expense.

Harold Manthei, in an impassioned declaration, claimed it was worth \$16,000 to bus children from Bel-Ric Acres for educational purposes as opposed to bussing athletes to distant cities within the conference. He suggested less emphasis on sports and more on basic education as they have done in Ohio. "We don't need any more basketball, football, baseball - we need kids that are educated, that know something when they're out of school."

The board members will peruse the budget prior to the next meeting. When the board approves an acceptable budget, it will be presented to the public at the annual meeting in July. Tessar welcomed budget-related suggestions from anyone.

In other action, the board elected Jean Goeden on a unanimous ballot as its new Vice President. The position is now required by the state in the event that the President is unable to preside.

Teacher resignations were accepted from Nancy Norris, a Title I Language Arts teacher at Wayne Elementary, Jane

Ralph, a reading and science teacher at the middle school, and Ellen Steenrod, a 6th grade teacher at KES.

Five new teacher contracts were approved. Susan M. Brockway, 22, will be one of the new Speech and Language Clinicians in the special education dept. She attended the University of Wisconsin - Eau Claire.

At the middle school, Robert J. Anglim, 30, is the new art teacher. He attended the Layton School of Art, the University of Wisconsin-La Crosse and UW-Madison. He will assist with the

yearbook and be assistant wrestling coach. Robert Sobolewski, 23, will teach middle school reading and science and be an assistant basketball coach. He attended Marion College. Mark Roth, 25, will teach middle school language arts and be head boys track coach. He attended UW-Madison and UW-La Crosse.

At the high school, Therese Rosenthal, 25, will be the new German and English teacher as well as AFS advisor and German Club advisor. She attended UWWC and UW-Oshkosh.

**UWWC Degrees
Awarded to
Local Students**

A total of 73 UWWC, West Bend, students were recognized for their achievements during the past year at the campus spring honors convocation on May 23.

The keynote address at the convocation was delivered by Edward Fort, chancellor of the UW Center System.

Following Fort's address departmental awards were given to students in recognition of their outstanding academic achievement in a particular discipline. The award is usually a book that will be useful for further study in that field. None of these awards went to Kewaskum students.

Fifteen scholarships, for varying amounts of money, were also awarded to students on the basis of demonstrated academic achievement and future promise. The West Bend Children's Theatre scholarship to encourage a student excelling

in theatre, music or art went to Connie Slegler, a Kewaskum High School graduate, who is an outstanding student on the recorder, piano and in voice. She has performed in several UWWC theatre productions.

Associate degrees were awarded to 50 students. The associate degree marks the completion of the first two years of college (fulfilling certain requirements) and facilities transfer to a four year, degree-granting college at the junior level.

Fifteen Associate of Arts degrees were awarded. Recipients included Katherine R. Kaiser, Mary Beth Kardos, Jean A. Scannell and Mark J. Tessar of Kewaskum.

Thirty-five Associate of Science degrees were awarded, including one to Carol J. Proeber, Kewaskum.

Girl Scout Leaders Have Fun! Why Not Become One?

It is more blessed to give than to receive. But in giving —of time and interest—Girl Scout Leaders find they often receive as much as they give because Girl Scout Leaders receive training that carries over into everything else they do. They gain more self-assurance, self-confidence, ability to just talk more effectively—all those valuable attributes that are so important in the job market and in daily living.

What's more, Girl Scout Leaders have fun. They go places, work on important projects in the community and enjoy sports.

Who can be a Girl Scout Leader? Men, women, young singles, married couples, senior citizens. Everyone who wants to give - and would enjoy receiving valu-

able experience - and appreciation from girls. Call Judy Goetsch at 629-9378 and ask how you can become a leader.

Rescue Squad Calls

Thursday, June 5 — Glen Ludwig, 48, 1139 Midland Ave., Kewaskum taken to St. Joseph's Community Hospital from his residence.

Then there was the one about the perfume dealers who made dollars from scents.

Class Receives Award

The Wisconsin Public Radio Association presented the W H A Kentzler Award for the Best Musical Production to the students of Mrs. M. Domasky's sixth grade class at Farmington Elementary School.

Dr. Tom B. Toussaint, president of the 1980 Young People's Radio Festival and Ms. Mary Everett, chairman of the contest, presented the winners with a certificate and a \$50.00 check for first place.

Pictured left foreground is Ms. Everett presenting the check and award to Mrs. Domasky, teacher at Farmington Elementary School. Students are in the background.

"Making Decisions" is a

musical about the value of being mature enough not to smoke or be truant. Through song and dialog, choices are made that show true maturity and not just following peer pressure.

Students from Mrs. Domasky's class who participated in the award winning production were: Tony Balistriere, Amy Bindrich, Leann Johann, Amy Kougl, Tom Strigenz, Adrienne Thull, and Kyle Vogt. Mrs. Jacak, aide, played the piano and helped with this excellent musical production.

The \$50.00 check in turn was presented to the Farmington School to purchase some new classroom dictionaries.

Ten University of Wisconsin-Eau Claire music students have been announced as winners of the 1980-81 Viennese Ball Senior Scholarships. The \$200 scholarships were

presented at a recent scholarship awards ceremony at the UW-EC Viennese Ball. Dr. Rupert Hohmann, professor of music and chairman of the Viennese Ball Scholarship committee, noted "The Scholarships are presented in recognition of high scholastic achievement, musical talent, attitude and contribution to the department of music."

Funds for the scholarships are provided by proceeds from the Viennese Ball, an annual gala event that involves students, faculty and members of the Eau Claire community. In addition to providing \$2,200 in funds for the Senior Scholarships, the Viennese Ball raised \$7,800 for freshman music scholarships for 1981-82. The diet of an expectant mother may be more important to her baby's ability to fight off disease than the food the child eats after birth. Research by Dr. Paul Newbern of M.I.T. indicates the critical importance of lipotropes to pregnant women. Lipotropes - including choline, methionine, folic acid and vitamin B-12, are vital to the development of the child's immune defense system. Lipotrope rich foods are meat, egg, and leafy vegetables.

Geidel Pitches No-Hitter, Muench Hurt As Young Indians Win 2 of 3

The Kewaskum Indians won 2 out of 3 games the past week, including a no-hitter, but also lost the services of their No. 1 pitcher.

At Random Lake last Tuesday, the Indians avenged a 5-4 defeat the week before by pounding the Rams, 12-3, with some good pitching and solid hitting.

Jeff Geidel, only a sophomore, pitched a 5-hitter and struck out 13 Random batters and walked just 3. This was his first varsity start after looking good in practice.

Sophomore Dave Donath banged out a single, double and triple, just missing the circuit, and got 2 RBIs. Junior Brian Larsen connected for a 2-run homer in the fourth. Junior Randy Heberer tripled in 2 runs and Henry Schilter had 2 doubles and two RBIs.

RANDOM LAKE	021	000	0-3	5	2

Winner — Jeff Geidel, Loser — Mike Miller.
Leading hitters — Kewaskum — Donath 3x4;
Schilter 2x3; Yahr 2x4; Schilter 2x3, Jacak 1x1.
Random Lake — Palmer 2x3; Winhold 1x2; C. Hoffman 1x2.

Hosting Sussex Hamilton of the Braveland Conference in another non-loop contest Wednesday evening, Kewaskum was walloped 18-3, and lost not only the game but their ace pitcher, righthander Steve Muench, who may be lost for the season. Muench's injury took the starch out of the Indians.

With Al Droese at third base, a passed ball got by the Kewaskum catcher, Scott Muench, Steve's brother. Pitcher Steve, in covering home plate, took the throw from Scott and when he tried to make the tag, Droese spiked him on the right arm. After taping the gash, which was almost to the bone, Muench was sent to the hospital. The cut required 40 stitches to close. Muench's forearm muscle was also badly bruised.

The Indians got just 3 hits, all in the 4th inning, when they scored 2 of their runs. Geidel

Leading hitters — Kewaskum 1 for 3, Dave Donath 1 for 3, Jeff Geidel 1 for 3, Hamilton — Dan Wnuk 3 for 4.

After Geidel whipped Random Lake last week, Coach Mike Theiler decided to use his soph pitcher again here Monday in the opening Scenic Moraine Conference game against Pewaukee. Geidel came up with a no-hitter as the Indians blanked the Pirates, 5-0.

Geidel had a perfect game going until the sixth when he walked two batters. Then he settled down once more to retain his shutout. Geidel, threw a lot of strikes and ended up with 11 strikeouts. He was also backed up by errorless defense. Losing pitcher Kaatz allowed only 2 hits but walks and wild pitches plagued him.

The first three Indians runs were scored with the help of some wild pitches. Donath doubled in the other 2 runs with 2 runners on base.

Cody Gagner, Kewaskum, our youngest entrant so far, won the crappie category with a 3 oz. 8'' fish caught at Auburn Lake.

The week ending June 9, we had another double winner.

Mark Rochwite of Campbellsport was fishing on Lake Bernice when he caught his prize winning northern, weighing 6.1 lbs. and measuring 31 1/4''.

Dave Knepprath, Kewaskum, won the walleye category with a 1.3 lb. 17'' fish caught on Lake Winnebago.

John Sison of Kewaskum brought in a prize winning chinook salmon. It was 20.5 lbs. and 35''.

Wednesday, June 4, must have been a good fishing day. With the exception of the northern all the winning fish were caught that day!

Village Sport Shop would like to thank everyone for bringing in their fish and to remind others there is no entry fee or pre-registration. Just bring in your fish and have it weighed and measured. It's been fun and interesting; stop by for more details and look at some of the pictures we've taken.

MEN'S HORSESHOE LEAGUE
