Number 26

50-Year Class Reunion

Fifty years ago on June 5, fifteen students received their diplomas from Kewaskum High School. On June 8, 1980, these former students had a reunion at the home of Mr. and Mrs. Ray Schaefer. Three members of the class are deceased, but the twelve who attended the reunion had a memorable day.

The year 1930 was the time of the great depression but every person in the class succeeded in spite of hardships.

Andrew O'Connell became the liaison between Congress and the IRS.

Bruno Ramthun and Frank Koepke were employed in industrial engineering.

Pearl Schaeffer (Reed), John Louis Schaefer and Agnes Meilahn (Schaefer) were teachers.

Frances Zeimet (Schneider) and Marcella Casper (Schaefer) became RN's.

Marcella Corbett (Plazak) worked as an inspector for a brewery.

Ruth Rosenheimer (Wier-

sma) is active in volunteer work in Milwaukee.

Roland Heberer was a cheesemaker for many years and later worked for the State Dept. of Correction.

Lyle Bartelt, now deceased, was a successful lawyer.

Carl Meilahn, now deceased, was engaged in farming.

Edith Clark was employed as a secretary at Regal Ware, Inc. before her death.

Carl Backhaus sold farm machinery and implements and has not retired because he loves his work.

A starting wage of \$60.00 and \$80.00 a month was the normal wage for many of the above. Everyone had to start at the bottom and work their way up.

There wasn't an unhappy person in the group and surely the strains of "Baby Face" and "Spring Time in the Rockies" are lingering in their minds.

Everyone wants a reunion next year, proof positive that the affair was a success.

22 KHS Students Inducted Into National Honor Society

Eight seniors and fourteen juniors were inducted in the Kewaskum High School Chapter of the National Honor Society this year.

Selected on the qualities of scholarship, leadership, character and service, the nominees were recommended by present NHS members and the Kewaskum High School faculty. Each new member has a cumulative grade point average of at least 3.2 and has been active in extra-curricular activities.

Induction ceremonies were conducted at Kewaskum High School on Thursday evening, April 17, where the 22 inductees pledged themselves before parents and Kewaskum High School faculty and administration. Second year members pointed out through speeches the responsibilities, attitudes and performance requirements

expected of the new members.

Fredric Seefeldt, a former student at Kewaskum High School, and Clark Pearson, KHS principal, spoke at the ceremony which was conducted by the NHS president, Tom Kern, and the club sponsor, Ernest Mithchell.

Senior candidates for induction were:

Joan Amerling, Tim Davis, Jeffrey Kreuser, Lori Marx, Lee Roehrdanz, Tom Rosenberger, Todd Schultz, Richard Stefanovic.

Junior candidates for induction were:

Mary Brenholt, Kelly Butzke, Carrie Dreher, Jill Etta, Joan Hanrahan, Perry Kempf, Doreen Klug, Laurie Lemke, Karen Nigh, Theresa Nigh, Debbie Schlice, Ken Scott, Patricia Sleger, Julann Zemlicka.

Kiwanis Cancels 1980 Turkey Shoot At Bar-N Ranch

Occupancy conditions proposed by Dr. F. E. Nolting were not acceptable to Kiwanis Club of Kewaskum so it was decided that the club would cancel the 1980 Turkey Shoot at the Bar-N Ranch.

This event, sponsored by the Kiwanis Club of Kewaskum has been a civic project for many years and has greatly benefitted the community. It is with deep regret that the club has to take this action.

Alternative sites for the Turkey Shoot are being investigated. Please watch for further announcements.

To Dedicate Camp Chapel in Memory Of Mrs. Pettit

This Sunday, June 22, you are invited to attend the dedication of the Memorial Outdoor Chapel at Camp Tiwaushara. The chapel was built in memory of Mrs. Dorothy Pettit of Kewaskum, by area Girl Scout fathers.

The girls and leaders from Kewaskum, Farmington and Wayne will conduct the dedication ceremony. It will begin at 1:30 at the camp, and everyone is invited to attend.

Lions to Hold Family Fun Run

On Sunday, June 29, at 2:00 p.m., the Kewaskum Lions Club is holding its second Family Fun Run. The distances will be one mile and three miles. Ribbons will be awarded in the following divisions:

One mile, male and female: 1-14, 15-18, 19-29, 30 +.

Three miles, male and female: 1-18, 19-29, 30 +.

Entry fee is 50 cents per person for those 18 and under, \$1.00 per person for those over 18, and \$1.50 for a family entry.

Registration will be held prior to the run in the Kewaskum Park parking lot.

Additional Swim Passes to Be Sold

Swim passes for the Kewaskum Beach will be sold on Monday evening June 23, from 5 p.m. until 9 p.m. at the Municipal Building. Well over 500 swim passes have already been issued.

Beach hours are from 10:00 a.m. until 8:00 p.m. daily with Thursday evenings from 6:30 - 9:00 p.m. being set aside for adult swim and adult lessons. All other times are open to the public.

Await \$95,000 Check for Park

Sewage Plant's New Sludge Conditioner Now Running Fine

By DAN MEILAHN
Statesman Staff Writer

"Everything is working 'per spec.'" commented Kewaskum Village President Jerry Stollenwerk on the sewage treatment plant's new sludge conditioner. Two weeks ago the sludge dewatering equipment from Permutit Co. had received an unfavorable review.

Prior to its Monday night meeting, the board had seen the equipment in action and were pleased with its performance. A start-up man from the company came in last Wednesday morning. A new screen of a different material was used with good results. The machine was tested by running it 24 hours continuously on Thursday. As of Friday afternoon, everything was still running fine. The machine was able to take an intake flow of 30 gallons per minute (specifications call for only 25 gallons per minute) with the use of less polymer and still adequately dry the sludge.

Administrator Dan Schmidt reported that the clear water survey taken by Terry Kempf, a CETA worker, was progressing well and is ahead of schedule. Kempf has personally inspected 60-70% of those homes already contacted between Highway 45 and the Milwaukee River. This first part of the survey to determine how much runoff water is getting into the sanitary sewer system will be completed by the end of June. Follow-up inspections will be made where problems exist or where sump pumps are not functional. So far only one person has denied Kempf to their home.

A different sort of drainage problem along Edgewood Road will hopefully be corrected this year by closing up the existing center ditch and installing progressively larger storm sewerage from south to north. As far as financing the project, Schmidt reported that the board of the Valley Bank of Kewaskum has approved a fluctuating 10-year loan ranging anywhere from \$50,000 to \$128,000 for this project. The loan would not be needed until August when the majority of the work would be done by village employees. If

the loan were taken out now, the interest would be 6.5% and most likely lower in August. Trustee Dave Nigh said, "I think we ought to go ahead with it," and that if the board waited for interest rates to drop, it would not get done at all this year. The board also gave its go-ahead.

There was discussion of a possible concession stand in the new park. The small "ice shanty" used at the river as a shelter for ice skaters may be transported to the park and used for temporary storage of chips, soda, and other goodies to be sold during baseball games. The board and President Stollenwerk stressed that ground rules must be laid down for this and that absolutely no vehicles would be allowed by the diamonds. Some people said they'd be willing to transport the snacks by wheelbarrow or wagon to the baseball area. If this arrangement with the small structure does not work out, concessions would be discontinued.

Permission was granted for the installation of another exterior electrical outlet on the bathhouse so that picnickers can hook up a coffee pot or roaster.

Schmidt reported that the DNR auditors had checked out the park situation and that 80% of the requested amount has

(Continued on Page 3)

Holy Trinity School Board Elects Officers

The Holy Trinity School Board met June 17 and elected officers for the 1980-81 term.

Members of the board are: Father John Budde, pastor; Mrs. Grace Theusch, principal; Mrs. Sharron Miller, president; Arnold Stommel, vice president; Allen Amerling, secretary; Roy Esser, parish council representative, and Wayne Rimmel, public relations.

Amerling and Rimmel are new members of the board, succeeding Rita Etta and Alan Stoffel, whose terms expired.

The Holy Name Society of the parish also elected officers recently. They are as follows: Gary Gerhartz, president; Donald Schneider, vice president; Oscar Hirsig, treasurer; Ted Rohlinger, secretary.

A trip to Chicago for this year's graduates was held June 9. Members of grades 6, 7 and 8 who attended daily Mass enjoyed a trip to Marriott's Great America Monday, June 16. Children of the lower grades who attended daily Mass were treated to a picnic on the grounds.

Have Your Blood Pressure Checked

A blood pressure screening clinic for area residents, age 18 years and over, will be held in Kewaskum, Wednesday, June 25, from 11:00 to 12:00 noon at the Kewaskum Legion Hall. This clinic is a service offered by the Washington County Community Health Nursing Service and is provided free of charge.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

A picture of the north side of Kewaskum's Main Street east of the railroad tracks, taken about 1913. Note the Peace and St. Lucas churches in the background.

[Photo submitted by Ione Honeck]

Village Board

(Continued from Page 1)

been approved. Next week the village should receive a check for \$95,000 for improvements in the park. An extension of the park project and the layout of the new raft was also approved by them.

Many requests have been received for swim passes, so additional office hours were scheduled to obtain the picture ID passes at the Municipal Building on Wednesday, June 18, from 5 to 9 p.m. and on Monday, June 23, from 5 to 8 p.m. Well over 500 passes have already been sold.

A discussion of sharing the cost of light fixtures on the old athletic field with the Kewaskum School District was tabled until a bill was received for the replacement incandescent bulbs. A gentlemen's agreement has apparently been reached between the school and the village.

The board also approved gilsabinding, or seal coating of asphalted streets, for \$7,804.94

by Albany Industries of Albany, Wisconsin. This process keeps those streets blacktopped about three years ago like new and keeps the aggregate from loosening. This method is fast drying and poses no traffic problems. Streets affected are: all of Knights Avenue, Third Street from Reigle Drive to Bilgo Lane, Reigle Drive from Third Street to Second Street, and all of Edgewood Road, Bel-Ric Drive and Lin-de-Lane.

An alarm system within village buildings is presently being installed. Central Watch of Milwaukee was to be providing a means of notification to the police, Supt. of Wastewater Treatment, and Supt. of Public Works at night in the event of emergency conditions. Central Watch has not responded and Schmidt suggested an alternative - providing the police and supervisors with a paging device through General Telephone Company. An automatic dialing device may also assist in notifying these personnel.

A 6-month fire fighting contract with the Town of Auburn was approved with the town paying \$4,743, or half the usual

amount for half the usual number of fire calls. This was done to put Auburn on the same time schedule as the Town of Kewaskum. A new fire contract can be considered later in the fall when the equalized valuation figures, upon which the

rate is based, are available.

Two 175-watt street lights were approved for installation - one each at the ends of Memorial Drive and Pleasantwood Drive. The electric company charges a \$6.50 monthly fee for such lights, but there would be no installation charge as overhead wiring is used.

A 2,000 gallon, 7 gauge gas tank was approved for purchase from Herriges Oil for \$685 plus freight. A gas pump will also be purchased for \$372. This gas supply will be located near the village garage.

One building permit was approved for Jim Schulz Builders in Hon-E-Kor Estates provided certain conditions were met. Another building permit for the same area was not granted due to objections by the building inspector.

Prior to the board meeting, an inspection of village property and buildings was conducted by the board. Trustee Dave Nigh commented, "I think that the inspection tour showed that the buildings were well kept...very neat and orderly."

Supt. of Public Works Augie Bilgo then facetiously informed the board, "Any time you would like to inspect the top of the water tower, you're welcome." President Stollenwerk was raring to go provided that Trustee Jeff Rohrer went up first.

Backhaus 50th Wedding Noted

Mr. and Mrs. Harvey C. Backhaus, 559 Portage St., Fond du Lac, celebrated their golden wedding anniversary June 7 with a reception, dinner and dance.

The former Margaret McElhatton was born June 24, 1911, in Davenport, Iowa. Backhaus was born April 26, 1905, in Kewaskum. The couple was married June 7, 1930, in Kewaskum.

Marie McElhatton Stangl and Ervin Backhaus were the honor attendants.

Backhaus was employed by Regal Ware at Kewaskum, owned Harv and Margie's Tavern at Oak Center until 1959, and has been employed at Fond du Lac Stone Co. for many years. Both are members of Plymouth Congregational Church and Mr. Backhaus is a Modern Woodman.

The couple has five children Mrs. Jerome (Alice) Stautz and Floyd (both) of West Bend; Mrs. Ray (Rita) Towne of Beaver Dam; Mrs. Richard (Anabelle) Loomans of Wau-pun; and Nic H. of Fond du Lac. They also have 20 grandchildren and six great-grandchildren.

Announce KHS Students With Excellent Attendance Record

According to Kewaskum Community High School records the following students have had an excellent attendance record during the 1979-80 school year. This is a commendable accomplishment for developing the correct attitude about being in school as being very important. There is a direct relationship between good attendance and grades as well as an interest in school. This also carries over into the world of work.

Industry is concerned about unusual absenteeism and when employers call the school their first question concerns attendance records.

There may be situations when a student is needed at home or if a student is sick he/she should not be in school. The attitude of parents towards attendance in school and in later life on the job is reflected in their children. Truancy tends to be a warning that the student is a potential drop-out and in many cases headed for other problems.

As we prepare for the 1980-81 school year we again ask for parents cooperation in encouraging their students to be in school.

Congratulations to the following students:

PERFECT ATTENDANCE

Allen Bath, Frederick Batzler 3 yrs., Kathryn Batzler 4 yrs., Ken Bauer 2 yrs., Kim Belger 2 yrs., Randy Bodden, Jill Darnody, Sharon Dei, Donna Ehner, Ken Fellenz 2 yrs., Brenda Fuller, Roger Gavin 2 yrs., Laura Hazlewood, Diane Hlavaty 3 yrs., Jeanine Jeske, Brian Johnson, Perry Kempf, Melissa Koch, Tim Krahn, Karen Kudek, Jeff Lehner 2 yrs.,

James Kofler, Arnold Kutz Die

James J. Kofler, 18, of 126 North Avenue, Kewaskum, was dead on arrival at St. Joseph's Community Hospital, West Bend, on Sunday, June 15.

He was born June 17, 1961, in West Bend. In 1967 the family moved to Belgium and then lived in Port Washington for several years before moving to Milwaukee. For the past 1 1/2 years he had lived in Kewaskum.

He graduated from MPTI in April of 1980.

Survivors include his father, James O. Kofler of Kewaskum; one brother, Jeff, and one sister, Jackie, both at home; his paternal grandmother, Mrs. Otto Kofler of Kewaskum; and other relatives and friends.

He was preceded in death by his mother, Joann, nee Breit, on August 18, 1971.

Funeral services were Wednesday at 1:30 p.m. at the Schmidt Funeral Home, West Bend. Fr. John Budde officiated and burial was in Washington County Memorial Park.

Visitation at the funeral home was Wednesday from 12:30 p.m. until time of services.

ARNOLD KUTZ

Arnold Kutz, 69, of Route 1, Campbellsport, formerly of West Bend, died of an apparent heart attack early Tuesday, June 17. He was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend.

He was born October 20, 1910, in the Town of Osceola to the late Fred and Amelia Habeck Kutz. He married Martha Galabinski Sept. 8, 1929. She died April 7, 1978. Mr. Kutz was a retired septic tank operator.

He was a member of Trinity Lutheran Church, West Bend.

Surviving are a son-in-law and daughter, Mr. and Mrs. Henry Egerer of Route 1, Port Washington; six grandchildren; six great-grandchildren; two sisters, Mrs. Marie Raether of West Bend and Mrs. Hilda Koepke of Campbellsport;

many other relatives and friends.

His wife, one brother and two sisters preceded him in death.

Visitation will be Thursday from 4 to 7:30 p.m. at Trinity Lutheran Church, 7th and Elm Streets, West Bend. Services will be held at 7:30 p.m. with Pastor Victor Hackbarth officiating. Interment will take place in Washington County Memorial Park. Miller's Funeral Home of Kewaskum is in charge of arrangements.

New Pastor At Armstrong

The Rev. Wayne J. Barta, associate pastor at St. Anthony's in Menomonee Falls, has been assigned to Our Lady of Angels Church at Armstrong and St. Michael's Church at Dotyville effective July 1.

Father Barta will succeed the Rev. Joseph Fischer of Our Lady of Angels and the Rev. Michael Kapalcznski of St. Michael's. The churches will merge July 1.

A Golden Gopher in Kewaskum

By R. G. Edwards, M.D.
"A Golden Gopher"

A very unusual coincidence occurred when my class of 1930 invited Mrs. Edwards and myself to attend the honors and festivities on June 1st at the Town and Country Club in St. Paul, where the Medical Foundation hosted an excellent luncheon plus a very interesting talk by Dr. N. L. Gault, Dean of the Medical School. Dr. Gault spoke very well in spite of heavy competition from the stormy elements pouring rain and wind upon us in a very noisy manner. At this luncheon all graduates were given a small emblem of the "Golden Gopher" to wear on the lapel. Strangely too was the fact that this traditional name of Golden Gopher came into use during my undergraduate years.

On June 2nd graduates from all the colleges produced a much larger celebrating group of people. This began at 11:00 a.m. with registration at the

new Coffman Memorial Union followed immediately by a delightful luncheon.

Can you imagine our surprise when the couple seated next to us (a civil engineer) related to us they had driven through Kewaskum on the day before and did enjoy shopping at "Just a Bit Crafty" and Kougls Cheese Mongere Shop. They were driving up from Florida on their way to Fond du Lac where a son lives, thence to Minneapolis.

The two hour bus trip that followed was especially interesting to me. First to find that all the bare grounds on which we used to play games had been covered by building after building until now one can find no grassy knolls for sun worship or, occasionally, an anatomy lesson should the spirit move you. The other reason why I enjoyed the trip was that during my 6 years spent on the main campus I had never visited the Ag or Farm Campus located about 15 miles into St. Paul. I could neither afford the time

nor the money on account of work schedules mainly.

After a three day hiatus had passed another great moment in our lives was added when we watched our granddaughter, Mary Edwards Steinberg, marched into the Northrup Memorial Auditorium there to have the Doctor of Medicine degree bestowed upon her. Very few doctors are able, as a rule, to enjoy the 50 year reunion of their class. Gratefully and with sincere humility I accept the fulfillment of another of my life's many blessings as our God in Heaven permitted Alma and myself to watch our granddaughter Mary have the stole of honor placed on her shoulders and receive the degree Doctor of Medicine on the same stage where Alma and my father watched me receive mine 50 years ago.

At this ceremony 272 students became doctors of medicine, 57 of whom were women. Next year there will be a good increase of women to graduate.

Mary's husband Richard, M.D./79, flew in from Oregon to witness this ceremony. They both will reside in Portland,

Oregon, for the next 5 years. Richard is training to be a general surgeon and Mary will study for pediatrics. Their school is the University of Oregon and Mt. St. Helens lies 40 miles N.E. of the hospital. They plan to be family service practitioners in the future. Mary's father is my son Richard and her mother, Arlette, deceased, was the daughter of Mrs. Louis Bath, now in Kewaskum.

Our visit to Minneapolis, Minnesota, was made very enjoyable and comfortable by Mary Roeder, a former Kewaskumite, Mary has been so kind to our granddaughter Mary for the past few years and her graciousness and generosity continued until after her graduation, for which we thank her wholeheartedly.

Nylac removes tough soil from carpeting quickly and easily. No machine needed. Miller's Fine Furniture carries Nylac.

**Summer
Playground
Notes**

The Kewaskum Summer Playground started on Monday with 14 children attending. The theme for this week was "Get Acquainted." The children made colorful name tags, played a game called "Who am I?", made a 3-dimensional name card, a paper bag puppet and a stone turtle. Various circle games, relay races, and ball games were also played.

Every week a J. D. (Juvenile Decency) Award will be given to a child who displays good sportsmanship, courteousness, and helpfulness. This week's winner will be announced Friday afternoon at the playground.

The theme for next week is "Community Pride Week." The children's projects will be related to the village: its original ancestors, its present, and its future. In conjunction with this theme, the children will participate in a "name the old park" contest.

Summer playground is held from 1:00 p.m. to 4:00 p.m., Monday through Friday, at the

Kewaskum Kiwanis Community Park. There is no registration fee so come as often as you want and stay as long as you want. There's something new every day.

Erv Uhlman

**School Budget Major
Item on Board Agenda**

A special meeting of the Kewaskum Board of Education will be held at 8 p.m. on Monday, June 23, in the district administrative offices. The board will meet in closed session at 7:45 to consider teacher credentials.

Consideration and action on the 1980-81 school budget will be the major agenda item. The board will consider a budget for presentation to the Annual Meeting to be held on Monday, July 28.

There will be other items on the agenda, including consideration of any teacher resignations and proposed contracts for teacher candidates. Gene Bohn will be present for a discussion on insurance and the board will act on an adoption of language arts texts.

Changes in the health insurance contracts, consideration of work on the football fields, discussion of the athletic code and bidding on gasoline and fuel oil will be before the board. Other items will include some questions on graduation, appointment of a committee to review staffing in the schools. Miscellaneous items which arise will also be considered. The board will meet in closed

session following the regular meeting to discuss administrative salaries under 19.85-11(c).

Wisconsin has 1.8 million cows — 17 percent of all milk cows in the United States.

**CLEANING CONTRACT BID
AT POST OFFICE NOW OPEN**

The job cleaning service contract at the Kewaskum Post Office is open for bids.

Interested persons should contact the postmaster at 626-2575.

**NOTICE TO USERS OF
LONG DISTANCE
TELEPHONE SERVICES
WITHIN WISCONSIN**

Wisconsin Telephone Company has applied for a general increase in rates, including long distance rates. Because authorized changes in long distance rates would apply to all calls made between locations in Wisconsin, the company is providing a notice of hearings and of significant proposed changes in principal long distance services and rates to all users of those services in the state.

- For direct-dialed long distance calls, proposed increases in present rates range from 2 to 4 cents for the initial period and are 1 or 2 cents for each additional minute, depending on the distance involved.

- The proposed increases for operator-handled calls are 20 or 25 cents for the initial period and 1 or 2 cents for each additional minute, depending on the distance involved.

- The proposed initial period monthly rate increases for Wide Area Telephone Service (WATS) are \$50 for Full Business Day WATS and \$15 for Measured WATS. Additional usage per 1/10th hour or equivalent time usage would increase 5 cents for Full Business Day and 15 cents for Measured WATS.

- The proposed initial period monthly rate increases for Call-Pak 14, Call-Pak 26 Full Time and Call-Pak 26 Off Hour services, where available, are 65 cents, 50 cents and 25 cents, respectively. The increase for additional 1/10th hours of usage for those services would be 5 cents, 5 cents and 2 cents, respectively.

- Two new Tel-A-Visit services are proposed to replace the Tel-A-Visit service, where available, presently priced at \$6.70 monthly for the initial 2 hours plus 33 cents for each additional 1/10th hour of usage. One offers fewer hours of access and is priced at \$5 per month for the first 2 hours plus 25 cents per additional 1/10th hour of usage; the other offers more hours of access and is priced at \$10 per month for the first 2 hours plus 50 cents for each additional 1/10th hour of usage.

Hearings on the company's application will be held in Room 426, Hill Farms State Office Building, 4802 Sheboygan Avenue, Madison, Wisconsin, at 10 a.m. on July 14, 1980, and continuing thereafter on July 15, 16, 17 and 18 as necessary at such times and on such dates as designated by the examiner from time to time. Such hearing shall be for the purpose of cross-examination of applicant's testimony and exhibits by intervenors and staff, presentation of testimony and evidence by intervenors and staff, cross-examination and rebuttal by applicant and other parties of intervenors' and staff testimony.

Record 700 Attend Kewaskum Night at Brewers Game

An even 700 persons from the area established a new record for Kewaskum Night at the Milwaukee Brewers game against the Texas Rangers Tuesday, June 10, at Milwaukee County Stadium.

Needless to say, the Kewaskum fans had a great time and may have set a tough goal for other communities to beat in the Brewer attendance competition for communities in Wisconsin of under 5,000 population, even though the Brewers dropped a 3-1 game to Ferguson Jenkins and the Rangers. Kewaskum has won the trophy for attendance for the past three years in succession. Attendance awards are given out on "Fan Appreciation Night" in September.

Last year Kewaskum had 475 attendance so this year's 700 surpasses that total by 225 persons.

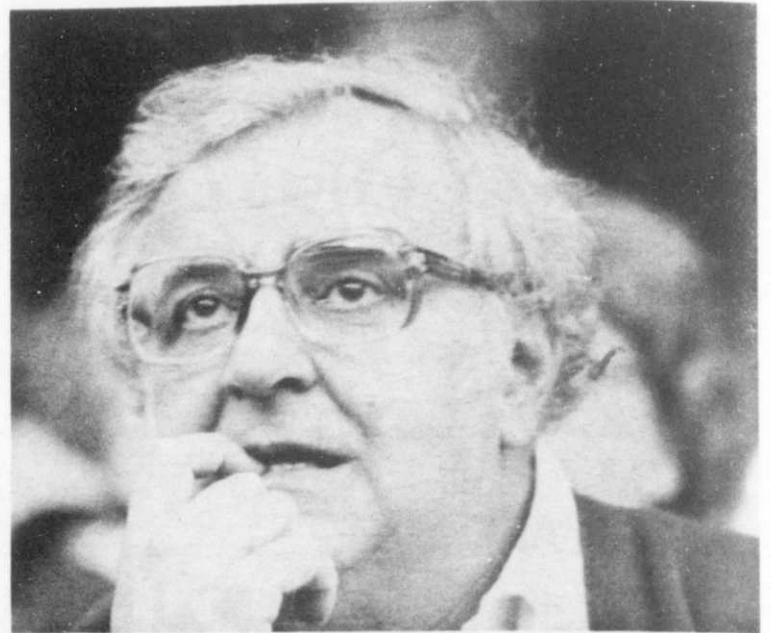

Village President Gerald Stollenwerk threw out one of the first balls before the game, along with the President of Germantown, which also held their night at the game.

Also before the game, the Kewaskum High School swing choir, directed by Dave Bertelsen, performed an excellent rendition of the Star Spangled Banner from the home plate area of the field. They received a loud ovation from the local fans.

The large Kewaskum group occupied sections located on the third base side and had a good view of the happenings.

Kewaskum Night is sponsored by the Kewaskum Area Chamber of Commerce. Local fans made the trip to the game in 12 chartered buses and others drove individually.

JUNE IS DAIRY MONTH

June Dairy Month... A Wisconsin Tradition

"When I think of June Dairy Month in Wisconsin, I think of it as a Wisconsin tradition," says Russel Weisensel, 1980 June Dairy Month Chairman. Since the formation of the first statewide promotion in 1936, urban and rural people have been working towards one common goal... promoting dairy foods.

Its state sponsors — American Dairy Association of Wisconsin; Wisconsin Department of Agriculture, Trade and Consumer Protection; University Extension—University of Wisconsin; and cooperating state agricultural organizations unite to organize outstanding June Dairy Month events. But, the major credit for the statewide success goes to the local June Dairy Month committees, throughout the state, which plan promotional events in their own communities.

As June Dairy Month continues to grow, so do promotional events. Each year committees generate bigger and better ideas involving the dairy farmers, dairy foods and dairy processors. Several of last year's crowd-pleasing events included: a super submarine sandwich packed with 60 pounds of assorted Wisconsin cheeses; an ag olympics which featured farm-chore relays; a giant milkshake which served over 16,000 shakes; and a milk-a-cow-for-a-quarter giving city children and

adults the chance to milk a real cow. These are just a few of the hundreds of promotions which take place each June. "The only regret," says one June Dairy Month promoter who worked on the super submarine sandwich, "was that our 100-foot long sandwich was consumed in a record time of one and one-half hours with people still longing for a sample." Serving everyone at promotional events is sometimes impossible, but many are inspired by the event itself and therefore go out and try dairy foods.

Publicity in newspapers and television and radio stations, as well as word-of-mouth, precedes dairy events as they happen all over the state. Many hours are spent by dedicated people who make arrangements so events run smoothly. It's this dedication and belief in the dairy food industry that makes it all happen. "We want to show how dairying touches all of our lives," says Weisensel.

As a Sun Prairie farmer and Executive Director of the Wisconsin Agri-Business Council, Weisensel's leadership abilities will make this June Dairy Month the best ever. His extensive agricultural knowledge and long-term involvement in state and local Wisconsin product promotions show clearly his concern for the dairy industry... so important to all Wisconsin citizens.

New Summer Home Economist For the County

During the summer, when county residents are in need of information about food processing and preparation, stain removal, appliances, textiles, and other areas related to the Family Living Program, they are able to call on Mary Koch at the UW-Extension office. Mary is the Summer Extension Home Economist for Washington County. She is assisting Joyce Albrecht, who again this year holds the position of secretary of the Washington County Fair. Joyce is busy organizing and coordinating fair activities and events.

Mrs. Koch is a native of St. Paul, Minnesota, and a 1974 graduate of UW-Stout School of Home Economics with her primary specializations in Food Science/Nutrition, Child Development/Family Life, Vocational Education, and Career Development. Before joining the UW-Extension in Washington County, she was employed by the Quality Assurance Department of Tappan Appliances in Mansfield, Ohio. As supervisor of the Home Economics Test Kitchens, she conducted A.G.A. audit and performance testing on production and prototype appliances, developed owners guides, cookbooks, consumer recipe testing, and product demonstrations.

Mary has taught high school home economics as well as adult and vocational classes in microwave cooking in Florida and Ohio.

Mary is a member of American Home Economics Education, Home Economists in Business, International Microwave Power Institute and the U.S. Judo Federation.

County Fair Premium Book Cover Contest

All Washington County high school art class students (grades 9-12), are invited to participate in the Washington County Junior Fair Premium Book Cover Contest.

The winner of the design contest will be awarded \$25.00. There will also be a second and third prize of \$10.00 and \$5.00.

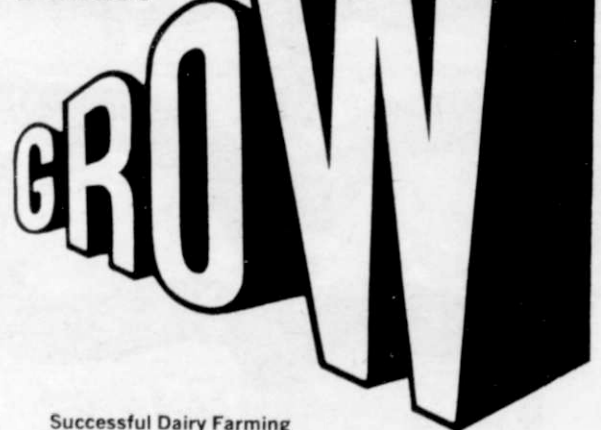

The design must measure exactly 5" x 7 1/2" and must be done on support 6-ply or more.

The winning design will be

used on the 1981 Fair Premium Book. All entries will be the property of the Washington County Junior Fair. To receive complete details

and rules, contact the Washington County Junior Fair, P. O. Box 537 in West Bend or call 338-4485.

Kickoff 44th June Dairy Month

Governor Lee S. Dreyfus signs a proclamation declaring June Dairy Month in Wisconsin. Joining the governor at the ceremony was: (seated) Russ Weisensel; (standing L to R) Wilmer Dahl, Wisconsin Department of Agriculture, Trade and Consumer Protection, Owen Fennema, Chairman, Food Science Department, College of Agriculture and Life Sciences, University of Wisconsin-Madison, John Oncken, General Manager of the American Dairy Association of Wisconsin and Lt. Governor Russell Olson.

Urging "all citizens to participate by taking time for milk," Governor Lee Dreyfus proclaimed June Dairy Month in Wisconsin at a press conference in the State Capitol.

He called the 44th annual observance "a salute to the outstanding contributions of all segments of Wisconsin's dairy industry." In a proclamation prepared for the June Dairy Month kickoff June 7th, Dreyfus added, "dairy foods contribute to health and good nutrition. I urge all citizens to participate in dairy month activities by 'Taking Time For Milk' in tribute to Wisconsin's dairy industry."

State June Dairy Month Chairman, Russ Weisensel,

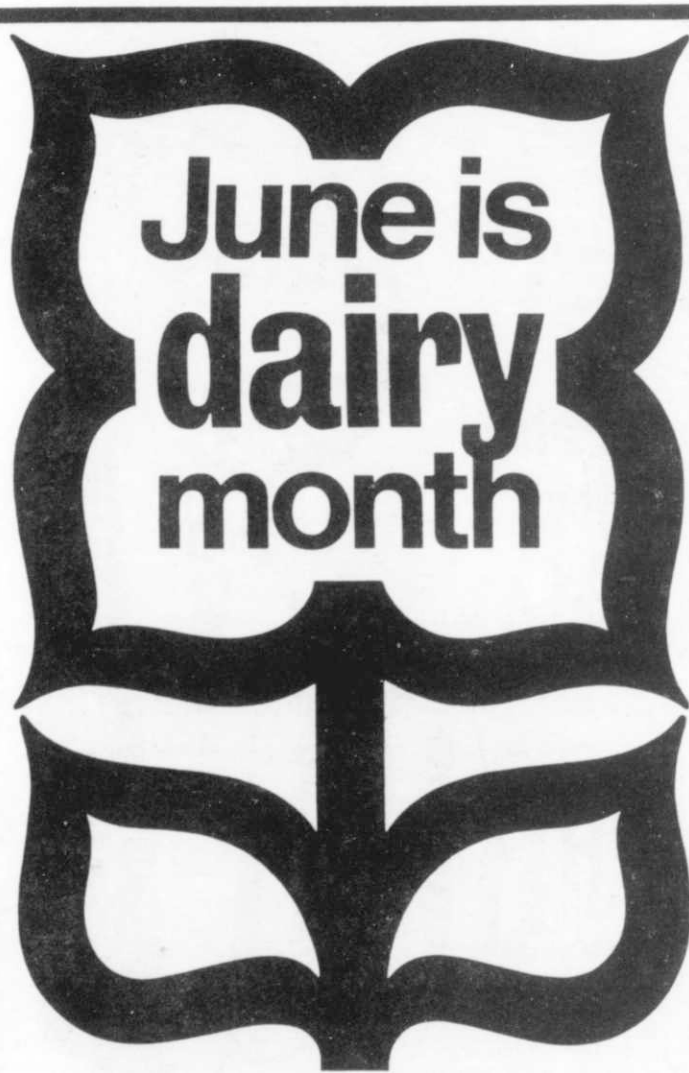

added "all month we'll be telling of the great impact dairying has on the state's entire economy. Each year Wisconsin farmers spend \$124 million on tractors, \$52.5 million on hay-making equipment and \$45 million on silos. These dollars turn over 6 to 7 times in the state's economy."

County and local promotion committees all over Wisconsin create and carry out events highlighting the dairy industry during June.

According to a recent poll, 25 million Americans, or about 11 percent, run or jog regularly.

IT'S HOW YOU LOOK AT IT

Comparing economic principles of dairying under various types of governments (tongue-in-cheek) goes something like this: Socialism; you have two cows, the government takes one, gives it to a neighbor, then controls production, price and distribution. Communism; you have two cows, the government takes both and gives you some milk. Nazism; you have two cows, the government takes both and shoots you. Great Societyism; you have two cows, the government takes both, shoots one, milks the other and throws the milk away. Capitalism; you have two cows, you sell one and buy a bull.

MILK BELONGS IN YOUR DIET!

Nutritionally, Wisconsin milk is a major contributor to the nation's diet. With more than 85% of Wisconsin's total milk production consumed in markets outside of the state, it constitutes a major contribution to the health of America. Without milk or dairy products, most of us would have difficulty fulfilling our dairy requirements for many of the nutrients needed in a balanced diet. Milk and dairy foods provide 75% of the calcium, 22% of the protein, more than 33% of the phosphorus, 40% of the riboflavin (one of the B vitamins) and 20% of the magnesium used in the average personal daily diet. Dairy foods also deliver significant quantities of thiamine, niacin, and vitamins A & D. Only the whole carcass of an animal, including bones and liver, could contribute as much as milk, taken as a single food!

Adults and children need the

nutrients contained in milk and milk products and few foods provide as many nutrients, conveniently available, as milk. Adults who don't drink milk or consume other dairy foods, in the belief that milk is just for kids, run the risk of low calcium intake and possibly other nutrients, all of which adds up to nutritional deficiencies and potential health problems!

Milk is extremely nourishing in relation to its caloric content. Two glasses of whole milk furnish only about 15% of the calories a woman 25 to 45 years of age needs every day (8 oz. = 150 calories); those same two glasses of milk supply 40% of the protein, 60% of the calcium, 50% of the riboflavin, 8% of the vitamin A and 10% of the thiamine recommended daily!

For those who are extra calorie conscious or have special needs, other types of milk are available: low-fat (8 oz. = 135 calories), skim milk or buttermilk (both contain 80 calories per 8 oz.). Other dairy foods may be substituted for milk to insure that you are getting the right amount of nutrients in

your daily diet. For example, to replace the calcium found in one 8 oz. glass of whole milk you could eat 1 1/4 slices of American cheese, 2/3 pint of ice cream, 8 oz. of plain, low-fat yogurt, or 1 1/4 cup of cottage cheese! Because of their high nutritive value, milk and dairy products do, indeed, belong in the sensible and satisfying selection of food for weight control. A "Seven Day Milk Diet for Women and Men" is detailed in a 24-page booklet combining good nutritious food, good exercise and good whole milk. The booklet is available by sending a 13¢ stamp to the American

Dairy Association of Wisconsin, 4337 West Beltline Hwy., Madison, Wisconsin 53711.

It's easy to see why milk belongs in your diet. It's exceptionally high in nutrients, comparatively low in calories, readily digested and tolerated by most people of all ages. Milk has what the healthy body needs, in fact, milk has been described as "nature's most nearly perfect food!"

"No one can give you better advice than yourself."

A Cheese Shopper's Guide

VARIETY	CHARACTERISTICS	USAGE	VARIETY	CHARACTERISTICS	USAGE
CHEDDAR 	White to orange interior. Semi-hard. Mild to sharp flavor. Many varied colors and coatings on exterior.	Great favorite on appetizer trays. With crackers, on pie, in sandwiches, in salads, in cooked dishes.	PORT DU SALUT 	Full rich flavor. Creamy texture. Brownish exterior, creamy yellow interior. Robust flavor.	Epicurean's delight. Serve with raw fruit, as dessert, on crackers, on cheese tray.
COLBY 	Light cream to yellow interior. Mild to mellow flavor. Firm, soft texture.	Flavorful, mild sandwich cheeses. As appetizers, in cooked foods and salads.	RICOTTA 	White, soft, moist and grainy in texture. Bland but semi-sweet flavor.	In salads and dips. In cooking — especially Italian dishes such as lasagne, manicotti, ravioli. In desserts — cheese cake, cannoli.
MONTEREY JACK 	White to light cream interior. Mild to mellow flavor. Firm, soft texture.		SWISS 	The "large eye" cheese. Light yellow color. Mild nut-like flavor. Firm.	A "must" sliced thin with cold meats. In salads; fondue; cooked dishes, sandwiches.
BLUE 	Gourmet cheeses for average budget. Tangy, piquant flavor. Blue veined with crumbly semi-soft texture.	In salads and salad dressings, in dips, on tray assortments, with fruit, for dessert.	PARMESAN 	Creamy white interior. Very hard. Granular texture. Mild, nutty flavor. Grated for use.	Serve grated in lasagne, spaghetti, pizza, in or on breads. Sprinkle on soups and salads.
GORGONZOLA 	Light yellow interior. Mild. Usually orange exterior. Semi-soft.	"The Nibbling cheeses." Great in a sandwich (especially on dark bread), on appetizer trays, with crackers, for dessert.	ROMANO 	Yellowish white interior. Sharp, full flavor. Very hard. Granular texture. Grated for use.	
BRICK 			Creamy yellow interior. Mild to sharp flavor. Semi-soft.	PROVOLONE 	Mellow to sharp, with smoky tang. Light creamy interior. Firm, smooth and somewhat plastic.
MUENSTER 	Red wax coated. Mild nut-like flavor. Semi-soft creamy yellow interior.	Favorites for all ages. Colorful basis for cheese trays, in salads, in cooked dishes, in sandwiches.	SCAMORZE 	Delicate, creamy white interior. Mild, slightly firm, but elastic texture. When heated, becomes stringy or stretchy.	In pizza and lasagne, in grilled sandwiches and cheeseburgers, in cooked dishes (meat loaf, casseroles).
EDAM 			MOZZARELLA 	A pasteurized blend of natural cheeses, uniform in flavor. Melts easily and quickly. Many varieties produced.	Versatile favorite, in sandwiches—grilled or not. In casseroles, on trays (try with cold cuts), in salads.
GOUDA 	Pungent full flavor. Aromatic. Soft textured creamy white interior. Brownish exterior.	Wonderful on rye and pumpernickel, with snack items.	PROCESS 	A blend of natural cheeses—may be flavored. Not pasteurized. Spreads and melts easily. Comes in various containers.	Always ready for the appetizer tray. With celery, on crackers.

KEWASKUM FFA CHAPTER

ADA...

On The Move

Wisconsin's dairy farms produce nearly one-fifth (17%) of all the milk produced in America. These 22 billion pounds of milk, from 1.8 million cows, are used to produce 37% of the nation's cheese and 25% of the nation's butter.

The dairy farmer's production efficiency has been important in keeping prices below the inflated prices of other goods. For example, if milk prices had increased at the same rate as housing costs over the last 20 years, milk would now cost \$4.50 per gallon.

The ability to produce, however, must be balanced with selling the products. That means investment in promotional programs like those from the American Dairy Association of Wisconsin is essential. Evidence indicates that dairy farmers are increasingly recognizing this fact. Last year, 2,141 new members joined ADA of Wisconsin. In the past two and one-half years, over 5,000 have been signed as new members and have begun investing in promotion at the rate of one-third of 1% of their gross milk incomes.

This increased membership, along with the increased check-off rate implemented two years ago, has increased the available promotion dollars dramatically. Programs have been expanded and new programs have been started.

In 1979, ADA of Wisconsin annexed Chicago to its promotion territory. The seven million consumers in that market are a prime target for television and radio advertising. Since 90% of Chicago's milk is from Wisconsin dairy farms, it is of vital economic importance to support promotion in that market.

Also begun last year was ADA's restaurant program. The growing importance of restaurants to the consumer dictated this effort. Today over one-third of the meals consumed are in restaurants...and the percentage is still growing. The program began with cooperative activities to emphasize the mutual interests of the dairy and restaurant industries. During the year, Ed Lump, ADA's restaurant consultant, conducted regional seminars showing how restaurants can use dairy products. Their quality and taste appeal can definitely enhance a restaurant's reputation and increase its sales. Materials were developed to aid restaurants in their dairy promotion.

Additional new programs in 1979 included: State Fair Dairy Bar, Milwaukee Brewers' Dairy Day and Real Seal. A total of 60,000 ice cream floats and sundaes were prepared and sold at the State Fair. The Dairy Day with the Milwaukee Brewers is expected to become an annual event. The Real Seal program is setting the pace for dairy recognition in 1980. The special Registered Trademark is being offered to dairy processors of all dairy products. The seal will be affixed only to cartons of real dairy products. This will enable consumers to identify, at a glance, those products that are real...and avoid the chance of picking up imitation products which are not clearly packaged.

The American Dairy Association of Wisconsin is enjoying the greatest growth in its

history. These new innovative and important programs reflect the reasons for that growth. Continued promotional expansion is increasingly important to the future of America's Dairyland.

Ice Cream

If you are watching your weight or concerned about the nutritive value of the foods your family eats these days, you know that it is sometimes difficult to satisfy your family's taste for sweets, especially when dessert time rolls around. When you read the labels or check the recipes on many of your favorite desserts, you are likely to find that they are high in calories and low in many important nutrients, such as minerals, vitamins, and protein. A two-inch wedge of chocolate cake, for instance, contains 370 calories. A slice of apple pie might run about 345 calories. What is the answer to the dessert dilemma? It is ice cream - probably an old family favorite! Because it is made from milk, ice cream provides us with many of the nutrients found in milk. The good news is a one-half cut of ice cream contains only 145 calories. So, during June Dairy Month, be sure to remember ice cream; it is delicious and nutritious.

Barbershoppers to Sing Old Favorites At Old Wade House

Visitors to Old Wade House on Sunday, June 22 will be carried back in time not only by their surroundings, but by old-fashioned barbershop music. The Chorus of the Kettles, a group of about 20 singers from the Sheboygan area, will perform at 2 p.m. on the grounds of Old Wade House. The chorus is a three-time championship winner at the District Small Chorus Competition of the International Society of Barbershoppers.

Other Wade House activities scheduled for this summer are: a soapmaking and old-fashioned laundry demonstration June 28-July 4; square dancing on July 13; candle-dipping demonstration from August 2 to 10; a patriotism celebration on August 17; and the annual Wade House Art & Craft Fair on September 7. The Plymouth Municipal Band Concert is scheduled for September 14, and Mrs. Ruth Hutchison will be featured playing the Jung Circus Calliope on September 20-21.

Apple Butter Days will be October 4 & 5, and will be the last of the special events before Old Wade House closes for the season on October 31. Betsy Wade's apple butter recipe will be used and samples will be served.

Old Wade House is owned and operated by the State Historical Society of Wisconsin. It's open daily 9 to 5; last tour begins at 4:30 p.m. Old Wade House is located in Greenbush in the Kettle Moraine State Forest, six miles west of Plymouth on Highway 23, midway between Fond du Lac and Sheboygan.

WEEKLY Health TIPS

from Tom Leitzke, R.P.H.

Heart attacks are over ten times more common among men than among women, prior to menopause. Female hormones help keep fat from accumulating in the bloodstream. Men lack this protection, so they should cut down on heavy animal fats in their diet to enjoy a longer heart lifetime. Reducing both fats and salt tends to avoid high blood pressure. Physical exercise is essential to a healthy heart and circulation. Emotional stress appears to raise blood cholesterol to unhealthy levels for the heart, so try to avoid emotional upset.

Rabbi to Speak at Ecumenical Service

People of all faiths are invited to attend an outdoor worship service at Faith Haven at 10:30 a.m. on Sunday, June 22.

Rabbi Francis Barry Silberg of the Congregation Emanu-El B'ne Jeshurun of Milwaukee will be the speaker. He is chairman of Fellows of the Center for the Study of Religion, has taught philosophy and religion at various colleges and universities during his lifetime, and served as chaplain for the VA Administration in Salem, VA. He has written lyrics for jazz music, vocalized professionally, and has an LP record on the Pleasure label.

An interesting side interest is athletics. He holds the world record in endurance rope jumping and the record for the Massada Mountain Run in Israel since 1968.

Faith Haven is located 1 1/2 miles north of Hwy. 33 on Town Line Road-west of West Bend approximately 5 miles. Signs will indicate the way. In case of rain, services will be held at the Learning Center on the Cedar Lake Home Campus, located 1 1/2 miles south of Hwy. 33 on Hwy. Z-west of West Bend approximately 2 miles.

Special music will be provided by interfaith vocal & brass choirs. All interested people are

invited to attend a rehearsal on Thursday, June 19, at 7:30 p.m. at St. Frances Cabrini Catholic church on 7th and Hawthorn in West Bend.

People attending the worship service on June 22 at 10:30 should bring blankets, "sit-up-ons," or chairs for their comfort in sitting out of doors.

In the Service

Pfc. Wayne G. Endlich, Jr., son of Mrs. Maxine C. Williams, 5750 Main Street, Kohlsville, recently was assigned as a mechanic with the 18th Engineer Brigade in Germany.

Endlich, a 1978 graduate of Kewaskum High School, entered the Army in July 1978.

His father, Wayne G. Endlich Sr., lives at 127 S. Main Street, West Bend.

Henry Schilter Wins Scholarship

Henry Schilter, son of Mr. and Mrs. Richard Schilter, 8829 Midland Dr., R.1, Allenton, has received a Presidential Scholarship from Lakeland College, Sheboygan, for the 1980-81 school year.

Students are eligible for the award if they are in the top 10 percent of their class and have 3.50 grade point average.

The scholarship is based upon academic qualifications and financial need. Students must maintain a minimum 3.50 grade point average to renew the assistance each year.

Schilter plans to be a business administration major at Lakeland.

25 Years Ago

June 24, 1955

The Kewaskum firemen were called to the Nick Beisbier farm in the Town of Wayne, located on Hwy. 28 about seven miles west of the village, Wednesday. A strawstack in the barnyard caught fire and threatened to burn the nearby barn and adjoining building.

Joseph P. Fell, Route 1, Campbellsport, claimed Miss Ardell Marie Westerman, Route 3, Kewaskum, as his bride on June 15.

Effective July 1, the Kewaskum Post Office will again be a first class office, according to Postmaster Frank Heppe. Postal receipts for the calendar year 1954 amounted to \$41,745.00 compared with \$31,311.00 for 1953.

Kewaskum will have its annual fireworks display over the coming Fourth of July holiday weekend. This year the fireworks will be shot off in the village park on the night of Saturday, July 2, and will be sponsored by the fire department in cooperation with the village board.

The annual strawberry festival of St. John Lutheran Church will be held in their parish hall at New Fane on Thursday, June 30.

Melvin E. Kluever, Kewaskum, a son of Mrs. Clarence Kluever and the late Mr. Kluever, was awarded the Bachelor of Science degree (mechanical engineering) at the

University of Wisconsin's annual commencement June 17.

Diane Schaefer, daughter of Mr. and Mrs. Carl F. Schaefer, Kewaskum, was among those who received degrees at commencement exercises at Wisconsin State College, Milwaukee, on June 12.

50 Years Ago

June 20, 1930

A petition signed by the majority of the property owners along Main Street has been filed with the village board asking for the paving of the sides of Main Street providing the state and county pave the center with 18 feet and providing they are not to pay more than half of the cost of the balance of the street improvement (amounting to \$2.00 per running foot). This would leave a balance of about \$9,000 to be paid by the village.

The Holy Trinity School closed last week Friday. On this day the members of the 8th grade graduating class were presented with their diplomas by their pastor, Father Vogt. The class includes: Elizabeth Metz, Ruth Kohn, Florence Bath, Eleanor Hron, Russell Heisler, Joseph Miller and Albert Hron.

The Washington County community picnic will be received this year by popular demand and will be held in Schoenbeck's grove near West Bend on July 27.

The Ev. Luth. St. Lucas

Church was the scene of the marriage of Miss Irma Quandt, daughter of Mr. and Mrs. Frank Quandt of here and Clarence M. Mains of Providence, Rhode Island, on June 14.

A baby boy was born to Mr. and Mrs. August Seefelt of Kewaskum on June 16 and a baby girl was born to Mr. and Mrs. Carl F. Schaefer, also of Kewaskum on June 17.

75 Years Ago

June 24, 1905

The marriage of Miss Anna Moldenhauer, daughter of Rev. and Mrs. S. Moldenhauer, Kewaskum, to Frank Thuemler of Milwaukee took place on June 17.

The Theresa Union Telephone Company has a force of men working here changing the line into a metallic system.

A baby girl was born to Mr. and Mrs. Frank Wietor of Kewaskum on June 13 and a

baby boy was born to Mr. and Mrs. Fred Schulz, Kewaskum, on June 18. A son was also born to Mr. and Mrs. Sam Hawig of Wayne on June 15.

Under the provisions of a new law recently passed by the legislature at Madison and which is now in effect, horse-shoers are given a lien on horses and other animals for the amount due for labor or services.

The eleventh annual tournament of the Washington, Ozaukee County and North Milwaukee Firemen's Association to be held here June 25 will undoubtedly be one of the largest in line of attendance held for some years. It is expected that there will be about 300 firemen in the parade. The largest delegations will come from North Milwaukee, West Bend, Hartford and Schleisingerville, who will bring their own bands.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will be holding their monthly recycling day on Saturday, June 21, from 9 a.m. to 12 noon. We accept tin, aluminum colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Menzel-Feuerhammer

Mr. and Mrs. Lester Menzel Route 1, Kewaskum, are proud to announce the engagement of their daughter, Deborah Lynn, to Bruce A. Feuerhammer, son of Marilyn and the late Vernon "Dude" Feuerhammer, Camp-

bellspport.

Deborah is a 1977 graduate of Kewaskum High School and is presently employed at the Bar-N-Annex.

Bruce is a 1975 graduate of Campbellsport High School and is presently employed at Wisconsin Power and Light.

A May 30, 1981 wedding is planned.

Births

KORPELA — A son, Kirk Ryan, to Raymond and Dorothea Korpela, East Troy, Saturday, June 14. Kirk has a two-year-old brother, Travis Michael. His paternal grandparents are Mr. and Mrs. Tauna Korpela of East Troy and his maternal grandparents are Mrs. Alice Volm of rural Kewaskum and the late Aloysius J. Volm.

MIELKE — Mr. and Mrs. Roger Mielke, R. 2, Campbellsport, are the parents of a daughter, Sara Nicole, born Friday, June 6, at St. Joseph's Community Hospital, West Bend. Mrs. Mielke is the former Joanne Wood of Campbellsport.

STRASSMAN — A daughter, Margo Marie, to Mr. and Mrs. Neil Strassman, R. 3, Campbellsport, Wednesday, June 4.

WETTSTEIN — A son, Timothy John, to George and Joan Wettstein, R. 2, Campbellsport, Wednesday, June 4.

Seminar Held at Cedar Lake Home

Pat Costello, MSW, ACSW, immediate past president of the Mental Health Association of Milwaukee County and a clinical social worker consultant, was the featured speaker at a June 7 Occupational Therapy workshop sponsored by the Cedar Lake Home Campus Learning Center, West Bend.

The workshop, entitled "Group Dynamics," was designed to help Occupational Therapists (OTR) and Certified Occupational Therapy Assistants (COTA) acquire skills and tools for group Occupational Therapy sessions. The one day seminar reviewed the needs of socialization for elderly persons, discussed the importance of interpersonal and intrapersonal skills, and reviewed documentation procedures for group sessions.

Mrs. Jan Klein, OTR, a member of the workshop faculty, noted that the seminar enabled participants the op-

portunity to be involved in creative programming which they can implement in their own settings. "There was a healthy amount of sharing among every one."

LIQUOR LICENSE APPLICATION

TO WHOM IT MAY CONCERN:

I hereby certify that the following applicant has applied to the Village Board of the Village of Kewaskum, Washington County, Wisconsin, for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the period commencing July 8, 1980, and ending June 30, 1981:

John H. Kleinke, 1310 River-view Drive (formerly Apollo's Lyre).

The above application will be heard and considered at a public hearing to be held in the Council Room of the Municipal Building, 204 First Street, in the Village of Kewaskum on the 7th day of July, 1980, at 8:00 o'clock P.M.
