Number 31

THE HISTORICAL SOCIETY LOG HOUSE, which was dismantled, was moved from its original site on the Reysen farm, Town of Scott, to the Historical Museum site on Riverview Drive, recently. The foundation has now been built and the log house will again be assembled to its original structure. More pictures will follow as work progresses.

KRAZY DAZE Tuesday, July 29

It's the annual time of the year for bargain hunters and fun time for young and old - the 18th annual Krazy Daze sidewalk sale, next Tuesday, July 29, from 9:00 a.m. to 9:00 p.m. The music and merriment will continue well into the night. Rain date is Wednesday, July 30. The event is sponsored by the Kewaskum Chamber of Commerce.

Krazy is the word for it as merchants, clubs, churches, organizations and individuals will set up and display their wares in booths and stands on the sidewalks and lots on the main streets of the village as well as offer big discounts in their stores. This "day of daze" is the major sales promotion and fun day of the year. Very special and unusual bargains galore will be offered by cooperating merchants, as well as individual flea markets.

Among the various wares and displays set up will be just about every type of merchandise available at reduced and ridiculous prices. There will be terrific bargains on everything imaginable such as odd lots, white elephants, closeouts, remnants, factory surplus, regular and stock items, some purchased especially for this occasion.

Other festivities and food will include crazy costumes, live music, outdoor dancing, brats, hamburgers, hot dogs, hot beef and other sandwiches, spanferkel, chicken plate, bake sale, craft items, beer, soda, ice cream, etc.

To top it off, live music will be provided at night for your entertainment at several locations in the village, sponsored by business people or organiza-

tions. Check the ads on the inside pages of this issue as a guide for your bargains and entertainment.

Whatever your needs or desires, whether it be bargains for yourself, your home, a gift for relatives or friends, or just to fill your tummy with good food and quench your thirst - you'll find them at Kewaskum Krazy Daze Tuesday, July 29. Everyone is invited to take advantage of these special savings during the day and enjoy the music, dancing, and "gemuetlichkeit" in the evening. COME!

Gary Runge Awarded \$1,000 Scholarship

Gary E. Runge, of Route 3, Campbellsport, has been awarded a \$1,000 scholarship from the J. F. Ahern Co., a mechanical contracting firm with offices in Fond du Lac and Milwaukee.

Runge is a sophomore enrolled in the Architectural and Building Construction Engineering Technology Program at the Milwaukee School of Engineering (MSOE). He plans a career in commercial building construction after he completes his education.

Runge, son of Edward and Marian Runge, currently holds a 3.9 grade point average and is seeking a bachelor of science degree. His father owns Runge Construction in Campbellsport.

The winner of the second scholarship was Robert J. Fischer, of Brown Deer, Wis., also a sophomore at MSOE.

J. F. Ahern Co. established the scholarship program this year in conjunction with the celebration of its 100th anniversary in business.

Current or entering MSOE students enrolled in the Architectural and Building Construction or Mechanical Engineering curriculums were eligible for the awards which were presented at an Ahren employee Centennial Day picnic.

Wins United Airlines Trip

Tom Smith of 3715 Badger Road, Kewaskum, was a winner in United Airlines "take-off" travel game.

The winning ticket allows Tom to travel first class to Hawaii (to visit his grandmother), then to Salt Lake City, Utah, to visit his in-laws, and then to Norfolk, Virginia, to attend a wedding of his college roommate.

The trip was paid for entirely by United Airlines.

Village Drops Issue of Sidewalks to Bel-Ric

By DAN MEILAHN
Statesman Staff Writer

The Public Works Committee of the Kewaskum Village Board recommended to drop the issue of installing sidewalks to Bel-Ric Acres south of the village.

The Kewaskum School District had requested the village to consider sidewalks so that \$16,000 could be saved annually on bussing 163 students.

Committee Chairman, Don Mlodzik, said that the committee had looked over the area, considered different locations, the relative costs, and the problem of winter maintenance. He said that in talking to various property owners, there were "quite a few negative comments." He continued that some property owners felt sidewalks should be put in but not necessarily as a path through somebody's land. One alternative had been to have a path extended northward through private property and cross a small stream. The owners of this particular land preferred to have sidewalks installed along their highway frontage instead of the pathway which would have to be eliminated if the land were subdivided.

Mlodzik said the committee felt that perhaps sidewalks to Bel-Ric was the wrong approach to the problem. He added that it might be unfair to install walks in one area and not another. The prevailing opinion to the board seems to be that sidewalks should be installed throughout the entire village at virtually the same time.

The cost of maintaining sidewalks to Bel-Ric would have been around \$50,000. The com-

mittee also felt that the village would wind up paying for cleaning off the walks in winter.

Superintendent of Wastewater Treatment Pete Albers reported that the new sludge conditioner was posing some problems. The screens on the dewatering device fell apart after 6 weeks of operation, although the Permutit Co. said they should last a year. The screens for the machine are presently out of stock and have to be made specially. If the last screen breaks, the sludge conditioning process would have to be discontinued, and sludge cannot be hauled onto Farmlands since the DNR does not approve many sites.

Albers did say that "when we're running and everything's together, it was good," although the main problem lies with parts and maintenance. He said that Permutit had called in regard to payment, and he replied, "no way ... until I see more positive action from your people." He added, "all we've got is a lot of words and nothing else." According to the terms of the contract, the village must be totally satisfied with the machine's operation before any payment is made.

Trustee Raynor Herriges wished to know where Tom Lawn, the sales representative, was now. Lawn had claimed he was going to live with the machine. The board agreed that Lawn should appear at the August 4 meeting in regard to the situation.

Mlodzik wished to see more action by the company and claimed, "it looks like a sour apple to me." Herriges also was

(Continued on Page 3)

School Board Raises Driver Education Fee

At the regular meeting of the School District of Kewaskum held on July 14, the School Board approved the immediate increase in the Behind-The-Wheel driver education fee from \$20.00 to \$45.00. This \$45.00 fee is to be charged to all Kewaskum Community High School students who sign up for the Behind-The-Wheel portion of driver education training after July 14, 1980.

In passing the motion the board stated that the Behind-The-Wheel portion of drivers education is offered as a service to the students and is not required for graduation, thus it should be a self-sufficient operation. The \$45.00 fee combined with the \$40.00 per student received in direct aid from the state will cover the estimated cost to operate the program of \$85.00 per student.

Turkey Shoot Set for Sept. 21

The Kiwanis Club of Kewaskum would like to announce that arrangements have now been made to hold the 28th Annual Turkey Shoot at the Bar-N Ranch as usual on Sunday, September 21.

Much work by the Kiwanis Club has ensured that this will be the best shoot ever, with more turkeys, more fish and more fun than ever before.

Mark your calendar and plan on attending this day that benefits area youth and community projects.

Campus Notes

Four area students are among young men and women who visited the University of Wisconsin-Madison recently to begin registration for studies starting with the opening of fall semester classes Sept. 3.

The young people took advantage of the university's summer advising orientation program for new freshmen and transfer students. Under this program, students-to-be visit the campus for at least a day, often with one or both parents, arrange for housing, take placement tests, meet student leaders and faculty persons, and begin the registration process.

The students are: Renee Marie Feyrer, 9575 Hwy. X, R. 1, Kewaskum, Pharmacy; Carol Ann Marquardt, 1190 Riverview Dr., Kewaskum; Richard Stephen Stefanovic, 9139 Bolton Dr. N., Kewaskum; Jacqueline Marie Yearling, 9413 Bolton Dr. N., Kewaskum, Physician Assistant.

The Dean's Honor List for the University of Wisconsin-Eau Claire for the second semester of the 1979-80 academic year includes Clifford William Kleinke of Kewaskum.

This recognition is accorded those students who achieve an outstanding academic record for the semester. To qualify for the Dean's Honor List, a student

must be registered for twelve or more semester credits, must be repeating no courses, and must earn a grade point average of 3.5 or higher on a 4.0 scale.

FIREMEN CALLED

Kewaskum firemen were called out at 10:27 p.m. Saturday to put out a small fire between the A & W Drive-in and Milan Drive. Only one piece of equipment was taken to the scene. Twelve firemen responded.

Area Women to Speak At Clerical Seminar

Cynthia Gonnering, Assistant Trust Officer of the First National Bank of West Bend, and Barbara Ackley, Junior Computer Programmer at Management Services in Milwaukee will discuss the job options for women and men with clerical skills. Ms. Gonnering and Mrs. Ackley will speak at the "Clerical Work-A Job or A Career?" dinner-seminar at Moraine Park

Technical Institute-West Bend Campus, July 30, from 5:30 to 9:30 p.m. Other panelists are Carole Dreher, Personnel Assistant at Regal Ware, Inc., and Doreen Klauck, Manger of Word Processing at Godfrey and Kahn Service Corporation in Milwaukee. The four women will discuss how they arrived at their present career.

Prepaid registration is necessary. The cost of \$7.25 includes the program and a buffet dinner. Call 334-3413 for registration information.

Rescue Squad Calls

Friday, July 18 — Ronald Lee Kostuch, 6, 9428 Mullen Dr., Allenton, Town of Wayne, taken to St. Joseph's Community Hospital, West Bend, with an injury when he got his foot in a lawn mower.

Sunday, July 20 — Elsie G. Sparks, 69, 1425 Roseland Dr., Kewaskum, removed to St. Joseph's Community Hospital from her residence. She was pronounced dead on arrival.

(Continued from Page 1)

sorry that another machine had not been purchased from another bidder.

Bids for culvert pipe for installation along Edgewood Road were opened. Armco of Oak Brook, Illinois, was awarded the contract for \$31,690.40. This was for a combination of 12 and 14 gauge arch type metal pipe of 48" and 54" diameter to be installed where there is now an open ditch between two lanes of the street. The village hopes to complete this project this summer and stay under the proposed \$60,000 expenditure.

Other bids were received from Fond du Lac Culvert and Supply - \$39,199.29; Bark River Culvert and Equipment of Milwaukee - \$35,495.72 or an alternate \$33,572.96; and Waukesha Metal Pipe Inc. \$42,704.

The Village Engineers, Foth and Van Dyke of Green Bay, were authorized to prepare specifications for a permanent raft in the pond at the new park. Tentative plans called for a stationary raft about 18 ft. by 18 ft. with a one meter diving board, a three meter diving board, a guard stand, and 4 ladders. The raft is to be all concrete and supposedly "mushroom shaped."

The annual Kewaskum Closed Tennis Tournament does not have many registrants for the doubles competition. If no contestants are forthcoming, the event scheduled for August 9 and 10 may be cancelled.

President Jerry Stollenwerk made several committee appointments due to the recent resignation of Carl Spoeth. Jeff

Rohrer is now the Chairman of the Parks and Recreation Committee with Paul Blumer also acting as a member. Raynor Herriges was appointed to replace Spoeth on the Administrative Committee.

The ordinance creating the position of Village Administrator has been amended such that the administrator is now appointed for an indefinite period instead of a one-year term. A resolution was also passed allowing the administrator or president to co-sign checks with the commissioner, and allowing a village secretary and the administrator to act as a designate for the Village Commissioner.

Benefit Motorcycle Poker Run Sunday

The Kettle Moraine Sport Riders of West Bend will be holding an AMA Motorcycle Poker Run on Sunday, July 27. Proceeds will go to the Threshold.

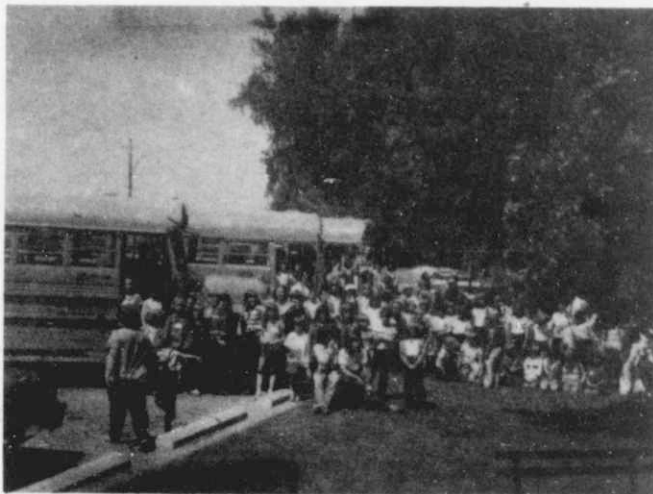

The Poker Run will start at the Washington County Courthouse parking lot at 8:00 a.m. on a beautiful sunny morning. We had several games to play on the bus to make the 2 1/2 hour ride pass quickly.

Once we arrived at the park there was so much to see and do. We toured the bird and animal sanctuary first. There were hundreds of ducks and geese just walking around everywhere, and on the far side of a small lagoon, deer were grazing. They also had an area where small game animals native to this part of the country, were in cages.

After our tour, we all gathered for lunch in a picnic area. I'm

"Fish and guests in three days are stale."

Girl Scouts Annual Trip

In June, 132 Girl Scouts and leaders from Kewaskum, Farmington and Wayne took their annual trip. Our destination this year was Bay Beach in Green Bay. Our three busses departed from Kewaskum High School parking lot at 8:00 a.m. on a beautiful sunny morning. We had several games to play on the bus to make the 2 1/2 hour ride pass quickly.

Once we arrived at the park

there was so much to see and do. We toured the bird and animal sanctuary first. There were hundreds of ducks and geese just walking around everywhere, and on the far side of a small lagoon, deer were grazing. They also had an area where small game animals native to this part of the country, were in cages.

After our tour, we all gathered for lunch in a picnic area. I'm

sure most of the girls don't remember much about lunch, because they were all in a hurry to get to the amusement area. We spent about two hours in the afternoon enjoying the rides, and I think the "Bumper Cars" and the "Big Slide" were the most popular.

Then back to the busses for the long ride home. We stopped in Oshkosh at McDonald's where we all enjoyed an ice cream sundae, and we returned to Kewaskum at 6:15, very tired and slightly sun-burned.

We are sure we are speaking for everyone when we say a most enjoyable time was had by all!

**Second Installment of Postponed
County Property Taxes Due July 31**

Fredric A. Seefeldt, Washington County Treasurer, today issued a reminder to Washington County taxpayers that the second installment of their postponed property taxes is due on or before, Thursday, July 31.

Checks should be made payable to: Fredric A. Seefeldt, Washington County Treasurer, and may be mailed to P. O. Box 518, West Bend, WI 53095. "Taxpayers should be sure to include a copy of their tax bill or the tax key number of the property or properties involved," Seefeldt advised. "The tax key number is found in the upper right hand corner of the tax receipts. If we have the tax key number, our whole receipting process is speeded up considerably," Seefeldt said.

The County Treasurer's office has received a number of inquiries as to whether or not it is acceptable to mail in tax payments, Seefeldt stated. "It certainly is acceptable and it makes good sense given the price of gasoline," Seefeldt said. "We do make it a practice to mail out the tax receipts. I will be hiring two temporary employees to assist in processing the tax

payments received by mail," said Seefeldt.

Seefeldt cautioned those people waiting until the last minute to mail their payments to mail early enough to insure a July 31 postmark. "The Wisconsin Statutes provide that late payments are subject to an interest penalty of 1% per month retroactive to January 1 of this year. The effect of the law is that late payments automatically pick up an 8% interest penalty," Seefeldt advised.

Tax payments may also be made in person at the County Treasurer's office, Room 226 in the Courthouse, 432 E. Washington St., West Bend. The office is open 8 a.m. - 12 noon and 1 - 5 p.m. Monday through Friday.

"At the end of June, outstanding postponed property taxes totaled more than \$6.6 million. Given an average payment of \$400, for example, we are talking about more than 16,600 transactions to be completed," Seefeldt observed.

"It usually takes more than three weeks to prepare a good impromptu speech."
Mark Twain

Attend Farm Bureau Youth Seminar

More than 75 young people from around the state met June 30-July 2 in Stevens Point for the Farm Bureau Youth Seminar "Preserving Our Heritage." Sponsored by the Wisconsin Farm Bureau, the seminar is designed to inform,

inspire, and challenge young people to become more actively interested in their American heritage.

"It is important that our young people understand, appreciate and work for the heritage that has given us the greatest measure of personal freedom and economic well-being in the history of the world. After all, they are tomorrow's leaders," said Jim Werner, seminar director.

Jacky Stoffel, Kewaskum; Bob Falk, West Bend, and Karen Schmitt, Hustisford, were among those participating in the seminar. They were sponsored by Women's Committee, Washington County Farm Bureau.

Al Wysocki, a former FFA state officer, and Mary Martin, president of FHA/HERO, presented "Good News About America" during the opening

session on Monday evening.

The "Privileges and Responsibilities of Being Legal Age" was discussed by a panel on Tuesday. Speakers included: Stewart Vande Zande, Wisconsin State Patrol; Daryl Kurtenbach, Portage County Community Human Services Department; Ina Pogainis, assistant state public defender; David Halbach, 71st Assembly District representative; and Robert Ruf, The Rural Companies.

Sessions on achievement and motivation were conducted by Ken Cheatham, American Farm Bureau Federation. Others on the seminar program were: Al Kemnitz, director of public relation of GROWMARK, Inc., and Floyd Doering, state supervisor of agricultural education

and advisor to the Wisconsin Association of the FFA.

Members who attended: 1st row, left to right—Barb Schulz, Susan Schaub, Shelley Hamernik; 2nd row—Mark Hupfer, Andy Ruplinger, Jeff Nigh.

Mrs. Allen Schulz and daughter Barb with State Farmer degree.

Shelley Hamernik [center], State Choir member.

The Wisconsin State FFA convention was held at Green Lake June 10-12.

The Kewaskum Chapter of FFA was represented as follows; chapter delegates Susan Schaub and Jeff Nigh, chapter representatives Mark Hupfer and Andy Ruplinger, state choir member Shelley Hamernik, three star president Barb Schulz and advisor Dave Rizzardi.

While attending the convention the delegates assisted the state officers and voted on all of the motions brought on the floor.

Motions brought to the floor and voted on at the convention were:

Election of Wisconsin Farmer Degrees — 401 applicants. All were approved.

Chapter charter application for Rib Lake. Rib Lake is now a chapter.

Resolution for each Wisconsin

member to donate a dollar to the "Hall of Achievement." The resolution was approved.

State FFA program of activities — approval of recommended revisions. The motion was approved.

State budget approval for 1980-81. The budget of \$70,430 was approved.

A. Approval of recommended revisions. Revisions were approved.

B. Consideration of constitutional changes which were recommended by the New Auburn FFA. The motion was disapproved.

Elections for the new state FFA officers were held on June 11. On June 12 the new officers were approved by the chapter delegates and took office for the 1980-81 year.

The new state officers are: state president, Tom McKittrick; ranking vice president,

Alan Wolff, Section 8; secretary, Christy Peterson, Section 5; treasurer, Carl Helmick, Section 4; reporter, Jo Dee Ehrke, Section 10; sentinel, Neal Wellner, Section 2; chaplain, Tom Odeen, Section 3; parliamentarian, Nancy Chekourus, Section 9; and vice presidents, Bill Balts, Section 1; Jeffery Sprecker, Section 6; and Russ Utech, Section 7.

The Kewaskum Chapter of FFA's past president, Barb Schulz, also received her State Farmer pin and certificate at the convention on June 12.

Also throughout the convention, there were approximately 270 chapters represented and approximately 2300 people present. The convention was an experience for all who attended and will be remembered by all that were there for it was the place of many new friendships to be remembered forever.

Mrs. Charles Sparks Dies

Mrs. Charles (Elsie) Sparks, 69, of 1425 Roseland Dr., Kewaskum, was pronounced dead on arrival at St. Joseph's Community Hospital in West Bend on Sunday, July 20, of an apparent heart attack.

Mrs. Sparks was born June 19, 1911, in McKees Rocks, Penn. to the late John and Esther Heck Reigle. On October 24, 1934, she married Charles E. Sparks in Canton, Ohio. In March, 1946, they moved from Ohio to Kewaskum.

Survivors include her husband; two sons, Robert (Barbra) and James (Mary), both of Kewaskum; two grandchildren, David and Courtney; two sisters, Elizabeth (Robert) Wolfe of Phoenix, Arizona, and Eleonore (Kenneth) Cramer of Canton, Ohio; two brothers, Clarence (Marie) Reigle of Kewaskum, and Harold (Dorothy) Reigle of Canton, Ohio; other relatives and friends.

Visitation at Miller's Funeral Home in Kewaskum was Tuesday from 4 to 8 p.m. and on Wednesday at the Peace United Church of Christ from 9 to 10 a.m., when services were conducted by Rev. Darrell Joiner. Burial was in the church cemetery. MEMORIALS TO THE HEART FUND WOULD BE APPRECIATED.

RICHARD H. TRESTER

Richard H. Trester, 62, of 4812 Highland Park Dr., Slinger, was dead on arrival at Hartford Memorial Hospital on Wednesday, July 16.

He was born in Milwaukee on April 15, 1918, and married Eleanor Earwaker in Milwaukee on May 7, 1947. They lived in Milwaukee until moving to his present address in 1959.

In 1936 he joined his father in Trester Service Electric Co., Milwaukee, becoming president in 1953. He was president and general manager of the company at the time of his death.

He served in the Pacific Theater with the U.S. Army-Air Corp. during WWII.

His memberships included the Cedar Lake Yacht Club, the Inland Lake Yachting Assoc., the I.L.Y.A. Bilge Pullers, the Electrical Maintenance Engineers of Milwaukee, the National Electrical Contractors Assoc., Inc., the Veterans of Foreign Wars, Zunker Held Post 3358, Slinger, the American Legion Post 219 of Milwaukee of which he was a member for over 25 years, the Experimental Aircraft Assoc. and the Aircraft Owners and Pilots Assoc.

Survivors include his wife; two children, Robert of Kewaskum and Richard (Susan) of Slinger; his mother-in-law, Leona Earwaker of West Bend; three granddaughters, Barbara, Robyn and Megan; two sisters, Gertrude Mortag and Claire (Thomas) Parsons, both of Milwaukee; a niece, nephews, and other relatives and friends.

He was preceded in death by two sisters, Helen Andert and Florence Veher.

Funeral services were Friday at 8 p.m. at the Schmidt Funeral Home, West Bend, with Victor Hackbarth officiating. Cremation followed.

Visitation at the funeral home was Friday from 4 p.m. until time of services.

JOE F. KOELSCH

Joe F. Koelsch, 74, of 3456 Hwy. D, West Bend, died unexpectedly Monday, July 21, at St. Joseph's Community Hospital, West Bend.

He was born Jan. 8, 1906 in West Bend where he attended local schools. After his marriage to Renetta Vorpahl in Illinois on June 18, 1946, he formed what is now known as Puppyland Humane Society, Inc. which he owned and operated up until the time of his death.

Survivors include his wife; two sisters, Pearl (Leonard) Johnson, and June (Dow) Ours, both of West Bend; nieces; nephews; other relatives and friends. One brother, Ivan, preceded him in death.

He was a member of Trinity Lutheran Church, West Bend.

Funeral services were on Wednesday, at 8 p.m. at the

Schmidt Funeral Home, West Bend, with Pastor Victor Hackbarth officiating. Burial was in Boltonville Union Cemetery.

Visitation at the funeral home was from 4 p.m. Wednesday until time of services.

DEBRA PETRI

Mrs. Dennis (Debra) Petri, 25, of 206 W. Rock River St., Theresa, died Tuesday, July 15, at Milwaukee County General Hospital.

She was born March 10, 1955, at Waupun, a daughter of Leslie and Elizabeth Stommel Adelmeyer. On April 21, 1979, she was married to Dennis Petri at Juneau.

Mrs. Petri was employed by Regal Ware at Kewaskum.

Survivors include her husband; two daughters, Christine and Elizabeth both at home; a son, Dennis Jr. at home; her parents of Knowles; five

brothers, Daniel, David and Dennis Adelmeyer all of Lomira, Michael and Thomas Adelmeyer both of Knowles; and three sisters, Miss Darlene, Miss Mary Jo and Miss Karen Adelmeyer all of Knowles.

Funeral services were held at 9 p.m. Friday at Koepsell Funeral Home, Mayville, and at 9:30 a.m. at St. Andrew's Catholic Church, LeRoy. The Rev. Anthony Gundrum officiated and burial was in the parish cemetery.

Friends of Mrs. Petri called from 4 to 9 p.m. Thursday at the funeral home.

HENRY POLZEAN

Henry "Pat" Polzean 84, died July 16, at his home at Route 1, Campbellsport.

He was born Feb. 11, 1896, at

Dundee, a son of Michael and Augusta Flitter Polzean. He never married.

Mr. Polzean lived in the Dundee area until moving to his present address in 1944.

Survivors include four brothers, Michael and Emil, both of Campbellsport, and Ben and Francis, both of Fond du Lac. He was preceded in death by two brothers and four sisters.

Funeral services were held at 10:30 a.m. Friday at Twohig Funeral Home, Campbellsport, and at 11 a.m. Friday at St. Matthew's Catholic Church, Campbellsport. The Rev. Victor Kremmer officiated and burial was in the church cemetery.

Visitation was after 6 p.m. Thursday at the funeral home.

July 21, 1980

To the Editor,

Concerning the letters in last week's Statesman, we'd like to present another point of view.

The adults involved in Kewaskum Little League are there each week on a completely volunteer basis — officials and coaches alike — doing the best they can to see that the kids have a positive experience.

Our job as coaches is to remain on the periphery—to advise, not interfere, to cheer when they do it right, to encourage when they don't, and to set as good an example as we can. Never is it prudent or necessary to lose our tempers during a game. Even if we're 100% right, the moment we lose our cool and use abusive language, we're 200% wrong. Accepting the official's decision, even if we disagree, and learning to lose gracefully are all part of growing up. We should stress the importance of giving your all, win or lose, and just being a part of the fun — participating. We, as coaches, should always show respect for each other, the officials and, especially, the kids.

In Kewaskum we have a fine program—good coaches, fair officials, and a great bunch of kids. Do we want to lose that?

Most sincerely,

Pat & Margaret McFadden

o o o o

July 21, 1980

Dear Editor,

In your July 18, 1980 Statesman you had three letters dealing with the youth softball program. All three articles deal with complaints against the coaches and umpire relationship. They put the blame on the umpire for all the problems that happened.

The fact is it is not only the umpire that caused it but the coaches too. It takes 2 people to argue.

The umpire in question has worked with the baseball program for 3 years. He has umpired three nights a week without pay except for the feeling that he is helping kids in our community.

I am sure that he had many other things he could have been doing but he was always there to help.

How many people that wrote those letters would donate all the time he did. It is easy to

complain but let's see someone else do the work he did.

On behalf of the Jaycees and most of the kids and parents involved we are losing one of the best helpers our baseball program ever had.

Gary Panzer

o o o o

July 22, 1980

Dear Sir,

After reading several of last week's letters, I feel compelled to make some comments regarding the Jaycees baseball program in this community, and the umpire who I feel was very unfairly attacked, Dennis Gindt.

I have been involved in Jaycee softball as a coach and also have had two of my children participate in softball and the Little League program.

I say "thanks" to the Jaycees for the wonderful opportunity they provide the boys and girls of this community. I think it's terrific, and so do all the kids that participate.

So the shirts came a week late, or the hats, big deal!! The important thing is that the kids have a chance to play softball and baseball, learn some of the fundamentals of the game, be a part of a team, and most of all have fun.

Dennis Gindt has also been an important part of this program as for the past few years, he has volunteered two or three nights a week to serve as an umpire.

I feel Dennis is a fine man, and while he may not be on his way to the Major Leagues (and he would be the first to admit it) he knows the rules of baseball and carries them out fairly and honestly.

Last week's letters made it sound as if Mr. Gindt was mean and sent two teams home crying because he stopped a softball game for no reason at all.

The reports I have heard — some from my daughter who was on one of the teams — was that swearing by one of the coaches precipitated the forfeiture of the contest. Had the game been allowed to continue, none of the children would have learned any sportsmanship that particular Wednesday night.

Perhaps the individual who should be blamed for the forfeit is the coach who decided to swear, and in my opinion, Mr. Gindt should be praised for his good sense of judgement in the matter. I go along with him and the Jaycees in their objective to have all the players play in each of the softball games.

Kewaskum lost a good umpire over the matter, and that is really too bad. Let's all make sure in the future that cool heads prevail so we don't lose the softball or hardball pro-

grams. Our kids would be the losers.

Sincerely,
Judy Harlow

P.S. I appreciate the efforts and enthusiasm of Ken Weddig, Mrs. Shaw, and Frank Warnecke in directing my daughter's team.

o o o o

To The Editor:

I have had the privilege and enjoyment of coaching Jaycee Little League Hardball for six years. They have been six delightful and enjoyable years of teaching young boys and girls the fundamentals of baseball, watching them grin from ear to ear when they put on their team shirt and cap for the first time, and watching a youngster beam with pride when he delivers a game winning hit (even though it might be the first or only hit of the season).

After reading last week's letter to the Editor submitted by "Former Coach Judy Johnson" and "A Spectator," you wonder if it's all worth the time and effort. But then you coach another game and realize it sure is!

So I decided to make some comments and list some facts that seemed to be omitted by the mentioned "Letter writers:"

1. Team rosters were given to the coaches 3 weeks prior to the first game.

2. Shirts and caps were delivered late by the manufacturer.

3. Rules for slowpitch were discussed at a coaches' meeting; the Johnsons left early.

4. The "home team" position is alternated/balanced between the league teams.

5. Umpires DO NOT MAKE-UP THE RULES, they apply them as required.

6. The mentioned game cancellation was due to the continued arguing and abusive/vulgar language directed at the umpire.

7. Umpire had applied the questioned rule decision correctly and as stated in The Rule Handout.

8. The mentioned UMPIRE has volunteered his free time for umpiring Little League Hardball, softball and Traveling League Hardball (on some instances, 3 nights per week) for the last 2-3 years.

9. Difficult to comment more on "A Spectator's" letter, based on the immaturity of the letter writer & contents stated.

Hopefully this disgusting occurrence will not be repeated

in the future, as the volunteer coaches, umpires, team sponsors, Jaycees, and especially the Little Leaguers, deserve better!

Sincerely,

Jerry Buchel

The state geographic board has renamed Round Lake "Kettle Moraine Lake," according to a recent announcement by Clyde T. Smith, acting area coordinator - forester for the Wisconsin Conservation Department. The action resulted from a petition from the Fond du Lac county board and residents of the Town of Osceola.

During the polio vaccination program in Washington County, 190 first and second grade children received two polio injections. This number represents approximately 14% of the total of 1,382 children eligible to participate.

Mr. and Mrs. Helmuth "Hans" Prause of this village and Mrs. Lorina Petermann of the Town of Auburn left Friday for a three months stay in Germany with relatives.

The Kettle Moraine Sportsmen's Club of Kewaskum will release approximately 700 young pheasants in the surrounding area early Sunday.

Four students from Kewaskum are among the 122 students of the University of Wisconsin who served as members of the United Student Fellowship group during the school year on the Wisconsin campus. Kewaskum members of USF are Paul Landmann, Mary C. Oppenorth, Route 3, Robert Rose and Floyd Stautz.

A son was born to Mr. and Mrs. Mathias Metz, Route 3, Kewaskum, July 21. A daughter Arthena Kay, was born to Mr. and Mrs. Arthur W. Guenther, Jr., Campbellsport, July 20. A son, Stevie Donald, was born to Mr. and Mrs. Donald Lichtensteiger, Campbellsport, July 14. Mrs. Lichtensteiger is the former Marianne Ruplinger of St. Kilian.

July 25, 1930

Wisconsin has seen countless dairy drives, revivals and protracted meetings, but never before has its citizens shown such a deep interest and given the cooperation they are giving the drive being pushed by the Wisconsin Agriculturist and Farmer to rid Wisconsin of the State's worst enemy - Oleomargarine. When nearly 400 million of Oleomargarine was manufactured and sold in the United States last year, an increase of 42 million pounds over the year previous, with millions of pounds in storage, and Wisconsin the largest dairy state in the Union using 10 pounds per person per year, is it any wonder our farmers are complaining about the low price of dairy products and surplus milk.

Thomas J. Elmore, 32, of Philadelphia, Pa., was instantly killed at about 3:00 p.m. Sunday, when the new Franklin sedan automobile which he was driving, left the concrete at the Rudy Hirsig cheese factory on Highway 55, about three miles north of Kewaskum.

A. A. Perschbacher of The Rex Garage, local Buick dealer wishes to announce that the new Buick Straight Eight for 1931 will be on display July 26.

75 Years Ago

July 29, 1905

Three new rural routes will be established from this post office on next Tuesday. George Schmidt, Oscar Backhaus and John H. Martin will be the carriers.

The village board had a cement sidewalk laid in front of the village hall this week.

Harry Stahl and his wife of

Boltonville are the happy parents of a baby boy.

The following young people spent Sunday at Forest Lake: The Misses Katherine Schleif, Lydia Firks, Rose Sommers and Messrs. Andrew Etta, Herman Brueser and Gerhard Herriges.

R. B. Jones & Co., who have recently located in Campbellsport in the farm implement business, are receiving new goods daily and will shortly have their stock complete in every department. It is the firm's aim to carry everything in stock which is used on the farm, such as wagons, carriages, threshers, manure spreaders, gasoline engines, wind mill, harnesses, blankets, robes and all kinds of farm machinery.

County Department Of Social Services To Hold Hearings

The Washington County Department of Social Services and the Comprehensive Community Services Agency of Washington County will hold public hearings to secure public participating in the development of their 1981 Plans and Budgets. Each hearing will begin with a brief overview of the programs and services included in the re-

spective agencies' 1980 Plans and Budgets, followed by an opportunity for public comments and questions. For the Department of Social Services, the purpose is to gain public input on social service programs, not financial aid (welfare) programs. Written information on the 1980 Plans and Budgets can be obtained from D.D.S. or C.C.S.A. and will also be available at the hearing sites. The hearings will be held as follows:

Monday - July 28, 7:30 p.m. - Hartford City Hall, DDS - Room 13, CCSA - Room 38.

Wednesday - July 30, 3:00 p.m. and 7:30 p.m. - Washington County Courthouse, 432 East Washington Street, DSS - Room 131, CCSA - County Board Room.

Thursday - July 31, 7:30 p.m. - Germantown Village Hall (DSS only).

For more information, contact either Margo Parisi, CCSA, 338-4583 or Donald Ryd, DSS, 338-4610.

The C.C.S.A. is responsible for planning, providing and/or contracting, monitoring and coordinating services for persons who are mentally ill, developmentally disabled or drug/alcohol abusers.

D.S.S. has responsibility to plan and deliver a system of social services designed to help people whose lives are, or may be, adversely affected by age, family disfunction, mental or physical condition, social condition, or inappropriate dependency.

Minutes of Village

Board Meeting

Monthly Meeting
July 7, 1980
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. Present were Trustees Jeff Rohrer, David Nigh, Donald Mlodzik and Raynor Herriges. Trustees Carl Spoeth, Jr. and Paul Blumer were absent.

The minutes of the meeting of June 16, 1980, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Rohrer. Voice vote was unanimous.

A public hearing was held on the application of John Kleinke for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises at 1310 Riverview Drive (formerly Apollo's Lyre). Approximately ten interested citizens were present for the hearing, not to object to the granting of license but to request that the establishment be operated in a more orderly and business manner. Upon motion by Trustee Herriges, seconded by Trustee Rohrer and duly carried, the hearing was declared closed.

Peter Albers was authorized to attend the Wastewater Pollution Control Operator's Conference at Duluth, Minnesota, on August 5, 6, 7, 8, 1980. Motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

The following building permit applications were approved and the Commissioner was authorized to issue the proper permits upon payment of the required fee. Motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

1. Schulz Homes, Inc., construction of a one family residence at 1167 Stark Street.
2. Richard Pesch, addition to rear of existing home at 727 Main Street.
3. Kewaskum Mill, installation of grain processing equipment at existing feed mill at 133 Second Street.

The proposal for pocket pagers for the three Village Department Heads was referred to the Public Works Committee.

Administrator Schmidt was authorized to advertise for bids for corrugated metal pipe for storm sewer on Edgewood Road, bid opening to be 8:00 p.m. July 21, 1980. Motion by Trustee Herriges, seconded by

Trustee D. Nigh. Voice vote was unanimous.

Supt. Bilgo was authorized to purchase the necessary pre-cast concrete manholes for the Edgewood Road storm sewer project. Motion by Trustee Herriges, seconded by Trustee D. Nigh. Voice vote was unanimous.

The Board appropriated one thousand dollars (\$1,000.00) toward the construction of the foundation for the log cabin being erected next to the museum building on Parkview Drive. Motion by Trustee Mlodzik, seconded by Trustee Rohrer. Voice vote was unanimous.

The School District of Kewaskum request for the installation of sidewalk leading to the Bel-Ric Acres Subdivision was tabled.

Miss Leona Thull was the winner of the "Name The Park" contest sponsored by the recreation department under the direction of Mr. Ervin Uhlman. The name submitted by Leona and judged the most appropriate by the Recreation Committee was "River Hill Park." An appropriate sign will be erected at one of the entrances to the park courtesy of the Aid Association for Lutherans. The Board extended a "Thank You" to all persons involved in the contest.

The certified survey map dated May 19th, 1980, a division of the lone Honeck property lying east of Highland Avenue and south of Main Street, which had previously been approved by the Plan Commission, was accepted and approved by the Board. Motion by Trustee D. Nigh, seconded by Trustee Herriges. Voice vote was unanimous.

The application of John Kleinke for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises located at 1310 Riverview Drive for the period of July 8, 1980, to June 30, 1981, was approved and the Commissioner was authorized to issue the proper permits upon payment of the required fee. Motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

The letter of resignation (for personal reasons) of Trustee Carl Spoeth, Jr. was read by President Stollenwerk. The resignation was accepted and placed on file.

Administrator Schmidt explained that the vacancy for Trustee could be filled either by appointment or by a vote of the electors at the 1981 April election on a special ballot. After discussion, the Board decided to fill the vacancy by special ballot at the 1981 April election. Motion by Trustee Mlodzik,

seconded by Trustee Rohrer. Voice vote was unanimous.

The total of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh were as follows:

Vil. General Fund 107,335.03
Water Dept. Fund 1,432.86
Sewage Dept. Fund 8,597.15

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

Motion to adjourn into closed session under Chapter 19.85 (e) of the Statutes to deliberate the possible purchase of public land was made by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

William S. Martin
Commissioner

The freckle-faced little lad was trying to outline some sort of pedigree for his dog in order to describe the pet to his teacher. Finally he exclaimed, "Gosh, I guess he's a mixed-up kind — sort of a cocker scandal."

Training Available at MPTI for Unemployed

Did you know that the Wisconsin Unemployment Compensation Law encourages the unemployed worker to seek training and retraining? According to the law, "benefits shall not be denied to any otherwise eligible for any week because he/she is enrolled in an approved full-time course of vocational training or basic education which is a prerequisite to such training." The training is intended to increase the unemployed person's opportunities to obtain employment. The training must be approved by the local Job Service-Unemployment Compensation Division. The program should be 10 months or less in length, and should not grant substantial credit leading to a Bachelor's degree or higher.

A person enrolled in an approved training program will not be disqualified for refusal of

work. In addition, the unemployed person need not meet the work registration requirements.

Moraine Park Technical Institute offers a variety of educational opportunities in durations of 10 months or less. Moraine Park provides vocational training of various dimensions to meet the education interests, needs, and abilities of unemployed persons. Certificate and Vocational Diploma programs are offered on a full-time and part-time basis. Generally, these programs are one year or less in length. Many of the courses are offered in the evening hours as well as during the day.

For more information, contact your local Job Service Office or the Student Services Office at any Moraine Park Campus.

Housework is what a woman does that no one ever notices unless she doesn't do it.

Poor Shopping Habits Add Extra Cost to Everyone's Food Bill

Are you a supermarket "caresser?" That's the shopper who loves tomatoes, peaches and green beans so much there is no resistance to squeezing, caressing and pinching them. Or maybe you're run into the "defroster," or the "scatter."

Supermarket vandalism, even though it may be unintentional, directly contributes to the increasing cost of food prices.

Produce managers expect a certain amount of handling in order to make good selections but throw-aways from rough caressing are costly.

You may have seen tracks left by a "defroster" in the store--someone who returns a soggy package to the freezer after it's started to defrost or left it sitting in the canned goods department. You can help by waiting until the end of your shopping trip to pick up frozen or refrigerated items.

Closely related to the "defroster" is the "scatter."

That's the one who leaves a can of vegetables in the housewares department or a bag of grapes in the bread rack.

A scatter's habit not only adds to food spoilage but also prompts the hiring of extra help to keep shelves orderly.

Also contributing to the food spoilage bill is the "taster." Some shoppers just haven't learned to depend on the silent salesman--the package and its label. Everyone pays for the nibblings of the taster.

Then there are the "punchers." When buying meat they feel for hidden bones, pinch for fat and jostle packages to see what lies beneath. The packages eventually break, leak and the meat becomes contaminated and dried out.

Avoid being a puncher by reading the label with grade, cut, quality, price, weight and U.S.D.A. inspection sticker on it. The meat manager will also

help make meat selections.

There are others, like the "pacifiers," who feed unpaid-for fruit and candy to their children to keep them quiet, the "spillers," who drive their carts wrecklessly and the "checkout jammers," who send the bagger off to weigh a bag of apples or check a price.

These shopping habits add to the store's overhead and help drive food prices up.

Summer Playground Notes

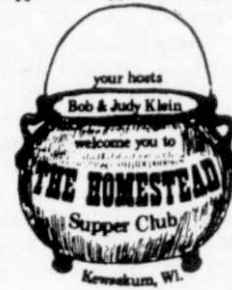

The Summer Playground entry in the recent Kewaskum Parade turned out to be quite successful. About 15 children helped build our giant dinosaur and the following children marched in the parade: Elaine Berndes, Jessie Koch, David Garvey, Jason Gengler, Leona and Laurice Thull, Brenda and Becky Falk, Mike Johann, Tanya Beske, Marie Garvey, and David Berndes. Thanks to everybody's hard work we were able to present an entry that won 3rd prize in the kids division.

The Juvenile Decency Award for the week of July 7th went to Mike Johann. The award for the week of July 14th was given to Stephanie Hinz.

This sixth week of Summer Playground was Wide-World Week. The children made Japanese Origami birds, English tops, and Spanish Papier Mache' Maracas.

Nylac cleans kitchen carpeting beautifully in 15 minutes. Dry in one hour. No machine. Ask Miller's of Kewaskum.

PLAN FOR GOOD FREEZER MANAGEMENT

Freezing is the best way to preserve tempting and nutritious foods. It's fun to keep the freezer stocked - for the convenience and enjoyment of the whole family.

The secret for success is a simple management plan, a plan that keeps your storage space working for you. Keep the freezer full of a variety of top quality foods, yet draw from the supply constantly. It is using, not saving, freezer foods that pays.

Here are some ways to save freezer space:

*Freeze only the amount you are sure to use within their recommended storage time.

*Use square cornered containers instead of round. Buy or pack homemade ice cream in rectangular cartons. Freeze casseroles in flat rectangular utensils - they thaw and reheat faster.

*Bone and trim fat from meats before freezing.

*Package steak and sliced meats flat - not rolled.

*To give regular form to shapeless plastic bags, put them inside paper cartons, fill and freeze. Butter, milk and ice cream cartons can be used with a plastic liner.

*Bake square loaf and layer cakes in square pans and square cut cookies and biscuits. They will store more easily in less space.

*Use containers that stack well. Avoid overfilling cartons; to prevent them from bulging, allow them to stack evenly after freezing.

*Use a plastic refrigerator "crisper" or large square carton to confine miscellaneous odd shaped items.

*Have a good supply of containers with assorted dimensions. This allows you to fill your freezer with no left-overs space.

Be sure to package and clearly label and date everything you freeze. Know how long it is recommended to be stored. Post an inventory list close to the freezer. Refer to it when planning meals; using

frozen foods within their recommended storage time.

LOCAL WATER FIGHTING TEAMS WIN 2 TROPHIES

The Kewaskum Fire Department men's water fighting team took second place at Lomira Saturday night and the women's team also placed second at Batavia Sunday. Both teams were awarded trophies. The local teams placed second to Campbellsport at both places.

THEFT AT HON-E-KOR

A bag with \$100 in change, a digital watch and six golf balls was reportedly stolen from a car in the Hon-E-Kor Country Club parking lot on the east side of Kewaskum last Tuesday, according to a complaint filed with the Washington County Sheriff's Department.

WRITE FOR FREE PUBLIC TRANSPORTATION GUIDE

MADISON, WI - A free brochure which lists the names and addresses of transportation

companies for air, rail, bus, and ferry systems serving Wisconsin, is available from the Wisconsin Division of Tourism, according to Donald A. Woodruff, Executive Director.

The brochure gives information "for most incorporated cities and villages of more than 500 people, with intercity facilities," and also indicates which of the cities has city bus or taxicab services.

Also included on the brochure is a map showing Wisconsin public transportation routes.

The guide is available by writing: Division of Tourism, State of Wisconsin, P.O. Box 7606, Madison, WI 53707.

WISCONSIN ELECTRIC WANTS TO HELP PUT SOLAR ENERGY TO WORK FOR YOU.

At Wisconsin Electric, we're looking for all possible solutions to the energy problem. We believe the sun is one important source of energy that should not be overlooked.

While it may be some time before the use of solar energy is widespread, solar water heating is possible right now. So, if you want to put the sun to work in your home, it can be done. And we can help you do it.

THE PROGRAM

To demonstrate the potential of solar water heating, we're starting a program to install solar units in 300 of our customers' homes over the next two years. This offer is part of the largest solar demonstration ever conducted in Wisconsin.

The solar water heating units will be sold to qualifying customers on a first-come, first-serve basis. Through volume buying and competitive bidding, the savings will be significant. To provide the most economical installation and to maximize performance, we will install only a standard system and cannot customize the system to fit all homes. The complete system, including installation, is available now for \$2575. (That is a firm price for 1980.) State and Federal tax credits and direct refunds could cut your cost in half.

Qualified contractors selected by Wisconsin Electric will install the equipment under our supervision. Wisconsin Electric will also provide a limited, 5-year warranty on the equipment.

THE SYSTEM

The system we're using in the program was chosen because it has performed well in Wisconsin's climate. Last fall, four Wisconsin Electric employees purchased solar water heaters for their own homes to test the system's durability and performance. After a winter of successful operation, the program is now being expanded to include up to 300 customer homes over the next two years.

The unit consists of two collector panels mounted on the roof, some piping and a special water heater which replaces your existing water heater. A back-up electric heating element in the water heater helps out whenever necessary.

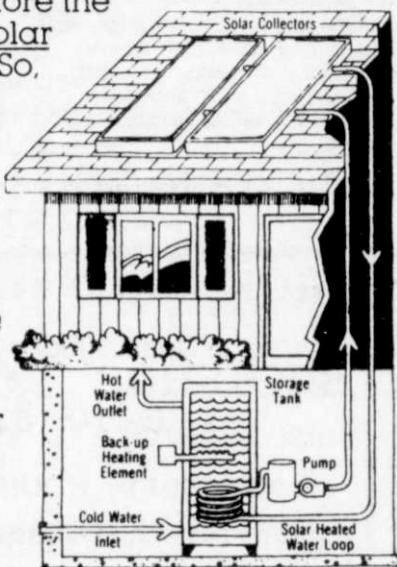

We expect that the sun will heat about half the hot water a

family of four uses over a year's time. So the savings in energy could be significant, especially when you consider your water heater is one of the biggest energy users in your house.

THE FIRST STEP

If you'd like to take part in this program, you can take the first step by writing for an application. If you'd like to work with us in putting the sun to work, we're looking forward to hearing from you.

There are solutions to the energy problem. And they'll all work better if we all work together.

ELIGIBILITY REQUIREMENTS

To provide the most economical installation and to maximize performance, several qualifications must be met.

Your home must:

- Have no more than five people living in the household.
- Be a single-family residence.
- Have a roof that (1) has common shingles -asphalt or a similar type (2) slopes (3) faces south (4) is in direct sunlight between 9 a.m. and 3 p.m.
- Have no more than two stories.
- Have an unfinished attic with adequate space for a worker to install piping.
- Have an unfinished basement or utility room. The ceiling must be at least 7 feet high and floor space of at least 5 feet by 5 feet must be available for the tank. All doorways into this space must be at least 30 inches wide with ample room for turns.
- Have an electric service capacity of at least 100 amperes.

You must:

- Own the home
- Be a Wisconsin Electric customer.
- Be willing to invest \$2575 in a solar water heating system. (Tax credits and a direct refund could cut the cost in half.)

If you believe your home meets these qualifications, mail this coupon now. An application will be sent to you. After reviewing your application, we will inspect your house to assure that our system can be installed. Detailed information will be provided at the time of inspection. However, if you have questions, please call your local Wisconsin Electric office. In the Milwaukee area, call 277-2855.

I want to participate in Wisconsin Electric's solar water heating program and am willing to invest \$2575 in this system. Please send me an application form.

A Year of Work Goes Into County Fair Exhibits

The Washington County Fair is just about here. The fair opens at 5:00 p.m. on Wednesday, July 23, with the carnival and rides going. Entry day, when the articles will be brought in and many of them judged, is on Thursday, July 24.

One of the main purposes of a county fair is to have exhibits that were made by 4-H and FFA members, Boy Scouts, Girl Scouts and members of other youth groups. It's an opportunity for them to show what they have done. Their exhibits can be judged according to certain standards and the members given helpful comments on how to improve in the future.

As we view these exhibits we should keep in mind one important fact. Most of the members started out at the beginning of the year with no knowledge or very little knowledge about the project from their leaders and parents. They try to develop the skills so that they could be able to make the articles themselves. In most cases the articles would not be perfect. Instead they are just steps along the way of learning a skill. Some of the articles may have been made by 9 or 10 year olds who are in the project for the first year. Some of them may have been made by older members who had several years of experience in the project.

So as a member brings his articles to the fair, I think he should consider this a learning experience. Listen to the helpful comments and suggestions that the judge will make. Ask the judge questions about problems you may have had in making the article or other suggestions for improvement.

The county fair is an excellent exhibit by youth from all over the county. Imagine how many skills have been learned by all of the members as they worked and learned to make their fair exhibits.

Benedict Candidate For Congress in 9th

Gary Benedict has announced his candidacy for the Democratic nomination for Congress in the 9th District. Benedict is the Assistant Superintendent for Curriculum and Instruction for the Mukwonago School District.

Gary, a carpenter's son, his wife Carmen, adopted son Andrew and daughter Anne, live in the house he and his father built in New Berlin where he has resided for eleven years. The candidate is making his first try for public office.

Currently, Benedict is President for the Marquette University Chapter, Phi Delta Kappa. Last year he was chairman of the New Berlin Cancer Society residential crusade. Gary has a bachelor's degree in elementary education, a master's in administration and supervision and a doctorate in educational psychology.

Prior to becoming an assistant superintendent, Bene-

dict was an administrator in Merton and taught school in New Berlin. He has also done part-time teaching at Lakeland College, Sheboygan.

Fred Subke of Mukwonago will serve as Gary's campaign treasurer. The campaign is being managed by Sara Lee Johann of Cedarburg.

Gary and his family reside at 21388 Oakcrest Dr., New Berlin.

For more information about the Benedict campaign, contact Hope or Bob Cross, 677-3126 in Washington County.

State Sen. Johnston Announces Candidacy

GERMANTOWN — State Senator Rod Johnston announced his candidacy for election to a full term representing the 4th State Senator District. Johnston won a special election in April of 1979 to fill the unexpired term of F. James

Sennenbrenner, Jr. who vacated the Senate seat after his election to the Congress.

Johnston stated that if elected he intends to continue his efforts in developing a more equitable tax policy in Wisconsin, to support programs which would encourage those receiving unemployment compensation or public assistance to return to the work force in as short a time, as possible, and to support legislation to control the growth of government by limiting state spending to the growth rate of the adjusted gross income of Wisconsin wage earners.

The 4th State Senate District consists of the southern and eastern half of Washington County, including the Town of Farmington, Mequon and Thiensville in Ozaukee County, and the northern suburbs of Milwaukee County.

THE MOST VALUABLE COUPON IN TODAY'S PAPER.

\$18

YES

You may install a control device on my electric water heater circuit. I understand that I will receive a \$1.50 credit on my electric bill every month (\$18 a year), for as long as I'm in the program.

(please print clearly)

NAME _____

STREET _____

Your Signature _____

(And Homeowner's if Not The Same)

Mail this coupon to WISCONSIN ELECTRIC, ROOM 377, 231 W. MICHIGAN, MILWAUKEE, WISCONSIN 53201 (Or return with electric bill)

This is no ordinary newspaper coupon. It's worth more than typical coupons, and it can help accomplish a lot more, too.

If you have an electric water heater, this coupon can help you receive a \$1.50 a month (\$18 a year) credit on your electric bill, and help Wisconsin Electric do something about the energy problem at the same time.

And filling out the coupon is the hardest thing you'll be asked to do.

A service man will call you to set up a convenient time for him to install a small device on your water heater circuit, at no cost to you.

This device will switch off the heating element in your water heater for short periods when the demand for electricity in the community is high.

Since your water heater stores a large supply of hot water, you'll still have plenty to use.

With this simple device, we'll be able to reduce the demand for electricity enough to meet the needs of 50,000 more homes without building more power plants, which will save us all a lot of money.

It all starts with this coupon.

Cut it out.

Fill it out.

And you'll be helping out.

There are solutions to the energy problem. And they'll all work better if we all work together.

Special Identification Cards Now Available for Physically Disabled

The state department of transportation has implemented a program to issue special identification cards providing special parking privileges for physically disabled persons.

A new state law provided for issuance of the cards to Wisconsin residents who are either temporarily or permanently disabled. Norbert K. Anderson, administrator of the division of motor vehicles, said an emergency rule was adopted June 30 allowing the division to issue them.

When properly displayed — on the left sun visor, left dashboard or left front windshield — the motor vehicle is exempt from state law or local ordinances imposing time limitations of parking on any street or highway zone, or municipal parking lot with one-half hour or more limitation. It may be parked in spaces reserved and marked for use by handicapped persons, and is exempt from meter payment when time limitation is one-half hour or more.

Anderson said application forms require a physician's signature attesting to the physical disability which makes the applicant eligible for the identification card. A U.S. Veterans Administration statement providing the necessary information may be used to establish eligibility for an identification card. If the disability is temporary, cards will be issued with

an expiration date.

The cards, which bear the "disabled person" symbol, may be used when parking any motor vehicle, including motorcycles or mopeds. The cards will be especially useful to persons who depend upon friends or neighbors for transportation, Anderson said, since they may be used on any vehicle parked on behalf of the holder.

Anderson said only one card will be issued to any individual, and only to those over one year of age.

Application forms may be obtained by writing the Support Processing Unit, Motor Vehicle Central Office Services, P.O. Box 7911, Madison 53707. Cost of the identification cards will be a one-time charge of \$3.

WALL MAPS AVAILABLE FROM DEPARTMENT OF TRANSPORTATION

A 40-by-46 inch, plastic official highway map of the state is available on request from the department of transportation at a cost of \$2.60 including tax and mailing, the department announces.

Orders should be addressed to: Document Sales, Wisconsin Department of Transportation, P. O. Box 7426, Madison, WI 53707.

The maps may also be purchased at the Hill Farms state office building, (Rm. 4B), 4802 Sheboygan Ave., Madison.

County Committee On Aging Developing Plan for Older Adults

The Washington County Committee on Aging and Advisory Council on Aging is in the process of developing the 1981 County Plan. The County Plan is detailed description of the needs of the older population, the purpose and responsibilities of the aging unit, identifying the interests and concerns of the county's older people, and allocating state and federal monies earmarked for the older population.

For the past year, the Aging

Unit has been responsible for distributing funds allocated for older adults in Washington County. The purpose of these funds are to support organizations who provide various services to people sixty years and older in the county. A service proposal must be completed by organizations seeking aging unit funds.

If an organization is interested in applying for Older Americans Act, Title III funding for 1981, contact the Washington County Office on Aging, 401 E. Washington Street, West Bend, WI 53095, or call 338-4497. Service proposals are available

through the Office on Aging and are due by Monday, July 28, 1980 at 5:00 p.m. In early August, the Aging Unit will determine how they will allocate funds for services to the older population.

Everyone shares his birthday with at least nine million other people.

CARDS OF THANKS

Thank you to all who remembered us in the loss of our dear wife, mother, grandmother and great-grandmother, EVELYN LUDWIG. Special thanks to Rev. Paul Hoenecke, organist, choir, pallbearers, donors of memorial and floral offerings, cards, food donors, Twohig's Funeral Home, police officer and to all who showed their respect and helped in any way.

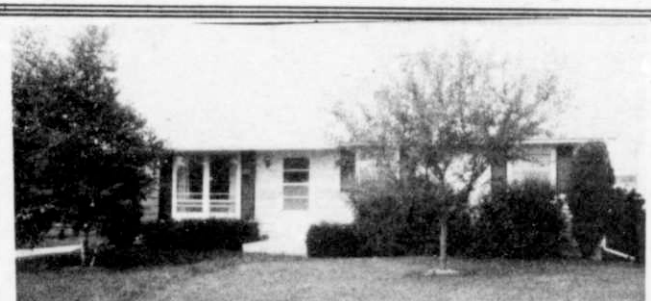

Vilas Ludwig and Family

IN MEMORY

In loving memory of Raymond Klug, who passed away 5 years ago, July 15, 1975.

They say that time heals all sorrow,
And helps us to forget,
But time so far has only proved,
How much we miss him yet.
God gave us strength to face it,
And courage to take the blow,
But what it meant to lose him,
No one will ever know.
Loved and missed by his wife and family.

Indians Place Three on All-Conference Team

Coach Mike Theiler of Kewaskum was proud to have three of his players named to the Scenic Moraine all-conference baseball team, selected by the coaches. The Indians tied for second place in the Scenic with an 11-5 record. Losses in their last two games cost them undisputed second place.

West Bend East's undisputed champions (15-1) also had three players picked on the all-conference team. East's only loss was to Kewaskum in a 1-0 pitchers duel. The Suns' Bill Froehlich, 6-3 senior right hander, who leads the league in many categories, was one of only two unanimous choices.

The three Kewaskum players selected were:

Pitcher Jeff Geidel, only a sophomore, who chalked up a 7-2 record in the Scenic Moraine and 9-2 overall. His earned run average was 2.2. He struck out 62 batters in 62 innings while giving up just 23 walks. [The Indians have only three seniors on this year's second place team; all the rest will be back next year, including all three pitchers, which should make for a strong team]. Geidel was the

first KHS pitcher for several years to be chosen and the first underclassmen in a long time.

Outfielder Mike Pettit, a senior, who batted .500 in conference. Mike also has excellent speed and stole 13 of 13 bases. Pettit has been out with an injury since late in the season.

Shortstop Henry Schiliter, a senior, who hit .279.

ALL-SCENIC MORAINI CONFERENCE BASEBALL — FIRST TEAM

1st base — Rob McDonnell, Arrowhead, .450, Jr.
2nd base — Mickey Muenster, WB West, .319, Sr.
3rd base — Joe Wheeland, Grafton, .345, Sr.
Shortstop — Henry Schiliter, Kewaskum, .279, Sr.
Outfield — Mike Pettit, Kewaskum, .500, Sr.
Mike Zoelle, WB East, .336, Sr.
Erich Uebersohn, Arrowhead, .353, Sr.
Catcher — Doug Ganning, WB East, .417, Jr.
Pitcher — Bill Froehlich, WB East 9-1, Sr.
Pitcher — Jeff Geidel, Kewaskum, 7-2, So.
Utility player — Tim Nennig, WB West, .268, Sr.

SECOND TEAM

1st base — Bob Menzel, WB West, 276, Jr.
2nd base — Dan DeLaura, Germantown, .406, Sr.
3rd base — Jeff Stemper, Hartland, .240, Jr.
Shortstop — Mark Zanoor, Arrowhead, .314, Jr.
Outfield — Bart Randall, WB East, .455, Sr.
Jay Bayer, Slinger, .311, Sr.
Jeff Dhein, Germantown, .400, Sr.
Utility — Steve Pease, .379, KM, So.
Catcher — Mike Francolucci, Germantown, .381, Sr.
Pitchers — Bill Dekker, WB West, 4-2; Doug Konruff, Arrowhead, 6-1, Jr.

Indians Crush Campbellsport In WIAA Regional Opener

The Kewaskum Indians, who finished in a tie for second place in the strong Scenic Moraine Conference (including both West Bend teams) this summer, easily defeated Campbellsport in the WIAA Regional opener there Tuesday evening, 10-3.

As far as Campbellsport (which did not have a good year) was concerned, the game was as good as over after the first inning, in which the Indians jumped off to a 6-0 lead. Nine Indians went to the bat in the first inning.

Two more runs were added in the second to make it 8-0 and the final two were added in the sixth. In the meantime the Cougars came back with three scores of their own.

Randy Heberer got three hits in four trips, including a triple and two infield hits. He had missed the last game with Germantown. Henry Schiliter went two for four.

Winning pitcher was sophomore Jeff Geidel, although he was not sharp in this contest.

Steve Muench did well in two innings of relief. The Indians played also played well defensively.

Campbellsport was host to one-fourth of the WIAA Regional. Kewaskum not advances to the Sectional which is fed into by winners of the Oostburg-Random Lake game, the Ozaukee-Port Washington contest and the West Bend East-Slinger tilt. (Scenic champion West Bend East (15-1) was upset by Slinger this week in the Regional).

Indians Lose Last 2 to West Bend West, Germantown; Settle for 2nd Place Tie

The Kewaskum Indians hopes for undisputed second place in the Scenic Moraine Conference fell by the wayside when they lost their last two games the past week and had to settle for a second place tie with Hartland Arrowhead. Both finished with 11-5 records. West Bend East won the title with a 15-1 mark.

Fourth place West Bend West nipped the Indians here last Tuesday, 2-1, in a pitcher's duel. The victory improved the Spartan's record to 10-5 and dropped Kewaskum to 11-4, with one game to go for each.

West pitcher Jeff Sarauer won his third game in a row as he limited the Indians to 3 hits. He went the route, striking out 9 and walking 3. The weak hitting Spartans fared even worse, getting only 2 hits. But both came in the second inning when they scored their runs.

West's Tom Beck doubled and scored on 2 Kewaskum errors, then Tim Feit, who had reached base on an error, teamed up with Joel Frank, who had singled, and scored on a double steal.

Steve Yahr knocked in the Indians' only run in the 5th with a double.

Coach Mike Theiler went with Steve Muench on the mound to save all-conference Jeff Geidel for Tuesday's regional game, even though Geidel would have had 5 days and plenty of rest before then. Muench, who had pitched little this season due to an injury, spotted Germantown 10 runs in the first 2 innings as he gave up 6 walks and almost the same number of hits.

Kewaskum outhit the Warhawks, 9 to 5, and had at least 2 men on base in 5 of the 7 innings, but left many stranded. The Indians made a good comeback in the late innings but fell short. Muench helped the cause by smashing out a grand slam home run over the fence in the sixth. In the seventh, Kewaskum loaded the bases again, then Scott Muench lined out to right field. A hit or two at the right time would have won it for the Indians.

Steve Muench and Dave Donath each garnered 3 hits for the losers.

Thus the Indians ended up with a fine 11-5 Scenic record and 14-7 overall.

Closing out the regular season at Germantown Thursday night, the fifth place Warhawks surprised the Indians, 11-7, to ruin their chances for undisputed second place.

Biertzter Wins 40-Lap Feature

Etchie Bierzter of West Bend, won the mid-season 40-lap feature at Francis Creek Thursday evening.

He now holds a comfortable point lead in the Eastern Wisconsin Stock Car Racing Assn. over Frankie Heimerl, another West Bender.

Frankie placed second in the 40-lap feature with Billy "Schwartz" Johnson of Slinger and Willie Goeden of Kewaskum placing third and fourth consecutively.

For racing at its best take a night off and enjoy the three classes of cars, super modified, sportsman (late model) and hobby stocks at the Plymouth or 141 Speedway. There are many Washington County area drivers putting out their best driving abilities with the best appearing cars to put on a good and interesting show for the public.

Come and see Bierzter, Heimerl, Goeden, "Butchie" Hafemann, the Johnson Family of Slinger (Billy, Schwartz and Tommy), Fassbender, Ken Blaine, Andy Hall and many others from this area.
