Expect 400 Runners

Lions Club Chicken Bar-B-Q, Kettle 20 Plus 2 Run, Golf Tourney Sunday

On Sunday, August 17, the Kewaskum Lions Club will hold its seventh annual Kettle 20+2 Run. There will be 20 kilometer, 7.5 mile and 3.5 mile races.

Race time is 9:15 a.m. with registration from 7:00 a.m. to 8:45 a.m. Pre-registration is \$4.50 and registration on the day of the race is \$5.50.

There are 20 divisions for men and women in these races. Trophies, medals and ribbons will be awarded for places one through ten and free chicken dinners will be given for places one through five in each division.

Last year the races were hit by rain and co-chairmen

Howard Zemlicka and Dale Squier are hoping for good weather this time. A new all time high for runners is expected. Earlier this week Squier already had 175 racers pre-registered and anticipated about 400. Last year drew a new high of 320 runners and another 30 who had registered failed to run because of the rain.

Overall, women's defending champion Carol Janzen of West Bend expects to be back. She was winner of the 20 kilometer, 12.5 mile race. Racine's Jeff DeMatthe was the men's champion. He was not sure whether he would return because of another race.

Other events include a 9-hole flag tournament at the adjoining Hon-E-Kor golf course with a large number of prizes awarded for each of the various events of the tournament. Registration for the flag tournament begins at 7:30 a.m. and continues until 2:30 p.m. All events are open to the general public.

The Lions Club will be serving its famous bar-be-que chicken starting at 11:00 a.m. and continuing until all are served in the permanent shelter in the River Hills Park (old village park). The price is \$3.50 for adults and \$2.00.

For further information on races and golf events, contact Howard Zemlicka, 1527 Stark St., P. O. Box 245, Kewaskum, or phone 626-2754.

School Board Reviews Revised Athletic Code

By DAN MEILAHN
Statesman Staff Writer

The Kewaskum Board of Education reviewed a revised athletic code at Monday night's meeting and will reconsider it after several alterations are made.

The code lists training rules in effect at all secondary schools within the district for athletes during both the school year and summer vacation. The 4 basic rules are: no smoking; no drinking of alcoholic beverages; no unauthorized use of drugs; and the maintenance of general conduct to not discredit the athlete, parents, or school.

All athletes would be required to travel to and from out of town contests with the squad. They must also be in attendance for entire school days prior to and following an athletic event. This is to prevent skipping and the possibility of a sick player participating.

During out-of-season times, a first violation of the code would result in suspension from one scheduled contest of the next season. The second violation

would result in a 9-week suspension from events. Subsequent violations would mean a suspension of one calendar year. Violations of rules 4, 5 and 6 would result in disciplinary action to be determined by the Athletic Director and the head coach.

For in-season times, the first violation of the first 3 rules would mean a suspension for one-ninth of the total number of scheduled contests. A second violation result in a 9-week suspension and a third violation would involve a year's suspension. Once again, for rules 4, 5 and 6, disciplinary action would be up to the Athletic Director and head coach.

The major changes from the old code are the distinction between in-season and out-of-season athletes. Also an addition of a "good behavior" clause was demanded by the WIAA. This would allow an athlete's record to be considered clear if 2 years elapse from a violation without an additional violation occurring.

The board also wished to

Rod Luck of TV 12 Appears Here

Rod Luck - Bob Schmidt

Channel 12 Copter

(Mrs. Tom Jaeger photos)

Local residents, spectators and players were quite thrilled Saturday morning, August 9, when Rod Luck and Chopper 12 of TV Channel 12 made an appearance at the Kettle Moraine Girls Softball Tournament here around 11 a.m.

Upon arrival pictures were taken from the copter of the crowd waving. After leaving the cameraman off, pictures were then taken from the ground of the copter making a second landing, also of the Batavia-Long Lake game in progress and members of the Kewaskum No. 1 team.

Bob Schmidt, coach of the

Kewaskum No. 1 team, who was instrumental in getting Rod Luck to visit here, presented him with some National Champion summer sausage donated by Kewaskum Frozen Foods.

The TV program, "Milwaukee Sports Today," showing the pictures taken in Kewaskum, among others, was viewed at 10:25 p.m. the same night on Channel 12.

The tournament was held two weekends at the Kewaskum Kiwanis Community Park.

See related story on the tournament and Rod Luck on the sports page.

Jill Etta Wins At State Fair

A Washington County girl, Jill Etta, of 5599 Beechnut Drive, West Bend, had the champion crossbred barrow at the Wisconsin State Fair. The 221 pound barrow was a crossbred Hampshire and Duroc.

From here she hog entered in the Quality Pork Contest at Fort Atkinson, Wisconsin this week.

Last year her brother, Jon Etta, had the grand champion carcass at this show. Jon also had the grand champion hog at the Washington County Fair this year. The Ettas are five year winners at the Washington County Fair.

Senior Citizens Picnic Wednesday

The Kewaskum Senior Citizens Club will hold their annual picnic on Wednesday, August 20, at the Legion Clubhouse.

A potluck dinner will be served at noon. Please bring your own table service and a dish to pass.

Sen. Gaylord Nelson Guest at County Labor Council Meeting in Kewaskum

By DAN MEILAHN
Statesman Staff Writer

Senator Gaylord Nelson was a special guest at a meeting of the Washington County Central Labor Council at the Labor Hall in Kewaskum.

Jack Reihl, Secretary-treasurer of the State AFL-CIO had invited Nelson to attend a social hour on Monday evening.

The audience of union officers and stewards heard some brief remarks by Nelson, who is seeking his 4th term in the U.S. Senate.

Although reporters missed his original talk, Senator Nelson was kind enough to comment during an interview on the present recession and unemployment. He favored more public works programs, saying "In the situation of a recession like this, there are important public works problems, things that ought to be engaged in." He spoke of billions of dollars in bridges and sewage treatment plants that presently need to be built in Wisconsin. He advocated, "This is the time to release the highway funds to repair those roads and build the bridges to create employment."

Recently there was a deferral on releasing funds, but Nelson said he introduced a resolution to override the deferral and get \$44 million released for the construction of sewage treatment plants. He said 80 or 90 communities in Wisconsin could use such updated facilities. He cited Hayward in particular where a new school and a

prospective industry need the sewage facility before they can begin operation.

About his resolution, he said, "I did that because I thought it was poor fiscal policy to postpone starting construction of these sewage treatment plants. Secondly, during this recession, this is the kind of constructive work to create jobs that we ought to pass."

Another economic measure to spur domestic employment that Nelson advocated was a temporary ban on imported vehicles. He said the U.S. "ought to negotiate temporarily a limitation on Japanese auto imports." He added, "Ordinarily, I wouldn't support that...but we can't afford to let a major industry be permanently crippled. There are too many jobs and too much involvement of our economy." He continued that, "...every other manufacturing country in the world has limitations on the imports...all of them...including Japan."

Nelson was asked if he had any role in the Democratic Convention, and he replied he was not a delegate this year, although he had attended 6 National Conventions and 27 State Conventions.

When asked about the "Billy-gate" situation, Nelson replied that really nothing had been disclosed on any corruption on the President's part. He realized, "The hearings aren't over yet," but doubted if anything would come out of them.

Girl Scouts Welcome New Leaders

Why are we here? We dedicate ourselves to the purpose of inspiring girls with the highest ideals of character, conduct patriotism and service, that they may become happy and resourceful citizens. This was the theme of the Girl Scout leader orientation meeting held last week.

The Kewaskum area has a very active Girl Scout program, and we are very happy to say, an ever-expanding program. This spring a call went out for new leaders and eleven ladies were recruited. It is this kind of community response that makes scouting the wonderful program that it is.

We would like to extend a warm welcome to the following new leaders: Karen Cebula, Diane Rutherford and Mary Neckuty from Kewaskum; Phyllis Schwartz, Pat Redig, Joan Miranda, Kay Morlen, Adrienne Benes and Joanne Oneska from Farmington; and Ruth Betts and Judy Boland from Wayne.

Since Girl Scouting is a volunteer program, there are many ways in which you can help. Leaders need drivers, babysitters, cookie mothers, committee members and more. Whether you are married or unmarried, mother, father,

grandma or grandpa, and have some time or talent to share, give us a call:

Kewaskum - Pat, 626-4284; Farmington - Carol, 692-2755; or Wayne - Judy, 629-9378.

The rewards are many.

School Board

(Continued from Page 1)

Principal Clark Pearson include a statement that the awarding of letters may be endangered by any infraction. Letters are granted according to requirements set up by the individual coaches.

A lengthy and lively discussion centered around whether or not students going into a bar without drinking should be considered in the code. A question arose if attending wedding dances where beer was served would constitute a violation. Eventually it was decided that if students were with their parents, this would be acceptable and would be explained in the athletic handbook rather than in the code.

Board member Charles Ogi declared that the truth concerning any athletic codes was that they are set up with good intent but in reality are not obeyed, and citizens as well as school personnel may tend to "wink at" violations. He claimed it was "hypocritical" and added, "It's like putting a 30 mph speed limit on a superhighway. Nobody pays attention to it." Kewaskum Education Association President Bob Getter was equally adamant about this, saying, "Why the heck don't we take a stance sometime and say, 'no, we're not going to ignore it.'" Board member Jim Oelhafen reminded the board that its function was to merely set policy and take it from there.

Ogi also questioned if the code should extend to other extracurricular activities. The other board members felt it should only concern WIAA activities.

A gasoline bid of \$1.00357 per gallon was accepted from O'Connor Oil Co. of Fond du Lac. Business Manager Bob Borch had sent out notices to 14 vendors and got only 4 replies. The bids were all for prices as of August 1, 1980.

A fuel oil bid was accepted from Strobel Oil of Kewaskum. Five bids were received and if oil was consumed at the same level as last year, Strobel's total price would be \$29,456 compared to O'Connor's \$29,688.

In the event that neither oil

company can supply petroleum products, the school must resort to obtaining fuel from Quickflash of West Bend which is the "base distributor."

John Engelhardt and Sons, Inc. were awarded a milk contract with bids of 12 1/4c per 1/2 pint homogenized milk and 13 1/4c per 1/2 pint chocolate milk compared to 14c and 15c bids from Cedarburg Dairy.

Graduation next year will be on the last Friday of school or June 5. Pearson claimed that thought had been given to changing it to a Sunday to avoid the inevitable conflict with track sectionals. The board wished to try Friday for another year.

It was agreed that students who do not graduate will not be allowed to participate in graduation ceremonies as some parents had requested.

The board upheld its policy of allowing early graduation. Last year, 32 students completed their required 20 credits and were allowed to matriculate a semester early provided the parents signed a statement that the student had found employment. Pearson said the school urged students to stay 4 full

years, but, "Those that really want out, you can't teach them anything anyway." Board President John Tessar said, "I don't think we can question the parents if they give approval."

In 1977, 52 students graduated early when only 18 credits were required. The increase to 20 credits has created the preferred reduction in early graduations.

There was a first reading of lunch policies and changed rates for the coming school year. A daily ticket would cost 95c, up 10c from last year; a weekly ticket would cost \$3.75 for elementary students and \$4.00 for secondary students compared to \$3.25 and \$3.50 last year. Adult meals would cost \$1.10, up 10c from last year.

The only question arose on milk which doubled from 5c to 10c. Richard Zarleng, Director of Elementary Education, said that kindergarten fees had already been approved at \$6.00 per semester. Without changing these and using the new price schedule, the district would lose \$6.00 per year per student on milk. Finally a new

kindergarten fee of \$8.00 was approved to avoid subsidy of the milk and cracker program. Borch again explained that the food service is a non-profit self-supporting venture which usually has a cash base left over annually. This year it started with \$1600.

A teacher contract was approved for Judy M. Greatens who will be teaching Business Education at the high school as well as being a cheerleading and FBLA advisor. Lisa Hammer will be teaching 6th grade and graduated from UW-Oshkosh. Irene Stradtman was also hired as a 1/2 time kindergarten teacher.

The board approved the purchase of a bass guitar for \$500

and a bass drum for \$410. The guitar is needed in September for the Jazz Ensemble and the drum replaces a rapidly deteriorating percussive monstrosity. A piccolo and tenor sax purchase will be postponed.

Substitute teacher pay was changed to \$19 per 1/2 day and \$35 for a full day. After 10 days of subbing, the pay increases to \$40 per day. After 20 days, the pay is comparable to the regular salary schedule at a BA base.

LETTERS TO THE EDITOR

Dear Editor:

The Kewaskum Jaycees would like to thank Rosenheimer's for the chance to raise funds for our club. By allowing the Jaycees to set up fund-raising games at Rosenheimer's carnival sale, we were able to make some money which will be put towards community projects.

Sincerely,
Kewaskum Jaycees

Laubenstein-Schoenemann

Mr. and Mrs. Howard Laubenstein, Kewaskum, are pleased to announce the engagement of their daughter, Barbara Jean, to Joseph Alan Schoenemann, son of Mr. and Mrs. Arthur Schoenemann,

Cedar Grove.

Barb is a 1978 graduate of Kewaskum High School and is employed at Shopko, West Bend. Joe is a 1974 graduate of Cedar Grove High School and is employed at Pleasant View Farms, Cedar Grove.

An April 25, 1981 wedding is being planned by the couple.

4-H Leaders Plan For 1981 County Fair

The 1981 County Fair is still almost a year away but it's not too far to be thinking about it. The main topic at the 4-H Leaders meeting on Wednesday, August 20, at 8:00 p.m. at the West Bend Marine Bank will be suggestions for the 1981 County Fair. Now, while the 1980 Fair is still fresh in their minds, the leaders want to remember those things that went well which they would like to see repeated. They also want to be making suggestions for improving in the future. Mary Lynn Prost, the president of the Washington County 4-H Leaders Association invites all adult and youth leaders of the county to attend and participate. John Kohl, chairman of the county fair committee will be on hand to listen to the leaders comments and answer questions.

Other business at the leaders meeting will include an explanation of the 4-H Exploring project. Leaders of 4-H Exploring groups are invited to bring examples of things their members have made to more vividly portray the project. Other business includes reorganizing 4-H clubs, re-enrolling members for 1981 and nominations for officers of the County 4-H Leaders Association for the coming year.

Everyone qualifies for a TAX DEFERRED ANNUITY

Now everyone, even you, can postpone taxes while you plan for retirement.

Whether you are currently covered under a pension or profit sharing plan or not, you qualify for a West Bend Savings TDA (Tax Deferred Annuity).

A West Bend Savings TDA is designed to allow people to plan for retirement without having to pay any current state or federal taxes on interest earned. Taxes are paid only after the money is withdrawn — which is usually after retirement when most people are in a lower tax bracket.

The money you put in a West Bend Savings TDA today earns an annual yield of 9.83% and is insured safe up to a cumulative total of \$100,000 by the Federal Savings and Loan Insurance Corporation.

You can open your first TDA with a deposit of \$3,000. Additional TDA's can be opened as often as you like with deposits of \$1,000 or more.

Find out more about a West Bend Savings TAX DEFERRED ANNUITY at any of our seven convenient countywide offices.

This TDA is an annuity plan underwritten by the Wisconsin Employers Insurance Company and offered through West Bend Savings and Loan Association.

FOR THE BEST OF CONCRETE MATERIALS

from Tom Leitzke, R.P.H.

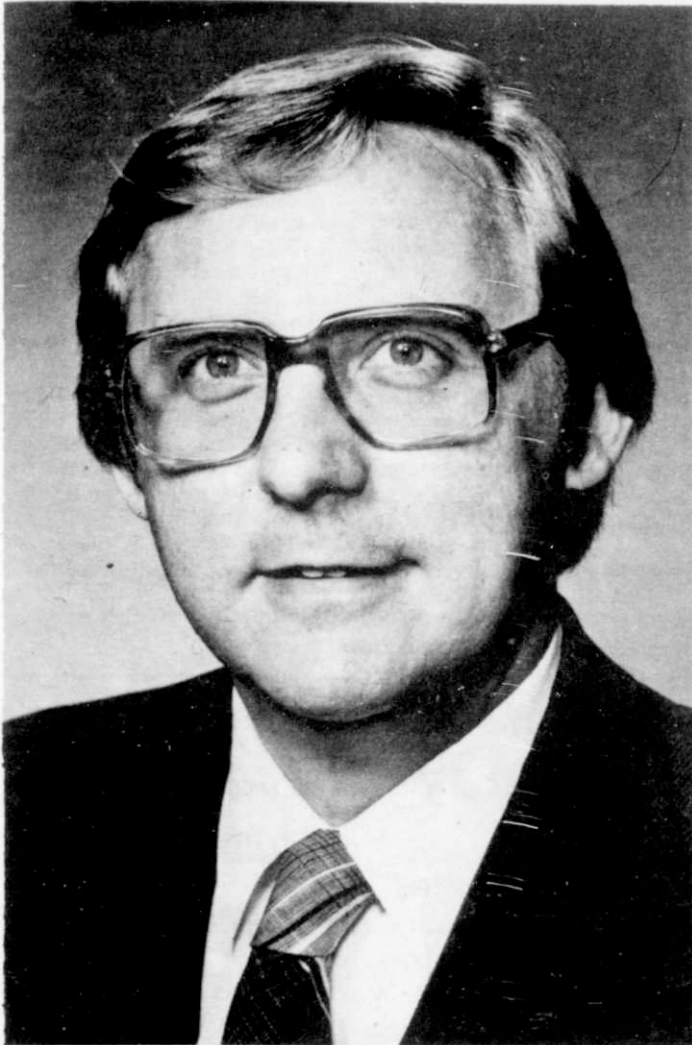

"In general, to use vitamin C for colds and similar illnesses, I think you need from 250 to 1000 milligrams a day," writes Dr. Lawrence E. Lamb in his health column. "Less than 250 won't help much, and more than 1000 won't give any added benefit."

"Some studies suggest that Vitamin C does help prevent the severity of colds, but there is doubt that large doses actually prevent colds," writes Dr. Lamb. Nevertheless, he states, "I don't think anyone is going to have any trouble from doses of 1000 milligrams a day or less."

Tim Coulter Promoted

Kewaskum Statesman, Friday, August 15, 1980, Page 11

Tim Coulter, 402 Kingsley Drive, Liberty, Missouri, truck tire specialist for Kelly Springfield Tire Company, was promoted August 1 to Division Sales Manager, Kansas City Division.

He has served in various sales positions since joining Kelly Springfield in August, 1966. Coulter was administrative assistant in Chicago, Illinois and San Francisco, California, and a district manager in Springfield, Illinois, Detroit, Michigan, and Green Bay, Wisconsin. He also served in the custom brands department in Chicago.

Tim is a graduate of Kewaskum Community High School, served in the U.S. Air Force, and attended Northwestern University, Wichita Falls, Texas and the College of San Mateo in San Mateo, California.

Tim lives in Liberty with his wife Carole, and two children, Mark and Susan. They are former residents of the Kewaskum area. He is a son of Mrs. Mildred Coulter of Brownsville and the late William Coulter.

Summer Playground Notes

The rainy season ended just long enough for us to finally hold our M.D.A. Carnival on Tuesday, August 12.

The children were able to play six different games, win prizes, and buy popcorn and lemonade. Even the losers of the games were rewarded with lollipops or balloons. All of the profits will be sent to the

Muscular Dystrophy Association.

Because this was "Closing Week," a variety of miscellaneous projects was offered. The children were given a choice as to which one or ones they wanted to make.

Polio has reached the epidemic stage in Kewaskum the past week with a total of eight active cases reported, five of them in the past few days. It is the worst epidemic of polio in the history of the village and has necessitated the restricting of all children to their own yards and the cancellation of all recreational activities. Dr. R. G. Edwards, village health officer, himself is one of the victims of the disease. Dr. Edwards has been ill this week and his sickness has been diagnosed as a probable case of polio. Those stricken with polio are Frank Schoenbeck, 8, son of Mrs. Gladys Schoenbeck, village; Steven Frazier, 11, son of the Paul Fraziers, village; Sue Sengpiel, 8, daughter of the Ned Sengpiels, village; Mary Reindl, 11, daughter of the Gilbert Reindls, Town of Kewaskum; Joel Peterson, son of the L. N. Petersons, village; Artie Buss, son of Mr. and Mrs. Arthur Buss, Sr., village, and Dr. Edwards. The eighth case was reported to be August Kirchner, son of the Andrew Kirchners, Kewaskum rural route, who will be a senior in the local high school this fall. However, his illness had not definitely been diagnosed as polio at the time the health officer became ill.

The body of Pfc. Allen C. Mertes, son of Mr. and Mrs. Clarence Mertes of Kewaskum, who was killed in action in Korea on November 4, 1950, was returned home for burial this week.

Sister Mary Edward, the former Donna Miller of Kewaskum, daughter of Mr. and Mrs. Edward E. "Pat" Miller, was one of a class of 20 Sisters invested in the Sisters of St. Francis of Assisi on August 12 in Milwaukee.

Kewaskum's new sewage treatment plant just south of the village was put into operation for the first time Tuesday. The

incinerator has also been installed and work on it completed but it has not been tested yet. When all of the work on the sewage plant is finished the cost will run about \$260,000.

A daughter was born to Mr. and Mrs. William Meyer, Campbellsport, August 11. Sons were born to Mr. and Mrs. Fredric Spoerl, Kewaskum, on August 13; to Mr. and Mrs. Bernard "Barney" Strobel, Route 3, Kewaskum, on August 13; and to Mr. and Mrs. Donald Jones, Route 1, Kewaskum on August 16.

In what, no doubt is one of the worst automobile accidents that has ever occurred in this part of the state, happened Wednesday afternoon, when four people were killed and one seriously injured when two cars collided on Highway 55, about two and one-half miles north of Kewaskum at the Jean Koepke farm home in the Town of Auburn. All of the victims were from out of this area.

With the paving of Main Street, the Chicago and Northwestern Railway will make extensive improvements on the

Main Street crossing. The improvements to be made, according to word received by Station Agent Anthony P. Schaeffer from railroad officials are, the removal of the crossing gates, some of which has already been done; the switch on the west side of the main track will be straightened and as far south reaching the southern end of Roman Smith's new coal shed, or past to where the water tank used to be located; electric wig-wag signs will be erected to take the place of the old gates, and to make traveling doubly safe for traffic, a man will be stationed at the crossing during the day only, to warn against approaching of trains.

Otto Kempf of West Bend, son of Mr. and Mrs. Fred Kempf of New Fane and Miss Marie Koenings of Barton were married on Wednesday morning.

Joseph Brodzeller's barn in the Town of Addison was struck by lightning last week Friday and totally destroyed by fire.

The mill dam at Elmore broke out last Saturday morning. The

heavy rains during the night caused a washout which wrecked the dam.

Work on the new church is going on very rapidly now. The brick work is expected to be finished in two weeks. The trusses which carry the roof were erected this week.

Section Foreman John Deltgen was promoted by the North-Western Company last Wednesday as foreman of an extra crew of track men. Henry

Rathmann is the section foreman here now.

Passenger train No. 8, due here from the north at 8:40 a.m., was several hours late last Tuesday on account of the front truck under the tender leaving the track near Campbellsport.

IN MEMORY

In loving memory of our dear son and brother, Corporal Norman H. Johnson, who was killed in service in Korea, August 11, 1950.

Sad and sudden was the call
Of one who was loved by all.
The blow was hard, the shock severe,
We never thought his death so near.
Only those who have lost can tell

The pain of parting without a farewell.
There are many lonely heart-aches,
There are many silent tears;
God only knows how we miss him

At the end of all these years.
Often our thoughts do wander
To a grave not far away.
God took him home, it was his will,
But in our hearts, he liveth still.

If God had asked us, we would say,
"Lord, we love him, let him stay."
But God alone, who knoweth best,

Did sense his pain, and gave him rest.
So, until the day we all shall meet,
Norman's memory we shall always keep.

Sadly missed by his mother, Mrs. Doris Mae Johnson and sisters: Mrs. Milton (Mildred) Kreif, West Bend; Mrs. Jerome (Fern) Kreif, Kewaskum; Mrs. Norman (Lois) Straub, West Bend; Mrs. Myron (Evelyn) DeSmidt, West Bend; Mrs. Leonard (Darlene) Shaudvitis, Eden; Mrs. Robert (Faye) Wallenfelsz, Galesburg, Illinois, and brother George A. Johnson, Kewaskum, and Donald Lee Johnson, Grafton.

IN MEMORY

In memory of Adeline Volm, who passed away five years ago, August 18:

It was in summer, that I know,
For mother, God has stopped the world,
A welcome mat He then unfolded.

He took my mother by the hand,
And bid her enter into Heaven land.

For you, if mother still is here,
I hope my words are plain and clear.

Please pause, reflect, please do,
I plead, the days of life so quickly speed.

One day for you it will be true,
She will no longer be with you
So while you still this gift possess,
Whether clothed in silk or gingham dress,
Appreciate this precious gift,
Her days of life like sand will sift.

The Ed Volm family

Beechwood Wins 8th Annual Kettle Moraine Girls Senior Tourney Here

Beechwood senior girls beat Long Lake, 8 to 5, in the championship finals thereby winning four straight to go undefeated in winning the 8th Annual Senior Tourney held in Kewaskum last weekend. Long Lake took 2nd place, Kewaskum No. II took 3rd place (their highest finish ever), and Kewaskum No. I took 4th place, the same position their junior team won last weekend.

The old saying is that when tournament time comes, the season records don't mean a thing for a new season starts, as the excitement increases the adrenalin flow and makes many teams equal. An example of this was Kewaskum No. II. Tied for last in the league with a 2 and 9 record, Kewaskum was beaten by Long Lake in the last game of the season on August 6, 34 to 7, yet in the clash of both teams in the semi-finals of unbeaten teams in the tournament, Kewaskum knocked Long Lake into the loser bracket 6 to 5 in eight innings.

We were delighted and thrilled that Rod Luck and Chopper 12 of Channel 12 TV could make an appearance at around 11:00 a.m. on Saturday, August 9. Shortly before, the copter flew straight north right past us and we figured they missed us, but they saw some smoke towards Campbellsport so they checked this out first. As you know they had planned to come out for the Junior Tourney the previous weekend, but could not get airborne because of the severe thunderstorm watch in the Milwaukee area. Bob Schmidt contacted him on Thursday and Rod advised him that he would be out on Saturday if at all possible. Rod was presented with some of that good Kewaskum Frozen Foods National Champion summer sausage donated by the firm. "Boy," he said, "do I like summer sausage." He advised Bob that he would include Kewaskum Frozen Foods in his writeup for the TV program at 10:25 p.m. on Saturday evening, August 9.

While on the ground, the TV cameraman took pictures from behind the umpire of the Bata-

via-Long Lake game. So intent was he in his umpiring duties, that Harry Johannsen did not realize that the cameraman was behind him filming. Of course this brought out his best profile for the television viewers.

The TV program "Milwaukee Sports Today" started out with a picture of the chopper landing. (They had landed and took off again with the cameraman on the ground). Next it showed other places they visited (over 300 miles were traveled that day). Next were pictures of the Kewaskum crowd waving, then they showed the pictures of the game in progress while mentioning the Kewaskum Frozen Foods sausage he received. The final segment of the program showed the Kewaskum Team No. I.

The plaques were presented at home plate by Bob and Bobbie Schmidt, coaches of Kewaskum Team No. I. Again individual plaques were presented to each member of the winning team - Beechwood. The first plaque presented was for fourth place to Kewaskum No. I. When the team members came up to receive the plaque, they surprised Bob as they presented him with a plaque which read as follows: "To Bob Schmidt, Our Coach, 'Thanks' from Sr. Team of '80' from Brenda Manthei, Cathy Schlice, Debbie Schlice, Pam Perkins, Joan Hanrahan, Sue Bade, Linda Larsen, Lisa Matenaer, Cheryl Jaeger, Judy Schoofs and Bobbi Schmidt. This will be Bob's last year coaching the teams. Choked by this fine expression, it was difficult for Bob to make the next presentations.

Kewaskum Team No. I wishes to thank the many who helped to make these tournaments a grand success, the many parents of Kewaskum Team No. I, Augie Bilgo and his crew for the fine cooperation in getting the bleachers from the school grounds and other items, Tom Larsen and sons Brian and Craig for keeping the diamonds in shape throughout all the rainy weather, and to the umpires for the excellent job done.

Thanks also to Sue Westphal for throwing out the first ball to open the Junior Tournament on August 1, and to Jerry Stollenwerk, Village President, for catching the first ball thrown out by John Tessar, representing the sponsor of the senior team, Regal Ware, to start the first game of the Senior Tournament at 6 p.m. on Friday evening, August 8. Special thanks to our fine sponsors, Kennelly Pharmacy for the junior team and Regal Ware, Inc., for the senior team.

Program for Elderly Sports Enthusiast

A special Fellowship Day program has been planned at the Cedar Lake Home Campus for the community. Milwaukee Brewers representative John Counsell will be the speaker. Fellowship Day will be held at the House of Fellowship on the

Campus on Thursday, August 21, from 2:00 p.m. to 4:00 p.m.

Counsell, the Director of Speaker for the Public Relations Department of the Milwaukee Brewers, is well known in the Midwest for his excellent presentations. During his program he will show a film highlighting the Brewers in action and discuss the history of the team. A question and answer period will follow.

Community retirees and their grandchildren are most welcome to attend. Refreshments will be served immediately following the presentation.

MEN'S HORSESHOE LEAGUE

This week's match play saw four teams red hot, with the team of Struebing and Boegel winning three games to keep a slim first place lead, while the team of Rohlinger and Boegel won three games to gain a tie for the second stop. The teams of Theisen and Gengler, Shefka and Struebing won all three of their games to tighten the league standings and keep them in the running for the first stop position.

Dave Ray Wins First U.S.A.C. Feature

Dave Ray of Davenport, Iowa, won the 40 lap United States Auto Club sponsored midget race at the Hales Corners Speedway Friday night. It was the first feature in the U.S.A.C. circuit that Dave had won in a car built by him.

Dave was in competition with many former midget and sprint car champions and also an Indianapolis driver.

He won over Mel Kenyon, five time U.S.A.C. Midget Champion, Sleepy Tripp and Don and Rich Vogeler, all many times champions and Billy Engelhardt of Madison, an Indy driver.

Dave received a beautiful trophy for his win.

He is the son-in-law of Mr. and Mrs. John Heisdorf and husband of the former Debbie Heisdorf.

Congratulations Dave from

the entire Heisdorf family. A family celebration was held on Saturday night with 50 plus relatives attending.

Dave also won the 1977 Badger Midget Championship driving a John Heisdorf owned car.

Indian Football Squad of 54 Preparing for First Season in Eastern Wisconsin Conference

Head Coach Mike Fifrick has a large squad of 54 candidates preparing for the Kewaskum Indians' first season in the Eastern Wisconsin Conference in 1980. For many years, Kewaskum has been a member of the Scenic Moraine Conference, which has been disbanded with the start of this school year.

The seven schools in the Eastern Wisconsin Conference, together with new member Kewaskum are:

Chilton High School - Coach Robert Sager; enrollment 550.

Kiel High School - Coach Ed Conley; enrollment 655.

New Holstein High School - Coach James Flora; enrollment 850.

Plymouth High School - Coach James Beaver; enrollment 1009.

Sheboygan Falls High School - Coach David Casper; enrollment 680.

Two Rivers High School - Coach Gerald Bonino; enrollment 1065.

Kewaskum High School - Coach Mike Fifrick; enrollment 804.

The 1979 records for the Indians teams were: Varsity 2-7, JVs 4-3, and Frosh 0-6 in the Scenic Moraine Conference.

Members of this year's coaching staff are: Head coach, Mike Fifrick; assistant varsity coach, Perry Koth; head JV coach, Pat Gassner; assistant JV coach, John Nell; head freshman coach, Jim Westphal; assistant freshman coach, Dan Wangerin.

The Indians have only six lettermen returning this year. They are:

RANDY HEBERER - Randy was a two-starter last year as a junior. From his cornerback position, he was ranked as fourth leading defensive player

with 46 tackles and one interception. Offensively, Randy gained 56 yards in 14 attempts including a touchdown run against Germantown from the wingback position. He will probably be moved this year to linebacker on defense and to fullback offensively. Randy was voted the junior captain after last season and therefore should be a team leader this year.

PERRY KEMPF - Perry was starting safety last year as a junior. He had two key interceptions against Grafton and Mayville and was ranked ninth overall defensively with 32 tackles. Perry also played offensively both as tight end and open end where he caught three passes. He will probably be used strictly as a tight end on offense this season.

BRIAN DREHER - Brian was used primarily as a backup fullback, linebacker and punter last year, although he was a starter in three games. As a junior last year, Brian gained 78 yards in 19 carries including two touchdown runs. He averaged 32 yards per punt including a longest punt of 41 yards.

STEVE MUENCH - Steve was a starting offensive tackle as a junior last season. He also played frequently as a defensive lineman. Steve gave a steady performance at a position that often goes unnoticed. He plays a very "heady" game, no pun intended.

ROGER GAVIN - Roger was used primarily as a backup offensive and defensive tackle last year as a junior. He was ranked 13th defensively with 14 tackles. Roger has worked very hard during the offseason to improve his strength and agility.

DAVE DONATH - Dave was the only sophomore to earn a

varsity letter last year. Dave gained 98 yards in 20 carries and looked especially good in the final game against Germantown with his twisting and slashing style of running. Defensively, Dave played linebacker and showed that he had "a nose for the football." He will probably return punts and kickoffs this season.

TO THE FRESHMEN FOOTBALL PLAYERS

Pick-up equipment date is Friday, Aug. 22, from 8:30 a.m. until 12 noon. First practice is Monday, Aug. 25, from 3:00 to 5:00 p.m.

Other prospects, position by position (offense only) are:

Ends: Perry Kempf should be one of the starting ends this season. The other end position is wide open and will be selected from senior Bob Beisbier, Jim Krueger, Doug Petsch, Dale Rimmel and juniors Dave Goeden, Gill Heberer, Jim Krahn, Steve Straub, Marty Tackes and Tom Vorpahl. Since there is an abundance of end candidates, some of these boys will probably play another position before the end of the season.

Tackles: Steve Muench and Roger Gavin should have an edge at this position. However, they will be challenged by senior Jim Simon and juniors Jon Davis, Scott Nigh, Mark Raether and Mark Steger.

Guards: Since the starting guards from last year's team have graduated, senior Ken Schuette and juniors Bob Dei, Pat Miller and Jay Petermann have an equal shot at this position.

Centers: Both centers graduated last year, so this position is also up for grabs. Senior Dick Thompson and juniors Tim Endlich, Matt

Feyrer and Mike Sekeres will be vying for this starting job.

Quarterback: Two juniors, Rick Leitheiser and Jeff Geidel, will be working out at the quarterback position. Rick had a little more game experience, while Jeff has a strong passing arm.

Backs: The three returning lettermen, Randy Heberer, Brian Dreher and Dave Donath, should have the inside track on these positions. Juniors Randy Gau, Tim Heberer, Scott Stoltzmann, Randy Westerman and Pete Wiedmeyer will battle them.

Craig Hubbell, Tennis Champion

Craig Hubbell, Hillside Drive, Kewaskum, was among the champions in the West Bend Closed Junior Tennis Tournament completed last week. Craig was champion in his division of boys 11 and under. The announcement was made by the West Bend Park, Recreation and Forestry Department.

Craig is a member of the West Bend Junior Tennis Team who are the champions in the Southeastern Park and Recreation Commission League's Eastern Division. They finished with an 83-17 record.

He is the son of Mr. and Mrs. John Hubbell.

HON-E-KORNER

The Women's Golf Association held morning events on August 6, with a class event of Bingo-Bango-Bungo.

Class A winners were Judy Harlow, LaVerne Hron, Liz Nigh and Linda Schuetz with 9 points each. Class B winner Mary Toft also had 9 points. Class C winner with 8 was Gertie Backhaus and Class D was Mary Stutzman with 13 points. Mary also sank the longest putt on no. 18 which was the day event, and later took card honors. It was a clean sweep.

Eighteen hole low net winner with 75 was Linda Schuetz. Chip-ins were made by Diane Hoffman and LaVerne Hron.

Bridge winner was Corliss Fassbinder.

The Bill Bartelt Memorial Tournament, open to all women club members, will be played on Wednesday, August 20, with regular events. On August 27, the final M.A.S.T. meeting will be held at 8:30.

Heimerl Wins Feature At Francis Creek

Thirty-seven-year-old Frankie Heimerl of West Bend is shown above carrying the checkered flag after his 30 lap feature win at the 141 Speedway at Francis Creek Wednesday.

Frankie was second in time for the evening and is currently second in the point standings in E.S.W.C., with Etchie Bierterz holding first. But it was Frankie who came out ahead when the checkered flag dropped. Bierterz placed second in that event.

Bill Goeden of Kewaskum had engine problems again, but won his heat and the semi.

Heimerl lives with his wife, Gay, and his cheerleader daughters, Angie, who is his biggest fan, Jamie and Michelle, about four miles east of

West Bend.

Although he has been plagued by engine problems and accidents, Heimerl continues to keep up in spirits because of the good job done by his pit crew, and the support of his sponsors, Schlieper's Speed Shop, Flaherty Olds and Flicky's Tap.

Look for Frankie at Plymouth Fairgrounds, Francis Creek and Beaver Dam races. He'll be driving the red and white car with the blue Flaherty Olds wing.

At the Plymouth Fairgrounds on Saturday evening, it was Bill Johnson II of Slinger who came away the winner of the feature event for modified. Fuzzy Fassbender of Rubicon continued his streak by winning the semi.

Goeden Wins Dash for Cash

Willie Goeden of Kewaskum won the Dash for Cash at Slinger Super Speedway on Sunday evening. Goeden also came in second in the feature

that was won by Joe Laufer of Hartford.

Al Kulwicki of Milwaukee set fast time, but on the eleventh lap of the feature, he hit the

wall in turn two as Steve Seilegman of Milwaukee hit his front end. This was Al's second time into the wall in the last three weeks at Slinger.

FASTEST QUALIFIER - Al Kulwicki of Milwaukee in car no. 97 carrying the stars and stripes to open the night of racing at Slinger Super Speedway. Kulwicki was the fastest qualifier with an average speed of 62.43 miles per hour.
