Week's Wit

All marriages are happy. It's the living together after the ceremony that causes all the trouble.

Village Approves Revenue Bonds

Regal Ware Plans \$2 Million Expansion

By DAN MEILAHN
Statesman Staff Writer

An initial resolution for the Village of Kewaskum to issue up to \$2 million in Industrial Revenue Bonds for an expansion of Regal Ware Inc. has been approved by the village board.

James Reigle, President of Regal Ware, explained that the company has been considering construction of a 100' x 156' wide addition facing Second Street. This would be two stories and add some 15,000 sq. ft. in plant space and 5,000 sq. ft. in office space. A truck ramp for loading and unloading would also be constructed near the railroad tracks.

The building itself would be primarily painted concrete blocks with decorative panels and mounted metal lettering. Since Regal would have no further plans to expand southward, shrubs would be planted along Second Street. Reigle noted that 71 parking spaces would be eliminated but felt this could be compensated for.

Reigle said it may seem strange in recessionary times to undertake such a project, but he added that this will mostly likely pass - "We all know that nothing is forever." He also said they were "constantly

searching for ways ... to be more competitive in the marketplace," and this addition would be a boon to business.

Reigle requested that the village board act favorably on their request for Industrial Revenue Bonding.

Richard Weiss of the law firm Foley and Lardner has been engaged by Regal Ware to act as an independent bond counselor. He does not represent Regal Ware but acts to see that all legal aspects of this type of financing are met by the company, municipality, and bond purchasers involved.

Weiss explained this unique financing method to reporters prior to the meeting and later to the village board. Industrial Revenue Bonding occurs when a "municipality issues bonds to finance a project for a private entity." The main feature is that the municipality puts its name on the bonds but is not required to retire the bonds.

Weiss said, "The village possesses a power that no private entity has. This type of bond just like any bond that the village might issue is a tax exempt bond." Therefore, investors are willing to buy the bonds at a lower rate of interest.

This lower interest rate, estimated by Reigle at 9½ - 9¾% through Robert Baird and Co. of Milwaukee, is a means of less

expensive financing to the company.

The bonds would not count against the village's debt limit nor would they involve any payment of interest or principal from the general fund. Regal Ware would ultimately incur all expense of the bonding.

Weiss explained that the village's incentive to participate in the bonding would be to have local industry expand here as opposed to elsewhere. It would support the tax base and provide employment. Reigle estimated that 47 positions at Regal Ware would be created.

The process of Industrial Revenue Bonding involves two major steps. The village board must approve the initial resolu-

tion or an agreement in principle to issue bonds. This allows the company to contact purchasers and negotiate items. When the final complete bonding package is re-presented to the village board, the village adopts a final bond resolution.

Weiss said that on the date of closing, the village then issues up to \$2 million in bonds and these are sold to a bond purchaser. These bonds are only repayable by monies from Regal Ware. Along with the revenue bonding, the village would make a loan to Regal Ware with exactly the same terms and conditions. The "policeman" of this loan would be a trustee bank appointed by the village and company. This

trustee would collect the money from Regal Ware and do the record keeping. For the borrowed money, Regal Ware delivers a promissory note to the village which pledges repayment of the bonds.

The village board also approved a second resolution of waiver. Usually when a municipality issues bonds, bids must be taken for any project so the lowest bid can be accepted to protect the taxpayer. However, in this case, no taxpayer money is directly involved and the village agrees to allow Regal to use its best judgement in securing contractors.

Along with this, a waiver of a non-discriminatory clause was

(Continued on Page 4)

Elderly Housing Project of 36 Units Approved for Kewaskum

By DAN MEILAHN
Statesman Staff Writer

The Kewaskum Plan Commission has given its approval for an elderly housing project in Kewaskum. The commission will recommend to the village board that a 2.62 acre lot between Brooklane Dr. and Roseland Dr. be rezoned from a

P-1 Park district to an R-4 multiple family resident district.

Peter Kanup, a developer from Beaver Dam, plans to construct 3 separate buildings. One would have 24 units for the elderly including a 2-bedroom unit for the manager. Another would have eight 2-bedroom units for handicapped persons. The third would have two 2-bedroom units and two 3-bedroom units for single parents families.

Occupants in the elderly section must be at least 62 years of age or handicapped. Twenty-five percent of the occupants income would go for rent. If income was over \$18,600, the tenant would pay at the established rates with no subsidy from the government. Presently, there are 60 people on a waiting list.

The elderly unit would feature a community room, laundry facilities, and security provisions. Units would include a living room, kitchen, bath, and personal storage area. A small play area would be adjacent to the single family building.

Village Administrator Dan Schmidt and Trustee Raynor

Herriges and Don Mlodzik had visited Knaup's development in Beaver Dam. They were very impressed, particularly with the landscaping and grounds upkeep. Mlodzik also mentioned that Knaup seemed to perform extra duties as providing outings for some residents.

A public hearing on the rezoning will be held on Sept. 2. If the board approves this, Knaup hopes to begin construction in late October.

Blood Bank September 9

The Milwaukee Blood Bank mobile unit will be at the Kewaskum High School (old gym) on Sept. 9 from 1:30 to 6:30 p.m.

All past donors and prospective donors are urged to donate at this time. The center has issued a strong appeal for blood as the bank is at a dangerous low!

Questions can be answered by calling 626-4021.

Record 317 Runners in Kettle 20 Plus 2 Here

(Pat McRaddeen photo)

Despite rainy dismal weather in the morning [which kept participants below expectations] a record 317 runners took part in the Seventh Annual Kettle 20 plus 2 run sponsored by the Kewaskum Lions Club Sunday. The runners came from near and far.

One Kewaskum winner was Connie Zemlicka in the 7.5 mile event for women 30-plus. Connie has been named West Bend area runner of the month.

The Lions chicken bar-be-que starting at 11 a.m. was served to 1,026 persons. A 9-hole golf flag tournament at Hon-E-Kor was also scheduled in connection with the event and games and refreshments were enjoyed.

A complete list of the 20 plus 2 results will be found in the sport section of this issue.

Regal Purchases New Outlet Site in Kewaskum

Regal Ware, Inc. announced that it has purchased the current Minz Store and Lumber Yard site in Kewaskum from the H. J. Lay Lumber Co. Minz will continue to operate from this site until November 1. At that time, the store on the site will be remodeled including a new entrance on the west side of the

building.

Regal tentatively plans to move their Outlet Store to this location in the Spring of 1981. Until the remodeling is completed, the Regal Outlet Store will continue to operate at its present location, 143 Main Street, Kewaskum.

Winners of TV Set at Benefit Game

Pictured above are Amy Thomas, age 4, and Jason Thomas, age 9, of West Bend, happy winners of the color TV set given as 1st prize for the attendance drawing at the recent 25th Annual Benefit Baseball Game for Developmentally Disabled of Washington County.

The drawing was held in the last inning of the game in which Barton bested West Bend by a score of 5-3. Over 600 spectators witnessed the drawing and the game. Over 70 other prizes were given out.

The game was co-sponsored by the Washington County Association for Retarded Citizens, the West Bend Lithia baseball team and the Washington County Tavern League.

A special issue of Benefit Beer to commemorate the Silver Anniversary of the Benefit Game is still being sold. The beer was brewed at the Walter Brewery in Eau Claire, Wisconsin. This, one time only Benefit

Summer Playground Notes

The Kewaskum Summer Playground finished another successful season on Friday, August 15.

The number of children varied on a daily basis from a high of 27 children on the first Wednesday, June 18, to a low of zero on a hot July 25. The average attendance started at about 20 per day and gradually decreased to about 7 per day. The children who attended were from both the east and west side of the village, with about 30% or 40% being from outside the village. Most of the children ranged in age from 7 to 10 years old.

Visitors for one or more days were Jackie and Aaron Reigle from Wooster, Ohio; Tori Boyesen from Texas and Kris and Kerry Kane from Memphis, Tennessee. The Thull girls (Laurice, Leona and Petra) were the most regular in attendance. At times, they were the only ones there. Thanks to the girls for their cooperation and to Mrs. Thull for her helpfulness.

Our M.D.A. Carnival was successful due to the help of Kevin and Stephanie Hinz; Becky and Brenda Falk; Laurice, Leona and Petra Thull; Brian Leitheiser; Amy Schuh; Alison Malvick and Mrs. Uhlman. We were able to raise over \$14.00 for Muscular Dystrophy.

Thank you to all the local businesses who supported the Summer playground program by displaying our posters.

If anyone has any comments or suggestions for next years program, please make them known to Erv Uhlman or to Dan Schmidt at the Municipal Building.

Ralph Horner

Completes Course

MADISON — Ralph Horner of Kewaskum has recently completed an Independent Study course in Principles of Industrial Engineering through the University of Wisconsin-Extension.

Three semester credits of university credit are awarded for the completion of the course.

Horner, superintendent, Gehl Co., West Bend, is one of the more than 10,000 students who participated in the Extension Correspondence program during this past year.

Approximately 400 correspondence courses are available through Independent Study varying from high school English to advanced college engineering courses.

UW-Extension operates the fourth largest Independent Study Program in the nation. More information is available from the Washington County Campus, 338-1161, or the Washington County Extension Office at 338-4479.

Women Voters Seek Contributions

The Washington County League of Women Voters current activity is the finance drive which insures the vital services that the League provides for everyone.

Last year's contributors en-

able the League to sponsor four local candidate forums, a marital property debate, a county-wide promotion for the April 1 census and election day, and other citizen information activities.

It is necessary for the League to seek contributions from area business and individuals if membership dues (15.00) are to remain at an affordable level for all segments of the population.

All Washington County citizens benefit from the activities provided by the League. Please show your support by sending a check to the League of Women Voters-Washington County, c/o Jackie Hansen, Treasurer, 6034 Artist Bay Road, West Bend, WI 53095.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This picture is not a real oldie but one taken of the 1957 White Sox team of the Kewaskum Pony League, the first year the league was formed for kids 8-14 years of age. There were only four teams in the league at that time, sponsored by the Kiwanis Club. Other teams were the champion Yanks, managed by Alfred Kral; Cubs, managed by Cy Wietor, and Braves, managed by Ralph Marx and Rich Reigle.

First row, left to right: Ken Merwin, Gary Petri, David Ramthun, Bill Backhaus, John LaMarche, Joe Key, Bill Key.

Second row: Unidentified player, Bill Sengpiel, Dave Oppermann, Gary Reigle, Frank Schoenbeck, Dave Zehren.

Third row: Coach Mark Trott.

The photo was taken by Ned Sengpiel, who made 12 prints, which were never distributed to the players. Mrs. Sengpiel brought the prints into the Statesman office and any player pictured can pick one up free at our office.

Membership Tea For Woman's Club

Would you like to learn more about the Woman's Club? — what its aims are? — who belongs?

A "Membership Tea" is just the thing to help answer your questions. From 2:00 to 4:00 p.m., on Tuesday, August 26, Mrs. L. N. Peterson will be hostess to women interested in Woman's Club at her home at 328 Forest Avenue, Kewaskum. Members of Kewaskum Woman's Club will also be present to welcome you.

If you'd like to be a member, or if you'd just like to investigate the possibility, please feel welcome to stop at Peterson's home. The Woman's Club activities will begin again in September, after our summer vacation.

Rescue Squad Calls

Wednesday, Aug. 13 — Norma B. Schultz, 66, 8856 Hwy. 45, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from Lot 39, Johnson Trailer Court, with illness.

Wednesday, Aug. 13 — Christina Fell, 75, 3712 Bonnie Lane, Kewaskum, taken to St. Joseph's Community Hospital with chest pain.

Friday, Aug. 15 — Minnie Vorpahl, 74, 1218 Fond du Lac Ave., Kewaskum, taken to St. Joseph's Community Hospital.

Friday, Aug. 15 — Michael Gnacinski, 79, 17193 Tower Rd., R. 1, Adell, Town of Scott, taken to St. Joseph's Community Hospital with illness.

Regal to Expand

(Continued from Page 1)

included. This does NOT mean the company or municipality endorse discrimination in any sense whatsoever. Weiss explained that both parties were subject to general anti-discriminatory laws anyway. He also felt that it was not appropriate to attach the discriminatory concept to the bond issue where an innocent bond buyer may be erroneously punished in the event there is some abuse of anti-discrimination laws. A separate contract between Regal Ware and the village will establish a non-discriminatory policy.

It was mentioned that this type of bonding has been used extensively by many communities throughout the state since the early 70's.

The board unanimously approved the initial bonding resolution in a voice vote with President Jerry Stollenwerk adding, "We're very pleased to play an active role in your expansion..."

In other action, the board approved the rezoning of a parcel of land south of Hi-way "H" and approved a building permit to allow Minz Supply to begin installation of footings for its new hardware and lumber outlet.

The board will have a special session on Aug. 27 and 28 to consider the possible purchase of the Permutit sludge conditioner. The main dewatering device functions well but tearing of the screens on the press unit remains a problem.

Dan Schmidt reported on the recent clear water survey. He

said 5 residences have been given notices to correct a situation where clear water enters the sanitary sewer. Seven other residences will get notices for correction and 13 more might require some action.

Jeff Rohrer of the Parks Committee reported that at a special meeting, some citizens made some suggestions on park improvements. One citizen referred to an incident in which a youth ignorant of the rules was given a suspension from the park. He felt the rules should be more conspicuous, so large rules signs will be displayed at

the entrances to both parks.

The board also agreed to not sponsor flag football this year due to the danger and some budgeting problems.

Boy Scout Notice

All Kewaskum Boy Scouts and Webelos, parents and boys that will be 11 years old by December 1, 1980, and interested in joining the Boy Scouts — and their parents — can obtain information on the Kewaskum 1980-81 Scout program at the Legion Hall Monday evening, Aug. 25, 6:30 to 7:30 P.M.

Dairyland Seed Expands Facilities

Dairyland Seed Company, Inc. announces the completion of a new seed warehouse facility. The steel structure building is completely insulated and provides for an additional 22,000 square feet of warehouse space. Dairyland's total warehouse space just south of Kewaskum on Hwys. 45 and H, now exceeds 54,000 square feet.

Orville N. Strachota, President of Dairyland Seed Company, Inc. said, "The new structure will include a climatic controlled seed storage vault for Dairyland's Breeder and Foundation Seed Stocks." This will

be the third such storage vault incorporated in Dairyland's Research program, the other two being at the Research Station Farms at Clinton, Wisconsin and Sloughhouse, California.

According to Strachota, the additional facility was needed because "The past three years have been characterized by tremendous growth in both our dealer force and our sales volume." Dairyland's dealer force is now over 2500 strong.

Dairyland Seed Company is a family-operated company established in 1907. Sons Steve and Tom joined Orville and Ray Kubly in managing the company. Dairyland merchandises a full line of farm seeds to farmer dealers in the Midwest. An open house will be held at the Clinton Station on September 17 and 18.

Petri Family Reunion Held

Riverside Park, West Bend, was the site on Sunday, Aug. 10, of the Wendel Petri family reunion.

After potluck at noon, the day was spent visiting, picture taking and reminiscing.

John Falk was the oldest member present and Mr. and Mrs. Richard Hagner came the farthest distance. Brian Kluever, son of Tom and Doris Kluever, entertained the group with his accordion.

The new officers for next year are: Robert Petri, president; Paula Petri, vice president; Cheryl Geoffrey, secretary; Lucille Marquardt, treasurer; Verna Schaub, historian.

Riverside Park was chosen as the site for 1981 on the second Sunday in August. See you there!

from Tom Leitzke, R.P.H

We all are aware that hot, dry heated air of winter needs moistening to prevent parching of the mucous membranes in nose, throat and bronchials. Humidifiers do this job very well, and moist membranes are better able to resist cold and flu germs. But here is a caution. Thoroughly clean the humidifier annually to remove scale and mold, as the mold spores, if blown into the air and breathed, can cause allergies and flu-like symptoms on their own.

State Topographic Maps Available

Madison, WI...Hunters, trappers, cross country skiers, snowshoers and anyone in pursuit of Fall and Winter outdoor activities need reliable, accurate maps.

U.S. Geological Survey topographic maps show in convenient readable form the physical characteristics of the land terrain as determined by precise U.S.G.S. surveying.

These U.S. Government maps show the location and shape of hills, valleys and plains, the network of lakes, rivers and streams plus the principle works of man.

Topographic maps also reveal landmarks that otherwise would remain unknown. The nature of the land can be determined in advance by individuals using the maps.

An index showing the over

976 topographic maps that cover the State of Wisconsin is now available at no charge by sending a self addressed, large stamped (28c) envelope to: Topographic Maps, Box 5096, Madison WI 53705.

Work Progressing on Historical Society Log House

Marshal Reysen, member of the Kewaskum Historical Society, working on the foundation of the log house being erected on the site of the Historical Society on Park View Drive in Kewaskum. Marshal is proud to be working on the restoration of his forefathers' home. The Reysen family donated the log home to the Historical Society. It was dismantled and will again be assembled to its original structure on the new foundation. All donations from the Early Farm Days held recently and any other donations will be used in the reconstruction of the log home.

Ron Markus, a member of the Historical Society, mixing cement to place the stone on the foundation.

The Historical Society women also showed their interest in the restoration of the log home by pulling nails from the oak planks. Left to right: Kathy Paul, Isabelle Muckerheide and Vange Teeselink, curator.

Members placing the stones on the foundation: Left to right: Lloyd Westerman, Lloyd Teeselink and Phillip Schmidt. (Dolores Kleinke photos)

Female toads are larger than males and they cannot sing. Males serenade the females as a mating ritual.

IF EQUITABLE LIFE INSURANCE WERE A CANDY BAR, IT WOULD STILL COST A NICKEL.

For example, in 1967, the annual premium for a \$25,000 whole life policy on a 35-year-old man would cost you \$570.50.

Today you'd pay only \$511.50.

So it's no wonder your Equitable Agent is the last holdout against inflation.

LETTERS TO THE EDITOR

Kewaskum Statesman
August 11, 1980

Bill and Marcella, Publishers:

Enclosed is a list of the rules and regulations on our village ordinance book which I wish to have published because so many new people have moved into our fine village from various other areas, and a few of those newcomers are not aware of our set of rules which help to keep our village such a nice quiet place to live and raise a family.

We old Timers are proud of the way of life in Kewaskum and we hope to keep it that way too.

PUBLIC NUISANCES 10.05[1] NOT ALLOWABLE

(1) SIGNS, BILLBOARDS, ETC. All signs and billboards, awnings and other similar structures over or near streets, sidewalks, public grounds or places frequented by the public, so situated or constructed as to endanger the public safety.

(2) ILLEGAL BUILDINGS. All buildings erected, repaired or altered in violation of the provisions of the ordinances of the Village relating to materials and manner of construction of buildings and structures within the village.

(3) UNAUTHORIZED TRAFFIC SIGNS. All unauthorized signs, signals, markings or devices placed or maintained upon or in view of any public highway or railway crossing which purport to be or may be mistaken as an official traffic control device, railroad sign or signal or which because of its color, location, brilliance or manner of operation interferes with the effectiveness of any such device, sign or signal.

(4) OBSTRUCTION OF INTERSECTIONS. All trees, hedges, billboards or other obstructions which prevent persons driving vehicles on public streets, alleys or highways from obtaining a clear view of traffic when approaching an intersection or pedestrian crosswalk.

(5) TREE LIMBS. All limbs of trees which project over and are less than 10 feet above any public sidewalk, street or other public place.

(6) DANGEROUS TREES. All trees which are a menace to public safety or are the cause of substantial annoyance to the general public.

(7) FIREWORKS. All use or display of fireworks except as provided by the laws of the State of Wisconsin and ordinances of the Village.

(8) DILAPIDATED BUILDINGS. All buildings or structures so old, dilapidated or out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human use.

(9) WIRES AND CABLES OVER STREETS. All wires and cables over streets, alleys or public grounds which are strung less than 15 feet above the surface thereof.

(10) NOISY ANIMALS OR FOWL. The keeping or harboring of any animal or fowl which by frequent or habitual howling, yelping, barking, crowing or making of other noises shall greatly annoy or

disturb a neighborhood or any considerable number of persons within the Village.

(11) OBSTRUCTIONS OF STREETS; EXCAVATIONS. All obstructions of streets, alleys, sidewalks or crosswalks and all excavations in or under the same, except as permitted by the ordinances of the Village or which, although made in accordance with such ordinances, are kept or maintained for an unreasonable or illegal length of time after the purpose thereof has been accomplished, or do not conform to the permit.

10.06(9)

(9) All trees cut down pursuant to notice must be cut into lengths no greater than 3 feet and must be placed, in an orderly fashion, in the usual area where garbage is picked up, for removal and disposal by the Village at the Village's expense.

10.07 ABATEMENT OF PUBLIC NUISANCES

(1) ENFORCEMENT. The Chief of Police, the Chief of the Fire Department, the Building Inspector and Health Officer shall enforce those provisions of this chapter that come within the jurisdiction of their offices,

and they shall make periodic inspections and inspections upon complaint to insure that such provisions are not violated. No action shall be taken under this section to abate a public nuisance unless the officer shall have inspected or caused to be inspected the premises where the nuisance is alleged to exist and have satisfied himself that a nuisance does in fact exist.

(2) SUMMARY ABATEMENT. If the inspecting officer shall determine that a public nuisance exists within the Village and that there is great and immediate danger to the public health, safety, peace, morals or decency, the President may direct the proper officer to cause the same to be abated and charge the cost thereof to the owner, occupant or person causing, permitting or maintaining the nuisance, as the case may be.

(3) ABATEMENT AFTER NOTICE. If the inspecting officer shall determine that a public nuisance exists on private premises but that the nature of such nuisance is not such as to threaten great and immediate danger to the public health, safety, peace, morals or decency, he shall serve notice on the

person causing or maintaining the nuisance to remove the same within 10 days. If such nuisance is not removed within such 10 days, the proper officer shall cause the nuisances to be removed as provided in sub. (2).

(4) OTHER METHODS NOT EXCLUDED. Nothing in this chapter shall be construed as prohibiting the abatement of public nuisances by the Village or its officials in accordance with the laws of the State of Wisconsin.

(5) COURT ORDER. Except when necessary under sub. (2), no officer hereunder shall use force to obtain access to private property to abate a public nuisance but shall request permission to enter upon private property if such premises are occupied, and, if such permission is denied, shall apply to any court having jurisdiction for an order assisting the abatement of the public nuisance.

10.08 COST OF ABATEMENT

In addition to any other penalty imposed by this Chapter for the erection, contrivance, creation, continuance or maintenance of a public nuisance, the cost of abating a public nuisance by the Village shall be

collected as a debt from the owner, occupant or person causing, permitting or maintaining the nuisance, and if notice to abate the nuisance has been given to the owner, such cost shall be assessed against the real estate as a special charge.

10.12 PENALTY

Any person who shall violate any provision of this Chapter or permit or cause a public nuisance shall be subject to a penalty as provided in sec. 25.04 of this Municipal Code.

Sincerely,

R. G. Edwards M.D.
Health Officer

Nearly 4,000,000 children, or about eight percent of the total U.S. population of 5- to 17-year-olds, received special education during the 1978-79 school year. The most common disability requiring special services was speech impairment, which handicapped more than 1.2 million youngsters. Public schools throughout Wisconsin provide services to handicapped children between the ages of 3 and 21. (National Center of Education Statistics 1980 statistical report.)

Debbie Allmann Was AFS Domestic Exchange Student

Debbie Allmann

When school starts on September 2, Debbie Allmann, daughter of Mr. and Mrs. George Allmann of Kewaskum, will have to readjust to the life style of KCHS. Debbie, who is going to be a junior this year, spent the last semester of the 1979-80 school year as an AFS Domestic Exchange student in Boulder, Colorado.

The Domestic Exchange program is a living experience for students within the United States. After applying for the program through her high school AFS advisor, Debbie and her parents were interviewed. The program was explained to them, forms were filled out, and the New York office of AFS accepted Debbie and placed her with the Bob Linfields in Colorado. The Linfields had applied and were also accepted as an AFS family willing to share their home.

The Linfields have ten children, three still living at home, and their city of Boulder has about 80,000 people. For Debbie, an only child, living in the Kewaskum area, this was quite a change. Debbie said it was almost as hard to adjust to a big city living with different freedoms and a variety of recreational facilities, as it was to adjust to coming home again.

Debbie said Boulder has two high schools, Fairview High, which she attended, and Boulder High. Fairview had an open campus and a larger variety of classes to choose from than our school. Students wore much dressier clothes, such as dresses and high heels or suits for the guys most days.

She didn't like the "class" system the students seemed to group into. The names given to some of the groups were the Punks, Cowboys, Jocks, and Stonies (Burnouts).

Debbie loved the scenery and the weather. She liked having brothers and having just the family home for holidays and having the house full. Her family had a log cabin in the mountains which they used on school holidays for skiing and horseback riding. Their home in Boulder was part of a subdivision with a swimming pool, tennis courts, and shuffleboard court.

Debbie enjoyed her experience and feels she lived it as part of the Linfield family. She recommends others to take advantage of the program either by applying to go as a student or by opening your home to a

Domestic Exchange student for one semester. If you are interested, contact the high school AFS advisor, or a member of our adult chapter. If your organization would like to learn more about this program or Debbie's experiences, she would be happy to speak to your group.

Open Door of County Seeking Volunteer Hotline Operators

The Open Door of Washington County, Inc. is now accepting applications for volunteer Hotline Operators. The Hotline is a twenty-four hour phone service that serves Washington and Ozaukee Counties. The training program will begin on September 3, 1980, at 7:00 p.m. at the Open Door in West Bend. Volunteers make a four month commitment and work only eight hours per month on two shifts of their choosing. Most often, the shifts run from 6:00 to 10:00 p.m. Monday through Friday. In addition, a monthly in-service meeting is required.

Specifically, the program offers drug education, personal growth workshops, crisis intervention training and suicide prevention techniques. Volunteers will also have an opportunity to learn more about community services and to exchange thoughts and ideas with other individuals who are likely to have common concerns about current social issues.

The Open Door has found that some persons volunteer in order to gain worthwhile experience that can enhance a personal resume or aid college

studies. Others volunteer because they have heard that the experience is both unique and challenging. And still others volunteer because they simply want to help people.

Whatever the reason, the Open Door needs volunteers who can do the job, so if you have the ability to listen and a

sincere desire to help people, contact Ann Stoffel by calling 334-4636, 644-6016, 933-7300 or 675-2354.

Americans chew more gum than the rest of the earth's people put together.

Graham-Marquardt

Elizabeth Claire Graham and Dale Marvin Marquardt were united in marriage at 4:00 p.m. on Saturday, June 28, at St. Paul's Ev. Lutheran Church, Saginaw, Michigan. Pastor James Tiefel officiated.

The soloist and organist were Mr. and Mrs. David Dahl, classmates of the bride and groom.

Parents of the couple are Mr. and Mrs. Harold J. Graham, 246 Trier Street, Saginaw, Michigan, and Mr. and Mrs. Marvin Marquardt, 2066 Stony Creek Drive, Kewaskum.

Honor attendants were Mrs. Connie Sakkinen, Saginaw, Michigan, sister of the bride, and Paul Marquardt, Kewaskum, brother of the groom.

The bridesmaids were Mrs. Cathy Lowrey, Saginaw, Michigan, sister of the bride, Kristie Keck, Montrose, Michigan, friend of the bride, Jean Falk, West Bend, cousin of the groom, and Susan Marquardt, Kewaskum, sister of the groom.

Attending the groom were Ken Lowrey, Saginaw, Michigan, brother-in-law of the bride, John Kluever, West Bend, cousin of the groom, David T. Degner, Jefferson, Wisconsin, friend of the groom, and Jason Lowrey, Saginaw,

Michigan, nephew of the bride.

Sharing ushering duties were Robert Sakkinen, Saginaw, Michigan, brother-in-law of the bride, Blaine Graham, Reed City, Michigan, cousin of the bride, and Randy Marquardt, Kewaskum, brother of the groom.

Following the ceremony a reception was held at St. Paul's Parish Center and at the home of the bride's sister and brother-in-law, Mr. and Mrs. Robert Sakkinen. A reception was also held in Wisconsin on Saturday, July 5, at Turner Hall, Fillmore, with a dinner and dance for relatives and friends.

Both the bride and groom are 1980 graduates of Dr. Martin Luther College, New Ulm, Minnesota, with BS degrees in Elementary Education. The groom is employed as a teacher of grades 1-8 at Apostles Lutheran School, Billings, Montana.

The couple honeymooned in Niagara Falls, Canada and are now residing at 2136 Central Avenue, Billings, Montana 59102.

Theisen-Disler

St. Michael's Church, St. Michael's was the setting of the 2:00 p.m. ceremony Friday, May 16, uniting Jane Marie Theisen and Donald R. Disler. Father William Bonesho officiated.

Mary Jo Mueller was the organist and the soloist was Jeanne Marchant.

Parents of the couple are Mr. and Mrs. Alphonse Theisen, 8860 Forest View Road, Route 3, Kewaskum, and Mr. and Mrs. Jacob Disler, 411 Kilbourn Avenue, West Bend.

The bride chose her sister, Julie Theisen, to serve as her maid of honor. The bridesmaids were Sheila Phillip, a friend of the bride and Mary and Linda

Theisen, both sisters of the bride.

Attending the groom was his best man, Joseph Theisen, brother of the bride and the groomsmen, Keith Laufer, friend of the groom and Gene Krause, brother-in-law of the groom.

Donald Herriges and Rick Boden shared ushering duties.

Following the ceremony, a reception and dinner were held at Amerahn, Kewaskum.

The bride is employed as a L.P.N. at the Cedar Lake Home, West Bend, and the groom is a foreman at Dehling-Voight.

The newlyweds are residing in Newburg.

Zander-Ebert

Mary JoAnn Zander and Harold Dale Ebert Jr. are engaged. Parents of the couple are Mr. and Mrs. Herbert Zander of Oshkosh and Mr. and Mrs. Harold Ebert of Campbellsport. The bride-to-be is a 1973 graduate of Winnebago Lutheran Academy and a 1976 graduate of Mercy Medical Center School of Nursing. She is employed as a registered nurse at St. Agnes Hospital, Fond du Lac. Ebert graduated from Campbellsport High School in 1972 and from the University of Wisconsin-LaCrosse in 1979. He is employed as a teacher at St. Joseph's. An April 4 wedding is being planned.

Theisen-Boden

Mrs. Mildred Theisen, Kewaskum, is proud to announce the engagement of her daughter, Nancy A. Theisen, to Mark L. Boden, son of Mr. and Mrs. Richard Boden, Kewaskum.

Both are 1978 graduates of Kewaskum High School. Nancy is presently employed at Tymshare Midwest of Milwaukee. Mark is employed at Dairyland Harvestore of Slinger.

A May 22, 1981 wedding is being planned by the couple.

"This is the best union yet — I haven't had to work a day since I joined it!"

Beck-Pretsch

Mr. and Mrs. John Beck of Campbellsport proudly announce the engagement of their daughter, Sharon Lee, to Kenneth Alan Pretsch, son of Mr. and Mrs. Walter Pretsch of West Bend.

A June 20, 1981 wedding is being planned.

25 Years Ago

August 26, 1955

Three new cases of polio have been reported this week by the health officer. They are Joan Carol Merwin, age 20 months, daughter of Mr. and Mrs. Arvin Merwin, Kewaskum; Robert Reindl, 7 years, son of Mr. and Mrs. Gilbert Reindl, Town of Kewaskum (Robert is the second case of polio in the Reindl family. His sister Mary Reindl, 11, was one of the cases reported last week; and Janice Luedtke, 10 years, daughter of Mr. and Mrs. Merlin Luedtke, Kewaskum. It has been deemed necessary to give ALL children of the village between the ages of six months and 12 years shots of the inoculation of gamma globulin.

The Kewaskum Kiwanis Club has again announced the holding of their annual live turkey shoot at the Bar-N-Ranch. The shoot this year will be held on October 9.

On Saturday, August 20, Miss Paula Kohler, daughter of Mr. and Mrs. Peter Kohler, Kewaskum, became the bride of Frank Kutz, son of Mrs. Lorena Dettmann, also of Kewaskum.

A/IC Daniel E. Staehler, son of Mr. and Mrs. A. M. Staehler, Kewaskum, arrived home Wednesday from Mitchel Air Force Base in New York after he received his honorable discharge from the Air Force.

Pvt. Jules "Bubber" Dreher, son of Mr. and Mrs. Earl "Pat" Dreher, Kewaskum, informed

his parents this week that he has arrived in Germany.

A daughter was born to Mr. and Mrs. Norbert Thull, Route 2, Kewaskum, on August 19. A daughter was also born to Sfc. and Mrs. Truman Johnson on August 21. Mrs. Johnson is the daughter of Mr. and Mrs. Francis Kougl, Route 1, Kewaskum. Sons were born to Mr. and Mrs. Lester Kohn, Kewaskum, on August 21 and to Mr. and Mrs. Clarence Reigle, Route 3, Campbellsport, August 8.

75 Years Ago

August 26, 1905

Sportsmen will need become familiar with the game law passed by the Legislature of this year. The law prohibits entirely the shooting of ducks in the spring and prohibits the sale of game of all kinds at anytime. It prohibits also shipping, but a hunter may take his game with him on the trains. The number of birds or game animals is limited to two deer, fifteen prairie chickens, grouse or woodcock, twenty-five partridges, thirty ducks or geese, killed or possessed in any one day. The open time on ducks is September 1 to January 1; geese September 1 to April 1, giving a short open season on geese in spring when they come April 1. Muskrats may be trapped from November 1 to May, but must not be shot or speared, nor their houses molested at any time.

The Town of Kewaskum received two car loads of quarry stone from Eden Tuesday for the abutments for three new bridges which they will build.

A bright eight and ten pounds weighing eight and ten pounds respectively, arrived at the home of Mr. and Mrs. Philip Faber of Wayne Tuesday night.

A ten pound baby girl was born to Mr. and Mrs. S. C. Wollensak of Kewaskum last Wednesday.

50 Years Ago

August 22, 1930

Joseph Eberle, owner of prize winning beagle dogs was elected president of the Wisconsin Beagle Club.

The direct descendants of the late Nicholas Guth, held a big reunion at the old North Side Park last Sunday.

Mr. and Mrs. Christian Backhaus, residing about a half mile south of Kewaskum on State Highway 55, threshed 1651 bus. of oats on Monday from 23 acres.

At meetings held last week by the Kewaskum Post, American Legion and the Kewaskum Fire Department, it was decided to postpone until some time next June, the two-day carnival which was to have been held here next month.

The Kewaskum Public Schools will re-open for the fall term on Monday, September 8.

The state of Wisconsin, in selecting colors for the 1931 automobile license plates picked light yellow for the letters and figures on a background of deep blue. Fully a million pairs of the plates will be manufactured. The work of stamping and enameling is done at the state prison at Waupun.

Obituaries

RUSSELL DAVIDSON

Russell D. Davidson, 81, of West Bend, formerly of Weyauwega, died Saturday, Aug. 16, at the Samaritan Home, West Bend, following a lingering illness.

He was born Sept. 25, 1898, in the Town of Lind, Waupaca County, and came to West Bend in 1945.

He was employed at the Stoepler Co., Menomonee Falls, until his retirement.

Survivors include three daughters, Verna (Claro) Hansen of Manitowoc, Enid (Edward) Cechvala of West Bend and Iona (Lloyd) Schmidt of

Kewaskum; four sons, Justan D. of Fairbanks, Alaska, Arlen V. of Neenah, Daryl F. of Verona and Sidney E. of New Berlin; 23 grandchildren; 12 great-grandchildren; two brothers, Frank and Theodore, both of Waupaca; three sisters, Mary Bemis and Margaret Knueppel, both of Waupaca and Edna Klug of Owen; and other relatives and friends.

Funeral services were Wednesday at 1:30 p.m. at Cline-Hanson-Dahlke Funeral Home, Weyauwega. Rev. Bonnie Rateike officiated and was in Oakwood Cemetery, Weyauwega.

Visitation at the funeral home was Tuesday from 6-9 p.m. and Wednesday from 9 a.m. until time of services.

Outstanding Young Farmer Selected

Sandy and Curtis Becker, 1980 Outstanding Young Farmer Award winners. The Beckers were presented the John P. Horlamus Award by John Gehl representing the Gehl Company of West Bend, sponsors of the award.

Curtis Becker, age 32, of Hartford was selected as the 1980 Outstanding Young Farmer by the West Bend Jaycees. He was one of four candidates nominated for this award sponsored by the Jaycees and supported by the Gehl Company of West Bend.

Curtis and his wife Sandra operate a dairy farm about 3½ miles northwest of Hartford. The Beckers are milking 60 registered holsteins with a DHIA rolling herd average of 15,847 pounds of milk and 584 pounds of butterfat. They also crop about 240 acres, growing corn and oats and hay for the

dairy herd.

The Beckers have initiated many production practices such as a herd health program, complete financial and production records, soil and forage testing, and a soil and water conservation plan for the farm.

Curt also participated in the Moraine Park Technical Institute Farm Training Program for 5 years, has been active in the Associated Milk Producers, Inc. organization, and a member of the Board of Directors of the Washington-Ozaukee County DHIA. The Beckers have four children.

Curtis and Sandra Becker will be competing in the Wisconsin Jaycees statewide Outstanding Young Farmer Program scheduled to be held at Fond du Lac in January 1981. The winner of that event will have an opportunity to compete at the national level.

The other candidates for the local competition included William Schellinger of Hartford, Curtis Scheunemann of West Bend, and Carl Schmidt of Jackson.

Catholic Conference Endorses Hephner

(MADISON)—The Wisconsin Catholic Conference has endorsed State Rep. Gervase Hephner (D-Chilton) for his "consistent support of the important educational, family, social welfare and life issues" which were considered by lawmakers this session.

In a letter to Hephner, Charles M. Phillips, executive director of the Wisconsin Catholic Conference, and Donald Rush, legislative representative of the organization, expressed appreciation for Hephner's voting record this session on several specific issues.

One of the measures would have established a textbook loan program for students in both public and private schools. "Although the bill was not enacted during this session," the letter stated, "we count on your continued support when the proposal is reintroduced next year." Hephner was a co-sponsor of the bill this session.

The WCC also directed its appreciation toward Hephner for his vote against a measure to revise the definition of death based on "brain death," and his vote in support of alcohol counseling programs and tougher drinking restrictions on teenagers.

The teenager drinking bill (AB 742) was signed by the Governor and enacted into law last May.

In the letter to Hephner, the organization said it was "looking forward to working with you again in the 1981 session, and hope that you will call on us whenever we can be of assistance."

had the opportunity to visit nearby beaches, museums, ancient battlegrounds and ruins of cities dating to Greco-Roman times. This is the 6th year that U.S. 6th Fleet ships have called at Constanta on goodwill visits, and marks the 100th anniversary of diplomatic relations between the U.S. and Romania.

The Dale is 533 feet long with a crew of 360. It is outfitted with guns, missiles, torpedoes and anti-submarine rockets.

Timblin joined the Navy in January 1980.

Pfc. Leo L. Ray

(FHTNC) — Marine Pfc. Leo L. Ray, son of Franklin and Irene Lear of 143A Wilson Street, West Bend, has been meritoriously promoted to his present rank upon graduation from recruit training at the Marine Corps Recruit Depot, San Diego, California.

He received the early promotion for his superior performance during all phases of the 11-week training cycle, which emphasized physical conditioning, self-discipline and teamwork.

A 1978 graduate of Campbell-sport High School, he joined the Marine Corps in April 1980.

(FHTNC) — Navy Lithographer 2nd Class Richard R. Weiss, son of Edgar L. and Marion E. Weiss of 2959 Highway 11, Route 3, Kewaskum, recently participated in exercise "Multiplex 1-80" in the Indian Ocean.

He is a crewmember aboard the aircraft carrier USS Dwight D. Eisenhower homeported in Norfolk, Va.

The two-day multi-threat exercise placed emphasis on U.S. and British Royal Navy joint anti-air and anti-surface warfare tactics. The exercise was the first of a series conducted with the British force

during the ship's deployment to the Indian Ocean.

The multi-mission aircraft carrier is 1092-feet long and carries a crew of 3,300. The ship can accommodate 2,800 air wing personnel and 100 aircraft.

—A 1975 graduate of West Bend East High School, West Bend, Weiss joined the Navy in December 1976.

Marine Lance Cpl. Timothy C. Baumhardt, son of Robert C. and Lois M. Baumhardt of Route 1, Campbellsport, has completed a Basic Engineer Equipment Mechanic Course.

During the ten-week course at the Marine Corps Engineer School, Camp Lejeune, N.C., trainees studied the inspection, maintenance and repair of engineering and earth moving equipment used by the Marine Corps. They received instruction on gasoline and diesel engine troubleshooting, hydraulic, clutch and brake systems, plus related repair shop safety measures.

A 1979 graduate of Campbell-sport High School, he joined the Marine Corps in December 1979.

Airman Charryl L. Frostman, daughter of Mr. and Mrs. Ronald Frostman of 6491 Wildlife Drive, Allenton, has graduated from the U.S. Air Force aircraft maintenance specialist course at Chanute Air Force Base, Ill.

Graduates of the course were trained in aircraft engine maintenance, repair and service, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Airman Frostman will now serve at Pease Air Force Base, N.H.

Attends Scout Order Of Arrow Conference

The Bay-Lakes Council, Boy Scouts of America AWASE Lodge of the Order of the Arrow held its Fall Conference the weekend of August 15-17 at Bear Paw Scout Camp located near Mountain, Wisconsin.

More than 400 Arrow members - a National Honor Campers' Society of the Boy Scouts of America - attended. The Order of the Arrow's central theme is promotion of Scout camping and cheerful service.

The Conference began with registration Friday from 6 to 8 p.m. The Conference closed at

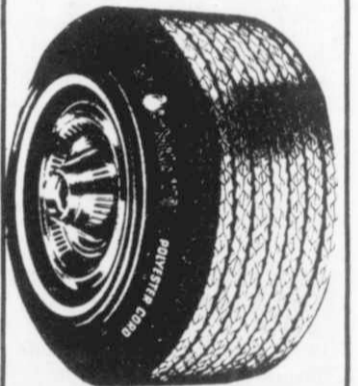

11 a.m. on Sunday.

Work projects to improve camp and prepare camp for the fall and winter programs along with Ordeal and Brotherhood ceremonies highlighted the Conference according to Rev. Donald Peters, Sheboygan, Lodge Advisor. Scout Greg Bolloom of Green Bay is Lodge Chief.

Fees for the weekend were \$10 for Ordeal candidates, \$8.50 for Brotherhood candidates and \$6.50 for all other members.

Every Arrowman in attendance received the 1980 Fall Conference Badge. Arrowmen were responsible for their own tentage and sleeping gear. Those attending were asked to bring work clothes, tools and Scout uniform. Arrowmen attending the Conference included Steve Gross of Kewaskum.

Minutes of Village Board Meetings

Village of Kewaskum
Special Meeting of the
Village Board
July 30, 1980
4:30 P.M.

The Special Meeting of the Village Board of the Village of Kewaskum, Washington County, Wisconsin, was held in the Council Room of the Municipal Building, 204 First Street.

The meeting was called to order by President Gerald Stollenwerk. Trustee members present were Raynor Herriges, Donald Mlodzik, Jeffrey Rohrer and David Nigh. Trustee Paul Blumer was absent and had asked to be excused.

The special meeting was called to review and discuss the sludge dewatering equipment with Mr. Tom Lawn of the Permutit Company. It was mentioned in the beginning of the meeting that a letter was received from Mr. James Devaney of the Permutit Company.

The screens on the MRP or press unit along with the service and parts for both machines were the main topic of concern. Mr. Peter Albert told the board of the machine's related problems. Mr. Tom Lawn told the board what his company was doing to correct the problems and asked that the board have faith in him and the equipment.

It was decided to continue to run the equipment on a trial basis and to review the situation at the August 18, 1980 meeting. It was also mentioned no payment of funds is to be paid until final acceptance action is made by the board. Mr. Tom Lawn agreed verbally to the no payment statement.

A motion to adjourn was made by Trustee Donald Mlodzik, seconded by Trustee Jeffrey Rohrer. The voice vote was unanimous.

Daniel S. Schmidt
Administrator

Monthly Meeting
August 4, 1980
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Village Trustee Members were present.

One omission was noted in the minutes of July 21. Trustee Paul Blumer was on that date appointed as a member of the Parks and Recreation Committee. In all other respects the minutes of the July 21 meeting were approved as printed upon motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

Supt. Bilgo reported that the work on the Edgewood Road storm sewer had commenced.

A request to lower the speed limit on U.S. Highway 45 south of CTH. H (west) was referred to the Protection and Public Safety Committee.

The application of Dean Corcoran for a building permit to do some remodeling at the Bonne Belle Motel was approved and the Commissioner was authorized to issue the proper permits upon payment of the required fee. Motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was unanimous.

The preliminary census report was reviewed and it was the decision of the Village Board not to pursue the accuracy of the population count any further.

Administrator Schmidt reported that the house to house clear water survey conducted by the village the past several months was now 99% completed.

The Administrative Committee recommended that the village pay the School District of Kewaskum one-half of the bill of \$450.96 or \$225.48 for the repair of the athletic field lights. Motion approving this payment was made by Trustee Herriges, seconded by Trustee Mlodzik.

Voice vote was unanimous. Trustee Rohrer reported the following:

1. A meeting of the Parks and Recreation Committee has been scheduled for 7:00 P.M. on August 18, 1980.

2. A public hearing has been scheduled for 8:00 P.M. August 18, 1980, to consider the request of George Minz to rezone the Mlodzik parcel at 985 Fond du Lac from R-1 Single Family Residence District to B-2 General Retail and Service District.

President Stollenwerk read a communication from the Seefeldt Family Reunion Committee thanking the village for the use of the park facilities for their annual reunion and also a communication from the Kewaskum Historical Society thanking the village for the appropriation of \$1,000.00 towards the erection of the log house at the museum site.

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh were as follows:

Village Gen. Fund	\$51,796.33
Water Dept. Fund	1,161.92
Sewage Dept. Fund	9,293.89

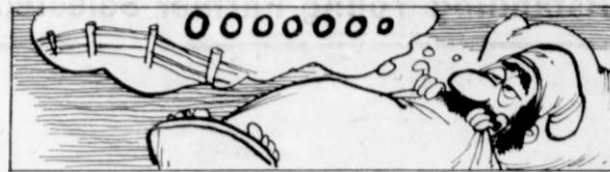

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

Upon motion by Trustee Mlodzik, seconded by Trustee Herriges and unanimously carried, the Board adjourned to closed session under Chapter 19.85 (c) of the Statutes to receive and review the Kewaskum Police Association 1981 contract proposals.

William S. Martin
Commissioner

A seventeenth-century law required locking church doors during service. Too many people were leaving before the long sermons were completed.

Kewaskum Statesman, Friday, August 22, 1980, Page 13

There were no sheep in America before 1540.

NOTICE TO ELECTORS OF THE VILLAGE OF KEWASKUM

TAKE NOTICE that the governing body of the Village of Kewaskum, Wisconsin, at a lawful meeting held on the 18th day of August, 1980, adopted an initial resolution, pursuant to Section 66.521 of the Wisconsin Statutes, as amended, authorizing the issuance at one or more times in one or more series of not to exceed \$2,000,000 aggregate principal amount of revenue bonds (the "Bonds") on behalf of Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant"). The purpose of the bond issue is to finance costs of providing a project to be located in the Village. The intended use of the project is for the purpose of manufacturing and warehousing of cookware products and would consist of a building addition and equipment (the "Project").

THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OF THE VILLAGE WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION. THE BONDS SHALL NOT CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE VILLAGE OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER. THE BONDS SHALL BE LIMITED OBLIGATIONS OF THE VILLAGE PAYABLE BY THE VILLAGE SOLELY OUT OF REVENUES DERIVED FROM THE ELIGIBLE PARTICIPANT OR OTHERWISE PROVIDED FOR PURSUANT TO THE TERMS OF A REVENUE AGREEMENT TO BE ENTERED INTO BETWEEN THE VILLAGE AND THE ELIGIBLE PARTICIPANT.

The aforesaid initial resolution is a public document and may be inspected by any elector of the Village at the Village Hall, 204 First Street, during business hours.

TAKE FURTHER NOTICE that the electors of the Village of Kewaskum may petition for a referendum on the question of the Bond issue. Section 66.521(10)(d) of the Wisconsin Statutes, provides:

"(d) The governing body may issue bonds under this section without submitting the proposition to the electors of the municipality for approval unless within 30 days from the date of publication of notice of adoption of the initial resolution for such bonds, a petition, signed by not less than 5% of the registered electors of the municipality, or, if there is no registration of electors in the municipality, by 10% of the number of electors of the municipality voting for the office of governor at the last general election as determined under s. 115.01(13), is filed with the clerk of the municipality requesting a referendum upon the question of the issuance of the bonds. If such a petition is filed, the bonds shall not be issued until approved by a majority of the electors of the municipality voting thereon at a general or special election."

TAKE FURTHER NOTICE the governing body of the Village of Kewaskum, Wisconsin, at a lawful meeting held on the 18th day of August, 1980, did also adopt the following resolution:

RESOLUTION RELATING TO WAIVER OF SECTION 66.521(11)(b)1. IN CONNECTION WITH AN INDUSTRIAL DEVELOPMENT REVENUE BOND FINANCING ON BEHALF OF REGAL WARE, INC.

WHEREAS, this body has adopted a resolution entitled "Initial Resolution Relating to Industrial Development Revenue Bond Financing On Behalf of Regal Ware, Inc." (the "Initial Resolution"); and

WHEREAS, the Initial Resolution provides that upon certain conditions the Village of Kewaskum, Wisconsin (the "Municipality"), shall issue industrial development revenue bonds pursuant to Section 66.521, Wisconsin Statutes, as amended (the "Act") to finance a project in the Municipality to be undertaken by Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant"); and

WHEREAS, the Eligible Participant has represented that the intended use of the project is for the purpose of manufacturing and warehousing of cookware products and that the project would consist of a building addition and equipment (the "Project"); and

WHEREAS, Section (11)(b)1. of the Act contains provisions requiring competitive bidding for certain construction contracts and prohibiting discrimination with regard to the construction and operation of projects financed under the Act; and

WHEREAS, Section (11)(b)2. of the Act empowers the governing body of a municipality to waive the requirements of Section (11)(b)1. with respect to a particular project;

NOW, THEREFORE, BE IT RESOLVED:

It is the finding and determination of this body that the Municipality will not control the design, costs, construction or operation of the Project; that no public moneys will be expended for the Project; that the Municipality will have no beneficial ownership in the Project; that the primary reason for requiring competitive bidding for construction of municipal projects is to protect the taxpayers against excessive expenditures of public funds and that such reason, although sound as applied to public works, is not applicable to the Project in which no general funds or tax revenues of the Municipality will be used or put at risk; that it would be more efficient and expedient for the accomplishment of the public purposes of the revenue bond issue if the Eligible Participant were to have complete control over the letting of contracts for construction for the Project; and that while an anti-discrimination policy such as that expressed in Section (11)(b)1. of the Act is supported by this body, public policies of that sort applied in the context of a bond financing are more appropriately effectuated by contract with the Eligible Participant. Therefore, the Municipality does hereby waive the provisions of Section (11)(b)1. of the Act with regard to the Project; provided, however, that the revenue agreement to be entered into between the Eligible Participant and the Municipality shall contain anti-discrimination clauses satisfactory to the Municipality.

Tired of messy carpet scrubbing with machines? Clean your carpet quickly and easily with Nylac. No machine. See Miller's Fine Furniture for Nylac.

Crop Insurance Now Available for 1981 Wheat in County

"Producers of winter wheat in Washington County will be eligible to participate for the first time in the U. S. Department of Agriculture's All-Risk Federal Crop Insurance plan for 1980," Julian Buss, Federal Crop Insurance District Director, said today.

"The new crop joins corn, oats and green pea insurance programs which are currently available in Washington County," Buss said.

You can elect to insure your crop for either 50 percent, 65 percent or 75 percent of normal yield. Buss explains, "The principle is the same as deciding how large a deductible to have when you buy collision insurance on a car or truck." For example, if you choose a policy that guarantees 75 percent of normal yield, you would collect an insurance indemnity any time the yield dropped more than 25 percent below normal.

You can also choose the amount of money you want to be paid for each bushel of loss. For wheat the choices are \$2.50, \$3.00 and \$3.50 a bushel.

The cost, of course, depends on the protection package you select.

Buss points out that the dollar-for-dollar link between production costs and financial risks is prompting more and more farmers to consider insurance for the first time. Buss also says, "We're talking with a lot of farmers who say they could have survived a serious crop loss at the costs that existed four or five years ago but not at the cost of growing a crop today."

Record-high interest rates are seen as another reason for increased interest in insurance. In almost every county, FCIC notes that it costs less to buy insurance on borrowed capital than it does to pay even one year's additional interest on it.

Premium rates differ from crop to crop and from area to area and are regularly adjusted

to reflect recent loss experience. You can obtain an exact cost per acre quotation for the amount of insurance you want to carry by contacting the FCIC-ASCS County Office at 2395 W. Washington Street in West Bend, or call (414) 334-4765. Be sure to take into account that the net cost of protection is the after-tax cost, as the premium is fully deductible as a farm business expense.

WOW TRI-COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU

HON-E-KORNER

The Women's Golf Association of Hon-E-Kor held evening events on Aug. 13. Tape was placed on the putter handle in inches to correspond to players handicap. Putts which fell within this area did not have to be holed out. Class A winner was Linda Schultz with 44. B. Lu Freeze 45, C. Eleanor Marx 51, D. Laura Matthews and Ellen Coulter.

Closest to the pin in 3 on No. 9 was won by Corey Wuebben.

Card prizes for the evening were won by Trudy Trapp, Cherie Marx, Marge Rosenthal, Tudy Warner and Marge Bauer.

Next Wednesday, Aug. 27, will be the M.A.S.T. meeting at 8:30 and Sept. 10 closing dinner.
