AFS Students Arrive for School Year

Lek Mahasakhunpong

The Kewaskum AFS Club is pleased to announce the arrival of our two foreign students for the 1980-81 school year. Lek Mahasakhunpong, who is staying with the Leland Schaub family, Route 2, Kewaskum, is from Bangkok, Thailand. Isa Koch, who is staying with the Ronald Landvatter family, 8428 Hwy. M, Fredonia, is from Tirol, Austria.

Lek enjoys sports and being active in school activities. She feels the experience will help her be a better person and possibly help her develop her country.

Isa lives in a town of about six thousand people and she has an older brother and sister and a younger sister. Her mother and father own and run a hotel and enjoy music. She will be nineteen in January. Isa plays the clarinet and has had voice lessons. She also skis and enjoys sailing. Isa has had the opportunity to live with a family in England. She is interested in the United States and feels the best way to learn about a country is to live in it. Isa's

Isa Koch

family is Roman Catholic. She will also be a senior at KCHS.

This type of exchange program between countries is meant to be a learning experience for both the students from abroad and all of us in the Kewaskum area. Both these girls are anxious to tell you about their countries and their families. They will be available to speak to groups after January 1.

If you would be interested in being an exchange student or a host family for a future student, contact a member of the AFS committee or the High School AFS advisor for further information.

The adult AFS chapter is always looking for people to help organize this program, and if you would like additional information call Mrs. Ruth Schmitt, our chapter president at 338-6964.

Kewaskum Schools to Begin Classes Tuesday

All schools in the Kewaskum District will begin classes on Tuesday, September 2.

Time schedules will remain the same as last year. Middle School and High School classes will begin at 7:45, elementary classes at 9:05.

Students who ride busses should have received notices of the time and place of pick up. Anyone who has not received this notification should call the Johnson Bus Co. garage at 626-4414. Other questions concerning busing should be directed to the same place or to the school district offices at 626-2160.

Students should come to school the first day with required fees and money for lunches. Lunch prices this year will be 95c for a daily ticket for all students or \$3.75 for a 5-day ticket for Elementary School

students and \$4.00 for Middle School and High School students. If you have questions on other fees, call the school your child will be attending.

September 2 will be a full day of school.

Classes at Holy Trinity Catholic School will also be resumed on Tuesday, September 2.

Teachers for the coming year are: Miss Mary Pitsch, Grade 8; Miss Nancy Weston, Grade 7; Mrs. Lorna Stopper, Grade 6; Mrs. Grace Theusch, Principal, Grade 5; Mrs. Judy Wagner, Grade 4; Mrs. Diane Gremminger, Grade 3; Mrs. Irma Reindl and Mrs. Mary Metz, Grade 2 and Mrs. JoAnne Schacht, Grade 1. Mrs. Ione Herriges is a substitute teacher.

Classes at St. Lucas Lutheran School will also start on Tuesday.

Laurel Wilson to Compete In Miss Teen USA Pageant

Laurel Wilson

Laurel Wilson, 18, a 1980 graduate of Kewaskum High School, and daughter of Mr. and Mrs. Lawrence Wilson of 8527 Wescott Road, Kewaskum, was selected to compete in the 1980 Miss Teen USA Pageant being held at the Hyatt Regency in Milwaukee this weekend, Aug. 29-31.

The pageant is the official statewide finals for the Miss Teen USA Pageant to be held in Albuquerque, New Mexico, in November, 1980. Miss Wilson represents the Kewaskum and West Bend areas. She is sponsored by Johann Plumbing & Heating, Inc., Allen Hron Jeweler, Don Frederick Portrait Studio, West Bend Elevator, and Barton Sport Shop.

Contestants from all over the state will be competing for the title. All contestants are between 14-18 and must have at least a "B" average in school. They are requested to participate in the Volunteer Service Program of the Miss Teen USA Pageant. Through this program many young ladies are becoming involved in community activities by contributing at least 12 hours of time to some worthwhile charity or civic work.

Laurel's hobbies include running (she was co-captain of the high school girl's track team and a four year member), swimming, waterskiing, tennis, reading and baseball.

Kewaskum Historical Society To Host Regional Convention

The Kewaskum Historical Society will host the 1980 Southeastern Regional Convention of the Wisconsin Council for Local History on Saturday, September 6. Activities begin with registration in the Hon-E-Kor Golf Clubhouse, River View Drive, Kewaskum.

Welcoming remarks will be made by Gerald Stollenwerk, Kewaskum Village President, and Daniel Schmidt, President of the Kewaskum Historical Society and Chairman of the Southeastern Region of the Wisconsin Council for Local History, will give a brief history of the Kewaskum Historical Society.

Schmidt will then chair a business meeting featuring a report from each society in the region.

A discussion of current issues and problems facing local societies will be executed by Shelton Stromquist, Executive Secretary of the Wisconsin Council for Local History and the Coordinator of the Office of

Local History of the State Historical Society.

George Miller, Chairman of the UCLH, will speak on recent developments in the Wisconsin Council.

Following a noon luncheon at the Hon-E-Kor Golf Clubhouse, George Miller will present the Regional Chairman's Certificate to Daniel Schmidt.

A narrated slide show on recent projects of the Kewaskum Historical Society and a tour of the Kewaskum Museum will end the day's activities. The museum's displays include a blacksmith shop, carpenter shop, post office, school room, general store, firehouse with a hand pumper, and portions of a Wisconsin cheese factory.

Reservations must be made by August 30 by writing to: Daniel Schmidt, 1314 Stark Street, Post Office Box 394, Kewaskum, Wisconsin 53040.

The cost for the day's activities is \$5. Checks should be made payable to the Kewaskum Historical Society.

Turkey Shoot Set for Sept. 21

Kiwanis Club of Kewaskum has announced that its 28th Annual Turkey Shoot will be held on September 21. This famous Autumn event will be held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

There will be many special events, including trout fishing, trap shooting, archery, and games for children, along with hot and cold beverages and food.

Those who purchase advance sale tickets will receive four shots for \$1.75. Tickets purchased on the grounds will be four shots for \$2.25. Advance sale tickets may be purchased by mailing your check payable to Kiwanis Club of Kewaskum, P. O. Box 68, Kewaskum, Wisconsin 53040.

William "Billy" Marchant Dies of Accident Injuries

William "Billy" John Marchant, 20, of Maple Drive, Route 2, Campbellsport, died Saturday night, Aug. 23, at Milwaukee County General Hospital, Milwaukee, due to injuries received in a two-vehicle traffic accident July 18 at the intersection of County Trunks B and K just west of Eden. Marchant's pickup truck was struck by a van at the intersection at 1:10 p.m. July 18 and rolled over several times.

He was born Sept. 4, 1959, at Fond du Lac.

He was a graduate of Campbellsport High School in 1977 and at the time of his death he was employed by the Fritz Transport of Campbellsport.

He was a member of the United Church of Christ and the Campbellsport Area Jaycees.

Survivors include his parents, William and Alice (Kippenhan) Marchant of Campbellsport; six sisters, Carole (Walter) Ferber of Campbellsport, Sharon (Joseph) Entringer of St. Cloud, Wis., Nancy (David) Dreher of Campbellsport, Jeanne Marchant of Campbellsport and Susie and Judith, both at home; maternal grandparents, Mr. and Mrs. Harvey Kippenhan of Campbellsport and paternal grandmother, Mrs. Rose Marchant of Campbellsport, and other relatives and friends.

Memorial services were at the United Church of Christ,

Campbellsport, on Tuesday at 8 p.m. Rev. Carl Jensen officiated and private burial was at 10 a.m. Wednesday at Union Cemetery, Campbellsport.

There was no visitation, but expressions of sympathy were asked to be made to the family after the memorial services at the church.

Memorials to the Campbellsport United Church of Christ or the Campbellsport Jaycee Chapter would be appreciated.

FIREMEN'S MEETING

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. Thursday, Sept. 4.

Blood Bank Here Sept. 9

The Milwaukee Blood Mobile unit will be at the Kewaskum High School (old gym) on Tuesday, Sept. 9, from 1:30 to 6:30 p.m. All past donors will be sent post cards and new donors are encouraged to walk in anytime at their convenience. In past years the no-appointment method has worked well with little or no waiting for the donors.

The Blood Center is frequently asked how many people must donate to provide blood for a particular patient. The answer is always the same — patients in any of the hospitals served by the Milwaukee Blood Center (including West Bend) are eligible to receive as much blood as needed. There is no fee for the gift of blood itself. Only a processing fee is charged to cover the costs of drawing the blood, testing it to ensure the patient's safety and distributing blood and blood components to the hospitals. The fee is usually covered by health insurance.

There are no rules or restrictions on who can receive blood. As long as enough people donate, patients will receive all the blood they need. At this particular time there is

an extreme shortage at the center and then TV media has been requesting past donors to come in at this time. Sept. 9 will provide the time for Kewaskum area residents to do their part.

If you are in good physical condition and between the ages of 18 and 66 years, you can donate every 10 weeks but not more than five times in 12 consecutive months. If you are 17 you are also eligible to donate but you must have a consent form signed by a parent or guardian. These forms will be available at the school prior to Sept. 9.

BLOOD IS A TRUE GIFT FROM THE HEART!

Tornado Alert

The fire siren will be sounded on Thursday, Sept. 4, at 10:30 a.m. to acquaint residents with the tornado or other disaster signal. It will be sounded at a steady pitch for three minutes.

In the event of a tornado or other impending disaster take precautionary measures.

The alerts will be held throughout the year on the first Thursday of the month.

Some bad apples in the barrel give a little more zip to the cider.

from Tom Leitzke, R.P.H.

Can running be useful therapy for emotional illness? Dr. Thaddeus Kostrubala of San Diego started a group of his psychiatric patients running one hour three times a week. Changes in the patients were remarkable: fewer symptoms of depression; a schizophrenic patient could be taken off medication, etc. Smoking and drinking were reduced or stopped - unhealthy relationships improved.

Death of Mrs. Meisenheimer, Christina Fell

Mrs. Harold (Helen) Meisenheimer, 76, of 113 Prospect Ave., Kewaskum, passed away Saturday, August 23 at the Samaritan Home in West Bend where she had been a resident for two months.

Mrs. Meisenheimer was born July 4, 1904 in the Town of Auburn to the late Emil and Hannah Moldenhauer Ramel. On November 7, 1931 she married Harold Meisenheimer in St. Lucas Church, Kewaskum.

Survivors include her husband; one son, Donald (Janet) of West Bend; one daughter, Darlene (Jerome) Klein of Rochester, Minnesota; seven grandchildren; three great-grandchildren; two sisters, Mrs. Elsie Klumb and Mrs. Gertrude Kral, both of Kewaskum; other relatives and friends.

Two sisters and one brother preceded her in death.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p.m. Monday, and on Tuesday at St. Lucas Lutheran Church from 12 noon to 2 p.m., when services were conducted with Pastor Paul Hoenecke officiating. Burial was in Lutheran Memorial Park, Kewaskum.

CHRISTINA FELL

Christina Fell, nee Schraufnagel, 75, of Route 2, Kewaskum, died Monday, August 25, at St. Joseph's Community Hospital, West Bend.

She was born November 26, 1904, in the Town of LeRoy, and married John P. Fell on October 4, 1927, at St. Andrew's Church, LeRoy. He passed away February 26, 1978.

They lived in the Town of Ashford until 1967 when they moved to Kewaskum.

She was a member of the Christian Mother's of St. Martin's Parish, Ashford, and the Apostolate of Suffering.

Survivors include three sons, Joseph (Ardell) of Kewaskum, Frank (Arlene) of Campbellport and Jake (Jenny) of West

Bend; two daughters, Angeline (Richard) Westerman of West Bend and Christine (James) Ruplinger of Campbellsport; 14 grandchildren; one brother, Alphonse of Waukesha, and other relatives and friends.

She was preceded in death by one grandchild; seven brothers and six sisters.

Funeral services were Wednesday at 11:30 a.m. at St. Martin's Church, Ashford. Rev. George Etzel officiated and burial was in St. Martin's Cemetery.

Visitation at the Twohig Funeral Home, Campbellsport, was Tuesday after 4 p.m.

Area Men Among National Guard Members Honored

Citizen-soldiers of the National Guards and Reserve units in Wisconsin were honored on August 23, by the Milwaukee Journal in ceremonies at WTMJ-TV, Milwaukee.

The awards program, now in its 17th year, paid tribute to some 90 men and women who are active members of the Wisconsin Army National Guard, Wisconsin Air National Guard, U.S. Army Reserve, U.S. Marine Corps Reserve, U.S. Naval Reserve, U.S. Air Force Reserve, and U.S. Coast Guard Reserve.

Beginning in 1964, the Journal Company, in cooperation with the Fifth U.S. Army then located in Chicago, Ill., presented awards to members of the Army National Guard and Army Reserve in Wisconsin. When the 10-year anniversary of the program was observed, it was decided to expand the program to include all of the Reserve Components in Wisconsin.

To be considered for the gold medallion award, Guardsmen and Reservists must rate high in leadership ability, military bearing and citizenship qualities.

Main speaker for this year's ceremony was General John W. Vessey, Jr., Vice Chief of the Army.

General Vessey also presented the awards to each awardee.

He was assisted by Richard Leonard, vice president and editor of the Milwaukee Journal who was master of ceremonies.

Also taking part in the ceremony was a color guard and band from the 84th Division, U.S. Army Reserve.

The ceremony was video taped for broadcast over WTMJ-TV, Saturday, August 30, 1980 at 12:30 p.m. Arrangements are being made with other Wisconsin TV stations outside the Milwaukee area to rebroadcast the program at later dates. Watch local listings for dates and times.

Guard members honored included Sgt. Richard W. Lieven, Kewaskum (Air National Guard), and Staff Sgt. Richard P. Ganser, Campbellsport (Army National Guards).

Kewaskum, Other Adult Educators Nominees for Award

Adult Educators from West Bend, Kewaskum and Lomira have been nominated to receive Moraine Park Technical Institute's Outstanding Adult Educator Award. The MPTI award was established last year to recognize the service and dedicated efforts of the parttime community service instructors. There are nearly 1,000 parttime instructors throughout the MPTI District.

Winners in the seven Vocational/Technical/Instructional divisions will be selected by a committee of community service personnel. Their selection will be based on material collected from four sources: nomination forms from students,

center supervisor evaluation, and information related to the educational and professional background of each nominee.

The nominees and their teaching are: Mitchell Gebheim, Susan Reschke (Business Education); Ray Engelking, Ellen Gehrke, Alice Ridolfi, Mary Jo Horstman (General Education); LaVerne Doll, Robin Jasinski, Barbara Shaw, Anne Anderson, Suzanne Schumacher, Arnold Stommel, Leona Clark, Sandra Zahn (Home Economics); and Leroy Bohn (Safety Education).

The announcement of the final selection for the Adult Educator will take place at the Community Service fall in-service meeting held in mid-October at the MPTI Campus in Fond du Lac.

The electric dishwasher is getting more popular every day. Researchers find that most husbands would rather buy one than be one.

Chamber of Commerce Elects

At the August 18 meeting of the Kewaskum Area Chamber of Commerce held at 12:30 p.m. at the Savings & Loan meeting room, new officers were elected as follows: President, Leroy Bier; Vice President, Tom Bartelt; Secretary-Treasurer, Charlene Barutha.

Committee chairpeople picked were: tourism, Ken Weddig; Retail, Judy Klein; Community Betterment, Bob Kirst; Membership, Wayne Rimmel.

A discussion was held on the proposed parking lot behind Glacier Inn to Regal Outlet.

It was reported that cablevision is about six months to a year behind in West Bend and wouldn't be viewed until late in 1982 in Kewaskum.

Much discussion was held on the businesses that are closing and leaving the Kewaskum area, the same problem that surrounding areas are having with the sagging economy and no real good solution available.

Some positive and negative aspects of the proposed elderly housing project between Brooklane Dr. and Roseland Dr. were discussed.

A lengthy discussion was held on how more active participation could be gotten out of more of the members of the chamber.

A discussion was held on Krazy Daze. It was felt that more businesses should get together and do projects. Instead of having three, four or five businesses having a band the chamber could organize and have only one band and change off over the years.

The next scheduled meeting is Sept. 15.

County Republican Brat Fry Sept. 6

The Washington County Republican Organization has announced that its Annual Brat Fry will be held Saturday, September 6, at Ridge Run Park, Scenic Road West, West Bend, beginning at 4:00 p.m.

U. S. Senate candidates, along with Congressional, State Senate and Assembly Representatives, and Washington County officials will be on hand for the event.

Tickets for the Brat Fry are \$2.75, if purchased in advance, and \$3.00 at the door. For ticket information call 334-4236, 644-5728, 677-2303 or 673-4909.

KEWASKUM 4-ERS

The Kewaskum 4-H'ers went on a canoe trip one week ago Monday, August 18. We started at New Prospect and canoed to Mauthe Lake. Then we had a picnic and canoed back.

Krazy Daze was a big success. We'd like to thank all the kids and parents who donated food and games. Special thanks to all who stopped to buy.

REMINDER

Next 4-H meeting will be held Sept. 11, Thursday night.

Record books need to be

Kewaskum Statesman, Friday, August 29, 1980, Page 5

turned in on or before Sept. 11 if you want to join again next year.

You need to hand in all points at the meeting.

Reporter, Mark Brodzeller

Two cannibals were lunching together, when one made a face and declared, "I just don't like my mother-in-law." The other shrugged and replied, "So all right, just eat the noodles."

Our 2½ Year Money Market Certificate pays 10.00% for an annual yield of 10.669%.

(What does your bank pay?)

\$100 is all you need to get a healthy return. You can have the interest compounded until the certificate reaches maturity or you can receive a monthly, quarterly or semi-annual interest check.

Effective August 21 thru September 3

Our Six Month Money Market Certificate pays 10.500% for an annual yield of 10.930%.

With a minimum of \$10,000, you can have the advantage of high interest rates and the convenience of a short term commitment.

Effective August 28 thru September 3

Whether long term or short term, money market certificates are the smart way to invest your savings dollars.

Federal regulations require a penalty of six months interest for early withdrawal of certificates with maturities of more than one year and a penalty of three months interest when the maturity is one year or less. Such penalty may require a reduction in the principal sum of the account.

Interest compounded daily 365/360 on 2½ year Money Market Certificate.

*Federal regulations prohibit the compounding of interest on the Six Month Money Market Certificate.

Freidel-Eisentraut Family Reunion

On August 17, about 110 descendants of the 49 families of Gottlieb and Augusta Freidel Eisentraut of Germany assembled at the Boltonville Fire Department Hall in Boltonville for the noon potluck dinner.

The committee for the tenth biennial reunion consisted of Mr. and Mrs. Jerome Stautz, Mr. and Mrs. James Klug, Mr. and Mrs. Ervin Saueressig, and Mr. and Mrs. Loren Quaas.

Attending the reunion were people from throughout Wisconsin.

Ervin Saueressig led the group in prayer before a potluck meal was served. During the meal, Shelly Sekas entertained with musical selections on her accordian. Jerome Stautz was master of ceremonies.

The program began with introductions of families attending the reunion. Prizes were given to the grandmother with the most grandchildren, Mrs. Myrtle Titel, Batavia, 19 grandchildren; to the lady with the most rings, Mrs. Marie Held, Cascade. The most recently married couple were David and Kris Rosenthal. The longest married couple were

Mr. and Mrs. Clifford Stautz, Kewaskum, 56 years. The oldest woman in attendance was Lilly Schneider, Batavia, 86 years, and the oldest man was Art Vorpagel, 80, of Plymouth. The youngest baby in attendance was Michael McCoy, 1 year. The one who traveled the farthest distance was Bob Schneider, Ridgeland, Wis., 270 miles.

Commendation was given to Mr. and Mrs. Claude Held for compiling and printing the supplements to the family tree.

Entertainment consisted of vocal musical selection by Ralph, Stewart and Bob Schneider. Several games of Bingo were then enjoyed by all.

The committee for the next reunion in 1982 will consist of Mr. and Mrs. Ralph Schneider, Milwaukee; Mr. and Mrs. Elwood Eisentraut, Waupaca; Mr. and Mrs. Roger Eisentraut, Sheboygan Falls; Mr. and Mrs. Bruce Burns, Sheboygan Falls.

Trail Happening Will Be Held at Cedar Lake Home

A day nature study program, offered for adult leaders of youth groups and people interested in environmental education, will be held on the Cedar Lake Home Campus, Saturday, September 13, from 8:30 a.m. to 2:15 p.m.

The Trail Happening is being sponsored by the Campus' Forest, Trail and Prairie Committee, a volunteer group comprised of environmentally interested persons from the greater community.

According to the committee, the "Happening" is being offered to acquaint community members with the trails and nature areas of the Cedar Lake Home Campus as well as to give participants a better understanding of how the campus may be utilized as a learning source.

At 8:30 a.m., the day opens

with a slide presentation on birds. Following this, each participant may choose three of five one hour study walks being offered. These walks, led by community environmentalists, are: Woodland Plants; Prairie Flowers; Trees and Shrubs; Rocks; and Environmental Awareness.

The Cedar Lake Home Campus includes 90 acres of hardwood forest plus a Wisconsin prairie.

Registration deadline is September 1. A two dollar donation includes lunch. For more information, contact the Cedar Lake Home Campus, 5595 Hwy. Z, West Bend.

Course on Birds Offered at UWWC

A birding course titled "Ornithology: A Study of Wisconsin Birds" will be offered during September and October.

The course has six lectures on a variety of topics including bird migration, nesting of birds, bird behavior, evolution of bird species, bird ecology and introduction to field identification. Along with the lectures, three field trips will travel to birding hotspots in the area.

Bill Volkert, President, Fond du Lac County Audubon Society will be the course instructor. Volkert has been birdwatching and involved in field surveys for

the past eight years. For the past two years Volkert has helped with the Great Lakes Beached Bird Survey at Long Point Bird Observatory in Port Rowan, Canada.

The course is sponsored by UW-Washington County and the Washington County UW-Extension office. It will be held on six consecutive Tuesday evenings from 7:00 to 9:00 p.m. starting September 9, in UWWC's main building. Field trips are scheduled for Saturday mornings, September 20, 27 and October 4. Course instruction is \$25 per person or \$35 per couple.

For pre-registration information please contact Carol Coakley, Publication Information Offices, UWWC, 400 University Drive, West Bend (338-1161) or Dan Wilson, Resource Agent, UW-Extension, P.O. Box 537, West Bend, (338-4480, 644-5204, 342-2929). Registration closes September 2, 1980.

MARRIAGE BANNS

Marriage banns have been announced in the Holy Trinity church bulletin for Raymond Reindl and Susan Nigh, and Kenneth Kaehne and Janis Karoses.

Rescue Squad Calls

Tuesday, Aug. 19 — Elmer Ruplinger, 59, R. 2, Campbellsport, taken to St. Joseph's Community Hospital, West Bend, from his residence in the Town of Wayne with fainting spells following a farm accident.

Wednesday, Aug. 20 — Mike Pettit, 18, 1528 Fond du Lac Ave., Kewaskum, taken to St. Joseph's Community Hospital from his residence with illness.

Saturday, Aug. 23 — Nancy A. Feltes, 35, 5237 N. 35th St., Milwaukee, removed to St. Joseph's Community Hospital from Denny's Arco, Hwys. 41 and 28, with injuries suffered in an auto accident.

Monday, Aug. 25 — Heather J. Mars, 1 1/2-year-old daughter of Mr. and Mrs. Dale Mars, R. 3, Kewaskum, taken to the hospital from Kewaskum High School with illness.

Tuesday, Aug. 26 — Clarence W. Kocher, 74, 4404 Badger Rd. Kewaskum, taken to St. Joseph's Community Hospital from his residence with injuries suffered in a fall.

IF EQUITABLE LIFE INSURANCE WERE A CANDY BAR, IT WOULD STILL COST A NICKEL.

For example, in 1967, the annual premium for a \$25,000 whole life policy on a 35-year-old man would cost you \$570.50.

Today you'd pay only \$311.50. So it's no wonder your Equitable Agent is the last holdout against inflation.

Campus Notes

Scott Wulff of Kewaskum is among 220 undergraduate students at the University of Wisconsin-Madison currently completing work-learn experiences as part of the College of Agricultural and Life Sciences (CAL) Coordinative Internship 399 Program.

Wulff, a senior student majoring in Ag Economics, is an intern at FmHA, Portage, WI, Farmers Home Administration, where James Axness, County Supervisor, is the cooperating field supervisor.

The program allows students to earn degree credits toward their major by gaining practical career-related work experience in a wide variety of agricultural and food-related businesses, industries, farms and resource-related organizations, according to Dick Martin, internship program coordinator.

"Each student's fieldwork experience is observed and evaluated by both the on-the-job supervisor and a faculty instructor," Martin explains. "Students find learning both enjoyable and relevant under these supervised, work-learn situations. Many even get permanent job offers."

More than 1,700 student work-learn programs have been developed since the program began seven years ago.

Give your home our best.

Reynolds Aluminum Vinyl-Tuf Siding

Vinyl-Tuf siding offers the best features of two long-lasting materials, aluminum and vinyl. When you're talking about siding and you ask us to give you our best, we're both talking about Vinyl-Tuf siding, Reynolds Aluminum's finest.

Vinyl-Tuf siding is rich, deeply embossed with a wood grain pattern, then coated with protective, wear-resistant vinyl. You can tell it's top quality when you see it and feel it. See us today, or call to get a free estimate, without obligation.

Fond du Lac County Extension Agents Tour Area Farms

A number of agricultural enterprises were visited this past week by members of the Fond du Lac County Agriculture and Extension Education Committee during their annual tour. The purpose is to see programs and activities Extension Agents are conducting to help county people.

On the Walter Gatzke farm, Campbellsport, the Committee learned about the importance of bees, the production of crops and the production of honey. The Gatzkes have a beautiful bee farm with over two hundred colonies. He pointed out the problems and concerns of beekeepers in raising bees which can help Extension Agents in developing educational programs.

The Committee also visited the Sam Gudex, Jr. and Son farm, south of Campbellsport. Here they saw his remodeled barn, storage, manure handling system, farm shop and learned about his father-son partnership they have developed, and also a new heat exchange system of heating hot water by using the heat from milk as it is being cooled.

At the Bernard Sheridan farm the group saw ten calves produced by the embryo transplant method from one cow. This is a new technique of extending the genetics of cows rather quickly.

On the Ray and Bernard Halbur farm the Committee saw the result of minimum tillage, dairy beef, calf housing, contour strips and a milk house heat exchanger.

In addition the Committee viewed changes in land use in the county such as subdivisions and crop production practices.

On the tour were Erwin Jonas, George Haase, Charles Birschbach, Jr., and H. A. Reinecke, Fond du Lac Agricultural Agent.

Awarded Degree at UW-Stevens Point

More than 200 bachelor's and master's degrees were conferred August 1 at commencement ceremonies marking the end of the University of Wisconsin-Stevens Point's 73rd annual summer session.

Former Acting Gov. Martin Schreiber told the class that it has reason to be optimistic about the future. Americans have the capabilities and spirit to maintain their democracy, he explained.

Schreiber had just returned from a trip to Peru where he had accompanied First Lady Rosalynn Carter to the inauguration of that country's new president. Peru has recently gone from a military dictatorship to a democratic government thanks to the spirit of the Peruvian people, the former governor explained. Though they aren't as poor as Peruvians, Schreiber said Americans' affluence isn't a deterrent to their determination of maintaining their freedom and system of self government.

Class members who received degrees from UW-SP Chancellor Philip Marshall included Kerry Zieliecke, 221 Forest St., Campbellsport, Bachelor of Science, Communicative Disorders.

Kewaskum Statesman
250 Main St.
Kewaskum, WI 53040

To the Editor:

Recently completed, the 2nd Annual Kewaskum Area Closed Tennis Tournament was an enjoyable event for all those who played, and especially so for those who won!

Many people aided in the running of the tournament, but it no doubt would not have been held, were it not for the generosity of the Kiwanis Club of Kewaskum for the majority of the funding, and the Village of Kewaskum for the use of the courts and additional financial help.

Thanks to both organizations, to those who helped out, and to those who signed up and played. We look forward to a larger, better tournament (and better weather) next year.

Respectfully,
Bill Mech,
Tournament Director

Conservation Meeting Held

To assure that on-going conservation practices are providing effective solutions to soil and water problems in Washington County, the Agricultural Conservation Program development group met on August 14, at the ASCS office in West Bend to review the practices to be offered for 1981.

In reviewing the practices, the group considered public benefits, the need to halt soil and water loss, and the need to reduce agricultural pollution, Ira A. Oelhafen, Chairperson of the county ASC committee, said.

The ACP provides enduring solutions to soil and water conservation and agriculture related pollution problems. The

program provides both financial and technical assistance to farmers whose land is affected by wind or water erosion, or pollution problems.

Oelhafen said the county committee encourages farmers to correct soil and water conservation problems, and, where needed, assists them with cost-share payments. "Our primary concern is saving soil, improving woodlands, keeping lakes and streams free from agricultural pollution, and cleaning up farmland after natural disasters," he said.

Farmers participating in the ACP are applying such conservation measures as grass waterways, contour strips, forestry, etc. Input from other agri-related agencies invited recommend the practices most needed.

PACE Scholarship Winner Announced

The first recipient of the annual PACE Scholarship is Karen Beimborn. Elaine Shanebrook, current PACE President, and Maureen Josten, Vice-President and Scholarship Committee Member, presented the check to Ms. Beimborn at a recent meeting at the Washington House, West Bend.

Ms. Beimborn is a student at the University of Wisconsin Center-Washington County preparing to enter the School of Nursing at UW-Milwaukee. Ms. Beimborn, who was named to the UWWC Deans List with highest honors of 4.0, or straight A's, is the mother of three children, ages 13, 15 and 17, and the wife of Eugene Beimborn. The family resides on Terrace Drive in West Bend.

PACE, a West Bend area group of professional and business women, will give \$500 scholarships yearly to women over 25 who are continuing their education, either to change careers or improve their career options. Scholarships are awarded on the basis of financial need, two letters of recommendation, the completed application form, and a personal interview by the Scholarship Committee. The PACE Board of Directors selects the recipient.

Members of the 1980 Scholarship Committee were Lee Bohlmann, Maureen Josten and

Mary Howard. Anyone interested in applying for the 1981 scholarship should contact any member of PACE or a member of the Scholarship Committee. Applications for the 1981 scholarship should be submitted by March 1, 1981.

Back to the 3 R's . . . Plus I's

This year something new has been added.

Before students return to the 3 R's, state law 140.05 (16) requires that they be immunized against such diseases as measles, rubella, polio, diphtheria, tetanus, and pertussis. This law applies to students through grade 12 and those in day care centers beginning with the 1980-81 school year.

Immunizations and further information are available from your physician or local public health agency.

Let the I's Add up to Good Health!

Wisconsin Farmers Union Assails Dreyfus' 4.4% Cut in State Spending

The board of directors of the Wisconsin Farmers Union has assailed Governor Dreyfus' across-the-board, 4.4 percent cut in state spending, calling it "an irresponsible act that will worsen the financial burden of Wisconsin property taxpayers — particularly of farmers who must pay a large share of the property taxes in rural school districts."

Issuing a statement on behalf of the board, which met at Chippewa Falls July 28, WFU President Leland Mulder said the cut-backs would reduce the amount of state aid flowing back to local units of government and school districts. "Local government and school boards which have already done a lot of belt tightening may be forced to increase property taxes to make up for the lost state aid," Mulder said. "This is going to hit hard on farmers and others with already large property tax bills," he added.

In the face of a projected \$150 million state budget deficit, the Dreyfus administration ordered all state spending, including aids to localities, to be reduced by 4.4%. The order will mean \$38.5 million less to school districts, \$20 million less for local governments, \$20 million less in direct property tax credits and millions less for counties and VTAE districts.

Mulder said during debate on the tax cut bill of 1979, Dreyfus pressured legislators into using a large part of the budget surplus at that time to reduce income taxes, which are based on the ability to pay. Mulder said Dreyfus has also pursued a policy of deliberately maintaining a small balance in the state treasury.

"Now that the economic recession is decreasing state tax collections, the Governor is trying to cover up his fiscal mismanagement by forcing a back door increase in property taxes," Mulder said.

Small Business Tax Workshop at MPTI

For small business owners who are seeking to gain a better understanding of federal and state taxes, an evening tax workshop will be offered at the Moraine Park Technical Institute, beginning this fall in Fond du Lac, West Bend, and Beaver Dam.

Taught by CPA John Moehr, the workshop highlights tax benefits and obligations connected with a small business and emphasizes employer tax responsibilities.

The class begins on Tuesday, September 9, in Fond du Lac; Tuesday, October 7, in West Bend; and Thursday, September 11, in Beaver Dam. The class will run for four consecutive weeks and is limited to 25 enrollees at each location. The cost is \$5.65 per person for the four sessions.

Interested persons may reserve a space in class in Fond du Lac and Beaver Dam by calling the respective campuses — (414) 922-8611 in Fond du Lac; (414) 887-1107 in Beaver Dam; and (414) 334-3413 in West Bend. In the West Bend area, registrants may call to reserve a space in class but all fees must be paid before the class starts.

"In a typical conservation fashion, Governor Dreyfus is shifting the burden of the projected deficit to the property taxpayer. The Governor has used the large budget surplus of 1979 to reduce the progressive income tax at the expense of the hard pressed property owners," Mulder charged.

"This is wrong and a clear reversal of the policy of the last ten years which has been to shift costs away from the property tax. I think the taxpayers of Wisconsin should let the Governor know that we don't accept his plan to solve his budget deficit at the expense of the property taxpayer."

Mulder also said the Governor was being hypocritical by urging state agencies and local officials to cut spending, but approving large pay increase for top state officials.

"At the same time he was cutting tax relief for property owners," Mulder said, "the Governor was giving his highly paid staff and department secretaries salary increase as high as 10.2%."

SCHOOL MENUS

HOLY TRINITY SCHOOL

Monday, Sept. 1 — No School
Tuesday, Sept. 2 — Turkey sandwich, green beans, peaches, pumpkin square.

Wednesday, Sept. 3 — Beef cubes over rice, corn, carrots, dinner roll, cookie.

During the past week two more cases of polio were reported at Kewaskum, bringing the total cases to date to 12 here. The two new cases since our last issue are Gilbert Reindl, Town of Kewaskum, who is the third member of his family stricken with the disease. He is the father of Robert, 7, and Mary 11, who were both stricken earlier. The other new case is Sandi Weddig, 3, daughter of Mr. and Mrs. Henry Weddig, Jr. of this village.

The opening of the Kewaskum public schools will be postponed from Tuesday, September 6, to Monday, September 12, because of the prevalence of polio in the area.

Five young men from Kewaskum and the surrounding area have enlisted in the United States Air Force and left August 31 to report for service in Milwaukee. From there they were sent to Lackland Air Force Base, Texas. The youths are: Harold C. Klein and Norman Walz, Kewaskum; Jack Spartz and Roger Kumrow, St. Michaels, and Ralph Buechel, Beechwood.

St. John's Lutheran Church, New Fane, was the scene of the wedding of Miss Eleanor Elizabeth Odekirk, daughter of Mr. and Mrs. Harry Odekirk, Route 2, Campbellsport, and Martin Edmund Haack, Kewaskum, on August 27.

A daughter was born to Mr. and Mrs. Allen Hintz, Campbellsport, on August 28, and a son was born to Mr. and Mrs. Theodore Schoofs, Route 2, Kewaskum, on August 26.

tion of Highway 28 will make the route follow County Trunk S through sections 35, 25 and 26 in the Town of Auburn. Under the new plan it will pass through Beechwood and New Fane and omit Boltonville and Batavia. The present route starts at Minnesota Junction and passes in a northeasterly direction through Mayville and Theresa. At Theresa the route turns north, duplicating Highway 41 for a short distance and then runs directly east through the northern part of townships in Washington County.

Telephone wires are to be placed on the poles of the North-Western road between Milwaukee and Fond du Lac, to be used in cases of emergency when the telegraph wires fail to work. The telephone can also be used for the operation of trains by officials who are not familiar with the workings of the telegraph, when there is no operator on duty.

A force of railroad carpenters have been working here for the past two weeks making repairs on the cattle yards and platform around the depot.

The Washington County Fair will be held at West Bend on Monday, Tuesday and Wednesday, September 18, 19 and 20.

A baby boy was born to Mr. and Mrs. Robert Joost of Kewaskum last Sunday.

Herman Marks, proprietor of the New Kewaskum Store, has put in a complete stock of groceries and will hereafter take all kinds of farm produce in trade.

Fall Festival at Cedar Lake Home

"The fourth annual Campus Fall Festival will be held at the Cedar Lake Home on Sunday, September 28." Cedar Lake Home Campus foundation President, Charles Hammer announced.

The special day for community families to enjoy begins at 11:00 a.m. with a ham luncheon in the House of Fellowship. A wide variety of activities, entertainment and sales will run from noon until 5:00 p.m.

Activities include hay rides to the lakefront, carriage rides, pony rides, a petting zoo, home-talent side shows and carnival fun games.

Entertainment consists of a resident musicale, band music and dance music, antique car display, and a bus tour of the new contemporary village.

Sales include the ham luncheon from 11 through 2 p.m.; an outdoor cafe with ho-made chili and snacks; a brat-hamburger stand; a craft sale and bake sale.

The annual Fall Festival, according to Hammer, is sponsored by the Campus Foundation to provide families with the opportunity to bring young and old together to enjoy the beautiful 215 acre campus. Receipts are used by the Foundation for campus charitable projects.

Marriage Licenses

Jeffrey A. Halfmann, 173 Mill St., Campbellsport, and Vicki L. Narges, Route 1, Eden.

Joel E. Miller, 235 Spring St., Campbellsport, and Danielle L. Rauls, 183 E Third St., Fond du Lac.

Health Tips Listed For New School Year

School days are almost here again for millions of American youngsters.

With the approach of the fall term, the American Medical Association reminds parents once again that there are health and safety considerations that are important in preparing the youngsters for another nine months of studies.

A thorough physical examination is indicated for the 5 or 6-year-old who is starting school for the first time. Your physician will know what to do. His or her examination will cover all aspects of your child's health. The doctor will check hearing (to make certain the child can hear the teacher) and vision (to make sure he or she can see the blackboard). If booster immunization shots are needed they can be given at this time.

School boards in some communities require a health

exam for beginning students. Some school districts require immunizations against infectious diseases. Your doctor will know of the requirements in your neighborhood.

Most doctors feel that four or five health examinations during the school years are sufficient for healthy children. These usually are spaced at the start of the first year, about the fourth grade, about the seventh grade, and upon graduation. A thorough examination is important before the child begins participation in athletics, and most schools require this. More frequent exams may be needed if the child has a health problem that needs checking.

In the excitement of the first few days of school, the smaller child may forget all of the safety warnings you've been teaching. Each parent should make sure the child knows how to cross streets and intersections en route to and from school. Each child should know that crossing guards are there for his or her protection and obey them. Children should know about proper deportment on the school bus, and should know the rules of bicycle safety.

Washington County Friends for Battered Women Opens Office at Germantown

Friends for Battered Women of Washington County is pleased to announce the recent opening of their new office in Germantown to service the people of Germantown and the surrounding communities of Washington County. Services that will be provided by this office are: community education regarding the problems and possible solutions for battered women and their families, volunteer recruitment to service the agency in a variety of functions, counseling, advocacy and referral of battered women.

Our office is located in the Century 21 Building, N112-W15568 Mequon Road, on the corner of Mequon and Pilgrim Roads. The telephone number is 255-6702. Office hours are 8:00 a.m.-5:00 p.m. Monday through Friday. Evening hours can be arranged by appointment. In addition to the services in the Germantown office we also provide similar services through our West Bend office which is located on the second floor of St. Joseph's Hospital.

The phone number in West Bend is 334-7298. When there is no answer at either of these numbers, those needing assistance can call The Open Door Society 24 hour hot line at these

numbers: Germantown - toll free 933-7300, Hartford - 644-6016, and West Bend - 334-4636. Follow-up service will be provided as quickly as possible.

We have had a great response from civic groups regarding speaking engagements. If there are any organizations who have not been contacted who would like to schedule a presentation on the timely and important issue of battered women for one of your program meetings, please call Diana Strauss, Coordinator of the Germantown office of Friends for Battered Women of Washington County at 255-6702.

We are presently compiling a list of volunteers. If you feel you would be interested in volunteering your time and services either now or in the future, please call our office. There are a variety of ways in which your services can be of assistance to us.

We are in the process of assembling a list of people who would be interested in joining a support group to discuss their problems and various solutions. We will schedule the meetings at a time and place that is

convenient to those interested persons. If the response is great enough, we will have female groups, male groups and couples groups. Any interested parties should call Friends for Battered Women at either office or write: Friends for Battered Women, P.O. Box 185, Germantown, Wisconsin 53022.

It is important to be aware that you do not have to experience a catastrophic situation before you look for help. If you feel that you have been abused, you should be aware that you are not alone and that there are people who care and can help you.

County Soil Conservationist Is Transferred

Leslie Meadows, Soil Conservationist with the Soil Conservation Service, working in the West Bend Field Office, was promoted and transferred to Lancaster, Wisconsin, Field Office. She has worked in Washington County for one year in a training position and started in

Lancaster August 25.

Lancaster is located in Grant County in the far southwestern part of Wisconsin adjacent to the Mississippi River where Wisconsin, Illinois, Iowa and Minnesota meet. Grant is a very large rural county, unglaciated with steep slopes and deep silty soil well suited to terraces and contour strip cropping.

Ms. Meadows will continue to do basically the same type of work in Grant as she has been doing in Washington County. The work will consist of planning and installation of manure storage facilities, contour strip cropping, grassed waterways, diversions, erosion control structures and terraces. Since Washington County is a rapidly urbanizing area, Leslie had

some involvement in solving landuse problems associated with erosion and sediment control in subdivisions. All of her activities have been directed to implement the district goals of soil erosion control, improved water quality and proper land-use planning.

Leslie Meadows and her husband, Mike, are both pilots and it might just happen that they will visit West Bend via airplane sometime.

Both the Hawaiian Islands and Puerto Rico were produced by volcanic action.

Minutes of Village Board Meeting

Monthly Meeting
August 18, 1980
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Village Trustee Members were present.

The minutes of the meetings of July 30th, 1980, and of August 4, 1980, were approved as printed upon motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

James D. Reigle, President of Regal Ware, Inc., together with Ned Sengpiel explained to the Village Board Members Regal Ware's proposed plans for an estimated two million dollar addition to their Kewaskum plant and requested that the Village Board consider favorable approval to two resolutions which would allow the issuance of industrial revenue bonds to finance the project. Richard Weiss of the law firm of Foley and Lardner explained to the Village Board the mechanics of industrial revenue bonding.

After the presentation, motion was made by Trustee Rohrer and seconded by Trustee D. Nigh that the Board suspend with the rules and move to 8 (a) and 8 (b) of the agenda to consider two proposed resolutions. Voice vote was unanimous.

The following resolution was introduced by Trustee David Nigh.

Resolution No. 80-3

INITIAL RESOLUTION RELATING TO INDUSTRIAL DEVELOPMENT REVENUE BOND FINANCING ON BEHALF OF REGAL WARE, INC.

WHEREAS, the Village of Kewaskum, Wisconsin (the "Municipality") is a municipal corporation organized and existing under and pursuant to the laws of the State of Wisconsin and is authorized by Section 66.521 Wisconsin Statutes, as amended (hereinafter sometimes referred to as the "Act"), to:

(a) issue revenue bonds to finance all or any part of the costs of the construction, equipping, reequipping, acquisition, purchase, installation, reconstruction, rebuilding, rehabilitation, improving, supplementing, replacing, maintaining, repairing, enlarging, extending or remodeling of a project which qualifies under the Act and the improvement of the site therefor; and

(b) enter into a revenue agreement with an eligible participant pursuant to which the eligible participant agrees to cause said project to be constructed and to pay the Municipality an amount of funds sufficient to provide for the prompt payment when due of the principal of and interest on said revenue bonds; and

WHEREAS, Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant") has been considering undertaking a project in the Municipality, and the Eligible Participant has represented to the Municipality

that it would be an encouragement and inducement for the Eligible Participant to proceed if the project could be financed with revenue bonds; and

WHEREAS, the Eligible Participant has represented that the intended use of the project is for the purpose of manufacturing and warehousing of cookware products and that the project would consist of a building addition and equipment (hereinafter called the "Project"); and

WHEREAS, the Eligible Participant has estimated that the cost of the Project would be approximately \$1,000,000 but, with allowance for modifications, design changes, and inflation could be as high as \$2,000,000; and

WHEREAS, prior to the date of adoption of this Resolution, a statement which provides a good faith estimate of attorney fees which are expected to be paid from proceeds of the revenue bonds has been filed with the Clerk and with the Department of Business Development of the State of Wisconsin, or its successor; and

WHEREAS, it is in the public interest of the Municipality to promote, attract, stimulate, rehabilitate and revitalize commerce, industry and manufacturing, to promote the betterment of the environment and the economy of the Municipality and to stimulate a large flow of private investment funds into the Municipality; and

WHEREAS, it is the finding and determination of this body that the Project is a qualified "project" within the meaning of the Act and that the Eligible Participant is an "eligible participant" within the meaning of the Act; and

WHEREAS, it is the finding and determination of this body that the Municipality would derive public benefits from the Project and its operation, including by way of illustration but not limitation the following: the provision and retention of gainful employment opportunities for the citizens of the Municipality; the stimulation of the flow of investment capital into the Municipality with resultant beneficial effects on the economy in the Municipality; and the preservation and enhancement of the Municipality's tax base; and

WHEREAS, it is the finding and determination of this body that the public interest will be served if the Municipality were to encourage and induce the Eligible Participant to undertake the Project in the Municipality;

NOW, THEREFORE, BE IT RESOLVED:

1. Subject to the conditions

specified in paragraph 2, the Municipality shall pursue and consummate a financing having the following elements:

(a) The Municipality shall issue revenue bonds pursuant to the Act at one or more times in one or more series in such aggregate principal amount not in excess of \$2,000,000 as the Eligible Participant shall request; providing, however, that the actual aggregate principal amount shall not be greater than the then estimated aggregate cost of providing the Project and paying the costs incident to the financing thereof (said bonds being hereinafter called the "Bonds").

(b) The Bonds shall be limited obligations of the Municipality payable by the Municipality solely out of revenues derived from the Eligible Participant or otherwise provided for pursuant to the terms of the loan or similar agreement (hereinafter called the "Revenue Agreement") to be entered into between the Municipality and the Eligible Participant.

(c) The Revenue Agreement shall require the Eligible Participant to acquire, construct or install the Project and to provide the Municipality with revenues sufficient to pay when due the principal of, premium, if any, and interest on the Bonds.

(d) The Bonds shall have such maturities, interest rates and redemption limitations as the Eligible Participant and the initial Bond purchaser(s) shall propose.

2. The issuance of the Bonds by the Municipality shall be on the following conditions:

(a) The Bonds shall not constitute an indebtedness of the Municipality within the meaning of any State constitutional provision or statutory limitation.

(b) The Bonds shall not constitute or give rise to a pecuniary liability of the Municipality or a charge against its general credit or taxing powers.

(c) The Eligible Participant shall be responsible for finding a purchaser or purchasers for all of the Bonds.

(d) Prior to the issuance of the Bonds: (i) the electors of the Municipality shall have been given the opportunity to petition for a referendum on the matter of the Bond issue as required by the Act; (ii) either no such petition shall be timely filed or such petition shall have been filed and said referendum shall have approved the Bond issue; and (iii) this body, by further resolution, shall have authorized and approved the terms of the Bonds and the Revenue Agreement.

(e) The Bonds shall be issued pursuant to the Act, and the delivery of the Bonds shall be accompanied with the unqualified approving legal opinion of Messrs. Foley & Lardner or such other nationally recognized firm of bond attorneys as shall be acceptable to the Municipality and the Eligible Participant.

3. All out-of-pocket costs in connection with the issuance and sale of the Bonds shall be paid either from the proceeds of the Bonds or by the Eligible Participant.

4. The Clerk shall cause notice of adoption of this Resolution to be published once in Kewaskum Statesman (the Municipality's official newspaper, for the publication of notices pursuant to Chapter 985 of the Wisconsin Statutes), and shall cause evidence of publication (including a copy of the notice as published) indicating the date of publication of such public notice to be filed with the Secretary of Business Development of the State of Wisconsin or such Secretary's successor within 10 days following publication of such notice.

5. This Resolution is an "initial resolution" within the meaning of the Act and official

action toward issuance of the Bonds for purposes of Section 103 of the Internal Revenue Code of 1954, as amended, and the regulations promulgated thereunder.

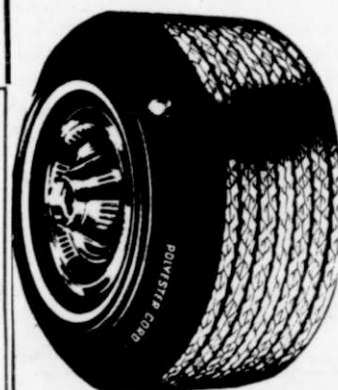

6. This Resolution shall be effective immediately upon its passage and approval. Unless the Bonds shall have been issued prior thereto, the authorities and authorizations given by this Resolution shall expire on the second anniversary date of the date of adoption of this Resolution or on such later date as this body may specify by resolution adopted either before or after such date.

Motion for the adoption of the resolution was made by Trustee Raynor Herriges. Motion for the adoption of the resolution was seconded by Trustee Paul Blumer. The resolution was unanimously adopted on a roll

call vote of 6 "Aye" and 0 "Nay."

The following resolution was introduced by Trustee Donald Mlodzik.

Resolution No. 80-4

RESOLUTION RELATING TO WAIVER OF SECTION 66.521(11)(b)1. IN CONNECTION WITH AN INDUSTRIAL DEVELOPMENT REVENUE BOND FINANCING ON BEHALF OF REGAL WARE, INC.

WHEREAS, this body has adopted a resolution entitled "Initial Resolution Relating to Industrial Development Revenue Bond Financing On Behalf Of Regal Ware, Inc." (the "Initial Resolution"); and

WHEREAS, the Initial Resolution provides that upon certain conditions the Village of Kewaskum, Wisconsin (the "Municipality") shall issue industrial development revenue bonds pursuant to Section 66.521, Wisconsin Statutes, as amended (the "Act") to finance a project in the Municipality to be undertaken by Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant"); and

WHEREAS, the Eligible Participant has represented that the intended use of the project is for the purpose of manufacturing and warehousing of cookware products and that the project would consist of a building addition and equipment (the "Project"); and

WHEREAS, Section (11)(b)1. of the Act contains provisions requiring competitive bidding for certain construction contracts and prohibiting discrimination with regard to the construction and operation of projects financed under the Act; and

WHEREAS, Section (11)(b)2. of the Act empowers the governing body of a municipality to waive the requirements of Section (11)(b)1. with respect to a particular project;

NOW, THEREFORE, BE IT RESOLVED:

1. It is the finding and determination of this body that the Municipality will not control the design, costs, construction or operation of the Project; that no public moneys will be expended for the Project; that the Municipality will have no beneficial ownership in the Project; that the primary reason for requiring competitive bidding for construction of municipal projects is to protect the taxpayers against excessive expenditures of public funds and that such reason, although sound as applied to public works, is not applicable to the Project in which no general funds or tax revenues of the Municipality will be used or put at risk; that it would be more efficient and expedient for the accomplishment of the public purposes of the revenue bond issue if the Eligible Participant were to have complete control over the letting of contracts for construction for the Project; and that while an anti-discrimination policy such as that expressed in Section (11)(b)1. of the Act is supported by this body, public policies of that sort applied in the context of a bond financing are more appropriately effectuated by contract with the Eligible Participant. There-

fore, the Municipality does hereby waive the provisions of Section (11)(b)1. of the Act with regard to the Project; provided, however, that the revenue agreement to be entered into between the Eligible Participant and the Municipality shall contain anti-discrimination clauses satisfactory to the Municipality.

2. The Clerk shall cause the foregoing resolution to be published together with the public notice required by the Initial Resolution.

Motion for the adoption of the resolution was made by Trustee Paul Blumer. Motion of the adoption of the resolution was seconded by Trustee Raynor Herriges. The resolution was unanimously adopted on a roll call vote of 6 "Aye" and 0 "Nay."

A public hearing was held on the request of George Minz for the rezoning of the parcel of land west of Fond du Lac Avenue and south of STH "H" west (known as the Mlodzik parcel at 985 Fond du Lac Avenue) from R-1 Single Family Residence District to B-2 General Retail and Service District. There were no appearances or objections to the requested zoning change. Upon motion by Trustee Herriges, seconded by Trustee Blumer, the hearing was declared closed. Voice vote was unanimous.

Motion was made by Trustee Paul Blumer and seconded by Trustee Raynor Herriges to suspend with the rules and move to 6 (g) and 8 (c) on the agenda to consider the request of George Minz for the rezoning change. Voice vote was unanimous.

Trustee Rohrer presented a letter from the Plan Commission recommending that the Village Board approve the request of George Minz to rezone the parcel of land at 985 Fond du Lac Avenue from R-1 to B-2. Motion was made by Trustee D. Nigh, seconded by Trustee Herriges, that the recommended zoning change from R-1 to B-2 be approved. Trustee Mlodzik abstained from voting on the motion. Roll call vote was 5 "Aye" and 0 "Nay" in favor of the zoning change.

Contingent upon receipt of preliminary approval from the State of Wisconsin, George Minz was granted permission to do site preparation at 985 Fond du Lac Avenue and to install footings and foundations to grade level only. Motion by Trustee Rohrer, seconded by Trustee Herriges. Voice vote was unanimous.

Supt. Albers reported that he is still experiencing problems with the screens on the sludge conditioner press.

At the request of Supt. Albers, motion was made by Trustee Blumer that the work period of the summer help at the waste-

water treatment plant be extended to September 19th. The motion was seconded by Trustee Herriges. Voice vote was unanimous.

Supt. Bilgo reported that the installation of the storm water pipe on Edgewood Road was completed and that only some clean-up work needs to be done.

The Board reviewed the budget control sheet for the first seven months of 1980.

Administrator Schmidt reported on the results on the clear water survey recently completed by the village and also reported that correction notices to residents are being prepared.

Administrator Schmidt was authorized to seek permission from the Wisconsin Department of Transportation to reduce the speed limit on U. S. 45 from the area of STH "H" west to the south village limits. Motion by Trustee Mlodzik, seconded by Trustee Herriges. Voice vote was unanimous.

Park and Recreation Committee Chairman Trustee Rohrer reported that sealed bids for the construction and installation of a permanent concrete raft for the Kiwanis Park pool will be opened at the September 15, 1980, meeting of the Village Board.

Daniel Meilahn was authorized to paint the signs setting forth the general park rules which are to be posted at the entrance to the Kiwanis Park and at the entrance to River Hill Park. Motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The Village Board decided that the children's flag football for this year should be dropped.

A public hearing on the request of Peter Knaup for the rezoning of Lot 2, Block 14, of the Assessor's Plat (known as the Kilian Honeck property) from P-1 Park District to R-4 Multiple Family Residence District was scheduled for September 2, 1980, at 8:00 P.M.

Because of the Labor Day holiday, the regular monthly Village Board meeting was changed from September 1 to September 2, 1980, at the usual time. Motion by Trustee Herriges, seconded by Trustee Blumer. Voice vote was unanimous.

The establishment of a policy on industrial revenue bonding, as recommended by Administrator Schmidt as other communities have done, was approved upon motion by Trustee Mlodzik, seconded by Trustee Rohrer. Voice vote was unanimous.

Upon motion by Trustee Herriges, seconded by Trustee Blumer, the Board adjourned to closed session under Chapter 19.85 (c) of the Statutes to review the Kewaskum Police Association contract proposals

NOTICE

Notice is hereby given that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, will conduct a public hearing at 8:00 P.M. Tuesday evening September 2, 1980, in the Council Room of the Municipal Building, 204 First Street. The public hearing will be on the request of Mr. Peter Knaup for the rezoning the parcel of property to the west of Roseland Drive and to the east of Brooklane, lot 2 of block 14 in the assessor's plat in the Village of Kewaskum, Washington County, Wisconsin, (known as the Kilian Honeck property) from P-1, park district to R-4, multiple family residence district. The primary proposed use of this parcel is for an Elderly Housing Development. The parcel under consideration is approximately 2.62 acres.

Daniel S. Schmidt
Administrator

8-22-2t

for 1981. Voice vote was unanimous.

Activities or Operations Resulting in /Existing discharge:

Regal Ware manufactures cookware. An average of .245 MGD of noncontact cooling water from air compressors, boilers, hydraulic presses and spot welders are discharged through outfall 001 to the Milwaukee River via storm sewer. Outfall 002, which also discharges to the Milwaukee River via storm sewer, consists of overflow from outfall 001. All other process and sanitary wastes are discharged to the Kewaskum sewage treatment plant.

Receiving Water: Milwaukee River in Washington County.

The Department has tentatively decided the WPDES permit described above should be reissued. Appropriate effluent limitations and special conditions will be included in the permit.

Persons wishing to comment

on or object to the proposed permit, or to request a public hearing, are invited to do so in writing to the Department of Natural Resources, WPDES Permit Section, 101 So. Webster St., Box 7921, Madison, Wisconsin 53707. Comments as received will be made a part of that file. A public hearing may be held if response to this notice indicates significant public interest.

All comments or suggestions received from members of the public and interested government agencies no later than 30 days from the date of issue of this public notice will be used along with other information on file in making a final decision regarding the permit. The U.S. Environmental Protection Agency shall be allowed up to 90 days to submit comments or objections regarding this permit.

Information on file for this permit may be inspected and copied at the address above, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Information on this permit may also be obtained by calling 608-266-3221 or by writing to the Department. Reasonable costs will be charged for copies of information other than the public notice.

Please be further advised that in the event it is not possible to reissue this permit by September 30, 1980, because a public hearing must be conducted or because of the occurrence of other unforeseen events, the Department may without further public notice modify the present permit pursuant to Section 147.03(2)(a), Wisconsin Statutes, by extending its term and the effectiveness of the final effluent limitations to no later than September 30, 1981. During the extension period, the reissuance process for the new permit will be completed. In the event such a modification is made, the Department will deem that this public notice satisfies the notice requirements of Section 147.03(2)(b) and (c), Wisconsin Statutes.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk
Washington County

WANT ADS

RUMMAGE SALE — Sat., Sun. & Mon., Aug. 30, 31 & Sept. 1 from 10:00 to 6:00. Poison Sumac

Poison Oak

Nettle

Lady-slipper

Any unfilled permits will be issued on a first come, first served basis for applications received after September 10 through September 30.

Hunters may apply for a permit to take one Canada goose in any one of two zones during one of three time periods. The zones and time periods are the Central zone from season opening to its close, Horizon zone from season opening to October 31, and Horizon zone from November 1 to season close.

Applications should list their first, second, and third choice in order of preference to increase their chances of receiving a permit.

Exact waterfowl season dates were set by the Natural Resources Board at its regular meeting on August 20-21. The dates will be listed in the waterfowl regulations pamphlet to be published following the Board meeting.

Hunters will be allowed one Canada goose for the season in the permit zones. In the remainder of the state the limit will be one a day and two in possession.

A total of 55,300 permits will be issued within the three tag zones. A harvest quota of 30,000 Canada geese has been set for Wisconsin for this season with 25,000 to come from within the three tag zones and the remaining 5,000 from the remainder of the state.

Last year, a total of 33,000 Canada geese were taken by 51,350 hunters within the tag zones.

If you're planning a walk through the woods to enjoy the autumn foliage, here's a reminder from National Wildlife magazine that the familiar three-leafed poison ivy vine isn't the only irritating plant to avoid.

The National Wildlife Federation's bimonthly publication warns hikers to keep their eyes open for these other plants that cause rashes and skin irritations.

Poison Oak: Similar in appearance and effect to poison ivy, this erect shrub of dry, sandy coastal woods has three leaflets which are distinctively lobed.

Poison Sumac: Still another relative, this large shrub or small tree bears drooping clusters of small ivory-colored fruits and shouldn't be confused with harmless red-fruited sumacs. The poison variety prefers a swampy environment.

Celandine: This plant's deep yellow flowers invited picking,

but the bright orange juice that drips from the broken stems can cause an irritating skin inflammation.

Lady-slipper: One of the nation's most handsome native orchids, the regal showy lady-slipper inhabits northern bogs. Handling the plant can result in an affliction resembling poison ivy rash. Unfortunately, this unpleasant property has not kept it from being picked to near extinction in some areas.

Nettle: This plant makes bare-legged hiking an ordeal, for its entire stem and leaves bristle with spiny-tipped hollow hairs which contain a variety of histamines and other proteins. Brushing against a nettle causes these hairs to penetrate the skin where they break off

and release the fluid. Immediately, the affected area stings and itches fiercely. The sensation lasts only a few minutes, and an application of juice from the jewelweed usually relieves the itching.

Manchineel: One of the most notorious U.S. plants is this small tree of southern Florida and the Keys. Its sap causes severe blistering after contact and the crab-apple-like fruit is extremely poisonous when eaten.

"Symptoms of external poisoning vary with a person's sensitivity and with the species of plant," explains National Wildlife. But by recognizing potentially hazardous plants, hikers can avoid unpleasant encounters.

Placement Program For Older Workers In Effect in County

With the Older Workers Placement now in effect in Washington County employers and applicants should feel free to contact Wisconsin Job Service of West Bend to bring these two mighty forces together.

This program works in accordance with the Wisconsin Bureau of Aging and the Department of Industry, Labor and Human Relations. It is federally operated to help find meaningful employment for people fifty and over.

JOBS, that's what it all boils down to. Jobs for the elderly who want to feel needed and can contribute a vast amount of experience to society. These people are eager to work part time or full time jobs.

A member of our staff will be available to help you at all times. Call 338-4700 or visit us at 2275 West Washington Street in West Bend, and ask for Jane McElroy or Irene Wade.

Employers, the next time you have an opening, please consider some one fifty and over. They have established employment records.

SPORTS

Mosquitos Bug Clark Eichstedt In State Open

Clark Eichstedt was the only player from Hon-E-Kor Country Club to qualify for the State Open Golf Tournament which opened Monday at Milwaukee CC.

Eichstedt, playing in the first group in the morning, said the pesky mosquitos really bothered his concentration. They were very bad and "Ike" couldn't get settled. (The mosquitos are especially bad now after all the recent wet weather).

Clark didn't want to use the bugs as a excuse, but he ended up with an 83. He hit the greens and kept putting past the hole in the beginning, ending up with six straight bogeys.

Eichstedt had posted a 75 at Tumblebrook earlier to qualify for the event.

Grand Prize Winners in Big Fish Contest

Village Sport Shop's Big Fish Contest ended Aug. 25. The winners for the final three weeks and the grand prize winners are as follows:

For the week ending Aug. 11 the bass category was won by Bill Heberer, Kewaskum, who brought in a 2 lb. 2 oz. 15¼ inch fish caught on North Twin Lake.

Dennis Jandre, Kewaskum, had the largest Lake Michigan fish weighing 20.5 lbs. and measuring 37 inches.

Young Richard Thieme, Kewaskum, took both the crappie and bluegill categories with a 6 oz. 8¼ inch crappie and a 9 oz. 8 7/8 inch bluegill caught on Long Lake.

The week ending Aug. 18 Elroy Lierman, Kewaskum, took the Lake Michigan category with his 22.8 lb. 37¼ inch Chinook.

The bluegill category was won by Mike Gnacinski, Adell, with a 15 oz. 10½ inch fish caught on Lake Seven.

The final week, the week ending Aug. 25, had winners in every category except the crappie.

Don Neumann, Kewaskum, had a 5.4 lb. 30½ inch northern to win that category. The fish was taken from Mauthe Lake.

Bob Kirsch, Campbellsport, caught his prize winning bass from the Milwaukee River. It weighed 1 lb. 9 oz. and measured 14¼ inches.

Lloyd Herriges, Kewaskum, brought in a Chinook that not only took the weekly prize but also the grand prize. His 28.2 lb 38½ inch fish was a real beauty.

Larry Neumann Jr., Campbellsport, caught an 8 oz. 9¼ inch bluegill from Lake Seven to take that category.

Mike Reindl, Kewaskum, brought in the winning walleye. His 1 lb. 12 oz., 18¼ inch fish was caught on Lake Winnebago.

The grand prize winners are people who have brought in the largest fish during the length of our contest which ran from opening day May 3 until this past Monday, Aug. 25.

The largest northern was caught by Walter Anderson of Menomonee Falls. Anderson caught his 20.4 lb. 43 inch fish on Lake Kristine in Waushara County. It was caught on a yellow and orange jig on May 10. He wins a Berkley Cherry-wood Rod.

David Weidner, Kewaskum, took the grand prize for large-mouth bass. His 4.8 lb. 21 inch fish was caught on Mauthe Lake. He caught it on a worm June 17. His prize is an Olympic 3260 Spincast Rod.

Lloyd Herriges, Kewaskum, brought in the grand prize Lake Michigan fish the final week of the contest. It weighed 28.2 lbs and measured 38½ inches. He won a Dot Line Landing Net.

Allen Wiesner, Kewaskum, caught the prize winning walleye. His 7 lb. 29 inch fish was taken from Boulder Lake in Vilas County. May 4 was his lucky day using a jig and minnow to catch the fish. A Ryobi GX10 Spinning Reel is his prize.

Monty Shaw, Kewaskum,

had the largest crappie brought in. He caught his 1 lb. 6 oz., 14 3/8 inch fish July 4 on Legend Lake using a beetle spin. Monty wins an Adventurer 1499 Tackle Box.

Delbert Bingen, West Bend, had the largest bluegill. His 1 lb. 6 oz., 11¼ inch fish was caught on Lake Seven July 19. A cricket was used for bait. Bingen wins a Mariner 2020 Flex Fillet Knife.

Congratulations to all the prize winners. Village Sport Shop wants to thank everyone who brought in fish. A total of 113 fish were officially entered with many more brought in but not qualifying. Sixty-eight weekly prizes and six grand prizes were given away.

If anyone who had their picture taken would like the picture, please stop in at the store to pick it up. We would like to make this contest an annual affair. Any comments or thoughts on the subject would be appreciated.

Indian Girls Third in Golf Opener at Port

Girl golfers from Kewaskum High opened their 1980 season Monday in a quadrangular meet at Port Washington.

Minus two varsity regulars, Kewaskum was third with 289 strokes. Port won with 209, led by veteran Lisa Kartheiser with a 40, which was excellent considering the wind coming off Lake Michigan. West Bend West, which lost four seniors by graduation, was last with 327. Mayville finished second with all five players coming in with 76 or better, led by Terry Tighe with 50.

For the Indians, seniors Joan Hanrahan and Sue Harlow led with 65 and 68. Cheryl Jaeger hit a 77 and Melissa Koch 79.

Tuesday Kewaskum traveled to Hartford CC and Wednesday they hosted West Bend West at Hon-E-Kor.

Kettle Riders Host Donkey Baseball

The New Fane Kettle Riders Snowmobile Club will play host to the Fond du Lac County and Northern Kettle Moraine Snowmobile Associations August 31.

The association's will "battle" each other in the Kettle Rider's First Invitational Donkey Baseball Game at 1:00 p.m. at the New Fane Sportsmen's Club, Highway G, four miles north of Kewaskum.

An added feature before the game will be donkey races, including a race between Bob Staehler, Chairman of the Governor's Recreation Council, and Art Sherren, Executive Secretary of the Association of Wisconsin Snowmobile Clubs.

Food and refreshments will be available on the grounds.

West Bend Savings and Loan, Kewaskum office, the Campbellsport News and Three R's, Boltonville, have advance tickets on sale. Cost of the tickets is \$2.00 advance, \$2.50 at gate, preschoolers free. The game is open to the public and everyone is invited to come and enjoy an afternoon of fun and laughs.

Kettle Moraine Chapter of Ducks Unlimited Plans First Banquet

The Kettle Moraine Chapter of Ducks Unlimited has announced that its 1st annual banquet will be held at Scenic View Country Club, on Sept. 11 at 6 p.m. Chapter Chairman Terry LeFever of Slinger feels the fund-raising function should be marked on the calendar by anyone who is interested in the future of North America's waterfowl.

"The Ducks Unlimited success story," said LeFever, "is really starting to spread around. Banquets much like our chapter event held throughout the country last year contributed towards Ducks Unlimited's national fund-raising effort which raised \$20 million during 1979 alone. But what's even more important to realize," said LeFever "is that this national fund-raising total must increase this year if the North American waterfowl habitat race is to be won."

DU's sportsmen/conservationists founders discovered through surveys conducted forty years ago that seventy percent of North America's waterfowl production occurs in Canada. They figured out back in 1937 what holds true today. Since Federal duck stamp dollars cannot be spent beyond U.S. borders, sportsmen funds earmarked for waterfowl conservation are not getting to the places where the great percentage of production takes place. But through Ducks Unlimited's efforts, over \$100 million has been raised in the U.S. since 1937. And 80c out of everyone of those dollars has been sent to DU (Canada) to reserve some 3 million acres of prime habitat encompassing over 1,700 wetland projects.

The only problem in all this is that biologists estimate millions of additional acres of habitat must be reserved in order to stabilize North America's waterfowl population. When you consider that habitat today is diminishing due to agricultural and developmental pressures, and that DU is the only nonprofit conservation organization involved in the Canadian waterfowl habitat race, you can begin to see the significance attached to the organization's fund-raising events.

Tickets, which are \$35.00

each, include a one-year DU membership and a subscription to the organization's magazine. Call Terry LeFever at 644-8513 for tickets and further details.

HON-E-KORNER

The Women's Golf Association met Aug. 20 with class events of low net. A winners were Judy Harlow and Nan Welch with 37. B Corliss Fassbinder with 33. C Shirley Lemler 37 and D Laura Matthews 43.

Card winner was Mary Stutzman (again).

The Bill Bartelt Memorial Tournament was also held on Aug. 20, and open to all women club members. The 18 hole medal play event was won by Corliss Fassbinder. Runner up was Nan Welch.
