AFS Domestic Exchange Students Kewaskum Historical Society Hosts Southeastern Regional Convention

Beth Heiman

Scott Buchel

The Kewaskum High School AFS organization has a very active domestic exchange program. This program is an even exchange, inter-United States program. For every student from our school who is sent to another U.S. location, we have to provide a volunteer home for the same number of students. This exchange program is one semester long.

Currently, the John Hazlewood family in the Town of Farmington is hosting Beth Heiman. Beth is a 16-year-old junior from Alexander High School in Darien Center, New York.

Darien Center is a town of about 3,000 people, about 30 miles from Buffalo. Beth has two sisters and three brothers in New York and she is a Protestant. Her father is a supervisor at Westinghouse, and her mother is a nurse.

A very good academic student and active in extra-curricular activities, Beth is especially interested in music. She plays the flute and also participates in chorus.

Beth applied for the program because she wanted to try a new experience which gave her a certain amount of independence. As Beth will only be in Kewaskum until the latter part of January, she would be glad to share her thoughts about Wisconsin and her New York home

with your group or organization. If you would like to hear more about her and the AFS Domestic Exchange Program, contact the Kewaskum High School AFS advisor, Miss Rosenthal.

In exchange for Beth coming to Kewaskum, we were able to send Scott Buchel, son of Mr. and Mrs. Gerald Buchel, to Ellsworth, Maine, on the shores of the Atlantic Ocean.

Scott is also 16 years old and a junior at Kewaskum High School. He is a good academic student and very active in extra-curricular activities, church work, his jobs at the A & W Root Beer stand and recently life-guarding at our new park.

While staying in Maine, Scott is living with the James Patten family and is attending Ellsworth High School.

Ellsworth is a city of about 45,000 people about 40 miles from Bangor and has a high school with about 500 students. The origin of the area is basically French and offers some differences in their extra-curricular activities such as fencing and soccer.

Scott will also be involved in their music program, as this is his special interest.

He will return to Kewaskum at the end of the first semester. At that time, he, too, will be happy to share his experiences with you.

On Saturday, September 6, the Kewaskum Historical Society hosted the Southeastern Regional Convention of the Wisconsin Council for Local History.

It started at 8:30 a.m. at the Hon-E-Kor Country Club, River View Drive, with registration. Coffee and doughnuts were served at 9:15 a.m. Gerald Stollenwerk, village president, started things off by giving the welcoming address. A brief history of the Kewaskum Historical Society by Daniel Schmidt, local president of the society was given. Next a business meeting was conducted, with Schmidt, who is also chairman of the Southeastern Region, presiding. Reports by the regional societies were given.

There were representatives from Kenosha, Ozaukee, Racine, Walworth, Washington and Waukesha counties. Some visitors from DePere also made their appearance.

George Miller, chairman of the Wisconsin Council for Local History, discussed current issues and development in the council. Sheldon Stomquist, executive secretary of the Wisconsin Council for Local History, led a discussion on major questions arising from these reports.

At 12:00 noon a luncheon was served at the Hon-E-Kor. After the luncheon Sandra Anderson, vice chairperson of Wisconsin Council of Local History, who came 400 miles from Cable, Wisconsin, presented the Regional Chairmanship Certificate to Daniel Schmidt. There was a discussion and maps shown about changing the boundaries of the societies.

Dolores Kleinke, past president of our local society, introduced and expressed thanks to guests Judy Harlow, reporter for the West Bend News, also to Bill and Marcie Harbeck, publishers and editors of the Kewaskum Statesman for their

Area United Way Meeting On Tuesday

Co-chairmen Gerald Kiefer and Edward Christie are calling a Kewaskum Area United Way meeting for Tuesday, September 16, at 8:00 p.m. in the Regal Ware cafeteria.

This will be the final meeting before the 1980 Fund Drive begins. All United Way Board members and Fund Drive division captains are expected to attend this meeting.

The 1980 Kewaskum Area United Way Fund Drive starts September 29 and will continue through October 31, 1980.

coverage and cooperation in printing news which added to the best interests of the Historical Society. Mrs. Kleinke also compiled in book form, pages from the Kewaskum Statesman of "Memories," which started in January 1980, and is currently running in the paper. These are on display at the museum. She also mentioned the length of time the Harbeck family, starting with Don Harbeck in 1908, father of Bill, was with the Kewaskum Statesman.

A narrated slide presentation on the Kewaskum Historical Society's annual Early Farm Days and its recent log cabin moving project was then presented by Dan Schmidt. The guests next made a tour of the museum on the west bank of the Milwaukee River. Cookies, bars, coffee and lemonade were served.

According to Schmidt, this was the largest group ever attending such a convention. There were over 100 registered guests. Usually there are about 50. Everyone seemed to enjoy themselves. The weather was ideal and the scenery at the Hon-E-Kor Country Club, the

First Meeting of Woman's Club

The first meeting of the Kewaskum woman's club of the 1980-81 season will be held at a new location and at a new time. Members are reminded that we will be meeting Thursday evening, September 18, at 7:30 p.m. at the Valley Bank. The program for the evening is The New Badger Quiz. Come and learn more about our Staff of Wisconsin, its cities, its people, businesses and leisure attractions. Hostesses for the meeting are Mrs. Alma Edwards and Mrs. Elaine Buswell.

The programs for the year were planned by Mrs. Margaret McFadden, chairman; Mrs. Laverne Hron, Mrs. Sue Decker and Mrs. Minerva Martin.

Officers for the year will be Mrs. Kathy Hlavaty, president; Mrs. Margaret McFadden, first vice president; Mrs. Marge Rosenthal, second vice president; Mrs. Melinda Seifert, secretary; and Mrs. Rita Etta, Treasurer.

Department chairman are: Conservation, Mrs. Carolyn Smucker; Education, Mrs. Alma Edwards; Home Life, Mrs. Pat Moody; International Affairs, Mrs. Agnes Schaefer; Public Affairs, Mrs. Betsy Strigenz; The Arts, Mrs. Rita Schmidt; Publicity, Mrs. Phyllis Bade, and Membership, Mrs. Pat Peterson.

The woman's club is always happy to welcome guests. Please join us on September 18.

water falls and the view of the bank along the river as seen from the west side of the museum was beautiful.

A visitor remarked that this was the ideal spot to have a museum. It was where the Potawatomi Indians first camped, also where the village had its start. The first store, post office and mill were only a short distance away on these very shores of the Milwaukee River.

Only 194 Votes Cast in Village; Kasten Wins

Only 194 voters bothered to cast their ballots in the Village of Kewaskum in Tuesday's Primary Election.

The only contest was for United States Senator on the Republican ticket, where there were four candidates. Village voters followed the trend in the county and state by nominating former Rep. Robert W. Kasten Jr. to oppose Democratic Senator Gaylord A. Nelson in the November 4 election.

In Washington County the voter turnout was estimated at only 15 per cent.

Kasten won out over three other Republicans who were also seeking the right to challenge Sen. Nelson in November. They were Douglass Cofrin, Russell A. Olson and Terry J. Kohler.

With about 69% of the vote reported Wednesday morning, Kasten had 39% compared with 28% for Kohler, his nearest challenger. Next were Cofrin and Olson.

All other candidates were nominated without opposition.

Results in Kewaskum were as follows:

REPUBLICAN PARTY

U.S. Senator - Cofrin 16, Kasten 87, Olson 10, Kohler 52. Representative in Congress (9th District) - F. James Sensenbrenner, Jr. 133. State Senator (2nd District) - Donald J. Hanaway 123. Representative to the Assembly (6th District) - Patricia Rusch 125. County Clerk - George F. Nehrass 125. County Treasurer - Fredric A. Seefeldt 132. Sheriff - Clarence A. Schwartz 128. Coroner - Robert H. Boltz 123. Clerk of Circuit Court - Jon W. Sanfilippo 126. Register of Deeds - John C. Steilen 121.

DEMOCRATIC PARTY

U.S. Senator - Gaylord A. Nelson 24. Representative in Congress - Gary C. Benedict 18. State Senator - Michael R. Mullen 17. Representative to the Assembly - Gervase A. Hephner 22. District Attorney - Frederick A. Fink Jr. 19.

SPORTS

Indians Will Host Slinger In Football Opener Friday

Two former Scenic Moraine Conference rivals, the Slinger Owls and Kewaskum Indians, will continue their rivalry when they clash in a non-conference opener here Friday night. Game time is 7:30 p.m.

Kewaskum has moved into the Eastern Wisconsin Conference this year and Slinger is now a member of the Parkland Conference, following the disbanding of the Scenic Moraine. The level of competition should be about the same, with one or two strong teams.

EDITORS TOUR EASTERN WISCONSIN SCHOOLS

For a Labor Day ride, the publishers of the Statesman made a get acquainted tour to learn the locations of the schools and their football fields in the Eastern Wisconsin Conference, of which Kewaskum is a new member this year. We started out at Plymouth and Sheboygan Falls, then headed north to Two Rivers, [a long trip of about 70 miles from Kewaskum for the Indians], then back down to New Holstein and Kiel, and over to Valders [which dropped out of the conference this year] and ending up at Chilton enroute home. We found that some of the schools have fine football facilities, similar to the Scenic Moraine, especially the city of Two Rivers.

Last year Kewaskum's lack of depth contributed heavily to the team's poor 2-7 record (1-6 in the Scenic Moraine) but this year Head Coach Mike Fifrick has more depth. His squad of 42 players includes 12 seniors, 24 juniors and 6 sophomores. Fifrick said that for a successful football program about 33 juniors and seniors are needed so you're three deep at all positions.

Fifrick believed that frequent coaching changes probably contributed to dwindling interest in Kewaskum football. Some of the current seniors had three different coaches in three years.

Together with Kewaskum, Eastern Wisconsin schools in-

clude Two Rivers, Plymouth, Sheboygan Falls, Kiel, Chilton and New Holstein. Two Rivers is the largest school with an enrollment of about 1065. Then comes Plymouth 1009, New Holstein 850, Kewaskum 804, Sheboygan Falls 680, Kiel 655, and Chilton 550.

Fifrick, beginning his second year as head coach, has just six lettermen and a few other regulars returning. Lettermen include seniors Randy Heberer, LB and FB; Perry Kempf, E and LB; Steve Muench, T; Roger Gavin, T, and Brian Dreher, FB and LB, and junior Dave Donath, HB and LB.

Of these lettermen, two of them are already out of action. Dreher will miss the first few games while recovering from a separated shoulder and real tough blow was Donath tearing ligaments in his knee in an intra-squad contest. A two way starter, Donath underwent knee surgery and is expected to be lost for the season.

Besides having more depth, this year's team has much more needed size. Last year the biggest player was only 182 pounds. This year 5-9, 230-pound Dick Thompson, 6-1, 220-pound Ken Schuette, 6-0, 208-pound Jim Simon, 6-1, 192-pound Doug Petsch and 6-0, 185-pound Dale Rempel will help the line.

This year's juniors posted a 4-3 record last season as JVs, losing to Hartland in four overtimes and to Mayville on a last second field goal. Promising juniors include tackle Jon Davis, 6-0, 210; guard Pat Miller, 5-11, 172; tackle Scott Nigh, 6-1, 172; halfback Randy Westerman, 5-11, 147; quarterback Ric Leitheiser, 5-11, 150, and quarterback Jeff Geidel, 6-0, 149. Leitheiser and Geidel will battle for the starting quarterback job.

Fifrick said some problems remain but if his 12 seniors contribute the team might be respectable, even though break-away runners Rod Schultz, Mike Pettit and Joel Herriges are gone. New Holstein, Plymouth and Two Rivers are expected to be strong.

Girls Lose to Hartford, Beat Mayville and West Bend West in Golf Triangular

In a dual meet last Tuesday, at Hartford Country Club, the Hartford Orioles defeated Kewaskum, 380 to 413.

The Orioles' Laura DuPont took medal honors with a 46, her best score ever. Teammate Jenny Vogt had second best score with a 54. Kewaskum led by Sue Harlow and Pam Perkins, who each scored 58s.

The coaches counted six players to give all of them a chance to be involved.

The Indians' Debbie Schlice is still to join the team.

Hartford is only in its second year of girls' golf.

Playing at Hon-E-Kor Wednesday, Kewaskum had three players coming in with rounds of 54 or better to easily win their home triangular opener. The Indian girls had a 223, to beat

Mayville by 26 strokes. West Bend West was third with a 320.

Coach Joe Harlow's daughter Sue shot 53 and Joan Hanrahan and Pam Perkins were one shot back at 54. Melissa Koch added a 62.

Mayville's Terry Tighe took medalist honors with 50. West's young team had a 59 from Jane Gibson and Kris Backhaus and Linda Gundrum had 83 and 86 respectively. Mayville lost four regulars through graduation.

KEWASKUM 223, MAYVILLE 249, WB WEST 320
Kewaskum — Harlow 53, Perkins 54, Hanrahan 54, Koch 62.
Mayville — Tighe 50, Ondreska 64, Smadema 67, Zangl 66.
West — Gibson 59, Backhaus 82, Gundrum 86, Fenney 93.

Clark Eichstedt Wins Fourth Hon-E-Kor Golf Championship

For the first-time in 15 years, there is another four-time golf champion at Hon-E-Kor Country Club, Clark Eichstedt won his fourth title Sunday when he beat Dave Denis of West Bend, handily, 9 to 7, in the finals.

Eichstedt also won the club championship in 1972, 1976 and 1977. The other four-time winner was Carl Wertz from 1962 through 1965. Len Carroll won it three times from 1967 through 1969. Last year's champ, Chuck McClain, is a member of West Bend Country Club this year.

In the 36-hole championship match, "Ike" built up a big lead over the first 27 holes and it was just a matter of time. He had an even par 35 on the front nine to go two up on Denis with a 37. He followed with another 35 on the back for a 70 while Denis dropped to a 41, giving Eichstedt a lead of eight strokes.

"Ike" had five birdies for 29

holes and birdied No. 8 twice. He narrowly missed an eagle in the first round on No. 12.

In another final match Sunday, the first flight, Bill Wuebben defeated Marsh Alf 5-4. In other men's finals, Paul Lastofka took the second flight with a 3-2 win over Ken "Buck" Averill. Perry Koth won the third flight, beating Jace Dunn 1 up, and Mike Pfeiffer was a 2-1 winner in the fourth flight over Ralph "Buck" Weaver. In the junior flight, which went 34 holes, two West Bend West teammates battled it out before Jeff Josten was declared the winner over Tighe, 3-2.

Indian Girls Beat Slinger, Downed by Plymouth in Tennis

In a tennis match at Slinger last Tuesday, a 3-set doubles victory by Kewaskum's Jane Russell and Lori Banenberg made the difference as the Indians won, 4-3. Kewaskum won three or four singles matches and the victory in doubles was all they needed.

No. 1 and 3 Indians, Brenda Manthei and Debbie Allmann, won by reversed 6-2, 6-0 scores. Slinger's No. 2 player, Corrine Weinert, bested Mary Brenholt, 6-3, 7-5.

Coach Jan Rosenthal has seven letterwomen back in Manthei, Brenholt, Allmann, Julie Dettman, Russell, Darla Prost and Marjean Backhaus. Forty girls turned out for the sport and Rosenthal has an 1/2 assistant, Sue Burgard.

This year the girls won't be up against some of the powerhouses in the Scenic Moraine. The new conference, the Eastern Wisconsin, does not sponsor girl's tennis on a conference level and there are only two schools which have it.

Goeden Wins Feature at Francis Creek

WINNER — Willie Goeden is all smiles when he carries the checkered flag as winner of the Finale Forty Feature.

Last Wednesday at the 141 Speedway in Francis Creek, the Eastern Wisconsin Stock Car Racing Association closed the season with the "Finale Forty" lap feature which was won by Kewaskum's Willie Goeden, followed by Frankie Heimerl and Etchie Biertzer, both of West Bend.

Dave Waldron of Campbellsport won the 15 lap semi. The

evening's fast qualifier was Frankie Heimerl with an average speed of 61.28 miles per hour.

Going into the evening events, Goeden had been fourth in the point standings at 141 Speedway. After the feature win he finished third with Heimerl and Biertzer placing second and first respectively in the standings.

Woman's Club Will Again Sponsor Book Discussion Group

The Kewaskum Woman's Club will again sponsor a book discussion group which will meet at the Public Library. "The Search for Meaning," the book we will be using for our discussions this year, is from The Great Books Foundation, which is an independent, non-profit educational organization established in 1947. The Foundation's purpose is to provide a program of continuing liberal education for people of all ages through community-organized reading and discus-

sion groups. "The Search for Meaning" consists entirely of works of short fiction. Each story has been chosen for its literary excellence, its power to provoke thoughtful discussion and its contribution to the theme of the collection.

Our first meeting will be held on Tuesday, September 16, and we will discuss the introduction and the first selection by Anton Chekov, "A Dull Story." The questions we will be discussing are in the back of the book starting on page 425.

These meetings are open to anyone who loves to read and the club urges anyone who wishes to attend. Please call Maude Rose (626-2719) or Phyllis Bade (626-2637) if you would like further information.

Four New Teachers and Two Interns Join High School Staff This Year

Theresa Rosenthal

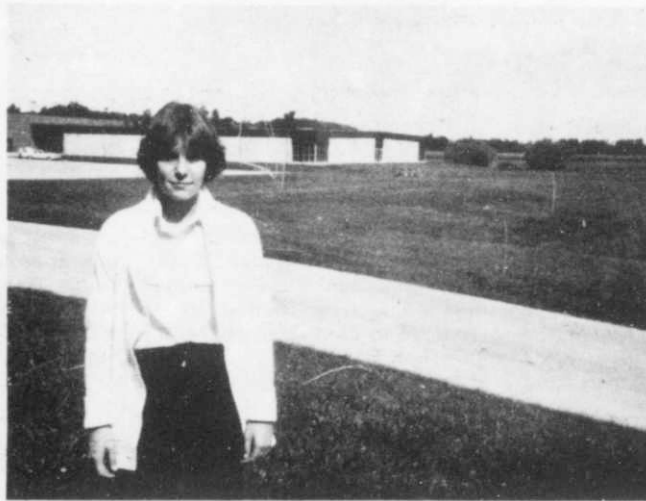

Jody Greatens

John Nell

Dan Wangerin

Elizabeth Lockner

Joe Antoniewicz

Four new teachers and two interns have joined the staff of Kewaskum Community High School this year, bringing the total number of staff members to 47.

One of the new teachers is Miss Theresa Rosenthal, who will be teaching German and Practical English classes and acting as advisor to the AFS and German clubs. After graduating from West Bend East High School, she attended the UWWC Center for two years, and then went to UW-Oshkosh, where she received a Bachelor of Science degree in secondary education. She taught German and English at Mishicot High School, Mishicot, and JFK Prep School before coming to Kewaskum. Miss Rosenthal has always enjoyed living in this area, and is especially fond of the Kettle Moraine Forest. She is a hearty supporter of the UWWC campus, having thoroughly enjoyed her two years there. She likes to provide a variety of methods and materials in her classroom teaching in order to add interest to the class.

Miss Jody Greatens joins the business department, teaching typing II, personal typing, basic business, and clerical office practice. She will also be advisor to the cheerleaders and the FBLA club. A graduate of Ashwaubenon High School, she attended UW-Whitewater, receiving a Bachelor of Science degree in business education.

She was a student teacher at Edgerton prior to coming here. Miss Greatens is pleased with the size of the KCHS student body, and with the relatively new building and facilities.

Health and life sport classes are being taught by John Nell who will also coach football and wrestling this year. He graduated from Goodrich High School in Fond du Lac, attending Winona State University in Minnesota for five years and doing substitute teaching in Fond du Lac coming to KCHS.

Dan Wangerin is the new graphic arts teacher and assistant football coach this year. He graduated from Nicolet High School in Glendale and attended UW-Stout, where he received an undergraduate degree in industrial arts. Mr. Wangerin is presently doing graduate work and is two credits short of a degree in graphic arts. He has taught industrial arts at Athens, Wisconsin, and taught industrial and graphic arts for four years in the West Allis/West Milwaukee school district. He was just married at the end of August.

Two interns have joined the KCHS staff for the first semester of this school year. In the English department, working with Mrs. York, Miss Elizabeth Lockner is teaching Practical English and English I. She graduated from Prairie du Chien Senior High School and

attended UW-LaCrosse. After finishing here, she plans to return to LaCrosse to work toward degrees in English and Secondary Education.

Joe Antoniewicz is this semester's art intern. He is a

graduate of Waukesha High School, and attends UW-Oshkosh, working toward his Bachelor of Arts degree in Education. Mr. Antoniewicz likes KCHS because it is a big modern school in a small town.

"Economics for Young Americans" to High School Principal Clark A. Pearson.

For students at Kewaskum High School this year, basic economics means competition, pricing, paychecks and savings. This practical approach is the result of a new program, "Economics for Young Americans," that's been presented to

their school by the Kewaskum Area Chamber of Commerce.

This program was developed by professional teachers for the Chamber of Commerce of the United States to give basic economics timely impact and

make it more interesting for students. When Regal Ware heard about the new multimedia kit, they wanted local students to be able to share in its benefits.

Taking a more audio visual

and lively give-and-take discussion approach "Economics for Young Americans" is helping to change students' ideas about economics from a dreaded "buzz word" to a subject with a lot of interesting possibilities!

Cynthia Ann Roecker and George Albert Eggert III exchanged marriage vows during a 2:00 p.m. ceremony at Emmanuel Evangelical Lutheran Church, Town of Herman, on Saturday, June 28. The Rev. Herbert Lemke officiated the ceremony.

Parents of the couple are Mr. and Mrs. Daniel Roecker, Route 1, Allenton, and Mr. and Mrs. George Eggert Jr., 378 Third Street, Kewaskum.

The bride's attendants included Sandra Roecker, sister of the bride, as the maid of honor and the bridesmaids, Mary Hammen, sister of the groom, Sandra Hahn, friend of the bride, Kathy Radermacher, friend of the bride, Jenny Wesenberg, cousin of the groom as the flower girl and Paula Roecker, cousin of the bride, as the miniature bride. Her dress was styled the same as the brides.

The groom chose his brother-in-law Gerald Hammen to be his best man. The groomsmen were Keith Roecker, brother of the bride, Dennis Wesenberg, cousin of the groom, Jay Tessar, friend of the groom and Kevin Eggert, cousin of the groom as the miniature groom.

Ushering was done by David

Roecker, cousin of the bride and Fred Wesenberg, cousin of the groom.

A reception and dinner was held at Lavey's Lakehouse, Campbellsport.

The bride, a 1976 graduate of Hartford Union High School, is employed at Amity Leather Products, West Bend. The groom is a 1975 graduate of Kewaskum High School and is employed at Barton Products, West Bend.

The couple reside at 1290 Wayne Road, West Bend.

Theisen-Disler

St. Michael's Church, St. Michael's was the setting of the 2:00 p.m. ceremony Friday, May 16, uniting Jane Marie Theisen and Donald R. Disler. Father William Bonesho officiated.

Mary Jo Mueller was the organist and the soloist was Jeanne Marchant.

Parents of the couple are Mr. and Mrs. Alphonse Theisen, 8860 Forest View Road, Route 3, Kewaskum, and Mr. and Mrs. Jacob Disler, 411 Kilbourn Avenue, West Bend.

The bride chose her sister, Julie Theisen, to serve as her maid of honor. The bridesmaids were Sheila Philip, a friend of the bride and Mary and Linda Theisen, both sisters of the bride.

Attending the groom as his best man was his brother, Harold Disler, and the groomsmen were Joseph Theisen, brother of the bride, Keith Laufer, friend of the groom, and Gene Krause, brother-in-law of the groom.

Dennis Herriges and Rick Boden shared ushering duties.

Following the ceremony, a reception and dinner were held at Amerahn, Kewaskum.

The bride is employed as a L.P.N. at the Cedar Lake Home, West Bend, and the groom is a foreman at Dehling-Voight, Newburg.

Plan Retirement

Program Sessions

The Business-Industry Education Advisory Council of Washington County has announced their Pre-Retirement Planning Program sessions. A news release said today that the five weekly sessions will begin on Tuesday, October 14.

The sessions will be taking place at the Cedar Lake Home Campus - Learning Center on Highway "Z" in West Bend. The cost for all five sessions is \$10.00 per registrant, which includes your spouse.

The sessions will deal with many phases of pre-retirement planning. For instance, one session will talk about housing and its choices and locations along with short and long term health care facilities and what to do with your leisure time. Another session will deal with estate planning and your financial needs. The aging process and your attitude towards retirement will also be topics for discussion.

This program is for anyone who is interested in expanding their ideas about retirement.

To register, make your check payable to PREPP and send along with your name (s) and address (s) to PREPP, P.O. Box 118, West Bend, Wisconsin 53095. Participation is limited. Please mail before October 1, 1980.

A regulation proposed by the Department of Agriculture, Trade and Consumer Protection directing dairy farmers to decrease milk temperatures an additional five degrees should not be approved, according to State Representative Gervase Hephner (D-Chilton).

Citing added costs for the dairy farmer and increased energy consumption, Hephner called on Senator David Berger (D-Milwaukee) and Representative William Rogers (D-Kaukauna), to oppose the regulation when it comes before their Joint Committee for the Review of Administrative Rules (JCRAR).

The regulation requires state dairy farmers to cool Grade A milk to 45 degrees (F) instead of the present 50-degree (F) standard.

The extra cost for Wisconsin's dairy farmers would be over \$1 million, Hephner said, and, the additional electricity required to cool the milk another five degrees would light 25,000 homes for a month and heat the water, as well.

"What's worse," Hephner said, "suggestions for lowering the temperature to 38 degrees (F) have surfaced. This is absurd, it would cost our dairy farmers over \$2.5 million."

Department officials contend that 94 percent of the dairy farmers in the state already

meet this regulation, cooling their milk to 45 degrees. "If this is the case, why adopt the regulation in the first place?" Hephner argued.

The Assembly Committee on Agriculture already opposed adoption of the provision. Since the Board of Agriculture continues to support the regulation, however, it will hopefully be

considered at a public hearing before JCRAR.

In urging the committee to kill the regulation, Hephner stressed, "The proposed regulation will ultimately shift the cost of cooling milk onto the shoulders of the consumer through higher milk prices—a price increase that neither the consumer nor the farmer should be forced to bear."

LAST MALLARD — Sylvester Bales, Route 1, Kewaskum, one of the drivers, is pictured above taking the last trailer from the inventory of Mallard Coach.

Mallard Coach of West Bend, manufacturer of recreational vehicles, on Sept. 1, suspended all operations. The suspension was attributed to economic conditions, the energy crisis and a severe slump in the recreational vehicle industry.

When Mallard Coach was at peak production, almost 200 people were employed.

Other Mallard Coach plants in Colorado and Utah were sold last fall. The West Bend plant has operated since 1954.

Thomas Lloyds New Wayne 4-H Leaders

By Robert Stodola
4-H and Youth Agent

I had a pleasant visit with the Wayne Crusaders 4-H club recently. This was their reorganization meeting in which they begin the selection of leaders for the coming year. The group thanked Mrs. Lois Schmidt, Kewaskum, for her past years as general leader. They then selected Mr. and Mrs. Thomas Lloyd of Campbellsport as the general leaders for the coming year.

To get the new 4-H year under way the club is planning a special parents night and new family night for Tuesday, October 7, at Wayne School. Any family that wants to find out more about 4-H and particularly the activities of the Wayne Crusaders 4-H club is invited. Members will be showing and telling about their projects and activities of the past year.

This is the time of the year when many clubs are having open house or some type of program especially to tell new families about 4-H. The Bender Badgers 4-H club of the West Bend area is having their open house at 7:00 p.m. at the West Bend Marine Bank. I'm sure there are many clubs having open houses in other communities that I don't know all the details about.

4-H is for families with children 3rd grade to 18 years of age. There are activities in which the member can learn new skills and there are many activities that the entire family can parti-

cipate in. If you want to find out more about 4-H, get in touch with a leader in your local community. If you do not know who the nearest leader is, call me at the University Extension Office in West Bend. Phone number is listed under Washington County.

Women Voters Plan Library Program

The director of West Bend Community Library John Reid will be presenting current library issues on September 15 at 7 p.m. at the Library as a part of the Washington County League of Women Voters local program.

The local program is an evaluation of a County Library System for citizens of Washington County. Free service to all county residents is a condition of a demonstration grant being applied for by the West Bend Community Library to run from October 1980 to October 1981.

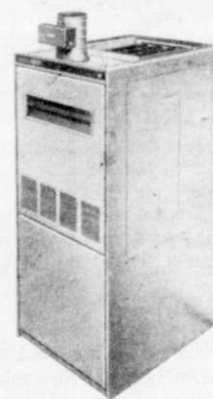

Decisive action will result from the research on the effect of county funding.

The public is welcome and encouraged to attend.

The League will be gathering at 7 p.m. for new member orientation prior to the meeting.

Preserving Tomatoes

By JOYCE ALBRECHT
Extension Home Economist
Washington County

If you planted tomatoes in your garden this year, you probably are in the midst of a bumper crop of ripe tomatoes. Don't panic. Even though they are very perishable once they are ripe, there are many quick and easy ways to preserve their summer freshness and flavor for year round use.

Start with high quality fruits. Allow your tomatoes to ripen on the plants. However, do not allow them to ripen to the point of cracks as this may allow for contamination with disease organism or insect larvae and would not be suitable for preservation. If you find hard, discolored area or blossom end rot, it is not recommended to use for canning or juice but could be used fresh for paste or catsup once the spot is removed.

When canning tomatoes you usually can figure a yield of 15-20 quarts of canned tomatoes from one bushel (53 lbs.) of tomatoes.

When choosing the method you wish to preserve tomatoes, consider the cost, time and energy required and your preferences.

There are two methods of canning tomatoes: either the boiling water method or the pressure canner method. NEVER use the open-kettle canning method for tomatoes. The danger in this method is that you cannot raise the temperature high enough and uniformly enough to destroy microorganisms. Also, tomatoes may be contaminated by air which remains in the jar between the liquid and the lid.

In recent years with new varieties of tomatoes available which are lower in acidity, canning methods had to be changed in order to assure a safe product. Therefore, it is essential to change methods of canning to insure that food

poisoning does not occur.

The food poisoning which could occur from improperly canned foods is botulism. Botulism is potentially a fatal poisoning. If botulism microorganisms are not destroyed in canning, it will grow and produce a harmful substance.

The safest method is to use a pressure canner. You may pack the jars either raw or boiling for processing in a pressure canner. Process at 5 pounds of pressure for 10 minutes for both pints and jars. Start timing your processing time as soon as the pressure reaches 5 pounds.

If processing in a boiling water bath, add 1/4 tsp. per pint or 1/2 tsp. per quart of citric acid to each jar. There also is available a canning tablet which has salt and citric acid which can be added. Bottled lemon juice can also be used. You will need to add 8 tsp. of lemon juice per quart of tomatoes. A new product called A.C.M. (ascorbic citrus mixture) can be added. Use 1/2 tsp. per quart.

Process raw pack tomatoes in boiling water bath canner for 30 minutes (both pints and quarts) and process hot pack tomatoes in boiling water bath canner for 15 minutes (both pints and quarts).

The above method of canning should be followed also for canning tomato juice, as well as canning tomatoes.

When canning tomato paste or tomato sauce, a pressure canner must be used.

Tomatoes can also be safely frozen. The most acceptable method you will find is stewed, pureed or juice.

Whole tomatoes tend to crack and collapse completely when thawed.

To freeze tomatoes for stewing, use only sound, fully ripe, highly colored tomatoes. Wash them thoroughly and scald them to loosen skins. Remove skins, cores and any green parts. Quarter tomatoes and using low heat, simmer 10-20 minutes until tomatoes are tender. Cool quickly by placing into small pans in ice cold water. Package the cooled tomatoes in rigid, moisture-vapor proof containers and fast freeze. Label with date and contents.

To prepare tomato juice for freezing, use only sound, fully ripe, highly colored tomatoes.

Wash them thoroughly and scald them to loosen skins. Remove skins, cores and any green parts. To thin the juice, add 1/4 to 1/2 cup water for each two quarts of tomatoes.

Heating tomatoes is necessary to inactivate an enzyme that is released when you cut or crush the fruit. This enzyme destroys vitamin C and causes the juice to separate or settle. Therefore, with low heat, simmer 5-10 minutes until parts separate easily when poured through a strainer, sieve or food mill. If desired, add 1 tsp. salt to each quart of juice. Pack cold into rigid, moisture-vapor-proof containers, leaving 1" head space. Label with date and contents.

If you have a blender, pureed tomatoes freeze well. Use 3-4 raw tomatoes, peeled and cored. Place them in an electric blender, add 1/2 medium onion, 1 seeded green pepper, 1 tsp. salt or 1 tbs. sugar and salt mixture. Celery and carrots can be added. This puree is a good base for spaghetti sauce, as an addition to chili or meat loaf, or can be consumed as a beverage, with or without diluting. You can freeze this mixture without heating because ingredients are broken up and the product is handled rapidly and in small amounts. When frozen, the pulp separates from the liquid and flavor does not remain acceptable over long storage. But if you heat it to boiling, it will have a better consistency and flavored blend. Cool the heated mixture quickly in refrigerator or in small pans of ice

cold water before packaging and freezing.

Be safe, not sorry and use only recommended methods of processing your fruits and vegetables.

For additional, up-to-date information, a bulletin entitled "Preserving Tomatoes" is available for 25c. This can be purchased from the U.W. Extension or by mailing the fee along with your name and address to Joyce Albrecht, Extension Home Economist, P.O. Box 537, West Bend 53095.

Installing a Bilco Basement Door is easy and economical*

"We couldn't believe how easy it was to install."

"And it cost less than we ever imagined."

In just a few steps you can enjoy the convenience, safety and low maintenance of an all-steel Bilco Door. You'll like its neat, trim appearance, ease of operation, and the way it sheds rain. It's a great do-it-yourself project and actually costs less than having a new wooden door built.

Stop in to see our display and pick up a copy of "The Home Improvement That Pays For Itself" folder. Considering its low cost and ease of installation, isn't this a good time to start enjoying the benefits of a Bilco Basement Door on your home?

DNR Awards Washington County \$26,800 for Failing Septic Systems

The Department of Natural Resources recently announced it has awarded Washington County \$26,800 to replace or improve 11 failing septic systems.

The Wisconsin Fund provides grants to cover 60% (\$3,000 maximum per system) of the cost of replacing or rehabilitating residential or small commercial septic systems. Only failing systems—not new ones with county or state enforcement orders against them are eligible. Seasonal homes and small businesses with average daily wastewater loads of more than 2,100 gallons are ineligible.

The DNR has awarded more than \$1.3 million for work on 765 septic systems. Counties that have received Wisconsin Fund grants so far are: Columbia, Crawford, Dane, Grant, Iowa, Iron, Jackson, Marathon, Monroe, Oneida, Pepin, Pierce, Portage, Richland, Sauk, Sawyer, Vilas, Washington and Waukesha.

Interest in the Wisconsin Fund grant program continues to grow. Twenty-four counties have passed resolutions to participate and have adopted 3-year maintenance/inspection programs.

The question that arises once a county agrees to participate in the Wisconsin Fund program is "How do I get my name on the application?"

Before a county can submit grant applications on behalf of its residents, it must meet statutory program requirements. The county must have a sanitary code that calls for inspection of all new septic systems every three years, whether the property owner had received state funds or not.

Once the county board resolves to participate in the program, an application listing individual properties and grant eligible costs is sent to the DNR for review. If approved, the DNR makes a grant award.

When qualifying property owners learn their county is considering applying for a

grant, they should contact the county zoning administrator and ask to be included in the application.

The DNR reminded property owners with eligible systems that they have 12 months from the date of the enforcement order to complete work on their systems. The county must submit the grant application to the DNR within that same 12 month period.

After work on the septic system is completed and paid for, the property owner must provide the county a copy of the cancelled check and paid invoice, which will be sent to the DNR. The department will make a grant payment to the county, which will in turn reimburse the property owner.

Two Injured in Hit and Run Mishap, Truck Collision

Ken Corcoran, 23, of 1146 Fond du Lac Ave., Kewaskum, complained of pain to his right hip, hand and wrist after being struck by a car on U. S. 45 in the Town of Barton at 1:20 a.m. Sunday.

Sheriff's deputies said Corcoran was struck on the shoulder of the road as he walked from one vehicle to another. He was picked up at 425 Jefferson St. and taken to St. Joseph's Community Hospital by the West Bend Rescue Squad.

The car left the scene and the driver, Edwin J. Odermann, 32, of 615 Roosevelt Drive, West Bend, was later picked up.

Two pickup trucks were involved in an accident at a hillcrest on State Hwy. 28 and Townline Road, west of Kewaskum, at 6:32 a.m. last Wednesday. Glen J. Herman, 23, of 9079 Townline Road, Kewaskum, told sheriff's deputies he was attempting to cross Hwy. 28 when another pickup truck came over the hill at him.

Due to the short distance between the hillcrest and the intersection, he was unable to get out of the way and was sideswiped by a truck driven by Donald J. Petrusaitis, 39, of Route 3, Campbellsport. Petrusaitis was transported to St. Joseph's Community Hospital with pain in his neck, back and leg.

Freezing prevents mold growth, but it won't kill what's already present.

Something New

In Drum Corps

In the Making?

A joint venture is being explored with people from West Bend, Cedarburg, Port Washington and surrounding areas.

The possibility exists that an entirely new major open class Drum Corps of Drum Corps International caliber could be in the making.

Drum Corps members past or present are invited; band members, cheerleaders, pom-pom girls, drill teams, baton corps and any others interested in the exciting modern Drum Corps are also welcome. Competitive Drum Corps ages are 13-21 inclusive.

An informational meeting will be held in West Bend Tuesday, September 16, at 7:00 p.m. at the Badger Middle School,

south entrance; in Port Washington, Wednesday, September 17, at 7:00 p.m. at the Thomas Jefferson Middle School; and in Cedarburg, Thursday, September 18, at 7 p.m. at the Central Gym.

Free Service at Three County Libraries

On Tuesday, September 2, 1980, the West Bend Community Memorial Library received notification that a portion of its request for federal funds to provide county-wide demonstration of library services has been approved.

The funds awarded will provide library service without a

fee to residents of the county for a one year period to commence October 1, 1980. The grant is intended to help participating libraries demonstrate to the citizens of the county, the kinds of services that could become available to them under a county-funded library system. Of the estimated 65,000 state residents who do not have "free" access to a library, approximately 40,000 of them live in Washington County.

The libraries participating in this grant are Hartford Public Library, Hartford; Duerrwachter Memorial Library, Germantown; West Bend Community Memorial Library, West Bend. Details of the grant operation are being finalized by the three libraries. Funding requested for the operation of a county-wide bookmobile was not provided at this time.

Minutes of Village Board Meeting

Village of Kewaskum
Special Meeting of the
Village Board
August 28, 1980
4:15 P.M.

The special Meeting of the Village Board of the Village of Kewaskum, Washington County, Wisconsin, was held in the Council Room of the Municipal Building, 204 First Street.

The meeting was called to order by President Gerald Stollenwerk. Trustee members present were Raynor Herriges, Donald Mlodzik, Jeffrey Rohrer and President Stollenwerk. Trustee members absent were Paul Blumer and David Nigh.

The special meeting was called to review and discuss the purchasing of the sludge dewatering equipment from Permutit Company. It was mentioned in the beginning of the meeting that a letter was received from Mr. James Devaney of the Permutit Company. This letter stated Permutit Company intends on keeping the MRP-36 at the Wastewater Treatment Plant supplied with 2-ply filter belts for a period of one year from the day of initial start-up. They also stated a vendor, Industrial Fabrics Company would be able to manufacture the newly designed 2-ply belt.

Donald Woller from Foth & Van Dyke and Associates recommended the 100% payment of the DCG-200 and a partial payment on the MRP-36. Trustee Jeffrey Rohrer moved and Trustee Donald Mlodzik seconded a motion to purchase the DCG-200 from Permutit Company and pay 100% equaling \$25,089.00. Voice vote was unanimous.

A motion was made to pay Permutit Company 80% to 90% for the MRP-36, equaling a retained amount of money for an additional year's supply of belts. The amount of the 2-ply belts to be verified by mail to establish the percentage to be withheld. This retained amount will be held until a new 2-ply belt is developed and ran or in use for a period of six (6) months. The motion was made by Trustee Raynor Herriges, seconded by Jeffrey Rohrer. Voice vote was unanimous. (The total cost of this unit is \$32,422.00).

A motion to adjourn was made by Trustee Raynor Herriges, secondary by Jeffrey Rohrer. The voice vote was unanimous.

IN MEMORY

In loving memory of Evelyn and Pearl Theusch who died on September 12, 1960;

Sad and sudden was the call
Of the two who were loved by all.

The blow was hard, the shock severe,
We never thought their death so near.

Only those who have lost can tell
The pain of parting without a farewell.

There are many lonely heart-aches,
There are many silent tears;

God only knows how we miss them
At the end of all these years.

Sadly missed by the Ed Theusch family.

Indians Blank Slinger In Football Opener, 10-0

The Kewaskum Indians didn't show a whole lot of speed or power on offense but with the help of the defense's shutout job, came up with enough points to shut out Slinger in their non-conference opener here Friday night, 10-0. The Indians and Owls were former Scenic Moraine rivals for years.

Mistakes by Slinger made the difference. They fumbled four times and the first one led to Kewaskum's first score, a field goal in the opening quarter. The others stalled offensive drives by the Owls and were instrumental in the Owls beating themselves.

Though the offense didn't execute well, the Owl defense stopped the Indians several times deep in their territory. On the other hand Kewaskum made few mistakes and was guilty of just one fumble which they recovered.

The Indians received the opening kickoff and drove to Slinger's 26 yard line but had to punt. The Owls couldn't move the ball and also punted, which was a poor one of about 10 yards, giving Kewaskum the ball on the Slinger 27. Three plays gained only two yards and Brian Larsen attempted a field goal which was short.

Soon after the Indians got the ball again when Jim Simon fell on an Owl fumble on their 10 yard line. After two running plays, one for a big loss, and a pass failed, Randy Heberer made good on a 28 yard field goal to make it 3-0.

In the second quarter, starting on the Owl 41 yard line, the Indians drove for the game's only touchdown. A couple of penalties helped and finally Jeff Geidel scored from the two yard

line to make it 10-0. This ended the scoring for the night as the second half was scoreless.

Slinger came close to putting some points on the board before halftime. A 33 yard run by Dave Nowicki put the Owls on Kewaskum's 26. Later Rob Krantz broke loose and appeared to have scored but the official claimed he had stepped out of bounds on the 10 yard line.

Slinger had the better of it offensively in the second half but again lost the ball twice, on a fumble again picked up by Simon and the other on an interception by Pat Miller. On both opportunities, inside the Owl 20-yard line, Kewaskum was unable to score although just missing on a pass from Rick Leitheiser to Randy Westerman. Westerman led the Indians in rushing with 47 yards in 17 attempts.

Nowicki made 29 yards to start one last effort by Slinger. They got four first downs but the drive bogged down on the Kewaskum 30.

Pete Wiedemeyer was praised by Coach Mike Fifrck for his work on defense. He was in on 10 stops before leaving the game in the third quarter with a sprained ankle. He also thought Steve Muench performed well on offense.

The Indians sorely missed the services of two starting lettermen, halfback Dave Donath and fullback Brian Dreher, out with injuries. Both are linebackers on defense.

This Friday night the Indians play at Campbellsport in their annual non-conference battle against the Cougars, defending champions of the Flyway Conference. The Cougars were shaded by Kiel of the Eastern

KHS Girls Tie for 1st, Boys 2nd in Cross Country Meet

In the opening cross country meet, triangular at Kewaskum Thursday, Campbellsport won with 17 points, to 50 for second place Kewaskum and 66 for Random Lake.

The Cougars took the first four places with Chris Candee and Mark Westemeier finishing with nearly identical times for first place.

Kewaskum had one runner, Jeff Decker, missing and two others, Scott Klein, one of their top runners, and Craig Larsen finishing far back with injuries. Wayne Boudreau was fifth and the first Indian runner to finish.

Coach Dave Drexler has five lettermen back in seniors Klein, Fred Batzler, Larsen, Decker and Mike Geidel. Klein was the Indians' top finisher in the Scenic Moraine Conference meet last October.

The girls' end of the meet wound up in a tie for first place between Kewaskum and Campbellsport, both with 28 points. Random Lake had only one runner. Little Mary Klas of the Rams finished first in 13:01 but missed a flag and couldn't count.

The Cougars' Debbie Cibulka thus took first and Julann Zemlicka placed second for the Indians.

Coach Drexler has four girl lettermen back in senior Zemlicka, a member of the 1979 State Class B 1600 meter relay-unit, juniors Brenda Fuller and Vicki Reif, and soph Carol Schmidt. Other letter winners decided not to run this year.

The boys will be running against new competition in the Eastern Wisconsin Conference, but two of the schools, Kiel and Two Rivers, did not leave an open date for the Indians. The girls really do not have a conference but will run against several Eastern teams and participate in a number of invitationals.

TWO RIVERS 219, KEWASKUM 243	
Two Rivers	— Wood 54, Porter 50, DeWitt 59, Kulhaner 56.
Kewaskum	— Harlow 53, Hanrahan 62, Perkins 62, Jaeger 65.

With three players hitting in the 50s, Kewaskum got back on the winning track Monday when the team coasted to a 224-251 victory over Horicon on the front nine here.

Horicon's Sue Nitschke copied medalist honors, however, with a 47. The Indians had the next four high scores.

Harlow was low for Kewaskum with a 50, including a birdie 3 on the par four No. 9 hole. The other two in the 50s were Joan Hanrahan and Cheryl Jaeger with 57s.

Kewaskum 224 — Harlow 50, Hanrahan 57, Jaeger 57, Schlice 60.	
Horicon 251 — Nitschke 47, Henkel 62, Mitbo 65, Knutson 77.

Kewaskum had the home course advantage but this didn't help as the girls lost to new Eastern Wisconsin opponent, Two Rivers, at Hon-E-Kor

Girls Blank Ripon, Lose to W.B. West, Horicon in Tennis

In a tennis match at West Bend West last Tuesday, Kewaskum was ripped by the Spartan girls, 7-0, bringing West's overall record to 28-7.

The Spartan's only trouble was at No. 3 and 4 in singles. Heather Hochrein required three sets to beat Julie Dettmann while Jane Lauson won over Debbie Allmann at No. 4 6-1, 7-6, with a 5-4 tiebreaker deciding the second set.

Kewaskum coach Jan Rosenthal's young squad showed promise, with many matches close but the Indian girls, still new at the sport, were simply outclassed. In the future they should win their share of matches in the new Eastern Wisconsin Conference.

WB WEST 7, KEWASKUM 0
SINGLES — Karen Semler, WBW beat Brenda Manthei 6-0, 6-3; Sally Goetsch, WBW beat Mary Brenholt 6-1, 6-1; Heather Hochrein, WBW beat Julie Dettmann 4-6, 6-0, 6-4; Jane Lauson, WBW beat Debbie Allman 6-1, 7-6 (5-4 tiebreaker).
DOUBLES — Kris Semler-Michelle Bleck, WBW beat Jane Russell-Lori Bannenberg 6-0, 6-0; Kris Alderson-Sally Fleishman, WBW beat Lisa Matenaer-Jenny Lightner 6-1, 6-1; Mary Dries-Shelley Schmidt, WBW beat Marjean Backhaus-Darla Prost 6-0, 6-0.

Last Thursday here, the girls' tennis team scored their first shutout in KHS history when they blanked Ripon, 7-0.

The Indians were up for this match with the Tigers after their lopsided loss to West Bend West. They won all four of their singles matches and all three of the doubles.

KEWASKUM 7, RIPON 0
SINGLES — Mary Brenholt beat Jay Case 7-6, 6-4; Julie Dettman beat Jackie Case 6-2, 6-2; Debbie Allman beat Laurie Sullivan 3-6, 6-3, 6-4; Brenda Manthei beat Kea Krueger 6-0, 6-1.
DOUBLES — 1. Jane Russell-Lori Bannenberg over S. Sager-A. Schure 6-1, 6-2; Lisa Matenaer-Jenny Lightner over D. Kaiser-E. Steier 6-3, 6-0; Darla Pros-Marjean Backhaus ver G. Hock-K. Conant 6-4, 8-6.

JV
SINGLES — Mary Paul beat Theresa Arentveit 9-2; Chris Voight beat Kathie Kutzler 9-3; Jan Schmidt beat Mary Hageman 9-1.
DOUBLES — 1. Jenny Zemlicka-Doreen Klug lost to B. Manneback-K. Frei 3-9; Sue Tolonen-Marcie Smolinski over P. McDaniel and S. Dietrich 9-3.

At Horicon Monday, the girls let one slip away at they were edged by the Marshmen, 4-3.

In singles, Mary Brenholt and Julie Dettmann had little trouble in defeating their opponents but No. 1 single Brenda Manthei, after battling back in the second set, lost 1-6 in the third. Debbie Allmann, who was feeling ill, lost in two sets.

The Kewaskum JVs also won, 3-2 with Chris Voight and the doubles teams of Sue Tolonen and Marcey Smolinski and Jenny Zemlicka and Doreen Klug winning.

Goeden Wins First Modified

Willie Goeden

The Eastern Wisconsin Stock Car Racing Association held their final race of the season at the Sheboygan County Fairgrounds in Plymouth.

The cars for the 50-lap feature were lined up according to the point standings at that quarter mile clay track.

Willie Goeden of Kewaskum started in the 13th position for the line-up and with his Marv's Auto Body Special, worked his way into the lead on the 12th lap, and went on for the victory. With a field of 18 cars starting, Goeden lapped all but the second, third and fourth place cars.

It was his first feature win on dirt this season. Car owner Randy Zahner of Sheboygan, the pit crew, family and fans were very happy and overjoyed with the big Final Fifty Lap win.

For the 1980 E.W.S.C. point fund, Etchie Biertzer of West Bend finished Number 1 again this year with 2441 points. Frankie Heimerl of West Bend placed second with 2090 points, Wayne Goetch of Sheboygan took third with 1509 points, Willie Goeden with 1320 points placed fourth and rounding out the top five was Dick Berth of Cedar Grove with 1206 points.

These drivers, along with 45 other Modified drivers, 60 Sportsmen, 20 Hobby Stockers and 18 Mini-champ drivers, will all be honored at the closed to the public E.W.S.C. banquet on October 25 at the Belgium Community Center.
