K-B Lettering to Open Store in Kewaskum

Karen and Bill Breitzman of K-B Lettering, Campbellsport, have expanded their business to provide a full line of imprinted sportswear. They have purchased a silk screen printing business and will soon be opening a store at 409 Main St., Kewaskum. A retail service is provided to this area offering imprinted bowling shirts, T-shirts, jackets, caps, uniforms for football, baseball, patches and bumper stickers for your team, club or organization. Karen has been doing truck lettering and signs for the past 8 years, and in the last 3 years

has added custom pinstriping. She will continue to do this out of her shop in Campbellsport. She will also do the hand-cut screens and artwork while Bill will take care of making the photo screens. Both will be involved in the printing of the sportswear. The phone numbers for their Campbellsport and Kewaskum locations are 533-8094 and 626-8094 respectively. Store hours will be announced later. Bill and Karen are looking forward to serving both areas and invite you to stop in and see they have to offer.

We Didn't Win

Went down to the Brewers game Saturday night at Milwaukee County Stadium on Fan Appreciation Night to cover the possibility of Kewaskum winning another attendance trophy on Kewaskum Night held in May. Only we didn't win it this year. Slinger beat us out. Kewaskum had won the trophy three years in a row for having the largest Wisconsin attendance at a Brewers game for a city under 5,000 population. This year Kewaskum had an even 700 fans at the game for 33 per cent of our population. Slinger had 45 per cent of its population on its night, with Kewaskum running second. Fond du Lac, which had won for six consecutive seasons in the larger cities category, also lost out this year, when Keno-

sha took the honor. The awards were presented from the field in pre-game ceremonies. Past-President Paul Behring and Secretary Ken Weddig of the Kewaskum Area Chamber of Commerce were invited by the Brewers to be guests at a dinner and the ball game. Weddig was unable to attend and the Chamber was represented by Behring, Orv Behnke and Gerald Geidel and their wives. Not only did we lose out on the attendance prize, but we didn't win the official bullpen car, a Chevrolet Monza, or any of the other numerous, valuable attendance prizes given away that night to the fans on appreciation night. Kewaskum will just have to do better next year.

107 Pints Donated at Blood Bank

The Kewaskum Blood Bank co-chairmen, Sandy Rimmel and Gloria Rodenkirch, wish to express their gratitude to donors and workers at the September 9 bank. This was the second drive for 1980 with 114 potential donors and 7 temporary deferrals.

Special thanks go to the Ladies Aid from St. Lucas Lutheran Church for the tasty lunch. Also thanks to everyone at the high school for their cooperation. Thank you donors for your gift of life!

The next blood bank will be February 17, 1981.

No Fast, Easy Solution for Bel-Ric Sidewalk/Bussing Problem

By GERRY MUELLER
Statesman Staff Writer

The School Board Transportation Committee and Village Public Works Committee met Monday evening in the hope of resolving the problem of bussing 161 children from the Bel-Ric subdivision.

The committees met to find a solution that would save the Kewaskum School District approximately \$16,000 a year in bussing costs.

These children are within the two-mile walking limit. However, due to the hazardous situation of having to walk along both county highway H and U.S. 45, these children are being bussed.

The School Board is not

asking for sidewalks within the subdivision, only some type of walkway, not necessarily sidewalks, that would allow students to go down "H" and "45" until they reach existing sidewalks on the west side of "45."

Village Administrator Dan Schmidt stated the cost to install sidewalks along "H" would run approximately \$52,300.00, the major expense being the storm sewers and curbing which would be required before any sidewalk construction. Construction of sidewalks along Hwy. "45" from the Behnke property north would cost approximately \$27,000.00.

National Merit Scholarship Exam Scheduled at High School

Darla Bader - Semi-Finalist

Michael Theiler, guidance counselor at Kewaskum High School, has announced that juniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 21 at Kewaskum High School, the PSAT/NMSQT measures verbal and mathematical aptitude — two abilities important in doing college work. The test can also lead to other opportunities for high school students. For example, students can ask to participate in the College Board's Student Search Service which helps colleges learn about students like them.

By taking the PSAT/NMSQT, they can enter the competition for scholarships administered by the National Merit Scholarship Corp. and can get a good idea of what the Scholastic Aptitude Test (SAT) is like. Along with their score re-

ports, students will receive a copy of ABOUT YOUR PSAT/NMSQT SCORES, a booklet that contains valuable how-to information about: estimating SAT scores; finding out where to get and how to use detailed information about colleges and financial aid; and planning for financing a college education.

Also, students can use the college Board's College Handbook, to compare their scores with those of enrolled students at more than 2,800 colleges and universities.

Theiler was also pleased to announce that Darla Bader, daughter of Mr. and Mrs. Peter Myhal, 7926 Sandy Ridge Road, Kewaskum, has been named a semi-finalist in the National Merit Scholarship Corporation competition. The semi-finalists, named in every state, represent the top half of one percent of the states' high school senior class. The semi-finalists will be competing for about 4,500 merit scholarships to be announced and awarded next spring.

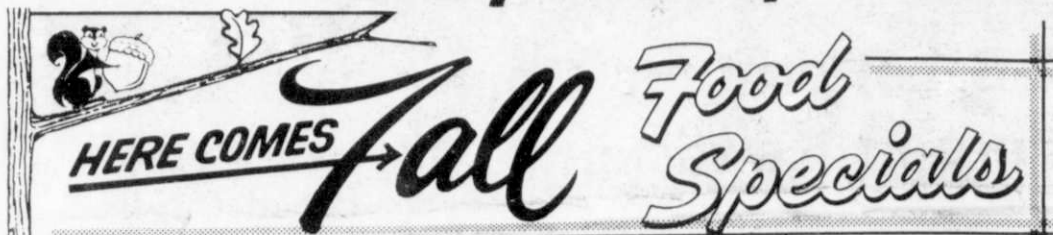

Darla is the first KHS student in the last four years to receive such a high standard of achievement.

Woman's Club Holds Season's First Meeting

Jim Irving, a telephone company representative, presented an entertaining program to successfully start the 1980-81 season for the Kewaskum Woman's Club. Members and guests enjoyed his informal presentation of the New Badger Quiz at the Valley Bank on Thursday evening, Sept. 18.

Mrs. Kitty Hlavaty, president, presided over the business meeting. The budget for the 1980-81 club year was read and accepted. Mrs. Pat Peterson was thanked for giving a lovely Membership Tea in her home on August 27.

"Dining by Candlelight," a supper with cards following, will be held on October 16 at 6:30 p.m. at the home of Mrs. Ruth Schmitt, 8065 Kettle Moraine Drive. She will be assisted by Mrs. Rita Etta, Mrs. Phyllis Bade, Mrs. Maude Rose, Mrs. Betsy Strigenz and Mrs. Sue Decker. Members must call 626-2364 or 338-6964 if they plan to attend and if they plan to bring guests. A silent

auction will be held along with the supper. The club voted to sell their dishes at this time. If anyone would like to purchase a place setting (or settings) before the auction, they are to call Mrs. Rita Etta (626-2364). The minimum price for a setting is \$2.50. She will answer any questions you might have about the dishes.

Several guests were introduced and two new members were welcomed into the club. They are Mrs. Sylvia Schultz and Mrs. Joan Olson.

Junior Jargon

The Kewaskum Junior Woman Club members have many varied and interesting projects to participate in. At the September meeting, projects for the year were presented.

Story hour for children ages 3 to 5 started September 18 and will continue each Thursday morning for six weeks. Recycling continues every third Saturday and the Conservation Department also will be circulating the Smokey the Bear film strip to area schools. The Public Affairs Department held an appreciation lunch for village employees on September 17.

New projects and areas of interest for the coming year include a bingo night on October 22. A Christmas craft and bake sale with a homemade quilt being offered will be held in December. Plans are being made to offer a new Kewaskum Kettles cookbook with all new recipes in late spring.

The next Kewaskum Junior Woman's Club meeting will be Thursday, October 9 at 8:00 p.m. at the Valley Bank. An interesting night is promised and many activities and projects will be discussed. Guests are always welcome. Plan to attend.

KHS Class of 1965 To Hold Reunion

The class reunion for the Kewaskum High School 1965 graduates is to be held Saturday, October 11, at the Hon-E-Kor Country Club, Kewaskum.

Cocktails will begin at 6:30 p.m. with dinner at 7:30 p.m., followed by a brief program and later the entertainment will be "Full Circle."

If anyone has not made their reservations, but still wishes to attend, please call Paul Behring at 626-2444 or Tom Rinzel at 338-1685 before September 30.

have children walk down "H" to Milan Drive with easements from adjoining property owners to construct a walkway to the existing sidewalk.

Village Board member Mlodzik stated he had several calls and Dan Schmidt had a letter from the Meilahn family stating they would not give any easements across their properties.

Dr. Ogi suggested contacting District Director Dan Rodenkirch to see if an easement across the AMPI Milk Transfer property could be obtained. It was also suggested that the state be contacted about developing some type of path or walk across the section of state-owned land on "H" and "45."

An alternate route would be to have students walk down "H" to "45," north on the shoulder to the existing sidewalk. The major stumbling

block to this proposal was the 45-mile-per-hour speed limit on "45" to "H." The state will not approve any route unless the speed limit is reduced.

A request to the Department of Transportation, approximately one month ago, asked for a speed reduction from 45 to 30 mph. Dan Schmidt stated action on this request could take from 18-24 months. The state also said they would not even review the request until Minz Supply opened their new store.

If approval is granted, the Highway 45 route would be reconsidered. Superintendent Brenholt said the "45" route would be acceptable if the speed limit is reduced.

Dr. Ogi requested another meeting be held to see if we are progressing or standing still on this problem. Dan Schmidt said he would set up another meeting date and contact the School Board.

The meeting was adjourned.

Certain drugs may drain out and destroy vitamins in the body. Dr. D. A. Roe of Cornell Univ. cites oral contraceptive steroids [birth control pills] that can block the absorption of folates, a B-complex vitamin needed for red blood cell formation. This may lead to anemia.

The anti-TB drug, isonicotinic hydrazide, binds vitamins to themselves and then forces their excretion from the body. It causes an abnormal metabolism and rapid depletion of vitamins.

Ask your doctor about possible vitamin loss and vitamin supplementation when taking drugs.

Turkey Shoot Success; 515 Birds Taken

Despite heavy rain during the night, which left the grounds in a wet muddy condition, the 28th Annual Shoot sponsored by the Kewaskum Kiwanis Club Sunday at the Bar-N Dude Ranch was another fine success, with thousands of persons joining in on the fun throughout the day.

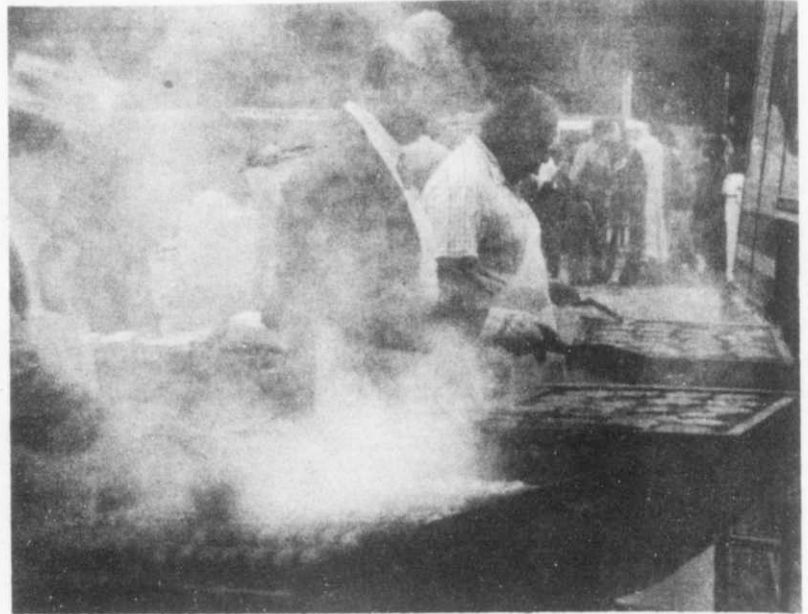

A total of 515 turkeys, just five fewer than the year before, were taken on the rifle line, pistol, bow and arrow and trap shoots. There also was a BB gun and sausage shoot.

Also caught were about 125

trout in the pond, quite a few under last year. The largest trout, measuring 15½ inches, was caught by Keri Ramthun of Kewaskum. For her effort, Keri won a prize of a Regal cookware set.

Sales of sandwiches, which included brats, hamburgers and hot dogs, also were brisk and refreshments also went well. There were games for the children, pony rides, a raffle and other attractions.

Mrs. Edward E. 'Pat' Miller Dies

Virginia M. Miller, nee Cochran, age 62, of 1318 Rose-land Dr., Kewaskum, died Wednesday, September 17, at her residence.

She was born September 25, 1917, in Elwood, Indiana, and married Edward E. "Pat" Miller on November 5, 1966, in Holy Trinity Catholic Church, in Kewaskum.

Prior to her marriage she was an executive secretary at Giddings and Lewis, Inc. in Fond du Lac for 17 years. She was a past employee of the National Exchange Bank in Fond du Lac. After her marriage she was secretary of Miller's Inc. of Kewaskum for 10 years.

Survivors include her husband; six children, Mary Ellen (John) McElhatton, Joan (Paul) Dean, Edward J. (Sharron), Isabelle (Hugo) Straub, Theodore Miller, and Clare (William) Lehmann, all of Kewaskum. She is further survived by 24 grandchildren; six great-grandchildren; two brothers, Richard (Phyllis) Nutter of Fond du Lac, John (Cleone) Nutter of Lancaster; other relatives and many friends. One daughter, Sr. Donna Miller, preceded her in death on May 21, 1970.

She was past president of the Altrusa Club in Fond du Lac, charter member of National Secretaries Association, Fond du Lac Chapter, member of the Kewaskum Woman's Club, past president of the Hon-E-Kor Ladies' Golf Association of Kewaskum, member of the Holy Trinity Catholic Church, their Christian Mothers and the Apostolate of Suffering.

Visitation at Miller's Funeral Home, Kewaskum, was Friday from 3 to 9 p.m. with a rosary vigil at 8 p.m. Funeral services were Saturday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Catholic Church. Fr. John T. Budde officiated and burial was in the church cemetery.

Six grandsons served as pallbearers and four grandsons were the Mass servers.

Memorials to Cardinal Stritch College, Milwaukee, would be appreciated.

Tribute read by Connie Miller/Naranjo during the Mass of Christian burial for her aunt, Mrs. Virginia Miller, on Satur-

day, September 20, 1980:

There can be no rainbow unless there is a rain.

Today is grey for all of us...even if the sun might shine. Today is grey for all of us, because we have lost our rainbow.

Virginia Miller is that rainbow. She shone around us here touching each with a different color of love.

For my Uncle Pat, his Ginny beamed her smile...bright and strong and happy with the love of a good wife for her dear husband. A curve of sunshine yellow.

For Ted and Ed, Mary Ellen, Isabelle, Joan and Clare, Ginny gave her devotion, comforting and constant. She was more than a Mother to this Miller family. A glow of bright red.

To Sister Aquin, Uncle Harold, Aunt Margaret, Uncle Joe and Aunt Laura and my parents, Fred and Pearl, Ginny offered her heart...warm and open...embracing them not only as brothers and sisters-in-law, but as brothers and sisters in love. Richard and John, thank you for sharing your rainbow with us. An arc of warm orange.

To her double armful of grandsons and granddaughters, great-grandchildren too, Ginny poured out a wonderful caring, sharing of her time, her laughter, HERSELF. With room enough for all of them and a special place for each one. Unlike the old woman in the shoe...she had so many children, but Grandma Ginny did know what to do...love them. A sweep of proud purple.

For those many people she knew in business and socially, Ginny shone as the perfect pink hostess, the elegant gold professional, the true blue friend. Ginny Miller was the pine green and holly red of Christmas Eves, the trick-or-treat orange of Halloweens, the pale pastels of Easter morning egg hunts, and the red, white and blue of every 4th of July celebration we shared.

To me, Aunt Ginny will always be the furry silver of her kitchen window pussy willows, bundled up in an annual armload of love.

The science books say that a rainbow is white light, broken up into pieces...Ginny Miller is

our rainbow, a reflection of the pure white light of the God she so deeply loved.

The science books tell us to look up in the sky for rainbows. And that's where our rainbow, our Ginny, has gone...back to the Heaven she came from.

The science books explain that a rainbow is caused by light on raindrops. So, in our tears... family and friends, let Ginny Miller shine even more brightly as we remember the colors she added to our lives. All the colors of love.

Thank you Virginia Miller for being our rainbow. But, there can be no rainbow, unless... now...there is a rain.

33 grandchildren; 44 great-grandchildren; one sister, Mrs. Charlotte Karnke of Cedarburg; and other relatives and friends.

He was preceded in death by four sisters and four brothers.

Funeral services will be at 2 p.m. Friday at the Twohig Funeral Home, Campbellsport. Rev. Carl Jensen will officiate and burial will be in Union Cemetery, Campbellsport.

Visitation at the funeral home was Thursday after 3 p.m.

POTTERY AND PAINTING OFFERED AT WEST BEND GALLERY OF FINE ARTS

Your campaign organization consists entirely of volunteers who are committed to the success of the Kewaskum Area United Way Campaign. Monies collected are almost entirely used for the benefit of the people served by the participating agencies. Fees to the national organization, postage and limited supplies total less than 3% of the projected fund goal. We urge you to open your heart and pledge your fair share when the United Way volunteer calls on you.

Baby's Record Book Given By Area Business People

Kewaskum Statesman, Friday, Sept. 26, 1980, Page 9

MOTHERS RECEIVE VALUABLE RECORD BOOK — Miss Gertrude Buczek, Director of Nursing Services at St. Joseph's Community Hospital, West Bend, and Mrs. Virginia Kroner, R.N., Head Nurse of the OB Department, present Mrs. Nancy Fix with a copy of the medically and clinically approved baby record book, **OUR BABY'S FIRST SEVEN YEARS**. This gift has been made possible through the participation and cooperation of a group of business people in the community who sponsor the Blessed Event Program. Mrs. Fix gave birth to a boy weighing 7 pounds, 1 ounce on August 25, 1980.

Baby's medical records and important data about baby's physical and emotional growth could very well be scattered about the country unless the parents provide a means for preserving these records. Family changes in business, profession, school or vacation trips may mean that several different doctors will examine and treat the baby. Records may be lost, facts forgotten very quickly.

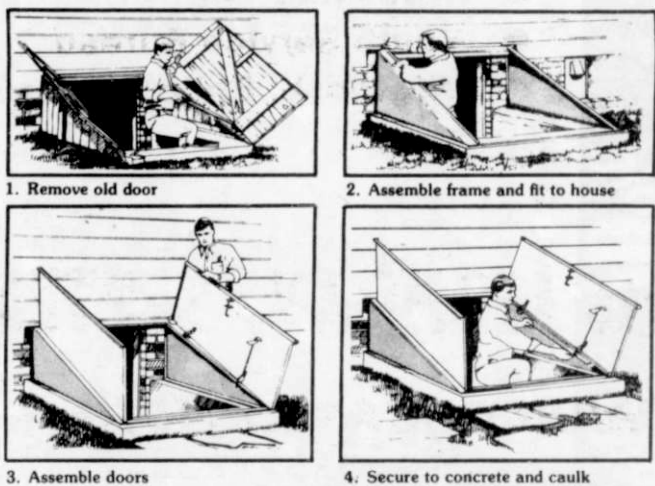

However, thanks to the business people who sponsor the Blessed Event Program which is continuing at St. Joseph's Community Hospital, West Bend, these records can be complete and safe because every mother of a baby born at the hospital has been receiving the valuable clinically and medically approved baby record book, **Our Baby's First Seven Years**.

The current edition contains up-to-date pages which provide room for every recording of medical facts and data about baby's growth right from birth

through those first precious seven years. Mothers in a deep sense of security in knowing the recording of baby's statistics now will provide a complete medical history for her child which will be helpful in its growth and development.

"The hospital joins all parents of babies born here in

again thanking the business people who have made possible the presentation of this important record book and the Blessed Event Program," states Fred J. Bury, hospital administrator ... "It is a gift that is vital to every child and will be used for a lifetime."

Installing a Bilco Basement Door is easy and economical*

"We couldn't believe how easy it was to install." "And it cost less than we ever imagined."

In just a few steps you can enjoy the convenience, safety and low maintenance of an all-steel Bilco Door. You'll like its neat, trim appearance, ease of operation, and the way it sheds rain. It's a great do-it-yourself project and actually costs less than having a new wooden door built.

Stop in to see our display and pick up a copy of "The Home Improvement That Pays For Itself" folder. Considering its low cost and ease of installation, isn't this a good time to start enjoying the benefits of a Bilco Basement Door on your home?

*Complete instructions and all required hardware included.

Sherry Lyn Strack and John Floyd Bauer, Jr. were united in marriage at 3:00 p.m. on Saturday, September 6, at St. Lucas Lutheran Church, Kewaskum. Pastor Paul Hoenecke officiated. Mrs. Paul Hoenecke was the organist and Debra Radder was the soloist. Parents of the couple are Mr. and Mrs. Roger Strack, 1243 Meadow Lane, Kewaskum, and Mr. and Mrs. John Floyd

Bauer, Sr., Route 3, Campbellsport. The bride chose her sister, Diane Strack, Frisco, Colorado, to serve as her maid of honor. The bridesmaids were Deb Strack, West Bend, sister of the bride, Jill Bauer, Campbellsport, sister of the groom, and Jeanne Baumhardt, West Bend, and Brenda Luedtke, Beechwood, both friends of the bride. Gerry Schmitt, Campbellsport, attended the groom as his

best man. The groomsmen were Marty Mittelstadt, Campbellsport, Doug Parson, Chilton, Dave Krueger, Campbellsport, and Bob Christ, Cascade, all friends of the groom.

Jim Bauer, Campbellsport, brother of the groom, and Tim Roecker, West Bend, cousin of the bride, shared ushering duties.

A reception, dinner and dance at Amerahn, Kewaskum, followed the ceremony.

The bride is a 1978 graduate of Kewaskum High School and is employed in the Cosmetic Department at Walgreen Pharmacy, West Bend. Her husband graduated from Campbellsport High School in 1976 and is employed at Bauer Spraying, Campbellsport.

The couple spent their honeymoon at Mackinac Island and are now residing at 611 S. Elm, Campbellsport.

Honored for 30 Years Of 4-H Leadership

Arlene Cypher of West Bend was presented with a 30 year leadership award at the Washington County 4-H Leaders banquet at Slinger on September 17. Arlene is a leader of the Good Luck 4-H club. She has also served on the board of directors of the leaders association and is past chairman of the achievement and recognition committee.

Roy Wolf of Slinger and Clarence Kurtz of West Bend were recognized for 25 years leadership. Ione Stodola of West Bend received a 20 year diamond clover award.

Leaders that were recognized for 15 years of leadership included Neil Beisenstein of Hartford, Hope Cross of West Bend, Mrs. Harold Groth of Jackson, Mrs. John Klesper and Loraine Schoeni of Slinger, and Mary McKee of Kewaskum.

Adult leaders recognized for 10 years of leadership included Mrs. Art Filber of Allenton, Marilyn Mayer, Mrs. Erwin Rauh, Karen Wink and Mrs. Robert Wolf of Slinger.

Leaders recognized for five years of leadership included Leroy Doll, Mrs. Allen Schulz of

Allenton, Stan Hahn, Benjamin Stearns, Thomas Johnson of Cedarburg; Mrs. Fred Kurtz, Robert Johnson of Colgate; Mrs. Gene Arnold, Kenneth Miller, Mrs. Donald Piotrowski of Germantown; Marianne Diertenberger, Mrs. Robert Guelig, William Yankus, Dan Adrian, Judy Adrian, and Gail Rupp of Hartford; James Stuetgen of Hubertus; Mrs. Ronald Weix of Richfield; Debra Braun, Mrs. Duane Dogs, Ethan Etta of West Bend.

Stan Rynearson, Director of University of Wisconsin Extension, Southeast District, addressed the leaders with the topic "4-H Leaders as University of Wisconsin Professors." He pointed out the history of the 4-H program. It started out with University professors providing instructions and experiences for youth to learn agriculture and homemaking. As the program grew, more and more people became involved with the thousands of youth participating. It is now necessary for the University to provide information for adults who in turn work with the youth of their community. The 4-H leaders are thus using the information from the University and extending the knowledge of the University to the youth of their community.

HOSPITAL NEWS

Erwin Bullette, 830 Gray Street, Horicon, a former Kewaskum resident, has been a patient at Hillside Hospital in Beaver Dam since September 3.

He became very ill with viral meningitis and it will be a long, slow recovery. He is in room 202 and would appreciate hearing from old friends.

Mary Ann Peters was married to Paul Petri in a May 3 ceremony at SS Peter and Paul Catholic Church.

Fr. Melvin Breit, cousin of the bridegroom's mother, officiated at a 2:30 p.m. double ring ceremony.

Mary Ann is the daughter of Harriet and Donald Peters of Theresa. Paul is the son of Eileen and Bruce Petri of Kewaskum.

The maid of honor was Christine Peters, sister of the bride. The bridesmaids were Carol Peters, Donna Peters, Jane Graff, Jean Bruesewitz and Joan Petri. Kris Petri was the flower girl.

The best man was David Petri, brother of the bridegroom. The groomsmen were Brad Rodenkirch, Mike Petri, Gary Petri, Henry Peters, and Mike Peters. Jim Peters was ring bearer.

The bride attended Marian College of Fond du Lac and is now employed at Hartford Memorial Hospital.

The bridegroom attended MPTI in Fond du Lac. He is employed at Gibson Chevrolet in Fond du Lac. The couple lives in Allenton.

The Editor,
Kewaskum Statesman:

Like most other American Field Service people, I use the phrase "AFS experience" to describe my stay in Devon, England, this past summer, because that's as close as you can come to describing it. It wasn't a vacation, and it was more than just studying abroad. This summer has made me feel as much a part of England as a part of America.

I want to take this opportunity to thank the members of the Kewaskum AFS chapter, especially Mrs. Ruth Schmidt, Mrs. Diane Buchel, Mrs. Pat Peterson, Mrs. LaVerne Hron, Mrs. Mary Pearson, Miss Linda Bullette, and Mrs. Susan Schmitz, who first encouraged me to apply. There were also many friends and neighbors who wrote to me, gave advice, or wished me well. I'm very grateful to all for that.

The people who have to worry the most, make the most adjustments, and work the hardest during the "experience," are the members of the AFS stu-

dent's two families. Thank you Dad, Mon, Grandma, Kevin, Kolleen, and Karin!

Because of all these people, I've had an "AFS experience" that will never end; it'll always be with me. I've learned a lot about myself, made many friends among the townspeople of Worlington, the people I stayed with en route to my host family in Devon, and the fifty-four American students I traveled with. I only hope I'll be able to help more high school students to take advantage of this program...it's great.

Sincerely,
Ken Scott

Cedar Lake Home Festival Sunday

Activities for the entire family will be abundant at the Cedar Lake Home Campus Fall Festival, Sunday, September 28.

This annual event is sponsored by the Cedar Lake Home Campus to provide community members with the opportunity to bring young and old together and enjoy the beautiful 215 acre campus.

The festival features a ham luncheon for \$2.75 from eleven 'til two o'clock.

Hay rides, carriage rides, horse rides, a petting zoo, side shows, performances by residents, music, a craft sale, bake sale, bus tours of the new contemporary retirement village, carnival games plus some surprises are all slated for the afternoon. The festival ends at 5 o'clock.

Plenty of good food will be available all day at the Cook's Club Cafe, the charcoal broiled food stand and pop corn wagon.

Music will be provided by the Tripoli Band, Jake and His Polka Boys, and Full Circle.

The West Bend Square Steppers will give two square dance demonstrations.

Residents of the Campus will present three musical performances in the Learning Center.

Members of the Kettle Moraine Model T and Vintage Car Club will be displaying their beautiful autos in the afternoon.

A raffle is also being held at the festival.

The festival, designed for people of all ages, is an excellent opportunity for the entire family to spend the day together. All activities are family priced.

The Cedar Lake Home Campus is located at 5595 Highway Z, west of West Bend.

New Ownership At Linden Inn

The Linden Inn has a new owner. Wilhelm Karlheim, General Manager of the Red Circle Inn, Neshotah, the past four years, becomes the sole owner. The restaurant is now known as Chef Willy's Linden Inn.

Chef Willy's will offer several new appetizers and entrees, including daily specials, a variety of veal dishes and "Chef Willy Specialties," featuring boneless sauteed chicken, Kassler Rippchen, Beef Rouladen, breaded pork chops and Jaeger Schnitzel.

Karlheim, a native of Dueseldorf, Germany, has been in the restaurant business virtually his entire professional life. A member of the prestigious Chaine Des Rotisseurs, Les Amis d'Escoffier and the American Culinary Federation, Chef Willy plans a number of cosmetic changes inside the restaurant. Banquet facilities for a half dozen to two hundred will be available.

The Linden Inn was destroyed by fire in 1961. It was rebuilt and opened in 1962. The original Linden Inn has been a longtime favorite in the Big

Cedar Lake area. It was first built shortly after the turn of the century.

Karlheim, 42, his wife Charlene and children, Bobby, 12,

KHS to Present 'Li'l Abner'

The cast has been selected and practice is in progress for this year's Kewaskum High School musical, "Li'l Abner." The musical will be presented in the high school auditorium Nov. 7 and 8 and stars Scott Nigh and Darcie Schmidt.

"Li'l Abner" is a satisfying mixture of hillbilly nonsense and sharp critical humor. Work has been sent down from Washington that the citizens of Dogpatch must all evacuate their mountain homes. Dogpatch has been selected as the most unnecessary town in the country, and therefore the perfect site for nuclear tests. It appears that something useful is found when Mammy Yokom produces her secret formula of Yokumberry tonic which makes muscle men of weaklings. However, General Bullmoose, a sly and conniving politician, sets a saltry siren and Evil Eye Fleagle with his double whammy, to work on Li'l Abner, hoping to weasel Mammy's secret formula from him. The citizens of Dogpatch, after a trip to Washington, foil his plans, and everybody settles down for a peaceful life of restful simplicity in Dogpatch, U.S.A.

Cast members in this year's production include: Li'l Abner played by Scott Nigh, Daisy Mae is portrayed by Darcie Schmidt. Marryin' Sam played by Ken Fellenz. Patricia Slegler and Tony Stringenz portray Mammy and Pappy Yokom. Tim Indermuehle is Earthquake McGoon, Tracy Coulter is Moonbeam McSwine and General Bullmoose is Don Goeden. Evil Eye Fleagle is Brad Dieringer and Carol Lehmann is Appasionata.

Dr. Finsdale is portrayed by Julie Dettmann, Dr. Smithborn is Shelley Hamernick, Dr. Krogmeyer by Beth Heiman, and Dr. Scheifitz by Heather Marsh. Available Jones and Struefying' Jones are portrayed by Randy Wilhelmi and Julie Larson, Romeo, Clem and Alf Scragg is played by Dennis Butz, Jim Armstrong and Dan Butzke. Craig Rosenthal is Mayor Dawgmeat, Senator Phogbound is Jim Braun. The maid is Jackie Kirmse and Lonesome Polecat and Hairless Joe are Karl Kirmse and Carey Jacak. Softwicllie S.D.M. is Dan Menzel.

The secretaries include: Colleen Shaw, Sue Schaub, Debbie Schmidt, Sue Harlow, Laurie Lemke, Mary Selger, and Doreen Jacobs. The wives include: Jacky Loof, Jackie Kirmse, Beth Strigenz, Jill Kirmse, Jama Jacak, and Patty Seefeldt.

The Dogpatchers are as follows: Corky Carron, Barb Jandre, Mary Sauter, Gretchen Wenzel, Sue Osterbrink, Lek Mahasakhunoyong, Teresa Nigh, Robin Beisbier, Vicki Reif, Karen Osterbrink, Kim Brodzeller, Sue Schmitt, Patty Seefeldt, Debbie Gavin, Jenny Wenzel, Brenda Manthei, Jane

Russell, Lisa Fellenz, Elaine Wiesner, Mary Straub, Amy Nigh, Lori Bannenburg and Ellie Muckerheide.

Tickets for "Li'l Abner" will soon be available from cast members at \$2.50 for adults and \$1.75 for students. The public is cordially invited on Friday and Saturday. There will be a special performance for senior citizens and middle school students. The entire production is under the direction of Robert Getter. Assisting him are Mr. Bertelsen, musical choreographer, and Mrs. Bertelsen as dance choreographer.

Minutes of Village Board Meeting

Mid-Monthly Meeting
September 15, 1980
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. Trustee Rohrer had asked to be excused and was absent. All other trustee members were present.

The minutes of the meeting of September 2, 1980, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was unanimous.

Sealed proposals for the construction of a permanent diving structure and equipment for the Kewaskum Kiwanis Community Park pond were opened by President Stollenwerk, were publicly read and were tabulated as follows:

W B Corporation, West Bend, Wis., \$31,363.00; Feldner Construction, Saint Cloud, Wis., \$27,600.00; Northshore Contractors, Theinsville, Wis., \$33,600.00.

Upon motion by Trustee Herriges, seconded by Trustee Blumer, the bids were referred to the engineering consultant for their recommendation. Voice vote was unanimous.

At the request of Robert Stoltzmann, President of the Snow Chief's Snowmobile Club, the snowmobile trails within the village were established the same as last year. Motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

A delegation of property owners of Bel-Ric Acres Subdivision were present to complain about problems caused in their area by certain juveniles. They were advised that the police department was aware of the problem and that quite a few arrests had been made. The Protection and Public Safety Committee will meet with the police department to work out a solution to the problems.

The application of Regal

Ware, Inc. for permission to install footings and foundations to grade level only for their new addition to their plant was approved upon motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was unanimous.

It was the decision of the Village Board that the damaged posts supporting the advertising banner across Highway 45 near the Homestead supper club and the Spoerl property be removed and that a different method of advertising civic events be used. Motion by Trustee Blumer, seconded by Trustee Herriges. Voice vote was unanimous.

With the permission of the Meilahn family, motion was made by Trustee Herriges and seconded by Trustee Mlodzik that the ditch through the Meilahn property which receives the storm water from Brooklane Drive be cleaned. (Estimated cost is approximately \$1,000.00). Voice vote was unanimous.

It was the consensus of the Board that the Village of Kewaskum was not prepared at this time to join with Roger Neumann in the construction of a solid waste lagoon.

It was the recommendation of the village's engineering consultant that the village accept the apparent low bid of Feldner Construction, Saint Cloud, in the amount of \$27,600.00 for the construction of the permanent diving structure and equipment for the Kewaskum Kiwanis Community Park pond contingent upon legal review and receipt of a statement of qualifications. If these conditions are not met, then the Board should accept the bid of the next lowest bidder, W B Corporation in the amount of \$31,363.00. Motion to this effect was made by Trustee Raynor Herriges, seconded by Trustee David Nigh. Roll call vote in favor of the motion was five (5) "Aye" and zero (0) "Nay."

Mr. Richard Weiss of the law firm of Foley and Lardner was present to request that the Village Board re-introduce and act on Resolution Number 80-3

and Resolution Number 80-4 (adopted at the August 18, 1980 meeting) because his company had made a legal error in failing to file a timely notice with the Wisconsin Department of Development.

The following resolution was re-introduced by Trustee Paul Blumer:

Resolution No. 80-3

INITIAL RESOLUTION RELATING TO INDUSTRIAL DEVELOPMENT REVENUE BOND FINANCING ON BEHALF OF REGAL WARE, INC.

WHEREAS, the Village of Kewaskum, Wisconsin (the "Municipality") is a municipal corporation organized and existing under and pursuant to the laws of the State of Wisconsin and is authorized by Section 66.521 Wisconsin Statutes, as amended (hereinafter sometimes referred to as the "Act"), to:

(a) issue revenue bonds to finance all or any part of the costs of the construction, equipping, reequipping, acquisition, purchase, installation, reconstruction, rebuilding, rehabilitation, improving, supplementing, replacing, maintaining, repairing, enlarging, extending or remodeling of a project which qualifies under the Act and the improvement of the site therefor; and

(b) enter into a revenue agreement with an eligible participant pursuant to which the eligible participant agrees to cause said project to be constructed and to pay the Municipality an amount of funds sufficient to provide for the prompt payment when due of the principal of and interest on said revenue bonds; and

WHEREAS, Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant") has been considering undertaking a project in the Municipality, and the Eligible Participant has represented to the Municipality

that it would be an encouragement and inducement for the Eligible Participant to proceed if the project could be financed with revenue bonds; and

WHEREAS, the Eligible Participant has represented that the intended use of the project is for the purpose of manufacturing and warehousing of cookware products and that the project would consist of a building addition and equipment (hereinafter called the "Project"); and

WHEREAS, the Eligible Participant has estimated that the cost of the Project would be approximately \$1,000,000 but, with allowance for modifications, design changes, and inflation could be as high as \$2,000,000; and

WHEREAS, prior to the date of adoption of this Resolution, a statement which provides a good faith estimate of attorney fees which are expected to be paid from proceeds of the revenue bonds has been filed with the Clerk and with the Department of Business Development of the State of Wisconsin, or its successor; and

WHEREAS, it is in the public interest of the Municipality to promote, attract, stimulate, rehabilitate and revitalize commerce, industry and manufacturing, to promote the betterment of the environment and the economy of the Municipality and to stimulate a large flow of private investment funds into the Municipality; and

WHEREAS, it is the finding and determination of this body that the Project is a qualified "project" within the meaning of the Act and that the Eligible Participant is an "eligible participant" within the meaning of the Act; and

WHEREAS, it is the finding and determination of this body that the Municipality would derive public benefits from the Project and its operation, including by way of illustration but not limitation the following: the provision and retention of gainful employment opportunities for the citizens of the Municipality; the stimulation of

the flow of investment capital into the Municipality with resultant beneficial effects on the economy in the Municipality; and the preservation and enhancement of the Municipality's tax base; and

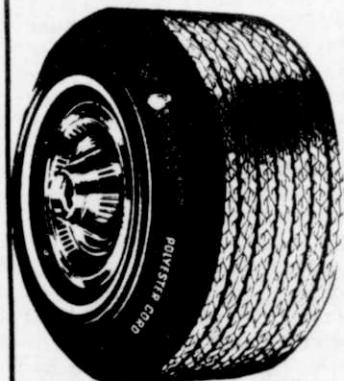

WHEREAS, it is the finding and determination of this body that the public interest will be served if the Municipality were to encourage and induce the Eligible Participant to undertake the Project in the Municipality;

NOW, THEREFORE, BE IT RESOLVED:

1. Subject to the conditions specified in paragraph 2, the Municipality shall pursue and consummate a financing having the following elements:

(a) The Municipality shall issue revenue bonds pursuant to the Act at one or more times in one or more series in such

aggregate principal amount not in excess of \$2,000,000 as the Eligible Participant shall request; providing, however, that the actual aggregate principal amount shall not be greater than the then estimated aggregate cost of providing the Project and paying the costs incident to the financing thereof (said bonds being hereinafter called the "Bonds").

(b) The Bonds shall be limited obligations of the Municipality payable by the Municipality solely out of revenues derived from the Eligible Participant or otherwise provided for pursuant to the terms of the loan or similar agreement (hereinafter called the "Revenue Agreement") to be entered into between the Municipality and the Eligible Participant.

(c) The Revenue Agreement shall require the Eligible Participant to acquire, construct or install the Project and to provide the Municipality with revenues sufficient to pay when due the principal of, premium, if any, and interest on the Bonds.

(d) The Bonds shall have such maturities, interest rates and redemption limitations as the Eligible Participant and the initial Bond purchaser(s) shall propose.

2. The issuance of the Bonds by the Municipality shall be on the following conditions:

(a) The Bonds shall not constitute an indebtedness of the Municipality within the meaning of any State constitutional provision or statutory limitation.

(b) The Bonds shall not

constitute or give rise to a pecuniary liability of the Municipality or a charge against its general credit or taxing powers.

(c) The Eligible Participant shall be responsible for finding a purchaser or purchasers for all of the Bonds.

(d) Prior to the issuance of the Bonds: (i) the electors of the Municipality shall have been given the opportunity to petition for a referendum on the matter of the Bond issue as required by the Act; (ii) either no such petition shall be timely filed or such petition shall have been filed and said referendum shall have approved the Bond issue; and (iii) this body, by further resolution, shall have authorized and approved the terms of the Bonds and the Revenue Agreement.

(e) The Bonds shall be issued pursuant to the Act, and the delivery of the Bonds shall be accompanied with the unqualified approving legal opinion of Messrs. Foley & Lardner or such other nationally recognized firm of bond attorneys as shall be acceptable to the Municipality and the Eligible Participant.

3. All out-of-pocket costs in connection with the issuance and sale of the Bonds shall be paid either from the proceeds of the Bonds or by the Eligible Participant.

4. The Clerk shall cause notice of adoption of this Resolution to be published once in Kewaskum Statesman (the Municipality's official newspaper, for the publication of notices pursuant to Chapter 985 of the Wisconsin Statutes), and shall cause evidence of publication (including a copy of the notice as published) indicating the date of publication of such public notice to be filed with the Secretary of Business Development of the State of Wisconsin or such Secretary's successor within 10 days following publication of such notice.

5. This Resolution is an

"initial resolution" within the meaning of the Act and official action toward issuance of the Bonds for purposes of Section 103 of the Internal Revenue Code of 1954, as amended, and the regulations promulgated thereunder.

6. This Resolution shall be effective immediately upon its passage and approval. Unless the Bonds shall have been issued prior thereto, the authorities and authorizations given by this Resolution shall expire on the second anniversary date of the date of adoption of this Resolution or on such later date as this body may specify by resolution adopted either before or after such date.

Motion for the adoption of the resolution was made by Trustee Raynor Herriges. Motion for the adoption of the resolution was seconded by Trustee David Nigh. The resolution was unanimously adopted on a roll call vote of 5 "Aye" and 0 "Nay."

The following resolution was re-introduced by Trustee David Nigh:

Resolution No. 80-4

RESOLUTION RELATING TO WAIVER OF SECTION 66.521(11)(b)1. IN CONNECTION WITH AN INDUSTRIAL DEVELOPMENT REVENUE BOND FINANCING ON BEHALF OF REGAL WARE, INC.

WHEREAS, this body has adopted a resolution entitled "Initial Resolution Relating to Industrial Development Revenue Bond Financing On Behalf Of Regal Ware, Inc." (the "Initial Resolution"); and WHEREAS, the Initial Resolution provides that upon certain conditions the Village of Kewaskum, Wisconsin (the "Municipality") shall issue in-

dustrial development revenue bonds pursuant to Section 66.521, Wisconsin Statutes, as amended (the "Act") to finance a project in the Municipality to be undertaken by Regal Ware, Inc., a Wisconsin corporation (the "Eligible Participant"); and

WHEREAS, the Eligible Participant has represented that the intended use of the project is for the purpose of manufacturing and warehousing of cookware products and that the project would consist of a building addition and equipment (the "Project"); and

WHEREAS, Section (11)(b)1. of the Act contains provisions requiring competitive bidding for certain construction contracts and prohibiting discrimination with regard to the construction and operation of projects financed under the Act; and

WHEREAS, Section (11)(b)2. of the Act empowers the governing body of a municipality to waive the requirements of Section (11)(b)1. with respect to a particular project;

NOW, THEREFORE, BE IT RESOLVED:

1. It is the finding and determination of this body that the Municipality will not control the design, costs, construction or operation of the Project; that no public moneys will be expended for the Project; that the Municipality will have no beneficial ownership in the Project; that the primary reason for requiring competitive bidding for construction of municipal projects is to protect the taxpayers against excessive expenditures of public funds and that such reason, although sound as applied to public works, is not applicable to the Project in which no general funds or tax revenues of the Municipality will be used or put

at risk; that it would be more efficient and expedient for the accomplishment of the public purposes of the revenue bond issue if the Eligible Participant were to have complete control over the letting of contracts for construction for the Project; and that while an anti-discrimination policy such as that expressed in Section (11)(b)1. of the Act is supported by this body, public policies of that sort applied in the context of a bond financing are more appropriately effectuated by contract with the Eligible Participant. Therefore, the Municipality does hereby waive the provisions of Section (11)(b)1. of the Act with regard to the Project; provided, however, that the revenue agreement to be entered into between the Eligible Participant and the Municipality shall contain anti-discrimination clauses satisfactory to the Municipality.

2. The Clerk shall cause the foregoing resolution to be published together with the public notice required by the Initial Resolution.

Motion for the adoption of the resolution was made by Trustee Paul Blumer. Motion for the adoption of the resolution was seconded by Trustee Donald Mlodzik. The resolution was unanimously adopted on a roll call vote of 5 "Aye" and 0 "Nay."

Motion was made by Trustee D. Nigh and seconded by Trustee Mlodzik that the Board adjourn to closed session on Chapter 19.85 (c) of the Statutes to consider employment benefits and compensation.

CARD OF THANKS

We wish to express our deepest appreciation to all our relatives, friends and neighbors for their prayers and concern during the illness and recent death of my beloved wife, our dear mother, grandmother and great-grandmother. VIRGINIA MILLER. Our special thanks to Fr. Budde, donors of Masses, memorials and floral tributes, sympathy cards, cars, food, ladies who served the luncheon, organist, choir, Christian Mothers Society, traffic officer and to anyone who helped us in any way.

Edw. E. "Pat" Miller and family

CARD OF THANKS

We wish to extend our sincere thanks and appreciation to all our neighbors, friends and relatives, for their love and kindness during the long illness and recent bereavement of our husband and father, Glen A. Ludwig, Sr.

A very special thanks to Drs. Cesar and Aurora Sison and F. Castro and their office staff; St. Joseph's Hospital and their wonderful nursing staff; Kewaskum Fire and Police Departments; Fairmont Foods and fellow co-workers; the Reverends Littleton, Gokey, Spencer, Wise, Schooley; Chafins and Keck; Kewaskum Pentecostal Church of God, Immanuel Pentecostal Church of God, Souls Harbor Church, West Bend Church of God and Calvary Assembly of God; the Family of God for their prayers and intercession; Miller's Funeral Home; coffin bearers; singers—Charles and Rhonda Gokey; Johnson Bus Company, the Labor Center for the use of their hall; the Kewaskum PLA for preparing the after-funeral luncheon and anyone else whom I may inadvertently omitted.

Most important of all, Praise and Thanks to to our Lord, Jesus Christ, Who, through His love, gave Glenn strength and peace to bear the illness and pain of the cancer he was afflicted with and Who, through His Great Love, turned our familys' sorrow into joy knowing that Glenn, having made Jesus his Lord and Saviour on September 7, 1975, forever has a mansion in Heaven.

THANK YOU ALL!

Evelyn L. Ludwig and family

A NOTE OF THANKS

I wish to thank everyone for the cards, gifts, visits and phone calls while I was a patient at St. Joseph's Hospital and also since I am at home. Special thanks to Pastor Hoenecke. Your kindness will always be remembered and was deeply appreciated.

At a meeting held in the assembly room of the Kewaskum High School Monday night, the electors of the Kewaskum Union High School District unanimously voted to give the school board of the district authority to borrow an additional \$200,000 to meet construction costs for the new high school to be erected in the district. Originally the school district had approved a bond issue of \$450,000 for the high school project, but bids on the project have come to approximately \$585,000 in round figures. Equipment for the school will be purchased with the surplus funds of approximately \$65,000.

During a nuptial mass in St. Bridget's Church, St. Bridgets, September 17, Lorraine Barbara Westerman, daughter of Mr. and Mrs. Walter Westerman, daughter of Mr. and Mrs. Walter Westerman, Route 3, Kewaskum, became the bride of Richard J. Boden, son of Mr. and Mrs. Math. Boden, Route 4, West Bend.

A graduate of Kewaskum High School with the class of 1955, Miss Marlene J. Sauter, who attended summer school at Humboldt Institute, Minneapolis, Minnesota, has accepted an office job at Washington D. C. for the government with the navy department.

Maurice J. Hovland will assume the duties of county agricultural agent of Washington County effective November 1.

A son was born to Mr. and Mrs. Eldon Ramthun, Jr., Kewaskum, September 28.

50 Years Ago

September 26, 1930

Meetings of the high school classes were held after school on Wednesday for the purpose of electing class officers. Those elected are the following: Senior Class — President, George

Koerble; Vice-President, Henry Lay; Secretary, Jos. Uelmen; Treasurer, Earl Etta; Sgt. at Arms, Fred Weddig. Junior Class — President, William Harbeck; Vice-President, Lloyd Hron; Secretary, Helen Kohn; Treasurer, Ruth Kaniess; Sgt. at Arms, Leo Gatzke. Sophomore Class — President, Linda Rosenheimer; Vice-President, Ruth Corbett; Secretary, Marcella Schleif; Treasurer, Eleanor Krautkramer; Sgt. at Arms, Theo. (?) Schoofs. Freshman Class — President, Albert Hron; Vice-President, Wm. Schaefer; Secretary, Rose Kohlschmidt; Treasurer, Jos. Miller; Sgt. at Arms, Earl Kohler.

A wedding of much interest took place at New Fane on September 18, when Miss Verona Pieper, daughter of Mr. and Mrs. Henry Pieper of Waucousta became the bride of Rev. Carl C. Gutekunst, son of Rev. and Mrs. C. J. Gutekunst of New Fane.

Herman Backhaus and Charles Grittner met with an accident last Sunday while driving to West Bend. Their team shied from an automobile. They had their buggy badly smashed and both were slightly injured from being thrown out of the rig.

John Bremser of St. Michaels had his face badly burned one day last week while moulding bullets.

Miss Annie Flynn, eldest daughter of Mr. and Mrs. Pat Flynn of Campbellsport, and Leo C. Arimond of Dundee were united in marriage last Tuesday at Campbellsport.

P. W. Clark of Kewaskum received a letter from his son, John of Sagola, Michigan, stating that he had been granted a patent on a railroad switch which he expects will be adopted by all railroad companies when once introduced. He states that his invention is very simple, constructed out of six

parts, and if any part should get out of order it would automatically adjust itself in such a way as to keep the main line clear at all times.

NEWS NOTES

The Kewaskum Police Department would like to take this opportunity to alert the citizens of our area to some recent problems and suggest some preventive measures. Recently lawn mowers and bicycles have become some of the favorite targets for thieves operating in several county areas. We are working on some leads to try to apprehend these people, but could use a helping hand from the citizenry.

Place your bicycles in the garage and close it when you are leaving home or no longer intending to use them. The same is true for lawn mowers, rototillers and other power equipment. We can make it more difficult for thieves, perhaps so difficult they will refrain from operating in our area. Above all close your garage door when you leave home. Remember, an open garage with all its tools, etc. inside is a supermarket for these thieves. Thank you!

SPORTS

NO. 12 — Here Tony is waiting in line to go out on the track to take his qualifying laps for the night's events at Slinger Speedway.

The John's Sport Shop Special No. 12 driven by Tony Strupp of Slinger and owned by Wayne Erickson of Hartford, is in the winner's circle again this year at the Slinger Super Speedway.

At the W.I.R. in Kaukauna, Tony finished 4th in the Fox Valley Racing Association that are held on Thursday evenings.

The orange and white late model will again be sporting No. 12 in the 1981 season, and will be always ready to race, due to the good pit crew of Dan and Roger Strupp, both of Slinger.

Tony and the other drivers of the Slinger Super Speedway will be honored at a buffet dinner and dance on November 8, at the Kettle Moraine Bowl on Highway 60, just outside of Slinger.

NO. 88 — Alan Hafemann taking the checkered flag, after he won the 10 lap heat race.

The "Cute as a Bug in a Rug" racedriver of number 88 in the modified circuit is Alan "Butchie" Hafemann. The car is owned by Greg Bauer and Fred Hafemann Jr. of Campbellsport, and is powered by a 350 cu. in. engine. The car was built by race driver Gib Wiser of Neosho.

Alan's sponsors are Flum Wiese Trucking and K. B. Lettering, both of Campbellsport. The 23-year-old driver, who is a buffer at Regal Ware, has four years "behind the wheel" experience of a modified and is a good and clean competitor in the sport.

Alan and his wife Barb live near Campbellsport and have a son named Billie Joe, who is a year old. Look for Alan "Butchie" Hafemann as one of the consistent top 10 drivers of the future.

NO 26 — Bill Walta waves the checkered flag, as he wins his heat!

The Behounek Sign Works Special No. 26 is owned and driven by Bill Walta of Campbellsport in the sportsman division of the Eastern Wisconsin Stock Car Racing Association. The '74 Nova is powered by a 307 Chevy engine and the pit crew members are Andy Hall, Sue Walta of Campbellsport and Bob Walta of Darien.

Bill and his wife Sue have three children and live in rural Campbellsport. Look for this 29-year-old rookie next year at Plymouth on the quarter mile clay track.

Volleyball Tournament Champions

On Labor Day Monday, Sept. 1, the third annual volleyball tournament was held at the Kewaskum American Legion grounds. Twenty-eight teams participated.

Plymouth Spoils Indians' Debut in New Conference

On a windy night in Plymouth Friday, the Panthers initiated Kewaskum into the Eastern Wisconsin Conference by handing the Indians a 20-8 ripping. The Indians are now 1-2 including non-conference games.

Kewaskum held an 8-7 lead at halftime but two scores in the third quarter iced the game for the Panthers. Plymouth put on two drives in the period, while keeping the ball away from the Indians, good for 13 points, to erase the deficit at the intermission.

Mostly on running plays, Plymouth drove right through the Indians in the third quarter, gaining several yards at a time and numerous first downs. Kewaskum just couldn't make the tackles with their abbreviated line.

After taking the second half kickoff, Plymouth marched 68 yards in 14 plays with quarterback Jack Osieczanek going the last five. They used up 5½ minutes off the clock on the drive.

Things got worse just three plays later when the Panthers got the ball back on a Randy Westerman fumble. Rob Reichert recovered the ball on the Kewaskum 45-yard line and Plymouth was off again. Fullback Tim Paese and mini-back Corey Will took the ball down to the Kewaskum three and Osieczanek then dove into the end zone for his third touchdown.

The Indians got one more chance into the wind with 1:20 left in the period but they were forced to punt after they netted just three yards on three plays.

Trailing 7-0, the Indians put on a nice 55-yard drive in the

second quarter for their only score of the night. On a fake field goal attempt holder and quarterback Ric Leitheiser threw a beautiful pass right on target to end Perry Kempf in the end zone for a nine yard touchdown. A key play in the drive was a 16-yard run by wingback Tim Heberer. The Indians went for a two point conversion and again Leitheiser hit Kempf for the two points.

Kewaskum had only one more good opportunity in the final quarter when Pat Miller recovered a fumble to give the Indians the ball on Plymouth's 32-yard line. A double reverse lost 11 yards and they were unable to pick up the first down. The Indians failed to get a first down in the entire second half and had only 35 yards total offense in the final 24 minutes.

Randy Heberer led the Indians with 45 yards in 9 carries. Kewaskum had only 3 first downs in the game compared to 19 for the winners. The Panthers gained 300 total yards to only 125 for the losers.

This Friday Kewaskum hosts New Holstein in its first Eastern Wisconsin home game at 7:30. New Holstein lost to Sheboygan Falls last week in double overtime, 35-28.

KHS Girl Spikers Defeat Plymouth

The Kewaskum girls' volleyball team defeated Plymouth by a narrow margin here last Tuesday.

As they had done against Two Rivers, the Indians started strong with a 14-6 lead in the first game. But Plymouth tied it up at 15-15 before Kewaskum rallied to win 17-15.

The Panthers won easily in the second game, pulling out to a 6-0 lead and coasting to a 15-3 win.

The third contest was a battle. The Indians pulled into the lead, 7-2, before Plymouth tied it up at 7-7. It remained close until the Panthers pulled ahead, 12-9. The Indians rallied behind some Sue Bade and Denise Menzel serves, to tie it up at 15-15. Finally they got 2 points to break the tie and win.

Bade and Barb Matenaer were cited for playing some steady volleyball.

The JVs and freshmen both lost.

Plymouth Beats Indian Runners

The Kewaskum High cross country team gave Plymouth a battle there Thursday afternoon but lost, 25-30.

Senior Scott Klein was back with the team and made a strong showing, along with Craig Larsen.

Several days before, the Indians were more than 100 points behind Plymouth in the Mayville Invitational.

Plymouth Puts on a Good Show

Along with their fine football facility, we were very impressed with the show put on by the Plymouth band in their brilliant orange and black uniforms Friday night.

Immediately before the game the band saluted the Kewaskum and Plymouth stands with their respective school songs, followed by the playing of the National Anthem.

Their halftime performance was a sight to behold with the band in their bright and colorful uniforms, and the flag and standard bearers, pom pom

girls and student dancers performing. It appeared their spirit carried out onto the football field as the team snapped into formations. It had a college atmosphere.

It was also inspiring to see the Plymouth coaches all dressed alike in their orange and black school colors.

It was disappointing to see the small number of Kewaskum students and fans at the game, with Plymouth being the closest team in the new conference.

Hats off to Plymouth for a big league show.

Indian Girls 9th In 16-School Golf 'A' Meet at Port

The Kewaskum girls took 9th place in the 16-school Port Washington Invitational golf meet Friday, competing mainly against Class A schools. Nicolet won the 18-hole meet with a 411 team total.

Among other area schools, West Bend East took 3rd, Hartford 7th, Mayville 14th, and West Bend West 16th.

Pam Smith of Menomonee Falls East took medalist honors with an 87.

Sue Harlow led Kewaskum with 104, followed by Joan Hanrahan with 113, Cheryl Jaeger 114, and Pam Perkins 120. Coach Joe Harlow was pleased with his team's scores.

Each team was allowed to bring only four players.

KHS Varsity Cheerleaders Attend Camp; Receives Awards

On August 14-18 the KHS Varsity Football squad cheerleaders attended Camp Birch Knoll summer clinic for cheerleaders in Eagle River.

During this time the squad learned new cheers, routines, stunts, jumps and chants, as well as new ideas for the upcoming season.

The girls received superior

ratings, as well as the "Neat Guys Award" given to the cleanest cabins every day. They also received the NCA Spirit Stick, the highest award of the National Cheerleaders Association.

The squad was chosen for the award of excellence given to the top five squads at the camp.

They are now looking forward to the season in our new conference with much enthusiasm.

Names of the girls, left to right, are: Teresa Nigh, Carrie Dreher, Donna Gilford, Sandy Kirchner, Amy Nigh, Karen Kudek, Darcie Schmidt and Carolyn Gremminger.
