Week's Wit

The best way to keep a teenage daughter out of hot water is to put some dirty dishes in it.

Work Progressing on Jr. Women's Nature Trail

Cal Stott, retired forester, his family, the Juniors and Girl Scouts.

Hank Becker, who designed and made signs, and strong fellows from the Exodus House

Kewaskum Junior Woman's Club members and their families sitting on benches made from Electric Company poles.

Augie, Schmitt and Hank putting up redwood sign, routed by Lloyd Bunkelman and wood donated by Minz Supply.

At least a year and a half ago, the CIP (Community Improvement Program) Department of the Kewaskum Junior Woman's Club took on the venture of expanding our new park by initiating a passive recreation proposal to the village board.

At that time a small wooded section of the new park was left untouched for a nature trail and the club hoped to create a "preserve the woods" concept. Along with that concept were

extended hopes for an outdoor study system set up primarily for area schools.

Since the task at hand was large and would be extended far beyond their abilities, the time had come to procure assistance. With a great deal of luck and the many willing volunteers from all stations of life, they have cut, posted, tagged and surveyed the area to this point. There is a great deal left to be done, do abide with the juniors, as they will soon have more

specs on the project.

So many times the club members are asked, "what good is it--a nature path in a park system is just a place for vandals--who cares about plants and things?"

The club has gone on the presumption that all living things are good, whether or not human beings are perceptive to the fact is the question.

The Juniors hope this program, thru their club, will directly or indirectly uphold the quality of life in our community.

School Board Angered by Area Woman's Newspaper Allegations

By GERRY MUELLER
Statesman Staff Writer

President John Tessar and Superintendent Floyd Brenholt responded to a West Bend News "Letter to the Editor" written by Mrs. MaryAnn Merwin at Monday evening's School Board meeting.

The item on the agenda which caused all the stir was the way Mrs. Merwin felt the Board had conducted a search for a replacement Guidance Counselor at the high school.

Mrs. Merwin said Monday evening that the Board had not gone to other school districts, used any public media advertising or contacted any universities regarding the opening. That, in fact, the School Board was looking to promote someone from within the district's own ranks who had no qualifications to handle the job. She stated the Board sought to maintain male dominance in this area and had not given consideration to filling the position with a woman.

Tessar stated he would like to know how she knew who the Board had selected to fill the position when the decision was made at a closed meeting. Merwin said it was common knowledge at the high school among the students. Everyone was talking about "Wietor moving up." Tessar told Mrs. Merwin, if she had any complaints she should have come to the Board rather than publish her inaccurate information in the public media. Tessar stated, "First, the Board had posted the opening at all the schools. Secondly, three area universities had been contacted, thirdly, Wietor, the Board selection, has a Master's Degree in Guidance, with 100 hours practical experience."

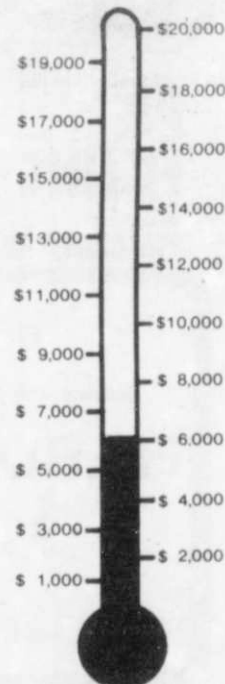

Mr. Theiler, the resigning counselor, stated that it is not

possible to fill every job with experienced personnel. Kewaskum had been his first formal position as counselor also.

As for filling the position with a woman, Jean Goeden agreed with Tessar this was given consideration, but no qualified females applied for the job. Brenholt said applicants were hard to find at this period in the

(Continued on Page 6)

United Way Drive at 34% of Goal

KEWASKUM AREA UNITED WAY

About \$6,100 representing 34 percent of the 1980 Kewaskum Area United Way goal of \$18,000 has been donated to date.

Noting "Key people and donors are the basic success of the entire United Way system," Gerry Kiefer and Ed Christie thanked all division chairmen, employers, sectional chairmen and contributors who have given of themselves already.

"All contributors are asked to remember that although one's fair share is the 'ideal' to United Way beneficiaries, any contribution is most valued by all divisions. It's all of us that make it happen - for all of us."

Fred Fehlhaber Dies Wednesday

Fred Fehlhaber, 70, of 1502 Stark Street, Kewaskum, passed away at St. Joseph's Community Hospital, West Bend, on Wednesday, October 15.

He was president of Abstract and Title Company of West Bend.

Visitation at Miller's Funeral Home, Kewaskum, will be Friday from 4:00 to 9:00 p.m. and at Peace United Church of Christ on Saturday from 9:00 to 10:00 a.m., the time of service.

A complete obituary will be published in next week's paper.

Dawn Boettcher Appointed Assistant Manager of La Crosse K-Mart Store

The K-Mart Corporation has announced the appointment of Dawn Boettcher of Kewaskum as assistant manager of their store in La Crosse, Wisconsin.

Dawn received her Bachelor of Science degree in business management from UW-Platteville, in May, 1980. She then took her managerial training at the Kreske Store in Dubuque, Iowa.

She is the daughter of Mr.

and Mrs. Harold Boettcher of 1540 Riverview Drive.

VANDALISM REPORTED

The Washington County Sheriff's Department is investigating the smashing of a windshield on a car that was parked at the intersection of County Trunk H and Kettle Moraine Drive in the Town of Kewaskum last week. Damage was estimated at \$150.

Big Buck Visits Village

A big 6-point buck paid our village a visit on Tuesday evening, it was reported to the Statesman by Mrs. Ervin Wanke of Riverview Drive Wednesday.

A number of children saw the buck approaching as he came down the river from the north. He left the river in the William Schaefer yard, ran around the Schaefer Trucking garage, crossed Riverview Drive, ran through the Gerald Thompson and Wanke yards, through an alley, across Kewaskum street into the Henry Timblin yard and through other area residents' yards, and disappeared into the Bill Ramthun woods.

Needless to say, the deer caused quite a bit of excitement in the neighborhood.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Main Street on Fair Day, Kewaskum, Wis.

This is a picture of a busy Main Street on Fair Day in Kewaskum back in 1912. Note the many horses, buggies and wagons but no automobiles. The fair was held monthly on the then vacant lot where the present Savings & Loan building and old bank building now stand. The first building on the left, now Kennelly Pharmacy, was then the American House saloon and the second building is the former H. J. Lay Lumber Co., which has since been razed.

(Photo submitted by Mrs. Clifford Stautz)

Junior Jargon

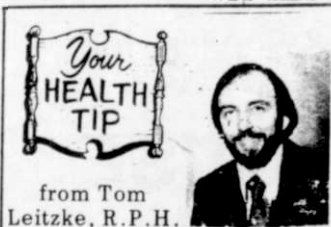

Pink Elephants, Cowgirls, Mickey Mouse Disco and a Baton Twirler all were part of a delightful evening for the Kewaskum Junior Woman's Club members on October 9. Melody in Motion School of Dance under the direction of Ms. Cheryl Willis brought several young ladies to Kewaskum for the evening performance. The dancing, twirling and tumbling enchanted everyone in attendance.

The Kewaskum Juniors continue being very active. The Arts Committee has an average of 25 children attending two sessions of Story Hour. Two books illustrated by Jim LaMarche, a native of Kewaskum, have been donated to the library. The Conservation Department will be planting tulip bulbs at the new Kewaskum Kiwanis Park. Kewaskum residents who need rides to vote on November 4, can call Ann at

626-2759.

Anyone interested in finding out how a Junior Woman's Club works and just what is involved in being a Junior Woman's Club member, is invited to a coffee

This meeting will be held on Thursday, October 23 at 8:00 p.m. at the home of Mrs. Sharron Miller in Kewaskum. For further information call 626-2811.

from Tom Leitzke, R.P.H.

Many older people who are physically inactive develop osteoporosis [bone thinning] because of calcium loss for lack of calcium in the bloodstream. Their bones become brittle and fracture easily.

Research suggests that older folks take at least two 8-oz. glasses of milk per day [or servings of yogurt or cheese] to secure 800 milligrams of calcium that are needed each day. They'll then be feeding their bones [and body] a supply of needed calcium plus other minerals and vitamins, all adding up to good health.

United Way Review Process Explained

Who gets United Way funds? And how much? How can contributors be sure most of the dollars raised in Kewaskum stay in the Kewaskum area?

Kewaskum Area United Way President, Clark Pearson, said the United Way Board, made up of local volunteers, each year impartially evaluates and reviews the various agencies that apply for funding and decides who shall receive what amount.

"Nationally, United Way believes that local boards are in the best position to judge local needs," Pearson noted. "The board works hard to see that 99 percent of your donations stay in the Kewaskum area - serving our own people."

This year at least eighteen agencies will benefit from contributions, Pearson pointed out. Board member Gerald Kiefer stated, "People like to see the dollars stay in the Kewaskum area." He pointed out that the area served by the Kewaskum Area United Way encompasses the Kewaskum School District.

"In the agency review, this year's board committee consisting of Wayland Tessar, Con-

nie Zemlicka, and Bob Zarling, will review each agency's budget, people served, program proposals and their successes or likelihood of successes. They then report back to the entire board of directors and a dollar amount is assigned to the agency based on that agency's needs, request, the board's evaluation and the monies available," he said. "In some cases the board is able to give more and in some cases, less. Each agency must agree to comply with a given request and accounting procedure."

United Way helps all approved agencies take care of those who are in need. It helps not just the well-known causes, but those people you wouldn't turn your back on if you knew how much they really needed your help, Pearson said.

"United Way visits you once each year for one generous gift. Helping one agency doesn't mean turning your back on another when you go the United Way. Your one gift helps nearly the entire range of human needs from little children to teens to parents to senior citizens," Pearson emphasized.

HOMECOMING COURT — Standing, left to right: Scott Klein, Sue Harlow, Mike Geidel, Darci Schmidt, Rick Leitheiser, Amy Nigh, Ann Stoffel, Gina Luedtke, Randy Westerman, Marjean Backhaus, Joni Hanrahan, Pat Miller, Judy Schoofs,

Craig Larsen, Matt Henke, Jill Petermann.

Kneeling or sitting, left to right: Mary Brenholt, Randy Heberer, Steve Muench, Perry Kempf, Julann Zemlicka.

Not pictured: Doug Petsch.

Several activities will be part of the 1980 Kewaskum High School Homecoming preparations. This year the traditional homecoming at KHS will take on a new twist. Instead of just the football team receiving recognition, all fall sports will be sharing a representation. Included in Kewaskum's fall sports program are: football, girls' golf, girls' tennis, boys' and girls' cross country, girls' volleyball and cheerleading.

The senior class decided by a narrow margin to involve all fall sports in the 80 homecoming activities. This means the homecoming court will consist of three juniors from the football team, four senior football players and one senior representative from each of the autumn sports, bringing the total number on the court to 13.

Although the traditional class competition will be done away with this year students are still urged to participate in "pep week" Oct. 13 - Oct. 17. The events of Pep Week include: Monday as T-shirt and Hat and Button Day; Tuesday, Flowers for Sweetest Day; Wednesday, Inside Out or Backward Day; Thursday, Hobo Day, and Friday, Green, Gold and White Day.

A pep assembly will be held on Friday during last hour and the classes and clubs will be participating in competition

with homecoming skits. Competition is also involved with the class and club floats.

The Sheboygan Falls Falcons will challenge the Indians in Friday night's game, Oct. 17, at 7:30. Preceding the game will be the traditional Homecoming parade starting at 6:15 p.m. The parade route will begin at the high school and follow south on Park View Drive to Main Street, and west on Main Street through the downtown section. The parade will then return to the high school.

Saturday, Oct. 18, Ida Red will provide the entertainment for the Homecoming dance which will be held in the high school gymnasium. The dance will be held from 8:00 p.m. until 12:00 a.m., with the grand march taking place at 10:00 p.m. The King and Queen will also be crowned at this time. Tickets are \$5.00 for couples and \$3.00 for single admission. The 1980 theme is "The Rainbow Connection."

This year's court includes seniors Randy Heberer - senior football representative and Mary Brenholt - senior tennis representative; Perry Kempf - senior football representative and Julann Zemlicka - senior cross country representative;

Steve Muench - senior football representative and Ann Stoffel; Doug Petsch - senior football representative and Joan Hanrahan, Rick Leitheiser - junior football representative and Amy Nigh, Pat Miller - junior football representative and Marjean Backhaus, Randy Westerman - junior football representative and Gina Luedtke, Craig Larsen - senior cross country representative and Judy Schoofs, Sue Harlow - senior golf representative and Mike Geidel, and Jill Petermann - senior volleyball representative and Matt Henke.

Chairing the various committees for the festivities are the following seniors: Floats - Carrie Dreher and Jenny Doherty, Decorations - Carrie

Dreher and Darla Bader, Parade - Heather Marsh, Tickets - Lisa Kempf, Kelly Tiemann and Barb Wilson, Pep Assembly - Cheerleaders, Refreshments - Mary Brenholt and Katie Lightner, Publicity - Darci Schmidt, Ann Stoffel and Ann Berg, Royalty and Grand March - Carol Gremminger, Photography - Julann Zemlicka and Debbie Prunty and the Skit committee - Julann Zemlicka.

KHS Class of '65 Enjoys Reunion

On Saturday, October 11, approximately one-third of the KHS class of 1965 got together for their fifteen year reunion at the Hon-E-Kor Country Club, Kewaskum.

Sixty-seven people were in attendance (40 Classmates) from the surrounding areas and from as far as Middleton and Clinton, Wisconsin.

Door prizes were won by Jerald Campbell, Holly Pomahoc Navotny, Frances Jackson Coulter, Cheryl Lynn Ramthun, Dianna Krahn Faul, Carol Volm Ramthun, Mary Amerling Fleischman, Mary Zehren Larsen, Betty Johnson Bohlman, Elaine Vetter Poos, Eugene Schneider, Ralph Picard and Kay Broecker Klahn.

A committee of Mary Amerling Fleischman, Francis Jackson Coulter, Darlene Theusch Walls, Sharon Stahl Breit, and Betty Johnson Bohlman volunteered (army style) to plan our next reunion.

With lively entertainment provided by Full Circle, a twist contest was held. Richie and Rosie Reindl won the "title" and two pounds of cheese.

An enjoyable evening was had by all - a good meal (preceded by a cocktail hour), good entertainment, and old friends are a never fail formula for a good time.

Political Lawn Signs on Fond du Lac Ave.

Friday, Oct. 17, 1980, Page 5

Motorists passing through Kewaskum on Hwy. 45, can't help but notice the array of political signs on Dr. R. G. Edwards' lawn and across the street from his residence where he also has a display.

Edwards, a staunch Republican all of his life, has signs depicting the government spending money in the billions,

a figure which is hard for the normal person to comprehend.

"Doc" devised "something more simple" regarding Carter's proposed \$700 billion budget.

Edwards began with a single egg sitting on a post. That egg signified \$1,000. Thirty dozen egg cases hold 1,080 eggs, which would represent approximately \$1 million.

The proposed budget is roughly \$700 billion, and Edwards said 3,000 egg cases would hold approximately \$1 billion.

Using the cubic footage at his own home, Edwards said it could hold 5.3 billion eggs. Converting that into dollars, Edwards, said Carter's budget is "enough to fill 132 homes, like mine, with your tax dollars."

To Whom It May Concern—

As you read this letter you may have already forgotten that last week was Fire Prevention Week. It certainly would appear this way in the response we had to our annual Open House which — in case you forgot or did not read the article which I put in your local paper last week — invited you to come on Saturday.

A total of eight people, which includes adults and children, actually showed up, or accepted our invitation. I believe the people of Kewaskum and the surrounding area fail to realize what a service the Kewaskum Fire Dept. is providing for its residents and their property.

This is a totally volunteer organization. They are on call 24 hours a day and night. We have a rescue squad, second to none, who are state licensed EMTs, and who received no compensation per call or hourly wage per run. They must attend state training schools, over 30

weeks in length, three-hour sessions, and pass both written and practical tests, before becoming an EMT graduate, plus yearly refresher courses of nine to ten weeks in length. They are on a schedule, and sacrifice their weekends when on duty, or have to stay home because they are on call both day and night.

Our Fire Dept. is regularly involved in attending training schools put on by the State of Wisconsin MPTI. Some of our members have attended between 30 and 40 weeks of training of fire related subjects in the past year in evening courses.

We the Kewaskum Fire Dept. would like to thank the teachers and over 200 students, along with the Brownies and Girl Scouts, who did take time out to visit us this past week during their regular school days. Also a special thanks to the people who did come and the firemen who assisted with our student tours and also on Saturday.

Yours truly,
Augie Bilgo

School Meeting

(Continued from Page 1)

school year because most people had accepted positions and he did not feel it was proper to take people away from other school districts.

Superintendent Brenholt stated he resented the comment that he had no interest in children and he wanted an apology from Mrs. Merwin. KEA President Robert Getter said Mrs. Merwin's comments were an uncalled for attack on individuals of both the staff and members of the School Board.

Mrs. Merwin stated that as in the past, her contact with the Board was less than productive. Tessar returned that with her attitude of "ill feelings" she has when she attends a meeting, it is understandable.

The Board then approved the following assignment changes: David Wietor from Middle School Math to High School Guidance Counselor, Mark Roth, Middle School English to Middle School Math and a new contract approved for former KMS teacher Denise Leong to teach Middle School English. Mike Theiler's resignation was accepted effective October 17.

The Board decided to discontinue the late bus routes. Tessar felt the Board could not justify the high cost for the few students using the busses, \$6,537.00 for the balance of the year. The Board, however, moved to have another trial period from November 11 to November 26. During this period, winter sports and activities begin. At a special meeting December 1, the Board will then decide if there was a sufficient increase in riders to keep the late bus routes or drop them permanently.

The Board moved to accept Policy 5127, regulations governing early graduation. Dr. Ogi said he would like to see a follow-up study made to see if, and how, many of these early graduates really followed through on their reasons for early graduation like jobs, further education, etc.

The 1980-81 budget only was approved. Brenholt stated that depending on state level aid, the district can run between a \$7,000.00 surplus and \$76,000.00 deficit. Governor Dreyfus'

4.4% budget cut will be the determining factor.

Brenholt requested hiring a 1/2 time teacher for the Kewaskum Elementary first grade. He said this year's class reading readiness scores were below normal even though no changes had been made in the program. Tessar asked Richard Zarling why they had waited so long with this request when they knew by the second week of school there was a problem here. Richard Theusch motioned to approve the request, stating if we have \$6,000.00 for a late bus we should have money for education. The motion was approved.

Release of equipment purchase funds was tabled. Theusch was against releasing any funds until accurate prices and bids could be presented to the Board.

The Board re-affirmed its position against transfer of Random Lake property to the Kewaskum School District.

The decision to enter two baseball leagues was tabled until a later meeting.

Pastor Hoenecke and representatives of St. Lucas Church asked the Board to consider a transfer of properties. The land in question is a small parcel adjacent to St. Lucas School. Tessar said the Board would be agreeable to such a plan, either through exchange or sale. However, the legal aspects would have to be checked before a definite arrangement could be made.

The Board then adjourned to closed session.

Senior Citizens Celebrate 13th Anniversary

The Senior Citizens XYZ Club celebrated its 13th anniversary with a noon dinner at the Glacier Inn on Wednesday, Oct. 8, with 78 members in attendance.

Clifford Stautz gave a brief history of the organization. It started with five members. Three charter members are still with the club, namely Clifford and Elsa Stautz and Mary Ann Gruber. Today the club has 105 members.

Mr. Stautz was the first president and served five years. The present officers are: Leader, Pearl (Mrs. Mervin) Thompson; President, Irene Dreher; Vice President, Marie (Mrs. Ed) Dobke; Secretary, Minerva (Mrs. Marvin) Martin.

Miss Shelly Sekas rendered accordion selections during the dinner hour.

A congratulatory letter from the WOW Nutrition Program was read.

The Club meets every Wednesday morning at 9:00 a.m. at the Legion House. Any Senior Citizen is welcome.

American Legion Lamb Roast Sunday

The American Legion, Robert G. Romaine Post 384, of Kewaskum will hold their 3rd Annual Lamb Roast on Sunday, October 19, starting at 1:30 at the clubhouse.

This lamb was purchased at the Washington County Fair Auction. It was raised by a Kewaskum area youth.

In addition to lamb, there will also be roast beef sandwiches.

Garvey-Backhaus

Kathryn Zita Garvey and William Jay Backhaus were united in marriage at 2:30 p.m. on Saturday, September 20, at St. Mary's Catholic Church, Appleton, Wisconsin. Reverend John Penzenstadler officiated.

The soloist was Mark Sipple and the organist was Mrs. Agnes Hoffmann.

Parents of the couple are Mrs. William Garvey, 423 W. Prospect Ave., Appleton, and the late Mr. Garvey, and Mr. and Mrs. Carl Backhaus, 1322 Midland Ave., Kewaskum.

The bride was escorted to the altar by her uncle, Mr. Joseph Rossmessl, Appleton.

The Maid of Honor was Miss Kathryn Cloud, Appleton, friend of the bride, and the best man was Russell Rodenkirch, Waukesha, brother-in-law of the groom.

The bridesmaids were Mrs. Marcia Palmer, Boise, Idaho, friend of the bride, Mrs. Deborah Rogahn, Mequon, cousin of the groom, Mrs. Deborah Olander, Menasha, friend of the bride, and Mrs. Darlene Rodenkirch, Waukesha, sister of the groom.

The groomsmen were Brian Garvey, Appleton, brother of the bride, Robert Butzke, Slinger, cousin of the groom, Mark Backhaus, West Bend,

cousin of the groom, and Bradley Garvey, Appleton, brother of the bride.

Sharing ushering duties were Thomas Butzke, Wauwatosa, cousin of the groom, Paul Olander, Menasha, friend of the couple, and Dennis Stadler, Appleton, friend of the couple.

Following the ceremony a reception, buffet, and dance was held at Riverview Country Club in Appleton.

The bride is a 1971 graduate of Appleton Xavier High School and a 1975 graduate of the University of Wisconsin-Stevens Point with a BA degree in Elementary Education. She is a teacher at Silverbrook Middle

School in West Bend. The groom is a 1967 graduate of Kewaskum High School, a 1973 graduate of the University of Wisconsin-Madison with a BBA degree in Accounting, and a 1976 graduate of the University of Wisconsin-Whitewater with a MBA degree in Accounting. He is the Assistant Administrator (Fiscal) at the Samaritan Home of Washington County, in West Bend.

The couple honeymooned on the islands of Oahu and Maui in Hawaii and are now residing at 1719 Stonebridge Rd., Apt. 204, in West Bend.

Ken-Mar Studio Photo

Landvatter-Halfmann

St. Mary's Immaculate Conception Church, West Bend, was the wedding scene on Saturday, September 27, as Jacalyn Ann Landvatter and Bruce Carl Halfmann exchanged marriage vows. Father Robinson officiated at the 1:00 p.m. double ring ceremony.

Sam Claas and Jackie Niemuth provided music for the nuptials.

Parents of the couple are Mr. and Mrs. Roger Landvatter, 2985 Smith Lake Road, West Bend, and Mr. and Mrs. Richard Halfmann, 611 Highland Avenue, Kewaskum.

Pam Panzer, Kewaskum, a friend of the bride, was chosen as maid of honor. The bridesmaids were Lori Diaz, Milwaukee, and Wendy Sonnenberg, West Bend, both friends of the bride, and Lisa Halfmann and Cheryl Kuehl, Kewaskum, both sisters of the groom.

Randy Dreher, Kewaskum, a

friend of the groom, served as best man. The groomsmen were Mark Halfmann, Kewaskum, and Rick Halfmann, Campbellsport, both brothers of the groom, and Dennis Junk, and Jim Korth, Kewaskum, both friends of the groom.

Ushering duties were shared by Rick Landvatter, West Bend, brother of the bride, and Billy Hatch, Campbellsport, a cousin of the groom.

Following the ceremony, a reception, dinner and dance was held at Turner Hall in Fillmore.

The bride is a graduate of Kewaskum High School and is employed as a teller at Valley Bank, Kewaskum. The groom is a Kewaskum High School graduate and a MATC graduate in horticulture. He is employed as a greenskeeper at Hon-E-Kor Kewaskum.

The couple reside at 626 Main Street, Kewaskum.

Janelle Joy Schulz and Ronald A. Kuhfuss were united in marriage during a 2:30 p.m. ceremony on Saturday, September 13, at St. Lucas Lutheran Church, Kewaskum. Pastor Paul Hoenecke officiated.

The organist was Mrs. Sue Breittkreutz, Kewaskum, and the soloist was Rev. William Stuebs, Dundee.

Parents of the couple are Mr. and Mrs. Ivan Schulz, 366 Hwy. DD, Route 1, Kewaskum, and Arvin Kuhfuss, Route 1, Sheboygan Falls, and the late Aroma Kuhfuss.

Carol Pusch, West Bend, a friend of the bride, served as matron of honor. The bridesmaids were Sue Schulz, North Fond du Lac, sister-in-law of the bride, Lu Ann Schmidt, Kewaskum, cousin of the bride, and Marge Kufahl, West Bend, friend of the bride.

The groom chose his brother,

William Kuhfuss, Burnett, as his best man. The groomsmen were Wayne Blanke, Plymouth, friend of the groom, Eugene Schaap, Plymouth, friend of the groom, and David Schulz, West Bend, brother of the bride.

Rick Schulz, Kewaskum, brother of the bride and David Kuhfuss, Sheboygan, brother of the groom, shared ushering duties.

A reception, dinner and dance with music by the Normie Dogs Orchestra was held at the

A & Z Hilltop in Batavia following the ceremony.

The bride, a 1973 graduate of Kewaskum High School, is employed at Amity Leather Products, West Bend. Her husband, a 1969 graduate of Elkhart Lake High School, is employed at Borden's Foods, Plymouth.

The couple reside at County Trunk SS, Route 1, Adell.

Elect Koepke to Hospital Board

Robert T. Rolfs, president of Amity Leather Products Company, West Bend, has been re-elected president and chairman of the Board of Directors of St. Joseph's Community Hospital in West Bend. His re-election to another one-year term took place at a Sept. 27 meeting of the Board.

Reuben Schmahl, chairman of the Washington County Board of Supervisors, was re-elected vice president of the Hospital Board; Richard A. Larson, president of the West Bend Savings and Loan Association, was elected treasurer; and Fred Bury, hospital administrator, was elected secretary.

Re-elected to full three-year terms as members of the board were Mrs. Thomas O'Meara, Maurice Hovland, Reuben Schmahl, Robert Steiner, and Joseph Zadra. Allen Koepke from Kewaskum was elected to the three-year term replacing James Reigle of Kewaskum, who served as a board member for more than ten years.

Historical Society To Sponsor Movie; Meeting Tuesday

The Kewaskum Historical Society will be presenting MOVIE MADNESS on Friday and Saturday, October 24 and 25, at 8:30 p.m. in the Valley Bank meeting room, Kewaskum.

Cartoons plus "Comedy of Terrors" will be shown in color, with Vincent Price, Boris Karloff, Peter Lorre, Joyce Jameson, Joe E. Brown and Basil Rathbone. The story is about the owners of a funeral establishment who are in financial trouble.

The admission is \$1.00 for children and \$1.50 for adults.

Soft drinks, popcorn and candy will be for sale.

The regular monthly meeting of the historical society will be held Tuesday evening, October 21 at 8:00 o'clock in the Valley Bank meeting room.

"The strongest man is the one who stands most alone."

**Buswell Attends
Driver and Traffic
Safety Workshop**

Earl Buswell from Kewaskum High School was a participant in the Wisconsin Fall Regional Workshop for Driver and Traffic Safety Education at Lakeshore Technical School on Thursday, October 2. This workshop is one of seven scheduled this fall throughout Wisconsin sponsored by the Department of Public Instruction.

According to Barbara Thompson, State Superintendent of the Department of Public Instruction, the purpose of the workshop is to bring teachers together to share their common ideas, concerns and problems related to the improvement of curriculum and instruction in driver education.

Participants in the program were David Kraemer, U.W.-Stout; Chet Bradley, DPI; Fran Eckerman, Safety Director, Wisconsin Division of AAA; regional driver license examiners, Motor Vehicle Division of the Department of Transportation; Marty Swenberg, National Simulation Laboratory Specialist; Office of Highway Safety Coordination field representatives; Scott Layman, National Kidney Foundation of Wisconsin; and Liz Lindahl, National Highway Traffic Safety Administration, U.S. Department of Transportation.

Also featured in the 1980 program was local involvement in advance driver education programs (12th grade programs). Teachers from the local communities participated in discussions with the teachers in attendance.

I. Russel Hutter, Driver Education Supervisor, Department of Public Instruction, was the chairperson and coordinator of the inservice program.

**Hanaway Announces
Area Coordinators
For Re-election Bid**

State Senator Don Hanaway (R-DePere) announced today area coordinators for his re-election bid for the 2nd Senate District seat.

Hanaway stated "I'm extremely pleased to announce that the following individuals are sacrificing their valuable time to act as area coordinators of my campaign: Orval Benke, Kewaskum; Henry Straub, Campbellsport; Tom Meiklejohn, Fond du Lac; Wilbert Turba, St. Anna; William Engler, Jr. and Ralph Steiner, Chilton; Reuben Ott and Gary Schomburg, Hilbert; Don Poppy and Charles Peterson, Brillion; Gail Schilling and Marion Lemke, Kaukauna; David Prosser, Appleton; Robert Mettner, Louis Leiberg and Robert Wilmet, De Pere; Gail Immel, Robert McKenna, William Brennan, Shirley Teteak and John McCarthy, Green Bay."

Hanaway also stated "It is vitally important to our electoral process that everyone support the candidate of his choice and encourage everyone to vote on November 4. Voting is the one single effort that makes our democratic process really work. It is through the electoral process that we all have a true voice in the operation of our government, on the local, state and national levels."

**Johann Named
Conseco Heating
Boiler Dealer**

Colynnco International Limited, Elcho, Wisconsin, announced today that Johann Plumbing and Heating, Inc. has been named as a dealer for the Washington County area for the Conseco HDG Heating Boiler.

The Conseco HDG is a multi-fuel boiler that can use wood, coal, gas, oil, even household waste as a fuel. This heating system uses an Austrian design that incorporates double burning to achieve an incredible 92% efficiency with all fuels. In addition, automatic controls enable you to switch from solid fuels to gas or oil. The Conseco HDG Boiler, manufactured in Medford, Wisconsin, by Conseco Manufacturing Company, makes possible cost savings of up to 40% when using solid fuels.

Johann Plumbing & Heating, Inc. invites you to stop in and receive all the details about this exciting new heating system.

Over Two-Thirds of County 4-H Members Do Not Live on Farms

By Robert A. Stodola
County 4-H & Youth Agent

Some people, when they think of 4-H, picture a boy leading a calf or feeding a pig out on the farm. They cannot see how anyone in the city could be a 4-H member. The truth of it is, though, that in Washington County, more than 2/3 of the 4-H members do not live on the farm. They live in the cities of West Bend and Hartford as well as the villages and sub-divisions all over the county.

But what can a boy or girl in the city do as a 4-H project? Well, there are many things like photography, woodworking, other mechanical projects as well as animal projects.

Years ago, people looked upon 4-H livestock projects as a way of learning to make a better living raising livestock. This is still important today, but also many youth are interested from the standpoint of the enjoyment of learning for the fun of it. No longer is a 4-H member that lives on a farm the only one that can carry a livestock project.

We still have the beef, dairy, pork, sheep and poultry projects. In these projects the members learn about the selection, feeding, management, breeding, evaluation, and marketing of the animals and their products. Most beginners will begin with the calf or one animal or a small flock of chickens and eventually work their way up to being a real partner with dad in a business enterprise.

More and more members, however, are enrolling in such projects as the horse and pony, rabbits, cats or dog projects or other smaller animals and caged birds. Here the emphasis usually is on the recreational aspects of the project. Members want to learn how to ride and enjoy their horse, or they may want to have a dog or a cat for a pet. They are not concerned that they make money on the

Enough Goose

Permits to Go Around

All hunters who submitted a valid application for a Canada goose permit received one, according to DNR licensing officials, although all did not receive their first choice of location or season.

The most popular location and season was for the waterfowl opening, October 6, through October 31 in the Horicon Zone. About 8,500 more requests for permits were received for that period than were available. Those who received permits for the first portion of the season at Horicon were chosen by random selection from applications received by September 10.

The second portion of the season in the Horicon Zone, November 1 through November 24, was the next most popular and was oversubscribed. Those who received permits for this season were also selected by random choice, and all unsuccessful applicants received permits for the Central Zone season, October 6 through November 24.

A total of 55,300 goose permits for the Horicon and Central zones were issued.

project. Rather they are concerned that they can train the animal and keep him healthy so that he becomes a well trained and enjoyable animal to have. There needs to be a lot of know how in raising a good, healthy animal. This can be learned with a pet as well as in a project that is a livelihood. Other things about animals such as genetics can also be learned. Sometimes these kind of lessons can be learned more quickly with small animals because of the shorter life cycle and greater number of offsprings than larger animals have.

A project very closely related to animals is the Veterinary Science project. Here the members learn about normal animals and their behavior and they learn about animal diseases.

So whether a boy or girl lives on a farm or in town, if he has the interest, he can find a lot to learn in a 4-H livestock project. This is the time of year that 4-H members are re-enrolling and new families are joining 4-H clubs. If you're interested in animals and learning about them, maybe the 4-H club is for you. Contact a local 4-H club in your neighborhood or contact the County 4-H Office at the Washington County Courthouse.

Women Voters Plan Candidates Forum

The League of Women Voters of Washington County is sponsoring a public candidates forum for the offices of County Treasurer and Sheriff of Washington County. The forum will begin at 7 p.m. in the Fellowship Hall of Cedar Lake Home, 5595 Hwy. Z, on Wednesday, October 22.

Each candidate will have a presentation followed by written questions from the audience.

At 8:30 the public will be encouraged to meet informally with the candidates during the refreshment hour.

Everyone is suggested to attend and participate. A public forum serves to inform the electorate and affords them the opportunity to meet those who serve them in public office.

Secretaries Dinner

Meeting at West Bend

On October 21, Elizabeth Harder, Assistant-Public Relations for Goodwill Industries-Milwaukee, will be the guest speaker for the Kettle Moraine Chapter of the National Secretaries Association. The meeting will be held at Nellens County Inn on Highway 145, West Bend. Cocktails will be served at 6:00 and dinner is at 6:30.

Ms. Harder attended the University of Wisconsin-Milwaukee, majoring in Mass Communications. She has been with Goodwill Industries for the past eleven years and will present a multi-media sound/slide presentation depicting the ongoing programs of the largest Goodwill facility in the world.

If you are interested in attending, call Ethel Groth at 334-2311, extension 6372 or Lynn Filipak at 673-6027 before October 19.

Hope to see you on the 21st.

Local High Schoolers Hear Ag Career Facts

A group of students from Kewaskum High School were among the 1,300 high schoolers from throughout Wisconsin who attended the 15th annual Agricultural Careers Conference on October 9 at the University of Wisconsin-Madison.

College of Agricultural and Life Sciences Dean Leo Walsh, in opening remarks, urged the prospective college students representing 125 high schools to consider their options for higher education very carefully. He added that the job picture for graduates with degrees in various phases of agriculture, natural resources and the life sciences remains bright.

Referring to speculation that UW-Madison will soon be forced to establish enrollment limits as soon as next year, Walsh advised all interested students to apply for admission now. The official application deadline for the 1981 fall semester is April 1, but those who apply earlier will have a

better chance for admission should limits be implemented, Walsh said.

The students spent most of the day at UW-Madison seeing exhibits, attending departmental workshops, discussing courses of study, exploring career opportunities and touring campus facilities.

Koepke Receives Bachelor's Degree

An area student is among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are compiled by the university.

The student is: Michael James Koepke, Route 1, Kewaskum, Political Science.

SENIOR INSURANCE COUNSELING AVAILABLE

WEST BEND — The Washington County Committee on Aging and Washington-Ozaukee Life Underwriters Association are jointly sponsoring the senior citizens health insurance counseling program or as it is commonly called, the SCHIC Program. This program is available to all older adults aged 60 and over in Washington County on October 23, 1980 from 1:00 p.m. to 3:00 p.m. Appointments only please; contact Joan Bauer at 338-4497.

Tack a pair of spools close together on a wall to make a broom or tennis-racket holder.

Newspaper Week

October 12-18, 1980

THE FOUNDATION of every way of life!

Your community newspaper touches the lives of everyone. Our children are taught to use their newspaper in the classroom to follow current events. Our teenagers are informed of community activities such as sports, entertainment and where their dollar stretches the most through local advertising.

Young and adult couples cash in on advertised bargains, discount coupons, food news and consumer accounts and save money on their family budgets.

Senior citizens on a fixed income treasure the everyday practical advice they obtain from their newspaper. They cannot get around as easily as they used to, so advertised savings and valuable coupons are very important to them. Special interest features, current trends and events keep them thinking young.

Jam-packed with news, feature columns, sports, TV and movie guides, plus special stories on recreation, hobbies, entertainment and community events, your newspaper has been keeping people up to date and entertained for generations.

KEWASKUM STATESMAN

UW-Whitewater Renews Commitment To Serve People of Kewaskum Area

Dr. Thomas McLeRoy

A special commitment to serve the people of the Kewaskum area has been renewed by the University of Wisconsin-Whitewater, according to Dr. Tom McLeRoy, dean of Continuing Education at UW-Whitewater.

McLeRoy says that as a result of a recent agreement among state universities, Kewaskum and Washington County are now a part of UW-Whitewater's "shared service area." The other school designated to serve Washington County is WU-Milwaukee.

"This means that for any service of the UW System that Kewaskum people might want, they can call on us," said McLeRoy. "Both Whitewater and Milwaukee now have a responsibility to adequately serve the educational needs of this county."

Besides Washington, the two UW System schools will "share" Ozaukee and Waukesha Counties.

The most common service of Continuing Education is to offer off-campus courses. Although, UW-Whitewater will offer 150 off-campus classes around the state this year, according to McLeRoy. That makes UW-Whitewater the No. 1 outreach school in the entire UW System.

This year, nearly 3,000 people will attend classes taught by UW-Whitewater instructors off campus.

Those interested in subjects like business education, safety education, and school business management should call UW-Whitewater. Those interested in health and engineering should call UW-Milwaukee, according to McLeRoy.

McLeRoy said as few as 15 persons who are interested in the same course can call and request that the class be given off campus, and as few as 10 are required for classes at the master's level.

For example, if 15 people in Kewaskum want to take "Personnel Management," chances are good that a UW-Whitewater instructor will be assigned that class for one evening per week in Kewaskum. The students can receive college instruction without leaving town.

"It makes a lot more sense for an instructor to travel to Kewaskum, than for 15 Kewaskum residents to come to Whitewater for an evening class," said McLeRoy.

According to McLeRoy, courses can be offered for either credit or non-credit, and that a high school diploma isn't always required for attendance or participation.

McLeRoy said classes for business people and teachers are the most popular, but requests are also received to

serve retirement groups, homemakers, minorities, special interest groups, and others.

Persons who wish to know more about UW-Whitewater's off-campus classes are invited to call Dr. Tom McLeRoy at (414) 472-1100.

Older Workers Should Register At Job Service

Getting a job today is not easy for anyone, but for the older worker over 50, it takes patience, initiative, and often, help. The Bureau of Aging and the Wisconsin Job Service Division are teamed to supply this help through their Older Worker Placement Program.

Mature workers who want jobs must register with their local Job Service office. The matching process then begins, with much use made of Job Services' computer system, which provides listings of job possibilities.

Employers are finding that older workers approach a job highly motivated with a distinct, positive work attitude. They feel that the mature worker has lived long enough to have acquired varied experiences, a wealth of talent, and keen judgement. It is universally noted that the qualities of being vigorous, enthusiastic, exuberant, and vibrant don't vanish in a person because the age of 50 or 60 has been reached.

Employers are asked to join this statewide venture and call the Older Worker Specialists for Washington County, Irene Wade and Jane McElroy at Job Service in West Bend, 338-4700, with jobs, full or part time, for the mature worker.

Kewaskum FFA

Chapter Officers

Attend Workshop

The Sectional FFA Chapter Officer Leadership Workshop was held Wednesday, Oct. 1, from 3:30 to 5:40 p.m. at the Fort Atkinson Junior High School.

Section 10, State FFA Officers, and the Fort Atkinson Chapter were the hosts of this inspirational event. There were chapter officers representing 30 FFA Chapters throughout the area.

The purpose of the workshop is to promote individual and FFA Chapter growth in both leadership and FFA related work. New FFA programs were also introduced and greater participation in existing programs encouraged.

JoDee Ehrke was assisted by five other State FFA Officers, including Tom McKittrick, State FFA President from Viola. Tom challenged the officer groups in attendance to set their goals high and work hard to reach these goals.

Other State FFA Officers attending included: Nancy Chekouras, Parliamentarian; Alan Wolff, Vice President; Christie Peterson, Secretary; Carl Helmich, Treasurer; Neal Wellner, Sentinel.

The FFA advisors met with A. B. Cordes, State FFA Executive Secretary, who shared new materials with them and underscored some of the goals that the FFA chapters should strive for this year.

Glenn Lepley of Fort Atkinson Junior School welcomed the group to the school and the city. He encouraged their leadership training and commended them for their constructive activities.

The Fort Atkinson FFA

Chapter provided refreshments. Local chapter officers conducted the opening and closing ceremony, and served as hosts of the workshop.

The Kewaskum Chapter officers in attendance were: Mark Hupfer, Gary Kempf, Tony Ruplinger, Sue Schaub, Joe Hoerig, Jacky Stoffel, DuWayne Schacht, and advisor Mr. Rizzardi.

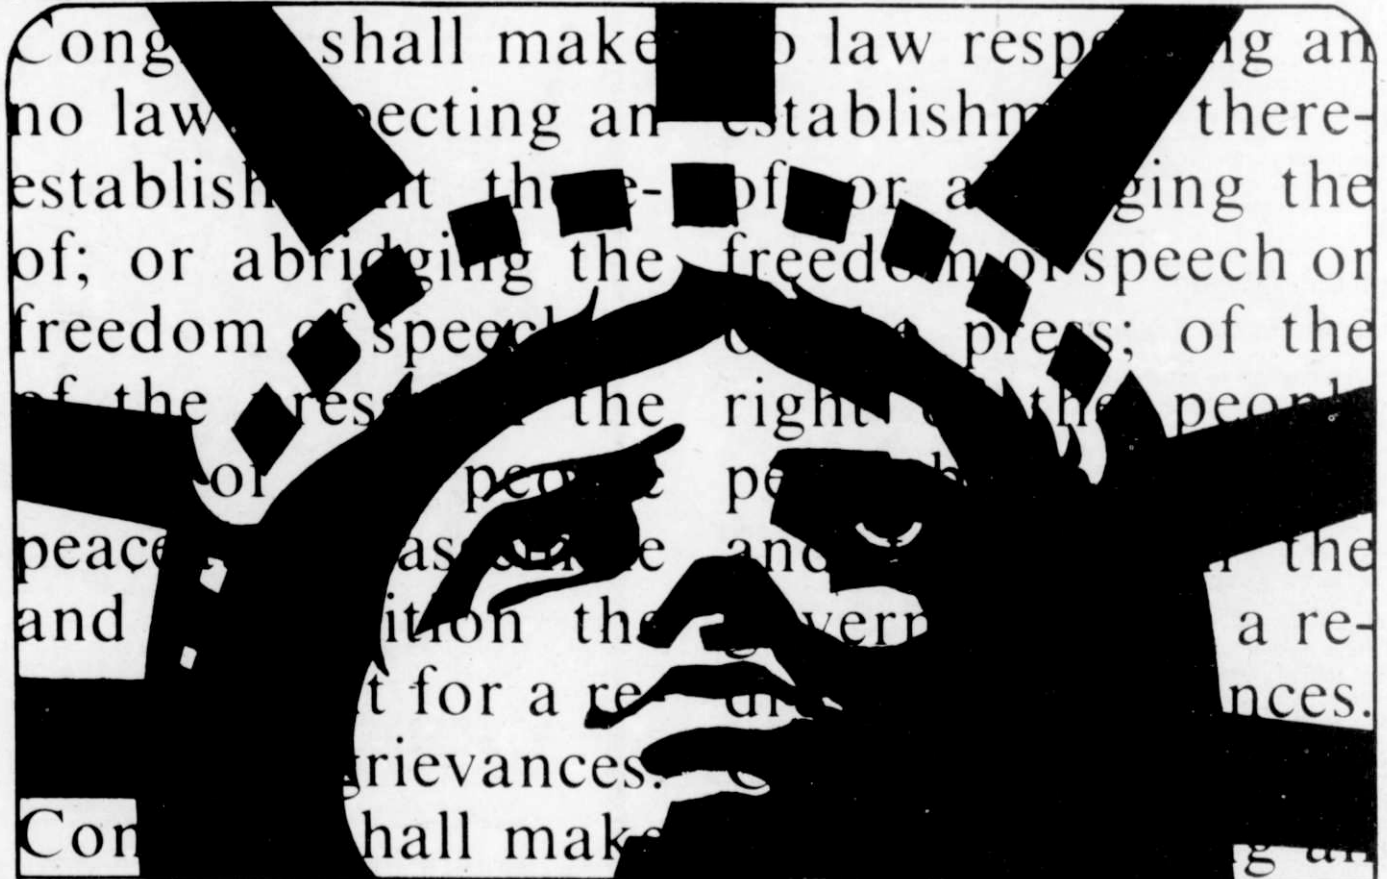

Railroad Club to Hold Open House And Swap Meet

The Kettle Moraine Ballast Scorchers Model Railroad Club of West Bend will hold an Open House and Swap Meet on Saturday, October 18 from 10:00 a.m. to 3:00 p.m. at the West Bend Recreation Center, 724 Elm Street, West Bend.

The public is cordially invited to inspect the club's progress on its layout, displays of model railroad equipment and railroad memorabilia, buy or sell railroad items or swap railroad items. Admission is 50c for adults and 25c for children 12 or under. Advance registrations for display or selling space can be made by contacting Richard Smucker, 712 Pleasantwood Drive, Kewaskum, Wisconsin 53040, or telephone (414) 626-4335.

For further information contact: Richard Smucker at 626-4335.

The wobbling drunk staggered into an elevator shaft and fell four floors to the bottom. Struggling to his feet he shook his fist and shouted "I said UP!"

Our Freedom Safeguards Your Freedom

National Newspaper Week, October 12-18

Consider Safety, Economics Before Purchasing a Wood Burning Stove

By Dan A. Wilson
County Resource Agent
UW-Extension

A wood burning stove can reduce your heating costs and add a nostalgic warmth to a cold winter day. But nostalgia must take a back seat to safety in burning wood in the home.

You should have basic wood heating knowledge and learn the "art" of burning with wood to do it economically and safely. If you're thinking about adding a wood burning stove to your home, there are several things to consider before purchasing a unit.

First, you should determine the cost and source of an adequate wood supply before purchasing a wood burner. If you have to buy all the wood you burn, you may not be saving any heating dollars.

Be sure you have a chimney appropriate for wood burning. Underwriters Laboratories (UL), class A, all fuel chimney is required for wood burners. Suitable prefabricated chimneys are also available. Whether metal or masonry, the chimney requires a ceramic liner, with a minimum 8 square inch opening.

Existing chimneys should be inspected carefully to be sure they are adequate for wood burning before connecting a wood burner to them.

Venting wood burning stoves into existing chimneys used for oil or gas furnaces is discouraged. In case of chimney fire, the draft vent on a wood burning stove can be closed to reduce or stop the fire. This isn't possible if the stove is connected to an oil or gas furnace chimney because there won't be a cut off control. There's also the possibility that carbon monoxide gas could escape, causing asphyxiation.

You'll find several types of wood burning units available from heating dealers. Under Wisconsin's new building code, all stoves must be certified by a research organization such as UL.

The chunk stove, such as the pot belly and Franklin, is the most common and least expensive wood heater. This type is the least efficient stove because it lacks control over secondary combustion air. Little air is available to burn gases escaping above the fire. This could lead to a creosote build up.

Air tight stoves give better primary and secondary com-

bustion air control. Some units have thermostats to control airflow automatically, requiring less attention.

Most air tight stoves require less refueling than chunk stoves. It's important to use dry wood since much of the burning is slow. Wet or green woods produce low temperatures in the combustion chamber, causing creosote and soot to build up quickly in the chimney.

Wood burners are also classified as circulator and radiant types. Circulator type stoves have an outer wall, which encloses an air space between it and the fire box. Radiant types have no outer wall.

Check installation and operating instructions carefully and leave proper space and protective surfaces between the wood burning system and walls, floor and ceiling.

Equipment should be installed to meet minimum requirements of the National Fire Protection Codes, state building codes and local building inspection department requirements. Permits and inspections may be required for any or all parts of an installation.

For more information about wood burners contact your local heating dealer. The Washington County UW Extension office also has several very good wood heating publications available.

Dreyfus to Be Guest Of Honor at Rusch Fund Raising Dinner

Governor Dreyfus will be the guest of honor at a fund raising dinner for Pat Rusch, Republican candidate for the Sixth District Assembly seat.

The dinner will be held on Tuesday, October 21, at the Eagles Club, Chilton. Guests will have an hour to meet local candidates beginning at 7:00 p.m. Dinner will be served at 8:00, and the program will begin at 9:00 at which time the Governor will speak.

Tickets may be purchased at \$10 per ticket locally from Mr. and Mrs. Orv Behnke 626-2441.

OUTDOORS REPORT

Kewaskum Statesman, Friday, Oct. 17, 1980, Page 13

Many Geese at

Theresa Marsh

Southeast District — A 31-pound, 47-inch musky was caught last week in Pewaukee Lake in Waukesha County. All fishing for game fish and pan-fish has been very good on all district waters. Walleye fishing is especially good on Pike Lake in Washington County. There are large numbers of Canada Geese at the Theresa Marsh in Dodge and Washington Counties and good goose viewing can be enjoyed off Highway 28 on the north end of the marsh. There are also a fair number of ducks on Theresa Marsh. Other waterfowl areas have some wood ducks, mallards, and green-winged teals, however, most blue-winged teals seem to have left for the south. Fall color is progressing rapidly throughout the district and should peak shortly. The Holy Hill area of Washington County should

have excellent color the next two weekends.

Fond du Lac County — Walleyes and perch are still biting on Lake Winnebago. There is a nice population of geese on the northern end of Eldorado Marsh. Duck hunting in the marsh has been fair to good.

Over 300,000 Hunter's Choice Applications

The Department of Natural Resources has received over 300,000 applications for hunter's choice permits, according to license officials in the Department. Applications for permits were due prior to October 4.

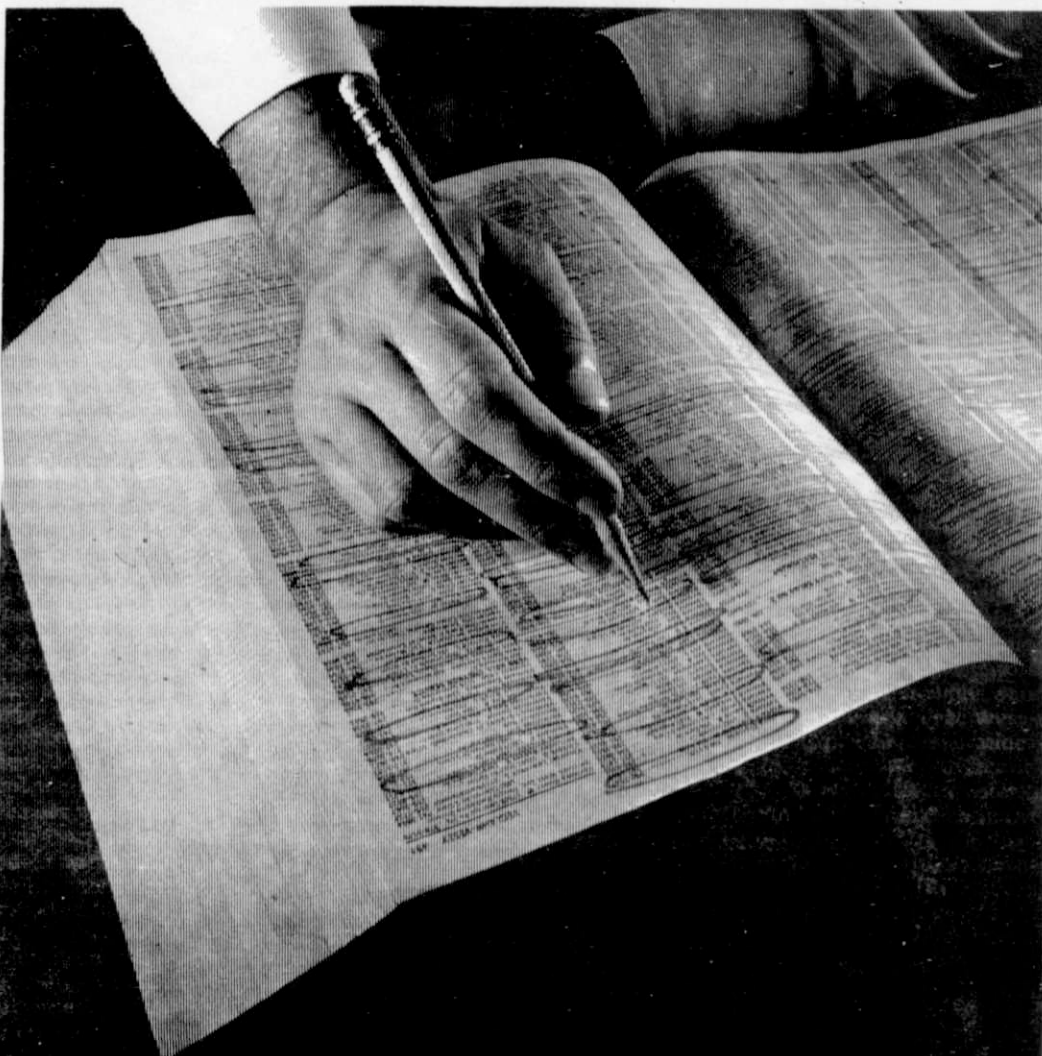

A total of 93,950 permits are available for the gun deer season with a specified number of the total for each of the 81 deer management units in the

state. Some of the units are heavily oversubscribed, and license officials note that all permits for all units will be taken by those who have already applied.

Successful applicants will be determined by random selection and will be notified by mail during the first week of November. Unsuccessful applicants will not be notified, but will receive preference for a hunter's choice permit in 1981.

The hunter's choice is new this year having replaced the party permit of previous years. The permit will allow the hunter to take a deer of either sex in the management unit specified, or if hunting elsewhere, a deer legal in that area. Each hunter is limited to taking one deer during the nine-day gun season.

"Wives and watermelons are picked by chance."
Greek Proverb

**THE UNITED WAY HELPS
8 OUT OF 10 PEOPLE
SOMETIME IN THEIR LIFE.**

Surprised? Read on.

One out of four people will benefit from a United Way program or service this year.

But even that's not the whole picture. Because when you step back and look at it, everybody benefits when you give the United Way.

Everyone.

Your contribution makes it possible for nearly 100 United Way

agencies to provide over 290 human care programs. Vital programs that help thousands of people in Greater Milwaukee get the support they need, the care they need.

Is there any better way to make our community a better place in which to live?

This year, pledge your Fair Share, please. The United Way is working everyday.

**THANKS TO YOU, IT WORKS FOR ALL OF US
THE UNITED WAY**

Receives Savings & Loan Appointment

Nancy Forrester

West Bend Savings and Loan Association announced the appointment of Nancy F. Forrester as Supervisor of the association's main office savings department. Nancy assumed her new position on October 1, and is now directly responsible for the department's daily operation as well as the supervision of the savings personnel.

In addition to her new position, Nancy will continue managing the association's new account/customer services section and serve as project coordinator for the association's new checking service "Chek-Sav," being introduced in January '81, and the association's junior savers program "Homer's Club."

Nancy, a graduate of the University of Wisconsin-La Crosse, joined West Bend Savings in January, 1978 as a savings teller. She was promoted to Savings Officer in March, 1979 and named Assistant Treasurer in January, 1980.

Nancy and her husband Ed now reside in Jackson.

"George," said the doctor, "the best thing for you is to give up smoking and drinking." After a moment the man replied, "Doc, I don't think I deserve the best. What's second best?"

J & J AUTO SERVICE

By: Jack Zalewski
By: Jim Thorn

BATTERY SCAPEGOAT

When the thermometer slides downward, drivers begin to have starting trouble. And they usually blame the battery as the engine starter runs it down. But they're wrong in most cases.

Even a brand new battery has only three-quarter power at 40 degrees. At zero it has barely half power. And to top it off, your engine needs at least 30% more power in cold weather to turn it over. So, the answer and correction is a fully-tuned engine.

J & J AUTO SERVICE has the experience and electronic tools that keeps the modern auto engine tuned for quick starts. Drive over today or phone 626-2311 for pick-up and delivery. You'll like our winterizing service.

Free Influenza Vaccine Available To Older Residents

Influenza vaccine will be available without charge to Washington County residents, 65 years of age and older or those with chronic disease, at clinics offered by the Washington County Community Health Nursing Service.

WHAT IS INFLUENZA ("FLU")? It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age.

WHO SHOULD GET INFLUENZA VACCINE? 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 65 years and over. Because influenza is usually mild and most people recover fully, immunization of healthy children and adults is not recommended and will not be offered at the clinics. Individuals age 13 years through 27 years of age will require two immunizations, one month apart, to insure adequate protection. Individuals 28 years of age and over, including the elderly, will require only one immunization for adequate protection.

Influenza vaccine will not be given to:

- Healthy children and adults (under 65).
- Those who have a fever or feel ill with something more serious than a cold on the day of clinic.
- Those who have received another type of vaccine in the past 14 days.
- Those with allergies to eggs.
- Those with multiple sclerosis or other recurring or persistent neurological illness.
- Those who are pregnant.
- Children under 13 years of age.

Influenza vaccine will be available at the following scheduled clinics:

October 20 — Richfield Town Hall, 4128 Hubertus Road, Hubertus, 12:30-2:00 p.m.

October 21 — Hartford Recreation Center, 525 North Main Street, Hartford, 12:30-

2:00 p.m.

October 27 — Kewaskum Nutrition Center, Legion Hall, 1538 Fond du Lac Avenue, Kewaskum, 12:30-2:00 p.m.

November 3 — West Bend Senior Citizen Center, 401 East Washington St., West Bend, 12:30-2:00 p.m.

Those attending clinic will be required to complete a consent form prior to immunization. Registered nurses will be available to answer questions regarding the immunization.

If you have any questions about influenza or the clinic schedule, please call Community Health Nursing Service, 338-4462 or 644-5204 or 342-2929, Ext. 4462.

Rescue Squad Calls

Friday, Oct. 10 — Audrey Fierke, 1332 Riverview Dr., Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from her residence when she became ill.

Friday, Oct. 10 — Julia M. Pezdir, 71, 8016 Kettle View Dr., Kewaskum, Town of Barton, removed to St. Joseph's Community Hospital with injuries suffered in a fall off a steps.

Saturday, Oct. 11 — The rescue squad was called to the Self-Service Station on Fond du Lac Ave., Kewaskum, where William C. Kane, 70, West Kenyon, Colo., had difficulty breathing. No transport was made.

Early peoples in India used the blown-up hide of a bull as a float to cross rivers and other bodies of water.

Death of Miss Ione Terlinden

Miss Ione L. Terlinden, 60, of 232 Forest Ave., Kewaskum, passed away at St. Joseph's Community Hospital in West Bend, on Saturday, October 11, after a lengthy illness.

She was born June 23, 1920, in Kewaskum to the late Albert and Mathilda Wehling Terlinden. She had been employed at Regal Ware, Inc. in their office for many years. She was a member of the Peace United Church of Christ Church and former member of their choir and secretary of their church cemetery.

Survivors include one brother, Sylvester "Tiny" Terlinden; one sister, Mrs. LaVerne "Tudy" (Henry) Becker, both of Kewaskum; one aunt, Mrs. Malinda Terlinden; one niece, Judy Becker, and one nephew, Jimmy Becker; other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum, was from 4 to 9 p.m. Monday and at the Peace United Church of Christ Church in Kewaskum on Tuesday from 12 noon to the time of services at 2 p.m. Rev. Darrel Joiner officiated and burial was in the church cemetery.

SYLVERIUS "SQUEEZIE" KLEINHANS

Sylverius "Squeeze" Kleinhans, of 904 Park Ave., West Bend, died Wednesday, Oct. 8, at his residence, at the age of 73.

He was born July 29, 1907, in Elmore, Wis., and married Hazel Tourbier in Campbellsport in 1929. She passed away May 30, 1946.

He and his brother operated an implement business in Campbellsport until 1931 when he became employed as a sales advisor at the Wisconsin Electric and Gas Co. in West Bend until 1946. At that time he opened the Refrigeration Sales and Service which he operated until his retirement in 1977.

He lived in West Bend since 1936.

He married Rose Zettel at Immaculate Conception Church, Barton, Nov. 19, 1946.

Survivors include his wife; one son, Donald (Jane) of West

Bend; six grandchildren; two great-grandchildren, and other relatives and friends.

Three brothers predeceased. Funeral services were Saturday at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Holy Angels Church. Fr. Thomas Weber was the celebrant and burial was in Holy Angels Cemetery.

Visitation at the funeral home was Friday after 4 p.m. with a prayer vigil at 8 p.m. Friday.

GEORGE PAMPERIN

George C. Pamperin, 88, of rural Allenton, died Saturday,

Oct. 11, at St. Joseph's Community Hospital, West Bend.

He was born Jan. 18, 1892, in the Town of Wayne, and married Esther Schwertz at St. John's Ev. Lutheran Church, Mayville, on Nov. 12, 1919. She passed away Feb. 7, 1971.

He was a Town of Wayne resident all his life and a retired farmer.

Survivors include three daughters, Verona (Donald) Sterr of Mayville, Lucille (Armond) Czoschke of Mayville and Adela Pamperin of West Bend; one son, Arthur (Diana) of Allenton; nine grandchildren; two great-grandchildren; one

sister, Leonora Nickel of Allenton; two brothers, William of Allenton and Louis of Gladstone, Mich., and other relatives and friends.

He was predeceased by two brothers and one grandchild.

He served for 12 years on the Zion Ev. Lutheran Church Church Council.

Funeral services were Tuesday at 2 p.m. Zion Ev. Lutheran Church, Town of Wayne. Rev. Erwin Schewe officiated and burial was in Zion Church Cemetery.

Visitation at the church only was Tuesday from 10 a.m. until time of services.

Techtman-Myrhum Funeral Home, West Bend, served the family.

On Thursday, Oct. 27, and Friday, Oct. 28, Kewaskum Community High School will hold its annual homecoming celebration on the local athletic field. Homecoming King Norbert Rohlinger has chosen Mary Jane Falk to reign as his queen for the event. Members of the queen's court and their escorts are: Darlene Nischke and Chuck Schaefer, Beverly Ramthun and Ronald Petermann, Charleen Vetter and Tom Peterson, Barbara Walters and Gilbert Hammer, Gwendolyn Edwards and Gerald Oppenorth and Diane Blonder and Daniel Binder.

Earl Broecker, 14, of Kohlsville, a student at Kewaskum Community High School, is a patient at St. Joseph's Hospital, West Bend, since Saturday with polio.

Marriage vows were exchanged October 15 by Miss Rita Mary Rohlinger, daughter of Mr. and Mrs. Leo J. Rohlinger, Route 3, Kewaskum, and Robert Andrew Renner, son of the Casper Renners, Route 2, Kewaskum.

Daughters were born to Mr. and Mrs. Arnold Shaske, Kewaskum, October 15, and to Mr. and Mrs. Wallace Cudnohoske, Kewaskum, October 19. Sons

were born to Mr. and Mrs. Norman Rauch, Kewaskum, October 12, and to Mr. and Mrs. Elroy Kujawski, Route 2, Campbellsport, October 19.

50 Years Ago

October 17, 1930

The Kewaskum Aluminum Company whose manufactured products are nationally known and sold, are now making a new kind of kitchen utensil, known as the Liberty Steam Pressure Cooker, which on account of its time saving and consequently, fuel saving, is creating a great

demand from the buying public.

Under the auspices of the Kewaskum Post, No. 384, of the American Legion, the Illinois Amusement Company will present Greely the Great the world's greatest hypnotist. The funniest show on earth. See the man asleep in the window of Reinder's furniture store. This man will be awakened on the stage at 8:00 p.m. after the long sleep. Admission will be 20 and 40 cents.

Federal men on Tuesday afternoon raided a large alcohol still on a farm located about two miles northeast of Kewaskum. The raiders dumped 45,000 gallons of mash contained in

five huge vats, 1,000 gallons of alcohol, and destroyed a large quantity of yeast and corn sugar. The replacement value of the plant was estimated at \$30,000. Five of the defendants captured are from Chicago and two from Milwaukee.

75 Years Ago

October 21, 1905

Passenger train no. 8, due here at 8:40 a.m., collided with a freight train at Fond du Lac last Monday morning caused by the air brakes failing to work. Both engines were badly dam-

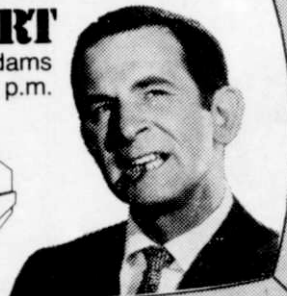

aged.

aged. One of the prettiest weddings of the season was that of Miss Margaret Straub of Ashford to Joseph Schlosser of Kewaskum. The marriage took place in Ashford on Tuesday, October 17.

Louis Riesch, living near Cedar Lake, shot a large American eagle on his father's farm. The bird measured seven feet and three inches from tip to tip of its wings.

The Wayne cheese factory shipped a lot of cheese Wednesday. They are now receiving 7,000 pounds of milk daily.

Mirutes of Village Board Meeting

Monthly Meeting
October 6, 1980
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Village Trustee members were present.

The minutes of the meeting of September 15, 1980, were approved as printed upon motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

Mr. James Roe, a resident to the north of the Sison Medical Clinic parking lot, appeared before the Board to inquire as to what can be done to prevent the water run-off from the parking lot from flooding his yard and seeping into his basement. Mr. Roe was informed that there was nothing in the village's zoning ordinance which would require the installation of curbing on parking lots to prevent water run-off. The Board promised to contact Dr. Sison and try to work out a suitable solution to the problem.

The hours for the "Halloween Trick or Treat" were established at 5:00 P.M. to 7:00 P.M. only on October 30th. Motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

Chief of Police Hlavaty reported that his department was making a concerted effort to curb vandalism within the village and that to date 56 arrests had been made.

Consolidated Construction of Appleton, Wisconsin, were granted a permit to install footings and foundations to grade level only for the shopping center to be erected just north of the Bonne Belle Motel. Motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

President Stollenwerk, Administrator Schmidt and Commissioner Martin were authorized to negotiate for the long term financing for the Edgewood Road storm sewer project. Motion by Trustee Rohrer, seconded by Trustee Herriges. Voice vote was unanimous.

Administrator Schmidt reported that Jeffrey Kempf, the village's summer CETA employee, has been awarded the CETA Program "Award of Excellence."

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh, were as follows:

Village Gen. Fund	\$81,171.29
Water Dept. Fund	8,777.30
Sewage Dept. Fund	13,337.25

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

Rent increase from \$125.00 to \$140.00 for the upper flat of the village owned house at 1102 Fond du Lac Avenue (effective October 15, 1980) was authorized upon motion by Trustee Blumer, seconded by Trustee Mlodzik. Voice vote was unanimous.

Trustee Mlodzik reported that the joint meeting of the Public Works Committee and the School Board Committee with reference to providing sidewalks to the Bel-Ric Acres

Subdivision produced very little results.

At the request of interested citizens, the erection of stop signs were authorized on Habeck Street, at Stark Street and on Keller Street at Stark Street. Motion by Trustee D. Nigh, seconded by Trustee Mlodzik. Voice vote was unanimous.

Trustee Rohrer reported that construction had commenced on the diving platform for the Kiwanis Park pool. He also reported that the Southeastern Wisconsin Regional Planning Commission will be requested to prepare suggested changes to the village's zoning ordinance. Trustee Rohrer also suggested that this might be the ideal time to establish a TIF District to finance needed village projects.

A lengthy discussion ensued with reference to solid waste disposal sites.

The following ordinance was introduced by Trustee Donald Mlodzik:

ORDINANCE NUMBER 80-3

AN ORDINANCE TO CREATE SECTION 9.17 OF THE MUNICIPAL CODE OF KEWASKUM, RELATING TO FERMENTED MALT BEVERAGES AND INTOXICATING LIQUORS AND TO AMEND SECTION 9.20 OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

Section 1. Section 9.17 of the Municipal Code of Kewaskum, Wisconsin is created as follows:

9.17 INTOXICATING LIQUOR AND MALT BEVERAGE LAWS

(1) The statutory provisions following the prefix 9 describing and defining regulations with respect to intoxicating liquor and malt beverages in the following enumerated sections of the Wis. Stats., including any provisions therein relating to the penalties to be imposed or the punishment for violation of such statutes are hereby adopted and by reference made a part of this Chapter as if fully set forth herein. Any act required to be performed or prohibited by any statute incorporated herein by reference is required or prohibited by this section:

- (a) 9.66.054(19) PRESENCE IN PLACES OF SALE PROHIBITED
- (b) 9.66.054(20) RESTRICTIONS ON SALE TO AND POSSESSION BY MINORS
- (c) 9.66.054(22) MISREPRESENTING AGE: PENALTY
- (d) 9.66.054(24) POSSESSION OR CONSUMPTION OF FERMENTED MALT BEVERAGES
- (e) 9.176.29 POSSESSION OF LIQUOR ON SCHOOL GROUNDS PROHIBITED
- (f) 9.176.30(2) SALE TO PERSONS UNDER 18
- (g) 9.176.31 MINOR'S MISREPRESENTATION TO PROCURE INTOXICATING LIQUOR: PENALTY
- (h) 9.176.32 PRESENCE IN PLACES OF SALE PROHIBITED: PENALTY

Section 2. Section 9.20 of the Municipal Code of Kewaskum, Wisconsin, is amended to read as follows:

9.20 PENALTY

Any person who shall violate provisions 9.29.288 through

9.16 of this chapter shall be subject to a penalty as provided in sec. 25.04 of this Municipal Code. In addition to any penalty imposed for violation of 9.943.01(1), any person who shall cause physical damage to or destroy any public property shall be liable for the costs of replacing or repairing such damaged or destroyed property. The parent or parents of any unemancipated minor child who violates sec. 9.943.01(1) may also be liable for the cost of replacing or repairing such damaged or destroyed property in accordance with sec. 895.035, Wis. Stats.

Section 3. That this ordinance shall take effect and be in force and effect upon passage and publication.

Motion for adoption by Trustee Raynor Herriges.

Motion for adoption seconded by Trustee Paul Blumer.

Roll call vote for adoption of the ordinance was six (6) "Aye" and zero (0) "Nay."

The following ordinance was introduced by Trustee Raynor Herriges:

ORDINANCE NUMBER 80-4

AN ORDINANCE TO REPEAL AND RECREATE SECTIONS 7.16(1) AND 7.16(2) OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN, AND TO CREATE SECTION 7.18 OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN, RELATING TO THE REGULATION OF VEHICULAR TRAFFIC.

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

Section 1. Section 7.16(1) of the Municipal Code of Kewaskum, Wisconsin, is repealed and recreated to read as follows:

TRAFFIC CODE 7.16(1)

(1) UNIFORM CITATION. The uniform traffic citation promulgated under sec. 345.11, Wis. Stats., shall be used for all moving traffic violations under this chapter, except for violations of section 7.18 of this chapter.

Section 2. Section 7.16(2) of the Municipal Code of Kewaskum, Wisconsin, is repealed and recreated to read as follows:

(2) PARKING AND NON-HIGHWAY CITATIONS. Citations for all nonmoving traffic violations under this chapter and for all violations of section 7.18 of this chapter shall conform to sec. 345.28, Wis. Stats., and shall permit direct mail payment of the applicable minimum forfeiture to the Police Department within 5 days of the issuance of the citation in lieu of court appearance. The issuing officer shall specify thereon the amount of the applicable forfeiture as provided in this chapter.

Section 3. Section 7.18 of the Municipal Code of Kewaskum, Wisconsin, is created to read as follows:

7.18 NON-HIGHWAY VEHICULAR OPERATION REQUIRED

(1) The following sections of the Municipal Code of the Village of Kewaskum, adopting State motor vehicle laws, in addition to being applicable upon highways, as defined by the laws of the State of Wisconsin, shall be applicable upon all premises within the Village of Kewaskum held out to the

public for use of their motor vehicles, whether such premises are publicly or privately owned and whether or not a fee is charged for the use thereof:

- 7.340.01, 7.346.01, 7.346.02 (2)-(9), 7.346.03, 7.346.04(1) & (2), 7.346.05, 7.346.46, 7.346.47, 7.346.48, 7.346.50, 7.346.51, 7.346.52, 7.346.53, 7.346.54, 7.346.57(2), 7.346.57(3), 7.346.57(4)(a)-(c), 7.346.57(4)(d)-(h), 7.346.57(4)(i), 7.346.57(5), 7.346.70, 7.346.79, 7.346.80, 7.346.81, 7.346.87, 7.346.88, 7.346.89, 7.346.92, 7.346.93, 7.346.935, 7.346.94, 7.347.01, 7.347.02(1) (3) & (4), 7.347.03, 7.347.04, 7.347.06, 7.347.07, 7.347.08, 7.347.09, 7.347.10, 7.347.11, 7.347.12, 7.347.13, 7.347.14, 7.347.15, 7.347.16, 7.347.17, 7.347.18, 7.347.19, 7.347.20, 7.347.21, 7.347.22, 7.347.23, 7.347.24, 7.347.245, 7.347.25, 7.347.26, 7.347.27, 7.347.28, 7.347.29, 7.347.35, 7.347.36, 7.347.38, 7.347.39, 7.347.40, 7.347.41, 7.347.415, 7.347.42, 7.347.43, 7.347.44, 7.347.45, 7.347.46, 7.347.47, 7.347.48, 7.347.485, 7.347.486, 7.347.487, 7.347.49.

2. APPLICABILITY. This section shall not be applicable to violations of the heretofore described portions of the Municipal Code of the Village of Kewaskum, which occur on a highway as defined by the Statutes of the State of Wisconsin, such violations being the subject of other provisions of the Municipal Code.

(3) PENALTY. The penalty for violations of Sec. 7.18 shall be limited to a forfeiture imposed under 25.04 of the Municipal Code of the Village of Kewaskum. In all other instances, the penalty shall be as heretofore set forth in this chapter.

Section 4. That this Ordinance shall take effect and be in force and effect upon passage and publication.

Motion for adoption by Trustee Donald Mlodzik.

Motion for adoption seconded by Trustee Jeffrey Rohrer.

Roll call vote for adoption of the ordinance was six (6) "Aye" and zero (0) "Nay."

The following ordinance was introduced by Trustee Jeffrey Rohrer:

ORDINANCE NO. 80-5

Off-street parking lots--Permits--Fee.

A. Off-street parking shall be permitted in properly designated off-street parking lots in the Village of Kewaskum. The Municipal Building parking lot would be such a designated off-street parking lot.

B. The fees for such overnight winter or summer parking shall be five dollars and no cents (\$5.00) per month

and permits therefore shall be obtained at the office of the chief of police.

(2) Penalty. Refer to the traffic code Chapter 7 of the Municipal Code.

(3) That this Ordinance shall take effect and be in force and effect upon passage and publication.

Motion for adoption by Trustee Paul Blumer.

Motion for adoption seconded by Trustee Raynor Herriges.

Roll call vote for adoption of the ordinance was six (6) "Aye" and zero (0) "Nay."

Supt. Albers was authorized to attend the Waste Water Treatment Plant Operator's Conference at Eau Claire on October 22, 23, 24. Motion by Trustee Rohrer, seconded by Trustee Herriges. Voice vote was unanimous.

Administrator Schmidt and Commissioner Martin were authorized to attend the League of Wisconsin Municipalities Conference at Milwaukee on October 15, 16 17. Motion by Trustee D. Nigh, seconded by Trustee Blumer. Voice vote was unanimous.

Upon motion by Trustee Herriges, seconded by Trustee Blumer and unanimously carried, the Board adjourned to closed session under Chapter 19.83(c) of the Statutes to review the Kewaskum Police Association negotiations.

William S. Martin
Commissioner

Give your home our best.

Reynolds Aluminum Vinyl-Tuf® Siding

Vinyl-Tuf siding offers the best features of two long-lasting materials, aluminum and vinyl. When you're talking about siding and you ask us to give you our best, we're both talking about Vinyl-Tuf siding, Reynolds Aluminum's finest.

Vinyl-Tuf siding is rich, deeply embossed with a wood grain pattern, then coated with protective, wear-resistant vinyl. You can tell it's top quality when you see it and feel it. See us today, or call to get a free estimate, without obligation.

IN MEMORY

In loving memory of our dear mother, mother-in-law, grandmother and great-grandmother, **LEONA FRANZEN**, who passed away one year ago, October 20, 1979:

This month comes to us with deep regret, It brings a day we will never forget, Her memory still is very dear, So many times she seems so near. No longer here our lives to share, But in our hearts she is always here, We miss her more each passing year, Someday we'll meet where there are no tears. Sadly missed by the family.

THANK YOU

I wish to express my sincere thanks to all my relatives, friends and neighbors for the cards, gifts, flowers, phone calls and visits while I was a patient at St. Joseph's Hospital and convalescing at home with a broken ankle.

Special thanks to my good friends and neighbors who helped me out with food and rides to and from the hospital, which helped so very much. Also thanks to my husband and children who took good care for me.

Thanks to Dr. Bhatti and Dr. Castro and nurses at the hospital for the wonderful care I received there.

All these kindnesses will always be remembered.

Betty Bonlender

In the Service

Private Vicki S. Stone, daughter of Mr. and Mrs. Kenneth V. Stone of Campbellsport, is attending basic training at Fort Leonard Wood, Mo.

During the training, students receive instruction in drill and ceremonies, weapons, map-reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

**A MESSAGE
OF APPRECIATION**

The administration, faculty and students of Cardinal Stritch College, Milwaukee, gratefully acknowledge the kind contributions of relatives and friends of Edward E. (Pat) Miller given in memory of the late Virginia M. Miller. The funds will be used as scholarships for worthy students.

Kewaskum Statesman, Friday, Oct. 17, 1980, Page 19

Barry Murre Named Runner Of the Month

Barry Murre, 42, of Kewaskum, is the featured area runner of the month. For the past month he ran 167 miles and 1,350 miles in 1979.

Barry lived on a farm and graduated from Kewaskum High School in 1956. He then served four years in the Air Force stationed mainly in Japan. For eighteen years he has been employed at Weasler Engineering, Inc., working in the heat treating department.

Near the end of summer in 1975, Barry's son Dan, who was a freshman, joined the cross country team (and earned his letter). Barry soon became interested in the sport and wished it had been offered when he attended high school.

He is 5'8" but weighed 185 pounds at that time! After several weeks of running he could manage somehow to run three miles. In a few months his weight was down to 160. During these first winters he did not run. Two years ago he lowered his weight to 142 and there is where he wants to continue to stay.

After one year of running and not more than five miles at a time, Barry decided to try the Kewaskum Kettle 20 in 1976 as his first race. His first mile was a sub-six and he died to a 109 minute finish, but lowered this to 86 in 1978.

In the Waupun 1979 Wild Goose Chase 10K Race he won his division in 40:11. At the Sister Bay 10 mile race, also in 1979, he won the 40 and over division with a time of 62 minutes.

His first and only marathon was Sugar River in 1978 in 3:45. He ran this after spending the night unsuccessfully trying to find a room vacancy and only had a brief rest in some farmer's field. Barry hopes to run the New Glarus Marathon on October 18.

The Kettle 20 in August would have been his fifth, but this past summer Barry was recovering from an injury and did little running. He ran Al's Run in an adjusted time of 30:09, so he must have been somewhat recovered!

The Murre's have seven children ranging in age from 10 to 19. The family also enjoys cross country skiing together. Running, however, is Barry's favorite sport and it appears he

hopes to continue to run right into the hereafter.

Hee-Haw! Hee-Haw! Donkey Basketball

Liniment in large doses will be the call for some hearty area residents when "Bob" Crosby brings his real live donkeys to town for a Donkey Basketball Show. The event will be sponsored by CAMPBELLSPORT SNO COUGARS on Thursday, November 6, at the Campbell-sport High School Gym, starting at 8:00 p.m.

The preliminary game will cast the High School Senior Boys vs. Senior Girls and the feature game will be New Fane Kettle Riders vs. Kewaskum Sno-Chiefs.

All four teams have been training extensively for this monumental event. Team coaches want to be ready physically and mentally and rumor has it that expert rodeo riders have been contacted on their expertise in riding.

Winners of the two games will meet head on in an eight minute championship bout immediately following the second game. Each of the first rounds will consist of two eight-minute halves with a 15 minute intermission between the games.

The Crosby Donkey Ball Co. from Chippewa Falls, Wisconsin, will be providing the beast of burden.

Adding to the fun are rules accompanying the game, such as not holding the ball for more than 15 seconds, no out-of-bounds, time-outs for emergency only, the wearing of padding and football helmets, and the fact that each player is responsible for his own donkey while it is on the floor. A broom and shovel will be handy at all times.

Tickets can be purchased from sponsoring members or at the Amerahn in Kewaskum.

Adults advance - \$2.00, at

Julie Larson First In Judo Tournament

The West Bend Judo Club traveled to St. Francis High School in St. Francis, Wis. for the 1980 Midwest Open Judo Tournament. Judo Clubs from Wisconsin, Minnesota and Illinois were represented.

In the girls' 13-17 year middle weight class was Julie Larson of Kewaskum, who captured first place. Larson won all her matches. She was also honored by the Minnesota-Illinois women's judo team by being chosen to participate with their team, who competed against the Wisconsin women's team. Julie's team went on to win the team competition with the help of Larson's match win.

Scott Schalk participated in the 13-14 heavy weight boys' class. He captured third place in his division, recording only one loss with two ippon (full point) wins.

Others who participated were Mike Kim, Jay Goehring and Jeff Pietschmann.

Owners of Real Estate in Washington County Take Notice!

On October 21, 1980, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1979, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

PAY YOUR TAXES NOW

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES

Indians Routed Again by Leading Two Rivers, 48-0

Eastern Wisconsin schools have been taking turns in thumping Kewaskum and Friday night here it was leading Two Rivers turn to whip the Indians to the tune of 48-0. It was the fourth straight conference defeat for the Indians, who are now 1-5 overall, and the third league victory for the unbeaten Purple Raiders.

It was the second straight shut out for Kewaskum, while their opponents were running up 88 points in the two contests.

Two Rivers is rated as the best offensive team in the conference and they proved this point Friday. Their 48 points amounted to a point a minute but Kewaskum never gave up and scrapped to the end. The Raiders rolled up 463 total yards on offense, while holding the Indians to 167. Six different players scored for Two Rivers as their entire 40-man roster saw action.

There was no stopping the Raiders. Usually their big 213-pound fullback, Don LeClair, is called upon to lead their attack. But their small flanker, Tim Broderick got them going on a 31-yard punt return. This occurred after a couple of Kewaskum penalties and their failure to get a first down.

Broderick carried to the Indians' 26. Two plays later Broderick got past halfback Perry Kempf and safety Brian Larsen for a 28-yard touchdown pass. Jim Usitilo kicked the first of six extra points.

The next time, starting from their 11, LeClair broke loose for a 44-yard run and minutes later Jim Mueller scored from the 10.

Kewaskum then gained a first down on an 11-yard run by Randy Heberer on a fake punt. But their running game bogged down, Rick Leitheiser had trouble finding his receivers and the drive stalled.

Two Rivers' third TD and second in the second quarter came when Broderick pulled in a pass from Walesh for an 86-yard score. In the second half the Raiders scored on their first three possessions on drives of 26, 38 and 29 yards. The first was scored on their first three

Two Rivers' third TD and second in the second quarter came when Broderick pulled in a pass from Walesh for an 86-yard score. In the second half the Raiders scored on their first three possessions on drives of 26, 38 and 29 yards. The first was scored by LeClair on a 4-yard touchdown pass, the second on a 29-yard run by Payette and the third a 3-yard run by Yakoubek. Yakoubek also scored the final of 7 TDs in the last period on a 1-yard run.

Reserve back Dennis Payette was the Raiders' leading rusher with 105 yards in 9 attempts. LeClair, who played sparingly in the second half, had 102 yards in 14 carries. For the Indians, Randy Heberer gained 80 tough yards in 19 carries, the longest being 30 yards.

This Friday night the Indians entertain Sheboygan Falls in their homecoming game. The Falcons are another tough foe, and were rated No. 1 in Division III before being knocked off by leading Two Rivers two weeks ago. Obviously there are no

weak opponents in the Eastern Wisconsin this year.

Two Rivers, Plymouth Beat Indian Spikers

The Kewaskum girls' volleyball team made the long trip to Two Rivers last Tuesday and the undefeated Purple Raiders defeated them handily in the first two games, 15-5 and 15-9. The subs from both schools then took over and Two Rivers also

JVs, Freshmen Defeated Again

The Two Rivers football teams again made a clean sweep of it over the Kewaskum teams in weekend play as both the JVs and frosh were also beaten.

The JVs lost by the same score as the varsity as they were routed, 48-0, but the freshmen went down in a close battle, 16-12.

The JVs had only one good drive to the 50 yard line after the opening kickoff but Two Rivers stole the ball. From then it was pretty much the Purple Raiders. The JVs are still looking for their first victory and are now 0-5. Stuart Stautz had a good all-around performance for the JVs.

Jim Braun scored both Indian

won that game. Looking slow, the Indian girls served well and were able to do some spiking but the Raiders didn't let many balls get past them. The winners looked good enough to stay undefeated.

Thursday night at Plymouth the KHS girls lost a closer match for second place. The Indians were beaten 14-16, 6-15 before giving way to the reserves.

Kewaskum started slow, falling behind 6-14 in the first match, but made a strong comeback to tie it up at 14 all. But Plymouth went on to win. The subs played quite well, especially Cathy Schlice.

The Indians are now 5-4 in the Eastern Wisconsin.

Indian Runners Win Triangular; Girls 6th, Boys 7th in Cougar Invitational

Kewaskum had three of their runners placing in the top five to easily win a cross country triangular over Chilton and Wrightstown at Chilton last Tuesday.

Russ Van Zeeland of Wrightstown took individual honors in the three mile run and then Kewaskum's Scott Klein, Craig Larsen and Wayne Boudreau placed second, fourth and fifth.

Other Indian runners placing were Jeff Decker 11th, Fred Batzler 12th and Mike Geidel 16th. Decker ran with a cold and Geidel was recovering from a throat infection.

Chilton had just six runners. Both Slinger girls and boys teams won titles in the Campbellsport Cougar Invitational Cross Country Meet Thursday at Camelot. Course records were set in both divisions. There were 10 schools in the boys' division and 7 in the girls'.

The girls' individual winner was Kristen Westland of Wayland Academy, Beaver Dam, who set a new course record of 12:24, 15 seconds ahead of Linda Villwock of Mayville. Plymouth's Randy Berndt was an easy winner in the boys' end of the meet, with a 14:56, to break the 15 minutes barrier, and finish almost 45 seconds ahead of the second place runner. He broke the course record by 16 seconds.

Kewaskum, missing several runners with colds and because

of a field trip, placed sixth in the girls' division, while the boys were seventh. Carol Schmidt was 11th with a 13:25. For the boys, Scott Klein broke into the top ten with a 16:22 for eighth. Craig Larsen was 11th and Wayne Boudreau 12th.

COUGAR INVITATIONAL
