Week's Wit

Last year the politicians said, "Things can't go on like this." And they didn't. They got worse.

Area United Way Drive Tops Goal

1980 Fund Drive Co-Chairmen, Gerry Kiefer and Ed Christie, announced that \$18,569.00, representing 103 percent of the 1980 Kewaskum Area United Way goal of \$18,000 has been donated this year.

Kiefer and Christie thanked all of those who contributed to this year's goal. They also thanked all of the division captains and other volunteers who donated their time and effort to make this year's drive a success.

"We were very fortunate to

Mrs. Staehler Dies at 104

Mrs. Gertrude Staehler, age 104 years, formerly of the St. Michaels area, died Tuesday evening, November 11, at the home of her daughters near Jackson.

Visitation at Miller's Funeral Home, Kewaskum, will be from 3:00 to 9:00 p.m. Friday with rosary vigil at 8:00 p.m. Mass of Christian Burial will be held Saturday morning at 10:30 at St. Michael's Church, St. Michaels, with Father Bonesho officiating.

A complete obituary will be published next week.

have these very qualified and dedicated people working with us this year. Their efforts and the generosity of the Kewaskum area people enabled us to top our goal in these uncertain economic times," added Kiefer.

This year's division captains were: Dr. R. G. Edwards, Kenneth Erickson, Raynor Heriges, Jack Jadro, Margaret McFadden, Wayne Rimmel, Dan Rodenkirch, Norbert Serwe, Pearl Thompson, and Gerald Zimmel.

Board Hears Report On Wayne School Roof

By GERRY MUELLER
Statesman Staff Writer

Business Manager Robert Borch informed the Kewaskum School Board Monday evening that Warzyn Engineering Limited had completed its inspection of the Wayne School Gymnasium roof and found it to be safe.

Borch said the firm measured deflection (sagging) and strands inside the beams to calculate the roof's strength. They felt the roof would be safe with certain weight load limitations, these being a maximum load of 8-10 inches of snow or 3" of ice. Their recommendations were to monitor any build-ups and remove them to prevent any unnecessary strain on the roof.

The consultants said they would then come back in approximately one year to see if any further sagging or weakening had occurred.

Alternatives would be to load-test or bore into the structure. The consultants felt this could cause more damage and these additional tests were not really necessary at this time.

Borch suggested wiring the roof to prevent ice build-up since chipping the ice off might cause more damage.

Superintendent Floyd Brenholt said the Wayne School custodian had been notified to keep an eye on any build-ups and to remove any large accumulations.

The Board was told boiler repairs at the Beechwood School would run approximately \$2,800.00-\$3,200.00.

Chamber of Commerce Plans Christmas Sale

The Kewaskum Area Chamber of Commerce will be sponsoring their eighth annual "Christmas Sale" promotion beginning Friday, November 28, and ending Saturday, December 6. Ads for this promotion should be in our office no later than Thursday, November 20.

Coulter's Liquor Mart Sold to Jim Boegels

Jim and Nancy Boegel of Kewaskum have purchased the Coulter Liquor Mart at 355 Main Street, Kewaskum, and will take over the operation of the business on Wednesday, November 19.

J & N Liquor is the name the Boegels have chosen for their liquor store and they welcome the public to stop in. The grand opening will be announced at a later date.

The Boegels have been resi-

dents of Kewaskum for 13 years and reside at 1326 Kewaskum Street with their three sons Todd, Jason and Ryan.

Mike and Ellen Coulter of Kewaskum opened the liquor store nine years ago. Mike is a full time teacher at MPTI in West Bend and Fond du Lac. The Coulters wish to thank the public for their patronage throughout the years.

The new phone number for J & N Liquor is 626-4430.

Special Board Meeting Works To Bring 1981 Budget in Line

By GERRY MUELLER
Statesman Staff Writer

Tuesday evening, members of the Village Board went over the 1981 Preliminary Budget in hopes of bringing the proposed expenditure and revenue figures closer together.

The review showed a deficit of approximately \$72,000.00 between the projected '81 budget of \$883,771.00 and anticipated revenues of \$810,223.00. Village Administrator Dan Schmidt said more exact figures could not be presented because some items still are hanging in mid-air. One major point affecting the '81 budget will be Federal Revenue Sharing. If this program is re-enacted, there should be a considerable reduction in the \$72,000.00 figure. Kewaskum received a check of \$55,346.00 from the 1980 Federal Revenue funds.

Another item being worked on is the Police Union's contract with Kewaskum. Schmidt presented the union with the village's offer, however, negotiations are still going on.

A new item brought up for

consideration in the 1981 budget was a second squad car. This would be a used unit costing approximately \$3,000.00. Schmidt felt, however, it is unlikely that this addition would become a reality at this point.

As the Board struggled with its budget, Village Board President Gerald Stollenwerk brought up an article which appeared in "Readers Digest" regarding the Federal Government's spending program. President Carter's 1978 "lean and tight" budget of \$500 billion worked out to a spending figure of \$951,000.00 for every minute of every day. Stollenwerk brought the village's budget into the same formula which resulted in a figure of \$1.62 for every minute of every day. This makes the village's problems seem small in comparison, but nevertheless, it takes a considerable amount of time and work by the Board to provide all the services it can for the village from every dollar budgeted.

The preliminary budget will be presented again Monday evening at the regular Village Board meeting.

Kewaskum Girl, 18, Is Killed When Hit by Car

An 18-year-old Kewaskum young woman was killed early Sunday when she was struck by a car while she was walking along U.S. Highway 45 just north of West Bend.

Lynne Poznanski of 805 Memorial Drive, Kewaskum, was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend of massive head and internal injuries.

According to the Washington County Sheriff's Department accident report, Miss Poznanski was walking north on the highway at 12:56 a.m. when she was struck from behind by the car, also northbound.

The accident occurred about a quarter mile south of County

Trunk D about four miles south of Kewaskum.

The driver of the car that struck her was Bruce Kuechler, 17, of 7451 Chadwood Court, Kewaskum. No criminal charges were filed against the driver, according to the sheriff's department.

Miss Poznanski was a senior at Kewaskum High School and it was reported she withdrew from school last week to move to Sheboygan. She was also employed as a nurse's aide at the Samaritan Home in West Bend, officials there said. They reported that the victim had been working Saturday night and was scheduled to leave work at 11:15 p.m. They were not sure what time she actually left.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the older days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Kewaskum Statesman, Friday, Nov. 14, 1980, Page 3

This is a view of Kewaskum taken in 1905, the year Holy Trinity Catholic Church was being built [right background]. The photo probably was taken from the malt house. (Photo submitted by Norman Martin, Route 3, Kewaskum)

Ripple to Speak To KHS Seniors

Seniors in the Economics and Current Events classes at Kewaskum High School will discover how they can improve government and be responsible citizens from an expert witness when Donald T. Ripple, Education Director of the Wisconsin Taxpayers Alliance, visits them on Wednesday, November 19.

Ripple, a member of the personal staff of the governor in 1957-58, was a West Bend city alderman and sales executive before joining the WTA staff in 1956. He has given more than 3,000 talks in Wisconsin schools in the past 14 years and is a principal speaker each year at both Badger Girls State and Badger Boys State.

His inspirational and educational message deals with government, taxes and citizenship. "One of the country's greatest needs," he says, "is young people who care enough about better government to work hard for it."

The Wisconsin Taxpayers Alliance, Madison, is a privately supported, nonpartisan research organization, founded in 1932 and dedicated to improving government through better-informed, more responsible citizenship.

'Tour of China' For Woman's Club

Mrs. Betty O'Meara will conduct a "Tour of China" on November 20, Thursday evening, at 7:30. The Kewaskum Woman's Club will meet at the Valley Bank to hear Mrs. O'Meara tell of her trip to China. Hostesses for the evening are Mrs. Minerva Martin and Mrs. John Kluwina. Guests are welcome to join us.

The Library Discussion Group will meet on Tuesday, November 18, at 9:30 a.m. at the Kewaskum Library. Two stories "Markes Collected Silences" and "The Thrower-Away" by Heinrich Boll will be discussed. Questions to be considered follow the stories and some are in the back of the book. These meetings are open to anyone who loves to read and would like to attend.

THEFT OF CANVAS COVERS FROM TRUCK

The Washington County Sheriff's Department was told last Wednesday of the theft of two canvas covers from the back of a flatbed semi along U.S. 45 in the Town of Kewaskum.

Seven or eight chains with bindings were also missing.

School Board

(Continued from Page 1)

contacted, the coach did not state any changes from what had been assigned the previous year.

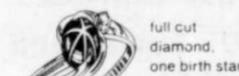

Tessar said if there was to have been a request for earlier time scheduling, Holy Trinity should have returned this sheet. The Board felt that if Holy Trinity could not extend the courtesy of returning the schedule promptly, they would have to accept the scheduling.

John Tessar said he enjoyed the very good show that was put on during half-time at Kewaskum's Homecoming game and would like to see more programs like it.

Family Life Course Offered at MPTI

Concern for family life is highlighted in a three session course, "Family Environment Improvement," offered by the Home Economics Division of Moraine Park Technical Institute, West Bend.

"How Does Your Family Life Rate?" is the theme for the Monday evening classes beginning on November 17. Psychotherapist Richard Potter, A.C.S.W., will discuss "Changes and Stresses in the Family." Potter has had fourteen years social work experience, and was chief psychiatric social worker for the Washington County Mental Health Center until 1979. He is presently engaged in private practice in West Bend.

"Building Your Child's Self Esteem" is the subject for Monday, November 24, by West Bend school psychologist Michael Breen. An education specialist, Breen has authored articles in the areas of hyperactivity, diagnostic assessment, teacher interest and student attitude. He has also taught classes on the exceptional child in the West Bend and Slinger areas.

"Teen Ager" will be presented on Monday, December 1, by

Kenneth Schermacher, psychologist for the West Bend Schools, who has almost thirty years experience as teacher, counselor, and psychologist dealing with adolescents. He has conducted numerous inservice sessions for school districts, community and church groups, in both Parent and Teacher Effectiveness Training.

Classes are open to both men and women and will be held at the West Bend High School, Room E 108 from 7 to 9 p.m.

Register in person at MPTI, 2151 N. Main, West Bend, or call 334-3413 for a registration form. Tuition is \$3.85. All registrations are accepted on a first-come, first-served basis.

UW-M Candidate For Graduation

Matthew Elwood Berg, 8245 Prospect Ave., Kewaskum, was a candidate for graduation in August from the University of Wisconsin-Milwaukee. Berg received a B.B.A. Degree in the School of Business Administration.

There are no graduation ceremonies in August, so August graduates were invited to participate in the May, 1980, graduation ceremonies.

Campus Notes

Among the students who enrolled at the Madison Area Technical College—Madison this fall was the following resident of Kewaskum:

Mary Weddig, Madison, a graduate of Kewaskum High School, Data Processing—Computer Programming.

The students are enrolled in 76 one-year and two-year associate degree, diploma, and college transfer programs.

.....

Three Kewaskum area residents are enrolled this fall at UW-Stout, Menomonie, Wis. They are: John Backhaus, majoring in general business administration; Ronald Bonlender, majoring in industrial technology; and Jack Tessar, majoring in marketing and distributive education.

With an enrollment of approximately 7,300, Stout is a "special mission" university in the UW-System. Founded in 1893, it retains its original primary mission of preparing men and women for careers by emphasizing practical "hand-on" training, along with the traditional academic education of colleges and universities. Because of this, the university continues to have a job placement record of better than 90 percent for its graduates.

.....

Ripon College sophomore, Kurt Zarling of Kewaskum, was the makeup crew chief for the College's drama production of "The Final Solution" which was performed on October 9, 10, 11 and 12.

Zarling, a theater and communications major, is the son of Mr. and Mrs. Richard E. Zarling, of P. O. Box 219, Kewaskum.

"The Final Solution" is a three-act comedy which was written by Frank Dixon, of Natick, Mass., who graduated from Ripon College last year. The play deals with the most significant, and final case of Sherlock Holmes in which he finally confronts his archenemy, Professor Moriarty. "The Final Solution" was directed by drama professor David T. Buzza. Senior drama major Lorraine Charlson of Bloomington, Ill., was the assistant director and stage manager.

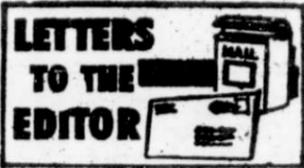

from Tom Leitzke, R.P.H.

While considered one of the safest drugs, aspirin sometimes causes gastro-intestinal bleeding. Studies indicate the bleeding results from a local effect produced by aspirin particles.

To minimize or avoid the effect, Dr. Martin I. Blake of U. of Ill. advises aspirin tablets should not be swallowed whole. Patients are advised to thoroughly chew and swallow the tablets with an adequate amount of water, or to crush them to a fine powder and mix with orange juice.

KENNELLY PHARMACY
102 Main St., Kewaskum 526-8001

4 Nov. 80

To Dear Moms and Dads:

It is nice when you appreciate what others are doing — helping your children with their recreational and club programs such as boy scouts.

When a person gives faithfully and long hours of his time to give the boys help with their projects, why do some criticize and abuse the leader until he resigns as they want him to? No one is perfect (not even your little angels).

When looking for a new leader, none of these perfect persons stepped forward or volunteered their leadership.

When no one accepted the position for leadership, the committee chairman goes back to the original leader and asks him to again accept the position.

Parents, think what others are doing for your children when they belong to an organization. This is a privilege for them, not their right, so co-

operate and help your civic minded citizen leaders.

A Kewaskum Citizen

Letter Policy

This week the Statesman received another unsigned letter to the editor. All letters to the editor must be signed, and the name and address of the writer must be given.

The Statesman prefers to use signed letters, however, the name of the writer will be withheld upon request.

The Statesman welcomes letters to the editor on issues of concern to our community. We ask that the letters be legibly written or typed.

Services Held For Accident Victim, Others

Miss Lynne M. Poznanski, 18, of 805 Memorial Drive, Kewaskum, was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, the result of a traffic accident early Sunday morning, November 9.

Miss Poznanski was born in Milwaukee on November 7, 1962. She was a student in her senior year at Kewaskum High School and worked as a nurse's aide at the Samaritan Home in West Bend for the past year.

Survivors include her parents, Jerome and Barbara Krezman; four brothers, Robert and Paul Poznanski, Bruce and Russell Krezman; one sister, Julie Krezman, all of Kewaskum, her maternal grandparents, Mr. and Mrs. Leo P. Strork, and her paternal grandmother, Mrs. Julia Wargin, all of Milwaukee; other relatives and friends.

Services were held Wednesday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Church, with Father John T. Budde officiating. Burial was in the church cemetery. Visitation at Miller's Funeral Home, Kewaskum, was Tuesday, from 4 to 9 p.m. with a rosary vigil at 8:30 p.m.

LORETTA BISHOP

Loretta K. Bishop, nee Strobel, 87, of St. Kilian, died at the Samaritan Home, West Bend, on Thursday, Nov. 6.

She was born in St. Kilian on March 8, 1893, and married Adolph J. Bishop. He passed away July 1, 1970.

She has been a resident of the Samaritan for the past year in Campbellsport and St. Kilian for many years. She was also a resident for Milwaukee for many years.

She was a past member of St. Agnes Church, Milwaukee, and their Christian Mother's Society for many years. She was a member of the Catholic Ladies Order of Forests of St. Agnes Court No. 849.

Survivors include one brother, Norbert; two nephews, Sylvester and Mark Strobel; and other relatives and friends.

Funeral services were Monday at 9:30 a.m. at Zwaska Funeral Home, 4900 W. Bradley Rd., Milwaukee, to St. Agnes Church, North 25th Street, Milwaukee, at 10:30 a.m. for Mass of Christian Burial, Fr. Cletus H. Kaiser was the celebrant and burial was in Holy Cross Cemetery, Milwaukee.

Visitation at the funeral home was Sunday from 4-9 p.m. with a prayer vigil at 6 p.m.

OSCAR STEIN

Oscar Stein, 65, of Menomonee Falls, formerly of Campbellsport, died Tuesday, Nov. 4 at Menomonee Falls Hospital.

He was born Nov. 22, 1914, at Kewaskum, a son of the late Joseph and Ida Duerst Stein. On Oct. 13, 1945, he married Barbara Zimmer.

Mr. Stein was the former owner of Country Squire at rural Campbellsport. He was a member of Horne-Mudlitz Veterans of Foreign Wars Post 6377 of Sussex.

Survivors include his wife; three sons, James and Daniel, both of Milwaukee, and Bruce of San Diego, Calif.; a daughter, Mrs. Walter (Constance) Fowler of West Memphis, Ark.; and a grandchild.

Also surviving are four sisters, Mrs. Ruth Laughrin of Elcho, Mrs. Lora Morey, Mrs. Mildred Heinowski and Mrs. Ceclia Gibbon all of Milwaukee; and a brother, Hubert of Milwaukee.

Funeral services were held at 9:30 a.m. Friday at Schramka-

Herrick-Hack Funeral Home, Menomonee Falls, and at 10 a.m. at Good Shepherd Catholic Church, Menomonee Falls. Burial followed in Wood National Cemetery.

Visitation for Mr. Stein was from 4 to 9 p.m. Thursday at the funeral home.

THEOPHIL M. BARTH

Theophil (Teddy) M. Barth, 69, a former resident of Kewaskum, died Saturday, Nov. 8. His late father, Rev. Henry L. Barth, was a former pastor of Peace United Church of Christ in Kewaskum.

Survivors are his children, Patricia (Dick) Johnson of Ohio and James Barth of Wauwatosa; a son-in-law, James Russell of Waukesha; a sister Clara (Ruben) Backus of Malone, Wis.; brothers Armin A. Barth, Gordon (Cathy) Barth, and Sharon Barth. A daughter, Verner Russell, predeceased him. He is further survived by four grandchildren, nieces, nephews, other relatives and friends.

25 Years Ago

November 18, 1955

An open house will be held on Sunday, November 27, at the new \$26,000 Kewaskum sewage treatment and incineration plant.

James D. Reigle, 29, has been appointed president of the village of Kewaskum to fill the unexpired term of Charles Miller, veteran president of Kewaskum who resigned last week.

Melvin Rundle, 17, of Route 2, Kewaskum, is a patient at Southview Hospital in Milwaukee since Tuesday night for treatment of polio. He is the son of Mr. and Mrs. Ronald Rundle, Route 2, Kewaskum.

Miss Judith Kaniess, daughter of Rev. and Mrs. Gerhard Kaniess, Kewaskum, and Roger Groeschel, son of Mr. and Mrs. Arthur Groeschel, Route 1, Kewaskum, were joined in marriage during a 7:00 p.m. ceremony performed by the bride's father on November 13.

The KHS honor roll for the first nine weeks period which ended November 4 is as follows: Freshmen — Carol Bier, Nancy Fickler, James Marx, Pamela Nolting, Glen Rimmel, Joyce Rohlinger, Alice Schwind, Aldwin Seefeldt, Tom Smith, Cynthia Landmann, Jonathan Weber, David Zuehlke. Sophomores — Mingyon Gayan, Carol Miller, Richard Pierce. Juniors — Audrey Amerling, Kenneth Meilahn, Russell Pillar, Paul Schaub, Sue Weddig, Harvey Weigand. Seniors — Darlene Janssen, Judith Weddig.

A son was born to Mr. and Mrs. Andrew Polzean, Route 1, Kewaskum, on November 14.

50 Years Ago

November 14, 1930

The large marshland, owned by Weiss Bros., located about a mile and a half south of Kewaskum, along State Highway 55, is on fire since Sunday morning. Considerable damage was done to trees and cut wood. The fire was of such proportion that traffic on Highway 55 was dangerous while the flames were raging in the tall grass along the road.

Deer hunters have their calendar marked at December 1-10, for this is the even numbered year when the first ten days of December are established as the open season in Wisconsin.

The nuptials of Louis Nordhaus, son of Mrs. Louis Nordhaus Sr., of Kewaskum, and Miss Margaret Grueschow of West Bend, were solemnized at the Lutheran parsonage in Kewaskum November 8.

At the regular monthly meeting held by the Kewaskum Post of the American Legion, it was decided that the post hold a poultry display at Eberle's Buffet on November 22, at which ducks and geese will be displayed. For your Thanksgiving dinner, the post will give away free one turkey to the person holding the lucky number. The person, however, must be present when numbers are drawn.

A baby girl was born to Mr. and Mrs. Arno Krause of Adell on November 3.

75 Years Ago

November 18, 1905

The remains of Miss Maggie Herriges of St. Michaels, who disappeared from the home of her brother on December 19, 1904, was found last week Friday in Jacob Mayer's swamp in the Town of Farmington, six miles southwest of her home. The remains were found by Peter and Andrew Kolber while they were out hunting. The body was found in a sitting position with her back against the roots of a fallen tree. It was the opinion that the woman had wandered into the swamp and becoming exhausted had sat down against the roots of the tree for rest or shelter, and there fell asleep and froze to death.

Backhaus and Beisbier are having a new shingle roof put on their saloon building at the corner of Fond du Lac Avenue and Malt House Street.

The annual slaughter of deer began last Saturday.

John Tiss lately bought the old homestead farm consisting of 120 acres from his father for \$12,000.

In the Service

Marine Cpl. David S. Decker, son of Merle R. and Suzanne C. Decker of Box 373, Kewaskum, was awarded the Good Conduct Medal.

The Good Conduct Medal signifies faithful and obedient service during a three-year period. To earn it, enlisted Marines must achieve and maintain an unblemished conduct record for the entire period.

Decker is currently serving with 2nd Marine Aircraft Wing, Marine Corps Air Station, Beaufort, S.C.

He joined the Marine Corps in July 1977.

Private Sheldon W. Langhoff, son of Mr. and Mrs. Roger W. Langhoff of 4820 Badger Road, Kewaskum, recently completed One Station Unit Training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. This qualifies the soldier as a light-weapons infantryman and as an indirect fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

Airman Gerald F. Dudarenke, son of Mr. and Mrs. Walter F. Dudarenke of Route 3, Campbellsport, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the communications-electronics systems field.

Marine Pfc. James T. Beck, son of Harold E. Beck and Bette C. Fehring of 4939 Edge-O-

Woods Drive, and 2026 Wallace Lake Road, respectively, West Bend, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1980 graduate of West Bend High School, Beck joined the Marine Corps in October 1979.

Larger Rail Crossing Lights Ordered in Six Area Counties

The Wisconsin Transportation Commission has ordered the Chicago & North Western and Milwaukee Road railroads to install larger signal lenses at 41 highway-rail crossing in southeastern Wisconsin, State Transportation Commission Chairman Robert Smith announces.

The commission ordered that 8-inch lenses be replaced with more visible 12-inch lenses at the crossing located in Kenosha, Racine, Waukesha, Fond du Lac, Ozaukee and Washington counties.

All the crossings are protected with automatic flashing-light signals and gates or cantilevered signals. When they were installed, the standard was an 8-inch lens, but recently the 12-inch lens has become available.

"The 12-inch lens is more visible, particularly during daylight hours," Smith said. "The additional visibility is beneficial at urban crossing where there are relatively high volumes of train and highway traffic," he said.

The commission ordered the work completed within one year. The state transportation department will pay for the work.

Tessar Announces Promotions at Allenton Bank

Wayland Tessar, President of Valley Bank, Kewaskum and Allenton, announced the promotion of Kevin O'Meara to Branch Manager of the Allenton office.

Kevin has been employed by the bank since April, 1978. He is a graduate of Marquette University and has continued his education taking various banking courses. Kevin and his wife Kathi presently reside in West Bend.

Lorraine Boden has been associated with the bank since 1965. She will continue in the capacity of Assistant Branch Manager. Evelyn Ritger, of Allenton, has been promoted to Head Teller of the Allenton office. She has been with the bank since 1974.

AFS Chili Supper and Carnival Success

The AFS Chili Supper and Carnival was a huge success. The student group and adult chapter would like to thank all for attending.

As part of the carnival, a special event cake walk was held. Some of the participants were Dotzie Hron; Clark Pearson, principal; John Tessar, School Board President; Jerry Stollenwerk, Village President; Augie Bilgo, Fire Chief; Ruth Schmitt, AFS President, and several others.

Stollenwerk was victorious and won a beautifully decorated cake donated by Hankerson's.

Another feature which was enjoyed by young and old alike was the JAIL. By paying 25 cents you could have the person of your choice arrested.

Proceeds from this event will go towards payment of the programs providing students both on the domestic and foreign programs. Three students are available now for speaking engagements and the others will be available after January 1. For further information call Sue Schmitz, 626-4808.

ANNOUNCING CHEK-SAV II

**checking that
earns 5¹/₄% interest
every day**

Now you'll be able to do all your savings and checking with West Bend Savings. Our new Chek-Sav II will pay 5¹/₄% interest daily on your checking account balance. Open your Chek-Sav account today with a minimum deposit of \$100. Then on January 1, 1981 we'll automatically convert it to an official daily interest (NOW) checking account and you can begin writing drafts.

In order to receive the interest paying benefits of Chek-Sav II without a service charge, a minimum monthly balance of \$500 is required. Open your account today and you can begin earning interest immediately and still have plenty of time to bring your balance to \$500 or more before January 1. West Bend Savings also offers a regular non-interest earning Chek-Sav account which requires only a \$200 minimum monthly balance to avoid a service charge.

These new Chek-Sav programs are designed as a special benefit for West Bend Savings customers and provides present and new customers with an attractive extra service. Savings customers with a balance of \$300 or more in any type of savings account or mortgage customers qualify for Chek-Sav.

We invite you to become a West Bend Savings customer and take advantage of this new interest earning checking account. West Bend Savings also offers a wide variety of savings plans that pay the highest rates allowed by law, excellent mortgage loan service when you need it, plus provides attractive consumer loan services. And now...Chek-Sav.

Switch to West Bend Savings today... the savings and loan that handles all your personal financial needs.

Nigh-Reindl

Susan Nigh and Ray Reindl exchanged their wedding vows on September 13 at St. Mary's Catholic Church, West Bend. Father Allan Weinert, the bride's cousin, was the celebrant.

Susan is the daughter of Mr. and Mrs. Nathan Nigh, 7939 Hwy. B, Kewaskum.

Ray is the son of Mr. and Mrs. Allen Reindl, 4655 Badger Rd., Kewaskum.

Nathalie Nigh was her sister's maid of honor. Other attendants were Sandra Nigh and Amy Nigh, also sisters of

the bride, Theresa Reindl, sister of the groom, and Jacqueline Coulter, friend of the bride.

Paul Reindl was his brother's best man. Other attendants were Eddie Reindl, also the groom's brother, Michael Nigh, brother of the bride, and James Donath and Leon Laatsch, friends of the groom.

Stephanie Reindl and Jason Reindl, niece and nephew of the groom, were the miniature bride and groom.

Teresa Nigh, sister of the bride, did the readings.

Ushers were Kevin Nigh, Jeffrey Nigh and Daniel Reindl, brothers of the bride and groom.

Susan is a 1977 graduate of Kewaskum High School and a 1979 graduate of UW-Washington County. She is presently employed at W.E. Design as a commercial artist.

Ray is also a 1977 graduate of Kewaskum High School and is employed at Haug & Sons Roofers.

The couple is living in West Bend.

Panzer-Robinson

Mr. and Mrs. Alvin C. Panzer Sr., 9485 Hwy. V, Kewaskum, are pleased to announce the engagement of their daughter, Sgt. Janice Dorene to S/Sgt. Mark Keith Robinson.

Janice is a 1975 graduate of Kewaskum High School. She

enlisted in the U.S. Marine Corp. in January, 1976.

Janice and Mark are both stationed at the U.S. Marine Base at El Toro, CA. A December 27, 1980 wedding is being planned.

Marriage Licenses

Allen Jeffrey Heberer, Kewaskum, and Barbara Ann Kober, Kewaskum; wedding Nov. 8.

Stan Lee Heisler, Kewaskum, and Lori Marie Bannenberg, Kewaskum; wedding Nov. 14.

Cary Allan Serwe, 120 Poplar St., Campbellsport, and Lynn Mary Steinacker, 262 Bischoff St., Fond du Lac.

Yogerst-Hambly

Jane Mary Yogerst and Michael Donald Hambly were united in marriage during a 2:00 p.m. ceremony on September 26 at St. Anthony's Church. Father Martin Gloudeman was the celebrant.

Music was provided by the organist, Karen Bingen. Donald Cartledge and Phyllis Agnew sang "The Wedding Song." Nadeane Yogerst and "The Calling Cards," a barbershop quartet also provided music.

Parents of the couple are Mr. and Mrs. Hilbert Yogerst, 5144 Hwy. D, West Bend, and Mr. and Mrs. Albert Hambly, 633 S. Main Street, West Bend.

Robin Gust, a friend, served as maid of honor. The bridesmaids were Gloria Hambly, sister-in-law of the groom, Helen Bonlender and Carol Staehler, both sisters of the bride, and Charlotte Yogerst, sister-in-law of the bride. Jennifer Bonlender, the bride's godchild, was the flower girl and the miniature bride was Tricia Hambly, the groom's godchild.

Robert Gessner, a friend, was chosen as best man. The groomsmen were Richard Hambly, brother of the groom, John Lawrence and Steve Beisbier, both friends of the groom and Dennis Hambly, brother of the groom. The miniature groom was Jeffrey Kletzine,

nephew of the bride.

Altar boys were Luke Staehler and Timothy Yogerst, both nephews of the bride.

Sharing ushering duties were Robert Yogerst, brother of the bride, and Robert Weddig, brother-in-law of the groom.

Following the ceremony, a reception, dinner and dance was held at The Hilltop in Batavia with music by the Keystone.

The bride is a 1979 graduate of Kewaskum High School. The groom is a 1974 graduate of West Bend East and is employed at Dostal and Lowey.

The couple spent their honeymoon in northern Wisconsin and Canada and are residing at 1719 Stonebridge Road, West Bend.

(LOCATED IN ST. MICHAELS)

Gladys C. Wettstein and Michael R. McClain were united in marriage on October 11, at Peace United Church of Christ, Kewaskum. Rev. Darrell Joiner officiated the ceremony. Music was provided by organist Margaret McFadden and soloist Larry Ammel. The bride's parents are Mr.

and Mrs. Laurence Beaudoin, Sheboygan Falls. Parents of the groom are Mr. and Mrs. Charles McClain, Kewaskum.

The matron of honor was Yvonne Mielke, and the best man was Jeff Spoerke. Ushers were Harry Beaudoin, brother of the bride, and Chuck

McClain, brother of the groom. A small dinner for immediate family and friends was held at The Homestead in Kewaskum.

The groom is employed in the engineering department at the Gehl Company.

The couple resides in the town of Elmore.

'Holiday Happenings' Craft and Bake Sale

The Ladies' Altar Society of Holy Trinity Church, Kewaskum, will hold its annual "Holiday Happenings" Craft and Bake Sale from 1:30 to 4:00 p.m. on Saturday, Nov. 22.

The ladies will again be serving hot lunches, desserts and refreshments.

Our bakery booth will again feature our popular homemade decorated cookies and cakes as well as our special yeast dough bakery, including stollens, breads, kuchen, rolls, candies and jellies.

This year we will have a special "Kiddie Booth" which will enable the children to shop by themselves. It will include a variety of gifts for the children to buy for their Mom and Dad or that extra special someone, all at \$1.00 and under.

Our crafts will include Christmas and Thanksgiving items including handmade knit and crocheted items, pillows, quilts, stuffed animals, stockings, wall hangings, plants, turkeys and centerpieces.

So for an enjoyable day, bring your family and come to our Holiday Happenings Craft and Bake Sale and start your Christmas shopping early.

"The most useful virtue is patience."

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Nov. 15, from 9 a.m. to 12 noon. We accept tin, aluminum colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Open House for Prosts 50th Anniversary

Relatives and friends are invited to an open house in honor of the fiftieth wedding anniversary of Mr. and Mrs. Edward Prost of Kewaskum on Sunday, November 16 from two to four o'clock at the Knights of Columbus Hall, 3246 Light-house Lane, West Bend.

When a wool flannel garment is half dry after washing, press it, using cheese-cloth as a press cloth, to lift the nap and avoid that flattened-out appearance.

Financial Institutions to Offer Interest Earning Checking Accounts Starting Jan. 1

January 1, 1981 marks the beginning of a new era for financial institutions and introduces a major change in the banking industry.

Federally insured financial institutions, including both commercial banks and savings and loan associations, have been authorized to offer the equivalent of an interest earning checking account. Depositors can now earn daily interest on the balance kept in their checking account.

West Bend Savings and Loan Association President, Richard A. Larson, announced that the Association has developed and will offer an interest earning (N.O.W.) checking account starting January 1, 1981. Savings and loan customers will have the option to open an account now and have it automatically converted to the official interest earning account in January.

It took many years of strong efforts to obtain government action authorizing interest earning checking accounts. In March, President Carter signed into law the Depository Institutions Deregulation and Monetary Control Act of 1980 which, among many other powers, authorized savings and loans and banks to offer N.O.W. (interest earning) checking accounts after January 1, 1980.

The Federal government established an interest rate of 5 1/4% to be paid on these accounts and West Bend Savings will be paying the maximum authorized. Larson said that the new interest earning checking account has been asked for by consumers for many years and has become a necessary service as more and more money transfer services and checking accounts become computerized in the future electronic transfer environment.

West Bend Savings' new interest earning checking account, called 'Chek-Sav II,' is a special program available to associate mortgage and savings customers. A customer will have to maintain only a \$500 minimum monthly balance in their checking account to earn daily interest. The association

will also offer a special non-interest earning checking account called 'Chek-Sav' which will require a lower minimum balance. Larson indicated that the association's Board of Directors was determined to offer as many of the new powers granted to savings and loans as possible and that West Bend Savings was positioning itself as a complete family financial institution.

Larson indicated that the association still faces some limitations regarding business customers, but in the personal account area for individuals and families, the association could now offer in addition to interest and non-interest earning checking accounts, a full range of consumer credit services, the traditional package of real estate mortgage services and a wide variety of personal savings accounts and certificate programs paying the highest interest rates allowed by law.

FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY

Monday, November 17 — Hamburgers, boiled potato, cream cabbage, lettuce, bread, butter, doughnuts, applesauce, milk, coffee.

Tuesday, November 18 — Baked chicken, mashed potatoes, corn on cob, fruited jello, bread, butter, pumpkin cake, milk, coffee.

Lions Club Sponsors Kewaskum Students in Special Olympics

By GERRY MUELLER
Statesman Staff Writer

With the enthusiastic backing of the Kewaskum Lions Club, students from the Kewaskum Elementary School will be participating in the 1980 Winter Special Olympics.

The Special Olympics are

athletic competitions for students and adults over 8 years of age who are enrolled in Special Education programs or are considered physically or mentally handicapped.

This year, Kewaskum will have students participating in bowling competition on November 22 at North Bowl in Sheboygan.

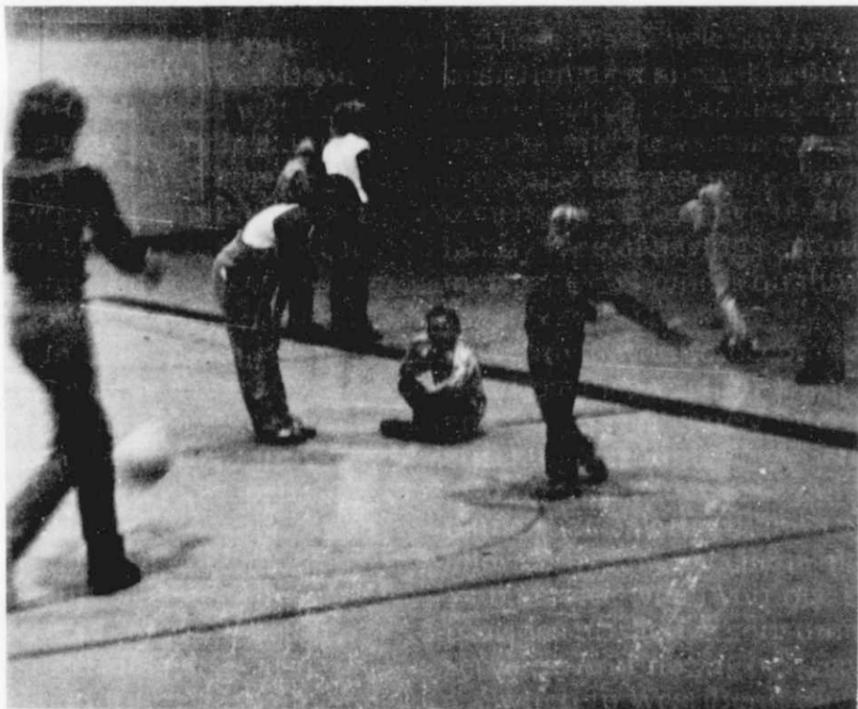

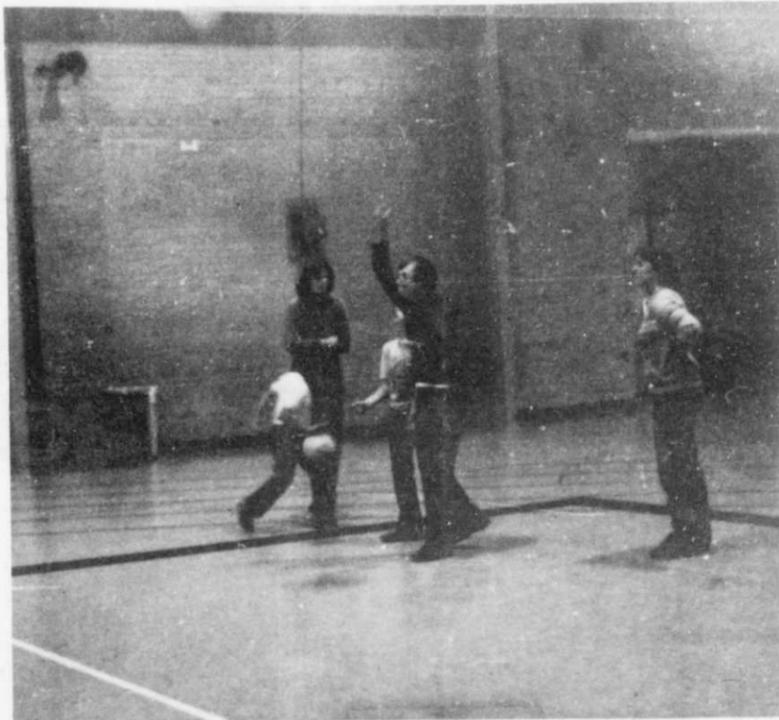

A tentative basketball/volleyball competition is scheduled for December 6 also in Sheboygan.

Athletes who receive first or second place awards will go on to the State Meet on January 29-31, in Oshkosh.

Special Olympics competitors are being coached by Kewas-

kum Elementary teachers Kathy Charland and Diana Glick and Teacher's Aide Janeen Kudek. The coaches have been working with a group of young women and men from Kewaskum High School who have volunteered their time and help in working with students at practice sessions.

The coaches would like to extend their sincere thanks to the Kewaskum Lions Club, student volunteers, and parents for their excellent support in helping make this program a reality. Without this backing, there would be no Kewaskum Special Olympics Team.

Car Care, Defensive Driving Are Controls Of Fuel Consumption

One of your car's most important accessories is the owner's manual, which includes information on lengthening the life of the car and ideas on operating it economically.

For example, the manual recommends tire air pressure. Underinflated tires can cause a five percent fuel loss, not to mention unnecessary wear and safety hazards. Check tires every time you fill up.

Owner's manual information can help you to prevent breakdowns and at the same time help you reduce daily operating expenses. Check the manual for

correct seasonal oil and filter change intervals. Also find out what the proper octane fuel is for the car and always use it — spark plugs won't foul as frequently and you are less likely to waste gas.

However, you won't have to study the manual to get the best advice on how to save gas. Simply put, it's this: Be a safe, prudent driver. Safe drivers are usually fuel efficient drivers.

Staying within the 55 mph speed limit is a good way to be safe and fuel efficient. At 55 mph you use about 17 percent less fuel than at 70 mph. And you'll save gas, wear and tear, and perhaps lives as well if you drive steadily in traffic, avoiding slowing down, speeding up and weaving in and out.

Defensive, fuel efficient dri-

vers keep safe distances, watch out for others and avoid sudden changes in speed. They keep brakes in adjustment to reduce dragging and the consequent added engine work load. They use brakes carefully, for they realize constant sharp braking wastes fuel.

High speeds, friction and air resistance require that engines work harder. A streamlined car with radial tires is a sure bet to save fuel, especially when driven at or below the 55 mph limit. Keeping windows rolled up at highway speeds also saves gas by reducing drag.

Weight is the enemy of energy economy. People often don't realize how much unnecessary weight they carry around and eliminate anything that's not needed. Also, option-

al car accessories, such as air conditioning, add weight. Car buyers should ask themselves how often they would use such equipment. Too much weight means too much energy is being used. That means a higher fuel bill.

With your car in top condition — properly tuned and running smoothly — you can start keeping a log to monitor fuel efficiency. Keep an eye on fuel consumption, and if you see miles per gallon dropping, you know something's amiss. Maybe tires are low, the car needs a tune up or driving habits are slipping. A car or truck usually performs best with a clean engine, and clean oil, oil filter, gasoline filter and cooling system. Also don't overlook wheel alignment.

When shopping for a vehicle, keep in mind that new vehicles are lighter and deliver more miles per gallon than older, heavier vehicles. Don't buy more car than you need. Analyze your needs, look critically at accessories and estimate fuel cost differences between vehicles.

Whatever your vehicle, drive it safely. You'll probably save fuel if you do.

An apple tree is in its prime when it is about 50 years old.

Junior Woman's Club Fire Prevention Week Poster Winners

The Kewaskum Junior Woman's Club had the area first and second graders help them observe Fire Prevention Week. After viewing the filmstrip "Smokey the Bear and Little Marcy," the students made posters about Smokey the Bear. Winning posters were chosen from each class and displayed at the Kewaskum Valley Bank during Fire

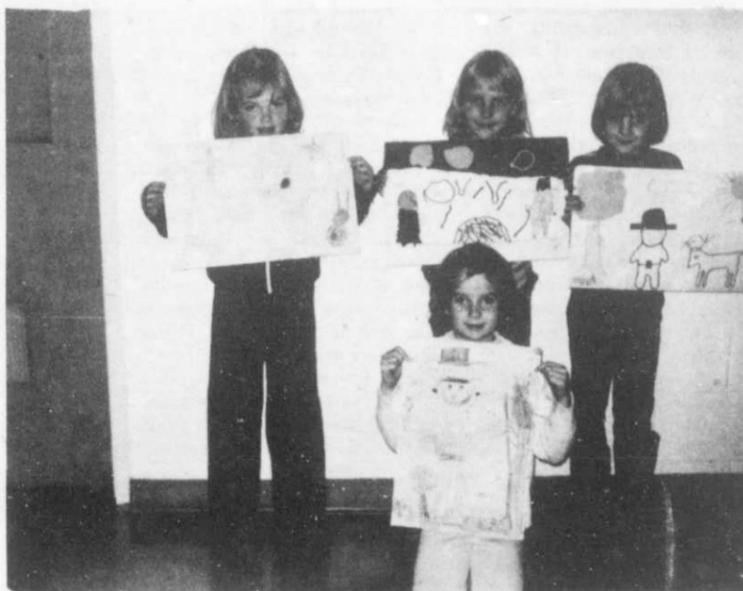

Prevention Week.

A special "thank you" goes to all the students who did a great job and to Valley Bank for displaying the posters. The winners are pictured below.

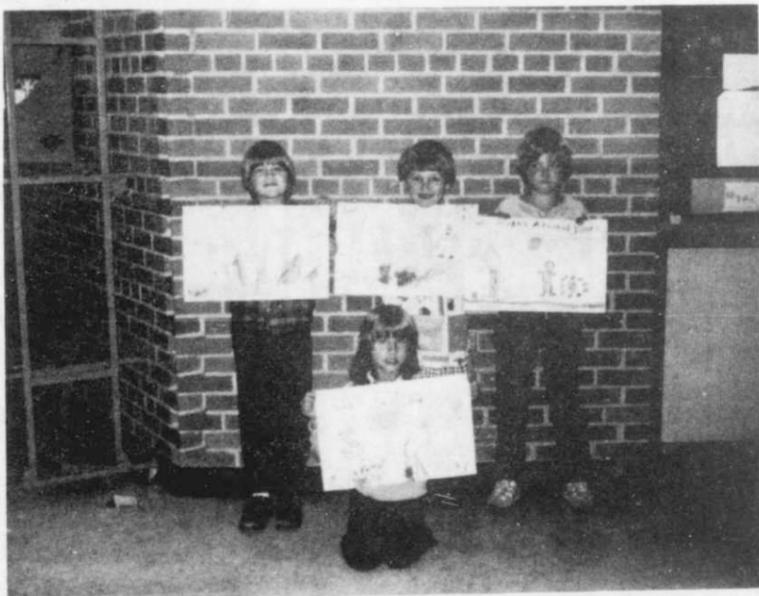

HOLY TRINITY SCHOOL

First Grade — First place winner, Keith Butschlick; second place winner, Jessica Rohrer.
Second Grade — First, Kelly Sarauer, second Debbie Bingen.

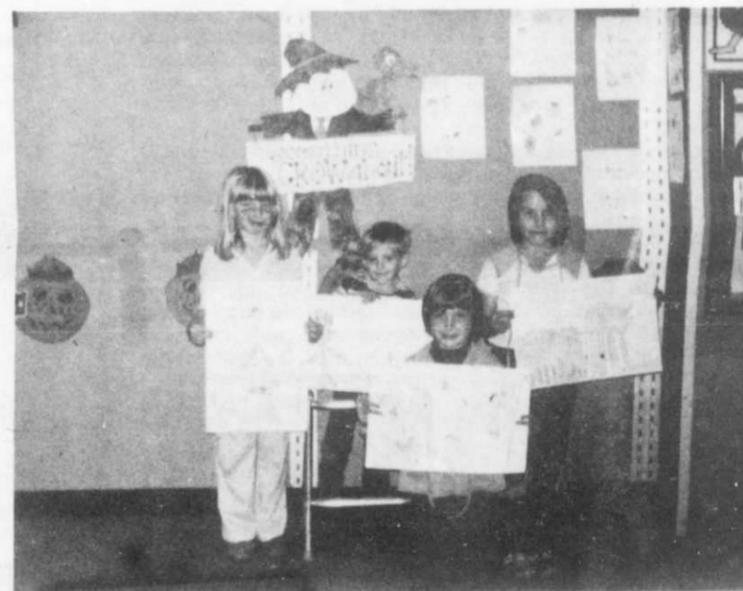

ST. LUCAS LUTHERAN SCHOOL

First Grade — First, Liza Hartman; second, Michelle Wieter.
Second Grade — First, Amy Giese; second, Wanda Jacobs.

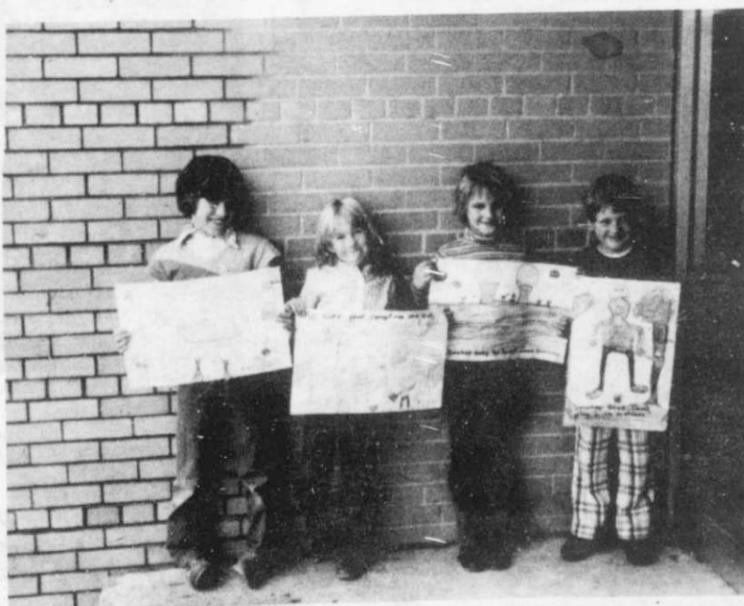

FARMINGTON ELEMENTARY SCHOOL

First Grade — First, Deanna Wagner; second, Amy Gergetz.
Second Grade — First, Amy Redig, second, Stacey Port.

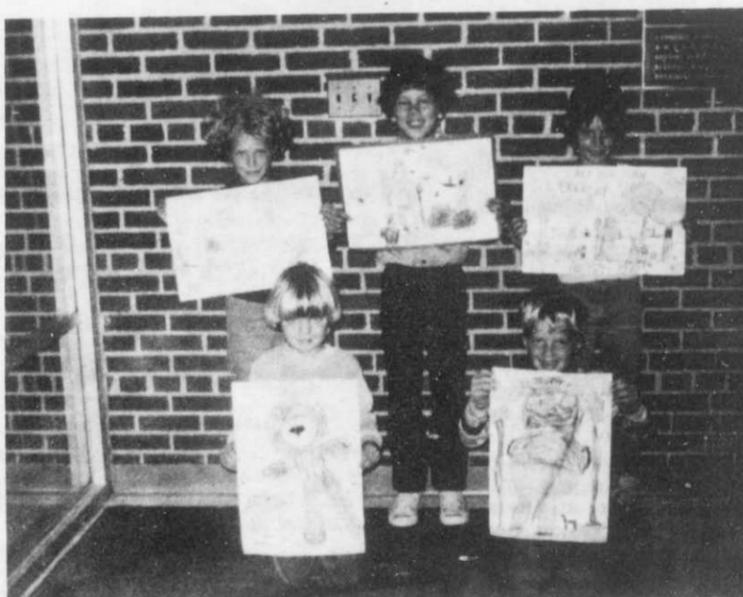

WAYNE ELEMENTARY SCHOOL

First Grade — First, Tracy Lulich; second, Scot Wiesner.
Second Grade — First, Stacey Betts; second, Katie Boland.

BEECHWOOD ELEMENTARY SCHOOL

First Grade — First, Stacy Heberer; second, Kevin Roesel.
Second Grade — First, Patti Aupperle; second, Claire Staehler.

KEWASKUM ELEMENTARY SCHOOL

First Grade — First, Shawn Erdmann; second, Randy Schlice.
Second Grade — First, Gerald Sese; second, Nicole Gaffke;
honorable mention, Julie Yahr.

Kids from Wisconsin Application Forms Now Available

The Wisconsin State Fair announced that applications for the 1981 KIDS FROM WISCONSIN are now available. Application forms can be obtained from high school music departments throughout Wisconsin or from the Music Department, Wisconsin State Fair Park, West Allis, Wisconsin 53214.

According to Music Director, Mark Azzolina, the 32 "chairs" available are for singer/dancers and instrumentalists between the ages of 15 and 19. Competition is open to all high school seniors, juniors and sophomores, in good health and of all races, nationalities and religions.

Completed applications must be returned by December 1, 1980 to Lt. Colonel Mark Azzolina, Music Director, 131C East Palmetto Park Road, Boca Raton, Florida 33432.

Selection for the KIDS FROM WISCONSIN is highly competitive. Initial auditions will be by cassette tape. Applicants passing the tape audition will be invited, in writing, to appear for a personal audition and interview with the music staff in the Milwaukee area in January. Notification of selectees and alternates will be announced no later than May 1.

Since its beginning in 1969, the KIDS FROM WISCONSIN program has been developed and financed totally by the Wisconsin State Fair. Each year the group works with new arrangements and original choreography, creating an entirely new show every season. Following a rigorous three week training camp, the troupe is featured at the Wisconsin State Fair (August 6-16, 1981), county and regional fairs, festivals and other events of an educational-recreational nature in Wisconsin and throughout the country.

Wisconsin is the nation's leading papermaker, producing about 11 per cent of the paper manufactured in America.

J & J AUTO TOPICS

RAZZING THE ENGINE

Many drivers over-accelerate their auto engines before shutting them off for the night. They think that this gives the carburetor and cylinders extra gas for a quick start on cold mornings.

This is completely false. You're only wasting gasoline, and any that might be trapped will evaporate or condense and run down the cylinder walls to dilute the oil.

If you want quick starts on cold mornings, get the family bus over to J & J AUTO SERVICE for a tuneup. Good spark and efficient points with an adjusted carburetor will keep you starting in any weather. That drive to 450 E. MAIN today could save you a lot of starting trouble some cold morning.

It's Tree and Shrub Order Time Again

Application forms to order trees and shrubs from state nurseries will be available the first week in November, according to Albert Kubiske, State Forests, Nurseries and Wild Rivers Specialist in DNR Bureau of Forestry.

The forms may be obtained from DNR field stations, U.W. County Extension offices and all DNR foresters.

Tree seedlings available this year include: black walnut, white ash, sugar maple and oak at \$102.00 per thousand; two-year-old jack pine and Norway pine at \$48.00 per thousand; three-and-four-year old white pine, red pine, Norway spruce, white spruce and white cedar at \$68.00 per thousand. White pine and white spruce transplants are also available at a cost of \$160.00 per thousand. Wildlife shrub seedlings available include: ninebark, autumn olive, silky dogwood, hawthorne, wild grape, hazelnut, highbush cranberry and nanny berry. The cost of shrub seedlings is \$74.00 per thousand.

In addition, Wildlife Packets and Windbreak-Shelterbelt Packets are also available.

Almost 15,000,000 trees and shrubs were distributed in 1980 and over 16,000,000 are available for 1981. However, according to Kubiske the demand for seedlings as in past years is expected to be great this year. It is recommended that landowners place their orders early in order to obtain the species they need. While the present inventory is excellent, supplies of some of the more highly desired species are expected to be exhausted early.

A reminder that these trees and shrubs purchased from state nurseries can be used only for conservation purposes. They cannot be used for landscaping

or commercial Christmas tree production.

Still Time for ASCS Corn Storage Loans

Ira A. Oelhafen, Chairman of the Washington County ASC (Agricultural Stabilization and Conservation Service) committee, reminds farmers there still is time to erect additional storage. The corn harvest is producing a record yield and storage needs could be short.

Oelhafen reports interest recently dropped to 12 1/2% for the eight year loans. ASCS can finance up to 85% of the costs for all types of storage needs and drying equipment. Corn storage can be for ear corn or shell corn as well as high moisture units. Eligible loan items also include loading and

unloading equipment and dryer of various types, portable or permanent.

Applications should be filed with the ASCS office at West Bend or contact them for further information.

Eager Beaver Homemakers Club

Our September meeting was held at the home of Carol Butzlaff. We finished discussing our final plans for our Christmas party. Different items were brought from our gardens to exchange with one another. The door prize went to Peggy Volm.

Our October meeting was held at the home of Janet Meyer. This was our "First Anniversary." We lost one of

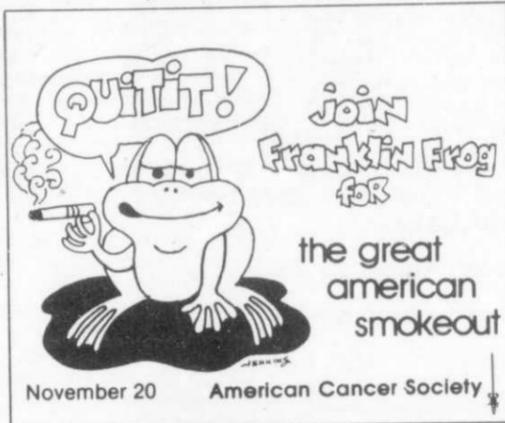

our members, Nancy Schuster, and received one new member, Cindy Reinheimer.

We elected new officers and they are as follows: Debra Lettow, President; Jo Ann Heisdorf, Vice President and Reporter; George Holtz, Secretary, and Ann Neumann, Treasurer.

Secret pals were chosen for 1981, hostesses were drawn for the coming year and county dues were collected.

We selected a committee to find different activities to do during the coming year. They are Dianne Carron, Karen Ellefson and Peggy Volm. The door prize was won by Karen Ellefson.

Tax Management Can Reduce Farmer's Taxes

Farmers usually have more pleasant things than income taxes to think about, especially months before the filing deadline. But the business decisions farmers make now will determine how much they pay the tax man on April 15.

The first step in tax management is to prepare a tax estimate by totaling income and expenses to date, and estimating taxes due at the end of the year.

Farmers who make tax estimates well before the end of the year can devise business strategies that will maximize their after-tax incomes.

Sometimes we think of tax management as applying only to people who have had a good income year, but it also applies to those who have had a poor income year. The basic strategy is to avoid fluctuating annual income in order to stay in the same tax bracket.

Because income taxes are progressive—increasing with rises in income—the amount of taxes paid over several years will be greater when taxable income changes from year to year instead of staying at roughly the same level.

After making your tax estimate, check tax records from previous years to determine if this year's income puts you above or below your normal tax bracket.

The next step is to project what your income situation will be like in 1981 and the following years. Do you expect your income to trend upward or downward over the next several years?

With this information, you can choose those strategies that will either increase or decrease your income to about the normal level.

If your income will be higher this year, which may be the case for many Wisconsin farmers because of favorable grain and milk prices, there are several tax-saving actions you can take.

Delaying sales, if the tax saving exceeds a loss in profit, is one strategy. Purchasing needed supplies and capital items before the end of the year and using accelerated depreciation methods will also ease the tax bite.

Farmers should be wary of advertisements that try to lure them into buying unnecessary equipment and other capital items in order to take advantage of investment credits and accelerated first-year depreciation.

You can't spend yourself rich.

The objective is not to avoid paying taxes altogether; it's to pay the minimum tax while getting the maximum amount of good for you and your operation.

Buying unnecessary equipment may provide tax relief in the short run, but it may create problems in later years. For example, these purchases may increase the value of an operation to a level that is prohibitive for a family member who wants to take over the farm or even for an outside buyer.

Farmers who had an off year should use strategies that will raise their income to the normal bracket or at least above the tax-free level. Making sales before the end of the year, if tax benefits exceed the loss in profit and holding off on purchases until next year will increase your income.

Income tax management is not tax evasion, but taking advantage of all the opportunities provided in the tax laws to reduce taxes and increase after tax income. There are few changes that can be made after the end of the year. Time spent now could reduce your taxes over the long run.

Cub Scout Cake Decorating, Auction Contest and Auction

Cub Scout Pack 3744 of Kewaskum will hold a cake decorating and auction contest and auction on Saturday, Nov. 15, at 1:00 p.m. at the Legion Hall.

The schedule:
1:00-2:00—Cubs will decorate cakes.

2:00—Judging followed by demonstrations on cake decorating by Arnie Stommel.

2:30-3:00—Approximate starting time for presentation of awards followed by auction by auctioneer Mike Paul.

Stommel's cake will be donated for our auction.

The public is cordially invited.

Seek Foster Home For 16-Year-Old Girl

Ann is an attractive 16-year-old. She is never truant from school, gets A's and B's and gets along with teachers. She has never ran away. Why is Ann special? She is waiting for a foster home.

Ann is one of the teens in Washington County who needs a substitute family. Ann has had difficulties developing relationships with peers and adults and needs a family that can help her learn more appropriate social skills. She needs a family which could give her a lot of individual attention and encouragement. A smaller family with few or younger children would be ideal.

Parents who will clearly define rules and consequences and be able to consistently enforce expectations would be most successful with Ann. She especially needs a family with patience and ability to recognize her strong points and small successes.

If you can meet the needs of Ann or another teen in need of placement contact the Washington County Department of Social Services foster parenting. To qualify you must be at least 21 years old, of good character, stable and mature. You may live in an apartment rather than a house as long as you have adequate space. You should be self supporting although there is no income requirement.

Special training in working with youth or relevant personal experience is very helpful, but not necessary. Patience, enthusiasm, and a sincere enjoyment of children are essential.

Call 338-4610 or 644-5282 for more information on Foster Parenting.

Nylac cleans kitchen carpeting beautifully in 15 minutes. Dry in one hour. No machine. Ask Miller's of Kewaskum.

Attend ASCS State Conference

More than 500 members of farmer-elected Agricultural Stabilization and Conservation Service (ASCS) committees and county office employees attended the 1980 ASCS State convention held in Madison October 27 to the 29.

Attending the three-day meeting from Washington County were Ira A. Oelhafen, township of West Bend; Hilbert Scheunemann, township of Farmington; A. John Cleary, township of Erin - ASC County Committee Persons. Also attending were Donald E. Sampson, County Executive Director; Myra Brummond, Dolores Skidmore and Judy Vande Boom, staff personnel.

Highlight of the conference was a panel discussion of future farm policies and program development by leaders of four state general farm organizations: Donald Haldeman, President, Farm Bureau; Leland Mulder, President, Farmers Union; Steve Pavich, President, NFO and Edwin Sommers, Legislative Chairman, Wisconsin Grange.

Senior ID Cards to Be Issued Nov. 19

Washington County Senior Identification Cards will be issued to residents of the West Bend area on Wednesday November 19, from 7:30 to 8:30 p.m. at 401 E. Washington Street, West Bend.

Persons must be 60 years of age or older to participate in this program. There is a \$1.00 per card cost. THIS IS NOT A DISCOUNT CARD!

The following information is necessary for completion of each card:

NAME AND ADDRESS AND TELEPHONE NUMBER

VITAL STATISTICS HEIGHT, WEIGHT, HAIR and EYE COLOR

BIRTHDATE, RELIGION

SOCIAL SECURITY NUMBER, EMERGENCY CONTACT NAME AND TELEPHONE NUMBER (other than your spouse)

DOCTOR'S NAME AND TELEPHONE NUMBER

If further questions arise please contact the office on Aging, 338-4497.

MILWAUKEE STOCKYARD FEEDERS CATTLE AUCTION

The second in a series of three feeder cattle auctions this fall was held at the Milwaukee Stockyards, Friday, October 31. "Welcome back by popular demands," is the theme used to promote the first triple series auction in over four years.

Bob Mahnke, President of the Milwaukee Livestock Exchange commented, "The first two were only moderately successful and the last one scheduled for Friday, November 14 will be a deciding factor in our decision to hold any feeder cattle auction sales next year."

Mahnke further stated, "The response and feed-back we get from our customers and truckers will determine what further services they want and what we can offer them."

Increase Valley Banks Dividends

Appleton, Wisconsin...The board of directors of Valley Bancorporation, parent company of the Valley Banks, declared a regular quarterly dividend of \$.30 per share of \$1.20 on an annualized basis. Previously, Valley's dividend amounted to \$.29 per quarter or \$1.16 annualized. The dividend is payable December 5, 1980, to shareholders of record November 28, 1980.

In discussing the dividend increase, Gus Zuehlke, Valley's president, stated, "This dividend increase marks the 13th consecutive year in which Valley Bancorporation has increased its per share dividend and supports our philosophy of increasing dividends as Valley continues to increase earnings."

Valley Bancorporation, a financial services company, consists of 17 banks with 27 banking offices, leasing, trust service and data processing subsidiaries. Valley is in the process of filing an application with the Federal Reserve Board for approval for the affiliation of the \$22.1 million-asset First National Bank of Ripon, Ripon, Wisconsin. The bank serves Ripon and the surrounding areas of Fond du Lac county.

SENIOR INFORMATION AND REFERRAL OFFERED

The Washington County Office on Aging information and referral services hours are 8:00 a.m. to 5:00 p.m. Monday through Friday, according to a news release.

Services available for senior citizens deal with such things as health, legal questions, ID cards, nursing homes, nutrition, senior citizens act and more.

The office is at 401 E. Washington Street, West Bend, or you can call 342-2929 (ext. 4497 or 4494), 338-4497 or 338-4494.

Wisconsin Law Requires Clear Windshields

When the frost is on the pumpkin — it's a safe bet that it's going to be on quite a few car windows, too.

James O. Peterson, highway safety coordinator for the Wisconsin Department of Transportation, today reminded motorists that Sec. 346.88 (4) of the Wisconsin Statutes requires them to keep windows of motor vehicles reasonably clean and their vision unobstructed.

"Law enforcement officers frequently encounter motorists attempting to drive with only a small peep hole cleared through the ice and snow on their windshield, or with windows fogged up on the inside and their vision obstructed," Peterson said.

"Under those circumstances, the officer may issue the violator a citation, require him or her to scrape the windows, or sit by the roadside until the vehicle's defrosters begin to work," he added.

Conviction of violating the law can result in forfeiture of not less than \$20 nor more than \$40 for the first offense, and not less than \$50 nor more than \$100 for a second or subsequent conviction within a year.

Peterson said the problems of fogging of interior window surfaces can usually be alleviated by opening a side window. A good ice scraper with a long handle and brush is invaluable to help reach ice and snow on center portions of windshields and rear windows.

If fogging or icing occurs while driving, the driver should pull over the shoulder away from the traveled portion of the roadway and clear the window, Peterson added.

Blaze Orange Required for Gun Deer Season

When making your preparations for the gun deer season which opens in Wisconsin on November 22, remember the requirement this year pertaining to visible clothing worn above the waist.

Homer Moe, coordinator of hunter safety, reminds hunters that the law now requires that 50 percent of all clothing worn above the waist, including hats and caps, be fluorescent blaze orange in color. The requirement applies during the gun deer season when doing any hunting, except for waterfowl, in all areas where deer are taken with firearms.

He noted that many hunters have been wearing the highly visible blaze orange during past seasons even though it wasn't required by law until this year.

WCCL TO FEATURE GUEST SPEAKER NOV. 19

The Wisconsin Citizens Concerned for Life will meet on Wednesday, November 19, at 8:00 p.m. at the Slinger Bank Building.

Guest speaker will be Sue Moser, director of the Washington County Citizen Advocacy Program. The public is welcome.

A NOTE OF THANKS

We wish to extend our heartfelt thanks to the Kewaskum Fire Department for their quick response to our fire call. Special thanks to Debbie Lettow who spotted the smoke and notified us.

Minutes of Village Board Meeting

Mid-Monthly Meeting
October 20, 1980
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Village Trustee members were present.

The minutes of the Board meeting of October 6, 1980, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Herriges. Voice vote was unanimous.

A public hearing was held on the application of Thomas Gundrum for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises known as the Homestead Supper Club located at 1139 Fond du Lac Avenue. There were no objections to the application. The hearing was declared closed upon motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The application of Carole Dreher for a bartender's license was approved and the Commissioner was authorized to issue the proper license upon payment of the required fee. Motion by Trustee Herriges, seconded by Trustee Blumer. Voice vote was unanimous.

Administrator Schmidt reported that work on the 1981 proposed budget was in progress and that a preliminary draft should be ready for the November 3 meeting.

Basketball fees, referee fees, scorekeeper's fees and timer's fees, as recommended by the Parks and Recreation Committee were approved and ordered placed on file. Motion by Trustee Herriges, seconded by Trustee D. Nigh. Voice vote was unanimous.

Trustee Mlodzik reported that there seemed to be very little interest in the establishment of a county wide library system.

The application of Thomas Gundrum for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises known as the Homestead Supper Club located at 1139 Fond du Lac Avenue was approved and the Commissioner was authorized to issue the proper license upon payment of the required fee. Motion by Trustee D. Nigh, seconded by Trustee Rohrer. Voice vote was unanimous.

The following personnel realignment proposal, a recom-

mendation of the Village Board as a whole, was read by President Stollenwerk:

In recent months, it has become apparent to the Village Board that in order for the Village to be more effective, it needs a full-time employee to coordinate all aspects of Village activities. In the past, this was the responsibility of the Village Board. We recognize this as being a most difficult task since we are only "part-time" Village employees. Therefore, effective tonight, Monday, October 20, 1980, we are taking the following appropriate action.

Village Administrator, Dan Schmidt, will assume additional duties, and responsibilities. The Administrator's new position guide contains 24 different duties and responsibilities. I will read the first one which clearly defines the realignment.

"The Village Administrator will be responsible for the coordination, direction, and supervision of all Village departments."

In this new capacity, the following Village employees will report to the Village Administrator. They include:

- Superintendent of Public Works
- Chief of Police
- Superintendent of Wastewater Treatment
- Commissioner
- Head Librarian

The Village Board is confident this realignment will provide the following benefits to our Village Government and the Village taxpayer.

- 1) Better continuity, coordination, and communication between all village departments and employees.
 - 2) More effective utilization of present Village manpower and equipment resources.
- The Board is confident Dan Schmidt has the necessary qualifications to do an excellent job in his new capacity. His experience includes 1 year and 3 months as Village Administrator and 6½ years of service on the Village Board.

There are no other personnel changes under consideration at this time.

Motion was made by Trustee

Mlodzik and seconded by Trustee Rohrer that the realignment Proposal be approved and adopted. Voice vote was unanimous.

Motion was made by Trustee Mlodzik, seconded by Trustee Rohrer, that effective with the pay period beginning Wednesday October 23, 1980, the salary of the Village Administrator, Daniel Schmidt, be adjusted from \$17,500 per year to \$19,250 per year. Voice vote was unanimous.

President Stollenwerk announced that Charles Schultz had resigned as a member of the Board of Appeals. President Stollenwerk recommended that John Tessar be appointed a member of the Board of Appeals to fill the vacancy created by the resignation of Charles Schultz and that Richard Schmidt be appointed as the alternate member to the Board of Appeals. The recommended appointments were ratified upon motion by Trustee Rohrer, seconded by Trustee Blumer. Voice vote was unanimous.

The Board of Appeals decision with reference to the application of Peter Knaup for a variance to the zoning ordinance in connection with the proposed construction of housing for the elderly was received and acknowledged upon motion by Trustee Herriges, seconded by Trustee Blumer. Voice vote was unanimous.

The Board held a discussion on the various methods available for the disposal of the treated sludge from the wastewater treatment plant.

Final payment in the amount of \$6,484.00 payable to the Permutit Company, Inc., for the MRP-36 sludge press at the wastewater treatment plant was authorized upon motion by Trustee Blumer, seconded by Trustee Herriges. Roll call vote of six (6) "Aye" and zero (0) "Nay" in favor of approving the payment.

Adjustment of the third quarter sewage and water billings based upon a recommended 80% factor to Fairmont Foods Company was authorized upon motion by Trustee Herriges, seconded by Trustee Rohrer. Voice vote was unanimous.

Upon motion by Trustee Herriges, seconded by Trustee Rohrer and unanimously carried, the Board adjourned until 8:00 P.M. November 3, 1980.

'The Master' Willie Goeden

Photo by Dick Jepsen

Willie Goeden wrapped up the 141 Speedway season by winning the 40-lap modified feature. Miss Eastern Wisconsin Stock Car Ruth Jones turned over the trophy.

Late Model "The Master" taking the checkered flag as he wins the "Dash for Cash" at Slinger.

As if he didn't have enough with his auto body and car service business, Willie Goeden of St. Michaels did double duty this racing season. This meant a schedule of five regular nights and two specials a week! In the two divisions, late model and modified, "The Master" has been on the top of the sport for the majority of 24 years.

This year has been a very good and enjoyable one for the Goeden family and fans. In the Late Model Division, Willie never won the feature event this year, but finished 2nd at the Slinger Super Speedway and 5th at the Wisconsin International Raceway in Kaukauna. He was the 1979 Rookie of A.R.T.G.O., which is a racing organization that puts on racing shows at different tracks in the midwest. Willie has competed in the three surrounding states, but his best showing was at Plover, Wisconsin at the Golden Sands Speedway, where he placed second in each of the twin fifty-lap features.

Thanks to his pit crew, Jerry Zingsheim of West Bend and Bob Backhaus of Kewaskum, who are very dedicated to Willie and the sport of racing, and other members including Windy Kuehl and Bill Lehmann of Kewaskum, Bernie Mueller of Saukville, Gene Zimmerman of Germantown, and Willie's sons, Dave and Don, the late model with the number 72 will again be out at the tracks next year. This year the car was sponsored by Hog Haven Valley Farm of St. Michaels, (Bernie and Phyllis Ermer, owners); Herriges Tap in St. Michaels, (Dick and

Mary Ann Loos, owners); West Bend Tire Service of West Bend, (Harley and Alice Koehler); Bradley Auto Salvage of West Bend, (Jimmy Gish and Ken Wagner), and K. B. Lettering of Campbellsport and Kewaskum, (Karen and Bill Breitzmann, owners). The engine sponsor for this year was Dr. Cliff Liddle of Milwaukee, with a Proto-Type engine from Wheeling, Illinois.

This year was an experimental one for the Goeden clan in the modified division, and a successful one. The Vega bodied car is owned by Randy Zahner of Sheboygan, a quick-witted, single, 26-year-old nut! It is towed and sponsored by Marv's Auto Body of Sheboygan, (Marv and Gloria Zahner, owners) and Duening's Tap of downtown Erdmann, (Lester and Delores Duening, owners). Car Owners Supply of Milwaukee is the main sponsor for the engines, and although there were problems during the year, the Goeden Crew finished 4th in the Eastern Wisconsin Racing Association, winning the final main events at the Plymouth

and Francis Creek race tracks. Randy's and Willie's pit crew with the modified include Marv Zahner, Bill Baetz, Bob Mertis, Gary Shaeffer, Gary (Axle) Axlen, all of Sheboygan; Shifty Spindler of Waldo and the Goeden boys.

Look for the blue and silver No.72 (the only one out there) again next year at the Eastern Wisconsin Tracks, Beaver Dam, and the special events at Plover and Oregon, Wis.

After the races, anywhere you go, stop in the pits and talk to your favorite driver and crew. They enjoy meeting the fans and friends of racing, because that's what it is all about.

Willie, along with Tony Strupp of Slinger and Jim Hendricks of Germantown, were honored at the annual Slinger Super Speedway Banquet, on Nov. 8 at the Kettle Moraine Bowl in Slinger. The drivers share a \$10,000.00 point fund this year, that was set up by promotor, Wayne Erickson.

Gun Safety Tips For Deer Season

With the gun deer season now only a week away, hunters are reminded to use extra caution when loading and unloading firearms this season.

Lever action carbines with an exposed hammer require special attention according to Homer Moe, DNR hunter education coordinator. "This type of firearm was involved in one-half of the 10 incidents involving accidental discharge of firearms while loading or unloading reported during the 1979 gun deer season," Moe said. Also, he noted, lever action carbines with exposed hammers were involved in eight other accidental discharge incidents resulting from dropping the firearm, falling while carrying it, etc.

Hunters should always be aware of where the muzzle of their firearms is aimed, and be sure that it is pointing in a "safe" direction. "This is especially important when loading or unloading the gun or carrying it while traversing rough terrain," Moe said. "And," he continued, "caution is urged when cocking or releasing the hammer on the carbines. Cold hands or bulky gloves could cause a slip and result in an accidental discharge of the firearm."

Moe summed up the responsibility of the hunter by saying, "Everytime we pick up a firearm, we pick up a responsibility, and once fired, a bullet cannot be recalled...it will travel toward its final destination regardless of what is in its path. Every hunter has the personal responsibility to make every shot both safely and accurately. An awareness of this individual safety responsibility is the first step in achieving it."

INCREASE PENALTIES FOR ILLEGAL DEER POSSESSION

A reminder that the same increased penalties in effect this year for deer shining also apply to the illegal possession of a deer carcass.

Any person with an untagged deer in his possession is liable to penalty assessments under the new law. This includes hunters who may be in possession of untagged deer in the field or elsewhere.

The total minimum assessments for possession of untagged deer now total \$1,879 plus revocation of hunting license for a period of three years.

COMPLETE MAILING OF HUNTER'S CHOICE PERMITS

Hunter's choice permits have all been mailed out to successful applicants according to Douglas Poole, Chief of the licensing section in the Department of Natural Resources.

The last of the permits were sent out at midweek last week and the 93,930 hunters who will receive them should have had them no later than the end of last week or the first part of this week.

A total of 348,340 applications for permits were received...unsuccessful applicants will NOT be notified.

Randy Heberer Selected to All-Conference Football Team

Champion Two Rivers and second place Chilton dominated the Eastern Wisconsin all-conference football team selected in balloting at New Holstein last Thursday.

Chilton had seven players named to the first team, including Jon Bloomer and Ken Zacharias who were picked for both offensive and defensive play. Two Rivers, which won their semi-final WIAA playoff game last weekend and has the title contest coming up this week, had six players named to the all-conference squad, plus their placekicker, Chris Guyenberg. The Raiders also had Dennis Jacobs, their 6-4, 245-pound tackle, placed on both teams. Two Rivers' top rusher and the conference's top ground gainer, 213-pound Dan LeClair, did not make the first team.

Randy Heberer, fullback on Kewaskum's winless team, was the only Indians selected to the first team. Randy gained close to 100 yards per game and averaged five yards per carry. Heberer, a good football player, was a three-year defensive starter on the team.

Heberer gained 543 yards in 108 carries during the season. His 90-yard run against Kiel in the final game was unofficially the longest in the conference this season. Randy also played a strong roll on defense as a

linebacker. The Indians had no players named to the second team but all players who were nominated for consideration received honorable mention. These included three Kewaskum players, tight end Perry Kempf, offensive tackle Steve Muench and linebacker Pete Wiedmeyer, a junior.

Lisa Kempf on Second Team

Michelle Rodenkirch Named to All-Conference Volleyball Team

Eastern Wisconsin champion Two Rivers placed two girls on the first and second teams of the all-conference volleyball team selected last Thursday at New Holstein by the seven coaches.

The Raider girls moved on to Saturday's Sectional in an attempt to gain a State Tourney berth. Sandy Dix and Vicky Bonino made the first team and Debbie Meverden and Jill Jonas were picked on the second unit.

Kewaskum junior Michelle Rodenkirch, a 5-9 front line player, was selected to the first team and Lisa Kempf, one of only two seniors on this year's varsity, was named to the second team. Two other Indian juniors, Barb Matenaer and Sue Bade, won honorable mention.

Rodenkirch is a hard spiker and was one of the main reasons the Indians were 7-5 for a third place finish. Kempf, 5-4, was a consistent player and performed well in all facets of the game. Matenaer is a good blocker and front liner and Bade's strengths were serving and spiking.

Kewaskum will have 10 letter winners back next year and should be a strong contender in the conference, together with Two Rivers.

- EASTERN WISCONSIN ALL CONFERENCE VOLLEYBALL TEAM FIRST TEAM**
- Tracy Horneck, New Holstein, Sr.
 - Stephi Parent, Sheboygan Falls, Jr.
 - Kaye Probst, Plymouth, Sr.
 - Michelle Rodenkirch, Kewaskum, Jr.
 - Sandy Dix, Two Rivers, Sr.
 - Vicky Bonino, Two Rivers, Jr.
 - Mary Kraus, Kiel, Sr.

- SECOND TEAM**
- Ann Burg, New Holstein, Jr.
 - Brenda Mischock, Sheboygan Falls, Sr.
 - Karen Pathon, Chilton, Sr.
 - Terry Schumacher, Plymouth, Sr.
 - Lisa Kempf, Kewaskum, Sr.
 - Debbie Meverden, Two Rivers, Sr.
 - Jill Jones, Two Rivers, Jr.
- Honorable Mention for Kewaskum — Sue Bade and Barb Matenaer

Area Snowmobile Clubs Take Part in Donkey Basketball

Thursday evening the Campbellsport Sno-Cougars held a Crosby Donkey Basketball tourney to raise funds for area projects.

The first game saw the Campbellsport High senior girls go down to defeat at the hands of the senior boys.

The second game was a hard-fought battle between the Kewaskum Sno-Chiefs and New Fane Kettle Riders. The Kettle Riders claimed victory in that game.

The final play-off saw The New Fane Kettle Riders win a knock-down, fall-off overtime battle over the senior boys, much to the disappointment of their yelling and screaming fans.

Quin Mueller, of the Kettle Riders, received a prize of \$10.00 for being the best dressed "lady."

Girls Should Be Contenders, Have New Coach

Indian Basketball Teams to Open Season Next Tuesday

The Kewaskum Indians boys basketball team will open the 1980-81 season Tuesday, Nov. 18, when they host former Scenic Moraine rival Slinger in non-conference action.

The Indians have six non-conference games this year, including both West Bend teams, the East Suns and West Spartans, as the result of being in a 7-team conference.

Kewaskum will be inexperienced on the varsity level this year. The team lost eight seniors, four of them starters. The only starter back is 5-9 guard Jim Rohlinger. Brian Larsen, 6-2 forward, who was not a starter but saw much action, will also return. Other lettermen returning are Jim Geldreich, Perry Kempf and Mike Geidel.

Other top prospects for the team moving up from the junior varsity are 6-3 Kevin Stautz, 6-2 Dale Wodsedalek, Jim Krahn and Ric Leitheiser.

Games in the new conference will start later. Boys freshmen and JV games start at 6:30 p.m. and varsity contests at 8:00 o'clock.

1980-81 SCHEDULE

- Nov. 18 — *Slinger Here
- Nov. 21 — *Campbellsport Here
- Nov. 25 — *at West Bend East

- Jan. 31 — at New Holstein
- Feb. 6 — Chilton Here
- Feb. 13 — at Kiel
- Feb. 20 — Plymouth Here
- Feb. 27 — Two Rivers Here

*non-conference

Ken Soerens, former freshmen and JV girls basketball coach, has moved up to the head coach job for the Indians this year. He is looking forward to a successful season and expects his girls to be strong contenders in the Eastern Wisconsin Conference.

Soerens succeeds Mike Theiler, who resigned to take a position in personnel. Last year the Kewaskum girls finished second in the Scenic Moraine and reached the Sectional final against McFarland.

Some 16 juniors and seniors out for the team include seven letter winners. The juniors coming up from last year posted a fine 14-4 record. Soerens believes this year's team will be even stronger with most of the stars, now seniors, returning. The Indians will have scoring, rebounding and top defensive players.

The Indians will open the season with a non-conference game at Slinger Tuesday, November 18.

Fans are informed that the Eastern Wisconsin Conference starts all girls freshman and JV games at 6:15 p.m. and varsity games at 8:00 p.m.

1980-81 SCHEDULE

- Nov. 18 — *at Slinger

Gyms Closed

The Middle School gym will be closed Thursday evening, Nov. 13, for adult basketball. The reason is parent conferences.

The High School gym will be closed Saturday, Nov. 15. The reason is high school practice.

LAKES BASKETBALL PRACTICE SUNDAY

The Kewaskum Land o' Lakes basketball team will practice this Sunday, November 16, at 7:00 p.m. in the high school gym. Anyone interested in playing on the team is invited to attend.

If interested but unable to attend this practice, you may call Manager Bill Backhaus at 338-6598.

Jaycee Junior Bowling Program a Big Success

The Kewaskum Jaycee Junior Bowling Program, running since early September at Lighthouse Lanes, West Bend, is a "bigger success than we could have imagined" according to Jaycee bowling instructor Brad Kidd. Thanks to the support of the local businesses, the junior bowlers are having a great time competing this year.

During the month of October, the junior bowlers at Lighthouse Lanes helped raise over \$1600 for the Wisconsin Lung Association by participating in Bowl-A-Thon '80. The three highest contributions were turned in by Melissa Odermann from Kennelly Pharmacy team, who raised \$58.10, Kevin Lisko from Miller's of Kewaskum, who raised \$61.23, and the highest mark belongs to Allen Schepp, also from Miller's team, who collected \$86.42 from his sponsor. Total money collected from the 8-11-year-old bowlers came to \$692.59, a pretty good job in anybody's book.

The first three prize winners received trophies. Anyone with over \$25 in contributions received a T-shirt and all those who participated received a patch "I Helped."

There are highlights every week the kids bowl and last week was no exception. The adults were even awed when they witnessed 10-year-old Lisa Schaeffer of the Village Sport Shop convert a 6-7-10 split. Unbelievable!

The Jaycees would like to ask local residents to help support this great project by patronizing the local businesses that contribute to the success by sponsoring teams.
