## Brenholt Told to Keep Tight Rein On School Spending for 1981-82

By GERRY MUELLER  
Statesman Staff Writer

After a two hour meeting Thursday evening, the Kewaskum School Board Committee on Staffing recommended School Superintendent Floyd Brenholt stay within an 8% ceiling increase in spending for 1981-82 over this year's budget. Committee member John Tessar told Brenholt he would have to keep equipment pur-

chases, general expenses and staffing to a minimum for the next year. Committee member Dr. Charles Ogi felt that guidance and library services were two places where jobs could be condensed. He thought one librarian could serve two schools. Ogi also asked what the function of a middle school counselor was. He said he was not suggesting the people in these positions were not doing

their jobs, but with the present economic conditions, "people are just having a hell of a time." A study of student enrollment over the last 10 years showed a gradual increase from 1971 through 1979, levelled off for one year and this year lowered by 73 students. Brenholt feels there will be another enrollment drop of approximately 50 students next year. Brenholt thought one elementary teaching position could be dropped, but other areas would have to be reviewed after students for next year had actually registered. Comparing two out of area schools of similar size on a per student basis, Brenholt noted Kewaskum had 14 teachers less than Ashland and 34 less than Jefferson.

## School Board Reviews Energy Conservation Study

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's School Board meeting, Walter Lau of Bray and Associates presented a more concise, in-depth outline of Bray's contract to provide technical assistance in an energy study for the Kewaskum School District.

plete this study if Kewaskum decided to accept their contract. After discussion among the board, it was decided approval of the contract would be tabled until this new information could be reviewed.

Committee member Richard Theusch told Brenholt he could look at anything to cut the budget including athletic programs.

Lau told the board a preliminary study of the high school and elementary school had shown 28 areas where changes could be made resulting in energy dollars saved. Using 1978 figures, Lau and Business Manager Bob Borch calculated a ball park savings of approximately \$21,000.00 per year in energy costs if these changes were made. This figure included heating, lighting, etc.

John Spoerl, former janitor at the middle school, appeared before the board. He was not satisfied with the board's decision to give him first consideration for any opening which might develop on the maintenance staff, but felt he should have been returned to his former job.

Tessar said looking at the school district as a whole did not help and he would like the committee to see a breakdown by class and how many students were registered for it.

Board President John Tessar asked if the utilities companies could provide this same service without the high cost. Lau felt these companies would not cover all areas as required by the government. Lau presented the guidelines from the federal government which must be followed in such a study.

Tessar told Spoerl he was dismissed as disciplinary action which was fully justified by Spoerl's actions. However, the board was giving him a second opportunity because they felt the situation could have been handled more efficiently than it was.

Brenholt said he would not be able to present the committee with any specific list of cuts until February.

Lau informed the board that because of the preliminary study submitted under the Energy Act, Title III, Kewaskum had been granted funds to conduct this second survey. This survey is the next step in applying for funds to help defray approximately 50% of the costs to implement these changes. The survey must be made by a firm approved to make such studies. The costs of Bray and Associates' contract will be \$9,000.00, with 50% (\$4,500.00) being paid by Energy Act funds and 50% by the Kewaskum School District.

Tessar informed Spoerl he would get the job only if he agreed to meet the requirements set up by the supervisor, that he work the hours set for the job. Tessar said if Spoerl could not or would not meet these requirements, he had no business accepting the job. Tessar said after tonight's discussion, the issue is considered closed.

## Fire Department Elects Officers

The annual election of officers of the Kewaskum Fire Department was held at the December meeting held Thursday night at the fire station. Officers elected for the next year are as follows:

Board member Jean Goeden asked if there was a deadline for application to this program. Lau told the board March 30, 1981, was the closing date for submitting requests for assistance from this government program. Lau also told the board it would take Bray two months to com-

A survey covering sports activities was submitted to the board. The tally gave the board a general idea of which activities and how many students would be interested in each sport.

Assistant Chief — Don Ehnert, re-elected without opposition.

First Captain — Dave Zehren, succeeding Ed Miller, who was not a candidate for re-election.

Second Captain — Bob Stoltzmann, succeeding Dave Zehren.

First Lieutenant — John Kudek, re-elected.

Second Lieutenant — Francis Gengler, re-elected.

Rescue Captain — Andy Pesch, succeeding Kelly Rauch, who was not a candidate for re-election.

Rescue Lieutenant — Tom McElhatton, re-elected.

Secretary — Dick Schmidt, re-elected without opposition.

Treasurer — Ron Amerling, succeeding Don Seil, who was not a candidate for re-election after serving for many years as treasurer.

Fire Chief Augie Bilgo is appointed by the village board.

## Town of Kewaskum Tax Rate Up \$4.28

Taxes in the Town of Kewaskum will be \$4.28 per thousand higher than the rate of 1979. All categories (state, county, school, etc.) show an increase.

## Lynn Geldreich Selected As KHS Hugh O'Brian Youth Foundation Candidate

Lynn Geldreich has been selected as Kewaskum Community High School's candidate for the Hugh O'Brian Youth Foundation International Leadership competition, Clark Pearson, Principal, announced.

the International Leadership Seminar will interact with top tenth graders from every state in the nation and 12 other countries and with prominent leaders in business, government, education and the professions.

The Hugh O'Brian Youth Foundation promotes leadership qualities in high school sophomores. The local competition was open to all high school sophomores. The criteria for selection consisted of evidence of emerging leadership, ability, cooperation with fellow human beings and sensitivity to needs of others, ability to relate to new pursuits and acquaintances, and the desire to learn and share knowledge and experiences with others.

The actor, Hugh O'Brian, established the Foundation in 1958 to seek outstanding high school sophomores and provided them with opportunities for their potential leadership abilities to emerge, develop and be recognized. The seminars are vital to achieving the Foundation's goals.

Lynn will now compete with other high school representatives from Wisconsin. One boy and girl from the state will be chosen to attend the annual all-expense-paid, weeklong International Leadership Seminar on America's Incentive System, sponsored by Hugh O'Brian Youth Foundation and coordinated by the University of Texas at Dallas on July 4-11, 1981.

"These informal sessions are run by the 10th graders," O'Brian said. "One of the most exciting aspects of the sessions is the question and answer time with plenty of give and take from the students and speakers. The Seminars provide a means for the nation's young people to return home and make a positive contribution towards motivating themselves and their classmates to become contributing members of the community. The Seminars also provide the opportunity to take note of the exciting good news about the nation's positive-thinking youth ... tomorrow's leaders."

A "Blue Ribbon" committee composed of 53 nationally recognized leaders will select the candidates at the state level. Those chosen to participate in

## Christmas Concert at KHS

On Wednesday, Dec. 17 at 7:30 p.m. the Kewaskum High School band and chorus, under the direction of Mr. Larry Ammel and Mr. Dave Bertelsen will present their annual Christmas concert, in the high school auditorium. In a relaxed concert atmosphere, with card tables and chairs set up, the public is invited to sit back, relax, and enjoy the mixed chorus sing "Go Tell it on the Mountain," "Lullaby," "I Wonder as I Wander" and two selections from the Messiah by Handel. The girls chorus will sing "Deck

the Halls," "Wolcam Yole" and "O Holy Night;" the symphonic band will play "A Festival of Alfred Burt Carols," "Sleigh Ride" and "The Twelve Days of Christmas" and other carols; the concert band will play "Greensleeves," "A Christmas Festival" and "Christmas Shopping" and other Christmas favorites.

Refreshments will be served and Santa will make a guest appearance with treats for children 7 years old and younger. The public is cordially invited to attend.

### Ralph W. Schoenhaar, Former West Bend Mayor, Kewaskum Native Dies

Ralph W. "Shorts" Schoenhaar, 78, of 151 University Drive, West Bend, former mayor of that city, died Saturday, Dec. 6, at St. Joseph's Community Hospital there following a stroke. He was admitted to the hospital at 6:30 a.m. Saturday and passed away at 7:30 p.m. the same day.

He spent 22 years, from 1956 to 1978, as an elected West Bend city official, the last 12 as mayor and before that 10 years as an alderman. In 1978 he retired after deciding not to run for re-election. His final term as mayor was interrupted by a time of hospitalization following a stroke.

Schoenhaar was born July 18, 1902, at Kewaskum and moved to West Bend at an early age. He married Mildred Waldeck at St. John's Lutheran Church, West Bend, on June 16, 1928.

He is survived by his wife; one sister, Viola Mechenich of West Bend; one sister-in-law, Pearl Schoenhaar of West Bend; and other relatives and friends. He was preceded in death by his parents and a brother, Oscar.

Schoenhaar worked as an auto mechanic at the Louis Kuester Garage and later operated his own service station for many years.

Funeral services were Tuesday at 1:30 p.m. at the Schmidt Funeral Home, West Bend. Rev. Victor Hackbarth officiated and burial was in Washington County Memorial Park. Visitation at the funeral home was Monday after 4 p.m.

#### JOHN GALABINSKE

John H. Galabinske, 82, a former resident of rural Campbellsport, passed away Wednesday December 3, at the Wood Veterans Hospital in Milwaukee where he had been a resident for five years.

Mr. Galabinske was born March 29, 1898, in Campbellsport to the late John and Lillian Hebert Galabinske. He was engaged in farming and also was an employee of the Eden Canning factory. He also served in the U.S. Army during World War I.

Survivors include one sister, Mrs. Lillian (Everett) Kelch of Mt. Dora, Florida; six brothers, Frank, Leo, Walter and Joseph of Campbellsport, Clarence and Lawrence of West Bend; other relatives and friends.

Services for Mr. Galabinske were at 8 p.m. Friday at Miller's Funeral Home, Kewaskum, with Rev. Victor Kemmer officiating. Visitation was at the funeral home from 5 p.m. to time of services. Burial was on Saturday, at 10 a.m. at St. Matthew's Cemetery in Campbellsport.

#### EDWIN "SPATZ" MILLER

Edwin "Spatz" Miller of Menomonee Falls, formerly of Milwaukee, passed away Friday, December 5, at the age of 86 years. He was a former resident of Kewaskum and was well known as a basketball player with Kewaskum teams in his younger years.

He is survived by one daughter, Carol (Charles) Steege; three grandchildren, Scott, Dale and Beth Steege; one sister, Selma Backhaus of Kewaskum; nieces, nephews, other relatives and friends. Two sisters and one brother, all of Kewaskum, preceded him in death. They were Mrs. Otto Backhaus, Mrs. William (Elsie) Bassil and Reinhardt Miller.

Complete funeral services were held Sunday evening at 7 p.m. at the Harder Funeral Home, 18700 W. Capitol Dr., Brookfield. Interment was in Graceland Cemetery. The body was in state from 5:00 to 8:00 p.m. Sunday.

He was a member of Siloah Ev. Lutheran Church.

a minimal expenditure as well as allowing youngsters of all sizes to participate. He said soccer does not eliminate the smaller, lighter youths as does football. Brigham stated, from his own experience, as a football player and now a soccer coach, he felt the incidence of serious injury to soccer players was much lower than football. Brigham felt that some day there might be a chance that soccer would replace football in lower school sports programs. Right now soccer is the No.1 sport in the world.

Brigham said he was not suggesting that other sports be

dropped to make room for tennis and soccer, only that re-arranging of game schedules could allow for these extra activities without a large increase in the budget.

The board decided to inform St. Lucas Church that they would be willing to exchange properties as discussed at a previous meeting, however, the board could not make the final decision since they were informed a transaction such as this must be brought up at the annual meeting for approval. The board voted 5 for, 1 against and 1 abstaining for presenting this proposal at the next annual meeting.

The board voted to accept Policy No.5113 covering compulsory attendance.

This is an old picture of the Mathias Rimmel home, also known as the Mike Bath home in later years, now owned by Louis Bath, Sr., taken in the summer of 1899. The location was Wilhelmena Strasse, now First St., which leads into the front door of the old grade school.

People from left to right: Girls standing on step believed to be Mary Rimmel, wearing hat; Lorina Rimmel [Mrs. Louis Bath, Sr.] and Adeline Rimmel [Mrs. Jack Rodenkirch]. To right: Edward Rimmel, youngest of the Math Rimmel family; Mathias, Jr., brother to Edward, and Mrs. Mathias Rimmel, Sr. seated in chair.

The girls, Mary and Lorina, were daughters of Nicholas Rimmel and were aunts of the editor.

Adeline [Mrs. Rodenkirch] and the two boys were aunt and uncles of Ralph Rimmel of Kewaskum. Mrs. Rimmel was a grandmother of Ralph Rimmel.

Math Rimmel, Sr. was in business with his brother Nicholas for a time in what was Rimmel

Manufacturing Company. In later years Math operated the saw mill which was located across from the Peace Church in Kewaskum.

About 1910 the Math Rimmel family moved to Milwaukee.

## UWWC Christmas Concert Sunday at West Bend

The Moraine Chorus of the University of Wisconsin-Washington County will perform "The Childhood of Christ" by Hector Berlioz at its concert this Sunday, December 14, at 3 p.m. in the UWWC Union theatre. The concert is free and open to the public.

This seldom heard work tells of the Holy Family's flight from King Herod and the sanctuary they find for the birth of Christ.

"The Childhood of Christ" was performed for the first time in Paris, 1854. The work is composed for chorus, soloists and orchestra.

Rick Gilbertson, tenor, sings the role of the narrator. William Stonecipher, bass, portrays King Herod. The part of Polydorus is sung by John Searle. The centurions are Scott Fossum and Paul Schmidt. Sheila Moore sings the role of Mary in Part I, and Mary Lou Farley takes over the role in Part II. Joseph is Gary Gerhartz. Mark Hagner sings the role of the housefather who welcomes Mary and Joseph after their flight from Herod. Elizabeth Fisher is the piano accompanist for this performance of the Moraine Chorus.

from Tom Letzke, R.P.H.

There are three terms that people who self-medicate with over-the-counter drugs should know about.

They are: 'toxicity,' 'contraindication' and 'drug interaction.' Failure to understand their meaning can make someone needlessly ill, or aggravate a condition from which he already suffers.

Toxicity is simply a poisonous effect or adverse reaction to a drug. The national professional society of pharmacists points out that all drugs and medicines are toxic to some degree. If they weren't, they would be useless. We will discuss these three concerns in future columns.

### Kewaskum

114 Main Street • 626-2186

Mr. and Mrs. John H. Heisdorf, 8669 Kettleview Drive, Kewaskum, are proud to announce the engagement of their daughter, Teresa, to Dennis Fechter, son of Mr. and Mrs. Bernard Fechter, 2071 Shalom Drive, West Bend.

Teresa is a 1980 graduate of Kewaskum High School and is employed at West Bend Mutual Insurance Company. Dennis is a 1977 graduate of Kewaskum High School and is employed at

Dehling and Voigt of Newburg. The couple is planning a June 26, 1981 wedding.

Does the hustle, bustle and excitement of Christmas shopping wear you down? Take it easy and make Holiday Shopping 1980 an enjoyable experience.

The State Medical Society of Wisconsin and the American Medical Association offer several strategies to help you get every item on your list and still feel fit.

First, plan shopping time for several short trips rather than one full day. Ideally, plan to shop for 45 minutes and then take time for a short break — just sit down and relax or sit down to enjoy milk, coffee, fruit juice, a soft drink or ice water. The rest breaks every 45 minutes relieve strains on the muscles and skeleton.

Alcoholic beverages and shopping are not recommended. Why run the risk of less-than-perfect judgement or purchasing items out of your budget range or possible tripping, causing injury due to fuzzy judgement? Alcohol is a depressant. If you drink in the middle of your shopping, it will slow you down.

Avoid a back injury by carrying packages which are too heavy or too clumsy. Use a handcart to take them to your car or have them delivered to

your home.

Dress in layers of clothing for holiday shopping. Peel off one or two layers in the store to avoid getting overheated and then chilled when going outside again.

Foot fatigue can be the most annoying, uncomfortable problem of the shopping season. It is caused by diminished circulation and muscle strain. You get the sensation that your feet are working under protest — and they are!

Waiting in long checkout lines is a major cause of discomfort. It can be relieved by moving slightly every minute or

by shifting the body's weight from foot to foot.

Wear the most comfortable shoes or boots you own.

Take additional precaution as you drive after shopping. Holiday traffic means more cars on the road, with drivers who may be tired, emotionally upset, in a hurry or who have consumed alcoholic beverages.

The average American gets 45 percent of his calories from carbohydrates, 38 percent from fats and 16 percent from protein.

### Campus Notes

A number of Ripon College students participated in a drama production, "Vanities," performed on December 4, 5, 6 and 7.

The play is a character sketch of three women and their friendships. Written by Jack Heifner, the play traces the three women from their senior year in high school as cheerleaders to their senior year in college as sorority members and finally to a meeting six years later after they have all gone their own ways.

The production was under the direction of Lorraine Charlson, who is a senior from Bloomington, Ill.

Among the other students participating in the production was Kurt Zarlino of Kewaskum. Zarlino was the makeup crew chief for the play. Zarlino, a sophomore at Ripon, is the son of Mr. and Mrs. Richard Zarlino of P.O. Box 219.

Lori Koepke, daughter of Mr. and Mrs. Edward Koepke of Route 1, 1662 Springview Dr., Kewaskum, participated in a combined concert of the Ripon College Collegium Musicum and the Symphonic Wind Ensemble on November 25 at Ripon College.

Koepke, a senior criminal major, is a member of the Symphonic Wind Ensemble. Its membership totals 44.

## Attend Insurance Schools

Marlene Garbisch

Barbara Larson

Ron Larson, partner of A. C. Larson & Co., has announced that two members of the firm's sales staff have recently attended General Casualty's Insurance schools in Madison, Wisconsin.

Marlene Garbisch completed the Personal Lines school and has obtained her property and casualty insurance license. She has been employed by the firm for several years in the underwriting and policy production department. Prior to employment with A. C. Larson & Co. she was a personal secretary at the West Bend Company and at

Moraine Park School.

Barbara Larson completed the Commercial Lines School. Both agents will continue to handle production in the office and with the added training and licensing be able to give their insurance customers highly qualified service. Mrs. Garbisch and Mrs. Larson specialize in property and casualty protection, while Hilary Martin is a health and life specialist and Jerry Desrosier and Ron Larson are all-line agents with the firm's expanding insurance department.

## Senior Citizens Enjoy Turkey Dinner

Almost 100 area senior citizens were served a free turkey dinner Sunday, November 23, as a service project sponsored by the Kewaskum High School Key Club.

Preparing traditional Thanksgiving dishes, putting up streamers, setting each table, and arranging centerpieces were just a few of Sunday's activities. A total of 45 members participated. Much of the food

was paid for out of the club treasury; the rest was donated by members.

Not only the senior citizens, but many Key Club members, too, felt it was an overwhelming success. Many expressed interest in a similar project next year.

"The hardest part of my job was keeping (people) from snitching," said Sue Lemke, whose job, among other things,

was to put whipped cream on the pumpkin pie.

Aside from a stack of dishes dropping and a very crowded kitchen, everything went pretty much as it was scheduled.

"The food was great and the service was excellent," said one elderly gentleman.

The only problem with the whole evening," commented his wife, "was I think I ate too much."

## Sensenbrenner To Visit Europe

U. S. Rep. F. James Sensenbrenner, Jr. (R-Wis) is a member of a Congressional delegation scheduled to meet with European officials next week to discuss the problems of combating international terrorism.

Sensenbrenner and other members of the House Judiciary Committee subcommittee will meet with government officials and other groups in Germany and Italy, which have been the sites of many terrorist incidents in recent years.

Topics of discussion will focus on those incidents, which have included political assassinations and kidnappings, and the methods European countries have used in responding to

them.

Sensenbrenner noted that Germany in particular has developed a strike force of military and police officers with a reputation for quick, effective anti-terrorist tactics.

"We believe there are things we can learn from these countries on dealing with the terrorist threat, and we also want to improve our cooperation with them in dealing with it," Sensenbrenner said.

The trip is an official, tax-supported activity of the House Judiciary Committee's Subcommittee on Civil and Constitutional Rights.

Children, the office grouch has decided, are the only thing that can be fresh and spoiled at the same time.

**VOLUNTEERS** you can get involved in many valuable ways. Following is a list of opportunities for volunteer services in Washington County. If you would like to volunteer for one of these services contact the person listed below.

**THE CITIZEN ADVOCACY PROGRAM OF WASHINGTON COUNTY** is interested in finding a volunteer advocate to match with Mary, a 33 year old woman, who lives at home with her parents. Mary was matched with an advocate/friend, but now needs a new advocate. Bowling, shopping and going to movies are among Mary's interests that you could share. Mary could really benefit from learning living skills, such as cooking and communicating on the phone with a friend. An advocate could also encourage Mary to speak up for herself. If you are interested in being matched with Mary, or one of the other persons interested in having an advocate, contact Sue Moser at 334-3384.

**THE CEDAR LAKE HOME** is looking for volunteers to interact with elderly residents by assisting in a varied activity program. Current needs include leaders of weekly reality orientation groups. Also needed are volunteers for weekend afternoon receptionist work. Call Peg Winn at 334-9487, mornings.

If you cannot contact the agency you are interested in (Mon. thru Fri. 8:00 a.m. to 4:30 p.m.), you can call during evening hours or on weekends: 334-4636, and leave a message.

(This column is a service of the Organization for Professional Exchange Now (O.P.E.N.) Volunteer Committee. Non-profit agencies that would like an item in this column can contact Susan Moser, Volunteer Committee Chairperson, P.O. Box 676, West Bend, WI 53095, or call 334-3384.

## J & J AUTO TOPICS

### ON OIL CHANGING

When you add four quarts of new oil and keep the same old oil filter with 'trapped oil' you have five quarts of dirty oil in your engine. Filters cannot hold all the sludge and acid. For the extra cost of a quart of oil and filter, it isn't worth the extra wear on pistons, bearings and valves.

In our various engine maintenance services at J & J AUTO SERVICE we notice that this is the cause for worn out parts that could have survived many more miles if the condition of the all-important oil was kept-up.

But if you do or don't, remember the drive to 450 E. Main gets you professional mechanical services. You'll like the way we treat your car. And you, too.

## Ms. Flax Appointed CCSA Coordinator

Doug Johnson, Program Director, is pleased to announce the appointment of Nancy Flax to the position of Developmental Disabilities Coordinator on a full-time basis effective Dec. 2. Nancy has been employed by CCSA since May of this year in the position of Mental Health Coordinator. She fills the position left vacant by the resignation of Margo Parisi by way of reassignment of duties within the Planning, Development, and Evaluation Center of CCSA. The responsibilities of the Mental Health Coordinator will be carried out by Johnson pending further plans.

Ms. Flax brings to the DD position strong knowledge and skills in the management of rehabilitation services. Prior to joining CCSA she served for two years as a Planning Analyst for Curative Rehabilitation Center in Milwaukee, and was the Director of Rehabilitation Services for Goodwill Industries of Madison from 1971 to 1975. Since 1975 Flax has also served as an Administrative Survey Consultant for the Commission on Accreditation of Rehabilitation Facilities. She was trained in the field of psychology at the University of Wisconsin - Madison and is currently enrolled in the DePaul University - Intensive weekend Master's program in the field of Rehabilitation Management.

Ms. Flax's organizational skills, knowledge of Wisconsin's 51.42/437 system, and familiarity with local Developmental Disability service providers will be of great value in continuing our tradition of quality DD services to the people of Washington County.

## Defending Champion KHS Chess Team Loses Top 4 Players; Strong Nucleus, Large Squad Back

The 1980-81 version of the Kewaskum High School chess team will open its season with a non-conference match on Monday, Dec. 15, at home against Homestead High School.

The Indians, defending South Central Chess Association champions the last two years, lost last year's top four players, Dusti Howell, Chuck Strancke, Kim Manthei and Tom Rosenberger due to graduation.

The Indians do have a strong nucleus of returning players led by seniors Steve Yahr, Rich Howell and Jim Simon. Howell was the team 5th board at the end of last year and finished with a 5-1-1 record in conference dual matches and is the team's leading returning scorer with 31½ points. Yahr won the conference JV individual trophy last year and also had a sparkling 5-1 record playing 5th board at last year's state meet. Simon has improved his end game play greatly from last year when he finished with a 4-2 record.

The juniors are led by Rob Slegler, Andy Rosenberger and Ken Bauer. The three combined for 12 wins, 2 losses and 1 draw in 1979. Slegler should provide a strong challenge to Yahr and Howell as to who will play number one board this year.

These six players who all finished first in the conference at their respective boards last year should fill the top six spots.

The 7th through 10th boards are wide open with lots of good competition. Leading the list now are sophomores Jay Buckingham, Brian Pamperin and Dan Butzke, along with freshmen Romie Holl and Gregg Classey. Pamperin and Holl practiced with the team at the end of last season showing good promise and finished high in last year's novice tournament.

Other students out are juniors DuWayne Schacht who finished first in last year's novice tournament, sophomore Phil Fellenz, freshmen John Martin, Glenn Classey, Todd Jarmin, Chris Ven Haus, Chris Picard, Tracy Howell and Randy Wilhelmi. This is the largest number of freshmen in four years to come out for chess.

Kettle Moraine, which shared the season conference crown and came in 2nd to Kewaskum in the conference should be the team to beat. Kettle has 8 of its 10 players returning. The scramble for 2nd place should be tight between the remaining five schools.

The conference is becoming more competitive as schools with poor chess teams drop out. Hamilton Sussex became the fourth school in four years to

drop chess from a team sport to a club activity.

The success of the Kewaskum team, according to advisor Roy Peterson, will depend on how well boards 4 through 8 do and how fast the sophomores and freshmen can learn the strategy involved in good chess.

## Late Hartford Surge Beats Short Handed Lakes Team

A late surge by Hartford there Sunday night gave them a 119-115 victory over Kewaskum in a Land o' Lakes contest. It was Kewaskum's second setback to date.

It was a close game all the way with Kewaskum playing well despite being short-handed. It was only in the final two minutes that Hartford crept ahead.

In a surprise, Ken Loest, a perennial Lakes all-league player and an 11-year veteran, has decided to call it quits with Land o' Lakes ball, at least for this year. Ken cited the traveling and bad knee as his reasons for quitting. Chris Schroeder also missed this game due to cutting his hand on a glass, which required stitches. However, he hopes to be back for the Mayville game there Sunday, Dec. 14, at 7:30 p.m.

Pete Hauser and Ted Rulseh each scored 28 points for Hartford. Leon Laatsch led Kewaskum with 30 points, followed by Clark Eichstedt with 29 and Tom Edwards with 23.

## Hints Given for Winterizing Your Boats and Motors

Proper off-season storage is vital to a long life and trouble-free operation of your outboard motor. Temperature and humidity changes while in storage can cause corrosion of essential parts of your motor if they are not properly protected.

Sales of new equipment indicate that many people are not trading in their boats and motors as frequently as before and, therefore, are operating older equipment for longer periods of time. That makes it even more essential that proper care of boats and motors be taken to avoid mechanical problems which could cause inconvenience, injury or loss of life. It is strongly recommended that you consult a dealer on the proper preparation and maintenance for winter storage. Here are a few helpful hints for you to follow.

1. Drain all the fuel from the engine and store it in a dry place, or use a good fuel conditioner which is mixed with the gasoline as a stabilizer. Operate the engine for a few minutes to allow the stabilizer to enter the carburetor.

2. Inject rust preventive oils into the fogging holes. This will lubricate and protect the internal parts of the powerhead

while the motor is in storage. 3. Store the motor in a upright position.

4. Drain the water from the crankcase and water pump, especially if being stored in an area where the motor could freeze.

5. Remove the battery, check its condition and store it on a wooden board in a cool, dry place. Check the water level and charge periodically during storage.

6. Remove and check the propeller. Clean and lubricate the propeller shaft.

7. Check the spark plugs. Clean or replace them as necessary.

8. Check your outboard visually for any loose screws or damaged or worn parts.

9. Apply a light solvent or a coat of automotive wax to expose parts for protection.

10. Read your owners manual for other instructions.

Check over your boat and make sure that all the water is drained from the inner hull compartments, then store in a dry place or turn the boat upside down. If the boat is constructed of wood, check for dry rot and any other construction problems. Check all auxiliary equipment on your boat carefully.

With proper maintenance and preparation before winter

storage, your boat and motor will be set to provide you with an enjoyable and safe boating season in 1981.

## Register That Snowmobile!

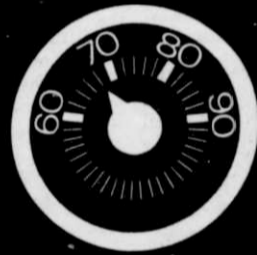

The arrival of snow in much of Wisconsin recently should serve as a reminder to snowmobilers to register their vehicles for the coming season.

Dick Royston, supervisor of snowmobile registrations in the Department of Natural Resources, said that only about one-third of the renewal notices for snowmobile registrations which expired last summer have been returned to the Department up to this time. About 167,000 renewal notices were mailed to owners the first week in October.

Failure to act promptly to renew your registration could find you with an unregistered machine, which it is illegal to operate in Wisconsin, unable to take advantage of the favorable snowmobiling conditions which we can expect at this time of the year in the Badger state.

A fee of \$12.00 registers your snowmobile for a period of two years.

### AND STILL BE COMFORTABLE

...with proper humidity furnished by an

# Aprilaire® HUMIDIFIER

Raising the humidity in your home reduces the amount of heat required for comfort, and helps save on your heating bill. And, proper humidity reduces infiltration of cold outside air through spaces caused by shrinkage of framing around doors and windows. Our recommendation to provide the proper humidity is the Aprilaire Humidifier. Accurate control. High capacity. Central humidification with any type heating system. Put more comfort in your life with the humidifier that gives you more — Aprilaire.

## Indians Squander Lead, Lose to Sheboygan Falls; Drub Lomira

The Kewaskum Indians broke even in two contests the past week, being edged out by Sheboygan Falls in their opening conference game here Friday, 59-56, and dominating Lomira of the Flyway Conference here Tuesday, 89-55.

The Indians got off to a fast start against Sheboygan Falls and it appeared it would be runaway as they took a 21-10 lead in the first quarter. But the Falcons bounced back to out-point Kewaskum in every one of the last three periods to pull out a victory. The Indians scored more points in the first quarter than they did in the entire second half.

In the first quarter the Indians hit on 10 of 22 shots. Brian Larsen and Jim Rohlinger each scored 6 points in the period. On the other hand the Falcons shot just 25 percent on 5 of 21 attempts and fell behind by as many as 12 points.

Even their star, Scott Meyer, failed to hit but he got going in the second quarter, hitting for 9 points. Tim Huibregtse added 6 and Falls cut the lead to 5 at halftime.

The Indians came out cold in the second half and were held to 2 points at the start, during which time the Falcons hit for 8. Falls moved into the lead by the end of the period by 2 points as they outscored Kewaskum in the quarter, 16-9.

The score was tied several times after that. The play was ragged for a couple of minutes and then Falls moved into a 57-52 lead, paced by Meyer's 6 straight points. The Falcons went into a stall and a basket by Huibregtse iced the 3-point victory.

Meyer wound up with 25 points and 12 rebounds while Huibregtse scored 20. Rohlinger was tops for the Indians with 15 and Larsen had 12. Dale Wodsedalek also played well and had 8 points, as did Ric Leitheiser.

Hosting Lomira in a non-conference tilt Tuesday night it was no contest as the Indians outscored the Lions in every quarter to run up 89 points, their high of the season, while holding the opponents to 55 for a victory by 34 points. The entire Kewaskum squad saw action.

Lomira's Larry Luedke took scoring honors with 23 points, mostly on long jumper shots but the Indians had 11 of their 12 players break into the scoring column. Larson topped the team with 19. The 6-2 junior also led in rebounding and was tough on the boards. Wodsedalek, another junior at 6-3 had 18 points and Rohlinger added 14. Wodsedalek hit on 5 of 9 shots before the subs came in and Rohlinger hit on 50 percent of his.

Early in the second quarter Lomira drew within 4 points at 22-18. Then the Indians started hitting and within minutes were far ahead at 37-19. At halftime Kewaskum had a 42-25 lead. After halftime Coach Jim Westphal shuttled reserves in and out for the final two periods, and still the Indians outpointed their opponents by wide margins.

Junior Dave Donath saw a little action for the first time since missing the whole football season due to an injury.

The Indians have a bye this weekend and will travel to

Mayville next Tuesday for a non-conference contest against their former old rivals of the Scenic Moraine.

### JVs BEAT FALCONS, FRESHMEN DEFEATED

In their conference openers Friday, the Kewaskum JVs won their game, while the freshmen were defeated.

The JVs beat Sheboygan Falls, 66-61, as Dave Donath, Mike Heisdorf and Jeff Geidel combined for 55 of their team's points. Donath was back for the first time since a knee operation early in fall which kept him off the football team. He had 19 points.

The freshmen were beaten by the Falcons, 68-47. Jim Hanrahan led the Indians with 13 points.

## Indian Girls Top New Holstein; Linda Larsen Scores 26 Points

Playing at New Holstein Tuesday night, the Kewaskum girls' basketball team came through with a fine team effort to defeat the Huskies, 68-58.

The Indians put their full court press to good use and led throughout the contest. They jumped off to a big 18-8 lead in the first quarter and after that the scoring was exactly even by both teams in every period.

Coach Ken Soerens had his players double team the Huskies' high scorer, Karen Burg, and it threw them out of their pattern. This caused many five second violations, but New Holstein adjusted to it after the Indians had taken a big first quarter advantage.

In the last quarter the Huskies rallied from 10 points to just 3 but Kewaskum came back to again go ahead by 10.

Linda Larsen, playing well, led all scorers with 26 points on 11 baskets and 4 free throws. Jill Yearling had 14 and sub Barb Matenaer was next with 7. Kris Elring paced the Huskies with 15.

The Indians, now 2-1 in

conference, entertain Two Rivers next Tuesday.
