Consider Closing Beechwood School Supt. Brenholt Faced With Cutting \$126,000 From School Dist. Budget

By GERRY MUELLER
Statesman Staff Writer

At Monday evening's meeting, School Superintendent Floyd Brenholt presented his list of proposed budget cuts to members of the Committee on Staffing.

Working with the 8% increase limit suggested at the committee's last meeting, Brenholt is faced with the problem of cutting approximately \$126,000, from the next school budget.

Chairman Dr. Charles Ogi suggested cuts in the teaching staff such as the elementary school guidance counselor and the reading specialist. Brenholt said he would not want to cut the staff. Brenholt felt that cuts in the teaching staff was one of the last places to look for any savings. Although enrollments have steadily declined over the last few years, drops to this point have not been significant enough (excluding Beechwood) to make it possible to drop any teaching positions.

Brenholt told the committee there was a possibility of dropping 1½ teaching positions (one/full-time at Beechwood and one ½-time at Kewaskum Elementary) saving \$22,500.00.

Due to the small and declining number of students attending Beechwood Elementary, the School Board is considering closing this school, possibly within the next year and combining its classes with Farmington. (Brenholt felt the closing should be held off one year until 1982-83). This closing alone would save approximately \$40,000.00 in the budget through heating, non-professional personnel and the cut of the one teaching position. Figures for Beechwood's population next year would average 12 students, per class for grades 1-6, using only three classrooms.

Other cuts would include dropping one high school bus run and dropping the Campbell-sport bus to the private school

saving \$13,160.00, offering parent contracts for students going to West Bend and Newburg \$8,000, all day kindergarten (every other day) \$32,379.00, cuts in activity programs, supplies and non-certified staff \$35,000.00.

Ogi again brought up the possibility of staff cuts. Brenholt stated "why do you expect us to cut, we're 18 people below the state average and \$60,000.00 below the state average in spending" comparing schools of similar size. Brenholt noted activities could be cut but it would be so insignificant "it won't amount to a hill of beans." Brenholt told the committee "the way things stand now, you have to talk about permanent cuts."

The committee will make its recommendations at the next School Board meeting February 9.

New Water Rate Increases in Village Take Effect Feb. 14

By GERRY MUELLER
Statesman Staff Writer

At Monday night's meeting, the Kewaskum Village Board adopted water rate increases granted in January by the Public Service Commission in Madison.

At the board's previous meeting, it was thought the increase would not go into effect until the beginning of the next quarter because of confusion in billing two different rates. However, Kewaskum's advisor Dr. Raymond Kipp, informed Commissioner Bill Martin and Village Administrator Dan Schmidt there would be no major problems and the village could realize \$2,000 to \$2,400 in additional income by implementing the new rate as soon as possible. Water bills will have the first half of the quarter figured at the old rate and the second half of the quarter figured using the new rate.

Trustee Don Mlodzik asked if this increase would result in any profits. Schmidt said "the village will probably be lucky to break even."

Trustee Raynor Herriges asked if the new increase applied to sewer charges also. Schmidt said the new increase covers water only and the sewer charges will remain at their present rate. Schmidt noted, however, that a sewerage rate increase will probably be considered at a later date.

In other action the board voted unanimously to award Kewaskum's cable TV franchise to River Bend Cablevision, Inc.

Trustee Jeff Rohrer reported on the Plan Commission meeting of January 27. Rohrer informed the board that after considerable discussion, the commission felt it could not make a recommendation regarding a Tax Incremental District for the village. The commission felt it still needed more accurate information about the program. Rohrer said a joint meeting with the Plan Commission and Village Board has been set up for February 5, at 7:00 p.m., to hear Dan Thompson, of Action Associates, Madison, speak on TIF programs. Village President Gerald Stollenwerk said a very important decision must be made regarding this program one way or another and he hoped all the trustees would be at this meeting.

XYZ CLUB TO ENJOY VALENTINE PARTY

The XYZ Senior Citizens Club is having a potluck dinner on Wednesday, February 11, as their Valentine Party. Cards will be enjoyed beginning at 9:00 a.m. Dinner will be at 12:00 noon.

Stollenwerk also congratulated Bill Martin on completing his 30th year with the Village of Kewaskum.

Schmidt informed the board that revised fire service contracts have been sent to the Towns of Auburn and Kewaskum for their approval.

Fire Destroys Church Hall At Armstrong

Fire destroyed the Our Lady of Angels Parish Church Hall at Armstrong last Thursday night. It was a 40-year-old wood structure.

The fire broke out shortly after 5 p.m. and was fought by over 50 firemen from Eden, Campbellsport and Mount Calvary. Most of the 70-foot by 150-foot building was destroyed but the newer kitchen area was spared.

Richard Hackbarth of Route 1, St. Cloud, discovered the fire and called the Eden Fire Department. Hackbarth said he heard what sounded like a small explosion followed by smoke pouring out of the building.

Assistant Fire Chief Joe Baumhardt of Eden said that by the time they got there the inside main hall was totally engulfed in flames and smoke.

When the Eden department ran out of water, firemen from Campbellsport and Mount Calvary were called. One of two private trucks were also used to help the six fire trucks haul water from Watercross Creek two miles away and from Kettle Moraine Correctional Institution about three miles from Armstrong.

Baumhardt noted that water is always a problem at a rural fire. He believed the fire possibly could have been caused by an electrical failure in the stage area and was difficult to get at because of the hall's construction and false ceilings. He said the explosion was probably a flash-over which occurs when heat builds up for a long time in a confined space.

The roof of the gymnasium portion of the structure caved in about 7:30 p.m. The north side of the building, where the stage and gym were located, was destroyed. Firefighters kept the blaze from spreading to the church, which is located about 200 feet from the parish hall. Firemen remained at the scene until about 11 p.m.

No damage estimate was available. The hall, built in 1940, was used for church activities, meetings, dinners, weddings, dances, basketball games and card parties. The kitchen was added in 1964.

KHS Jazz Band, Swing Choir Concert Wednesday Evening

Music ranging from "In the Mood" to '50's music to punk rock to TV theme songs will highlight Kewaskum High School's jazz band and swing choir concert, Wednesday evening, February 11, at 7:30 p.m. in the high school gymnasium.

This concert, planned in place of a performance at the Christmas concert, will allow each group to perform more numbers. "The concerts got to be too lengthy," explained band director, Larry Ammel. By giving the jazz band and swing choir their own concert, Kewaskum's regular band and choir groups were less pressured to limit their playing time at Christmas.

Jazz band has been a part of the KCHS music program for eight years, and features music that has been popular from the 1940's to the 70's. The 21-piece band plays jazz, swing, rock, and pop music. Kewaskum audiences seem to enjoy all its music. Mr. Ammel said the band has played little "true jazz." "We've become more of a 'swing band' this year," he said.

Dave Bertelsen, choir director, sees the six-year-old swing choir as "a group that can get out." He feels people can identify more with the modern music than with the music of the regular choruses. Especially popular is the music from the

'50's and '60's. The choir itself also seems to enjoy music from the past, with the Beach Boys being this year's overwhelming favorite.

These groups are entirely extra-curricular, and both directors quickly acknowledge that this has caused problems, because evening rehearsals must be scheduled around jobs and sports.

Despite this and other difficulties, both directors agree that the kids seem to enjoy it. "The kids get along pretty well together," said Mr. Bertelsen. "They finally realize that when they have a concert coming, they have to get down to business." The swing choir normally practices once a week, but before a concert, two or three rehearsals are held per week, often on Saturdays.

"I think (swing choir) is rewarding," said tenor Ken Fellenz. "I like the music....and it's fun!"

The kids enjoy traveling to other schools and places in the community to perform. "It's a more honored group," said alto Sue Schaub. "a touring group."

The trio of Darcie Schmidt, Sue Harlow and Carolyn Gremminger will sing "He's So Shy." Some of the other songs to be sung include "The Rose," "In the Mood," and "Listen to the Music."

Blood Bank Here Feb. 17

On Tuesday, February 17, the Milwaukee Blood Mobile Unit will be at the Kewaskum High School gym (old) between the hours of 1:30 and 6:30 p.m. All past donors who have been donating on a regular basis will receive reminder cards in the mail. New donors can walk in at their convenience. Anyone who has moved to the area recently can call 626-2210 if there are any questions.

You may donate at age 17 with a consent form signed by a parent or guardian which will be available at the school prior to the mobile. If you are 18 and over, you can make your own decision to donate. You may donate once every 10 weeks.

As the total supplier of all blood and blood components used by 33 hospitals in Southeastern Wisconsin, the Blood Center relies solely on volunteer donors to meet a constantly increasing need.

The Blood Center anticipates that this need will continue to accelerate because of advances in medicine which influence the use of blood in surgery and in the treatment of chronic disease. Open heart, hip replacement and kidney transplant operations and cancer therapy are specific examples of these needs.

Special thanks go to the dedicated blood donors who make the Blood Center's efforts possible. Your support is truly without price.

Two Scouts to Receive Eagle Award, Scouting's Highest Honor

On Scout Sunday, February 8, Boy Scout Troop 780 will award Scouting's highest honor to two of its scouts at the Fifth Avenue Methodist Church, West Bend. They are James Geldreich, son of Mr. and Mrs. Richard Geldreich, Kewaskum, and Anders Melberg, son of Dr. and Mrs. W. E. Melberg, Allenton. The awards will be presented at the troop's annual family style dinner and Eagle Court of Honor.

Both Jim and Andy started as scouts with Troop 780 and have progressed to join the ranks of the select few to qualify for the rank of Eagle Scout. Jim completed 27 merit badges of which 21 are required for Eagle rank. He has completed and received all of the Boy Scout Skill awards. Jim is also member of the Order of the Arrow. He is 17, a senior at Kewaskum High School, and is involved in varsity basketball and track.

Andy is 16, a sophomore at Slinger High School, and is involved in the band. Five members of the Melberg family have earned the rank of Eagle Scout. This accomplishment ties

the National Boy Scouts of America record of Eagle Scouts in one family. The following Melbergs also received their Eagle from Troop 780: Peder in 1969, Hans in 1973, James in 1976 and Nils in 1977. They will read the Eagle Challenge.

The guest speaker for the event will be Scott Landvatter, son of Mr. and Mrs. Tom Landvatter, West Bend. Scott now resides in Champaign, Illinois, and is a former member of "Above the Best" Troop 780 and earned his Eagle award on November 1, 1970. He was selected as Badger Council's Eagle Scout to report to the governor its highest level, the vigil, for distinguished service. He is presently attending the University of Illinois and is working on his doctoral in Organic Chemistry.

Scoutmaster for Troop 780 is John Roehl.

TIP

from Tom
Leitzke, R.P.H.

Epilepsy is not a disease. It does not cause brain damage, mental illness, or retardation, and it is controllable. Epilepsy is a neurological malfunction. Seizures result from sudden overactivity of the brain cells, possibly caused by irritation as the result of injury from illness or an accident.

Control of seizures is possible with the aid of drugs. Most epileptics live lives similar to people with diabetes or high blood pressure - consistent medication is usually all that is needed.

\$500 Scholarship Available for Post Secondary Education

A \$500 scholarship will again be available through the PACE organization to assist women to further their education.

PACE, a West Bend area group of professional and business women, initiated the scholarship last year as a means of doing something to help women who wish to increase their career options and professional opportunities.

The scholarship, open to area women over the age of 25 for post-secondary education, will be awarded on the basis of financial need, two personal letters of recommendation, and an interview with the Scholarship Committee. The final recipient will be chosen by the PACE Board of Directors.

Diane Cook, Chairperson of the Scholarship Committee, asks that women interested in applying for the scholarship contact her at Learning Centers, 338-8646, to request an application. All applications must be received by March 1, 1981 to allow enough time for the selection process.

Lions Club News

Your local Lions wish to thank the people of Kewaskum who have in the past donated their newspapers each month. The proceeds have gone to the sight and hearing conservation programs of the Wisconsin Lions. If you would like to contribute just put your papers on the curb before 9 a.m. on the third Saturday of each month and the Lions will pick it up.

Do you know that the Wisconsin Lions Foundation collects used eye glasses? In fact millions have been collected in the past and shipped abroad where they are categorized and fitted as nearly as possible to people who would otherwise go without. If you should happen to have used glasses lying about the house why not give them to a Lion so they can be used again.

The Lions who have long been working with the sight handicapped are now involved in hearing conservation. If by chance there is a hearing aid in your home which is no longer being used, the Lions will recondition and distribute it to those in need.

The Lions are again sponsoring a St. Patrick's Day dance at the Amerahn. So set aside the evening of Saturday, March 14. Come out and have some fun. Music will be supplied by Jerry Schneider and his band. Tickets will be \$1.50, available from your local Lions, or \$2.00 at the door.

By the way, is there a member of your family or a relative or friend who is sight or hearing handicapped? The Wisconsin Lions Foundation Camp Rosholt at Rosholt, Wisconsin, presently serves about 1500 handicapped campers per year. Fishing, swimming, boating, overnight camping and trips, nature lore, handicrafts and more fill the special scheduled week of each camper. The camp serves sight and hearing handicapped persons from six years old and up and educable mentally handicapped persons from 9 to 18 years old. There is no charge to any qualified camper and you don't have to be related to a Lion, sponsored by a Lion, or be associated with the Lions in any way. For more information on this just see one of your Local Lions and they can get it for you.

Thanks again for all the help in the past and if you really want to lend a hand, have you ever considered becoming a Lion?

County Treasurer Reports 91% of All Delinquent Property Taxes Collected

Washington County Treasurer, Fredric A. Seefeldt, reported that his office had collected 91% of all property taxes turned over to him for collection. The treasurer's office issued 15,072 tax receipts in the process of collecting over \$7 million (\$7,066,732.22) during 1980.

Local treasurers turned over \$7,261,377.93 in postponed and delinquent taxes to the county treasurer last March for collection. This amount plus delinquent taxes from prior years brought the total available for collection to over \$7.7 million or \$7,768,762.78.

Delinquent taxes at the close of 1980 were up \$194,645.71 over year end 1979. Outstanding or delinquent real estate taxes totaled \$702,030.56 on December 31, 1980 as compared to \$507,384.85 on December 31, 1979.

Seefeldt said in commenting on the increase, "it must be remembered that property taxes for school, vocational school, state, county and local purposes increased county wide some \$2.9 million over the previous year."

"If you then compare delinquent taxes at year end in proportion to the total tax levy for the year, you come up with a percentage increase of .003% (3/10 of one percent) in delinquency for 1980 as compared to 1979. The rate of delinquency went from .0088% in 1979 to .0117% in 1980. In dollars this means the county began the year with almost \$200,000 more on the books, but on a percentage basis it is very small considering economic conditions during the year," Seefeldt observed.

According to state law, the

Al Wietor of St. Kilian, who operated a barber shop for many years in the Mrs. Emma Lubitz building on East Main Street, recently sold his business to Grover Brandt of Marshfield.

Mrs. John Trapp of Kewaskum received a letter last Monday from her sister and family in Lithuania. She had not had word from them for the past eight years as that country is ruled by the Communists.

The little daughter of Mr. and Mrs. Kilian Honeck Jr. of Kewaskum, was baptized Sunday afternoon at the Peace E and R Church. The little Miss received the name Jill Janice and her sponsors were Mrs. Des Smith and Harry Koch of here.

On Sunday afternoon Rev. F. C. La Buwi baptized the infant son of Mr. and Mrs. John Stellplug, Kewaskum, in Holy Trinity Church. Bob DuPont of Milwaukee and Mrs. Alan Stoffel of Kewaskum were his sponsors. He received the name Mark Joseph.

The little son of Mr. and Mrs. August Bilgo, Jr., Kewaskum, was baptized Sunday morning in St. Lucas Ev. Lutheran Church. Douglas Ray is the name given him and his sponsors were Joyce Schloemer of West Bend and Ray Klein of Kewaskum.

A son, John Peter, was born to Mr. and Mrs. John Schlosser, Richmond, Illinois, January 24. Mr. Schlosser is a son of Mrs. Jennie Schlosser of Kewaskum.

Fire, which it is believed started in the kitchen, destroyed the farm home of Mr. and Mrs. Albert Pade, located three miles northwest of St. Kilian. Except for two pieces of furniture and a bushel of apples, everything was destroyed. Some members of the family had to flee in their night clothing. Due to the insufficient quantity of water, the fire department turned their attention in protecting nearby buildings.

The month of January has been the warmest January in thirty years. The mean temperature for the first 30 days of

the month was 27.4 degrees.

A baby boy was born to Mr. and Mrs. Tom Siebanaler of Beechwood last Friday.

Prospects for the immediate acquirement of the Nast woods, an 80 acre tract at Forest Lake, by the conservation commission, faded Tuesday afternoon when the appraisal committee selected as arbitrators failed to reach an agreement on the price. Since the tract adjoins the Moon Lake wild like refuge and is one of the finest forest tracts in Fond du Lac county, the conservation commission has been negotiating with Mr. Nast for several months, seeking to acquire it as the first state owned land in the Kettle forest area.

The residence building of William Foerster at Wayne Center was badly damaged by fire yesterday morning. The fire started in one of the rooms on the first floor and soon spread all over the interior. The neighbors all responded promptly to the alarm and extinguished the blaze before the building was a total ruin.

The Kewaskum Rifle Club was reorganized last Saturday evening at John Schaefer's place. The following officers were elected: President, Dr. N. E. Hausmann; vice-president, Dr. Lambeck; secretary, Joseph Schaefer; treasurer, Phil Meinhardt; shooting masters, John W. Schaefer and Val Peters. The club has received a permit from the village board to hold their target practice at the North Side Park.

Fred Belger's thoroughbred Scotch Collie dog was killed by a strange dog coming along the road at his place last Thursday.

The new pipe organ for the Holy Trinity Church arrived here last Monday and was set up by B. Schaefer of Schleisengerville this week.

A baby boy was born to Mr. and Mrs. John Pesch of St. Michaels last Friday.

Frostbite Season Is Here

Is Jack Frost nipping at your nose this winter? The best way to keep him from bothering you during the coming months is by prevention.

Frostbite is certainly one of winter's most common problems — primarily because people often don't feel it happening. The temperature doesn't have to be excessively low for it to occur. The wind chill factor plays a big role; the chilling effect of air at 20 degrees moving at 45 miles per hour is the same as 40 degrees below zero on a still day.

It's a good idea to check the temperature and wind chill factor and dress accordingly before going outdoors. If you plan on being outdoors for any extended length of time in extremely cold weather, cover all extremities and exposed skin.

Frostbite occurs when skin tissues freeze. Crystals of ice form between the cells. Signs of frostbite are a bright red skin that turns to grayish-yellow or blotchy white as the freezing sets in. The skin becomes numb and hard to the touch.

Frostbitten skin requires immediate attention. First, you should concentrate on getting the frozen parts of the body thawed out; this will allow circulation to re-establish itself

naturally. The best way to do this is to immerse the affected area in lukewarm water (100 degree's) or wrap warm towels or blankets around it until a pink color returns to the skin. This is a sign that normal blood circulation has returned to the area. Once this occurs (and not before), encourage the victim to exercise the part of the body that has been affected.

There are also several things NOT TO DO in the case of frostbite:

**Don't rub the skin in snow or hot water.

**Don't allow the victim to smoke or drink coffee. These activities further narrow the blood vessels which means less blood gets to the affected area.

**Never apply a dressing too tightly as this, will restrict blood circulation.

A frostbite victim can expect some swelling and a burning sensation as the frostbitten area warms up. In severe cases, blisters may develop. Usually, the area will be more sensitive to cold. Frostbite can cause permanent damage to the skin; scars can develop on the injured areas and in severe cases, loss of limbs has resulted.

A physician should always be consulted regarding any frostbite case for follow-up care.

Staff Promotions and Appointments Announced by West Bend Savings

West Bend Savings and Loan Association announced a series of staff promotions and appointments at its annual Board of Directors meeting held on January 21, 1981.

ROMAN A. STOFFEL has been named Senior Treasurer and Assistant Comptroller. Stoffel joined the association in April, 1953 as a savings teller. He has since served as head teller, savings department manager, and most recently, as Treasurer and Accounting Department Supervisor responsible for daily proof activities.

ROBERT M. ZUBELLA, Director of Marketing, was named an Assistant Vice President. Zubella joined the association as Director of Marketing in January, 1979. Prior to coming to West Bend, he served as marketing director for the Wood County National Bank of Wisconsin Rapids. Zubella is a graduate of the University of Wisconsin - Eau Claire where he received a BBA Degree in Marketing.

DEBRA J. ROECKER, manager of the association's Westfair Mall office was named an Assistant Vice President. Roecker joined West Bend Savings in July, 1974 as a savings teller and was named assistant secretary and manager of the Westfair Mall office in 1979. She attended the University of Wisconsin - Eau Claire.

NANCY F. FORRESTER, manager of the association's main office savings department was named Treasurer. Forrester joined West Bend Savings in January, 1978 as a savings teller. She was named assistant treasurer in 1979 and savings department manager in October, 1980. She also serves as coordinator for the association's popular Homer's Club program for junior savers. For-

rester is a graduate of the University of Wisconsin - La-Crosse.

LORY CLEMENS was named a Loan Officer and Assistant Secretary. Clemens joined West Bend Savings in December, 1978 as a management trainee and senior loan clerk. As a loan officer, she will work with loan administration and loan originations at the association's main office. Clemens is a graduate of the University of Wisconsin where she received a BBA Degree in Finance.

MELODEE REHA was named Assistant Loan Officer. Reha joined West Bend Savings in September, 1978 as a senior loan clerk. She had served as a loan clerk for the association at an earlier date. Reha is responsible for tax and insurance operations and loan documentation at the association's main office.

RONALD E. MAY was named Senior Loan Officer. Dan Filzen, manager of the association's mortgage loan department, announced that May recently joined the association in January, 1981 and brings with him 17 years of experience in the savings and loan industry and real estate closing field.

Immediately prior to joining the association, May served as an officer and escrow agent for Closing Services, Inc., which handles real estate closing for mortgage bankers. According to Filzen, May will handle mortgage originations and production, as well as serve as project officer for the association's many new specialized loan programs.

May, his wife LaVerne, and two children have purchased a home at 660 Silverbrook Drive and will move to West Bend in February.

Minutes of Village Board Meeting

Mid-Monthly Meeting
January 19, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All trustee Members were present.

The minutes of the meeting of January 5, 1981, were approved as printed upon motion by Trustee Rohrer, seconded by Trustee Herriges. Voice vote was unanimous.

Quotations for the possible purchase of a used truck chassis were presented by Supt. Bilgo and were tabulated as follows:

Five Acres Auto, Cedarburg - 1977 International, \$9,900; 1976 Ford, \$9,000; 1974 Ford, \$6,000.

Hiller Auto, Milwaukee - 1979 Ford, \$10,140.

Honeck Chevrolet, Kewaskum - 1976 Ford, \$7,500; 1975 International \$8,000.

Motion was made by Trustee D. Nigh and seconded by Trustee Herriges that the village purchase the used 1975 International truck chassis and stake body from Honeck Chevrolet at a cost of \$8,000. Trustee Blumer abstained from voting on the motion. Roll call vote was five (5) "Aye" and zero (0) "Nay" in favor of the motion.

Poll workers for the elections for the coming two years as presented by the Republican and Democratic County Committee were approved as presented. Motion by Trustee Blumer, seconded by Trustee Rohrer. Voice vote was unanimous.

The Commissioner reported

that the Municipal Water Department's application for a water rate increase had been approved by the Wisconsin Public Service Commission on January 6, 1981. The new rate will take effect upon approval by the Village Board and after proper notification has been mailed to all water users.

It was also noted that the village's consultant, Raymond Kipp, was preparing an update and revision of the rate schedule for the sewage service charges.

Ordinance Number 81-2, an ordinance to create Chapter 14 of the Municipal Code of Kewaskum, relating to garbage and refuse collection, was introduced by Trustee Jeffrey Rohrer. Motion for adoption of the ordinance was made by Trustee Raynor Herriges and was seconded by Trustee David Nigh. Roll call vote for adoption of the ordinance was unanimous.

The Kewaskum Cable Television Committee recommended, in letter form, that the Village Board accept the proposal of Riverbend Cablevision in lieu of opening the granting of a cablevision franchise to bids.

Motion was made by Trustee Blumer and seconded by Trustee Mlodzik that the Village Board follow the recommendation of the Cable Television Committee and accept the proposal of Riverbend Cablevision. Voice vote on the motion was unanimous.

Upon motion by Trustee Blumer, seconded by Trustee Mlodzik and unanimously carried, the Board adjourned until 8:00 P.M. February 2, 1981.

THAT DIRTY OLD OIL.

Some 'fast oil change' stations replace auto engine oil by inserting a pump attachment down the oil tick hole. Most of the oil is drawn out in minutes. But we urge you to forget about this quick method.

Doing it the correct way by letting the used, dirty oil run out from the bottom of the crankcase, you get rid of the sediment. Pumps can't do this so you would be adding good oil on top of a residue of settlements and mixing it. Also, on changing oil we suggest that you change the oil filter each time contrary to what car manufacturers say about alternating. Why pump the new oil through the gook and varnish that the filter is holding? You just deteriorate the value of the oil faster.

Many customers at J & J AUTO SERVICE let us do the full lubrication job at the same time with the oil and filter change. This includes the proper grease in all fittings, oil spray for squeeks rear housing, shock, tie-rod and steering apparatus check-up. You notice that we treat your car like it was our own.

IN MEMORY

In loving memory of Don Mitchell who died three years ago on February 5. He is still remembered with much happiness and deep love by his wife Mary Kay and children, Jennifer, Heather and Shannon. His memory will always be deep within their hearts.

Being far away from you,
We think of you often,
but it is not an empty feeling,
It is a feeling
of appreciation.
We remembered the uniqueness
of your expressions,
the depth
of your loving,
and the joy and laughter
you brought to our world.
And through our memories of you,
WE are never ALONE.

—George Betts

In those we love
we find a strength
which gives an added meaning
to our lives,
long after they have gone.

George Betts

IN MEMORY

Born to eternal life, Gregory Berres, February 8, 1980.

In peaceful sleep the one we loved,
Lies free from earthly care.
No longer need he labor here,
God's blessings he shall share.
He labored hard and well on earth,
But now his labor's done.
And he shall spend eternity,
Beside the Father's Son.
Lovingly remembered by his wife and family.

NOTICE TO CONSULTANTS

The Washington County Resource Development and Preservation Committee has been authorized to secure the services of an engineering consulting firm to compile a site selection study, through the stages of preliminary engineering and preliminary site approval by DNR, for the selection of a Washington County Solid Waste Disposal Site.

Any interested firm should submit a qualification statement to the Washington County Land Use and Park Department, 515 E. Washington Street, West Bend, WI 53095 by 5:00 P.M., February 9, 1981.

A pre-screening of applicants is to be scheduled for February 10-12, 1981 at the Washington County Courthouse at which time qualifications will be reviewed by the Committee. A representative of each interested firm will be requested to be present for the pre-screening to answer questions. However, no presentations will be accepted at that time.

For further information, please contact Paul Mueller or Herbert Wolf at the above address or phone (414) 338-4445.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

WISCONSIN'S 1981 ALICE IN DAIRYLAND

Vicky L. Scharlau
1980 Alice in Dairyland

"You'll never know until you try." A year as Alice in Dairyland is comprised of endless opportunities, constant challenges, exciting travel, unusual experiences and the intrigue of meeting new and interesting people. Though your personal life may have to 'give' momentarily, the rewards of your efforts as "Alice" will be many and lasting. You, and what you say, will make a lifetime impression on how others view the State of Wisconsin and its 'wonderland' of agricultural products. Since the inception of this position in 1948, each of the past thirty-two "Alices" has contributed to the growth of the program by her enthusiasm, interest, drive and total involvement. I challenge you — personally and professionally — to be Wisconsin's 34th Alice in Dairyland.

JOB DESCRIPTION

- Contracted to: Provide public relation and promotional services for the Department of Agriculture, Trade and Consumer Protection.
- Travel extensively throughout Wisconsin and the nation promoting Wisconsin agricultural products.
- Serve as official hostess at many state and national functions.
- Assist staff market specialists in implementing a variety of promotion programs.
- Participate in radio and television programs and press interviews at the state and national level.

JOB QUALIFICATIONS

- Must be between 18 and 30 years of age as of June 1, 1981.
- Must be a female Wisconsin resident.

Steven Moser Joins Open Door of County

The Open Door of Washington County, Inc., has announced the addition of Steven Moser, formerly of Fond du Lac, to its out-patient chemical dependency counseling program.

Steven joined the Open Door on January 5, 1981, in the capacity of Out-Patient Chemical Dependency Counselor. Steven joins the Open Door's treatment team, which is headed by Dr. Laurens Young, Clinical Director.

Prior to his coming to the Open Door, Steven completed a twelve (12) month chemical dependency counselor training program at Winnebago, Wisconsin, offered by the R.O.A.D. Adolescent Treatment Program for alcohol and other drug dependency.

In fulfilling his role as chemical dependency counselor

for the Open Door, Moser will be assigned to providing chemical dependency evaluation and counseling services to the Hartford and Kewaskum areas, and specialized chemical dependency evaluations for Washington County law enforcement agencies, under an L.E.A.A. grant.

The Open Door is a private non-profit agency, providing chemical dependency prevention, intervention, and out-patient programs to the residents of Washington County. The Open Door is a United Way agency.

Psychologists say a sign of maturity is the ability to accept unfortunate occurrences and to be able to seek and accept help in dealing with them.

Many Wisconsin state parks still have reserved campsites available for the Memorial, July 4th and Labor Day weekends, according to DNR state park officials.

A telephone survey conducted late last week indicated that 18 out of the 28 state parks and forests offering advance reservation campsites still had 50 percent or more of their reserved sites open for the three-day holiday weekends.

Loren Thorson, Chief of Recreation Programs said, "A number of our state parks and forests received heavy mail and walk-in requests early in January for reserved campsites and as a result the reserved sites for holiday weekends were all taken at those properties."

He identified the following parks and forests as having their reserved sites either fully booked for the three summer holiday weekends or close to it: Governor Dodge, Hartman Creek, Mirror Lake, Terry Andrae, Willow River and Yellowstone state parks plus the Northern/Southern Kettle Moraine state forests.

The Northern Highland-American Legion State Forest has allocated all of its reserved campsites for the July 4th weekend, but has a good supply of reserved campsites remaining for both the Memorial Day and Labor Day weekends.

Devil's Lake State Park still has an excellent choice of sites for all three holiday weekends, although it is expected that reservation requests will be increasing with each passing day.

Peninsula State Park is probably out of reserved sites for all the summer holiday weekends, but the exact status there is not yet known. Park officials there are working under a flood of mail applications and at the time of the survey had just completed processing the mail applications received through January 5.

Parks and forests with reserved sites still available for holiday weekends are Big Bay, Blue Mound, Devil's Lake, Copper Falls, Council Grounds, High Cliff, Interstate, Lake Wissota, Merrick, Nelson Dewey, Pattison, Perrot, Potawatomi, Rib Mountain, Rock Island, Wildcat Mountain and Wyalusing state parks and Point Beach State Forest.

Thorson indicated that the reservation requests received to date probably total about the same as those received up to this time a year ago, but the exact total has not yet been compiled.

It is important for campers to remember, that there are first-come, first-served campsites available in all state parks and forests.

Fond du Lac County and Communities to Get \$1.7 Million in Federal Revenue Sharing

Fond du Lac County and communities in the county will receive \$1.7 million in federal revenue sharing allocations this year, Congressman Tom Petri announced.

The funds, according to Petri, are part of an allocation that is being distributed by the U.S. Office of Revenue Sharing to county and municipal governments in Wisconsin.

Petri said that the governmental agencies will use the funds for a variety of budgetary purposes, including purchase of equipment or supplies and specific projects.

Petri said that a complicated formula is used to determine the allocations. The factors include population, percentage of urbanized population, per capita income, amount of income tax collections and general tax efforts, he said.

The revenue sharing allocations for Fond du Lac County and county communities in this area are as follows:

- Town of Ashford — \$7,485
- Town of Auburn — \$6,843
- Town of Eden — \$5,170
- Town of Osceola — \$6,232
- Village of Campbellsport — \$18,134
- Village of Eden — \$5,745
- Fond du Lac County — \$714,318

Flags Flown Over U.S.

Capitol Available

U. S. Rep. F. James Sensenbrenner, Jr. (R-Shorewood) reminds Ninth District residents that flags flown over the U. S. Capitol are available for purchase through his office, though now at higher prices than announced earlier.

Flags are available in the following sizes and prices: 3' x 5' cotton \$6.85; 3' x 5' nylon \$6.76; 3' x 5' nylon fringed \$16.20; 4' x 6' nylon \$8.89; 5' x 8' cotton \$13.89; and 5' x 8' nylon \$13.78.

These new prices, caused by increased manufacturer's costs, supersede those listed in a newsletter he distributed two weeks ago, Sensenbrenner explained.

Each flag is accompanied by a certificate verifying that it has been flown over the U. S. Capitol and when it was flown.

Persons wishing to purchase a flag should make checks payable to the "Sensenbrenner Flag Account" for the appropriate amount. Orders should be sent to Sensenbrenner at 315 Cannon Building, Washington, DC 20515.

Processing and delivery of orders should take at least 8 to 12 weeks, due to demand.

Sensenbrenner points out that the above prices are actual cost and that this is a public service, which earns no profit whatsoever for him, his office, or the House of Representatives.

Give your home our best.

Another Defeat For Lakes Team

New Holstein's Leaders Hand Indians Fifth Straight Loss

New Holstein's leaders in the Eastern Wisconsin Conference were just too big, too fast, too talented and too good defensively for Kewaskum Saturday night on the Huskies' floor as they bombed the Indians by a 34-point margin, 79-45. It was the fifth straight loss for the 1-7 Indians.

In their first meeting here in December, the Indians gave the Huskies a battle down to the wire before losing by just four points, 49-45. It was a different story this time out. After the game New Holstein learned via radio that Plymouth had defeated Two Rivers, leaving the Huskies alone in first place after being tied with the Raiders.

The Huskies play a very strong defense, which is hard to penetrate and get inside shots. They lead the conference in defensive statistics, giving up just 50 points a game.

Bob Jacobs (a nephew of barber Roger Jacobs of Kewaskum), the Huskies' 6-5 center, who got into foul trouble in the earlier game in Kewaskum, was a real thorn in the Indians' side this time. Jacobs and K. J. Dickman, their deadly outside shooter, were taken out after the third quarter after scoring 20 and 18 points respectively.

Jim Rohlinger again led the Indians with 16 points, which is exactly his conference average. Kewaskum's other top scorer, Brian Larsen, had a bad night. After sinking three baskets early, he was called for his fifth foul and left the game after scoring just 11 points.

Kewaskum was outscored in every quarter and trailed at halftime, 44-26.

This Friday the Indians play host to Chilton, the only team they have defeated this year at

Chilton earlier, 68-61. Kewaskum hopes for a victory to get out of their last place tie.

Frosh Win Over New Holstein; JV's Lose

A basket by Jim Hanrahan in the closing seconds broke a tie and gave the Kewaskum freshmen a 48-46 victory at New Holstein Friday. The winning play was set up during a time out which was taken and it worked. The Huskies scored on a rebound just after the buzzer but it was ruled that time had expired.

Dave Pesch scored 15 points and Jeff Squier added 12 for the Indians, who are now 5-3.

The JV's lost their fourth in a row at New Holstein, 61-43. Mike Heisdorf was high scorer for Kewaskum with 19, while Rod Donnelly chipped in 16. The JV's are now 3-5.

Chess Team Routs

St. John's Military

Academy Cadets, 55-0

The Kewaskum chess team routed the cadets from St. John's Military Academy, Delafield, 55-0, last Wednesday night. The win raised Kewaskum's conference record to 4-0. In four games the Indians have won 28 boards, lost 6 and drew 1, while outscoring their opponents 164½ to 47½.

At St. John's, Kewaskum easily won 8 of the 10 boards, Rick Howell and Rob Slegger quickly gained control over boards 2 and 3. Ken Bauer and Andy Rosenberger kept their undefeated streak intact with wins at boards 7 and 4. Romie Holl and Brian Pamperin earned the team's first points with wins at boards 8 and 9. Pamperin is now 3-0 in conference play. Gregg Classey picked up his first points of the season with a win at board 5 and Jim Simon quickly picked up 5 points with his win at board 6. This made the score 44-0 with 2 boards left.

Dan Butzke, breaking into the top 10 for the first time, had a long struggle at board 10. Butzke finally queened a pawn and quickly forced checkmate with his queen and rook.

Steve Yahr, who is the conference's leading scorer, extended his conference winning streak to 4 games by beating Chris Winn, who was on the National Junior High championship team 2 years ago. Yahr won the exchange at rook for a bishop and with Winn in severe time trouble forced some mistakes and won the end game.

Sheboygan Falls Beaten By Indian Girls

Playing at Sheboygan Falls Tuesday night, good defensive play helped the Kewaskum girls defeat the Falcons, 47-42. The Indians held Falls to just 13 points in the entire first half, 8 in the first quarter and 5 in the second. Kewaskum led at the intermission, 27-13.

Coach Ken Soerens used some new players in his lineup and it worked. Brenda Fuller played a fine defensive game and Michelle Rodenkirch helped get the ball into top scorers Jill Yearling and Linda Larsen.

Larsen led all scorers with 17 points and Yearling contributed 11. M. Genke paced the Falcons with 10.

The Indians, now 7-6 overall and 4-4 in the Eastern Wisconsin Conference, host New Holstein Thursday.
