Recommendations on Budget Cuts Made By School Board Staffing Committee

By GERRY MUELLER
Statesman Staff Writer

One of the committee members made a comment near the closing of Thursday evening's meeting, "we're damned if we do and damned if we don't." That seemed to sum up the situation facing the Kewaskum School Board's Committee on Staffing, as they tried to construct an equitable list of cuts from the 1981-82 school budget.

Faced with trimming approximately \$126,000 from the budget, the committee met for four hours trying to come up with budget reductions which would have the least effect on the students, yet give some relief to the taxpayers of the district.

The committee reviewed literally every phase, place and position within the school district looking for places to save and reduce the budget. The committee told parents attending the meeting their job was to make staffing recommendations only, however, it was almost impossible not to get into other areas affecting the budget such as bussing, sports, etc., as it all eventually reflected back, in some aspect, to staffing.

Parents from the Beechwood School area, who were concerned over its possible closing, were told by committee member Richard Theusch, "if we had the parents of kids that go to West Bend, Newburg and Random Lake here and told them they would have to transport them, how do you think they will feel: They would be just as upset."

Other recommendations reviewed were: all day kindergarten (alternate days). Kindergarten teacher Mrs. Connie Zemlicka was not in favor of this as she noted kids at this age have a limited (10-15 minute) attention span and tire quite easily. Dropping one high school bus run, dropping the Campbellport bus and transportation contracts to parents for children attending schools in West Bend, Newburg and Random Lake were also discussed. In the area of sports, Theusch asked the audience "would you object to cutting the most

expensive sport?" Some parents were for the idea. (Football costs the district \$15,000-\$16,000 a year). Theusch stated, "if we considered that we'd have half the school district in here."

Chairman Dr. Charles Ogi noted, "somebody's ox is going to be gored," but nobody wants it to be theirs.

Elimination of the assistant high school principal was also brought up. It was felt different phases of this job could be worked into the contracts of

Agenda Changed, Another Meeting Monday, Feb. 23

The amended agenda for the Wednesday, February 18, meeting of the Board of Education of the School District of Kewaskum deleted discussion and action on professional staff for 1981-82, including the report of the committee on staffing and a report by Mr. Pearson on high school registrations. This will be discussed and acted upon at a meeting on Monday, February 23 at 8:00p.m.

other staff positions. Ogi also felt he could not see the need for a full time business manager and would like to see it reduced to half time.

Ogi suggested dropping two sports, "I would go strictly by the numbers," (keeping the activities participated in by the largest number of students).

Dropping Physical Education at the high school was also mentioned.

Some parents in the audience voiced their disagreement with some of the items proposed for cutting. Member John Tessar asked "how many of you people out there would be here tonight if it hadn't been for the article about closing Beechwood - none."

One committee member noted, "we're only three people trying to do a job."

After looking at the proposed cuts in the way of dollars,

possible closing of the Beechwood School was again brought up. Tessar asked Theusch if he would make such a recommendation. "Sure, I'll make the recommendation, if we're going to shoot for the \$126,000, we haven't come anywhere near that figure tonight."

The following recommendations were to be made at the School Board meeting February 18, by all members:

1) Eliminate 1½ elementary teaching positions, 1 at Beechwood and ½ at Kewaskum Elementary. (approximate savings \$22,500).

2) Eliminate three intern positions. (approximate savings \$7,000).

3) Eliminate half-time agriculture teaching position, high school (\$8,500).

Dr. Ogi's recommendations were:

1) Eliminate full time Business Manager position.

2) Eliminate Elementary Guidance position.

3) Eliminate two special education positions.

4) Cut athletic program to 6 sports for boys and 6 for girls. Take the 6 with the highest student interest. This would result in adding boys' tennis and girls' softball and dropping cross country and golf for both boys and girls.

5) Combine freshmen and JV under one coach and on one team.

6) Cut one teacher aide position.

7) Eliminate Physical Education at high school.

8) Eliminate one secretary position.

Richard Theusch's recommendations:

1) Tentatively eliminate one additional elementary teaching position in the event the Board decides to close Beechwood School.

2) Eliminate assistant principal position at high school.

John Tessar: Make no further staff changes. In the area of co-curricular activities, recommend they remain as they are presently.

27% Hike Being Proposed

Sewer Rate Increases Discussed by Board

By GERRY MUELLER
Statesman Staff Writer

At Monday evening's meeting, Dr. Raymond Kipp, advisor for the Water Department, presented his analysis on the status of Kewaskum's sewerage costs.

Kipp told the Village Board his study of the budget showed Kewaskum could be looking at a rate increase of 65% if it hoped to come up with the sum of \$245,000, allocated for the 1981 budget without making any budget reductions. However, Dr. Kipp presented a list of places where reductions could decrease the budget by approximately \$59,600. If all these cuts could be made, Kipp felt the village could look at a more conservative increase of approximately 27% from 79c per 1,000 gallons to \$1.00 per 1,000 gallons for residential users. Four commercial users are also looking at substantial increases. Regal Ware would be lowest with an increase of approximately 20%, Great Lakes Malt-ing 56%, while Marigold Dairy and Kewaskum Frozen Foods could be facing increases of 107% for sewer service.

Kipp noted sewerage rates have not been increased in Kewaskum since 1973, yet the Sewer and Water Department's budget of \$126,000 in '73 has increased almost six times to

\$245,000 in 1981.

Several trustees noted they had received inquiries regarding the proposed increase. Kipp stated, "you haven't increased

Only 109 Votes Cast in Primary

Herbert Grover and incumbent Barbara Thompson were nominated for state superintendent of public instruction at Tuesday's primary election. Grover, who made a surprisingly strong first place showing, and Mrs. Thompson will meet in the April 7 general election for a four-year term in the \$58,139 a year job. With not all wards reported Grover received 113,677 votes to 80,663 for Thompson. The other three candidates were far behind.

Only 109 votes were cast in the Village of Kewaskum, where Grover also led by a large margin. The results: Grant Douglas Tews 5, Douglas J. LaFollette 16, Barbara Thompson 27, Reinhold Kaebitzsch 8, Herbert J. Grover 53.

First Robins

Herbert W. Ramel of Route 2, Kewaskum, reported spotting a robin near the creek on the west side of his home Monday morning, February 16. Mrs. Doris Mae Johnson of Campbellport also called that she saw a chirping robin in her yard Tuesday.

This is very early for the robins to appear in this area. Our first robin last year was on March 17, St. Patrick's Day. Maybe this is a sign of an early spring. But then, with the super weather we've been having since last Friday - 52 degrees on Monday and 57 degrees on Tuesday - who can blame the robins for returning early?

Kewaskum Night At Brewers Game Set for Aug. 25

The date for this year's Kewaskum Night at the Milwaukee Brewers baseball game has been set for Tuesday, August 25, it has been announced by the Kewaskum Area Chamber of Commerce. The Brewers will play the Chicago White Sox.

Advance tickets can be ordered from Ken Weddig at Minz Supply.

Education Association Wins Arbitration

By GERRY MUELLER
Statesman Staff Writer

After negotiating a year, the Kewaskum Education Association was notified Friday it had won its arbitration case with the School Board.

The new contract for 1980-81 is approximately \$195,000 above the 1979-80 contract.

Other benefits won by the teachers include: dental insurance, Association right to grieve, salary schedule for 1980-81, deletion of the Fair

Share vote each year, liquidated damages, just cause protection for discipline, reduction in rank or compensation, and replacement teacher (limited term employee) definition, rights and privileges.

The new 1980-81 salary schedule runs from a base beginning BA salary at Step 1 of \$11,100 to a MA+30, annual salary at Step 16 of \$22,309.00, compared with \$10,450 through \$20,289, in the 1979-80 contract. The increase will mean an average increase of \$1,800.

The liquidated damages fee for late contract termination was increased from \$100 to \$200, requested by the union. The School Board had asked for the right to sue a teacher who wished to break their contract.

The case was presented and litigated by Uniserv Director Dennis Eisenberg. Eisenberg stated, even though the case was settled in favor of the teachers, they would have to receive \$2,500 increases to maintain their current living standards.

Kewaskum Legionnaire Recipient Of State Award at Conference

At the recent Mid-Winter Conference of the American Legion, Department of Wisconsin, held in Oshkosh, Marilyn Haug received the Arlene Rintoul Memorial Award.

The award is presented by the Wisconsin Echelon No. 11 of the 20/4 in recognition for outstanding service to the American Legion and its programs. The Twenty and Four is

an honor society of Women Legionnaires. The selection was based on Mrs. Haug's past and present work in the Legion and interest in the children's and youth programs.

She is a member of Robert G. Romaine Post 384 of Kewaskum and is also presently serving as Washington County Commander.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This photo was taken during the severe winter of 1936-37. It was taken from the roof of the Strachota Store in St. Kilian by Prosper Reindl. It shows the Bonlender, Boegel, Ruplinger and Felix sleighs and horse teams and the Schmitt cutter. (Photo submitted by Sally Reindl)

In last week's Memories photo of the Eberle's Buffet float in a summer parade taken about 1910, how many of you noticed that the team drawing the wagon were mules? The animals belonged to John Haug and is the same pair of mules that pulled all the bricks and mortar up for the building of the malt house chimney around 1905-1910.

Abraham Lincoln was clean-shaven until his 51st year when an 11-year-old girl told him that he would look a great deal better with whiskers because his face was so thin.

rates in seven years, you can tell them they've been getting a bargain for five years.

Looking at budget reductions and a 27% increase, Kipp felt an increase next year would also be substantial as it would take approximately two years to catch up to current sewerage charges. "If you want to do it all in one year, you'll be looking at a 65% increase." Anticipating the reaction to a 27% increase, Trustee Dave Nigh stated, "its been too cheap too long." Kipp commented, you can use up to 10,000 gallons of water and discharge it down the sewer for \$5.50 a month (combined water and sewer charges). That's extremely reasonable compared to other areas.

Kipp suggested hereafter Kewaskum raise rates annually, noting Fort Atkinson has been on this schedule for seven years and their annual increase has run between 5 and 8%.

Village Board President Gerald Stollenwerk said proposed sewerage increases would be brought up at the March 2 meeting.

In other business, Trustee Jeff Rohrer presented recommendations from the Parks and Recreation Committee. Among them were adjustments in the pay scale for baseball umpires. The hourly rates approved will run from \$5.35 the first year to \$6.25 per hour for five years experience. Rohrer suggested advertising for bids for fencing at the new basketball court. It is hoped the village will be able to take advantage of a state funding program before it expires in June. Rohrer also informed the board starting this year the village will be maintaining only the two baseball diamonds at the new park and not ten diamonds as in previous years.

Police Chief Hlavaty received board approval to install "No

Parking" signs on both sides of Second Street. The board voted unanimously for a "No Parking from 7:00 a.m. to 5:00 p.m. Week Days Only" restriction.

The board also approved the appointment of David Backhaus to the Police Commission. Backhaus, a Lieutenant and Watch Commander in the Washington County Sheriff's Department, will fill the unexpired term left vacant by the death of Roland Pledl.

Public Works Superintendent Augie Bilgo presented quotes for the purchase of a Recordograph Chart at \$1,455.00, and a new recording meter at \$245.00. Bilgo noted the present meter was installed in 1929. The bids were turned over to the Public Works Committee.

Candidates Forum

Thursday, February 26

The League of Women Voters of Washington County in cooperation with the Kewaskum Woman's Club is sponsoring a public candidates forum for the Kewaskum Village and Kewaskum School Board candidates on Thursday, February 26, at the Kewaskum High School cafeteria at 7:00 p.m.

Presentations from the Kewaskum Village candidates will be followed by the School Board candidates at 8:00 p.m. Written questions will be accepted from the public.

The electorate is encouraged to meet the candidates during the social hour following the forum.

Everyone is encouraged to attend and participate. A public forum serves to inform the electorate and affords them the opportunity to meet those who serve them in public office.

KHS German Club Fasching Tickets on Sale

Tickets for "Fasching," the Kewaskum High School German Club's annual festival, are now available from the high school office until February 24.

Fasching, an evening of music, light entertainment, and delicious German food, will take place Sunday, March 1, beginning at 4:30 p.m. Food will be served until 6:30, to avoid congestion. A short program will follow, and the evening will end with dancing and music by Ed Schneider and his band.

Kraftbruehe with Leberkloss, Schweinebraten, Koenigsberger-Klopps in Rahm Sauce, Spaetzle, Kartoffelbrei and vegetables will be on the menu, which will also include the always popular Schwarzwaelder and Apfel-Strudel for dessert. The meal will be prepared under the supervision of Mrs. Rita Medley, a native of Germany.

Tickets are more limited this year than in the past, so it is advisable to obtain them early. They will not be sold at the door.

An old word for a gloomy or introverted person is a "sad apple."

Jazz Band, Swing Choir Concert Rescheduled

The Kewaskum High School's Jazz Band, Swing Choir Concert, postponed due to the weather and road conditions on Wednesday, February 11, has been rescheduled for Wednesday evening, February 25, at 7:00 p.m.

The concert will be held in the gymnasium and will include the same songs originally scheduled.

Woodmen to Hold Potluck Dinner

The Modern Woodmen of America Camp 2233 is having a George Washington's birthday celebration on Monday, February 23 at the Labor Center Hall. A potluck dinner for camp members and their families will be held at 6:00 p.m.

The Camp will furnish meat loaf, coffee, milk and refreshments free of charge. Members are asked to bring a dish to pass.

Cards will be played and door prizes awarded.

Statewide Senior Statesmanship Program Openings

The Washington County Aging Unit is accepting applications from interested individuals, aged sixty or over to participate in the Wisconsin Senior Statesmanship Program in Madison. The Statesmanship program is aimed towards developing well-informed active older adults. Participants make daily contacts at the State Capitol to meet their individual legislators, learn to use legislative libraries and attend legislative LEARNINGS AND SESSIONS.

Two Statesmen stay at the Yahara Center in Madison, with all expenses paid. Individuals will be able to select one of two training dates which are scheduled for April 13-16 and April 20-23. Participants are expected to share what they learn with others when they return home. Anyone interested in becoming senior statesman should contact the Office on Aging, 401 E. Washington Street, West Bend, or by calling 338-4497 by February 27, 1981.

HEALTH TIP

from Tom
 Leitzke, R.P.H.

Most over-the-counter drugs are useful if they are used properly. A cold remedy won't cure a cold, but it can relieve the symptoms. An antacid can ease a stomach ache from too much eating or drinking. But if overdosed, some OTC's can become dangerous. Also, some drugs can interact with others in the body to produce undesirable effects. Some can cause unwanted side effects. Some persons are allergic to certain drugs.

When you select nonprescription drugs, consult your pharmacist. He's a trained expert in drug use.

Best Deal in Washington County

West Bend Savings has always offered the best deal in financial services. That's what made us Washington County's largest family financial center. We're still dealing in 1981. And with our new lineup of services, you can count on a winning hand whether you draw one or all.

TYME

Tyme is money. With a TYME card you can make deposits, withdrawals and transfers from your West Bend Savings Chek-Sav checking account and Action savings account at hundreds of TYME locations across the state. Combine TYME with VISA or Master Card and you can get a credit card cash advance.

TYME isn't just a new way to transact your financial business...it's a better way. And it's available 24 hours a day, every day of the year.

Check-Sav II

The checking account that pays 5 1/4 percent daily compounded interest. The interest-earning benefits of Chek-Sav II can be yours when you maintain a nominal minimum monthly balance. If you prefer a regular non-interest earning account, then Chek-Sav I may be right for you. Why not keep your checking and savings at one location... and earn the highest interest on both.

VISA/Master Card

Both are now available at West Bend Savings. Combine either card with TYME and you've added a new feature... receiving cash advances from TYME terminals throughout Wisconsin. Combine either card with Chek-Sav and you've got automatic overdraft protection. You can transfer your present card to a West Bend Savings VISA or Master Card now or at renewal.

Savings Accounts

West Bend Savings offers a full range of regular and performance certificate savings plans that pay the highest interest allowed by law. And if you're looking for a bright investment, ask for the current rates on our 30-Month Achiever and 6-Month Money Market Certificates.

Don't get lost in the money management shuffle. You get a better deal from West Bend Savings.

Area Farmers, Landowners Receive Soil and Water Conservation Awards

Washington County Soil and Water Conservation District farmers and landowners dominated the list of awards winners being honored by the Southeast Wisconsin Association of Soil and Water Conservation Districts at the association's winter meeting. People receiving awards for outstanding conservation work in Washington County included:

Walter and Roger Neumann: father and son in the Town of Kewaskum, who operate a 215 acre dairy farm in sloping glacial land, and won the wildlife habitat development award for bonafide farmers. In 11 years they have laid out over 173 acres of contour strips to control erosion and provide food and cover for wildlife. They have also used conservation tillage practices, constructed grass waterways, dug a wildlife pond, and improved the timber stand on their 11 acre woodlot.

James Reigle, Regal Ware president, and Charles Ogi, Kewaskum veterinarian: won in the non-farmer wildlife habitat category on land purchased near Kewaskum. They developed a conservation plan in 1969, planted 18,000 trees in 1970, and planted 2,400 feet of hedgerows. Several food patches of corn, buckwheat and sorghum for wildlife were also planted in that same year. In addition, a pond for wildlife and recreation was dug, after which 1,000 white cedars were planted on the banks.

William Genthe: is a Rexnord Corporation official who lives in Menomonee Falls, but has a cottage on Big Cedar Lake and is chairman of the Big Cedar Lake Protection and Rehabilita-

tion District. Genthe was honored for being the driving force behind efforts to restore and protect the lake's water quality. Farmers were encouraged to construct manure storage facilities, to develop crop rotation systems, install contour strips, grass waterways, and diversions.

Merlin Volm: is a Kewaskum area farmer who operates a 318 acre dairy farm in the Town of Wayne. Merlin was selected as the area's outstanding cooperator for 1980 because of his active conservation efforts on the farm. He installed 42 acres of contour strips on his original farm and maintains strips on new land recently purchased. He has constructed two sod waterways to stop severe gully

erosion, laid in 12,000 feet of tile and put in another 700 feet of drainage ditch over the years. Wildlife habitat was improved by construction of a level ditch in 1979.

County Soil and Water Conservation District Banquet March 2

The Washington County Soil and Water Conservation District is planning on holding their Annual Cooperators' Banquet on March 2, beginning at 7:45 p.m. at the Addison Town Hall, Allenton. The event is being planned by the Soil and Water Conservation District's Junior Board and the public is invited to attend. Farmers who have done outstanding conservation work during the past year will be recognized at the banquet.

A dinner will be furnished for \$4.50 per person. Main speakers this year will be Jack Trzebiatowski and Dan Wilson, University of Wisconsin Extension, West Bend, and Herb Wolf of the Washington County Park and Planning Department. They will jointly be discussing the farmland preservation planning process in Washington County. Short speeches by the district conservation speaking contest winners will be given, and door prizes will be given out throughout the evening.

Several invitations will be going out in the near future to county farmers. Others not receiving an invitation who would like to attend should contact Marc Bethke, Washington County SWCD, 2395 W. Washington St., West Bend, (Telephone 334-3706) to make advance reservations. All registrations are due at the above address by February 24.

Warren Williamson, M.D., Racine [left] presented a certificate of accreditation from the State Medical Society of Wisconsin's Jail Health Care Program to Washington County Sheriff Clarence A. Schwartz. The Washington County Jail was awarded a two-year accreditation for providing acceptable health services which meet standards developed by the American Medical Association. A complete story on the accreditation was published in the January 30 edition of the Statesman.

Farm Tractor Safety Course

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most of the accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a farm tractor safety course has been started. A federal law says that no youth between 14 and 16 years of age may be hired to operate a tractor on a farm unless he has taken the safety course.

A tractor safety course will be conducted by the High School Vocational Agriculture Departments and University of Wisconsin Extension in Washington County. It will be on Saturdays at the West Bend High School beginning March 14 from 9:00 a.m. to 3:00 p.m. It is open especially to youth who will be 14 and not over 16 years of age by June. However, if there is room, other youth will be accepted. The federal law requiring the safety course does not apply to youth who will be working on their own farm. However, the safety course would be a good thing to enroll in even if a youth does not plan to work for others.

The course includes instructions on understanding how to operate a tractor with the emphasis on safety. To complete the course a member must attend four sessions and then pass a written and a driving exam.

You may get details and information on registration from your High School Vocational Agriculture Instructor or from the University of Wisconsin Extension 4-H Office in West Bend. Phone 338-4478 or 644-5204.

Obituaries

MRS. GILBERT HERBERT

Mrs. Gilbert (Mabelle) Herbert, 76, of Route 2, Plymouth, former owner and operator of Fin-n-Feather Supper Club at New Prospect, died Tuesday, February 10, at Plymouth Hospital after being admitted Monday afternoon.

She was born in the Town of Sherman, Sheboygan County, on February 16, 1904, the daughter of the late Gustav and Anna Hammen Schulz. She was married to Ernest E. Payne on June 26, 1926, and he died October 22, 1954. On November 3, 1966, she then married Gilbert Herbert at Cascade, and they lived in the Town of Greenbush.

Mrs. Herbert was more recently employed as a supervisor in the food service department at Lakeland College and initiated and was employed in the food service department at Plymouth High School.

She was a member of Our Lady of Angel's Catholic Church at Armstrong and the Altar Society.

Survivors include her husband; three sons, David Payne of Plymouth, Stanley Payne of Cascade and Alan Payne of Van Dalia, Ohio. A sister and four brothers preceded her in death.

Funeral services were held at 9:30 a.m. Friday at Wittkopp Funeral Home, Plymouth, and at 10 a.m. at Our Lady of Angel's Church, Armstrong. The Rev. Wayne Barta, pastor, and the Rev. Joseph Fischer of St. Andrew's Catholic Church, LeRoy, officiated. Burial followed in Zion United Methodist Cemetery, Batavia.

Visitation for Mrs. Herbert was after 3 p.m. Thursday and until 9:30 a.m. Friday at the funeral home.

INFANTS PIEPER

Jackson and Gail Pieper, infant twin son and daughter of Fred and Roxanne Weissensee Pieper of Route 1, Eden, died Sunday, February 15, 1981. Jackson was dead at birth and Gail died shortly after birth.

Larson Says New Plans Makes Home Mortgages Affordable

Dick Larson, president of the West Bend Savings and Loan Association, thinks he has at least a partial cure for the sick housing industry in Washington County - a remedy that may be used throughout the state.

Larson, like most S&L officials, suffered through a depressed 1980 market that saw record low activity in the housing market. He hasn't taken it lying down.

Instead, Larson crafted and then recently unveiled a new mortgage plan that he feels will help put the American dream of home ownership back within the grasp of the moderate-income family.

The Appreciation Payment Mortgage (APM) plan overcomes the high mortgage payments that are keeping many otherwise qualified buyers from entering the market, he said. "It even cures dandruff," he joked.

A resurgence of home buying and selling by moderate-income families will send healthy ripples of activity all the way through the housing market, said Larson, who unveiled APM at a meeting of area brokers and builders.

The response was enthusiastic, he said, adding that West Bend Savings and Loan has already had three applicants.

Unlike the much-publicized Shared Appreciation Mortgage plan (SAM), the APM allows the home buyer to keep his monthly payments low without signing away any of the equity he is building in his home. Instead, his monthly mortgage payments are subsidized by the association which uses the increased value of his home as collateral.

Here's how the APM works in a hypothetical example:

- A home buyer wants to purchase a \$62,500 home with a 20 percent downpayment and a mortgage of \$50,000. The monthly contract mortgage payment during the first year is about \$620, higher than the buyer can afford.

- The association assumes that the man's income and the value of the house will increase annually by 5 percent, a very conservative figure.

- The association gives the buyer a five-year mortgage that

includes the option to use a subsidy of up to \$200 per month. His mortgage payment is reduced from \$620 to \$420, an affordable level.

- The subsidy is actually a loan against the increased value of the house. The subsidy, which carries a financing cost of only \$100 per year, is added to the mortgage balance and the length of the mortgage is extended.

The APM buyer will have the option each year of using or not using the subsidy, Larson said. If the buyer wants to use the subsidy, the mortgage interest rate will be adjusted upward or downward, depending on the situation that year.

The APM is written for five years but can be extended beyond that, Larson said, although he doubted that would happen in most cases.

He estimated that 95 percent of the people who use the APM plan would wean themselves from the subsidy by the end of the five years. As their income increases over that time, Larson said, most will decide to start making the full contract payments and build their equity in the home at a faster rate.

The reason, he said, is that the percentage of income necessary to meet mortgage payments usually decreases over the years.

"The family that spends 25 percent of its income on housing and buys a home now, usually finds that in a few years, not only has their house value gone up, but their income has gone up too," said Larson. Now they are really only paying 15 to 20 percent of their income (for mortgage payments)."

One of the best aspects of the APM is that it allows a moderate-income person to build inflation-hedging equity in a home and enjoy the tax breaks of home ownership without "busting his tail" to meet mortgage payments that eat up nearly half of his income, Larson said. The subsidy limit is \$200, he said, but the actual subsidy amount will be based on the premise that 25 percent of the homeowner's income can go toward mortgage payments.

In the example used above, the person bought a house today for \$62,500 and sold it in

five years for \$76,000. Under a typical mortgage plan, that person would have reduced a \$50,000 mortgage to about \$48,000 and would make about \$27,500 in the sale.

If the same person used the \$200 APM subsidy for the entire five years, he would have increased the original \$50,000 mortgage to \$62,000.

At the same sale price, however, he'd still make about \$14,000 and would have enjoyed the tax breaks of home ownership over the period, Larson said.

Larson said the concept of APM came to him on the way back to West Bend from a meeting with federal savings and loan officials in Washington. The APM needs no federal approval and already has the blessing of the appropriate state officials and mortgage underwriters.

No laws or regulations had to be rewritten, he said, because Wisconsin is already one of a handful of states that allows such creative financing without a plethora of red tape.

The APM is tailor-made for the family with a moderate income which will increase, but not dramatically, over the first few years of home ownership, said Larson.

Graduated payment plans will prove more attractive to some families with incomes that will increase significantly during the initial years of a mortgage. Generally, graduated payments plans start with lower payments that are supplemented by the downpayment. The monthly payments increase over a three-year period.

Larson said that both APM

and graduated payment plans will be valuable tools for those in the Washington County housing industry. The president-elect of the Wisconsin Savings League said if the APM is as successful as he hopes, he will introduce the concept to other S&L's throughout the state.

The unveiling of the unique APM plan may provide an indication why Larson is so excited about the concept.

After explaining APM to a room full of builders and brokers, Larson asked how many had recently experienced lost sales because a prospect couldn't afford the mortgage. Almost all of them raised their hands.

Then Larson asked how many could have sold at least one of those prospects if APM had been available. "They almost all raised their hands again," said Larson.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Feb. 21, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herring Oil in Kewaskum during working hours.

ALL SEASONS

Many drivers still use the old expression 'winterizing' and 'summerizing'. We do sometimes even when we know better. I guess these words had their beginning way back when you added alcohol to the radiator in the fall and replaced it with water in the spring. But these words are obsolete now because you use the same radiator mixture all year. And if you sensibly follow a maintenance schedule on your car, you can forget about weather and seasons.

Many of our customers at J & J AUTO SERVICE drive in at 450 E. Main St. every five or six thousand miles and we electronically check the ignition, test brakes and shocks, and make a safety check all around on mounts, joints and bolts. If anything needs maintenance, it is generally just minor. Of course some customers still run their cars until they break down and major repair is necessary, not mentioning the inconvenience. Minutes of Village

Board Meeting

Monthly Meeting
February 2, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of January 19, 1981, were approved as printed upon motion by Trustee Herriges, seconded by Trustee D. Nigh. Voice vote was unanimous.

Supt. Bilgo presented specifications and quotations for the possible purchase of a portable electric generator.

The Board reviewed the financial and budget control report of the year ended December 31, 1980.

Administrator Schmidt reported that negotiations are continuing on the Fire Service Contracts between the Village and the Town of Kewaskum and the Village and the Town of Auburn.

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh, were as follows:

Vill. General Fund	\$256,279.93
Water Dept. Fund	1,695.78
Sewage Dept. Fund	5,102.32

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Mlodzik, seconded by Trustee Blumer. Voice vote was unanimous.

The Parks and Recreation Committee will meet at 7:00 p.m. on February 16.

Trustee Rohrer reported that a joint meeting of the Plan

Commission and the Village Board has been scheduled for Thursday evening, February 5 at 7:00 p.m. Mr. Daniel Thompson of Action Associates of Middleton, Wisconsin, will give a presentation on Tax Incremental Financing and will answer questions from the floor.

The following resolution was introduced by Trustee David Nigh:

RESOLUTION NO. 81-2

Resolution Awarding An Initial Non-Exclusive Franchise For The Construction, Distribution, Maintenance And Operation Of A Cable Television System In The Village of Kewaskum

WHEREAS, the Village of Kewaskum duly adopted Ordinance No. 81-1 of the Municipal Code of Ordinances for the Village of Kewaskum, enacting rules and regulations setting forth terms and conditions for the construction, distribution, maintenance and operation of a cable television system in the Village of Kewaskum; and

WHEREAS, pursuant to said Ordinance, the Village Board and the Cablevision Committee have reviewed the qualifications as submitted in the proposals by the applicants, which included Riverbend Cablevision, Inc., of Fond du Lac, Wisconsin; and

WHEREAS, the Village Board has reviewed and considered the proposal submitted in light of the rules and regulations set forth in Ordinance 81-1 of the Kewaskum Municipal Code, and has determined that Riverbend Cablevision, Inc., of Fond du Lac, Wisconsin, is qualified for the grant of an initial franchise under said Ordinance 81-1; and

WHEREAS, the Village Board has reviewed and considered the proposed Franchise Agreement awarding to Riverbend Cablevision, Inc., of Fond du Lac, Wisconsin, the permis-

sion, right, privilege and authority to operate a cable communications system and to furnish all services reasonably connected therewith to the Village of Kewaskum and its inhabitants.

NOW, THEREFORE, be it resolved by the Village Board of the Village of Kewaskum:

1. That there is hereby awarded to Riverbend Cablevision, Inc., of Fond du Lac, Wisconsin, an initial nonexclusive franchise for the construction, installation and operation of a cable television system in the Village of Kewaskum, subject to the terms and provisions of said Ordinance 81-1 of the Kewaskum Municipal Code.

2. That the President and Village Administrator are hereby authorized and directed to execute on behalf of the Village of Kewaskum the Franchise Agreement awarding to Riverbend Cablevision, Inc., of Fond du Lac, Wisconsin, permission, right, privilege and authority to operate a cable communications system and to furnish all services reasonably connected therewith to the Village of Kewaskum and its inhabitants.

Motion for adoption of the resolution was made by Trustee Paul Blumer. The motion for adoption was seconded by Trustee Jeffrey Rohrer. Roll call vote for the adoption of the resolution was six (6) "Yes" and zero (0) "No."

The increase in the water rates of the Kewaskum Municipal Water Department, as recommended by the Wisconsin Public Service Commission in their order dated January 6, 1981, were approved by the Village Board and will become effective as of February 14, 1981. The increase in the rates were authorized upon motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Voice vote was unanimous.

Marvin Martin, Director of Civil Disaster, was authorized to attend the Governor's Conference on Disaster Preparedness in Madison on March 12 and 13, 1981. Motion by Trustee Herriges, seconded by Trustee Mlodzik. Voice vote was unanimous.

Upon motion by Trustee Mlodzik, seconded by Trustee Herriges and unanimously carried, the Board adjourned until

8:00 p.m. February 16, 1981.

Badger Spelling

Bee Announced

The 33rd Annual Wisconsin State Journal Badger Spelling Bee for fifth through eighth grade students will be held Saturday, April 25, 1981, in Madison. The top speller in the State will go to Washington D.C., for the National Bee in June. Who are the contestants in the State Bee?

For several years the CESA (Cooperative Educational Services Agency) regions have been sponsoring local spelling bees. The winners of these regional bees attend the state contest. This year the CESA 16 (Waukesha-Washington Counties) Spelling Bee will be held April 6, 1981, at Brookfield Elementary School, 2530 N. Brookfield Road, Brookfield, Wisconsin 53005.

All public and private schools are allowed one representative at the CESA 16 Regional Bee. Letters have been sent to participating schools announcing the 1981 Bee. If your school has not participated in the Badger Bee and would desire information regarding the CESA 16 Regional Bee, write or call (414/782-0530) Elmbrook Instructional Resource Center.

Kewaskum Jaycee-Lighthouse Junior Bowling League News

George Walz watches one of his strikes become history in the Coca Cola Junior Tournament at North Bowl Lanes in Sheboygan on January 18.

Many junior bowlers are enjoying themselves bowling each week in league along with bowling in tournaments being held for junior bowlers in the surrounding area.

Two juniors placed in their respective age divisions in the Pabst EXTRA Light Tournament held in conjunction with the women's pro tournament in November. They were Cindy Hoepner from Reindl Appliance Repair placing 2nd in her age group while Lynn Volesky from Village Sport Shop placed 3rd in her division. The girls received nice trophies and recognition from the Lady Pros for their respective good scores.

January 18 was a day that

saw the Lighthouse Juniors invade the North Bowl Lanes in Sheboygan to take three of the six places in the Bantam Division of the COCA COLA Junior Bowling Tournament. The final standings at the end of the day looked like this:

BANTAMS

BOYS — First - George Walz, Lighthouse Lanes; Second - David Jirikowic, North Bowl Lanes; Third - Kevin Karshner, North Bowl Lanes.

GIRLS — First - Cindy Hoepner, Lighthouse Lanes; Second - Lisa Persutti, Lakeshore Lanes; Third - Jenny Gay, Lighthouse Lanes.

These Junior Bowlers will be

recognized at a banquet sponsored by Coke where they will receive their trophies.

The kids are now in the midst of qualifying for the Miller Pro-Junior Tournament to be held at Red Carpet Celebrity Lanes in Milwaukee on March 8. Quite a few teams have also signed up for the State Junior Team Tournament which will be held March 21 in Appleton.

A lot of fun is ahead yet for those ambitious young bowlers in the coming weeks so let's cheer them on and bring some more trophies home to the Lighthouse Lanes.

West Bend West Hands KHS Chess Team First Loss

The Kewaskum High School chess team suffered its first loss of the season Thursday night, dropping a 30½ to 21½ decision to West Bend West. The two teams split the season series and left the two teams tied for first in the South Central Chess Association.

Glenn Classey, playing in his first game of the season, lost at board eight.

Jim Simon dropped two pieces early in the game and lost at board six. Jim Bohn, his opponent, has lost only once this season and that loss was to

Kewaskum's Ken Bauer.

Rick Howell and Ken Bauer came through with Kewaskum's only wins at boards three and seven respectively. Bauer easily won his sixth straight game and Howell had a mate on the back rank. This made the score Kewaskum 12, West Bend 8, with four boards remaining.

Kewaskum was behind on all four boards. Andy Rosenberger and Mike Thoma were both unbeaten going into their match at board four. Thoma gained a pawn early but Rosenberger evened the game up and went ahead by one point. It was Thoma though that came up with a knight fork winning Rosenberger's queen and the game.

Steve Yahr had a rook and pawn vs. his opponent's rook and three pawns. Yahr played an excellent end game and drew his opponent.

Rob Slegler and Gregg Classey at boards two and five were still playing after two hours and 30 minutes. Slegler had fallen behind early by the exchange of knight for rook. Tom Bakken knew that a draw would probably give West the match and was able to play conservative. Slegler forced the match though and the end game featured Slegler's rook, knight and three pawns vs. Bakken's rook and six pawns. Slegler captured two of Bakken's passed pawns with his knight but this left the knight out of position and Bakken traded the other pawns off and the game was drawn.

Gregg Classey's game was adjudicated after two hours and 45 minutes and awarded to his opponent Bob Weiss, due to material advantages. Weiss is now 4-1 in conference play.

Kewaskum played at Hartford Tuesday night in a rescheduled game and hosted Kettle Moraine Wednesday night. If Kewaskum would have won both of these games they would be in good shape for at least a share of the conference

crown. Kewaskum defeated Hartford 39½ to 12½ and Kettle Moraine 28-27 in the team's first pairings of the season.

Kiel Defeats Indians With Strong Second Half

Kewaskum led during the entire first half at Kiel Friday night but the Raiders made a strong comeback in the second half to hand the Indians yet another defeat, 50-34.

It was a very low scoring, defensive first half but Kiel came out after the intermission to outscore the Indians, 20-9, in the third quarter and 14-8 in the last period to win by a spread of 16 points.

Kewaskum stopped Raider ace Brian Christel for one half but couldn't hold him the entire game. Coach Jim Westphal's game plan was to cut off Christel, even if his teammates got open shots. Jeff Lehnerz covered him closely in the first half and allowed Christel just four points as he did a good job. Christel became a menace after that, however, when he started an early rally after the intermission which saw Kiel outpoint

the Indians, 13-1, in the first few minutes of play. With Christel scoring four baskets the Raiders came back from a three point deficit to a 10-point lead. He tallied 20 points for the night.

After that spurt it seemed like none of the Indians wanted to take a shot but Kewaskum bounced back with a six point rally to narrow the gap to 30-26. Kiel then retaliated with four more points before the third quarter ended.

The last period was mostly Raiders as they stayed ahead by about 10 points most of the way. At one stage the Indians cut it to eight but the Kiel defense tightened and forced the Indians into some turnovers and kept them from coming any closer.

Brian Larsen and Dale Wodsedalek topped the Indian scoring with nine points apiece, while Jim Rohlinger, who had not been feeling well but played most of the game, chipped in eight.

The setback left the Indians in last place with a 1-9 record.

This Friday Kewaskum hosts a strong Plymouth team led by the Commerford brothers before closing the regular season the following week with co-leader Two Rivers coming here.

Girls Jolted by Chilton, Leading Two Rivers

Playing at Chilton Thursday night, the Kewaskum girls were upset by the Tigers, 47-35.

Chilton set up their defense to stop the Indians' two high scorers, Jill Yearling and Linda Larsen. Both girls, who are averaging 12-15 points a game, were held to one basket and scored only 8 points each for the night. They got open but couldn't get shots against strong defenders Laurie Kohler (6-1) and Connie Piepenberg.

The Indians couldn't hit from the outside nor the free throw line, missing 15 for the night. Piepenberg and Koehler each had 12 points for the winners, high for both teams.

Kewaskum — Schlies 2-0-1, Hanrahan 0-0-1, Schoofs 0-2-1, Rodenkirch 0-2-2, Bode 3-1-2, Yearling 1-6-5, Larsen 1-6-1, Brenholt 1-0-1, Fuller 0-0-2, Matenoer 1-0-0. Totals — 9-17-16. FT Missed — 15.

Chilton — Matthias 1-0-4, Meier 1-2-4, L. Piepenberg 1-1-0, Redig 3-3-4, C. Piepenberg 5-2-4, Schneider 2-0-5, Koehler 5-2-4, Werbecke 0-0-5. Totals — 21-5-19. FT Missed — 9.

On Friday night the KHS girls played a makeup game at Two Rivers against the undefeated Raiders, who clinched a share of the Eastern Wisconsin title by snowing under the Indians by 41 points, 73-32.

The Indians were only in the game for the first quarter, trailing 15-8 at the period's end. After that it was all Two Rivers as they outscored Kewaskum by decisive margins in each quarter.

It was a disappointing loss for Coach Ken Soerens, who felt his team wouldn't be beaten so badly again. The Raiders have a great team with balance, strong rebounding and sharp passing.

Jill Jonas scored 13 points and had 14 rebounds for Two Rivers and Dax had 12. Yearling led Kewaskum with 13 and Larsen eight.

The loss dropped the Indians to a 5-6 mark in conference with two games to go before tournament play.

Two Rivers — Jnnas 6-1-1, Anderson 4-0-2, Dax 6-0-1, LeClair 30-4, Meverden 4-1-1, Milner 3-0-3, Reuther 1-2-1, Short 5-1-4, Specht 2-0-3. Totals — 34-5-20. FT Missed — 4.

Falls Stingers Trip Kewaskum

Playing at Menomonee Falls North High School Sunday, Kewaskum again played a strong first half, leading one of the strongest teams in the league, 59-53, at halftime. But foul trouble and lack of depth plagued them in the second half as the Falls Stingers took the lead and went on to win, 137-126.

Pacing Kewaskum was Leon Laatsch with 42 points, followed by Tom Edwards with 28 and Chris Schroder with 21. High scorers for the Stingers were Don Church with 33 and Dan Hackbarth with 28.

The loss leaves Kewaskum with a 1-8 record, tied for fourth place in the "B" Division. Falls is now 6-2 in third place in the "A" Division.

Sunday, Feb. 22, Kewaskum hosts Thiensville-Mequon (2-7) in an afternoon game at 1:30 p.m. This is a makeup game from Jan. 25.

Kewaskum Qualifies Four Wrestlers for Sectional

Kewaskum wrestlers did well in the regional tournament at Random Lake Saturday, coping second place among six schools and qualifying four for the sectional. First and second place winners move on to sectional action.

Host Random Lake took first place with 165½ points, followed by Kewaskum 127, Pewaukee 121, West Milwaukee 115, Slinger 75, and Shorewood 60.

The Indians wrestled with much more intensity than they did the week before when they placed last in the Eastern Wisconsin Conference meet.

Bob Bastian at 155 lbs. led the Indian matmen with a title, which included three wins, the final a 15-1 victory over Tom O'Malley of Pewaukee. Bastian, a senior, is now 20-4 and Coach Fran Charland says it is going to take a pretty good wrestler to beat him when he is on.

Second place finishers for Kewaskum were: Wayne Boudreau at 126, Sophomore Stuart Stautz at 132, and Steve Seitz, only a freshman, at 167.

All first and second place qualifiers will move on to Whitewater Saturday, where the going gets tougher on the way to the State meet.

Indian Frosh, JV's Both Lose at Kiel

All three Kewaskum basketball teams were defeated at Kiel Friday night.

The freshmen, who had won six of their last seven games, lost 37-29. Turnovers, poor ball handling and shooting cost them. Jim Hanrahan led the Indians with 11 points and Brian Arndt added 10. Kewaskum scored just two points in the third quarter.

The JVs also had a bad quarter, the second, in which they tallied only two points, and were beaten, 58-40. Jeff Geidel led the Indians with 14 points. A Kiel player who did not play in the first meeting between the teams, scored 20 points for the winners.

The JVs, now 4-6, have two tough games left against Plymouth and Two Rivers.

6 Boys Added to KHS Cheerleaders

Six boys have joined the cheerleading corps at Kewaskum High School. They are Craig Rosenthal, Scott Nigh, Scott Buchel, Ken Fellenz, Mark Rodenkirch and Brian Johnson.

The boys, who made their home debut at the Indians' recent game with Chilton, work with the girl cheerleaders in creating pyramids during time outs. Their uniforms are light pants and yellow T-shirts.

One other school in the Eastern Wisconsin Conference, New Holstein, also has boy cheerleaders in basketball and football.

Gymnasts 3rd In Triangular

Hartford was the winner in Thursday's triangular gymnastics meet against Grafton and Kewaskum at Grafton.

The Orioles had 78.91 points, just .03 of a point higher than Grafton with a 78.88. Kewaskum, in its first full year of varsity competition, was third with 65.71. The Indians did a fine job considering they were up against two Class A schools.

Sue Schleck of Grafton took all-around honors with 6.95 points. Hartford's Ann Gurascio was second with 6.7. She took first in vaulting, first on bars and tied for third in floor exercises.

Kewaskum was close to the others until the uneven bars, where they fell down bad with only eight points. The girls had a bad night on the bars.

Teresa Nigh and Sue Harlow placed highest for the Indians. Nigh did well with a 6.35 in vaulting for third place. She was also fifth on floor. Harlow was third on balance beam with a good routine.

Announce Winners of Sno-Chiefs Poker Run

Winners in the Kewaskum Sno-Chiefs Poker Run which closed Sunday, February 8, at Hon-E-Kor, were as follows:

First prize of \$75.00 was won by Tim Rohlinger, Kewaskum: 5 high straight.

Second prize of \$50.00 was won by Gwen Wilson, West Bend: 3 of a kind - 8's.

Third prize of \$25.00 was won by Scott Stoltzmann, Kewaskum: 2 pair - K's and Q's.

Door prize winners were Karen Kleinke, Kewaskum — Amerahn; Bill Lehmann, Kewaskum — Mary Ann's; Kathy Rohlinger, Kewaskum — Hon-E-Kor; Barb Schmidt, Campbellsport — Jacak's; Irene Jacak, Campbellsport — Barney's; Norb Verch, Kewaskum — Wes and Rosie's; Roger Flitter, Campbellsport — Bob-A-Lene's.

Laatsch 2nd in Lakes Scoring

Including games through February 14, Leon Laatsch of Kewaskum is second in individual scoring in the Land o' Lakes Basketball League, it was reported by League Commissioner Jake Oelhafen this week.

The perennial scoring leader is Bob Wolf of the Menomonee Falls Badgers, former Marquette University star. So far this season Wolf leads with 417 points in nine games on 176 field goals and 65 free throws. This is an average of 46.3 points per game.

Laatsch has scored 243 points in only eight games on 105 field goals and 33 free throws. He added 42 points to this total in Sunday's game against the Menomonee Falls Stingers.

Kewaskum's Clark Eichstedt is 12th in scoring with 155 points, Tom Edwards 18th with 140 and Don Gruber 26th with 122.
