West Bend Cleans Up After Devastating Tornado Kills 3, Injures 51; Damage Estimated Over \$10 Million

[Additional photos on pages 8 and 9]

When the sun came up Saturday morning, it revealed the tragic results of the devastating tornado which hit West Bend's northwest side at approximately 12:02 a.m. that morning. The storm, which left death and destruction in its path, claimed the lives of three people, injuring 51, six still hospitalized Wednesday morning, one in serious condition, and between 10 and 15 million dollars in property damage. Approximately 36 homes were completely demolished with another 47 homes sustaining varying degrees of damage. At least 45 vehicles were demolished and 19 damaged. Four boats and two campers were also destroyed.

West Bend Mayor Jack Pick stated Moraine Park Technical Institute alone had received approximately \$4 million in damage.

Killed in the tornado were: Scott Schlefke, 10, of 1520 Roosevelt Drive, whose body was found beneath the ruins of his home by a squad of firefighters, of which his father, Ronald, was a part; Eugene Dunn, 52, of 2016 Green Tree Road, whose body was found in a field; and Ida Nolan, Milwaukee, whose body was found nearby in a basement. Pearl Dunn, Nolan's daughter and Dunn's wife, were also among the injured.

Among the injured were Mrs. Gerald (Cheryl) Wagner, 29, fair condition; Chad, 3, good condition; Wanda, 7, fair condition, and Vicki, 11, fair condition. All are of 1516 Roosevelt Drive. All were hospitalized with Mrs. Wagner scheduled to be released Wednesday. Mrs. Wagner is the daughter of Mr. and Mrs. Harold "Justy" Justman of Kewaskum.

William and Donna Butz of 1402 Sunset Drive, who were asleep at the time, had much of their house destroyed and moved off its foundation. Their son, Christopher, 10, suffered cuts, while their daughter, Glory, 8, was unharmed. The family is temporarily living with his parents, Mr. and Mrs. Vernon Butz in Kewaskum.

Neighbors of Mr. and Mrs. Butz, Mr. and Mrs. Charles "Chuck" Bunkelman, had the roof of their home and their garage damaged, although they escaped injury. "Chuck" is the son of Mr. and Mrs. Wilmer Bunkelman of Kewaskum.

The first noticeable damage of the tornado was to a barn on the bottom of Jefferson Street

near 18th Avenue. The twister then crossed the subdivision that includes parts of Jefferson, Roosevelt, Sunset Ridge, Patricia Drive and Greentree, and then continued across Hwy. 45 into Young America, northeast of West Bend.

A West Bend policeman, one of the first on the scene, said, "It's just amazing that so few were killed or hurt in this thing. Considering that it hit just after midnight, there should've been at least a hundred people killed and many more injured."

There was extensive damage to Moraine Park Technical Institute on Hwy. 45 just north of West Bend. Walls collapsed and much of the roof was torn away. Five hundred fulltime and 1,800 part-time students who attend classes were affected. It is questionable whether the 45,000-square foot structure is repairable or will have to be torn down. No classes could be held this week.

The tornado hit without warning. The police department received two phone calls simultaneously at 12:08 a.m. and emergency sirens were sounded but by that time the storm had already pushed through along its path of destruction.

As the tornado traveled northeast, reports of damage in the Boltonville area were received. A farmer on Hwys. 144 and A reported damage to his barn, home and car on one of his silos. A farm on Hwy. H and Boltonville Road had part of the roof torn off a pole barn. Farmington Elementary School received damage to the roof area located over the gym. There were also scattered reports of damage in the Town of Wayne, Campbellsport, St. Kilian, Kiel, St. Anna and other points in surrounding areas.

Margaret Seideman, Kewaskum, a nurse who was on duty at St. Joseph's Community Hospital, West Bend, Friday night noted you have an emergency plan for treating disaster victims and you hope you never have to use it, but Friday night that plan was put into action.

Seideman said things fell into place as victims began arriving at the hospital. The most seriously injured were treated and admitted to the hospital. By 4:00 most of the less seriously injured had been treated and released.

Mrs. Seideman stated the Supervisor of Nurses did an excellent job of handling the situation. Seideman noted she would never care to go through another experience like that again. Extra personnel and

One section hardest hit in the path of the tornado. (Statesman photo)

doctors were called in to help in treating the injured.

Cleanup operations began immediately and earlier this week most of the tornado cleanup had been completed as residents, neighbors, relatives and

volunteers came to help as city crews and other trucks worked continuously hauling away debris scattered over the section. West Bend police, assisted by police from many other cities and villages, kept the area

closed, allowing only residents and authorized people into the damage area.

On Saturday, Gov. Lee Dreyfus declared a state of emergency for areas hit by savage storms, including West Bend.

Ogi Elected to School Board on Write-in Vote; Brigham, Goeden Win

In a surprise outcome, Dr. Charles Ogi, who was not a candidate for re-election, was swept back into office as a Kewaskum School Board member by a write-in vote in Tuesday's election.

Out of three school board members elected, Ogi received the third highest number of votes out of the six candidates. Top vote getter was newcomer Thomas Brigham of the Town of Wayne, professor of physical education and athletic director at the University of Wisconsin-Washington County, most valuable football player at the University of Wisconsin in 1965 and former pro player with the Detroit Lions. Unofficial totals gave Brigham 1,150 votes, followed by incumbent Jean Goeden with 1,015, re-elected. Ogi was next with 908 write-in votes, followed by Margaret McFadden with 815, Richard Schlice 719 and Ralph Horner 529.

Brigham also received the most votes in the Village of

Kewaskum with 366, followed by Goeden with 349, Schlice 282, McFadden 281, Ogi 248 and Horner 122.

VILLAGE OF KEWASKUM

A total of 603 votes were cast in the Village of Kewaskum, in which all incumbents were returned to office. Gerald Stollenwerk, who was unopposed for village president, received the most votes with 551. The three incumbent trustees re-elected were David Nigh with 476 votes, Jeffrey Rohrer 472 and Paul Blumer 421. The fourth candidate, James Scott, received 316 votes. Richard Schmidt, who was unopposed for a one year term as trustee to complete the unexpired term of Carl Spoeth, received 446 votes.

For State Superintendent of Schools, Barbara Thompson received 296 votes and Herbert Grover 287 in the village.

TOWN OF KEWASKUM

Park Fees Revised

Village-Town Consider Joint Radio System

By GERRY MUELLER
Statesman Staff Writer

A plan for a village-town mobile radio system was presented to the Village Board Monday evening.

George Allmann, Town of Kewaskum Chairman, told the board such a plan had been discussed previously but not definite decisions had been made. Allman felt the radio system would benefit everyone concerned by having one base unit to handle both the village and town radio bands. Purchase of mobile units for the town and village trucks seem to be the only major purchases required. Police Chief Don Hlavaty stated he still had the base and municipal license from the Police Department's old radio system. He felt these could be used for this joint hook-up. The board assigned the project to the Public Works Committee for further investigation.

Trustee Jeff Rohrer and Village Administrator Dan Schmidt presented the Plan Commission's proposed TIF Project List covering the eight high priority projects the commission would like to see developed through TIF in the village. Schmidt told the board these projects along with several lower priority items had been forwarded to Dan Thompson for incorporation in his Feasibility Report.

Rohrer informed the board that backstop fencing work at the Kiwanis Park along with 200 feet of baseline fencing installation had been completed.

Park fees for the use of kitchen and shelter facilities have been revised for 1981. Charges for River Hills Park kitchen will be \$25.00 per day, the shelter building will also be \$25.00 per day. If people wish to use both buildings, the cost would be \$50.00 per day. Due to increased costs, there will no longer be a \$10.00 refund as in past years. Use of the Kiwanis Park shelter will cost \$10.00 per day with no refunds.

On the recommendation of

Chief Hlavaty, the board denied a request for a stop sign on the corner of Pleasantwood and Lazy Lane. Hlavaty felt a stop sign would only result in creating a raceway. Without a sign, drivers on both streets will be required to use added caution.

President Gerald Stollenwerk reminded the board that April has been designated "Recycling Month" and he urged everyone to support the Junior Woman's and Lions Clubs in their recycling efforts.

Commissioner Bill Martin told the board there will be two public hearings scheduled for April 20. The first hearing will cover the Exodus House expansion.

A hearing will also be held on the tavern license application of James Rinas, who plans on taking over operation of Flynn's Tavern.

Rohrer reminded everyone interested that a Summer Ball League organization meeting is scheduled for April 9, at 7:00 p.m.

ELECTION

[Continued from Page 1]

Donald Stoffel was elected chairman to succeed Roger Schlief. He received 332 votes to 73 for Arthur Zahn. Incumbent Ervin Seifert (225) was re-elected supervisor, together with Kenneth Jandre (190). They defeated Roger Schlief (168) and David Flitter (146). Incumbent Camilla Butzke beat Ruth Ramthun for clerk 287 to 119. Incumbent Elmer Krueger won over Norman Heberer for treasurer, 262 to 147. Merle Laatsch defeated George Peterson for constable, 237 to 132. A total of 410 votes were cast.

TOWN OF FARMINGTON

Although there was no opposition, 303 voters turned out in the Town of Farmington, probably due to the school board race. Chairman John "Jack" Theusch received 280 votes, supervisors Eugene Laatsch and Carl Hauch 262 and 251, treasurer Kenneth Ramthun 283, Clerk Joanne Oneska 267 and constable Richard Laufer

264. Clerk Oneska replaces Carol Ramthun, who did not seek re-election.

In state balloting, incumbent State Superintendent of Schools Barbara Thompson was defeated by Herbert Grover. Unofficial returns in 2,569 of 3,450 wards gave Grover 323,652 votes to 250,181 for Thompson.

Of the five referendum questions voted on, the "yes" votes won out.

Kewaskum, WI 53040

Dear Sirs:

In letters to the Editor, I believe some recognition should be given to a wonderful family from your area. My daughter Beth as an American Exchange Student under the domestic program stayed with Jack and Carol Hazlewood of 1093 Fairfield Court, West Bend, and their three children, Laurie, Jan and John. When I arrived at the Milwaukee Airport, Mr. Hazlewood picked me up at the airport, offered me to stay at their home, helped me to locate a motel, and gave me their car to drive for the three days while I was at West Bend. I was out to their home for dinner both evenings and breakfast one morning. We went to the Kewaskum School and saw the play the students put on. I met the AFS officers from your area. In fact we all sat in the same area and watched Li'l Abner, on Nov. 6, 1980. When I had to return to New York State, Mrs. Hazlewood and family drove me to the airport. My daughter was in West Bend from August 25 to January 25. She made many friends and didn't want to return home. She went to many events, thanks to the host family. In closing may I say the people from your area are the greatest.

Sincerely,

Elmer J. Heiman

In all but one of the eleven assassinations and attempted assassinations of Presidents or Presidential candidates, the assassin used a handgun. Presidents Lincoln, Garfield, and McKinley were slain. Candidate Robert Kennedy was killed. Governor George Wallace is crippled. In September 1975 alone, President Ford's life was threatened twice by assassins wielding handguns. Now President Reagan has been shot.

Dear Editor:

At this beautiful time of the year, we somehow seem to pause and reflect about the holiday coming upon us. The following are the thoughts I have about Easter and all that was done for us in the name of love. It would be appreciated if same could be published in your paper.

Thank you.

Yours truly,

Evelyn Ludwig
Kewaskum, Wis.

THE TRUE MEANING OF EASTER

What is Easter? There is something more significant about this holy day than bunnies, colored eggs, candy and baskets.

Easter is:

Sadness because I think of the cross on the lonely hill of Golgotha—the cross where Jesus Christ, the only begotten Son of God, was crucified—His hands and feet pierced from the nails that anchored Him to that cross;

Sadness because of the blood which streamed down His brow and temples from the crown of thorns placed on His head;

Sadness because when He thirsted, He was given vinegar to drink;

Sadness to think that after He died on that cross for us

because He loved us so much, we dare to use such a precious name in vain;

Sadness because we treat His life, His death, His works so lightly;

Sadness to think of a mother watching her son die such a horrendous death—agonizing and cruel—yet He never cried out;

Not for a moment did He weaken. My heart strings tug at my soul and spirit to think of such a man-enduring all of this for me and you. I weep bitter tears for His pain and suffering. Ahhhhh—but then there's the joy!

Easter is:

Joy in knowing Jesus is resurrected. "He arose" I said. "He's alive and living!" He's the same yesterday, today and forever. He might have been placed in a linen shroud and laid in a tomb but, Praise God, that tomb is empty today.

"He lives," I said. "He lives." That's what Easter is.

Easter is:

Jesus—His crucifixion and His resurrection.

"He lives," I said, "He lives." And He's still working miracles just as He did 2000 years ago.

Easter is:

A time to celebrate the death and ascension of Jesus Christ. It's time to examine ourselves and ask, "Why did He do it for me? Me? When I'm not worthy? When my righteousness is as filthy rags? Me? When I'm not worthy to touch the hem of His garment?"

Easter is:

Love, joy, happiness. It's redemption through the power

and the blood of Jesus Christ, the Son of God.

What will you do with Easter? Will you continue to take His name in vain and treat Him so lightly or will you worship and adore Him as He so richly deserves?

May I take this opportunity to wish you, your staff and your readers the most blessed and blissful Easter they have ever experienced.

Area Students Graduate From Short Course

Steve Enright, Kewaskum, and John Melzer, Allenton, were among 131 recent graduates of the 1981 Farm and Industry Short Course of the College of Agricultural and Life Sciences at the University of Wisconsin-Madison. Graduation ceremonies were held in the UW-Madison Memorial Union on March 15.

The graduates come from 43 Wisconsin counties, from Illinois and from Switzerland, according to Maurice White,

short course director.

The ceremonies marked the end of the 96th year of short course, a program designed to prepare young people for careers in farming and in industries related to farming. This year students participated in nearly 50 courses in industry and all phases of agriculture. The courses were offered during three five-week terms that comprised the short course session.

Short course students can earn two-, three-, or four-year certificates.

White says 237 students attended at least one term this session, marking a new enrollment high in the recent history of the program.

This is the Joseph Felix family, taken around the turn of the century. Seated, left to right: mother, Mrs. Joseph Felix [nee Kral], father Joseph, daughter Mary [Berner] Felix; standing: sons Wenzel, Joseph, John and Thomas.

The family settled on a farm near St. Kilian about 1880 after emigrating from Bohemia. Joseph's brother Jacob came over about the same time and settled on a farm about three-fourths mile up the road. Joseph's farm later passed on to the Jacob Kral family, from them to their son-in-law and daughter, Mr. and Mrs. Theodore Weiland and family and then in turn to their son Art Weiland and family. Joseph Felix and family later moved to Stanley, Wis. One son Wenzel kept his roots there, the daughter Mary settled in Janesville and sons Joseph, John and Thomas moved to Saskatchewan, Canada.

This summer there is to be a Felix family reunion in Lampman, Saskatchewan for all living members of the Felix families in the U.S. and Canada. It is being hosted by Mr. and Mrs. Robert Doyle and Mrs. Bill Felix. Mrs. Doyle is the granddaughter of Joseph Felix and Mrs. Bill Felix is the daughter-in-law of Thomas Felix.

Mark Hupfer to Receive State Farmer Degree

Mark Hupfer of Kewaskum High School has been nominated to receive the State Degree, the highest degree awarded by the Wisconsin Association of Future Farmers of America.

Mark was nominated for the degree by the Kewaskum High School FFA Chapter. The nomination was approved at a recent meeting of the Board of Directors. According to the Constitution, only 2% of the total state FFA membership can receive the degree. The state membership exceeds 19,000.

Following a final vote of approval from student delegates, Mark will receive the degree in a special ceremony on Thursday, June 11, 1981, at the State FFA Convention held in

Green Lake. Mark is one of nearly 400 FFA members in Wisconsin to be nominated for the State Farmer Degree.

Mark is the son of Mr. and Mrs. Matt Hupfer of Farmington Township, and is currently farming at home and part-time at the Howard Proeber farm.

He earned the State Farmer Degree on the basis of his beef projects which have been exhibited yearly at the Washington County Fair. Mark is currently serving as the FFA President, which involves him in various activities of the club.

Kewaskum Teachers Present 1981-82 Contract Proposal

By GERRY MUELLER
Statesman Staff Writer

Robert Getter, negotiator for the Kewaskum Education Association, met Wednesday evening with the school district's negotiating committee to present his union's contract proposal for 1980-82.

With recent settlement of KEA's 1980-81 contract, negotiators are back to the bargaining table in an effort to work out new contract terms.

Getter told the meeting his group is seeking a two-year contract, with a 13.5% increase raising a teacher's base pay from \$11,100 to \$12,600, and 1982-83 salaries aligned to the cost of living index, going up the index rate plus 2%.

Other requests include an increase from one to two personal days which would allow teachers to conduct personal business, plus early retirement with benefits from 62-65 if employed by the district for ten years.

If accepted, the two-year proposal would cost the district approximately 17% more than the present contract.

35 KHS Students Advance to State in Solo, Ensemble Contest

Seventeen choir and eighteen band musicians advanced to State at the Eastern Wisconsin Conference Solo and Ensemble Contest at Kiel. The contest was held on two weeknights, March 31 for band and April 2 for choir, instead of the usual Saturday contests in the old Scenic Moraine Conference.

In preparing for solo and ensemble contests, the students form their own groups, work out the music, and are entered in either class A, B, or C. Those entered in class A who receive a 1st rating are eligible to go to the State Contest at Whitewater May 2.

Advancing from the Kewaskum band were the flute choir (Laurie Lemke, Mary Brenholt, Pam Beesten, Jill Etta, Shelly Sekas, Shelley Hamernik, Debbie Prunty, Kelly Butzke, Mindy Krueger and Tracy Coulter), and a cornet-trombone duet (Debbie Schlice and Ken Scott).

Band soloists included Jan Hazlewood and Andy Eisenmann on trumpet, Isa Koch on clarinet, Patti Sleger on oboe, Sue Schmitt on alto recorder, and Paul Anderson on piano.

In the choir, soprano soloists Patti Sleger and Shelley Hamernik, and alto soloists Jama Jacak and Debbie Schmidt advanced to State.

Three voice ensembles advanced: a soprano-alto duet (Tracy Coulter and Julie Dettmann), a soprano-alto-tenor-bass quartet (Patti Sleger, Dar-

cie Schmidt, Scott Nigh, and Ken Fellenz), and the triple trio (Debie Schmidt, Laurie Steiner, Mary Straub, Annette Jandre, Denise Anderson, Sue Schuette, Denise Jacobs, Mary Sleger, and Colleen Shaw).

A miscellaneous trio of Julie Dettmann (soprano), Patti Sleger (recorder) and Paul Anderson (piano) also advanced to State.

The two groups will meet for further negotiations on April 20, but future bargaining sessions will be closed to the public.

Board of Education Meeting on Monday

The Board of Education of the School District of Kewaskum will hold its regular monthly meeting on Monday, April 13, 1981. Beginning at 8:00 p.m., the meeting will be held in the district administrative offices.

The request of Michael and Sandra Bodden to transfer their property from the Kewaskum to the Lomira district will be considered and acted upon by the Board.

Formal ratification of the 1980-81 agreement with the KEA will be on the agenda. The Board will also consider a position to take on an upcoming proposed WIAA constitution change dealing with conference realignment.

Approval of payroll and vouchers payable, staff for the annual kindergarten screening, accepting of some teacher resignations effective at the end of the school year and appointment of Board members to participate in graduation will be on the agenda. The Board will also consider items to be sold at auction, a date for the annual meeting and ordering supplies. Miscellaneous items which arise will also be considered.

A closed session will be held following the regular meeting to take a look at possible bus contract costs for 1981-82.

Schedule Rabbit Project Meeting For Beginners

Anyone interested in learning rabbit raising is invited to the rabbit project meeting on Monday, April 13, at 7:30 p.m. at the University of Wisconsin Extension meeting room, 515 E Washington Street, West Bend. Stan Hahn, the county 4-H rabbit project leader, will show what to look for in judging and selecting rabbits. John Skinner, University Wisconsin Extension rabbit specialist, will discuss rabbit raising information for beginners.

The meeting is open to the public. Especially beginning members, parents and leaders in the 4-H rabbit project will find it helpful.

Rabbit raising has become a popular project in 4-H. Almost 100 members participated by raising rabbits last year. The rabbit project provides most of

MPTI Classes in Quilting, Others To Begin at KHS

A number of MPTI Classes will start at Kewaskum High School as soon as a few more sign up. Quilting has proved to be a very enjoyable course and was rated very high by the students, who have completed the course. Mrs. Ellen Miklas is the instructor.

The last chance to get into a Checker Cashier Course is this Spring. This course is designed to prepare students to work as Cashiers in the Check-out department of stores. Microwave cooking has been popular all year and we plan to offer one more course for those who missed it earlier. We will start the end of April (proposed dates are Monday April 27, or Tuesday April 28).

We nearly have enough for Chair Caning and would like to offer the course the end of April. We will offer one more Upholstery Class if there is sufficient interest.

We need a few more people to make a class of ten for Macrame.

Call the Kewaskum High School at 626-2166 to register or for more information on the other courses.

the opportunities which are found in raising larger animals such as cattle or horses. It also offers some special advantages. One advantage is the relative ease to try rabbit raising. The cost of stock and equipment is relatively low, also the space required is found in most people's back yard.

Another advantage is the relatively short gestation cycle. This means that a youth raising rabbits can get much more experience regarding inheritance and genetics in a relatively short time.

While feeding and management is relatively simple it does require care. A youth quickly learns the responsibility associated with raising animals.

Rabbit raising can be considered as a hobby or it can become a commercial enterprise. It can provide a good learning experience for the youth.

Junior class president Norman Hirsig, king, has named Sherry Dreher to reign as his queen at the Kewaskum High School junior prom to be held on May 11. "Evening in Paris" will be the theme of the prom.

A small shed and outhouse were destroyed by fire on the James Ryan farm in the Town of Kewaskum last Friday morning. The blaze started from a rubbish fire.

They are William F. Meyer, son of Mr. and Mrs. Fred Meyer, and Reuben F. Schultz, son of Mr. and Mrs. Reuben P. Schultz, both of Route 1, Kewaskum, and John W. Heberer, son of Mr. and Mrs. John A. Heberer, Route 2, Campbellsport.

John Seil, 49, son of Mrs. Peter Seil, well known farmer residing two miles northeast of Beechwood, met with a terrible accident, Wednesday morning. Mr. Seil, who is a brother of

Bernard Seil of Kewaskum, was blasting stones on his farm about a quarter of a mile from his farm home. Just how the accident happened no one knows, as he was alone in the field. It is believed that he had placed a charge of two pounds of dynamite in a large rock, which he intended to blast. When the fuse failed to explode, it is thought he went to investigate and when coming within ten feet of the stone, the explosion took place with the result that his right eye was torn out and the right side of his face badly cut and mutilated. Apparently he was rendered unconscious, for after walking a short distance, his wife and William Miske, a near neighbor, who had heard the cries for help, came to his assistance. He was rushed to St. Nicholas Hospital, where he is in critical condition.

At the election on Tuesday, Theo. R. Schmidt was elected president of the village to succeed L. P. Rosenheimer, whose term of office expired and who declined to run again for re-election. The following candidates were elected: President — Theo. Schmidt; Trustees — Peter J. Haug, Carl F. Schaefer, Frank Heppe and Dr. Leo Brauchle; Supervisor — N. W. Rosenheimer; Clerk — S. N. Casper; Treasurer — John Marx; Assessor — Anthony P. Schaeffer; Justice of the Peace — William S. Olwin and Constable — Fred H. Buss.

Mr. and Mrs. Alex Theisen of St. Michaels are the proud parents of a baby boy born to them on Tuesday.

According to "Tony" Schaefer, local passenger and freight agent, Kewaskum is the only town on the Northwestern branch, between Milwaukee and Fond du Lac, which during

the month of March showed a definite increase on both incoming and out-going freight over last year's check on the same period.

The following named churches were confirmed at the churches here last Sunday: Ev. Peace Church — Jennie Schneider, Erna Backhaus, Alma Backhaus, Lilly Kocher, Amanda Butzlaff, Arley Brandt, Fred Buss, Willie Brandstetter, Bernie Brandt, John Brandt. Ev. Lutheran St. Lucas Church — Arthur Haufschild, August Voeks, Henry Martin, Alma Heise, Theresa Raether, Selma Miller, Emma Belger, Clara Seefeld.

The plant of Berres-Gehl Manufacturing Company of West Bend, machine shops and foundry, was totally destroyed by fire which started after 12:00 Wednesday night. The store room and pattern house were saved by hard work. Lumber yards adjoin the shops, but these were saved. The loss is about \$30,000, covered about one-half by insurance. The company manufactures farm machinery.

A ten pound baby boy made his appearance at the home of Mr. and Mrs. William Pesch of New Fane. A baby boy made his appearance in the home of Mr. and Mrs. Ernst Witt of Fredonia last Tuesday.

The young fellow was filling out an application for a job. In the blank space following the line, "Person to Notify in Case of Accident," he wrote: "The first person you see."

Petri Supports Bill To Make Nine-Digit Zip Code Voluntary

Congressman Tom Petri has given his support to a bill that insures that the proposed nine-digit zip code will be a voluntary, rather than mandatory, system.

Petri has co-sponsored the bill, which was introduced by Congressman Edward Derwinski, the ranking Republican member on the House Post Office and Civil Service Committee.

"A great many people are concerned that they will have to add four digits to their zip code to have their mail processed," Petri said. "While the Postal Service has insisted that use of the longer zip would never be mandatory, this bill is designed to guarantee that the Postal Service will keep that commitment."

The Postal Service has planned to implement the new zip code by June 1.

"The idea behind this bill," Petri said, "is to make sure that the Postal Service doesn't stick the people with a mandatory

nine-digit zip code."

The Wisconsin legislator has been critical of the nine-digit zip. Recently, he sent a letter to Postmaster General William Bolger, contending that the Postal Service hasn't given Congress a strong enough rationale for expanding the present five-digit zip code.

ESTABLISH SCOTT SCHLEFKE MEMORIAL AWARD

Reindl's and Thiemer's Teams Tie For First Place in Junior Bowling

The 1980-81 Junior Bowling season drew to a sad end Saturday, April 4. Everyone was shocked to hear the news that one of the junior bowlers was killed in the tornado that swept through West Bend earlier that morning. Scott Schlefke will indeed be missed by all of us involved in the Junior Bowling program.

In Scott's honor, a new award was instituted this year in the Kewaskum Jaycee-Lighthouse Juniors Bowling League. The SCOTT SCHLEFKE MEMORIAL SPORTSMANSHIP AWARD will be given to a team which shows outstanding sportsmanship throughout the season. That team's name will be engraved on a plaque to remain displayed at Lighthouse Lanes in memory of Scott. The first name to be engraved as winner was a unanimous choice by the coaches, Scott's own team, Reindl Appliance Repair.

Reindl Appliance Repair ended the season in a tie for first place in the league with the team from Thiemer's Sip 'n Snip, with Village Sport Shop finishing close behind to round out the top three trophy winners.

High series for the boys this year goes to 9-year-old Eric Marshal for his 481 scratch series. Lynn Volesky, 11, took the high series award for girls with her 456 scratch series. Eric and Lynn also ended up with high game awards in their respective division, Eric hitting 200 and Lynn, a 196 game. High average for the boys goes to 11-year-old Kevin Lisko, who finished the season with a 128 average. Lynn Volesky again takes top girl honors with a final average of 110 pins.

Saturday, April 11, will be a fun day for all of the Junior Bowlers. There will be an awards presentation followed by red pin bowling, and to really round out the season right, a lunch will be served and prepared by the Lighthouse Lanes' own "Chef Tell," Art Sepersky.

The Kewaskum Jaycees and Lighthouse Lanes would like to thank the sponsors of the Junior teams for their continued support of the Junior Bowling program. Thanks to them, this season's program was an even bigger success than last year.

Laatsch on All-Lakes Team; Banquet April 11

The annual awards banquet for the Land o' Lakes basketball league will be held on Saturday, April 11, at Reuter's Supper Club and Bowl in Germantown at 7:30 p.m.

The Rev. John Heinbuch, pastor of Faith United Church of Christ, Slinger, will give the invocation and benediction at the banquet.

Master of ceremonies will be Jake Oelhafen, commissioner of the league. The guest speaker will be Terry Schmidt, a member of the Menomonee Falls East High School coaching staff.

Kewaskum Loses In Reedsville Tournament

The Kewaskum Land o' Lakes basketball team was eliminated from the championship bracket when defeated by Evo's Time Out of Manitowoc, 87-69, Sunday in the Reedsville Athletic Association 4th annual open tournament.

At first it looked like Kewaskum would blow out Evo's as they grabbed a 10-point lead, 18-8, after the first quarter. In the second quarter, however, things turned around and Evo's outscored Kewaskum, 31 to 12, to take a nine-point lead at halftime, 39-30. In that second quarter Evo's went from ice cold to red hot and Kewaskum didn't play particularly sharp ball with numerous turnovers.

Kewaskum couldn't recover in the second half as Evo's maintained their lead in the third quarter, leading by 59-49 at the period's end and then increasing their advantage to the final 18-point margin, 87-69.

Leading scorers for the Manitowoc team were Ron Lensmire with 24 points and Wayne Peacock 18. Pacing Kewaskum were John Slesar with 20, Ken Loest 13 and Leon Laatsch 12.

Kewaskum thus dropped to the tournament's consolation bracket, in which they played Tuesday, April 7, against Valley Bank of Reedsville at 6:30 p.m.

The varsity team had the Washington County Indoor on April 8 and the indoor meet at Madison will be April 11.
