Local Business Changes Made

Flynn's Bar Sold to Erwin, James Rinas

Erwin P. Rinas and his son, James M. Rinas, are the new owners of the Robert Flynn Bar at 204 Main Street, Kewaskum. They formerly owned the Brown Jug Tavern on Hwy. 33, West Bend, and before that the Brown Derby at Cedar Lake, Washington County, for the past thirteen years. Erwin Rinas also operated taverns in Milwaukee prior to coming to Washington County.

"The Barrel Haus" is the name the new owners have chosen for their new venture. They plan on serving soup and sandwiches in the future and will be open daily. Grand opening will be announced at a later date.

Erwin Rinas lives in the Town of Theresa and his son lives at Five Corners, between Kewaskum and Campbellsport.

Bob and "Tuff" (Corliss) Flynn have operated the tavern for 21 years and in that time completely remodeled the tavern, living quarters, apartment above the tavern, and put on a new front. They are retiring to their Shawano home.

Dan Coulter of RE/MAX of West Bend handled the transaction.

DAYLIGHT SAVING TIME WILL BEGIN

Daylight saving time will begin at 2 a.m. Sunday, when you lose an hour of sleep. Be sure to turn your clocks an hour ahead before retiring Saturday night.

Schmitts Purchase Building; To Enlarge Tavern Business

Work is rapidly progressing on the remodeling of the former Dennis Shoe Store building at the intersection of Fond du Lac Avenue and Main Street, purchased by Roger and Kathy Schmitt from Herbert Gross of Menomonee Falls. They also own the Schmitt's Never Inn tavern adjoining the building.

The entire lower level of the building has been gutted. The front steps have been removed and a concrete floor has been poured. According to Schmitt, there will be a 30-foot opening on the south side of the tavern, extending their bar into the newly purchased building and enlarging their Mini-Liquor Store. With the acquisition of their building, they will gain an additional 1800 square feet of space.

A new street level, front entrance, inside six foot ramp entrance from the rear and rear loading will be among the features of the Tavern-Mini Liquor Mart.

The Schmitts, who lived above the tavern, have moved in the larger living quarters above their newly purchased building.

Mrs. Ervin Schmitt, Roger's mother, who recently sold her home at 236 Forest Avenue, Kewaskum, to Tom Schickert, will move to the living quarters above the tavern.

A completion date by Memorial Day is anticipated by Roger and Kathy.

Craft Store Reopens With New Owner

The "Just a Bit Crafty" store at 127 Main Street, Kewaskum, reopened last week Wednesday under new ownership. Jean Wierl of West Bend has leased the building from the Agatha Breit estate and bought out the merchandise of the former owner, Joyce Schultz. Miss Wierl has moved into the living quarters in the rear of the store.

The store, as in the past will feature yarns, silk flowers, needlepoint, stitchery, latch hook, ceramics, macrame supplies, other craft items and crafts on consignment.

Joyce Schultz, who operated the store for two years, will be featuring her Joyce/Jane "Li'l Twinkle Eyes" drape dolls at the store. Joyce and a friend, Jane Schodel, have trademarked their uniquely detailed drape dolls and plan on different variations of the dolls. Joyce gave up the craft store so she could concentrate on just making the dolls.

Broadcasting School Graduate

Jesse J. Averill, son of Kenneth and Linda Averill, 1320 Kewaskum St., Kewaskum, is a member of the graduating class of the Trans American School of Broadcasting of Wausau.

Graduation ceremonies will be conducted in the Marathon Park Youth Building, Wausau, on Friday, April 24, at 8 p.m.

Exodus Receives Permit For Expansion Program

By GERRY MUELLER
Statesman Staff Writer

At Monday night's meeting, the Village Board unanimously voted to issue a conditional use permit to Exodus Transitional Care Facility, Inc.

Zoning Administrator Richard Zarling informed the board that the Plan Commission has recommended issuance of the permit which will allow Exodus to begin their expansion program.

The proposed expansion will allow Exodus to add a 30 x 40 ft. addition increasing its residents capacity from 16 to 20 beds along with remodeling of kitchen, dining and bath facilities.

The board also granted a liquor license to Erwin and James Rinas, who are purchasing Flynn's Tavern. Rinas is the former owner of the Brown Jug on Highway 33, West Bend.

Bartender licenses were also issued to Joseph Klahn, James Rinas, Roger Koehler and Mary Odermann.

Trustee Jeff Rohrer informed the board that the Parks and

Recreation Committee held its organizational meeting on April 9 for summer Baseball Leagues and held a meeting April 22 at 6:30 p.m. for the Horseshoe League.

Rohrer told the board the Plan Commission's next meeting has been scheduled for April 28, at 8:00 p.m. Dan Thompson, of Action Associates, will be present to answer any questions regarding the TIF Feasibility Report.

Administrator Dan Schmidt informed the board he had received notice that repair work on the railroad crossings is scheduled for June. The Main Street crossing will be closed June 22 through June 26. The First and Second Street crossing will be closed June 29 through July 3.

The Village Board's June meeting has been changed to Tuesday, June 2, as the members will be attending a meeting of Municipal Officials in Fond du Lac on June 1, the regular meeting night.

The meeting then adjourned to closed session.

Kewaskum Indian Boosters Club Sets Awards Banquet for May 20

Kewaskum High School students who have done an outstanding performance in extra-curricular activities will be honored at the May 20 banquet. It will be held at Kewaskum High School at 7:00 p.m. Those who come early will be entertained by the high school jazz band. The swing choir will be performing later in the evening.

Jim Paul will emcee the program in which special awards are presented. The guest speaker will be Duane Woltzen, athletic director at Lakeland College, who with his team has travelled extensively in Europe.

Tickets for the dinner will be available to the public after May 1, from the high school office. They are \$3 for adults and \$2 for children.

The next boosters meeting will be April 29 at 7:30 in the

school. Tessar asked Brenholt to prepare figures on busing, closing Beechwood School, full day kindergarten and private busing so this information would be available at the committee's next meeting.

Parents concerned with the possible closing of Beechwood School asked if the district could actually realize a substantial saving by eliminating it. One woman stated that the school is one of the reasons residents had moved to Beechwood, because it has a small school offering

high school cafeteria. "Sponsor-a-Student" ticket stubs and money should be turned in at that time. We will be signing up volunteers to sell refreshments at the May 3 KHS concert, which will be at the old park at 1:00 p.m.

Anyone interested in promoting school spirit and student participation in extra-curricular activities is welcome to join the boosters.

Vandalism, Theft Reported in Area

A Kewaskum resident told West Bend police that someone fired a pellet gun at the windshield of his car while he was driving on Main Street in that city Thursday night.

Another Kewaskum resident reported to West Bend police that the windshield of his truck was broken while it was parked at the Country Kitchen Restaurant on South Main Street Monday evening. The amount of damages was not listed on the police report.

A Sun Prairie man told Washington County sheriff's deputies of the theft of a variety of parts from a car that was parked at a house on County Trunk H in Kewaskum. The theft occurred sometime in the last few months. Total value of the missing items is \$150.

Preliminary Budget Meeting Notes School Needs and Parent Concerns

By GERRY MUELLER
Statesman Staff Writer

The 25 parents who attended the Budget Committee's first meeting Wednesday evening were presented with a letter starting the problems and goals which will be faced by the group in an effort to create a reasonable and sound budget for the Kewaskum School District.

Preliminary 1981-82 figures show a budget of \$4,568,754.00, an increase of 17.1% over 1980-81. It is proposed that \$335,000 to \$350,000 be cut from this figure.

Superintendent Floyd Brenholt explained that a preliminary computer printout of budget requests was in. He felt this contained errors, duplication of requests or several people requesting the same item which would eventually be weeded out, accounting for

approximately \$100,000.00.

At the present, it will require cuts of a quarter of a million dollars to remain within the 8% increase limit (excluding gas and oil costs which would raise the limit to 9%). Approximately \$30,000 of the \$250,000 has already been eliminated by the board's staff reductions. It is felt another \$15,000 will be cut through staff turnover. Cutting one bus run and the Campbell-sport route would also be part of the cut down to 8%. The result is another \$205,000 which still must be cut from the budget.

Brenholt told the meeting, after a preliminary review, it appears we can hold the budget to 8% through cuts in supplies, equipment and possible staff changes. Brenholt stated a 1% reduction amounts to about \$40,000.00 being cut from the budget.

School Board President John

Tessar stated "if you come up with 8 to 8 1/2% I still won't be satisfied." If we cut three or four areas, we could be down to 5%."

School Board member-elect Tom Brigham asked Brenholt, "you feel 8% is rock bottom to continue programs then?" Brenholt stated "if you feel after we've made our cuts there's still some fat, you could really be hurting the programs." Committee member Richard Theusch stated "another big factor we have to consider is salaries which are presently under negotiation." Brigham commented what you want this committee to do is come up with cuts over and above those which the staff will present.

Tessar felt the board should also look ahead to closing the Administration Building and moving the offices to the high

Budget Discussion, Election of Board Officers on School Meeting Agenda

A special meeting of the Board of Education of the Kewaskum District will be held Monday, April 27, 1981 at 8:00 p.m. The meeting will be held in the Middle School Library.

Agenda items will include election of board officers and the appointment of members to standing committees. The request of Michael and Sandra Bodden to transfer their property from the Kewaskum District to Lomira will also be acted upon.

The budget will be discussed, including those staffing items originally discussed and voted

upon by the board.

These would include:

1. Elimination of the business managers position.
2. Elimination of the elementary guidance position.
3. Elimination of two special education positions.
4. Cutting the athletic program to six sports for boys and six for girls and take the six with the highest student interest. This would result in adding boys tennis, and girls softball and dropping cross country and golf for both boys and girls.
5. Drop separate freshmen teams in those sports where we

have them, eliminating those coaching positions, (combining freshmen and JV under one coach and on one team).

6. Cut one teacher aide position.

7. Eliminate one secretary position.

The above suggestions were made by board member, Charles Ogi.

Richard Theusch, board member, made the following two suggestions:

1. Eliminate the position of assistant principal at the high school, (transferring Roy Esser to another position).
2. Close the Beechwood School.

Other agenda items will include approval of payroll and vouchers payable, dismissing at noon on the last day of school, action on a request to accept a

foreign student in the high school next year, acceptance of teacher resignations and approval of a contract for an industrial arts teacher.

Miscellaneous items which arise will also be considered.

MARRIAGE BANNES

Marriage banns have been announced in the Holy Trinity Church bulletin for Mark Heriges and Jacqueline Coulter.

Dear Friends

In time of need you would not hesitate to ask a good neighbor for certain favors. We want you to feel the same toward us. So many things crowd in upon a family when death comes to the home that a neighborly, personal-interest service is often needed. We try to meet such needs, not merely in a professional way, but just as a kindly neighbor would do.

THANK YOU

Because of your support, I will assume my elected position on the Kewaskum School Board this Monday, April 27.

I wish to thank all of the individuals who helped me during my campaign as well as those who voted for me on April 7.

As I have relied on your votes, I will continue to rely on your input and will look forward to representing your interests and concerns.

It is my hope that we may progress together in facing the dual challenge of providing a quality education at a reasonable cost to the taxpayer.

TO THE EDITOR:

National Volunteer Week is April 27 to May 3 and we, the Volunteer Coordinators of O.P.E.N. (The Organization for Professional Exchange Now) would like to take this opportunity to sincerely thank all the volunteers who have donated countless hours of service to helping other people.

Volunteers cannot replace paid staff, nor can staff regardless of the number, be what volunteers are to our agencies and to the people we serve.

Over the past year, volunteers have provided over 97,952 hours of unpaid service to residents of Washington County. Their unselfish dedication, although seldom recognized, nonetheless is greatly

appreciated by all of us who count so heavily on their constant support and assistance. If it were not for the dedication of the volunteer, we would not be able to offer the services we do in Washington County.

Our heartfelt thanks and genuine appreciation to all volunteers for your endless hours of support and dedication.

Sincerely,

Michael Kardos Called in Death

Michael B. Kardos, 59, of 1546 Fond du Lac Ave., Kewaskum, passed away Sunday, April 19, at St. Joseph's Hospital in Milwaukee, where he had been a patient for the past two months.

Mr. Kardos was born June 18, 1921, in Perth Amboy, New Jersey, to the late Benedict and Barbara Stanwick Kardos. On October 5, 1946, he married Helen Pasko in St. Peter & Paul Greek Catholic Church in New Brunswick, New Jersey. Before moving to Kewaskum 13 years ago they lived in Northford, Conn.

He was the director of Distribution and Customer Service for Regal Ware, Inc. the past 13 years. He served in the Army during World War II. He was a member of the Kewaskum American Legion Robert G. Romaine Post No. 384, a member of the Lt. A. W. Frankow D.A.V. Post No. 58 of West Bend and a past member of the Kewaskum Kiwanis Club.

Survivors include his wife; two children, Michael R. (Janet) of Kewaskum, and Mary Beth of Madison; two sisters, Mrs. Theresa Lyons of Pompano Beach, Florida, and Mrs. Katherine Kudryk of Perth Amboy, New Jersey; nieces, nephews, other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum, was Wednesday from 4 to 9 p.m. with a prayer vigil at 8 p.m. Services were Thursday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Catholic Church, Kewaskum, with Fr. John T. Budde officiating. Burial was in the Holy Trinity Catholic

Church Cemetery. Memorials would be appreciated.

MRS. HULDA UMBS

Mrs. Hulda M. Umbs, 85, of 115 Elm Street, Kewaskum, passed away Wednesday, April 15, at St. Joseph's Community Hospital, West Bend, where she had been a patient for three and one-half weeks.

Mrs. Umbs was born January 21, 1896, in the Town of Wayne to the late Otto and Anna Sell Moritz. On November 23, 1923, she married William Umbs. He passed away on October 29, 1956.

Mrs. Umbs had been a practical nurse for many years. Survivors include two brothers-in-law; nieces, nephews, other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum was Friday from 4 to 8 p.m. when services were held at the funeral home with the Rev. Darrell Joiner officiating. Private burial was on Saturday, April 18, at St. John's United Church of Christ cemetery in the Town of Wayne.

Rescue Squad Calls

Tuesday, April 14 — Lynette Drexler, 4, daughter of Mr. and Mrs. David Drexler, 3145 Norman Dr., West Bend, taken to St. Joseph's Community Hospital, West Bend, from 9402 Moraine Dr. following a fall.

Wednesday, April 15 — Mary Ruth Dankemeyer, 20, 503 Hwy. H, Apt. 7, Kewaskum, taken to St. Joseph's Community Hospital when she became ill.

FFA Safety Workshop Is Success Here

The Kewaskum Chapter of Future Farmers of America would like to thank the fine people of the community who helped make their first SAFETY WORK SHOP a success. The night was started with a slide tape presentation, "THE HAZARD OF COUNTRY ROADS." After the presentation, the members of the Kewaskum Rescue Squad gave a demonstration on CPR, and answered questions on CPR and other items, such as stopping bleeding.

The members would like to stress the fact that, when you have an emergency, you should always give the dispatcher as much information as possible, such as, remain calm, remember your fire or house number, make sure that your fire number can be seen clearly from the road. Too often people's fire numbers are not visible from the road.

Later, after the questions, everyone went down to the back of the ag shop, where the members demonstrated the Jaws of Life, which is used to free victims from their automobiles. The team answered more questions and had some refreshments afterwards.

The FFA would like to thank all who participated.

"Self-control is at the root of all virtues."

School Board

(Continued from Page 1)

more individual attention to its students as well as being close to home. Another parent stated, the windows would have to be boarded up, noting that if you've purchased lumber lately you know a sheet of plywood "isn't cheap," and the district would still have to maintain the building. Parents asked what it would cost if the school had to be re-opened should Beechwood's population increase again. Brenholt noted population forecasts show a steady decrease in population through 1985 and the other schools would probably be able to handle any increase. It was noted that Beechwood is operating at only 45% capacity now.

Parents concerned with private school busing asked how many students would be affected by dropping their busses. Brenholt noted 96 students in the Kewaskum, Beechwood, and Newburg area are now being transported. Martin Haack, a parent, noted the school board is talking about an \$8,000 cut, but actually cutting the busses would result in only a \$4,000 saving since part of the cost is funded. Another parent stated "how do you justify putting 96 cars on the road as far as energy conservation." Haack stated "I think safety on the bus would be much greater

than in a car." One parent suggested combining private school routes with West Bend's routes, noting it had been done in previous years. Tessar said the possibility would be checked out.

On staffing changes, Richard Theusch stated he wanted his position regarding dropping of the high school assistant principal position clarified. Theusch noted that through some very bad mis-information, people in the district thought he was recommending the dismissal of Roy Esser. "This was just not the case. My suggestion was made during a personnel meeting, from which the inaccurate information apparently got started. The board had heard a rumor, that has since become fact, that one ag teacher would be resigning. I suggested we drop the assistant principal position, which is only half-time, and return Mr. Esser to the staff as the replacement agriculture teacher in conjunction with his other duties as local Vocational Education Counselor." Theusch commented that never, at any time, did he suggest the district dismiss Esser. Mr. Esser has been a valued part of Kewaskum's ag program and could provide an excellent service to this community if he were to assume this position again.

The next Budget Committee meeting has been scheduled for Thursday, May 17, at 7:00 p.m. in the Middle School library.

Do you sit more than you should? Do you feel aches in your legs - feel sluggish? You may be a victim of "sitis." Your legs may be crying out for exercise.

Prolonged sitting can develop varicose veins, clots in the leg veins, weak and flabby leg muscles. Leg cramps or 'restless legs' can come from "sitis." Walking helps to keep blood vessels elastic by washing away fatty deposits - it keeps tissues youthful and resilient. Therapists advise that we get off our seat and onto our feet, and walk to put new youthful vitality into our entire body.

National Honor Society Candidates Selected at High School

Twelve seniors and twenty-one juniors have been chosen as candidates for Kewaskum High School's Chapter of the National Honor Society.

Selected on the qualities of scholarship, leadership, character and service, the nominees were chosen by present NHS members and the KHS faculty. Each new member has a cumulative grade point average of at least 3.2 and has been active in extra-curricular activities.

Induction ceremonies were conducted at Kewaskum High School, Tuesday evening, April 14, where the 33 inductees pledged themselves before parents, faculty and the administration. Second year members pointed out through speeches, the responsibilities, attitudes and performance requirements expected of the new people.

Orval Behnke, community leader and a former teacher at Kewaskum High School officiated as the main speaker for the ceremony. He stressed the ideas of setting examples for others and to continue the tenacity of achievement the society is founded on. NHS president Doreen Klug conducted the ceremony. Clark Pearson, KHS principal, and club sponsor Ernest Mitchell were the other speakers who offered their congratulations to the new members.

Senior candidates for induction were: Darla Bader, Brian Brenner, Shelley Hamernik, Sue Harlow, Laura Hazlewood, Rick Howell, Isa Koch, Jeff Lehnerz, Steve Muench, Jill Petermann, Debra Prunty, Tony Strigenz.

Junior candidates for induction were: Gail Backhaus, Ken Bauer, Scott Buchel, Kevin Chesak, David Goeden, Sandra Kirchner, Melissa Koch, Colleen Kumrow, Richard Leitheiser, Gina Luedtke, Jackie Mueller, Jenny Mueller, Amy Nigh, Scott Nigh, Vicki Reif, Michele Rodenkirch, Andy Rosenberger, Craig Rosenthal, Shelly Sekas, Jill Yearling, Jennifer Zemlicka.

EASTER EGG HUNT

Hundreds of area youngsters [and moms and dads, too] participated in the annual Easter Egg Hunt sponsored by the Kewaskum American Legion, Robert G. Romaine Post 384, in River Hill Park at 1:00 p.m. Saturday. The Easter Bunny was there in person, too. The hunt was held on both sides of the river with kids in the age group from six to nine years hunting eggs in that area of the park located on the east side of the river and those five and under on the west side of the river. Approximately 85 dozen colored Easter eggs and 16 dozen candy eggs were hidden and disposed of.

Kettle Moraine Nurses to Hold Meeting May 13

The Annual Spring Meeting of the Kettle Moraine Nurses will be hosted by the Associate Degree Nursing faculty of Moraine Park Technical Institute, on May 13, at 6:30 p.m. All registered nurses and licensed practical nurses (both active and inactive) from the area are invited to enjoy an evening of socialization and education.

Due to the recent tornado damage to our school, the meeting will need to be relocated. The new meeting place will be Holy Angel's School, Walnut Room, 230 North 8th

Avenue, West Bend.

The buffet dinner will be catered by Lehn Catering, with entrees of chicken and Swiss steak.

The MPTI faculty presentation will feature "Nursing Education" and include an opportunity for guests to view some of the teaching models used in the associate degree program. Please send an \$8.00 check or money order with reservation by May 1. Make checks payable to Kettle

Moraine Nurses, Moraine Park Technical Institute, and send to Ms. Marilyn Muraski, RN., BSN., Moraine Park Technical Institute, 2151 North Main Street, West Bend, Wisconsin 53095. Mail service will continue to go through MPTI offices.

- Legion Community Message -

Congress has passed a bill designating April 26, 1981, as Vietnam Veterans Recognition Day. The Robert G. Romaine American Legion Post No. 384 supports this action. This appropriate action has been too long in coming to show our countries support for our comrades, the Vietnam Veteran.

The Robert G. Romaine Post No. 384 takes this opportunity to show the Vietnam Veterans in our community that we believe in them and support their brave sacrifice as Veter-

ans. We also extend to them an invitation to join our organization, because we would be proud and honored to have them as members.

We ask the community to join us on April 26, 1981, to honor and pray for the Vietnam Veteran on this their Recognition Day.

Sincerely,
 The Robert G. Romaine

County to Join in Observance Of National Volunteer Week

Washington County is joining other communities across the nation by declaring April 27 - May 3, National Volunteer Week.

The work of volunteers often goes unnoticed and certainly underestimated, but through National Volunteer Week, public recognition and thanks is being given to the many individuals whose dedication and efforts have meant so much to so many people.

Over the past year, volunteers have contributed over 97,952 hours of unpaid service to residents of Washington County. In addition to the many human needs which were met by these individuals, a substantial financial savings was also realized by local taxpayers. If multiplied by the federal minimum wage of \$3.10 per hour, volunteers have donated \$303,651.20 worth of service to this county.

Reuben J. Schmahl, Chairman of the Washington County Board, has locally proclaimed April 27 to May 3 National Volunteer Week. In light of the proposed state and federal cut-backs, Schmahl is urging all citizens of Washington County to take an active role in their Community through voluntary action.

In honor of the volunteer, the Volunteer Coordinators of O.P.E.N. (the Organization for Professional Exchange Now) is hosting a Recognition Night Wednesday, April 29, from 7 - 9:00 p.m. at the Washington County Senior Center. The evening will be highlighted with a slide presentation portraying volunteer services in Wash-

ington County as well as a presentation by Friends Drama group who will perform a skit about volunteer services. Refreshments will be served. All volunteers and others interested in volunteering are encouraged to attend the event. For more information, contact Delores Hippe at 338-4610 or Kathy Rath at 338-4491.

The four of clubs is considered an unlucky card.

Dairyland Seed Soybeans Receive USDA's Plant Variety Protection

Mr. Orville N. Strachota, President of Dairyland Seed, West Bend, Wisconsin, proudly announces that Certificates of Plant Variety Protection were issued to Dairyland on February 26 for three soybean varieties. The soybean varieties to receive protection are DSR 141, DSR 171, and DSR 207.

These soybean varieties were developed and released under the guidance of Dr. William M. Campbell, who is in charge of Dairyland's DSR (Dairyland Soybean Research) breeding program. This breeding program was the first private company soybean program in the Midwest. The certificates protect Dairyland from the unauthorized use of these lines by other companies or individuals. The Plant Variety Protection Act was passed by Congress to encourage further research by protecting the

rights of developing companies and plant breeders.

DSR 207, a group II soybean, currently is the number one soybean in Wisconsin according to official University of Wisconsin Trials. DSR 141, a group I soybean, is currently the number one soybean in Central Wisconsin, according to University of Wisconsin trials. DSR 171 is a late group I soybean which is available for the first time this spring. Soybeans are becoming increasingly popular in Wisconsin. 1980 soybean acreage increased more than 5% over the 1979 figure of 295,000 acres to 330,000 acres.

Dairyland Seed is a family-operated seed business that distributes soybeans, hybrid

corn and alfalfa to over 2500 farmer dealers in Wisconsin, Illinois, Indiana, Iowa, Michigan, and Minnesota. For further information write P.O. Box 958, West Bend, Wisconsin 53095 or call 414-338-0163.

AMPI Delegates Firm on Price Supports at Annual Meeting

MINNEAPOLIS, MINN., April 13, 1981 ... Most of the nation's dairy co-ops are willing to compromise on lower price supports, but not dairy farmer members of the nation's largest, Associated Milk Producers, Inc.

Representing 30,000 dairy farmers in 20 states, 612 delegates reaffirmed a long-standing policy of seeking supports at 80 to 90% of parity, Saturday, April 11, in Minneapolis at the windup session of the co-op's annual meeting.

Delegates also took action on 86 resolutions that shape co-op policy and programs for the coming year.

An attempt from the floor to amend the support price resolution to 75% rather than 80% failed with a near unanimous vote.

Two congressmen warned that even a 75% support level faces tough sledding as the new 4-year farm bill is being put together.

Kill your marginal cows before they kill you politically and financially, advised Tom Harkin, D-Iowa, and Tom Hagedorn, R-Minn., ranking majority and minority members of the subcommittee on dairy, poultry and livestock.

Both called mounting dairy surpluses "a liability," but admitted the vagaries of the weather could turn them into a "national asset" over night.

AMPI delegates endorsed a resolution urging producers to manage milk production "in accordance with utilization." AMPI urges members to "cautiously review expansion plans."

Delegates were urged "to consider a 1% of gross pay price as a minimum level of dairy promotion contributions."

Wisconsin could raise \$27 million annually if such a program were implemented, compared to nearly \$2.5 million in 1980.

Re-elected president of the corporate board was Irvin Elkin,

Amery, Wis. Re-elected corporate treasurer was William Lenschow, Sycamore, Ill., and Harold Cobbs, Lodi, Wis., was re-elected 2nd vice president.

Gregory Blaska, Marshall, Wis., was re-elected to the corporate executive committee and Glenn Johnson, Hartford City, Ind. replaced Glen Schafer, Lakeville, Ind., who retired from the board.

Attending the meeting from this area were: Corporative Area 7-D Regional Director, Daniel Rodenkirch; Delegates: Jim Esselmann, president; William Schroder, Vice President; Martin Haack, secretary-treasurer; Ervin Butzlaff, resolutions committee and Daniel Stoffel, legislative representative.

THANKS EXPRESSED

I would like to thank everyone who remembered me with cards, gifts, visits, flowers and phone calls while I was a patient at the hospital and convalescing at home. Also, special thanks to Rev. Hoenecke. These kindnesses will always be remembered.

J & J AUTO TOPICS

LONG RUNS PAY.

Most drivers believe that 'hot weather driving' is tougher on motors than 'cold weather driving.' Actually, the opposite is true. A motor that does not heat-up enough; particularly one that is used for short runs in the winter time, is one that wears out fast. A prolonged running engine will actually burn-off most of the impurities mixing into the oil. Cold engines retain these impurities causing piston rings and valves to gum-up and wear out ahead of time.

Making long runs and avoiding short trips in the winter adds life to a motor. When you can't avoid the above situations, then change oil often to avoid early motor repairs. Drive in at J & J AUTO SERVICE at 450 E. Main for professional motor servicing. It pays in the long run.

A PROCLAMATION...

Many areas of American life, such as health care, education, law enforcement, religion and the arts are supported and strengthened through the efforts of volunteers. National Volunteer Week is designated to focus attention on this important work and to encourage more citizens to lend their talents and energy to advance the well being of our County, State, and Nation.

At a time of crises, such as we experienced when the tornado hit Washington County on April 4th, it was the overwhelming response of "the volunteer" that helped to stabilize the situation in so short a time. Since the fateful night, the local disaster center has established a file of 648 persons, groups, churches, organizations, businesses and industries who have volunteered their services, items, products or money to meet the community needs. This compassion, love of fellow man, and giving of one's self is VOLUNTEERISM.

I therefore, do proclaim April 27th to May 3rd, National Volunteer Week in Washington County, honoring and saluting all volunteers for the service they render.

Reuben J. Schmahl,
Chairman, Washington County
Board of Supervisors

Where Quality and Our Customers Count

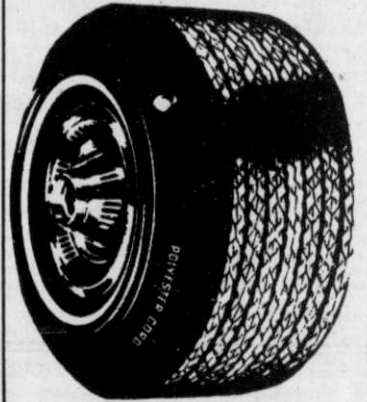

The day will begin with a slide presentation on the sights and sounds of native Wisconsin bird life. Participants will then choose 3 or 4 nature study hikes from the 6 that are available: 1) Birds, live on the trail; 2) Environmental Awareness; 3) Prairie Flowers; 4) Soils; 5) Trees and Shrubs; and 6) Woodland Plants and Flowers.

The Cedar Lake Home Campus' Guido Schroeder Scenic Trail, Timber Trail, and Inspiration Trail and the prairie will serve as the outdoor classroom for the nature walks.

For further information and to register, call the Cedar Lake Home Campus at 334-9487. The three dollar registration donation, which includes lunch, must be received by May 1. Registration is limited.

Group Campground Reservations Can Be Made Now

It's not too early to make group campground reservations for this summer in Wisconsin state parks, according to Loren Thorson, chief of recreation programs in the DNR's Bureau of Parks.

These campgrounds are primarily intended for those groups too large to be accommodated on family campsites or for groups that wish to camp as

a unit and collectively enjoy group activities.

State park and forest group camps vary in size, with the most common group camp large enough to accommodate between 75 and 100 campers. Outdoor group camp facilities at the Northern Unit of the Kettle Moraine State Forest can accommodate about 1,000 campers.

DNR park officials emphasize that group camps are not just for youth, but for adult groups as well, and are available at 23 state parks and forests.

Advance outdoor group camp reservations may be made up to one year before the beginning of the camping date. Groups interested in advance reservations should pick up a group camp reservation application from the Madison office of the DNR, DNR district headquarters or any state park or state forest office. Complete information on the location of group camps, rates and camping accommodations are listed on the registration form.

"Since many group outings require extensive planning, re-

servations early in the season are highly recommended," Thorson said, "and it is a good idea for groups wishing to reserve a group campground to contact the park superintendent by telephone first. This advance discussion is important in that it provides both the group leaders and the park officials the opportunity to determine the com-

patibility of the campground to the experience or planned program of the group. Some group campgrounds can accommodate tents only," Thorson added, "and it's important that prospective campers know this in advance."

Also, modern indoor group camp accommodations are available at Wyalusing State Park, and the Northern Unit of the Kettle Moraine State Forest. Reservations for these are accepted also, but only from groups using the facilities for conservation education purposes. A rustic indoor group camp facility is available at Devil's Lake State Park. Indoor sleeping and eating accommodations there are rustic in nature.

Girls Trounce Kiel in Track, Boys Edged by Single Point

Both the Kewaskum varsity and JV girls were victorious in their first outdoor meet of the season against the Kiel Raiders on Wednesday, April 15. The varsity girls creamed Kiel, 75-48, and the JVs won by even more of a one-sided score, 92-12.

The boys' meet was a close one, with the Indians losing by a single point, 64-63, on a cold, windy day that saw no record-breaking performances by either the girls or boys.

Veterans Katie Lightner and Julann Zemlicka led the Indians with four individual firsts. The latter's sister, Jenny, recorded her best effort in the shot put in winning that event with a 32' 7" and Linda Larsen recorded a 63.6 in the 400 meter run. Kewaskum scored slams in both the high jump and 200 meter hurdles and had a 1-2 finish in the 100 meter hurdles.

Winners at the varsity level were: Jenny Zemlicka, shot put 32' 7"; Brenda Fuller, discus 98' 5" (Brenda was conference champ in this event last year in the former Scenic Moraine Conference); Jill Yearling, high jump 4' 10"; Katie Lightner, double winner in the 100 meter hurdles 15.9, and the 100 meter dash 12.9; Linda Larsen, 400 meter dash 1:03.6; Julann Zemlicka, double winner, first in the 200 meter hurdles 33.4, and also won the 200 meter dash in a time of 28.4. The mile relay was also victorious with a time of 4:28.8. Members include Wendy Wilson, Barb Wilson, Linda Larsen, Julann Zemlicka.

Winners at the JV level were: Cheryl Jaeger, shot put 27' 5 1/2"; Holly Kempf, discus 94' 11"; Cathy Schlice, long jump 11' 5"; Amy Nigh, high jump 4' 6"; Michele Tiemann, 100 m dash 13.8; 400 and 811 m relays with the same members in both - Karen Volm, Cheryl Jaeger, Mary Paul, Michele Tiemann; the 400 relay in 2:00.4; Barb Jandre, 400 m dash 1:09.2; Karen Volm, 200 m dash 30.0; Erika Follmann, 800 m run 2:48.3; Amy Nigh, 200 m hurdles 35.2; the mile relay in a time of 4:56.1. Members include Sandy Nigh, Erika Follmann, Barb Jandre, Ann Barron.

The varsity girls will compete in a meet at Oshkosh on Saturday, April 25.

The KHS boys won 10 events to only five for the Raiders but Kiel had 1-2-3 finishes in the 400 and 800 meter runs and took the 1600 meter relay to turn the outcome in their favor.

As expected, all times were considerably lower than those in the indoor season.

Scott Klein impressed with time of 4:46.2 in the 1600 meter run. The 800 meter relay unit of Jeff Decker, Perry Kempf, Jim Geldreich and Mike Paul ran a fine 1:38.4.

The JV boys lost 67-48.

Boys Summer Basketball Program Offered

There will be a free summer basketball program open to all boys in the Kewaskum School District currently in grades 5 through 8. The program will be held at Kewaskum High School beginning Tuesday, June 16, at 8:30 a.m. and continuing every Tuesday until July 28.

The program offers training in the fundamentals of basketball as well as playing experience in scrimmage style games. Boys interested in the program may pick up registration information at their school. The deadline for registration is May 15. The clinic will be conducted by the KHS varsity coaching staff. There is no charge for the program.

For further information call Kewaskum High School at 626-2166 or Jim Westphal at 626-4471.

The Kewaskum Land o' Lakes basketball team finished the season tied with Hartford for third place in the Lakes "B" Division with a 4-10 record. Port Washington finished in first place in the division with a 8-6 record and Slinger was second with 6-8.

Kewaskum lost all five of its tournament games — one at Mt. Calvary, two at Howards Grove, and two at Reedsville — to finish with an overall record of 4 wins and 15 losses. Five of the team's losses came by five points or less.

The high point of the season was winning three out of four games toward the end of the season over Thiensville-Mequon, Mayville, and Hartford to get into a position to capture second place, only to be

edged out by Slinger in a tough battle in the final Lakes game.

The team scored 1,644 points in 14 Lakes games for an average of 117.4 points per game, compared to the opponent's 1,679 points and 119.9 average. Overall, interestingly Kewaskum scored exactly 2,000 points in its 19 games for an average of 105.3 points per game, compared to the opponent's 2,123 points and 111.7 average. As a team, Kewaskum shot 68.9% from the free throw line, making 272 of 395, while the opponents hit 67.3%, on 255 of 379.

Leon Laatsch had an outstanding season and easily led the team in scoring. He finished second in the Lakes in scoring with 475 points in 14 games for a 33.9 average, earning him a berth on the Lakes all-league team. Overall Leon scored 525 points in 18 games for a 29.2

average.

Tom Edwards was second on the team in scoring with 300 points in 14 games for a 21.4 average. Don Gruber was third with 249 points in 14 games for a 17.8 average, and Clark Eichstedt was fourth with 216 points in 11 games for a 19.6 average. John Slesar and Chris Schroeder also passed the century mark with 171 and 116 points respectively. Bill Backhaus led the team in free throw accuracy, making 18 of 20 for 90%. Laatsch, Edwards, Gruber, and Slesar did most of the rebounding for the team.

Laatsch, Edwards, Gruber, Backhaus, and Jim Rohlinger played in the Lakes "B" Division All-Star game at Port Washington against the "B" Division champs of that city. They received plaques at the Awards Banquet at Reuter's Supper Club & Bowl in Germantown. The "B" All-Stars were edged by Port, 110 to 103.

Ken Loest, perennial all league performer, was sorely missed by the team this year. It was felt that some of the team's close losses could have been victories with his services. Hopefully, Loest will return next year after a year's rest.

LAKES BASKETBALL TEAM THANKS SPONSORS

The Kewaskum Land o' Lakes basketball team would like to thank all our businessmen, merchants and club organizations for their contributions to support the team again this year. Our team is financed solely by your donations and we thank you for your continued support down through the years.

We are proud to represent you and your community in the Land o' Lakes basketball league. We would also like to invite all of you to come out to our games to watch your team in action. Thanks again!

Indian Golfers Beaten in Opener

The Kewaskum High School golf team opened their season at Lomira last Wednesday with a 192 total, losing to the Lions by 20 strokes.

Most of Coach Joe Harlow's varsity boys had one bad hole, which hurt their chances.

Tom Guay and Mike Ferguson led Lomira with 42's for medalist honors. Low for the Indians was soph Karl Zarlring, who shot a 44 in his first varsity match. Senior Jim Rohlinger was far off form with a 48.

No. 4 and 5 players, Zarlring and Scott Nigh, played well and so did the JVs.

An early spring has enabled Kewaskum's young golfers to get out several weeks earlier than usual. Gone are No. 1 player Bob Nigh and another regular, Al Dominguez, through graduation. Back are Rohlinger, who had a 41 average last year, and who had already broken 40 a couple of times this year, and another letter winner, Dan Dean, a sophomore. Also back is junior Mike Heisdorf, who moved in as a regular.

Some 25 players are competing for spots on the team, which expects a real challenge in the new Eastern Wisconsin Conference, where good golf among other sports, is played.

Hon-E-Kor Lady Golfers to Open Season May 6

The 1981 golf season for the Ladies' Golf Association of Hon-E-Kor Country Club will begin on Wednesday evening, May 6, with an opening dinner at 7:00 p.m. (Cocktails from 6-7).

This year, the association, headed by President Lu Freeze, has numerous events planned for members, which include: June Match Play, July Medal Play, the Ringer and the Pyramid. Cost of each of these events will remain at 75c. Day and class events will also be held, as usual.

Dues for the season, in the amount of \$5.50, can be paid at the dinner. If you will be unable to join us on May 6, but plan on becoming a member of the "Hon-E-Bees," please send your remittance to Treasurer, Carol Kachelmeyer, 1961 Birch Terrace, West Bend, WI 53095. Any and ALL female members of Hon-E-Kor C.C. are cordially invited to join the L.G.A.

Reservations for the opening dinner should be made by April 27, by calling Hon-E-Kor at 626-2520.
